

in the program, consistent with the IDEA requirements in 34 CFR parts 300 and 303.

Subpart G—Transition Services

§ 1302.70 Transitions from Early Head Start.

(a) *Implementing transition strategies and practices.* An Early Head Start program must implement strategies and practices to support successful transitions for children and their families transitioning out of Early Head Start.

(b) *Timing for transitions.* To ensure the most appropriate placement and service following participation in Early Head Start, such programs must, at least six months prior to each child's third birthday, implement transition planning for each child and family that:

(1) Takes into account the child's developmental level and health and disability status, progress made by the child and family while in Early Head Start, current and changing family circumstances and, the availability of Head Start, other public pre-kindergarten, and other early education and child development services in the community that will meet the needs of the child and family; and,

(2) Transitions the child into Head Start or another program as soon as possible after the child's third birthday but permits the child to remain in Early Head Start for a limited number of additional months following the child's third birthday if necessary for an appropriate transition.

(c) *Family collaborations.* A program must collaborate with parents of Early Head Start children to implement strategies and activities that support successful transitions from Early Head Start and, at a minimum, provide information about the child's progress during the program year and provide strategies for parents to continue their involvement in and advocacy for the education and development of their child.

(d) *Early Head Start and Head Start collaboration.* Early Head Start and Head Start programs must work together to maximize enrollment transitions from Early Head Start to Head Start, consistent with the eligibility

provisions in subpart A, and promote successful transitions through collaboration and communication.

(e) *Transition services for children with an IFSP.* A program must provide additional transition services for children with an IFSP, at a minimum, as described in subpart F of this part.

§ 1302.71 Transitions from Head Start to kindergarten.

(a) *Implementing transition strategies and practices.* A program that serves children who will enter kindergarten in the following year must implement transition strategies to support a successful transition to kindergarten.

(b) *Family collaborations for transitions.* (1) A program must collaborate with parents of enrolled children to implement strategies and activities that will help parents advocate for and promote successful transitions to kindergarten for their children, including their continued involvement in the education and development of their child.

(2) At a minimum, such strategies and activities must:

(i) Help parents understand their child's progress during Head Start;

(ii) Help parents understand practices they use to effectively provide academic and social support for their children during their transition to kindergarten and foster their continued involvement in the education of their child;

(iii) Prepare parents to exercise their rights and responsibilities concerning the education of their children in the elementary school setting, including services and supports available to children with disabilities and various options for their child to participate in language instruction educational programs; and,

(iv) Assist parents in the ongoing communication with teachers and other school personnel so that parents can participate in decisions related to their children's education.

(c) *Community collaborations for transitions.* (1) A program must collaborate with local education agencies to support family engagement under section 642(b)(13) of the Act and state departments of education, as appropriate, and kindergarten teachers to implement

§ 1302.72

strategies and activities that promote successful transitions to kindergarten for children, their families, and the elementary school.

(2) At a minimum, such strategies and activities must include:

(i) Coordination with schools or other appropriate agencies to ensure children's relevant records are transferred to the school or next placement in which a child will enroll, consistent with privacy requirements in subpart C of part 1303 of this chapter;

(ii) Communication between appropriate staff and their counterparts in the schools to facilitate continuity of learning and development, consistent with privacy requirements in subpart C of part 1303 of this chapter; and,

(iii) Participation, as possible, for joint training and professional development activities for Head Start and kindergarten teachers and staff.

(3) A program that does not operate during the summer must collaborate with school districts to determine the availability of summer school programming for children who will be entering kindergarten and work with parents and school districts to enroll children in such programs, as appropriate.

(d) *Learning environment activities.* A program must implement strategies and activities in the learning environment that promote successful transitions to kindergarten for enrolled children, and at a minimum, include approaches that familiarize children with the transition to kindergarten and foster confidence about such transition.

(e) *Transition services for children with an IEP.* A program must provide additional transition services for children with an IEP, at a minimum, as described in subpart F of this part.

§ 1302.72 Transitions between programs.

(a) For families and children who move out of the community in which they are currently served, including homeless families and foster children, a program must undertake efforts to support effective transitions to other Early Head Start or Head Start programs. If Early Head Start or Head Start is not available, the program should assist the family to identify an-

45 CFR Ch. XIII (10–1–23 Edition)

other early childhood program that meets their needs.

(b) A program that serves children whose families have decided to transition them to other early education programs, including public pre-kindergarten, in the year prior to kindergarten entry must undertake strategies and activities described in § 1302.71(b) and (c)(1) and (2), as practicable and appropriate.

(c) A migrant or seasonal Head Start program must undertake efforts to support effective transitions to other migrant or seasonal Head Start or, if appropriate, Early Head Start or Head Start programs for families and children moving out of the community in which they are currently served.

Subpart H—Services to Enrolled Pregnant Women

§ 1302.80 Enrolled pregnant women.

(a) Within 30 days of enrollment, a program must determine whether each enrolled pregnant woman has an ongoing source of continuous, accessible health care—provided by a health care professional that maintains her ongoing health record and is not primarily a source of emergency or urgent care—and, as appropriate, health insurance coverage.

(b) If an enrolled pregnant woman does not have a source of ongoing care as described in paragraph (a) of this section and, as appropriate, health insurance coverage, a program must, as quickly as possible, facilitate her access to such a source of care that will meet her needs.

(c) A program must facilitate the ability of all enrolled pregnant women to access comprehensive services through referrals that, at a minimum, include nutritional counseling, food assistance, oral health care, mental health services, substance abuse prevention and treatment, and emergency shelter or transitional housing in cases of domestic violence.

(d) A program must provide a newborn visit with each mother and baby to offer support and identify family needs. A program must schedule the newborn visit within two weeks after the infant's birth.
