

§ 1106.5

(4) If the Board approves the transaction and adopts the SIP, it will require compliance with the SIP as a condition to its approval. Each applicant involved in the transaction then shall coordinate with FRA in implementing the approved SIP, including any amendments thereto. FRA has provided in its rules at 49 CFR 244.17(g) for submitting information to the Board during implementation of an approved transaction that will assist the Board in exercising its continuing jurisdiction over the transaction. FRA also has agreed to advise the Board when, in its view, the integration of the applicants' operations has been safely completed.

(c) If a SIP is required in transactions that would not be subject to environmental review under the Board's environmental rules at 49 CFR part 1105, the Board will develop appropriate case-specific SIP procedures based on the facts and circumstances presented.

[67 FR 11607, Mar. 15, 2002, as amended at 83 FR 15073, Apr. 9, 2018]

§ 1106.5 Waiver.

The SIP requirements established by this part may be waived or modified by the Board where a railroad shows that relief is warranted or appropriate.

§ 1106.6 Reservation of Jurisdiction.

The Board reserves the right to require a SIP in cases other than those enumerated in this part, or to adopt modified SIP requirements in individual cases, if it concludes that doing so is necessary in its proper consideration of the application or other request for authority.
