

the process established in paragraph (e)(7) of this section, the responsible HHS official will reassess waiver eligibility for each successive grant period, in line with the process established and criteria described in paragraph (e)(8) of this section.

(10) *Ongoing waiver authority.* Waivers granted under the process established in paragraph (e)(7) of this section may only be granted if over the preceding four fiscal years, the average annual increase in Federal appropriations for the Head Start program was less than 1.3 percent.

(f) *Staff benefits.* (1) For each full-time staff member, defined as those working 30 or more hours per week with the Head Start program during the program year, a program must:

(i) Provide or facilitate access to high-quality affordable health care coverage;

(ii) Offer paid leave; and,

(iii) Offer access to short-term, free or minimal cost behavioral health services.

(2) For each part-time staff member, a program must facilitate access to high-quality, affordable health care coverage.

(3) For each staff member, a program must facilitate access to available resources and information on child care, including connections to child care resource and referral agencies or other child care consumer education organizations and, for staff who meet eligibility guidelines, facilitate access to the child care subsidy program.

(4) For each staff member who may be eligible, a program must facilitate access to the Public Service Loan Forgiveness (PSLF) program, or other applicable student loan debt relief programs, including timely certification of employment.

(5) To the extent practicable, a program must assess and determine if their benefits package for full-time staff is at least comparable to those provided to elementary school staff in the program's local or neighboring school district at least once every 5 years. Programs may offer additional benefits to staff, including more enhanced health benefits, retirement benefits, flexible savings accounts, or life,

disability, and long-term care insurance.

(6) An agency with 200 or fewer funded slots is exempt from the requirements described in this paragraph (f). Such an agency must make measurable improvements in benefits for Head Start staff over time and demonstrate progress towards meeting the requirements of paragraphs (f)(1) through (5) of this section.

(7) The exemption described in paragraph (f)(6) of this section also applies to an interim service provider that is temporarily providing Head Start services in place of a Head Start agency that would otherwise qualify for the small agency exemption.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67813, Aug. 21, 2024]

§ 1302.91 Staff qualifications and competency requirements.

(a) *Purpose.* A program must ensure all staff, consultants, and contractors engaged in the delivery of program services have sufficient knowledge, training and experience, and competencies to fulfill the roles and responsibilities of their positions and to ensure high-quality service delivery in accordance with the program performance standards. A program must provide ongoing training and professional development to support staff in fulfilling their roles and responsibilities.

(b) *Head Start director.* A program must ensure a Head Start director hired after November 7, 2016, has, at a minimum, a baccalaureate degree and experience in supervision of staff, fiscal management, and administration.

(c) *Fiscal officer.* A program must assess staffing needs in consideration of the fiscal complexity of the organization and applicable financial management requirements and secure the regularly scheduled or ongoing services of a fiscal officer with sufficient education and experience to meet their needs. A program must ensure a fiscal officer hired after November 7, 2016, is a certified public accountant or has, at a minimum, a baccalaureate degree in accounting, business, fiscal management, or a related field.

(d) *Child and family services management staff qualification requirements—(1)*

Family, health, and disabilities management. A program must ensure staff responsible for management and oversight of family services, health services, and services to children with disabilities hired after November 7, 2016, have, at a minimum, a baccalaureate degree, preferably related to one or more of the disciplines they oversee.

(2) *Education management.* As prescribed in section 648A(a)(2)(B)(i) of the Act, a program must ensure staff and consultants that serve as education managers or coordinators, including those that serve as curriculum specialists, have a baccalaureate or advanced degree in early childhood education or a baccalaureate or advanced degree and equivalent coursework in early childhood education with early education teaching experience.

(e) *Child and family services staff—(1) Early Head Start center-based teacher qualification requirements.* As prescribed in section 645A(h) of the Act, a program must ensure center-based teachers that provide direct services to infants and toddlers in Early Head Start centers have a minimum of a Child Development Associate (CDA) credential or comparable credential, and have been trained or have equivalent coursework in early childhood development with a focus on infant and toddler development.

(2) *Head Start Preschool center-based teacher qualification requirements.* (i) The Secretary must ensure no less than fifty percent of all Head Start Preschool teachers, nationwide, have a baccalaureate degree in child development, early childhood education, or equivalent coursework.

(ii) As prescribed in section 648A(a)(3)(B) of the Act, a program must ensure all center-based teachers have at least an associate's or bachelor's degree in child development or early childhood education, equivalent coursework, or otherwise meet the requirements of section 648A(a)(3)(B) of the Act.

(3) *Head Start Preschool assistant teacher qualification requirements.* As prescribed in section 648A(a)(2)(B)(ii) of the Act, a program must ensure Head Start Preschool assistant teachers, at a minimum, have a CDA credential or a State-awarded certificate that meets

or exceeds the requirements for a CDA credential, are enrolled in a program that will lead to an associate or baccalaureate degree or, are enrolled in a CDA credential program to be completed within two years of the time of hire.

(4) *Family child care provider qualification requirements.* (i) A program must ensure family child care providers have previous early child care experience and, at a minimum, are enrolled in a Family Child Care CDA program or state equivalent, or an associate's or baccalaureate degree program in child development or early childhood education prior to beginning service provision, and for the credential acquire it within eighteen months of beginning to provide services.

(ii) By August 1, 2018, a child development specialist, as required for family child care in §1302.23(e), must have, at a minimum, a baccalaureate degree in child development, early childhood education, or a related field.

(5) *Center-based teachers, assistant teachers, and family child care provider competencies.* A program must ensure center-based teachers, assistant teachers, and family child care providers demonstrate competency to provide effective and nurturing teacher-child interactions, plan and implement learning experiences that ensure effective curriculum implementation and use of assessment and promote children's progress across the standards described in the *Head Start Early Learning Outcomes Framework: Ages Birth to Five* and applicable state early learning and development standards, including for children with disabilities and dual language learners, as appropriate.

(6) *Home visitors.* A program must ensure home visitors providing home-based education services:

(i) Have a minimum of a home-based CDA credential or comparable credential, or equivalent coursework as part of an associate's or bachelor's degree; and,

(ii) Demonstrate competency to plan and implement home-based learning experiences that ensure effective implementation of the home visiting curriculum and promote children's progress across the standards described

in the *Head Start Early Learning Outcomes Framework: Ages Birth to Five*, including for children with disabilities and dual language learners, as appropriate, and to build respectful, culturally responsive, and trusting relationships with families.

(7) *Family services staff qualification requirements.* A program must ensure staff who work directly with families on the family partnership process hired after November 7, 2016, have within eighteen months of hire, at a minimum, a credential or certification in social work, human services, family services, counseling or a related field.

(8) *Health professional qualification requirements.* (i) A program must ensure health procedures are performed only by a licensed or certified health professional.

(ii) A program must ensure all mental health consultants are licensed or under the supervision of a licensed mental health professional. A program must use mental health consultants with knowledge of and experience in serving young children and their families.

(iii) A program must use staff or consultants to support nutrition services who are registered dietitians or nutritionists with appropriate qualifications.

(f) *Coaches.* A program must ensure coaches providing the services described in §1302.92(c) have a minimum of a baccalaureate degree in early childhood education or a related field.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67814, Aug. 21, 2024]

§ 1302.92 Training and professional development.

(a) A program must provide to all new staff, consultants, and volunteers an orientation that focuses on, at a minimum, the goals and underlying philosophy of the program and on the ways they are implemented.

(b) A program must establish and implement a systematic approach to staff training and professional development designed to assist staff in acquiring or increasing the knowledge and skills needed to provide high-quality, comprehensive services within the scope of their job responsibilities, and attached to academic credit as appropriate, and

integrated with employee engagement practices in accordance with §1302.101(a)(2). At a minimum, the system must include:

(1) Staff completing a minimum of 15 clock hours of professional development per year. For teaching staff, such professional development must meet the requirements described in section 648A(a)(5) of the Act, and includes creating individual professional development plans as described in section 648A(f) of the Act;

(2) Annual training on mandatory reporting of suspected or known child abuse and neglect, that complies with applicable Federal, State, local, and Tribal laws;

(3) Annual training on positive strategies to understand and support children's social and emotional development, such as tools for managing children's behavior;

(4) Training for child and family services staff on best practices for implementing family engagement strategies in a systemic way, as described throughout this part;

(5) Training for child and family services staff, including staff that work on family services, health, and disabilities, that builds their knowledge, experience, and competencies to improve child and family outcomes; and,

(6) Research-based approaches to professional development for education staff, that are focused on effective curricula implementation, knowledge of the content in *Head Start Early Learning Outcomes Framework: Ages Birth to Five*, partnering with families, supporting children with disabilities and their families, providing effective and nurturing adult-child interactions, supporting dual language learners as appropriate, addressing challenging behaviors, preparing children and families for transitions (as described in subpart G of this part), and use of data to individualize learning experiences to improve outcomes for all children.

(c) A program must implement a research-based, coordinated coaching strategy for education staff that:

(1) Assesses all education staff to identify strengths, areas of needed support, and which staff would benefit most from intensive coaching;
