§ 1355.10 Scope.

Unless otherwise specified, part 1355 applies to States and Indian Tribes and contains general requirements for Federal financial participation under titles IV-B and IV-E of the Social Security Act.

[61 FR 58653, Nov. 18, 1996]

§ 1355.20 Definitions.

(a) Unless otherwise specified, the following terms as they appear in 45 CFR parts 1355, 1356 and 1357 of this title are defined as follows—

Act means the Social Security Act, as amended.

ACYF means the Administration on Children, Youth and Families, Administration for Children and Families (ACF), U. S. Department of Health and Human Services.

Adoption means the method provided by State law, or for a Tribal title IV-E agency, Tribal law, which establishes the legal relationship of parent and child between persons who are not so related by birth, with the same mutual rights and obligations that exist between children and their birth parents. This relationship can only be termed “adoption” after the legal process is complete.

Child abuse and neglect means the definition contained in 42 U.S.C. 5106(g)(2).

Child care institution means a private child care institution, or a public child care institution which accommodates no more than twenty-five children, and is licensed by the licensing authority responsible for licensing or approval of institutions of this type as meeting the standards established for such licensing. The licensing authority must be a State authority in the State in which the child care institution is located, a Tribal authority with respect to a child care institution on or near an Indian Reservation, or a Tribal authority of a Tribal title IV-E agency with respect to a child care institution in the Tribal title IV-E agency’s service area. This

definition must not include detention facilities, forestry camps, training schools, or any other facility operated primarily for the detention of children who are determined to be delinquent.

Commissioner means the Commissioner on Children, Youth and Families, Administration for Children and Families, U.S. Department of Health and Human Services.

Date a child is considered to have entered foster care means the earlier of: The date of the first judicial finding that the child has been subjected to child abuse or neglect; or, the date that is 60 calendar days after the date on which the child is removed from the home pursuant to §1356.21(k). A title IV-E agency may use a date earlier than that required in this definition, such as the date the child is physically removed from the home. This definition determines the date used in calculating all time period requirements for the periodic reviews, permanency hearings, and termination of parental rights provision in section 475(5) of the Act and for providing time-limited reunification services described at section 431(a)(7) of the Act. The definition has no relationship to establishing initial title IV-E eligibility.

Department means the United States Department of Health and Human Services.

Detention facility in the context of the definition of child care institution in section 472(c)(2) of the Act means a physically restricting facility for the care of children who require secure custody pending court adjudication, court disposition, execution of a court order or after commitment.

Entity, as used in §1355.38, means any organization or agency (e.g., a private child placing agency) that is separate and independent of the title IV-E agency; performs title IV-E functions pursuant to a contract or subcontract with the title IV-E agency; and, receives title IV-E funds. A State or Tribal court is not an “entity” for the purposes of §1355.38 except if an administrative arm of the State or Tribal court carries out title IV-E administrative functions pursuant to a contract with the title IV-E agency.

Foster care means 24-hour substitute care for children placed away from

their parents or guardians and for whom the title IV-E agency has placement and care responsibility. This includes, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and preadoptive homes. A child is in foster care in accordance with this definition regardless of whether the foster care facility is licensed and payments are made by the State, Tribal or local agency for the care of the child, whether adoption subsidy payments are being made prior to the finalization of an adoption, or whether there is Federal matching of any payments that are made.

Foster care maintenance payments are payments made on behalf of a child eligible for title IV-E foster care to cover the cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a child’s personal incidentals, liability insurance with respect to a child, and reasonable travel for a child’s visitation with family, or other caretakers. Local travel associated with providing the items listed above is also an allowable expense. In the case of child care institutions, such term must include the reasonable costs of administration and operation of such institutions as are necessarily required to provide the items described in the preceding sentences. “Daily supervision” for which foster care maintenance payments may be made includes:

(1) *Foster family care*—licensed child care, when work responsibilities preclude foster parents from being at home when the child for whom they have care and responsibility in foster care is not in school, licensed child care when the foster parent is required to participate, without the child, in activities associated with parenting a child in foster care that are beyond the scope of ordinary parental duties, such as attendance at administrative or judicial reviews, case conferences, or foster parent training. Payments to cover these costs may be: included in the basic foster care maintenance payment; a separate payment to the foster parent, or a separate payment to the child care provider; and

(2) *Child care institutions*—routine day-to-day direction and arrangements to ensure the well-being and safety of the child.

Foster family home means, for the purpose of title IV–E eligibility, the home of an individual or family licensed or approved as meeting the standards established by the licensing or approval authority(ies), that provides 24-hour out-of-home care for children. The licensing authority must be a State authority in the State in which the foster family home is located, a Tribal authority with respect to a foster family home on or near an Indian Reservation, or a Tribal authority of a Tribal title IV–E agency with respect to a foster family home in the Tribal title IV–E agency's service area. The term may include group homes, agency-operated boarding homes or other facilities licensed or approved for the purpose of providing foster care by the State or Tribal agency responsible for approval or licensing of such facilities. Foster family homes that are approved must be held to the same standards as foster family homes that are licensed. Anything less than full licensure or approval is insufficient for meeting title IV–E eligibility requirements. Title IV–E agencies may, however, claim title IV–E reimbursement during the period of time between the date a prospective foster family home satisfies all requirements for licensure or approval and the date the actual license is issued, not to exceed 60 days.

Full review means the joint Federal and title IV–E agency review of all federally-assisted child and family services programs, including family preservation and support services, child protective services, foster care, adoption, and independent living services, for the purpose of determining the title IV–E agency's substantial conformity with the plan requirements of titles IV–B and IV–E as listed in §1355.34 of this part. A full review consists of two phases, the statewide assessment (or for a Tribal title IV–E agency, an assessment of the service area) and a subsequent on-site review, as described in §1355.33 of this part.

Legal guardianship means a judicially-created relationship between child and caretaker which is intended

to be permanent and self-sustaining as evidenced by the transfer to the caretaker of the following parental rights with respect to the child: protection, education, care and control of the person, custody of the person, and decision-making. The term *legal guardian* means the caretaker in such a relationship.

National Child Abuse and Neglect Data System (NCANDS) means the voluntary national data collection and analysis system established by the Administration for Children and Families in response to a requirement in the Child Abuse Prevention and Treatment Act (Pub. L. 93–247), as amended.

Partial review means:

(1) For the purpose of the child and family services review, the joint Federal and State/Tribal review of one or more federally-assisted child and family services program(s), including family preservation and support services, child protective services, foster care, adoption, and independent living services. A partial review may consist of any of the components of the full review, as mutually agreed upon by the title IV–E agency and the Administration for Children and Families as being sufficient to determine substantial conformity of the reviewed components with the plan requirements of titles IV–B and IV–E as listed in §1355.34 of this part;

(2) For the purpose of title IV–B and title IV–E State plan compliance issues that are outside the prescribed child and family services review format, e.g., compliance with AFCARS requirements, a review of State laws, policies, regulations, or other information appropriate to the nature of the concern, to determine State compliance; or

(3) For the purpose of title IV–E plan compliance issues for a Tribal title IV–E agency which are outside of the prescribed child and family services review format, a review of Tribal laws, policies, regulations, or other information appropriate to the nature of the concern, to determine plan compliance.

Permanency hearing means:

(1) The hearing required by section 475(5)(C) of the Act to determine the permanency plan for a child in foster care. Within this context, the court

(including a Tribal court) or administrative body determines whether and, if applicable, when the child will be:

- (i) Returned to the parent;
- (ii) Placed for adoption, with the title IV-E agency filing a petition for termination of parental rights;
- (iii) Referred for legal guardianship;
- (iv) Placed permanently with a fit and willing relative; or
- (v) Placed in another planned permanent living arrangement, but only in cases where the title IV-E agency has documented to the State or Tribal court a compelling reason for determining that it would not be in the best interests of the child to follow one of the four specified options above.

(2) The permanency hearing must be held no later than 12 months after the date the child is considered to have entered foster care in accordance with the definition at § 1355.20 of this part or within 30 days of a judicial determination that reasonable efforts to reunify the child and family are not required. After the initial permanency hearing, subsequent permanency hearings must be held not less frequently than every 12 months during the continuation of foster care. The permanency hearing must be conducted by a family or juvenile court or another court of competent jurisdiction or by an administrative body appointed or approved by the court which is not a part of or under the supervision or direction of the title IV-E agency. Paper reviews, *ex parte* hearings, agreed orders, or other actions or hearings which are not open to the participation of the parents of the child, the child (if of appropriate age), and foster parents or preadoptive parents (if any) are not permanency hearings.

State means, for title IV-B, the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, and American Samoa. For title IV-E the term “State” means the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, and American Samoa.

State agency means the State agency administering or supervising the administration of the title IV-B and title

IV-E State plans and the title XX social services block grant program. An exception to this requirement is permitted by section 103(d) of the Adoption Assistance and Child Welfare Act of 1980 (Pub. L. 96-272). Section 103(d) provides that, if on December 1, 1974, the title IV-B program (in a State or local agency) and the social services program under section 402(a)(3) of the Act (the predecessor program to title XX) were administered by separate agencies, that separate administration of the programs could continue at State option.

Statewide assessment (or Tribal assessment) means the initial phase of a full review of all federally-assisted child and family services programs in the States (or for a Tribal title IV-E agency, in the service area), including family preservation and support services, child protective services, foster care, adoption, and independent living services as described in § 1355.33(b) of this part, for the purpose of determining substantial conformity with the plan requirements of titles IV-B and IV-E as listed in § 1355.34 of this part.

Title IV-E agency means the State or Tribal agency administering or supervising the administration of the title IV-B and title IV-E plans.

Tribal agency means, for the purpose of title IV-E, the agency of the Indian Tribe, Indian Tribal organization (as those terms are defined in section 479B(a) of the Act) or consortium of Indian Tribes that is administering or supervising the administration of the title IV-E and title IV-B, subpart 1 plan.

(b) Unless otherwise specified, the definitions contained in section 475 of the Act apply to all programs under titles IV-E and IV-B of the Act.

EFFECTIVE DATE NOTE: At 88 FR 66708, Sept. 28, 2023, § 1355.20 was amended by revising the definition of “Foster family home” in paragraph (a), effective Nov. 27, 2023. For the convenience of the user, the revised text is set forth as follows:

§ 1355.20 Definitions.

(a) * * *

Foster family home means, for the purpose of title IV–E eligibility, the home of an individual or family licensed or approved as meeting the standards established by the licensing or approval authority(ies), that provides 24-hour out-of-home care for children. The licensing or approval authority must be a state authority in the state in which the foster family home is located, a tribal authority with respect to a foster family home on or near an Indian Reservation, or a tribal authority of a tribal title IV–E agency with respect to a foster family home in the tribal title IV–E agency’s service area. Agencies may establish one set of foster family home licensing or approval standards for all relative or kinship foster family homes that are different from the set of standards used to license or approve all non-relative foster family homes. Anything less than full licensure or approval is insufficient for meeting title IV–E eligibility requirements. Title IV–E agencies may, however, claim title IV–E reimbursement during the period of time between the date a prospective foster family home satisfies all requirements for licensure or approval and the date the actual license is issued, not to exceed 60 days.

§ 1355.21 Plan requirements for titles IV–E and IV–B.

(a) The plans for titles IV–E and IV–B must provide for safeguards on the use and disclosure of information which meet the requirements contained in section 471(a)(8) of the Act.

(b) The plans for titles IV–E and IV–B must provide for compliance with the Department’s regulations applicable to the State and/or Tribe as listed in 45 CFR 1355.30.

(c) The State agency and the Indian Tribe must make available for public review and inspection the Child and Family Services Plan (CFSP) and the Annual Progress and Services Reports. (See 45 CFR 1357.15 and 1357.16.) The title IV–E agency also must make available for public review and inspection the title IV–E Plan.

[48 FR 23114, May 23, 1983, as amended at 61 FR 58654, Nov. 18, 1996; 77 FR 926, Jan. 6, 2012]

§ 1355.25 Principles of child and family services.

The following principles, most often identified by practitioners and others as helping to assure effective services for children, youth, and families, should guide the States and Indian

Tribes in developing, operating, and improving the continuum of child and family services.

(a) The safety and well-being of children and of all family members is paramount. When safety can be assured, strengthening and preserving families is seen as the best way to promote the healthy development of children. One important way to keep children safe is to stop violence in the family including violence against their mothers.

(b) Services are focused on the family as a whole; service providers work with families as partners in identifying and meeting individual and family needs; family strengths are identified, enhanced, respected, and mobilized to help families solve the problems which compromise their functioning and well-being.

(c) Services promote the healthy development of children and youth, promote permanency for all children and help prepare youth emancipating from the foster care system for self-sufficiency and independent living.

(d) Services may focus on prevention, protection, or other short or long-term interventions to meet the needs of the family and the best interests and need of the individual(s) who may be placed in out-of-home care.

(e) Services are timely, flexible, coordinated, and accessible to families and individuals, principally delivered in the home or the community, and are delivered in a manner that is respectful of and builds on the strengths of the community and cultural groups.

(f) Services are organized as a continuum, designed to achieve measurable outcomes, and are linked to a wide variety of supports and services which can be crucial to meeting families’ and children’s needs, for example, housing, substance abuse treatment, mental health, health, education, job training, child care, and informal support networks.

(g) Most child and family services are community-based, involve community organizations, parents and residents in their design and delivery, and are accountable to the community and the client’s needs.

(h) Services are intensive enough and of sufficient duration to keep children safe and meet family needs. The actual

level of intensity and length of time needed to ensure safety and assist the family may vary greatly between preventive (family support) and crisis intervention services (family preservation), based on the changing needs of children and families at various times in their lives. A family or an individual does not need to be in crisis in order to receive services.

[77 FR 926, Jan. 6, 2012]

§ 1355.32 Timetable for the reviews.

(a) *Initial reviews.* Each State must complete an initial full review as described in § 1355.33 of this part during the four-year period after the final rule becomes effective. Each Tribal title IV–E agency must complete an initial full review as described in § 1355.33 of this part, during the four-year period after the ACF determines that the Tribe has approved title IV–B, subpart 1 and 2 and title IV–E plans and has sufficient cases for ACF to apply the procedures in § 1355.33(c).

(b) *Reviews following the initial review.*

(1) A title IV–E agency found to be operating in substantial conformity during an initial or subsequent review, as defined in § 1355.34 of this part, must:

(i) Complete a full review every five years; and

(ii) Submit a completed statewide assessment, or in the case of a Tribal title IV–E agency, a completed Tribal assessment of the service area, to ACF three years after the on-site review. The assessment will be reviewed jointly by the title IV–E agency and ACF to

determine the State’s or Indian Tribe’s continuing substantial conformity with the plan requirements subject to review. No formal approval of this interim assessment by ACF is required.

(2) A program found not to be operating in substantial conformity during an initial or subsequent review will:

(i) Be required to develop and implement a program improvement plan, as defined in § 1355.35 of this part; and

(ii) Begin a full review two years after approval of the program improvement plan.

(c) *Reinstatement of reviews based on information that a title IV–E agency is not in substantial conformity.* (1) ACF may require a full or a partial review at any time, based on any information, regardless of the source, that indicates the title IV–E agency may no longer be operating in substantial conformity.

(2) Prior to reinstating a full or partial review, ACF will conduct an inquiry and require the title IV–E agency to submit additional data whenever ACF receives information that the title IV–E agency may not be in substantial conformity.

(3) If the additional information and inquiry indicates to ACF’s satisfaction that the title IV–E agency is operating in substantial conformity, ACF will not proceed with any further review of the issue addressed by the inquiry. This inquiry will not substitute for the full reviews conducted by ACF under § 1355.32(b).

(4) ACF may proceed with a full or partial review if the title IV–E agency does not provide the additional information as requested, or the additional information confirms that the title IV–E agency may not be operating in substantial conformity.

(d) *Partial reviews based on noncompliance with plan requirements that are outside the scope of a child and family services review.* When ACF becomes aware of a title IV–B or title IV–E compliance issue that is outside the scope of the child and family services review process, we will:

(1) Conduct an inquiry and require the title IV–E agency to submit additional data.

(2) If the additional information and inquiry indicates to ACF’s satisfaction

that the title IV-E agency is in compliance, we will not proceed with any further review of the issue addressed by the inquiry.

(3) ACF will institute a partial review, appropriate to the nature of the concern, if the title IV-E agency does not provide the additional information as requested, or the additional information confirms that the title IV-E agency may not be in compliance.

(4) If the partial review determines that the title IV-E agency is not in compliance with the applicable plan requirement, the title IV-E agency must enter into a program improvement plan designed to bring the title IV-E agency into compliance, if the provisions for such a plan are applicable. The terms, action steps and timeframes of the program improvement plan will be developed on a case-by-case basis by ACF and the title IV-E agency. The program improvement plan must take into consideration the extent of noncompliance and the impact of the noncompliance on the safety, permanency or well-being of children and families served through the title IV-E agency's title IV-B or IV-E allocation. If the title IV-E agency remains out of compliance, the title IV-E agency will be subject to a penalty related to the extent of the noncompliance.

[65 FR 4076, Jan. 25, 2000, as amended at 66 FR 58675, Nov. 23, 2001; 77 FR 926, Jan. 6, 2012]

§ 1355.33 Procedures for the review.

(a) The full child and family services reviews will:

(1) Consist of a two-phase process that includes a statewide assessment and an on-site review; and

(2) Be conducted by a team of Federal, and State or Tribal reviewers that includes:

(i) Staff of the child and family services agency, including the offices that represent the service areas that are the focus of any particular review;

(ii) Representatives selected by the title IV-E agency, in collaboration with the ACF Regional Office, from those with whom the title IV-E agency was required to consult in developing its CFSP, as described and required in 45 CFR 1357.15(1);

(iii) Federal staff of HHS; and

(iv) Other individuals, as deemed appropriate and agreed upon by the title IV-E agency and ACF.

(b) *Statewide or Tribal Assessment.* The first phase of the full review will be a statewide assessment, or for a Tribal title IV-E agency a service area assessment, conducted by the title IV-E agency's internal and external members of the review team. The assessment must:

(1) Address each systemic factor under review including the statewide/Tribal information system; case review system; quality assurance system; staff training; service array; agency responsiveness to the community; and foster and adoptive parent licensing, recruitment and retention;

(2) Assess the outcome areas of safety, permanence, and well-being of children and families served by the title IV-E agency using data from AFCARS and NCANDS. For the initial review, ACF may approve another data source to substitute for AFCARS, and in all reviews, ACF may approve another data source to substitute for NCANDS. The title IV-E agency must also analyze and explain its performance in meeting the national standards for the statewide/Tribal service area data indicators;

(3) Assess the characteristics of the title IV-E agency that have the most significant impact on the agency's capacity to deliver services to children and families that will lead to improved outcomes;

(4) Assess the strengths and areas of the title IV-E agency's child and family services programs that require further examination through an on-site review;

(5) Include a listing of all the persons external to the title IV-E agency who participated in the preparation of the assessment pursuant to § 1355.33(a)(2)(ii) and (iv); and

(6) Be completed and submitted to ACF within 4 months of the date that ACF transmits the information for the assessment to the title IV-E agency.

(c) *On-site review.* The second phase of the full review will be an on-site review.

(1) The on-site review will cover the title IV–E agency’s programs under titles IV–B and IV–E of the Act, including in-home services and foster care. It will be jointly planned by the title IV–E agency and ACF, and guided by information in the completed assessment that identifies areas in need of improvement or further review.

(2) The on-site review may be concentrated in several specific political subdivisions or jurisdictions of the title IV–E agency, as agreed upon by the ACF and the title IV–E agency; however, for a State title IV–E agency, a State’s largest metropolitan subdivision must be one of the locations selected.

(3) ACF has final approval of the selection of specific areas of the title IV–E agency’s child and family services continuum described in paragraph (c)(1) of this section and selection of the political subdivisions or jurisdiction referenced in paragraph (c)(2) of this section.

(4) Sources of information collected during the on-site review to determine substantial conformity must include, but are not limited to:

- (i) Case records on children and families served by the agency;
- (ii) Interviews with children and families whose case records have been reviewed and who are, or have been, recipients of services of the agency;
- (iii) Interviews with caseworkers, foster parents, and service providers for the cases selected for the on-site review; and
- (iv) Interviews with key stakeholders, both internal and external to the agency, which, at a minimum, must include those individuals who participated in the development of the State’s or Tribal title IV–E agency’s CFSP required at 45 CFR 1357.15(1), courts, administrative review bodies, children’s guardians ad litem and other individuals or bodies assigned responsibility for representing the best interests of the child.

(5) The sample will range from 30–50 cases. Foster care cases must be drawn randomly from AFCARS, or, for the initial review, from another source approved by ACF and include children who entered foster care during the year under review. In-home cases must be

drawn randomly from NCANDS or from another source approved by ACF. To ensure that all program areas are adequately represented, the sample size may be increased.

(6) The sample of 30–50 cases reviewed on-site will be selected from a randomly drawn oversample of no more than 150 foster care and 150 in-home services cases. The oversample must be statistically significant at a 90 percent compliance rate (95 percent in subsequent reviews), with a tolerable sampling error of 5 percent and a confidence coefficient of 95 percent. The additional cases in the oversample not selected for the on-site review will form the sample of cases to be reviewed, if needed, in order to resolve discrepancies between the statewide/Tribal assessment and the on-site review in accordance with paragraph (d)(2) of this section.

(d) *Resolution of discrepancies between the assessment and the findings of the on-site portion of the review.* Discrepancies between the statewide or Tribal assessment and the findings of the on-site portion of the review will be resolved by either of the following means, at the title IV–E agency’s option:

- (1) The submission of additional information by the title IV–E agency; or
- (2) ACF and the title IV–E agency will review additional cases using only those indicators in which the discrepancy occurred. ACF and the title IV–E agency will determine jointly the number of additional cases to be reviewed, not to exceed 150 foster care cases or 150 in-home services cases to be selected as specified in paragraph (c)(6) of this section.

(e) *Partial review.* A partial child and family services review, when required, will be planned and conducted jointly by ACF and the title IV–E agency based on the nature of the concern. A partial review does not substitute for the full reviews as required under § 1355.32(b).

(f) *Notification.* Within 30 calendar days following either a partial child and family services review, full child and family services review, or the resolution of a discrepancy between the assessment and the findings of the on-site portion of the review, ACF will notify the title IV–E agency in writing of

whether the title IV-E agency is, or is not, operating in substantial conformity.

[65 FR 4077, Jan. 25, 2000, as amended at 66 FR 58675, Nov. 23, 2001; 77 FR 927, Jan. 6, 2012]

§ 1355.34 Criteria for determining substantial conformity.

(a) *Criteria to be satisfied.* ACF will determine a title IV-E agency's substantial conformity with title IV-B and title IV-E plan requirements based on the following:

(1) Its ability to meet national standards, set by the Secretary, for the statewide/Tribal service area data indicators associated with specific outcomes for children and families;

(2) Its ability to meet criteria related to outcomes for children and families; and

(3) Its ability to meet criteria related to the title IV-E agency's capacity to deliver services leading to improved outcomes.

(b) *Criteria related to outcomes.* (1) A title IV-E agency's substantial conformity will be determined by its ability to substantially achieve the following child and family service outcomes:

(i) *In the area of child safety:*

(A) Children are, first and foremost, protected from abuse and neglect; and,

(B) Children are safely maintained in their own homes whenever possible and appropriate;

(ii) *In the area of permanency for children:*

(A) Children have permanency and stability in their living situations; and

(B) The continuity of family relationships and connections is preserved for children; and

(iii) *In the area of child and family well-being:*

(A) Families have enhanced capacity to provide for their children's needs;

(B) Children receive appropriate services to meet their educational needs; and

(C) Children receive adequate services to meet their physical and mental health needs.

(2) A title IV-E agency's level of achievement with regard to each outcome reflects the extent to which a title IV-E agency has:

(i) Met the national standard(s) for the statewide/Tribal service area data indicator(s) associated with that outcome, if applicable; and,

(ii) Implemented the following CFSP requirements or assurances:

(A) The requirements in 45 CFR 1357.15(p) regarding services designed to assure the safety and protection of children and the preservation and support of families;

(B) The requirements in 45 CFR 1357.15(q) regarding the permanency provisions for children and families in sections 422 and 471 of the Act;

(C) The requirements in section 422(b)(7) of the Act regarding recruitment of potential foster and adoptive families;

(D) The assurances as required by section 422(b)(8)(B) of the Act regarding policies and procedures for abandoned children;

(E) The requirements in section 422(b)(9) of the Act regarding the State's compliance with the Indian Child Welfare Act;

(F) The requirements in section 422(b)(10) of the Act regarding a title IV-E agency's plan for effective use of cross-jurisdictional resources to facilitate timely adoptive or permanent placements; and,

(G) The requirements in section 471(a)(15) of the Act regarding reasonable efforts to prevent removals of children from their homes, to make it possible for children in foster care to safely return to their homes, or, when the child is not able to return home, to place the child in accordance with the permanency plan and complete the steps necessary to finalize the permanent placement.

(3) A title IV-E agency will be determined to be in substantial conformity if its performance on:

(i) Each statewide/Tribal service area data indicator developed pursuant to paragraph (b)(4) of this section meets the national standard described in paragraph (b)(5) of this section; and,

(ii) Each outcome listed in paragraph (b)(1) of this section is rated as "substantially achieved" in 95 percent of the cases examined during the on-site review (90 percent of the cases for an initial review). Information from various sources (case records, interviews)

will be examined for each outcome and a determination made as to the degree to which each outcome has been achieved for each case reviewed.

(4) The Secretary may, using AFCARS and NCANDS, develop statewide/Tribal service area data indicators for each of the specific outcomes described in paragraph (b)(1) of this section for use in determining substantial conformity. The Secretary may add, amend, or suspend any such statewide/Tribal service area data indicator(s) when appropriate. To the extent practical and feasible, the statewide/Tribal service area data indicators will be consistent with those developed in accordance with section 203 of the Adoption and Safe Families Act of 1997 (Pub. L. 105–89).

(5) The initial national standards for the statewide data indicators described in paragraph (b)(4) of this section will be based on the 75th percentile of all State performance for that indicator, as reported in AFCARS or NCANDS. The Secretary may adjust these national standards if appropriate. The initial national standard will be set using the following data sources:

(i) The 1997 and 1998 submissions to NCANDS (or the most recent and complete 2 years available), for those statewide data indicators associated with the safety outcomes; and,

(ii) The 1998b, 1999c, and 2000a submissions to AFCARS (or the most recent and complete report periods available), for those statewide data indicators associated with the permanency outcomes.

(c) *Criteria related to title IV–E agency capacity to deliver services leading to improved outcomes for children and families.* In addition to the criteria related to outcomes contained in paragraph (b) of this section, the title IV–E agency also must satisfy criteria related to the delivery of services. Based on information from the assessment and onsite review, the title IV–E agency must meet the following criteria for each systemic factor in paragraphs (c)(2) through (c)(7) of this section to be considered in substantial conformity: All of the plan requirements associated with the systemic factor must be in place, and no more than one of the plan requirements fails to function as described in

paragraphs (c)(2) through (c)(7) of this section. The systemic factor in paragraph (c)(1) of this section is rated on the basis of only one plan requirement. To be considered in substantial conformity, the plan requirement associated with statewide/Tribal information system capacity must be both in place and functioning as described in the requirement. ACF will use a rating scale to make the determinations of substantial conformity. The systemic factors under review are:

(1) *Statewide/Tribal information system:* The State/Tribal title IV–E agency is operating a statewide/Tribal information system that, at a minimum, can readily identify the status, demographic characteristics, location, and goals for the placement of every child who is (or within the immediately preceding 12 months, has been) in foster care (section (422)(b)(8)(A)(i) of the Act);

(2) *Case review system:* The title IV–E agency has procedures in place that:

(i) Provide, for each child, a written case plan to be developed jointly with the child's parent(s) that includes provisions: for placing the child in the least restrictive, most family-like placement appropriate to his/her needs, and in close proximity to the parents' home where such placement is in the child's best interests; for visits with a child placed out of State/Tribal service area at least every 12 months by a caseworker of the agency or of the agency in the State/Tribal service area where the child is placed; and for documentation of the steps taken to make and finalize an adoptive or other permanent placement when the child cannot return home (sections 422(b)(8)(A)(ii), 471(a)(16) and 475(5)(A) of the Act);

(ii) Provide for periodic review of the status of each child no less frequently than once every six months by either a court or by administrative review (sections 422(b)(8)(A)(ii), 471(a)(16) and 475(5)(B) of the Act);

(iii) Assure that each child in foster care under the supervision of the title IV–E agency has a permanency hearing in a family or juvenile court or another

court of competent jurisdiction (including a Tribal court), or by an administrative body appointed or approved by the court, which is not a part of or under the supervision or direction of the title IV-E agency, no later than 12 months from the date the child entered foster care (and not less frequently than every 12 months thereafter during the continuation of foster care) (sections 422(b)(8)(A)(ii), 471(a)(16) and 475(5)(C) of the Act);

(iv) Provide a process for termination of parental rights proceedings in accordance with sections 422(b)(8)(A)(ii), 475(5)(E) and (F) of the Act; and,

(v) Provide foster parents, preadoptive parents, and relative caregivers of children in foster care with notice of and a right to be heard in permanency hearings and six-month periodic reviews held with respect to the child (sections 422(b)(8)(A)(ii), 475(5)(G) of the Act, and 45 CFR 1356.21(o)).

(3) *Quality assurance system:* The title IV-E agency has developed and implemented standards to ensure that children in foster care placements are provided quality services that protect the safety and health of the children (section 471(a)(22)) and is operating an identifiable quality assurance system (45 CFR 1357.15(u)) as described in the CFSP that:

(i) Is in place in the jurisdictions within the State/Tribal service area where services included in the CFSP are provided;

(ii) Is able to evaluate the adequacy and quality of services provided under the CFSP;

(iii) Is able to identify the strengths and needs of the service delivery system it evaluates;

(iv) Provides reports to agency administrators on the quality of services evaluated and needs for improvement; and

(v) Evaluates measures implemented to address identified problems.

(4) *Staff training:* The title IV-E agency is operating a staff development and training program (45 CFR 1357.15(t)) that:

(i) Supports the goals and objectives in the title IV-E agency's CFSP;

(ii) Addresses services provided under both subparts of title IV-B and the

training plan under title IV-E of the Act;

(iii) Provides training for all staff who provide family preservation and support services, child protective services, foster care services, adoption services and independent living services soon after they are employed and that includes the basic skills and knowledge required for their positions;

(iv) Provides ongoing training for staff that addresses the skills and knowledge base needed to carry out their duties with regard to the services included in the CFSP; and,

(v) Provides training for current or prospective foster parents, adoptive parents, and the staff of State/Tribal-licensed or State/Tribal-approved child care institutions providing care to foster and adopted children receiving assistance under title IV-E that addresses the skills and knowledge base needed to carry out their duties with regard to caring for foster and adopted children.

(5) *Service array:* Information from the assessment and on-site review determines that the title IV-E agency has in place an array of services (45 CFR 1357.15(n) and section 422(b)(8)(A)(iii) and (iv) of the Act) that includes, at a minimum:

(i) Services that assess the strengths and needs of children and families assisted by the agency and are used to determine other service needs;

(ii) Services that address the needs of the family, as well as the individual child, in order to create a safe home environment;

(iii) Services designed to enable children at risk of foster care placement to remain with their families when their safety and well-being can be reasonably assured;

(iv) Services designed to help children achieve permanency by returning to families from which they have been removed, where appropriate, be placed for adoption or with a legal guardian or in some other planned, permanent living arrangement, and through post-legal adoption services;

(v) Services that are accessible to families and children in all political subdivisions and/or the entire service area covered in the CFSP; and,

§ 1355.35

(vi) Services that can be individualized to meet the unique needs of children and families served by the agency.

(6) *Agency responsiveness to the community:*

(i) The title IV-E agency, in implementing the provisions of the CFSP, engages in ongoing consultation with a broad array of individuals and organizations representing the State/Tribal and county/local agencies responsible for implementing the CFSP and other major stakeholders in the services delivery system including, at a minimum, Tribal representatives, consumers, service providers, foster care providers, the juvenile court, and other public and private child and family serving agencies (45 CFR 1357.15(1)(3));

(ii) The agency develops, in consultation with these or similar representatives, annual reports of progress and services delivered pursuant to the CFSP (45 CFR 1357.16(a));

(iii) There is evidence that the agency's goals and objectives included in the CFSP reflect consideration of the major concerns of stakeholders consulted in developing the plan and on an ongoing basis (45 CFR 1357.15(m)); and

(iv) There is evidence that the services under the plan are coordinated with services or benefits under other Federal or federally-assisted programs serving the same populations to achieve the goals and objectives in the plan (45 CFR 1357.15(m)).

(7) *Foster and adoptive parent licensing, recruitment and retention:*

(i) The State or Tribe has established and maintains standards for foster family homes and child care institutions which are reasonably in accord with recommended standards of national organizations concerned with standards for such institutions or homes (section 471(a)(10) of the Act);

(ii) The standards so established are applied by the State or Tribe to every licensed or approved foster family home or child care institution receiving funds under title IV-E or IV-B of the Act (section 471(a)(10) of the Act);

(iii) The title IV-E agency complies with the safety requirements for foster care and adoptive placements in accordance with sections 471(a)(16), 471(a)(20) and 475(1) of the Act and 45 CFR 1356.30;

45 CFR Ch. XIII (10–1–23 Edition)

(iv) The title IV-E agency has in place an identifiable process for assuring the diligent recruitment of potential foster and adoptive families that reflect the ethnic and racial diversity of children in the State or Tribe for whom foster and adoptive homes are needed (section 422(b)(7) of the Act); and,

(v) The title IV-E agency has developed and implemented plans for the effective use of cross-jurisdictional resources to facilitate timely adoptive or permanent placements for waiting children (section 422(b)(10) of the Act).

(d) *Availability of review instruments.* ACF will make available to the title IV-E agencies copies of the review instruments, which will contain the specific standards to be used to determine substantial conformity, on an ongoing basis, whenever significant revisions to the instruments are made.

[65 FR 4078, Jan. 25, 2000, as amended at 66 FR 58675, Nov. 23, 2001; 77 FR 928, Jan. 6, 2012]

§ 1355.35 Program improvement plans.

(a) *Mandatory program improvement plan.* (1) Title IV-E agencies found not to be operating in substantial conformity shall develop a program improvement plan. The program improvement plan must:

(i) Be developed jointly by title IV-E agency and Federal staff in consultation with the review team;

(ii) Identify the areas in which the title IV-E agency's program is not in substantial conformity;

(iii) Set forth the goals, the action steps required to correct each identified weakness or deficiency, and dates by which each action step is to be completed in order to improve the specific areas;

(iv) Set forth the amount of progress the statewide/Tribal data will make toward meeting the national standards;

(v) Establish benchmarks that will be used to measure the title IV-E agency's progress in implementing the program improvement plan and describe the methods that will be used to evaluate progress;

(vi) Identify how the action steps in the plan build on and make progress over prior program improvement plans;

(vii) Identify the technical assistance needs and sources of technical assistance, both Federal and non-Federal, which will be used to make the necessary improvements identified in the program improvement plan.

(2) In the event that ACF and the title IV-E agency cannot reach consensus regarding the content of a program improvement plan or the degree of program or data improvement to be achieved, ACF retains the final authority to assign the contents of the plan and/or the degree of improvement required for successful completion of the plan. Under such circumstances, ACF will render a written rationale for assigning such content or degree of improvement.

(b) *Voluntary program improvement plan.* Title IV-E agencies found to be operating in substantial conformity may voluntarily develop and implement a program improvement plan in collaboration with the ACF Regional Office, under the following circumstances:

(1) The title IV-E agency and Regional Office agree that there are areas of the title IV-E agency's child and family services programs in need of improvement which can be addressed through the development and implementation of a voluntary program improvement plan;

(2) ACF approval of the voluntary program improvement plan will not be required; and

(3) No penalty will be assessed for the title IV-E agency's failure to achieve the goals described in the voluntary program improvement plan.

(c) *Approval of program improvement plans.* (1) A title IV-E agency determined not to be in substantial conformity must submit a program improvement plan to ACF for approval within 90 calendar days from the date the title IV-E agency receives the written notification from ACF that it is not operating in substantial conformity.

(2) Any program improvement plan will be approved by ACF if it meets the provisions of paragraph (a) of this section.

(3) If the program improvement plan does not meet the provisions of paragraph (a) of this section, the title IV-E

agency will have 30 calendar days from the date it receives notice from ACF that the plan has not been approved to revise and resubmit the plan for approval.

(4) If the title IV-E agency does not submit a revised program improvement plan according to the provisions of paragraph (c)(3) of this section or if the plan does not meet the provisions of paragraph (a) of this section, withholding of funds pursuant to the provisions of § 1355.36 of this part will begin.

(d) *Duration of program improvement plans.* (1) ACF retains the authority to establish time frames for the program improvement plan consistent with the seriousness and complexity of the remedies required for any areas determined not in substantial conformity, not to exceed two years.

(2) Particularly egregious areas of nonconformity impacting child safety must receive priority in both the content and time frames of the program improvement plans and must be addressed in less than two years.

(3) The Secretary may approve extensions of deadlines in a program improvement plan not to exceed one year. The circumstances under which requests for extensions will be approved are expected to be rare. The title IV-E agency must provide compelling documentation of the need for such an extension. Requests for extensions must be received by ACF at least 60 days prior to the affected completion date.

(4) Title IV-E agencies must provide quarterly status reports (unless ACF and the title IV-E agency agree to less frequent reports) to ACF. Such reports must inform ACF of progress in implementing the measures of the plan.

(e) *Evaluating program improvement plans.* Program improvement plans will be evaluated jointly by the title IV-E agency and ACF, in collaboration with other members of the review team, as described in the title IV-E agency's program improvement plan and in accordance with the following criteria:

(1) The methods and information used to measure progress must be sufficient to determine when and whether the title IV-E agency is operating in substantial conformity or has reached the negotiated standard with respect to

§ 1355.36

statewide/Tribal service area data indicators that failed to meet the national standard for that indicator;

(2) The frequency of evaluating progress will be determined jointly by the title IV-E agency and Federal team members, but no less than annually. Evaluation of progress will be performed in conjunction with the annual updates of the title IV-E agency's CFSP, as described in paragraph (f) of this section;

(3) Action steps may be jointly determined by the title IV-E agency and ACF to be achieved prior to projected completion dates, and will not require any further evaluation at a later date; and

(4) The title IV-E agency and ACF may jointly renegotiate the terms and conditions of the program improvement plan as needed, provided that:

(i) The renegotiated plan is designed to correct the areas of the title IV-E agency's program determined not to be in substantial conformity and/or achieve a standard for the statewide/Tribal service area data indicators that is acceptable to ACF;

(ii) The amount of time needed to implement the provisions of the plan does not extend beyond three years from the date the original program improvement plan was approved;

(iii) The terms of the renegotiated plan are approved by ACF; and

(iv) The Secretary approves any extensions beyond the two-year limit.

(f) *Integration of program improvement plans with CFSP planning.* The elements of the program improvement plan must be incorporated into the goals and objectives of the title IV-E agency's CFSP. Progress in implementing the program improvement plan must be included in the annual reviews and progress reports related to the CFSP required in 45 CFR 1357.16.

(This requirement has been approved by the Office of Management and Budget under OMB Control Number 0970-0214. In accordance with the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.)

[65 FR 4080, Jan. 25, 2000, as amended at 66 FR 58675, Nov. 23, 2001; 77 FR 929, Jan. 6, 2012]

45 CFR Ch. XIII (10-1-23 Edition)

§ 1355.36 Withholding Federal funds due to failure to achieve substantial conformity or failure to successfully complete a program improvement plan.

(a) *For the purposes of this section:*

(1) The term "title IV-B funds" refers to the title IV-E agency's combined allocation of title IV-B subpart 1 and subpart 2 funds; and

(2) The term "title IV-E funds" refers to the title IV-E agency's reimbursement for administrative costs for the foster care program under title IV-E.

(b) *Determination of the amount of Federal funds to be withheld.* ACF will determine the amount of title IV-B and IV-E funds to be withheld due to a finding that the title IV-E agency is not operating in substantial conformity, as follows:

(1) A title IV-E agency will have the opportunity to develop and complete a program improvement plan prior to any withholding of funds.

(2) Title IV-B and IV-E funds will not be withheld from a title IV-E agency if the determination of nonconformity was caused by the title IV-E agency's correct use of formal written statements of Federal law or policy provided the title IV-E agency by DHHS.

(3) A portion of the title IV-E agency's title IV-B and IV-E funds will be withheld by ACF for the year under review and for each succeeding year until the title IV-E agency either successfully completes a program improvement plan or is found to be operating in substantial conformity.

(4) The amount of title IV-B and title IV-E funds subject to withholding due to a determination that a title IV-E agency is not operating in substantial conformity is based on a pool of funds defined as follows:

(i) The title IV-E agency's allotment of title IV-B funds for each of the years to which the withholding applies; and

(ii) An amount equivalent to 10 percent of the title IV-E agency's Federal claims for title IV-E foster care administrative costs for each of the years to which withholding applies;

(5) The amount of funds to be withheld from the pool in paragraph (b)(4) of this section will be computed as follows:

(i) Except as provided for in paragraphs (b)(7) and (b)(8) of this section, an amount equivalent to one percent of the funds described in paragraph (b)(4) of this section for each of the years to which withholding applies will be withheld for each of the seven outcomes listed in §1355.34(b)(1) of this part that is determined not to be in substantial conformity; and

(ii) Except as provided for in paragraphs (b)(7) and (b)(8) of this section, an amount equivalent to one percent of the funds described in paragraph (b)(4) of this section for each of the years to which withholding applies will be withheld for each of the seven systemic factors listed in §1355.34(c) of this part that is determined not to be in substantial conformity.

(6) Except as provided for in paragraphs (b)(7), (b)(8), and (e)(4) of this section, in the event the title IV-E agency is determined to be in nonconformity on each of the seven outcomes and each of the seven systemic factors subject to review, the maximum amount of title IV-B and title IV-E funds to be withheld due to the title IV-E agency's failure to comply is 14 percent per year of the funds described in paragraph (b)(4) of this section for each year.

(7) Title IV-E agencies determined not to be in substantial conformity that fail to correct the areas of nonconformity through the successful completion of a program improvement plan, and are determined to be in nonconformity on the second full review following the first full review in which a determination of nonconformity was made will be subject to increased withholding as follows:

(i) The amount of funds described in paragraph (b)(5) of this section will increase to two percent for each of the seven outcomes and each of the seven systemic factors that continues in nonconformity since the immediately preceding child and family services review;

(ii) The increased withholding of funds for areas of continuous nonconformity is subject to the provisions of paragraphs (c), (d), and (e) of this section;

(iii) The maximum amount of title IV-B and title IV-E funds to be with-

held due to the title IV-E agency's failure to comply on the second full review following the first full review in which the determination of nonconformity was made is 28 percent of the funds described in paragraph (b)(4) of this section for each year to which the withholding of funds applies.

(8) Title IV-E agencies determined not to be in substantial conformity that fail to correct the areas of nonconformity through the successful completion of a program improvement plan, and are determined to be in nonconformity on the third and any subsequent full reviews following the first full review in which a determination of nonconformity was made will be subject to increased withholding as follows:

(i) The amount of funds described in paragraph (b)(5) of this section will increase to three percent for each of the seven outcomes and each of the seven systemic factors that continues in nonconformity since the immediately preceding child and family services review;

(ii) The increased withholding of funds for areas of continuous nonconformity is subject to the provisions of paragraphs (c), (d), and (e) of this section;

(iii) The maximum amount of title IV-B and title IV-E funds to be withheld due to the title IV-E agency's failure to comply on the third and any subsequent full reviews following the first full review in which the determination of nonconformity was made is 42 percent of the funds described in paragraph (b)(4) of this section for each year to which the withholding of funds applies.

(c) *Suspension of withholding.* (1) For title IV-E agencies determined not to be operating in substantial conformity, ACF will suspend the withholding of the title IV-E agencies' title IV-B and title IV-E funds during the time that a program improvement plan is in effect, provided that:

(i) The program improvement plan conforms to the provisions of §1355.35 of this part; and

(ii) The title IV-E agency is actively implementing the provisions of the program improvement plan.

(2) Suspension of the withholding of funds is limited to three years following each review, or the amount of time approved for implementation of the program improvement plan, whichever is less.

(d) *Terminating the withholding of funds.* For title IV–E agencies determined not to be in substantial conformity, ACF will terminate the withholding of the title IV–E agency’s title IV–B and title IV–E funds related to the nonconformity upon determination by the title IV–E agency and ACF that the title IV–E agency has achieved substantial conformity or has successfully completed a program improvement plan. ACF will rescind the withholding of the portion of title IV–B and title IV–E funds related to specific goals or action steps as of the date at the end of the quarter in which they were determined to have been achieved.

(e) *Withholding of funds.* (1) Title IV–E agencies determined not to be in substantial conformity that fail to successfully complete a program improvement plan will be notified by ACF of this final determination of nonconformity in writing within 10 business days after the relevant completion date specified in the plan, and advised of the amount of title IV–B and title IV–E funds which are to be withheld.

(2) Title IV–B and title IV–E funds will be withheld based on the following:

(ii) Funds related to goals and action steps that have not been achieved by the specified completion date will be withheld at that time for a period beginning October 1 of the fiscal year for which the determination of nonconformity was made and ending on the completion date of the affected goal or action step; and

(iii) The withholding of funds commensurate with the level of noncon-

formity at the end of the program improvement plan will begin at the latest completion date specified in the program improvement plan and will continue until a subsequent full review determines the title IV–E agency to be in substantial conformity or the title IV–E agency successfully completes a program improvement plan developed as a result of that subsequent full review.

(3) When the date the title IV–E agency is determined to be in substantial conformity or to have successfully completed a program improvement plan falls within a specific quarter, the amount of funds to be withheld will be computed to the end of that quarter.

(4) A title IV–E agency that refuses to participate in the development or implementation of a program improvement plan, as required by ACF, will be subject to the maximum increased withholding of 42 percent of its title IV–B and title IV–E funds, as described in paragraph (b)(8) of this section, for each year or portion thereof to which the withholding of funds applies.

§ 1355.38 Enforcement of section 471(a)(18) of the Act regarding the removal of barriers to interethnic adoption.

(a) *Determination that a violation has occurred in the absence of a court finding.*

(1) If ACF becomes aware of a possible section 471(a)(18) violation, whether in the course of a child and family services review, the filing of a complaint, or through some other mechanism, it

will refer such a case to the Department's Office for Civil Rights (OCR) for investigation.

(2) Based on the findings of the OCR investigation, ACF will determine if a violation of section 471(a)(18) has occurred. A section 471(a)(18) violation occurs if a title IV-E agency or an entity in the State/Tribe:

(i) Has denied to any person the opportunity to become an adoptive or foster parent on the basis of the race, color, or national origin of the person, or of the child, involved;

(ii) Has delayed or denied the placement of a child for adoption or into foster care on the basis of the race, color, or national origin of the adoptive or foster parent, or the child involved; or,

(iii) With respect to a title IV-E agency, maintains any statute, regulation, policy, procedure, or practice that on its face, is a violation as defined in paragraphs (a)(2)(i) and (2)(ii) of this section.

(3) ACF will provide the title IV-E agency or entity with written notification of its determination.

(4) If there has been no violation, there will be no further action. If ACF determines that there has been a violation of section 471(a)(18), it will take enforcement action as described in this section.

(5) Compliance with the Indian Child Welfare Act of 1978 (Pub. L. 95-608) does not constitute a violation of section 471(a)(18).

(b) *Corrective action and penalties for violations with respect to a person or based on a court finding.* (1) A title IV-E agency or entity found to be in violation of section 471(a)(18) of the Act with respect to a person, as described in paragraphs (a)(2)(i) and (a)(2)(ii) of this section, will be penalized in accordance with paragraph (g)(2) of this section. A title IV-E agency or entity determined to be in violation of section 471(a)(18) of the Act as a result of a court finding will be penalized in accordance with paragraph (g)(4) of this section. The title IV-E agency may develop, obtain approval of, and implement a plan of corrective action any time after it receives written notification from ACF that it is in violation of section 471(a)(18) of the Act.

(2) Corrective action plans are subject to ACF approval.

(3) If the corrective action plan does not meet the provisions of paragraph (d) of this section, the title IV-E agency must revise and resubmit the plan for approval until it has an approved plan.

(4) A title IV-E agency or entity found to be in violation of section 471(a)(18) of the Act by a court must notify ACF within 30 days from the date of entry of the final judgment once all appeals have been exhausted, declined, or the appeal period has expired.

(c) *Corrective action for violations resulting from a title IV-E agency's statute, regulation, policy, procedure, or practice.*

(1) A title IV-E agency found to have committed a violation of the type described in paragraph (a)(2)(iii) of this section must develop and submit a corrective action plan within 30 days of receiving written notification from ACF that it is in violation of section 471(a)(18). Once the plan is approved the title IV-E agency will have to complete the corrective action and come into compliance. If the title IV-E agency fails to complete the corrective action plan within six months and come into compliance, a penalty will be imposed in accordance with paragraph (g)(3) of this section.

(2) Corrective action plans are subject to ACF approval.

(3) If the corrective action plan does not meet the provisions of paragraph (d) of this section, the title IV-E agency must revise and resubmit the plan within 30 days from the date it receives a written notice from ACF that the plan has not been approved. If the title IV-E agency does not submit a revised corrective action plan according to the provisions of paragraph (d) of this section, withholding of funds pursuant to the provisions of paragraph (g) of this section will apply.

(d) *Contents of a corrective action plan.* A corrective action plan must:

(1) Identify the issues to be addressed;

(2) Set forth the steps for taking corrective action;

(3) Identify any technical assistance needs and Federal and non-Federal sources of technical assistance which

will be used to complete the action steps; and,

(4) Specify the completion date. This date will be no later than 6 months from the date ACF approves the corrective action plan.

(e) *Evaluation of corrective action plan.* ACF will evaluate corrective action plans and notify the title IV–E agency (in writing) of its success or failure to complete the plan within 30 calendar days. If the title IV–E agency has failed to complete the corrective action plan, ACF will calculate the amount of reduction in the title IV–E agency’s title IV–E payment and include this information in the written notification of failure to complete the plan.

(f) *Funds to be withheld.* The term “title IV–E funds” refers to the amount of Federal funds advanced or paid to the title IV–E agency for allowable costs incurred by a title IV–E agency for: foster care maintenance payments, adoption assistance payments, administrative costs, and training costs under title IV–E and includes the title IV–E agency’s allotment for the Chafee Foster Care Independence Program under section 477 of the Act.

(g) *Reduction of title IV–E funds.* (1) Title IV–E funds shall be reduced in specified amounts in accordance with paragraph (h) of this section under the following circumstances:

(i) A determination that a title IV–E agency or entity is in violation of section 471(a)(18) of the Act with respect to a person as described in paragraphs (a)(2)(i) and (a)(2)(ii) of this section, or:

(ii) After a title IV–E agency’s failure to implement and complete a corrective action plan and come into compliance as described in paragraph (c) of this section.

(2) Once ACF notifies a title IV–E agency (in writing) that it has committed a section 471(a)(18) violation with respect to a person, the title IV–E agency’s title IV–E funds will be reduced for the fiscal quarter in which the title IV–E agency received written notification and for each succeeding quarter within that fiscal year or until the title IV–E agency completes a corrective action plan and comes into compliance, whichever is earlier. Once ACF notifies an entity (in writing) that it has committed a section 471(a)(18)

violation with respect to a person, the entity must remit to the Secretary all title IV–E funds paid to it by the title IV–E agency during the quarter in which the entity is notified of the violation.

(3) For title IV–E agencies that fail to complete a corrective action plan within 6 months, title IV–E funds will be reduced by ACF for the fiscal quarter in which the title IV–E agency received notification of its violation. The reduction will continue for each succeeding quarter within that fiscal year or until the title IV–E agency completes the corrective action plan and comes into compliance, whichever is earlier.

(4) If, as a result of a court finding, a title IV–E agency or entity is determined to be in violation of section 471(a)(18) of the Act, ACF will assess a penalty without further investigation. Once the title IV–E agency is notified (in writing) of the violation, its title IV–E funds will be reduced for the fiscal quarter in which the court finding was made and for each succeeding quarter within that fiscal year or until the title IV–E agency completes a corrective action plan and comes into compliance, whichever is sooner. Once an entity is notified (in writing) of the violation, the entity must remit to the Secretary all title IV–E funds paid to it by the title IV–E agency during the quarter in which the court finding was made.

(5) The maximum number of quarters that a title IV–E agency will have its title IV–E funds reduced due to a finding of a title IV–E agency’s failure to conform to section 471(a)(18) of the Act is limited to the number of quarters within the fiscal year in which a determination of nonconformity was made. However, an uncorrected violation may result in a subsequent review, another finding, and additional penalties.

(6) No penalty will be imposed for a court finding of a violation of section 471(a)(18) until the judgement is final and all appeals have been exhausted, declined, or the appeal period has expired.

(h) *Determination of the amount of reduction of Federal funds.* ACF will determine the reduction in title IV–E

funds due to a section 471(a)(18) violation in accordance with section 474(d)(1) and (2) of the Act.

(1) Title IV-E agencies that violate section 471(a)(18) with respect to a person or fail to implement or complete a corrective action plan as described in paragraph (c) of this section will be subject to a penalty. The penalty structure will follow section 474(d)(1) of the Act. Penalties will be levied for the quarter of the fiscal year in which the title IV-E agency is notified of its section 471(a)(18) violation, and for each succeeding quarter within that fiscal year until the title IV-E agency comes into compliance with section 471(a)(18). The reduction in title IV-E funds will be computed as follows:

(i) 2 percent of the title IV-E agency's title IV-E funds for the fiscal year quarter, as defined in paragraph (f) of this section, for the first finding of noncompliance in that fiscal year;

(ii) 3 percent of the title IV-E agency's title IV-E funds for the fiscal year quarter, as defined in paragraph (f) of this section, for the second finding of noncompliance in that fiscal year;

(iii) 5 percent of the title IV-E agency's title IV-E funds for the fiscal year quarter, as defined in paragraph (f) of this section, for the third or subsequent finding of noncompliance in that fiscal year.

(2) Any entity (other than the title IV-E agency) which violates section 471(a)(18) of the Act during a fiscal quarter must remit to the Secretary all title IV-E funds paid to it by the title IV-E agency in accordance with the procedures in paragraphs (g)(2) or (g)(4) of this section.

(3) No fiscal year payment to a title IV-E agency will be reduced by more than 5 percent of its title IV-E funds, as defined in paragraph (f) of this section, where the title IV-E agency has been determined to be out of compliance with section 471(a)(18) of the Act.

(4) The title IV-E agency or an entity, as applicable, will be liable for interest on the amount of funds reduced by the Department, in accordance with the provisions of 45 CFR 30.18.

(This requirement has been approved by the Office of Management and Budget under OMB Control Number 0970-0214. In accordance with the Paperwork

§ 1355.46 Compliance.

(a) *Files subject to compliance.* ACF will evaluate the out-of-home care and adoption and guardianship assistance data files that a title IV–E agency submits to determine whether the data complies with the requirements of

§1355.43 and the data file submission and data quality standards described in paragraphs (c) and (d) of this section. ACF will exempt records related to a child in either data file whose 18th birthday occurred in a prior report period and will exempt records relating to a child in the adoption and guardianship assistance data file who is in a title IV-E guardianship from a compliance determination as described in paragraph (e) of this section.

(b) *Errors.* ACF will utilize the error definitions in paragraphs (b)(1) through (5) of this section to assess a title IV-E agency's out-of-home care and adoption and guardianship assistance data files. This assessment of errors will help ACF to determine if the title IV-E agency's submitted data files meet the data file submission and data quality standards outlined in paragraphs (c) and (d) of this section. ACF will develop and issue error specifications.

(1) *Missing data.* Missing data refers to instances in which a data element has a blank or otherwise missing response, when such a response is not a valid option as described in §§1355.44 or 1355.45.

(2) *Invalid data.* Invalid data refers to instances in which a data element contains a value that is outside the parameters of acceptable responses or exceeds, either positively or negatively, the acceptable range of response options as described in §§1355.44 or 1355.45.

(3) *Internally inconsistent data.* Internally inconsistent data refers to instances in which a data element fails an internal consistency check designed to validate the logical relationship between data elements within each record. This assessment will identify all data elements involved in a particular check as in error.

(4) *Cross-file errors.* A cross-file error occurs when a cross-file check determines that a response option for a data element recurs across the records in either the out-of-home care data file or adoption and guardianship assistance data file beyond a specified acceptable threshold as specified per ACF.

(5) *Tardy transactions.* Tardy transactions are instances in which the removal transaction date or exit transaction date described in §1355.44(d)(2) and (g)(2) respectively, are entered into

the title IV-E agency's information system more than 30 days after the event.

(c) *Data file standards.* To be in compliance with the AFCARS requirements, the title IV-E agency must submit a data file in accordance with the data file standards described in paragraphs (c)(1) through (3) of this section.

(1) *Timely submission.* ACF must receive the data files on or before the reporting deadline described in §1355.43(a).

(2) *Proper format.* The data files must meet the technical standards issued by ACF for data file construction and transmission. In addition, each record subject to compliance standards within the data file must have the data elements described in §§1355.44(a) and (b)(1) and (2) and 1355.45(a) and (b)(1) and (2) be 100 percent free of missing data, invalid data, and internally inconsistent data (see paragraphs (b)(1) through (3) of this section). ACF will not process a title IV-E agency's data file that does not meet the proper format standard.

(d) *Data quality standards.* (1) To be in compliance with the AFCARS requirements, the title IV-E agency must submit a data file that has no more than 10 percent total of missing, invalid, or internally inconsistent data, or tardy transactions for each data element of applicable records. These standards are in addition to the formatting standards described in paragraph (c)(2) of this section.

(2) *Acceptable cross-file.* The data files must be free of cross-file errors that exceed the acceptable thresholds, as defined by ACF.

(e) *Compliance determination and corrected data.* (1) ACF will first determine whether the title IV-E agency's out-of-home care data file and adoption and guardianship assistance data file meets the data file standards in paragraph (c) of this section. Compliance is determined separately for each data file.

(2) If each data file meets the data file standards, ACF will then determine whether each data file meets the data quality standards in paragraph (d) of this section. For every data element, we will divide the total number of applicable records in error (numerator) by the total number of applicable

§ 1355.47

records (denominator), to determine whether the title IV-E agency has met the applicable data quality standards.

(3) In general, a title IV-E agency that has not met either the data file formatting standards or data quality standards must submit a corrected data file(s) no later than when data is due for the subsequent six month report period (*i.e.*, by May 15 and November 14), as applicable. ACF will determine that the corrected data file(s) is in compliance if it meets the data file and data standards in paragraphs (c) and (d) of this section. Exception: If ACF determines initially that the title IV-E agency's data file has not met the data quality standard related to tardy transactions, ACF will determine compliance with regard to the transaction dates only in the out-of-home care data file submitted for the subsequent report period.

(f) *Noncompliance.* If the title IV-E agency does not submit a corrected data file, or submits a corrected data file that fails to meet the compliance standards in paragraphs (c) and (d) of this section, ACF will notify the title IV-E agency of such and apply penalties as provided in § 1355.47.

(g) *Other assessments.* ACF may use other monitoring tools or assessment procedures to determine whether the title IV-E agency is meeting all of the requirements of §§ 1355.41 through 1355.45.

(a) *Federal funds subject to a penalty.* The funds that are subject to a penalty are the title IV-E agency's claims for title IV-E foster care administration and training for the quarter in which the title IV-E agency is required to submit the data files. For data files due on May 15, ACF will assess the penalty based on the title IV-E agency's claims for the third quarter of the Federal fiscal year. For data files due on November 14, ACF will assess the penalty based on the title IV-E agency's claims for the first quarter of the Federal fiscal year.

(b) *Penalty amounts.* ACF will assess penalties in the following amounts:

45 CFR Ch. XIII (10–1–23 Edition)

(1) *First six month period.* ACF will assess a penalty in the amount of one sixth of one percent ($\frac{1}{6}$ of 1%) of the funds described in paragraph (a) of this section for the first six month period in which the title IV-E agency's submitted corrected data file does not comply with § 1355.46.

(2) *Subsequent six month periods.* ACF will assess a penalty in the amount of one fourth of one percent ($\frac{1}{4}$ of 1%) of the funds described in paragraph (a) of this section for each subsequent six month period in which the title IV-E agency continues to be out of compliance.

(c) *Penalty reduction from grant.* ACF will offset the title IV-E agency's title IV-E foster care grant award in the amount of the penalty from the title IV-E agency's claims following the title IV-E agency notification of ACF's final determination of noncompliance.

(d) *Appeals.* The title IV-E agency may appeal ACF's final determination of noncompliance to the HHS Departmental Appeals Board pursuant to 45 CFR part 16.

§ 1356.10 Scope.

This part applies to title IV-E agency programs for foster care maintenance payments, adoption assistance payments, related foster care and adoption administrative and training expenditures, and the independent living services program under title IV-E of the Act.

[77 FR 946, Jan. 6, 2012]

45 CFR Ch. XIII (10-1-23 Edition)

§ 1356.20 Title IV-E plan document and submission requirements.

(a) To be in compliance with the title IV-E plan requirements and to be eligible to receive Federal financial participation (FFP) in the costs of foster care maintenance payments and adoption assistance under this part, a title IV-E agency must have a plan approved by the Secretary that meets the requirements of this part, part 1355, section 471(a) of the Act and for Tribal title IV-E agencies, section 479B(c) of the Act. The title IV-E plan must be submitted to the appropriate Regional Office, ACYF, in a form determined by the title IV-E agency.

(b) Failure by a title IV-E agency to comply with the requirements and standards for the data reporting system for foster care and adoption (§1355.40 of this chapter) shall be considered a substantial failure by the title IV-E agency in complying with the plan.

(c) The following procedures for approval of plans and amendments apply to the title IV-E program:

(1) *Plan.* The plan consists of written documents furnished by the title IV-E agency to cover its program under part E of title IV. After approval of the original plan by the Commissioner, ACYF, all relevant changes, required by new statutes, rules, regulations, interpretations, and court decisions, are required to be submitted currently so that ACYF may determine whether the plan continues to meet Federal requirements and policies.

(2) *Submittal.* Plans and revisions of the plans are submitted first to the State governor or his/her designee, or the Tribal leader or his/her designee for review and then to the regional office, ACYF. Title IV-E agencies are encouraged to obtain consultation of the regional staff when a plan is in process of preparation or revision.

(3) *Review.* Staff in the regional offices are responsible for review of plans and amendments. They also initiate discussion with the title IV-E agency on clarification of significant aspects of the plan which come to their attention in the course of this review. Plan material on which the regional staff has questions concerning the application of Federal policy is referred with

recommendations as required to the central office for technical assistance. Comments and suggestions, including those of consultants in specified areas, may be prepared by the central office for use by the regional staff in negotiations with the title IV-E agency.

(4) *Action.* ACYF has the authority to approve plans and amendments thereto which provide for the administration of foster care maintenance payments and adoption assistance programs under section 471 of the Act. The Commissioner, ACYF, retains the authority to determine that proposed plan material is not approvable, or that a previously approved plan no longer meets the requirements for approval. The Regional Office, ACYF, formally notifies the title IV-E agency of the actions taken on plans or revisions.

(5) *Basis for approval.* Determinations as to whether plans (including plan amendments and administrative practice under the plans) originally meet or continue to meet, the requirements for approval are based on relevant Federal statutes and regulations.

(6) *Prompt approval of plans.* The determination as to whether a plan submitted for approval conforms to the requirements for approval under the Act and regulations issued pursuant thereto shall be made promptly and not later than the 45th day following the date on which the plan submittal is received in the regional office, unless the Regional Office, ACYF, has secured from the title IV-E agency a written agreement to extend that period.

(7) *Prompt approval of plan amendments.* Any amendment of an approved plan may, at the option of the title IV-E agency, be considered as a submission of a new plan. If the title IV-E agency requests that such amendment be so considered, the determination as to its conformity with the requirements for approval shall be made promptly and not later than the 45th day following the date on which such a request is received in the regional office with respect to an amendment that has been received in such office, unless the Regional Office, ACYF, has secured from the title IV-E agency a written agreement to extend that period. In absence of request by a title IV-E agency that an amendment of an approved

plan shall be considered as a submission of a new plan, the procedures under § 201.6(a) and (b) shall be applicable.

(8) *Effective date.* The effective date of a new plan may not be earlier than the first day of the calendar quarter in which an approvable plan is submitted, and with respect to expenditures for assistance under such plan, may not be earlier than the first day on which the plan is in operation on a statewide basis or, in the case of a Tribal title IV-E agency, in operation in the Tribal title IV-E agency's entire service area. The same applies with respect to plan amendments.

(d) Once the title IV-E plan has been submitted and approved, it shall remain in effect until amendments are required. An amendment is required if there is any significant and relevant change in the information or assurances in the plan, or the organization, policies or operations described in the plan.

[77 FR 946, Jan. 6, 2012]

§ 1356.21 Foster care maintenance payments program implementation requirements.

(a) *Statutory and regulatory requirements of the Federal foster care program.* To implement the foster care maintenance payments program provisions of the title IV-E plan and to be eligible to receive Federal financial participation (FFP) for foster care maintenance payments under this part, a title IV-E agency must meet the requirements of this section, 45 CFR 1356.22, 45 CFR 1356.30, and sections 472, 475(1), 475(4), 475(5), 475(6), and for a Tribal title IV-E agency section 479(B)(c)(1)(C)(ii)(II) of the Act.

(b) *Reasonable efforts.* The title IV-E agency must make reasonable efforts to maintain the family unit and prevent the unnecessary removal of a child from his/her home, as long as the child's safety is assured; to effect the safe reunification of the child and family (if temporary out-of-home placement is necessary to ensure the immediate safety of the child); and to make and finalize alternate permanency plans in a timely manner when reunification is not appropriate or possible. In

order to satisfy the “reasonable efforts” requirements of section 471(a)(15) (as implemented through section 472(a)(2) of the Act), the title IV-E agency must meet the requirements of paragraphs (b) and (d) of this section. In determining reasonable efforts to be made with respect to a child and in making such reasonable efforts, the child’s health and safety must be the paramount concern.

(1) *Judicial determination of reasonable efforts to prevent a child’s removal from the home.* (i) When a child is removed from his/her home, the judicial determination as to whether reasonable efforts were made, or were not required to prevent the removal, in accordance with paragraph (b)(3) of this section, must be made no later than 60 days from the date the child is removed from the home pursuant to paragraph (k)(1)(ii) of this section.

(ii) If the determination concerning reasonable efforts to prevent the removal is not made as specified in paragraph (b)(1)(i) of this section, the child is not eligible under the title IV-E foster care maintenance payments program for the duration of that stay in foster care.

(2) *Judicial determination of reasonable efforts to finalize a permanency plan.* (i) The title IV-E agency must obtain a judicial determination that it has made reasonable efforts to finalize the permanency plan that is in effect (whether the plan is reunification, adoption, legal guardianship, placement with a fit and willing relative, or placement in another planned permanent living arrangement) within twelve months of the date the child is considered to have entered foster care in accordance with the definition at §1355.20 of this part, and at least once every twelve months thereafter while the child is in foster care.

(ii) If such a judicial determination regarding reasonable efforts to finalize a permanency plan is not made in accordance with the schedule prescribed in paragraph (b)(2)(i) of this section, the child becomes ineligible under title IV-E at the end of the month in which the judicial determination was required to have been made, and remains ineligible until such a determination is made.

(3) *Circumstances in which reasonable efforts are not required to prevent a child’s removal from home or to reunify the child and family.* Reasonable efforts to prevent a child’s removal from home or to reunify the child and family are not required if the title IV-E agency obtains a judicial determination that such efforts are not required because:

(i) A court of competent jurisdiction has determined that the parent has subjected the child to aggravated circumstances (as defined in State, or for a Tribal title IV-E agency, Tribal law, which definition may include but need not be limited to abandonment, torture, chronic abuse, and sexual abuse);

(ii) A court of competent jurisdiction has determined that the parent has been convicted of:

(A) Murder (which would have been an offense under section 1111(a) of title 18, United States Code, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;

(B) Voluntary manslaughter (which would have been an offense under section 1112(a) of title 18, United States Code, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;

(C) Aiding or abetting, attempting, conspiring, or soliciting to commit such a murder or such a voluntary manslaughter; or

(D) A felony assault that results in serious bodily injury to the child or another child of the parent; or,

(iii) The parental rights of the parent with respect to a sibling have been terminated involuntarily.

(4) *Concurrent planning.* Reasonable efforts to finalize an alternate permanency plan may be made concurrently with reasonable efforts to reunify the child and family.

(5) *Use of the Federal Parent Locator Service.* The State agency may seek the services of the Federal Parent Locator Service to search for absent parents at any point in order to facilitate a permanency plan.

(c) *Contrary to the welfare determination.* Under section 472(a)(2) of the Act, a child’s removal from the home must have been the result of a judicial determination (unless the child was removed

pursuant to a voluntary placement agreement) to the effect that continuation of residence in the home would be contrary to the welfare, or that placement would be in the best interest, of the child. The contrary to the welfare determination must be made in the first court ruling that sanctions (even temporarily) the removal of a child from home. If the determination regarding contrary to the welfare is not made in the first court ruling pertaining to removal from the home, the child is not eligible for title IV-E foster care maintenance payments for the duration of that stay in foster care.

(d) *Documentation of judicial determinations.* The judicial determinations regarding contrary to the welfare, reasonable efforts to prevent removal, and reasonable efforts to finalize the permanency plan in effect, including judicial determinations that reasonable efforts are not required, must be explicitly documented and must be made on a case-by-case basis and so stated in the court order.

(1) If the reasonable efforts and contrary to the welfare judicial determinations are not included as required in the court orders identified in paragraphs (b) and (c) of this section, a transcript of the court proceedings is the only other documentation that will be accepted to verify that these required determinations have been made.

(2) Neither affidavits nor nunc pro tunc orders will be accepted as verification documentation in support of reasonable efforts and contrary to the welfare judicial determinations except for a Tribal title IV-E agency for the first 12 months that agency's title IV-E plan is in effect as provided for in section 479B(c)(1)(C)(ii)(I) of the Act.

(3) Court orders that reference State or Tribal law to substantiate judicial determinations are not acceptable, even if such law provides that a removal must be based on a judicial determination that remaining in the home would be contrary to the child's welfare or that removal can only be ordered after reasonable efforts have been made.

(e) *Trial home visits.* A trial home visit may not exceed six months in duration, unless a court orders a longer trial home visit. If a trial home visit

extends beyond six months and has not been authorized by the court, or exceeds the time period the court has deemed appropriate, and the child is subsequently returned to foster care, that placement must then be considered a new placement and title IV-E eligibility must be newly established. Under these circumstances the judicial determinations regarding contrary to the welfare and reasonable efforts to prevent removal are required.

(f) *Case review system.* In order to satisfy the provisions of section 471(a)(16) of the Act regarding a case review system, each title IV-E agency's case review system must meet the requirements of sections 475(5) and 475(6) of the Act.

(g) *Case plan requirements.* In order to satisfy the case plan requirements of sections 471(a)(16), 475(1) and 475(5)(A) and (D) of the Act, the title IV-E agency must promulgate policy materials and instructions for use by staff to determine the appropriateness of and necessity for the foster care placement of the child. The case plan for each child must:

(1) Be a written document, which is a discrete part of the case record, in a format determined by the title IV-E agency, which is developed jointly with the parent(s) or guardian of the child in foster care; and

(2) Be developed within a reasonable period, to be established by the title IV-E agency, but in no event later than 60 days from the child's removal from the home pursuant to paragraph (k) of this section;

(3) Include a discussion of how the case plan is designed to achieve a safe placement for the child in the least restrictive (most family-like) setting available and in close proximity to the home of the parent(s) when the case plan goal is reunification and a discussion of how the placement is consistent with the best interests and special needs of the child. (FFP is not available when a court orders a placement with a specific foster care provider);

(4) Include a description of the services offered and provided to prevent removal of the child from the home and to reunify the family; and

(5) Document the steps to finalize a placement when the case plan goal is

or becomes adoption or placement in another permanent home in accordance with sections 475(1)(E) and (5)(E) of the Act. When the case plan goal is adoption, at a minimum, such documentation shall include child-specific recruitment efforts such as the use of State, Tribal, regional, and national adoption exchanges including electronic exchange systems.

(This requirement has been approved by the Office of Management and Budget under OMB Control Number 0980–0140. In accordance with the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.)

(h) *Application of the permanency hearing requirements.* (1) To meet the requirements of the permanency hearing, the title IV–E agency must, among other requirements, comply with section 475(5)(C) of the Act.

(2) In accordance with paragraph (b)(3) of this section, when a court determines that reasonable efforts to return the child home are not required, a permanency hearing must be held within 30 days of that determination, unless the requirements of the permanency hearing are fulfilled at the hearing in which the court determines that reasonable efforts to reunify the child and family are not required.

(3) If the title IV–E agency concludes, after considering reunification, adoption, legal guardianship, or permanent placement with a fit and willing relative, that the most appropriate permanency plan for a child is placement in another planned permanent living arrangement, the title IV–E agency must document to the court the compelling reason for the alternate plan. Examples of a compelling reason for establishing such a permanency plan may include:

- (i) The case of an older teen who specifically requests that emancipation be established as his/her permanency plan;
- (ii) The case of a parent and child who have a significant bond but the parent is unable to care for the child because of an emotional or physical disability and the child's foster parents have committed to raising him/her to the age of majority and to facilitate visitation with the disabled parent; or,

(iii) the Tribe has identified another planned permanent living arrangement for the child.

(4) When an administrative body, appointed or approved by the court, conducts the permanency hearing, the procedural safeguards set forth in the definition of *permanency hearing* must be so extended by the administrative body.

(i) *Application of the requirements for filing a petition to terminate parental rights at section 475(5)(E) of the Social Security Act.* (1) Subject to the exceptions in paragraph (i)(2) of this section, the title IV–E agency must file a petition (or, if such a petition has been filed by another party, seek to be joined as a party to the petition) to terminate the parental rights of a parent(s):

(i) Whose child has been in foster care under the responsibility of the title IV–E agency for 15 of the most recent 22 months. The petition must be filed by the end of the child's fifteenth month in foster care. In calculating when to file a petition for termination of parental rights, the title IV–E agency:

(A) Must calculate the 15 out of the most recent 22 month period from the date the child is considered to have entered foster care as defined at section 475(5)(F) of the Act and § 1355.20 of this part;

(B) Must use a cumulative method of calculation when a child experiences multiple exits from and entries into foster care during the 22 month period;

(C) Must not include trial home visits or runaway episodes in calculating 15 months in foster care; and,

(D) Need only apply section 475(5)(E) of the Act to a child once if the title IV–E agency does not file a petition because one of the exceptions at paragraph (i)(2) of this section applies;

(ii) Whose child has been determined by a court of competent jurisdiction to be an abandoned infant (as defined under State or for a Tribal title IV–E agency, Tribal law). The petition to terminate parental rights must be filed within 60 days of the judicial determination that the child is an abandoned infant; or,

(iii) Who has been convicted of one of the felonies listed at paragraph (b)(3)(ii) of this section. Under such circumstances, the petition to terminate

parental rights must be filed within 60 days of a judicial determination that reasonable efforts to reunify the child and parent are not required.

(2) The title IV-E agency may elect not to file or join a petition to terminate the parental rights of a parent per paragraph (i)(1) of this section if:

(i) At the option of the title IV-E agency, the child is being cared for by a relative;

(ii) The title IV-E agency has documented in the case plan (which must be available for court review) a compelling reason for determining that filing such a petition would not be in the best interests of the individual child. Compelling reasons for not filing a petition to terminate parental rights include, but are not limited to:

(A) Adoption is not the appropriate permanency goal for the child; or,

(B) No grounds to file a petition to terminate parental rights exist; or,

(C) The child is an unaccompanied refugee minor as defined in 45 CFR 400.111; or

(D) There are international legal obligations or compelling foreign policy reasons that would preclude terminating parental rights; or

(iii) The title IV-E agency has not provided to the family, consistent with the time period in the case plan, services that the title IV-E agency deems necessary for the safe return of the child to the home, when reasonable efforts to reunify the family are required.

(3) When the title IV-E agency files or joins a petition to terminate parental rights in accordance with paragraph (i)(1) of this section, it must concurrently begin to identify, recruit, process, and approve a qualified adoptive family for the child.

(j) *Child of a minor parent in foster care.* Foster care maintenance payments made on behalf of a child placed in a foster family home or child care institution, who is the parent of a son or daughter in the same home or institution, must include amounts which are necessary to cover costs incurred on behalf of the child's son or daughter. Said costs must be limited to funds expended on items listed in the definition of *foster care maintenance payments* in § 1355.20 of this part.

(k) *Removal from the home of a specified relative.* (1) For the purposes of meeting the requirements of section 472(a)(1) of the Act, a removal from the home must occur pursuant to:

(i) A voluntary placement agreement entered into by a parent or guardian which leads to a physical or constructive removal (i.e., a non-physical or paper removal of custody) of the child from the home; or

(ii) A judicial order for a physical or constructive removal of the child from a parent or specified relative.

(2) A removal has not occurred in situations where legal custody is removed from the parent or relative and the child remains with the same relative in that home under supervision by the title IV-E agency.

(3) A child is considered constructively removed on the date of the first judicial order removing custody, even temporarily, from the appropriate specified relative or the date that the voluntary placement agreement is signed by all relevant parties.

(l) *Living with a specified relative.* For purposes of meeting the requirements for living with a specified relative prior to removal from the home under section 472(a)(1) of the Act, all of the conditions under section 472(a)(3), and for Tribal title IV-E agencies section 479B(c)(1)(C)(ii)(II) of the Act, one of the two following situations must apply:

(1) The child was living with the parent or specified relative, and was AFDC eligible in that home in the month of the voluntary placement agreement or initiation of court proceedings; or

(2) The child had been living with the parent or specified relative within six months of the month of the voluntary placement agreement or the initiation of court proceedings, and the child would have been AFDC eligible in that month if s/he had still been living in that home.

(m) *Review of payments and licensing standards.* In meeting the requirements of section 471(a)(11) of the Act, the title IV-E agency must review at reasonable, specific, time-limited periods to be established by the agency:

(1) The amount of the payments made for foster care maintenance and

§ 1356.21, Nt.

adoption assistance to assure their continued appropriateness; and

(2) The licensing or approval standards for child care institutions and foster family homes.

(n) *Foster care goals.* The specific foster care goals required under section 471(a)(14) of the Act must be incorporated into State law or Tribal law by statute, code, resolution, Tribal proceedings or administrative regulation with the force of law.

(o) *Notice and right to be heard.* The title IV-E agency must provide the foster parent(s) of a child and any preadoptive parent or relative providing care for the child with timely notice of and the opportunity to be heard in any proceedings held with respect to the child during the time the child is in the care of such foster parent, preadoptive parent, or relative caregiver. Notice of and opportunity to be heard does not include the right to standing as a party to the case.

§ 1356.22 Implementation requirements for children voluntarily placed in foster care.

(a) As a condition of receipt of Federal financial participation (FFP) in

45 CFR Ch. XIII (10–1–23 Edition)

foster care maintenance payments for a dependent child removed from his home under a voluntary placement agreement, the title IV-E agency must meet the requirements of:

(1) Section 472 of the Act, as amended;

(2) Sections 422(b)(8) and 475(5) of the Act;

(3) 45 CFR 1356.21(e), (f), (g), (h), and (i); and

(4) The requirements of this section.

(b) Federal financial participation is available only for voluntary foster care maintenance expenditures made within the first 180 days of the child's placement in foster care unless there has been a judicial determination by a court of competent jurisdiction, within the first 180 days of such placement, to the effect that the continued voluntary placement is in the best interests of the child.

(c) The title IV-E agency must establish and maintain a uniform procedure or system, consistent with State or Tribal law, for revocation by the parent(s) of a voluntary placement agreement and return of the child.

[65 FR 4090, Jan. 25, 2000, as amended at 66 FR 58677, Nov. 23, 2001; 77 FR 949, Jan. 6, 2012]

§ 1356.30 Safety requirements for foster care and adoptive home providers.

(a) The title IV-E agency must provide documentation that criminal records checks have been conducted with respect to prospective foster and adoptive parents.

(b) The title IV-E agency may not approve or license any prospective foster or adoptive parent, nor may the title IV-E agency claim FFP for any foster care maintenance or adoption assistance payment made on behalf of a child placed in a foster home operated under the auspices of a child placing agency or on behalf of a child placed in an adoptive home through a private adoption agency, if the title IV-E agency finds that, based on a criminal records check conducted in accordance with paragraph (a) of this section, a court of competent jurisdiction has determined that the prospective foster or adoptive parent has been convicted of a felony involving:

(1) Child abuse or neglect;

(2) Spousal abuse;

(3) A crime against a child or children (including child pornography); or,

(4) A crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery.

(c) The title IV-E agency may not approve or license any prospective foster or adoptive parent, nor may the title IV-E agency claim FFP for any foster care maintenance or adoption assistance payment made on behalf of a child placed in a foster home operated under the auspices of a child placing agency or on behalf of a child placed in an adoptive home through a private adoption agency, if the title IV-E agency finds, based on a criminal records check conducted in accordance with paragraph (a) of this section, that a court of competent jurisdiction has determined that the prospective foster or adoptive parent has, within the last five years, been convicted of a felony involving:

(1) Physical assault;

(2) Battery; or,

(3) A drug-related offense.

(d) [Reserved]

(e) In all cases where the State opted out of the criminal records check requirement, as permitted prior to the amendments made by section 152 of Public Law 109-248, the licensing file for that foster or adoptive family must contain documentation which verifies that safety considerations with respect to the caretaker(s) have been addressed.

(f) In order for a child care institution to be eligible for title IV-E funding, the licensing file for the institution must contain documentation which verifies that safety considerations with respect to the staff of the institution have been addressed.

§ 1356.40 Adoption assistance program: Administrative requirements to implement section 473 of the Act.

(a) To implement the adoption assistance program provisions of the title IV-E plan and to be eligible for Federal financial participation in adoption assistance payments under this part, the title IV-E agency must meet the re-

quirements of this section and section 471(a), applicable provisions of section 473, and section 475(3) of the Act.

(b) The adoption assistance agreement for payments pursuant to section 473(a)(2) must meet the requirements of section 475(3) of the Act and must:

(1) Be signed and in effect at the time of or prior to the final decree of adoption. A copy of the signed agreement must be given to each party; and

(2) Specify its duration; and

(3) Specify the nature and amount of any payment, services and assistance to be provided under such agreement and, for purposes of eligibility under title XIX of the Act, specify that the child is eligible for Medicaid services; and

(4) Specify, with respect to agreements entered into on or after October 1, 1983, that the agreement shall remain in effect regardless of the place of residence of the adoptive parents at any given time.

(c) There must be no income eligibility requirement (means test) for the prospective adoptive parent(s) in determining eligibility for adoption assistance payments.

(d) In the event an adoptive family moves from one place of residence to another, the family may apply for social services on behalf of the adoptive child in the new place of residence. If a needed service(s) specified in the adoption assistance agreement is not available in the new place of residence, the title IV-E agency making the original adoption assistance payment remains financially responsible for providing the specified service(s).

(e) A title IV-E agency may make an adoption assistance agreement with adopting parent(s) who reside in another State or a Tribal service area. If so, all provisions of this section apply.

(f) The title IV-E agency must actively seek ways to promote the adoption assistance program.

[48 FR 23116, May 23, 1983, as amended at 53 FR 50220, Dec. 14, 1988; 77 FR 949, Jan. 6, 2012]

§ 1356.41 Nonrecurring expenses of adoption.

(a) The amount of the payment made for nonrecurring expenses of adoption shall be determined through agreement between the adopting parent(s) and the

§ 1356.41

45 CFR Ch. XIII (10–1–23 Edition)

title IV–E agency administering the program. The agreement must indicate the nature and amount of the non-recurring expenses to be paid.

(b) The agreement for nonrecurring expenses may be a separate document or a part of an agreement for either State, Tribal, or Federal adoption assistance payments or services.

(c) There must be no income eligibility requirement (means test) for adopting parents in determining whether payments for nonrecurring expenses of adoption shall be made. However, parents cannot be reimbursed for out-of-pocket expenses for which they have otherwise been reimbursed.

(d) For purposes of payment of non-recurring expenses of adoption, the title IV–E agency must determine that the child is a “child with special needs” as defined in section 473(c) of the Act, and that the child has been placed for adoption in accordance with applicable laws; the child need not meet the categorical eligibility requirements at section 473(a)(2).

(e)(1) The title IV–E agency must notify all appropriate courts and all public and licensed private nonprofit adoption agencies of the availability of funds for the nonrecurring expenses of adoption of children with special needs as well as where and how interested persons may apply for these funds. This information should routinely be made available to all persons who inquire about adoption services.

(2) The agreement for nonrecurring expenses must be signed at the time of or prior to the final decree of adoption. Claims must be filed with the title IV–E agency within two years of the date of the final decree of adoption.

(f)(1) Funds expended by the title IV–E agency under an adoption assistance agreement, with respect to non-recurring adoption expenses incurred by or on behalf of parents who adopt a child with special needs, shall be considered an administrative expenditure of the title IV–E Adoption Assistance Program. Federal reimbursement is available at a 50 percent matching rate, for title IV–E agency expenditures up to \$2,000, for any adoptive placement.

(2) Title IV–E agencies may set a reasonable lower maximum which must be

based on reasonable charges, consistent with State, Tribal, and local practices, for special needs adoptions within the State or Tribal service area. The basis for setting a lower maximum must be documented and available for public inspection.

(3) In cases where siblings are placed and adopted, either separately or as a unit, each child is treated as an individual with separate reimbursement for nonrecurring expenses up to the maximum amount allowable for each child.

(g) Federal financial participation for nonrecurring expenses of adoption is limited to costs incurred by or on behalf of adoptive parents that are not otherwise reimbursed from other sources. Payments for nonrecurring expenses shall be made either directly by the title IV–E agency or through another public or licensed nonprofit private agency.

(h) When the adoption of the child involves a placement outside the State or Tribal service area, the title IV–E agency that enters into an adoption assistance agreement under section 473(a)(1)(B)(ii) of the Act or under a State or Tribal subsidy program will be responsible for paying the nonrecurring adoption expenses of the child. In cases where there is placement outside the State or Tribal service area but no agreement for other Federal, Tribal, or State adoption assistance, the title IV–E agency in the jurisdiction in which the final adoption decree is issued will be responsible for reimbursement of nonrecurring expenses if the child meets the requirements of section 473(c).

(i) The term “nonrecurring adoption expenses” means reasonable and necessary adoption fees, court costs, attorney fees and other expenses which are directly related to the legal adoption of a child with special needs, which are not incurred in violation of State, Tribal or Federal law, and which have not been reimbursed from other sources or other funds. “Other expenses which are directly related to the legal adoption of a child with special needs” means the costs of the adoption incurred by or on behalf of the parents and for which parents carry the ultimate liability for payment. Such costs

may include the adoption study, including health and psychological examination, supervision of the placement prior to adoption, transportation and the reasonable costs of lodging and food for the child and/or the adoptive parents when necessary to complete the placement or adoption process.

(j) Failure to honor all eligible claims will be considered non-compliance by the title IV-E agency with title IV-E of the Act.

(k) A title IV-E expenditure is considered made in the quarter during which the payment was made by a title IV-E agency to a private nonprofit agency, individual or vendor payee.

(a) To be in compliance with the title IV-E plan requirements, a title IV-E agency must meet the requirements of the Act and 45 CFR 1356.20, 1356.21, 1356.30, and 1356.40 of this part.

(b) To be in compliance with the title IV-E plan requirements, a title IV-E agency that chooses to claim FFP for voluntary placements must meet the requirements of the Act, 45 CFR 1356.22 and paragraph (a) of this section; and

(c) For purposes of this section, the procedures in § 1355.39 of this chapter apply.

[48 FR 23117, May 23, 1983, as amended at 65 FR 4091, Jan. 25, 2000; 66 FR 58677, Nov. 23, 2001; 77 FR 950, Jan. 6, 2012]

§ 1356.60 Fiscal requirements (title IV-E).

(a) *Federal matching funds for foster care maintenance and adoption assistance payments.* (1) Federal financial participation (FFP) is available to title IV-E agencies under an approved title IV-E plan for allowable costs in expenditures for:

(i) Foster care maintenance payments as defined in section 475(4) of the Act, made in accordance with §§ 1356.20 through 1356.30, section 472 of the Act, and, for a Tribal title IV-E agency, section 479B of the Act; and

(ii) Adoption assistance payments made in accordance with §§ 1356.20 and 1356.40, applicable provisions of section

473, section 475(3), and, for a Tribal title IV-E agency, section 479B of the Act.

(2) Federal financial participation is available at the rate of the Federal medical assistance percentage as defined in section 1905(b), 474(a)(1) and (2), and 479B(d) of the Act as applicable, definitions, and pertinent regulations as promulgated by the Secretary, or the designee.

(b) *Federal matching funds for title IV-E agency training for foster care and adoption assistance under title IV-E.* (1) Federal financial participation is available at the rate of seventy-five percent (75%) in the costs of:

(i) Training personnel employed or preparing for employment by the title IV-E agency administering the plan, and;

(ii) Providing short-term training (including travel and per diem expenses) to current or prospective foster or adoptive parents and the members of the state licensed or approved child care institutions providing care to foster and adopted children receiving title IV-E assistance.

(2) All training activities and costs funded under title IV-E shall be included in the agency's training plan for title IV-B.

(3) Short and long term training at educational institutions and in-service training may be provided in accordance with the provisions of §§ 235.63 through 235.66(a) of this title.

(c) *Federal matching funds for other title IV-E agency administrative expenditures for foster care and adoption assistance under title IV-E.* Federal financial participation is available at the rate of fifty percent (50%) for administrative expenditures necessary for the proper and efficient administration of the title IV-E plan. The State's cost allocation plan shall identify which costs are allocated and claimed under this program.

(1) The determination and redetermination of eligibility, fair hearings and appeals, rate setting and other costs directly related only to the administration of the foster care program under this part are deemed allowable administrative costs under this paragraph. They may not be claimed under any other section or Federal program.

(2) The following are examples of allowable administrative costs necessary for the administration of the foster care program:

- (i) Referral to services;
- (ii) Preparation for and participation in judicial determinations;
- (iii) Placement of the child;
- (iv) Development of the case plan;
- (v) Case reviews;
- (vi) Case management and supervision;
- (vii) Recruitment and licensing of foster homes and institutions;
- (viii) Rate setting; and
- (ix) A proportionate share of related agency overhead.
- (x) Costs related to data collection and reporting.

(3) Allowable administrative costs do not include the costs of social services provided to the child, the child's family or foster family which provide counseling or treatment to ameliorate or remedy personal problems, behaviors or home conditions.

(d) *Cost of the data collection system.*

(1) Costs related to data collection system initiation, implementation and operation may be charged as an administrative cost of title IV-E at the 50 percent matching rate subject to the restrictions in paragraph (d)(2) of this section

(2) For information systems used for purposes other than those specified by section 479 of the Act, costs must be allocated and must bear the same ratio as the foster care and adoption population bears to the total population contained in the information system as verified by reports from all other programs included in the system.

(e) *Federal matching funds for CCWIS and Non-CCWIS.* Federal matching funds are available at the rate of fifty percent (50%). Requirements for the cost allocation of CCWIS and non-CCWIS project costs are at §1355.57 of this chapter.

(a) Each State with a title IV-E plan approved under section 471 of the Act must establish and maintain procedures, in consultation with Indian Tribes, for the transfer of responsibility for the placement and care of a child under a State title IV-E plan to a Tribal title IV-E agency or an Indian Tribe with a title IV-E agreement in a way that does not affect a child's eligibility for, or payment of, title IV-E and the child's eligibility for medical assistance under title XIX of the Act.

(b) The procedures must, at a minimum, provide for the State to:

(1) Determine, if the eligibility determination is not already completed, the child's eligibility under section 472 or 473 of the Act at the time of the transfer of placement and care responsibility of a child to a Tribal title IV-E agency or an Indian Tribe with a title IV-E agreement.

(2) Provide essential documents and information necessary to continue a child's eligibility under title IV-E and Medicaid programs under title XIX to the Tribal title IV-E agency, including, but not limited to providing:

(i) All judicial determinations to the effect that continuation in the home from which the child was removed would be contrary to the welfare of the child and that reasonable efforts described in section 471(a)(15) of the Act have been made;

(ii) Other documentation the State has that relates to the child's title IV-E eligibility under sections 472 and 473 of the Act;

(iii) Information and documentation available to the agency regarding the child's eligibility or potential eligibility for other Federal benefits;

(v) Information and documentation of the child's placement settings, including a copy of the most recent provider's license or approval.

(b) *In-kind expenditures for fiscal years 2010 and 2011—(1) Administrative costs.* A Tribal title IV-E agency may claim allowable in-kind expenditures from third-party sources of up to 25 percent of the total administrative funds expended during a fiscal quarter pursuant to section 474(a)(3)(C), (D) or (E) of the Act.

(2) *Training costs.* A Tribal title IV-E agency may claim in-kind training expenditures of up to 12 percent of the total training funds expended during a fiscal year quarter pursuant to section 474(a)(3)(A) and (B) of the Act, but only from the following sources:

- (i) A State or local government;
- (ii) An Indian Tribe, Tribal organization, or Tribal consortium other than the Indian Tribe, organization, or consortium submitting the title IV-E plan;
- (iii) A public institution of higher education;

§§ 1356.69–1356.70 [Reserved]

§ 1356.71 Federal review of the eligibility of children in foster care and the eligibility of foster care providers in title IV-E programs.

(a) *Purpose, scope and overview of the process.* (1) This section sets forth requirements governing Federal reviews of compliance with the title IV-E eligibility provisions as they apply to children and foster care providers under paragraphs (a) and (b) of section 472 of the Act.

(2) The requirements of this section apply to title IV-E agencies that receive Federal payments for foster care under title IV-E of the Act.

(3) The review process begins with a primary review of foster care cases for the title IV-E eligibility requirements.

(i) *Title IV-E agencies in substantial compliance.* Title IV-E agencies determined to be in substantial compliance based on the primary review will be subject to another review in three years.

(ii) *Title IV-E agencies not in substantial compliance.* Title IV-E agencies that are determined not to be in substantial compliance based on the primary review will develop and implement a program improvement plan designed to correct the areas of non-compliance. A secondary review will be conducted after the completion of the program improvement plan. A subsequent primary review will be held three years from the date of the secondary review.

(b) *Composition of review team and preliminary activities preceding an on-site review.* (1) The review team must be composed of representatives of the title IV–E agency, and ACF’s Regional and Central Offices.

(2) The title IV–E agency must provide ACF with the complete payment history for each of the sample and oversample cases prior to the on-site review.

(c) *Sampling guidance and conduct of review.* (1) The list of sampling units in the target population (*i.e.*, the sampling frame) will be drawn by ACF statistical staff from the Adoption and Foster Care Analysis and Reporting System (AFCARS) data which are transmitted by the title IV–E agency to ACF. The sampling frame will consist of cases of children who were eligible for foster care maintenance payments during the reporting period reflected in a title IV–E agency’s most recent AFCARS data submission. For the initial primary review, if these data are not available or are deficient, an alternative sampling frame, consistent with one AFCARS six-month reporting period, will be selected by ACF in conjunction with the title IV–E agency.

(2) A sample of 80 cases (plus a 10 percent oversample of eight cases) from the title IV–E foster care program will be selected for the primary review utilizing probability sampling methodologies. Usually, the chosen methodology will be simple random sampling, but other probability samples may be utilized, when necessary and appropriate.

(3) Cases from the oversample will be substituted and reviewed for each of the original sample of 80 cases which is found to be in error.

(4) At the completion of the primary review, the review team will determine the number of ineligible cases. When the total number of ineligible cases does not exceed eight, ACF can conclude with a probability of 88 percent that in a population of 1000 or more cases the population ineligibility case error rate is less than 15 percent and the title IV–E agency will be considered in substantial compliance. For primary reviews held subsequent to the initial primary reviews, the acceptable population ineligibility case error rate

threshold will be reduced from less than 15 percent (eight or fewer ineligible cases) to less than 10 percent (four or fewer ineligible cases)). A title IV–E agency which meets this standard is considered to be in “substantial compliance” (see paragraph (h) of this section). A disallowance will be assessed for the ineligible cases for the period of time the cases are ineligible.

(5) A title IV–E agency which has been determined to be in “noncompliance” (*i.e.*, not in substantial compliance) will be required to develop a program improvement plan according to the specifications discussed in paragraph (i) of this section, as well as undergo a secondary review. For the secondary review, a sample of 150 cases (plus a 10 percent oversample of 15 cases) will be drawn from the most recent AFCARS submission. Usually, the chosen methodology will be simple random sampling, but other probability samples may be utilized, when necessary and appropriate. Cases from the oversample will be substituted and reviewed for each of the original sample of 150 cases which is found to be in error.

(6) At the completion of the secondary review, the review team will calculate both the sample case ineligibility and dollar error rates for the cases determined ineligible during the review. An extrapolated disallowance equal to the lower limit of a 90 percent confidence interval for the population total dollars in error for the amount of time corresponding to the AFCARS reporting period will be assessed if both the child/provider (case) ineligibility and dollar error rates exceed 10 percent. If neither, or only one, of the error rates exceeds 10 percent, a disallowance will be assessed for the ineligible cases for the period of time the cases are ineligible.

(d) *Requirements subject to review.* Title IV–E agencies will be reviewed against the requirements of title IV–E of the Act regarding:

(1) The eligibility of the children on whose behalf the foster care maintenance payments are made (section 472(a)(1)–(4) of the Act) to include:

(i) Judicial determinations regarding “reasonable efforts” and “contrary to

the welfare” in accordance with § 1356.21(b) and (c), respectively;

(ii) Voluntary placement agreements in accordance with § 1356.22;

(iii) Responsibility for placement and care vested with the title IV-E or other public agency per section 472(a)(2)(B) of the Act;

(iv) Placement in a licensed foster family home or child care institution; and,

(v) Eligibility for AFDC under such State plan as it was in effect on July 16, 1996 per section 472(a)(3) or 479B(c)(1)(C)(ii)(II) of the Act, as appropriate.

(2) Allowable payments made to foster care providers who comport with sections 471(a)(10), 471(a)(20), 472(b) and (c), and 479B(c)(2) of the Act and § 1356.30.

(e) *Review instrument.* A title IV-E foster care eligibility review checklist will be used when conducting the eligibility review.

(f) *Eligibility determination—child.* The case record of the child must contain sufficient documentation to verify a child's eligibility in accordance with paragraph (d)(1) of this section, in order to substantiate payments made on the child's behalf.

(g) *Eligibility determination—provider.* (1) For each case being reviewed, the title IV-E agency must make available a licensing file which contains the licensing history, including a copy of the certificate of licensure/approval or letter of approval, for each of the providers in the following categories:

(i) Public child care institutions with 25 children or less in residence;

(ii) Private child care institutions;

(iii) Group homes; and

(iv) Foster family homes, including relative homes.

(2) The licensing file must contain documentation that the title IV-E agency has complied with the safety requirements for foster and adoptive placements in accordance with § 1356.30.

(3) If the licensing file does not contain sufficient information to support a child's placement in a licensed facility, the title IV-E agency may provide supplemental information from other sources (e.g., a computerized database).

(h) *Standards of compliance.* (1) Disallowances will be taken, and plans for

program improvement required, based on the extent to which a title IV-E agency is not in substantial compliance with recipient or provider eligibility provisions of title IV-E, or applicable regulations in 45 CFR parts 1355 and 1356.

(2) Substantial compliance and non-compliance are defined as follows:

(i) *Substantial compliance*—For the primary review (of the sample of 80 cases), no more than eight of the title IV-E cases reviewed may be determined to be ineligible. (This critical number of allowable “errors,” i.e., ineligible cases, is reduced to four errors or less in primary reviews held subsequent to the initial primary review). For the secondary review (if required), *substantial compliance* means either the case ineligibility or dollar error rate does not exceed 10 percent.

(ii) *Noncompliance*—means not in substantial compliance. For the primary review (of the sample of 80 cases), nine or more of the title IV-E cases reviewed must be determined to be ineligible. (This critical number of allowable “errors,” i.e., ineligible cases, is reduced to five or more in primary reviews subsequent to the initial primary review). For the secondary review (if required), *noncompliance* means both the case ineligibility and dollar error rates exceed 10 percent.

(3) ACF will notify the title IV-E agency in writing within 30 calendar days after the completion of the review of whether the title IV-E agency is, or is not, operating in substantial compliance.

(4) Title IV-E agencies which are determined to be in substantial compliance must undergo a subsequent review after a minimum of three years.

(i) *Program improvement plans.* (1) Title IV-E agencies which are determined to be in noncompliance with recipient or provider eligibility provisions of title IV-E, or applicable regulations in 45 CFR Parts 1355 and 1356, will develop a program improvement plan designed to correct the areas determined not to be in substantial compliance. The program improvement plan will:

(i) Be developed jointly by title IV-E agency and Federal staff;

(ii) Identify the areas in which the title IV–E agency's program is not in substantial compliance;

(iii) Not extend beyond one year. A title IV–E agency will have a maximum of one year in which to implement and complete the provisions of the program improvement plan unless State/Tribal legislative action is required. In such instances, an extension may be granted with the title IV–E agency and ACF negotiating the terms and length of such extension that shall not exceed the last day of the first legislative session after the date of the program improvement plan; and

(iv) Include:

(A) Specific goals;

(B) The action steps required to correct each identified weakness or deficiency; and,

(C) a date by which each of the action steps is to be completed.

(2) Title IV–E agencies determined not to be in substantial compliance as a result of a primary review must submit the program improvement plan to ACF for approval within 90 calendar days from the date the title IV–E agency receives written notification that it is not in substantial compliance. This deadline may be extended an additional 30 calendar days when a title IV–E agency submits additional documentation to ACF in support of cases determined to be ineligible as a result of the on-site eligibility review.

(3) The ACF Regional Office will intermittently review, in conjunction with the title IV–E agency, the title IV–E agency's progress in completing the prescribed action steps in the program improvement plan.

(4) If a title IV–E agency does not submit an approvable program improvement plan in accordance with the provisions of paragraphs (i)(1) and (2) of this section, ACF will move to a secondary review in accordance with paragraph (c) of this section.

(j) *Disallowance of funds.* The amount of funds to be disallowed will be determined by the extent to which a title IV–E agency is not in substantial compliance with recipient or provider eligibility provisions of title IV–E, or applicable regulations in 45 CFR parts 1355 and 1356.

(1) Title IV–E agencies which are found to be in substantial compliance during the primary or secondary review will have disallowances (if any) determined on the basis of individual cases reviewed and found to be in error. The amount of disallowance will be computed on the basis of payments associated with ineligible cases for the entire period of time that each case has been ineligible.

(2) Title IV–E agencies which are found to be in noncompliance during the primary review will have disallowances determined on the basis of individual cases reviewed and found to be in error, and must implement a program improvement plan in accordance with the provisions contained within it. A secondary review will be conducted no later than during the AFCARS reporting period which immediately follows the program improvement plan completion date on a sample of 150 cases drawn from the title IV–E agency's most recent AFCARS data. If both the case ineligibility and dollar error rates exceed 10 percent, the title IV–E agency is not in compliance and an additional disallowance will be determined based on extrapolation from the sample to the universe of claims paid for the duration of the AFCARS reporting period (*i.e.*, all title IV–E funds expended for a case during the quarter(s) that case is ineligible, including administrative costs). If either the case ineligibility or dollar rate does not exceed 10 percent, the amount of disallowance will be computed on the basis of payments associated with ineligible cases for the entire period of time the case has been determined to be ineligible.

(3) The title IV–E agency will be liable for interest on the amount of funds disallowed by the Department, in accordance with the provisions of 45 CFR 30.18.

(4) Title IV–E agencies may appeal any disallowance actions taken by ACF to the HHS Departmental Appeals Board in accordance with regulations at 45 CFR part 16.

(c) *Follow-up population.* Each youth who reaches his or her 19th or 21st birthday in a Federal fiscal year and had participated in data collection as part of the baseline population, as specified in section 1356.82(a)(2) of this part. A youth has participated in the outcomes data collection if the State agency reports to ACF a valid response (*i.e.*, a response option other than “declined” and “not applicable”) to any of the outcomes-related elements described in section 1356.83(g)(37) through (g)(58) of this part.

[73 FR 10365, Feb. 26, 2008]

§ 1356.82 Data collection requirements.

(a) The State agency must collect applicable information as specified in section 1356.83 of this part on the reporting population defined in section 1356.81 of this part in accordance with the following:

(1) For each youth in the served population, the State agency must collect information for the data elements specified in section 1356.83(b) and 1356.83(c) of this part on an ongoing

basis, for as long as the youth receives services.

(2) For each youth in the baseline population, the State agency must collect information for the data elements specified in section 1356.83(b) and 1356.83(d) of this part. The State agency must collect this information on a new baseline population every three years.

(i) For each youth in foster care who turns age 17 in FFY 2011, the State agency must collect this information within 45 days following the youth's 17th birthday, but not before that birthday.

(ii) Every third Federal fiscal year thereafter, the State agency must collect this information on each youth in foster care who turns age 17 during the year within 45 days following the youth's 17th birthday, but not before that birthday.

(iii) The State agency must collect this information using the survey questions in appendix B of this part entitled “Information to collect from all youth surveyed for outcomes, whether in foster care or not.”

(3) For each youth in the follow-up population, the State agency must collect information on the data elements specified in sections 1356.83(b) and 1356.83(e) of this part within the reporting period of the youth's 19th and 21st birthday. The State agency must collect the information using the appropriate survey questions in appendix B of this part, depending upon whether the youth is in foster care.

(b) The State agency may select a sample of the 17-year-olds in the baseline population to follow over time consistent with the sampling requirements described in section 1356.84 of this part to satisfy the data collection requirements in paragraph (a)(3) of this section for the follow-up population. A State that samples must identify the youth at age 19 who participated in the outcomes data collection as part of the baseline population at age 17 who are not in the sample in accordance with 45 CFR 1356.83(e).

A State that samples must identify in the outcomes reporting status element described in paragraph (g)(34), the 19-year-old youth who participated in the outcomes data collection as a part of the baseline population at age 17, who are not in the sample.

(f) *Single youth record.* The State agency must report all applicable data elements for an individual youth in one record per reporting period.

(g) *Data element descriptions.* For each element described in paragraphs (g)(1) through (58) of this section, the State agency must indicate the applicable response as instructed.

(1) *State.* State means the State responsible for reporting on the youth. Indicate the first two digits of the State's Federal Information Processing Standard (FIPS) code for the State submitting the report to ACF.

(3) *Record number.* The record number is the encrypted, unique person identification number for the youth. The State agency must apply and retain the same encryption routine or method for the person identification number across all reporting periods. The record number must be encrypted in accordance with ACF standards. Indicate the record number for the youth.

(i) If the youth is in foster care as defined in 45 CFR 1355.20 or was during the current or previous reporting period, the State agency must use and report to the NYTD the same person identification number for the youth the State agency reports to AFCARS. The person identification number must remain the same for the youth wherever the youth is living and in any subsequent NYTD reports.

(ii) If the youth was never in the State's foster care system as defined in 45 CFR 1355.20, the State agency must assign a person identification number that must remain the same for the youth wherever the youth is living and in any subsequent reports to NYTD.

(4) *Date of birth.* The youth's date of birth. Indicate the year, month, and day of the youth's birth.

(5) *Sex.* The youth's sex. Indicate whether the youth is male or female as appropriate.

(6) *Race: American Indian or Alaska Native.* In general, a youth's race is determined by the youth or the youth's parent(s). An American Indian or Alaska Native youth has origins in any of the original peoples of North or South America (including Central America), and maintains tribal affiliation or community attachment. Indicate whether this racial category applies for the youth, with a "yes" or "no."

(7) *Race: Asian.* In general, a youth's race is determined by the youth or the youth's parent(s). An Asian youth has origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Indicate whether this racial category applies for the youth, with a “yes” or “no.”

Indicate whether this racial category applies for the youth, with a “yes” or “no.”

(10) *Race: White.* In general, a youth’s race is determined by the youth or the youth’s parent(s). A White youth has origins in any of the original peoples of Europe, the Middle East, or North Africa. Indicate whether this racial category applies for the youth, with a “yes” or “no.”

Indicate whether the youth is or was in foster care at any point during the reporting period, with a “yes” or “no” as appropriate. If the youth is not in the served population this element must be left blank.

(15) *Local agency.* The local agency is the county or equivalent jurisdictional unit that has primary responsibility for placement and care of a youth who is in foster care consistent with the definition in 45 CFR 1355.20, or that has primary responsibility for providing services to a youth who is not in foster care. Indicate the five-digit Federal Information Processing Standard (FIPS) code(s) that corresponds to the identity of the county or equivalent unit jurisdiction(s) that meets these criteria during the reporting period. If a youth who is not in foster care is provided services by a centralized unit only, rather than a county agency, indicate “centralized unit.” If the youth is not in the served population this element must be left blank.

For example, for a youth currently in 11th grade, “10th grade” is the highest educational level completed. Post-secondary education or training refers to any post-secondary education or training, other than an education pursued at a college or university. College refers to completing at least a semester of study at a college or university. Indicate the highest educational level completed by the youth during the reporting period. (a) The State agency may collect and report the information required in section 1356.83(e) of this part on a sample of the baseline population consistent with the sampling requirements described in paragraphs (b) and (c) of this section.

(b) The State agency must select the follow-up sample using simple random sampling procedures based on random numbers generated by a computer program, unless ACF approves another sampling procedure. The sampling universe consists of youth in the baseline population consistent with 45 CFR 1356.81(b) who participated in the State agency’s data collection at age 17.

(c) The sample size is based on the number of youth in the baseline population who participated in the State agency’s data collection at age 17.

(1) If the number of youth in the baseline population who participated in the outcome data collection at age 17 is 5,000 or less, the State agency must calculate the sample size using the formula in appendix C of this part, with the Finite Population Correction (FPC). (c) *Errors.* ACF will assess each State agency’s data file for the following types of errors: Missing data, out-of-

range data, or internally inconsistent data. The amount of errors acceptable for each reporting period is described in paragraphs (a) and (b) of this section.

(1) Missing data is any element that has a blank response when a blank response is not a valid response option as described in section 1356.83(g) of this part.

(2) Out-of-range data is any element that contains a value that is outside the parameters of acceptable responses or exceeds, either positively or negatively, the acceptable range of response options as described in section 1356.83(g) of this part; and

(3) Internally inconsistent data is any element that fails an internal consistency check designed to evaluate the logical relationship between elements in each record. The evaluation will identify all elements involved in a particular check as in error.

(d) *Review for compliance.* (1) ACF will determine whether a State agency’s data file for each reporting period is in compliance with the file submission standards and data standards in paragraphs (a) and (b) of this section.

(i) For State agencies that achieve the file submission standards, ACF will determine whether the State agency’s data file meets the data standards.

(ii) For State agencies that do not achieve the file submission standards or data standards, ACF will notify the State agency that they have an opportunity to submit a corrected data file by the end of the subsequent reporting period in accordance with paragraph (e) of this section.

(2) ACF may use monitoring tools or assessment procedures to determine whether the State agency is meeting all the requirements of section 1356.81 through 1356.85 of this part.

(e) *Submitting corrected data and non-compliance.* A State agency that does not submit a data file that meets the standards in section 1356.85 of this part will have an opportunity to submit a corrected data file in accordance with paragraphs (e)(1) and (e)(2) of this section.

(1) A State agency must submit a corrected data file no later than the end of the subsequent reporting period as defined in section 1356.83(a) of this

part (i.e., by September 30 or March 31).

(2) If a State agency fails to submit a corrected data file that meets the compliance standards in section 1356.85 of this part and the deadline in paragraph (e)(1) of this section, ACF will make a final determination that the State is out of compliance, notify the State agency, and apply penalties as defined in section 1356.86 of this part.

[73 FR 10365, Feb. 26, 2008]

§ 1356.86 Penalties for noncompliance.

(a) *Definition of Federal funds subject to a penalty.* The funds that are subject to a penalty are the CFCIP funds allocated or reallocated to the State agency under section 477(c)(1) of the Act for the Federal fiscal year that corresponds with the reporting period for which the State agency was required originally to submit data according to section 1356.83(a) of this part.

(b) *Assessed penalty amounts.* ACF will assess penalties in the following amounts, depending on the area of non-compliance:

(1) *Penalty for not meeting file submission standards.* ACF will assess a penalty in an amount equivalent to two and one half percent (2.5%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the file submission standards defined in section 1356.85(a) of this part.

(2) *Penalty for not meeting certain data standards.* ACF will assess a penalty in an amount equivalent to:

(i) One and one quarter percent (1.25%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the data standard for error-free data as defined in section 1356.85(b)(1) of this part.

(ii) One and one quarter percent (1.25%) of the funds subject to a pen-

alty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the outcome universe standard defined in section 1356.85(b)(2) of this part.

(iii) One half of one percent (0.5%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the participation rate for youth in foster care standard defined in section 1356.85(b)(3)(i) of this part.

(iv) One half of one percent (0.5%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the participation rate for discharged youth standard defined in section 1356.85(b)(3)(ii) of this part.

(c) *Calculation of the penalty amount.* ACF will add together any assessed penalty amounts described in paragraphs (b)(1) or (b)(2) of this section to determine the total calculated penalty result. If the total calculated penalty result is less than one percent of the funds subject to a penalty, the State agency will be penalized in the amount of one percent.

(d) *Notification of penalty amount.* ACF will advise the State agency in writing of a final determination of non-compliance and the amount of the total calculated penalty as determined in paragraph (c) of this section.

(e) *Interest.* The State agency will be liable for interest on the amount of funds penalized by the Department, in accordance with the provisions of 45 CFR 30.18.

(f) *Appeals.* The State agency may appeal, pursuant to 45 CFR part 16, ACF's final determination to the HHS Departmental Appeals Board.

[77 FR 952, Jan. 6, 2012]

APPENDIX C TO PART 1356—CALCULATING SAMPLE SIZE FOR NYTD FOLLOW-UP POPULATIONS

1. Using Finite Population Correction

The Finite Population Correction (FPC) is applied when the sample is drawn from a

population of one to 5,000 youth, because the sample is more than five percent of the population.

$$\bullet \text{ Sample size with FPC} = \frac{(\text{Py})(\text{Pn}) + \text{Std. error}^2}{\text{Std. error}^2 + \frac{(\text{Py})(\text{Pn})}{N}}$$

• (Py)(Pn), an estimate of the percent of responses to a dichotomous variable, is (.50)(.50) for the most conservative estimate.

$$\bullet \text{ Standard error} = \frac{\text{Acceptable level of error}}{Z \text{ coefficient}}$$

- Acceptable level of error = .05 (results are plus or minus five percentage points from the actual score)
- $Z = 1.645$ (90 percent confidence interval)

$$\bullet \text{ Standard error, 90 percent confidence interval} = \frac{.05}{1.645} = .0303951$$

- N = number of youth from whom the sample is being drawn

2. Not Using Finite Population Correction

The FPC is not applied when the sample is drawn from a population of over 5,000 youth.

$$\bullet \text{ Sample size without FPC, 90 percent confidence interval} = \frac{(Py)(Pn)}{\text{Std. Error}^2} = \frac{(.50)(.50)}{(.0303951)^2} = 271$$

§ 1357.10 Scope and definitions.

(a) *Scope.* This part applies to State and Indian Tribal programs for child welfare services under subpart 1, and family preservation and family support services under subpart 2 of title IV-B of the Act.

(b) *Eligibility.* Child and family services under title IV-B, subparts 1 and 2, must be available on the basis of need for services and must not be denied on the basis of income or length of residence in the State or within the Indian Tribe's jurisdiction.

(c) *Definitions.*

Child and Family Services Plan (CFSP) means the document, developed through joint planning, which describes the publicly-funded State child and family services continuum (family support and family preservation services; child welfare services, including child abuse and neglect prevention, intervention, and treatment services; services to support reunification, adoption, kinship care, foster care, independent living, or other permanent living arrangements). For Indian Tribes, the document describes the child welfare and/or family preservation and support services to be provided by the Indian Tribe; includes goals and objectives both for improved outcomes for the safety, permanency and well-being of children and families and for service delivery system reform; specifies the services and other implementation activities that will be undertaken to carry out the goals and objectives; and includes plans for program improvement and allocation of resources.

Child welfare services means public social services directed to accomplish the following purposes:

- (1) Protecting and promoting the welfare and safety of all children, including individuals with disabilities; homeless, dependent, or neglected children;
- (2) Preventing or remedying, or assisting in the solution of problems which may result in the neglect, abuse, exploitation, or delinquency of children;
- (3) Preventing the unnecessary separation of children from their families

by identifying family problems and assisting families in resolving their problems and preventing the breakup of the family where the prevention of child removal is desirable and possible;

(4) Restoring to their families children who have been removed and may be safely returned, by the provision of services to the child and the family;

(5) Assuring adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption; and

(6) Placing children in suitable adoptive homes, in cases where restoration to the biological family is not possible or appropriate.

Children refers to individuals from birth to the age of 21 (or such age of majority as provided under State law) including infants, children, youth, adolescents, and young adults.

Community-based services refers to programs delivered in accessible settings in the community and responsive to the needs of the community and the individuals and families residing therein. These services may be provided under public or private nonprofit auspices.

Families includes, but is not limited to, biological, adoptive, foster, and extended families.

Family preservation services refers to services for children and families designed to protect children from harm and help families (including foster, adoptive, and extended families) at risk or in crisis, including—

(1) Preplacement preventive services programs, such as intensive family preservation programs, designed to help children at risk of foster care placement remain with their families, where possible;

(2) Service programs designed to help children, where appropriate, return to families from which they have been removed; or be placed for adoption, with a legal guardian, or, if adoption or legal guardianship is determined not to be appropriate for a child, in some other planned, permanent living arrangement;

(3) Service programs designed to provide follow-up care to families to whom a child has been returned after a foster care placement;

(4) Respite care of children to provide temporary relief for parents and other caregivers (including foster parents);

(5) Services designed to improve parenting skills (by reinforcing parents' confidence in their strengths, and helping them to identify where improvement is needed and to obtain assistance in improving those skills) with respect to matters such as child development, family budgeting, coping with stress, health, and nutrition; and

(6) Case management services designed to stabilize families in crisis such as transportation, assistance with housing and utility payments, and access to adequate health care.

Family support services means community-based services to promote the well-being of children and families designed to increase the strength and stability of families (including adoptive, foster, and extended families), to increase parents' confidence and competence in their parenting abilities, to afford children a stable and supportive family environment, and otherwise to enhance child development. Family support services may include:

(1) Services, including in-home visits, parent support groups, and other programs designed to improve parenting skills (by reinforcing parents' confidence in their strengths, and helping them to identify where improvement is needed and to obtain assistance in improving those skills) with respect to matters such as child development, family budgeting, coping with stress, health, and nutrition;

(2) Respite care of children to provide temporary relief for parents and other caregivers;

(3) Structured activities involving parents and children to strengthen the parent-child relationship;

(4) Drop-in centers to afford families opportunities for informal interaction with other families and with program staff;

(5) Transportation, information and referral services to afford families access to other community services, including child care, health care, nutrition programs, adult education literacy programs, legal services, and counseling and mentoring services; and

(6) Early developmental screening of children to assess the needs of such

§ 1357.15

children, and assistance to families in securing specific services to meet these needs.

Joint planning means an ongoing partnership process between ACF and the State and between ACF and an Indian Tribe in the development, review, analysis, and refinement and/or revision of the State's and the Indian Tribe's child and family services plan. Joint planning involves discussions, consultation, and negotiation between ACF and the State or Indian Tribe in all areas of CFSP creation such as, but not limited to, identifying the service needs of children, youth, and families; selecting the unmet service needs that will be addressed; developing goals and objectives that will result in improving outcomes for children and families; developing a plan to meet the matching requirements; and establishing a more comprehensive, coordinated and effective child and family services delivery system. The expectation of joint planning is that both ACF and the State or Indian Tribe will reach agreement on substantive and procedural matters related to the CFSP.

[61 FR 58655, Nov. 18, 1996]

§ 1357.15 Comprehensive child and family services plan requirements.

(a) *Scope.* (1) The CFSP provides an opportunity to lay the groundwork for a system of coordinated, integrated, culturally relevant family focused services. This section describes the requirements for the development, implementation and phase-in of the five-year comprehensive child and family services plan (CFSP). The State's CFSP must meet the requirements of both of the following programs. The Indian Tribe's CFSP must meet the requirements of one or both of the following programs depending on the Tribe's eligibility:

(i) Child welfare services under title IV-B, subpart 1; and

(ii) Family preservation and family support services under title IV-B, subpart 2.

(2) For States only, the CFSP also must contain information on the following programs:

(e) *State agency administering the programs.* (1) The State's CFSP must identify the name of the State agency that will administer the title IV-B programs under the plan. Except as provided by statute, the same agency is required to administer or supervise the administration of all programs under titles IV-B and IV-E of the Act and the social services block grant program under title XX of the Act. (See the definition of "State agency" in 45 CFR 1355.20.)

(2) The CFSP must include a description of the organization and function of the State agency and organizational charts as appropriate. It also must identify the organizational unit(s) within the State agency responsible for the operation and administration of the CFSP, and include a description of the unit's organization and function and a copy of the organizational chart(s).

(f) *Indian Tribal organization administering the program(s).* (1) The Indian Tribe's CFSP must provide the name of the Indian Tribal organization (ITO) designated to administer funds under title IV-B, subpart 1, child welfare services and/or under subpart 2, family preservation and family support services. If the Indian Tribe receives funds under both subparts, the same agency or organization must administer both programs.

(2) The Indian Tribe's CFSP must include a description of the organization and function of the office responsible for the operation and administration of the CFSP, an organizational chart of that office, and a description of how that office relates to Tribal and other offices operating or administering services programs within the Indian Tribe's service area (e.g., Indian Health Service.)

(g) *Vision Statement.* The CFSP must include a vision statement which articulates the grantee's philosophy in providing child and family services and developing or improving a coordinated service delivery system. The vision should reflect the service principles at section 1355.25.

(h) *Goals.* The CFSP must specify the goals, based on the vision statement, that will be accomplished during and by the end of the five-year period of the plan. The goals must be expressed in terms of improved outcomes for and the safety, permanency and well-being of children and families, and in terms of a more comprehensive, coordinated, and effective child and family service delivery system.

(i) *Objectives.* (1) The CFSP must include the realistic, specific, quantifiable and measurable objectives that will be undertaken to achieve each goal. Each objective should focus on outcomes for children, youth, and/or their families or on elements of service delivery (such as quality) that are linked to outcomes in important ways. Each objective should include both interim benchmarks and a long-term timetable, as appropriate, for achieving the objective.

(2) For States and Indian Tribes administering the title IV-B, subpart 1 program, the CFSP must include objectives to make progress in covering additional political subdivisions, reaching additional children in need of services, expanding and strengthening the range of existing services, and developing new types of services.

(j) *Measures of progress.* The CFSP must describe the methods to be used in measuring the results, accomplishments, and annual progress toward meeting the goals and objectives, especially the outcomes for children, youth, and families. Processes and procedures assuring the production of valid and reliable data and information must be specified. The data and information must be capable of determining whether or not the interim benchmarks and multiyear timetable for accomplishing CFSP goals and objectives are being met.

(k) *Baseline information.* (1) For FY 1995, the State and the Indian Tribe must base the development of the

CFSP vision, goals, objectives, and funding and service decisions on an analysis of available baseline information and any trends over time on indicators in the following areas: the well-being of children and families; the needs of children and families; the nature, scope, and adequacy of existing child and family and related social services. Additional and updated information on service needs and organizational capacities must be obtained throughout the five-year period to measure progress in accomplishing the goals and objectives cited in the CFSP. A description of how this process will continue to be carried out must be included in the CFSP, and any revisions should be provided in the Annual Progress and Services Report.

(2) The State must collect and analyze State-wide information on family preservation and family support services currently available to families and children, including the nature and scope of existing public and privately funded family support and family preservation services; the extent to which each service is available and being provided in different geographic areas and to different types of families; and important gaps in service, including mismatches between available services and family needs as identified through baseline data and the consultation process. Other services which impact on the ability to preserve and support families may be included in the assessment. The Indian Tribe must collect and analyze information on family preservation and family support services currently available within their service delivery area including the information in this paragraph as appropriate. An Indian Tribe may submit documentation prepared to satisfy the requirements of other Federal child welfare grants, or contracts (such as the section 638 reporting form), along with a descriptive addendum addressing specifically the family preservation and family support services available.

(3) The CFSP must include a summary of the information used in developing the plan; an explanation of how this information and analysis were

used in developing the goals, objectives, and funding and service decisions, including decisions about geographic targeting and service mix; a description of how information will be used to measure progress over the five-year period; and how this information will be used to facilitate the coordination of services.

(1) *Consultation.* (1) The State's CFSP must describe the internal and external consultation process used to obtain broad and active involvement of major actors across the entire spectrum of the child and family service delivery system in the development of the plan. The description should explain how this process was coordinated with or was a part of other planning processes in the State; how it led or will lead to improved coordination of services.

(2) The Indian Tribe's CFSP must describe the consultation process appropriate to its needs and circumstances used to obtain the active involvement of major actors providing child and family services within the Tribe's area of jurisdiction.

(3) For States and Indian Tribes, the consultation process must involve:

(ix) Administrators, supervisors and front line workers (direct service providers) of the State child and family services agency.

(4) The CFSP must describe the ongoing consultation process that each

grantee will use to ensure the continued involvement of a wide range of major actors in meeting the goals and objectives over the five-year operational period of the plan and developing the Annual Progress and Services Report.

(m) *Services coordination.* (1) States must include in the ongoing coordination process representatives of the full range of child and family services provided by the State agency as well as other service delivery systems providing social, health, education, and economic services (including mental health, substance abuse, developmental disabilities, and housing) to improve access and deliver a range of services to children and their families.

(2) The State's CFSP must describe how services under the plan will be coordinated over the five-year period with services or benefits under other Federal or federally assisted programs serving the same populations to achieve the goals and objectives in the plan. The description must include the participants in the process and examples of how the process led or will lead to additional coordination of services (e.g., integrated service models, improved accessibility, use of a consolidated application or intake form, inter-disciplinary training, coordinated case management for several programs, pooled resources through blended financing, shared information across services providers and compatible and linked automated information systems, co-location of several services or programs.)

(3) The Indian Tribe must include in the coordination process representatives of other Federal or federally assisted child and family services or related programs. The Indian Tribe's CFSP must describe how services under the plan will be coordinated over the five-year period with services or benefits under other Federal or federally assisted programs serving the same populations to achieve the goals and objectives in the plan. The descriptions must include the participants in the process and any examples of how the process led or will lead to additional coordination of services.

(n) *Services.* (1) The State's CFSP must describe the publicly funded child

and family services continuum: child welfare services (including child abuse and neglect prevention, intervention, and treatment services; and foster care); family preservation services; family support services; and services to support reunification, adoption, kinship care, independent living, or other permanent living arrangements.

(2) The Indian Tribe's CFSP must describe the child welfare services (including child abuse and neglect prevention, intervention, treatment services and foster care) and/or the family support and family preservation services to be provided.

(3) For each service described, the CFSP must include the following information, or it must be listed on the CFS-101, Part II:

- (i) The population(s) to be served;
- (ii) The geographic area(s) where the services will be available;
- (iii) The estimated number of individuals and/or families to be served;
- (iv) The estimated expenditures for these services from Federal, State, local, and donated sources, including title IV-B, subparts 1 and 2, the CAPTA program referenced in paragraph (a) of this section, and the independent living program.

(o) *Family preservation and family support services and linkages to other social and health services.* (1) The State's CFSP must explain how the funds under title IV-B, subpart 2 of the Act, will be used to develop or expand family support and family preservation services; how the family support and family preservation services relate to existing family support and family preservation services; and how these family support and preservation services will be linked to other services in the child and family services continuum.

(2) The State's CFSP must explain whether and/or how funds under the CAPTA and independent living programs are coordinated with and integrated into the child and family services continuum described in the plan.

(3) The State's CFSP must describe the existing or current linkages and the coordination of services between the services in the child and family services continuum and the services in other public services systems (e.g.,

health, education, housing, substance abuse, the courts), and other Federal and non-federally funded public and nonprofit private programs (e.g., Children's Trust Funds, Community-Based Family Resource Programs, private foundations.)

(p) *Services in relation to service principles.* The CFSP must describe how the child and family services to be provided are designed to assure the safety and protection of children as well as the preservation and support of families, and how they are or will be designed to be consistent with the other service principles in 45 CFR 1355.25.

(q) *Services in relation to permanency planning.* For States administering both title IV-B programs (subparts 1 and 2), the CFSP must explain how these services will help meet the permanency provisions for children and families in sections 422(b)(9) and 471 of the Act (e.g., preplacement preventive services, reunification services, independent living services.) The CFSP must describe the arrangements, jointly developed with the Indian Tribes within its borders, made for the provision of the child welfare services and protections in section 422(b)(9) to Indian children under both State and Tribal jurisdiction.

(r) *Decision-making process: selection of family support programs for funding.* The State's CFSP must include an explanation of how agencies and organizations were selected for funding to provide family support services and how these agencies and organizations meet the requirement that family support services be community-based.

(s) *Significant portion of funds used for family support and family preservation services.* With each fiscal year's budget request, each State must indicate the specific percentage of family preservation and family support funds (title IV-B, subpart 2) that the State will expend for community-based family support and for family preservation services, and the rationale for the decision. The State must have an especially strong rationale if the request for either percentage is below 25 percent. It must also include an explanation of how this distribution was reached and why it meets the requirements that a "sig-

nificant portion" of the service funds must be spent for each service. Examples of important considerations might include the nature of the planning efforts that led to the decision, the level of existing State effort in each area, and the resulting need for new or expanded services.

(t) *Staff training, technical assistance, and evaluation.* (1) The State's CFSP must include a staff development and training plan in support of the goals and objectives in the CFSP which addresses both of the title IV-B programs covered by the plan. This training plan also must be combined with the training plan under title IV-E as required by 45 CFR 1356.60(b)(2). Training must be an on-going activity and must include content from various disciplines and knowledge bases relevant to child and family services policies, programs and practices. Training content must also support the cross-system coordination consultation basic to the development of the CFSP.

(2) The State's CFSP must describe the technical assistance activities that will be undertaken in support of the goals and objectives in the plan.

(3) The State's CFSP must describe any evaluation and research activities underway or planned with which the State agency is involved or participating and which are related to the goals and objectives in the plan.

(v) *Distribution of the CFSP and the annual progress and services report.* The CFSP must include a description of how the State and the Indian Tribe will make available to interested parties the CFSP and the Annual Progress and Services Report. (See 45 CFR 1355.21(c) and 45 CFR 1357.16(d)). State agencies and Indian Tribal organizations within the State must exchange copies of

On the basis of this review, each State and Indian Tribe must prepare and submit to ACF, and make available to the public, an Annual Progress and Services Report which must include the following—

the State and made available to the Secretary as necessary to confirm compliance with this section.

(h) *Reallotment.* (1) When a State certifies to the Commissioner that funds available to that State under its title IV-B, subpart 1 allotment will not be required, those funds shall be available for reallotment to other States.

(2) When a State, after receiving notice from the Commissioner of the availability of funds, does not certify by a date fixed by the Commissioner that it will be able to expend during the period stated in paragraph (i) of this section all of the funds available to it under its title IV-B, subpart 1 allotment, those funds shall be available for reallotment to other States.

(3) The Commissioner may reallot available funds to another State when it is determined that—

(i) The requesting State's plan requires funds in excess of the State's original allotment; and

(ii) the State will be able to expend the additional funds during the period stated in paragraph (i) of this section.

(i) *Time limit on expenditures.* Funds under title IV-B, subpart 1, must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

§ 1357.32 State fiscal requirements (title IV-B, subpart 2, family preservation and family support services).

(a) *Scope.* The requirements of this section apply to all funds allocated to States under title IV-B, subpart 2, of the Act.

(b) *Allotments.* The annual allotment to each State shall be made in accordance with section 433 of the Act.

(c) *Payments.* Payments to each State will be made in accordance with section 434 of the Act.

(d) *Matching or cost sharing.* Funds used to provide services in FY 1994 and in subsequent years will be federally reimbursed at 75 percent of allowable expenditures. (This is the same Federal financial participation rate as title IV-B, subpart 1.) Federal funds, however, will not exceed the amount of the State's allotment.

(1) The State's contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(2) Except as provided by Federal statute, other Federal funds may not be used to meet the matching requirement.

(e) *Prohibition against purchase or construction of facilities.* Funds awarded under title IV-B may not be used for the purchase or construction of facilities.

(f) *Maintenance of effort.* States may not use the Federal funds under title IV-B, subpart 2, to supplant Federal or non-Federal funds for existing family preservation and family support services. For the purpose of implementing this requirement, "non-Federal funds" means State funds. ACF will collect information annually from each State on expenditures for family support and family preservation using the State fiscal year 1992 as the base year.

(g) *Time limits on expenditures.* Funds must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

(h) *Administrative costs.* (1) States claiming Federal financial participation for services provided in FY 1994 and subsequent years may not claim more than 10 percent of expenditures under subpart 2 for administrative costs. There is no limit on the percentage of administrative costs which may be reported as State match.

(2) For the purposes of title IV-B, subpart 2, "administrative costs" are costs of auxiliary functions as identified through as agency's accounting system which are:

(i) Allocable (in accordance with the agency's approved cost allocation plan) to the title IV-B, subpart 2 program cost centers;

(ii) necessary to sustain the direct effort involved in administering the State plan for title IV-B, subpart 2, or an activity providing service to the program; and

(iii) centralized in the grantee department or in some other agency, and may include but are not limited to the following: Procurement; payroll; personnel functions; management, maintenance and operation of space and

§ 1357.40

property; data processing and computer services; accounting; budgeting; auditing.

(3) Program costs are costs, other than administrative costs, incurred in connection with developing and implementing the CFSP (e.g., delivery of services, planning, consultation, coordination, training, quality assurance measures, data collection, evaluations, supervision).

§ 1357.40 Direct payments to Indian Tribal Organizations (title IV-B, subpart 1, child welfare services).

(a) *Who may apply for direct funding?* Any Indian Tribal Organization (ITO) that meets the definitions in section 428(c) of the Act, or any consortium or other group of eligible Tribal organizations authorized by the membership of the Tribes to act for them is eligible to apply for direct funding if the ITO, consortium or group has a plan for child welfare services that is jointly developed by the ITO and the Department.

(b) *Title IV-B Child and Family Services Plan (CFSP).* (1) In order to receive funds under title IV-B, subpart 1, beginning in FY 1995, the Indian Tribe or Tribal organization must have in effect an approved five-year child and family services plan that meets the applicable requirements of § 1357.15 of this part.

(2) The Indian Tribe or Tribal organization must also comply with section 422(b)(1-8) of the Act; 45 CFR part 1355 (except that the requirements in § 1355.30 for a single Tribal agency and Governor's review of the CFSP do not apply); and other applicable requirements of §§ 1357.10 and 1357.16.

(c) *Information related to the requirements of Section 422(b)(9) of the Act.* The following information must be submitted with the assurances required to be eligible for title IV-B, subpart 1 funds:

(1) A description of the arrangements, jointly developed with the State, made for the provision of the child welfare services and protections in section 422(b)(9) to Indian children under both State and Tribal jurisdiction;

(2) A statement of the legal responsibility, if any, for children who are in

45 CFR Ch. XIII (10-1-23 Edition)

foster care on the reservation and those awaiting adoption;

(3) A description of Tribal jurisdiction in civil and criminal matters, existence or nonexistence of a Tribal court and the type of court and codes, if any;

(4) An identification of the standards for foster family homes and institutional care and day care;

(5) The Indian Tribal organization's political subdivisions, if any;

(6) Whether the Tribal organization is controlled, sanctioned or chartered by the governing body of Indians to be served and if so, documentation of that fact;

(7) Any limitations on authorities granted to the Indian Tribal organizations; and

(8) The Tribal resolution(s) authorizing an application for a direct title IV-B, subpart 1 grant under this Part.

(d) *Grants: General.* (1) Grants may be made to eligible Indian Tribal organizations in a State which has a jointly developed child and family services plan approved and in effect.

(2) Federal funds made available for a direct grant to an eligible ITO shall be paid by the Department, from the title IV-B allotment for the State in which the ITO is located. Should a direct grant be approved, the Department shall promptly notify the State(s) affected.

(3) If an eligible ITO includes population from more than one State, a proportionate amount of the grant will be paid from each State's allotment.

(4) The receipt of title IV-B funds must be in addition to and not a substitute for funds otherwise previously expended by the ITO for child welfare services.

(5) The following fiscal and administrative requirements apply to Indian Tribal grants under this section:

(i) *Enforcement and termination.* In the event of an Indian Tribe's failure to comply with the terms of the grant under title IV-B, subpart 1, the provisions of 45 CFR 75.371 through 75.372 will apply.

(ii) *Matching or cost-sharing.* Federal financial participation is available only if costs are incurred in implementing sections 422, 423, and 425 of the

Act in accordance with the grants administration requirements of 45 CFR part 75 with the following conditions—

(A) The ITO's contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(B) The total of Federal funds used for the following purposes under title IV-B, subpart 1 may not exceed an amount equal to the FY 1979 Federal payment under title IV-B:

(1) Child day care necessary solely because of the employment, or training to prepare for employment, of a parent or other relative with whom the child involved is living, plus;

(2) Foster care maintenance payments, plus;

(3) Adoption assistance payments.

(C) Notwithstanding paragraph (d)(5)(ii)(B) of this section, Tribal expenditures required to match the title IV-B, subpart 1 allotment may include foster care maintenance expenditures in any amount.

(iii) *Prohibition against purchase or construction of facilities.* Funds awarded under title IV-B may not be used for the purchase or construction of facilities.

(iv) *Time limit on expenditures.* Funds under title IV-B, subpart 1, must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

(6) In order to determine the amount of Federal funds available for a direct grant to an eligible ITO, the Department shall first divide the State's title IV-B allotment by the number of children in the State, then multiply the resulting amount by a multiplication factor determined by the Secretary, and then multiply that amount by the number of Indian children in the ITO population. The multiplication factor will be set at a level designed to achieve the purposes of the act and revised as appropriate.

§ 1357.50 Direct payments to Indian Tribal organizations (title IV-B, subpart 2, family preservation and support services).

(a) *Definitions.*

Alaska Native Organization means any organized group of Alaska Natives eligible to operate a Federal program under the Indian Self-Determination Act (Pub. L. 93-638) or such group's designee as defined in section 482(i)(7)(A) of the Act.

Indian Tribe means any Tribe, band, nation, or other organized group or community of Indians that is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians; and for which a reservation (including Indian reservations, public domain Indian allotments, and former Indian reservations in Oklahoma) exists.

Tribal organization means the recognized governing body of the Indian Tribe.

(b) *Eligibility for funds: FY 1994.* (1) Section 432(b)(2) of the Act provides that the Secretary may not approve a plan of an Indian Tribe whose FY 1995 allotment under subpart 2 would be less than \$10,000. Therefore, only those Indian Tribes whose FY 1995 allotment is \$10,000 or more are eligible to receive funds beginning in FY 1994.

(2) ACF will pay any amount to which an Indian Tribe is entitled to the Tribal organization of the Indian Tribe.

(c) *Eligibility for funds: FY 1995.* In order to receive funds under title IV-B, subpart 2, in FY 1995, an Indian Tribe that is eligible for planning funds in FY 1994 must submit a Child and Family Services Plan that meets the applicable requirements in section 1357.15 of this Part.

(d) *Eligibility for funds: FY 1996 through FY 1998.* (1) ACF will make grants to additional Indian Tribes in Fys 1996 through 1998 in the event that there are increased appropriations.

(2) Allotments will be calculated in Fys 1996, 1997, and 1998 as required in section 433 of the Act. Those Indian Tribes in each year whose allotment is at least \$10,000 will be notified of their eligibility to apply.

(3) In order to receive funds, additional Indian Tribes which become eligible for grants in FY 1996, 1997, and 1998 must submit either a five year Child and Family Services Plan (CFSP) that meets the applicable requirements of 45 CFR 1357.15 or an application for

planning funds by June 30 of the year in which they first become eligible for grants. Those Indian Tribes which submitted an application for planning funds in their first year of funding must submit a five year CFSP that meets the applicable requirements of 45 CFR 1357.15 by June 30 of the second year they receive funding. For example, in order to receive funds, an Indian Tribe which becomes eligible to receive funding beginning in FY 1996 must submit either an application for planning funds or a CFSP by June 30, 1996. If the Indian Tribe submitted an application for planning funds in FY 1996, they must submit a CFSP by June 30, 1997.

(4) All Indian Tribes will be Federally reimbursed at 75 percent of allowable expenditures. Federal funds without match are available in the first year of receipt of funds for additional Indian Tribes meeting the following criteria:

(i) Submittal of an application for planning funds, and not a five year CFSP;

(ii) Receipt of an initial award in FY 1996 or 1997 or 1998; and

(iii) A proposal to spend the entire grant in the first year on planning.

(e) *Allotments.* Allotments to Indian Tribes are computed based on section 433 of the Act and are based on a ratio of the number of children in each Indian Tribe with an approved plan compared to the number of children in all Indian Tribes with approved plans, based on the most current and reliable data available.

(f) *Exemptions of requirements.* (1) ACF has exempted Indian Tribes from three statutory requirements:

(i) The limitation on administrative costs to 10 percent of total Federal and Tribal funds—Indian Tribes may use

the indirect cost rate agreement in effect for the Tribe;

(ii) The requirement for maintenance of effort that funds under this program may not be used to supplant other Federal and non-Federal funds; and

(iii) The requirement that a significant portion of funds must be used for both family support and family preservation services.

(2) Specific exemptions from other statutory requirements may be requested by the Tribe in the course of its joint planning. Such a request must contain a compelling reason.

(g) *Matching requirement.* (1) Funds used to provide services in FY 1994 and in subsequent years will be federally reimbursed at 75 percent of allowable expenditures. (This is the same Federal financial participation rate as title IV-B, subpart 1.) The Indian Tribe's match must be at least 25 percent of the total project costs or one-third of the Federal share. Federal funds, however, will not exceed the amount of the Indian Tribe's allotment.

(2) The Indian Tribe's contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(3) Indian Tribes, by statute, may use the following three Federal sources of funds as matching funds: Indian Child Welfare Act funds, Indian Self-Determination and Education Assistance Act funds, and Community Development Block Grant funds.

(h) *Time limits on expenditures.* An Indian Tribe must expend all funds by September 30 of the fiscal year following the fiscal year in which the funds were awarded.
