

(v) Military service that prevents the use of an education award, such as active duty overseas (but a person in the reserves or National Guard who has not been called up on active duty, or who is enlisted in the military, is not necessarily unavoidably prevented from timely using their education award because of their military service).

(2) When considering whether to grant an extension, AmeriCorps also will consider whether:

(i) The extension is a result of the individual's choices or actions or factors beyond the individual's control;

(ii) The need for the extension is in any part attributable to AmeriCorps' or an AmeriCorps-funded entity's actions;

(iii) The lending institution or institution entitled to the payment failed to take an action, or took an action, that resulted in the individual needing/wanting the extension.

(c) Examples of circumstances that do not meet the criteria for granting an extension may include but are not limited to:

(1) Employment or unemployment, even in a position with a non-profit organization involved in community service.

(2) Forgetting to use the education award, being unaware of the use-period restrictions, or not receiving his or her education award expiration notice.

(3) Being too young to use a transferred education award.

§ 2525.43 What if the request for an extension is missing information or documentation?

If the extension application lacks necessary information or documentation, AmeriCorps may request additional documentation. If the requested additional documentation is not provided to AmeriCorps within 30 days, AmeriCorps may close the request for an extension.

§ 2525.44 How will AmeriCorps notify the Eligible Individual or Designated Recipient of its decision on the extension request?

AmeriCorps will notify the Eligible Individual or Designated Recipient in writing if the request for an extension has been granted or denied. The notification will advise the requester of the

process for appealing the denial if the requester has a good-faith basis to believe their request was erroneously denied.

§ 2525.45 Can an Eligible Individual or Designated Recipient appeal a denied request for an extension?

(a) If an Eligible Individual or Designated Recipient submits a timely application for an extension and the application is denied, the individual may file an appeal. The appeal must:

(1) Be received within 30 days of the denial determination;

(2) Be made in writing—either online through the *My AmeriCorps* portal if the education award has not expired—or through a submission to the National Service Hotline at 1-800-942-2677;

(3) Explain why the initial determination was erroneous/should be reviewed; and,

(4) Include supporting documentation, if applicable.

(b) AmeriCorps may grant an appeal when, after review of all the information provided originally and on appeal, it appears that the extension should have been granted. AmeriCorps may ask for additional documentation to inform the appeal determination.

(c) Individuals who submit appeals will be notified in writing of the final determination.

§ 2525.50 Is there a limit on the total amount of education awards an individual may receive?

(a) *General limitation.* While there is no limit on the specific dollar amount, no individual may receive more than the amount equal to the aggregate value of two full-time education awards.

(b) *Calculation of aggregate value of awards received.* The aggregate value of education awards received is the sum of:

(1) The value of each education award received for successful completion of an approved national service position;

(2) The value of each partial education award received upon release from an approved national service position for compelling personal circumstances; and

(3) The value of any amount received from a transferred education award, except as provided in § 2525.460.

§ 2525.55

(c) *Determination of receipt of award.* For purposes of determining the aggregate value of education awards, an award is considered to be received at the time it becomes available for use.

§ 2525.55 What is the impact of the aggregate value of education awards received on an individual's ability to serve in additional terms of service?

The aggregate value of education awards received does not limit an individual's ability to serve in additional terms of service, but does impact the amount of the education award the individual may receive pursuant to § 2525.100(d) upon successful completion of any additional term of service.

§ 2525.60 May an individual receive an education award and related interest benefits from the National Service Trust as well as other loan cancellation benefits for the same term of service?

An individual may not receive an education award and related interest benefits from the National Service Trust for a term of service and have that same service credited toward repayment, discharge, or cancellation of other student loans, except an individual may credit the service toward the Public Service Loan Forgiveness Program, as provided under 34 CFR 685.219.

§ 2525.70 What are the effects of an erroneous certification of successful completion of a term of service?

(a) If AmeriCorps determines that the certification made by a national service program under § 2525.10(a)(2) is erroneous, AmeriCorps shall assess against the national service program a

45 CFR Ch. XXV (10–1–23 Edition)

charge for the amount of any associated payment or potential payment from the National Service Trust, taking into consideration the full facts and circumstances that led to the erroneous or incorrect certification.

(b) If AmeriCorps determines that the certification made is knowingly false or inaccurate, AmeriCorps will disallow the education award and/or initiate a debt collection process for any education award funds disbursed.

(c) Nothing in this section prohibits AmeriCorps from taking any action authorized by law based upon any certification that is knowingly made in a false, materially misleading, or fraudulent manner.

Subpart C—Determining the Amount of an Education Award

§ 2525.100 What is the amount of an education award?

(a) *Full-time term of service.* Except as provided in paragraph (d) of this section, the education award for a full-time term of service in an approved national service position of at least 1,700 hours will be equal to the maximum amount of a Federal Pell Grant under section 401 of the Higher Education Act of 1965 (20 U.S.C. 1070a) that a student eligible for that grant may receive in the aggregate for the award year in which the term of service is approved by AmeriCorps.
