

§ 1336.51

(ii) Not as a result of an adverse evaluation of the project's purpose or the manner in which it was conducted; and

(iii) Not because it was anticipated that Federal funds would replace the original source of project funding.

(3) In addition, the applicant must demonstrate in the request for a waiver that the maintenance of effort requirement would result in insurmountable hardship for the recipient or would otherwise be inconsistent with the purposes of this part.

(d) *Delegation of project operations.* (1) Each subgrant awarded to a delegate agency must have specific prior approval by ANA. Such delegation must be formalized by written agreement.

(2) The agreement must specify the activities to be performed by the delegate agency, the time schedule, the policies and procedures to be followed, the dollar limitations, and the costs allowed. The applicant must submit a budget for each delegate agency as part of its application.

(e) *Unallowable costs.* ANA funds may not be used by recipients to purchase real property.

(f) *Office of the Chief Executive.* The costs of salaries and expenses of the Office of Chief Executive of a federally recognized Indian tribal government (as defined in § 75.2 of this title) are allowable, provided that such costs exclude any portion of salaries and expenses of the Office of Chief Executive that are a cost of general government and provided they are related to a project assisted under this part.

§ 1336.51 Project period.

The Notice of Financial Assistance Awarded will specify the period for which support is intended, although the Department makes funding commitments only for one budget period at a time. Financial assistance under section 803 of the Act may be ongoing, subject to policy decisions and funding limitations.

§ 1336.52 Appeals.

(a) *Right to appeal.* Recipients whose financial assistance has been suspended

45 CFR Ch. XIII (10–1–23 Edition)

or terminated, or whose non-competing continuation applications for refunding have been denied, may appeal such decisions using the procedures described in this section. Denial of an application for refunding means the refusal to fund a non-competing continuation application for a budget period within a previously approved project period.

(b) *Suspension, termination, and denial of funding.* Procedures for and definitions of suspension and termination of financial assistance are published in 45 CFR 75.371 through 75.380. Appeals from a denial of refunding will be treated the same procedurally as appeals to termination of financial assistance. The term “denial of refunding” does not include policy decisions to eliminate one or more activities of an approved project. A decision not to fund an application at the end of the recipients's project period is not a “denial of refunding” and is not subject to appeal.

(c) *Hearings.* (1) A recipient shall be given an initial written notice at least thirty (30) days prior to the suspension or termination of financial assistance except in emergency situations, which occur when Federal property is in imminent danger of dissipation, or when life, health, or safety is endangered. During this period of time, the recipient has the opportunity to show cause to ANA why such action should not be taken.

(2) A recipient who has received final written notice of termination or denial of refunding, or whose financial assistance will be suspended for more than 30 days, or who has other appealable disputes with ANA as provided by 45 CFR part 16 may request review by the Departmental Grant Appeals Board under the provisions of 45 CFR part 16.

(3) If a recipient appeals a suspension of more than 30 days which subsequently results in termination of financial assistance, both actions may be considered simultaneously by the Departmental Grant Appeals Board.
