

§ 2507.7

requesters may demonstrate an overriding public interest in the disclosure of information pertaining to a third party (for example, by producing evidence that alleged Government impropriety occurred, necessitating a disclosure of information related to official misconduct).

(e) *Date range for requested records.* Requesters may ask for a specific date range for a search, but requests may not ask for records that are anticipated for the future, but do not yet exist. As it determines which records are responsive to a request, AmeriCorps ordinarily will include only records in its possession as of the date it begins its search, if a date range is not specified.

(f) *Contact information.* Requesters must provide a telephone number or email address in their request so that AmeriCorps can contact them for clarification, if necessary, or help them narrow down a request that would otherwise be unduly burdensome.

§ 2507.7 Requests for archived records.

In accordance with agency records schedules and General Records Schedules, AmeriCorps transfers permanent records to the National Archives and Records Administration (“National Archives”). Once these records are transferred, they are in the physical and legal custody of the National Archives. Accordingly, requests for retired AmeriCorps records should be submitted to the National Archives by mail addressed to: Special Access and FOIA Staff (NWCTF), 8601 Adelphi Road, Room 5500, College Park, MD 20740; by fax to (301) 837-1864; or by email to specialaccess_foia@nara.gov.

Subpart D—Agency Processing and Response to FOIA Requests

§ 2507.8 Processing of requests.

(a) *Authority to grant or deny requests.* The FOIA Officer is authorized to grant or deny any requests for records maintained by AmeriCorps. If the request is for records under the control and jurisdiction of the Office of the Inspector General, the FOIA Officer will forward the request to that office’s FOIA officer for the initial determination and the reply to the requester.

45 CFR Ch. XXV (10–1–23 Edition)

(b) *Providing records.* AmeriCorps will provide copies only of records it has in its possession. AmeriCorps is not compelled to create new records to respond to a FOIA request, answer questions posed as FOIA requests, perform research for a requester, compile lists of selected items from its files, or provide a requester with statistical or other data, unless such data has been compiled previously and is available in the form of a record.

(1) AmeriCorps is required to provide only one copy of a record.

(2) AmeriCorps will ordinarily provide the record in electronic form. Requesters may specify the preferred form or format for the records they seek, and AmeriCorps will provide releasable records in that form or format if they are readily reproducible in that way and the format allows for any necessary redactions.

(3) If AmeriCorps cannot make a legible copy of a record to be released, it is not required to reconstruct the record. Instead, AmeriCorps will furnish the best copy possible and note the record’s poor quality in its reply.

(c) *Records previously released.* If AmeriCorps has released a record, or a part of a record, to a requester in the past, it will ordinarily release it to a new requester. However, this principle does not apply if the previous release was unauthorized or if an exemption applies that did not apply earlier. If an exemption is the reason for denial, AmeriCorps will specify the exemption under which information is withheld.

(d) *Consultation and referral.* When AmeriCorps reviews records in response to a request and determines that another agency of the Federal Government holds an interest in the record, AmeriCorps will proceed in one of the following ways:

(1) *Consultation.* When responsive records have originated with AmeriCorps but contain within them information of interest to another agency, or other Federal Government office, AmeriCorps consults with that other agency before making a release determination.

(2) *Referral.* (i) When a responsive record has originated with a different agency or other Federal Government office that is subject to the FOIA,
