possesses the physical ability to perform any job-related functions with any necessary accommodations.

(d) *Driver training.* (1) A program must ensure any person employed as a driver receives training prior to transporting any enrolled child and receives refresher training each year.

(2) Training must include:

(i) Classroom instruction and behind-the-wheel instruction sufficient to enable the driver to operate the vehicle in a safe and efficient manner, to safely run a fixed route, to administer basic first aid in case of injury, and to handle emergency situations, including vehicle evacuation, operate any special equipment, such as wheelchair lifts, assistance devices or special occupant restraints, conduct routine maintenance and safety checks of the vehicle, and maintain accurate records as necessary; and,

(ii) Instruction on the topics listed in § 1303.75 related to transportation services for children with disabilities.

(3) A program must ensure the annual evaluation of each driver of a vehicle used to provide such services includes an on-board observation of road performance.

(e) *Bus monitor training.* A program must train each bus monitor before the monitor begins work, on child boarding and exiting procedures, how to use child restraint systems, completing any required paperwork, how to respond to emergencies and emergency evacuation procedures, how to use special equipment, child pick-up and release procedures, how to conduct and pre- and post-trip vehicle checks. Bus monitors are also subject to staff safety training requirements in § 1302.47(b)(4) of this chapter including Cardio Pulmonary Resuscitation (CPR) and first aid.

### § 1303.73 Trip routing.

(a) A program must consider safety of the children it transports when it plans fixed routes.

(b) A program must also ensure:

(1) The time a child is in transit to and from the program must not exceed one hour unless there is no shorter route available or any alternative shorter route is either unsafe or impractical;

### 45 CFR Ch. XIII (10–1–24 Edition)

(2) Vehicles are not loaded beyond maximum passenger capacity at any time;

(3) Drivers do not back up or make U-turns, except when necessary for safety reasons or because of physical barriers;

(4) Stops are located to minimize traffic disruptions and to afford the driver a good field of view in front of and behind the vehicle;

(5) When possible, stops are located to eliminate the need for children to cross the street or highway to board or leave the vehicle;

(6) Either a bus monitor or another adult escorts children across the street to board or leave the vehicle if curbside pick-up or drop off is impossible; and,

(7) Drivers use alternate routes in the case of hazardous conditions that could affect the safety of the children who are being transported, such as ice or water build up, natural gas line breaks, or emergency road closing.

### § 1303.74 Safety procedures.

(a) A program must ensure children who receive transportation services are taught safe riding practices, safety procedures for boarding and leaving the vehicle and for crossing the street to and from the vehicle at stops, recognition of the danger zones around the vehicle, and emergency evacuation procedures, including participating in an emergency evacuation drill conducted on the vehicle the child will be riding.

(b) A program that provides transportation services must ensure at least two bus evacuation drills in addition to the one required under paragraph (a) of this section are conducted during the program year.

### § 1303.75 Children with disabilities.

(a) A program must ensure there are school buses or allowable alternate vehicles adapted or designed for transportation of children with disabilities available as necessary to transport such children enrolled in the program. This requirement does not apply to the transportation of children receiving home-based services unless school buses or allowable alternate vehicles are used to transport the other children served under the home-based option by the grant recipient. Whenever possible, children with disabilities
