

**§ 2522.206 [Reserved]****§ 2522.207 How do I determine an individual's eligibility to serve in a covered position?**

To determine an individual's eligibility to serve in a covered position, you must follow the procedures in part 2540 of this chapter.

[77 FR 60932, Oct. 5, 2012]

**§ 2522.210 How are AmeriCorps participants recruited and selected?**

(a) *Local recruitment and selection.* In general, AmeriCorps participants will be selected locally by an approved AmeriCorps program, and the selection criteria will vary widely among the different programs. Nevertheless, AmeriCorps programs must select their participants in a fair and non-discriminatory manner which complies with part 2540 of this chapter. In selecting participants, programs must also comply with the recruitment and selection requirements specified in this section.

(b)(1) *National and State recruitment and selection.* AmeriCorps and each State Commission will establish a system to recruit individuals who desire to perform national service and to assist the placement of these individuals in approved AmeriCorps positions, which may include positions available under titles I and II of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 *et seq.*). The national and state recruitment and placement system will be designed and operated according to AmeriCorps guidelines.

(2) *Dissemination of information.* AmeriCorps and State Commissions will disseminate information regarding available approved AmeriCorps positions through cooperation with secondary schools, institutions of higher education, employment service offices, community-based organizations, State vocational rehabilitation agencies within the meaning of the Rehabilitation Act of 1973 (29 U.S.C. 701 *et seq.*) and other State agencies that primarily serve qualified individuals with disabilities, and other appropriate entities, particularly those organizations that provide outreach to disadvantaged youths and youths who are qualified individuals with disabilities.

(c) *National leadership pool*—(1) *Selection and training.* From among individuals recruited under paragraph (b) of this section or nominated by service programs, AmeriCorps may select individuals with significant leadership potential, as determined by AmeriCorps, to receive special training to enhance their leadership ability. The leadership training will be provided by AmeriCorps directly or through a grant, contract, or cooperative agreement as AmeriCorps determines.

(2) *Emphasis on certain individuals.* In selecting individuals to receive leadership training under this provision, AmeriCorps will make special efforts to select individuals who have served—

(i) In the Peace Corps;

(ii) As VISTA volunteers;

(iii) As participants in AmeriCorps programs receiving assistance under parts 2520 through 2524 of this chapter;

(iv) As participants in National Service Demonstration programs that received assistance from the Commission on National and Community Service; or

(v) As members of the Armed Forces of the United States and who were honorably discharged from such service.

(3) *Assignment.* At the request of a program that receives assistance, AmeriCorps may assign an individual who receives leadership training under paragraph (c)(1) of this section to work with the program in a leadership position and carry out assignments not otherwise performed by regular participants. An individual assigned to a program will be considered to be a participant of the program.

**§ 2522.220 What are the required terms of service for AmeriCorps participants?**

(a) *Term of Service.* A term of service may be defined as:

(1) *Full-time service.* 1,700 hours of service during a period of not more than one year.

(2) *Part-time service.* 900 hours of service during a period of not more than two years.

(3) *Reduced part-time term of service.* AmeriCorps may reduce the number of hours required to be served in order to receive an educational award for certain part-time participants serving in

approved AmeriCorps positions. In such cases, the educational award will be reduced in direct proportion to the reduction in required hours of service. These reductions may be made for summer programs, for categories of participants in certain approved AmeriCorps programs and on a case-by-case, individual basis as determined by AmeriCorps.

(4) *Summer programs.* A summer program, in which less than 1700 hours of service are performed, are part-time programs.

(b) *Eligibility for subsequent term.* A participant will only be eligible to serve a subsequent term of service if that individual has received a satisfactory performance review for any previous term of service in an approved AmeriCorps position, in accordance with the requirements of paragraph (d) of this section and § 2525.15. Mere eligibility for a second or further term of service in no way guarantees a participant selection or placement.

(c) *Participant evaluation.* For the purposes of determining a participant's eligibility for an educational award as described in § 2522.240(a) and eligibility to serve a second or additional term of service as described in paragraph (c) of this section, each AmeriCorps grantee is responsible for conducting a mid-term and end-of-term evaluation. A mid-term evaluation is not required for a participant who is released early from a term of service or in other circumstances as approved by AmeriCorps. The end-of-term evaluation should consist of:

(1) A determination of whether the participant:

(i) Successfully completed the required term of service described in paragraph (a) of this section, making the participant eligible for an educational award as described in § 2522.240(a);

(ii) Was released from service for compelling personal circumstances, making the participant eligible for a pro-rated educational award as described in § 2522.230(a)(2); or

(iii) Was released from service for cause, making the participant ineligible to receive an educational award for that term of service as described in § 2522.230(b)(3); and

(2) A participant performance and conduct review to determine whether the participant's service was satisfactory, which will assess whether the participant:

(i) Has satisfactorily completed assignments, tasks, or projects, or, for those participants released from service early, whether the participant made a satisfactory effort to complete those assignments, tasks, or projects that the participant could reasonably have addressed in the time the participant served; and

(ii) Has met any other criteria which had been clearly communicated both orally and in writing at the beginning of the term of service.

(d) *Limitation.* AmeriCorps may set a minimum or maximum percentage of hours of a full-time, part-time, or reduced term of service described in paragraphs (a)(1), (a)(2), and (a)(3) of this section that a participant may engage in training, education, or other similar approved activities

(e) *Grievance procedure.* Any AmeriCorps participant wishing to contest a program's ruling of unsatisfactory performance may file a grievance according to the procedures set forth in part 2540 of this chapter. If that grievance procedure or subsequent binding arbitration procedure finds that the participant did in fact satisfactorily complete a term of service, then that individual will be eligible to receive an educational award and/or be eligible to serve a second term of service.

(f) *Extension of term for disaster purposes.* If approved by AmeriCorps, a program may permit an AmeriCorps participant performing service directly related to disaster relief efforts to continue in a term of service for a period of up to 90 days beyond the period otherwise specified. A period of service performed by an AmeriCorps participant in an originally agreed-upon term of service and service performed under this paragraph shall constitute a single term of service for the purposes of § 2525.50(a) of this chapter.
