[74 FR 46508, Sept. 10, 2009]

#### **§ 2551.43 What income guidelines govern eligibility to serve as a stipended Senior Companion?**

(a) To receive a stipend, a Senior Companion may not have an annual income from all sources, after deducting allowable medical expenses, which exceeds the program's income eligibility guideline for the State in which he or she resides. The income eligibility guideline for each State is 200 percent of the poverty line, as set forth in 42 U.S.C. 9902 (2).

(b) For applicants to become stipended Senior Companions, annual income is projected for the following 12 months, based on income at the time of application. For serving stipended Senior Companions, annual income is counted for the past 12 months. Annual income includes the applicant or enrollee's income and that of his/her spouse, if the spouse lives in the same residence.

(c) Allowable medical expenses are annual out-of-pocket medical expenses for health insurance premiums, health care services, and medications provided to the applicant, enrollee, or spouse which were not and will not be paid by Medicare, Medicaid, other insurance, or other third party payor, and which do not exceed 50 percent of the applicable income guideline.

(d) Applicants whose income is not more than 100 percent of the poverty line shall be given special consideration for enrollment.

(e) Once enrolled, a Senior Companion shall remain eligible to serve and to receive a stipend so long as his or her income, does not exceed the applicable income eligibility guideline by 20 percent.
