

§ 1326.31

(3) Provide data outcomes showing evidence of success.

(f) The State plan may provide for funding of other demonstration projects or activities, including but not limited to outreach, training, technical assistance, supporting and educating communities, interagency collaboration and coordination, coordination with related councils, committees and programs, barrier elimination, systems design and redesign, coalition development and citizen participation, and informing policymakers. Demonstrations must be short-term, with a strategy to locate on-going funding from other sources after five years. Any State desiring to receive assistance beyond five years, under this subtitle, shall include in the State plan the information listed in paragraphs (f)(1) through (3) of this section, and AIDD reserves the right as the overseeing agency to deny the continuation of the demonstration project beyond five years.

(1) The estimated period for the project's continued duration;

(2) Justifications on why the project cannot be funded by the State or other resources and should receive continued funding; and

(3) Provide data showing evidence of success.

(g) The State plan must contain assurances that are consistent with section 124 of the Act (42 U.S.C. 15024).

§ 1326.31 State plan submittal and approval.

(a) The Council shall issue a public notice about the availability of the proposed State plan or State plan amendment(s) for comment. The notice shall be published in formats accessible to individuals with developmental disabilities and the general public (*e.g.* public forums, Web sites, newspapers, and other current technologies) and shall provide a 45-day period for public review and comment. The Council shall take into account comments submitted within that period, and respond in the State plan to significant comments and suggestions. A summary of the Council's responses to State plan comments shall be submitted with the State plan and made available for public review. This document shall be made available in accessible formats upon request.

45 CFR Ch. XIII (10–1–24 Edition)

(b) The State plan or amendment must be submitted to AIDD 45 days prior to the fiscal year for which it is applicable.

(c) Failure to submit an approvable State plan or amendment prior to the Federal fiscal year for which it is applicable may result in the loss of Federal financial participation. Plans received during a quarter of the Federal fiscal year are approved back to the first day of the quarter so costs incurred from that point forward are approvable. Costs resulting from obligations incurred during the period of the fiscal year for which an approved plan is not in effect are not eligible for Federal financial participation.

(d) The Secretary, or his or her designee, must approve any State plan or plan amendment provided it meets the requirements of the Act and this regulation.

§ 1326.32 Periodic reports: Federal assistance to State Councils on Developmental Disabilities.

(a) The Governor or appropriate State financial officer must submit financial status reports (AIDD-02B) on the programs funded under this subpart semiannually.

(b) By January 1 of each year, the State Council on Developmental Disabilities shall submit to AIDD, an Annual Program Performance Report through the system established by AIDD. In order to be accepted by AIDD, reports must meet the requirements of section 125(c)(7) of the Act (42 U.S.C. 15025) and the applicable regulations, include the information on its program necessary for the Secretary, or his or her designee, to comply with section 105(1), (2), and (3) of the Act (42 U.S.C. 15005), and any other information requested by AIDD. Each Report shall contain information about the progress made by the Council in achieving its goals including:

(1) A description of the extent to which the goals were achieved;

(2) A description of the strategies that contributed to achieving the goals;

(3) To the extent to which the goals were not achieved, a description of factors that impeded the achievement;
