**Subpart A—Eligibility and Limitations**

NOTE TO SUBPART A: Use of pronouns “I”, “you”, and their variants throughout this subpart refers to the employee.

**§ 302-10.1 May I be reimbursed for transporting my mobile home instead of an HHG shipment?**

Yes, if you are eligible for the transportation of HHG, you will be reimbursed for transporting a mobile home instead of an HHG shipment, not to exceed what the Government would incur for the transportation of your HHG and 90-days temporary storage.

**§ 302-10.2 Are there any eligibility requirements?**

Yes, to have a mobile home transported at Government expense, you must certify that the mobile home will be used at the new official station as your primary residence and/or the primary residence of your immediate family.

**§ 302-10.3 What is the maximum amount my agency may authorize me to receive for transporting a mobile home?**

The maximum amount your agency may authorize you to receive for transporting a mobile home shall not exceed the cost of transporting 18,000 pounds of HHG and 90 days of temporary storage.

**§ 302-10.4 Are there any geographic limitations for transportation of a mobile home?**

Yes, allowances for overland transportation of a mobile home may be made only for transportation within CONUS, within Alaska, and through Canada en route between Alaska and CONUS or through Canada between one CONUS point and another (e.g., between Buffalo, NY and Detroit, MI). Allowances for transportation within limits prescribed may be paid even though the transportation involved originates, terminates, or passes through locations not covered, provided the amount of the allowance shall be computed on the basis of that part of the transportation which is within CONUS, within Alaska, or through Canada en route between Alaska and CONUS or between one CONUS point and another. The cost to transport a mobile home may not exceed the cost of shipping 18,000 pounds of HHG and 90 days of temporary storage.

**§ 302-10.5 May I transport a mobile home over water?**

Yes, you may transport a mobile home over water when both the points of origin and destination are within CONUS or Alaska.

**§ 302-10.6 Are the allowances for transporting a mobile home in addition to the allowances for per diem, mileage, and transportation expenses, for me and my immediate family member(s)?**

Yes, allowances for transporting a mobile home (including mileage when towed by you) are in addition to the reimbursement of per diem, mileage, and transportation expenses for you and your immediate family member(s). However, you must consider the fact that the mobile home may be moved at Government expense only if it will be used as your residence at the new official station, and allowances under parts 302-5, 302-6, and 302-11 of this chapter will be paid accordingly.
