

§ 1303.5

The responsible HHS official may approve a waiver of all or a portion of the non-federal match requirement on the basis of the grantee's written application submitted for the budget period and any supporting evidence the responsible HHS official requires. In deciding whether to grant a waiver, the responsible HHS official will consider the circumstances specified at section 640(b) of the Act and whether the grantee has made a reasonable effort to comply with the non-federal match requirement.

§ 1303.5 Limitations on development and administrative costs.

(a) *Limitations.* (1) Costs to develop and administer a program cannot be excessive or exceed 15 percent of the total approved program costs. Allowable costs to develop and administer a Head Start program cannot exceed 15 percent of the total approved program costs, which includes both federal costs and non-federal match, unless the responsible HHS official grants a waiver under paragraph (b) of this section that approves a higher percentage in order to carry out the purposes of the Act.

(2) To assess total program costs and determine whether a grantee meets this requirement, the grantee must:

(i) Determine the costs to develop and administer its program, including the local costs of necessary resources;

(ii) Categorize total costs as development and administrative or program costs;

(iii) Identify and allocate the portion of dual benefits costs that are for development and administration;

(iv) Identify and allocate the portion of indirect costs that are for development and administration versus program costs; and,

(v) Delineate all development and administrative costs in the grant application and calculate the percentage of total approved costs allocated to development and administration.

(b) *Waivers.* (1) The responsible HHS official may grant a waiver for each budget period if a delay or disruption to program services is caused by circumstances beyond the agency's control, or if an agency is unable to administer the program within the 15 percent limitation and if the agency can

demonstrate efforts to reduce its development and administrative costs.

(2) If at any time within the grant funding cycle, a grantee estimates development and administration costs will exceed 15 percent of total approved costs, it must submit a waiver request to the responsible HHS official that explains why costs exceed the limit, that indicates the time period the waiver will cover, and that describes what the grantee will do to reduce its development and administrative costs to comply with the 15 percent limit after the waiver period.

Subpart B—Administrative Requirements

§ 1303.10 Purpose.

A grantee must observe standards of organization, management, and administration that will ensure, so far as reasonably possible, that all program activities are conducted in a manner consistent with the purposes of the Act and the objective of providing assistance effectively, efficiently, and free of any taint of partisan political bias or personal or family favoritism.

§ 1303.11 Limitations and prohibitions.

An agency must adhere to sections 644(e), 644(g)(3), 653, 654, 655, 656, and 657A of the Act. These sections pertain to union organizing, the Davis-Bacon Act, limitations on compensation, non-discrimination, unlawful activities, political activities, and obtaining parental consent.

§ 1303.12 Insurance and bonding.

An agency must have an ongoing process to identify risks and have cost-effective insurance for those identified risks; a grantee must require the same for its delegates. The agency must specifically consider the risk of accidental injury to children while participating in the program. The grantee must submit proof of appropriate coverage in its initial application for funding. The process of identifying risks must also consider the risk of losses resulting from fraudulent acts by individuals authorized to disburse Head Start funds. Consistent with 45 CFR part 75, if the agency lacks sufficient coverage to
