for extraordinary and compelling circumstances, such as when a natural disaster or other catastrophic event prevents the timely expenditure of LSC funds, or when the recipient receives an insurance reimbursement, the proceeds from the sale of real property, a payment from a lawsuit in which the recipient was a party, or a payment from an LSC-funded lawsuit, regardless of whether the recipient was a party to the lawsuit.

(d) A waiver pursuant to paragraph (b) or (c) of this section may be granted at the discretion of the Corporation pursuant to the criteria set out in § 1628.4(e).

(e) In the absence of a waiver, a fund balance in excess of 10% of LSC support shall be repaid to the Corporation. If a waiver of the 10% ceiling is granted, any fund balance in excess of the amount permitted to be retained shall be repaid to the Corporation.

(f) A recovery of an excess fund balance pursuant to this part does not constitute a termination under 45 CFR part 1606. *See* § 1606.2(c)(2)(ii).

(g) One-time and special purpose grants awarded by the Corporation are not subject to the fund balance policy set forth in this part. Revenue and expenses relating to such grants shall be reflected separately in the audit report submitted to the Corporation. This may be done by establishing a separate fund or by providing a separate supplemental schedule of revenue and expenses related to such grants as a part of the audit report. No funds provided under a one-time or special purpose grant may be expended subsequent to the expiration date of the grant without the prior written approval of the Corporation. Absent approval from the Corporation, all unexpended funds under such grants shall be returned to the Corporation.

(4) The amount of fund balance projected to be carried forward at the close of the recipient's current fiscal year; and

(5) The special circumstances justifying the retention of the excess fund balance up to 25%, or the extraordinary and compelling circumstances set out in § 1628.3(c) justifying a fund balance in excess of 25%.

(b) Within 45 days of receipt of the recipient's waiver request submitted pursuant to paragraph (a) of this section, the Corporation shall provide a written response to the request and a written notice to the recipient of any fund balance due and payable to the Corporation as well as the method for repayment.

(c) In the event that repayment is required, the Corporation shall give written notice 30 days prior to the effective date for repayment. Repayment shall be in a lump sum or by pro rata deductions from the recipient's grant checks for a specific number of months. The Corporation shall determine which of the specified methods of repayment is reasonable and appropriate in each case after consultation with the recipient.

(d) A recipient may submit a waiver request to retain a fund balance in excess of 25% of its LSC support prior to the submission of its audited financial statements. The Corporation may, at its discretion, provide approval in writing. The request shall specify the extraordinary and compelling circumstances justifying the fund balance in excess of 25%; the estimated fund balance that the recipient anticipates it will accrue by the time of the submission of its audited financial statements; and the recipient's plan for disposing of the excess fund balance. This may be done by establishing a separate fund or by providing a separate supplemental schedule as part of the audit report.

(g) The recipient shall promptly inform and seek guidance from the Corporation when it determines a need for any changes to the conditions on timing or purposes set out in the Corporation's written approval of a recipient's request for a waiver.

§ 1628.5 Fund balance deficits.

(a) Sound financial management practices such as those set out in Chapter 3 of the Corporation's Accounting Guide for LSC Recipients should preclude deficit spending. Use of current year LSC grant funds to liquidate deficit balances in the LSC fund from a preceding period requires the prior written approval of the Corporation.

(b) Within 30 days of the submission of the recipient's annual audit, the recipient may apply to the Corporation for approval of the expenses associated with the liquidation of the deficit balance in the LSC fund.

(c) In the absence of approval by the Corporation, expenditures of current year LSC grant funds to liquidate a deficit from a prior year shall be identified as questioned costs under 45 CFR part 1630.

(d) The recipient's request must specify the same information relative to the deficit LSC fund balance as that set forth in §1628.4(a)(1) and (2). Additionally, the recipient must develop and submit a plan approved by its governing body describing the measures which will be implemented to prevent a recurrence of a deficit balance in the

LSC fund. The Corporation reserves the right to require changes in the submitted plan.

(e) The decision of the Corporation regarding acceptance of these deficit-related costs shall be guided by the statutory mandate requiring the recipient to provide high quality legal services performed in an effective and economical manner. Special consideration will be given for emergencies, unusual occurrences, or other special circumstances giving rise to a deficit balance.
