

Legal Services Corporation

§ 1634.5

pursuant to parts 1606 and 1625 of this chapter.

(d) Wherever possible, the Corporation shall award no more than one grant or contract to provide legal assistance to eligible clients or a subpopulation of eligible clients within a service area. The Corporation may award more than one grant or contract to provide legal assistance to eligible clients or a subpopulation of eligible clients within a service area only when the Corporation determines that it is necessary to award more than one such grant or contract in order to ensure that all eligible clients within the service area will have access to a full range of high quality legal services in accordance with the LSC Act or other applicable law.

(e) In no event may the Corporation award a grant or contract for a term longer than five years. The amount of funding provided annually under each such grant or contract is subject to changes in congressional appropriations or restrictions on the use of those funds by the Corporation. A reduction in a recipient's annual funding required as a result of a change in the law or a reduction in funding appropriated to the Corporation shall not be considered a termination or denial of refunding under parts 1606 or 1625 of this chapter.

§ 1634.4 Announcement of competition.

(a) The Corporation shall give public notice that it intends to award a grant or contract for a service area on the basis of a competitive bidding process, shall take appropriate steps to announce the availability of such a grant or contract in the periodicals of State and local bar associations, and shall publish a notice of the Request For Proposals (RFP) in at least one daily newspaper of general circulation in the area to be served under the grant or contract. In addition, the Corporation shall notify current recipients, other bar associations, and other interested groups within the service area of the availability of the grant or contract and shall conduct such other outreach as the Corporation determines to be appropriate to ensure that interested parties are given an opportunity to participate in the competitive bidding process.

(b) The Corporation shall issue an RFP which shall include information regarding: who may apply, application procedures, the selection process, selection criteria, the service areas that will be the subject of the competitive bidding process, the amount of funding available for the service area, if known, applicable timetables and deadlines, and the LSC Act, regulations, guidelines and instructions and any other applicable federal law. The RFP may also include any other information that the Corporation determines to be appropriate.

(c) The Corporation shall make a copy of the RFP available to any person, group or entity that requests a copy in accordance with procedures established by the Corporation.

§ 1634.5 Identification of qualified applicants for grants and contracts.

(a) The following persons, groups and entities are qualified applicants who may submit a notice of intent to compete and an application to participate in the competitive bidding process:

- (1) Current recipients;
- (2) Other non-profit organizations that have as a purpose the furnishing of legal assistance to eligible clients;
- (3) Private attorneys, groups of attorneys or law firms (except that no private law firm that expends 50 percent or more of its resources and time litigating issues in the broad interests of a majority of the public may be awarded a grant or contract under the LSC Act);
- (4) State or local governments;
- (5) Substate regional planning and coordination agencies which are composed of substate areas and whose governing boards are controlled by locally elected officials.

(b) All persons, groups and entities listed in paragraph (a) of this section must have a governing or policy body consistent with the requirements of part 1607 of this chapter or other law that sets out requirements for recipients' governing bodies, unless such governing body requirements are inconsistent with applicable law.

§ 1634.6

(c) Applications may be submitted jointly by more than one qualified applicant so long as the application delineates the respective roles and responsibilities of each qualified applicant.

§ 1634.6 Notice of intent to compete.

(a) In order to participate in the competitive bidding process, an applicant must submit a notice of intent to compete on or before the date designated by the Corporation in the RFP. The Corporation may extend the date if necessary to take account of special circumstances or to permit the Corporation to solicit additional notices of intent to compete.

(b) At the time of the filing of the notice of intent to compete, each applicant must provide the Corporation with the following information as well as any additional information that the Corporation determines is appropriate:

(1) Names and resumes of principals and key staff;

(2) Names and resumes of current and proposed governing board or policy body members and their appointing organizations;

(3) Initial description of area proposed to be served by the applicant and the services to be provided.

§ 1634.7 Application process.

(a) The Corporation shall set a date for receipt of applications and shall announce the date in the RFP. The date shall afford applicants adequate opportunity, after filing the notice of intent to compete, to complete the application process. The Corporation may extend the application date if necessary to take account of special circumstances.

(b) The application shall be submitted in a form to be determined by the Corporation.

(c) A completed application shall include all of the information requested by the RFP. It may also include any additional information needed to fully address the selection criteria, and any other information requested by the Corporation. (2) Request from an applicant and review any additional information that the Corporation determines is appropriate to evaluate the application fully;

(3) Conduct one or more on-site visits to an applicant if the Corporation determines that such visits are appropriate to evaluate the application fully;

(4) Summarize in writing information regarding the applicant that is not contained in the application if appropriate for the review process; and

(5) Convene a review panel unless there is only one applicant for a particular service area and the Corporation determines that use of a review panel is not appropriate. The review panel shall:

(i) Review the applications and the summaries prepared by the Corporation staff. The review panel may request other information identified by the Corporation as necessary to evaluate the applications fully; and

(ii) Make a written recommendation to the Corporation regarding the award of grants or contracts from the Corporation for a particular service area.

(6) After considering the recommendation made by the review panel, if a review panel was convened, make a staff recommendation to the President. The staff recommendation shall include the recommendation of the review panel and, if the staff recommendation differs from that of the review panel, an explanation of the basis for the difference in the recommendations.
