

§ 330.407

displaced preference eligibles in applying for other Federal positions, including positions with the U.S. Postal Service.

§ 330.407 Eligibility for the Interagency Career Transition Assistance Plan.

(a) A preference eligible who is separated from a restricted position by reduction in force under part 351 of this chapter because of a contracting out situation covered in § 330.404 has interagency selection priority under the Interagency Career Transition Assistance Plan, which is authorized by subpart G of this part.

(b) A preference eligible covered by this subpart is eligible for the Interagency Career Transition Assistance Plan for 2 years following separation by reduction in force from a restricted position.

Subpart E—Restrictions To Protect Competitive Principles

§ 330.501 Purpose.

The restrictions in this subpart are designed to prevent circumvention of the open competitive examination system defined in Civil Service Rule 1.3 (5 CFR 1.3). These restrictions limit an appointee's immediate movement to another position after appointment from a competitive certificate of eligibles.

§ 330.502 General restriction on movement after competitive appointment.

(a) An agency must wait at least 90 days after an employee's latest non-temporary competitive appointment before the agency may take the following actions:

- (1) Promote an employee;
- (2) Transfer, reinstate, reassign, or detail an employee to a different position; or
- (3) Transfer, reinstate, reassign, or detail an employee to a different geographical area.

(b) Upon written request from an agency, OPM may waive the restriction against movement to a different geographical area when moving such an employee is consistent with open competition principles.

5 CFR Ch. I (1-1-23 Edition)

§ 330.503 Ensuring agency compliance with the principles of open competition.

OPM will review appointments made from competitive examinations and subsequent position changes to determine if agencies are complying with open competition principles. The fact that an agency waited 90 days to make the changes, as required under this subpart, is not an absolute protection. If OPM finds that an agency has not complied with these principles, either in an individual instance or on a program-wide basis, OPM will order an agency to correct the situation.

§ 330.504 Exception to the general restriction.

The restrictions in this subpart do not apply to a person who is eligible for a competitive appointment from a certificate of eligibles under part 332 of this chapter.

Subpart F—Agency Career Transition Assistance Plan (CTAP) for Local Surplus and Displaced Employees

§ 330.601 Purpose.

(a) An agency's Career Transition Assistance Plan (CTAP) provides intragency selection priority for the agency's eligible surplus and displaced employees. This subpart sets forth minimum requirements for agency plans and establishes requirements for CTAP selection priority.

(b) Consistent with these regulations and at their discretion, an agency may supplement these requirements to expand career transition opportunities to its surplus and displaced workers.

(c) With prior OPM approval, an agency may operate an alternate placement program that satisfies the basic requirements of this subpart as an exception to CTAP selection priority under this subpart. This provision allows agencies to adopt different placement strategies that are effective for their programs while satisfying employee entitlements to selection priority.
