

§ 1631.3

45 CFR Ch. XVI (10–1–23 Edition)

§ 1631.3 Prior approval process.

(a) LSC shall grant prior approval of a cost listed in §1630.6(b) of this chapter if the recipient has provided sufficient written information to demonstrate that the cost would be consistent with the standards and policies of this part. LSC may request additional information if necessary to make a decision on the recipient's request.

(b)(1) For purchases or leases of personal property, contracts for services, and capital improvements, LSC will make a decision to approve or deny a request for prior approval within 30 days of receiving materials LSC deems sufficient to decide. LSC will inform a recipient within 20 days of receiving the initial prior approval request whether LSC needs additional information to make a decision.

(2) For purchases of real estate, LSC will make a decision within 60 days of receiving materials LSC deems sufficient to decide. LSC will inform a recipient within 20 days of receiving the initial prior approval request whether LSC needs additional information to make a decision.

(3) If LSC cannot make a decision whether to approve the request within the allotted time, it will provide the requester with a date by which it expects to make a decision.

(c) If LSC denies a request for prior approval, LSC shall provide the recipient with a written explanation of the grounds for denying the request.

(d) *Exigent circumstances.* (1) A recipient may use more than \$25,000 of LSC funds to purchase personal property or award a contract for services without seeking LSC's prior approval if the purchase or contract is necessary;

(i) To avoid imminent harm to the recipient's personnel, physical facilities, or systems;

(ii) To remediate or mitigate damage to the recipient's personnel, physical facilities or systems;

(iii) To avoid disruption to the recipient's client-service delivery system (e.g., an event that causes a recipient's telecommunications system to cease functioning); or

(iv) To respond to a natural disaster (e.g., a flood washes out roads leading to the recipient's offices such that the

recipient must contract for services that will enable it to contact its clients).

(2) The recipient must provide LSC with a description of the exigent circumstances and the information described in §1631.8(b) within 30 days after the circumstances necessitating the purchase or contract have ended.

§ 1631.4 Use of funds.

When LSC receives funds from a disposition of property under this section, LSC will use those funds to make emergency and other special grants to recipients. LSC generally will make such grants to the same service area as the returned funds originally supported.

§ 1631.5 Recipient policies, procedures, and recordkeeping.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient's compliance with this part.

Subpart B—Procurement Policies and Procedures

§ 1631.6 Characteristics of procurements.

(a) Characteristics indicative of a procurement relationship between a recipient and another entity are when the other entity:

(1) Provides the goods and services within its normal business operations;

(2) Provides similar goods or services to many different purchasers;

(3) Normally operates in a competitive environment;

(4) Provides goods or services that are ancillary to the operation of the LSC grant; and

(5) Is not subject to LSC's compliance requirements as a result of the agreement, though similar requirements may apply for other reasons.

(b) In determining whether an agreement between a recipient and another entity constitutes a contract under this part or a subgrant under part 1627

Legal Services Corporation

§ 1631.11

of this chapter, the substance of the relationship is more important than the form of the agreement. All the characteristics above may not be present in all cases, and a recipient must use judgment in classifying each agreement as a subgrant or a contract.

§ 1631.7 Procurement policies and procedures.

Recipients must have written procurement policies and procedures. These policies must:

(a) Identify competition thresholds that establish the basis (for example, price, risk level, or type of purchase) for the level of competition required at each threshold (for example, certification that a purchase reflects the best value to the recipient; a price comparison for alternatives that the recipient considered; or requests for information, quotes, or proposals);

(b) Establish the grounds for non-competitive purchases;

(c) Establish the level of documentation necessary to justify procurements. The level of documentation needed may be proportional to the nature of the purchase or tied to competition thresholds;

(d) Establish internal controls that, at a minimum, provide for segregation of duties in the procurement process, identify which employees, officers, or directors who have authority to make purchases for the recipient, and identify procedures for approving purchases;

(e) Establish procedures to ensure quality and cost control in purchasing, including procedures for selecting sources, fair and objective criteria for selecting sources; and

(f) Establish procedures for identifying and preventing conflicts of interest in the purchasing process.

§ 1631.8 Requests for prior approval.

(a) As required by 45 CFR 1630.6 and 1631.3, a recipient using more than \$25,000 of LSC funds to purchase or lease personal property or contract for services must request and receive LSC's prior approval.

(b) A request for prior approval must include:

(1) A statement of need;

(2) A copy of the recipient's procurement policy; and

(3) Documentation showing that the recipient followed its procurement policies and procedures in soliciting, reviewing, and approving the purchase, lease, or contract for services.

§ 1631.9 Applicability of part 1630 of this chapter.

All purchases and leases of personal property and contracts for services made with LSC funds must comply with the provisions of 45 CFR part 1630 (Cost Standards and Procedures).

Subpart C—Personal Property Management

§ 1631.10 Use of property in compliance with LSC's statutes and regulations.

(a) A recipient may use personal property purchased or leased, in whole or in part, with LSC funds primarily to deliver legal services to eligible clients under the requirements of the LSC Act, applicable appropriations acts, and LSC regulations.

(b) A recipient may use personal property purchased or leased, in whole or in part, with LSC funds for the performance of an LSC grant or contract for other activities, if such other activities do not interfere with the performance of the LSC grant or contract.

(c) If a recipient uses personal property purchased or leased, in whole or in part, with LSC funds to provide services to an organization that engages in activity restricted by the LSC Act, LSC regulations, or other applicable law, the recipient must charge the organization a fee no less than that which private nonprofit organizations in the same area charge for the same services under similar conditions.

§ 1631.11 Intellectual property.

(a) A recipient owns all products, technologies, and software developed or improved using LSC funds, subject to any agreement the recipient may have with a third-party vendor. LSC retains a royalty-free, nonexclusive, and irrevocable license to use, reproduce, distribute, publish, and prepare derivative works of any LSC-funded products, technologies, and software,
