

§ 1330.40

independent living for individuals with disabilities.

(3) This program provides two categories of Fellowships: Merit Fellowships and Distinguished Fellowships.

(i) To be eligible for a Distinguished Fellowship, an individual must have seven or more years of research experience in subject areas, methods, or techniques relevant to disability and rehabilitation research and must have a doctorate, other terminal degree, or comparable academic qualifications.

(ii) The Director awards Merit Fellowships to individuals in earlier stages of their careers in research. To be eligible for a Merit Fellowship, an individual must have either advanced professional training or experience in independent study in an area which is directly pertinent to disability and rehabilitation.

(c) Fellowships will be awarded in the form of a grant to eligible individuals.

(d) In making a final selection of applicants to support under this program, the Director considers the extent to which applicants present a unique opportunity to effect a major advance in knowledge, address critical problems in innovative ways, present proposals which are consistent with the Institute's Long-Range Plan, build research capacity within the field, or complement and significantly increases the potential value of already planned research and related activities.
