§ 1602.5

public. Examples of news media entities are television or radio stations broadcasting to the public at large and publishers of periodicals (but only if such entities qualify as disseminators of “news”) who make their products available for purchase or subscription or by free distribution to the general public. These examples are not all-inclusive. Moreover, as methods of news delivery evolve (for example, the adoption of the electronic dissemination of newspapers through telecommunications services), such alternative media shall be considered to be news media entities. A freelance journalist shall be regarded as working for a news media entity if the journalist can demonstrate a solid basis for expecting publication through that entity, whether or not the journalist is actually employed by the entity. A publication contract would present a solid basis for such an expectation. LSC may also consider the past publication record of the requester in making such a determination.

(l) *Review* means the process of examining documents located in response to a request to determine whether any portion of any such document is exempt from disclosure. It also includes processing any such documents for disclosure. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(m) *Rule* means the whole or a part of an LSC statement of general or particular applicability and future effect designed to implement, interpret, or prescribe law or policy or describing the organization, procedure, or practice requirements of LSC.

(n) *Search* means the process of looking for and retrieving records that are responsive to a request for records. It includes page-by-page or line-by-line identification of material within documents and also includes reasonable efforts to locate and retrieve information from records maintained in electronic form or format. Searches may be conducted manually or by automated means and will be conducted in the most efficient and least expensive manner.

(o) *Submitter* means any person or applicant for funds who provides con-

fidential commercial information to LSC.

§ 1602.3 Policy.

LSC will make records concerning its operations, activities, and business available to the public to the maximum extent reasonably possible. LSC will withhold records from the public only in accordance with the FOIA and this part. LSC will disclose records otherwise exempt from disclosure under the FOIA when LSC does not reasonably foresee that disclosure would harm an interest protected by an exemption and disclosure is not prohibited by law or protected under Exemption 3.

§ 1602.4 Records published in the Federal Register.

LSC routinely publishes in the FEDERAL REGISTER information on its basic structure and operations necessary to inform the public how to deal effectively with LSC. LSC will make reasonable efforts to currently update such information, which will include basic information on LSC’s location, functions, rules of procedure, substantive rules, statements of general policy, and information regarding how the public may obtain information, make submittals or requests, or obtain decisions.

§ 1602.5 Public reading room.

(a) LSC will maintain a public reading room at its offices at 3333 K St. NW., Washington, DC 20007. This room will be supervised and will be open to the public during LSC’s regular business hours. Procedures for use of the public reading room are described in §1602.6. LSC also maintains an electronic public reading room that may be accessed at <http://www.lsc.gov/about-lsc/foia/foia-electronic-public-reading-room>.

(b) Subject to the limitation stated in paragraph (c) of this section, LSC will make available for public inspection in its electronic public reading room the records described in 5 U.S.C. 552(a)(2).

(c) Records required by FOIA to be available in the public reading room may be exempt from mandatory disclosure pursuant to 5 U.S.C. 552(b). LSC will not make such records available in

§ 1602.6

the public reading room. LSC may edit other records maintained in the reading room by redacting details about individuals to prevent clearly unwarranted invasions of personal privacy. In such cases, LSC will attach a full explanation of the redactions to the record. LSC will indicate the extent of the redactions unless doing so would harm an interest protected by the exemption under which the redactions are made. If technically feasible, LSC will indicate the extent of the redactions at the place in the record where the redactions were made.

§ 1602.6 Procedures for use of public reading room.

(a) A person who wishes to inspect or copy records in the public reading room should arrange a time in advance, by telephone or letter request made to the Office of Legal Affairs, Legal Services Corporation, 3333 K Street NW., Washington, DC 20007 or by email to FOIA@lsc.gov.

(1) In appropriate circumstances, LSC will advise persons making telephonic requests to use the public reading room that a written request would aid in the identification and expeditious processing of the records sought.

(2) Written requests should identify the records sought in the manner provided in § 1602.8(b) and should request a specific date for inspecting the records.

(b) LSC will advise the requester as promptly as possible if, for any reason, it is not feasible to make the records sought available on the date requested.

(c) A computer terminal and printer are available upon request in the public reading room for accessing Electronic Reading Room records.

§ 1602.7 Index of records.

LSC will maintain and make available for public inspection in an electronic format a current index identifying any matter within the scope of § 1602.4 and § 1602.5(b).

§ 1602.8 Requests for records.

(a) LSC will make its records promptly available, upon request, to any person in accordance with this section, unless:

(1) the FOIA requires the records to be published in the FEDERAL REGISTER

45 CFR Ch. XVI (10–1–24 Edition)

(§ 1602.4) or to be made available in the public reading room (§ 1602.5); or

(2) LSC determines that such records should be withheld and are exempt from mandatory disclosure under the FOIA and § 1602.10.

(b)(1) *Requests for LSC records.* All requests for LSC records must be clearly marked Freedom of Information Act Request and shall be addressed to the FOIA Analyst, Office of Legal Affairs, Legal Services Corporation, 3333 K Street NW., Washington, DC 20007. Email requests shall be sent to FOIA@lsc.gov. Requests for LSC Records may also be made online using the FOIA Request Electronic Submission Form located at <http://www.lsc.gov/about-lsc/foia>.

(2) *Requests for Office of Inspector General records.* All requests for records maintained by the OIG must be clearly marked Freedom of Information Act Request and shall be addressed to the FOIA Officer, Office of Inspector General, Legal Services Corporation, 3333 K Street NW., Washington, DC 20007. Email requests shall be sent to FOIA@oig.lsc.gov.

(3) Any request not marked and addressed as specified in this section will be so marked by LSC personnel as soon as it is properly identified, and will be forwarded immediately to the appropriate Office. A request improperly addressed will be deemed to have been received as in accordance with § 1602.9 only when it has been received by the appropriate Office. Upon receipt of an improperly addressed request, the Chief FOIA Officer, Office of Inspector General Legal Counsel or their designees shall notify the requester of the date on which the time period began.

(c) A request must reasonably describe the records requested so that employees of LSC who are familiar with the subject area of the request are able, with a reasonable amount of effort, to determine which particular records are within the scope of the request. Before submitting their requests, requesters may contact LSC's or OIG's FOIA Analyst or FOIA Public Liaison to discuss the records they seek and to receive assistance in describing the records. If LSC determines
