## § 2522.900

to recruit individuals residing in that State; and

(6) Determine the levels of living allowances paid in all AmeriCorps programs and American Conservation and Youth Corps, individually, by State, and by region and determine the effects that such living allowances have had on the ability of individuals to participate in such programs.

(b) AmeriCorps will also determine by June 30, 1995: (1) Whether the State and national priorities designed to meet educational, public safety, human, or environmental needs are being addressed;

(2) Whether the outcomes of both stipended and nonstipended service programs are defined and measured appropriately;

(3) Whether stipended service programs, and service programs providing educational benefits in return for service, should focus on economically disadvantaged individuals or at risk youth, or whether such programs should include a mix of individuals, including individuals from middle and upper income families;

(4) The role and importance of stipends and educational benefits in achieving desired outcomes in the service programs;

(5) The income distribution of AmeriCorps participants, to determine the level of participation of economically disadvantaged individuals. The total income of participants will be determined as of the date the participant was first selected to participate in a program and will include family total income unless the evaluating entity determines that the participant was independent at the time of selection. Definitions for “independent” and “total income” are those used in section 480(a) of the Higher Education Act of 1965;

(6) The amount of assistance provided under the AmeriCorps programs that has been expended for projects conducted in areas classified as empowerment zones (or redevelopment areas), in areas that are targeted for special economic incentives or are otherwise identifiable as having high concentrations of low-income people, in areas that are environmentally distressed or adversely affected by Federal actions

related to the management of Federal lands, in areas that are adversely affected by reductions in defense spending, or in areas that have an unemployment rate greater than the national average unemployment rate for the most recent 12 months for which satisfactory data are available; and

(7) The implications of the results of these studies as appropriate for authorized funding levels.

### § 2522.820 Will information on individual participants be kept confidential?

(a) Yes. AmeriCorps will maintain the confidentiality of information regarding individual participants that is acquired for the purpose of the evaluations described in § 2522.540. AmeriCorps will disclose individual participant information only with the prior written consent of the participant. However, AmeriCorps may disclose aggregate participant information.

(b) Grantees and subgrantees that receive assistance under this chapter must comply with the provisions of paragraph (a) of this section.

### § 2522.900 What definitions apply to this subpart?

*Tutor* is defined as someone whose primary goal is to increase academic achievement in reading or other core subjects through planned, consistent, one-to-one or small-group sessions and activities that build on the academic strengths of students in kindergarten through 12th grade, and target their academic needs. A tutor does not include someone engaged in other academic support activities, such as mentoring and after-school program support, whose primary goal is something other than increasing academic achievement. For example, providing a
