

(i) If the child has an individualized family service plan (IFSP) or individualized education program (IEP), the program must consult with the agency responsible for the IFSP or IEP to ensure the child receives the needed support services; or,

(ii) If the child does not have an IFSP or IEP, the program must collaborate, with parental consent, with the local agency responsible for implementing IDEA to determine the child's eligibility for services.

(3) If, after a program has explored all possible steps and documented all steps taken as described in paragraph (b)(2) of this section, a program, in consultation with the parents, the child's teacher, the agency responsible for implementing IDEA (if applicable), and the mental health consultant, determines that the child's continued enrollment presents a continued serious safety threat to the child or other enrolled children and determines the program is not the most appropriate placement for the child, the program must work with such entities to directly facilitate the transition of the child to a more appropriate placement.

§ 1302.18 Fees.

(a) *Policy on fees.* A program must not charge eligible families a fee to participate in Head Start, including special events such as field trips, and cannot in any way condition an eligible child's enrollment or participation in the program upon the payment of a fee.

(b) *Allowable fees.* (1) A program must only accept a fee from families of enrolled children for services that are in addition to services funded by Head Start, such as child care before or after funded Head Start hours. A program may not condition a Head Start child's enrollment on the ability to pay a fee for additional hours.

(2) In order to support programs serving children from diverse economic backgrounds or using multiple funding sources, a program may charge fees to private pay families and other non-Head Start enrolled families to the extent allowed by any other applicable federal, state or local funding sources.

Subpart B—Program Structure

§ 1302.20 Determining program structure.

(a) *Choose a program option.* (1) A program must choose to operate one or more of the following program options: center-based, home-based, family child care, or an approved locally designed variation as described in § 1302.24. The program option(s) chosen must meet the needs of children and families based on the community assessment described in § 1302.11(b). A Head Start Preschool program may not provide only the option described in § 1302.22(a) and (c)(2).

(2) To choose a program option and develop a program calendar, a program must consider in conjunction with the annual review of the community assessment described in § 1302.11(b)(2), whether it would better meet child and family needs through conversion of existing slots to full school day or full working day slots, extending the program year, conversion of existing Head Start Preschool slots to Early Head Start slots as described in paragraph (c) of this section, and ways to promote continuity of care and services. A program must work to identify alternate sources to support full working day services. If no additional funding is available, program resources may be used.

(b) *Comprehensive services.* All program options must deliver the full range of services, as described in subparts C, D, E, F, and G of this part, except that §§ 1302.30 through 1302.32 and § 1302.34 do not apply to home-based options.

(c) *Conversion.* (1) Consistent with section 645(a)(5) of the Head Start Act, grant recipients may request to convert Head Start Preschool slots to Early Head Start slots through the re-funding application process or as a separate grant amendment.

(2) Any grant recipient proposing a conversion of Head Start Preschool services to Early Head Start services must obtain policy council and governing body approval and submit the request to their regional office.

(3) With the exception of American Indian and Alaska Native grant recipients as described in paragraph (c)(4) of
