Subpart F—Distribution of Funds

§ 2517.600 How are funds for community-based service-learning programs distributed?

All funds are distributed by the Corporation through competitive grants.

Subpart G—Funding Requirements

§ 2517.700 Are matching funds required?

(a) Yes. The Corporation share of the cost of carrying out a program funded under this part may not exceed—

(1) Ninety percent of the total cost for the first year for which the program receives assistance;

(2) Eighty percent of the total cost for the second year;

(3) Seventy percent of the total cost for the third year; and

(4) Fifty percent of the total cost for the fourth year and any subsequent year.

(b) In providing for the remaining share of the cost of carrying out a program, each recipient of assistance must provide for that share through a payment in cash or in kind, fairly evaluated, including facilities, equipment, or services, and may provide for that share through State sources, local sources, or Federal sources (other than funds made available under the national service laws).

(c) However, the Corporation may waive the requirements of paragraph (b) of this section in whole or in part with respect to any program in any fiscal year if the Corporation determines that the waiver would be equitable due to lack of available financial resources at the local level.

§ 2517.710 Are there limits on the use of funds?

Yes. The following limits apply to funds available under this part:

(a)(1) Not more than five percent of the grant funds provided under this part for any fiscal year may be used to pay for administrative costs, as defined in § 2510.20 of this chapter.

(2) The distribution of administrative costs between the grant and any subgrant will be subject to the approval of the Corporation.
