of an indirect cost to LSC funds, provided that the activity associated with the indirect cost is permissible under the LSC Act, LSC appropriations statutes, and regulations.

(h) *Applicable credits.* Applicable credits are those receipts or reductions of expenditures which operate to offset or reduce expense items that are allocable to grant awards as direct or indirect costs. Applicable credits include, but are not limited to, purchase discounts, rebates or allowances, recoveries or indemnities on losses, insurance refunds, and adjustments of overpayments or erroneous charges. To the extent that such credits relate to allowable costs, they shall be credited as a cost reduction or cash refund in the same fund to which the related costs are charged.

(i) *Fundraising.* Costs associated with fundraising for the purpose of increasing recipient funds available to carry out the purposes of the LSC grant are allowable and allocable to the LSC grant if they meet the requirements of this section.

(j) *Guidance.* The regulations of the Office of Management and Budget shall provide guidance for all allowable cost questions arising under this part when relevant policies or criteria therein are not inconsistent with the provisions of the Act, applicable appropriations law, this part, the Accounting Guide for LSC Recipients, LSC rules, regulations, guidelines, instructions, and other applicable law.

### § 1630.6 Prior approval.

(a) *Advance understandings.* Under any given grant award, the reasonableness and allocability of certain cost items may be difficult to determine. To avoid subsequent disallowance or dispute based on unreasonableness or nonallocability, a recipient may seek a written understanding from LSC in advance of incurring special or unusual costs. If a recipient elects not to seek an advance understanding from LSC, the absence of an advance understanding on any element of a cost will not affect the reasonableness or allocability of the cost.

(b) *Costs requiring prior approval.* (1) Without LSC's prior written approval, a recipient may not expend \$25,000 or

(4) The process and substantive requirements for requests for prior approval are in 45 CFR part 1631—Purchasing and Property Management.

(c) *Duration.* LSC's advance understanding or approval shall be valid for one year, or for a greater period of time which LSC may specify in its approval or advance understanding.
