

§ 1304.15

§ 1304.15 Designation request, review and notification process.

(a) A grantee must apply to be considered for Designation Renewal. A Head Start or Early Head Start agency wishing to be considered to have its designation as a Head Start or Early Head Start agency renewed for another five year period without competition must request that status from ACF at least 12 months before the end of their five year grant period or by such time as required by the Secretary.

(b) ACF will review the relevant data to determine if one or more of the conditions under §1304.11 were met by the Head Start and Early Head Start agency during the current project period.

(c) ACF will give notice to grantees on Designation Renewal System status, except as provided in §1304.14, at least 12 months before the expiration date of a Head Start or Early Head Start agency's current grant, stating:

(1) The Head Start or Early Head Start agency will be required to compete for funding for an additional five-year period because ACF finds that one or more conditions under §1304.11 were met by the agency's program during the relevant time period described in paragraph (b) of this section, identifying the conditions ACF found, and summarizing the basis for the finding; or

(2) That such agency has been determined on a preliminary basis to be eligible for renewed funding for five years without competition because ACF finds that none of the conditions under §1304.11 have been met during the relevant time period described in paragraph (b) of this section. If prior to the award of that grant, ACF determines that the grantee has met one of the conditions under §1304.11 during the relevant time period described in paragraph (b) of this section, this determination will change and the grantee will receive notice under paragraph (c)(1) of this section that it will be required to compete for funding for an additional five-year period.

§ 1304.16 Use of CLASS: Pre-K instrument in the Designation Renewal System.

Except when all children are served in a single classroom, ACF will conduct observations of multiple classes operated by the grantee based on a random sample of all classes and rate the conduct of the classes observed using the CLASS: Pre-K instrument. When the grantee serves children in its program in a single class, that class will be observed and rated using the CLASS: Pre-K instrument. The domain scores for that class will be the domain scores for the grantee for that observation. After the observations are completed, ACF will report to the grantee the scores of the classes observed during the CLASS: Pre-K observations in each of the domains covered by the CLASS: Pre-K instrument. ACF will average CLASS: Pre-K instrument scores in each domain for the classes operated by the agency that ACF observed to determine the agency's score in each domain.

§ 1304.17 Flexibility for Head Start Designation Renewal Determinations in Certain Emergencies.

(a) In reviewing the relevant data as described in §1304.15(b), if ACF determines that one or more data elements described in the conditions in section §1304.11 is not available due to an emergency described in paragraph (b) of this section, ACF may make a designation renewal determination based on the data elements that are available.

(b) The emergencies are:

(1) A major disaster declared by the President under section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170).

(2) An emergency declared by the President under section 501 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5191).

(3) A public health emergency declared by the Secretary pursuant to section 319 of the Public Health Service Act (42 U.S.C. 247d).
