

§ 1614.10

Corporation during the current fiscal year.

(2) At the expiration of a waiver a recipient may seek a similar or identical waiver.

(f) All waiver requests shall be addressed to LSC. The Corporation shall make a written response to each such request postmarked not later than thirty (30) days after its receipt. If the request is denied, the Corporation will provide the recipient with an explanation and statement of the grounds for denial. If the waiver is to be denied because the information submitted is insufficient, the Corporation will inform the recipient as soon as possible, both orally and in writing, about what additional information is needed. Should the Corporation fail to so respond, the request shall be deemed to be granted.

§ 1614.10 Failure to comply.

(a)(1) If a recipient fails to comply with the expenditure required by this part *and* that recipient fails without good cause to seek a waiver during the term of the grant or contract, the Corporation shall withhold from the recipient's grant payments an amount equal to the difference between the amount expended on PAI and twelve and one-half percent (12.5%) of the recipient's basic field award.

(2) If the Corporation determines that a recipient failed without good cause to seek a waiver, the Corporation shall give the recipient written notice of that determination. The written notice shall state the determination, the amount to be withheld, and the process by which the recipient may appeal the determination.

(3) The appeal process will follow the procedures for the appeal of disallowed costs set forth at 45 CFR 1630.7(c)-(g), except that:

(i) The subject matter of the appeal shall be limited to the Corporation's determination that the recipient failed without good cause to seek a waiver; and

(ii) Withholding of funds shall be the method for the Corporation to recover the amount to be withheld.

(b) If a recipient fails with good cause to seek a waiver, or applies for but does not receive a waiver, or receives a

waiver of part of the PAI requirement and does not expend the amount required to be expended, the PAI expenditure requirement for the ensuing year shall be increased for that recipient by an amount equal to the difference between the amount actually expended and the amount required to be expended.

(c)(1) Any funds withheld by the Corporation pursuant to this section shall be made available by the Corporation for use in providing legal services through PAI programs. When such funds are available for competition, LSC shall publish notice of the requirements concerning time, format, and content of the application and the procedures for submitting an application for such funds. Disbursement of these funds for PAI activities shall be made through a competitive solicitation and awarded on the basis of efficiency, quality, creativity, and demonstrated commitment to PAI service delivery to low-income people. Competition for these funds may be held in the recipient's service area, or if the recipient from which funds are withheld is the only LSC recipient applying for the funds in the competitive solicitation, in additional service areas.

(2) Recipients shall expend funds awarded through the competitive process in paragraph (c)(1) of this section in addition to twelve and one-half percent (12.5%) of their Basic Field-General awards.

(d) The withholding of funds under this section shall not be construed as any action under 45 CFR parts 1606, 1618, 1623, or 1630.
