

## Legal Services Corporation

## § 1631.11

of this chapter, the substance of the relationship is more important than the form of the agreement. All the characteristics above may not be present in all cases, and a recipient must use judgment in classifying each agreement as a subgrant or a contract.

### § 1631.7 Procurement policies and procedures.

Recipients must have written procurement policies and procedures. These policies must:

(a) Identify competition thresholds that establish the basis (for example, price, risk level, or type of purchase) for the level of competition required at each threshold (for example, certification that a purchase reflects the best value to the recipient; a price comparison for alternatives that the recipient considered; or requests for information, quotes, or proposals);

(b) Establish the grounds for non-competitive purchases;

(c) Establish the level of documentation necessary to justify procurements. The level of documentation needed may be proportional to the nature of the purchase or tied to competition thresholds;

(d) Establish internal controls that, at a minimum, provide for segregation of duties in the procurement process, identify which employees, officers, or directors who have authority to make purchases for the recipient, and identify procedures for approving purchases;

(e) Establish procedures to ensure quality and cost control in purchasing, including procedures for selecting sources, fair and objective criteria for selecting sources; and

(f) Establish procedures for identifying and preventing conflicts of interest in the purchasing process.

### § 1631.8 Requests for prior approval.

(a) As required by 45 CFR 1630.6 and 1631.3, a recipient using more than \$25,000 of LSC funds to purchase or lease personal property or contract for services must request and receive LSC's prior approval.

(b) A request for prior approval must include:

(1) A statement of need;

(2) A copy of the recipient's procurement policy; and

(3) Documentation showing that the recipient followed its procurement policies and procedures in soliciting, reviewing, and approving the purchase, lease, or contract for services.

### § 1631.9 Applicability of part 1630 of this chapter.

All purchases and leases of personal property and contracts for services made with LSC funds must comply with the provisions of 45 CFR part 1630 (Cost Standards and Procedures).

## Subpart C—Personal Property Management

### § 1631.10 Use of property in compliance with LSC's statutes and regulations.

(a) A recipient may use personal property purchased or leased, in whole or in part, with LSC funds primarily to deliver legal services to eligible clients under the requirements of the LSC Act, applicable appropriations acts, and LSC regulations.

(b) A recipient may use personal property purchased or leased, in whole or in part, with LSC funds for the performance of an LSC grant or contract for other activities, if such other activities do not interfere with the performance of the LSC grant or contract.

(c) If a recipient uses personal property purchased or leased, in whole or in part, with LSC funds to provide services to an organization that engages in activity restricted by the LSC Act, LSC regulations, or other applicable law, the recipient must charge the organization a fee no less than that which private nonprofit organizations in the same area charge for the same services under similar conditions.

### § 1631.11 Intellectual property.

(a) A recipient owns all products, technologies, and software developed or improved using LSC funds, subject to any agreement the recipient may have with a third-party vendor. LSC retains a royalty-free, nonexclusive, and irrevocable license to use, reproduce, distribute, publish, and prepare derivative works of any LSC-funded products, technologies, and software,

including making them available to other LSC grantees or the broader access to justice community and partners.

(b) A recipient must have a written contract with vendors who develop or improve LSC-funded products, technologies, and software. The contract must include a provision disclosing LSC's royalty-free, nonexclusive, and irrevocable license and prohibiting third-party vendors from denying its existence, challenging its legality, or interfering with LSC's full exercise of it.

### **§ 1631.12 Disposing of personal property purchased with LSC funds.**

(a) *Disposal by LSC recipients.* During the term of an LSC grant or contract, a recipient may dispose of personal property purchased with LSC funds by:

(1) Trading in the personal property when it acquires replacement property;

(2) Selling or otherwise disposing of the personal property with no further obligation to LSC when the fair market value of the personal property is negligible;

(3) Where the current fair market value of the personal property is \$15,000 or less, selling the property at a reasonable negotiated price, without advertising;

(4) Where the current fair market value of the personal property exceeds \$15,000, advertising the property for 14 days and selling the property after receiving reasonable offers. If the recipient receives no reasonable offers after advertising the property for 14 days, it may sell the property at a reasonable negotiated price;

(5) Transferring the property to another recipient of LSC funds; or

(6) With the approval of LSC, transferring the personal property to another nonprofit organization serving the poor in the same service area.

(b) *Disposal when no longer a recipient.* When a recipient stops receiving LSC funds, it must obtain LSC's approval to dispose of personal property purchased with LSC funds in one of the following ways:

(1) Transferring the property to another recipient of LSC funds, in which case the former recipient will be entitled to compensation in the amount of

the percentage of the property's current fair market value that is equal to the percentage of the property's purchase cost borne by non-LSC funds;

(2) Transferring the property to another nonprofit organization serving the poor in the same service area, in which case LSC will be entitled to compensation from the recipient for the percentage of the property's current fair market value that is equal to the percentage of the property's purchase cost borne by LSC funds;

(3) Selling the property and retaining the proceeds from the sale after compensating LSC for the percentage of the property's current fair market value that is equal to the percentage of the property's purchase cost borne by LSC funds; or

(4) Retaining the property, in which case LSC will be entitled to compensation from the recipient for the percentage of the property's current fair market value that is equal to that percentage of the property's purchase cost borne by LSC funds.

(c) *Disposal upon merger with or succession by another LSC recipient.* When a recipient stops receiving LSC funds because it merged with or is succeeded by another grantee, the recipient may transfer the property to the new recipient, if the two entities execute an LSC-approved successor in interest agreement that requires the new recipient to use the property primarily to provide legal services to eligible clients under the requirements of the LSC Act, applicable appropriations acts, and LSC regulations.

(d) *Prohibition.* A recipient may not dispose of personal property by sale, donation, or other transfer of the property to its board members or employees.

### **§ 1631.13 Use of derivative income from sale of personal property purchased with LSC funds.**

(a) During the term of an LSC grant or contract, a recipient may retain and use income from any sale of personal property purchased with LSC funds according to 45 CFR 1630.17 (Cost Standards and Procedures: Applicability to derivative income) and 45 CFR 1628.3 (Recipient Fund Balances: Policy).
