

§ 2105.5

(d) If the Agency determines that your request does not reasonably describe the records sought, the Agency will inform you what additional information you need to provide in order to reasonably describe the records that you seek so the requested records can be located with a reasonable amount of effort. The Agency will also notify you that it will not be able to comply with your request unless the additional information it has requested is received from you in writing within 20 workdays after the Agency has requested it and that you may appeal its determination. If you receive this type of notification, you may wish to discuss it with the Agency's designated FOIA contact or the FOIA Public Liaison (*see* § 2105.63). If the Agency does not receive your written response containing the additional information within 20 workdays after the Agency has requested it, the Agency will presume that you are no longer interested in the records and will close the file on the request.

§ 2105.5 How will fee information affect the processing of your request?

(a) Your request should state that you will pay all fees associated with processing the request, that you will pay fees up to a specified amount, and/or that you are seeking a fee waiver.

(b) If the Agency anticipates that the fees for processing the request will exceed the amount you have agreed to pay, or if you did not agree in writing to pay processing fees or request a fee waiver and the Agency anticipates the processing costs will exceed \$50 (*see* § 2105.35(g)) or will exceed your entitlements (*see* § 2105.37), the Agency will notify you:

- (1) Of the estimated processing fees;
- (2) Of its need for either an advance payment (*see* § 2105.48) or your written assurance that you will pay the anticipated fees (or fees up to a specified amount); and

(3) That it will not be able to fully comply with your request unless you provide a fee waiver request and/or the requested written assurance or advance payment.

(c) If the Agency does not receive a written response from you within 20 workdays after requesting the information in paragraph (b) of this section, it

45 CFR Ch. XXI (10–1–23 Edition)

will presume that you are no longer interested in the records and will close the file on the request.

(d) If you are seeking a fee waiver, your request must include a justification that addresses and meets the criteria in §§ 2105.43 and 2105.46. Failure to provide sufficient justification will result in a denial of the fee waiver request. If you are seeking a fee waiver, you may also indicate the amount you are willing to pay if the fee waiver is denied. This allows the Agency to process the request for records while it considers your fee waiver request.

(e) If you are required to pay a fee and it is later determined on appeal that you were entitled to a full or partial fee waiver, you will receive an appropriate refund.

§ 2105.6 What information should you include about your fee category?

(a) A request should indicate your fee category (that is, whether you are a commercial-use requester, news media, educational or noncommercial scientific institution, or other requester as described in §§ 2105.36 and 2105.37).

(b) If you submit a FOIA request on behalf of another person or organization (for example, if you are an attorney submitting a request on behalf of a client), the Agency will determine the fee category by considering the underlying requester's identity and intended use of the information.

(c) If your fee category is unclear, the Agency may ask you for additional information (*see* § 2105.49).

§ 2105.7 Can you ask for records to be disclosed in a particular form or format?

(a) Generally, you may choose the form or format of disclosure for records requested. The Agency must provide the records in the requested form or format if the Agency can readily reproduce the record in that form or format.

(b) The Agency may charge you the direct costs involved in converting records to the requested format if the Agency does not normally maintain the records in that format (*see* § 2105.42).
