

regulatory requirement or is addressed to CNCS employees and will not foreclose CNCS's consideration of positions advanced by affected private parties;

(d) The guidance document is written in plain and understandable English; and

(e) All guidance documents should include the following disclaimer prominently in each guidance document: "The contents of this document do not have the force and effect of law and are not meant to bind the public in any way. This document is intended only to provide clarity to the public regarding existing requirements under the law or agency policies." When CNCS's guidance document is binding because binding guidance is authorized by law or because the guidance is incorporated into a contract, CNCS will modify the disclaimer above to reflect either of those facts.

§ 2509.16 How will CNCS make guidance documents available to the public?

CNCS shall:

(a) Ensure all effective guidance documents, identified by a unique identifier which includes, at a minimum, the document's title and date of issuance or revision and its RIN, if applicable, are on its website in a single, searchable, indexed database, and available to the public in accordance with § 2905.16;

(b) Note on its website that guidance documents lack the force and effect of law, except as authorized by law or as incorporated into a contract; and

(c) Publish on its website where the public can comment electronically on any guidance documents that are subject to the notice-and-comment procedures described in § 2509.22 and to submit requests electronically for issuance, reconsideration, modification, or rescission of guidance documents.

(d) Guidance documents that do not appear on the Agency's single, searchable, indexed database are rescinded.

§ 2509.18 What procedures apply to guidance documents identified as "significant"?

(a) OGC review of proposed guidance documents will include a preliminary

determination as to whether the proposed guidance document is significant within the meaning of § 2509.20. Unless exempt, each proposed guidance document determined to be significant must be approved by the Chief Executive Officer before issuance. In such instances, CNCS will:

(1) Obtain a RIN to report what CNCS is planning to issue;

(2) Coordinate the guidance document with the Office of Management and Budget's (OMB's) Office of Information and Regulatory Affairs (OIRA) for the interagency review, final significance determination, and clearance; and

(3) Coordinate internal review and clearance of the guidance document before submitting it to the Chief Executive Officer for approval, consistent with CNCS Policy 103.

(b) If the guidance document is determined to be significant under § 2509.20, CNCS may proceed with publication in the FEDERAL REGISTER. For each significant guidance document, the originating CNCS office should include a statement in the clearance memorandum indicating that the guidance document has been reviewed and cleared in accordance with this section.

§ 2509.20 What is a "significant" guidance document?

(a) The term "significant guidance document" means a guidance document that will be disseminated to regulated entities or the general public and that may reasonably be anticipated:

(1) To lead to an annual effect on the economy of \$100 million or more or adversely affect in a material way the U.S. economy, a sector of the U.S. economy, productivity, competition, jobs, the environment, public health or safety, or state, local, or tribal governments or communities;

(2) To create serious inconsistency or otherwise interfere with an action taken or planned by another Federal agency;

(3) To alter materially the budgetary impact of entitlements, grants, user fees, or loan programs or the rights and obligations of recipients thereof; or

(4) To raise novel legal or policy issues arising out of legal mandates,

§ 2509.22

the President's priorities, or the principles set forth in E.O. 12866, as further amended.

(b) The term "significant guidance document" does not include the categories of documents excluded by § 2509.12 or any other category of guidance documents exempted in writing by CNCS in consultation with OIRA.

(c) Significant and economically significant guidance documents must be reviewed by OIRA under E.O. 12866 before issuance and must demonstrate compliance with the applicable requirements for regulations or rules, including significant regulatory actions, set forth in E.O. 12866, E.O. 13563, E.O. 13609, E.O. 13771, and E.O. 13777.

§ 2509.22 When will guidance be published for public notice-and-comment?

(a) Except as provided in paragraph (b) of this section, all proposed CNCS guidance documents determined to be significant within the meaning of § 2509.20 are subject to public notice-and-comment. CNCS shall publish notification in the FEDERAL REGISTER of the proposed significant guidance document and invite public comments for a minimum of 30 days, then publish a response to major concerns raised in the comments when the final guidance document is published.

(b) The requirements of paragraph (a) of this section will not apply to any significant guidance document for which CNCS finds, in consultation with OIRA, good cause that notice-and-comment procedures are impracticable, unnecessary, or contrary to the public interest (and incorporates the finding of good cause and a brief statement of reasons in the guidance issued).

(c) CNCS and OIRA may establish an agreement on presumptively exempted categories of guidance; such documents will be presumptively exempt from the requirements of paragraph (a) of this section.

§ 2509.24 How may the public submit a petition to CNCS for the withdrawal or modification of a guidance document?

(a) Interested parties may submit petitions to CNCS requesting withdrawal or modification of any effective guidance document by sending an email to

45 CFR Ch. XXV (10–1–24 Edition)

Guidance@cns.gov or by sending the request to Corporation for National and Community Service ATT: Associate Director of Policy, 250 E Street SW, Washington, DC 20525.

(b) Interested parties should include the guidance document's title and a summary justification describing why the document should be withdrawn, how it should be modified, or the nature of the concern with the guidance.

(c) The responsible CNCS department, in consultation with OGC, will review the petition, determine if withdrawal or modification is necessary or the best way to resolve the concern, and respond to the petitioner no later than 90 days after receipt of the request.

§ 2509.26 What is the effect of rescinded guidance documents?

CNCS may not cite, use, or rely on rescinded guidance documents, except to establish historical facts.

§ 2509.28 How will significant guidance be issued when there are exigent circumstances?

Under exigent circumstances, such as safety, health, or when statutory deadlines or court order or other compelling cause require CNCS to act more quickly than normal review procedures allow, CNCS will notify OIRA as soon as possible and, to the extent practicable, comply with the requirements of this subpart at the earliest opportunity.

§ 2509.30 No judicial review or enforceable rights.

This subpart is intended to improve the internal management of CNCS. As such, it is for the use of CNCS employees only and is not intended to, and does not create any right or benefit, substantive or procedural, enforceable by law or in equity by any party against the United States, its agencies or other entities, its officers or employees, or any other person.
