

§ 2509.22

the President's priorities, or the principles set forth in E.O. 12866, as further amended.

(b) The term "significant guidance document" does not include the categories of documents excluded by § 2509.12 or any other category of guidance documents exempted in writing by CNCS in consultation with OIRA.

(c) Significant and economically significant guidance documents must be reviewed by OIRA under E.O. 12866 before issuance and must demonstrate compliance with the applicable requirements for regulations or rules, including significant regulatory actions, set forth in E.O. 12866, E.O. 13563, E.O. 13609, E.O. 13771, and E.O. 13777.

§ 2509.22 When will guidance be published for public notice-and-comment?

(a) Except as provided in paragraph (b) of this section, all proposed CNCS guidance documents determined to be significant within the meaning of § 2509.20 are subject to public notice-and-comment. CNCS shall publish notification in the FEDERAL REGISTER of the proposed significant guidance document and invite public comments for a minimum of 30 days, then publish a response to major concerns raised in the comments when the final guidance document is published.

(b) The requirements of paragraph (a) of this section will not apply to any significant guidance document for which CNCS finds, in consultation with OIRA, good cause that notice-and-comment procedures are impracticable, unnecessary, or contrary to the public interest (and incorporates the finding of good cause and a brief statement of reasons in the guidance issued).

(c) CNCS and OIRA may establish an agreement on presumptively exempted categories of guidance; such documents will be presumptively exempt from the requirements of paragraph (a) of this section.

§ 2509.24 How may the public submit a petition to CNCS for the withdrawal or modification of a guidance document?

(a) Interested parties may submit petitions to CNCS requesting withdrawal or modification of any effective guidance document by sending an email to

45 CFR Ch. XXV (10–1–24 Edition)

Guidance@cns.gov or by sending the request to Corporation for National and Community Service ATT: Associate Director of Policy, 250 E Street SW, Washington, DC 20525.

(b) Interested parties should include the guidance document's title and a summary justification describing why the document should be withdrawn, how it should be modified, or the nature of the concern with the guidance.

(c) The responsible CNCS department, in consultation with OGC, will review the petition, determine if withdrawal or modification is necessary or the best way to resolve the concern, and respond to the petitioner no later than 90 days after receipt of the request.

§ 2509.26 What is the effect of rescinded guidance documents?

CNCS may not cite, use, or rely on rescinded guidance documents, except to establish historical facts.

§ 2509.28 How will significant guidance be issued when there are exigent circumstances?

Under exigent circumstances, such as safety, health, or when statutory deadlines or court order or other compelling cause require CNCS to act more quickly than normal review procedures allow, CNCS will notify OIRA as soon as possible and, to the extent practicable, comply with the requirements of this subpart at the earliest opportunity.

§ 2509.30 No judicial review or enforceable rights.

This subpart is intended to improve the internal management of CNCS. As such, it is for the use of CNCS employees only and is not intended to, and does not create any right or benefit, substantive or procedural, enforceable by law or in equity by any party against the United States, its agencies or other entities, its officers or employees, or any other person.
