

(2) AmeriCorps programs must release for cause any participant who is convicted of a felony or the sale or distribution of a controlled substance during a term of service.

(3) A participant who is released for cause may not receive any portion of the AmeriCorps education award or any other payment from the National Service Trust.

(4) An individual who is released for cause must disclose that fact in any subsequent applications to participate in an AmeriCorps program. Failure to do so disqualifies the individual for an education award, regardless of whether the individual completes a term of service.

(5) An AmeriCorps\*State/National participant released for cause may contest the program's decision by filing a grievance. Pending the resolution of a grievance procedure filed by an individual to contest a determination by a program to release the individual for cause, the individual's service is considered to be suspended. For this type of grievance, a program may not—while the grievance is pending or as part of its resolution—provide a participant with federally-funded benefits (including payments from the National Service Trust) beyond those attributable to service actually performed, without the program receiving written approval from the Corporation.

(6) An individual's eligibility for a subsequent term of service in AmeriCorps will not be affected by release for cause from a prior term of service so long as the individual received a satisfactory end-of-term performance review as described in § 2522.220(c)(2) for the period served in the prior term.

(7) Except as provided in paragraph (e) of this section, a term of service from which an individual is released for cause counts as one of the terms of service described in § 2522.235 for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

(c) *Suspended service.* (1) A program must suspend the service of an individual who faces an official charge of a violent felony (e.g., rape, homicide) or sale or distribution of a controlled substance.

(2) A program must suspend the service of an individual who is convicted of possession of a controlled substance.

(3) An individual may not receive a living allowance or other benefits, and may not accrue service hours, during a period of suspension under this provision.

(d) *Reinstatement.* (1) A program may reinstate an individual whose service was suspended under paragraph (c)(1) of this section if the individual is found not guilty or if the charge is dismissed.

(2) A program may reinstate an individual whose service was suspended under paragraph (c)(2) of this section only if the individual demonstrates the following:

(i) For an individual who has been convicted of a first offense of the possession of a controlled substance, the individual must have enrolled in a drug rehabilitation program;

(ii) For an individual who has been convicted for more than one offense of the possession of a controlled substance, the individual must have successfully completed a drug rehabilitation program.

(e) *Release prior to serving 15 percent of a term of service.* If a participant is released for reasons other than misconduct prior to completing 15 percent of a term of service, the term will not be considered one of the terms of service described in § 2522.220(b) for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

**§ 2522.235 Is there a limit on the number of terms an individual may serve in an AmeriCorps State and National program?**

(a) *General limitation.* An individual may receive the benefits described in §§ 2522.240 through 2522.250 for no more than four terms of service in an AmeriCorps State and National program, regardless of whether those terms were served on a full-, part-, or reduced part-time basis, consistent with the limitations in § 2526.50.

(b) *Early release.* Except as provided in paragraph (c) of this section, a term of service from which an individual is

released for compelling personal circumstances or for cause counts as one of the terms of service for which an individual may receive the benefits described in § 2522.240 through § 2522.250.

(c) *Release prior to serving fifteen percent of a term.* If a person is released for reasons other than misconduct prior to completing fifteen percent of a term of service, the term will not be considered one of the terms of service for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

### **§ 2522.240 What financial benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?**

(a) *AmeriCorps education awards.* An individual serving in an approved AmeriCorps State and National position may receive an education award from the National Service Trust upon successful completion of each of no more than four terms of service as defined in § 2522.220, consistent with the limitations in § 2526.50.

(b) *Living allowances—(1) Amount.* Subject to the provisions of this part, any individual who participates on a full-time basis in an AmeriCorps program carried out using assistance provided pursuant to § 2521.30 of this chapter, including an AmeriCorps program that receives educational awards only pursuant to § 2521.30(c) of this chapter, will receive a living allowance in an amount equal to or greater than the average annual subsistence allowance provided to VISTA volunteers under § 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). This requirement will not apply to any program that was in existence prior to September 21, 1993 (the date of the enactment of the National and Community Service Trust Act of 1993).

(2) *Maximum living allowance.* With the exception of a professional corps described in § 2522.110(a)(3), the AmeriCorps living allowances may not exceed 200 percent of the average annual subsistence allowance provided to VISTA volunteers under section 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). A professional corps AmeriCorps program may provide a stipend in excess of the max-

imum, subject to the following conditions: (i) Corporation assistance may not be used to pay for any portion of the allowance; and

(ii) The program must be operated directly by the applicant, selected on a competitive basis by submitting an application to the Corporation, and may not be included in a State's application for AmeriCorps program funds distributed by formula under § 2521.30(a)(2) of this chapter.

(3) *Living allowances for part-time participants.* Programs may, but are not required to, provide living allowances to individuals participating on a part-time basis (or a reduced term of part-time service authorized under § 2522.220(a)(3)). Such living allowances should be prorated to the living allowance authorized in paragraph (b)(1) of this section and will comply with such restrictions therein.

(4) *Waiver or reduction of living allowance for programs.* The Corporation may, at its discretion, waive or reduce the living allowance requirements if a program can demonstrate to the satisfaction of the Corporation that such requirements are inconsistent with the objectives of the program, and that participants will be able to meet the necessary and reasonable costs of living (including food, housing, and transportation) in the area in which the program is located.

(5) *Waiver or reduction of living allowance by participants.* A participant may waive all or part of the receipt of a living allowance. The participant may revoke this waiver at any time during the participant's term of service. If the participant revokes the living allowance waiver, the participant may begin receiving his or her living allowance prospective from the date of the revocation; a participant may not receive any portion of the living allowance that may have accrued during the waiver period.

(6) *Limitation on Federal share.* The Federal share, including Corporation and other Federal funds, of the total amount provided to an AmeriCorps participant for a living allowance is limited as follows:

(i) In no case may the Federal share exceed 85% of the minimum required
