The instructions on voting shall explain the method to be used in determining the amount of Upland cotton produced during the representative period and shall specify whether such amount is to be entered on the ballot by the voter, subject to the following terms and conditions:

(i) If a current production year for which harvesting has not been completed is designated as the representative period, the amount of Upland cotton produced shall be determined by the FSA county office on the basis of the acreage planted or in the case of approved prevented plantings under the disaster payment program, the acreage the person intended to plant up to the allotted acreage as determined by the FSA county office, and the established yield for FSA program payment purposes: *Provided*, That on farms for which an established yield has not been established, the county committee shall determine an established yield based on actual production records on the farm for the preceding three years, as adjusted for any abnormal conditions, if available; if not available, on the basis of yield on similar farms in the area.

ton that is the voter's share of the crop, or proceeds thereof.

(iii) If an eligible voter is engaged in production of Upland cotton on more than one farm, such voter is entitled to only one vote but any vote cast by such voter shall represent the total amount of Upland cotton that is that voter's share of the crop, or proceeds thereof, on all such farms: *Provided*, That only farms for which records are maintained by the FSA county office designated as the voter's polling place shall be considered unless the voter, prior to the expiration of the referendum period, establishes to the satisfaction of such county office the voter's share of the crop, or proceeds thereof, on an additional farm or farms.

of this section the Deputy Administrator shall be in charge of and responsible for conducting the referendum. Each FSA county office shall be in charge and responsible for conducting such referendum in its State. Each county office shall be responsible for the proper holding of such referendum in its county. It shall be the duty of each FSA county office to conduct each referendum in a fair, unbiased, and impartial manner in accordance with the regulations in this subpart.

§ 1205.203 Voting eligibility.

(a) *General eligibility requirements.* The following persons shall be eligible to vote in an announced referendum—

(1) each person who was engaged in the production of Upland cotton during the representative period; and

(2) each person who is an importer of Upland cotton and who, during a 12-month period ending no later than 90 days prior to the conduct of the referendum, imported Upland cotton.

(b) *Special eligibility requirements.* (1)(i) A person may qualify as an eligible voter by meeting the eligibility requirements, but no such person shall be entitled to more than one vote regardless of the number of importing entities or Upland cotton farms in which the person is interested or the number of communities, counties, or States in which are located farms in which such person is interested: *Provided, however,* That the individual members of a qualified partnership shall each have one vote, but the partnership as such shall not have a vote and an individual who qualifies as an eligible voter by reason of that individual's separate farming or importing operations will be entitled to one vote even though that person is interested in an entity such as (but not limited to) a corporation which is also eligible as a voter and entitled to one vote. A person who, as a guardian, administrator, executor, or trustee engages in the production of Upland cotton or importation of cotton will be eligible to vote in such a fiduciary capacity if, in such a capacity, that person qualifies as an eligible voter.

(ii) In such cases the person for whom he or she is acting in a fiduciary capacity will not be eligible to vote. An indi-

vidual may, if otherwise eligible, cast a ballot in his or her individual capacity although that person may also cast a ballot as a guardian, administrator, executor, or trustee. An individual who holds more than one fiduciary position may vote as a fiduciary in each case in which that person is otherwise eligible, as for example, if an individual is administrator of estate X, he or she may cast a ballot as administrator of estate X, and if the same individual is administrator of estate Y, he or she may cast another ballot as administrator or estate Y.

(2) Where a group of several persons, such as a spouse or marital partner, and children, or unrelated individuals, are engaged in the production of Upland cotton under the same lease or cropping agreement, only the person or persons who signed or entered into the lease or cropping agreement shall be eligible to vote. In the event two or more persons are engaged in the production of Upland cotton as joint tenants, tenants in common, or owners of community property, each such person shall be entitled to one vote if otherwise qualified. For example, a husband or a wife is eligible to vote if he or she shares with his or her spouse in the proceeds of the required crop as an owner, cash tenant, share tenant, sharecropper or landlord of a fixed rent, standing rent or share tenant. Thus, if a husband and wife are tenants or sharecropper on a farm, jointly responsible under the rental or sharecropping agreement, both are eligible to vote. This is true whether the rental or sharecropping agreement is written, signed by both parties, or oral, provided both husband and wife made the oral agreement. A minor is not disqualified from voting solely because of minority if otherwise eligible and the minor is not less than 18 years of age.

(c) *Voting by proxy prohibited.* There shall be no voting by proxy or agent but a duly authorized officer of a corporation, association or their legal entity may cast its vote.

§ 1205.204 Voting.

(a) *Place of voting.* The FSA county office serving the county in which the producer's farm is located shall be the producer's polling place. For a person
