§ 2522.640 Under what circumstances may I change my performance measures?

(a) You may change your performance measures only if AmeriCorps or, for formula programs, the State commission, approves your request to do so based on your need to:

(1) Adjust your performance measure or target based on experience so that your program's goals are more realistic and manageable;

(2) Replace a measure related to one issue area with one related to a different issue area that is more aligned with your program service activity. For example, you may need to replace an objective related to health with one related to the environment;

(3) Redefine the service that individuals perform under the grant. For example, you may need to define your service as tutoring adults in English,

as opposed to operating an after-school program for third-graders;

(4) Eliminate an activity because you have been unable to secure necessary matching funding; or

(5) Replace one measure with another. For example, you may decide that you want to replace one measure of literacy tutoring (increased attendance at school) with another (percentage of students who are promoted to the next grade level).

(b) [Reserved]

§ 2522.650 What happens if I fail to meet the performance measures included in my grant?

(a) If you are significantly under-performing based on the performance measures approved in your grant, or fail to collect appropriate data to allow performance measurement, AmeriCorps, or the State commission for formula grantees, may specify a period of correction, after consulting with you. As a grantee, you must report results at the end of the period of correction. At that point, if you continue to under-perform, or fail to collect appropriate data to allow performance measurement, AmeriCorps may take one or more of the following actions:

(1) Reduce the amount of your grant;

(2) Suspend or terminate your grant;

(3) Use this information to assess any application from your organization for a new AmeriCorps grant or a new grant under another program administered by AmeriCorps;

(4) Amend the terms of any AmeriCorps grants to your organization; or

(5) Take other actions that AmeriCorps deems appropriate.

(b) If you are a State commission whose formula program(s) is significantly under-performing or failing to collect appropriate data to allow performance measurement, we encourage you to take action as delineated in paragraph (a) of this section.
