

§ 1330.25

(3) The extent to which the design of the proposed project includes a thorough, high-quality review of the relevant literature, a high-quality plan for project implementation, and the use of appropriate methodological tools to ensure successful achievement of project objectives.

(4) The extent to which the design of the proposed project is appropriate to, and will successfully address, the needs of the target population or other identified needs.

(5) The extent to which the proposed development efforts include adequate quality controls and, as appropriate, repeated testing of products.

(6) The extent to which the proposed project will be coordinated with similar or related efforts, and with other appropriate community, State, and Federal resources.

(7) The extent to which the design of the proposed project reflects up-to-date knowledge from research and effective practice.

(8) The extent to which the proposed project represents an exceptional approach to the priority or priorities established for the competition.

§ 1330.25 Additional considerations for field-initiated priorities.

(a) The Director reserves funds to support field-initiated applications funded under this part when those applications have been awarded points totaling 85 percent or more of the maximum possible points under the procedures described in § 1330.23.

(b) In making a final selection from applications received when NIDILRR uses field-initiated priorities, the Director may consider whether one of the following conditions is met and, if so, use this information to fund an application out of rank order:

(1) The proposed project represents a unique opportunity to advance rehabilitation and other knowledge to improve the lives of individual with disabilities.

(2) The proposed project complements or balances research activity already planned or funded by NIDILRR through its annual priorities or ad-

resses the research in a new and promising way.

(c) If the Director funds an application out of rank order under paragraph (b) of this section, the public will be notified through a notice on the NIDILRR Web site or through other means deemed appropriate by the Director.

Subpart D—Disability, Independent Living, and Rehabilitation Research Fellowships

§ 1330.30 Fellows program.

(a) The purpose of this program is to build research capacity by providing support to highly qualified individuals, including those who are individuals with disabilities, to perform research on rehabilitation, independent living, and other experiences and outcomes of individuals with disabilities.

(b) The eligibility requirements for the Fellows program are as follows:

(1) Only individuals are eligible to be recipients of Fellowships.

(2) Any individual is eligible for assistance under this program who has training and experience that indicate a potential for engaging in scientific research related to rehabilitation and independent living for individuals with disabilities.

(3) This program provides two categories of Fellowships: Merit Fellowships and Distinguished Fellowships.

(i) To be eligible for a Distinguished Fellowship, an individual must have seven or more years of research experience in subject areas, methods, or techniques relevant to disability and rehabilitation research and must have a doctorate, other terminal degree, or comparable academic qualifications.

(ii) The Director awards Merit Fellowships to individuals in earlier stages of their careers in research. To be eligible for a Merit Fellowship, an individual must have either advanced professional training or experience in independent study in an area which is directly pertinent to disability and rehabilitation.

(c) Fellowships will be awarded in the form of a grant to eligible individuals.

(d) In making a final selection of applicants to support under this program, the Director considers the extent to
