

### Subpart B—Proactive Disclosures of Agency Records

#### § 2507.5 Records available on agency website.

(a) AmeriCorps regularly updates and posts the following on its public website, *americorps.gov*:

(1) Information that is required to be published in the FEDERAL REGISTER under 5 U.S.C. 552(a)(1) and:

(2) Administrative staff manuals and instructions to staff that affect any member of the public.

(3) Statements of policy and interpretation adopted by AmeriCorps and not published in the FEDERAL REGISTER.

(4) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of administrative cases.

(5) Records that AmeriCorps determines are or will be the subject of widespread media, historical, or academic interest and that may properly be publicly posted.

(b) On the FOIA page of its public website, *americorps.gov*, the Agency posts records that are required by the FOIA to be made available for public inspection and copying under 5 U.S.C. 552(a)(2), including, but not limited to, frequently requested records.

(c) For help from the FOIA Officer or the FOIA Public Liaison in finding proactively disclosed records, members of the public may contact AmeriCorps at *foia@cns.gov* or at: AmeriCorps, Office of the General Counsel, 250 E Street SW, Washington, DC 20525.

### Subpart C—Filing a FOIA Request

#### § 2507.6 Requirements for FOIA requests.

(a) *General information.* AmeriCorps has a centralized system for responding to FOIA requests. AmeriCorps headquarters is the central processing point for all requests for Agency records, regardless of where they are stored. State service commissions are not part of AmeriCorps and are not Federal agencies, and thus are not subject to the FOIA.

(b) *Directions for making requests.* All FOIA requests must be submitted in writing to the FOIA Officer at

AmeriCorps headquarters in one of the following ways:

(1) *By email:* *foia@cns.gov*. Including a phone number with a request will help with processing.

(2) *By online submission:* via the National FOIA Portal at *www.FOIA.gov*.

(3) *By mail:* AmeriCorps, Attn.: FOIA Officer, Office of General Counsel, 250 E Street SW, Washington, DC 20525.

(4) *By fax:* (202) 606-3467.

(c) *Description of records sought.* Requesters must provide enough detail about the Agency's records they seek that AmeriCorps personnel can find responsive records, if they exist, with a reasonable amount of effort. To the extent possible, requesters should include information that helps identify the records, such as dates, titles or names, authors, recipients, subject matter of the records, or assigned reference numbers. Requesters may adjust their request or ask for advice on writing a request by sending a note to *foia@cns.gov*.

(1) If a request does not reasonably describe the records sought, AmeriCorps' response to the request may be delayed or denied.

(2) When AmeriCorps determines that a request does not sufficiently describe the records sought, it will ask the requester for further information. If the requester does not respond to a request for additional information within thirty (30) working days, the request may be administratively closed at AmeriCorps' discretion. A requester may, after administrative closure of a request, submit a new request with additional information for further consideration.

(d) *Third-party requests.* When a request for records pertains to a third party (that is, a person other than the requester), the requester may receive greater access by submitting a notarized authorization signed by the third party or a declaration, made in compliance with the requirements set forth in the FOIA, that the third party authorizes disclosure of the records to the requester, or proof that the third party is deceased (for example, a copy of a death certificate or a published obituary). If necessary, AmeriCorps may require additional information from a requester to verify that the third party consents to disclosure. Alternatively,

## § 2507.7

requesters may demonstrate an overriding public interest in the disclosure of information pertaining to a third party (for example, by producing evidence that alleged Government impropriety occurred, necessitating a disclosure of information related to official misconduct).

(e) *Date range for requested records.* Requesters may ask for a specific date range for a search, but requests may not ask for records that are anticipated for the future, but do not yet exist. As it determines which records are responsive to a request, AmeriCorps ordinarily will include only records in its possession as of the date it begins its search, if a date range is not specified.

(f) *Contact information.* Requesters must provide a telephone number or email address in their request so that AmeriCorps can contact them for clarification, if necessary, or help them narrow down a request that would otherwise be unduly burdensome.

### § 2507.7 Requests for archived records.

In accordance with agency records schedules and General Records Schedules, AmeriCorps transfers permanent records to the National Archives and Records Administration (“National Archives”). Once these records are transferred, they are in the physical and legal custody of the National Archives. Accordingly, requests for retired AmeriCorps records should be submitted to the National Archives by mail addressed to: Special Access and FOIA Staff (NWCTF), 8601 Adelphi Road, Room 5500, College Park, MD 20740; by fax to (301) 837-1864; or by email to [specialaccess\\_foia@nara.gov](mailto:specialaccess_foia@nara.gov).

## Subpart D—Agency Processing and Response to FOIA Requests

### § 2507.8 Processing of requests.

(a) *Authority to grant or deny requests.* The FOIA Officer is authorized to grant or deny any requests for records maintained by AmeriCorps. If the request is for records under the control and jurisdiction of the Office of the Inspector General, the FOIA Officer will forward the request to that office’s FOIA officer for the initial determination and the reply to the requester.

## 45 CFR Ch. XXV (10–1–23 Edition)

(b) *Providing records.* AmeriCorps will provide copies only of records it has in its possession. AmeriCorps is not compelled to create new records to respond to a FOIA request, answer questions posed as FOIA requests, perform research for a requester, compile lists of selected items from its files, or provide a requester with statistical or other data, unless such data has been compiled previously and is available in the form of a record.

(1) AmeriCorps is required to provide only one copy of a record.

(2) AmeriCorps will ordinarily provide the record in electronic form. Requesters may specify the preferred form or format for the records they seek, and AmeriCorps will provide releasable records in that form or format if they are readily reproducible in that way and the format allows for any necessary redactions.

(3) If AmeriCorps cannot make a legible copy of a record to be released, it is not required to reconstruct the record. Instead, AmeriCorps will furnish the best copy possible and note the record’s poor quality in its reply.

(c) *Records previously released.* If AmeriCorps has released a record, or a part of a record, to a requester in the past, it will ordinarily release it to a new requester. However, this principle does not apply if the previous release was unauthorized or if an exemption applies that did not apply earlier. If an exemption is the reason for denial, AmeriCorps will specify the exemption under which information is withheld.

(d) *Consultation and referral.* When AmeriCorps reviews records in response to a request and determines that another agency of the Federal Government holds an interest in the record, AmeriCorps will proceed in one of the following ways:

(1) *Consultation.* When responsive records have originated with AmeriCorps but contain within them information of interest to another agency, or other Federal Government office, AmeriCorps consults with that other agency before making a release determination.

(2) *Referral.* (i) When a responsive record has originated with a different agency or other Federal Government office that is subject to the FOIA,
