As used in this part, section 504 applies only to programs or activities conducted by the Foundation and not to federally assisted programs.

§ 1803.4 Self-evaluation.

(a) The Foundation shall, within one year of the effective date of this part, evaluate, with the assistance of interested persons, including individuals with handicaps or organizations representing individuals with handicaps, its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part, and, to the extent modification of any such policies and practices is required, the Foundation shall proceed to make the necessary modification.

§ 1803.7

Executive Secretary finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§ 1803.6 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity subject to this part.

(b) The Foundation may not, either directly or through arrangements with others, on the basis of handicap—

(1) Discriminate against a qualified individual with handicaps in the award or renewal of scholarships, through selection criteria or otherwise;

(2) Deny a qualified individual with handicaps the opportunity to participate as a member of boards or panels used to screen scholarship applicants;

(3) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards; or

(4) Otherwise subject a qualified individual with handicaps to discrimination.

(c) The Foundation may not, either directly or through arrangements with others, utilize criteria or methods of administration the purpose or effect of which would—

(1) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(2) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(d) The Foundation shall administer programs and activities in the most feasibly integrated setting appropriate to the needs of qualified individuals with handicaps.

§ 1803.7 Program accessibility: Existing facilities.

(a) The Foundation shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not necessarily require the Foundation to make each of

its existing facilities accessible to and usable by individuals with handicaps, but no qualified individual with handicaps shall be denied the benefit of, be excluded from participation in, or otherwise be subjected to discrimination under any of the Foundation's programs and activities because any of the Foundation's facilities are inaccessible to or unusable by individuals with handicaps.

(b) When the Foundation uses facilities leased or otherwise provided by the General Services Administration (GSA), it shall request GSA to make any structural changes that the Foundation determines are required to provide necessary accessibility for individuals with handicaps, and shall inform that agency of any complaints regarding accessibility by individuals with handicaps.

(c) The Foundation periodically uses meeting rooms or similar facilities made available by non-federal entities. In any instances in which such temporarily used facilities are not readily accessible to qualified individuals with handicaps, the Foundation shall make alternative arrangements so that such qualified individuals with handicaps can participate fully in the Foundation's activity.

(d) This section does not require the Foundation to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Foundation personnel believe that the proposed action would fundamentally alter a program or activity or would result in undue financial and administrative burdens, the Foundation has the burden of proving that compliance with paragraph (a) of this section would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Executive Secretary after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or

§ 1803.8

such burdens, the Foundation shall take other action not resulting in such an alteration or such burdens, but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the programs or activities.

§ 1803.8 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the Foundation shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§ 1803.9 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Foundation. The definitions, requirements and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§ 1803.10 Communications.

(a) The Foundation shall take appropriate steps to assure that interested persons, including persons with impaired vision or hearing, can effectively communicate with the Foundation and obtain information as to the existence and availability of the Foundation's programs and activities.

(1) The Foundation shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in the scholarship interview process or other programs or activities conducted by the Foundation.

(i) In determining what type of auxiliary aid is necessary, the Foundation shall give primary consideration to the requests of the individual with handicaps.

45 CFR Ch. XVIII (10-1-23 Edition)

(ii) The Foundation need not provide individually prescribed devices or other devices of a personal nature.

(2) When the Foundation communicates with applicants and beneficiaries by telephone, the Foundation shall use, for persons with impaired hearing, a telecommunication device for deaf persons or equally effective telecommunication device.

(b) The Foundation shall take appropriate steps to provide individuals with handicaps with information regarding their section 504 rights under the Foundation's programs or activities.

(c) This section does not require the Foundation to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Foundation personnel believe that the proposed action would fundamentally alter a program or activity or would result in undue financial and administrative burdens, the Foundation has the burden of proving that compliance with paragraphs (a) and (b) of this section would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Executive Secretary after considering all Foundation resources available for use in the funding and operation of a conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the Foundation shall take other action not resulting in such an alteration or such burdens, but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the programs or activities.

§ 1803.11 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the Foundation.

(b) The Foundation shall process complaints alleging violations of § 504

Harry S. Truman Scholarship Foundation

§ 1803.11

with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) Responsibility for implementation and operation of this section shall be vested in the Executive Secretary.

(d) The Foundation shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The Foundation may extend this time period for good cause.

(e) If the Foundation receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The Foundation shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is used by the Foundation that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) The Foundation shall notify the complainant of the results of the investigation within 90 days of the receipt of a complete complaint over which it has

jurisdiction. Notification must be in a letter, and must include—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation discovered; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by paragraph (f) of this section. The Foundation may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the General Counsel.

(j) The Foundation shall notify the complainant of the results of the appeal within 90 days of the receipt of the request. If the Foundation determines that it needs additional information from the complainant, it shall have 90 days from the date it receives the additional information to make its determination on the appeal.

(k) The time limits cited in paragraphs (g) and (h) of this section may be extended with the permission of the Assistant Attorney General.

(l) The Foundation may delegate its authority for conducting complaint investigations to other federal agencies, but may not delegate to another agency the authority for making the final determination.
