§ 1630.12

§ 1630.10 Recipient policies, procedures, and recordkeeping.

Each recipient must adopt written policies and procedures to guide its staff in complying with this subpart and must maintain records sufficient to document the recipient's compliance with this subpart.

Subpart C—Questioned Cost Proceedings

§ 1630.11 Review of questioned costs.

(a) LSC may identify questioned costs:

(1) When the Office of Inspector General, the General Accounting Office, or an independent auditor or other audit organization authorized to conduct an audit of a recipient has identified and referred a questioned cost to LSC;

(2) In the course of its oversight of recipients; or

(3) As a result of complaints filed with LSC.

(b) If LSC determines that there is a basis for disallowing a questioned cost, LSC must provide the recipient with written notice of its intent to disallow the cost. The notice of questioned costs must state the amount of the cost and the factual and legal basis for disallowing it.

(c) If a questioned cost is disallowed solely because it is excessive, only the amount that is larger than reasonable shall be disallowed.

(d)(1) Within 30 days of receiving the notice of questioned costs, the recipient may respond with written evidence and argument to show that the cost was allowable, or that LSC, for equitable, practical, or other reasons, should not recover all or part of the amount, or that the recovery should be made in installments.

(2) The written notice shall become LSC's final written decision unless:

(i) The recipient responds to LSC's written notice within 30 days;

(ii) The recipient requests an extension of time pursuant to § 1630.3(b) within 30 days; or

(iii) LSC grants an extension of time pursuant to § 1630.3(b) within 30 days.

(e) Within 60 days of receiving the recipient's written response to the notice of questioned costs, LSC management must issue a final written decision

stating whether the cost has been disallowed and the reasons for the decision.

(f) If LSC has determined that the questioned cost should be disallowed, the final written decision must:

(1) State that the recipient may appeal the decision as provided in § 1630.12 and describe the process for seeking an appeal;

(2) Describe how it expects the recipient to repay the cost, including the method and schedule for collection of the amount of the cost;

(3) State whether LSC is requiring the recipient to make financial adjustments or take other corrective action to prevent a recurrence of the circumstances giving rise to the disallowed cost.

§ 1630.12 Appeals to the president.

(a)(1) If the amount of a disallowed cost exceeds \$2,500, the recipient may appeal in writing to LSC's President within 30 days of receiving LSC's final written decision to disallow the cost. The recipient should state in detail the reasons why LSC should not disallow part or all of the questioned cost.

(2) If the recipient did not respond to LSC's notice of questioned costs and the notice became LSC's final written decision pursuant to § 1630.11(d)(2), the recipient may not appeal the final written decision.

(b) If the President has had prior involvement in the consideration of the disallowed cost, the President shall designate another senior LSC employee who has not had prior involvement to review the recipient's appeal. In circumstances where the President has not had prior involvement in the disallowed cost proceeding, the President has discretion to designate another senior LSC employee who also has not had prior involvement in the proceeding to review the appeal.

(c) Within 30 days of receiving the recipient's written appeal, the President or designee will adopt, modify, or reverse LSC's final written decision.

(d) The decision of the President or designee shall be final and shall be based on the written record, consisting of LSC's notice of questioned costs, the

recipient's response, LSC's final written decision, the recipient's written appeal, any additional response or analysis provided to the President or designee by LSC staff, and the relevant findings, if any, of the Office of Inspector General, General Accounting Office, or other authorized auditor or audit organization. Upon request, LSC shall provide the recipient with a copy of the written record.

§ 1630.13 Recovery of disallowed costs and other corrective action.

(a) LSC will recover any disallowed costs from the recipient within the time limits and conditions set forth in either LSC's final written decision or the President's decision on an appeal. Recovery of the disallowed costs may be in the form of a reduction in the amount of future grant checks or in the form of direct payment from you to LSC.

(b) LSC shall ensure that a recipient who has incurred a disallowed cost takes any additional necessary corrective action within the time limits and conditions set forth in LSC's final written decision or the President's decision.

§ 1630.14 Other remedies; effect on other parts.

(a) In cases of serious financial mismanagement, fraud, or defalcation of funds, LSC shall refer the matter to the Office of Inspector General and may take appropriate action pursuant to parts 1606, 1623, and 1640 of this chapter.

(b) The recovery of a disallowed cost according to the procedures of this part does not constitute a permanent reduction in a recipient's annualized funding level, nor does it constitute a limited reduction of funding or termination of financial assistance under part 1606, or a suspension of funding under part 1623 of this chapter.

§ 1630.15 Applicability to subgrants.

When disallowed costs arise from expenditures incurred under a subgrant of LSC funds, the recipient and the subrecipient will be jointly and severally responsible for the actions of the subrecipient, as provided by 45 CFR part 1627, and will be subject to all

§ 1630.16 Applicability to non-LSC funds.

(a) No cost may be charged to non-LSC funds in violation of 45 CFR 1610.3 or 1610.4.

(b) LSC may recover from a recipient's LSC funds an amount not to exceed the amount improperly charged to non-LSC funds. The review and appeal procedures of §§ 1630.11 and 1630.12 govern any decision by LSC to recover funds under this paragraph.

(a) Derivative income resulting from an activity supported in whole or in part with LSC funds shall be allocated to the fund in which the recipient's LSC grant is recorded in the same proportion that the amount of LSC funds expended bears to the total amount expended by the recipient to support the activity.

(b) Derivative income allocated to the LSC fund in accordance with paragraph (a) of this section is subject to the requirements of this part.

Subpart D—Closeout Procedures

§ 1630.18 Applicability.
