Explanation

The Code of Federal Regulations is a codification of the general and permanent rules published in the Federal Register by the Executive departments and agencies of the Federal Government. The Code is divided into 50 titles which represent broad areas subject to Federal regulation. Each title is divided into chapters which usually bear the name of the issuing agency. Each chapter is further subdivided into parts covering specific regulatory areas.

Each volume of the Code is revised at least once each calendar year and issued on a quarterly basis approximately as follows:

Title 1 through Title 16.....	as of January 1
Title 17 through Title 27.....	as of April 1
Title 28 through Title 41.....	as of July 1
Title 42 through Title 50.....	as of October 1

The appropriate revision date is printed on the cover of each volume.

LEGAL STATUS

The contents of the Federal Register are required to be judicially noticed (44 U.S.C. 1507). The Code of Federal Regulations is prima facie evidence of the text of the original documents (44 U.S.C. 1510).

HOW TO USE THE CODE OF FEDERAL REGULATIONS

The Code of Federal Regulations is kept up to date by the individual issues of the Federal Register. These two publications must be used together to determine the latest version of any given rule.

To determine whether a Code volume has been amended since its revision date (in this case, October 1, 2024), consult the “List of CFR Sections Affected (LSA),” which is issued monthly, and the “Cumulative List of Parts Affected,” which appears in the Reader Aids section of the daily Federal Register. These two lists will identify the Federal Register page number of the latest amendment of any given rule.

EFFECTIVE AND EXPIRATION DATES

Each volume of the Code contains amendments published in the Federal Register since the last revision of that volume of the Code. Source citations for the regulations are referred to by volume number and page number of the Federal Register and date of publication. Publication dates and effective dates are usually not the same and care must be exercised by the user in determining the actual effective date. In instances where the effective date is beyond the cut-off date for the Code a note has been inserted to reflect the future effective date. In those instances where a regulation published in the Federal Register states a date certain for expiration, an appropriate note will be inserted following the text.

OMB CONTROL NUMBERS

The Paperwork Reduction Act of 1980 (Pub. L. 96-511) requires Federal agencies to display an OMB control number with their information collection request.

Many agencies have begun publishing numerous OMB control numbers as amendments to existing regulations in the CFR. These OMB numbers are placed as close as possible to the applicable recordkeeping or reporting requirements.

PAST PROVISIONS OF THE CODE

Provisions of the Code that are no longer in force and effect as of the revision date stated on the cover of each volume are not carried. Code users may find the text of provisions in effect on any given date in the past by using the appropriate List of CFR Sections Affected (LSA). For the convenience of the reader, a “List of CFR Sections Affected” is published at the end of each CFR volume. For changes to the Code prior to the LSA listings at the end of the volume, consult previous annual editions of the LSA. For changes to the Code prior to 2001, consult the List of CFR Sections Affected compilations, published for 1949-1963, 1964-1972, 1973-1985, and 1986-2000.

“[RESERVED]” TERMINOLOGY

The term “[Reserved]” is used as a place holder within the Code of Federal Regulations. An agency may add regulatory information at a “[Reserved]” location at any time. Occasionally “[Reserved]” is used editorially to indicate that a portion of the CFR was left vacant and not dropped in error.

INCORPORATION BY REFERENCE

What is incorporation by reference? Incorporation by reference was established by statute and allows Federal agencies to meet the requirement to publish regulations in the Federal Register by referring to materials already published elsewhere. For an incorporation to be valid, the Director of the Federal Register must approve it. The legal effect of incorporation by reference is that the material is treated as if it were published in full in the Federal Register (5 U.S.C. 552(a)). This material, like any other properly issued regulation, has the force of law.

What is a proper incorporation by reference? The Director of the Federal Register will approve an incorporation by reference only when the requirements of 1 CFR part 51 are met. Some of the elements on which approval is based are:

- (a) The incorporation will substantially reduce the volume of material published in the Federal Register.
- (b) The matter incorporated is in fact available to the extent necessary to afford fairness and uniformity in the administrative process.
- (c) The incorporating document is drafted and submitted for publication in accordance with 1 CFR part 51.

What if the material incorporated by reference cannot be found? If you have any problem locating or obtaining a copy of material listed as an approved incorporation by reference, please contact the agency that issued the regulation containing that incorporation. If, after contacting the agency, you find the material is not available, please notify the Director of the Federal Register, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001, or call 202-741-6010.

CFR INDEXES AND TABULAR GUIDES

A subject index to the Code of Federal Regulations is contained in a separate volume, revised annually as of January 1, entitled CFR INDEX AND FINDING AIDS. This volume contains the Parallel Table of Authorities and Rules. A list of CFR titles, chapters, subchapters, and parts and an alphabetical list of agencies publishing in the CFR are also included in this volume.

An index to the text of “Title 3—The President” is carried within that volume.

The Federal Register Index is issued monthly in cumulative form. This index is based on a consolidation of the “Contents” entries in the daily Federal Register.

A List of CFR Sections Affected (LSA) is published monthly, keyed to the revision dates of the 50 CFR titles.

REPUBLICATION OF MATERIAL

There are no restrictions on the republication of material appearing in the Code of Federal Regulations.

§ 1201.2 Scope.

(a) This part states the procedures followed with respect to:

(1) Service of summonses and complaints or other requests or demands directed to the Corporation or to any Corporation employee in connection with Federal or State litigation arising out of, or involving the performance of, official activities of the Corporation; and

(b) In the event any summons or complaint is delivered to a Corporation Employee other than in the manner specified in this part, such attempted service shall be ineffective, and the recipient thereof shall either decline to accept the proffered service or return such document under cover of a written communication that refers the person attempting to effect service to the procedures set forth in this part.

(c) Except as otherwise provided in § 1201.4(c), the Corporation is not an authorized agent for service of process with respect to civil litigation against Corporation Employees purely in their personal, non-official capacity. (1) Material, including documents, contained in the files of the Corporation;

(2) Information, including testimony, affidavits, declarations, admissions, response to interrogatories, or informal statements, relating to material contained in the files of the Corporation or which any Corporation employee acquired in the course and scope of the performance of official duties;

(3) Garnishment or attachment of compensation of Corporation Employees; or

(4) The performance or non-performance of any official Corporation duty.

(b) In the event that any subpoena, demand, or request is sought to be delivered to a Corporation Employee other than in the manner prescribed in paragraph (a) of this section, such attempted service shall be ineffective. Such Corporation Employee shall, after consultation with the General Counsel, decline to accept the subpoena, and demand or request the return of it under cover of a written communication referring to the procedures prescribed in this part.

(c) Except as otherwise provided in this part, the Corporation is not an agent for service or otherwise authorized to accept on behalf of Corporation Employees any subpoenas, show-cause orders, or similar compulsory process of federal or state courts, or requests from private individuals or attorneys, which are not related to the employees' official duties except upon the express, written authorization of the individual Corporation Employee to whom such demand or request is directed.

(d) Acceptance of such documents by the General Counsel does not constitute a waiver of any defenses that might otherwise exist with respect to service under the Federal Rules of Civil or Criminal Procedure at 28 U.S.C. Appendix, Rules 4–6 or 18 USC Appendix or other applicable rules.

§ 1201.5 Testimony and production of documents prohibited unless approved by appropriate Corporation officials.

(a) Unless authorized to do so by the General Counsel, no Corporation Employee shall, in response to a demand or request in connection with any litigation, whether criminal or civil, provide oral or written testimony by deposition, declaration, affidavit, or otherwise concerning any information acquired:

- (1) While such person was a Corporation Employee;
- (2) As part of the performance of that person's official duties; or
- (3) By virtue of that person's official status.

(b) No Corporation Employee shall, in response to a demand or request in connection with any litigation, produce for use at such proceedings any document or any other material acquired as part of the performance of that individual's duties or by virtue of that individual's official status, unless authorized to do so by the General Counsel.

§ 1201.6 Procedure when testimony or production of documents is sought.

(a) If Official Information is sought, either through testimony or otherwise, the party seeking such information must (except as otherwise required by federal law or authorized by the General Counsel) set forth in writing with as much specificity as possible, the nature and relevance of the Official Information sought. The party must identify the record or reasonably describe it in terms of date, format, subject matter, the offices originating or receiving the record, and the names of all persons to whom the record is known to relate. Corporation Employees may produce, disclose, release, comment upon, or testify concerning only those matters that were specified in writing and properly approved by the General Counsel. The General Counsel may waive this requirement in appropriate circumstances.

(b) To the extent it deems necessary or appropriate, the Corporation may also require from the party seeking such testimony or documents a schedule of all reasonably foreseeable de-

mands, including but not limited to the names of all current and former Corporation Employees from whom discovery will be sought, areas of inquiry, expected duration of proceedings requiring oral testimony, and identification of potentially relevant documents.

(c) The General Counsel will notify the Corporation Employee and such other persons as circumstances may warrant of the decision regarding compliance with the request or demand.

(d) The General Counsel will consult with the Department of Justice regarding legal representation for Corporation Employees in appropriate cases.

§ 1201.7 Procedure when response to demand is required prior to receiving instructions.

(a) If a response to a demand or request for Official Information pursuant to litigation is required before the General Counsel renders a decision, the Corporation will request that either a Department of Justice attorney or a Corporation attorney designated for the purpose:

- (1) Appear, if feasible, with the employee upon whom the demand has been made;
- (2) Furnish the court or other authority with a copy of the regulations contained in this part;
- (3) Inform the court or other authority that the demand or request has been or is being, as the case may be, referred for the prompt consideration of the General Counsel; and
- (4) Respectfully request the court or authority to stay the demand or request pending receipt of the requested instructions.

(b) In the event that an immediate demand or request for production or disclosure is made in circumstances that would preclude the proper designation or appearance of a Department of Justice or Corporation attorney on behalf of the Corporation employee, the Corporation Employee shall respectfully request the court or other authority for a reasonable stay of proceedings for the purpose of obtaining instructions from the Corporation.

§ 1201.8

§ 1201.8 Procedure in the event of an adverse ruling.

If the court or other authority declines to stay the effect of the demand or request in response to a request made pursuant to §1201.7, or if the court or other authority rules that the demand or request must be complied with irrespective of the Corporation's instructions not to produce the material or disclose the information sought, the Corporation Employee upon whom the demand or request has been made shall, if so directed by the General Counsel, respectfully decline to comply with the demand or request, citing *United States ex rel. Touhy v. Ragen*, 340 U.S. 462 (1951), and the regulations in this part.

§ 1201.9 Considerations in determining whether the Corporation will comply with a demand or request.

(a) In deciding whether to comply with a demand or request, Corporation officials and attorneys are encouraged to consider:

- (1) Whether such compliance would be unduly burdensome or otherwise inappropriate under the applicable rules of discovery or the rules of procedure governing the case or matter in which the demand arose;
- (2) Whether compliance is appropriate under the relevant substantive law concerning privilege or disclosure of information;
- (3) The public interest;
- (4) The need to conserve the time of Corporation Employees for the conduct of official business;
- (5) The need to avoid spending the time and money of the United States for private purposes;
- (6) The need to maintain impartiality between private litigants in cases where a government interest is not implicated;
- (7) Whether compliance would have an adverse effect on performance by the Corporation of its mission and duties; and
- (8) The need to avoid involving the Corporation in controversial issues not related to its mission.

(b) Among those demands and requests in response to which compliance may not ordinarily be authorized are those when compliance would:

45 CFR Ch. XII (10–1–24 Edition)

(1) Violate a statute, a rule of procedure, a specific regulation, or an executive order;

(2) Reveal information properly classified in the interest of national security;

(3) Reveal confidential commercial or financial information or trade secrets without the owner's consent;

(4) Reveal the internal deliberative processes of the Executive Branch; or

(5) Potentially impede or prejudice an ongoing law enforcement investigation.

§ 1201.10 Prohibition on providing expert or opinion testimony.

(a) Except as provided in this section, Corporation Employees shall not provide opinion or expert testimony based upon information that they acquired in the scope and performance of their official Corporation duties, except on behalf of the United States or a party represented by the Department of Justice.

(b) Upon a showing by the requester of exceptional need or unique circumstances and that the anticipated testimony will not be adverse to the interests of the United States, the General Counsel, in the exercise of discretion, may grant special, written authorization for Corporation Employees to appear and testify as expert witnesses at no expense to the United States.

(c) If, despite the final determination of the General Counsel, a court of competent jurisdiction or other appropriate authority orders the appearance and expert or opinion testimony of a Corporation Employee such individual shall immediately inform the General Counsel of such order. If the General Counsel determines that no further legal review of or challenge to the court's order will be made, the Corporation Employee shall comply with the order. If so directed by the General Counsel, however, the individual shall respectfully decline to testify.

§ 1201.11 Authority.

The Corporation receives authority to change its governing regulations from the National and Community Service Act of 1990 as amended (42 U.S.C. 12501 *et seq.*).

APPENDIX A TO PART 1203—PROGRAMS TO WHICH THIS PART APPLIES

APPENDIX B TO PART 1203—PROGRAMS TO WHICH THIS PART APPLIES WHEN A PRIMARY OBJECTIVE OF THE FEDERAL FINANCIAL ASSISTANCE IS TO PROVIDE EMPLOYMENT

AUTHORITY: Sec. 602, 78 Stat. 252; 42 U.S.C. 2000d-1.

SOURCE: 39 FR 27322, July 26, 1974, unless otherwise noted.

§ 1203.1 Purpose.

The purpose of this part is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as title VI), to the end that a person in the United States shall not, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under a program or activity receiving Federal financial assistance from ACTION.

§ 1203.2 Application of this part.

(a) This part applies to each program for which Federal financial assistance is authorized under a law administered by ACTION, including the types of Federal financial assistance listed in appendix A to this part. It also applies to money paid, property transferred, or other Federal financial assistance extended after the effective date of this part pursuant to an application approved before that effective date. This part does not apply to:

(1) Federal financial assistance by way of insurance or guaranty contracts;

(2) Money paid, property transferred, or other assistance extended before the effective date of this part, except when the assistance was subject to the title VI regulations of an agency whose responsibilities are now exercised by ACTION;

(3) Assistance to any individual who is the ultimate beneficiary; or

(4) Employment practices, under a program, of an employer, employment agency, or labor organization, except to the extent described in § 1203.4(c).

The fact that a type of Federal financial assistance is not listed in Appendix A to this part does not mean, if title VI is otherwise applicable, that a program is not covered. Other types of Federal financial assistance under statutes now in force or hereinafter enacted may be added to Appendix A to this part.

(b) In a program receiving Federal financial assistance in the form, or for the acquisition, of real property or an interest in real property, to the extent that rights to space on, over, or under that property are included, the non-discrimination requirement of this part extends to a facility located wholly or in part in that space.

§ 1203.4 Discrimination prohibited.

(a) *General*. A person in the United States shall not, on the ground of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under, a program to which this part applies.

(b) *Specific discriminatory actions prohibited*. (1) A recipient to which this part applies may not, directly or through contractual or other arrangements, on the ground of race, color, or national origin—

(i) Deny a person a service, financial aid, or other benefit provided under the program;

(ii) Provide a service, financial aid, or other benefit to a person which is different, or is provided in a different manner, from that provided to others under the program;

(iii) Subject a person to segregation or separate treatment in any matter related to his receipt of a service, financial aid, or other benefit under the program;

(iv) Restrict a person in any way in the enjoyment of an advantage or

privilege enjoyed by others receiving a service, financial aid, or other benefit under the program;

(v) Treat a person differently from others in determining whether he satisfies an admission, enrollment, quota, eligibility, membership, or other requirement or condition which persons must meet in order to be provided a service, financial aid, or other benefit provided under the program;

(vi) Deny a person an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program; or

(vii) Deny a person the opportunity to participate as a member of a planning or advisory body which is an integral part of the program.

(2) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under a program or the class of persons to whom, or the situations in which, the services, financial aid, other benefits, or facilities will be provided under a program, or the class of persons to be afforded an opportunity to participate in a program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting persons to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program with respect to individuals of a particular race, color, or national origin.

(3) The enumeration of specific forms of prohibited discrimination in this paragraph does not limit the generality of the prohibition in paragraph (a) of this section.

(4)(i) In administering a program regarding which the recipient had previously discriminated against persons on the ground of race, color, or national origin, the recipient shall take affirmative action to overcome the effects of prior discrimination.

(ii) Even in the absence of prior discrimination a recipient in administering a program may take affirmative action to overcome the effect of conditions which resulted in limiting

participation by persons of a particular race, color, or national origin.

(c) *Employment practices.* (1) When a primary objective of the Federal financial assistance to which this part applies is to provide employment, a recipient or other party subject to this part shall not, directly or through contractual or other arrangements, subject a person to discrimination on the ground of race, color, or national origin in its employment practices under the program (including recruitment or recruitment advertising, hiring, firing, upgrading, promotion, demotion, transfer, layoff, termination, rates of pay, or other forms of compensation or benefits, selection for training or apprenticeship, use of facilities, and treatment of employees). A recipient shall take affirmative action to insure that applicants are employed, and employees are treated during employment, without regard to race, color, or national origin. The requirements applicable to construction employment under a program are those specified in or pursuant to part III of Executive Order 11246 or any Executive order which supersedes it.

(2) Federal financial assistance to programs under laws funded or administered by ACTION which have as a primary objective the providing of employment include those set forth in Appendix B to this part.

(3) Where a primary objective of the Federal financial assistance is not to provide employment, but discrimination on the ground of race, color, or national origin in the employment practices of the recipient tends, on the ground of race, color, or national origin, to exclude persons from participation in, to deny them the benefits of, or to subject them to discrimination under any program to which this part applies, the provisions of paragraph (c)(1) of this section apply to the employment practices of the recipient to the extent necessary to assure equality of opportunity to and nondiscriminatory treatment of beneficiaries.

(d) In determining the site or location of facilities, a recipient or applicant may not make selections with the purpose or effect of excluding individuals from, denying them the benefits

§ 1203.5

45 CFR Ch. XII (10–1–24 Edition)

of, or subjecting them to discrimination under, a program to which this part applies, on the ground of race, color, or national origin; or with the purpose or effect of defeating or substantially impairing the accomplishment of the objectives of title VI of this part.

[39 FR 27322, July 26, 1974, as amended at 68 FR 51387, Aug. 26, 2003]

§ 1203.5 Assurances required.

(a) *General.* (1) An application for Federal financial assistance to which this part applies, except an application to which paragraph (d) of this section applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of Federal financial assistance pursuant to the application, contain or be accompanied by, assurances that the program will be conducted or the facility operated in compliance with the requirements imposed by or pursuant to this part. Every award of Federal financial assistance shall require the submission of these assurances. In the case where the Federal financial assistance is to provide or is in the form of personal property, or real property or interest therein or structures thereon, the assurances shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the property is used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits, or for as long as the recipient retains ownership or possession of the property, whichever is longer. In other cases, the assurances obligate the recipient for the period during which the Federal financial assistance is extended to the program. In the case where the assistance is sought for the construction of a facility or part of a facility, the assurances shall extend to the entire facility and to the facilities operated in connection therewith. ACTION shall specify the form of the foregoing assurances and the extent to which like assurances will be required of subgrantees, contractors and subcontractors, transferees, successors in interest, and other participants. The assurances shall include

provisions which give the United States the right to seek judicial enforcement.

(2) When Federal financial assistance is provided in the form of a transfer of real property, structures, or improvements thereon, or interest therein, from the Federal Government, the instrument effecting or recording the transfer shall contain a covenant running with the land assuring non-discrimination for the period during which the real property is used for a purpose involving the provision of similar services or benefits. When no transfer of property of interest therein from the Federal Government is involved, but property is acquired or improved with Federal financial assistance, the recipient shall agree to include a covenant in any subsequent transfer of the property. When the property is obtained from the Federal Government, the covenant may also include a condition coupled with a right to be reserved by ACTION to revert title to the property in the event of a breach of the covenant where, in the discretion of ACTION, such a condition and right of reverter is appropriate to the statute under which the real property is obtained and to the nature of the grant and the grantee. In the event a transferee of real property proposes to mortgage or otherwise encumber the real property as security for financing construction of new, or improvement of existing, facilities on property for the purposes for which the property was transferred, ACTION may agree, on request of the transferee and if necessary to accomplish the financing, and on conditions as he deems appropriate, to subordinate a right of reversion to the lien of a mortgage or other encumbrance.

(b) *Assurances from Government agencies.* In the case of an application from a department, agency, or office of a State or local government for Federal financial assistance for a specified purpose, the assurance required by this section shall extend to any other department, agency, or office of the same governmental unit if the policies of the other department, agency, or office will substantially affect the project for which Federal financial assistance is requested.

(c) *Assurance from academic and other institutions.* (1) In the case of an application for Federal financial assistance by an academic institution, the assurance required by this section extends to admission practices and to all other practices relating to the treatment of students.

(2) The assurance required by an academic institution, detention or correctional facility, or any other institution or facility, relating to the institution's practices with respect to admission or other treatment of individuals as students, patients, wards, inmates, persons subject to control, or clients of the institution or facility or to the opportunity to participate in the provision of services, disposition, treatment, or benefits to these individuals, is applicable to the entire institution or facility.

(d) *Continuing Federal financial assistance.* Every application by a State or a State agency for continuing Federal financial assistance to which this part applies (including the types of Federal financial assistance listed in Appendix A to this part) shall as a condition to its approval and the extension of Federal financial assistance pursuant to the application:

(1) Contain or be accompanied by a statement that the program is (or, in the case of a new program, will be) conducted in compliance with the requirements imposed by or pursuant to this part, and

(2) Provide or be accompanied by provision for methods of administration for the program as are found by ACTION to give reasonable guarantee that the applicant and all recipients of Federal financial assistance under the program will comply with the requirements imposed by or pursuant to this part.

(Approved by the Office of Management and Budget under control number 3001-0016, paragraph (a)(1))

[39 FR 27322, July 26, 1974, as amended at 47 FR 3553, Jan. 26, 1982; 68 FR 51387, Aug. 26, 2003]

§ 1203.6 Compliance information.

(a) *Cooperation and assistance.* ACTION, to the fullest extent practicable, shall seek the cooperation of recipients in obtaining compliance with this part

and shall provide assistance and guidance to recipients to help them comply voluntarily with this part.

(b) *Compliance reports.* Each recipient shall keep records and submit to ACTION timely, complete, and accurate compliance reports at the times, and in the form and containing the information ACTION may determine necessary to enable it to ascertain whether the recipient has complied or is complying with this part. In the case in which a primary recipient extends Federal financial assistance to other recipients, the other recipients shall also submit compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this part. In general, recipients should have available for ACTION racial and ethnic data showing the extent to which members of minority groups are beneficiaries of federally assisted programs.

(c) *Access to sources of information.* Each recipient shall permit access by ACTION during normal business hours to its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this part. When information required of a recipient is in the exclusive possession of an other agency, institution, or person and this agency, institution, or person fails or refuses to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons the information regarding the provisions of this part and its applicability to the program for which the recipient received Federal financial assistance, and make this information available to them in the manner, as ACTION finds necessary, to apprise the persons of the protections against discrimination assured them by title VI and this part.

[39 FR 27322, July 26, 1974, as amended at 68 FR 51387, Aug. 26, 2003]

§ 1203.7 Conduct of investigations.

(a) *Periodic compliance reviews.* ACTION may from time to time review the practices of recipients to determine

§ 1203.8

whether they are complying with this part.

(b) *Complaints.* Any person who believes himself or any specific class of persons to be subjected to discrimination prohibited by this part may by himself or by a representative file with ACTION a written complaint. A complaint shall be filed not later than 180 days after the date of the alleged discrimination, unless the time for filing is extended by ACTION.

(c) *Investigations.* ACTION will make a prompt investigation whenever a compliance review, report, complaint, or other information indicates a possible failure to comply with this part. The investigation will include, when appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this part occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this part.

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this part, ACTION will so inform the recipient and the matter will be resolved by voluntary means whenever possible. If it has been determined that the matter cannot be resolved by voluntary means, action will be taken as provided for in § 1203.8.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section, ACTION will so inform, in writing, the recipient and the complainant, if any.

(e) *Intimidatory or retaliatory acts prohibited.* A recipient or other person shall not intimidate, threaten, coerce, or discriminate against an individual for the purpose of interfering with a right or privilege secured by section 601 of title VI of this part, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this part. The identity of complainants shall be kept confidential, except to the extent necessary to carry out the purposes of this part, including the conduct of an investigation, hearing, or judicial proceeding arising thereunder.

45 CFR Ch. XII (10–1–24 Edition)

§ 1203.8 Procedure for effecting compliance.

(a) *General.* (1) If there appears to be a failure or threatened failure to comply with this part, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this part may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by other means authorized by law.

(2) Other means may include, but are not limited to:

(i) A reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce the rights of the United States under a law of the United States (including other titles of the Civil Rights Act of 1964) or an assurance or other contractual undertaking, and

(ii) An applicable proceeding under State or local law.

(b) *Noncompliance with § 1203.5.* If an applicant fails or refuses to furnish an assurance required under § 1203.5 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section, Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. ACTION shall not be required to provide assistance in that case during the pendency of the administrative proceedings under this paragraph. Subject, however, to § 1203.12, ACTION shall continue assistance during the pendency of the proceedings where the assistance is due and payable pursuant to an application approved prior to the effective date of this part.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* An order suspending, terminating, or refusing to grant or to continue Federal financial assistance shall not become effective until—

(1) ACTION has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by informal voluntary means;

(2) There has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this part;

(3) The action has been approved by the Director pursuant to §1203.10(e); and

(4) The expiration of 30 days after the Director has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for the action.

An action to suspend or terminate or refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which the noncompliance has been so found.

(d) *Other means authorized by law.* An action to effect compliance with title VI by other means authorized by law shall not be taken by ACTION until—

(1) ACTION has determined that compliance cannot be secured by voluntary means;

(2) The recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance; and

(3) The expiration of at least 10 days from the mailing of a notice to the recipient or person. During this period of at least 10 days, additional efforts shall be made to persuade the recipient or other person to comply with the regulation and to take corrective action as may be appropriate.

§ 1203.9 Hearings.

(a) *Opportunity for hearing.* When an opportunity for a hearing is required by §1203.8(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either:

(1) Fix a date not less than 20 days after the date of notice within which the applicant or recipient may request of ACTION that the matter be scheduled for hearing; or

(2) Advise the applicant or recipient that the matter in question has been set down for hearing at a stated time and place. The time and place so fixed shall be reasonable and subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this paragraph or to appear at a hearing for which a date has been set is deemed to be a waiver of the right to a hearing under section 602 of title VI and §1203.8(c) and consent to the making of a decision on the basis of the information available.

(b) *Time and place of hearing.* Hearings shall be held at the offices of ACTION in Washington, DC, at a time fixed by ACTION unless it determines that the convenience of the applicant or recipient or of ACTION requires that another place be selected. Hearings shall be held before the Director, or at his discretion, before a hearing examiner appointed in accordance with section 3105 of title 5, United States Code, or detailed under section 3344 of title 5, United States Code.

(c) *Right to counsel.* In all proceedings under this section, the applicant or recipient and ACTION have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and an administrative review thereof shall be conducted in conformity with sections 554 through 557 of title 5, United States Code, and in accordance with the rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments, and briefs, requests for findings, and other related matters. Both ACTION and the applicant or recipient are entitled to introduce relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence do not apply to hearings conducted pursuant

§ 1203.10

45 CFR Ch. XII (10–1–24 Edition)

to this part, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where determined reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. Documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. Decisions shall be based on the hearing record and written findings shall be made.

(e) *Consolidated or joint hearings.* In cases in which the same or related facts are asserted to constitute non-compliance with this part with respect to two or more Federal statutes, authorities, or other means by which Federal financial assistance is extended and to which this part applies, or noncompliance with this part and the regulations of one or more other Federal departments or agencies issued under title VI, ACTION may, by agreement with the other departments or agencies, when applicable, provide for the conduct of consolidated or joint hearings, and for the application to these hearings of rules or procedures not inconsistent with this part. Final decisions in these cases, insofar as this regulation is concerned, shall be made in accordance with § 1203.10.

[39 FR 27322, July 26, 1974, as amended at 68 FR 51387, Aug. 26, 2003]

§ 1203.10 Decisions and notices.

(a) *Procedure on decisions by hearing examiner.* If the hearing is held by a hearing examiner, the hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the Director for a final decision, and a copy of the initial decision or certification shall be mailed to the applicant or recipient. When the initial decision is made by the hearing examiner, the applicant or recipient may, within 30

days after the mailing of a notice of initial decision, file with the Director his exceptions to the initial decision, with his reasons therefor. In the absence of exceptions, the Director may, on his own motion, within 45 days after the initial decision, serve on the applicant or recipient a notice that he will review the decision. On the filing of the exceptions or of notice of review, the Director shall review the initial decision and issue his own decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision, subject to paragraph (e) of this section, shall constitute the final decision of the Director.

(b) *Decisions on record or review by the Director.* When a record is certified to the Director for decision or the Director reviews the decision of a hearing examiner pursuant to paragraph (a) of this section, or when the Director conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with it briefs or other written statements of the recipient's contentions, and a written copy of the final decision of the Director will be sent to the applicant or recipient and to the complainant, if any.

(c) *Decisions on record where a hearing is waived.* When a hearing is waived pursuant to § 1203.9, a decision shall be made by ACTION on the record and a written copy of the decision shall be sent to the applicant or recipient, and to the complainant, if any.

(d) *Rulings required.* Each decision of a hearing examiner or the Director shall set forth a ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this part with which it is found that the applicant or recipient has failed to comply.

(e) *Approval by ACTION.* A final decision by an official of ACTION other than by the Director, which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this part or title VI, shall

promptly be transmitted to the Director, who may approve the decision, vacate it, or remit or mitigate a sanction imposed.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, to which this regulation applies, and may contain the terms, conditions, and other provisions as are consistent with and will effectuate the purposes of title VI and this part, including provisions designed to assure that Federal financial assistance to which this regulation applies will not thereafter be extended to the applicant or recipient determined by the decision to be in default in its performance of an assurance given by it under this part, or to have otherwise failed to comply with this part, unless and until it corrects its noncompliance and satisfies ACTION that it will fully comply with this part.

(g) *Post-termination proceedings.* (1) An applicant or recipient adversely affected by an order issued under paragraph (f) of this section shall be restored to full eligibility to receive Federal financial assistance if it satisfies the terms and conditions of the order for eligibility, or if it brings itself into compliance with this part and provides reasonable assurance that it will fully comply with this part.

(2) An applicant or recipient adversely affected by an order entered pursuant to paragraph (f) of this section may at any time request ACTION to restore fully its eligibility to receive Federal financial assistance. A request shall be supported by information showing that the applicant or recipient has met the requirements of paragraph (g)(1) of this section. If ACTION determines that those requirements have been satisfied, it shall restore the eligibility.

(3) If ACTION denies a request, the applicant or recipient may submit a request for a hearing in writing, specifying why it believes ACTION is in error. The applicant or recipient shall be given an expeditious hearing, with a decision on the record in accordance with the rules or procedures issued by ACTION. The applicant or recipient shall be restored to eligibility if it

proves at the hearing that it satisfied the requirements of paragraph (g)(1) of this section. While proceedings under this paragraph are pending, the sanctions imposed by the order issued under paragraph (f) of this section remain in effect.

§ 1203.11 Judicial review.

Action taken pursuant to section 602 of title VI is subject to judicial review as provided in section 603 of title VI.

§ 1203.12 Effect on other regulations, forms, and instructions.

(a) *Effect on other regulations.* Regulations, orders, or like directions issued before the effective date of this part by ACTION which impose requirements designed to prohibit discrimination against individuals on the ground of race, color, or national origin to which this part applies, and which authorizes the suspension or termination of or refusal to grant or to continue Federal financial assistance to an applicant for or recipient of assistance under a program for failure to comply with the requirements, are superseded to the extent that discrimination is prohibited by this part, except that nothing in this part relieves a person of an obligation assumed or imposed under a superseded regulation, order, instruction, or like direction, before the effective date of this part. This part does not supersede any of the following (including future amendments thereof):

(1) Executive Order 11246 (3 CFR, 1965 Supp.) and regulations issued there under or

(2) Any other orders, regulations, or instructions, insofar as these orders, regulations, or instructions prohibit discrimination on the ground of race, color, or national origin in a program or situation to which this part is inapplicable, or prohibit discrimination on any other ground.

(b) *Forms and instructions.* ACTION shall issue and promptly make available to all interested persons forms and detailed instructions and procedures for effectuating this part as applied to programs to which this part applies, and for which it is responsible.

(c) *Supervision and coordination.* ACTION may from time to time assign to officials of ACTION, or to officials of other departments or agencies of the Government with the consent of the departments or agencies, responsibilities in connection with the effectuation of the purposes of title VI and this part (other than responsibilities for final decision as provided in §1203.10), including the achievement of effective coordination and maximum uniformity within ACTION and within the executive branch in the application of title VI and this part to similar programs and in similar situations. An action taken, determination made, or requirement imposed by an official of another department or agency acting pursuant to an assignment of responsibility under this paragraph shall have the same effect as though the action had been taken by ACTION.

(b) The term *CEO* means the Chief Executive Officer of the Corporation.

(c) The term *responsible Corporation official* means the CEO, Chief Financial Officer, the Director of the National Senior Service Corps programs, the appropriate Service Center Director and any Corporation for National and Community Service (CNCS) Headquarters or State office official who is authorized to make the grant or assistance in question. In addition to the foregoing officials, in the case of the suspension proceedings described in §1206.1-4, the term “responsible Corporation official” shall also include a designee of a CNCS official who is authorized to make the grant of assistance in question.

[69 FR 19110, Apr. 12, 2004, as amended at 80 FR 63457, Oct. 20, 2015]

§ 1206.1-4 Suspension.

(a) *General.* The responsible Corporation official may suspend financial assistance to a recipient in whole or in part for a material failure or threatened material failure to comply with any requirement stated in §1206.1-1. Such suspension shall be pursuant to notice and opportunity to show cause why assistance should not be suspended as provided in paragraph (b) of this section. However, in emergency cases, where the responsible Corporation official determines summary action is appropriate, the alternative summary

procedure of paragraph (c) of this section shall be followed.

(b) *Suspension on notice.* (1) Except as provided in paragraph (c) of this section, the procedure for suspension shall be on notice of intent to suspend as hereinafter provided.

(2) The responsible Corporation official shall notify the recipient by letter or by telegram that the Corporation intends to suspend assistance in whole or in part unless good cause is shown why assistance should not be suspended. In such letter or telegram the responsible Corporation official shall specify the grounds for the proposed suspension and the proposed effective date of the suspension.

(3) The responsible Corporation official shall also inform the recipient of its right to submit written material in opposition to the intended suspension and of its right to request an informal meeting at which the recipient may respond and attempt to show why such suspension should not occur. The period of time within which the recipient may submit such written material or request the informal meeting shall be established by the responsible Corporation official in the notice of intent to suspend. However, in no event shall the period of time within which the recipient must submit written material or request such a meeting be less than 5 days after the notice of intent to suspend assistance has been sent. If the recipient requests a meeting, the responsible Corporation official shall fix a time and place for the meeting, which shall not be less than 5 days after the recipient's request is received by the Corporation.

(4) In lieu of the provisions of paragraph (b)(3) of this section dealing with the right of the recipient to request an informal meeting, the responsible Corporation official may on his own initiative establish a time and place for such a meeting and notify the recipient in writing or by telegram. However, in no event shall such a meeting be scheduled less than seven days after the notice of intent to suspend assistance is sent to the recipient.

(5) The responsible Corporation official may in his discretion extend the period of time or date referred to in the previous paragraphs of this section and

shall notify the recipient in writing or by telegram of any such extension.

(6) At the time the responsible Corporation official sends the notification referred to in paragraphs (b)(2), (3), and (4) of this section to the recipient, he shall also send a copy of it to any agency whose activities or failures to act have substantially contributed to the proposed suspension, and shall inform such agency that it is entitled to submit written material or to participate in the informal meeting referred to in paragraphs (b)(3) and (4) of this section. In addition the responsible Corporation official may in his discretion give such notice to any other agency.

(7) Within 3 days of receipt of the notice referred to in paragraphs (b)(2), (3), and (4) of this section, the recipient shall send a copy of such notice and a copy of these regulations to all agencies which would be financially affected by the proposed suspension action. Any agency that wishes to submit written material may do so within the time stated in the notice. Any agency that wishes to participate in the informal meeting with the responsible Corporation official contemplated herein may request permission to do so from the responsible Corporation official, who may in his discretion grant or deny such permission. In acting upon any such request from an agency, the responsible Corporation official shall take into account the effect of the proposed suspension on the particular agency, the extent to which the meeting would become unduly complicated as a result of granting such permission, and the extent to which the interests of the agency requesting such permission appear to be adequately represented by other participants.

(8) In the notice of intent to suspend assistance the responsible Corporation official shall invite voluntary action to adequately correct the deficiency which led to the initiation of the suspension proceeding.

(9) The responsible Corporation official shall consider any timely material presented to him in writing, any material presented to him during the course of the informal meeting provided for in paragraphs (b)(3) and (4) of this section

as well as any showing that the recipient has adequately corrected the deficiency which led to the initiation of suspension proceedings. If after considering the material presented to him the responsible Corporation official concludes the recipient has failed to show cause why assistance should not be suspended, he may suspend assistance in whole or in part and under such terms and conditions as he shall specify.

(10) Notice of such suspension shall be promptly transmitted to the recipient and shall become effective upon delivery. Suspension shall not exceed 30 days unless during such period of time termination proceedings are initiated in accordance with §1206.1-5, or unless the responsible Corporation official and the recipient agree to a continuation of the suspension for an additional period of time. If termination proceedings are initiated, the suspension of assistance shall remain in full force and effect until such proceedings have been fully concluded.

(11) During a period of suspension no new expenditures shall be made and no new obligations shall be incurred in connection with the suspended program except as specifically authorized in writing by the responsible Corporation official. Expenditures to fulfill legally enforceable commitments made prior to the notice of suspension, in good faith and in accordance with the recipient's approved work program, and not in anticipation of suspension or termination, shall not be considered new expenditures. However, funds shall not be recognized as committed solely because the recipient has obligated them by contract or otherwise to an agency.

NOTE: Willful misapplication of funds may violate Federal criminal statutes.

(12) The responsible Corporation official may in his discretion modify the terms, conditions and nature of the suspension or rescind the suspension action at any time on his own initiative or upon a showing satisfactory to him that the recipient had adequately corrected the deficiency which led to the suspension and that repetition is not threatened. Suspensions partly or fully rescinded may, in the discretion of the responsible Corporation official

be reimposed with or without further proceedings: *Provided however*, That the total time of suspension may not exceed 30 days unless termination proceedings are initiated in accordance with §1206.1-5 or unless the responsible Corporation official and the recipient agree to a continuation of the suspension for an additional period of time. If termination proceedings are initiated, the suspension of assistance shall remain in full force and effect until such proceedings have been fully concluded.

(c) *Summary suspension.* (1) The responsible Corporation official may suspend assistance without the prior notice and opportunity to show cause provided in paragraph (b) of this section if he determines in his discretion that immediate suspension is necessary because of a serious risk of:

(i) Substantial injury to or loss of project funds or property, or

(ii) Violation of a Federal, State or local criminal statute, or

(iii) Violation of section 403 of the DVSA or of Corporation rules, regulations, guidelines and instructions implementing this section of the DVSA, and that such risk is sufficiently serious to outweigh the general policy in favor of advance notice and opportunity to show cause.

(2) Notice of summary suspension shall be given to the recipient by letter or by telegram, shall become effective upon delivery to the recipient, and shall specifically advise the recipient of the effective date of the suspension and the extent, terms, and condition of any partial suspension. The notice shall also forbid the recipient to make any new expenditures or incur any new obligations in connection with the suspended portion of the program. Expenditures to fulfill legally enforceable commitments made prior to the notice of suspension, in good faith and in accordance with the recipient's approved work program, and not in anticipation of suspension or termination, shall not be considered new expenditures. However, funds shall not be recognized as committed by a recipient solely because the recipient obligated them by contract or otherwise to an agency. (See note under paragraph (b)(11) of this section.)

(3) In the notice of summary suspension the responsible Corporation official shall advise the recipient that it may request the Corporation to provide it with an opportunity to show cause why the summary suspension should be rescinded. If the recipient requests such an opportunity, the responsible Corporation official shall immediately inform the recipient in writing of the specific grounds for the suspension and shall within 7 days after receiving such request from the recipient hold an informal meeting at which the recipient may show cause why the summary suspension should be rescinded. Notwithstanding the provisions of this paragraph, the responsible Corporation official may proceed to initiate termination proceedings at any time even though assistance to the recipient has been suspended in whole or in part. In the event that termination proceedings are initiated, the responsible Corporation official shall nevertheless afford the recipient, if it so requests, an opportunity to show cause why suspension should be rescinded pending the outcome of the termination proceedings.

(4) Copies of the notice of summary suspension shall be furnished by the recipient to agencies in the same manner as notices of intent to suspend as set forth in paragraphs (b)(6), (7), and (8) of this section. Agencies may submit written material to the responsible Corporation official or to participate in the informal meeting as in the case of intended suspension proceedings set forth in paragraphs (b)(6) and (7) of this section.

(5) The effective period of a summary suspension of assistance may not exceed 30 days unless termination proceedings are initiated in accordance with §1206.1-5, or unless the parties agree to a continuation of summary suspension for an additional period of time, or unless the recipient, in accordance with paragraph (c)(3) of this section, requests an opportunity to show cause why the summary suspension should be rescinded.

(6) If the recipient requests an opportunity to show cause why a summary suspension action should be rescinded the suspension of assistance shall continue in effect until the recipient has

been afforded such opportunity and a decision has been made. Such a decision shall be made within 5 days after the conclusion of the informal meeting referred to in paragraph (c)(3) of this section. If the responsible Corporation official concludes, after considering all material submitted to him, that the recipient has failed to show cause why the suspension should be rescinded, the responsible Corporation official may continue the suspension in effect for an additional 7 days: *Provided however*, That if termination proceedings are initiated, the summary suspension of assistance shall remain in full force and effect until all termination proceedings have been fully concluded.

§ 1206.1-5 Termination.

(a) If the responsible Corporation official believes that an alleged failure to comply with any requirement stated in §1206.1-1 may be sufficiently serious to warrant termination of assistance, whether or not assistance has been suspended, he shall so notify the recipient by letter or telegram. The notice shall state that there appear to be grounds which warrant terminating the assistance and shall set forth the specific reasons therefore. If the reasons result in whole or substantial part from the activities of an agency other than the grantee, the notice shall identify that agency. The notice shall also advise the recipient that the matter has been set down for hearing at a stated time and place, in accordance with §1206.1-6. In the alternative the notice shall advise the recipient of its right to request a hearing and shall fix a period of time which shall not be less than 10 days in which the recipient may request such a hearing.

(b) Termination hearings shall be conducted in accordance with the provision of §§1206.1-7 and 1206.1-8. They shall be scheduled for the earliest practicable date, but not later than 30 days after a recipient has requested such a hearing in writing or by telegram. Consideration shall be given to a request by a recipient to advance or postpone the date of a hearing scheduled by the Corporation. Any such hearing shall afford the recipient a full and fair opportunity to demonstrate that it is in

compliance with requirements specified in §1206.1-1. In any termination hearing, the Corporation shall have the burden of justifying the proposed termination action. However, if the basis of the proposed termination is the failure of a recipient to take action required by law, regulation, or other requirement specified in §1206.1-1, the recipient shall have the burden of proving that such action was timely taken.

(c) If a recipient requests the Corporation to hold a hearing in accordance with paragraph (a) of this section, it shall send a copy of its request for such a hearing to all agencies which would be financially affected by the termination of assistance and to each agency identified in the notice pursuant to paragraph (a) of this section. This material shall be sent to these agencies at the same time the recipient's request is made to the Corporation. The recipient shall promptly send to the Corporation a list of the agencies to which it has sent such material and the date on which it was sent.

(d) If the responsible Corporation official pursuant to paragraph (a) of this section informs a recipient that a proposed termination action has been set for hearing, the recipient shall within 5 days of its receipt of this notice send a copy of it to all agencies which would be financially affected by the termination and to each agency identified in the notice pursuant to paragraph (a) of this section. The recipient shall send the responsible Corporation official a list of all agencies notified and the date of notification.

(e) If the responsible Corporation official has initiated termination proceedings because of the activities of an agency, that agency may participate in the hearing as a matter of right. Any other agency, person, or organization that wishes to participate in the hearing may, in accordance with §1206.1-7(d), request permission to do so from the presiding officer of the hearing. Such participation shall not, without the consent of the Corporation and the recipient, alter the time limitations for the delivery of papers or other procedures set forth in this section.

(f) The results of the proceeding and any subsequent measure taken by the Corporation pursuant to this part shall

be fully binding upon the recipient and all agencies whether or not they actually participated in the hearing.

(g) A recipient may waive a hearing by notice to the responsible Corporation official in writing and submit written information and argument for the record. Such material shall be submitted to the responsible Corporation official within a reasonable period of time to be fixed by him upon the request of the recipient. The failure of a recipient to request a hearing, or to appear at a hearing for which a date has been set, unless excused for good cause, shall be deemed a waiver of the right to a hearing and consent to the making of a decision on the basis of such information as is then in the possession of the Corporation.

(h) The responsible Corporation official may attempt, either personally or through a representative, to resolve the issues in dispute by informal means prior to the date of any applicable hearing.

§ 1206.1-6 Time and place of termination hearings.

The termination hearing shall be held in Washington, DC, or in the appropriate Service Center or Corporation State Office, at a time and place fixed by the responsible Corporation official unless he determines that for the convenience of the Corporation, or of the parties or their representatives, requires that another place be selected.

§ 1206.1-7 Termination hearing procedures.

(a) *General.* The termination hearing, decision, and any review shall be conducted in accordance with the rules of procedure in this section and §§1206.1-8 and 1206.1-9.

(b) *Presiding officer.* (1) The presiding officer at the hearing shall be the responsible Corporation official or, at the discretion of the responsible Corporation official, an independent hearing examiner designated as promptly as possible in accordance with section 3105 of title 5 of the United States Code. The presiding officer shall conduct a full and fair hearing, avoid delay, maintain order, and make a sufficient record for a full and true disclosure of the facts and issues. To accomplish

these ends, the presiding officer shall have all powers authorized by law, and he may make all procedural and evidentiary rulings necessary for the conduct of the hearing. The hearing shall be open to the public unless the presiding officer for good cause shown shall otherwise determine.

(2) After the notice described in paragraph (f) of this section is filed with the presiding officer, he shall not consult any person or party on a fact in issue unless on written notice and opportunity for all parties to participate. However, in performing his functions under this part the presiding officer may use the assistance and advice of an attorney designated by the General Counsel of the Corporation: *Provided*, That the attorney designated to assist him has not represented the Corporation or any other party or otherwise participated in a proceeding, recommendation, or decision in the particular matter.

(c) *Presentation of evidence.* Both the Corporation and the recipient are entitled to present their case by oral or documentary evidence, to submit rebuttal evidence and to conduct such examination and cross-examination as may be required for a full and true disclosure of all facts bearing on the issues. The issues shall be those stated in the notice required to be filed by paragraph (f) of this section, those stipulated in a prehearing conference or those agreed to by the parties.

(d) *Participation.* (1) In addition to the Corporation, the recipient, and any agency which has a right to appear, the presiding officer in his discretion may permit the participation in the proceedings of such persons or organizations as he deems necessary for a proper determination of the issues involved. Such participation may be limited to those issues or activities which the presiding officer believes will meet the needs of the proceeding, and may be limited to the filing of written material.

(2) Any person or organization that wishes to participate in a proceeding may apply for permission to do so from the presiding officer. This application, which shall be made as soon as possible after the notice of suspension or proposed termination has been received by

the recipient, shall state the applicant's interest in the proceeding, the evidence or arguments the applicant intends to contribute, and the necessity for the introduction of such evidence or arguments.

(3) The presiding officer shall permit or deny such participation and shall give notice of his decision to the applicant, the recipient, and the Corporation, and, in the case of denial, a brief statement of the reasons for his decision: *Provided however*, That the presiding officer may subsequently permit such participation if, in his opinion, it is warranted by subsequent circumstances. If participation is granted, the presiding officer shall notify all parties of that fact and may, in appropriate cases, include in the notification a brief statement of the issues as to which participation is permitted.

(4) Permission to participate to any extent is not a recognition that the participant has any interest which may be adversely affected or that the participant may be aggrieved by any decision, but is allowed solely for the aid and information of the presiding officer.

(e) *Filing.* All papers and documents which are required to be filed shall be filed with the presiding officer. Prior to filing, copies shall be sent to the other parties.

(f) *Notice.* The responsible Corporation official shall send the recipient and any other party a written notice which states the time, place, nature of the hearing, the legal authority and jurisdiction under which the hearing is to be held. The notice shall also identify with reasonable specificity the facts relied on as justifying termination and the Corporation requirements which it is contended the recipient has violated. The notice shall be filed and served not later than 10 days prior to the hearing and a copy thereof shall be filed with the presiding officer.

(g) *Notice of intention to appear.* The recipient and any other party which has a right or has been granted permission to participate in the hearing shall give written confirmation to the Corporation of its intention to appear at the hearing 3 days before it is scheduled to occur. Failing to do so may, at the discretion of the presiding officer,

be deemed a waiver of the right to a hearing.

(h) *Form and date of service.* All papers and documents filed or sent to party shall be signed in ink by the appropriate party or his authorized representative. The date on which papers are filed shall be the day on which the papers or documents are deposited, postage prepaid in the U.S. mail, or are delivered in person: *Provided however,* That the effective date of the notice that there appear to be grounds which warrant terminating assistance shall be the date of its delivery or attempted delivery at the recipient's last known address as reflected in the records of the Corporation.

(i) *Prehearing conferences.* Prior to the commencement of a hearing the presiding officer may, subject to the provisions of paragraph (b)(2) of this section, require the parties to meet with him or correspond with him concerning the settlement of any matter which will expedite a quick and fair conclusion of the hearing.

(j) *Evidence.* Technical rules of evidence shall not apply to hearings conducted pursuant to this subpart, but the presiding officer shall apply rules or principles designed to assure production of relevant evidence and to subject testimony to such examination and cross examination as may be required for a full and true disclosure of the facts. The presiding officer may exclude irrelevant, immaterial, or unduly repetitious evidence. A transcription shall be made of the oral evidence and shall be made available to any participant upon payment of the prescribed costs. All documents and other evidence submitted shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues.

(k) *Depositions.* If the presiding officer determines that the interests of justice would be served, he may authorize the taking of depositions provided that all parties are afforded an opportunity to participate in the taking of the depositions. The party who requested the deposition shall arrange for a transcript to be made of the proceedings and shall upon request, and at

his expense, furnish all other parties with copies of the transcript.

(l) *Official notice.* Official notice may be taken of a public document, or part of a public document, such as a statute, official report, decision, opinion or published scientific data issued by any agency of the Federal Government or a State or local government and such document or data may be entered on the record without further proof of authenticity. Official notice may also be taken of such matters as may be judicially noticed in the courts of the United States, or any other matter of established fact within the general knowledge of the Corporation. If the decision of the presiding officer rests on official notice of a material fact not appearing in evidence, a party shall on timely request be afforded an opportunity to show the contrary.

(m) *Proposed findings and conclusions.* After the hearing has concluded, but before the presiding officer makes his decision, he shall afford each participant a reasonable opportunity to submit proposed findings of fact and conclusions. After considering each proposed finding or conclusion the presiding officer shall state in his decision whether he has accepted or rejected them in accordance with the provisions of § 1206.1-8(a).

§ 1206.1-8 Decisions and notices regarding termination.

(a) Each decision of a presiding officer shall contain his findings of fact, and conclusions, and shall state whether he has accepted or rejected each proposed finding of fact and conclusion submitted by the parties, pursuant to § 1206.1-7(m). Findings of fact shall be based only upon evidence submitted to the presiding officer and matters of which official notice has been taken. The decision shall also specify the requirement or requirements with which it is found that the recipient has failed to comply.

(b) The decision of the presiding officer may provide for continued suspension or termination of assistance to the recipient in whole or in part, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the DVSA.

(c) If the hearing is held by an independent hearing examiner rather than by the responsible Corporation official, he shall make an initial decision, and a copy of this initial decision shall be mailed to all parties. Any party may, within 20 days of the mailing of such initial decision, or such longer period of time as the presiding officer specifies, file with the responsible Corporation official his written exceptions to the initial decision and any supporting brief or statement. Upon the filing of such exceptions, the responsible Corporation official shall, within 20 days of the mailing of the exceptions, review the initial decision and issue his own written decision thereof, including the reasons therefore. The decision of the responsible Corporation official may increase, modify, approve, vacate, remit, or mitigate any sanction imposed in the initial decision or may remand the matter to the presiding officer for further hearing or consideration.

(d) Whenever a hearing is waived, a decision shall be made by the responsible Corporation official and a written copy of the final decision of the responsible Corporation official shall be given to the recipient.

(e) The recipient may request the CEO to review a final decision by the responsible Corporation official which provides for the termination of assistance. Such a request must be made in writing within 15 days after the recipient has been notified of the decision in question and must state in detail the reasons for seeking the review. In the event the recipient requests such a review, the CEO or his designee shall consider the reasons stated by the recipient for seeking the review and shall approve, modify, vacate or mitigate any sanction imposed by the responsible Corporation official or remand the matter to the responsible Corporation official for further hearing or consideration. The decision of the responsible Corporation official will be given great weight by the CEO or his designee during the review. During the course of his review the CEO or his designee may, but is not required to, hold a hearing or allow the filing of briefs and arguments. Pending the decision of the CEO or his designee assistance

shall remain suspended under the terms and conditions specified by the responsible Corporation official, unless the responsible Corporation official or the CEO or his designee otherwise determines. Every reasonable effort shall be made to complete the review by the CEO or his designee within 30 days of receipt by the CEO of the recipient's request. The CEO or his designee may however extend this period of time if he determines that additional time is necessary for an adequate review.

§ 1206.1-9 Right to counsel; travel expenses.

In all formal or informal proceedings under this subpart, the recipient and the Corporation shall have the right to be represented by counsel or other authorized representatives. If the recipient and any agency which has a right to participate in an informal meeting pursuant to §1206.1-4 or a termination hearing pursuant to §1206.1-7 do not have an attorney acting in that capacity as a regular member of the staff of the organization or a retainer arrangement with an attorney, the Boards of Directors of such recipient and agency will be authorized to designate an attorney to represent their organizations at any such show cause proceeding or termination hearing and to transfer sufficient funds from the Federal grant monies they have received for the project to pay the fees, travel, and per diem expenses of such attorney. The fees for such attorney shall be the reasonable and customary fees for an attorney practicing in the locality of the attorney. However, such fees shall not exceed \$100 per day without the prior express written approval of the Corporation. Travel and per diem expenses may be paid to such attorney only in accordance with the policies set forth in the federal government travel regulations. The Boards of Directors of the recipient or any agency which has a right to participate in an informal meeting pursuant to §1206.1-4 or a termination hearing pursuant to §1206.1-7 will also be authorized to designate two persons in addition to an attorney whose travel and per diem expenses to attend the meeting or hearing may be paid from Federal grant or contract

Corporation for National and Community Service

§ 1206.2-4

monies. Such travel and per diem expenses shall conform to the policies set forth in the federal government travel regulations.

§ 1206.1-10 Modification of procedures by consent.

The responsible Corporation official or the presiding officer of a termination hearing may alter, eliminate or modify any of the provisions of this subpart with the consent of the recipient and, in the case of a termination hearing, with the consent of all agencies that have a right to participate in the hearing pursuant to §1206.1-5(e). Such consent must be in writing or be recorded in the hearing transcript.

§ 1206.1-11 Other remedies.

The procedures established by this subpart shall not preclude the Corporation from pursuing any other remedies authorized by law.

Subpart B—Denial of Application for Refunding

§ 1206.2-1 Applicability of this subpart.

This subpart applies to grantees and contractors receiving financial assistance under title II of the DVSA. The procedures in the subpart do not apply to review of applications for sponsors who receive VISTA members under the DVSA.

[80 FR 63457, Oct. 20, 2015]

§ 1206.2-2 Purpose.

This subpart establishes rules and review procedures for the denial of a current recipient's application for refunding.

§ 1206.2-3 Definitions.

As used in this subpart, "Corporation", "CEO", and "recipient" are defined in accordance with §1206.1-3.

Financial assistance and *assistance* include the services of National Senior Service Corps volunteers supported in whole or in part with CNCS funds under the DVSA.

Program account includes assistance provided by CNCS to support a particular program activity; for example, Foster Grandparent Program, Senior

Companion Program and Retired Senior Volunteer Program.

Refunding includes renewal of an application for the assignment of National Senior Service Corps volunteers.

[80 FR 63457, Oct. 20, 2015]

§ 1206.2-4 Procedures.

(a) The procedures set forth in paragraphs (b) through (g) of this section applies only where an application for refunding submitted by a current recipient is rejected or is reduced to 80 percent or less of the applied-for level of funding or the recipient's current level of operations, whichever is less. It is further a condition for application of these procedures that the rejection or reduction be based on circumstances related to the particular grant or contract. These procedures do not apply to reductions based on legislative requirements, or on general policy or in instances where, regardless of a recipient's current level of operations, its application for refunding is not reduced by 20 percent or more. The fact that the basis for rejecting an application may also be a basis for termination under subpart A of this part shall not prevent the use of this subpart to the exclusion of the procedures in subpart A.

(b) Before rejecting an application of a recipient for refunding the Corporation shall notify the recipient of its intention, in writing, at least 75 days before the end of the recipient's current program year or grant budget period. The notice shall inform the recipient that a tentative decision has been made to reject or reduce an application for refunding. The notice shall state the reasons for the tentative decision to which the recipient shall address itself if it wishes to make a presentation as described in paragraphs (c) and (d) of this section.

(c) If the notice of tentative decision is based on any reasons, other than those described in paragraph (d) of this section, including, but not limited to, situations in which the recipient has ineffectively managed Corporation resources or substantially failed to comply with Corporation policy and overall objectives under a contract or grant agreement with the Corporation, the

§ 1206.2-5

recipient shall be informed in the notice, of the opportunity to submit written material and to meet informally with a Corporation official to show cause why its application for refunding should not be rejected or reduced. If the recipient requests an informal meeting, such meeting shall be held on a date specified by the Corporation. However, the meeting may not, without the consent of the recipient, be scheduled sooner than 14 days, nor more than 30 days, after the Corporation has mailed the notice to the recipient. If the recipient requests an informal meeting, the meeting shall be scheduled by the Corporation as soon as possible after receipt of the request. The official who shall conduct this meeting shall be a Corporation official who is authorized to finally approve the refunding in question, or his designee.

(d) If the notice of tentative decision is based upon a specific charge of failure to comply with the terms and conditions of the grant or contract, alleging wrongdoing on the part of the recipient, the notice shall offer the recipient an opportunity for an informal hearing before a mutually agreed-upon impartial hearing officer. The authority of such hearing officer shall be limited to conducting the hearing and offering recommendations. The Corporation will retain all authority to make the final determination as to whether the application should be finally rejected or reduced. If the recipient requests an informal hearing, such hearing shall be held at a date specified by the Corporation. However, such hearing may not, without the consent of the recipient, be scheduled sooner than 14 days nor more than 30 days after the Corporation mails the notice to the recipient.

(e) In the selection of a hearing official and the location of either an informal meeting or hearing, the Corporation, while mindful of considerations of the recipient, will take care to insure that costs are kept to a minimum. The informal meeting or hearing shall be held in the city or county in which the

45 CFR Ch. XII (10-1-24 Edition)

recipient is located, in the appropriate Service Center or Corporation State Office, or another appropriate location. Within the limits stated in the preceding sentence, the decision as to where the meeting shall be held will be made by the Corporation, after weighing the convenience factors of the recipient. For the convenience of the recipient, the Corporation will pay the reasonable travel expenses for up to two representatives of the recipient, if requested.

(f) The recipient shall be informed of the final Corporation decision on refunding and the basis for the decision by the deciding official.

(g) If the recipient's budget period expires prior to the final decision by the deciding official, the recipient's authority to continue program operations shall be extended until such decision is made and communicated to the recipient. If a National Senior Service Corps volunteer's term of service expires after receipt by a sponsor of a tentative decision not to refund a project, the period of service of the volunteer may be similarly extended. No volunteers may be reenrolled for a period of service while a tentative decision not to refund is pending. If program operations are so extended, CNCS and the recipient shall provide, subject to the availability of funds, operating funds at the same levels as in the previous budget period to continue program operations.

§ 1206.2-5 Right to counsel.

In all formal or informal proceedings under this subpart, the recipient and the Corporation shall have the right to be represented by counsel or other authorized representatives, at their own expense.

(ii) Has a physical or mental impairment that substantially limit major life activities only as a result of the attitudes of others toward such impairment; or

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Qualified individual with handicaps means—

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(4) *Qualified handicapped person* as that term is defined for purposes of employment in 29 CFR 1613.702(f), which is made applicable to this part by § 1214.140.

L. 93–516, 88 Stat. 1617); the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978 (Pub. L. 95–602, 92 Stat. 2955); the Rehabilitation Act Amendments of 1986 (Pub. L. 99–506, 100 Stat. 1810), and the Civil Rights Restoration Act of 1987 (Pub. L. 100–259, 102 Stat. 28). As used in this part, section 504 of the Act applies only to programs or activities conducted by Executive agencies and not to federally assisted programs.

§§ 1214.104–1214.109 [Reserved]

§ 1214.110 Self-evaluation.

(a) The agency shall, within one year of the effective date of this part, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, for at least three years following completion of the self-evaluation, required under paragraph (a) of this section, maintain on file and make available for public inspection—

(1) A description of areas examined and any problems identified; and

(2) A description of any modifications made.

§ 1214.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 of the Act and this part.

§§ 1214.112–1214.129 [Reserved]**§ 1214.130 General prohibitions against discrimination.**

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with aid, benefit, or service that is not as effective in affording equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to partici-

pate as a member of planning or advisory boards; or

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would be to—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 1214.131–1214.139 [Reserved]

§ 1214.140 **Employment.**

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1214.141–1214.148 [Reserved]

§ 1214.149 **Program accessibility: Discrimination prohibited.**

Except as otherwise provided in § 1214.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1214.150 **Program accessibility: Existing facilities.**

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1214.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the

agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section within sixty days of the effective date of this part except that where structural changes in facilities are undertaken, such changes shall be made within three years of the effective date of this part, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be

undertaken to achieve program accessibility, the agency shall develop, within six months of the effective date of this part, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the agency official responsible for implementation of the plan.

§ 1214.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 1214.152–1214.159 [Reserved]

§ 1214.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary

to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid will be provided, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide a sign at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be displayed at each primary entrance to each accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1214.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply

§§ 1214.161–1214.169

with this section would result in such alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 1214.161–1214.169 [Reserved]

§ 1214.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) Responsibility for implementation and operation of this section shall be vested in the Director, Equal Opportunity Staff.

PART 1216—NONDISPLACEMENT OF EMPLOYED WORKERS AND NONIMPAIRMENT OF CONTRACTS FOR SERVICE

Sec.

1216.1–1 Purpose.

1216.1–2 Applicability of this part.

1216.1–3 Policy.

1216.1–4 Exceptions.

AUTHORITY: 42 U.S.C. 5044(a).

SOURCE: 40 FR 16209, Apr. 10, 1975, unless otherwise noted.

§ 1216.1–1 Purpose.

This part establishes rules to assure that the services of volunteers in the Foster Grandparent Program, the Senior Companion Program, and The Retired and Senior Volunteer Program (RSVP), are limited to activities which would not otherwise be performed by employed workers and which will not supplant the hiring of, or result in the displacement of employed workers or impair existing contracts for service. This part implements section 404(a) of

45 CFR Ch. XII (10–1–24 Edition)

the Domestic Volunteer Service Act of 1973, Public Law 93–113 (the “Act”).

[80 FR 63457, Oct. 20, 2015]

§ 1216.1–2 Applicability of this part.

(a) All volunteers in either the Foster Grandparent Program, the Senior Companion Program, or The Retired and Senior Volunteer Program (RSVP), who are assigned, referred or serving pursuant to grants, contracts, or agreements made pursuant to the Act.

(b) All agencies and organizations to which the volunteers in paragraph (a) of this section are assigned, referred or provide services.

[40 FR 16209, Apr. 10, 1975, as amended at 80 FR 63457, Oct. 20, 2015]

§ 1216.1–3 Policy.

(a) Volunteers enrolled or participating in programs referred to in paragraphs (a) and (b) of § 1216.1–2 may not perform any services or duties or engage in activities which would otherwise be performed by an employed worker as part of his assigned duties as an employee.

(b) Volunteer referred to in paragraph (a) of this section may not perform any services or duties or engage in activities which will supplant the hiring of employed workers. This prohibition is violated if, prior to engaging a volunteer, an agency or organization referred to in § 1216.1–2(c) had intended to hire a person to undertake all or a substantial part of the services, duties, or other activities to be provided by the volunteer.

(c) Volunteers referred to in paragraph (a) of this section may not perform any services or duties or engage in activities which result in the displacement of employed workers. Such volunteers may not perform services or duties which have been performed by or were assigned to, any of the following:

- (1) Presently employed workers,
- (2) Employees who recently resigned or were discharged,
- (3) Employees who are on leave (terminal, temporary, vacation, emergency, or sick), or
- (4) Employees who are on strike or who are being locked out.

(d) Volunteers referred to in paragraph (a) of this section may not perform any services or duties or engage in activities which impair existing contracts for service. This prohibition is violated if a contract for services is modified or cancelled because an agency or organization referred to in § 1216.1-2(b) engages a volunteer to provide or perform all or a substantial part of any services, duties, or other activities set forth in such contract. The term “contract for services” includes but is not limited to contracts, understandings and arrangements, either written or oral, to provide professional, managerial, technical, or administrative services.

(e) Agencies and organizations referred to in § 1216.1-2(b) are prohibited from assigning or permitting volunteers referred to in § 1216.1-2(a) to perform any services or duties or engage in any activities prohibited by paragraphs (a) through (d) of this section.

§ 1216.1-4 Exceptions.

(a) The requirements of § 1216.1-3 are not applicable to the following, or similar, situations:

(1) Funds are unavailable for the employment of sufficient staff to accomplish a program authorized or of a character eligible for assistance under the Act and the activity, service, or duty is otherwise appropriate for the assignment of a volunteer.

(2) Volunteer services are required in order to avoid or relieve suffering threatened by or resulting from major natural disasters or civil disturbances.

(3) Reasonable efforts to obtain employed workers have been unsuccessful due to the unavailability of persons within the community who are able, willing, and qualified to perform the needed activities.

(4) The assignment of volunteers will significantly expand services to a target community over those which could be performed by existing paid staff, and the activity, service or duty is otherwise appropriate for the assignment of a volunteer and no actual displacement of paid staff will occur as a result of the assignment.

(b) For the purposes of paragraphs (a)(1) and (4) of this section, the assign-

ment is not appropriate for the assignment of a volunteer if:

(1) The service, duty, or activity is principally a routine administrative or clerical task. This definition applies only to any service, duty, or activity performed by a volunteer receiving financial support apart from reimbursement for expenses.

(2) The volunteer is not directly in contact with groups or individuals whom the Act is designed to serve or is not performing services, duties, or engaged in activities authorized or of a character eligible for assistance under the Act.

Subpart A—General

§ 1220.1-1 Purpose.

This part implements section 419 of the Domestic Volunteer Service Act of 1973, Public Law 93-113 (the “Act”). This part provides rules to ensure that the Corporation for National and Community Service, which administers the three federal programs, the Foster Grandparent Program (FGP), the Senior Companion Program (SCP), and The Retired and Senior Volunteer Program (RSVP), pays the expenses incurred in

§ 1220.2-1

judicial and administrative proceedings for the defense of those volunteers serving in those programs. Payment of such expenses by CNCS for those volunteers include payment of counsel fees, court costs, bail or other expenses incidental to the volunteer's defense.

[80 FR 63458, Oct. 20, 2015]

Subpart B—Criminal Proceedings

§ 1220.2-1 Full-time volunteers.

(a)(1) The Corporation for National and Community Service will pay all reasonable expenses for defense of full-time volunteers up to and including the arraignment of Federal, state, and local criminal proceedings, except in cases where it is clear that the charged offense results from conduct which is not related to his service as a volunteer.

(2) Situations where conduct is clearly unrelated to a volunteer's service are those that arise either:

(i) In a period prior to volunteer service,

(ii) Under circumstances where the volunteer is not at his assigned volunteer project location, such as during periods of administrative, vacation, or emergency leave, or

(iii) When he is at his volunteer station, but the activity or action giving rise to the charged offense is clearly not part of, or required by, such assignment.

(b) Reasonable expenses in criminal proceedings beyond arraignment may be paid in cases where:

(1) The charge against the volunteer relates to his assignment or status as a volunteer, and not his personal status or personal matters. A charge relating to a volunteer's assignment arises out of any activity or action which is a part of, or required by, such assignment. A charge relating to a volunteer's status is motivated exclusively by the fact that a defendant is a volunteer.

(2) The volunteer has not admitted a willful or knowing violation of law, and

(3) The charge(s) is not a minor misdemeanor, such as a minor vehicle violation for which a fine or bail forfeiture will not exceed \$100.

45 CFR Ch. XII (10-1-24 Edition)

(c) Notwithstanding the foregoing, there may be situations in which the criminal proceeding results from a situation which could give rise to a civil claim under the Federal Tort Claims Act. In such situations, the Justice Department may agree to defend the volunteer. In those cases, unless there is a conflict between the volunteer's interest and that of the government, the Corporation for National and Community Service will not pay for additional private representation for the volunteer.

[40 FR 28800, July 9, 1975, as amended at 80 FR 63458, Oct. 20, 2015]

§ 1220.2-2 Part-time volunteers.

(a) With respect to a part-time volunteer, the Corporation for National and Community Service will reimburse a sponsor for the reasonable expense it incurs for the defense of the volunteer in Federal, state and local criminal proceedings, including arraignment, only under the following circumstances:

(1) The proceeding arises directly out of the volunteer's performance of activities pursuant to the Act;

(2) The volunteer receives, or is eligible to receive, compensation, including allowances, stipend, or reimbursement for out-of-pocket expenses, under a Corporation for National and Community Service grant project; and

(3) The conditions specified in paragraphs (b)(2) and (3) in §1220.2-1 are met.

§ 1220.2-3 Procedure.

(a) Immediately upon the arrest of any volunteer under circumstances in which the payment or bail to prevent incarceration or other serious consequences to the volunteer or the retention of an attorney prior to arraignment is necessary and is covered under

Corporation for National and Community Service

§ 1220.3-2

§ 1220.2-1 or § 1220.2-2, sponsors shall immediately notify the appropriate Corporation for National and Community Service state office or if the state office cannot be reached, the appropriate Area Manager.

(b) Immediately after notification of the appropriate state office, and with the approval thereof, the sponsor shall advance up to \$500 for the payment of bail or such other legal expenses as are necessary prior to arraignment to prevent the volunteer from being incarcerated. In the case of a grassroots sponsor of full-time volunteers that is not able to provide the \$500, the Corporation for National and Community Service state office or Area Manager shall immediately make such sum available to the sponsor.

(c) Immediately upon receipt of notification from the sponsor, the state or regional office shall notify the General Counsel, giving all facts and circumstances at that time known to such office. Thereafter the office shall cooperate with the General Counsel in making an investigation of all surrounding facts and circumstances and shall provide such information immediately to the General Counsel.

(d) The General Counsel shall, upon notification by the state office or Area Manager, determine the extent to which the Corporation for National and Community Service will provide funds for the volunteer's defense or reimburse a sponsor for funds it spends on the volunteer's behalf. Included in this responsibility shall be the negotiation of fees and approval of other costs and expenses. State offices and Area Managers are not authorized to commit the Corporation for National and Community Service to the payment of volunteers' legal expenses or to reimburse a sponsor except as provided in this section, without the express consent of the General Counsel. Additionally, the General Counsel shall, in cases arising

directly out of the performance of authorized project activities, ascertain whether the services of the United States Attorney can be made available to the volunteer.

(e) The sponsor and the state and regional office shall have a continuing responsibility for cooperation and coordination with the Office of General Counsel during the pendency of any such litigation, and of notifying the General Counsel of any facts and circumstances which come to the attention of such office or the sponsor which affects such litigation.

Subpart A—General Provisions

§ 1225.1 Purpose.

The purpose of this part is to establish a procedure for the filing, investigation, and administrative determination of allegations of discrimination based on race, color, national origin, religion, age, sex, disability or political affiliation, which arise in connection with the recruitment, selection, placement, service, or termination of AmeriCorps and AmeriCorps Seniors applicants, candidates, Members and Volunteers for part time and full time service, as appropriate.

Candidate means a person who has accepted an offer to commence service as a member or volunteer but has not yet enrolled for service in a CNCS national service program.

CEO means the Chief Executive Officer of CNCS. The term shall also refer to any designee of the CEO.

Complaint means a written statement signed by the complainant and submitted to the EEOP Director. A complaint shall set forth specifically and in detail:

(1) A description of the management policy or practice during the application stage as an applicant, during the candidacy stage as a candidate, or during the service stage as a member or volunteer, if any, giving rise to the complaint;

(2) A detailed description including names and dates, if possible, of the actions of CNCS, recipients or subrecipients of CNCS assistance or resources, or the officials of those recipients or subrecipients, which resulted in the alleged illegal discrimination;

(3) The manner in which the action of CNCS, or the CNCS recipient or subrecipient, directly affected the complainant; and

(4) The relief sought.

(5) A complaint shall be deemed filed on the date it is received by the appropriate agency official. When a complaint does not conform with the above definition, it shall nevertheless be accepted. Further clarification of the scope of matters covered by this definition may be obtained by referring to the following regulations: Sex Discrimination: 29 CFR part 1604; Religious Discrimination: 29 CFR part 1605; National Origin Discrimination: 29 CFR part 1606; Age Discrimination: 45 CFR part 90; Disability Discrimination: 29 CFR part 1630.

§ 1225.4 Coverage.

(a) These procedures apply to all CNCS national service applicants, candidates, members and volunteers throughout their term of service with CNCS, or with recipients and subrecipients of CNCS assistance or resources. When an applicant, candidate, member or volunteer makes a complaint which contains an allegation of illegal discrimination in connection with an action that would be otherwise be processed under a grievance, early termination, or other administrative system of the agency, the allegation of illegal discrimination shall be processed under this part. At the discretion of the EEOP Director, any other issues raised may be consolidated with the discrimination complaint for processing under these regulations. Any issues which are not so consolidated shall continue to

§ 1225.5

be processed under those procedures in which they were originally raised.

(b) The submission of class complaints alleging illegal discrimination as defined above will be handled in accordance with the procedure outlined in subpart C.

§ 1225.5 Representation.

Any aggrieved party may be represented and assisted in all stages of these procedures by an attorney or representative of his or her own choosing. An aggrieved party must immediately inform the agency if counsel is retained. Attorney fees or other appropriate relief may be awarded in the following circumstances;

(a) *Informal adjustment of a complaint.* An informal adjustment of a complaint may include an award of attorney fees or other relief deemed appropriate by the EEOP Director. Where the parties agree on an adjustment of the complaint, but cannot agree on whether attorney fees or costs should be awarded, or on their amount, this issue may be appealed to the CEO, or their designee, in the manner detailed in §1225.11.

(b) *Final agency decision.* When discrimination is found, the CEO, or their designee, shall advise the complainant that any request for attorney fees or costs must be documented and submitted for review within 20 calendar days after his or her receipt of the final agency decision. The amount of such awards shall be determined under §1225.11. In the unusual situation in which it is determined not to award attorney fees or other costs to a prevailing complainant, the CEO, or their designee, in his or her final decision shall set forth the specific reasons thereof.

§ 1225.6 Freedom from reprisal.

Aggrieved parties, their representatives, and witnesses will be free from restraint, interference, coercion, discrimination, or reprisal at any stage in the presentation and processing of a complaint, including the counseling stage described in §1225.8, or any time thereafter.

45 CFR Ch. XII (10–1–24 Edition)

§ 1225.7 Review of allegations of reprisal.

An aggrieved party, his or her representative, or a witness who alleges restraint, interference, coercion, discrimination, or reprisal in connection with the presentation of a complaint under this part, may if covered by this part, request in writing that the allegation be reviewed as an individual complaint of discrimination subject to the procedures described in subpart B or that the allegation be considered as an issue in the complaint at hand.

Subpart B—Processing Individual Complaints of Discrimination

§ 1225.8 Precomplaint procedure.

(a) An aggrieved person who believes that he or she has been subject to illegal discrimination shall bring such allegations to the attention of the appropriate Counselor within 30 days of the alleged discrimination to attempt to resolve them. Aggrieved applicants, candidates, members, and volunteers applying for, or enrolled in programs operated by CNCS, or by recipients or subrecipients of CNCS assistance or resources, shall direct their allegations to the designated counselor.

(b) Upon receipt of the allegation, the counselor or designee shall make whatever inquiry is deemed necessary into the facts alleged by the aggrieved party and shall counsel the aggrieved party for the purpose of attempting an informal resolution agreeable to all parties. The counselor will keep a written record of his or her activities which will be submitted to the EEOP Director if a formal complaint concerning the matter is filed.

(c) If after such inquiry and counseling an informal resolution to the allegation is not reached, the counselor shall notify the aggrieved party in writing of the right to file a complaint of discrimination with the EEOP Director within 15 calendar days of the aggrieved party's receipt of the notice.

(d) The counselor shall not reveal the identity of the aggrieved party who has come to him or her for consultation, except when authorized to do so by the aggrieved party. However, the identity of the aggrieved party may be revealed

once the agency has accepted a complaint of discrimination from the aggrieved party.

§ 1225.9 Complaint procedure.

(a) The EEOP Director must accept a complaint if the process set forth above has followed, and the complaint states a charge of illegal discrimination. The agency will extend the time limits set herein:

(1) When the complainant shows that he or she was not notified of the time limits and was not otherwise aware of them, or

(2) The complainant shows that he or she was prevented by circumstances beyond his or her control from submitting the matter in a timely fashion, or

(3) For other reasons considered sufficiently by the agency. At any time during the complaint procedure, the EEOP Director may cancel a complaint because of failure of the aggrieved party to prosecute the complaint. If the complaint is rejected for failure to meet one or more of the requirements set out in the procedure outlined in § 1225.8 or is cancelled, the EEOP Director shall inform the aggrieved party in writing of this final agency decision: That CNCS will take no further action; and of the right, to file a civil action as described in § 1225.21.

(b) Upon acceptance of the complaint and receipt of the counselor's report, the EEOP Director shall provide for the prompt investigation of the complaint. Whenever possible, the person assigned to investigate the complaint shall occupy a position in the agency which is not, directly or indirectly, under the jurisdiction of the head of that part of the agency in which the complaint arose. The investigation shall include a thorough review of the circumstances under which the alleged discrimination occurred, and any other circumstances which may constitute, or appear to constitute discrimination against the complainant. The investigator shall compile an investigative file, which includes a summary of the investigation, recommended findings of fact and a recommended resolution of the complaint. The investigator shall forward the investigative file to the EEOP Director and shall provide the complainant with a copy.

(c) The EEOP Director shall review the complaint file including any additional statements provided by the complainant, make findings of fact, and shall offer an adjustment of the complaint if the facts support the complaint. If the proposed adjustment is agreeable to all parties, the terms of the adjustment shall be reduced to writing, signed by both parties, and made part of the complaint file. A copy of the terms of the adjustment shall be provided to the complainant. If the proposed adjustment of the complaint is not acceptable to the complainant, or the EEOP Director determines that such an offer is inappropriate, the EEOP Director shall forward the complaint file with a written notification of the findings of facts, and his or her recommendations of the proposed disposition of the complaint to the CEO or their designee. The aggrieved party shall receive a copy of the notification and recommendation and shall be advised of the right to appeal the recommended disposition to the CEO or their designee. Within ten (10) calendar days of receipt of such notice the complainant may submit his or her appeal of the recommended disposition to the CEO or their designee.

(d) If no timely notice of appeal is received from the aggrieved party, the CEO or their designee may adopt the proposed disposition as the Final Agency Decision. If the aggrieved party appeals, the CEO, or a designee who has been delegated authority to issue such a decision, after review of the total complaint file, shall issue a decision to the aggrieved party. The decision of the CEO, or their designee, shall be in writing, state the reasons underlying the decision, shall be the Final Agency Decision, shall inform the aggrieved party of the right to file a civil action as described in § 1225.21, and, if appropriate, designate the procedure to be followed for the award of attorney fees or costs.

§ 1225.10 Corrective action.

When it has been determined by final agency decision that the aggrieved party has been subjected to illegal discrimination, the following corrective actions may be taken:

§ 1225.11

(a) Selection as a member or volunteer for aggrieved parties found to have been denied selection based on prohibited discrimination.

(b) Reappointment to national service for aggrieved parties found to have been early-terminated as a result of prohibited discrimination. To the extent possible, a member or volunteer will be placed in the same position previously held. However, reassignment to the specific position previously held is contingent on several programmatic considerations such as the continued availability of the position. If the same position is deemed to be no longer available, the aggrieved party will be offered a reassignment to a position in as similar circumstances to the position previously held, or to resign from service for reasons beyond his or her control. Such a reassignment may require both additional training and an additional commitment to national service.

(c) Provision for reasonable attorney fees and other costs incurred by the aggrieved party.

(d) Such other relief as may be deemed appropriate by the CEO or their designee.

§ 1225.11 Amount of attorney fees.

(a) When a decision of the agency provides for an award of attorney's fees or costs, the complainant's attorney shall submit a verified statement of costs and attorney's fees as appropriate, to the agency within 20 days of receipt of the decision. A statement of attorney's fees shall be accompanied by an affidavit executed by the attorney of record itemizing the attorney's charges for legal services. Both the verified statement and the accompanying affidavit shall be made a part of the complaint file. The amount of attorney's fees or costs to be awarded the complainant shall be determined by agreement between the complainant, the complainant's representative and the CEO or their designee. Such agreement shall immediately be reduced to writing. If the complainant, the representative and the agency cannot reach an agreement on the amount of attorney's fees or costs within 20 calendar days of receipt of the verified statement and accompanying affidavit,

45 CFR Ch. XII (10–1–24 Edition)

the CEO or their designee shall issue a decision determining the amount of attorney fees or costs within 30 calendar days of receipt of the statement and affidavit. Such decision shall include the specific reasons for determining the amount of the award.

(b) The amount of attorney's fees shall be made in accordance with the following standards: The time and labor required, the novelty and difficulty of the questions, the skills requisite to perform the legal service properly, the preclusion of other employment by the attorney due to acceptance of the case, the customary fee, whether the fee is fixed or contingent, time limitation imposed by the client or the circumstances, the amount involved and the results obtained, the experience, reputation, and ability of the attorney, the undesirability of the case, the nature and length of the professional relationship with the client, and the awards in similar cases.

Subpart C—Processing Class Complaints of Discrimination

§ 1225.12 Precomplaint procedure.

An applicant, candidate, member or volunteer who believes that he or she is among a group of present or former CNCS national service applicants, candidates, members or volunteers, who have been illegally discriminated against and who wants to be an agent for the class shall follow those precomplaint procedures outlined in § 1225.8.

§ 1225.13 Acceptance, rejection or cancellation of a complaint.

(a) Upon receipt of a class complaint, the counselor's report, and any other information pertaining to timeliness or other relevant circumstances related to the complaint, the EEOP Director shall review the file to determine whether to accept or reject the complaint, or a portion thereof, for any of the following reasons:

(1) It was not timely filed;

(2) It consists of an allegation which is identical to an allegation contained in a previous complaint filed on behalf of the same class which is pending in

Corporation for National and Community Service

§ 1225.15

the agency or which has been resolved or decided by the agency;

(iii) The claims of the agent of the class are representative of the claims of the class;

(iv) The agent of the class, or his or her representative will fairly and adequately protect the interest of the class.

(b) If an allegation is not included in the counselor's report, the EEOP Director shall afford the agent 15 calendar days to explain whether the matter was discussed and if not, why he or she did not discuss the allegation with the counselor. If the explanation is not satisfactory, the EEOP Director may decide to reject the allegation. If the explanation is not satisfactory, the EEOP Director may require further counseling of the agent.

(c) If an allegation lacks specificity and detail, or if it was not submitted in writing or not signed by the agent, the EEOP Director shall afford the agent 30 days from his or her receipt of notification of the complaint defects to resubmit an amended complaint. The EEOP Director may decide that the agency reject the complaint if the agent fails to provide such information within the specified time period. If the information provided contains new allegations outside the scope of the complaint, the EEOP Director must advise the agent how to proceed on an individual or class basis concerning these allegations.

(d) The EEOP Director may extend the time limits for filing a complaint and for consulting with a Counselor when the agent, or his or her representative, shows that he or she was not notified of the prescribed time limits and was not otherwise aware of them or

that he or she was prevented by circumstances beyond his or her control from acting within the time limit.

(e) When appropriate, the EEOP Director may determine that a class be divided into subclasses and that each subclass be treated as a class, and the provisions of this section shall be construed and applied accordingly.

(f) The EEOP Director may cancel a complaint after it has been accepted because of failure of the agent to prosecute the complaint. This action may be taken only after:

(1) The EEOP Director has provided the agent a written request, including notice of proposed cancellation, that he or she provide certain information or otherwise proceed with the complaint; and

(2) Within 30 days of his or her receipt of the request.

(g) An agent must be informed by the EEOP Director in a request under paragraphs (b) or (c) of this section that his or her complaint may be rejected if the information is not provided.

§ 1225.14 Consolidation of complaints.

The EEOP Director may consolidate the complaint if it involves the same or sufficiently similar allegations as those contained in a previous complaint filed on behalf of the same class which is pending in the agency or which had been resolved or decided by the agency.

§ 1225.15 Notification and opting out.

(a) Upon acceptance of a class complaint, the agency, within 30 calendar days, shall use reasonable means such as delivery, mailing, distribution, or posting, to notify all class members of the existence of the class complaint.

(b) A notice shall contain:

(1) The name of the agency or organizational segment thereof, its location and the date of acceptance of the complaint;

§ 1225.17 Agency decision.

(a) If an adjustment of the complaint cannot be made, the procedures outlined in 1225.9 shall be followed by the EEOP Director except that any notice required to be sent to the aggrieved party shall be sent to the agent of the class or his or her representative.

(b) The final agency decision on a class complaint shall be binding on all members of the class.

§ 1225.18 Notification of class members of decision.

Class members shall be notified by the agency of the final agency decision and corrective action, if any, using at the minimum, the same media employed to give notice of the existence of the class complaint. The notice, where appropriate, shall include information concerning the rights of class members to seek individual relief and of the procedures to be followed. Notice shall be given by the Agency within ten (10) calendar days of the transmittal of its decision to the agent.

§ 1225.19 Corrective action.

(a) When discrimination is found. CNCS, or the recipient or subrecipient of CNCS assistance or resources, as appropriate, must take appropriate action to eliminate or modify the policy or practice out of which such discrimination arose, and provide individual corrective action to the agent and other class members in accordance with § 1225.10.

(b) When discrimination is found and a class member believes that but for that discrimination he or she would have been accepted as a member or volunteer or received some other volunteer service benefit, the class member may file a written claim with the EEOP Director within thirty (30) cal-

45 CFR Ch. XII (10–1–24 Edition)

endar days of notification by the agency of its decision.

(c) The claim must include a specific, detailed statement showing that the claimant is a class member who was affected by an action or matter resulting from the discriminatory policy or practice which arose not more than 30 days preceding the filing of the class complaint.

(1) Within thirty (30) calendar days of his or her receipt of the notice of final action taken by the agency; or

Subpart A—General

§ 1230.100 Conditions on use of funds.

(a) No appropriated funds may be expended by the recipient of a Federal contract, grant, loan, or cooperative agreement to pay any person for influencing or attempting to influence an officer or employee of any agency, a

Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following covered Federal actions: the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

(b) Each person who requests or receives from an agency a Federal contract, grant, loan, or cooperative agreement shall file with that agency a certification, set forth in Appendix A, that the person has not made, and will not make, any payment prohibited by paragraph (a) of this section.

(c) Each person who requests or receives from an agency a Federal contract, grant, loan, or a cooperative agreement shall file with that agency a disclosure form, set forth in Appendix B, if such person has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered Federal action), which would be prohibited under paragraph (a) of this section if paid for with appropriated funds.

(d) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a statement, set forth in Appendix A, whether that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

(e) Each person who requests or receives from an agency a commitment providing for the United States to insure or guarantee a loan shall file with that agency a disclosure form, set forth in Appendix B, if that person has made or has agreed to make any payment to influence or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with that loan insurance or guarantee.

§ 1230.105 Definitions.

For purposes of this part:

(a) *Agency*, as defined in 5 U.S.C. 552(f), includes Federal executive departments and agencies as well as independent regulatory commissions and Government corporations, as defined in 31 U.S.C. 9101(1).

Covered Federal action does not include receiving from an agency a commitment providing for the United States to insure or guarantee a loan. Loan guarantees and loan insurance are addressed independently within this part.

(c) *Federal contract* means an acquisition contract awarded by an agency, including those subject to the Federal Acquisition Regulation (FAR), and any other acquisition contract for real or personal property or services not subject to the FAR.

(d) *Federal cooperative agreement* means a cooperative agreement entered into by an agency.

(f) *Federal loan* means a loan made by an agency. The term does not include loan guarantee or loan insurance.

(g) *Indian tribe* and *tribal organization* have the meaning provided in section 4 of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450B). Alaskan Natives are included

under the definitions of Indian tribes in that Act.

(2) A member of the uniformed services as defined in section 101(3), title 37, U.S. Code;

(3) A special Government employee as defined in section 202, title 18, U.S. Code; and,

(4) An individual who is a member of a Federal advisory committee, as defined by the Federal Advisory Committee Act, title 5, U.S. Code appendix 2.

(l) *Person* means an individual, corporation, company, association, authority, firm, partnership, society, State, and local government, regardless of whether such entity is operated for profit or not for profit. This term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(m) *Reasonable compensation* means, with respect to a regularly employed officer or employee of any person, compensation that is consistent with the normal compensation for such officer or employee for work that is not fur-

nished to, not funded by, or not furnished in cooperation with the Federal Government.

(n) *Reasonable payment* means, with respect to professional and other technical services, a payment in an amount that is consistent with the amount normally paid for such services in the private sector.

(o) *Recipient* includes all contractors, subcontractors at any tier, and subgrantees at any tier of the recipient of funds received in connection with a Federal contract, grant, loan, or cooperative agreement. The term excludes an Indian tribe, tribal organization, or any other Indian organization with respect to expenditures specifically permitted by other Federal law.

(p) *Regularly employed* means, with respect to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or a commitment providing for the United States to insure or guarantee a loan, an officer or employee who is employed by such person for at least 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person for receipt of such contract, grant, loan, cooperative agreement, loan insurance commitment, or loan guarantee commitment. An officer or employee who is employed by such person for less than 130 working days within one year immediately preceding the date of the submission that initiates agency consideration of such person shall be considered to be regularly employed as soon as he or she is employed by such person for 130 working days.

(q) *State* means a State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, a territory or possession of the United States, an agency or instrumentality of a State, and a multi-State, regional, or interstate entity having governmental duties and powers.

§ 1230.110 Certification and disclosure.

(a) Each person shall file a certification, and a disclosure form, if required, with each submission that initiates agency consideration of such person for:

(1) Award of a Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) An award of a Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000.

(b) Each person shall file a certification, and a disclosure form, if required, upon receipt by such person of:

(1) A Federal contract, grant, or cooperative agreement exceeding \$100,000; or

(2) A Federal loan or a commitment providing for the United States to insure or guarantee a loan exceeding \$150,000,

unless such person previously filed a certification, and a disclosure form, if required, under paragraph (a) of this section.

(c) Each person shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under paragraphs (a) or (b) of this section. An event that materially affects the accuracy of the information reported includes:

(1) A cumulative increase of \$25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered Federal action; or

(2) A change in the person(s) or individual(s) influencing or attempting to influence a covered Federal action; or,

(3) A change in the officer(s), employee(s), or Member(s) contacted to influence or attempt to influence a covered Federal action.

(d) Any person who requests or receives from a person referred to in paragraph (a) or (b) of this section:

(2) A subgrant, contract, or subcontract exceeding \$100,000 at any tier under a Federal grant;

(3) A contract or subcontract exceeding \$100,000 at any tier under a Federal loan exceeding \$150,000; or,

(4) A contract or subcontract exceeding \$100,000 at any tier under a Federal cooperative agreement,

shall file a certification, and a disclosure form, if required, to the next tier above.

(e) All disclosure forms, but not certifications, shall be forwarded from tier to tier until received by the person referred to in paragraph (a) or (b) of this section. That person shall forward all disclosure forms to the agency.

(f) Any certification or disclosure form filed under paragraph (e) of this section shall be treated as a material representation of fact upon which all receiving tiers shall rely. All liability arising from an erroneous representation shall be borne solely by the tier filing that representation and shall not be shared by any tier to which the erroneous representation is forwarded. Submitting an erroneous certification or disclosure constitutes a failure to file the required certification or disclosure, respectively. If a person fails to file a required certification or disclosure, the United States may pursue all available remedies, including those authorized by section 1352, title 31, U.S. Code.

(g) For awards and commitments in process prior to December 23, 1989, but not made before that date, certifications shall be required at award or commitment, covering activities occurring between December 23, 1989, and the date of award or commitment. However, for awards and commitments in process prior to the December 23, 1989 effective date of these provisions, but not made before December 23, 1989, disclosure forms shall not be required at time of award or commitment but shall be filed within 30 days.

(h) No reporting is required for an activity paid for with appropriated funds if that activity is allowable under either subpart B or C.

Subpart B—Activities by Own Employees

§ 1230.200 Agency and legislative liaison.

(a) The prohibition on the use of appropriated funds, in § 1230.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement

if the payment is for agency and legislative liaison activities not directly related to a covered Federal action.

(b) For purposes of paragraph (a) of this section, providing any information specifically requested by an agency or Congress is allowable at any time.

(c) For purposes of paragraph (a) of this section, the following agency and legislative liaison activities are allowable at any time only where they are not related to a specific solicitation for any covered Federal action:

(1) Discussing with an agency (including individual demonstrations) the qualities and characteristics of the person's products or services, conditions or terms of sale, and service capabilities; and,

(2) Technical discussions and other activities regarding the application or adaptation of the person's products or services for an agency's use.

(d) For purposes of paragraph (a) of this section, the following agencies and legislative liaison activities are allowable only where they are prior to formal solicitation of any covered Federal action:

(1) Providing any information not specifically requested but necessary for an agency to make an informed decision about initiation of a covered Federal action;

(2) Technical discussions regarding the preparation of an unsolicited proposal prior to its official submission; and,

(3) Capability presentations by persons seeking awards from an agency pursuant to the provisions of the Small Business Act, as amended by Pub. L. 95–507 and other subsequent amendments.

(e) Only those activities expressly authorized by this section are allowable under this section.

§ 1230.205 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 1230.100 (a), does not apply in the case of a payment of reasonable compensation made to an officer or employee of a person requesting or receiving a Federal contract, grant, loan, or cooperative agreement or an extension, continuation, renewal, amendment, or modification of a Fed-

eral contract, grant, loan, or cooperative agreement if payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting of a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client's proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(c) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include

Corporation for National and Community Service

§ 1230.400

those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(d) Only those services expressly authorized by this section are allowable under this section.

§ 1230.210 Reporting.

No reporting is required with respect to payments of reasonable compensation made to regularly employed officers or employees of a person.

Subpart C—Activities by Other Than Own Employees

§ 1230.300 Professional and technical services.

(a) The prohibition on the use of appropriated funds, in § 1230.100 (a), does not apply in the case of any reasonable payment to a person, other than an officer or employee of a person requesting or receiving a covered Federal action, if the payment is for professional or technical services rendered directly in the preparation, submission, or negotiation of any bid, proposal, or application for that Federal contract, grant, loan, or cooperative agreement or for meeting requirements imposed by or pursuant to law as a condition for receiving that Federal contract, grant, loan, or cooperative agreement.

(b) The reporting requirements in § 1230.110 (a) and (b) regarding filing a disclosure form by each person, if required, shall not apply with respect to professional or technical services rendered directly in the preparation, submission, or negotiation of any commitment providing for the United States to insure or guarantee a loan.

(c) For purposes of paragraph (a) of this section, “professional and technical services” shall be limited to advice and analysis directly applying any professional or technical discipline. For example, drafting or a legal document accompanying a bid or proposal by a lawyer is allowable. Similarly, technical advice provided by an engineer on the performance or operational capability of a piece of equipment rendered directly in the negotiation of a contract is allowable. However, communications with the intent to influ-

ence made by a professional (such as a licensed lawyer) or a technical person (such as a licensed accountant) are not allowable under this section unless they provide advice and analysis directly applying their professional or technical expertise and unless the advice or analysis is rendered directly and solely in the preparation, submission or negotiation of a covered Federal action. Thus, for example, communications with the intent to influence made by a lawyer that do not provide legal advice or analysis directly and solely related to the legal aspects of his or her client’s proposal, but generally advocate one proposal over another are not allowable under this section because the lawyer is not providing professional legal services. Similarly, communications with the intent to influence made by an engineer providing an engineering analysis prior to the preparation or submission of a bid or proposal are not allowable under this section since the engineer is providing technical services but not directly in the preparation, submission or negotiation of a covered Federal action.

(d) Requirements imposed by or pursuant to law as a condition for receiving a covered Federal award include those required by law or regulation, or reasonably expected to be required by law or regulation, and any other requirements in the actual award documents.

(e) Persons other than officers or employees of a person requesting or receiving a covered Federal action include consultants and trade associations.

(f) Only those services expressly authorized by this section are allowable under this section.

Subpart D—Penalties and Enforcement

§ 1230.400 Penalties.

(a) Any person who makes an expenditure prohibited herein shall be subject to a civil penalty of not less than \$24,497 and not more than \$244,957 for each such expenditure.

§ 1230.405

(b) Any person who fails to file or amend the disclosure form (see Appendix B) to be filed or amended if required herein, shall be subject to a civil penalty of not less than \$24,497 and not more than \$244,957 for each such failure.

(c) A filing or amended filing on or after the date on which an administrative action for the imposition of a civil penalty is commenced does not prevent the imposition of such civil penalty for a failure occurring before that date. An administrative action is commenced with respect to a failure when an investigating official determines in writing to commence an investigation of an allegation of such failure.

(d) In determining whether to impose a civil penalty, and the amount of any such penalty, by reason of a violation by any person, the agency shall consider the nature, circumstances, extent, and gravity of the violation, the effect on the ability of such person to continue in business, any prior violations by such person, the degree of culpability of such person, the ability of the person to pay the penalty, and such other matters as may be appropriate.

(e) First offenders under paragraph (a) or (b) of this section shall be subject to a civil penalty of \$24,497, absent aggravating circumstances. Second and subsequent offenses by persons shall be subject to an appropriate civil penalty between \$24,497 and \$244,957, as determined by the agency head or his or her designee.

(f) An imposition of a civil penalty under this section does not prevent the United States from seeking any other remedy that may apply to the same conduct that is the basis for the imposition of such civil penalty.

(iii) With respect to handicapped persons presently in the program or activity, but not receiving full benefits or equal and integrated treatment within the program or activity.

(b) *Voluntary action.* Recipient may take steps, in addition to any action that is required by this part, to overcome the effects of conditions that resulted in limited participation in the recipient's program or activity by qualified handicapped persons.

(c) *Self-evaluation.* (1) Each recipient shall, within one year of the effective date of this part, conduct a self-evaluation of its compliance with Section 504, with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. Each recipient shall with the assistance of and consultation with interested persons, including handicapped persons, evaluate its current policies, practices and effects thereof; modify any that do not meet the requirements of this part; and take appropriate remedial steps to eliminate the effects of any discrimination that resulted from adherence to these policies and practices.

(2) A recipient that employs fifteen or more persons shall, for at least three years following completion of the evaluation required under paragraph (c)(1) of this section, maintain on file, make available for public inspection, and provide to the Director upon request:

(i) A list of the interested persons consulted,

(ii) A description of areas examined and any problems identified, and

(iii) A description of any modifications made and of any remedial steps taken.

§ 1232.8 Effect of state or local law.

The obligation to comply with this part is not obviated or alleviated by the existence of any state or local law or other requirement that, on the basis of handicap, imposes prohibitions or limits upon the eligibility of qualified handicapped persons to receive services or to practice any occupation or profession.

Subpart B—Employment and Volunteer Service Practices

§ 1232.9 General prohibitions against employment and volunteer service discrimination.

(a) No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment or volunteer service under any program or activity that receives federal financial assistance.

(b) A recipient shall make all decisions concerning employment or volunteer service under any program or activity to which this part applies in a manner which ensures that discrimination on the basis of handicap does not occur and may not limit, segregate, or classify applicants or employees or volunteers in any way that adversely affects their opportunities or status because of handicap.

(c) The prohibition against discrimination in employment and volunteer service applies to the following activities:

(1) Recruitment, advertising, and the processing of applications for employment or volunteer service;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment or volunteer service, whether or not administered by the recipient;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including those that are social or recreational; and

(9) Any other term, condition, or privilege of employment or volunteer service.

(d) A recipient may not participate in a contractual or other relationship that has the effect of subjecting qualified handicapped applicants, volunteers or employees, to discrimination prohibited by this subpart. The relationships referred to in this paragraph include relationships with employment and referral agencies, with labor unions, with organizations providing or administering fringe benefits to employees of the recipient, and with organizations providing training and apprenticeships.

(e) A recipient's obligation to comply with this subpart is not affected by any inconsistent term of any collective bargaining agreement to which it is a party.

(f) Recipients operating a program or activity under which volunteers are assigned to work in a number of work stations will assure that a representative sample of work stations are accessible to handicapped persons.

[44 FR 31018, May 30, 1979, as amended at 68 FR 51388, Aug. 26, 2003]

§ 1232.10 Reasonable accommodation.

(a) A recipient shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified handicapped applicant, employee or volunteer unless the recipient can demonstrate that the accommodation would impose an undue hardship on the operation of its program or activity.

(b) Reasonable accommodation may include: (1) Making facilities used by employees or volunteers readily accessible to and usable by handicapped persons, and

(2) Job restructuring, part-time or modified work schedules, acquisition or modification of equipment or de-

vices, the provision of readers or interpreters, and other similar actions.

(c) In determining pursuant to paragraph (a) of this section whether an accommodation would impose an undue hardship on the operation of a recipient's program or activity, factors to be considered include:

(1) The overall size of the recipient's program or activity with respect to number of employees or volunteers, number and type of facilities, and size of budget;

(2) The type of the recipient's operation, including the composition and structure of the recipient's workforce or volunteer force, and

(3) The nature and cost of the accommodation needed.

§ 1232.11 Employment and volunteer selection criteria.

A recipient may not use employment tests or criteria that discriminate against handicapped persons and shall ensure that employment tests are adapted for use by persons who have handicaps that impair sensory, manual, or speaking skills.

§ 1232.12 Preemployment or pre-selection inquiries.

(a) Except as provided in paragraphs (b) and (c) of this section, a recipient may not conduct a preemployment medical examination or not make preemployment inquiry of an applicant as to whether the applicant is a handicapped person or as to the nature or severity of a handicap. A recipient may, however, make preemployment inquiry into an applicant's ability to perform job-related functions. For the purpose of this paragraph, "pre-employment" as applied to applicants for volunteer positions means prior to selection as a volunteer.

(b) When a recipient is taking remedial action to correct the effects of past discrimination pursuant to § 1232.8(a), when a recipient is taking voluntary action to overcome the effects of conditions that resulted in limited participation in its federally assisted program or activity pursuant to § 1232.8(b) or when a recipient is taking affirmative action pursuant to section

§ 1232.13

503 of the Act, the recipient may invite applicants for employment or volunteer service to indicate whether and to what extent they are handicapped: *Provided, That:*

(1) The recipient states clearly on any written questionnaire used for this purpose or makes clear orally if no written questionnaire is used that the information requested is intended for use solely in connection with its remedial action obligations or its voluntary or affirmative action efforts; and

(2) The recipient states clearly that the information is being requested on a voluntary basis, that it will be kept confidential as provided in paragraph (d) of this section, that refusal to provide it will not subject the applicant or employee to any adverse treatment, and that it will be used only in accordance with this part.

(c) Nothing in this section shall prohibit a recipient from conditioning an offer of employment or volunteer service on the results of a medical examination conducted prior to the volunteer or employee's entrance on duty. *Provided, That:*

(1) All entering volunteers or employees are subjected to such an examination regardless of handicap, and

(2) The results of such an examination are used only in accordance with the requirements of this part.

(d) Information obtained in accordance with this section as to the medical condition or history of the applicant shall be collected and maintained on separate forms that shall be accorded confidentiality as medical records, except that:

(1) Supervisors and managers may be informed regarding restrictions on the work or duties of handicapped persons and regarding necessary accommodations;

(2) First aid and safety personnel may be informed, where appropriate, if the condition might require emergency treatment; and

(3) Government officers investigating compliance with the Act shall be provided relevant information upon request.

Subpart C—Accessibility

§ 1232.13 General requirement concerning accessibility.

No qualified handicapped person shall, because a recipient's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity that receives or benefits from federal financial assistance.

[44 FR 31018, May 30, 1979]

§ 1232.14 Existing facilities.

(a) A recipient shall operate each program or activity to which this part applies so that when each part is viewed in its entirety it is readily accessible and usable by handicapped persons. This paragraph does not require a recipient to make each of its existing facilities or every part of a facility accessible to and usable by handicapped persons.

(b) A recipient is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. Where structural changes are necessary to comply with paragraph (a) of this section, such changes shall be made as soon as practicable, but in no event later than three years after the effective date of the regulation.

(c) In the event that structural changes to facilities are necessary to meet the requirement of paragraph (a) of this section, a recipient shall develop, within six months of the effective date of this part, a transition plan which sets forth in detail the steps necessary to complete the changes, and a schedule for taking those steps. The plan shall be developed with the assistance of interested persons, including handicapped persons or organizations representing handicapped persons. A copy of the plan shall be made available for public inspection.

and usable by handicapped persons. construction shall be considered new if ground breaking takes place after the effective date of the regulation. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to be readily accessible to and usable by handicapped persons.

(b) *Conformance with Uniform Federal Accessibility Standards.* (1) Effective as of January 18, 1991, design, construction, or alteration of buildings in conformance with sections 3-8 of the Uniform Federal Accessibility Standards (USAF) (appendix A to 41 CFR subpart 101-19.6) shall be deemed to comply with the requirements of this section with respect to those buildings. Departures from particular technical and scoping requirements of UFAS by the use of other methods are permitted where substantially equivalent or greater access to and usability of the building is provided.

(2) For purposes of this section, section 4.1.6(1)(g) of UFAS shall be interpreted to exempt from the requirements of UFAS only mechanical rooms and other spaces that, because of their intended use, will not require accessibility to the public or beneficiaries or result in the employment or residence therein of persons with physical handicaps.

(3) This section does not require recipients to make building alterations that have little likelihood of being accomplished without removing or altering a load-bearing structural member.

SOURCE: 48 FR 29284, June 24, 1983, unless otherwise noted.

§ 1233.1 What is the purpose of these regulations?

(a) The regulations in this part implement Executive Order 12372, "Intergovernmental Review of Federal Programs," issued July 14, 1982, and amended on April 8, 1983. These regulations also implement applicable provisions of section 401 of the Intergovernmental Cooperation Act of 1968.

(b) These regulations are intended to foster an intergovernmental partnership and a strengthened Federalism by relying on state processes and on state, areawide, regional and local coordination for review of proposed federal financial assistance.

(c) These regulations are intended to aid the internal management of the Agency, and are not intended to create any right or benefit enforceable at law by a party against the Agency or its officers.

§ 1233.2 What definitions apply to these regulations?

Agency means ACTION, the National Volunteer Agency.

Order means Executive Order 12372, issued July 14, 1982, and amended April

§ 1233.3

8, 1983 and titled “Intergovernmental Review of Federal Programs.”

Director means the Director of ACTION, or an official or employee of the Agency acting for the Director under a delegation of authority.

State means any of the 50 states, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, Guam, American Samoa, the U.S. Virgin Islands, or the Trust Territory of the Pacific Islands.

§ 1233.3 What programs of the Agency are subject to these regulations?

The Director publishes in the FEDERAL REGISTER a list of the Agency’s programs that are subject to these regulations.

§ 1233.4 [Reserved]

§ 1233.5 What is the Director’s obligation with respect to federal inter-agency coordination?

The Director, to the extent practicable, consults with and seeks advice from all other substantially affected federal departments and agencies in an effort to assure full coordination between such agencies and ACTION regarding programs covered under these regulations.

§ 1233.6 What procedures apply to the selection of programs under these regulations?

(a) A state may select any ACTION program published in the FEDERAL REGISTER in accordance with §1233.3 of this part for intergovernmental review under these regulations. Each state, before selecting programs and activities, shall consult with local elected officials.

(b) Each state that adopts a process shall notify the Director of the Agency’s programs selected for that process.

(c) A state may notify the Director of changes in its selections at any time. For each change, the state shall submit to the Director an assurance that the state has consulted with local elected officials regarding the change. The Agency may establish deadlines by which states are required to inform the Director of changes in their program selections.

45 CFR Ch. XII (10–1–24 Edition)

(d) The Director uses a state’s process as soon as feasible, depending on individual programs, after the Director is notified of its selections.

§ 1233.7 How does the Director communicate with state and local officials concerning the Agency’s programs?

(a) The Director provides opportunities for consultation by elected officials of those state and local governments that would provide the non-federal funds for, or that would be directly affected by, proposed federal financial assistance from the Agency. For those programs covered by a state process under §1233.6, the Director, to the extent permitted by law:

(1) Uses the official state process to determine views of state and local elected officials; and,

(2) Communicates with state and local elected officials, through the official state process, as early in a program planning cycle as is reasonably feasible to explain specific plans and actions.

(b) The Director provides notice to directly affected state, areawide, regional, and local entities in a state of proposed federal financial assistance if:

(1) The state has not adopted a process under the Order; or

(2) The assistance involves a program not selected for the state process.

This notice may be made by publication in the FEDERAL REGISTER, or other appropriate means, which the Agency in its discretion deems appropriate.

§ 1233.8 How does the Director provide states an opportunity to comment on proposed federal financial assistance?

(a) Except in unusual circumstances, the Director gives state processes or directly affected state, areawide, regional and local officials and entities:

(1) At least 30 days from the date established by the Director to comment on proposed federal financial assistance in the form of noncompeting continuation awards; and

(2) At least 60 days from the date established by the Director to comment on proposed federal financial assistance other than noncompeting continuation awards.

(b) This section also applies to comments in cases in which the review, coordination, and communication with the Agency have been delegated.

§ 1233.9 How does the Director receive and respond to comments?

(a) The Director follows the procedures in § 1233.10 if:

(1) A state office or official is designated to act as a single point of contact between a state process and all federal agencies, and

(2) That office or official transmits a state process recommendation for a program selected under § 1233.6.

(b)(1) The single point of contact is not obligated to transmit comments from state, areawide, regional or local officials and entities where there is no state process recommendation.

(2) If a state process recommendation is transmitted by a single point of contact, all comments from state, areawide, regional, and local officials and entities that differ from it must also be transmitted.

(c) If a state has not established a process, or is unable to submit a state process recommendation, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Agency, or both.

(d) If a program is not selected for a state process, state, areawide, regional and local officials and entities may submit comments either to the applicant or to the Agency, or both. In addition, if a state process recommendation for a nonselected program is transmitted to the Agency by the single point of contact, the Director follows the procedures of § 1233.10 of this part.

(e) The Director considers comments which do not constitute a state process recommendation submitted under these regulations and for which the Director is not required to apply the procedures of § 1233.10 of this part, when such comments are provided by a single point of contact, by the applicant, or directly to the Agency by a commenting party.

§ 1233.10 How does the Director make efforts to accommodate intergovernmental concerns?

(a) If a state process provides a state process recommendation to the Agency through its single point of contact, the Director either:

(1) Accepts the recommendation;

(2) Reaches a mutually agreeable solution with the state process; or

(3) Provides the single point of contact with a written explanation of the Agency's decision, in such form as the Director in his or her discretion deems appropriate. The Director may also supplement the written explanation by providing the explanation to the single point of contact by telephone, other telecommunication, or other means.

(b) In any explanation under paragraph (a)(3) of this section, the Director informs the single point of contact that:

(1) The Agency will not implement its decision for at least ten days after the single point of contact receives the explanation; or

(2) The Director has reviewed the decision and determined that, because of unusual circumstances, the waiting period of at least ten days is not feasible.

(c) For purpose of computing the waiting period under paragraph (b)(1) of this section, a single point of contact is presumed to have received written notification 5 days after the date of mailing of such notification.

§§ 1233.11–1233.12 [Reserved]

§ 1233.13 May the Director waive any provision of these regulations?

In an emergency, the Director may waive any provision of these regulations.

§ 1235.1

45 CFR Ch. XII (10–1–24 Edition)

§ 1235.1 Definitions.

As used in this part and in section 224 of the Domestic Volunteer Service Act of 1973, as amended, the following definitions shall apply:

(a) *Director* means the Director of ACTION.

(b) *Locally Generated Contributions* means all contributions generated by the grantee in support of the grant, including non-ACTION Federal, State, local government and privately raised contributions.

(c) *Amount Required by the Director* means the proportion of the non-Federal contribution (including in-kind contributions) for a grant or contract made under the Domestic Volunteer Service Act of 1973, as amended, required by the Director in order to receive ACTION funds. This proportion is generally 10% for the Foster Grandparent Program/Senior Companion Program (FGP/SCP) and generally 10%, 20% and 30% for the Retired Senior Volunteer Program (RSVP) in the first, second, and subsequent years respectively. The “amount required by the Director” is also called the “local match.”

(d) *In Excess of the Amount Required by the Director* means of the total locally generated contributions, the amount over and above the percentage match (generally 10% for FGP/SCP and 10%, 20% and 30% for RSVP in the first, second, and subsequent years respectively) required by the Director of ACTION to be raised from non-ACTION sources to support the grant.

(e) *Inconsistent with the Provisions of This Act* means expenditures not in support of ACTION programs, as defined by the Domestic Volunteer Service Act of 1973, as amended. For example:

(1) Inconsistency with the age threshold for volunteers for all Older American Volunteer Programs (OAVP);

(2) Inconsistency with the low income test for the FGP and SCP programs;

(3) Variations from the approved stipend levels for the FGP and SCP programs;

(4) Inconsistency with the prohibition against political activity under all the OAVP programs; and/or

(5) Unreasonable cost for a low-cost volunteer program.

§ 1235.2 Implementation guidance.

ACTION’s implementation of section 224 of the DVSA is based on fundamental principles regarding the Congressional intent of the Section as well as the Executive Branch’s policy on Federal financial assistance to grantees. These principles include:

(a) That ACTION may not restrict grantees’ use of excess contributions as long as those expenditures are “not inconsistent” with the Domestic Volunteer Service Act of 1973, as amended;

(b) That grantees are to fully account for and document expenditures of non-Federal contributions, regardless of whether they are used to meet ACTION’s local match requirement or are in excess of the requirement; and

[56 FR 4732, Feb. 6, 1991, as amended at 79 FR 76077, Dec. 19, 2014]

§ 1235.3 Statement of policy.

(a) Expenditures of locally generated non-Federal contributions required by the Director as matching funds must meet the requirements specified in ACTION’s Grant Management and Program Operations Handbook, ACTION Order 2650.2, as amended, and the Domestic Volunteer Service Act of 1973, as amended. Copies of ACTION’s Grants Management and Program Operations Handbook, ACTION Order 2650.2, as amended, are available at ACTION, 1100 Vermont Avenue, NW., Room 9200, Washington, DC 20525.

(b) All expenditures by the grantee of Federal and non-Federal funds (including expenditures from excess locally generated contributions) in support of the grant are subject to ACTION authorized audits.

(c) ACTION will not restrict the manner in which locally generated contributions in excess of the required match are expended if these expenditures are not inconsistent with the Domestic Volunteer Service Act of 1973, as amended.

§ 1301.1 Purpose.

An agency, as defined in part 1305 of this chapter, must establish and maintain a formal structure for program governance that includes a governing body, a policy council at the agency level and policy committee at the delegate level, and a parent committee. Governing bodies have a legal and fiscal responsibility to administer and oversee the agency's Head Start programs. Policy councils are responsible for the direction of the agency's Head Start programs.

[89 FR 67805, Aug. 21, 2024]

§ 1301.2 Governing body.

(a) *Composition.* The composition of a governing body must be in accordance with the requirements specified at section 642(c)(1)(B) of the Act, except where specific exceptions are authorized in the case of public entities at section 642(c)(1)(D) of the Act. Agencies must ensure members of the governing body do not have a conflict of interest, pursuant to section 642(c)(1)(C) of the Act.

(b) *Duties and responsibilities.* (1) The governing body is responsible for activities specified at section 642(c)(1)(E) of the Act.

(2) The governing body must use ongoing monitoring results, data on school readiness goals, other information described in §1302.102, and infor-

mation described at section 642(d)(2) of the Act to conduct its responsibilities.

(c) *Advisory committees.* (1) A governing body may establish advisory committees as it deems necessary for effective governance and improvement of the program.

(2) If a governing body establishes an advisory committee to oversee key responsibilities related to program governance, it must:

(i) Establish the structure, communication, and oversight in such a way that the governing body continues to maintain its legal and fiscal responsibility for the Head Start agency; and,

(ii) Notify the responsible HHS official of its intent to establish such an advisory committee.

§ 1301.3 Policy council and policy committee.

(a) *Establishing policy councils and policy committees.* Each agency must establish and maintain a policy council responsible for the direction of the Head Start program at the agency level, and a policy committee at the delegate level. If an agency delegates operational responsibility for the entire Head Start program to one delegate agency, the policy council and policy committee may be the same body.

(b) *Composition.* (1) A program must establish a policy council in accordance with section 642(c)(2)(B) of the Act, or a policy committee at the delegate level in accordance with section 642(c)(3) of the Act, as early in the program year as possible. Parents of children currently enrolled in each program option must be proportionately represented on the policy council and on the policy committee at the delegate level.

(2) The program must ensure members of the policy council, and of the policy committee at the delegate level, do not have a conflict of interest pursuant to sections 642(c)(2)(C) and 642(c)(3)(B) of the Act. Staff may not serve on the policy council or policy

§ 1301.4

committee at the delegate level except parents who occasionally substitute as staff. In the case of tribal grant recipients, this exclusion applies only to tribal staff who work in areas directly related to or which directly impact administrative, fiscal, or programmatic issues.

(c) *Duties and responsibilities.* (1) A policy council is responsible for activities specified at section 642(c)(2)(D) of the Act. A policy committee must approve and submit to the delegate agency its decisions in each of the following areas referenced at section 642(c)(2)(D)(i) through (vii) of the Act.

(2) A policy council, and a policy committee at the delegate level, must use ongoing monitoring results, data on school readiness goals, other information described in §1302.102, and information described in section 642(d)(2) of the Act to conduct its responsibilities.

(d) *Term.* (1) A member will serve for one year.

(2) If the member intends to serve for another year, s/he must stand for reelection.

(3) The policy council, and policy committee at the delegate level, must include in its bylaws how many one-year terms, not to exceed five terms, a person may serve.

(4) A program must seat a successor policy council, or policy committee at the delegate level, before an existing policy council, or policy committee at the delegate level, may be dissolved.

(e) *Reimbursement.* A program must enable low-income members to participate fully in their policy council or policy committee responsibilities by providing, if necessary, reimbursements for reasonable expenses incurred by the low-income members.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67805, Aug. 21, 2024]

§ 1301.4 Parent committees.

(a) *Establishing parent committees.* A program must establish a parent committee comprised exclusively of parents of currently enrolled children as early in the program year as possible. This committee must be established at the center level for center-based programs and at the local program level for other program options. When a pro-

gram operates more than one option, parents may choose to have a separate committee for each option or combine membership. A program must ensure that parents of currently enrolled children understand the process for elections to the policy council or policy committee and other leadership opportunities.

(b) *Requirements of parent committees.* Within the parent committee structure, a program may determine the best methods to engage families using strategies that are most effective in their community, as long as the program ensures the parent committee carries out the following minimum responsibilities:

(1) Advise staff in developing and implementing local program policies, activities, and services to ensure they meet the needs of children and families;

(2) Have a process for communication with the policy council and policy committee; and

(3) Within the guidelines established by the governing body, policy council, or policy committee, participate in the recruitment and screening of Head Start employees.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67806, Aug. 21, 2024]

§ 1301.5 Training.

An agency must provide appropriate training and technical assistance or orientation to the governing body, any advisory committee members, and the policy council, including training on program performance standards and training indicated in §1302.12(m) to ensure the members understand the information they receive and can effectively oversee and participate in the programs in the Head Start agency.

§ 1301.6 Impasse procedures.

(a) To facilitate meaningful consultation and collaboration about decisions of the governing body and the policy council, each agency's governing body and policy council jointly must establish written procedures for resolving internal disputes between the governing board and policy council in a timely manner that include impasse procedures. These procedures must:

(1) Demonstrate that the governing body considers proposed decisions from the policy council and that the policy council considers proposed decisions from the governing body;

(2) If there is a disagreement, require the governing body and the policy council to notify the other in writing why it does not accept a decision; and,

(3) Describe a decision-making process and a timeline to resolve disputes and reach decisions that are not arbitrary, capricious, or illegal.

(b) If the agency's decision-making process does not result in a resolution and an impasse continues, the governing body and policy council must select a mutually agreeable third party mediator and participate in a formal process of mediation that leads to a resolution of the dispute.

(c) For all programs except American Indian and Alaska Native programs, if no resolution is reached with a mediator, the governing body and policy council must select a mutually agreeable arbitrator whose decision is final.

SOURCE: 81 FR 61412, Sept. 6, 2016, unless otherwise noted.

§ 1302.1 Overview.

This part implements the statutory requirements in sections 641A, 645, 645A, and 648A of the Act by describing all of the program performance standards that are required to operate Head Start Preschool, Early Head Start, American Indian and Alaska Native and Migrant or Seasonal Head Start programs. This part covers the full range of operations from enrolling eligible children and providing program services to those children and their families, to managing programs to ensure staff are qualified and supported to effectively provide services. This part also focuses on using data through ongoing program improvement to ensure high-quality service. As required in the Act, the provisions in this part do not narrow the scope or quality of services covered in previous regulations. Instead, the regulations in this part raise the quality standard to reflect science and best practices, and streamline and simplify requirements so programs can better understand what is required for quality services.

Subpart A—Eligibility, Recruitment, Selection, Enrollment, and Attendance

§ 1302.10 Purpose.

This subpart describes requirements of grant recipients for determining community strengths, needs and resources as well as recruitment areas. It contains requirements and procedures for the eligibility determination, re-

45 CFR Ch. XIII (10–1–24 Edition)

cruitment, selection, enrollment and attendance of children and explains the policy concerning the charging of fees.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67806, Aug. 21, 2024]

§ 1302.11 Determining community strengths, needs, and resources.

(a) *Service area.* (1) A program must propose a service area in the grant application and define the area by county or sub-county area, such as a municipality, town or census tract or jurisdiction of a federally recognized Indian reservation.

(i) A tribal program may propose a service area that includes areas where members of Indian tribes or those eligible for such membership reside, including but not limited to Indian reservation land, areas designated as near-reservation by the Bureau of Indian Affairs (BIA) provided that the service area is approved by the tribe's governing council, Alaska Native Villages, Alaska Native Regional Corporations with land-based authorities, Oklahoma Tribal Statistical Areas, and Tribal Designated Statistical Areas where federally recognized Indian tribes do not have a federally established reservation.

(ii) If the tribe's service area includes any area specified in paragraph (a)(1)(i) of this section, and that area is also served by another program, the tribe may serve children from families who are members of or eligible to be members of such tribe and who reside in such areas as well as children from families who are not members of the tribe, but who reside within the tribe's established service area.

(2) If a program decides to change the service area after ACF has approved its grant application, the program must submit to ACF a new service area proposal for approval.

(b) *Community wide strategic planning and needs assessment (community assessment).* (1) A program must conduct a comprehensive community assessment at least once over the five-year grant period and annually review and update if any significant changes are needed as described in paragraph (b)(5) of this section to:

(i) Identify populations most in need of services including prevalent social

or economic factors, challenges, and barriers experienced by families and children;

(ii) Inform the program's design and to ensure equitable, inclusive, and accessible service delivery that reflect needs and diversity of the community;

(iii) Inform the enrollment, recruitment, and selection process to prioritize the enrollment of those populations with relevant circumstances identified under paragraph (b)(1)(i) of this section;

(iv) Identify strengths and resources in the community that can be leveraged for service delivery, coordination, and partnership efforts for education, health, nutrition, and referrals to social services to eligible children and families; and,

(v) Identify the communication methods and modalities available to the program that best engage with prospective and enrolled families in accessible ways.

(2) In conducting the community assessment, a program must collect and utilize data that describes community strengths, needs, and resources and include, at a minimum:

(i) Relevant demographic data about eligible children and expectant mothers, including:

(A) Race and ethnicity;

(B) Children living in poverty;

(C) Children experiencing homelessness in collaboration with, to the extent possible, McKinney-Vento Local Education Agency Liaisons (42 U.S.C. 11432 (6)(A));

(D) Children in foster care;

(E) Children with disabilities, including types of disabilities and relevant services and resources provided to these children by community agencies; and

(F) Geographic location and languages they speak;

(ii) The education, health, nutrition and social service needs of eligible children and their families, including prevalent social or economic factors, challenges, and barriers to program participation such as transportation needs;

(iii) Typical work, school, and training schedules of parents with eligible children;

(iv) Other child development, child care centers, and family child care pro-

grams that serve eligible children, including home visiting, publicly funded State and local preschools, and the approximate number of eligible children served and their ages;

(v) Resources that are available in the community to address the needs of eligible children and their families, especially transportation resources, and culturally appropriate and responsive supports;

(vi) Strengths of the community; and,

(vii) Gaps in community resources in areas relevant to addressing the needs of eligible children and their families such as gaps in health and human services, housing assistance, food assistance, employment assistance, early childhood development, and social services.

(3) Programs should have a strategic approach:

(i) To determine what data to acquire to reach goals in paragraph (b)(1) of this section prior to conducting the community assessment; and

(ii) For how to use the data acquired to reach goals in paragraph (b)(1) of this section after conducting the community assessment.

(4) When determining what data to acquire under paragraph (b)(2) of this section programs should consider what information is most relevant to inform services for families most in need. Data gathering should be informed by the program's understanding of the community and be intentionally designed to help the program identify community strengths, needs and resources, and plan the program accordingly. Programs are not required to collect all information themselves; rather programs should utilize community partners and utilize existing available data sources relevant to the local community.

(5) A program must annually review and, where needed, update the community assessment to identify any significant shifts in community demographics, needs, and resources that may impact program design and service delivery. As described in paragraph (b)(4) of this section, programs should consider results from their self-assessment as required in subpart J of this part (§§1302.101 through 1302.103) and

§ 1302.12

their annual funding application to inform this process. The annual update review must consider at a minimum: changes related to children and families experiencing homelessness; how the program addresses equity, accessibility, and inclusiveness in its provision of services; and changes to the availability of publicly funded pre-kindergarten and whether it meets needs of families. Programs must consider how the annual review and update can inform and support management approaches for continuous quality improvement, program goals, and ongoing oversight.

(6) A program must consider whether the characteristics of the community allow it to include children from diverse economic backgrounds that would be supported by other funding sources, including private pay, in addition to the program's eligible funded enrollment. A program must not enroll children from diverse economic backgrounds if it would result in a program serving less than its eligible funded enrollment.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67806, Aug. 21, 2024]

§ 1302.12 Determining, verifying, and documenting eligibility.

(a) *Process overview.* (1) Program staff must:

(i) Conduct an in-person interview with each family, unless paragraph (a)(2) of this section applies;

(ii) Verify information as required in paragraphs (h) and (i) of this section; and,

(iii) Create an eligibility determination record for enrolled participants according to paragraph (k) of this section.

(2) Program staff may interview the family over the telephone if an in-person interview is not possible or convenient for the family.

(3) If a program has an alternate method to reasonably determine eligibility based on its community assessment, geographic and administrative data, or from other reliable data sources, it may petition the responsible HHS official to waive requirements in paragraphs (a)(1)(i) and (ii) of this section.

45 CFR Ch. XIII (10–1–24 Edition)

(b) *Age requirements.* (1) For Early Head Start, except when the child is transitioning to Head Start Preschool, a child must be an infant or a toddler younger than three years old.

(2) For Head Start Preschool, a child must:

(i) Be at least three years old or, turn three years old by the date used to determine eligibility for public school in the community in which the Head Start Preschool program is located; and,

(ii) Be no older than the age required to attend school.

(3) For Migrant or Seasonal Head Start, a child must be younger than compulsory school age by the date used to determine public school eligibility for the community in which the program is located.

(c) *Eligibility requirements.* (1) A pregnant woman or a child is eligible if:

(i) The family's income is equal to or below the poverty line; or,

(ii) The family is eligible for or, in the absence of child care, would be potentially eligible for public assistance; including TANF child-only payments; or,

(iii) The child is homeless, as defined in part 1305; or,

(iv) The child is in foster care.

(2) If the family does not meet a criterion under paragraph (c)(1) of this section, a program may enroll a child who would benefit from services, provided that these participants only make up to 10 percent of a program's enrollment in accordance with paragraph (d) of this section.

(d) *Additional allowances for programs.*

(1) A program may enroll an additional 35 percent of participants whose families do not meet a criterion described in paragraph (c) of this section and whose incomes are below 130 percent of the poverty line, if the program:

(i) Establishes and implements outreach, and enrollment policies and procedures to ensure it is meeting the needs of eligible pregnant women, children, and children with disabilities, before serving pregnant women or children who do not meet the criteria in paragraph (c) of this section; and,

(ii) Establishes criteria that ensure pregnant women and children eligible

under the criteria listed in paragraph (c) of this section are served first.

(2) If a program chooses to enroll participants who do not meet a criterion in paragraph (c) of this section, and whose family incomes are between 100 and 130 percent of the poverty line, it must be able to report to the Head Start regional program office:

(i) How it is meeting the needs of low-income families or families potentially eligible for public assistance, homeless children, and children in foster care, and include local demographic data on these populations;

(ii) Outreach and enrollment policies and procedures that ensure it is meeting the needs of eligible children or pregnant women, before serving over-income children or pregnant women;

(iii) Efforts, including outreach, to be fully enrolled with eligible pregnant women or children;

(iv) Policies, procedures, and selection criteria it uses to serve eligible children;

(v) Its current enrollment and its enrollment for the previous year;

(vi) The number of pregnant women and children served, disaggregated by the eligibility criteria in paragraphs (c) and (d)(1) of this section; and,

(vii) The eligibility criteria category of each child on the program's waiting list.

(e) *Additional allowances for Indian tribes.* (1) Notwithstanding paragraph (c) of this section, a Tribal program may determine any pregnant women or children in the approved service area to be eligible for services regardless of income, if they meet the requirements of paragraph (b) of this section.

(2) An Indian Tribe or Tribes that operates both an Early Head Start program and a Head Start Preschool program may, at its discretion, at any time during the grant period involved, reallocate funds between the Early Head Start program and the Head Start Preschool program in order to address fluctuations in client populations, including pregnant women and children from birth to compulsory school age. The reallocation of such funds between programs by an Indian Tribe or Tribes during a year may not serve as a basis for any reduction of

the base grant for either program in succeeding years.

(f) *Migrant or Seasonal eligibility requirements.* Notwithstanding paragraph (c) of this section, pregnant women and children are eligible for Migrant or Seasonal Head Start if they have at least one family member whose income comes primarily from agricultural employment as defined in section 3 of the Migrant and Seasonal Agricultural Worker Protection Act (29 U.S.C. 1802), and if they meet the requirements of paragraph (b) of this section.

(g) *Eligibility requirements for communities with 1,000 or fewer individuals.* (1) A program may establish its own criteria for eligibility provided that it meets the criteria outlined in section 645(a)(2) of the Act.

(2) No child residing in such community whose family is eligible under criteria described in paragraphs (c) through (f) of this section, may be denied an opportunity to participate in the program under the eligibility criteria established under this paragraph (g).

(h) *Verifying age.* Program staff must verify a child's age according to program policies and procedures. A program's policies and procedures cannot require families to provide documents that confirm a child's age, if doing so creates a barrier for the family to enroll the child.

(i) *Verifying eligibility.* (1) To verify eligibility based on income, program staff must use tax forms, pay stubs, or other proof of income to determine the family income for the relevant time period.

(i) The program must calculate total gross income using applicable sources of income.

(ii) A program may make an adjustment to a family's gross income calculation for the purposes of determining eligibility to account for excessive housing costs. A program may use available bills, bank statements, and other relevant documentation provided by the family to calculate total annual housing costs with appropriate multipliers to:

(A) Determine if a family spends more than 30 percent of their total gross income on housing costs, as defined in part 1305 of this chapter; and

(B) If applicable, reduce the total gross income by the amount spent on housing costs that exceed more than 30 percent.

(iii) If the family cannot provide tax forms, pay stubs, or other proof of income for the relevant time period, program staff may accept written statements from employers, including individuals who are self-employed, for the relevant time period and use information provided to calculate total annual income with appropriate multipliers.

(iv) If the family reports no income for the relevant time period, a program may accept the family's signed declaration to that effect, if program staff describes efforts made to verify the family's income, and explains how the family's total income was calculated or seeks information from third parties about the family's eligibility, if the family gives written consent. If a family gives consent to contact third parties, program staff must adhere to program safety and privacy policies and procedures and ensure the eligibility determination record adheres to paragraph (k)(2) of this section.

(v) If the family can demonstrate a significant change in income for the relevant time period, program staff may consider current income circumstances.

(2) To verify whether a family is eligible for, or in the absence of child care, would be potentially eligible for public assistance, the program must have documentation from either the state, local, or tribal public assistance agency that shows the family either receives public assistance or that shows the family is potentially eligible to receive public assistance.

(3) To verify whether a family is homeless, a program may accept a written statement from a homeless services provider, school personnel, or other service agency attesting that the child is homeless or any other documentation that indicates homelessness, including documentation from a public or private agency, a declaration, information gathered on enrollment or application forms, or notes from an interview with staff to establish the child is homeless; or any other document that establishes homelessness.

(i) If a family can provide one of the documents described in this paragraph (i)(3), program staff must describe efforts made to verify the accuracy of the information provided and state whether the family is eligible because they are homeless.

(ii) If a family cannot provide one of the documents described in this paragraph (i)(3) to prove the child is homeless, a program may accept the family's signed declaration to that effect, if, in a written statement, program staff describe the child's living situation that meets the definition of homeless in part 1305 of this chapter.

(iii) Program staff may seek information from third parties who have firsthand knowledge about a family's living situation, if the family gives written consent. If the family gives consent to contact third parties, program staff must adhere to program privacy policies and procedures and ensure the eligibility determination record adheres to paragraph (k) of this section.

(4) To verify whether a child is in foster care, program staff must accept either a court order or other legal or government-issued document, a written statement from a government child welfare official that demonstrates the child is in foster care, or proof of a foster care payment.

(j) *Eligibility duration.* (1) If a child is determined eligible under this section and is participating in a Head Start program, he or she will remain eligible through the end of the succeeding program year except that the Head Start program may choose not to enroll a child when there are compelling reasons for the child not to remain in Head Start, such as when there is a change in the child's family income and there is a child with a greater need for Head Start services.

(2) Children who are enrolled in a program receiving funds under the authority of section 645A of the Act remain eligible while they participate in the program.

(3) If a child moves from an Early Head Start program to a Head Start Preschool program, program staff must verify the family's eligibility again.

(4) If a program operates both an Early Head Start and a Head Start Preschool program, and the parents wish

to enroll their child who has been enrolled in the program's Early Head Start, the program must ensure, whenever possible, the child receives Head Start Preschool services until enrolled in school, provided the child is eligible.

(5) If a program operates a Migrant and Seasonal Head Start program, children younger than age three participating in the program remain eligible until they turn three years old consistent with paragraph (j)(2) of this section.

(k) *Records.* (1) A program must keep eligibility determination records for each participant and ongoing records of the eligibility training for staff required by paragraph (m) of this section. A program may keep these records electronically.

(2) Each eligibility determination record must include:

(i) Copies of any documents or statements, including declarations, that are deemed necessary to verify eligibility under paragraphs (h) and (i) of this section;

(ii) A statement that program staff has made reasonable efforts to verify information by:

(A) Conducting either an in-person, or a telephone interview with the family as described under paragraph (a)(1)(i) or (a)(2) of this section; and,

(B) Describing efforts made to verify eligibility, as required under paragraphs (h) through (i) of this section; and, collecting documents required for third party verification that includes the family's written consent to contact each third party, the third parties' names, titles, and affiliations, and information from third parties regarding the family's eligibility.

(iii) A statement that identifies whether:

(A) The family's income is below income guidelines for its size, and lists the family's size;

(B) The family is eligible for or, in the absence of child care, potentially eligible for public assistance;

(C) The child is a homeless child or the child is in foster care;

(D) The family was determined to be eligible under the criterion in paragraph (c)(2) of this section; or,

(E) The family was determined to be eligible under the criterion in paragraph (d)(1) of this section.

(3) A program must keep eligibility determination records for those currently enrolled, as long as they are enrolled, and, for one year after they have either stopped receiving services; or are no longer enrolled.

(1) *Program policies and procedures on violating eligibility determination regulations.* A program must establish written policies and procedures that describe all actions taken against staff who intentionally violate Federal and program eligibility determination regulations and who enroll pregnant women and children that are not eligible to receive Head Start services.

(m) *Training on eligibility.* (1) A program must train all governing body, policy council, management, and staff who determine eligibility on applicable federal regulations and program policies and procedures. Training must, at a minimum:

(i) Include methods on how to collect complete and accurate eligibility information from families and third party sources;

(ii) Incorporate strategies for treating families with dignity and respect and for dealing with possible issues of domestic violence, stigma, and privacy; and,

(iii) Explain program policies and procedures that describe actions taken against staff, families, or participants who attempt to provide or intentionally provide false information.

(2) A program must train management and staff members who make eligibility determinations within 90 days of hiring new staff.

(3) A program must train all governing body and policy council members within 180 days of the beginning of the term of a new governing body or policy council.

(4) A program must develop policies on how often training will be provided after the initial training.

§ 1302.13 Recruitment of children.

In order to reach those most in need of services, a program must develop and implement a recruitment process

§ 1302.14

45 CFR Ch. XIII (10–1–24 Edition)

designed to actively inform all families with eligible children within the recruitment area of the availability of program services. A program must include modern technologies to encourage and assist families in applying for admission to the program, and to reduce the family's administrative and paperwork burden in the application and enrollment process. A program must include specific efforts to actively locate and recruit children with disabilities and other children in need, including children experiencing homelessness and children in foster care.

[89 FR 67807, Aug. 21, 2024]

§ 1302.14 Selection process.

(a) *Selection criteria.* (1) A program must annually establish selection criteria that weigh the prioritization of selection of participants, based on community needs identified in the community needs assessment as described in §1302.11(b), and including family income, whether the child is homeless, whether the child is in foster care, the child's age, whether the child is eligible for special education and related services, or early intervention services, as appropriate, as determined under the Individuals with Disabilities Education Act (IDEA) (20 U.S.C. 1400 *et seq.*) and, other relevant family or child risk factors.

(2) An Indian Tribe that operates a Head Start program must annually establish selection criteria that weigh the prioritization of selection of participants, based on community needs identified in the community needs assessment as described in §1302.11(b), and may, at its discretion, give priority to children in families for which a child, a family member, or a member of the same household, is a member of an Indian Tribe, and would benefit from the Head Start program.

(3) If a program serves migrant or seasonal families, it must annually establish selection criteria that weigh the prioritization of selection of participants, based on community needs identified in the community needs assessment as described in §1302.11(b), and give priority to children whose families can demonstrate they have relocated frequently within the past two years to pursue agricultural work.

(4) If a program operates in a service area where Head Start Preschool eligible children can enroll in high-quality publicly funded pre-kindergarten for a full school day, the program must prioritize younger children as part of the selection criteria in paragraph (a)(1) of this section. If this priority would disrupt partnerships with local education agencies, then it is not required. An American Indian and Alaska Native or Migrant or Seasonal Head Start program must consider whether such prioritization is appropriate in their community.

(5) A program must not deny enrollment based on a disability or chronic health condition or its severity.

(6) A program may consider the enrollment of children of staff members as part of the selection criteria in paragraph (a)(1) of this section.

(b) *Children eligible for services under IDEA.* (1) A program must ensure at least 10 percent of its total actual enrollment is filled by children eligible for services under IDEA, unless the responsible HHS official grants a waiver.

(2) If the requirement in paragraph (b)(1) of this section has been met, children eligible for services under IDEA should be prioritized for the available slots in accordance with the program's selection criteria described in paragraph (a) of this section.

(c) *Waiting lists.* A program must develop at the beginning of each enrollment year and maintain during the year a waiting list that ranks children according to the program's selection criteria.

(d) *Understanding barriers to enrollment.* A program is required to use data from the community assessment to identify the population of eligible children and families and potential barriers to enrollment and attendance, including using data to understand access to transportation for the highest need families. A program must use this data to inform ongoing program improvement efforts as described in §1302.102(c) to promote enrolling the children most in need of program services.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67807, Aug. 21, 2024]

§ 1302.15 Enrollment.

(a) *Funded enrollment.* A program must maintain its funded enrollment level and fill any vacancy as soon as possible. A program must fill any vacancy within 30 days.

(b) *Continuity of enrollment.* (1) A program must make efforts to maintain enrollment of eligible children for the following year.

(2) Under exceptional circumstances, a program may maintain a child's enrollment in Head Start Preschool for a third year, provided that family income is verified again. A program may maintain a child's enrollment in Early Head Start as described in § 1302.12(j)(2).

(3) If a program serves homeless children or children in foster care, it must make efforts to maintain the child's enrollment regardless of whether the family or child moves to a different service area, or transition the child to a program in a different service area, as required in § 1302.72(a), according to the family's needs.

(c) *Reserved slots.* If a program determines from the community assessment there are families experiencing homelessness in the area, or children in foster care that could benefit from services, the program may reserve one or more enrollment slots for pregnant women and children experiencing homelessness and children in foster care, when a vacancy occurs. No more than three percent of a program's funded enrollment slots may be reserved. If the reserved enrollment slot is not filled within 30 days, the enrollment slot becomes vacant and then must be filled in accordance with paragraph (a) of this section.

(d) *Other enrollment.* Children from diverse economic backgrounds who are funded with other sources, including private pay, are not considered part of a program's eligible funded enrollment.

(e) *State immunization enrollment requirements.* A program must comply with state immunization enrollment and attendance requirements, with the exception of homeless children as described in § 1302.16(c)(1).

(f) *Voluntary parent participation.* Parent participation in any program activity is voluntary, including consent for data sharing, and is not required as a condition of the child's enrollment.

(g) *User-friendly enrollment process.* A program must regularly examine their enrollment processes and implement any identified improvements to streamline the enrollment experience for families.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67808, Aug. 21, 2024]

§ 1302.16 Attendance.

(a) *Promoting regular attendance.* A program must track attendance for each child.

(1) A program must implement a process to ensure children are safe when they do not arrive at school. If a child is unexpectedly absent and a parent has not contacted the program within one hour of program start time, the program must attempt to contact the parent to ensure the child's well-being.

(2) A program must implement strategies to promote attendance. At a minimum, a program must:

(i) Provide information about the benefits of regular attendance;

(ii) Support families to promote the child's regular attendance;

(iii) Conduct a home visit or make other direct contact with a child's parents if a child has multiple unexplained absences (such as two consecutive unexplained absences);

(iv) Within the first 60 days of program operation, and on an ongoing basis thereafter, use individual child attendance data to identify children with patterns of absence that put them at risk of missing ten percent of program days per year and develop appropriate strategies to improve individual attendance among identified children, such as direct contact with parents or intensive case management, as necessary; and

(v) Examine barriers to regular attendance, such as access to safe and reliable transportation, and where possible, provide or facilitate transportation for the child if needed.

(3) If a child ceases to attend, the program must make appropriate efforts to reengage the family to resume attendance, including as described in paragraph (a)(2) of this section. If the child's attendance does not resume, then the program must consider that

§ 1302.17

slot vacant. This action is not considered expulsion as described in §1302.17.

(b) *Managing systematic program attendance issues.* If a program's monthly average daily attendance rate falls below 85 percent, the program must analyze the causes of absenteeism to identify any systematic issues that contribute to the program's absentee rate. The program must use this data to make necessary changes in a timely manner as part of ongoing oversight and correction as described in §1302.102(b) and inform its continuous improvement efforts as described in §1302.102(c).

(c) *Supporting attendance of homeless children.* (1) If a program determines a child is eligible under §1302.12(c)(1)(iii), it must allow the child to attend for up to 90 days or as long as allowed under state licensing requirements, without immunization and other records, to give the family reasonable time to present these documents. A program must work with families to get children immunized as soon as possible in order to comply with state licensing requirements.

(2) If a child experiencing homelessness is unable to attend classes regularly because the family does not have transportation to and from the program facility, the program must utilize community resources, where possible, to provide transportation for the child.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67808, Aug. 21, 2024]

§ 1302.17 Suspension and expulsion.

(a) *Limitations on suspension.* (1) A program must prohibit or severely limit the use of suspension due to a child's behavior. Such suspensions may only be temporary in nature.

(2) A temporary suspension must be used only as a last resort in extraordinary circumstances where there is a serious safety threat that has not been reduced or eliminated by the provision of interventions and supports recommended by the mental health consultant and the program needs time to put additional appropriate services in place.

(3) Before a program determines whether a temporary suspension is necessary, a program must engage with a mental health consultant, collaborate

with the parents, and utilize appropriate community resources—such as behavior coaches, psychologists, other appropriate specialists, or other resources—as needed, to determine no other reasonable option is appropriate.

(4) If a temporary suspension is deemed necessary, a program must help the child return to full participation in all program activities as quickly as possible while ensuring child safety. A program must explore all possible steps and document all steps taken to address the behavior(s) and supports needed to facilitate the child's safe re-entry and continued participation in the program. Such steps must include, at a minimum:

(i) Continuing to engage with the parents, mental health consultant, and other appropriate staff, and continuing to utilize appropriate community resources;

(ii) Providing additional program supports and services, including home visits; and,

(iii) Determining whether a referral to a local agency responsible for implementing IDEA is appropriate, or if the child has an individualized family service plan (IFSP) or individualized education program (IEP), consulting with the responsible agency to ensure the child receives the needed support services.

(b) *Prohibition on expulsion.* (1) A program cannot expel or unenroll a child from Head Start because of a child's behavior.

(2) When a child exhibits persistent and serious behavioral concerns, a program must explore all possible steps and document all steps taken to address such problems, and facilitate the child's safe participation in the program. Such steps must include, at a minimum, engaging a mental health consultant, considering the appropriateness of providing appropriate services and supports under section 504 of the Rehabilitation Act of 1973 to ensure that the child who satisfies the definition of disability in 29 U.S.C. 705(9)(b) of the Rehabilitation Act is not excluded from the program on the basis of disability, and consulting with the parents and the child's teacher, and:

(i) If the child has an individualized family service plan (IFSP) or individualized education program (IEP), the program must consult with the agency responsible for the IFSP or IEP to ensure the child receives the needed support services; or,

(ii) If the child does not have an IFSP or IEP, the program must collaborate, with parental consent, with the local agency responsible for implementing IDEA to determine the child's eligibility for services.

(3) If, after a program has explored all possible steps and documented all steps taken as described in paragraph (b)(2) of this section, a program, in consultation with the parents, the child's teacher, the agency responsible for implementing IDEA (if applicable), and the mental health consultant, determines that the child's continued enrollment presents a continued serious safety threat to the child or other enrolled children and determines the program is not the most appropriate placement for the child, the program must work with such entities to directly facilitate the transition of the child to a more appropriate placement.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67808, Aug. 21, 2024]

§ 1302.18 Fees.

(a) *Policy on fees.* A program must not charge eligible families a fee to participate in Head Start, including special events such as field trips, and cannot in any way condition an eligible child's enrollment or participation in the program upon the payment of a fee.

(b) *Allowable fees.* (1) A program must only accept a fee from families of enrolled children for services that are in addition to services funded by Head Start, such as child care before or after funded Head Start hours. A program may not condition a Head Start child's enrollment on the ability to pay a fee for additional hours.

(2) In order to support programs serving children from diverse economic backgrounds or using multiple funding sources, a program may charge fees to private pay families and other non-Head Start enrolled families to the extent allowed by any other applicable federal, state or local funding sources.

Subpart B—Program Structure

§ 1302.20 Determining program structure.

(a) *Choose a program option.* (1) A program must choose to operate one or more of the following program options: center-based, home-based, family child care, or an approved locally designed variation as described in § 1302.24. The program option(s) chosen must meet the needs of children and families based on the community assessment described in § 1302.11(b). A Head Start Preschool program may not provide only the option described in § 1302.22(a) and (c)(2).

(2) To choose a program option and develop a program calendar, a program must consider in conjunction with the annual review of the community assessment described in § 1302.11(b)(2), whether it would better meet child and family needs through conversion of existing slots to full school day or full working day slots, extending the program year, conversion of existing Head Start Preschool slots to Early Head Start slots as described in paragraph (c) of this section, and ways to promote continuity of care and services. A program must work to identify alternate sources to support full working day services. If no additional funding is available, program resources may be used.

(b) *Comprehensive services.* All program options must deliver the full range of services, as described in subparts C, D, E, F, and G of this part, except that §§ 1302.30 through 1302.32 and § 1302.34 do not apply to home-based options.

(c) *Conversion.* (1) Consistent with section 645(a)(5) of the Head Start Act, grant recipients may request to convert Head Start Preschool slots to Early Head Start slots through the re-funding application process or as a separate grant amendment.

(2) Any grant recipient proposing a conversion of Head Start Preschool services to Early Head Start services must obtain policy council and governing body approval and submit the request to their regional office.

(3) With the exception of American Indian and Alaska Native grant recipients as described in paragraph (c)(4) of

§ 1302.21

this section, the request to the regional office must include:

(i) A grant application budget and a budget narrative that clearly identifies the funding amount for the Head Start Preschool and Early Head Start programs before and after the proposed conversion;

(ii) The results of the community assessment demonstrating how the proposed use of funds would best meet the needs of the community, including a description of how the needs of eligible Head Start children will be met in the community when the conversion takes place;

(iii) A revised program schedule that describes the program option(s) and the number of funded enrollment slots for Head Start Preschool and Early Head Start programs before and after the proposed conversion;

(iv) A description of how the needs of pregnant women, infants, and toddlers will be addressed;

(v) A discussion of the agency's capacity to carry out an effective Early Head Start program in accordance with the requirements of section 645A(b) of the Head Start Act and all applicable regulations;

(vi) Assurances that the agency will participate in training and technical assistance activities required of all Early Head Start grant recipients;

(vii) A discussion of the qualifications and competencies of the child development staff proposed for the Early Head Start program, as well as a description of the facilities and program infrastructure that will be used to support the new or expanded Early Head Start program;

(viii) A discussion of any one-time funding necessary to implement the proposed conversion and how the agency intends to secure such funding; and,

(ix) The proposed timetable for implementing this conversion, including updating school readiness goals as described in subpart J of this part.

(4) Consistent with section 645(d)(3) of the Act, any American Indian and Alaska Native grant recipient that operates both an Early Head Start program and a Head Start Preschool program may reallocate funds between the programs at its discretion and at any time during the grant period involved,

45 CFR Ch. XIII (10–1–24 Edition)

in order to address fluctuations in client populations. An American Indian and Alaska Native program that exercises this discretion must notify the regional office.

(d) *Source of funding.* A program may consider hours of service that meet the Head Start Program Performance Standards, regardless of the source of funding, as hours of planned class operations for the purposes of meeting the Head Start Preschool and Early Head Start service duration requirements in this subpart.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67808, Aug. 21, 2024]

§ 1302.21 Center-based option.

(a) *Setting.* The center-based option delivers the full range of services, consistent with § 1302.20(b). Education and child development services are delivered primarily in classroom settings.

(b) *Ratios and group size.* (1) Staff-child ratios and group size maximums must be determined by the age of the majority of children and the needs of children present. A program must determine the age of the majority of children in a class at the start of the year and may adjust this determination during the program year, if necessary. Where state or local licensing requirements are more stringent than the teacher-child ratios and group size specifications in this section, a program must meet the stricter requirements. A program must maintain appropriate ratios during all hours of program operation, except:

(i) For brief absences of a teaching staff member for no more than five minutes; and,

(ii) During nap time, one teaching staff member may be replaced by one staff member or trained volunteer who does not meet the teaching qualifications required for the age.

(2) An Early Head Start or Migrant or Seasonal Head Start class that serves children under 36 months old must have two teachers with no more than eight children, or three teachers with no more than nine children. Each teacher must be assigned consistent, primary responsibility for no more than four children to promote continuity of care for individual children. A program must minimize teacher

Administration for Children and Families, HHS

§ 1302.21

changes throughout a child's enrollment, whenever possible, and consider mixed age group classes to support continuity of care.

(3) A class that serves a majority of children who are three years old must have no more than 17 children with a teacher and teaching assistant or two teachers. A double session class that serves a majority of children who are three years old must have no more

than 15 children with a teacher and teaching assistant or two teachers.

(4) A class that serves a majority of children who are four and five years old must have no more than 20 children with a teacher and a teaching assistant or two teachers. A double session class that serves a majority of children who are four and five years old must have no more than 17 children with a teacher and a teaching assistant or two teachers.

TABLE TO § 1302.21(b)—CENTER-BASED GROUP SIZE

4 and 5 year olds	No more than 20 children enrolled in any class. No more than 17 children enrolled in any double session class.
3 year olds	No more than 17 children enrolled in any class. No more than 15 children enrolled in any double session class.
Under 3 years old	No more than 8 or 9 children enrolled in any class, depending on the number of teachers.

(c) *Service duration*—(1) *Early Head Start*. (i) A program must provide 1,380 annual hours of planned class operations for all enrolled children.

(ii) A program that is designed to meet the needs of young parents enrolled in school settings may meet the service duration requirements in paragraph (c)(1)(i) of this section if it operates a center-based program schedule during the school year aligned with its local education agency requirements and provides regular home-based services during the summer break.

(2) *Head Start Preschool*—(i) *Service duration for at least 45 percent*. A program must provide 1,020 annual hours of planned class operation over the course of at least eight months per year for at least 45 percent of its Head Start Preschool center-based funded enrollment.

(ii) *Service duration for remaining slots*. A program must provide, at a minimum, at least 160 days per year of planned class operations if it operates for five days per week, or at least 128 days per year if it operates four days per week. Classes must operate for a minimum of 3.5 hours per day.

(iii) *Double session*. Double session variation must provide classes for four days per week for a minimum of 128

days per year and 3.5 hours per day. Each double session class staff member must be provided adequate break time during the course of the day. In addition, teachers, assistants, and volunteers must have appropriate time to prepare for each session together, to set up the classroom environment, and to give individual attention to children entering and leaving the center.

(iv) *Special provision for alignment with local education agency*. A Head Start Preschool program providing fewer than 1,020 annual hours of planned class operations or fewer than eight months of service is considered to meet the requirements described in paragraph (c)(2)(i) of this section if its program schedule aligns with the annual hours required by its local education agency for grade one and such alignment is necessary to support partnerships for service delivery.

(3) *Exemption for Migrant or Seasonal Head Start programs*. A Migrant or Seasonal program is not subject to the requirements described in paragraph (c)(1) or (2) of this section, but must make every effort to provide as many days and hours of service as possible to each child and family.

(4) *Calendar planning*. A program must:

§ 1302.22

(i) Plan its year using a reasonable estimate of the number of days during a year that classes may be closed due to problems such as inclement weather; and,

(ii) Make every effort to schedule makeup days using existing resources if hours of planned class operations fall below the number required per year.

(d) *Licensing and square footage requirements.* (1) The facilities used by a program must meet state, tribal, or local licensing requirements, even if exempted by the licensing entity. When state, tribal, or local requirements vary from Head Start requirements, the most stringent provision takes precedence.

(2) A center-based program must have at least 35 square feet of usable indoor space per child available for the care and use of children (exclusive of bathrooms, halls, kitchen, staff rooms, and storage places) and at least 75 square feet of usable outdoor play space per child.

(3) A program that operates two or more groups within an area must ensure clearly defined, safe divisions to separate groups. A program must ensure such spaces are learning environments that facilitate the implementation of the requirements in subpart C of this part. The divisions must limit noise transfer from one group to another to prevent disruption of an effective learning environment.

§ 1302.22 Home-based option.

(a) *Setting.* The home-based option delivers the full range of services, consistent with § 1302.20(b), through visits with the child's parents, primarily in the child's home and through group socialization opportunities in a Head Start classroom, community facility, home, or on field trips. For Early Head Start programs, the home-based option may be used to deliver services to some or all of a program's enrolled children. For Head Start Preschool programs, the home-based option may only be used to deliver services to a portion of a program's enrolled children.

(b) *Caseload.* A program that implements a home-based option must maintain an average caseload of 10 to 12

45 CFR Ch. XIII (10–1–24 Edition)

families per home visitor with a maximum of 12 families for any individual home visitor.

(c) *Service duration*—(1) *Early Head Start.* By August 1, 2017, an Early Head Start home-based program must:

(i) Provide one home visit per week per family that lasts at least an hour and a half and provide a minimum of 46 visits per year; and,

(ii) Provide, at a minimum, 22 group socialization activities distributed over the course of the program year.

(2) *Head Start Preschool.* A Head Start Preschool home-based program must:

(i) Provide one home visit per week per family that lasts at least an hour and a half and provide a minimum of 32 visits per year; and,

(ii) Provide, at a minimum, 16 group socialization activities distributed over the course of the program year.

(3) *Meeting minimum requirements.* A program that implements a home-based option must:

(i) Make up planned home visits or scheduled group socialization activities that were canceled by the program, and to the extent possible attempt to make up planned home visits canceled by the family, when this is necessary to meet the minimums described in paragraphs (c)(1) and (2) of this section; and,

(ii) Not replace home visits or scheduled group socialization activities for medical or social service appointments for the purposes of meeting the minimum requirements described in paragraphs (c)(1) and (2) of this section.

(d) *Safety requirements.* The areas for learning, playing, sleeping, toileting, preparing food, and eating in facilities used for group socializations in the home-based option must meet the safety standards described in § 1302.47(1)(ii) through (viii).

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67809, Aug. 21, 2024]

§ 1302.23 Family child care option.

(a) *Setting.* The family child care program option delivers the full range of services, consistent with § 1302.20(b). Education and child development services are primarily delivered by a family child care provider in their home or other family-like setting. A program may choose to offer the family child care option if:

(1) The program has a legally binding agreement with one or more family child care provider(s) that clearly defines the roles, rights, and responsibilities of each party, or the program is the employer of the family child care provider, and ensures children and families enrolled in this option receive the full range of services described in subparts C, D, E, F, and G of this part; and,

(2) The program ensures family child care homes are available that can accommodate children and families with disabilities.

(b) *Ratios and group size*—(1) *Group size*. A program that operates the family child care option where Head Start children are enrolled must ensure group size does not exceed the limits specified in this section. If the family child care provider's own children under the age of six are present, they must be included in the group size.

(2) *Mixed age with preschoolers*. When there is one family child care provider, with a mixed-age group of children that includes children over 36 months of age, the maximum group size is six children and no more than two of the six may be under 24 months of age. When there are two providers, the maximum group size is twelve children with no more than four of the twelve children under 24 months of age.

(3) *Infants and toddlers only*. When there is one family child care provider with a group of children that are all under 36 months of age, the maximum group size is four children, and no more than two of the four children may be under 18 months of age.

(4) *Maintaining ratios*. A program must maintain appropriate ratios during all hours of program operation. A program must ensure providers have systems to ensure the safety of any child not within view for any period. A program must make substitute staff available with the necessary training and experience to ensure quality services to children are not interrupted.

(c) *Service duration*. Whether family child care option services are provided directly or via contractual arrangement, a program must ensure family child care providers operate sufficient hours to meet the child care needs of

families and not less than 1,380 hours per year.

(d) *Licensing requirements*. A family child-care provider must be licensed by the state, tribal, or local entity to provide services in their home or family-like setting. When state, tribal, or local requirements vary from Head Start requirements, the most stringent provision applies.

(e) *Child development specialist*. A program that offers the family child care option must provide a child development specialist to support family child care providers and ensure the provision of quality services at each family child care home. Child development specialists must:

(1) Conduct regular visits to each home, some of which are unannounced, not less than once every two weeks;

(2) Periodically verify compliance with either contract requirements or agency policy;

(3) Facilitate ongoing communication between program staff, family child care providers, and enrolled families; and,

(4) Provide recommendations for technical assistance and support the family child care provider in developing relationships with other child care professionals.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67809, Aug. 21, 2024]

§ 1302.24 Locally-designed program option variations.

(a) *Waiver option*. Programs may request to operate a locally-designed program option, including a combination of program options, to better meet the unique needs of their communities or to demonstrate or test alternative approaches for providing program services. In order to operate a locally-designed program option, programs must seek a waiver as described in this section and must deliver the full range of services, consistent with § 1302.20(b), and demonstrate how any change to their program design is consistent with achieving program goals in subpart J of this part.

(b) *Request for approval*. A program's request to operate a locally-designed variation may be approved by the responsible HHS official through the end of a program's current grant or, if the

§ 1302.30

request is submitted through a grant application for an upcoming project period, for the project period of the new award. Such approval may be revoked based on progress toward program goals as described in § 1302.102 and monitoring as described in § 1304.2.

(c) *Waiver requirements.* (1) The responsible HHS official may waive one or more of the requirements contained in §§ 1302.21(b), (c)(1)(i), and (c)(2)(i); 1302.22(a) through (c); and 1302.23(b) and (c) but may not waive ratios or group size for children under 24 months. Center-based locally designed options must meet the minimums described in section 640(k)(1) of the Act for center-based programs.

(2) If the responsible HHS official determines a waiver of group size for center-based services would better meet the needs of children and families in a community, the group size may not exceed the limits below:

(i) A group that serves children 24 to 36 months of age must have no more than ten children; and,

(ii) A group that serves predominantly three-year-old children must have no more than twenty children; and,

(iii) A group that serves predominantly four-year-old children must have no more than twenty-four children.

(3) If the responsible HHS official approves a waiver to allow a program to operate below the minimums described in § 1302.21(c)(2)(i), a program must meet the requirements described in § 1302.21(c)(2)(ii), or in the case of a double session variation, a program must meet the requirements described in § 1302.21(c)(2)(iii).

(4) In order to receive a waiver under this section, a program must provide supporting evidence that demonstrates the locally-designed variation effectively supports appropriate development and progress in children's early learning outcomes.

(5) In order to receive a waiver of service duration, a program must meet the requirement in paragraph (c)(4) of this section, provide supporting evidence that it better meets the needs of parents than the applicable service duration minimums described in § 1302.21(c)(1) and (c)(2)(i), § 1302.22(c), or

45 CFR Ch. XIII (10–1–24 Edition)

§ 1302.23(c), and assess the effectiveness of the variation in supporting appropriate development and progress in children's early learning outcomes.

Subpart C—Education and Child Development Program Services

§ 1302.30 Purpose.

All programs must provide high-quality early education and child development services, including for children with disabilities, that promote children's cognitive, social, and emotional growth for later success in school. A center-based or family child care program must embed responsive and effective teacher-child interactions. A home-based program must promote secure parent-child relationships and help parents provide high-quality early learning experiences. All programs must implement a research-based curriculum, and screening and assessment procedures that support individualization and growth in the areas of development described in the *Head Start Early Learning Outcomes Framework: Ages Birth to Five* and support family engagement in children's learning and development. A program must deliver developmentally, culturally, and linguistically appropriate learning experiences in language, literacy, mathematics, social and emotional functioning, approaches to learning, science, physical skills, and creative arts. To deliver such high-quality early education and child development services, a center-based or family child care program must implement, at a minimum, the elements contained in §§ 1302.31 through 1302.34, and a home-based program must implement, at a minimum, the elements in §§ 1302.33 and 1302.35.

§ 1302.31 Teaching and the learning environment.

(a) *Teaching and the learning environment.* A center-based and family child care program must ensure teachers and other relevant staff provide responsive

care, effective teaching, and an organized learning environment that promotes healthy development and children's skill growth aligned with the *Head Start Early Learning Outcomes Framework: Ages Birth to Five*, including for children with disabilities. A program must also support implementation of such environment with integration of regular and ongoing supervision and a system of individualized and ongoing professional development, as appropriate. This includes, at a minimum, the practices described in paragraphs (b) through (e) of this section.

(b) *Effective teaching practices.* (1) Teaching practices must:

(i) Emphasize nurturing and responsive practices, interactions, and environments that foster trust and emotional security; are communication and language rich; promote critical thinking and problem-solving; social, emotional, behavioral, and language development; provide supportive feedback for learning; motivate continued effort; and support all children's engagement in learning experiences and activities;

(ii) Focus on promoting growth in the developmental progressions described in the *Head Start Early Learning Outcomes Framework: Ages Birth to Five* by aligning with and using the Framework and the curricula as described in §1302.32 to direct planning of organized activities, schedules, lesson plans, and the implementation of high-quality early learning experiences that are responsive to and build upon each child's individual pattern of development and learning;

(iii) Integrate child assessment data in individual and group planning; and,

(iv) Include developmentally appropriate learning experiences in language, literacy, social and emotional development, math, science, social studies, creative arts, and physical development that are focused toward achieving progress outlined in the *Head Start Early Learning Outcomes Framework: Ages Birth to Five*.

(2) For dual language learners, a program must recognize bilingualism and biliteracy as strengths and implement research-based teaching practices that support their development. These practices must:

(i) For an infant or toddler dual language learner, include teaching practices that focus on the development of the home language, when there is a teacher with appropriate language competency, and experiences that expose the child to English;

(ii) For a preschool age dual language learner, include teaching practices that focus on both English language acquisition and the continued development of the home language; or,

(iii) If staff do not speak the home language of all children in the learning environment, include steps to support the development of the home language for dual language learners such as having culturally and linguistically appropriate materials available and other evidence-based strategies. Programs must work to identify volunteers who speak children's home language/s who could be trained to work in the classroom to support children's continued development of the home language.

(c) *Learning environment.* A program must ensure teachers implement well-organized learning environments with developmentally appropriate schedules, lesson plans, and indoor and outdoor learning experiences that provide adequate opportunities for choice, play, exploration, and experimentation among a variety of learning, sensory, and motor experiences and:

(1) For infants and toddlers, promote relational learning and include individualized and small group activities that integrate appropriate daily routines into a flexible schedule of learning experiences; and,

(2) For preschool age children, include teacher-directed and child-initiated activities, active and quiet learning activities, and opportunities for individual, small group, and large group learning activities.

(d) *Materials and space for learning.* To support implementation of the curriculum and the requirements described in paragraphs (a), (b), (c), and (e) of this section a program must provide age-appropriate equipment, materials, supplies and physical space for indoor and outdoor learning environments, including functional space. The equipment, materials and supplies

§ 1302.32

must include any necessary accommodations and the space must be accessible to children with disabilities. Programs must change materials intentionally and periodically to support children's interests, development, and learning.

(e) *Promoting learning through approaches to rest, meals, routines, and physical activity.* (1) A program must implement an intentional, age appropriate approach to accommodate children's need to nap or rest, and that, for preschool age children in a program that operates for 6 hours or longer per day provides a regular time every day at which preschool age children are encouraged but not forced to rest or nap. A program must provide alternative quiet learning activities for children who do not need or want to rest or nap.

(2) A program must implement snack and meal times in ways that support development and learning. For bottle-fed infants, this approach must include holding infants during feeding to support socialization. Snack and meal times must be structured and used as learning opportunities that support teaching staff-child interactions and foster communication and conversations that contribute to a child's learning, development, and socialization. Programs are encouraged to meet this requirement with family style meals when developmentally appropriate. A program must also provide sufficient time for children to eat, not use food as reward or punishment, and not force children to finish their food.

(3) A program must approach routines, such as hand washing and diapering, and transitions between activities, as opportunities for strengthening development, learning, and skill growth.

(4) A program must recognize physical activity as important to learning and integrate intentional movement and physical activity into curricular activities and daily routines in ways that support health and learning. A program must not use physical activity as reward or punishment.

§ 1302.32 Curricula.

(a) *Curricula.* (1) Center-based and family child care programs must implement developmentally appropriate

45 CFR Ch. XIII (10–1–24 Edition)

research-based early childhood curricula, including additional curricular enhancements, as appropriate that:

(i) Are based on scientifically valid research and have standardized training procedures and curriculum materials to support implementation;

(ii) Are aligned with the *Head Start Early Learning Outcomes Framework: Ages Birth to Five* and, as appropriate, state early learning and development standards; and are sufficiently content-rich to promote measurable progress toward development and learning outlined in the Framework; and,

(iii) Have an organized developmental scope and sequence that include plans and materials for learning experiences based on developmental progressions and how children learn.

(2) A program must support staff to effectively implement curricula and at a minimum monitor curriculum implementation and fidelity, and provide support, feedback, and supervision for continuous improvement of its implementation through the system of training and professional development.

(b) *Adaptation.* A program that chooses to make significant adaptations to a curriculum or a curriculum enhancement described in paragraph (a)(1) of this section to better meet the needs of one or more specific populations must use an external early childhood education curriculum or content area expert to develop such significant adaptations. A program must assess whether the adaptation adequately facilitates progress toward meeting school readiness goals, consistent with the process described in §1302.102(b) and (c). Programs are encouraged to partner with outside evaluators in assessing such adaptations.

§ 1302.33 Child screenings and assessments.

(a) *Screening.* (1) In collaboration with each child's parent and with parental consent, a program must complete or obtain a current developmental screening to identify concerns regarding a child's developmental, behavioral, motor, language, social, cognitive, and emotional skills within 45 calendar days of when the child first attends the program or, for the home-based program option, receives a home

visit. A program that operates for 90 days or less must complete or obtain a current developmental screening within 30 calendar days of when the child first attends the program.

(2) A program must use one or more research-based developmental standardized screening tools to complete the screening. A program must use as part of the screening additional information from family members, teachers, and relevant staff familiar with the child's typical behavior.

(3) If warranted through screening and additional relevant information and with direct guidance from a mental health or child development professional a program must, with the parent's consent, promptly and appropriately address any needs identified through:

(i) Referral to the local agency responsible for implementing IDEA for a formal evaluation to assess the child's eligibility for services under IDEA as soon as possible, and not to exceed timelines required under IDEA; and,

(ii) Partnership with the child's parents and the relevant local agency to support families through the formal evaluation process.

(4) If a child is determined to be eligible for services under IDEA, the program must partner with parents and the local agency responsible for implementing IDEA, as appropriate, and deliver the services in subpart F of this part.

(5) If, after the formal evaluation described in paragraph (a)(3)(i) of this section, the local agency responsible for implementing IDEA determines the child is not eligible for early intervention or special education and related services under IDEA, the program must:

(i) Seek guidance from a mental health or child development professional to determine if the formal evaluation shows the child has a significant delay in one or more areas of development that is likely to interfere with the child's development and school readiness; and,

(ii) If the child has a significant delay, partner with parents to help the family access services and supports to help address the child's identified needs.

(A) Such additional services and supports may be available through a child's health insurance or it may be appropriate for the program to provide needed services and supports under section 504 of the Rehabilitation Act if the child satisfies the definition of disability in 29 U.S.C. 705(9)(b) of the Rehabilitation Act, to ensure that the child who satisfies the definition of disability in 29 U.S.C. 705(9)(b) of the Rehabilitation Act is not excluded from the program on the basis of disability.

(B) A program may use program funds for such services and supports when no other sources of funding are available.

(b) *Assessment for individualization.* (1) A program must conduct standardized and structured assessments, which may be observation-based or direct, for each child that provide ongoing information to evaluate the child's developmental level and progress in outcomes aligned to the goals described in the *Head Start Early Learning Child Outcomes Framework: Ages Birth to Five*. Such assessments must result in usable information for teachers, home visitors, and parents and be conducted with sufficient frequency to allow for individualization within the program year.

(2) A program must regularly use information from paragraph (b)(1) of this section along with informal teacher observations and additional information from family and staff, as relevant, to determine a child's strengths and needs, inform and adjust strategies to better support individualized learning and improve teaching practices in center-based and family child care settings, and improve home visit strategies in home-based models.

(3) If warranted from the information gathered from paragraphs (b)(1) and (2) of this section and with direct guidance from a mental health or child development professional and a parent's consent, a program must refer the child to the local agency responsible for implementing IDEA for a formal evaluation to assess a child's eligibility for services under IDEA.

(c) *Characteristics of screenings and assessments.* (1) Screenings and assessments must be valid and reliable for the population and purpose for which they will be used, including by being

§ 1302.34

conducted by qualified and trained personnel, and being age, developmentally, culturally and linguistically appropriate, and appropriate for children with disabilities, as needed.

(2) If a program serves a child who speaks a language other than English, a program must use qualified bilingual staff, contractor, or consultant to:

(i) Assess language skills in English and in the child's home language, to assess both the child's progress in the home language and in English language acquisition;

(ii) Conduct screenings and assessments for domains other than language skills in the language or languages that best capture the child's development and skills in the specific domain; and,

(iii) Ensure those conducting the screening or assessment know and understand the child's language and culture and have sufficient skill level in the child's home language to accurately administer the screening or assessment and to record and understand the child's responses, interactions, and communications.

(3) If a program serves a child who speaks a language other than English and qualified bilingual staff, contractors, or consultants are not able to conduct screenings and assessments, a program must use an interpreter in conjunction with a qualified staff person to conduct screenings and assessments as described in paragraphs (c)(2)(i) through (iii) of this section.

(4) If a program serves a child who speaks a language other than English and can demonstrate that there is not a qualified bilingual staff person or interpreter, then screenings and assessments may be conducted in English. In such a case, a program must also gather and use other information, including structured observations over time and information gathered in a child's home language from the family, for use in evaluating the child's development and progress.

(d) *Prohibitions on use of screening and assessment data.* The use of screening and assessment items and data on any screening or assessment authorized under this subchapter by any agent of the federal government is prohibited for the purposes of ranking, comparing,

45 CFR Ch. XIII (10–1–24 Edition)

or otherwise evaluating individual children for purposes other than research, training, or technical assistance, and is prohibited for the purposes of providing rewards or sanctions for individual children or staff. A program must not use screening or assessments to exclude children from enrollment or participation.

§ 1302.34 Parent and family engagement in education and child development services.

(a) *Purpose.* Center-based and family child care programs must structure education and child development services to recognize parents' roles as children's lifelong educators, and to encourage parents to engage in their child's education.

(b) *Engaging parents and family members.* A program must offer opportunities for parents and family members to be involved in the program's education services and implement policies to ensure:

(1) The program's settings are open to parents during all program hours;

(2) Teachers regularly communicate with parents to ensure they are well-informed about their child's routines, activities, and behavior;

(3) Teachers hold parent conferences, as needed, but no less than two times per program year, to enhance the knowledge and understanding of both staff and parents of the child's education and developmental progress and activities in the program;

(4) Parents have the opportunity to learn about and to provide feedback on selected curricula and instructional materials used in the program;

(5) Parents and family members have opportunities to volunteer in the class and during group activities;

(6) Teachers inform parents, about the purposes of and the results from screenings and assessments and discuss their child's progress;

(7) Teachers, except those described in paragraph (b)(8) of this section, conduct at least two home visits per program year for each family, including one before the program year begins, if feasible, to engage the parents in the child's learning and development, except that such visits may take place at a program site or another safe location

that affords privacy at the parent's request, or if a visit to the home presents significant safety hazards for staff;

(8) Teachers that serve migrant or seasonal families make every effort to conduct home visits to engage the family in the child's learning and development; and

(9) The program utilizes accessible communication methods and modalities that meet the needs of the community when engaging with prospective and enrolled families.

§ 1302.35 Education in home-based programs.

(a) *Purpose.* A home-based program must provide home visits and group socialization activities that promote secure parent-child relationships and help parents provide high-quality early learning experiences in language, literacy, mathematics, social and emotional functioning, approaches to learning, science, physical skills, and creative arts. A program must implement a research-based curriculum that delivers developmentally, linguistically, and culturally appropriate home visits and group socialization activities that support children's cognitive, social, and emotional growth for later success in school.

(b) *Home-based program design.* A home-based program must ensure all home visits are:

(1) Planned jointly by the home visitor and parents, and reflect the critical role of parents in the early learning and development of their children, including that the home visitor is able to effectively communicate with the parent, directly or through an interpreter;

(2) Planned using information from ongoing assessments that individualize learning experiences;

(3) Scheduled with sufficient time to serve all enrolled children in the home and conducted with parents and are not conducted when only babysitters or other temporary caregivers are present;

(4) Scheduled with sufficient time and appropriate staff to ensure effective delivery of services described in subparts D, E, F, and G of this part

through home visiting, to the extent possible.

(c) *Home visit experiences.* A program that operates the home-based option must ensure all home visits focus on promoting high-quality early learning experiences in the home and growth towards the goals described in the *Head Start Early Learning Outcomes Framework: Ages Birth to Five* and must use such goals and the curriculum to plan home visit activities that implement:

(1) Age and developmentally appropriate, structured child-focused learning experiences;

(2) Strategies and activities that promote parents' ability to support the child's cognitive, social, emotional, language, literacy, and physical development;

(3) Strategies and activities that promote the home as a learning environment that is safe, nurturing, responsive, and language- and communication- rich;

(4) Research-based strategies and activities for children who are dual language learners that recognize bilingualism and biliteracy as strengths, and:

(i) For infants and toddlers, focus on the development of the home language, while providing experiences that expose both parents and children to English; and,

(ii) For preschoolers, focus on both English language acquisition and the continued development of the home language; and,

(5) Follow-up with the families to discuss learning experiences provided in the home between each visit, address concerns, and inform strategies to promote progress toward school readiness goals.

(d) *Home-based curriculum.* A program that operates the home-based option must:

(1) Ensure home-visiting and group socializations implement a developmentally appropriate research-based early childhood home-based curriculum that:

(i) Promotes the parent's role as the child's teacher through experiences focused on the parent-child relationship and, as appropriate, the family's traditions, culture, values, and beliefs;

§ 1302.36

(ii) Aligns with the *Head Start Early Learning Outcomes Framework: Ages Birth to Five* and, as appropriate, state early learning standards, and, is sufficiently content-rich within the Framework to promote measurable progress toward goals outlined in the Framework; and,

(iii) Has an organized developmental scope and sequence that includes plans and materials for learning experiences based on developmental progressions and how children learn.

(2) Support staff in the effective implementation of the curriculum and at a minimum monitor curriculum implementation and fidelity, and provide support, feedback, and supervision for continuous improvement of its implementation through the system of training and professional development.

(3) If a program chooses to make significant adaptations to a curriculum or curriculum enhancement to better meet the needs of one or more specific populations, a program must:

(i) Partner with early childhood education curriculum or content experts; and,

(ii) Assess whether the adaptation adequately facilitates progress toward meeting school readiness goals consistent with the process described in §1302.102(b) and (c).

(4) Provide parents with an opportunity to review selected curricula and instructional materials used in the program.

(e) *Group socialization.* (1) A program that operates the home-based option must ensure group socializations are planned jointly with families, conducted with both child and parent participation, occur in a classroom, community facility, home or field trip setting, as appropriate.

(2) Group socializations must be structured to:

(i) Provide age appropriate activities for participating children that are intentionally aligned to school readiness goals, the *Head Start Early Learning Outcomes Framework: Ages Birth to Five* and the home-based curriculum; and,

(ii) Encourage parents to share experiences related to their children's development with other parents in order to strengthen parent-child relation-

ships and to help promote parents understanding of child development;

(3) For parents with preschoolers, group socializations also must provide opportunities for parents to participate in activities that support parenting skill development or family partnership goals identified in §1302.52(c), as appropriate and must emphasize peer group interactions designed to promote children's social, emotional and language development, and progress towards school readiness goals, while encouraging parents to observe and actively participate in activities, as appropriate.

(f) *Screening and assessments.* A program that operates the home-based option must implement provisions in §1302.33 and inform parents about the purposes of and the results from screenings and assessments and discuss their child's progress.

§ 1302.36 Tribal language preservation and revitalization.

A program that serves American Indian and Alaska Native children may integrate efforts to preserve, revitalize, restore, or maintain the tribal language for these children into program services. Such language preservation and revitalization efforts may include full immersion in the tribal language for the majority of the hours of planned class operations. If children's home language is English, exposure to English as described in §1302.31(b)(2)(i) and (ii) is not required.

Subpart D—Health and Mental Health Program Services

[89 FR 67810, Aug. 21, 2024]

§ 1302.42 Child health status and care.

(a) *Source of health care.* (1) A program, within 30 calendar days after the child first attends the program or, for the home-based program option, receives a home visit, must consult with parents to determine whether each child has ongoing sources of continuous, accessible health care—provided by a health care professional that maintains the child's ongoing health record and is not primarily a source of emergency or urgent care—and health insurance coverage.

(2) If the child does not have such a source of ongoing care and health insurance coverage or access to care through the Indian Health Service, the program must assist families in accessing a source of care and health insurance that will meet these criteria, as quickly as possible.

(b) *Ensuring up-to-date child health status.* (1) Within 90 calendar days after the child first attends the program or, for the home-based program option, receives a home visit, with the exceptions noted in paragraph (b)(3) of this section, a program must:

(i) Obtain determinations from health care and oral health care professionals as to whether or not the child is up-to-date on a schedule of age appropriate preventive and primary medical, mental health, and oral health care, based on: the well-child visits and dental periodicity schedules as prescribed by the Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) program of the Medicaid agency of the State in which they operate, immunization recommendations issued by the Centers for Disease Control and Prevention, and any additional recommendations from the local Health and Mental Health Services Advisory Committee that are based on prevalent community health problems; and

(ii) Assist parents with making arrangements to bring the child up-to-date as quickly as possible; and, if necessary, directly facilitate provision of health services to bring the child up-to-date with parent consent as described in §1302.41(b)(1).

(2) Within 45 calendar days after the child first attends the program or, for the home-based program option, receives a home visit, a program must either obtain or perform evidence-based vision and hearing screenings.

(3) If a program operates for 90 days or less, it has 30 days from the date the child first attends the program to satisfy paragraphs (b)(1) and (2) of this section.

(4) A program must identify each child's nutritional health needs, taking into account available health information, including the child's health records, relevant developmental or mental health concerns, and family and staff concerns, including special dietary requirements, food allergies, and community nutrition issues as identified through the community assessment or by the Health and Mental Health Services Advisory Committee.

§ 1302.43

(2) A program must implement periodic observations or other appropriate strategies for program staff and parents to identify any new or recurring developmental, medical, oral, or mental health concerns.

(3) A program must facilitate and monitor necessary oral health preventive care, treatment and follow-up, including topical fluoride treatments. In communities where there is a lack of adequate fluoride available through the water supply and for every child with moderate to severe tooth decay, a program must also facilitate fluoride supplements, and other necessary preventive measures, and further oral health treatment as recommended by the oral health professional.

(d) *Extended follow-up care.* (1) A program must facilitate further diagnostic testing, evaluation, treatment, and follow-up plan, as appropriate, by a licensed or certified professional for each child with a health problem or developmental delay, such as elevated lead levels or abnormal hearing or vision results that may affect child's development, learning, or behavior.

mental health supports are available on at least a monthly basis.

(ii) If the program uses other licensed mental health professionals or behavioral health support specialists, the program must ensure their regular coordination and consultation with mental health consultants.

(b) A program must work to develop interagency agreements with the local agency responsible for implementing IDEA to improve service delivery to children eligible for services under

IDEA, including the referral and evaluation process, service coordination, promotion of service provision in the least restrictive appropriate community-based setting and reduction in dual enrollment which causes reduced time in a less restrictive setting, and transition services as children move from services provided under Part C of IDEA to services provided under Part B of IDEA and from preschool to kindergarten.

A program may provide annual salaries comparable to a neighboring school district if the salaries are higher than a program's local school district.

the process established in paragraph (e)(7) of this section, the responsible HHS official will reassess waiver eligibility for each successive grant period, in line with the process established and criteria described in paragraph (e)(8) of this section.

(10) *Ongoing waiver authority.* Waivers granted under the process established in paragraph (e)(7) of this section may only be granted if over the preceding four fiscal years, the average annual increase in Federal appropriations for the Head Start program was less than 1.3 percent.

(4) For each staff member who may be eligible, a program must facilitate access to the Public Service Loan Forgiveness (PSLF) program, or other applicable student loan debt relief programs, including timely certification of employment.

(5) To the extent practicable, a program must assess and determine if their benefits package for full-time staff is at least comparable to those provided to elementary school staff in the program's local or neighboring school district at least once every 5 years. Programs may offer additional benefits to staff, including more enhanced health benefits, retirement benefits, flexible savings accounts, or life,

disability, and long-term care insurance.

(6) An agency with 200 or fewer funded slots is exempt from the requirements described in this paragraph (f). Such an agency must make measurable improvements in benefits for Head Start staff over time and demonstrate progress towards meeting the requirements of paragraphs (f)(1) through (5) of this section.

(7) The exemption described in paragraph (f)(6) of this section also applies to an interim service provider that is temporarily providing Head Start services in place of a Head Start agency that would otherwise qualify for the small agency exemption.

§ 1303.4 Federal financial assistance, non-federal match, and waiver requirements.

In accordance with section 640(b) of the Act, federal financial assistance to a grant recipient will not exceed 80 percent of the approved total program costs. A grant recipient must contribute 20 percent as non-federal match each budget period. The responsible HHS official may approve a waiver of all or a portion of the non-federal match requirement on the basis of the grant recipient's written application submitted for the budget period and any supporting evidence the responsible HHS official requires. In deciding whether to grant a waiver, the responsible HHS official will consider the circumstances specified at section 640(b) of the Act and whether the grant recipient has made a reasonable effort to comply with the non-federal match requirement.

§ 1303.5 Limitations on development and administrative costs.

(a) *Limitations.* (1) Costs to develop and administer a program cannot be excessive or exceed 15 percent of the total approved program costs. Allowable costs to develop and administer a Head Start program cannot exceed 15 percent of the total approved program costs, which includes both federal costs and non-federal match, unless the responsible HHS official grants a waiver under paragraph (b) of this section that

approves a higher percentage in order to carry out the purposes of the Act.

(2) To assess total program costs and determine whether a grant recipient meets this requirement, the grant recipient must:

(i) Determine the costs to develop and administer its program, including the local costs of necessary resources;

(ii) Categorize total costs as development and administrative or program costs;

(iii) Identify and allocate the portion of dual benefits costs that are for development and administration;

(iv) Identify and allocate the portion of indirect costs that are for development and administration versus program costs; and,

(v) Delineate all development and administrative costs in the grant application and calculate the percentage of total approved costs allocated to development and administration.

(b) *Waivers.* (1) The responsible HHS official may grant a waiver for each budget period if a delay or disruption to program services is caused by circumstances beyond the agency's control, or if an agency is unable to administer the program within the 15 percent limitation and if the agency can demonstrate efforts to reduce its development and administrative costs.

(2) If at any time within the grant funding cycle, a grant recipient estimates development and administration

§ 1303.10

costs will exceed 15 percent of total approved costs, it must submit a waiver request to the responsible HHS official that explains why costs exceed the limit, that indicates the time period the waiver will cover, and that describes what the grant recipient will do to reduce its development and administrative costs to comply with the 15 percent limit after the waiver period.

Subpart B—Administrative Requirements

§ 1303.10 Purpose.

A grant recipient must observe standards of organization, management, and administration that will ensure, so far as reasonably possible, that all program activities are conducted in a manner consistent with the purposes of the Act and the objective of providing assistance effectively, efficiently, and free of any taint of partisan political bias or personal or family favoritism.

§ 1303.11 Limitations and prohibitions.

An agency must adhere to sections 644(e), 644(g)(3), 653, 654, 655, 656, and 657A of the Act. These sections pertain to union organizing, the Davis-Bacon Act, limitations on compensation, non-discrimination, unlawful activities, political activities, and obtaining parental consent.

§ 1303.12 Insurance and bonding.

An agency must have an ongoing process to identify risks and have cost-effective insurance for those identified risks; a grant recipient must require the same for its delegates. The agency must specifically consider the risk of accidental injury to children while participating in the program. The grant recipient must submit proof of appropriate coverage in its initial application for funding. The process of identifying risks must also consider the risk of losses resulting from fraudulent acts by individuals authorized to disburse Head Start funds. Consistent with 45 CFR part 75, if the agency lacks sufficient coverage to protect the federal government's interest, the agency must maintain adequate fidelity bond coverage.

45 CFR Ch. XIII (10–1–24 Edition)

Subpart C—Protections for the Privacy of Child Records

§ 1303.20 Establishing procedures.

A program must establish procedures to protect the confidentiality of any personally identifiable information (PII) in child records.

§ 1303.21 Program procedures—applicable confidentiality provisions.

(a) If a program is an educational agency or institution that receives funds under a program administered by the Department of Education and therefore is subject to the confidentiality provisions under the Family Educational Rights and Privacy Act (FERPA), then it must comply with those confidentiality provisions of FERPA instead of the provisions in this subpart.

(b) If a program serves a child who is referred to, or found eligible for services under, IDEA, then a program must comply with the applicable confidentiality provisions in Part B or Part C of IDEA to protect the PII in records of those children, and, therefore, the provisions in this subpart do not apply to those children.

§ 1303.22 Disclosures with, and without, parental consent.

(a) *Disclosure with parental consent.* (1) Subject to the exceptions in paragraphs (b) and (c) of this section, the procedures to protect PII must require the program to obtain a parent's written consent before the program may disclose such PII from child records.

(2) The procedures to protect PII must require the program to ensure the parent's written consent specifies what child records may be disclosed, explains why the records will be disclosed, and identifies the party or class of parties to whom the records may be disclosed. The written consent must be signed and dated.

(3) "Signed and dated written consent" under this part may include a record and signature in electronic form that:

(i) Identifies and authenticates a particular person as the source of the electronic consent; and,

(ii) Indicates such person's approval of the information.

(4) The program must explain to the parent that the granting of consent is voluntary on the part of the parent and may be revoked at any time. If a parent revokes consent, that revocation is not retroactive and therefore it does not apply to an action that occurred before the consent was revoked.

(b) *Disclosure without parental consent but with parental notice and opportunity to refuse.* The procedures to protect PII must allow the program to disclose such PII from child records without parental consent if the program notifies the parent about the disclosure, provides the parent, upon the parent's request, a copy of the PII from child records to be disclosed in advance, and gives the parent an opportunity to challenge and refuse disclosure of the information in the records, before the program forwards the records to officials at a program, school, or school district in which the child seeks or intends to enroll or where the child is already enrolled so long as the disclosure is related to the child's enrollment or transfer.

(c) *Disclosure without parental consent.* The procedures to protect PII must allow the program to disclose such PII from child records without parental consent to:

(1) Officials within the program or acting for the program, such as contractors and subrecipients, if the official provides services for which the program would otherwise use employees, the program determines it is necessary for Head Start services, and the program maintains oversight with respect to the use, further disclosure, and maintenance of child records, such as through a written agreement;

(2) Officials within the program, acting for the program, or from a federal or state entity, in connection with an audit or evaluation of education or child development programs, or for enforcement of or compliance with federal legal requirements of the program; provided the program maintains oversight with respect to the use, further disclosure, and maintenance of child records, such as through a written agreement, including the destruction of the PII when no longer needed for the purpose of the disclosure, except when the disclosure is specifically au-

thorized by federal law or by the responsible HHS official;

(3) Officials within the program, acting for the program, or from a federal or state entity, to conduct a study to improve child and family outcomes, including improving the quality of programs, for, or on behalf of, the program, provided the program maintains oversight with respect to the use, further disclosure, and maintenance of child records, such as through a written agreement, including the destruction of the PII when no longer needed for the purpose of the disclosure;

(4) Appropriate parties in order to address a disaster, health or safety emergency during the period of the emergency, or a serious health and safety risk such as a serious food allergy, if the program determines that disclosing the PII from child records is necessary to protect the health or safety of children or other persons;

(5) Comply with a judicial order or lawfully issued subpoena, provided the program makes a reasonable effort to notify the parent about all such subpoenas and court orders in advance of the compliance therewith, unless:

(i) A court has ordered that neither the subpoena, its contents, nor the information provided in response be disclosed;

(ii) The disclosure is in compliance with an ex parte court order obtained by the United States Attorney General (or designee not lower than an Assistant Attorney General) concerning investigations or prosecutions of an offense listed in 18 U.S.C. 2332b(g)(5)(B) or an act of domestic or international terrorism as defined in 18 U.S.C. 2331.

(iii) A parent is a party to a court proceeding directly involving child abuse and neglect (as defined in section 3 of the Child Abuse Prevention and Treatment Act (42 U.S.C. 5101)) or dependency matters, and the order is issued in the context of that proceeding, additional notice to the parent by the program is not required; or,

(iv) A program initiates legal action against a parent or a parent initiates legal action against a program, then a program may disclose to the court, also without a court order or subpoena, the child records relevant for the program to act as plaintiff or defendant.

§ 1303.23

(6) The Secretary of Agriculture or an authorized representative from the Food and Nutrition Service to conduct program monitoring, evaluations, and performance measurements for the Child and Adult Care Food Program under the Richard B. Russell National School Lunch Act or the Child Nutrition Act of 1966, if the results will be reported in an aggregate form that does not identify any individual: Provided, that any data collected must be protected in a manner that will not permit the personal identification of students and their parents by other than the authorized representatives of the Secretary of Agriculture and any PII must be destroyed when the data are no longer needed for program monitoring, evaluations, and performance measurements;

(7) A caseworker or other representative from a state, local, or tribal child welfare agency, who has the right to access a case plan for a child who is in foster care placement, when such agency is legally responsible for the child's care and protection, under state or tribal law, if the agency agrees in writing to protect PII, to use information from the child's case plan for specific purposes intended of addressing the child's needs, and to destroy information that is no longer needed for those purposes; and,

(8) Appropriate parties in order to address suspected or known child maltreatment and is consistent with applicable federal, state, local, and tribal laws on reporting child abuse and neglect.

(d) *Written agreements.* When a program establishes a written agreement with a third party, the procedures to protect such PII must require the program to annually review and, if necessary, update the agreement. If the third party violates the agreement, then the program may:

(1) Provide the third party an opportunity to self-correct; or,

(2) Prohibit the third party from access to records for a set period of time as established by the programs governing body and policy council.

(e) *Annual notice.* The procedures to protect PII must require the program to annually notify parents of their rights in writing described in this sub-

45 CFR Ch. XIII (10–1–24 Edition)

part and applicable definitions in part 1305 of this chapter, and include in that notice a description of the types of PII that may be disclosed, to whom the PII may be disclosed, and what may constitute a necessary reason for the disclosure without parental consent as described in paragraph (c) of this section.

(f) *Limit on disclosing PII.* A program must only disclose the information that is deemed necessary for the purpose of the disclosure.

§ 1303.23 Parental rights.

(a) *Inspect record.* (1) A parent has the right to inspect child records.

(2) If the parent requests to inspect child records, the program must make the child records available within a reasonable time, but no more than 45 days after receipt of request.

(3) If a program maintains child records that contain information on more than one child, the program must ensure the parent only inspects information that pertains to the parent's child.

(4) The program shall not destroy a child record with an outstanding request to inspect and review the record under this section.

(b) *Amend record.* (1) A parent has the right to ask the program to amend information in the child record that the parent believes is inaccurate, misleading, or violates the child's privacy.

(2) The program must consider the parent's request and, if the request is denied, render a written decision to the parent within a reasonable time that informs the parent of the right to a hearing.

(c) *Hearing.* (1) If the parent requests a hearing to challenge information in the child record, the program must schedule a hearing within a reasonable time, notify the parent, in advance, about the hearing, and ensure the person who conducts the hearing does not have a direct interest in its outcome.

(2) The program must ensure the hearing affords the parent a full and fair opportunity to present evidence relevant to the issues.

(3) If the program determines from evidence presented at the hearing that the information in the child records is inaccurate, misleading, or violates the

child's privacy, the program must either amend or remove the information and notify the parent in writing.

(4) If the program determines from evidence presented at the hearing that information in the child records is accurate, does not mislead, or otherwise does not violate the child's privacy, the program must inform the parent of the right to place a statement in the child records that either comments on the contested information or that states why the parent disagrees with the program's decision, or both.

(d) *Right to copy of record.* The program must provide a parent, free of charge, an initial copy of child records disclosed to third parties with parental consent and, upon parent request, an initial copy of child records disclosed to third parties, unless the disclosure was for a court that ordered neither the subpoena, its contents, nor the information furnished in response be disclosed.

(e) *Right to inspect written agreements.* A parent has the right to review any written agreements with third parties.

§ 1303.24 Maintaining records.

(a) A program must maintain child records in a manner that ensures only parents, and officials within the program or acting on behalf of the program have access, and such records must be destroyed within a reasonable timeframe after such records are no longer needed or required to be maintained.

(b) A program must maintain, with the child records, for as long as the records are maintained, information on all individuals, agencies, or organizations to whom a disclosure of PII from the child records was made (except for program officials and parents) and why the disclosure was made. If a program uses a web-based data system to maintain child records, the program must ensure such child records are adequately protected and maintained according to current industry security standards.

(c) If a parent places a statement in the child record, the program must maintain the statement with the contested part of the child record for as long as the program maintains the record and, disclose the statement

whenever it discloses the portion of the child record to which the statement relates.

Subpart D—Delegation of Program Operations

§ 1303.30 Grant recipient responsibility and accountability.

A grant recipient is accountable for the services its delegate agencies provide. The grant recipient supports, oversees and ensures delegate agencies provide high-quality services to children and families and meet all applicable Head Start requirements. The grant recipient can only terminate a delegate agency if the grant recipient shows cause why termination is necessary and provides a process for delegate agencies to appeal termination decisions. The grant recipient retains legal responsibility and authority and bears financial accountability for the program when services are provided by delegate agencies.

§ 1303.31 Determining and establishing delegate agencies.

(a) If a grant recipient enters into an agreement with another entity to serve children, the grant recipient must determine whether the agreement meets the definition of "delegate agency" in section 637(3) of the Act.

(b) A grant recipient must not award a delegate agency federal financial assistance unless there is a written agreement and the responsible HHS official approves the agreement before the grant recipient delegates program operations.

§ 1303.32 Evaluations and corrective actions for delegate agencies.

A grant recipient must evaluate and ensure corrective action for delegate agencies according to section 641A(d) of the Act.

§ 1303.33 Termination of delegate agencies.

(a) If a grant recipient shows cause why termination is appropriate or demonstrates cost effectiveness, the grant recipient may terminate a delegate agency's contract.

§ 1303.40

(b) The grant recipient's decision to terminate must not be arbitrary or capricious.

(c) The grant recipient must establish a process for defunding a delegate agency, including an appeal of a defunding decision and must ensure the process is fair and timely.

(d) The grant recipient must notify the responsible HHS official about the appeal and its decision.

Subpart E—Facilities

§ 1303.40 Purpose.

This subpart prescribes what a grant recipient must establish to show it is eligible to purchase, construct and renovate facilities as outlined in section 644(c), (f) and (g) of the Act. It explains how a grant recipient may apply for funds, details what measures a grant recipient must take to protect federal interest in facilities purchased, constructed or renovated with grant funds, and concludes with other administrative provisions. This subpart applies to major renovations. It only applies to minor renovations and repairs, when they are included with a purchase application and are part of purchase costs.

§ 1303.41 Approval of previously purchased facilities.

If a grant recipient purchased a facility after December 31, 1986, and seeks to use grant funds to continue to pay purchase costs for the facility or to refinance current indebtedness and use grant funds to service the resulting debt, the grant recipient may apply for funds to meet those costs. The grant recipient must submit an application that conforms to requirements in this part and in the Act to the responsible HHS official. If the responsible HHS official approves the grant recipient's application, Head Start funds may be used to pay ongoing purchase costs, which include principal and interest on approved loans.

§ 1303.42 Eligibility to purchase, construct, and renovate facilities.

Before a grant recipient can apply for funds to purchase, construct, or renovate a facility under § 1303.44, it must establish that:

45 CFR Ch. XIII (10–1–24 Edition)

(a) The facility will be available to Indian Tribes, or rural or other low-income communities;

(b) The proposed purchase, construction, or major renovation is within the grant recipient's designated service area;

(c) The proposed purchase, construction, or major renovation is necessary because the lack of suitable facilities in the grant recipient's service area will inhibit the operation of the program; and

(d) The proposed construction of a facility is more cost-effective than the purchase of available facilities or renovation.

[89 FR 67816, Aug. 21, 2024]

§ 1303.43 Use of grant funds to pay fees.

If a recipient seeks to use Federal funds for reasonable fees and costs necessary to submit an application under §§ 1303.42 and 1303.44, they must be granted approval from the responsible HHS official. Once approval is granted to use Federal funds to submit an application, the funds are allowable regardless of the outcome of the preliminary eligibility under § 1303.42 and the application under § 1303.44.

[89 FR 67816, Aug. 21, 2024]

§ 1303.44 Applications to purchase, construct, and renovate facilities.

(a) *Application requirements.* If a grant recipient is preliminarily eligible under § 1303.42 to apply for funds to purchase, construct, or renovate a facility, it must submit to the responsible HHS official:

(1) A statement that explains the anticipated effect the proposed purchase, construction or renovation has had or will have on program enrollment, activities and services, and how it determined what the anticipated effect would be;

(2) A deed or other document showing legal ownership of the real property where facilities activity is proposed, legal description of the facility site, and an explanation why the location is appropriate for the grant recipient's service area;

(3) Plans and specifications for the facility, including square footage,

structure type, the number of rooms the facility will have or has, how the rooms will be used, where the structure will be positioned or located on the building site, whether there is space available for outdoor play, and whether there is space available for parking, if applicable;

(4) Certification by a licensed engineer or architect that the facility is, or will be upon completion, structurally sound and safe for use as a Head Start facility and that the facility complies, or will comply upon completion, with local building codes, applicable child care licensing requirements, the accessibility requirements of the Americans with Disabilities Act, section 504 of the Rehabilitation Act of 1973, the Flood Disaster Protection Act of 1973, and the National Historic Preservation Act of 1966;

(5) A description of proposed renovations or repairs to make the facility suitable for program activities, and plans and specification that describe the facility after renovation or repair;

(6) A proposed schedule that details when the grant recipient will acquire, renovate, repair and occupy the facility;

(7) An estimate by a licensed independent certified appraiser of the facility's value after proposed purchase and associated repairs and renovations, construction, or major renovation is completed, either on-site or virtually, is required for all facilities activities except for major renovations to leased property;

(8) The cost comparison described in § 1303.45;

(9) A statement that shows what share of the purchase, construction, or major renovation will be paid with grant funds and what the grant recipient proposes to contribute as a non-federal match to the purchase, construction or major renovation;

(10) A statement from a lender, if a grant recipient applies to use Head Start funds to continue purchase on a facility or refinance existing debt on a facility that indicates the lender is willing to comply with § 1303.49;

(11) The terms of any proposed or existing loan(s) related to purchase, construction or major renovation of the facility, including copies of any fund-

ing commitment letters, mortgages, promissory notes, potential security agreements to be entered into, information on all other sources of funding, construction or major renovation, and any restrictions or conditions imposed by other funding sources;

(12) A Phase I environmental site assessment that describes the environmental condition of the proposed facility site and any structures on the site;

(13) A description of the efforts by the grant recipient to coordinate or collaborate with other providers in the community to seek assistance, including financial assistance, prior to the use of funds under this section; and,

(14) Any additional information the responsible HHS official needs to determine compliance with the regulations in this part.

(b) *Additional requirements for leased properties.* (1) If a grant recipient applies to renovate leased property, it must submit to the responsible HHS official information described in paragraph (a) of this section, a copy of the existing or proposed lease agreement, and the landlord or lessor's consent.

(2) If a grant recipient applies to purchase a modular unit it intends to site on leased property or on other property the grant recipient does not own, the grant recipient must submit to the responsible HHS official information described in paragraph (a) of this section and a copy of the proposed lease or other occupancy agreement that will allow the grant recipient access to the modular unit for at least 15 years.

(c) *Non-federal match.* Any non-federal match associated with facilities activities becomes part of the federal share of the facility.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67816, Aug. 21, 2024]

§ 1303.45 Cost-comparison to purchase, construct, and renovate facilities.

(a) *Cost comparison.* (1) If a grant recipient proposes to purchase, construct, or renovate a facility, it must submit a detailed cost estimate of the proposed activity, compare the costs associated with the proposed activity to other available alternatives in the service area, and provide any additional information the responsible HHS official requests. The grant recipient

must demonstrate that the proposed activity will result in savings when compared to the costs that would be incurred to acquire the use of an alternative facility to carry out program.

(2) In addition to requirements in paragraph (a)(1) of this section, the grant recipient must:

- (i) Identify who owns the property;
- (ii) List all costs related to the purchase, construction, or renovation;
- (iii) Identify costs over the structure's useful life, which is at least 20 years for a facility that the grant recipient purchased or constructed and at least 15 years for a modular unit the grant recipient renovated, and deferred costs, including mortgage payments, as costs with associated due dates; and,
- (iv) Demonstrate how the proposed purchase, construction, or major renovation is consistent with program management and fiscal goals, community needs, enrollment and program options and how the proposed facility will support the grant recipient as it provides quality services to children and families.

(b) *Continue purchase or refinance.* To use funds to continue purchase on a facility or to refinance an existing indebtedness, the grant recipient must compare the costs of continued purchase against the cost of purchasing a comparable facility in the service area over the remaining years of the facility's useful life. The grant recipient must demonstrate that the proposed activity will result in savings when compared to the cost that would be incurred to acquire the use of an alternative facility to carry out the program.

(c) *Multi-purpose use.* If the grant recipient intends to use a facility to operate a Head Start program and for another purpose, it must disclose what percentage of the facility will be used for non-Head Start activities, along with costs associated with those activities, in accordance with applicable cost principles.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67816, Aug. 21, 2024]

§ 1303.46 Recording and posting notices of federal interest.

(a) *Survival of federal interest.* A grant recipient that receives funds under this

subpart must file notices of federal interest as set forth in paragraph (b) of this section. Federal interest cannot be defeated by a grant recipient's failure to file a notice of federal interest.

(b) *Recording notices of federal interest.*

(1) If a grant recipient uses federal funds to purchase real property or a facility, excluding modular units, appurtenant to real property, it must record a notice of federal interest in the official real property records for the jurisdiction where the facility is or will be located. The grant recipient must file the notice of federal interest as soon as it uses Head Start funds to either fully or partially purchase a facility or real property where a facility will be constructed or as soon as it receives permission from the responsible HHS official to use Head Start funds to continue purchase on a facility.

(2) If a grant recipient uses federal funds in whole or in part to construct a facility, it must record the notice of federal interest in the official real property records for the jurisdiction in which the facility is located as soon as it receives the notice of award to construct the facility.

(3) If a grant recipient uses federal funds to renovate a facility that it, or a third party owns, the grant recipient must record the notice of federal interest in the official real property records for the jurisdiction in which the facility is located as soon as it receives the notice of award to renovate the facility.

(4) If a grant recipient uses federal funds in whole or in part to purchase a modular unit or to renovate a modular unit, the grant recipient must post the notice of federal interest, in clearly visible locations, on the exterior of the modular unit and inside the modular unit.

§ 1303.47 Contents of notices of federal interest.

(a) *Facility and real property a grant recipient owns.* A notice of federal interest for a facility, other than a modular unit, and real property the grant recipient owns or will own, must include:

- (1) The grant recipient's correct legal name and current mailing address;
- (2) A legal description of the real property;

(3) Grant award number, amount and date of initial facilities funding award or initial use of base grant funds for ongoing purchase or mortgage payments;

(4) A statement that the notice of federal interest includes funds awarded in grant award(s) and any Head Start funds subsequently used to purchase, construct or to make major renovations to the real property;

(5) A statement that the facility and real property will only be used for purposes consistent with the Act and applicable Head Start regulations;

(6) A statement that the facility and real property will not be mortgaged or used as collateral, sold or otherwise transferred to another party, without the responsible HHS official's written permission;

(7) A statement that the federal interest cannot be subordinated, diminished, nullified or released through encumbrance of the property, transfer of the property to another party or any other action the grant recipient takes without the responsible HHS official's written permission;

(8) A statement that confirms that the agency's governing body received a copy of the notice of federal interest prior to filing and the date the governing body was provided with a copy; and,

(9) The name, title, and signature of the person who drafted the notice.

(b) *Facility leased by a grant recipient.*

(1) A notice of federal interest for a leased facility, excluding a modular unit, on land the grant recipient does not own, must be recorded in the official real property records for the jurisdiction where the facility is located and must include:

(i) The grant recipient's correct legal name and current mailing address;

(ii) A legal description of affected real property;

(iii) The grant award number, amount and date of initial funding award or initial use of base grant funds for major renovation;

(iv) Acknowledgement that the notice of federal interest includes any Head Start funds subsequently used to make major renovations on the affected real property;

(v) A statement the facility and real property will only be used for purposes consistent with the Act and applicable Head Start regulations; and,

(vi) A lease or occupancy agreement that includes the required information from paragraphs (b)(1)(i) through (v) of this section may be recorded in the official real property records for the jurisdiction where the facility is located to serve as a notice of federal interest.

(2) If a grant recipient cannot file the lease or occupancy agreement described in paragraph (b)(1)(vi) of this section in the official real property records for the jurisdiction where the facility is located, it may file an abstract. The abstract must include the names and addresses of parties to the lease or occupancy agreement, terms of the lease or occupancy agreement, and information described in paragraphs (a)(1) through (9) of this section.

(c) *Modular units.* A notice of federal interest on a modular unit the grant recipient purchased or renovated must be visible and clearly posted on the exterior of the modular and inside the modular and must include:

(1) The grant recipient's correct legal name and current mailing address;

(2) The grant award number, amount and date of initial funding award or initial use of base grant funds to purchase or renovate;

(3) A statement that the notice of federal interest includes any Head Start funds subsequently used for major renovations to the modular unit;

(4) A statement that the facility and real property will only be used for purposes consistent with the Act and applicable Head Start regulations;

(5) A statement that the modular unit will not be mortgaged or used as collateral, sold or otherwise transferred to another party, without the responsible HHS official's written permission;

(6) A statement that the federal interest cannot be subordinated, diminished, nullified or released through encumbrance of the property, transfer to another party, or any other action the grant recipient takes without the responsible HHS official's written permission;

§ 1303.48

(7) A statement that the modular unit cannot be moved to another location without the responsible HHS official's written permission;

(8) A statement that confirms that the agency's governing body has received a copy of the filed notice of federal interest and the date the governing body was provided with a copy; and,

(9) The name, title, and signature of the person who completed the notice for the grant recipient agency.

§ 1303.48 Grant recipient limitations on Federal interest.

(a) A grant recipient cannot mortgage, use as collateral for a credit line or for other loan obligations, or, sell or transfer to another party, a facility, real property, or a modular unit it has purchased, constructed or renovated with Head Start funds, without the responsible HHS official's written permission.

(b) A grant recipient must have the responsible HHS official's written permission before it can use real property, a facility, or a modular unit subject to federal interest for a purpose other than that for which the grant recipient's application was approved.

§ 1303.49 Protection of federal interest in mortgage agreements.

(a) Any mortgage agreement or other security instrument that is secured by real property or a modular unit constructed or purchased in whole or in part with federal funds or subject to renovation with federal funds must:

(1) Specify that the responsible HHS official can intervene in case the grant recipient defaults on, terminates or withdraws from the agreement;

(2) Designate the responsible HHS official to receive a copy of any notice of default given to the grant recipient under the terms of the agreement and include the regional grants management officer's current address;

(3) Include a clause that requires any action to foreclose the mortgage agreement or security agreement be suspended for 60 days after the responsible HHS official receives the default notice to allow the responsible HHS official reasonable time to respond;

45 CFR Ch. XIII (10–1–24 Edition)

(4) Include a clause that preserves the notice of federal interest and the grant recipient's obligation for its federal share if the responsible HHS official fails to respond to any notice of default provided under this section;

(5) Include a statement that requires the responsible HHS official to be paid the federal interest before foreclosure proceeds are paid to the lender, unless the official's rights under the notice of federal interest have been subordinated by a written agreement in conformance with § 1303.51;

(6) Include a clause that gives the responsible HHS official the right to cure any default under the agreement within the designated period to cure the default; and,

(7) Include a clause that gives the responsible HHS official the right to assign or transfer the agreement to another interim or permanent grant recipient.

(b) A grant recipient must immediately notify the responsible HHS official of any default under an agreement described in paragraph (a) of this section.

§ 1303.50 Third party leases and occupancy arrangements.

(a) After November 7, 2016, if a grant recipient receives federal funds to purchase, construct or renovate a facility on real property the grant recipient does not own or to purchase or renovate a modular unit on real property the grant recipient does not own, the grant recipient must have a lease or other occupancy agreement of at least 30 years for purchase or construction of a facility and at least 15 years for a major renovation or placement of a modular unit.

(b) The lease or occupancy agreement must:

(1) Provide for the grant recipient's right of continued use and occupancy of the leased or occupied premises during the entire term of the lease;

(2) Designate the regional grants management officer to receive a copy of any notice of default given to the grant recipient under the terms of the agreement and include the regional grants management officer's current address;

(3) Specify that the responsible HHS official has the right to cure any default under the lease or occupancy agreement within the designated period to cure default; and,

(4) Specify that the responsible HHS official has the right to transfer the lease to another interim or replacement grant recipient.

§ 1303.51 Subordination of the federal interest.

Only the responsible HHS official can subordinate federal interest to the rights of a lender or other third party. Subordination agreements must be in writing and the mortgage agreement or security agreement for which subordination is requested must comply with § 1303.49. When the amount of federal funds already contributed to the facility exceeds the amount to be provided by the lender seeking subordination, the federal interest may only be subordinated if the grant recipient can show that funding is not available without subordination of the federal interest.

§ 1303.52 Insurance, bonding, and maintenance.

(a) *Purpose.* If a grant recipient uses federal funds to purchase or continue purchase on a facility, excluding modular units, the grant recipient must obtain a title insurance policy for the purchase price that names the responsible HHS official as an additional loss payee.

(b) *Insurance coverage.* (1) If a grant recipient uses federal funds to purchase or continue purchase on a facility or modular unit the grant recipient must maintain physical damage or destruction insurance at the full replacement value of the facility, for as long as the grant recipient owns or occupies the facility.

(2) If a facility is located in an area the National Flood Insurance Program defines as high risk, the grant recipient must maintain flood insurance for as long as the grant recipient owns or occupies the facility.

(3) A grant recipient must submit to the responsible HHS official, within 10 days after coverage begins, proof of insurance coverage required under paragraphs (a) and (b) of this section.

(c) *Maintenance.* A grant recipient must keep all facilities purchased or constructed in whole or in part with Head Start funds in good repair in accordance with all applicable federal, state, and local laws, rules and regulations, including Head Start requirements, zoning requirements, building codes, health and safety regulations and child care licensing standards.

§ 1303.53 Copies of documents.

A grant recipient must submit to the responsible HHS official, within 10 days after filing or execution, copies of deeds, leases, loan instruments, mortgage agreements, notices of federal interest, and other legal documents related to the use of Head Start funds for purchase, construction, major renovation, or the discharge of any debt secured by the facility.

§ 1303.54 Record retention.

A grant recipient must retain records pertinent to the lease, purchase, construction or renovation of a facility funded in whole or in part with Head Start funds, for as long as the grant recipient owns or occupies the facility, plus three years.

§ 1303.55 Procurement procedures.

(a) A grant recipient must comply with all grants management regulations, including specific regulations applicable to transactions in excess of the current simplified acquisition threshold, cost principles, and its own procurement procedures, and must provide, to the maximum extent practical, open and full competition.

(b) A grant recipient must obtain the responsible HHS official's written approval before it uses Head Start funds, in whole or in part, to contract construction or renovation services. The grant recipient must ensure these contracts are paid on a lump sum fixed-price basis.

(c) A grant recipient must obtain prior written approval from the responsible HHS official for contract modifications that would change the scope or objective of a project or would materially alter the costs, by increasing the amount of grant funds needed to complete the project.

§ 1303.56

(d) A grant recipient must ensure all construction and renovation contracts paid, in whole or in part with Head Start funds contain a clause that gives the responsible HHS official or his or her designee access to the facility, at all reasonable times, during construction and inspection.

§ 1303.56 Inspection of work.

The grant recipient must submit to the responsible HHS official a final facility inspection report by a licensed engineer or architect within 30 calendar days after the project is completed. The inspection report must certify that the facility complies with local building codes, applicable child care licensing requirements, is structurally sound and safe for use as a Head Start facility, complies with the access requirements of the Americans with Disabilities Act, section 504 of the Rehabilitation Act, and the Flood Disaster Protection Act of 1973, and complies with National Historic Preservation Act of 1966.

Subpart F—Transportation

§ 1303.70 Purpose.

(a) *Applicability.* This rule applies to all agencies, including those that provide transportation services, with the exceptions and exclusions provided in this section, regardless of whether such transportation is provided directly on agency owned or leased vehicles or through arrangement with a private or public transportation provider.

(b) *Providing transportation services.* (1) If a program does not provide transportation services, either for all or a portion of the children, it must provide reasonable assistance, such as information about public transit availability, to the families of such children to arrange transportation to and from its activities, and provide information about these transportation options in recruitment announcements.

(2) A program that provides transportation services must make reasonable efforts to coordinate transportation resources with other human services agencies in its community in order to control costs and to improve the quality and the availability of transportation services.

45 CFR Ch. XIII (10–1–24 Edition)

(3) A program that provides transportation services must ensure all accidents involving vehicles that transport children are reported in accordance with applicable state requirements.

(c) *Waiver.* (1) A program that provides transportation services must comply with all provisions in this subpart. A Head Start Preschool program may request to waive a specific requirement in this part, in writing, to the responsible HHS official, as part of an agency's annual application for financial assistance or amendment and must submit any required documentation the responsible HHS official deems necessary to support the waiver. The responsible HHS official is not authorized to waive any requirements with regard to children enrolled in an Early Head Start program. A program may request a waiver when:

(i) Adherence to a requirement in this part would create a safety hazard in the circumstances faced by the agency; and,

(ii) For preschool children, compliance with requirements related to child restraint systems at §§1303.71(d) and 1303.72(a)(1) or bus monitors at §1303.72(a)(4) will result in a significant disruption to the program and the agency demonstrates that waiving such requirements is in the best interest of the children involved.

(2) The responsible HHS official is not authorized to waive any requirements of the Federal Motor Vehicle Safety Standards (FMVSS) made applicable to any class of vehicle under 49 CFR part 571.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67816, Aug. 21, 2024]

§ 1303.71 Vehicles.

(a) *Required use of schools buses or allowable alternative vehicles.* A program, with the exception of transportation services to children served under a home-based option, must ensure all vehicles used or purchased with grant funds to provide transportation services to enrolled children are school buses or allowable alternate vehicles that are equipped for use of height- and weight-appropriate child restraint systems, and that have reverse beepers.

(b) *Emergency equipment.* A program must ensure each vehicle used in providing such services is equipped with an emergency communication system clearly labeled and appropriate emergency safety equipment, including a seat belt cutter, charged fire extinguisher, and first aid kit.

(c) *Auxiliary seating.* A program must ensure any auxiliary seating, such as temporary or folding jump seats, used in vehicles of any type providing such services are built into the vehicle by the manufacturer as part of its standard design, are maintained in proper working order, and are inspected as part of the annual inspection required under paragraph (e)(2)(i) of this section.

(d) *Child restraint systems.* A program must ensure each vehicle used to transport children receiving such services is equipped for use of age-, height- and weight-appropriate child safety restraint systems as defined in part 1305 of this chapter.

(e) *Vehicle maintenance.* (1) A program must ensure vehicles used to provide such services are in safe operating condition at all times.

(2) The program must:

(i) At a minimum, conduct an annual thorough safety inspection of each vehicle through an inspection program licensed or operated by the state;

(ii) Carry out systematic preventive maintenance on vehicles; and,

(iii) Ensure each driver implements daily pre-trip vehicle inspections.

(f) *New vehicle inspection.* A program must ensure bid announcements for school buses and allowable alternate vehicles to transport children in its program include correct specifications and a clear statement of the vehicle's intended use. The program must ensure vehicles are examined at delivery to ensure they are equipped in accordance with the bid specifications and that the manufacturer's certification of compliance with the applicable FMVSS is included with the vehicle.

§ 1303.72 Vehicle operation.

(a) *Safety.* A program must ensure:

(1) Each child is seated in a child restraint system appropriate to the child's age, height, and weight;

(2) Baggage and other items transported in the passenger compartment are properly stored and secured, and the aisles remain clear and the doors and emergency exits remain unobstructed at all times;

(3) Up-to-date child rosters and lists of the adults each child is authorized to be released to, including alternates in case of emergency, are maintained and no child is left behind, either at the classroom or on the vehicle at the end of the route; and,

(4) With the exception of transportation services to children served under a home-based option, there is at least one bus monitor on board at all times, with additional bus monitors provided as necessary.

(b) *Driver qualifications.* A program, with the exception of transportation services to children served under a home-based option, must ensure drivers, at a minimum:

(1) In states where such licenses are granted, have a valid Commercial Driver's License (CDL) for vehicles in the same class as the vehicle the driver will operating; and,

(2) Meet any physical, mental, and other requirements as necessary to perform job-related functions with any necessary reasonable accommodations.

(c) *Driver application review.* In addition to the applicant review process prescribed §1302.90(b) of this chapter, a program, with the exception of transportation services to children served under a home-based option, must ensure the applicant review process for drivers includes, at minimum:

(1) Disclosure by the applicant of all moving traffic violations, regardless of penalty;

(2) A check of the applicant's driving record through the appropriate state agency, including a check of the applicant's record through the National Driver Register, if available;

(3) A check that drivers qualify under the applicable driver training requirements in the state or tribal jurisdiction; and,

(4) After a conditional employment offer to the applicant and before the applicant begins work as a driver, a medical examination, performed by a licensed doctor of medicine or osteopathy, establishing that the individual

§ 1303.73

possesses the physical ability to perform any job-related functions with any necessary accommodations.

(d) *Driver training.* (1) A program must ensure any person employed as a driver receives training prior to transporting any enrolled child and receives refresher training each year.

(2) Training must include:

(i) Classroom instruction and behind-the-wheel instruction sufficient to enable the driver to operate the vehicle in a safe and efficient manner, to safely run a fixed route, to administer basic first aid in case of injury, and to handle emergency situations, including vehicle evacuation, operate any special equipment, such as wheelchair lifts, assistance devices or special occupant restraints, conduct routine maintenance and safety checks of the vehicle, and maintain accurate records as necessary; and,

(ii) Instruction on the topics listed in § 1303.75 related to transportation services for children with disabilities.

(3) A program must ensure the annual evaluation of each driver of a vehicle used to provide such services includes an on-board observation of road performance.

(e) *Bus monitor training.* A program must train each bus monitor before the monitor begins work, on child boarding and exiting procedures, how to use child restraint systems, completing any required paperwork, how to respond to emergencies and emergency evacuation procedures, how to use special equipment, child pick-up and release procedures, how to conduct and pre- and post-trip vehicle checks. Bus monitors are also subject to staff safety training requirements in § 1302.47(b)(4) of this chapter including Cardio Pulmonary Resuscitation (CPR) and first aid.

§ 1303.73 Trip routing.

(a) A program must consider safety of the children it transports when it plans fixed routes.

(b) A program must also ensure:

(1) The time a child is in transit to and from the program must not exceed one hour unless there is no shorter route available or any alternative shorter route is either unsafe or impractical;

45 CFR Ch. XIII (10–1–24 Edition)

(2) Vehicles are not loaded beyond maximum passenger capacity at any time;

(3) Drivers do not back up or make U-turns, except when necessary for safety reasons or because of physical barriers;

(4) Stops are located to minimize traffic disruptions and to afford the driver a good field of view in front of and behind the vehicle;

(5) When possible, stops are located to eliminate the need for children to cross the street or highway to board or leave the vehicle;

(6) Either a bus monitor or another adult escorts children across the street to board or leave the vehicle if curbside pick-up or drop off is impossible; and,

(7) Drivers use alternate routes in the case of hazardous conditions that could affect the safety of the children who are being transported, such as ice or water build up, natural gas line breaks, or emergency road closing.

§ 1303.74 Safety procedures.

(a) A program must ensure children who receive transportation services are taught safe riding practices, safety procedures for boarding and leaving the vehicle and for crossing the street to and from the vehicle at stops, recognition of the danger zones around the vehicle, and emergency evacuation procedures, including participating in an emergency evacuation drill conducted on the vehicle the child will be riding.

(b) A program that provides transportation services must ensure at least two bus evacuation drills in addition to the one required under paragraph (a) of this section are conducted during the program year.

§ 1303.75 Children with disabilities.

(a) A program must ensure there are school buses or allowable alternate vehicles adapted or designed for transportation of children with disabilities available as necessary to transport such children enrolled in the program. This requirement does not apply to the transportation of children receiving home-based services unless school buses or allowable alternate vehicles are used to transport the other children served under the home-based option by the grant recipient. Whenever possible, children with disabilities

must be transported in the same vehicles used to transport other children enrolled in the Head Start program.

(b) A program must ensure special transportation requirements in a child's IEP or IFSP are followed, including special pick-up and drop-off requirements, seating requirements, equipment needs, any assistance that may be required, and any necessary training for bus drivers and monitors.

EDITORIAL NOTE: Nomenclature changes to part 1304 appear at 89 FR 67817, Aug. 21, 2024.

Subpart A—Monitoring, Suspension, Termination, Denial of Refunding, Reduction in Funding, and Their Appeals

§ 1304.1 Purpose.

(a) Section 641A(c) of the Act requires the Secretary to monitor whether a grant recipient meets program governance, program operations, and financial and administrative standards described in this regulation and to identify areas for improvements and areas of strength as part of the grant recipient's ongoing self-assessment process. This subpart focuses on the monitoring process. It discusses areas of noncompliance, deficiencies, and corrective action through quality improvement plans.

(b) Section 646(a) of the Act requires the Secretary to prescribe procedures for notice and appeal for certain adverse actions. This subpart establishes rules and procedures to suspend financial assistance to a grant recipient, deny a grant recipient's application for refunding, terminate, or reduce a grant recipient's assistance under the Act when the grant recipient improperly uses federal funds or fails to comply with applicable laws, regulations, policies, instructions, assurances, terms and conditions or, if the grant recipient loses its legal status or financial viability. This subpart does not apply to reductions to a grant recipient's financial assistance based on chronic under-enrollment procedures at section 641A(h) of the Act or to matters described in subpart B. This subpart does

§ 1304.2

45 CFR Ch. XIII (10–1–24 Edition)

not apply to any administrative action based upon any violation, or alleged violation, of title VI of the Civil Rights Act of 1964. Except as otherwise provided for in this subpart, the appeals and processes in this subpart will be governed by the Departmental Appeals Board regulations at 45 CFR part 16.

§ 1304.2 Monitoring.

(a) *Areas of noncompliance.* If a responsible HHS official determines through monitoring, pursuant to section 641(A)(c)(1) and (2) of the Act, that a grant recipient fails to comply with any of the standards described in parts 1301, 1302, and 1303 of this chapter, the official will notify the grant recipient promptly in writing, identify the area of noncompliance, and specify when the grant recipient must correct the area of noncompliance.

(b) *Deficiencies.* If the Secretary determines that a grant recipient meets one of the criteria for a deficiency, as defined in section 637(2)(C) of the Act, the Secretary shall inform the grant recipient of the deficiency. The grant recipient must correct the deficiency pursuant to section 641A(e)(1)(B) of the Act, as the responsible HHS official determines.

(c) *Quality improvement plans.* If the responsible HHS official does not require the grant recipient to correct a deficiency immediately as prescribed under section 641A(e)(1)(B)(i) of the Act, the grant recipient must submit to the official, for approval, a quality improvement plan that adheres to section 641A(e)(2)(A) of the Act.

§ 1304.3 Suspension with notice.

(a) *Grounds to suspend financial assistance with notice.* If a grant recipient breaches or threatens to breach any requirement stated in §§1304.3 through 1304.5, the responsible HHS official may suspend the grant recipient's financial assistance, in whole or in part, after it has given the grant recipient notice and an opportunity to show cause why assistance should not be suspended.

(b) *Notice requirements.* (1) The responsible HHS official must notify the grant recipient in writing that ACF intends to suspend financial assistance, in whole or in part. The notice must:

(i) Specify grounds for the suspension;

(ii) Include the date suspension will become effective;

(iii) Inform the grant recipient that it has the opportunity to submit to the responsible HHS official, at least seven days before suspension becomes effective, any written material it would like the official to consider, and to inform the grant recipient that it may request, in writing, no later than seven days after the suspension notice was mailed, to have an informal meeting with the responsible HHS official;

(iv) Invite the grant recipient to voluntarily correct the deficiency; and,

(v) Include a copy of this subpart.

(2) The responsible HHS official must promptly transmit the suspension notice to the grant recipient. The notice becomes effective when the grant recipient receives the notice, when the grant recipient refuses delivery, or when the suspension notice is returned to sender unclaimed.

(3) The responsible HHS official must send a copy of the suspension notice to any delegate agency whose actions or whose failures to act substantially caused or contributed to the proposed suspension. The responsible HHS official will inform the delegate agency that it is entitled to submit written material to oppose the suspension and to participate in the informal meeting, if one is held. In addition, the responsible HHS official may give notice to the grant recipient's other delegate agencies.

(4) After the grant recipient receives the suspension notice, it has three days to send a copy of the notice to delegate agencies that would be financially affected by a suspension.

(c) *Opportunity to show cause.* The grant recipient may submit to the responsible HHS official any written material to show why financial assistance should not be suspended. The grant recipient may also request, in writing, to have an informal meeting with the responsible HHS official. If the grant recipient requests an informal meeting, the responsible HHS official must schedule the meeting within seven days after the grant recipient receives the suspension notice.

(d) *Extensions.* If the responsible HHS official extends the time or the date by which a grant recipient has to make requests or to submit material, it must notify the grant recipient in writing.

(e) *Decision.* (1) The responsible HHS official will consider any written material presented before or during the informal meeting, as well as any proof the grant recipient has adequately corrected what led to suspension, and will render a decision within five days after the informal meeting. If no informal meeting is held, the responsible HHS official will render a decision within five days after it receives written material from all concerned parties.

(2) If the responsible HHS official finds the grant recipient failed to show cause why ACF should not suspend financial assistance, the official may suspend financial assistance, in whole or in part, and under terms and conditions as he or she deems appropriate.

(3) A suspension must not exceed 30 days, unless the conditions under section 646(a)(5)(B) are applicable or the grant recipient requests the suspension continue for an additional period of time and the responsible HHS official agrees.

(4) The responsible HHS official may appoint an agency to serve as an interim grant recipient to operate the program until the grant recipient's suspension is lifted, or as otherwise provided under section 646(a)(5)(B) of the Act.

(f) *Obligations incurred during suspension.* New obligations the grant recipient incurs while under suspension are not allowed unless the responsible HHS official expressly authorizes them in the suspension notice or in an amendment to the suspension notice. Necessary and otherwise allowable costs which the grant recipient could not reasonably avoid during the suspension period will be allowed if they result from obligations the grant recipient properly incurred before suspension and not in anticipation of suspension or termination. The responsible HHS official may allow third-party in-kind contributions applicable to the suspension period to satisfy cost sharing or matching requirements.

(g) *Modify or rescind suspension.* The responsible HHS official may modify or

rescind suspension at any time, if the grant recipient can satisfactorily show that it has adequately corrected what led to suspension and that it will not repeat such actions or inactions. Nothing in this section precludes the HHS official from imposing suspension again for additional 30 day periods if the cause of the suspension has not been corrected.

§ 1304.4 Emergency suspension without advance notice.

(a) *Grounds to suspend financial assistance without advance notice.* The responsible HHS official may suspend financial assistance, in whole or in part, without prior notice and an opportunity to show cause if there is an emergency situation, such as a serious risk for substantial injury to property or loss of project funds, a federal, state, or local criminal statute violation, or harm to staff or participants' health and safety.

(b) *Emergency suspension notification requirements.* (1) The emergency suspension notification must:

(i) Specify the grounds for the suspension;

(ii) Include terms and conditions of any full or partial suspension;

(iii) Inform that grant recipient it cannot make or incur any new expenditures or obligations under suspended portion of the program; and,

(iv) Advise that within five days after the emergency suspension becomes effective, the grant recipient may request, in writing, an informal meeting with the responsible HHS official to show why the basis for the suspension was not valid and should be rescinded and that the grant recipient has corrected any deficiencies.

(2) The responsible HHS official must promptly transmit the emergency suspension notification to the grant recipient that shows the date of receipt. The emergency suspension becomes effective upon delivery of the notification or upon the date the grant recipient refuses delivery, or upon return of the notification unclaimed.

(3) Within two workdays after the grant recipient receives the emergency suspension notification, the grant recipient must send a copy of the notice

§ 1304.5

45 CFR Ch. XIII (10–1–24 Edition)

to delegate agencies affected by the suspension.

(4) The responsible HHS official must inform affected delegate agencies that they have the right to participate in the informal meeting.

(c) *Opportunity to show cause.* If the grant recipient requests an informal meeting, the responsible HHS official must schedule a meeting within five workdays after it receives the grant recipient's request. The suspension will continue until the grant recipient has been afforded such opportunity and until the responsible HHS official renders a decision. Notwithstanding provisions in this section, the responsible HHS official may proceed to deny refunding or to initiate termination proceedings at any time even though the grant recipient's financial assistance has been suspended in whole or in part.

(d) *Decision.* (1) The responsible HHS official will consider any written material presented before or during the informal meeting, as well as any proof the grant recipient has adequately corrected what led to suspension, and render a decision within five work days after the informal meeting.

(2) If the responsible HHS official finds the grant recipient failed to show cause why suspension should be rescinded, the responsible HHS official may continue the suspension, in whole or in part, and under the terms and conditions specified in the emergency suspension notification.

(3) A suspension must not exceed 30 days, unless the conditions under section 646(a)(5)(B) are applicable or the grant recipient requests the suspension to continue for an additional period of time and the responsible HHS official agrees.

(4) The responsible HHS official may appoint an agency to serve as an interim grant recipient to operate the program until either the grant recipient's emergency suspension is lifted or a new grant recipient is selected.

(e) *Obligations incurred during suspension.* Any new obligations the grant recipient incurs during the suspension period will not be allowed unless the responsible HHS official expressly authorizes them in the suspension notice or in an amendment to the suspension notice. Necessary and otherwise allow-

able costs which the grant recipient could not reasonably avoid during the suspension period will be allowed if those costs result from obligations properly incurred before suspension and not in anticipation of suspension, denial of refunding or termination. The responsible HHS official may allow third-party in-kind contributions applicable to the suspension period to satisfy cost sharing or matching requirements.

(f) *Modify or rescind suspension.* The responsible HHS official may modify or rescind suspension at any time, if the grant recipient can satisfactorily show that it has adequately corrected what led to the suspension and that it will not repeat such actions or inactions. Nothing in this section precludes the HHS official from imposing suspension again for additional 30 day periods if the cause of the suspension has not been corrected.

§ 1304.5 Termination and denial of refunding.

(a) *Grounds to terminate financial assistance or deny a grant recipient's application for refunding.* (1) A responsible HHS official may terminate financial assistance in whole or in part to a grant recipient or deny a grant recipient's application for refunding.

(2) The responsible HHS official may terminate financial assistance in whole or in part, or deny refunding to a grant recipient for any one or for all of the following reasons:

(i) The grant recipient is no longer financially viable;

(ii) The grant recipient has lost the requisite legal status or permits;

(iii) The grant recipient has failed to timely correct one or more deficiencies as defined in the Act;

(iv) The grant recipient has failed to comply with eligibility requirements;

(v) The grant recipient has failed to comply with the Head Start grants administration or fiscal requirements set forth in 45 CFR part 1303;

(vi) The grant recipient has failed to comply with requirements in the Act;

(vii) The grant recipient is debarred from receiving federal grants or contracts; or

(viii) The grant recipient has failed to abide by any other terms and conditions of its award of financial assistance, or any other applicable laws, regulations, or other applicable federal or state requirements or policies.

(b) *Notice requirements.* (1) The responsible HHS official will notify the grant recipient and such notice will:

(i) Include the legal basis for termination or adverse action as described in paragraph (a) of this section;

(ii) Include factual findings on which the action is based or reference specific findings in another document that form the basis for termination or denial of refunding;

(iii) Cite to any statutory provisions, regulations, or policy issuances on which ACF relies for its determination;

(iv) Inform the grant recipient that it may appeal the denial or termination within 30 days to the Departmental Appeals Board, that the appeal will be governed by 45 CFR part 16, except as otherwise provided in the Head Start appeals regulations, that a copy of the appeal must be sent to the responsible HHS official, and that it has the right to request and receive a hearing, as mandated under section 646 of the Act;

(v) Inform the grant recipient that only its board of directors, or an official acting on the board's behalf can appeal the decision;

(vi) Name the delegate agency, if the actions of that delegate are the basis, in whole or in part, for the proposed action; and,

(2) The responsible HHS official must provide the grant recipient as much notice as possible, but must notify the grant recipient no later than 30 days after ACF receives the annual application for refunding, that it has the opportunity for a full and fair hearing on whether refunding should be denied.

(c) *Grant recipient's appeal.* (1) The grant recipient must adhere to procedures and requirements for appeals in 45 CFR part 16, file the appeal with the

Departmental Appeals Board, and serve a copy of the appeal on the responsible HHS official who issued the termination or denial of refunding notice. The grant recipients must also serve a copy of its appeal on any affected delegate.

(2) Unless funding has been suspended, funding will continue while a grant recipient appeals a termination decision, unless the responsible HHS official renders an adverse decision, or unless the current budget period is expired. If the responsible HHS official has not rendered a decision by the end of the current budget period, the official will award the grant recipient interim funding until a decision is made or the project period ends.

(d) *Funding during suspension.* If a grant recipient's funding is suspended, the grant recipient will not receive funding during the termination proceedings, or at any other time, unless the action is rescinded or the grant recipient's appeal is successful.

(e) *Interim and replacement grant recipients.* The responsible HHS official may appoint an interim or replacement grant recipient as soon as a termination action is affirmed by the Departmental Appeals Board.

(f) *Opportunity to show cause.* (1) If the Departmental Appeals Board sets a hearing for a proposed termination or denial of refunding action, the grant recipient has five workdays to send a copy of the notice it receives from the Departmental Appeals Board, to all delegate agencies that would be financially affected by termination and to each delegate agency identified in the notice.

(2) The grant recipient must send to the Departmental Appeals Board and to the responsible HHS official a list of the delegate agencies it notified and the dates when it notified them.

(3) If the responsible HHS official initiated proceedings because of a delegate agency's activities, the official must inform the delegate agency that it may participate in the hearing. If the delegate agency chooses to participate in the hearing, it must notify the responsible HHS official in writing within 30 days of the grant recipient's appeal. If any other delegate agency, person, agency or organization wishes

§ 1304.6

to participate in the hearing, it may request permission to do so from the Departmental Appeals Board.

(4) If the grant recipient fails to appear at the hearing, without good cause, the grant recipient will be deemed to have waived its right to a hearing and consented to have the Departmental Appeals Board make a decision based on the parties' written information and argument.

(5) A grant recipient may waive the hearing and submit written information and argument for the record, within a reasonable period of time to be fixed by the Departmental Appeals Board.

(6) The responsible HHS official may attempt, either personally or through a representative, to resolve the issues in dispute by informal means prior to the hearing.

(g) *Decision.* The Departmental Appeals Board's decision and any measure the responsible HHS official takes after the decision is fully binding upon the grant recipient and its delegate agencies, whether or not they actually participated in the hearing.

§ 1304.6 Appeal for prospective delegate agencies.

(a) *Appeal.* If a grant recipient denies, or fails to act on, a prospective delegate agency's funding application, the prospective delegate may appeal the grant recipient's decision or inaction.

(b) *Process for prospective delegates.* To appeal, a prospective delegate must:

(1) Submits the appeal, including a copy of the funding application, to the responsible HHS official within 30 days after it receives the grant recipient's decision; or within 30 days after the grant recipient has had 120 days to review but has not notified the applicant of a decision; and,

(2) Provide the grant recipient with a copy of the appeal at the same time the appeal is filed with the responsible HHS official.

(c) *Process for grant recipients.* When an appeal is filed with the responsible HHS official, the grant recipient must respond to the appeal and submit a copy of its response to the responsible HHS official and to the prospective delegate agency within 30 work days.

45 CFR Ch. XIII (10–1–24 Edition)

(d) *Decision.* (1) The responsible HHS official will sustain the grant recipient's decision, if the official determines the grant recipient did not act arbitrarily, capriciously, or otherwise contrary to law, regulation, or other applicable requirements.

(2) The responsible HHS official will render a written decision to each party within a reasonable timeframe. The official's decision is final and not subject to further appeal.

(3) If the responsible HHS official finds the grant recipient did act arbitrarily, capriciously, or otherwise contrary to law, regulation, or other applicable requirements, the grant recipient will be directed to reevaluate their applications.

§ 1304.7 Legal fees.

(a) An agency is not authorized to charge to its grant legal fees or other costs incurred to appeal terminations, reductions of funding, or denials of applications of refunding decisions.

(b) If a program prevails in a termination, reduction, or denial of refunding decision, the responsible HHS official may reimburse the agency for reasonable and customary legal fees, incurred during the appeal, if:

(1) The Departmental Appeals Board overturns the responsible HHS official's decision;

(2) The agency can prove it incurred fees during the appeal; and,

(3) The agency can prove the fees incurred are reasonable and customary.

Subpart B—Designation Renewal

§ 1304.10 Purpose and scope.

The purpose of this subpart is to set forth policies and procedures for the designation renewal of Head Start programs. It is intended that these programs be administered effectively and responsibly; that applicants to administer programs receive fair and equitable consideration; and that the legal rights of current Head Start grant recipients be fully protected. The Designation Renewal System is established in this part to determine whether Head Start agencies deliver high-quality services to meet the educational, health, nutritional, and social needs of the children and families they

serve; meet the program and financial requirements and standards described in section 641A(a)(1) of the Head Start Act; and qualify to be designated for funding for five years without competing for such funding as required under section 641(c) or 645A(b)(12) and (d) of the Head Start Act. A competition to select a new Head Start agency to replace a Head Start agency that has been terminated voluntarily or involuntarily is not part of the Designation Renewal System established in this part, and is subject instead to the requirements of § 1304.20.

[89 FR 67817, Aug. 21, 2024]

§ 1304.11 Basis for determining whether a Head Start agency will be subject to an open competition.

A Head Start agency will be required to compete for its next five years of funding whenever the responsible HHS official determines that one or more of the following seven conditions existed during the relevant time period under § 1304.15:

(a) An agency has two or more deficiencies across reviews conducted under section 641A(c)(1)(A), (C), or (D) of the Act during the relevant time period under § 1304.15.

(b) An agency has not, based on a review conducted under section 641A(c)(1)(A), (C), or (D) of the Act during the relevant time period under § 1304.15:

(1) Established program goals for improving the school readiness of children participating in its program in accordance with the requirements of section 641A(g)(2) of the Act and demonstrated that such goals:

(i) Appropriately reflect the ages of children, birth to five, participating in the program;

(ii) Align with the Head Start Early Learning Outcomes Framework: Ages Birth to Five, state early learning guidelines, and the requirements and expectations of the schools, to the extent that they apply to the ages of children, birth to five, participating in the program and at a minimum address the domains of language and literacy development, cognition and general knowledge, approaches toward learning, physical well-being and motor de-

velopment, and social and emotional development;

(iii) Were established in consultation with the parents of children participating in the program.

(2) Taken steps to achieve the school readiness goals described under paragraph (b)(1) of this section demonstrated by:

(i) Aggregating and analyzing aggregate child-level assessment data at least three times per year (except for programs operating less than 90 days, which will be required to do so at least twice within their operating program period) and using that data in combination with other program data to determine grant recipients' progress toward meeting its goals, to inform parents and the community of results, and to direct continuous improvement related to curriculum, instruction, professional development, program design and other program decisions; and

(ii) Analyzing individual ongoing, child-level assessment data for all children birth to age five participating in the program and using that data in combination with input from parents and families to determine each child's status and progress with regard to, at a minimum, language and literacy development, cognition and general knowledge, approaches toward learning, physical well-being and motor development, and social and emotional development, and to individualize the experiences, instructional strategies, and services to best support each child.

(c) An agency has been determined during the relevant time period covered by the responsible HHS official's review under § 1304.15:

(1) To have an average score across all classrooms observed that is below the following competitive thresholds on any of the three CLASS: Pre-K domains from the most recent CLASS: Pre-K observation:

(i) For the Emotional Support domain, the competitive threshold is 5;

(ii) For the Classroom Organization domain, the competitive threshold is 5;

(iii) For the Instructional Support domain, the competitive threshold is 2.3 through July 31, 2025, and 2.5 on and after August 1, 2025.

(2) If an agency is determined to have an average score across all classrooms

§ 1304.12

observed below the quality threshold on any of the three CLASS: Pre-K domains, the Office of Head Start will support the program to strengthen its coordinated approach to training and professional development as required in §1302.92(b) and (c), to help promote improvement in teaching practices and teacher-child interactions. The quality threshold for each domain is as follows:

(i) For the Emotional Support domain, the quality threshold is 6;

(ii) For the Classroom Organization domain, the quality threshold is 6;

(iii) For the Instructional Support domain, the quality threshold is 3.

(d) An agency has had a revocation of its license to operate a Head Start center or program by a State or local licensing agency during the relevant time period under §1304.15, and the revocation has not been overturned or withdrawn before a competition for funding for the next five-year period is announced. A pending challenge to the license revocation or restoration of the license after correction of the violation will not affect application of this requirement after the competition for funding for the next five-year period has been announced.

(e) An agency has been suspended from the Head Start program by ACF during the relevant time period covered by the responsible HHS official's review under §1304.15 and the suspension has not been overturned or withdrawn. If the agency did not have an opportunity to show cause as to why the suspension should not have been imposed or why the suspension should have been lifted if it had already been imposed under this part, the agency will not be required to compete based on this condition. If an agency has received an opportunity to show cause and the suspension remains in place, the condition will be implemented.

(f) An agency has been debarred from receiving federal or state funds from any federal or state department or agency or has been disqualified from the Child and Adult Care Food Program (CACFP) any time during the relevant time period covered by the responsible HHS official's review under §1304.15 but has not yet been terminated or denied refunding by ACF. (A debarred agency will only be eligible to

45 CFR Ch. XIII (10–1–24 Edition)

compete for Head Start funding if it receives a waiver described in 2 CFR 180.135.)

(g) An agency meets one of two fiscal criteria, if the agency:

(1) Is at risk of failing to continue functioning as a going concern within the current project period. The final determination is made by the responsible HHS official based on a review of the findings and opinions of an audit conducted in accordance with section 647 of the Act; an audit, review or investigation by a state agency; a review by the National External Audit Review (NEAR) Center; or an audit, investigation or inspection by the Department of Health and Human Services Office of Inspector General; or

(2) Has a total of two or more audit findings of material weakness or questioned costs associated with its Head Start funds in audit reports submitted to the Federal Audit Clearinghouse (in accordance with section 647 of the Act) for a financial period within the current project period.

[85 FR 53207, Aug. 28, 2020, as amended at 89 FR 67817, Aug. 21, 2024]

§ 1304.12 Grant recipient reporting requirements concerning certain conditions.

A Head Start agency must report in writing to the responsible HHS official within 10 working days of occurrence of any of the following events:

(a) The agency has had a revocation of a license to operate a center by a state or local licensing entity.

(b) The agency has filed for bankruptcy or agreed to a reorganization plan as part of a bankruptcy settlement.

(c) The agency has been debarred from receiving federal or state funds from any federal or state department or agency or has been disqualified from the Child and Adult Care Food Program (CACFP).

(d) The agency has received an audit, audit review, investigation or inspection report from the agency's auditor, a state agency, or the cognizant federal audit agency containing a determination that the agency is at risk of ceasing to be a going concern.

[85 FR 53208, Aug. 28, 2020]

§ 1304.13 Requirements to be considered for designation for a five-year period when the existing grant recipient in a community is not determined to be delivering a high-quality and comprehensive Head Start program and is not automatically renewed.

In order to compete for the opportunity to be awarded a five-year grant, an agency must submit an application to the responsible HHS official that demonstrates that it is the most qualified entity to deliver a high-quality and comprehensive Head Start program. The application must address the criteria for selection listed at section 641(d)(2) of the Head Start Act. Any agency that has had its Head Start grant terminated for cause in the preceding five years is excluded from competing in such competition for the next five years. A Head Start agency that has had a denial of refunding, as defined in 45 CFR part 1305, in the preceding five years is also excluded from competing.

[89 FR 67817, Aug. 21, 2024]

§ 1304.14 Tribal government consultation under the Designation Renewal System for when an Indian Head Start grant is being considered for competition.

(a) In the case of an Indian Head Start agency determined not to be delivering a high-quality and comprehensive Head Start program, the responsible HHS official will engage in government-to-government consultation with the appropriate Tribal government or governments for the purpose of establishing a plan to improve the quality of the Head Start program operated by the Indian Head Start agency.

(1) The plan will be established and implemented within six months after the responsible HHS official's determination.

(2) Not more than six months after the implementation of that plan, the responsible HHS official will reevaluate the performance of the Indian Head Start agency.

(3) If the Indian Head Start agency is still not delivering a high-quality and comprehensive Head Start program, the responsible HHS official will con-

duct an open competition to select a grant recipient to provide services for the community currently being served by the Indian Head Start agency.

(b) A non-Indian Head Start agency will not be eligible to receive a grant to carry out an Indian Head Start program, unless there is no Indian Head Start agency available for designation to carry out an Indian Head Start program.

(c) A non-Indian Head Start agency may receive a grant to carry out an Indian Head Start program only until such time as an Indian Head Start agency in such community becomes available and is designated pursuant to this part.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67817, Aug. 21, 2024]

§ 1304.15 Designation request, review and notification process.

(a) A grant recipient must apply to be considered for Designation Renewal. A Head Start agency wishing to be considered to have its designation as a Head Start agency renewed for another five-year period without competition must request that status from ACF at least 12 months before the end of their five-year grant period or by such time as required by the Secretary.

(b) ACF will review the relevant data to determine if one or more of the conditions under § 1304.11 were met by the Head Start agency during the current project period.

(c) ACF will give notice to grant recipients on Designation Renewal System status, except as provided in § 1304.14, at least 12 months before the expiration date of a Head Start agency's current grant, stating:

(1) The Head Start agency will be required to compete for funding for an additional five-year period because ACF finds that one or more conditions under § 1304.11 were met by the agency's program during the relevant time period described in paragraph (b) of this section, identifying the conditions ACF found, and summarizing the basis for the finding; or

(2) That such agency has been determined on a preliminary basis to be eligible for renewed funding for five years without competition because ACF finds that none of the conditions under

§ 1304.16

§1304.11 have been met during the relevant time period described in paragraph (b) of this section. If prior to the award of that grant, ACF determines that the grant recipient has met one of the conditions under §1304.11 during the relevant time period described in paragraph (b) of this section, this determination will change and the grant recipient will receive notice under paragraph (c)(1) of this section that it will be required to compete for funding for an additional five-year period.

[85 FR 53208, Aug. 28, 2020, as amended at 89 FR 67818, Aug. 21, 2024]

§ 1304.16 Use of CLASS: Pre-K instrument in the Designation Renewal System.

Except when all children are served in a single classroom, ACF will conduct observations of multiple classes operated by the grant recipient based on a random sample of all classes and rate the conduct of the classes observed using the CLASS: Pre-K instrument. When the grant recipient serves children in its program in a single class, that class will be observed and rated using the CLASS: Pre-K instrument. The domain scores for that class will be the domain scores for the grant recipient for that observation. After the observations are completed, ACF will report to the grant recipient the scores of the classes observed during the CLASS: Pre-K observations in each of the domains covered by the CLASS: Pre-K instrument. ACF will average CLASS: Pre-K instrument scores in each domain for the classes operated by the agency that ACF observed to determine the agency's score in each domain.

§ 1304.17 Flexibility for Head Start Designation Renewal Determinations in Certain Emergencies.

(a) In reviewing the relevant data as described in §1304.15(b), if ACF determines that one or more data elements described in the conditions in section §1304.11 is not available due to an emergency described in paragraph (b) of this section, ACF may make a designation renewal determination based on the data elements that are available.

45 CFR Ch. XIII (10–1–24 Edition)

(b) The emergencies are:

(1) A major disaster declared by the President under section 401 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5170).

(2) An emergency declared by the President under section 501 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5191).

(3) A public health emergency declared by the Secretary pursuant to section 319 of the Public Health Service Act (42 U.S.C. 247d).

[85 FR 78792, Dec. 7, 2020]

Subpart C—Selection of Grant Recipients Through Competition

§ 1304.20 Selection among applicants.

(a) In selecting an agency to be designated to provide Head Start Preschool, Early Head Start, Migrant or Seasonal Head Start or Tribal Head Start Preschool or Early Head Start services, the responsible HHS official will consider the applicable criteria at section 641(d) of the Head Start Act and any other criteria outlined in the funding opportunity announcement.

(b) In competitions to replace or potentially replace a grant recipient the responsible HHS official will also consider the extent to which the applicant supports continuity for participating children, the community and the continued employment of effective, well qualified personnel.

(c) In competitions to replace or potentially replace a current grant recipient, the responsible HHS official will give priority to applicants that have demonstrated capacity in providing effective, comprehensive, and well-coordinated early childhood education and development services and programs to children and their families.

[81 FR 61412, Sept. 6, 2016, as amended at 89 FR 67818, Aug. 21, 2024]

Subpart D—Replacement of American Indian and Alaska Native Grant Recipients

§1304.30 Procedure for identification of alternative agency.

(a) An Indian tribe whose Head Start grant has been terminated, relinquished, designated for competition or which has been denied refunding as a Head Start agency, may identify an alternate agency and request the responsible HHS official to designate such agency as an alternative agency to provide Head Start services to the tribe if:

(1) The tribe was the only agency that was receiving federal financial assistance to provide Head Start services to members of the tribe; and,

(2) The tribe would be otherwise precluded from providing such services to its members because of the termination or denial of refunding.

(b)(1) The responsible HHS official, when notifying a tribal grant recipient of the intent to terminate financial assistance or deny its application for refunding, or its designation for competition must notify the grant recipient that it may identify an agency and request that the agency serve as the alternative agency in the event that the grant is terminated or refunding denied, or the grant is not renewed without competition.

(2) The tribe must identify the alternate agency to the responsible HHS official in writing.

(3) The responsible HHS official will notify the tribe, in writing, whether the alternative agency proposed by the tribe is found to be eligible for Head Start funding and capable of operating a Head Start program. If the alternative agency identified by the tribe is not an eligible agency capable of operating a Head Start program, the tribe will have 15 days from the date of the sending of the notification to that effect from the responsible HHS official to identify another agency and request that the agency be designated. The responsible HHS official will notify the tribe in writing whether the second proposed alternate agency is found to be an eligible agency capable of operating the Head Start program.

(4) If the tribe does not identify an eligible, suitable alternative agency, a

grant recipient will be designated under these regulations.

(c) If the tribe appeals a termination of financial assistance or a denial of refunding, it will, consistent with the terms of §1304.5, continue to be funded pending resolution of the appeal. However, the responsible HHS official and the grant recipient will proceed with the steps outlined in this regulation during the appeal process.

(d) If the tribe does not identify an agency and request that the agency be appointed as the alternative agency, the responsible HHS official will seek a permanent replacement grant recipient under these regulations.

§ 1304.31 Requirements of alternative agency.

The agency identified by the Indian tribe must establish that it meets all requirements established by the Head Start Act and these requirements for designation as a Head Start grant recipient and that it is capable of conducting a Head Start program. The responsible HHS official, in deciding whether to designate the proposed agency, will analyze the capacity and experience of the agency according to the criteria found in section 641(d) of the Head Start Act and §1304.20.

§ 1304.32 Alternative agency—prohibition.

(a) No agency will be designated as the alternative agency pursuant to this subpart if the agency includes an employee who:

(1) Served on the administrative or program staff of the Indian tribal grant recipient described under section 646(e)(1)(A) of the Act; and

(2) Was responsible for a deficiency that:

(i) Relates to the performance standards or financial management standards described in section 641A(a)(1) of the Act; and,

(ii) Was the basis for the termination of assistance under section 646(e)(1)(A) of the Act or denial of refunding described in §1304.4.

(b) The responsible HHS official shall determine whether an employee was responsible for a deficiency within the meaning and context of this section.

§ 1304.40

Subpart E—Head Start Fellows Program

§ 1304.40 Purpose.

As provided in section 648A(d) of the Act, the Head Start Fellows Program is designed to enhance the ability of Head Start Fellows to make significant contributions to Head Start and to other child development and family services programs.

§ 1304.41 Fellows Program.

(a) *Selection.* An applicant must be working on the date of application in a local Head Start program or otherwise working in the field of child development and family services. The qualifications of the applicants for Head Start Fellowship positions will be competitively reviewed.

(b) *Placement.* Head Start Fellows may be placed in the Head Start national and regional offices; local Head Start agencies and programs; institutions of higher education; public or private entities and organizations concerned with services to children and families; and other appropriate settings.

(c) *Restrictions.* A Head Start Fellow who is not an employee of a local Head Start agency or program may only be placed in the national or regional offices within the Department of Health and Human Services that administer Head Start or local Head Start agencies. Head Start Fellows shall not be placed in any agency whose primary purpose, or one of whose major purposes is to influence federal, state or local legislation.

(d) *Duration.* Head Start Fellowships will be for terms of one year, and may be renewed for a term of one additional year.

(e) *Status.* For the purposes of compensation for injuries under chapter 81 of title 5, United States Code, Head Start Fellows shall be considered to be employees, or otherwise in the service or employment, of the federal government. Head Start Fellows assigned to the national or regional offices within the Department of Health and Human Services shall be considered employees in the Executive Branch of the federal government for the purposes of chapter 11 of title 18, United States Code, and

45 CFR Ch. XIII (10–1–24 Edition)

for the purposes of any administrative standards of conduct applicable to the employees of the agency to which they are assigned.

PART 1305—DEFINITIONS

Sec.

1305.1 Purpose.

1305.2 Terms.

AUTHORITY: 42 U.S.C. 9801 *et seq.*

SOURCE: 81 FR 61412, Sept. 6, 2016, unless otherwise noted.

§ 1305.1 Purpose.

The purpose of this part is to define terms for the purposes of this subchapter.

§ 1305.2 Terms.

For the purposes of this subchapter, the following definitions apply:

ACF means the Administration for Children and Families in the Department of Health and Human Services.

Act means the Head Start Act, Sec. 635 *et seq.*, Public Law 97–35, 95 Stat. 499–511 (codified as amended at 42 U.S.C. Section 9801, *et seq.*).

Agency means the body that receives the Head Start grant.

Aggregate child-level assessment data means the data collected by an agency on the status and progress of the children it serves that have been combined to provide summary information about groups of children enrolled in specific classes, centers, home-based or other options, groups or settings, or other groups of children such as dual language learners, or to provide summary information by specific domains of development.

Allowable alternate vehicle means a vehicle designed for carrying eleven or more people, including the driver, that meets all the Federal Motor Vehicle Safety Standards applicable to school buses, except 49 CFR 571.108 and 571.131.

Budget period means the interval of time, into which a multi-year period of assistance (project period) is divided for budgetary and funding purposes.

Case plan is defined as presented in 42 U.S.C. 675(1) which, in summary, is a written document that must include a number of specified items including, but is not limited to, a plan for safe and proper care of the child in foster

care placement, health records, and a plan for ensuring the educational stability of the child in foster care.

Child-level assessment data means the data collected by an agency on an individual child from one or more valid and reliable assessments of a child's status and progress, including but not limited to direct assessment, structured observations, checklists, staff or parent report measures, and portfolio records or work samples.

Child records means records that:

- (1) Are directly related to the child;
- (2) Are maintained by the program, or by a party acting for the program; and
- (3) Include information recorded in any way, such as print, electronic, or digital means, including media, video, image, or audio format.

Child restraint system means any device designed to restrain, seat, or position children that meets the current requirements of Federal Motor Vehicle Safety Standard No. 213, Child Restraint Systems, 49 CFR 571.213, for children in the weight category established under the regulation, or any device designed to restrain, seat, or position children, other than a Type I seat belt as defined at 49 CFR 571.209, for children not in the weight category currently established by 49 CFR 571.213.

Child with a disability is defined in the same manner as presented in the Head Start Act, 42 U.S.C. 9801.

CLASS: Pre-K means The Classroom Assessment Scoring System (CLASS). The CLASS is an observational instrument that assesses classroom quality in preschool through third grade classrooms. This tool meets the requirements described in 641(c)(1)(D) and 641A(c)(2)(F) of the Head Start Act (42 U.S.C. 9836(c)(1)(D) and 9836a(c)(2)(F)). The CLASS assesses three domains of classroom experience: Emotional Support, Classroom Organization, and Instructional Support.

(1) Emotional Support measures children's social and emotional functioning in the classroom, and includes four dimensions: Positive Climate, Negative Climate, Teacher Sensitivity and Regard for Student Perspectives. Positive Climate addresses the emotional connection, respect, and enjoyment demonstrated between teachers and chil-

dren and among children. Negative Climate addresses the level of expressed negativity such as anger, hostility, or aggression exhibited by teachers and/or children in the classroom. Teacher Sensitivity addresses teachers' awareness of and responsiveness to children's academic and emotional concerns. Regard for Student Perspectives addresses the degree to which teachers' interactions with children and classroom activities place an emphasis on children's interests, motivations, and points of view.

(2) Classroom Organization measures a broad array of classroom processes related to the organization and management of children's behavior, time, and attention in the classroom. It includes three dimensions: Behavior Management, Productivity, and Instructional Learning Formats. Behavior Management addresses how effectively teachers monitor, prevent, and redirect behavior. Productivity addresses how well the classroom runs with respect to routines and the degree to which teachers organize activities and directions so that maximum time can be spent on learning activities. Instructional Learning Formats addresses how teachers facilitate activities and provide interesting materials so that children are engaged and learning opportunities are maximized.

(3) Instructional Support measures the ways in which teachers implement curriculum to effectively support cognitive and language development. It includes three dimensions: Concept Development, Quality of Feedback, and Language Modeling. Concept Development addresses how teachers use instructional discussions and activities to promote children's higher order thinking skills in contrast to a focus on rote instruction. (b) A disapproval decision issued by the DAB represents the final determination of the Assistant Secretary for Aging and shall remain in effect unless reversed or stayed on judicial appeal, or until the agency or the plan is changed to meet all Federal requirements, except that the Assistant Secretary for Aging may modify or set aside the decision before the record of the proceedings under this subpart is filed in court.

§ 1321.43 How the State agency may appeal the Departmental Appeals Board's decision.

A State agency may appeal the final decision of the Departmental Appeals Board disapproving the State plan or plan amendment, finding of noncompliance, or finding that a State agency does not meet the requirements of this part to the U.S. Court of Appeals for the circuit in which the State is located. The State agency shall file the appeal within 30 days of the Departmental Appeals Board's final decision.

§ 1321.45 How the Assistant Secretary for Aging may reallocate the State agency's withheld payments.

The Assistant Secretary for Aging may disburse funds withheld from the

State agency directly to any public or nonprofit private organization or agency, or political subdivision of the State that has the authority and capacity to carry out the functions of the State agency and submits a State plan which meets the requirements of this part, and which contains an agreement to meet the non-Federal share requirements.

§ 1321.47 Conflicts of interest policies and procedures for State agencies.

(a) State agencies must have policies and procedures regarding conflicts of interest, in accordance with the Act and all other applicable Federal requirements. These policies and procedures must safeguard against conflicts of interest on the part of the State agency, employees, and agents of the State who have responsibilities relating to Title III programs, including area agencies on aging, governing boards, advisory councils, staff, and volunteers. Conflicts of interest policies and procedures must establish mechanisms to identify, avoid, remove, and remedy conflicts of interest in a Title III program at organizational and individual levels, including:

(2) Removing and remedying actual, perceived, or potential conflicts that arise due to an employee or agent's financial interest in a Title III program;

(3) Establishing robust monitoring and oversight, including periodic reviews, to identify conflicts of interest in a Title III program;

(4) Ensuring that no individual, or member of the immediate family of an individual, involved in administration or provision of a Title III program has a conflict of interest;

(5) Requiring that other agencies that operate a Title III program have policies in place to prohibit the employment or appointment of Title III program decision-makers, staff, or volunteers with a conflict that cannot be adequately removed or remedied;

(6) Requiring that a Title III program takes reasonable steps to suspend or remove Title III program responsibilities of an individual who has a conflict

of interest, or who has an immediate family member with a conflict of interest, which cannot be adequately removed or remedied;

(7) Ensuring that no organization which provides a Title III service is subject to a conflict of interest;

(8) Prohibiting the officers, employees, or agents of the Title III program from soliciting or accepting gratuities, favors, or anything of monetary value from grantees, contractors, and/or sub-recipients, except where policies and procedures allow for situations where the financial interest is not substantial, or the gift is an unsolicited item of nominal value;

(9) Establishing the actions the State agency will require a Title III program to take in order to remedy or remove such conflicts, as well as disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the Title III program; and

(10) Documenting conflict of interest mitigation strategies, as necessary and appropriate, when a State agency or Title III program operates an Adult Protective Services or guardianship program.

(b) Individual conflicts include:

(1) An employee, or immediate member of an employee's family, maintaining ownership, employment, consultancy, or fiduciary interest in a Title III program organization or awardee when that employee or immediate family member is in a position to derive personal benefit from actions or decisions made in their official capacity;

(2) One or more conflicts between the private interests and the official responsibilities of a person in a position of trust;

§ 1321.49 Intrastate funding formula.

(a) The State agency of a State with multiple planning and service areas, as part of its State plan, in accordance with guidelines issued by the Assistant Secretary for Aging, using the best available data, and after consultation with all area agencies on aging in the State, shall develop and publish for review and comment by older individuals, family caregivers, other appropriate agencies and organizations, and the general public, an intrastate funding formula for the allocation of funds specific to each planning and service area to area agencies on aging under Title III for supportive, nutrition, evidence-based disease prevention and health promotion, and family caregiver services prior to taking the steps as set forth in § 1321.33. The intrastate funding formula shall be made available for public review and comment for a reasonable minimum time period (at least 30 calendar days, unless a waiver is provided by the Assistant Secretary for Aging during an emergency or when a time sensitive action is otherwise necessary). The formula shall reflect the proportion among the planning and service areas of persons age 60 and over in greatest economic need and greatest social need with particular attention to low-income minority older individuals. A separate formula may be provided for the evidence-based disease prevention and health promotion allocation to target areas that are medically underserved and in which there are large numbers of older individuals who have the greatest economic need and greatest social need for such services. The State agency shall review, update, and submit for approval to the Assistant Secretary for Aging its formula as needed.

(b) The publication for review and comment required by the preceding paragraph shall include:

(1) A descriptive statement of the formula's assumptions and goals, and the application of the definitions of greatest economic need and greatest social need, including addressing the populations identified pursuant to § 1321.27(d)(1), which includes the following components:

(i) A statement that discloses if and how, prior to distribution under the

intrastate funding formula to the area agencies on aging, funds are deducted from Title III funds for State plan administration, disaster set-aside funds as set forth in § 1321.99, and/or Long-Term Care Ombudsman Program allocations;

(ii) A statement that describes if a separate formula will be used for evidence-based disease prevention and health promotion allocation; and

(iii) A statement of how the State agency's Nutrition Services Incentive Program award will be distributed.

(2) A numerical mathematical statement of the actual funding formula to be used for all supportive, nutrition, evidence-based disease prevention and health promotion, and family caregiver allocations of Title III funds, including the separate numerical mathematical statement that may be provided for the evidence-based disease prevention and health promotion allocation, which includes:

(i) A descriptive statement of each factor and the weight or percentage used for each factor; and

(ii) Definitions of the terms used in the numerical mathematical statement.

(3) A listing of the population, economic, and social data to be used for each planning and service area in the State;

(4) A demonstration of the allocation of funds, pursuant to the funding formula, to each planning and service area in the State by part of Title III; and

(5) The source of the best available data used to allocate funding through the intrastate funding formula, which may include:

(i) The most current U.S. Decennial Census results;

(ii) The most current and reliable American Community Survey results; and/or

(iii) Other high-quality data available to the State agency.

(c) In meeting the requirement in paragraph (a) of this section, the intrastate funding formula may not allow for:

(1) The State agency to hold funds at the State level except as outlined in paragraph (b)(1)(i) of this section;

(2) Exceeding the State plan and area plan administration caps set in the Act, as set forth at §1321.9(c)(2)(iv);

(3) Use of Title III, part D funds for area plan administration;

(4) A State agency to directly provide Title III funds to any entity other than a designated area agency on aging, with the exception of State plan administration funds, Title III, part B Ombudsman program funds, and disaster set-aside funds as described in §1321.99; or

(5) Any other use in conflict with the Act.

(d) In meeting the requirement in paragraph (b)(1)(iii) of this section, the following apply:

(1) Cash must be promptly and equitably disbursed to recipients of grants or contracts for nutrition projects under the Act;

(2) The statement of distribution of grant funds and procedures for determining any commodities election amount must be followed;

(3) State agencies have the option to receive grant as cash and/or agricultural commodities; and

(4) State agencies may consult with the area agencies on aging to determine the amount of the commodities election.

(e) In meeting the requirements in this section, the following apply:

(1) Title VII funds are not required to be subject to the intrastate funding formula;

(2) Any funds allocated for the Long-Term Care Ombudsman Program under Title III, part B are not required to be subject to the intrastate funding formula;

(3) The intrastate funding formula may provide for a separate allocation of funds received under Title III, part D for preventive health services. In the award of such funds to selected planning and service areas, the State agency shall give priority to areas of the State:

(i) Which are medically underserved; and

(ii) In which there are large numbers of individuals who have the greatest economic need and greatest social need for such services, including the populations the State agency identifies pursuant to §1321.27(d)(1).

(4) The State agency may determine the amount of funds available for area plan administration prior to deducting Title III, part B Ombudsman program funds and disaster set-aside funds as described in §1321.99;

(5) After deducting any State plan administration funds, Title III, part B Ombudsman program funds, and disaster set-aside funds as described in §1321.99, the State agency must allocate all other Title III funding to area agencies on aging designated to serve each planning and service area;

(6) State agencies may reallocate funding within the State when an area agency on aging voluntarily or otherwise returns funds, subject to the State agency's policies and procedures which must include the following:

(i) If an area agency voluntarily returns funds, the area agency on aging must provide evidence that its governing board or chief elected official approves the return of funds;

(ii) Funds must be made available to all area agencies on aging who request funds available for reallocation;

(iii) The intrastate funding formula shall be proportionally adjusted based on area agencies on aging that request redistributed allocations; and

(iv) Title III funds subject to reallocation may only be reallocated to area agencies on aging via the proportionally adjusted intrastate funding formula described in paragraph (a) of this section.

(f) The State agency shall submit its proposed intrastate funding formula to the Assistant Secretary for Aging for prior approval as part of a State plan or State plan amendment as set forth in §1321.33.

§ 1321.51 Single planning and service area States.

(a) Unless otherwise specified, the State agency in single planning and service area States must meet the requirements in the Act and subpart C of this part, including maintaining an advisory council as set forth in §1321.63.

(b) As part of their State plan submission, single planning and service area States must provide a funds distribution plan which includes:

§ 1321.53

(1) A descriptive statement as to how the State agency determines the geographical distribution of the Title III and Nutrition Services Incentive Program funding;

(2) How the State agency targets the funding to reach individuals with greatest economic need and greatest social need, with particular attention to low-income minority older individuals;

(3) At the option of the State agency, a numerical/mathematical statement as a part of their funds distribution plan; and

(4) Justification if the State agency determines it meets requirements to provide services directly where:

(i) As set forth in section 307(a)(8)(A) of the Act (42 U.S.C. 3027(a)(8)(A)), no supportive services, except as set forth in paragraph (b)(4)(i)(B) of this section, nutrition services, disease prevention and health promotion, or family caregiver services will be directly provided by the State agency, unless, in the judgment of the State agency:

(A) Provision of such services by the State agency is necessary to assure an adequate supply of such services;

(B) Such services are directly related to such State agency's administrative functions; or

(C) Such services may be provided more economically, and with comparable quality, by such State agency.

(ii) The State agency may directly provide case management, information and assistance services, and outreach.

(iii) Approval of the State agency to provide direct services may only be granted for a maximum of the State plan period. For each time that approval is granted to a State agency to provide direct services, the State agency must demonstrate the State agency's efforts to identify service providers prior to being granted a subsequent approval.

(c) Single planning and service area States must adhere to use of the funds distribution plan for Title III and Nutrition Services Incentive Program funds within the State. If a single planning and service area State agency revises their Title III funds distribution plan, they may do so by:

(1) Following their policies and procedures to publish the updated funds

distribution plan for public review and comment for a reasonable minimum time period (30 calendar days or greater, unless a waiver is provided by the Assistant Secretary for Aging during an emergency or when a time sensitive action is otherwise necessary); and

(2) Submitting the revised funds distribution plan for Assistant Secretary for Aging approval prior to implementing the changes as noted at § 1321.33.

§ 1321.53 State agency Title III and Title VI coordination responsibilities.

(a) For States where there are Title VI programs, the State agency's policies and procedures, developed in coordination with the relevant Title VI program director(s), as set forth in § 1322.13(a), must explain how the State's aging network, including area agencies and service providers, will coordinate with Title VI programs to ensure compliance with sections 306(a)(11)(B) and 307(a)(21)(A) of the Act (42 U.S.C. 3026(a)(11)(B) and 3027(a)(21)(A)). (c) The resources made available to the area agency on aging under the Act shall be used consistent with the definition of area plan administration as set forth in § 1321.3 to finance those activities necessary to achieve elements of a community-based system set forth in paragraph (b) of this section and consistent with the requirements for provision of direct services as set forth in §§ 1321.85 through 1321.93.

(d) The area agency may not engage in any activity which is inconsistent with its statutory mission prescribed in the Act or policies prescribed by the State agency under § 1321.9.

§ 1321.57 Organization and staffing of the area agency.

(c) The designated area agency shall continue to function in that capacity until either:

(1) The State agency withdraws the designation of the area agency as provided in § 1321.21(a)(1) through (5); or

(2) The area agency informs the State agency that it no longer wishes to carry out the responsibilities of an area agency as provided in § 1321.21(a)(6).

§ 1321.59 Area agency policies and procedures.

(a) The area agency on aging shall develop policies and procedures in compliance with State agency policies and procedures, including those required under § 1321.9, governing all aspects of programs operated under this part, including those related to conflict of interest, and be in alignment with the Act and all other applicable Federal requirements. These policies and procedures shall be developed in consultation with other appropriate parties in the planning and service area.

(b) The policies and procedures developed by the area agency shall address the manner in which the area agency will monitor the programmatic and fiscal performance of all programs, direct service providers, and activities initiated under this part for quality and effectiveness. Such activities may include location of services and specialization in the types of services most needed by these groups to meet this requirement. However, the area agency shall not permit a grantee or contractor under this part to employ a means test for services funded under this part.

(d) No requirement in this section shall be deemed to supersede a prohibition contained in the Federal appropriation on the use of Federal funds to lobby the Congress; or the lobbying provision applicable to private non-profit agencies and organizations contained in OMB Circular A-122.

§ 1321.63 Area agency advisory council.

(a) *Functions of council.* The area agency shall establish an advisory council. These policies and procedures must safeguard against conflicts of interest on the part of the area agency, area agency employees, governing board and advisory council members, and awardees who have responsibilities relating to the area agency's grants and contracts. Conflicts of interest policies and procedures must establish mechanisms to avoid both actual and perceived conflicts of interest and to identify, remove, and remedy any existing or potential conflicts of interest at organizational and individual levels, including:

(10) Prohibiting the officers, employees, or agents of the Title III program from soliciting or accepting gratuities, favors, or anything of monetary value from grantees, contractors, and/or sub-recipients, except where policies and procedures allow for situations where the financial interest is not substantial, or the gift is an unsolicited item of nominal value;

(11) Establishing the actions the area agency will require Title III programs

§ 1321.69

Where local Ombudsman entities are designated within area agencies on aging or other entities, the Ombudsman and/or appropriate agency shall develop such policies and procedures in consultation with the agencies hosting local Ombudsman entities, area agencies on aging, and representatives of the Office. The policies and procedures must address the following:

(vii) Procedures that establish standard retention periods for files, records, and other information maintained by the Ombudsman program and allowable methods of storage and destruction.

(3) *Disclosure.* Policies and procedures regarding disclosure of files, records, and other information maintained by the Ombudsman program must include, but not be limited to:

(C) The disclosure is required by court order.

(iv) Standard criteria for making determinations about disclosure of resident information when the resident is unable to provide consent and there is no resident representative or the resident representative refuses consent as set forth in § 1324.19(b)(5) through (8);

(v) Prohibition on requirements for mandatory reporting abuse, neglect, or exploitation to adult protective services or any other entity, long-term care facility, or other concerned person, including when such reporting would disclose identifying information of a complainant or resident without appropriate consent or court order, except as otherwise provided in § 1324.19(b)(5) through (8); and

(vi) Adherence to the provisions of paragraph (e)(3) of this section, regardless of the source of the request for information or the source of funding for the services of the Ombudsman program, notwithstanding section 705(a)(6)(C) of the Act (42 U.S.C. 3058d(a)(6)(C)).

(4) *Conflicts of interest.* Policies and procedures regarding conflicts of interest must establish mechanisms to identify and remove or remedy conflicts of interest as provided in § 1324.21, including:

(i) Ensuring that no individual, or member of the immediate family of an individual, involved in the employment or appointment of the Ombudsman has or may have a conflict of interest;

(ii) Requiring that other agencies in which the Office or local Ombudsman entities are organizationally located have policies in place to prohibit the employment or appointment of an Ombudsman or a representative of the Office who has or may have a conflict that cannot be adequately removed or remedied;

(iii) Requiring that the Ombudsman take reasonable steps to refuse, suspend, or remove designation of an individual who has a conflict of interest, or who has a member of the immediate family who has or may have a conflict of interest, which cannot be removed or remedied;

(iv) Establishing the methods by which the Office and/or State agency will periodically review and identify conflicts of the Ombudsman and representatives of the Office; and

(v) Establishing the actions the Office and/or State agency will require the Ombudsman or representatives of the Office to take in order to remedy or remove such conflicts.

(5) *Systems advocacy.* Policies and procedures related to systems advocacy must assure that the Office is required and has sufficient authority to carry out its responsibility to analyze, comment on, and monitor the development and implementation of Federal, State, and local laws, regulations, and other government policies and actions that pertain to long-term care facilities and services and to the health, safety, welfare, and rights of residents, and to recommend any changes in such laws, regulations, and policies as the Office determines to be appropriate.

(i) Such procedures must exclude the Ombudsman and representatives of the Office from any State lobbying prohibitions to the extent that such requirements are inconsistent with section 712 of the Act (42 U.S.C. 3058g).

(ii) Nothing in this part shall prohibit the Ombudsman or the State agency or other agency in which the Office is organizationally located from establishing policies which promote consultation regarding the determinations of the Office related to recommended changes in laws, regulations, and policies. However, such a policy shall not require a right to review or pre-approve positions or communications of the Office.

(6) *Designation.* Policies and procedures related to designation must establish the criteria and process by which the Ombudsman shall designate and/or refuse, suspend, or remove designation of local Ombudsman entities and representatives of the Office.

(i) Such criteria should include, but not be limited to, the authority to refuse, suspend, or remove designation of a local Ombudsman entity or representative of the Office in situations in which an identified conflict of interest cannot be removed or remedied as set forth in § 1324.21.

(ii) [Reserved]

(7) *Grievance process.* Policies and procedures related to grievances must establish a grievance process for the receipt and review of grievances regarding the determinations or actions of the Ombudsman and representatives of the Office.

(i) Such process shall include an opportunity for reconsideration of the Ombudsman decision to refuse, suspend, or remove designation of a local Ombudsman entity or representative of the Office. Notwithstanding the grievance process, the Ombudsman shall make the final determination to designate or to refuse, suspend, or remove designation of a local Ombudsman entity or representative of the Office.

(ii) [Reserved]

(8) *Determinations of the Office.* Policies and procedures related to the determinations of the Office must ensure that the Ombudsman, as head of the Office, shall be able to independently make determinations and establish positions of the Office, and carry out the functions and responsibilities authorized by § 1324.13 without interference and shall not be constrained by or necessarily represent the determinations or positions of the State agency or other agency in which the Office is organizationally located.

(9) *Emergency planning.* Policies and procedures related to emergency planning must include continuity of operations procedures using an all-hazards approach, and coordination with emergency management agencies.

Where applicable, the State agency shall require inclusion of goals and objectives of local Ombudsman entities into area plans on aging.

(h) *Elder rights leadership.* The State agency shall provide elder rights leadership. In so doing, it shall require the coordination of Ombudsman program services with the activities of other programs authorized by Title VII of the Act, as well as other State and local entities with responsibilities relevant to the health, safety, well-being, or rights of older adults, including residents of long-term care facilities as set forth in § 1324.13(h).

(i) *Interference, retaliation, and reprisals.* The State agency shall:

(1) Ensure that it has mechanisms to prohibit and investigate allegations of interference, retaliation, and reprisals:

(i) By a long-term care facility, other entity, or individual with respect to any resident, employee, or other person for filing a complaint with, providing information to, or otherwise cooperating with any representative of the Office; or

(2) Provide for appropriate sanctions with respect to interference, retaliation, and reprisals.

(j) *Legal counsel.* (1) The State agency shall ensure that:

(i) Legal counsel for the Ombudsman program is adequate, available, is without conflict of interest (as defined by the State ethical standards governing the legal profession), and has competencies relevant to the legal needs of:

(A) The program, in order to provide consultation and/or representation as

needed to assist the Ombudsman and representatives of the Office in the performance of their official functions, responsibilities, and duties, including complaint resolution and systems advocacy. Legal representation, arranged by or with the approval of the Ombudsman, is provided to the Ombudsman or any representative of the Office against whom suit or other legal action is brought or threatened to be brought in connection with the performance of official duties.

Subpart A—Basic Requirements**§ 1326.1 General.**

All rules under this subpart are applicable to both the State Councils on Developmental Disabilities and the agency designated as the State Protection and Advocacy (P&As) System.

§ 1326.2 Obligation of funds.

(a) Funds which the Federal Government allots under this part during a Federal fiscal year are available for obligation by States for a two-year period beginning with the first day of the Federal fiscal year in which the grant is awarded.

(b)(1) A State incurs an obligation for acquisition of personal property or for the performance of work on the date it makes a binding, legally enforceable, written commitment, or when the State Council on Developmental Disabilities enters into an Interagency Agreement with an agency of State government for acquisition of personal property or for the performance of work.

(2) A State incurs an obligation for personal services, for services performed by public utilities, for travel or for rental of real or personal property on the date it receives the services, its personnel takes the travel, or it uses the rented property.

(c)(1) A Protection & Advocacy System may elect to treat entry of an appearance in judicial and administrative proceedings on behalf of an individual with a developmental disability as a basis for obligating funds for the litigation costs. The amount of the funds obligated must not exceed a reasonable estimate of the costs, and the way the estimate was calculated must be documented.

(2) For the purpose of this paragraph (c), *litigation costs* means expenses for court costs, depositions, expert witness fees, travel in connection with a case and similar costs, and costs resulting from litigation in which the agency has represented an individual with developmental disabilities (*e.g.*, monitoring court orders, consent decrees), but not for salaries of employees of the P&A. All funds made available for Federal assistance to State Councils on Developmental Disabilities and to the P&As

obligated under this paragraph (c) are subject to the requirement of paragraph (a) of this section. These funds, if reobligated, may be reobligated only within a two-year period beginning with the first day of the Federal fiscal year in which the funds were originally awarded.

§ 1326.3 Liquidation of obligations.

(a) All obligations incurred pursuant to a grant made under the Act for a specific Federal fiscal year, must be liquidated within two years of the close of the Federal fiscal year in which the grant was awarded.

(b) The Secretary, or his or her designee, may waive the requirements of paragraph (a) of this section when State law impedes implementation or the amount of obligated funds to be liquidated is in dispute.

(c) Funds attributable to obligations which are not liquidated in accordance with the provisions of this section revert to the Federal Government.

§ 1326.4 [Reserved]**Subpart B—Protection and Advocacy for Individuals With Developmental Disabilities (PADD)****§ 1326.19 Definitions.**

As used in this subpart and subpart C of this part, the following definitions apply:

Abuse. The term “abuse” means any act or failure to act which was performed, or which was failed to be performed, knowingly, recklessly, or intentionally, and which caused, or may have caused, injury or death to an individual with developmental disabilities, and includes but is not limited to such acts as: Verbal, nonverbal, mental and emotional harassment; rape or sexual assault; striking; the use of excessive force when placing such an individual in bodily restraints; the use of bodily or chemical restraints which is not in compliance with Federal and State laws and regulations, or any other practice which is likely to cause immediate physical or psychological harm or result in long term harm if such practices continue. In addition, the P&A may determine, in its discretion that a

violation of an individual's legal rights amounts to abuse, such as if an individual is subject to significant financial exploitation.

American Indian Consortium. The term “American Indian Consortium” means any confederation of 2 or more recognized American Indian Tribes, created through the official resident population of 150,000 enrolled tribal members and a contiguous territory of Indian lands in two or more States.

Complaint. The term “complaint” includes, but is not limited to, any report or communication, whether formal or informal, written or oral, received by the P&A system, including media accounts, newspaper articles, electronic communications, telephone calls (including anonymous calls) from any source alleging abuse or neglect of an individual with a developmental disability.

Designating official. The term “designating official” means the Governor or other State official, who is empowered by the State legislature or Governor to designate the State official or public or private agency to be accountable for the proper use of funds by and conduct of the agency designated to administer the P&A system.

Full investigation. The term “full investigation” means access to service providers, individuals with developmental disabilities and records authorized under these regulations, that are necessary for a P&A system to make a determination about whether alleged or suspected instances of abuse and neglect are taking place or have taken place. Full investigations may be conducted independently or in cooperation with other agencies authorized to conduct similar investigations.

Legal guardian, Conservator, and Legal representative. The terms “legal guardian,” “conservator,” and “legal representative” all mean a parent of a minor, unless the State has appointed another legal guardian under applicable State law, or an individual appointed and regularly reviewed by a State court or agency empowered under State law to appoint and review such officers, and having authority to make all decisions on behalf of individuals with developmental disabilities. It does not include persons acting only as

a representative payee, persons acting only to handle financial payments, executors and administrators of estates, attorneys or other persons acting on behalf of an individual with developmental disabilities only in individual legal matters, or officials or their designees responsible for the provision of services, supports, and other assistance to an individual with developmental disabilities.

Neglect. The term “neglect” means a negligent act or omission by an individual responsible for providing services, supports or other assistance which caused or may have caused injury or death to an individual with a developmental disability(ies) or which placed an individual with developmental disability(ies) at risk of injury or death, and includes acts or omissions such as failure to: establish or carry out an appropriate individual program plan or treatment plan (including a discharge plan); provide adequate nutrition, clothing, or health care to an individual with developmental disabilities; or provide a safe environment which also includes failure to maintain adequate numbers of trained staff or failure to take appropriate steps to prevent self-abuse, harassment, or assault by a peer.

Probable cause. The term “probable cause” means a reasonable ground for belief that an individual with developmental disability(ies) has been, or may be, subject to abuse or neglect, or that the health or safety of the individual is in serious and immediate jeopardy. The individual making such determination may base the decision on reasonable inferences drawn from his or her experience or training regarding similar incidents, conditions or problems that are usually associated with abuse or neglect.

State Protection and Advocacy System. The term “State Protection and Advocacy System” is synonymous with the term “P&A” used elsewhere in this regulation, and the terms “System” and “Protection and Advocacy System” used in this part and in subpart C of this part.

§ 1326.20 Agency designated as the State Protection and Advocacy System.

(a) The designating official must designate the State official or public or private agency to be accountable for proper use of funds and conduct of the Protection and Advocacy System.

(b) An agency of the State or private agency providing direct services, including guardianship services, may not be designated as the agency to administer the Protection and Advocacy System.

(c) In the event that an entity outside of the State government is designated to carry out the program, the designating official or entity must assign a responsible State official to receive, on behalf of the State, notices of disallowances and compliance actions as the State is accountable for the proper and appropriate expenditure of Federal funds.

(d)(1) Prior to any redesignation of the agency which administers and operates the State Protection and Advocacy System, the designating official must give written notice of the intention to make the redesignation to the agency currently administering and operating the State Protection and Advocacy System by registered or certified mail. The notice must indicate that the proposed redesignation is being made for good cause. The designating official also must publish a public notice of the proposed action. The agency and the public shall have a reasonable period of time, but not less than 45 days, to respond to the notice.

(2) The public notice must include:

(i) The Federal requirements for the State Protection and Advocacy System for individuals with developmental disabilities (section 143 of the Act); and where applicable, the requirements of other Federal advocacy programs administered by the State Protection and Advocacy System;

(ii) The goals and function of the State's Protection and Advocacy System including the current Statement of Goals and Priorities;

(iii) The name and address of the agency currently designated to administer and operate the State Protection and Advocacy System, and an indica-

tion of whether the agency also operates other Federal advocacy programs;

(iv) A description of the current agency operating and administering the Protection and Advocacy System including, as applicable, descriptions of other Federal advocacy programs it operates;

(v) A clear and detailed explanation of the good cause for the proposed redesignation;

(vi) A statement suggesting that interested persons may wish to write the current agency operating and administering the State Protection and Advocacy System at the address provided in paragraph (d)(2)(iii) of this section to obtain a copy of its response to the notice required by paragraph (d)(1) of this section. Copies must be in a format accessible to individuals with disabilities (including plain language), and language assistance services will be provided to individuals with limited English proficiency, such as translated materials or interpretation, upon request;

(vii) The name of the new agency proposed to administer and operate the State Protection and Advocacy System under the Developmental Disabilities Program. This agency will be eligible to administer other Federal advocacy programs;

(viii) A description of the system which the new agency would administer and operate, including a description of all other Federal advocacy programs the agency would operate;

(ix) The timetable for assumption of operations by the new agency and the estimated costs of any transfer and start-up operations; and

(x) A statement of assurance that the proposed new designated State Protection and Advocacy System will continue to serve existing clients and cases of the current P&A system or refer them to other sources of legal advocacy as appropriate, without disruption.

(3) The public notice as required by paragraph (d)(1) of this section, must be in a format accessible to individuals with disabilities, and language assistance services will be provided to individuals with limited English proficiency, such as translated materials

or interpretation, upon request to individuals with developmental disabilities or their representatives. The designating official must provide for publication of the notice of the proposed redesignation using the State register, statewide newspapers, public service announcements on radio and television, or any other legally equivalent process. Copies of the notice must be made generally available to individuals with developmental disabilities and mental illness who live in residential facilities through posting or some other means.

(4) After the expiration of the public comment period required in paragraph (d)(1) of this section, the designating official must conduct a public hearing on the redesignation proposal. After consideration of all public and agency comments, the designating official must give notice of the final decision to the currently designated agency and the public through the same means used under paragraph (d)(3) of this section. This notice must include a clear and detailed explanation of the good cause finding. If the notice to the currently designated agency states that the redesignation will take place, it also must inform the agency of its right to appeal this decision to the Secretary, or his or her designee, the authority to hear appeals by the Secretary, or his or her designee, and provide a summary of the public comments received in regard to the notice of intent to redesignate and the results of the public hearing and its responses to those comments. The redesignation shall not be effective until 10 working days after notifying the current agency that administers and operates the State Protection and Advocacy System or, if the agency appeals, until the Secretary, or his or her designee, has considered the appeal.

(e)(1) Following notification as indicated in paragraph (d)(4) of this section, the agency that administers and operates the State Protection and Advocacy System which is the subject of such action, may appeal the redesignation to the Secretary, or his or her designee. To do so, the agency that administers and operates the State Protection and Advocacy System must submit an appeal in writing to the Sec-

retary, or his or her designee, within 20 days of receiving official notification under paragraph (d)(4) of this section, with a separate copy sent by registered or certified mail to the designating official who made the decision concerning redesignation.

(2) In the event that the agency subject to redesignation does exercise its right to appeal under paragraph (e)(1) of this section, the designating official must give public notice of the Secretary's, or his or her designated person's, final decision regarding the appeal through the same means utilized under paragraph (d)(3) of this section within 10 working days of receipt of the Secretary's, or his or her designee's, final decision under paragraph (e)(6) of this section.

(3) The designating official within 10 working days from the receipt of a copy of the appeal must provide written comments to the Secretary, or his or her designee, (with a copy sent by registered or certified mail to the Protection and Advocacy agency appealing under paragraph (e)(1) of this section), or withdraw the redesignation. The comments must include a summary of the public comments received in regard to the notice of intent to redesignate and the results of the public hearing and its responses to those comments.

(4) In the event that the designating official withdraws the redesignation while under appeal pursuant to paragraph (e)(1) of this section, the designating official must notify the Secretary, or his or her designee, and the current agency, and must give public notice of his or her decision through the same means utilized under paragraph (d)(3) of this section.

(5) As part of their submission under paragraph (e)(1) or (3) of this section, either party may request, and the Secretary, or his or her designee, may grant an opportunity for a meeting with the Secretary, or his or her designee, at which representatives of both parties will present their views on the issues in the appeal. The meeting will be held within 20 working days of the submission of written comments by the designating official under paragraph (e)(2) of this section. The Secretary, or

his or her designee, will promptly notify the parties of the date and place of the meeting.

(6) Within 30 days of the informal meeting under paragraph (e)(5) of this section, or, if there is no informal meeting under paragraph (e)(5) of this section, within 30 days of the submission under paragraph (e)(3) of this section, the Secretary, or his or her designee, will issue to the parties a final written decision on whether the redesignation was for good cause as defined in paragraph (d)(1) of this section. The Secretary, or his or her designee, will receive comments on the record from agencies administering the Federal advocacy programs that will be directly affected by the proposed redesignation. The P&A and the designating official will have an opportunity to comment on the submissions of the Federal advocacy programs. The Secretary, or his or her designee, shall consider the comments of the Federal programs, the P&A and the designating official in making his final decision on the appeal.

(f)(1) Within 30 days after the redesignation becomes effective under paragraph (d)(4) of this section, the designating official must submit an assurance to the Secretary, or his or her designee, that the newly designated agency that will administer and operate the State Protection and Advocacy System meets the requirements of the statute and the regulations.

(2) In the event that the agency administering and operating the State Protection and Advocacy System subject to redesignation does not exercise its rights to appeal within the period provided under paragraph (e)(1) of this section, the designating official must provide to the Secretary, or his or her designee, documentation that the agency was redesignated for good cause. Such documentation must clearly demonstrate that the Protection and Advocacy agency subject to redesignation was not redesignated for any actions or activities which were carried out under section 143 of the Act, this regulation or any other Federal advocacy program's legislation or regulations.

§ 1326.21 Requirements and authority of the State Protection and Advocacy System.

(a) In order for a State to receive Federal funding for Protection and Advocacy activities under this subpart, as well as for the State Council on Developmental Disabilities activities (subpart D of this part), the Protection and Advocacy System must meet the requirements of section 143 and 144 of the Act (42 U.S.C. 15043 and 15044) and that system must be operational.

(b) Allotments must be used to supplement and not to supplant the level of non-Federal funds available in the State for activities under the Act, which shall include activities on behalf of individuals with developmental disabilities to remedy abuse, neglect, and violations of rights as well as information and referral activities.

(c) A P&A shall not implement a policy or practice restricting the remedies that may be sought on behalf of individuals with developmental disabilities or compromising the authority of the P&A to pursue such remedies through litigation, legal action or other forms of advocacy. Under this requirement, States may not establish a policy or practice, which requires the P&A to: Obtain the State's review or approval of the P&A's plans to undertake a particular advocacy initiative, including specific litigation (or to pursue litigation rather than some other remedy or approach); refrain from representing individuals with particular types of concerns or legal claims, or refrain from otherwise pursuing a particular course of action designed to remedy a violation of rights, such as educating policymakers about the need for modification or adoption of laws or policies affecting the rights of individuals with developmental disabilities; restrict the manner of the P&A's investigation in a way that is inconsistent with the System's required authority under the DD Act; or similarly interfere with the P&A's exercise of such authority. The requirements of this paragraph (c) shall not prevent P&As, including those functioning as agencies within State governments, from developing case or client acceptance criteria as part of the annual priorities identified by the P&A as described in § 1326.23(c).

Clients must be informed at the time they apply for services of such criteria.

(d) A Protection and Advocacy System shall be free from hiring freezes, reductions in force, prohibitions on staff travel, or other policies, imposed by the State, to the extent that such policies would impact system program staff or functions funded with Federal funds, and would prevent the system from carrying out its mandates under the Act.

(e) A Protection and Advocacy System shall have sufficient staff, qualified by training and experience, to carry out the responsibilities of the system in accordance with the priorities of the system and requirements of the Act. These responsibilities include the investigation of allegations of abuse, neglect and representations of individuals with developmental disabilities regarding rights violations.

(f) A Protection and Advocacy System may exercise its authority under State law where the State authority exceeds the authority required by the Developmental Disabilities Assistance and Bill of Rights Act of 2000. However, State law must not diminish the required authority of the Protection and Advocacy System as set by the Act.

(g) Each Protection and Advocacy System that is a public system without a multimember governing or advisory board must establish an advisory council in order to provide a voice for individuals with developmental disabilities. The Advisory Council shall advise the Protection and Advocacy System on program policies and priorities. The Advisory Council and Governing Board shall be comprised of a majority of individuals with disabilities who are eligible for services, have received or are receiving services, parents, family members, guardians, advocates, or authorized representatives of such individuals.

(h) Prior to any Federal review of the State program, a 30-day notice and an opportunity for public comment must be published in the FEDERAL REGISTER. Reasonable effort shall be made by AIDD to seek comments through notification to major disability advocacy groups, the State Bar, disability law resources, the State Councils on Developmental Disabilities, and the Univer-

sity Centers for Excellence in Developmental Disabilities Education, Research, and Service, for example, through newsletters and publication of those organizations. The findings of public comments may be consolidated if sufficiently similar issues are raised and they shall be included in the report of the onsite visit.

(i) Before the Protection and Advocacy System releases information to individuals not otherwise authorized to receive it, the Protection and Advocacy System must obtain written consent from the client requesting assistance or his or her guardian.

(j) *Contracts for program operations.* (1) An eligible P&A system may contract for the operation of part of its program with another public or private non-profit organization with demonstrated experience working with individuals with developmental disabilities, provided that:

(i) The eligible P&A system institutes oversight and monitoring procedures which ensure that any and all subcontractors will be able to meet all applicable terms, conditions and obligations of the Federal grant, including but not limited to the ability to pursue all forms of litigation under the DD Act;

(ii) The P&A exercises appropriate oversight to ensure that the contracting organization meets all applicable responsibilities and standards which apply to P&As, including but not limited to, the confidentiality provisions in the DD Act and regulations, ethical responsibilities, program accountability and quality controls;

(2) Any eligible P&A system should work cooperatively with existing advocacy agencies and groups and, where appropriate, consider entering into contracts for protection and advocacy services with organizations already working on behalf of individuals with developmental disabilities.

§ 1326.22 Periodic reports: State Protection and Advocacy System.

(a) By January 1 of each year, each State Protection and Advocacy System shall submit to AIDD, an Annual Program Performance Report. In order to

be accepted, the Report must meet the requirements of section 144(e) of the Act (42 U.S.C. 15044), the applicable regulation and include information on the System's program necessary for the Secretary, or his or her designee, to comply with section 105(1), (2), and (3) of the Act (42 U.S.C. 15005). The Report shall describe the activities, accomplishments, and expenditures of the system during the preceding fiscal year. Reports shall include a description of the system's goals and the extent to which the goals were achieved, barriers to their achievement; the process used to obtain public input, the nature of such input, and how such input was used; the extent to which unserved or underserved individuals or groups, particularly from ethnic or racial groups or geographic regions (*e.g.*, rural or urban areas) were the target of assistance or service; and other such information on the Protection and Advocacy System's activities requested by AIDD.

(b) Financial status reports (standard form 425) must be submitted by the agency administering and operating the State Protection and Advocacy System semiannually.

(c) By January 1 of each year, the State Protection and Advocacy System shall submit to AIDD, an Annual Statement of Goals and Priorities, (SGP), for the coming fiscal year as required under section 143(a)(2)(C) of the Act (42 U.S.C. 15043). In order to be accepted by AIDD, an SGP must meet the requirements of section 143 of the Act.

(1) The SGP is a description and explanation of the system's goals and priorities for its activities, selection criteria for its individual advocacy and training activities, and the outcomes it strives to accomplish. The SGP is developed through data driven strategic planning. If changes are made to the goals or the indicators of progress established for a year, the SGP must be amended to reflect those changes. The SGP must include a description of how the Protection and Advocacy System operates, and where applicable, how it coordinates the State Protection and Advocacy program for individuals with developmental disabilities with other Protection and Advocacy programs administered by the State Protection and

Advocacy System. This description must include the System's processes for intake, internal and external referrals, and streamlining of advocacy services. If the System will be requesting or requiring fees or donations from clients as part of the intake process, the SGP must state that the system will be doing so. The description also must address collaboration, the reduction of duplication and overlap of services, the sharing of information on service needs, and the development of statements of goals and priorities for the various advocacy programs.

(2) Priorities as established through the SGP serve as the basis for the Protection and Advocacy System to determine which cases are selected in a given fiscal year. Protection and Advocacy Systems have the authority to turn down a request for assistance when it is outside the scope of the SGP, but they must inform individuals when this is the basis for turning them down.

(d) Each fiscal year, the Protection and Advocacy System shall:

(1) Obtain formal public input on its Statement of Goals and Priorities;

(2) At a minimum, provide for a broad distribution of the proposed Statement of Goals and Priorities for the next fiscal year in a manner accessible to individuals with developmental disabilities and their representatives, allowing at least 45 days from the date of distribution for comment;

(3) Provide to the State Councils on Developmental Disabilities and the University Centers for Excellence in Developmental Disabilities Education, Research and Service a copy of the proposed Statement of Goals and Priorities for comment concurrently with the public notice;

(4) Incorporate or address any comments received through public input and any input received from the State Councils on Developmental Disabilities and the University Centers for Excellence in Developmental Disabilities Education, Research and Service in the final Statement submitted; and

(5) Address how the Protection and Advocacy System, State Councils on

§ 1326.23

Developmental Disabilities, and University Centers for Excellence in Developmental Disabilities Education Research and Service will collaborate with each other and with other public and private entities.

§ 1326.23 Non-allowable costs for the State Protection and Advocacy System.

(a) Federal financial participation is not allowable for:

(1) Costs incurred for activities on behalf of individuals with developmental disabilities to solve problems not directly related to their disabilities and which are faced by the general populace. Such activities include but are not limited to: Preparation of wills, divorce decrees, and real estate proceedings. Allowable costs in such cases would include the Protection and Advocacy System providing disability-related technical assistance information and referral to appropriate programs and services; and

(2) Costs not allowed under other applicable statutes, Departmental regulations and issuances of the Office of Management and Budget.

(b) Attorneys' fees are considered program income pursuant to 45 CFR part 75 and must be added to the funds committed to the program and used to further the objectives of the program. This requirement shall apply to all attorneys' fees, including those earned by contractors and those received after the project period in which they were earned.

§ 1326.24 Allowable litigation costs.

Allotments may be used to pay the otherwise allowable costs incurred by a Protection and Advocacy System in bringing lawsuits in its own right to redress incidents of abuse or neglect, discrimination and other rights violations impacting the ability of individuals with developmental disabilities to obtain access to records and when it appears on behalf of named plaintiffs or a class of plaintiff for such purposes.

45 CFR Ch. XIII (10–1–24 Edition)

Subpart C—Access to Records, Service Providers, and Individuals With Developmental Disabilities

§ 1326.25 Access to records.

(a) Pursuant to sections 143(a)(2), (A)(i), (B), (I), and (J) of the Act, and subject to the provisions of this section, a Protection and Advocacy (P&A) System, and all of its authorized agents, shall have access to the records of individuals with developmental disabilities under the following circumstances:

(1) If authorized by an individual who is a client of the system, or who has requested assistance from the system, or by such individual's legal guardian, conservator or other legal representative.

(2) In the case of an individual to whom all of the following conditions apply:

(i) The individual, due to his or her mental or physical condition, is unable to authorize the system to have access;

(ii) The individual does not have a legal guardian, conservator or other legal representative, or the individual's guardian is the State (or one of its political subdivisions); and

(iii) The individual has been the subject of a complaint to the P&A system, or the P&A system has probable cause (which can be the result of monitoring or other activities including media reports and newspaper articles) to believe that such individual has been subject to abuse and neglect.

(3) In the case of an individual, who has a legal guardian, conservator, or other legal representative, about whom a complaint has been received by the system or, as a result of monitoring or other activities, the system has determined that there is probable cause to believe that the individual with developmental disability has been subject to abuse or neglect, whenever the following conditions exist:

(i) The P&A system has made a good faith effort to contact the legal guardian, conservator, or other legal representative upon prompt receipt (within the timelines set forth in paragraph (c) of this section) of the contact information (which is required to include

but not limited to name, address, telephone numbers, and email address) of the legal guardian, conservator, or other legal representative;

(ii) The system has offered assistance to the legal guardian, conservator, or other legal representative to resolve the situation; and

(iii) The legal guardian, conservator, or other legal representative has failed or refused to provide consent on behalf of the individual.

(4) If the P&A determines there is probable cause to believe that the health or safety of an individual is in serious and immediate jeopardy, no consent from another party is needed.

(5) In the case of death, no consent from another party is needed. Probable cause to believe that the death of an individual with a developmental disability resulted from abuse or neglect or any other specific cause is not required for the P&A system to obtain access to the records. Any individual who dies in a situation in which services, supports, or other assistance are, have been, or may customarily be provided to individuals with developmental disabilities shall, for the purposes of the P&A system obtaining access to the individual's records, be deemed an "individual with a developmental disability."

(b) Individual records to which P&A systems must have access under section 143(a)(2), (A)(i), (B), (I), and (J) of the Act (whether written or in another medium, draft, preliminary or final, including handwritten notes, electronic files, photographs or video or audiotape records) shall include, but shall not be limited to:

(1) Individual records prepared or received in the course of providing intake, assessment, evaluation, education, training and other services; supports or assistance, including medical records, financial records, and monitoring and other reports prepared or received by a service provider. This includes records stored or maintained at sites other than that of the service provider, as well as records that were not prepared by the service provider, but received by the service provider from other service providers.

(2) Reports prepared by a Federal, State or local governmental agency, or

a private organization charged with investigating incidents of abuse or neglect, injury or death. The organizations whose reports are subject to this requirement include, but are not limited to, agencies in the foster care systems, developmental disabilities systems, prison and jail systems, public and private educational systems, emergency shelters, criminal and civil law enforcement agencies such as police departments, agencies overseeing juvenile justice facilities, juvenile detention facilities, all pre- and post-adjudication juvenile facilities, State and Federal licensing and certification agencies, and private accreditation organizations such as the Joint Commission on the Accreditation of Health Care Organizations or by medical care evaluation or peer review committees, regardless of whether they are protected by federal or state law. The reports subject to this requirement describe any or all of the following:

(i) The incidents of abuse, neglect, injury, and/or death;

(ii) The steps taken to investigate the incidents;

(iii) Reports and records, including personnel records, prepared or maintained by the service provider in connection with such reports of incidents; or,

(iv) Supporting information that was relied upon in creating a report including all information and records that describe persons who were interviewed, physical and documentary evidence that was reviewed, and the related investigative findings;

(3) Discharge planning records; and

(4) Information in professional, performance, building or other safety standards, and demographic and statistical information relating to a service provider.

(c) The time period in which the P&A system must be given access to records of individuals with developmental disabilities under sections 143(a)(2)(A)(i), (B), (I), and (J) of the Act, and subject to the provisions of this section, varies depending on the following circumstances:

(1) If the P&A system determines that there is probable cause to believe that the health or safety of the individual with a developmental disability

§ 1326.26

is in serious and immediate jeopardy, or in any case of the death of an individual with a developmental disability, access to the records of the individual with a developmental disability, as described in paragraph (b) of this section shall be provided (including the right to inspect and copy records as specified in paragraph (d) of this section) to the P&A system within 24 hours of receipt of the P&A system's written request for the records without the consent of another party.

(2) In all other cases, access to records of individuals with developmental disabilities shall be provided to the P&A system within three business days after the receipt of such a written request from the P&A system.

(d) A P&A shall be permitted to inspect and copy information and records, subject to a reasonable charge to offset duplicating costs. If the service provider or its agents copy the records for the P&A system, it may not charge the P&A system an amount that would exceed the amount customarily charged other non-profit or State government agencies for reproducing documents. At its option, the P&A may make written notes when inspecting information and records, and may use its own photocopying equipment to obtain copies. If a party other than the P&A system performs the photocopying or other reproduction of records, it shall provide the photocopies or reproductions to the P&A system within the time frames specified in paragraph (c) of this section. In addition, where records are kept or maintained electronically they shall be provided to the P&A electronically.

(e) The Health Insurance Portability and Accountability Act Privacy Rule permits the disclosure of protected health information (PHI) without the authorization of the individual to a P&A system to the extent that such disclosure is required by law and the disclosure complies with the requirements of that law.

(f) Educational agencies, including public, private, and charter schools, as well as, public and private residential and non-residential schools, must provide a P&A with the name of and contact information for the parent or guardian of a student for whom the

45 CFR Ch. XIII (10–1–24 Edition)

P&A has probable cause to obtain records under the DD Act.

§ 1326.26 Denial or delay of access to records.

If a P&A system's access is denied or delayed beyond the deadlines specified in § 1326.25, the P&A system shall be provided, within one business day after the expiration of such deadline, with a written statement of reasons for the denial or delay. In the case of a denial for alleged lack of authorization, the name, address and telephone number of individuals with developmental disabilities and legal guardians, conservators, or other legal representative will be included in the aforementioned response. All of the above information shall be provided whether or not the P&A has probable cause to suspect abuse or neglect, or has received a complaint.

[80 FR 44807, July 27, 2015, as amended at 81 FR 35647, June 3, 2016]

§ 1326.27 Access to service providers and individuals with developmental disabilities.

(a) Access to service providers and individuals with developmental disabilities shall be extended to all authorized agents of a P&A system.

(b) The P&A system shall have reasonable unaccompanied access to individuals with developmental disabilities at all times necessary to conduct a full investigation of an incident of abuse or neglect.

(1) Such access shall be afforded upon request, by the P&A system when:

(i) An incident is reported or a complaint is made to the P&A system;

(ii) The P&A system determines that there is probable cause to believe that an incident has or may have occurred; or

(iii) The P&A system determines that there is or may be imminent danger of serious abuse or neglect of an individual with a developmental disability.

(2) A P&A system shall have reasonable unaccompanied access to public and private service providers, programs in the State, and to all areas of the service provider's premises that are used by individuals with developmental disabilities or are accessible to them. Such access shall be provided without

advance notice and made available immediately upon request. This authority shall include the opportunity to interview any individual with developmental disability, employee, or other persons, including the person thought to be the victim of such abuse, who might be reasonably believed by the system to have knowledge of the incident under investigation. The P&A may not be required to provide the name or other identifying information regarding the individual with developmental disability or staff with whom it plans to meet; neither may the P&A be required to justify or explain its interaction with such persons.

(c) In addition to the access required under paragraph (b) of this section, a P&A system shall have reasonable unaccompanied access to service providers for routine circumstances. This includes areas which are used by individuals with developmental disabilities and are accessible to individuals with developmental disabilities at reasonable times, which at a minimum shall include normal working hours and visiting hours. A P&A also shall be permitted to attend treatment planning meetings concerning individuals with developmental disabilities with the consent of the individual or his or her guardian, conservator or other legal representative, except that no consent is required if the individual, due to his or mental or physical condition, is unable to authorize the system to have access to a treatment planning meeting; and the individual does not have a legal guardian, conservator or other legal representative, or the individual's guardian is the State (or one of its political subdivisions).

(1) Access to service providers shall be afforded immediately upon an oral or written request by the P&A system. Except where complying with the P&A's request would interfere with treatment or therapy to be provided, service providers shall provide access to individuals for the purpose covered by this paragraph. If the P&As access to an individual must be delayed beyond 24 hours to allow for the provision of treatment or therapy, the P&A shall receive access as soon as possible thereafter. In cases where a service provider denies a P&A access to an in-

dividual with a developmental disability on the grounds that such access would interfere with the individual's treatment or therapy, the service provider shall, no later than 24 hours of the P&A's request, provide the P&A with a written statement from a physician stating that P&A access to the individual will interfere with the individual's treatment and therapy, and the time and circumstances under which the P&A can interview the individual. If the physician states that the individual cannot be interviewed in the next 24 hours, the P&A and the service provider shall engage in a good faith interactive process to determine when and under what circumstances the P&A can interview the individual. If the P&A and the service provider are unable to agree upon the time and circumstance, they shall select a mutually agreeable independent physician who will determine when and under what circumstances the individual may be interviewed. The expense of the independent physician's services shall be paid for by the service provider. Individuals with developmental disabilities subject to the requirements in this paragraph include adults and minors who have legal guardians or conservators.

(2) P&A activities shall be conducted so as to minimize interference with service provider programs, respect individuals with developmental disabilities' privacy interests, and honor a recipient's request to terminate an interview. This access is for the purpose of:

(i) Providing information, training, and referral for programs addressing the needs of individuals with developmental disabilities, information and training about individual rights, and the protection and advocacy services available from the P&A system, including the name, address, and telephone number of the P&A system. P&As shall be permitted to post, in an area which individuals with developmental disabilities receive services, a poster which states the protection and advocacy services available from the P&A system, including the name, address and telephone number of the P&A system.

§ 1326.28

(ii) Monitoring compliance with respect to the rights and safety of individuals with developmental disabilities; and

(iii) Access including, but is not limited to inspecting, viewing, photographing, and video recording all areas of a service provider's premises or under the service provider's supervision or control which are used by individuals with developmental disabilities or are accessible to them. This authority does not include photographing or video recording individuals with developmental disabilities unless they consent or State laws allow such activities.

(d) Unaccompanied access to individuals with developmental disabilities including, but not limited to, the opportunity to meet and communicate privately with individuals regularly, both formally and informally, by telephone, mail and in person. This authority shall also include the opportunity to meet, communicate with, or interview any individual with a developmental disability, including a person thought to be the subject of abuse, who might be reasonably believed by the P&A system to have knowledge of an incident under investigation or non-compliance with respect to the rights and safety of individuals with developmental disabilities. Except as otherwise required by law the P&A shall not be required to provide the name or other identifying information regarding the individual with a disability with whom it plans to meet; neither may the P&A be required to justify or explain its interaction with such persons.

§ 1326.28 Confidentiality of State Protection and Advocacy System records.

(a) A P&A shall, at minimum, comply with the confidentiality provisions of all applicable Federal and State laws.

(b) Records maintained by the P&A system are the property of the P&A system which must protect them from loss, damage, tampering, unauthorized use, or tampering. The P&A system must:

(1) Except as provided elsewhere in this section, keep confidential all records and information, including in-

45 CFR Ch. XIII (10-1-24 Edition)

formation contained in any automated electronic database pertaining to:

(i) Clients;

(ii) Individuals who have been provided general information or technical assistance on a particular matter;

(iii) The identity of individuals who report incidents of abuse or neglect, or who furnish information that forms the basis for a determination that probable cause exists; and

(iv) Names of individuals who have received services, supports or other assistance, and who provided information to the P&A for the record.

(v) Peer review records.

(2) Have written policies governing the access, storage, duplication and release of information from client records, including the release of information peer review records.

(3) Obtain written consent from the client, or from his or her legal representative; individuals who have been provided general information or technical assistance on a particular matter; and individuals who furnish reports or information that form the basis for a determination of probable cause, before releasing information concerning such individuals to those not otherwise authorized to receive it.

(c) Nothing in this subpart shall prevent the P&A system from issuing a public report of the results of an investigation which maintains the confidentiality of the individuals listed in paragraph (a)(1) of this section, or reporting the results of an investigation in a manner which maintains the confidentiality of such individuals, to responsible investigative or enforcement agencies should an investigation reveal information concerning the service provider, its staff, or employees warranting possible sanctions or corrective action. This information may be reported to agencies responsible for service provider licensing or accreditation, employee discipline, employee licensing or certification, or criminal investigation or prosecution.

(d) Notwithstanding the confidentiality requirements of this section, the P&A may make a report to investigative or enforcement agencies, as described in paragraph (b) of this section, which reveals the identity of an

individual with developmental disability, and information relating to his or her status or treatment:

(1) When the system has received a complaint that the individual has been or may be subject to abuse and neglect, or has probable cause (which can be the result of monitoring or other activities including media reports and newspaper articles) to believe that such individual has been or may be subject to abuse or neglect;

(2) When the system determines that there is probable cause to believe the health or safety of the individual is in serious and immediate jeopardy; or

(3) In any case of the death of an individual whom the system believes may have had a developmental disability.

Subpart D—Federal Assistance to State Councils on Developmental Disabilities

§ 1326.30 State plan requirements.

(a) In order to receive Federal funding under this subpart, each State Developmental Disabilities Council must prepare and submit a State plan which meets the requirements of sections 124 and 125 of the Act (42 U.S.C. 15024 and 15025), and the applicable regulation. Development of the State plan and its periodic updating are the responsibility of the State Council on Developmental Disabilities. As provided in section 124(d) of the Act, the Council shall provide opportunities for public input and review (in accessible formats and plain language requirements), and will consult with the Designated State Agency to determine that the plan is consistent with applicable State laws, and obtain appropriate State plan assurances.

(b) Failure to comply with the State plan requirements may result in the loss of Federal funds as described in section 127 of the Act (42 U.S.C. 15027). The Secretary, or his or her designee, must provide reasonable notice and an opportunity for a hearing to the Council and the Designated State Agency before withholding any payments for planning, administration, and services.

(c) The State plan must be submitted through the designated system by AIDD which is used to collect quantifi-

able and qualifiable information from the State Councils on Developmental Disabilities. The plan must:

(1) Identify the agency or office in the State designated to support the Council in accordance with section 124(c)(2) and 125(d) of the Act. The Designated State Agency shall provide required assurances and support services requested from and negotiated with the Council.

(2) For a year covered by the State plan, include for each area of emphasis under which a goal or goals have been identified, the measures of progress the Council has established or is required to apply in its progress in furthering the purpose of the Developmental Disabilities Assistance and Bill of Rights Act through advocacy, capacity building, and systemic change activities.

(3) Provide for the establishment and maintenance of a Council in accordance with section 125 of the Act and describe the membership of such Council. The non-State agency members of the Council shall be subject to term limits to ensure rotating membership.

(d) The State plan must be updated during the five-year period when substantive changes are contemplated in plan content, including changes under paragraph (c)(2) of this section.

(e) The State plan may provide for funding projects to demonstrate new approaches to direct services that enhance the independence, productivity, and integration and inclusion into the community of individuals with developmental disabilities. Direct service demonstrations must be short-term, with a strategy to locate on-going funding from other sources after five years. Any State desiring to receive assistance beyond five years, under this subtitle, shall include in the State plan the information listed in paragraphs (e)(1) through (3) of this section, and AIDD reserves the right as the overseeing agency to deny the continuation of the demonstration project beyond five years.

(1) The estimated period for the project's continued duration;

(2) Justifications of why the project cannot be funded by the State or other sources and should receive continued funding; and

§ 1326.31

(3) Provide data outcomes showing evidence of success.

(f) The State plan may provide for funding of other demonstration projects or activities, including but not limited to outreach, training, technical assistance, supporting and educating communities, interagency collaboration and coordination, coordination with related councils, committees and programs, barrier elimination, systems design and redesign, coalition development and citizen participation, and informing policymakers. Demonstrations must be short-term, with a strategy to locate on-going funding from other sources after five years. Any State desiring to receive assistance beyond five years, under this subtitle, shall include in the State plan the information listed in paragraphs (f)(1) through (3) of this section, and AIDD reserves the right as the overseeing agency to deny the continuation of the demonstration project beyond five years.

(1) The estimated period for the project's continued duration;

(2) Justifications on why the project cannot be funded by the State or other resources and should receive continued funding; and

(3) Provide data showing evidence of success.

(g) The State plan must contain assurances that are consistent with section 124 of the Act (42 U.S.C. 15024).

§ 1326.31 State plan submittal and approval.

(a) The Council shall issue a public notice about the availability of the proposed State plan or State plan amendment(s) for comment. The notice shall be published in formats accessible to individuals with developmental disabilities and the general public (*e.g.* public forums, Web sites, newspapers, and other current technologies) and shall provide a 45-day period for public review and comment. The Council shall take into account comments submitted within that period, and respond in the State plan to significant comments and suggestions. A summary of the Council's responses to State plan comments shall be submitted with the State plan and made available for public review. This document shall be made available in accessible formats upon request.

45 CFR Ch. XIII (10–1–24 Edition)

(b) The State plan or amendment must be submitted to AIDD 45 days prior to the fiscal year for which it is applicable.

(c) Failure to submit an approvable State plan or amendment prior to the Federal fiscal year for which it is applicable may result in the loss of Federal financial participation. Plans received during a quarter of the Federal fiscal year are approved back to the first day of the quarter so costs incurred from that point forward are approvable. Costs resulting from obligations incurred during the period of the fiscal year for which an approved plan is not in effect are not eligible for Federal financial participation.

(d) The Secretary, or his or her designee, must approve any State plan or plan amendment provided it meets the requirements of the Act and this regulation.

§ 1326.32 Periodic reports: Federal assistance to State Councils on Developmental Disabilities.

(a) The Governor or appropriate State financial officer must submit financial status reports (AIDD-02B) on the programs funded under this subpart semiannually.

(b) By January 1 of each year, the State Council on Developmental Disabilities shall submit to AIDD, an Annual Program Performance Report through the system established by AIDD. In order to be accepted by AIDD, reports must meet the requirements of section 125(c)(7) of the Act (42 U.S.C. 15025) and the applicable regulations, include the information on its program necessary for the Secretary, or his or her designee, to comply with section 105(1), (2), and (3) of the Act (42 U.S.C. 15005), and any other information requested by AIDD. Each Report shall contain information about the progress made by the Council in achieving its goals including:

(1) A description of the extent to which the goals were achieved;

(2) A description of the strategies that contributed to achieving the goals;

(3) To the extent to which the goals were not achieved, a description of factors that impeded the achievement;

(4) Separate information on the self-advocacy goal described in section 124(c)(4)(A)(ii) of the Act (42 U.S.C. 15024);

(5) As appropriate, an update on the results of the comprehensive review and analysis of the extent to which services, supports, and other assistance are available to individuals with developmental disabilities and their families, including the extent of unmet needs for services, supports, and other assistance for those individuals and their families, in the State as required in section 124(c)(3) of the Act (42 U.S.C. 15024);

(6) Information on individual satisfaction with Council supported or conducted activities;

(7) A description of the adequacy of health care and other services, supports, and assistance that individuals with developmental disabilities in Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICF/IID) receive;

(8) To the extent available, a description of the adequacy of health care and other services, supports, and assistance received by individuals with developmental disabilities served through home and community-based waivers (authorized under section 1915(c) of the Social Security Act);

(9) An accounting of the funds paid to the State awarded under the DD Council program;

(10) A description of resources made available to carry out activities to assist individuals with developmental disabilities directly attributable to Council actions;

(11) A description of resources made available for such activities that are undertaken by the Council in collaboration with other entities; and

(12) A description of the method by which the Council will widely disseminate the annual report to affected constituencies and the general public and will assure that the report is available in accessible formats.

(c) Each Council must include in its Annual Program Performance Report information on its achievement of the measures of progress.

§ 1326.33 Protection of employees interests.

(a) Based on section 124(c)(5)(J) of the Act (42 U.S.C. 15024(c)(5)(J)), the State plan must assure fair and equitable arrangements to protect the interest of all institutional employees affected by actions under the plan to provide community living activities. The State must inform employees of the State's decision to provide for community living activities. Specific arrangements for the protection of affected employees must be developed through negotiations between the appropriate State authorities and employees or their representatives.

(b) Fair and equitable arrangements must include procedures that provide for the impartial resolution of disputes between the State and an employee concerning the interpretation, application, and enforcement of protection arrangements. To the maximum extent practicable, these arrangements must include provisions for:

(1) The preservation of rights and benefits;

(2) Guaranteeing employment to employees affected by action under the plan to provide alternative community living arrangements; and

(3) Employee training and retraining programs.

§ 1326.34 Designated State Agency.

(a) The Designated State Agency shall provide the required assurances and other support services as requested and negotiated by the Council. These include:

(1) Provision of financial reporting and other services as provided under section 125(d)(3)(D) of the Act; and

(2) Information and direction, as appropriate, on procedures on the hiring, supervision, and assignment of staff in accordance with State law.

(b) If the State Council on Developmental Disabilities requests a review by the Governor (or State legislature, if applicable) of the Designated State Agency, the Council must provide documentation of the reason for change, and recommend a new preferred Designated State Agency by the Governor (or State legislature, if applicable).

(c) After the review is completed by the Governor (or State legislature, if

§ 1326.35

applicable), and if no change is made, a majority of the non-State agency members of the Council may appeal to the Secretary, or his or her designee, for a review of the Designated State Agency if the Council's independence as an advocate is not assured because of the actions or inactions of the Designated State agency.

(d) The following steps apply to the appeal of the Governor's (or State legislature, if applicable) designation of the Designated State Agency.

(1) Prior to an appeal to the Secretary, or his or her designee, the State Council on Developmental Disabilities, must give a 30 day written notice, by certified mail, to the Governor (or State legislature, if applicable) of the majority of non-State members' intention to appeal the designation of the Designated State Agency.

(2) The appeal must clearly identify the grounds for the claim that the Council's independence as an advocate is not assured because of the action or inactions of the Designated State Agency.

(3) Upon receipt of the appeal from the State Council on Developmental Disabilities, the Secretary, or his or her designee, will notify the State Council on Developmental Disabilities and the Governor (or State legislature, if applicable), by certified mail, that the appeal has been received and will be acted upon within 60 days. The Governor (or State legislature, if applicable) shall within 10 working days from the receipt of the Secretary's, or his or her designated person's, notification provide written comments to the Secretary, or his or her designee, (with a copy sent by registered or certified mail to the Council) on the claims in the Council's appeal. Either party may request, and the Secretary, or his or her designee, may grant, an opportunity for an informal meeting with the Secretary, or his or her designee, at which representatives from both parties will present their views on the issues in the appeal. The meeting will be held within 20 working days of the submission of written comments by the Governor (or State legislature, if applicable). The Secretary, or his or her designee, will promptly notify the parties of the date and place of the meeting.

45 CFR Ch. XIII (10-1-24 Edition)

(4) The Secretary, or his or her designee, will review the issue(s) and provide a final written decision within 60 days following receipt of the appeal from the State Council on Developmental Disabilities. If the determination is made that the Designated State Agency should be redesignated, the Governor (or State legislature, if applicable) must provide written assurance of compliance within 45 days from receipt of the decision.

(5) Anytime during this appeals process the State Council on Developmental Disabilities may withdraw such request if resolution has been reached with the Governor (or State legislature, if applicable) on the Designated State Agency. The Governor (or State legislature, if applicable) must notify the Secretary, or his or her designee, in writing of such a decision.

(e) The Designated State Agency may authorize the Council to contract with State agencies other than the Designated State Agency to perform functions of the Designated State Agency.

§ 1326.35 Allowable and non-allowable costs for Federal assistance to State Councils on Developmental Disabilities.

(a) Under this subpart, Federal funding is available for costs resulting from obligations incurred under the approved State plan for the necessary expenses of administering the plan, which may include the establishment and maintenance of the State Council, and all programs, projects, and activities carried out under the State plan.

(b) Expenditures which are not allowable for Federal financial participation are:

(1) Costs incurred by institutions or other residential or non-residential programs which do not comply with the Congressional findings with respect to the rights of individuals with developmental disabilities in section 109 of the Act (42 U.S.C. 15009).

(2) Costs incurred for activities not provided for in the approved State plan; and

(3) Costs not allowed under other applicable statutes, Departmental regulations, or issuances of the Office of Management and Budget.

(c) Expenditure of funds that supplant State and local funds are not allowed. Supplanting occurs when State or local funds previously used to fund activities under the State plan are replaced by Federal funds for the same purpose. However, supplanting does not occur if State or local funds are replaced with Federal funds for a particular activity or purpose in the approved State plan if the replaced State or local funds are then used for other activities or purposes in the approved State plan.

(d) For purposes of determining aggregate minimum State share of expenditures, there are three categories of expenditures:

(1) Expenditures for projects or activities undertaken directly by the Council and Council staff to implement State plan activities, as described in section 126(a)(3) of the Act, require no non-Federal aggregate of the necessary costs of such activities.

(2) Expenditures for projects whose activities or products target individuals with developmental disabilities who live in urban or rural poverty areas, as determined by the Secretary, or his or her designee, but not carried out directly by the Council and Council staff, as described in section 126(a)(2) of the Act, shall have non-Federal funding of at least 10 percent in the aggregate of the necessary costs of such projects.

(3) All other projects not directly carried out by the Council and Council staff shall have non-Federal funding of at least 25 percent in the aggregate of the necessary costs of such projects.

(e) The Council may vary the non-Federal funding required on a project-by-project, activity-by-activity basis (both poverty and non-poverty activities), including requiring no non-Federal funding from particular projects or activities as the Council deems appropriate so long as the requirement for aggregate non-Federal funding is met.

§ 1326.36 Final disapproval of the State plan or plan amendments.

The Department will disapprove any State plan or plan amendment only after the following procedures have been complied with:

(a) The State plan has been submitted to AIDD for review. If after contacting the State on issues with the plan with no resolution, a detailed written analysis of the reasons for recommending disapproval shall be prepared and provided to the State Council and State Designated Agency.

(b) Once the Secretary, or his or her designee, has determined that the State plan, in whole or in part, is not approvable, notice of this determination shall be sent to the State with appropriate references to the records, provisions of the statute and regulations, and all relevant interpretations of applicable laws and regulations. The notification of the decision must inform the State of its right to appeal in accordance with subpart E of this part.

(c) The Secretary's, or his or her designee's, decision has been forwarded to the State Council and its Designated State Agency by certified mail with a return receipt requested.

(d) A State has filed its request for a hearing with the Secretary, or his or her designee, within 21 days of the receipt of the decision. The request for a hearing must be sent by certified mail to the Secretary, or his or her designee. The date of mailing the request is considered the date of filing if it is supported by independent evidence of mailing. Otherwise the date of receipt shall be considered the date of filing.

GENERAL

§ 1326.80 Definitions.

For purposes of this subpart:

Payment or allotment. The term "payment" or "allotment" means an amount provided under part B or C of the Developmental Disabilities Assistance and Bill of Rights Act of 2000. This term includes Federal funds provided under the Act irrespective of whether the State must match the Federal portion of the expenditure.

§ 1326.81

This term shall include funds previously covered by the terms “Federal financial participation,” “the State’s total allotment,” “further payments,” “payments,” “allotment” and “Federal funds.”

Presiding officer. The term “presiding officer” means anyone designated by the Secretary to conduct any hearing held under this subpart. The term includes the Secretary, or the Secretary’s designee, if the Secretary or his or her designee presides over the hearing. For purposes of this subpart the Secretary’s “designee” refers to a person, such as the Administrator of ACL, who has been delegated broad authority to carry out all or some of the authorizing statute. (a) The rules of procedures in this subpart govern the practice for hearings afforded by the Department to States pursuant to sections 124, 127, and 143 of the Act. (42 U.S.C. 15024, 15027 and 15043).

(b) Nothing in this part is intended to preclude or limit negotiations between the Department and the State, whether before, during, or after the hearing to resolve the issues that are, or otherwise would be, considered at the hearing. Negotiation and resolution of issues are not part of the hearing, and are not governed by the rules in this subpart, except as otherwise provided in this subpart.

§ 1326.82 Records to the public.

All pleadings, correspondence, exhibits, transcripts of testimony, exceptions, briefs, decisions, and other documents filed in the docket in any proceeding are subject to public inspection.

§ 1326.83 Use of gender and number.

As used in this subpart, words importing the singular number may extend and be applied to several persons or things, and vice versa. Words importing either gender may be applied to the other gender or to organizations.

45 CFR Ch. XIII (10–1–24 Edition)

§ 1326.84 Suspension of rules.

Upon notice to all parties, the Secretary or the Secretary’s designee may modify or waive any rule in this subpart, unless otherwise expressly provided, upon determination that no party will be unduly prejudiced and justice will be served.

§ 1326.85 Filing and service of papers.

(a) All papers in the proceedings must be filed with the designated individual in an original and two copies. Only the originals of exhibits and transcripts of testimony need be filed.

(b) Copies of papers in the proceedings must be served on all parties by personal delivery or by mail. Service on the party’s designated representative is deemed service upon the party.

The notice must state the time and place for the hearing and the issues that will be considered. The notice must be published in the FEDERAL REGISTER.

§ 1326.93 Issues at hearing.

(a) Prior to a hearing, the Secretary or his or her designee may notify the State in writing of additional issues

which will be considered at the hearing. That notice must be published in the FEDERAL REGISTER. If that notice is mailed to the State less than 20 days before the date of the hearing, the State or any other party, at its request, must be granted a postponement of the hearing to a date 20 days after the notice was mailed or such later date as may be agreed to by the Secretary or his or her designee.

(b) If any issue is resolved in whole or in part, but new or modified issues are presented, the hearing must proceed on the new or modified issues.

(c)(1) If at any time, whether prior to, during, or after the hearing, the Secretary, or his or her designee, finds that the State has come into compliance with Federal requirements on any issue in whole or in part, he or she must remove the issue from the proceedings in whole or in part as may be appropriate. If all issues are removed the Secretary, or his or her designee, must terminate the hearing.

(2) Prior to the removal of an issue, in whole or in part, from a hearing involving issues relating to the conformity with Federal requirements under part B of the Act, of the State plan or the activities of the State Protection and Advocacy System, the Secretary, or his or her designee, must provide all parties other than the Department and the State (see § 1326.94(b)) with the statement of his or her intention to remove an issue from the hearing and the reasons for that decision. A copy of the proposed State plan provision or document explaining changes in the activities of the State's Protection and Advocacy System on which the State and the Secretary, or his or her designee, have settled must be sent to the parties. The parties must have an opportunity to submit in writing within 15 days their views as to, or any information bearing upon, the merits of the proposed provision and the merits of the reasons for removing the issue from the hearing.

(d) In hearings involving questions of noncompliance of a State's operation of its program under part B of the Act, with the State plan or with Federal requirements, or compliance of the State Protection and Advocacy System with Federal requirements, the same procedure

set forth in paragraph (c)(2) of this section must be followed with respect to any report or evidence resulting in a conclusion by the Secretary, or his or her designee, that a State has achieved compliance.

(e) The issues considered at the hearing must be limited to those issues of which the State is notified as provided in § 1326.90 and paragraph (a) of this section, and new or modified issues described in paragraph (b) of this section, and may not include issues or parts of issues removed from the proceedings pursuant to paragraph (c) of this section.

(b)(1) Other individuals or groups may be recognized as parties if the issues to be considered at the hearing have caused them injury and their interests are relevant to the issues in the hearing.

(2) Any individual or group wishing to participate as a party must file a petition with the designated individual within 15 days after notice of the hearing has been published in the FEDERAL REGISTER, and must serve a copy on each party of record at that time in accordance with § 1326.85(b). It may submit a written statement of position to the presiding officer prior to the beginning of a hearing and must serve a copy on each party. For purposes of these regulations, the 5 percent cap on funds for administrative expenses applies only to the Part B funds allocated to the State and to the State's required 10 percent Part B match. It does not apply to other program income funds, including, but not limited to, payments provided to a State from the Social Security Administration for assisting Social Security beneficiaries and recipients to achieve employment outcomes, any other federal funds, or to other funds allocated by the State for IL purposes.

(b) The DSE must also carry out its other responsibilities under the Act, including, but not limited to:

(1) Allocating funds for the delivery of IL services under Part B of the Act as directed by the SPIL; and

(2) Allocating the necessary and sufficient resources needed by the SILC to fulfill its statutory duties and authorities under section 705(c), consistent with the approved State Plan.

(c) Fiscal and accounting requirements: The DSE must adopt fiscal control and fund accounting procedures as may be necessary to ensure the proper disbursement of and accounting for federal funds provided to CILs, SILCs, and/or other services providers under

§ 1329.13

the ILS program. The DSE must comply with all applicable federal and State laws and regulations, including those in 45 CFR part 75.

§ 1329.13 Allotment of Federal funds for State independent living (IL) services.

(a) The allotment of Federal funds for State IL services for each State is computed in accordance with the requirements of section 711(a)(1) of the Act.

(b) Notwithstanding paragraph (a) of this section, the allotment of Federal funds for Guam, American Samoa, the United States Virgin Islands, and the Commonwealth of the Northern Mariana Islands is computed in accordance with section 711(a)(2) of the Act.

(c) The Administrator shall reserve between 1.8 percent and 2 percent of appropriated funds to provide, either directly or through grants, contracts, or cooperative agreements, training and technical assistance to SILCs. Training and technical assistance funds shall be administered in accordance with section 711A of the Act.

§ 1329.14 Establishment of a SILC.

(a) To be eligible to receive assistance under this part, each State shall establish and maintain a SILC that meets the requirements of section 705 of the Act, including composition and appointment of members.

(b) The SILC shall not be established as an entity within a State agency, including the DSE. The SILC shall be independent of and autonomous from the DSE and all other State agencies.

§ 1329.15 Duties of the SILC.

(a) The duties of the SILC are those set forth in section 705(c), (d), and (e) of the Act.

(1) The SILC shall develop the SPIL in accordance with guidelines developed by the Administrator;

(2) The SILC shall monitor, review and evaluate the implementation of the SPIL on a regular basis as determined by the SILC and set forth in the SPIL;

(3) The SILC shall meet regularly, and ensure that such meetings are open to the public and sufficient advance notice of such meetings is provided;

45 CFR Ch. XIII (10–1–24 Edition)

(4) The SILC shall submit to the Administrator such periodic reports as the Administrator may reasonably request, and keep such records, and afford such access to such records, as the Administrator finds necessary to verify the information in such reports; and

(5) The SILC shall, as appropriate, coordinate activities with other entities in the State that provide services similar to or complementary to independent living services, such as entities that facilitate the provision of or provide long-term community-based services and supports.

(b) In carrying out the duties under this section, the SILC may provide contact information for the nearest appropriate CIL. Sharing of such information shall not constitute the direct provision of independent living services as defined in section 705(c)(3) of the Act.

(c) The SILC, in conjunction with the DSE, shall prepare a plan for the provision of resources, including staff and personnel that are necessary and sufficient to carry out the functions of the SILC.

(1) The resource plan amount shall be commensurate, to the extent possible, with the estimated costs related to SILC fulfilment of its duties and authorities consistent with the approved State Plan.

(2) Available resources include: Innovation and Expansion (I&E) funds authorized by 29 U.S.C. 721(a)(18); Independent Living Part B funds; State matching funds; other public funds (such as Social Security reimbursement funds); and private sources.

(3) In accordance with § 1329.10(a)(1), no more than 30 percent of the State's allocation of Part B and Part B State matching funds may be used to fund the resource plan, unless the approved SPIL provides that more than 30 percent is needed and justifies the greater percentage.

(4) No conditions or requirements may be included in the SILC's resource plan that may compromise the independence of the SILC.

(5) The SILC is responsible for the proper expenditure of funds and use of resources that it receives under the resource plan.

(6) A description of the SILC's resource plan must be included in the State plan. The plan should include:

- (i) Staff/personnel;
- (ii) Operating expenses;
- (iii) Council compensation and expenses;
- (iv) Meeting expenses, including public hearing expenses, such as meeting space, alternate formats, interpreters, and other accommodations;
- (v) Resources to attend and/or secure training for staff and Council members; and
- (vi) Other costs as appropriate.

(d) The SILC shall carry out the activities in paragraph (a), to better serve individuals with significant disabilities and help achieve the purpose of section 701 of the Act.

(e) The SILC shall, consistent with State law, supervise and evaluate its staff and other personnel as may be necessary to carry out its functions under this section.

§ 1329.16 Authorities of the SILC.

(a) The SILC may conduct the following discretionary activities, as authorized and described in the approved State Plan:

(1) Work with Centers for Independent Living to coordinate services with public and private entities to improve services provided to individuals with disabilities;

(2) Conduct resource development activities to support the activities described in the approved SPIL and/or to support the provision of independent living services by Centers for Independent Living; and

(3) Perform such other functions, consistent with the purpose of this part and comparable to other functions described in section 705(c) of the Act, as the Council determines to be appropriate and authorized in the approved SPIL.

(b) In undertaking the foregoing duties and authorities, the SILC shall:

(1) Coordinate with the CILs in order to avoid conflicting or overlapping activities within the CILs' established service areas;

(2) Not engage in activities that constitute the direct provision of IL services to individuals, including the IL core services; and

(3) Comply with Federal prohibitions against lobbying.

§ 1329.17 General requirements for a State plan.

(a) The State may use funds received under Part B to support the Independent Living Services program and to meet its obligations under the Act, including the section 704(e) requirements that apply to the provision of independent living services. The State plan must stipulate that the State will provide IL services, directly and/or through grants and contracts, with Federal, State or other funds, and must describe how and to whom those funds will be disbursed for this purpose.

(b) In order to receive financial assistance under this part, a State shall submit to the Administrator a State plan for independent living.

(1) The State plan must contain, in the form prescribed by the Administrator, the information set forth in section 704 of the Act, including designation of an Agency to serve as the designated State entity, and such other information requested by the Administrator.

(2) The State plan must contain the assurances set forth in section 704(m) of the Act.

(3) The State plan must be signed in accordance with the provisions of this section.

(4) The State plan must be submitted 90 days before the completion date of the proceeding plan, and otherwise in the time frame and manner prescribed by the Administrator.

(5) The State plan must be approved by the Administrator.

(c) The State plan must cover a period of not more than three years and must be amended whenever necessary to reflect any material change in State law, organization, policy, or agency operations that affects the administration of the State plan.

(d) The State plan must be jointly—

(1) Developed by the chairperson of the SILC, and the directors of the CILs, after receiving public input from individuals with disabilities and other stakeholders throughout the State; and

(2) Signed by the—

§ 1329.20

(i) Chairperson of the SILC, acting on behalf of and at the direction of the SILC;

(ii) The director of the DSE, signifying agreement to execute the responsibilities of the DSE identified in section 704(c) of the Act; and

(iii) Not less than 51 percent of the directors of the CILs in the State. For purposes of this provision, if a legal entity that constitutes the “CIL” has multiple Part C grants considered as separate Centers for all other purposes, for SPIL signature purposes, it is only considered as one Center. CILs with service areas in more than one State that meet the other applicable requirements are eligible to participate in SPIL development and sign the SPIL in each of the relevant States.

(e) The State plan must provide for the review and revision of the plan, not less than once every three years, to ensure the existence of appropriate planning, financial support and coordination, and other assistance to meet the requirements of section 704(a) of the Act.

(f) The public, including people with disabilities and other stakeholders throughout the State, must have an opportunity to comment on the State plan prior to its submission to the Administrator and on any revisions to the approved State plan. Meeting this standard for public input from individuals with disabilities requires providing reasonable modifications in policies, practices, or procedures; effective communication and appropriate auxiliary aids and services for individuals with disabilities, which may include the provision of qualified interpreters and information in alternate formats, free of charge.

(1) The requirement for public input in this section may be met by holding public meetings before a preliminary draft State plan is prepared and by providing a preliminary draft State plan for comment prior to submission.

(2) To meet the public input standard of this section, a public meeting requires:

(i) Accessible, appropriate and sufficient notice provided at least 30 days prior to the public meeting through various media available to the general public, such as Web sites, newspapers

45 CFR Ch. XIII (10–1–24 Edition)

and public service announcements, and through specific contacts with appropriate constituency groups.

(ii) All notices, including notices published on a Web site, and other written materials provided at or prior to public meetings must be available upon request in accessible formats.

(g) The State plan must identify those provisions that are State-imposed requirements. For purposes of this section, a State-imposed requirement includes any State law, regulation, rule, or policy relating to the DSE’s administration or operation of IL programs under Title VII of the Act, including any rule or policy implementing any Federal law, regulation, or guideline that is beyond what would be required to comply with the regulations in this part.

(h) The State plan must address how the specific requirements in the Act and in paragraph (f) of this section will be met.

Subpart C—Centers for Independent Living Program

§ 1329.20 Centers for Independent Living (CIL) program.

State allotments of Part C, funds shall be based on section 721(c) of the Act, and distributed to Centers within the State in accordance with the order of priorities in sections 722(e) and 723(e) of the Act.

§ 1329.21 Continuation awards to entities eligible for assistance under the CIL program.

(a) In any State in which the Administrator has approved the State plan required by section 704 of the Act, an eligible agency funded under Part C in fiscal year 2015 may receive a continuation award in FY 2016 or a succeeding fiscal year if the Center has—

(1) Complied during the previous project year with the standards and assurances in section 725 of the Act and the terms and conditions of its grant; and

(2) Submitted an approvable annual performance report demonstrating that the Center meets the indicators of minimum compliance referenced in in § 1329.5.

(b) If an eligible agency administers more than one Part C grant, each of the Center grants must meet the requirements of paragraph (a) of this section to receive a continuation award.

(c) A designated State entity (DSE) that operated a Center in accordance with section 724(a) of the Act in fiscal year (FY) 2015 is eligible to continue receiving assistance under this part in FY 2016 or a succeeding fiscal year if, for the fiscal year for which assistance is sought—

(1) No nonprofit private agency submits and obtains approval of an acceptable application under section 722 or 723 of the Act to operate a Center for that fiscal year before a date specified by the Administrator; or

(2) After funding all applications so submitted and approved, the Administrator determines that funds remain available to provide that assistance.

(d) A Center operated by the DSE under section 724(a) of the Act must comply with paragraphs (a), (b), and (c) of this section to receive continuation funding, except for the requirement that the Center be a private nonprofit agency.

(e) A designated State entity that administered Part C funds and awarded grants directly to Centers within the State under section 723 of the Act in fiscal year (FY) 2015 is eligible to continue receiving assistance under section 723 in FY 2016 or a succeeding fiscal year if the Administrator determines that the amount of State funding earmarked by the State to support the general operation of Centers during the preceding fiscal year equaled or exceeded the amount of federal funds allotted to the State under section 721(c) of the Act for that fiscal year.

(f) A DSE may apply to administer Part C funds under section 723 in the time and in the manner that the Administrator may require, consistent with section 723(a)(1)(A) of the Act.

(g) Grants awarded by the DSE under section 723 of the Act are subject to the requirements of paragraphs (a) and (b) of this section and the order of priorities in section 723(e) of the Act, unless the DSE and the SILC jointly agree on another order of priorities.

§ 1329.22 Competitive awards to new Centers for Independent Living.

(a) Subject to the availability of funds and in accordance with the order of priorities in section 722(e) of the Act and the State Plan's design for the statewide network of Centers, an eligible agency may receive Part C funding as a new Center for Independent Living in a State, if the eligible agency:

(1) Submits to the Administrator an application at the time and manner required in the funding opportunity announcement (FOA) issued by the Administrator which contains the information and meets the selection criteria established by the Administrator in accordance with section 722(d) of the Act;

(2) Proposes to serve a geographic area that has been designated as a priority unserved or underserved in the State Plan for Independent Living and that is not served by an existing Part C-funded Center; and

(3) Is determined by the Administrator to be the most qualified applicant to serve the designated priority area consistent with the State plan setting forth the design of the State for establishing a statewide network of Centers for independent living.

(b) An existing Part C-funded Center may apply to serve the designated unserved or underserved areas if it proposes the establishment of a separate and complete Center (except that the governing board of the existing center may serve as the governing board of the new Center) at a different geographic location, consistent with the requirements in the FOA.

(c) An eligible agency located in a bordering, contiguous State may be eligible for a new CIL award if the Administrator determines, based on the submitted application, that the agency:

(1) Is the most qualified applicant meeting the requirements in paragraphs (a) and (b) of this section; and

(2) Has the expertise and resources necessary to serve individuals with significant disabilities who reside in the bordering, contiguous State, in accordance with the requirements of the Act and these regulations.

(d) If there are insufficient funds under the State's allotment to fund a new Center, the Administrator may—

§ 1329.23

(1) Use the excess funds in the State to assist existing Centers consistent with the State plan; or

(2) Reallot these funds in accordance with section 721(d) of the Act.

§ 1329.23 Compliance reviews.

(a) Centers receiving Part C funding shall be subject to periodic reviews, including on-site reviews, in accordance with sections 706(c), 722(g), and 723(g) of the Act and guidance set forth by the Administrator, to verify compliance with the standards and assurances in section 725(b) and (c) of the Act and the grant terms and conditions. The Administrator shall annually conduct reviews of at least 15 percent of the Centers.

(b) A copy of each review under this section shall be provided, in the case of section 723(g), by the director of the DSE to the Administrator and to the SILC, and in the case of section 722(g), by the Administrator to the SILC and the DSE.

§ 1329.24 Training and technical assistance to Centers for Independent Living.

The Administrator shall reserve between 1.8% and 2% of appropriated funds to provide training and technical assistance to Centers through grants, contracts or cooperative agreements, consistent with section 721(b) of the Act. The training and technical assistance funds shall be administered in accordance with section 721(b) of the Act.

(10) 45 CFR part 91—Nondiscrimination on the Basis of Age in Programs or Activities Receiving Federal Financial Assistance from HHS.

§ 1330.3 Definitions.

As used in this part:

(a) *Secretary* means the Secretary of the Department of Health and Human Services.

(b) *Administrator* means the Administrator of the Administration for Community Living.

(c) *Director* means the Director of the National Institute on Disability, Independent Living, and Rehabilitation Research.

(d) *Research* is classified on a continuum from basic to applied:

(1) *Basic research* is research in which the investigator is concerned primarily with gaining new knowledge or understanding of a subject without reference to any immediate application or utility.

(2) *Applied research* is research in which the investigator is primarily interested in developing new knowledge, information, or understanding which can be applied to a predetermined rehabilitation problem or need.

(e) *Development activities* use knowledge and understanding gained from research to create materials, devices, systems, or methods beneficial to the target population, including design and development of prototypes and processes.

(f) *Products* encompass models, methods, tools, applications, and devices, but are not necessarily limited to these types.

§ 1330.4 Stages of research.

For any Disability, Independent Living, and Rehabilitation Research Projects and Centers Program competition, the Department may require in the application materials for the competition that the applicant identify the stage(s) of research in which it will focus the work of its proposed project

§ 1330.5

or center. The four stages of research are:

(a) *Exploration and discovery* mean the stage of research that generates hypotheses or theories through new and refined analyses of data, producing observational findings and creating other sources of research-based information. This research stage may include identifying or describing the barriers to and facilitators of improved outcomes of individuals with disabilities, as well as identifying or describing existing practices, programs, or policies that are associated with important aspects of the lives of individuals with disabilities. Results achieved under this stage of research may inform the development of interventions or lead to evaluations of interventions or policies. The results of the exploration and discovery stage of research may also be used to inform decisions or priorities;

(b) *Intervention development* means the stage of research that focuses on generating and testing interventions that have the potential to improve outcomes for individuals with disabilities. Intervention development involves determining the active components of possible interventions, developing measures that would be required to illustrate outcomes, specifying target populations, conducting field tests, and assessing the feasibility of conducting a well-designed intervention study. Results from this stage of research may be used to inform the design of a study to test the efficacy of an intervention;

(c) *Intervention efficacy* means the stage of research during which a project evaluates and tests whether an intervention is feasible, practical, and has the potential to yield positive outcomes for individuals with disabilities. Efficacy research may assess the strength of the relationships between an intervention and outcomes, and may identify factors or individual characteristics that affect the relationship between the intervention and outcomes. Efficacy research can inform decisions about whether there is sufficient evidence to support “scaling-up” an intervention to other sites and contexts. This stage of research may include assessing the training needed for wide-scale implementation of the

45 CFR Ch. XIII (10–1–24 Edition)

intervention, and approaches to evaluation of the intervention in real-world applications; and

(d) *Scale-up evaluation* means the stage of research during which a project analyzes whether an intervention is effective in producing improved outcomes for individuals with disabilities when implemented in a real-world setting. During this stage of research, a project tests the outcomes of an evidence-based intervention in different settings. The project examines the challenges to successful replication of the intervention, and the circumstances and activities that contribute to successful adoption of the intervention in real-world settings. This stage of research may also include well-designed studies of an intervention that has been widely adopted in practice, but lacks a sufficient evidence base to demonstrate its effectiveness.

§ 1330.5 Stages of development.

For any Disability, Independent Living, and Rehabilitation Research Projects and Centers Program competition, the Department may require in the notice inviting applications for the competition that the applicant identify the stage(s) of development in which it will focus the work of its proposed project or center. The three stages of development are:

(a) *Proof of concept* means the stage of development where key technical challenges are resolved. Stage activities may include recruiting study participants, verifying product requirements; implementing and testing (typically in controlled contexts) key concepts, components, or systems, and resolving technical challenges. A technology transfer plan is typically developed and transfer partner(s) identified; and plan implementation may have started. Stage results establish that a product concept is feasible.

(b) *Proof of product* means the stage of development where a fully-integrated and working prototype, meeting critical technical requirements is created. Stage activities may include recruiting study participants, implementing and iteratively refining the prototype, testing the prototype in natural or less-controlled contexts, and

verifying that all technical requirements are met. A technology transfer plan is typically ongoing in collaboration with the transfer partner(s). Stage results establish that a product embodiment is realizable.

(c) *Proof of adoption* means the stage of development where a product is substantially adopted by its target population and used for its intended purpose. Stage activities typically include completing product refinements; and continued implementation of the technology transfer plan in collaboration with the transfer partner(s). Other activities include measuring users' awareness of the product, opinion of the product, decisions to adopt, use, and retain products; and identifying barriers and facilitators impacting product adoption. Stage results establish that a product is beneficial.

Subpart B—Requirements for Awardees

§ 1330.10 General requirements for awardees.

(a) In carrying out a research activity under this program, an awardee must:

(1) Identify one or more hypotheses or research questions;

(2) Based on the hypotheses or research question identified, perform an intensive systematic study in accordance with its approved application directed toward:

(i) New or full scientific knowledge; or

(ii) Understanding of the subject or problem being studied.

(b) In carrying out a development activity under this program, an awardee must create, using knowledge and understanding gained from research, models, methods, tools, systems, materials, devices, applications, or standards that are adopted by and beneficial to the target population. Development activities span one or more stages of development.

(c) In carrying out a training activity under this program, an awardee shall conduct a planned and systematic sequence of supervised instruction that is designed to impart predetermined skills and knowledge.

(d) In carrying out a demonstration activity under this program, an awardee shall apply results derived from previous research, testing, or practice to determine the effectiveness of a new strategy or approach.

(e) In carrying out a utilization activity under this program, a grantee must relate research findings to practical applications in planning, policy making, program administration, and delivery of services to individuals with disabilities.

(f) In carrying out a dissemination activity under this program, a grantee must systematically distribute information or knowledge through a variety of ways to potential users or beneficiaries.

(g) In carrying out a technical assistance activity under this program, a grantee must provide expertise or information for use in problem-solving.

§ 1330.11 Individuals with disabilities from minority backgrounds.

(a) If the director so indicates in the application materials or elsewhere, an applicant for assistance under this program must demonstrate in its application how it will address, in whole or in part, the needs of individuals with disabilities from minority backgrounds.

(b) The approaches an applicant may take to meet this requirement may include one or more of the following:

(1) Proposing project objectives addressing the needs of individuals with disabilities from minority backgrounds.

(2) Demonstrating that the project will address a problem that is of particular significance to individuals with disabilities from minority backgrounds.

(3) Demonstrating that individuals from minority backgrounds will be included in study samples in sufficient numbers to generate information pertinent to individuals with disabilities from minority backgrounds.

(4) Drawing study samples and program participant rosters from populations or areas that include individuals from minority backgrounds.

(5) Providing outreach to individuals with disabilities from minority backgrounds to ensure that they are aware

§ 1330.20

of rehabilitation services, clinical care, or training offered by the project.

(6) Disseminating materials to or otherwise increasing the access to disability information among minority populations.

Subpart C—Selection of Awardees

§ 1330.20 Peer review purpose.

The purpose of peer review is to insure that:

(a) Those activities supported by the National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR) are of the highest scientific, administrative, and technical quality; and

(b) Activity results may be widely applied to appropriate target populations and rehabilitation problems.

§ 1330.21 Peer review process.

(a) The Director refers each application for an award governed by these regulations in this part to a peer review panel established by the Director.

(b) Peer review panels review applications on the basis of the applicable selection criteria in § 1330.23.

§ 1330.22 Composition of peer review panel.

(a) The Director selects as members of a peer review panel scientists and other experts in disability, independent living, rehabilitation or related fields who are qualified, on the basis of training, knowledge, or experience, to give expert advice on the merit of the applications under review.

(b) The scientific peer review process shall be conducted by individuals who are not Department of Health and Human Services employees.

(c) In selecting members to serve on a peer review panel, the Director may take into account the following factors:

(1) The level of formal scientific or technical education completed by potential panel members.

(2) The extent to which potential panel members have engaged in scientific, technical, or administrative activities appropriate to the category of applications that the panel will consider; the roles of potential panel mem-

45 CFR Ch. XIII (10–1–24 Edition)

bers in those activities; and the quality of those activities.

(3) The recognition received by potential panel members as reflected by awards and other honors from scientific and professional agencies and organizations outside the Department.

(4) Whether the panel includes knowledgeable individuals with disabilities, or parents, family members, guardians, advocates, or authorized representatives of individuals with disabilities.

(5) Whether the panel includes individuals from diverse populations.

§ 1330.23 Evaluation process.

(a) The Director selects one or more of the selection criteria to evaluate an application:

(1) The Director establishes selection criteria based on statutory provisions that apply to the Program which may include, but are not limited to:

(i) Specific statutory selection criteria;

(ii) Allowable activities;

(iii) Application content requirements; or

(iv) Other pre-award and post-award conditions; or

(2) The Director may use a combination of selection criteria established under paragraph (a)(1) of this section and selection criteria from § 1330.24 to evaluate a competition.

(3) For Field-Initiated Projects, the Director does not consider § 1330.24(b) (Responsiveness to the Absolute or Competitive Priority) in evaluating an application.

(b) In considering selection criteria in § 1330.24, the Director selects one or more of the factors listed in the criteria, but always considers the factors in § 1330.24(n) regarding people with disabilities, and members of groups that have traditionally been underrepresented based on race, ethnicity, national origin, sex (including sexual orientation and gender identity), or age.

(c) The maximum possible score for an application is 100 points.

(d) In the application package or a notice published in the FEDERAL REGISTER, the Director informs applicants of:

(1) The selection criteria chosen and the maximum possible score for each of the selection criteria; and

1331.7 Administration.

AUTHORITY: 42 U.S.C. 1395b–4.

SOURCE: 81 FR 5918, Feb. 4, 2016, unless otherwise noted.

§ 1331.1 Basis, scope, and definition.

(a) *Basis.* This part implements, in part, the provisions of section 4360 of Public Law 101–508 by establishing a minimum level of funding for grants made to States for the purpose of providing information, counseling, and assistance relating to obtaining adequate and appropriate health insurance coverage to individuals eligible to receive benefits under the Medicare program.

(b) *Scope of part.* This part sets forth the following:

(1) Conditions of eligibility for the grant.

(2) Minimum levels of funding for those States qualifying for the grants.

(3) Reporting requirements.

(c) *Definition.* For purposes of this subpart, the term “State” includes (except where otherwise indicated by the context) the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the Virgin Islands, Guam, and American Samoa.

§ 1331.2 Eligibility for grants.

To be eligible for a grant under this subpart, the State must have an approved Medicare supplemental regulatory program under section 1882 of the Act and submit a timely application to ACL that meets the requirements of—

(a) Section 4360 of Public Law 101–508 (42 U.S.C. 1395b–4);

(b) This subpart; and

(c) The applicable solicitation for grant applications issued by ACL.

§ 1331.3 Availability of grants.

ACL awards grants to States subject to availability of funds, and if applicable, subject to the satisfactory progress

in the State's project during the preceding grant period. The criteria by which progress is evaluated and the performance standards for determining whether satisfactory progress has been made are specified in the terms and conditions included in the notice of grant award sent to each State. ACL advises each State as to when to make application, what to include in the application, and provides information as to the timing of the grant award and the duration of the grant award. ACL also provides an estimate of the amount of funds that may be available to the State.

§ 1331.4 Number and size of grants.

(a) *General.* For available grant funds, up to and including \$10,000,000, grants will be made to States according to the terms and formula in paragraphs (b) and (c) of this section. For any available grant funds in excess of \$10,000,000, distribution of grants will be at the discretion of ACL, and will be made according to criteria that ACL will communicate to the States via grant solicitation. ACL will provide information to each State as to what must be included in the application for grant funds. ACL awards the following type of grants:

- (1) New program grants.
- (2) Existing program enhancement grants.

(b) *Grant award.* Subject to the availability of funds, each eligible State that submits an acceptable application receives a grant that includes a fixed amount (minimum funding level) and a variable amount.

(1) A fixed portion is awarded to States in the following amounts:

- (i) Each of the 50 States, \$75,000.
- (ii) The District of Columbia, \$75,000.
- (iii) Puerto Rico, \$75,000.
- (iv) American Samoa, \$25,000.
- (v) Guam, \$25,000.
- (vi) The Virgin Islands, \$25,000.

(2) A variable portion which is based on the number and location of Medicare beneficiaries residing in the State is awarded to each State. The variable amount a particular State receives is determined as set forth in paragraph (c) of this section.

(c) *Calculation of variable portion of the grant.* (1) ACL bases the variable portion of the grant on—

(i) The amount of available funds, and

(ii) A comparison of each State with the average of all of the States (except the State being compared) with respect to three factors that relate to the size of the State's Medicare population and where that population resides.

(2) The factors ACL uses to compare States' Medicare populations comprise separate components of the variable amount. These factors, and the extent to which they each contribute to the variable amount, are as follows:

(i) Approximately 75 percent of the variable amount is based on the number of Medicare beneficiaries living in the State as a percentage of all Medicare beneficiaries nationwide.

(ii) Approximately 10 percent of the variable amount is based on the percentage of the State's total population who are Medicare beneficiaries.

(iii) Approximately 15 percent of the variable amount is based on the percentage of the State's Medicare beneficiaries that reside in rural areas ("rural areas" are defined as all areas not included within a metropolitan Statistical Area).

(3) Based on the foregoing four factors (that is, the amount of available funds and the three comparative factors), ACL determines a variable rate for each participating State for each grant period.

(d) *Submission of revised budget.* A State that receives an amount of grant funds under this subpart that differs from the amount requested in the budget submitted with its application must submit a revised budget to ACL, along with its acceptance of the grant award, which reflects the amount awarded.

§ 1331.5 Limitations.

(a) *Use of grants.* Except as specified in paragraph (b) of this section, and in the terms and conditions in the notice of grant award, a State that receives a grant under this subpart may use the grant for any reasonable expenses for planning, developing, implementing and/or operating the program for which the grant is made as described in the

§ 1331.6

solicitation for application for the grant.

(b) *Maintenance of effort.* A State that receives a grant to supplement an existing program (that is, an existing program enhancement grant)—

(1) Must not use the grant to supplant funds for activities that were conducted immediately preceding the date of the initial award of a grant made under this subpart and funded through other sources (including in-kind contributions).

(2) Must maintain the activities of the program at least at the level that those activities were conducted immediately preceding the initial award of a grant made under this subpart.

§ 1331.6 Reporting requirements.

A State that receives a grant under this subpart must submit at least one annual report to ACL and any additional reports as ACL may prescribe in the notice of grant award. ACL advises the State of the requirements concerning the frequency, timing, and contents of reports in the notice of grant award that it sends to the State.

45 CFR Ch. XIII (10–1–24 Edition)

§ 1331.7 Administration.

(a) *General.* Administration of grants will be in accordance with the provisions of this subpart, 45 CFR part 75 (“Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments”), the terms of the solicitation, and the terms of the notice of grant award. Except for the minimum funding levels established by § 1331.4(b)(1), in the event of conflict between a provision of the notice of grant award, any provision of the solicitation, or of any regulation enumerated in 45 CFR part 75, the terms of the notice of grant award control.

(b) *Notice.* ACL provides notice to each applicant regarding ACL’s decision on an application for grant funding under § 1331.4.

(c) *Appeal.* Any applicant for a grant under this subpart has the right to appeal ACL’s determination regarding its application. Appeal procedures are governed by the regulations at 45 CFR part 16 (Procedures of the Departmental Grant Appeals Board).

The term also includes any person who is regarded as an Alaskan Native by the Alaskan Native Village or group of which he or she claims to be a member and whose father or mother is (or, if deceased, was) regarded as an Alaskan Native by an Alaskan Native Village or group. The term includes any Alaskan Native as so defined, either or both of whose adoptive parents are not Alaskan Natives.

American Indian or Indian means any individual who is a member or a descendant of a member of a North American tribe, band, Pueblo or other organized group of native people who are indigenous to the Continental United States, or who otherwise have a special relationship with the United States or a State through treaty, agreement, or some other form of recognition. This includes any individual who claims to be an Indian and who is regarded as such by the Indian tribe, group, band, or community of which he or she claims to be a member.

ANA means the Administration for Native Americans within the Office of Human Development Services.

Applicant means an organization which has applied for financial assistance from ANA.

§ 1336.20

Budget period means the interval of time into which a project period is divided for budgetary and funding purposes, and for which a grant is made. A budget period usually lasts one year in a multi-year project period.

Economic and social self-sufficiency means the ability of Native Americans to define and achieve their own economic and social goals.

Indian tribe means a distinct political community of Indians which exercises powers of self-government.

Native American means American Indian, Indian, Native Hawaiian, and Alaskan Native, as defined in the Act, or in this section.

Project period means, for discretionary grants and cooperative agreements, the total time for which the recipient's project or program is approved for support, including any extension, subject to the availability of funds, satisfactory progress, and a determination by HHS that continued funding is in the best interest of the Government.

Recipient means an organization which has applied for financial assistance, and to which financial assistance is awarded under this Act. The term includes grantees and recipients of cooperative agreements.

Subpart B—Purpose of the Native American Programs

§ 1336.20 Program purpose.

The purpose of the Native American Programs authorized by the Native American Programs Act of 1974 is to promote the goal of economic and social self-sufficiency for Native Americans.

Subpart C—Native American Projects

(a) Each applicant for financial assistance under section 803 of the Act must submit a work plan that falls within the statutory requirements of the Act and meets the criteria of program announcements published by ANA in the FEDERAL REGISTER. If the proposed project extends beyond one year, a work plan must be submitted for the period of time specified by the Commissioner in the Program Announcement. ANA will determine whether to approve all, part, or none of the requested work plan. Proposed changes to the approved work plan must receive the written approval of ANA prior to implementation by the recipient.

(b) ANA will negotiate the approved project goals, objectives, work plan, and the funding level for each budget period with each recipient.

(c) The evaluation for the purpose of making an approval decision on each proposed work plan will take into account the proposal's conformance with ANA program purposes and the recipient's past performance and accomplishments.

(d) Financial assistance awarded under section 803 may be renewed by ANA to grantees based on acceptable work plans and past performance.

(Approved by the Office of Management and Budget under control number 0980–0016)

Generally, financial assistance will be made available for a one-year budget period and subsequent non-competing continuation awards with the same project period will also be for one year. Subpart D—Evaluation

§ 1336.40 General.

Sufficient information means information adequate to enable ANA to compare the recipient's accomplishments with the goals and activities of the approved work plan and with ANA project evaluation criteria.

(Approved by the Office of Management and Budget under control numbers 0980-0155 and 0980-0144)

Subpart E—Financial Assistance Provisions

§ 1336.50 Financial and administrative requirements.

(a) *General.* The following HHS regulations apply to all grants awarded under this part:

45 CFR Part 16 Department grant appeals process.

45 CFR Part 46 Protection of human subjects.

45 CFR part 75—Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards

45 CFR Part 80 Nondiscrimination under programs receiving Federal assistance through the Department of Health and Human Services—Effectuation of title VI of the Civil Rights Act of 1964.

45 CFR Part 81 Practice and procedure for hearing under part 80.

45 CFR Part 84 Nondiscrimination on the basis of handicap in federally assisted programs.

§ 1336.50

45 CFR Part 86 Nondiscrimination on the basis of sex in education programs and activities receiving or benefiting from Federal financial assistance.

45 CFR Part 91 Nondiscrimination on the basis of age in programs or activities receiving Federal financial assistance from HHS.

(b) *Cost sharing or matching*—(1) *Policy*. Recipients of financial assistance under sections 803, 804, and 805 of the Act are required to provide a matching share of 20 percent of the approved cost of the assisted project.

This requirement may be waived in accordance with the criteria in § 1336.50(b)(3). The matching share requirement may be met using either cash or in-kind contributions.

(2) *Application*. If an applicant or recipient wishes to request a waiver of the requirement for a 20 percent non-Federal matching share, the following conditions must be met:

(i) If an applicant for an initial award or an applicant for a non-competing continuation award anticipates that it will be unable to meet the cost-sharing or matching requirement, the applicant may request a waiver of the 20 percent non-Federal matching share. It must include with its application for funding, the submission of a revised SF424A, a written justification that clearly explains why the applicant cannot provide the matching share including the amount of non-Federal share to be waived, and how it meets the criteria indicated in paragraph (b)(3) of this section. For an applicant for an initial award, or an applicant seeking a non-competing continuation award, a request for a waiver must be submitted at the time of the initial application or non-competing continuation (NCC) application.

(ii) If a recipient is unable to contribute part or all of the required non-Federal matching share during a budget period due to an emergency situation such as a natural disaster, man-made disaster, act of terrorism, public health emergency, or other qualifying event, the recipient may request a waiver of all or part of the requirement for a 20 percent non-Federal matching share specified under paragraph (b)(1) of this section. Any requests for an

45 CFR Ch. XIII (10–1–24 Edition)

emergency waiver may be submitted at any time during a budget period as soon as the adverse effect is known to the recipient and must be submitted in accordance with the requirements specified in paragraph (b)(3) of this section.

(3) *Criteria*. Both of the following criteria must be met for an applicant or recipient to be eligible for a waiver of the non-Federal matching requirement:

(i) Applicant or recipient lacks the available resources to meet part or all of the non-Federal matching requirement. This must be documented by an institutional audit if available, or a full disclosure of applicant's or recipient's total assets and liabilities.

(ii) Applicants or recipients can document that reasonable efforts to obtain cash or in-kind contributions for the purposes of the project from third parties have been unsuccessful, including evidence and the results of such attempts. Evidence of such efforts can include letters from possible sources of funding or any relevant correspondence, indicating that the requested resources are not available for that project. The requests must be appropriate to the source in terms of project purpose, applicant eligibility, and reasonableness of the request.

(4) *Approval*. For a waiver to be approved, ANA must determine that it will not prevent the award of other grants at levels it believes are desirable for the purposes of the program. Waiver of all or part of the non-Federal share shall apply only to the budget period for which application was made.

(c) *Maintenance of effort*. (1) Applications for financial assistance under this Part must include either a statement of compliance with the maintenance of effort requirement contained in section 803(c) of the Act, or a request for a waiver, in accordance with criteria established in this paragraph.

(2) To be eligible for a waiver of the maintenance of effort requirement, the applicant must demonstrate to ANA that the organization whose funds previously supported the project discontinued its support:

(i) As a result of funding limitations; and

(ii) Not as a result of an adverse evaluation of the project's purpose or the manner in which it was conducted; and

(iii) Not because it was anticipated that Federal funds would replace the original source of project funding.

(3) In addition, the applicant must demonstrate in the request for a waiver that the maintenance of effort requirement would result in insurmountable hardship for the recipient or would otherwise be inconsistent with the purposes of this part.

(d) *Delegation of project operations.* (1) Each subgrant awarded to a delegate agency must have specific prior approval by ANA. Such delegation must be formalized by written agreement.

(2) The agreement must specify the activities to be performed by the delegate agency, the time schedule, the policies and procedures to be followed, the dollar limitations, and the costs allowed. The applicant must submit a budget for each delegate agency as part of its application.

(e) *Unallowable costs.* ANA funds may not be used by recipients to purchase real property.

(f) *Office of the Chief Executive.* The costs of salaries and expenses of the Office of Chief Executive of a federally recognized Indian tribal government (as defined in § 75.2 of this title) are allowable, provided that such costs exclude any portion of salaries and expenses of the Office of Chief Executive that are a cost of general government and provided they are related to a project assisted under this part.

[48 FR 55821, Dec. 15, 1983, as amended at 81 FR 3022, Jan. 20, 2016; 88 FR 12226, Feb. 27, 2023]

§ 1336.51 Project period.

The Notice of Financial Assistance Awarded will specify the period for which support is intended, although the Department makes funding commitments only for one budget period at a time. Financial assistance under section 803 of the Act may be ongoing, subject to policy decisions and funding limitations.

§ 1336.52 Appeals.

(a) *Right to appeal.* Recipients whose financial assistance has been suspended

or terminated, or whose non-competing continuation applications for refunding have been denied, may appeal such decisions using the procedures described in this section. Denial of an application for refunding means the refusal to fund a non-competing continuation application for a budget period within a previously approved project period.

(b) *Suspension, termination, and denial of funding.* Procedures for and definitions of suspension and termination of financial assistance are published in 45 CFR 75.371 through 75.380. Appeals from a denial of refunding will be treated the same procedurally as appeals to termination of financial assistance. The term "denial of refunding" does not include policy decisions to eliminate one or more activities of an approved project. A decision not to fund an application at the end of the recipients's project period is not a "denial of refunding" and is not subject to appeal.

(c) *Hearings.* (1) A recipient shall be given an initial written notice at least thirty (30) days prior to the suspension or termination of financial assistance except in emergency situations, which occur when Federal property is in imminent danger of dissipation, or when life, health, or safety is endangered. During this period of time, the recipient has the opportunity to show cause to ANA why such action should not be taken.

(2) A recipient who has received final written notice of termination or denial of refunding, or whose financial assistance will be suspended for more than 30 days, or who has other appealable disputes with ANA as provided by 45 CFR part 16 may request review by the Departmental Grant Appeals Board under the provisions of 45 CFR part 16.

(3) If a recipient appeals a suspension of more than 30 days which subsequently results in termination of financial assistance, both actions may be considered simultaneously by the Departmental Grant Appeals Board.

(e) *Loan closing process*. The guidelines for the loan closing process include the finalization of loan terms; conditions and covenants; the exercise of reasonable and proper care to ensure adherence of the proposed loan and borrower's operations to legal requirements; and the assurance that any requirement for outside financing or other actions on which disbursement is contingent are met by the borrower.

§ 1336.67 Security and collateral: Responsibilities of the Loan Administrator.

The Loan Administrator may require any applicant for a loan from the RLF to provide such collateral as the Loan Administrator determines to be necessary to secure the loan. (Section 803A(b)(3))

(a) *As a Credit Factor*. The availability of collateral security normally is considered an important factor in making loans. The types and amount of collateral security required should be governed by the relative strengths and weaknesses of other credit factors. The taking of collateral as security should be considered with respect to each loan. Collateral security should be sufficient to provide the lender reasonable protection from loss in the case of adversity, but such security or lack thereof should not be used as the primary basis for deciding whether to extend credit.

(b) *Security Interests*. Security interests which may be taken by the lender include, but are not limited to, liens on real or personal property, including leasehold interests; assignments of income and accounts receivable; and liens on inventory or proceeds of inventory sales as well as marketable securities and cash collateral accounts.

(1) *Motor vehicles*. Liens ordinarily should be taken on licensed motor ve-

hicles, boats or aircraft purchased hereunder in order to be able to transfer title easily should the lender need to declare a default or repossess the property.

(2) *Insurance on property secured*. Hazard insurance up to the amount of the loan or the replacement value of the property secured (whichever is less) must be taken naming the lender as beneficiary. Such insurance includes fire and extended coverage, public liability, property damage, and other appropriate types of hazard insurance.

(3) *Appraisals*. Real property serving as collateral security must be appraised by a qualified appraiser. For all other types of property, a valuation shall be made using any recognized, standard technique (including standard reference manuals), and this valuation shall be described in the loan file.

(c) *Additional security*. The lender may require collateral security or additional security at any time during the term of the loan if after review and monitoring an assessment indicates the need for such security.

§ 1336.68 Defaults, uncollectible loans, liquidations: Responsibilities of the Loan Administrator.

(a) Prior to making loans from the RLF, the Loan Administrator will develop and obtain the Commissioner's approval for written procedures and definitions pertaining to defaults and collections of payments. (section 803A(b)(4))

(b) The Loan Administrator will provide a copy of such procedures and definitions to each applicant for a loan at the time the application is made. (section 803A(b)(4))

(c) The Loan Administrator will report to the Commissioner whenever a loan recipient is 90 days in arrears in the repayment of principal or interest or has failed to comply with the terms of the loan agreement. After making reasonable efforts to collect amounts payable, as specified in the written procedures, the Loan Administrator shall notify the Commissioner whenever a loan is uncollectible at reasonable cost. The notice shall include recommendations for future action to be taken by the Loan Administrator. (section 803A(c)(1) and (2))

§ 1336.69

45 CFR Ch. XIII (10–1–24 Edition)

(d) Upon receiving such notices, the Commissioner will, as appropriate, instruct the Loan Administrator:

(1) To demand the immediate and full repayment of the loan;

(2) To continue with its collection activities;

(3) To cancel, adjust, compromise, or reduce the amount of such loan;

(4) To modify any term or condition of such loan, including any term or condition relating to the rate of interest or the time of payment of any installment of principal or interest, or portion thereof, that is payable under such loan;

Risk and protective factors mean those factors that are measurable characteristics of a youth that can occur at multiple levels, including biological, psychological, family, community, and cultural levels, that precede and are associated with an outcome. § 1351.10

separate residential units where client supervision is provided on site or on call 24 hours a day.

The 21 day restriction is on the use of RHY funds through the Basic Center Program, not a restriction on the length of stay permitted by the facility.

Subpart B—Runaway and Homeless Youth Program Grants

§ 1351.10 What is the purpose of Runaway and Homeless Youth Program grants?

(a) The purpose of Runaway and Homeless Youth Program grants is to establish or strengthen community-based projects to provide runaway prevention, outreach, shelter, and transition services to runaway, homeless, or street youth or youth at risk of running away or becoming homeless.

(b) Youth who have become homeless or who leave and remain away from home without parental permission are disproportionately subject to serious health, behavioral, and emotional problems. They lack sufficient resources to obtain care and may live on the street for extended periods, unable to achieve stable, safe living arrangements that at times put them in danger. Many are urgently in need of shelter, which, depending on the type of Runaway and Homeless Youth project, can include host family homes, drop-in centers, congregate care, or supervised apartments, and services, including services that are linguistically appropriate, responsive to their complex social identities (*i.e.*, race, ethnicity, nationality, religion/spirituality, gender identity/expression, sexual orientation, socioeconomic status, physical ability, language, beliefs, values, behavior patterns, or customs), and acknowledge the environment they come from. Run-

45 CFR Ch. XIII (10–1–24 Edition)

away and Homeless Youth grant services should have a positive youth development approach that ensures a young person has a sense of safety and structure; belonging and membership; self-worth and social contribution; independence and control over one's life; skills to develop plans for the future and set goals; and closeness in interpersonal relationships. To make a successful transition to adulthood, runaway youth, homeless youth, and street youth also need opportunities to complete high school or earn a general equivalency degree, learn job skills, and obtain employment. HHS operates three programs to carry out these purposes through direct local services: The Basic Center Program; the Transitional Living Program (including Maternity Group Homes); and the Street Outreach Program. HHS operates three additional activities to support achievement of these purposes: Research, evaluation, and service projects; a national communications system to assist runaway and homeless youth in communicating with service providers; and technical assistance and training.

[81 FR 93060, Dec. 20, 2016]

(e) In selecting grants for research, evaluation, demonstration and service projects, the Secretary shall give priority to proposed projects outlined in section 343(b) and (c) of the Act.

(f) The Secretary shall integrate the performance standards outlined in §§1351.30, 1351.31, or 1351.32 into the grantmaking, monitoring, and evaluation processes of the Basic Center Program, Transitional Living Program, and Street Outreach Program. Specific details about how performance standards will be considered, along with examples of performance documentation, will be provided in the annual funding opportunity announcements.

[81 FR 93060, Dec. 20, 2016]

§ 1351.13 What are the Federal and non-Federal match requirements under a Runaway and Homeless Youth Program grant?

The federal share of the project represents 90 percent of the total project

cost supported by the federal government. The remaining 10 percent represents the required project match cost by the grantee. This may be a cash or in-kind contribution.

[81 FR 93060, Dec. 20, 2016]

§ 1351.14 What is the period for which a grant will be awarded?

(a) The initial notice of grant award specifies how long HHS intends to support the project without requiring the project to recompete for funds. This period, called the project period, will not exceed five years.

(b) Generally the grant will initially be for one year. A grantee must submit a separate application to have the support continued for each subsequent year. Continuation awards within the project period will be made provided the grantee has made satisfactory progress, funds are available, and HHS determines that continued funding is in the best interest of the Government.

[43 FR 55635, Nov. 28, 1978, as amended at 65 FR 50141, Aug. 17, 2000]

§ 1351.16

and preparation and publication of materials in support of the purposes of such grants.

[81 FR 93060, Dec. 20, 2016]

§ 1351.16 What costs are not allowable under a Runaway and Homeless Youth Program grant?

(a) A Runaway and Homeless Youth Program grant does not cover the capital costs of constructing new facilities, or operating costs of existing community centers or other facilities that are used partially or incidentally for services to runaway or homeless youth clients, except to the extent justified by application of cost allocation methods accepted by HHS as reasonable and appropriate.

(b) A Runaway and Homeless Youth Program grant does not cover any treatment or referral to treatment that aims to change someone's sexual orientation, gender identity or gender expression.

[81 FR 93061, Dec. 20, 2016]

§ 1351.17 How is application made for a Runaway and Homeless Youth Program grant?

An applicant should follow instructions included in funding opportunity announcements, which describe procedures for receipt and review of applications.

[81 FR 93061, Dec. 20, 2016]

§ 1351.18 What criteria has HHS established for deciding which Runaway and Homeless Youth Program grant applications to fund?

In reviewing applications for a Runaway and Homeless Youth Program grant, HHS takes into consideration a number of factors, including, but not limited to:

isting services for such youth in that area;

(c) For runaway and homeless youth centers, whether there is a minimum residential capacity of four (4) and a maximum residential capacity of twenty (20) youth in a single structure (except where the applicant assures that the state where the center or locally controlled facility is located has a state or local law or regulation that requires a higher maximum to comply with licensure requirements for child and youth serving facilities), or within a single floor of a structure in the case of apartment buildings, with a number of staff sufficient to assure adequate supervision and treatment for the number of clients to be served and the guidelines followed for determining the appropriate staff ratio;

(d) Plans for meeting the best interests of the youth involving, when reasonably possible, both the youth and the family. For Basic Center grantee applicants, the grantee shall develop adequate plans for contacting the parents or other relatives of the youth and ensuring the safe return of the youth according to the best interests of the youth, for contacting local government officials pursuant to informal arrangements established with such officials by the runaway and homeless youth center, and for providing for other appropriate alternative living arrangements;

(e) Plans for the delivery of aftercare or counseling services to runaway or otherwise homeless youth and their families;

(f) Whether the estimated cost to HHS for the Runaway and Homeless Youth project is reasonable considering the anticipated results;

(g) Whether the proposed personnel are well qualified and the applicant agency has adequate facilities and resources;

(h) Past performance on a RHY grant, including but not limited to program performance standards;

(i) Whether the proposed project design, if well executed, is capable of attaining program objectives;

(j) The consistency of the grant application with the provisions of the Act and these regulations; and

§ 1351.21 What confidentiality requirements apply to these programs?

Several program policies regarding confidentiality of information, treatment, conflict of interest and state protection apply to recipients of Runaway and Homeless Youth Program grants. These include:

(a) Confidential information. Pursuant to the Act, no records containing the identity of individual youth, including but not limited to lists of names, addresses, photographs, or records of evaluation of individuals served by a Runaway and Homeless Youth project, may be disclosed or transferred to any individual or to any public or private agency except:

(1) For Basic Center Program grants, records maintained on individual runaway and homeless youth shall not be disclosed without the informed consent of the individual youth and parent or legal guardian to anyone other than another agency compiling statistical records or a government agency involved in the disposition of criminal charges against an individual runaway and homeless youth;

(2) For Transitional Living Programs, records maintained on individual homeless youth shall not be disclosed without the informed consent of the individual youth to anyone other than an agency compiling statistical records;

(3) Research, evaluation, and statistical reports funded by grants provided under section 343 of the Act are allowed to be based on individual data, but only if such data are de-identified in ways that preclude disclosing information on identifiable individuals; and

(4) Youth served by a Runaway and Homeless Youth project shall have the right to review their records; to correct a record or file a statement of disagreement; and to be apprised of the individuals who have reviewed their records.

(b) State law protection. HHS policies regarding confidential information and experimentation and treatment shall not apply if HHS finds that state law is more protective of the rights of runaway or otherwise homeless youth.

(c) Procedures shall be established for the training of project staff in the protection of these rights and for the secure storage of records.

§ 1351.22

§ 1351.22 What additional requirements apply to these programs?

(a) *Non-discriminatory and culturally and linguistically sensitive services and training.* Service delivery and staff training must comprehensively address the individual strengths and needs of youth as well as be language appropriate, gender appropriate (interventions that are sensitive to the diverse experiences of male, female, and transgender youth and consistent with the gender identity of participating youth), and culturally sensitive and respectful of the complex social identities of youth (*i.e.*, race, ethnicity, nationality, age, religion/spirituality, gender identity/expression, sexual orientation, socioeconomic status, physical or cognitive ability, language, beliefs, values, behavior patterns, or customs). No runaway youth or homeless youth shall, on any of the foregoing bases, be excluded from participation in, be denied the benefits of, or be subject to discrimination under, any program or activity funded in whole or in part under the Runaway and Homeless Youth Act.

(1) The criteria that grantees adopt to determine eligibility for the program, or any activity or service, may include an assessment of the needs of each applicant, and the health and safety of other beneficiaries, among other factors.

(2) [Reserved]

(b) *Medical, psychiatric or psychological treatment.* No youth shall be subject to medical, psychiatric, or psychological treatment without the consent of the youth and, for youth under the age of emancipation in their state of residence, consent of a parent or guardian, if required by state law.

(c) *Conflict of interest.* Employees or individuals participating in a program or project under the Act shall not use their positions for a purpose that is, or gives the appearance of being, motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business or other ties.

45 CFR Ch. XIII (10–1–24 Edition)

§ 1351.23 What are the additional requirements that apply to the Basic Center, Transitional Living and Street Outreach Program grants?

To improve the administration of these Runaway and Homeless Youth Programs by increasing the capacity of Runaway and Homeless Youth projects to deliver services, by improving their performance in delivering services, and by providing for the evaluation of performance:

(a) Grantees shall participate in technical assistance, monitoring, and short-term training as a condition of funding, as determined necessary by HHS, in such areas as: Aftercare services and counseling; background checks; core competencies of youth workers; core support services; crisis intervention techniques; culturally and linguistically sensitive services; participation in or development of coordinated networks of private nonprofit agencies and/or public agencies to provide services; ethics and staff safety; fiscal management; low cost community alternatives for runaway or otherwise homeless youth; positive youth development; program management; risk and protective factors related to youth homelessness; screening and assessment practices; shelter facility staff development; special populations (tribal youth; lesbian, gay, bisexual, transgender, questioning (LGBTQ), and intersex youth; youth with disabilities; youth victims of trafficking, sexual exploitation or sexual abuse); trauma and the effects of trauma on youth; use of evidence-based and evidence-informed interventions; and youth and family counseling. It is not a requirement that every staff person receives training in every subject but all staff members who work directly with youth should receive training sufficient to meet the stated core-competencies of youth workers.

(b) Grantees shall coordinate their activities with the 24-hour National toll-free and Internet communication system, which links Runaway and Homeless Youth projects and other service providers with runaway or otherwise homeless youth, as appropriate to the specific activities provided by the grantee.

(c) Grantees shall submit statistical reports profiling the clients served and providing management and performance information in accordance with guidance provided by HHS.

(d) Grantees shall perform outreach to locate runaway and homeless youth and to coordinate activities with other organizations serving the same or similar client populations, such as child welfare agencies, juvenile justice systems, schools, and Continuums of Care, as defined by HUD.

(e) Grantees shall develop and implement a plan for addressing youth who have run away from foster care placement or correctional institutions, in accordance with federal, state, or local laws or regulations that apply to these situations. In accordance with section 312(b)(4) of the Act, Basic Center grantees must also develop a plan that ensures the return of runaway and homeless youth who have run away from the correctional institution back to the correctional institution.

(f) Grantees shall take steps to ensure that youth who are or should be under the legal jurisdiction of the juvenile justice or child welfare systems obtain and receive services from those systems until such time as they are released from the jurisdiction of those systems.

(g) Grantees shall develop and document plans that address steps to be taken in case of a local or national situation that poses risk to the health and safety of staff and youth. Emergency preparedness plans should, at a minimum, include routine preventative maintenance of facilities as well as preparedness, response, and recovery efforts. The plan should contain strategies for addressing evacuation, security, food, medical supplies, and notification of youths' families, as appropriate. In the event of an evacuation due to specific facility issues, such as a fire, loss of utilities, or mandatory evacuation by the local authorities, an alternative location needs to be designated and included in the plan. Grantees must immediately provide notification to their project officer and grants officer when evacuation plans are executed.

(h) Grantees shall ensure that all shelters that they operate are licensed

and determine that any shelters to which they regularly refer clients have evidence of current licensure, in states or localities with licensure requirements. Grantees shall promptly report to HHS instances in which shelters are cited for failure to meet licensure or related requirements, or lose licensure. For grantee-operated facilities, failure to meet any applicable state or local legal requirements as a condition of operation may be grounds for grant termination.

(i) Grantees shall utilize and integrate into the operation of their projects the principles of positive youth development, including healthy messages, safe and structured places, adult role models, skill development, and opportunities to serve others.

(j) No later than October 1, 2017, grantees shall have a plan, procedures, and standards for ensuring background checks on all employees, contractors, volunteers, and consultants who have regular and unsupervised private contact with youth served by the grantee, and on all adults who reside in or operate host homes. The plans, procedures, and standards must identify the background check findings that would disqualify an applicant from consideration for employment to provide services for which assistance is made available in accordance with this part.

(1) Required background checks include:

(i) State or tribal criminal history records, including fingerprint checks;

(ii) Federal Bureau of Investigation criminal history records, including fingerprint checks, to the extent FSYB determines this to be practicable and specifies the requirement in a Funding Opportunity Announcement that is applicable to a grantee's award;

(iii) Child abuse and neglect state registry check, to the extent FSYB determines this to be practicable and specifies the requirement in a Funding Opportunity Announcement that is applicable to a grantee's award;

(iv) Sex offender registry check; and,

(v) Any other checks required under state or tribal law.

(2) Programs must document the justification for any hire where an arrest, pending criminal charge or conviction, is present.

§ 1351.24

(k) Grantees shall provide such other services and meet such additional requirements as HHS determines are necessary to carry out the purposes of the statute, as appropriate to the services and activities for which they are funded. These services and requirements are articulated in the funding opportunity announcements and other instructions issued by the Secretary or secretarial designees. This includes operational instructions and standards of execution determined by the Secretary or secretarial designees to be necessary to properly perform or document meeting the requirements applicable to particular programs or projects.

§ 1351.24 What are the additional requirements that the Basic Center Program grantees must meet?

(a) Grantees shall have an intake procedure that is available 24 hours a day and 7 days a week to all youth seeking services and temporary shelter that addresses and responds to immediate needs for crisis counseling, food, clothing, shelter, and health care services.

(b) Grantees shall provide, either directly or through arrangements, access to temporary shelter 24 hours a day and 7 days a week.

(c) Grantees shall provide trauma-informed case management, counseling and referral services that meet client needs and that encourage, when in the best interests of the youth particularly with regard to safety, the involvement of parents or legal guardians.

(d) Grantees shall provide additional core support services to clients both residentially and non-residentially as appropriate. The core services must include case planning, skill building, recreation and leisure activities.

(e) Grantees shall, as soon as feasible and no later than 72 hours of the youth entering the program, contact the parents, legal guardians or other relatives of each youth according to the best interests of the youth. If a grantee determines that it is not in the best interest of the client to contact the parents, legal guardian or other relatives of the client, or if the grantee is unable to locate, or the youth refuses to disclose the contact information of, the parent,

45 CFR Ch. XIII (10–1–24 Edition)

legal guardian or other relative of the client, they must:

(1) Inform another adult identified by the child;

(2) Document why it is not in the client's best interest to contact the parent, legal guardian or other relative, or why they are not able to contact the parent, legal guardian or other relative; and

(3) Send a copy of the documentation to the regional program specialist for review.

(f) Additional requirements included in the funding opportunity announcement.

§ 1351.25 What are the additional requirements that the Transitional Living Program and Maternity Group Home grantees must meet?

(a) Grantees shall provide transitional living arrangements and additional core services including case planning/management, counseling, skill building, consumer education, referral to needed social and health care services, and education, recreation and leisure activities, aftercare and, as appropriate to grantees providing maternity-related services, parenting skills, child care, and child nutrition.

(b) Additional requirements included in the funding opportunity announcement.

§ 1351.26 What are the additional requirements that both the Basic Center and Transitional Living Program grantees must meet?

(a) Basic Center and Transitional Living grantees shall develop and implement an aftercare plan, covering at least 3 months, to stay in contact with youth who leave the program in order to ensure their ongoing safety and access to services. A youth's individual aftercare plan shall outline what services were and will be provided as well as the youth's housing status during and after the program. The plan shall be provided to the youth in exit counseling or before. Follow-up efforts shall be made for all youth. For those contacted after 3 months, the plan shall be updated to record the rate of participation and completion of the services in the plan at 3 months after exiting the program. In accordance with section 312(b)(5) of the Act, as possible, Basic

Center grantees shall also provide a plan for providing counseling and aftercare services to youth who are returned beyond the state in which the runaway and homeless youth service is located.

(b) Basic Center and Transitional Living grantees shall develop and implement a plan for health care services referrals for youth during the service and aftercare periods. Such referral plans shall include health care services and referrals and counseling on insurance coverage through family health insurance plans, or to agencies that assist in enrolling persons in Medicaid or in insurance plans offered under Affordable Care Act exchanges.

(c) Basic Center and Transitional Living grantees shall develop and implement a plan to assist youth to stay connected with their schools or to obtain appropriate educational services, training, or employment services. This includes coordination with McKinney-Vento school district liaisons, designated under the McKinney-Vento Homeless Assistance Act, to assure that runaway and homeless youth are provided information about the services available under that Act. This also includes coordination with local employment and employment training coordinating agencies or programs, coordination with local college placement services, and providing access to the Free Application for Federal Student Aid (FAFSA) application.

§ 1351.27 What are the additional requirements that the Street Outreach Program grantees must meet?

(a) Grantees shall provide services that are designed to assist clients in leaving the streets, making healthy choices, and building trusting relationships in areas where targeted youth congregate.

(b) Grantees shall directly or by referral provide treatment, counseling, prevention, and education services to clients as well as referral for emergency shelter.

(c) Additional requirements included in the funding opportunity announcement.

Subpart D—What are the Runaway and Homeless Youth Program-Specific Performance Standards?

SOURCE: 81 FR 93064, Dec. 20, 2016, unless otherwise noted.

§ 1351.30 What performance standards must Basic Center Program grantees meet?

(a)(1) Grantees shall consistently enhance outcomes for youth in the following four core areas:

- (i) Social and Emotional Well-being;
- (ii) Permanent Connections;
- (iii) Education or Employment; and
- (iv) Stable Housing.

(2) Each grantee shall report data related to these outcomes, using existing data collection processes found under PRA OMB Control Numbers 0970-0406 and 0970-0123, and their successors.

(b) Grantees shall ensure that youth receive counseling services that are trauma informed and match the individual needs of each client. Data shall be reported by each grantee on the type of counseling each youth received (individual, family and/or group counseling), the participation rate based on a youth's service plan or treatment plan, and the completion rate based on a youth's service plan or treatment plan, where applicable.

(c) Grantees that choose to provide street-based services, home-based services, drug and/or alcohol abuse education and prevention services, and/or testing for sexually transmitted diseases (at the request of the youth) shall ensure youth receive the appropriate services. Data shall be reported on the completion rate for each service provided based on the youth's service or treatment plan.

(d) Grantees shall ensure that youth have safe and appropriate exits when leaving the program. Each grantee shall report data on the type of exit experienced by each young person departing a Basic Center Program.

§ 1351.31

§ 1351.31 What performance standards must Transitional Living Program grantees, including Maternity Group Homes, meet?

(a)(1) Grantees shall consistently enhance outcomes for youth in the following four core areas:

- (i) Social and Emotional Well-being;
- (ii) Permanent Connections;
- (iii) Education or Employment; and
- (iv) Stable Housing.

(2) Each grantee shall report data related to these outcomes, using existing data collection and reporting processes, in accordance with the Paperwork Reduction Act and the Office of Management and Budget Control Numbers 0970-0406 and 0970-0123, and their successors.

(b) Grantees shall ensure youth are engaged in educational advancement, job attainment skills or work activities while in the program. Each grantee shall report data on the type of education or job-related activities that each youth is engaged in.

(c) Grantees shall ensure and report that youth receive health care referrals, including both services and insurance, as determined within their health care referral plan.

45 CFR Ch. XIII (10-1-24 Edition)

(d) Maternity Group Home Grantees shall ensure and report that youth receive consistent pre-natal care, well-baby exams, and immunizations for the infant while in the program.

(e) Grantees shall ensure that youth have safe and appropriate exits when leaving the program. Each grantee shall report data on the type of exit experienced by each young person departing a Transitional Living Program.

§ 1351.32 What performance standards must Street Outreach Program grantees meet?

Grantees shall contact youth who are or who are at risk of homeless or runaway status on the streets in numbers that are reasonably attainable for the staff size of the project. Grantees with larger staff will be expected to contact larger numbers of youth in approximate proportion, as determined by HHS, to the larger number of staff available to provide this service. Each grantee shall report data related to this outcome, using existing data collection and reporting processes, in accordance with the Paperwork Reduction Act and the Office of Management and Budget Control Numbers 0970-0406 and 0970-0123, and their successors.

AUTHORITY: 42 U.S.C. 620 *et seq.*, 42 U.S.C. 670 *et seq.*; 42 U.S.C. 1302.

§ 1355.10 Scope.

Unless otherwise specified, part 1355 applies to States and Indian Tribes and contains general requirements for Federal financial participation under titles IV-B and IV-E of the Social Security Act.

[61 FR 58653, Nov. 18, 1996]

§ 1355.20 Definitions.

(a) Unless otherwise specified, the following terms as they appear in 45 CFR parts 1355, 1356 and 1357 of this title are defined as follows—

Act means the Social Security Act, as amended.

ACYF means the Administration on Children, Youth and Families, Administration for Children and Families (ACF), U. S. Department of Health and Human Services.

Adoption means the method provided by State law, or for a Tribal title IV-E agency, Tribal law, which establishes the legal relationship of parent and child between persons who are not so related by birth, with the same mutual rights and obligations that exist between children and their birth parents. This relationship can only be termed “adoption” after the legal process is complete.

Child abuse and neglect means the definition contained in 42 U.S.C. 5106(g)(2).

Child care institution means a private child care institution, or a public child care institution which accommodates no more than twenty-five children, and is licensed by the licensing authority responsible for licensing or approval of institutions of this type as meeting the standards established for such licensing. The licensing authority must be a State authority in the State in which the child care institution is located, a Tribal authority with respect to a child care institution on or near an Indian Reservation, or a Tribal authority of a Tribal title IV-E agency with respect to a child care institution in the Tribal title IV-E agency’s service area. This

§ 1355.20

definition must not include detention facilities, forestry camps, training schools, or any other facility operated primarily for the detention of children who are determined to be delinquent.

Commissioner means the Commissioner on Children, Youth and Families, Administration for Children and Families, U.S. Department of Health and Human Services.

Date a child is considered to have entered foster care means the earlier of: The date of the first judicial finding that the child has been subjected to child abuse or neglect; or, the date that is 60 calendar days after the date on which the child is removed from the home pursuant to §1356.21(k). A title IV-E agency may use a date earlier than that required in this definition, such as the date the child is physically removed from the home. This definition determines the date used in calculating all time period requirements for the periodic reviews, permanency hearings, and termination of parental rights provision in section 475(5) of the Act and for providing time-limited reunification services described at section 431(a)(7) of the Act. The definition has no relationship to establishing initial title IV-E eligibility.

Department means the United States Department of Health and Human Services.

Detention facility in the context of the definition of child care institution in section 472(c)(2) of the Act means a physically restricting facility for the care of children who require secure custody pending court adjudication, court disposition, execution of a court order or after commitment.

Entity, as used in §1355.38, means any organization or agency (e.g., a private child placing agency) that is separate and independent of the title IV-E agency; performs title IV-E functions pursuant to a contract or subcontract with the title IV-E agency; and, receives title IV-E funds. A State or Tribal court is not an “entity” for the purposes of §1355.38 except if an administrative arm of the State or Tribal court carries out title IV-E administrative functions pursuant to a contract with the title IV-E agency.

Foster care means 24-hour substitute care for children placed away from

45 CFR Ch. XIII (10–1–24 Edition)

their parents or guardians and for whom the title IV-E agency has placement and care responsibility. This includes, but is not limited to, placements in foster family homes, foster homes of relatives, group homes, emergency shelters, residential facilities, child care institutions, and preadoptive homes. A child is in foster care in accordance with this definition regardless of whether the foster care facility is licensed and payments are made by the State, Tribal or local agency for the care of the child, whether adoption subsidy payments are being made prior to the finalization of an adoption, or whether there is Federal matching of any payments that are made.

Foster care maintenance payments are payments made on behalf of a child eligible for title IV-E foster care to cover the cost of (and the cost of providing) food, clothing, shelter, daily supervision, school supplies, a child’s personal incidentals, liability insurance with respect to a child, and reasonable travel for a child’s visitation with family, or other caretakers. Local travel associated with providing the items listed above is also an allowable expense. In the case of child care institutions, such term must include the reasonable costs of administration and operation of such institutions as are necessarily required to provide the items described in the preceding sentences. “Daily supervision” for which foster care maintenance payments may be made includes:

(1) *Foster family care*—licensed child care, when work responsibilities preclude foster parents from being at home when the child for whom they have care and responsibility in foster care is not in school, licensed child care when the foster parent is required to participate, without the child, in activities associated with parenting a child in foster care that are beyond the scope of ordinary parental duties, such as attendance at administrative or judicial reviews, case conferences, or foster parent training. Payments to cover these costs may be: included in the basic foster care maintenance payment; a separate payment to the foster parent, or a separate payment to the child care provider; and

(2) *Child care institutions*—routine day-to-day direction and arrangements to ensure the well-being and safety of the child.

Foster family home means, for the purpose of title IV-E eligibility, the home of an individual or family licensed or approved as meeting the standards established by the licensing or approval authority(ies), that provides 24-hour out-of-home care for children. The licensing or approval authority must be a state authority in the state in which the foster family home is located, a tribal authority with respect to a foster family home on or near an Indian Reservation, or a tribal authority of a tribal title IV-E agency with respect to a foster family home in the tribal title IV-E agency's service area. Agencies may establish one set of foster family home licensing or approval standards for all relative or kinship foster family homes that are different from the set of standards used to license or approve all non-relative foster family homes. Anything less than full licensure or approval is insufficient for meeting title IV-E eligibility requirements. Title IV-E agencies may, however, claim title IV-E reimbursement during the period of time between the date a prospective foster family home satisfies all requirements for licensure or approval and the date the actual license is issued, not to exceed 60 days.

Full review means the joint Federal and title IV-E agency review of all federally-assisted child and family services programs, including family preservation and support services, child protective services, foster care, adoption, and independent living services, for the purpose of determining the title IV-E agency's substantial conformity with the plan requirements of titles IV-B and IV-E as listed in §1355.34 of this part. A full review consists of two phases, the statewide assessment (or for a Tribal title IV-E agency, an assessment of the service area) and a subsequent on-site review, as described in §1355.33 of this part.

Legal guardianship means a judicially-created relationship between child and caretaker which is intended to be permanent and self-sustaining as evidenced by the transfer to the caretaker of the following parental rights

with respect to the child: protection, education, care and control of the person, custody of the person, and decision-making. The term *legal guardian* means the caretaker in such a relationship.

National Child Abuse and Neglect Data System (NCANDS) means the voluntary national data collection and analysis system established by the Administration for Children and Families in response to a requirement in the Child Abuse Prevention and Treatment Act (Pub. L. 93-247), as amended.

Partial review means:

(1) For the purpose of the child and family services review, the joint Federal and State/Tribal review of one or more federally-assisted child and family services program(s), including family preservation and support services, child protective services, foster care, adoption, and independent living services. A partial review may consist of any of the components of the full review, as mutually agreed upon by the title IV-E agency and the Administration for Children and Families as being sufficient to determine substantial conformity of the reviewed components with the plan requirements of titles IV-B and IV-E as listed in §1355.34 of this part;

(2) For the purpose of title IV-B and title IV-E State plan compliance issues that are outside the prescribed child and family services review format, e.g., compliance with AFCARS requirements, a review of State laws, policies, regulations, or other information appropriate to the nature of the concern, to determine State compliance; or

(3) For the purpose of title IV-E plan compliance issues for a Tribal title IV-E agency which are outside of the prescribed child and family services review format, a review of Tribal laws, policies, regulations, or other information appropriate to the nature of the concern, to determine plan compliance.

Permanency hearing means:

(1) The hearing required by section 475(5)(C) of the Act to determine the permanency plan for a child in foster care. Within this context, the court (including a Tribal court) or administrative body determines whether and, if applicable, when the child will be:

(i) Returned to the parent;

§ 1355.21

(ii) Placed for adoption, with the title IV-E agency filing a petition for termination of parental rights;

(iii) Referred for legal guardianship;

(iv) Placed permanently with a fit and willing relative; or

(v) Placed in another planned permanent living arrangement, but only in cases where the title IV-E agency has documented to the State or Tribal court a compelling reason for determining that it would not be in the best interests of the child to follow one of the four specified options above.

(2) The permanency hearing must be held no later than 12 months after the date the child is considered to have entered foster care in accordance with the definition at §1355.20 of this part or within 30 days of a judicial determination that reasonable efforts to reunify the child and family are not required. After the initial permanency hearing, subsequent permanency hearings must be held not less frequently than every 12 months during the continuation of foster care. The permanency hearing must be conducted by a family or juvenile court or another court of competent jurisdiction or by an administrative body appointed or approved by the court which is not a part of or under the supervision or direction of the title IV-E agency. Paper reviews, *ex parte* hearings, agreed orders, or other actions or hearings which are not open to the participation of the parents of the child, the child (if of appropriate age), and foster parents or preadoptive parents (if any) are not permanency hearings.

State means, for title IV-B, the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, Guam, the Virgin Islands, the Commonwealth of the Northern Mariana Islands, and American Samoa. For title IV-E the term “State” means the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, and American Samoa.

State agency means the State agency administering or supervising the administration of the title IV-B and title IV-E State plans and the title XX social services block grant program. An exception to this requirement is permitted by section 103(d) of the Adop-

45 CFR Ch. XIII (10–1–24 Edition)

tion Assistance and Child Welfare Act of 1980 (Pub. L. 96–272). Section 103(d) provides that, if on December 1, 1974, the title IV-B program (in a State or local agency) and the social services program under section 402(a)(3) of the Act (the predecessor program to title XX) were administered by separate agencies, that separate administration of the programs could continue at State option.

Statewide assessment (or Tribal assessment) means the initial phase of a full review of all federally-assisted child and family services programs in the States (or for a Tribal title IV-E agency, in the service area), including family preservation and support services, child protective services, foster care, adoption, and independent living services as described in §1355.33(b) of this part, for the purpose of determining substantial conformity with the plan requirements of titles IV-B and IV-E as listed in §1355.34 of this part.

Title IV-E agency means the State or Tribal agency administering or supervising the administration of the title IV-B and title IV-E plans.

Tribal agency means, for the purpose of title IV-E, the agency of the Indian Tribe, Indian Tribal organization (as those terms are defined in section 479B(a) of the Act) or consortium of Indian Tribes that is administering or supervising the administration of the title IV-E and title IV-B, subpart 1 plan.

(b) Unless otherwise specified, the definitions contained in section 475 of the Act apply to all programs under titles IV-E and IV-B of the Act.

§ 1355.21 Plan requirements for titles IV-E and IV-B.

(a) The plans for titles IV-E and IV-B must provide for safeguards on the use and disclosure of information which meet the requirements contained in section 471(a)(8) of the Act.

(b) The plans for titles IV-E and IV-B must provide for compliance with the Department’s regulations applicable to

the State and/or Tribe as listed in 45 CFR 1355.30.

(c) The State agency and the Indian Tribe must make available for public review and inspection the Child and Family Services Plan (CFSP) and the Annual Progress and Services Reports. (See 45 CFR 1357.15 and 1357.16.) The title IV-E agency also must make available for public review and inspection the title IV-E Plan.

§ 1355.22 Designated Placement requirements under titles IV-E and IV-B for LGBTQI+ children.

LGBTQI+ children (including children with lesbian, gay, bisexual, transgender, queer, or questioning, and intersex status or identity) shall be placed and receive services in accordance with the following requirements:

(a) *Protections generally applicable.* As part of meeting the requirement to provide a safe and appropriate placement for all children in foster care, the title IV-E/IV-B agency must ensure that all placements, including those for LGBTQI+ children, are free from harassment, mistreatment, or abuse.

(b) *Designated Placements and services for LGBTQI+ children.* The title IV-E/IV-B agency must meet the following requirements for each LGBTQI+ child in foster care:

(1) *Designated Placements.* The title IV-E/IV-B agency must ensure there is a Designated Placement available for all LGBTQI+ children in foster care who request or would benefit from such a placement. Nothing in this section requires any provider to become or serve as a Designated Placement. As used in this section, for a placement to be specifically designated for an LGBTQI+ child, the provider must meet the protections generally applicable as defined at paragraph (a) of this section and:

(i) Commit to establish an environment that supports the child's LGBTQI+ status or identity;

(ii) Be trained with the appropriate knowledge and skills to provide for the needs of the child related to the child's self-identified sexual orientation, gender identity, and gender expression. The training must reflect evidence,

and research about the impacts of rejection, discrimination, and stigma on the safety and wellbeing of LGBTQI+ children, and provide information for providers about professional standards and recommended practices that promote the safety and wellbeing of LGBTQI+ children; and

(iii) Facilitate the child's access to age- or developmentally appropriate resources, services, and activities that support their health and well-being as described in paragraph (e) of this section.

(2) *Process for notification of and request for Designated Placements.* The IV-E/IV-B agency must implement a process by which an LGBTQI+ child may request a Designated Placement as described in paragraph (b)(1) of this section or request that their current placement be offered services to become a Designated Placement. The title IV-E/IV-B agency's process for considering such a request must provide the child with an opportunity to express their needs and concerns. The process must safeguard the privacy and confidentiality of the child, consistent with section 471(a)(8) of the Act and 45 CFR 205.50, and must include the following components:

(i) Notice of the availability of Designated Placements and the ability to request that services be offered to their current placement must be provided to, at minimum:

- (A) All children age 14 and over; and
- (B) Children under age 14 who:

(1) Have been removed from their home due, in whole or part, to familial conflict about their sexual orientation, gender identity, gender expression or sex characteristics; or

(2) Have disclosed their LGBTQI+ status or identity or whose LGBTQI+ status or identity is otherwise known to the agency;

(ii) The notice must be provided in an age- or developmentally appropriate manner, both verbally and in writing, and must inform the child of how they may request a Designated Placement or services for their current placement and the process the title IV-E/IV-B agency will use in responding to their request; and

(iii) The notice must inform the child of the nonretaliation protections described at paragraph (d) of this section and describe the process by which a child may report a concern about retaliation.

(3) *Placement and services decisions and changes.* When making placement and service decisions related to an LGBTQI+ child, the title IV–E/IV–B agency shall give substantial weight to the child’s expressed concerns or requests when determining the child’s best interests. To promote placement stability, when an LGBTQI+ child requests a Designated Placement and before initiating any placement changes, the title IV–E/IV–B agency must consider whether additional services and training would allow the current provider to meet the conditions for a Designated Placement. If so, and if the current provider is willing to meet the conditions for a Designated Placement, the IV–E/IV–B agency must use the case review system to regularly review the provider’s progress towards meeting the conditions of such a designation.

(c) *Process for reporting concerns about placements and concerns about retaliation.* The title IV–E/IV–B agency must implement a process for LGBTQI+ children to report concerns about a placement that fails to meet the applicable requirements of this section, and to report concerns about retaliation as described in paragraph (d) of this section. The process must safeguard the privacy and confidentiality of the child, consistent with section 471(a)(8) of the Act and 45 CFR 205.50. The title IV–E/IV–B agency must respond promptly to an LGBTQI+ child’s reported concern, consistent with the agency’s timeframes for investigating child abuse and neglect reports depending on the nature of the child’s report.

(d) *Retaliation prohibited.* (1) The title IV–E/IV–B agency must have a procedure to ensure that neither the title IV–E/IV–B agency, nor any provider, nor any entity or person acting on behalf of the agency or a provider retaliates against an LGBTQI+ child in foster care based on the child’s actual or perceived LGBTQI+ status or identity, any disclosure of that status or identity by the child or a third party, or

the child’s request or report related to the requirements for placements or services under this part.

(2) Conduct by the title IV–E/IV–B agency, provider, or any entity or person acting on behalf of the agency or a provider that will be considered retaliation includes, but is not limited to:

(i) Harassment, mistreatment, or abuse as described in paragraph (a) of this section.

(ii) Attempts to undermine, suppress, change, or stigmatize a child’s sexual orientation or gender identity or expression through “conversion therapy.”

(iii) Unwarranted placement changes, including unwarranted placements in congregate care facilities, or restricting an LGBTQI+ child’s access to LGBTQI+ peers, siblings, family members, or age- or developmentally appropriate materials and community resources.

(iv) Disclosing the child’s LGBTQI+ status or identity in ways that cause harm or risk the privacy of the child or that infringe on any privacy rights of the child.

(v) Using information about the child’s LGBTQI+ status or identity to initiate or sustain a child protection investigation or disclosing information about the child’s LGBTQI+ status or identity to law enforcement in any manner not permitted by law.

(vi) Taking action against current or potential caregivers (including foster parents, pre-adoptive parents, adoptive parents, kin caregivers and birth families) because they support or have supported a child’s LGBTQI+ status or identity.

(e) *Access to supportive and age- or developmentally appropriate services.* The title IV–E/IV–B agency must ensure that LGBTQI+ children have access to age- or developmentally appropriate services that are supportive of their sexual orientation and gender identity or expression, including clinically appropriate mental and behavioral health supports.

(f) *Placement of transgender and gender non-conforming children in foster care.* When considering placing a child, the title IV–E/IV–B agency must offer the child a placement consistent with their gender identity. The title IV–E/IV–B

agency must also consult with the child to provide an opportunity to voice any concerns related to placement.

(g) *Compliance with privacy laws.* The title IV-E/IV-B agency must comply with all applicable privacy laws, including section 471(a)(8) of the Act and 45 CFR 205.50, in all aspects of its implementation of this section. Information that reveals a child's LGBTQI+ status or identity may only be disclosed in accordance with law and any such disclosure must be the minimum necessary to accomplish the legally-permitted purposes.

(h) *Training and notification requirements.* In addition to meeting the requirements of paragraph (b)(1)(ii) of this section, the title IV-E/IV-B agency must:

(1) Ensure that its employees who have responsibility for placing children in foster care, making placement decisions, or providing services:

(i) Are trained to implement the procedural requirements of this section; and

(ii) Are adequately prepared with the appropriate knowledge and skills to serve an LGBTQI+ child related to their sexual orientation, gender identity, and gender expression.

(2) Ensure that all its contractors and subrecipients who have responsibility for placing children in foster care, making placement decisions, or providing services are informed of the procedural requirements to comply with this section, including the required non-retaliation provisions outlined in paragraph (d) of this section.

(3) Ensure that all placement providers are informed of the procedural requirements to comply with this section, including the required non-retaliation provision outlined in paragraph (d) of this section.

(i) *Protections for religious freedom, conscience, and free speech.* Insofar as the application of any requirement under this section would violate applicable Federal protections for religious freedom, conscience, and free speech, such application shall not be required.

(j) *No penalties for providers that do not seek to qualify as Designated Placements.* Nothing in this section shall be construed to require or authorize a

State or Tribe to penalize a provider in the titles IV-E or IV-B programs because the provider does not seek or is determined not to qualify as a Designated Placement under this section.

(k) *Severability.* Any provision of this section held to be invalid or unenforceable as applied to any person or circumstance shall be construed so as to continue to give the maximum effect to the provision permitted by law, including as applied to persons not similarly situated or to dissimilar circumstances, unless such holding is that the provision of this section is invalid and unenforceable in all circumstances, in which event the provision shall be severable from the remainder of this section and shall not affect the remainder thereof.

(l) *Implementation.* Title IV-E/IV-B agencies must follow the requirements of this section beginning on October 1, 2026.

(m) *No effect on more protective laws or policies.* Nothing in this section shall limit any State, Tribe, or local government from imposing or enforcing, as a matter of law or policy, requirements that provide greater protection to LGBTQI+ children than this section provides.

[89 FR 34859, Apr. 30, 2024]

§ 1355.25 Principles of child and family services.

The following principles, most often identified by practitioners and others as helping to assure effective services for children, youth, and families, should guide the States and Indian Tribes in developing, operating, and improving the continuum of child and family services.

(a) The safety and well-being of children and of all family members is paramount. When safety can be assured, strengthening and preserving families is seen as the best way to promote the healthy development of children. One important way to keep children safe is to stop violence in the family including violence against their mothers.

(b) Services are focused on the family as a whole; service providers work with families as partners in identifying and meeting individual and family needs; family strengths are identified, enhanced, respected, and mobilized to

§ 1355.30

help families solve the problems which compromise their functioning and well-being.

(c) Services promote the healthy development of children and youth, promote permanency for all children and help prepare youth emancipating from the foster care system for self-sufficiency and independent living.

(d) Services may focus on prevention, protection, or other short or long-term interventions to meet the needs of the family and the best interests and need of the individual(s) who may be placed in out-of-home care.

(e) Services are timely, flexible, coordinated, and accessible to families and individuals, principally delivered in the home or the community, and are delivered in a manner that is respectful of and builds on the strengths of the community and cultural groups.

(f) Services are organized as a continuum, designed to achieve measurable outcomes, and are linked to a wide variety of supports and services which can be crucial to meeting families' and children's needs, for example, housing, substance abuse treatment, mental health, health, education, job training, child care, and informal support networks.

(g) Most child and family services are community-based, involve community organizations, parents and residents in their design and delivery, and are accountable to the community and the client's needs.

(h) Services are intensive enough and of sufficient duration to keep children safe and meet family needs. The actual level of intensity and length of time needed to ensure safety and assist the family may vary greatly between preventive (family support) and crisis intervention services (family preservation), based on the changing needs of children and families at various times in their lives. A family or an individual does not need to be in crisis in order to receive services.

[77 FR 926, Jan. 6, 2012]

§ 1355.32 Timetable for the reviews.

(a) *Initial reviews.* Each State must complete an initial full review as described in § 1355.33 of this part during the four-year period after the final rule becomes effective. Each Tribal title IV-E agency must complete an initial full review as described in § 1355.33 of this part, during the four-year period after the ACF determines that the Tribe has approved title IV-B, subpart 1 and 2 and title IV-E plans and has sufficient cases for ACF to apply the procedures in § 1355.33(c).

(b) *Reviews following the initial review.* (1) A title IV-E agency found to be operating in substantial conformity during an initial or subsequent review, as defined in § 1355.34 of this part, must:

(i) Complete a full review every five years; and

(ii) Submit a completed statewide assessment, or in the case of a Tribal title IV-E agency, a completed Tribal assessment of the service area, to ACF three years after the on-site review. The assessment will be reviewed jointly by the title IV-E agency and ACF to determine the State's or Indian Tribe's continuing substantial conformity with the plan requirements subject to review. No formal approval of this interim assessment by ACF is required.

(2) A program found not to be operating in substantial conformity during an initial or subsequent review will:

(i) Be required to develop and implement a program improvement plan, as defined in § 1355.35 of this part; and

(ii) Begin a full review two years after approval of the program improvement plan.

§ 1355.33

(c) *Reinstatement of reviews based on information that a title IV-E agency is not in substantial conformity.* (1) ACF may require a full or a partial review at any time, based on any information, regardless of the source, that indicates the title IV-E agency may no longer be operating in substantial conformity.

(2) Prior to reinstating a full or partial review, ACF will conduct an inquiry and require the title IV-E agency to submit additional data whenever ACF receives information that the title IV-E agency may not be in substantial conformity.

(3) If the additional information and inquiry indicates to ACF's satisfaction that the title IV-E agency is operating in substantial conformity, ACF will not proceed with any further review of the issue addressed by the inquiry. This inquiry will not substitute for the full reviews conducted by ACF under § 1355.32(b).

(4) ACF may proceed with a full or partial review if the title IV-E agency does not provide the additional information as requested, or the additional information confirms that the title IV-E agency may not be operating in substantial conformity.

(d) *Partial reviews based on noncompliance with plan requirements that are outside the scope of a child and family services review.* When ACF becomes aware of a title IV-B or title IV-E compliance issue that is outside the scope of the child and family services review process, we will:

(1) Conduct an inquiry and require the title IV-E agency to submit additional data.

(2) If the additional information and inquiry indicates to ACF's satisfaction that the title IV-E agency is in compliance, we will not proceed with any further review of the issue addressed by the inquiry.

(3) ACF will institute a partial review, appropriate to the nature of the concern, if the title IV-E agency does not provide the additional information as requested, or the additional information confirms that the title IV-E agency may not be in compliance.

(4) If the partial review determines that the title IV-E agency is not in compliance with the applicable plan requirement, the title IV-E agency must

45 CFR Ch. XIII (10-1-24 Edition)

enter into a program improvement plan designed to bring the title IV-E agency into compliance, if the provisions for such a plan are applicable. The terms, action steps and timeframes of the program improvement plan will be developed on a case-by-case basis by ACF and the title IV-E agency. The program improvement plan must take into consideration the extent of noncompliance and the impact of the noncompliance on the safety, permanency or well-being of children and families served through the title IV-E agency's title IV-B or IV-E allocation. If the title IV-E agency remains out of compliance, the title IV-E agency will be subject to a penalty related to the extent of the noncompliance.

[65 FR 4076, Jan. 25, 2000, as amended at 66 FR 58675, Nov. 23, 2001; 77 FR 926, Jan. 6, 2012]

§ 1355.33 Procedures for the review.

(a) The full child and family services reviews will:

(1) Consist of a two-phase process that includes a statewide assessment and an on-site review; and

(2) Be conducted by a team of Federal, and State or Tribal reviewers that includes:

(i) Staff of the child and family services agency, including the offices that represent the service areas that are the focus of any particular review;

(ii) Representatives selected by the title IV-E agency, in collaboration with the ACF Regional Office, from those with whom the title IV-E agency was required to consult in developing its CFSP, as described and required in 45 CFR 1357.15(1);

(iii) Federal staff of HHS; and

(iv) Other individuals, as deemed appropriate and agreed upon by the title IV-E agency and ACF.

(b) *Statewide or Tribal Assessment.* The first phase of the full review will be a statewide assessment, or for a Tribal title IV-E agency a service area assessment, conducted by the title IV-E agency's internal and external members of the review team. The assessment must:

(1) Address each systemic factor under review including the statewide/Tribal information system; case review system; quality assurance system; staff

training; service array; agency responsiveness to the community; and foster and adoptive parent licensing, recruitment and retention;

(2) Assess the outcome areas of safety, permanence, and well-being of children and families served by the title IV-E agency using data from AFCARS and NCANDS. For the initial review, ACF may approve another data source to substitute for AFCARS, and in all reviews, ACF may approve another data source to substitute for NCANDS. The title IV-E agency must also analyze and explain its performance in meeting the national standards for the statewide/Tribal service area data indicators;

(3) Assess the characteristics of the title IV-E agency that have the most significant impact on the agency's capacity to deliver services to children and families that will lead to improved outcomes;

(4) Assess the strengths and areas of the title IV-E agency's child and family services programs that require further examination through an on-site review;

(5) Include a listing of all the persons external to the title IV-E agency who participated in the preparation of the assessment pursuant to § 1355.33(a)(2)(ii) and (iv); and

(6) Be completed and submitted to ACF within 4 months of the date that ACF transmits the information for the assessment to the title IV-E agency.

(c) *On-site review.* The second phase of the full review will be an on-site review.

(1) The on-site review will cover the title IV-E agency's programs under titles IV-B and IV-E of the Act, including in-home services and foster care. It will be jointly planned by the title IV-E agency and ACF, and guided by information in the completed assessment that identifies areas in need of improvement or further review.

(2) The on-site review may be concentrated in several specific political subdivisions or jurisdictions of the title IV-E agency, as agreed upon by the ACF and the title IV-E agency; however, for a State title IV-E agency, a State's largest metropolitan subdivision must be one of the locations selected.

(3) ACF has final approval of the selection of specific areas of the title IV-E agency's child and family services continuum described in paragraph (c)(1) of this section and selection of the political subdivisions or jurisdiction referenced in paragraph (c)(2) of this section.

(4) Sources of information collected during the on-site review to determine substantial conformity must include, but are not limited to:

(i) Case records on children and families served by the agency;

(ii) Interviews with children and families whose case records have been reviewed and who are, or have been, recipients of services of the agency;

(iii) Interviews with caseworkers, foster parents, and service providers for the cases selected for the on-site review; and

(iv) Interviews with key stakeholders, both internal and external to the agency, which, at a minimum, must include those individuals who participated in the development of the State's or Tribal title IV-E agency's CFSP required at 45 CFR 1357.15(1), courts, administrative review bodies, children's guardians ad litem and other individuals or bodies assigned responsibility for representing the best interests of the child.

(5) The sample will range from 30-50 cases. Foster care cases must be drawn randomly from AFCARS, or, for the initial review, from another source approved by ACF and include children who entered foster care during the year under review. In-home cases must be drawn randomly from NCANDS or from another source approved by ACF. To ensure that all program areas are adequately represented, the sample size may be increased.

(6) The sample of 30-50 cases reviewed on-site will be selected from a randomly drawn oversample of no more than 150 foster care and 150 in-home services cases. The oversample must be statistically significant at a 90 percent compliance rate (95 percent in subsequent reviews), with a tolerable sampling error of 5 percent and a confidence coefficient of 95 percent. The additional cases in the oversample not selected for the on-site review will

form the sample of cases to be reviewed, if needed, in order to resolve discrepancies between the statewide/Tribal assessment and the on-site review in accordance with paragraph (d)(2) of this section.

(d) *Resolution of discrepancies between the assessment and the findings of the on-site portion of the review.* Discrepancies between the statewide or Tribal assessment and the findings of the on-site portion of the review will be resolved by either of the following means, at the title IV–E agency’s option:

(1) The submission of additional information by the title IV–E agency; or

(2) ACF and the title IV–E agency will review additional cases using only those indicators in which the discrepancy occurred. ACF and the title IV–E agency will determine jointly the number of additional cases to be reviewed, not to exceed 150 foster care cases or 150 in-home services cases to be selected as specified in paragraph (c)(6) of this section.

(e) *Partial review.* A partial child and family services review, when required, will be planned and conducted jointly by ACF and the title IV–E agency based on the nature of the concern. A partial review does not substitute for the full reviews as required under § 1355.32(b).

(f) *Notification.* Within 30 calendar days following either a partial child and family services review, full child and family services review, or the resolution of a discrepancy between the assessment and the findings of the on-site portion of the review, ACF will notify the title IV–E agency in writing of whether the title IV–E agency is, or is not, operating in substantial conformity.

[65 FR 4077, Jan. 25, 2000, as amended at 66 FR 58675, Nov. 23, 2001; 77 FR 927, Jan. 6, 2012]

§ 1355.34 Criteria for determining substantial conformity.

(a) *Criteria to be satisfied.* ACF will determine a title IV–E agency’s substantial conformity with title IV–B and title IV–E plan requirements based on the following:

(1) Its ability to meet national standards, set by the Secretary, for the statewide/Tribal service area data indi-

cators associated with specific outcomes for children and families;

(2) Its ability to meet criteria related to outcomes for children and families; and

(3) Its ability to meet criteria related to the title IV–E agency’s capacity to deliver services leading to improved outcomes.

(b) *Criteria related to outcomes.* (1) A title IV–E agency’s substantial conformity will be determined by its ability to substantially achieve the following child and family service outcomes:

(i) *In the area of child safety:*

(A) Children are, first and foremost, protected from abuse and neglect; and,

(B) Children are safely maintained in their own homes whenever possible and appropriate;

(ii) *In the area of permanency for children:*

(A) Children have permanency and stability in their living situations; and

(B) The continuity of family relationships and connections is preserved for children; and

(iii) *In the area of child and family well-being:*

(A) Families have enhanced capacity to provide for their children’s needs;

(B) Children receive appropriate services to meet their educational needs; and

(C) Children receive adequate services to meet their physical and mental health needs.

(2) A title IV–E agency’s level of achievement with regard to each outcome reflects the extent to which a title IV–E agency has:

(i) Met the national standard(s) for the statewide/Tribal service area data indicator(s) associated with that outcome, if applicable; and,

(ii) Implemented the following CFSP requirements or assurances:

(A) The requirements in 45 CFR 1357.15(p) regarding services designed to assure the safety and protection of children and the preservation and support of families;

(B) The requirements in 45 CFR 1357.15(q) regarding the permanency provisions for children and families in sections 422 and 471 of the Act;

(C) The requirements in section 422(b)(7) of the Act regarding recruitment of potential foster and adoptive families;

(D) The assurances as required by section 422(b)(8)(B) of the Act regarding policies and procedures for abandoned children;

(E) The requirements in section 422(b)(9) of the Act regarding the State's compliance with the Indian Child Welfare Act;

(F) The requirements in section 422(b)(10) of the Act regarding a title IV-E agency's plan for effective use of cross-jurisdictional resources to facilitate timely adoptive or permanent placements; and,

(G) The requirements in section 471(a)(15) of the Act regarding reasonable efforts to prevent removals of children from their homes, to make it possible for children in foster care to safely return to their homes, or, when the child is not able to return home, to place the child in accordance with the permanency plan and complete the steps necessary to finalize the permanent placement.

(3) A title IV-E agency will be determined to be in substantial conformity if its performance on:

(i) Each statewide/Tribal service area data indicator developed pursuant to paragraph (b)(4) of this section meets the national standard described in paragraph (b)(5) of this section; and,

(ii) Each outcome listed in paragraph (b)(1) of this section is rated as "substantially achieved" in 95 percent of the cases examined during the on-site review (90 percent of the cases for an initial review). Information from various sources (case records, interviews) will be examined for each outcome and a determination made as to the degree to which each outcome has been achieved for each case reviewed.

(4) The Secretary may, using AFCARS and NCANDS, develop statewide/Tribal service area data indicators for each of the specific outcomes described in paragraph (b)(1) of this section for use in determining substantial conformity. The Secretary may add, amend, or suspend any such statewide/Tribal service area data indicator(s) when appropriate. To the extent practical and feasible, the state-

wide/Tribal service area data indicators will be consistent with those developed in accordance with section 203 of the Adoption and Safe Families Act of 1997 (Pub. L. 105-89).

(5) The initial national standards for the statewide data indicators described in paragraph (b)(4) of this section will be based on the 75th percentile of all State performance for that indicator, as reported in AFCARS or NCANDS. The Secretary may adjust these national standards if appropriate. The initial national standard will be set using the following data sources:

(i) The 1997 and 1998 submissions to NCANDS (or the most recent and complete 2 years available), for those statewide data indicators associated with the safety outcomes; and,

(ii) The 1998b, 1999c, and 2000a submissions to AFCARS (or the most recent and complete report periods available), for those statewide data indicators associated with the permanency outcomes.

(c) *Criteria related to title IV-E agency capacity to deliver services leading to improved outcomes for children and families.* In addition to the criteria related to outcomes contained in paragraph (b) of this section, the title IV-E agency also must satisfy criteria related to the delivery of services. Based on information from the assessment and onsite review, the title IV-E agency must meet the following criteria for each systemic factor in paragraphs (c)(2) through (c)(7) of this section to be considered in substantial conformity: All of the plan requirements associated with the systemic factor must be in place, and no more than one of the plan requirements fails to function as described in paragraphs (c)(2) through (c)(7) of this section. The systemic factor in paragraph (c)(1) of this section is rated on the basis of only one plan requirement. To be considered in substantial conformity, the plan requirement associated with statewide/Tribal information system capacity must be both in place and functioning as described in the requirement. ACF will use a rating scale to make the determinations of substantial conformity. The systemic factors under review are:

(1) *Statewide/Tribal information system:* The State/Tribal title IV-E agency is

operating a statewide/Tribal information system that, at a minimum, can readily identify the status, demographic characteristics, location, and goals for the placement of every child who is (or within the immediately preceding 12 months, has been) in foster care (section 422(b)(8)(A)(i) of the Act);

(2) *Case review system:* The title IV–E agency has procedures in place that:

(i) Provide, for each child, a written case plan to be developed jointly with the child’s parent(s) that includes provisions: for placing the child in the least restrictive, most family-like placement appropriate to the child’s needs, and in close proximity to the parents’ home where such placement is in the child’s best interests; for visits with a child placed out of State/Tribal service area at least every 12 months by a caseworker of the agency or of the agency in the State/Tribal service area where the child is placed; for documentation of the steps taken to make and finalize an adoptive or other permanent placement when the child cannot return home; and for implementation of the requirements of § 1355.22(b) and (d) as applicable (sections 422(b)(8)(A)(ii), 471(a)(16), and 475(5)(A) of the Act and § 1355.22(b) and (d));

(ii) Provide for periodic review of the status of each child no less frequently than once every six months by either a court or by administrative review (sections 422(b)(8)(A)(ii), 471(a)(16) and 475(5)(B) of the Act);

(iii) Assure that each child in foster care under the supervision of the title IV–E agency has a permanency hearing in a family or juvenile court or another court of competent jurisdiction (including a Tribal court), or by an administrative body appointed or approved by the court, which is not a part of or under the supervision or direction of the title IV–E agency, no later than 12 months from the date the child entered foster care (and not less frequently than every 12 months thereafter during the continuation of foster care) (sections 422(b)(8)(A)(ii), 471(a)(16) and 475(5)(C) of the Act);

(iv) Provide a process for termination of parental rights proceedings in accordance with sections 422(b)(8)(A)(ii), 475(5)(E) and (F) of the Act; and,

(v) Provide foster parents, preadoptive parents, and relative caregivers of children in foster care with notice of and a right to be heard in permanency hearings and six-month periodic reviews held with respect to the child (sections 422(b)(8)(A)(ii), 475(5)(G) of the Act, and 45 CFR 1356.21(o)).

(3) *Quality assurance system:* The title IV–E agency has developed and implemented standards to ensure that children in foster care placements are provided quality services that protect the safety and health of the children (section 471(a)(22)) and is operating an identifiable quality assurance system (45 CFR 1357.15(u)) as described in the CFSP that:

(i) Is in place in the jurisdictions within the State/Tribal service area where services included in the CFSP are provided;

(ii) Is able to evaluate the adequacy and quality of services provided under the CFSP;

(iii) Is able to identify the strengths and needs of the service delivery system it evaluates;

(iv) Provides reports to agency administrators on the quality of services evaluated and needs for improvement; and

(v) Evaluates measures implemented to address identified problems.

(4) *Staff training:* The title IV–E agency is operating a staff development and training program (45 CFR 1357.15(t)) that:

(i) Supports the goals and objectives in the title IV–E agency’s CFSP;

(ii) Addresses services provided under both subparts of title IV–B and the training plan under title IV–E of the Act;

(iii) Provides training for all staff who provide family preservation and support services, child protective services, foster care services, adoption services and independent living services soon after they are employed and that includes the basic skills and knowledge required for their positions;

(iv) Provides ongoing training for staff that addresses the skills and knowledge base needed to carry out their duties with regard to the services included in the CFSP; and,

(v) Provides training for current or prospective foster parents, adoptive

parents, and the staff of State/Tribal-licensed or State/Tribal-approved child care institutions providing care to foster and adopted children receiving assistance under title IV-E that addresses the skills and knowledge base needed to carry out their duties with regard to caring for foster and adopted children.

(5) *Service array:* Information from the assessment and on-site review determines that the title IV-E agency has in place an array of services (45 CFR 1357.15(n) and section 422(b)(8)(A)(iii) and (iv) of the Act) that includes, at a minimum:

(i) Services that assess the strengths and needs of children and families assisted by the agency and are used to determine other service needs;

(ii) Services that address the needs of the family, as well as the individual child, in order to create a safe home environment;

(iii) Services designed to enable children at risk of foster care placement to remain with their families when their safety and well-being can be reasonably assured;

(iv) Services designed to help children achieve permanency by returning to families from which they have been removed, where appropriate, be placed for adoption or with a legal guardian or in some other planned, permanent living arrangement, and through post-legal adoption services;

(v) Services that are accessible to families and children in all political subdivisions and/or the entire service area covered in the CFSP; and,

(vi) Services that can be individualized to meet the unique needs of children and families served by the agency.

(6) *Agency responsiveness to the community:*

(i) The title IV-E agency, in implementing the provisions of the CFSP, engages in ongoing consultation with a broad array of individuals and organizations representing the State/Tribal and county/local agencies responsible for implementing the CFSP and other major stakeholders in the services delivery system including, at a minimum, Tribal representatives, consumers, service providers, foster care providers, the juvenile court, and other

public and private child and family serving agencies (45 CFR 1357.15(1)(3));

(ii) The agency develops, in consultation with these or similar representatives, annual reports of progress and services delivered pursuant to the CFSP (45 CFR 1357.16(a));

(iii) There is evidence that the agency's goals and objectives included in the CFSP reflect consideration of the major concerns of stakeholders consulted in developing the plan and on an ongoing basis (45 CFR 1357.15(m)); and

(iv) There is evidence that the services under the plan are coordinated with services or benefits under other Federal or federally-assisted programs serving the same populations to achieve the goals and objectives in the plan (45 CFR 1357.15(m)).

(7) *Foster and adoptive parent licensing, recruitment and retention:*

(i) The State or Tribe has established and maintains standards for foster family homes and child care institutions which are reasonably in accord with recommended standards of national organizations concerned with standards for such institutions or homes (section 471(a)(10) of the Act);

(ii) The standards so established are applied by the State or Tribe to every licensed or approved foster family home or child care institution receiving funds under title IV-E or IV-B of the Act (section 471(a)(10) of the Act);

(iii) The title IV-E agency complies with the safety requirements for foster care and adoptive placements in accordance with sections 471(a)(16), 471(a)(20) and 475(1) of the Act and 45 CFR 1356.30;

(iv) The title IV-E agency has in place an identifiable process for assuring the diligent recruitment of potential foster and adoptive families that reflect the ethnic and racial diversity of children in the State or Tribe for whom foster and adoptive homes are needed (section 422(b)(7) of the Act); and,

(v) The title IV-E agency has developed and implemented plans for the effective use of cross-jurisdictional resources to facilitate timely adoptive or permanent placements for waiting children (section 422(b)(10) of the Act).

(d) *Availability of review instruments.* ACF will make available to the title

§ 1355.35

45 CFR Ch. XIII (10–1–24 Edition)

IV–E agencies copies of the review instruments, which will contain the specific standards to be used to determine substantial conformity, on an ongoing basis, whenever significant revisions to the instruments are made.

[65 FR 4078, Jan. 25, 2000, as amended at 66 FR 58675, Nov. 23, 2001; 77 FR 928, Jan. 6, 2012; 89 FR 34861, Apr. 30, 2024]

§ 1355.35 Program improvement plans.

(a) *Mandatory program improvement plan.* (1) Title IV–E agencies found not to be operating in substantial conformity shall develop a program improvement plan. The program improvement plan must:

(i) Be developed jointly by title IV–E agency and Federal staff in consultation with the review team;

(ii) Identify the areas in which the title IV–E agency's program is not in substantial conformity;

(iii) Set forth the goals, the action steps required to correct each identified weakness or deficiency, and dates by which each action step is to be completed in order to improve the specific areas;

(iv) Set forth the amount of progress the statewide/Tribal data will make toward meeting the national standards;

(v) Establish benchmarks that will be used to measure the title IV–E agency's progress in implementing the program improvement plan and describe the methods that will be used to evaluate progress;

(vi) Identify how the action steps in the plan build on and make progress over prior program improvement plans;

(vii) Identify the technical assistance needs and sources of technical assistance, both Federal and non-Federal, which will be used to make the necessary improvements identified in the program improvement plan.

(2) In the event that ACF and the title IV–E agency cannot reach consensus regarding the content of a program improvement plan or the degree of program or data improvement to be achieved, ACF retains the final authority to assign the contents of the plan and/or the degree of improvement required for successful completion of the plan. Under such circumstances, ACF will render a written rationale for as-

signing such content or degree of improvement.

(b) *Voluntary program improvement plan.* Title IV–E agencies found to be operating in substantial conformity may voluntarily develop and implement a program improvement plan in collaboration with the ACF Regional Office, under the following circumstances:

(1) The title IV–E agency and Regional Office agree that there are areas of the title IV–E agency's child and family services programs in need of improvement which can be addressed through the development and implementation of a voluntary program improvement plan;

(2) ACF approval of the voluntary program improvement plan will not be required; and

(3) No penalty will be assessed for the title IV–E agency's failure to achieve the goals described in the voluntary program improvement plan.

(c) *Approval of program improvement plans.* (1) A title IV–E agency determined not to be in substantial conformity must submit a program improvement plan to ACF for approval within 90 calendar days from the date the title IV–E agency receives the written notification from ACF that it is not operating in substantial conformity.

(2) Any program improvement plan will be approved by ACF if it meets the provisions of paragraph (a) of this section.

(3) If the program improvement plan does not meet the provisions of paragraph (a) of this section, the title IV–E agency will have 30 calendar days from the date it receives notice from ACF that the plan has not been approved to revise and resubmit the plan for approval.

(4) If the title IV–E agency does not submit a revised program improvement plan according to the provisions of paragraph (c)(3) of this section or if the plan does not meet the provisions of paragraph (a) of this section, withholding of funds pursuant to the provisions of § 1355.36 of this part will begin.

(d) *Duration of program improvement plans.* (1) ACF retains the authority to establish time frames for the program improvement plan consistent with the

seriousness and complexity of the remedies required for any areas determined not in substantial conformity, not to exceed two years.

(2) Particularly egregious areas of nonconformity impacting child safety must receive priority in both the content and time frames of the program improvement plans and must be addressed in less than two years.

(3) The Secretary may approve extensions of deadlines in a program improvement plan not to exceed one year. The circumstances under which requests for extensions will be approved are expected to be rare. The title IV-E agency must provide compelling documentation of the need for such an extension. Requests for extensions must be received by ACF at least 60 days prior to the affected completion date.

(4) Title IV-E agencies must provide quarterly status reports (unless ACF and the title IV-E agency agree to less frequent reports) to ACF. Such reports must inform ACF of progress in implementing the measures of the plan.

(e) *Evaluating program improvement plans.* Program improvement plans will be evaluated jointly by the title IV-E agency and ACF, in collaboration with other members of the review team, as described in the title IV-E agency's program improvement plan and in accordance with the following criteria:

(1) The methods and information used to measure progress must be sufficient to determine when and whether the title IV-E agency is operating in substantial conformity or has reached the negotiated standard with respect to statewide/Tribal service area data indicators that failed to meet the national standard for that indicator;

(2) The frequency of evaluating progress will be determined jointly by the title IV-E agency and Federal team members, but no less than annually. Evaluation of progress will be performed in conjunction with the annual updates of the title IV-E agency's CFSP, as described in paragraph (f) of this section;

(3) Action steps may be jointly determined by the title IV-E agency and ACF to be achieved prior to projected completion dates, and will not require any further evaluation at a later date; and

(4) The title IV-E agency and ACF may jointly renegotiate the terms and conditions of the program improvement plan as needed, provided that:

(i) The renegotiated plan is designed to correct the areas of the title IV-E agency's program determined not to be in substantial conformity and/or achieve a standard for the statewide/Tribal service area data indicators that is acceptable to ACF;

(ii) The amount of time needed to implement the provisions of the plan does not extend beyond three years from the date the original program improvement plan was approved;

(iii) The terms of the renegotiated plan are approved by ACF; and

(iv) The Secretary approves any extensions beyond the two-year limit.

(f) *Integration of program improvement plans with CFSP planning.* The elements of the program improvement plan must be incorporated into the goals and objectives of the title IV-E agency's CFSP. Progress in implementing the program improvement plan must be included in the annual reviews and progress reports related to the CFSP required in 45 CFR 1357.16.

(This requirement has been approved by the Office of Management and Budget under OMB Control Number 0970-0214. In accordance with the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.)

[65 FR 4080, Jan. 25, 2000, as amended at 66 FR 58675, Nov. 23, 2001; 77 FR 929, Jan. 6, 2012]

§ 1355.36 Withholding Federal funds due to failure to achieve substantial conformity or failure to successfully complete a program improvement plan.

(a) *For the purposes of this section:*

(1) The term "title IV-B funds" refers to the title IV-E agency's combined allocation of title IV-B subpart 1 and subpart 2 funds; and

(2) The term "title IV-E funds" refers to the title IV-E agency's reimbursement for administrative costs for the foster care program under title IV-E.

(b) *Determination of the amount of Federal funds to be withheld.* ACF will determine the amount of title IV-B and

IV–E funds to be withheld due to a finding that the title IV–E agency is not operating in substantial conformity, as follows:

(1) A title IV–E agency will have the opportunity to develop and complete a program improvement plan prior to any withholding of funds.

(2) Title IV–B and IV–E funds will not be withheld from a title IV–E agency if the determination of nonconformity was caused by the title IV–E agency's correct use of formal written statements of Federal law or policy provided the title IV–E agency by DHHS.

(3) A portion of the title IV–E agency's title IV–B and IV–E funds will be withheld by ACF for the year under review and for each succeeding year until the title IV–E agency either successfully completes a program improvement plan or is found to be operating in substantial conformity.

(4) The amount of title IV–B and title IV–E funds subject to withholding due to a determination that a title IV–E agency is not operating in substantial conformity is based on a pool of funds defined as follows:

(i) The title IV–E agency's allotment of title IV–B funds for each of the years to which the withholding applies; and

(ii) An amount equivalent to 10 percent of the title IV–E agency's Federal claims for title IV–E foster care administrative costs for each of the years to which withholding applies;

(5) The amount of funds to be withheld from the pool in paragraph (b)(4) of this section will be computed as follows:

(i) Except as provided for in paragraphs (b)(7) and (b)(8) of this section, an amount equivalent to one percent of the funds described in paragraph (b)(4) of this section for each of the years to which withholding applies will be withheld for each of the seven outcomes listed in §1355.34(b)(1) of this part that is determined not to be in substantial conformity; and

(ii) Except as provided for in paragraphs (b)(7) and (b)(8) of this section, an amount equivalent to one percent of the funds described in paragraph (b)(4) of this section for each of the years to which withholding applies will be withheld for each of the seven systemic factors listed in §1355.34(c) of this part

that is determined not to be in substantial conformity.

(6) Except as provided for in paragraphs (b)(7), (b)(8), and (e)(4) of this section, in the event the title IV–E agency is determined to be in nonconformity on each of the seven outcomes and each of the seven systemic factors subject to review, the maximum amount of title IV–B and title IV–E funds to be withheld due to the title IV–E agency's failure to comply is 14 percent per year of the funds described in paragraph (b)(4) of this section for each year.

(7) Title IV–E agencies determined not to be in substantial conformity that fail to correct the areas of nonconformity through the successful completion of a program improvement plan, and are determined to be in nonconformity on the second full review following the first full review in which a determination of nonconformity was made will be subject to increased withholding as follows:

(i) The amount of funds described in paragraph (b)(5) of this section will increase to two percent for each of the seven outcomes and each of the seven systemic factors that continues in nonconformity since the immediately preceding child and family services review;

(ii) The increased withholding of funds for areas of continuous nonconformity is subject to the provisions of paragraphs (c), (d), and (e) of this section;

(iii) The maximum amount of title IV–B and title IV–E funds to be withheld due to the title IV–E agency's failure to comply on the second full review following the first full review in which the determination of nonconformity was made is 28 percent of the funds described in paragraph (b)(4) of this section for each year to which the withholding of funds applies.

(8) Title IV–E agencies determined not to be in substantial conformity that fail to correct the areas of nonconformity through the successful completion of a program improvement plan, and are determined to be in nonconformity on the third and any subsequent full reviews following the first full review in which a determination of

nonconformity was made will be subject to increased withholding as follows:

(i) The amount of funds described in paragraph (b)(5) of this section will increase to three percent for each of the seven outcomes and each of the seven systemic factors that continues in nonconformity since the immediately preceding child and family services review;

(ii) The increased withholding of funds for areas of continuous nonconformity is subject to the provisions of paragraphs (c), (d), and (e) of this section;

(iii) The maximum amount of title IV-B and title IV-E funds to be withheld due to the title IV-E agency's failure to comply on the third and any subsequent full reviews following the first full review in which the determination of nonconformity was made is 42 percent of the funds described in paragraph (b)(4) of this section for each year to which the withholding of funds applies.

(c) *Suspension of withholding.* (1) For title IV-E agencies determined not to be operating in substantial conformity, ACF will suspend the withholding of the title IV-E agencies' title IV-B and title IV-E funds during the time that a program improvement plan is in effect, provided that:

(i) The program improvement plan conforms to the provisions of § 1355.35 of this part; and

(ii) The title IV-E agency is actively implementing the provisions of the program improvement plan.

(2) Suspension of the withholding of funds is limited to three years following each review, or the amount of time approved for implementation of the program improvement plan, whichever is less.

(d) *Terminating the withholding of funds.* For title IV-E agencies determined not to be in substantial conformity, ACF will terminate the withholding of the title IV-E agency's title IV-B and title IV-E funds related to the nonconformity upon determination by the title IV-E agency and ACF that the title IV-E agency has achieved substantial conformity or has successfully completed a program improvement plan. ACF will rescind the withholding

of the portion of title IV-B and title IV-E funds related to specific goals or action steps as of the date at the end of the quarter in which they were determined to have been achieved.

(e) *Withholding of funds.* (1) Title IV-E agencies determined not to be in substantial conformity that fail to successfully complete a program improvement plan will be notified by ACF of this final determination of nonconformity in writing within 10 business days after the relevant completion date specified in the plan, and advised of the amount of title IV-B and title IV-E funds which are to be withheld.

(2) Title IV-B and title IV-E funds will be withheld based on the following:

(i) If the title IV-E agency fails to submit status reports in accordance with § 1355.35(d)(4), or if such reports indicate that the title IV-E agency is not making satisfactory progress toward achieving goals or actions steps, funds will be withheld at that time for a period beginning October 1 of the fiscal year for which the determination of nonconformity was made and ending on the specified completion date for the affected goal or action step.

(ii) Funds related to goals and action steps that have not been achieved by the specified completion date will be withheld at that time for a period beginning October 1 of the fiscal year for which the determination of nonconformity was made and ending on the completion date of the affected goal or action step; and

(iii) The withholding of funds commensurate with the level of nonconformity at the end of the program improvement plan will begin at the latest completion date specified in the program improvement plan and will continue until a subsequent full review determines the title IV-E agency to be in substantial conformity or the title IV-E agency successfully completes a program improvement plan developed as a result of that subsequent full review.

(3) When the date the title IV-E agency is determined to be in substantial conformity or to have successfully completed a program improvement plan falls within a specific quarter, the amount of funds to be withheld will be computed to the end of that quarter.

§ 1355.37

(4) A title IV-E agency that refuses to participate in the development or implementation of a program improvement plan, as required by ACF, will be subject to the maximum increased withholding of 42 percent of its title IV-B and title IV-E funds, as described in paragraph (b)(8) of this section, for each year or portion thereof to which the withholding of funds applies.

(5) The title IV-E agency will be liable for interest on the amount of funds withheld by the Department, in accordance with the provisions of 45 CFR 30.18.

[65 FR 4081, Jan. 25, 2000, as amended at 66 FR 58675, Nov. 23, 2001; 77 FR 930, Jan. 6, 2012]

§ 1355.37 Opportunity for public inspection of review reports and materials.

The title IV-E agency must make available for public review and inspection all statewide or Tribal assessments (§1355.33(b)), report of findings (§1355.33(e)), and program improvement plans (§1355.35(a)) developed as a result of a full or partial child and family services review.

[77 FR 931, Jan. 6, 2012]

§ 1355.38 Enforcement of section 471(a)(18) of the Act regarding the removal of barriers to interethnic adoption.

(a) *Determination that a violation has occurred in the absence of a court finding.*

(1) If ACF becomes aware of a possible section 471(a)(18) violation, whether in the course of a child and family services review, the filing of a complaint, or through some other mechanism, it will refer such a case to the Department's Office for Civil Rights (OCR) for investigation.

(2) Based on the findings of the OCR investigation, ACF will determine if a violation of section 471(a)(18) has occurred. A section 471(a)(18) violation occurs if a title IV-E agency or an entity in the State/Tribe:

(2) Corrective action plans are subject to ACF approval.

(3) If the corrective action plan does not meet the provisions of paragraph (d) of this section, the title IV-E agency must revise and resubmit the plan for approval until it has an approved plan.

Once the plan is approved the title IV-E agency will have to complete the corrective action and come into compliance. If the title IV-E agency fails to complete the corrective action plan within six months and come into compliance, a penalty will be imposed in accordance with paragraph (g)(3) of this section.

(2) Corrective action plans are subject to ACF approval.

(3) If the corrective action plan does not meet the provisions of paragraph (d) of this section, the title IV-E agency must revise and resubmit the plan within 30 days from the date it receives a written notice from ACF that the plan has not been approved. If the title IV-E agency does not submit a revised corrective action plan according to the provisions of paragraph (d) of this section, withholding of funds pursuant to the provisions of paragraph (g) of this section will apply.

If the title IV-E agency has failed to complete the corrective action plan, ACF will calculate the amount of reduction in the title IV-E agency's title IV-E payment and include this information in the written notification of failure to complete the plan.

(f) *Funds to be withheld.* The term "title IV-E funds" refers to the amount of Federal funds advanced or paid to the title IV-E agency for allowable costs incurred by a title IV-E agency for: foster care maintenance payments, adoption assistance payments, administrative costs, and training costs under title IV-E and includes the title IV-E agency's allotment for the Chafee Foster Care Independence Program under section 477 of the Act.

Once ACF notifies an entity (in writing) that it has committed a section 471(a)(18) violation with respect to a person, the entity must remit to the Secretary all title IV-E funds paid to it by the title IV-E agency during the quarter in which the entity is notified of the violation.

(3) For title IV-E agencies that fail to complete a corrective action plan within 6 months, title IV-E funds will be reduced by ACF for the fiscal quarter in which the title IV-E agency received notification of its violation. The reduction will continue for each succeeding quarter within that fiscal year or until the title IV-E agency completes the corrective action plan and comes into compliance, whichever is earlier.

(4) If, as a result of a court finding, a title IV–E agency or entity is determined to be in violation of section 471(a)(18) of the Act, ACF will assess a penalty without further investigation. Once the title IV–E agency is notified (in writing) of the violation, its title IV–E funds will be reduced for the fiscal quarter in which the court finding was made and for each succeeding quarter within that fiscal year or until the title IV–E agency completes a corrective action plan and comes into compliance, whichever is sooner. However, an uncorrected violation may result in a subsequent review, another finding, and additional penalties.

(6) No penalty will be imposed for a court finding of a violation of section 471(a)(18) until the judgement is final and all appeals have been exhausted, declined, or the appeal period has expired.

(h) *Determination of the amount of reduction of Federal funds.* ACF will determine the reduction in title IV–E funds due to a section 471(a)(18) violation in accordance with section 474(d)(1) and (2) of the Act.

The reduction in title IV–E funds will be computed as follows:

§ 1355.46 Compliance.

(a) *Files subject to compliance.* ACF will evaluate the out-of-home care and adoption and guardianship assistance data files that a title IV-E agency submits to determine whether the data complies with the requirements of §1355.43 and the data file submission and data quality standards described in paragraphs (c) and (d) of this section. ACF will exempt records related to a child in either data file whose 18th birthday occurred in a prior report period and will exempt records relating to a child in the adoption and guardianship assistance data file who is in a title IV-E guardianship from a compliance determination as described in paragraph (e) of this section.

45 CFR Ch. XIII (10–1–24 Edition)

(b) *Errors.* ACF will utilize the error definitions in paragraphs (b)(1) through (5) of this section to assess a title IV-E agency’s out-of-home care and adoption and guardianship assistance data files. This assessment of errors will help ACF to determine if the title IV-E agency’s submitted data files meet the data file submission and data quality standards outlined in paragraphs (c) and (d) of this section. ACF will develop and issue error specifications.

(1) *Missing data.* Missing data refers to instances in which a data element has a blank or otherwise missing response, when such a response is not a valid option as described in §§1355.44 or 1355.45.

(2) *Invalid data.* Invalid data refers to instances in which a data element contains a value that is outside the parameters of acceptable responses or exceeds, either positively or negatively, the acceptable range of response options as described in §§1355.44 or 1355.45.

(3) *Internally inconsistent data.* Internally inconsistent data refers to instances in which a data element fails an internal consistency check designed to validate the logical relationship between data elements within each record. This assessment will identify all data elements involved in a particular check as in error.

(4) *Cross-file errors.* A cross-file error occurs when a cross-file check determines that a response option for a data element recurs across the records in either the out-of-home care data file or adoption and guardianship assistance data file beyond a specified acceptable threshold as specified per ACF.

(5) *Tardy transactions.* Tardy transactions are instances in which the removal transaction date or exit transaction date described in §1355.44(d)(2) and (g)(2) respectively, are entered into the title IV-E agency’s information system more than 30 days after the event.

(c) *Data file standards.* To be in compliance with the AFCARS requirements, the title IV-E agency must submit a data file in accordance with the data file standards described in paragraphs (c)(1) through (3) of this section.

(1) *Timely submission.* ACF must receive the data files on or before the reporting deadline described in § 1355.43(a).

(2) *Proper format.* The data files must meet the technical standards issued by ACF for data file construction and transmission. In addition, each record subject to compliance standards within the data file must have the data elements described in §§ 1355.44(a) and (b)(1) and (2) and 1355.45(a) and (b)(1) and (2) be 100 percent free of missing data, invalid data, and internally inconsistent data (see paragraphs (b)(1) through (3) of this section). ACF will not process a title IV–E agency's data file that does not meet the proper format standard.

(d) *Data quality standards.* (1) To be in compliance with the AFCARS requirements, the title IV–E agency must submit a data file that has no more than 10 percent total of missing, invalid, or internally inconsistent data, or tardy transactions for each data element of applicable records. These standards are in addition to the formatting standards described in paragraph (c)(2) of this section.

(2) *Acceptable cross-file.* The data files must be free of cross-file errors that exceed the acceptable thresholds, as defined by ACF.

(e) *Compliance determination and corrected data.* (1) ACF will first determine whether the title IV–E agency's out-of-home care data file and adoption and guardianship assistance data file meets the data file standards in paragraph (c) of this section. Compliance is determined separately for each data file.

(2) If each data file meets the data file standards, ACF will then determine whether each data file meets the data quality standards in paragraph (d) of this section. For every data element, we will divide the total number of applicable records in error (numerator) by the total number of applicable records (denominator), to determine whether the title IV–E agency has met the applicable data quality standards.

(3) In general, a title IV–E agency that has not met either the data file formatting standards or data quality standards must submit a corrected data file(s) no later than when data is due for the subsequent six month re-

port period (*i.e.*, by May 15 and November 14), as applicable. ACF will determine that the corrected data file(s) is in compliance if it meets the data file and data standards in paragraphs (c) and (d) of this section. Exception: If ACF determines initially that the title IV–E agency's data file has not met the data quality standard related to tardy transactions, ACF will determine compliance with regard to the transaction dates only in the out-of-home care data file submitted for the subsequent report period.

(f) *Noncompliance.* If the title IV–E agency does not submit a corrected data file, or submits a corrected data file that fails to meet the compliance standards in paragraphs (c) and (d) of this section, ACF will notify the title IV–E agency of such and apply penalties as provided in § 1355.47.

(g) *Other assessments.* ACF may use other monitoring tools or assessment procedures to determine whether the title IV–E agency is meeting all of the requirements of §§ 1355.41 through 1355.45.

[81 FR 90569, Dec. 14, 2016, as amended at 85 FR 28434, May 12, 2020]

§ 1355.47 Penalties.

(a) *Federal funds subject to a penalty.* The funds that are subject to a penalty are the title IV–E agency's claims for title IV–E foster care administration and training for the quarter in which the title IV–E agency is required to submit the data files. For data files due on May 15, ACF will assess the penalty based on the title IV–E agency's claims for the third quarter of the Federal fiscal year. For data files due on November 14, ACF will assess the penalty based on the title IV–E agency's claims for the first quarter of the Federal fiscal year.

(b) *Penalty amounts.* ACF will assess penalties in the following amounts:

(1) *First six month period.* ACF will assess a penalty in the amount of one sixth of one percent ($\frac{1}{6}$ of 1%) of the funds described in paragraph (a) of this section for the first six month period in which the title IV–E agency's submitted corrected data file does not comply with § 1355.46.

(2) *Subsequent six month periods.* ACF will assess a penalty in the amount of

§ 1355.50

one fourth of one percent ($\frac{1}{4}$ of 1%) of the funds described in paragraph (a) of this section for each subsequent six month period in which the title IV-E agency continues to be out of compliance.

(c) *Penalty reduction from grant.* ACF will offset the title IV-E agency's title IV-E foster care grant award in the amount of the penalty from the title IV-E agency's claims following the title IV-E agency notification of ACF's final determination of noncompliance.

(d) *Appeals.* The title IV-E agency may appeal ACF's final determination of noncompliance to the HHS Departmental Appeals Board pursuant to 45 CFR part 16.

§ 1356.10 Scope.

This part applies to title IV-E agency programs for foster care maintenance payments, adoption assistance payments, related foster care and adoption administrative and training expenditures, and the independent living services program under title IV-E of the Act.

[77 FR 946, Jan. 6, 2012]

§ 1356.20 Title IV-E plan document and submission requirements.

(a) To be in compliance with the title IV-E plan requirements and to be eligible to receive Federal financial participation (FFP) in the costs of foster care maintenance payments and adoption assistance under this part, a title IV-E agency must have a plan approved by the Secretary that meets the requirements of this part, part 1355, section 471(a) of the Act and for Tribal title IV-E agencies, section 479B(c) of the

Act. The title IV–E plan must be submitted to the appropriate Regional Office, ACYF, in a form determined by the title IV–E agency.

(b) Failure by a title IV–E agency to comply with the requirements and standards for the data reporting system for foster care and adoption (§1355.40 of this chapter) shall be considered a substantial failure by the title IV–E agency in complying with the plan.

(c) The following procedures for approval of plans and amendments apply to the title IV–E program:

(1) *Plan.* The plan consists of written documents furnished by the title IV–E agency to cover its program under part E of title IV. After approval of the original plan by the Commissioner, ACYF, all relevant changes, required by new statutes, rules, regulations, interpretations, and court decisions, are required to be submitted currently so that ACYF may determine whether the plan continues to meet Federal requirements and policies.

(2) *Submittal.* Plans and revisions of the plans are submitted first to the State governor or his/her designee, or the Tribal leader or his/her designee for review and then to the regional office, ACYF. Title IV–E agencies are encouraged to obtain consultation of the regional staff when a plan is in process of preparation or revision.

(3) *Review.* Staff in the regional offices are responsible for review of plans and amendments. They also initiate discussion with the title IV–E agency on clarification of significant aspects of the plan which come to their attention in the course of this review. Plan material on which the regional staff has questions concerning the application of Federal policy is referred with recommendations as required to the central office for technical assistance. Comments and suggestions, including those of consultants in specified areas, may be prepared by the central office for use by the regional staff in negotiations with the title IV–E agency.

(4) *Action.* ACYF has the authority to approve plans and amendments thereto which provide for the administration of foster care maintenance payments and adoption assistance programs under section 471 of the Act. The Commis-

sioner, ACYF, retains the authority to determine that proposed plan material is not approvable, or that a previously approved plan no longer meets the requirements for approval. The Regional Office, ACYF, formally notifies the title IV–E agency of the actions taken on plans or revisions.

(5) *Basis for approval.* Determinations as to whether plans (including plan amendments and administrative practice under the plans) originally meet or continue to meet, the requirements for approval are based on relevant Federal statutes and regulations.

(6) *Prompt approval of plans.* The determination as to whether a plan submitted for approval conforms to the requirements for approval under the Act and regulations issued pursuant thereto shall be made promptly and not later than the 45th day following the date on which the plan submittal is received in the regional office, unless the Regional Office, ACYF, has secured from the title IV–E agency a written agreement to extend that period.

(7) *Prompt approval of plan amendments.* Any amendment of an approved plan may, at the option of the title IV–E agency, be considered as a submission of a new plan. If the title IV–E agency requests that such amendment be so considered, the determination as to its conformity with the requirements for approval shall be made promptly and not later than the 45th day following the date on which such a request is received in the regional office with respect to an amendment that has been received in such office, unless the Regional Office, ACYF, has secured from the title IV–E agency a written agreement to extend that period. In absence of request by a title IV–E agency that an amendment of an approved plan shall be considered as a submission of a new plan, the procedures under §201.6(a) and (b) shall be applicable.

(8) *Effective date.* The effective date of a new plan may not be earlier than the first day of the calendar quarter in which an approvable plan is submitted, and with respect to expenditures for assistance under such plan, may not be earlier than the first day on which the plan is in operation on a statewide basis or, in the case of a Tribal title

IV-E agency, in operation in the Tribal title IV-E agency's entire service area. The same applies with respect to plan amendments.

(d) Once the title IV-E plan has been submitted and approved, it shall remain in effect until amendments are required. An amendment is required if there is any significant and relevant change in the information or assurances in the plan, or the organization, policies or operations described in the plan.

[77 FR 946, Jan. 6, 2012]

§ 1356.21 Foster care maintenance payments program implementation requirements.

(a) *Statutory and regulatory requirements of the Federal foster care program.* To implement the foster care maintenance payments program provisions of the title IV-E plan and to be eligible to receive Federal financial participation (FFP) for foster care maintenance payments under this part, a title IV-E agency must meet the requirements of this section, 45 CFR 1356.22, 45 CFR 1356.30, and sections 472, 475(1), 475(4), 475(5), 475(6), and for a Tribal title IV-E agency section 479(B)(c)(1)(C)(ii)(II) of the Act.

(b) *Reasonable efforts.* The title IV-E agency must make reasonable efforts to maintain the family unit and prevent the unnecessary removal of a child from his/her home, as long as the child's safety is assured; to effect the safe reunification of the child and family (if temporary out-of-home placement is necessary to ensure the immediate safety of the child); and to make and finalize alternate permanency plans in a timely manner when reunification is not appropriate or possible. In order to satisfy the "reasonable efforts" requirements of section 471(a)(15) (as implemented through section 472(a)(2) of the Act), the title IV-E agency must meet the requirements of paragraphs (b) and (d) of this section. In determining reasonable efforts to be made with respect to a child and in making such reasonable efforts, the child's health and safety must be the paramount concern.

(1) *Judicial determination of reasonable efforts to prevent a child's removal from the home.* (i) When a child is removed

from his/her home, the judicial determination as to whether reasonable efforts were made, or were not required to prevent the removal, in accordance with paragraph (b)(3) of this section, must be made no later than 60 days from the date the child is removed from the home pursuant to paragraph (k)(1)(ii) of this section.

(ii) If the determination concerning reasonable efforts to prevent the removal is not made as specified in paragraph (b)(1)(i) of this section, the child is not eligible under the title IV-E foster care maintenance payments program for the duration of that stay in foster care.

(2) *Judicial determination of reasonable efforts to finalize a permanency plan.* (i) The title IV-E agency must obtain a judicial determination that it has made reasonable efforts to finalize the permanency plan that is in effect (whether the plan is reunification, adoption, legal guardianship, placement with a fit and willing relative, or placement in another planned permanent living arrangement) within twelve months of the date the child is considered to have entered foster care in accordance with the definition at § 1355.20 of this part, and at least once every twelve months thereafter while the child is in foster care.

(ii) If such a judicial determination regarding reasonable efforts to finalize a permanency plan is not made in accordance with the schedule prescribed in paragraph (b)(2)(i) of this section, the child becomes ineligible under title IV-E at the end of the month in which the judicial determination was required to have been made, and remains ineligible until such a determination is made.

(3) *Circumstances in which reasonable efforts are not required to prevent a child's removal from home or to reunify the child and family.* Reasonable efforts to prevent a child's removal from home or to reunify the child and family are not required if the title IV-E agency obtains a judicial determination that such efforts are not required because:

(i) A court of competent jurisdiction has determined that the parent has subjected the child to aggravated circumstances (as defined in State, or for a Tribal title IV-E agency, Tribal law,

which definition may include but need not be limited to abandonment, torture, chronic abuse, and sexual abuse);

(ii) A court of competent jurisdiction has determined that the parent has been convicted of:

(A) Murder (which would have been an offense under section 1111(a) of title 18, United States Code, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;

(B) Voluntary manslaughter (which would have been an offense under section 1112(a) of title 18, United States Code, if the offense had occurred in the special maritime or territorial jurisdiction of the United States) of another child of the parent;

(C) Aiding or abetting, attempting, conspiring, or soliciting to commit such a murder or such a voluntary manslaughter; or

(D) A felony assault that results in serious bodily injury to the child or another child of the parent; or,

(iii) The parental rights of the parent with respect to a sibling have been terminated involuntarily.

(4) *Concurrent planning.* Reasonable efforts to finalize an alternate permanency plan may be made concurrently with reasonable efforts to reunify the child and family.

(5) *Use of the Federal Parent Locator Service.* The State agency may seek the services of the Federal Parent Locator Service to search for absent parents at any point in order to facilitate a permanency plan.

(c) *Contrary to the welfare determination.* Under section 472(a)(2) of the Act, a child's removal from the home must have been the result of a judicial determination (unless the child was removed pursuant to a voluntary placement agreement) to the effect that continuation of residence in the home would be contrary to the welfare, or that placement would be in the best interest, of the child. The contrary to the welfare determination must be made in the first court ruling that sanctions (even temporarily) the removal of a child from home. If the determination regarding contrary to the welfare is not made in the first court ruling pertaining to removal from the home, the child is not eligible for title IV-E foster

care maintenance payments for the duration of that stay in foster care.

(d) *Documentation of judicial determinations.* The judicial determinations regarding contrary to the welfare, reasonable efforts to prevent removal, and reasonable efforts to finalize the permanency plan in effect, including judicial determinations that reasonable efforts are not required, must be explicitly documented and must be made on a case-by-case basis and so stated in the court order.

(1) If the reasonable efforts and contrary to the welfare judicial determinations are not included as required in the court orders identified in paragraphs (b) and (c) of this section, a transcript of the court proceedings is the only other documentation that will be accepted to verify that these required determinations have been made.

(2) Neither affidavits nor nunc pro tunc orders will be accepted as verification documentation in support of reasonable efforts and contrary to the welfare judicial determinations except for a Tribal title IV-E agency for the first 12 months that agency's title IV-E plan is in effect as provided for in section 479B(c)(1)(C)(ii)(I) of the Act.

(3) Court orders that reference State or Tribal law to substantiate judicial determinations are not acceptable, even if such law provides that a removal must be based on a judicial determination that remaining in the home would be contrary to the child's welfare or that removal can only be ordered after reasonable efforts have been made.

(e) *Trial home visits.* A trial home visit may not exceed six months in duration, unless a court orders a longer trial home visit. If a trial home visit extends beyond six months and has not been authorized by the court, or exceeds the time period the court has deemed appropriate, and the child is subsequently returned to foster care, that placement must then be considered a new placement and title IV-E eligibility must be newly established. Under these circumstances the judicial determinations regarding contrary to the welfare and reasonable efforts to prevent removal are required.

(f) *Case review system.* In order to satisfy the provisions of section 471(a)(16)

of the Act regarding a case review system, each title IV–E agency’s case review system must meet the requirements of sections 475(5) and 475(6) of the Act.

(g) *Case plan requirements.* In order to satisfy the case plan requirements of sections 471(a)(16), 475(1) and 475(5)(A) and (D) of the Act, the title IV–E agency must promulgate policy materials and instructions for use by staff to determine the appropriateness of and necessity for the foster care placement of the child. The case plan for each child must:

(1) Be a written document, which is a discrete part of the case record, in a format determined by the title IV–E agency, which is developed jointly with the parent(s) or guardian of the child in foster care; and

(2) Be developed within a reasonable period, to be established by the title IV–E agency, but in no event later than 60 days from the child’s removal from the home pursuant to paragraph (k) of this section;

(3) Include a discussion of how the case plan is designed to achieve a safe placement for the child in the least restrictive (most family-like) setting available and in close proximity to the home of the parent(s) when the case plan goal is reunification and a discussion of how the placement is consistent with the best interests and special needs of the child. (FFP is not available when a court orders a placement with a specific foster care provider);

(4) Include a description of the services offered and provided to prevent removal of the child from the home and to reunify the family; and

(5) Document the steps to finalize a placement when the case plan goal is or becomes adoption or placement in another permanent home in accordance with sections 475(1)(E) and (5)(E) of the Act. When the case plan goal is adoption, at a minimum, such documentation shall include child-specific recruitment efforts such as the use of State, Tribal, regional, and national

adoption exchanges including electronic exchange systems.

(This requirement has been approved by the Office of Management and Budget under OMB Control Number 0980–0140. In accordance with the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.)

(h) *Application of the permanency hearing requirements.* (1) To meet the requirements of the permanency hearing, the title IV–E agency must, among other requirements, comply with section 475(5)(C) of the Act.

(2) In accordance with paragraph (b)(3) of this section, when a court determines that reasonable efforts to return the child home are not required, a permanency hearing must be held within 30 days of that determination, unless the requirements of the permanency hearing are fulfilled at the hearing in which the court determines that reasonable efforts to reunify the child and family are not required.

(3) If the title IV–E agency concludes, after considering reunification, adoption, legal guardianship, or permanent placement with a fit and willing relative, that the most appropriate permanency plan for a child is placement in another planned permanent living arrangement, the title IV–E agency must document to the court the compelling reason for the alternate plan. Examples of a compelling reason for establishing such a permanency plan may include:

(i) The case of an older teen who specifically requests that emancipation be established as his/her permanency plan;

(ii) The case of a parent and child who have a significant bond but the parent is unable to care for the child because of an emotional or physical disability and the child’s foster parents have committed to raising him/her to the age of majority and to facilitate visitation with the disabled parent; or,

(iii) the Tribe has identified another planned permanent living arrangement for the child.

(4) When an administrative body, appointed or approved by the court, conducts the permanency hearing, the procedural safeguards set forth in the definition of *permanency hearing* must be so extended by the administrative body.

(i) *Application of the requirements for filing a petition to terminate parental rights at section 475(5)(E) of the Social Security Act.* (1) Subject to the exceptions in paragraph (i)(2) of this section, the title IV–E agency must file a petition (or, if such a petition has been filed by another party, seek to be joined as a party to the petition) to terminate the parental rights of a parent(s):

(i) Whose child has been in foster care under the responsibility of the title IV–E agency for 15 of the most recent 22 months. The petition must be filed by the end of the child’s fifteenth month in foster care. In calculating when to file a petition for termination of parental rights, the title IV–E agency:

(A) Must calculate the 15 out of the most recent 22 month period from the date the child is considered to have entered foster care as defined at section 475(5)(F) of the Act and § 1355.20 of this part;

(B) Must use a cumulative method of calculation when a child experiences multiple exits from and entries into foster care during the 22 month period;

(C) Must not include trial home visits or runaway episodes in calculating 15 months in foster care; and,

(D) Need only apply section 475(5)(E) of the Act to a child once if the title IV–E agency does not file a petition because one of the exceptions at paragraph (i)(2) of this section applies;

(ii) Whose child has been determined by a court of competent jurisdiction to be an abandoned infant (as defined under State or for a Tribal title IV–E agency, Tribal law). The petition to terminate parental rights must be filed within 60 days of the judicial determination that the child is an abandoned infant; or,

(iii) Who has been convicted of one of the felonies listed at paragraph (b)(3)(ii) of this section. Under such circumstances, the petition to terminate parental rights must be filed within 60 days of a judicial determination that

reasonable efforts to reunify the child and parent are not required.

(2) The title IV–E agency may elect not to file or join a petition to terminate the parental rights of a parent per paragraph (i)(1) of this section if:

(i) At the option of the title IV–E agency, the child is being cared for by a relative;

(ii) The title IV–E agency has documented in the case plan (which must be available for court review) a compelling reason for determining that filing such a petition would not be in the best interests of the individual child. Compelling reasons for not filing a petition to terminate parental rights include, but are not limited to:

(A) Adoption is not the appropriate permanency goal for the child; or,

(B) No grounds to file a petition to terminate parental rights exist; or,

(C) The child is an unaccompanied refugee minor as defined in 45 CFR 400.111; or

(D) There are international legal obligations or compelling foreign policy reasons that would preclude terminating parental rights; or

(iii) The title IV–E agency has not provided to the family, consistent with the time period in the case plan, services that the title IV–E agency deems necessary for the safe return of the child to the home, when reasonable efforts to reunify the family are required.

(3) When the title IV–E agency files or joins a petition to terminate parental rights in accordance with paragraph (i)(1) of this section, it must concurrently begin to identify, recruit, process, and approve a qualified adoptive family for the child.

(j) *Child of a minor parent in foster care.* Foster care maintenance payments made on behalf of a child placed in a foster family home or child care institution, who is the parent of a son or daughter in the same home or institution, must include amounts which are necessary to cover costs incurred on behalf of the child’s son or daughter. Said costs must be limited to funds expended on items listed in the definition of *foster care maintenance payments* in § 1355.20 of this part.

(k) *Removal from the home of a specified relative.* (1) For the purposes of

meeting the requirements of section 472(a)(1) of the Act, a removal from the home must occur pursuant to:

(i) A voluntary placement agreement entered into by a parent or guardian which leads to a physical or constructive removal (i.e., a non-physical or paper removal of custody) of the child from the home; or

(ii) A judicial order for a physical or constructive removal of the child from a parent or specified relative.

(2) A removal has not occurred in situations where legal custody is removed from the parent or relative and the child remains with the same relative in that home under supervision by the title IV-E agency.

(3) A child is considered constructively removed on the date of the first judicial order removing custody, even temporarily, from the appropriate specified relative or the date that the voluntary placement agreement is signed by all relevant parties.

(1) *Living with a specified relative.* For purposes of meeting the requirements for living with a specified relative prior to removal from the home under section 472(a)(1) of the Act, all of the conditions under section 472(a)(3), and for Tribal title IV-E agencies section 479B(c)(1)(C)(ii)(II) of the Act, one of the two following situations must apply:

(1) The child was living with the parent or specified relative, and was AFDC eligible in that home in the month of the voluntary placement agreement or initiation of court proceedings; or

(2) The child had been living with the parent or specified relative within six months of the month of the voluntary placement agreement or the initiation of court proceedings, and the child would have been AFDC eligible in that month if s/he had still been living in that home.

(m) *Review of payments and licensing standards.* In meeting the requirements of section 471(a)(11) of the Act, the title IV-E agency must review at reasonable, specific, time-limited periods to be established by the agency:

(1) The amount of the payments made for foster care maintenance to assure their continued appropriateness, and that the amount made to a licensed or approved relative or kinship

foster family home is the same as the amount that would have been made if the child was placed in a licensed or approved non-relative foster family home;

(2) The amount of the payments made for adoption assistance to assure their continued appropriateness; and

(3) The licensing or approval standards for child care institutions and foster family homes.

(n) *Foster care goals.* The specific foster care goals required under section 471(a)(14) of the Act must be incorporated into State law or Tribal law by statute, code, resolution, Tribal proceedings or administrative regulation with the force of law.

(o) *Notice and right to be heard.* The title IV-E agency must provide the foster parent(s) of a child and any preadoptive parent or relative providing care for the child with timely notice of and the opportunity to be heard in any proceedings held with respect to the child during the time the child is in the care of such foster parent, preadoptive parent, or relative caregiver. Notice of and opportunity to be heard does not include the right to standing as a party to the case.

§ 1356.22 Implementation requirements for children voluntarily placed in foster care.

(a) As a condition of receipt of Federal financial participation (FFP) in foster care maintenance payments for a dependent child removed from his home under a voluntary placement agreement, the title IV-E agency must meet the requirements of:

(1) Section 472 of the Act, as amended;

(2) Sections 422(b)(8) and 475(5) of the Act;

(3) 45 CFR 1356.21(e), (f), (g), (h), and (i); and

(4) The requirements of this section.

(b) Federal financial participation is available only for voluntary foster care maintenance expenditures made within the first 180 days of the child's placement in foster care unless there has been a judicial determination by a court of competent jurisdiction, within

§ 1356.30

the first 180 days of such placement, to the effect that the continued voluntary placement is in the best interests of the child.

(c) The title IV-E agency must establish and maintain a uniform procedure or system, consistent with State or Tribal law, for revocation by the parent(s) of a voluntary placement agreement and return of the child.

[65 FR 4090, Jan. 25, 2000, as amended at 66 FR 58677, Nov. 23, 2001; 77 FR 949, Jan. 6, 2012]

§ 1356.30 Safety requirements for foster care and adoptive home providers.

(a) The title IV-E agency must provide documentation that criminal records checks have been conducted with respect to prospective foster and adoptive parents.

(b) The title IV-E agency may not approve or license any prospective foster or adoptive parent, nor may the title IV-E agency claim FFP for any foster care maintenance or adoption assistance payment made on behalf of a child placed in a foster home operated under the auspices of a child placing agency or on behalf of a child placed in an adoptive home through a private adoption agency, if the title IV-E agency finds that, based on a criminal records check conducted in accordance with paragraph (a) of this section, a court of competent jurisdiction has determined that the prospective foster or adoptive parent has been convicted of a felony involving:

- (1) Child abuse or neglect;
- (2) Spousal abuse;
- (3) A crime against a child or children (including child pornography); or,
- (4) A crime involving violence, including rape, sexual assault, or homicide, but not including other physical assault or battery.

(c) The title IV-E agency may not approve or license any prospective foster or adoptive parent, nor may the title IV-E agency claim FFP for any foster care maintenance or adoption assistance payment made on behalf of a child placed in a foster home operated under the auspices of a child placing agency or on behalf of a child placed in an adoptive home through a private adoption agency, if the title IV-E agency finds, based on a criminal records

45 CFR Ch. XIII (10–1–24 Edition)

check conducted in accordance with paragraph (a) of this section, that a court of competent jurisdiction has determined that the prospective foster or adoptive parent has, within the last five years, been convicted of a felony involving:

- (1) Physical assault;
- (2) Battery; or,
- (3) A drug-related offense.
- (d) [Reserved]

(e) In all cases where the State opted out of the criminal records check requirement, as permitted prior to the amendments made by section 152 of Public Law 109-248, the licensing file for that foster or adoptive family must contain documentation which verifies that safety considerations with respect to the caretaker(s) have been addressed.

(f) In order for a child care institution to be eligible for title IV-E funding, the licensing file for the institution must contain documentation which verifies that safety considerations with respect to the staff of the institution have been addressed.

§ 1356.40 Adoption assistance program: Administrative requirements to implement section 473 of the Act.

(a) To implement the adoption assistance program provisions of the title IV-E plan and to be eligible for Federal financial participation in adoption assistance payments under this part, the title IV-E agency must meet the requirements of this section and section 471(a), applicable provisions of section 473, and section 475(3) of the Act.

(b) The adoption assistance agreement for payments pursuant to section 473(a)(2) must meet the requirements of section 475(3) of the Act and must:

- (1) Be signed and in effect at the time of or prior to the final decree of adoption. A copy of the signed agreement must be given to each party; and
- (2) Specify its duration; and
- (3) Specify the nature and amount of any payment, services and assistance to be provided under such agreement and, for purposes of eligibility under title XIX of the Act, specify that the child is eligible for Medicaid services; and

(4) Specify, with respect to agreements entered into on or after October 1, 1983, that the agreement shall remain in effect regardless of the place of residence of the adoptive parents at any given time.

(c) There must be no income eligibility requirement (means test) for the prospective adoptive parent(s) in determining eligibility for adoption assistance payments.

(d) In the event an adoptive family moves from one place of residence to another, the family may apply for social services on behalf of the adoptive child in the new place of residence. If a needed service(s) specified in the adoption assistance agreement is not available in the new place of residence, the title IV-E agency making the original adoption assistance payment remains financially responsible for providing the specified service(s).

(e) A title IV-E agency may make an adoption assistance agreement with adopting parent(s) who reside in another State or a Tribal service area. If so, all provisions of this section apply.

(f) The title IV-E agency must actively seek ways to promote the adoption assistance program.

[48 FR 23116, May 23, 1983, as amended at 53 FR 50220, Dec. 14, 1988; 77 FR 949, Jan. 6, 2012]

§ 1356.41 Nonrecurring expenses of adoption.

(a) The amount of the payment made for nonrecurring expenses of adoption shall be determined through agreement between the adopting parent(s) and the title IV-E agency administering the program. The agreement must indicate the nature and amount of the nonrecurring expenses to be paid.

(b) The agreement for nonrecurring expenses may be a separate document or a part of an agreement for either State, Tribal, or Federal adoption assistance payments or services.

(c) There must be no income eligibility requirement (means test) for adopting parents in determining whether payments for nonrecurring expenses of adoption shall be made. However, parents cannot be reimbursed for out-of-pocket expenses for which they have otherwise been reimbursed.

(d) For purposes of payment of nonrecurring expenses of adoption, the

title IV-E agency must determine that the child is a “child with special needs” as defined in section 473(c) of the Act, and that the child has been placed for adoption in accordance with applicable laws; the child need not meet the categorical eligibility requirements at section 473(a)(2).

(e)(1) The title IV-E agency must notify all appropriate courts and all public and licensed private nonprofit adoption agencies of the availability of funds for the nonrecurring expenses of adoption of children with special needs as well as where and how interested persons may apply for these funds. This information should routinely be made available to all persons who inquire about adoption services.

(2) The agreement for nonrecurring expenses must be signed at the time of or prior to the final decree of adoption. Claims must be filed with the title IV-E agency within two years of the date of the final decree of adoption.

(f)(1) Funds expended by the title IV-E agency under an adoption assistance agreement, with respect to nonrecurring adoption expenses incurred by or on behalf of parents who adopt a child with special needs, shall be considered an administrative expenditure of the title IV-E Adoption Assistance Program. Federal reimbursement is available at a 50 percent matching rate, for title IV-E agency expenditures up to \$2,000, for any adoptive placement.

(2) Title IV-E agencies may set a reasonable lower maximum which must be based on reasonable charges, consistent with State, Tribal, and local practices, for special needs adoptions within the State or Tribal service area. The basis for setting a lower maximum must be documented and available for public inspection.

(3) In cases where siblings are placed and adopted, either separately or as a unit, each child is treated as an individual with separate reimbursement for nonrecurring expenses up to the maximum amount allowable for each child.

(g) Federal financial participation for nonrecurring expenses of adoption is limited to costs incurred by or on behalf of adoptive parents that are not otherwise reimbursed from other

§ 1356.50

sources. Payments for nonrecurring expenses shall be made either directly by the title IV-E agency or through another public or licensed nonprofit private agency.

(h) When the adoption of the child involves a placement outside the State or Tribal service area, the title IV-E agency that enters into an adoption assistance agreement under section 473(a)(1)(B)(ii) of the Act or under a State or Tribal subsidy program will be responsible for paying the nonrecurring adoption expenses of the child. In cases where there is placement outside the State or Tribal service area but no agreement for other Federal, Tribal, or State adoption assistance, the title IV-E agency in the jurisdiction in which the final adoption decree is issued will be responsible for reimbursement of nonrecurring expenses if the child meets the requirements of section 473(c).

(i) The term “nonrecurring adoption expenses” means reasonable and necessary adoption fees, court costs, attorney fees and other expenses which are directly related to the legal adoption of a child with special needs, which are not incurred in violation of State, Tribal or Federal law, and which have not been reimbursed from other sources or other funds. “Other expenses which are directly related to the legal adoption of a child with special needs” means the costs of the adoption incurred by or on behalf of the parents and for which parents carry the ultimate liability for payment. Such costs may include the adoption study, including health and psychological examination, supervision of the placement prior to adoption, transportation and the reasonable costs of lodging and food for the child and/or the adoptive parents when necessary to complete the placement or adoption process.

(j) Failure to honor all eligible claims will be considered non-compliance by the title IV-E agency with title IV-E of the Act.

(k) A title IV-E expenditure is considered made in the quarter during which the payment was made by a title IV-E agency to a private nonprofit agency, individual or vendor payee.

(i) Foster care maintenance payments as defined in section 475(4) of the Act, made in accordance with §§ 1356.20 through 1356.30, section 472 of the Act, and, for a Tribal title IV-E agency, section 479B of the Act; and

(ii) Adoption assistance payments made in accordance with §§ 1356.20 and 1356.40, applicable provisions of section 473, section 475(3), and, for a Tribal title IV-E agency, section 479B of the Act.

(2) Federal financial participation is available at the rate of the Federal medical assistance percentage as defined in section 1905(b), 474(a)(1) and (2), and 479B(d) of the Act as applicable, definitions, and pertinent regulations as promulgated by the Secretary, or the designee.

(b) *Federal matching funds for title IV-E agency training for foster care and adoption assistance under title IV-E.* (1) Federal financial participation is available at the rate of seventy-five percent (75%) in the costs of:

(i) Training personnel employed or preparing for employment by the title

IV-E agency administering the plan, and;

(ii) Providing short-term training (including travel and per diem expenses) to current or prospective foster or adoptive parents and the members of the state licensed or approved child care institutions providing care to foster and adopted children receiving title IV-E assistance.

(2) All training activities and costs funded under title IV-E shall be included in the agency's training plan for title IV-B.

(3) Short and long term training at educational institutions and in-service training may be provided in accordance with the provisions of §§ 235.63 through 235.66(a) of this title.

(c) *Federal matching funds for other title IV-E agency administrative expenditures for foster care and adoption assistance under title IV-E.* Federal financial participation is available at the rate of fifty percent (50%) for administrative expenditures necessary for the proper and efficient administration of the title IV-E plan. The State's cost allocation plan shall identify which costs are allocated and claimed under this program.

(1) The determination and redetermination of eligibility, fair hearings and appeals, rate setting and other costs directly related only to the administration of the foster care program under this part are deemed allowable administrative costs under this paragraph. They may not be claimed under any other section or Federal program.

(2) The following are examples of allowable administrative costs necessary for the administration of the foster care program:

- (i) Referral to services;
- (ii) Preparation for and participation in judicial determinations;
- (iii) Placement of the child;
- (iv) Development of the case plan;
- (v) Case reviews;
- (vi) Case management and supervision;

(xi) Costs related to legal representation described in paragraph (c)(4) of this section.

(3) Allowable administrative costs do not include the costs of social services provided to the child, the child's family or foster family which provide counseling or treatment to ameliorate or remedy personal problems, behaviors or home conditions.

(4) The following are allowable administrative costs of legal representation:

(i) Legal representation in foster care proceedings provided by an attorney representing the title IV-E agency or any other public agency (including an Indian tribe) which has an agreement in effect under which the other agency has placement and care responsibility of a title IV-E eligible child pursuant to 472(a)(2)(B)(ii) of the Act;

(ii) Independent legal representation provided by an attorney representing a child in title IV-E foster care, a child who is a candidate for title IV-E foster care, the child's parent(s), the child's relative caregiver(s), and the child's Indian custodian(s) in foster care and other civil legal proceedings as necessary to carry out the requirements in the agency's title IV-E foster care plan. Independent legal representation in civil proceedings includes facilitating, arranging, brokering, advocating, or otherwise linking clients with providers and services as identified in the child's case plan pursuant to sections 422, 471(a)(16), and 475 of the Act; and

(d) *Cost of the data collection system.*

(1) Costs related to data collection system initiation, implementation and operation may be charged as an administrative cost of title IV-E at the 50 percent matching rate subject to the restrictions in paragraph (d)(2) of this section

(2) For information systems used for purposes other than those specified by section 479 of the Act, costs must be allocated and must bear the same ratio as the foster care and adoption population bears to the total population contained in the information system as verified by reports from all other programs included in the system.

(e) *Federal matching funds for CCWIS and Non-CCWIS.* Federal matching funds are available at the rate of fifty percent (50%). Requirements for the cost allocation of CCWIS and non-CCWIS project costs are at §1355.57 of this chapter.

§§ 1356.65–1356.66 [Reserved]

§ 1356.67 Procedures for the transfer of placement and care responsibility of a child from a State to a Tribal title IV-E agency or an Indian Tribe with a title IV-E agreement.

(a) Each State with a title IV-E plan approved under section 471 of the Act must establish and maintain procedures, in consultation with Indian Tribes, for the transfer of responsibility for the placement and care of a child under a State title IV-E plan to a Tribal title IV-E agency or an Indian Tribe with a title IV-E agreement in a way that does not affect a child's eligibility for, or payment of, title IV-E and the child's eligibility for medical assistance under title XIX of the Act.

(b) The procedures must, at a minimum, provide for the State to:

(1) Determine, if the eligibility determination is not already completed, the child's eligibility under section 472 or 473 of the Act at the time of the transfer of placement and care responsibility

of a child to a Tribal title IV-E agency or an Indian Tribe with a title IV-E agreement.

(2) Provide essential documents and information necessary to continue a child's eligibility under title IV-E and Medicaid programs under title XIX to the Tribal title IV-E agency, including, but not limited to providing:

(i) All judicial determinations to the effect that continuation in the home from which the child was removed would be contrary to the welfare of the child and that reasonable efforts described in section 471(a)(15) of the Act have been made;

(ii) Other documentation the State has that relates to the child's title IV-E eligibility under sections 472 and 473 of the Act;

(iii) Information and documentation available to the agency regarding the child's eligibility or potential eligibility for other Federal benefits;

(iv) The case plan developed pursuant to section 475(1) of the Act, including health and education records of the child pursuant to section 475(1)(C) of the Act; and

(v) Information and documentation of the child's placement settings, including a copy of the most recent provider's license or approval.

§§ 1356.69–1356.70 [Reserved]

§ 1356.71 Federal review of the eligibility of children in foster care and the eligibility of foster care providers in title IV-E programs.

(a) *Purpose, scope and overview of the process.* (1) This section sets forth requirements governing Federal reviews of compliance with the title IV-E eligibility provisions as they apply to chil-

dren and foster care providers under paragraphs (a) and (b) of section 472 of the Act.

(2) The requirements of this section apply to title IV-E agencies that receive Federal payments for foster care under title IV-E of the Act.

(3) The review process begins with a primary review of foster care cases for the title IV-E eligibility requirements.

(i) *Title IV-E agencies in substantial compliance.* Title IV-E agencies determined to be in substantial compliance based on the primary review will be subject to another review in three years.

(ii) *Title IV-E agencies not in substantial compliance.* Title IV-E agencies that are determined not to be in substantial compliance based on the primary review will develop and implement a program improvement plan designed to correct the areas of non-compliance. A secondary review will be conducted after the completion of the program improvement plan. A subsequent primary review will be held three years from the date of the secondary review.

(b) *Composition of review team and preliminary activities preceding an on-site review.* (1) The review team must be composed of representatives of the title IV-E agency, and ACF's Regional and Central Offices.

(2) The title IV-E agency must provide ACF with the complete payment history for each of the sample and oversample cases prior to the on-site review.

(c) *Sampling guidance and conduct of review.* (1) The list of sampling units in the target population (*i.e.*, the sampling frame) will be drawn by ACF statistical staff from the Adoption and Foster Care Analysis and Reporting System (AFCARS) data which are transmitted by the title IV-E agency to ACF. The sampling frame will consist of cases of children who were eligible for foster care maintenance payments during the reporting period reflected in a title IV-E agency's most recent AFCARS data submission. For the initial primary review, if these data are not available or are deficient, an alternative sampling frame, consistent with one AFCARS six-month reporting period, will be selected by

ACF in conjunction with the title IV–E agency.

(2) A sample of 80 cases (plus a 10 percent oversample of eight cases) from the title IV–E foster care program will be selected for the primary review utilizing probability sampling methodologies. Usually, the chosen methodology will be simple random sampling, but other probability samples may be utilized, when necessary and appropriate.

(3) Cases from the oversample will be substituted and reviewed for each of the original sample of 80 cases which is found to be in error.

(4) At the completion of the primary review, the review team will determine the number of ineligible cases. When the total number of ineligible cases does not exceed eight, ACF can conclude with a probability of 88 percent that in a population of 1000 or more cases the population ineligibility case error rate is less than 15 percent and the title IV–E agency will be considered in substantial compliance. For primary reviews held subsequent to the initial primary reviews, the acceptable population ineligibility case error rate threshold will be reduced from less than 15 percent (eight or fewer ineligible cases) to less than 10 percent (four or fewer ineligible cases)). A title IV–E agency which meets this standard is considered to be in “substantial compliance” (see paragraph (h) of this section). A disallowance will be assessed for the ineligible cases for the period of time the cases are ineligible.

(5) A title IV–E agency which has been determined to be in “noncompliance” (*i.e.*, not in substantial compliance) will be required to develop a program improvement plan according to the specifications discussed in paragraph (i) of this section, as well as undergo a secondary review. For the secondary review, a sample of 150 cases (plus a 10 percent oversample of 15 cases) will be drawn from the most recent AFCARS submission. Usually, the chosen methodology will be simple random sampling, but other probability samples may be utilized, when necessary and appropriate. Cases from the oversample will be substituted and reviewed for each of the original sample of 150 cases which is found to be in error.

(6) At the completion of the secondary review, the review team will calculate both the sample case ineligibility and dollar error rates for the cases determined ineligible during the review. An extrapolated disallowance equal to the lower limit of a 90 percent confidence interval for the population total dollars in error for the amount of time corresponding to the AFCARS reporting period will be assessed if both the child/provider (case) ineligibility and dollar error rates exceed 10 percent. If neither, or only one, of the error rates exceeds 10 percent, a disallowance will be assessed for the ineligible cases for the period of time the cases are ineligible.

(d) *Requirements subject to review.* Title IV–E agencies will be reviewed against the requirements of title IV–E of the Act regarding:

(1) The eligibility of the children on whose behalf the foster care maintenance payments are made (section 472(a)(1)–(4) of the Act) to include:

(i) Judicial determinations regarding “reasonable efforts” and “contrary to the welfare” in accordance with § 1356.21(b) and (c), respectively;

(ii) Voluntary placement agreements in accordance with § 1356.22;

(iii) Responsibility for placement and care vested with the title IV–E or other public agency per section 472(a)(2)(B) of the Act;

(iv) Placement in a licensed foster family home or child care institution; and,

(v) Eligibility for AFDC under such State plan as it was in effect on July 16, 1996 per section 472(a)(3) or 479B(c)(1)(C)(ii)(II) of the Act, as appropriate.

(2) Allowable payments made to foster care providers who comport with sections 471(a)(10), 471(a)(20), 472(b) and (c), and 479B(c)(2) of the Act and § 1356.30.

(e) *Review instrument.* A title IV–E foster care eligibility review checklist will be used when conducting the eligibility review.

(f) *Eligibility determination—child.* The case record of the child must contain sufficient documentation to verify a child’s eligibility in accordance with paragraph (d)(1) of this section, in

order to substantiate payments made on the child's behalf.

(g) *Eligibility determination—provider.*

(1) For each case being reviewed, the title IV-E agency must make available a licensing file which contains the licensing history, including a copy of the certificate of licensure/approval or letter of approval, for each of the providers in the following categories:

- (i) Public child care institutions with 25 children or less in residence;
- (ii) Private child care institutions;
- (iii) Group homes; and
- (iv) Foster family homes, including relative homes.

(2) The licensing file must contain documentation that the title IV-E agency has complied with the safety requirements for foster and adoptive placements in accordance with §1356.30.

(3) If the licensing file does not contain sufficient information to support a child's placement in a licensed facility, the title IV-E agency may provide supplemental information from other sources (e.g., a computerized database).

(h) *Standards of compliance.* (1) Disallowances will be taken, and plans for program improvement required, based on the extent to which a title IV-E agency is not in substantial compliance with recipient or provider eligibility provisions of title IV-E, or applicable regulations in 45 CFR parts 1355 and 1356.

(2) Substantial compliance and non-compliance are defined as follows:

(i) *Substantial compliance*—For the primary review (of the sample of 80 cases), no more than eight of the title IV-E cases reviewed may be determined to be ineligible. (This critical number of allowable "errors," i.e., ineligible cases, is reduced to four errors or less in primary reviews held subsequent to the initial primary review). For the secondary review (if required), *substantial compliance* means either the case ineligibility or dollar error rate does not exceed 10 percent.

(ii) *Noncompliance*—means not in substantial compliance. For the primary review (of the sample of 80 cases), nine or more of the title IV-E cases reviewed must be determined to be ineligible. (This critical number of allowable "errors," i.e., ineligible cases, is reduced to five or more in primary re-

views subsequent to the initial primary review). For the secondary review (if required), *noncompliance* means both the case ineligibility and dollar error rates exceed 10 percent.

(3) ACF will notify the title IV-E agency in writing within 30 calendar days after the completion of the review of whether the title IV-E agency is, or is not, operating in substantial compliance.

(4) Title IV-E agencies which are determined to be in substantial compliance must undergo a subsequent review after a minimum of three years.

(i) *Program improvement plans.* (1) Title IV-E agencies which are determined to be in noncompliance with recipient or provider eligibility provisions of title IV-E, or applicable regulations in 45 CFR Parts 1355 and 1356, will develop a program improvement plan designed to correct the areas determined not to be in substantial compliance. The program improvement plan will:

(i) Be developed jointly by title IV-E agency and Federal staff;

(ii) Identify the areas in which the title IV-E agency's program is not in substantial compliance;

(iii) Not extend beyond one year. A title IV-E agency will have a maximum of one year in which to implement and complete the provisions of the program improvement plan unless State/Tribal legislative action is required. In such instances, an extension may be granted with the title IV-E agency and ACF negotiating the terms and length of such extension that shall not exceed the last day of the first legislative session after the date of the program improvement plan; and

(iv) Include:

(A) Specific goals;

(B) The action steps required to correct each identified weakness or deficiency; and,

(C) a date by which each of the action steps is to be completed.

(2) Title IV-E agencies determined not to be in substantial compliance as a result of a primary review must submit the program improvement plan to ACF for approval within 90 calendar days from the date the title IV-E agency receives written notification that it is not in substantial compliance. This

§ 1356.80

deadline may be extended an additional 30 calendar days when a title IV-E agency submits additional documentation to ACF in support of cases determined to be ineligible as a result of the on-site eligibility review.

(3) The ACF Regional Office will intermittently review, in conjunction with the title IV-E agency, the title IV-E agency's progress in completing the prescribed action steps in the program improvement plan.

(4) If a title IV-E agency does not submit an approvable program improvement plan in accordance with the provisions of paragraphs (i)(1) and (2) of this section, ACF will move to a secondary review in accordance with paragraph (c) of this section.

(j) *Disallowance of funds.* The amount of funds to be disallowed will be determined by the extent to which a title IV-E agency is not in substantial compliance with recipient or provider eligibility provisions of title IV-E, or applicable regulations in 45 CFR parts 1355 and 1356.

(1) Title IV-E agencies which are found to be in substantial compliance during the primary or secondary review will have disallowances (if any) determined on the basis of individual cases reviewed and found to be in error. The amount of disallowance will be computed on the basis of payments associated with ineligible cases for the entire period of time that each case has been ineligible.

(2) Title IV-E agencies which are found to be in noncompliance during the primary review will have disallowances determined on the basis of individual cases reviewed and found to be in error, and must implement a program improvement plan in accordance with the provisions contained within it. A secondary review will be conducted no later than during the AFCARS reporting period which immediately follows the program improvement plan completion date on a sample of 150 cases drawn from the title IV-E agency's most recent AFCARS data. If both the case ineligibility and dollar error rates exceed 10 percent, the title IV-E agency is not in compliance and an additional disallowance will be determined based on extrapolation from the sample to the universe of claims

45 CFR Ch. XIII (10-1-24 Edition)

paid for the duration of the AFCARS reporting period (*i.e.*, all title IV-E funds expended for a case during the quarter(s) that case is ineligible, including administrative costs). If either the case ineligibility or dollar rate does not exceed 10 percent, the amount of disallowance will be computed on the basis of payments associated with ineligible cases for the entire period of time the case has been determined to be ineligible.

(3) The title IV-E agency will be liable for interest on the amount of funds disallowed by the Department, in accordance with the provisions of 45 CFR 30.18.

(4) Title IV-E agencies may appeal any disallowance actions taken by ACF to the HHS Departmental Appeals Board in accordance with regulations at 45 CFR part 16.

§ 1356.80 Scope of the National Youth in Transition Database.

The requirements of the National Youth in Transition Database (NYTD) §§1356.81 through 1356.86 of this part apply to the agency in any State, the District of Columbia, or Territory, that administers, or supervises the administration of the Chafee Foster Care Independence Program (CFCIP) under section 477 of the Social Security Act (the Act).

[73 FR 10365, Feb. 26, 2008]

§ 1356.81 Reporting population.

The reporting population is comprised of all youth in the following categories:

(a) *Served population.* Each youth who receives an independent living service paid for or provided by the State agency during the reporting period.

(b) *Baseline population.* Each youth who is in foster care as defined in 45 CFR 1355.20 and reaches his or her 17th birthday during Federal fiscal year (FFY) 2011, and such youth who reach a 17th birthday during every third year thereafter.

(c) *Follow-up population.* Each youth who reaches his or her 19th or 21st birthday in a Federal fiscal year and had participated in data collection as

part of the baseline population, as specified in section 1356.82(a)(2) of this part. A youth has participated in the outcomes data collection if the State agency reports to ACF a valid response (*i.e.*, a response option other than “declined” and “not applicable”) to any of the outcomes-related elements described in section 1356.83(g)(37) through (g)(58) of this part.

[73 FR 10365, Feb. 26, 2008]

§ 1356.82 Data collection requirements.

(a) The State agency must collect applicable information as specified in section 1356.83 of this part on the reporting population defined in section 1356.81 of this part in accordance with the following:

(1) For each youth in the served population, the State agency must collect information for the data elements specified in section 1356.83(b) and 1356.83(c) of this part on an ongoing basis, for as long as the youth receives services.

(2) For each youth in the baseline population, the State agency must collect information for the data elements specified in section 1356.83(b) and 1356.83(d) of this part. The State agency must collect this information on a new baseline population every three years.

(i) For each youth in foster care who turns age 17 in FFY 2011, the State agency must collect this information within 45 days following the youth's 17th birthday, but not before that birthday.

(ii) Every third Federal fiscal year thereafter, the State agency must collect this information on each youth in foster care who turns age 17 during the year within 45 days following the youth's 17th birthday, but not before that birthday.

(iii) The State agency must collect this information using the survey questions in appendix B of this part entitled “Information to collect from all youth surveyed for outcomes, whether in foster care or not.”

(3) For each youth in the follow-up population, the State agency must collect information on the data elements specified in sections 1356.83(b) and 1356.83(e) of this part within the reporting period of the youth's 19th and 21st birthday. The State agency must col-

lect the information using the appropriate survey questions in appendix B of this part, depending upon whether the youth is in foster care.

(b) The State agency may select a sample of the 17-year-olds in the baseline population to follow over time consistent with the sampling requirements described in section 1356.84 of this part to satisfy the data collection requirements in paragraph (a)(3) of this section for the follow-up population. A State that samples must identify the youth at age 19 who participated in the outcomes data collection as part of the baseline population at age 17 who are not in the sample in accordance with 45 CFR 1356.83(e).

[73 FR 10365, Feb. 26, 2008]

The record number must be encrypted in accordance with ACF standards. Indicate the record number for the youth.

(i) If the youth is in foster care as defined in 45 CFR 1355.20 or was during the current or previous reporting period, the State agency must use and report to the NYTD the same person identification number for the youth the State agency reports to AFCARS. The person identification number must remain the same for the youth wherever the youth is living and in any subsequent NYTD reports.

(ii) If the youth was never in the State's foster care system as defined in 45 CFR 1355.20, the State agency must assign a person identification number that must remain the same for the youth wherever the youth is living and in any subsequent reports to NYTD.

(4) *Date of birth.* The youth's date of birth. Indicate the year, month, and day of the youth's birth.

(5) *Sex.* The youth's sex. Indicate whether the youth is male or female as appropriate.

(6) *Race: American Indian or Alaska Native.* In general, a youth's race is determined by the youth or the youth's parent(s). An American Indian or Alaska Native youth has origins in any of the original peoples of North or South America (including Central America), and maintains tribal affiliation or community attachment. Indicate whether this racial category applies for the youth, with a "yes" or "no."

(7) *Race: Asian.* In general, a youth's race is determined by the youth or the youth's parent(s). An Asian youth has origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam. A Native Hawaiian or Other Pacific Islander youth has origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands. Indicate whether this racial category applies for the youth, with a "yes" or "no."

(10) *Race: White.* In general, a youth's race is determined by the youth or the youth's parent(s). A White youth has origins in any of the original peoples of Europe, the Middle East, or North Africa. Indicate whether this racial category applies for the youth, with a "yes" or "no."

(11) *Race: unknown.* The race, or at least one race of the youth is unknown, or the youth and/or parent is not able to communicate the youth's race. Indicate whether this category applies for the youth, with a "yes" or "no."

(14) *Foster care status—services.* The youth receiving services is or was in foster care during the reporting period if the youth is or was in the placement and care responsibility of the State title IV-B/IV-E agency in accordance with the definition of foster care in 45 CFR 1355.20. Indicate whether the youth is or was in foster care at any point during the reporting period, with a “yes” or “no” as appropriate. If the youth is not in the served population this element must be left blank.

(15) *Local agency.* The local agency is the county or equivalent jurisdictional unit that has primary responsibility for placement and care of a youth who is in foster care consistent with the definition in 45 CFR 1355.20, or that has primary responsibility for providing services to a youth who is not in foster care. Indicate the five-digit Federal Information Processing Standard (FIPS) code(s) that corresponds to the identity of the county or equivalent unit jurisdiction(s) that meets these criteria during the reporting period. If a youth who is not in foster care is provided services by a centralized unit only, rather than a county agency, indicate “centralized unit.” If the youth is not in the served population this element must be left blank.

(16) *Federally recognized tribe.* The youth is enrolled in or eligible for membership in a federally recognized tribe. The term “federally recognized tribe” means any Indian tribe, band, nation, or other organized group or

For example, for a youth currently in 11th grade, “10th grade” is the highest educational level completed. Post-secondary education or training refers to any post-secondary education or training, other than an education pursued at a college or university. College refers to completing at least a semester of study at a college or university. Indicate the highest educational level completed by the youth during the reporting period. If the youth is not in the served population this element must be left blank.

(19) *Special education.* The term “special education,” means specifically designed instruction, at no cost to parents, to meet the unique needs of a child with a disability. Indicate whether the youth has received special education instruction during the reporting period with a “yes” or “no” as appropriate. If the youth is not in the served population this element must be left blank.

(20) *Independent living needs assessment.* An independent living needs assessment is a systematic procedure to identify a youth’s basic skills, emotional and social capabilities, strengths, and needs to match the youth with appropriate independent living services. An independent living

needs assessment may address knowledge of basic living skills, job readiness, money management abilities, decision-making skills, goal setting, task completion, and transitional living needs. Indicate whether the youth received an independent living needs assessment that was paid for or provided by the State agency during the reporting period with a “yes” or “no” as appropriate. If the youth is not in the served population this element must be left blank.

(21) *Academic support.* Academic supports are services designed to help a youth complete high school or obtain a General Equivalency Degree (GED). Such services include the following: Academic counseling; preparation for a GED, including assistance in applying for or studying for a GED exam; tutoring; help with homework; study skills training; literacy training; and help accessing educational resources. Academic support does not include a youth’s general attendance in high school. Indicate whether the youth received academic supports during the reporting period that were paid for or provided by the State agency with a “yes” or “no” as appropriate. (b) The State agency must select the follow-up sample using simple random sampling procedures based on random numbers generated by a computer program, unless ACF approves another sampling procedure. The sampling universe consists of youth in the baseline population consistent with 45 CFR 1356.81(b) who participated in the State agency's data collection at age 17.

(c) The sample size is based on the number of youth in the baseline population who participated in the State agency's data collection at age 17.

(1) If the number of youth in the baseline population who participated in the outcome data collection at age 17 is 5,000 or less, the State agency must calculate the sample size using the formula in appendix C of this part, with the Finite Population Correction (FPC). (c) *Errors.* ACF will assess each State agency's data file for the following types of errors: Missing data, out-of-range data, or internally inconsistent data. The amount of errors acceptable for each reporting period is described in paragraphs (a) and (b) of this section.

(1) Missing data is any element that has a blank response when a blank response is not a valid response option as described in section 1356.83(g) of this part.

(2) Out-of-range data is any element that contains a value that is outside the parameters of acceptable responses or exceeds, either positively or negatively, the acceptable range of response options as described in section 1356.83(g) of this part; and

(3) Internally inconsistent data is any element that fails an internal consistency check designed to evaluate the logical relationship between elements in each record. The evaluation will identify all elements involved in a particular check as in error.

(d) *Review for compliance.* (1) ACF will determine whether a State agency's data file for each reporting period is in compliance with the file submission standards and data standards in paragraphs (a) and (b) of this section.

(i) For State agencies that achieve the file submission standards, ACF will determine whether the State agency's data file meets the data standards.

(ii) For State agencies that do not achieve the file submission standards

45 CFR Ch. XIII (10–1–24 Edition)

or data standards, ACF will notify the State agency that they have an opportunity to submit a corrected data file by the end of the subsequent reporting period in accordance with paragraph (e) of this section.

(2) ACF may use monitoring tools or assessment procedures to determine whether the State agency is meeting all the requirements of section 1356.81 through 1356.85 of this part.

(e) *Submitting corrected data and non-compliance.* A State agency that does not submit a data file that meets the standards in section 1356.85 of this part will have an opportunity to submit a corrected data file in accordance with paragraphs (e)(1) and (e)(2) of this section.

(1) A State agency must submit a corrected data file no later than the end of the subsequent reporting period as defined in section 1356.83(a) of this part (i.e., by September 30 or March 31).

(2) If a State agency fails to submit a corrected data file that meets the compliance standards in section 1356.85 of this part and the deadline in paragraph (e)(1) of this section, ACF will make a final determination that the State is out of compliance, notify the State agency, and apply penalties as defined in section 1356.86 of this part.

[73 FR 10365, Feb. 26, 2008]

§ 1356.86 Penalties for noncompliance.

(a) *Definition of Federal funds subject to a penalty.* The funds that are subject to a penalty are the CFCIP funds allocated or reallocated to the State agency under section 477(c)(1) of the Act for the Federal fiscal year that corresponds with the reporting period for which the State agency was required originally to submit data according to section 1356.83(a) of this part.

(b) *Assessed penalty amounts.* ACF will assess penalties in the following amounts, depending on the area of non-compliance:

(1) *Penalty for not meeting file submission standards.* ACF will assess a penalty in an amount equivalent to two and one half percent (2.5%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the file

submission standards defined in section 1356.85(a) of this part.

(2) *Penalty for not meeting certain data standards.* ACF will assess a penalty in an amount equivalent to:

(i) One and one quarter percent (1.25%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the data standard for error-free data as defined in section 1356.85(b)(1) of this part.

(ii) One and one quarter percent (1.25%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the outcome universe standard defined in section 1356.85(b)(2) of this part.

(iii) One half of one percent (0.5%) of the funds subject to a penalty for each reporting period in which ACF makes a final determination that the State agency's data file does not comply with the participation rate for youth in foster care standard defined in section 1356.85(b)(3)(i) of this part.

(iv) One half of one percent (0.5%) of the funds subject to a penalty for each reporting period in which ACF makes a

final determination that the State agency's data file does not comply with the participation rate for discharged youth standard defined in section 1356.85(b)(3)(ii) of this part.

(c) *Calculation of the penalty amount.* ACF will add together any assessed penalty amounts described in paragraphs (b)(1) or (b)(2) of this section to determine the total calculated penalty result. If the total calculated penalty result is less than one percent of the funds subject to a penalty, the State agency will be penalized in the amount of one percent.

(d) *Notification of penalty amount.* ACF will advise the State agency in writing of a final determination of non-compliance and the amount of the total calculated penalty as determined in paragraph (c) of this section.

(e) *Interest.* The State agency will be liable for interest on the amount of funds penalized by the Department, in accordance with the provisions of 45 CFR 30.18.

(f) *Appeals.* The State agency may appeal, pursuant to 45 CFR part 16, ACF's final determination to the HHS Departmental Appeals Board.

APPENDIX C TO PART 1356—CALCULATING SAMPLE SIZE FOR NYTD FOLLOW-UP POPULATIONS

1. Using Finite Population Correction

The Finite Population Correction (FPC) is applied when the sample is drawn from a

population of one to 5,000 youth, because the sample is more than five percent of the population.

$$\bullet \text{ Sample size with FPC} = \frac{(\text{Py})(\text{Pn}) + \text{Std. error}^2}{\text{Std. error}^2 + \frac{(\text{Py})(\text{Pn})}{N}}$$

• (Py)(Pn), an estimate of the percent of responses to a dichotomous variable, is (.50)(.50) for the most conservative estimate.

$$\bullet \text{ Standard error} = \frac{\text{Acceptable level of error}}{Z \text{ coefficient}}$$

• Acceptable level of error = .05 (results are plus or minus five percentage points from the actual score)

• Z = 1.645 (90 percent confidence interval)

$$\bullet \text{ Standard error, 90 percent confidence interval} = \frac{.05}{1.645} = .0303951$$

• N = number of youth from whom the sample is being drawn

2. Not Using Finite Population Correction

The FPC is not applied when the sample is drawn from a population of over 5,000 youth.

$$\bullet \text{ Sample size without FPC, 90 percent confidence interval} = \frac{(\text{Py})(\text{Pn})}{\text{Std. Error}^2} = \frac{(.50)(.50)}{(.0303951)^2} = 271$$

(b) *Eligibility.* Child and family services under title IV-B, subparts 1 and 2, must be available on the basis of need for services and must not be denied on the basis of income or length of residence in the State or within the Indian Tribe's jurisdiction.

(c) *Definitions.*

Child and Family Services Plan (CFSP) means the document, developed through joint planning, which describes the publicly-funded State child and family services continuum (family support and family preservation services; child welfare services, including child abuse and neglect prevention, intervention, and treatment services; services to support reunification, adoption, kinship care, foster care, independent living, or other permanent living arrangements). For Indian Tribes, the document describes the child welfare and/or family preservation and support services to be provided by the Indian Tribe; includes goals and objectives both for improved outcomes for the safety, permanency and well-being of children and families and for service delivery system reform; specifies the services and other implementation activities that will be undertaken to carry out the goals and objectives; and includes plans for program improvement and allocation of resources.

Child welfare services means public social services directed to accomplish the following purposes:

(1) Protecting and promoting the welfare and safety of all children, including individuals with disabilities; homeless, dependent, or neglected children;

(2) Preventing or remedying, or assisting in the solution of problems which may result in the neglect, abuse, exploitation, or delinquency of children;

(3) Preventing the unnecessary separation of children from their families by identifying family problems and assisting families in resolving their problems and preventing the breakup of the family where the prevention of child removal is desirable and possible;

(4) Restoring to their families children who have been removed and may be safely returned, by the provision of services to the child and the family;

(5) Assuring adequate care of children away from their homes, in cases where the child cannot be returned home or cannot be placed for adoption; and

(6) Placing children in suitable adoptive homes, in cases where restoration to the biological family is not possible or appropriate.

Children refers to individuals from birth to the age of 21 (or such age of majority as provided under State law) including infants, children, youth, adolescents, and young adults.

Community-based services refers to programs delivered in accessible settings in the community and responsive to the needs of the community and the individuals and families residing therein. These services may be provided under public or private nonprofit auspices.

Families includes, but is not limited to, biological, adoptive, foster, and extended families.

Family preservation services refers to services for children and families designed to protect children from harm and help families (including foster, adoptive, and extended families) at risk or in crisis, including—

(1) Preplacement preventive services programs, such as intensive family preservation programs, designed to help children at risk of foster care placement remain with their families, where possible;

(2) Service programs designed to help children, where appropriate, return to families from which they have been removed; or be placed for adoption, with a legal guardian, or, if adoption or legal guardianship is determined not to be appropriate for a child, in some

45 CFR Ch. XIII (10–1–24 Edition)

other planned, permanent living arrangement;

(3) Service programs designed to provide follow-up care to families to whom a child has been returned after a foster care placement;

(4) Respite care of children to provide temporary relief for parents and other caregivers (including foster parents);

(5) Services designed to improve parenting skills (by reinforcing parents' confidence in their strengths, and helping them to identify where improvement is needed and to obtain assistance in improving those skills) with respect to matters such as child development, family budgeting, coping with stress, health, and nutrition; and

(6) Case management services designed to stabilize families in crisis such as transportation, assistance with housing and utility payments, and access to adequate health care.

Family support services means community-based services to promote the well-being of children and families designed to increase the strength and stability of families (including adoptive, foster, and extended families), to increase parents' confidence and competence in their parenting abilities, to afford children a stable and supportive family environment, and otherwise to enhance child development. Family support services may include:

(1) Services, including in-home visits, parent support groups, and other programs designed to improve parenting skills (by reinforcing parents' confidence in their strengths, and helping them to identify where improvement is needed and to obtain assistance in improving those skills) with respect to matters such as child development, family budgeting, coping with stress, health, and nutrition;

(2) Respite care of children to provide temporary relief for parents and other caregivers;

(3) Structured activities involving parents and children to strengthen the parent-child relationship;

(4) Drop-in centers to afford families opportunities for informal interaction with other families and with program staff;

(5) Transportation, information and referral services to afford families access to other community services, in-

cluding child care, health care, nutrition programs, adult education literacy programs, legal services, and counseling and mentoring services; and

(6) Early developmental screening of children to assess the needs of such children, and assistance to families in securing specific services to meet these needs.

Joint planning means an ongoing partnership process between ACF and the State and between ACF and an Indian Tribe in the development, review, analysis, and refinement and/or revision of the State's and the Indian Tribe's child and family services plan. Joint planning involves discussions, consultation, and negotiation between ACF and the State or Indian Tribe in all areas of CFSP creation such as, but not limited to, identifying the service needs of children, youth, and families; selecting the unmet service needs that will be addressed; developing goals and objectives that will result in improving outcomes for children and families; developing a plan to meet the matching requirements; and establishing a more comprehensive, coordinated and effective child and family services delivery system. The expectation of joint planning is that both ACF and the State or Indian Tribe will reach agreement on substantive and procedural matters related to the CFSP.

[61 FR 58655, Nov. 18, 1996]

§ 1357.15 Comprehensive child and family services plan requirements.

(a) *Scope.* (1) The CFSP provides an opportunity to lay the groundwork for a system of coordinated, integrated, culturally relevant family focused services. This section describes the requirements for the development, implementation and phase-in of the five-year comprehensive child and family services plan (CFSP). The State's CFSP must meet the requirements of both of the following programs. The Indian Tribe's CFSP must meet the requirements of one or both of the following programs depending on the Tribe's eligibility:

(i) Child welfare services under title IV-B, subpart 1; and

(ii) Family preservation and family support services under title IV-B, subpart 2.

§ 1357.15

(2) For States only, the CFSP also must contain information on the following programs:

(i) The independent living program under title IV-E, section 477 of the Act; and

(ii) The Child Abuse and Neglect State grant program (known as the Basic State Grant) under the Child Abuse Prevention and Treatment Act (CAPTA) (42 U.S.C. 5101 et. seq.).

(3) States must meet all requirements of this section except those that apply only to Indian Tribes. Indian Tribes must meet the requirements of this section only as specified.

(4) States and eligible Indian Tribes have the option to phase-in the requirements for a consolidated CFSP. The consolidated CFSP requirements must be in place by June 30, 1997 and meet the requirements of 45 CFR 1357.16.

(b) *Eligibility for funds.* (1) In order to receive funding under title IV-B, subparts 1 and 2, each State and eligible Indian Tribe must submit and have approved a consolidated, five-year Child and Family Services Plan (CFSP) and a CFS-101, Budget Request and Estimated Expenditure Report that meets the requirements under 45 CFR 1357.16.

(2) States and Indian Tribes that are consolidating the requirements for a CFSP in FY 1995, in accordance with §1357.15(a), must submit the CFSP and a CFS-101 for FY 1995 and 1996 by June 30, 1995.

(5) By June 30, 1996, each grantee must submit and have approved the

45 CFR Ch. XIII (10-1-24 Edition)

first Annual Progress and Services Report and a CFS 101 for FY 1997 that meets the statutory and regulatory requirements of title IV-B, subparts 1 and 2.

(6) The Annual Progress and Services Report will be approved if it was developed jointly by ACF and the State (or the Indian Tribe) and if it meets the requirements of 45 CFR 1357.16.

(7) The five-year CFSP for FYs 1995-1999 may be submitted in the format of the State's or the Indian Tribe's choice and must be submitted no later than June 30, 1995, to the appropriate ACF Regional Office.

(c) *Assurances.* The following assurances will remain in effect on an ongoing basis and will need to be re-submitted only if a significant change in the State or the Indian Tribe's program affects an assurance:

(1) The State or Indian Tribe must assure that it will participate in any evaluations the Secretary of HHS may require.

(2) The State or Indian Tribe must assure that it will administer the CFSP in accordance with methods determined by the Secretary to be proper and efficient.

(3) The State or Indian Tribe must assure that it has a plan for the training and use of paid paraprofessional staff, with particular emphasis on the full-time or part-time employment of low-income persons, as community service aides; and a plan for the use of nonpaid or partially paid volunteers in providing services and in assisting any advisory committees established by the State or Tribe.

(4) The State or Indian Tribe must assure that standards and requirements imposed with respect to child care under title XX shall apply with respect to day care services, if provided under the CFSP, except insofar as eligibility for such services is involved.

(d) *The child and family services plan (CFSP): general.* The State and the Indian Tribe must base the development of the CFSP on a planning process that includes:

(1) broad involvement and consultation with a wide range of appropriate public and non-profit private agencies and community-based organizations,

parents, including parents who are involved or have experience with the child welfare system, and others;

(2) coordination of the provision of services under the plan with other Federal and federally assisted programs serving children and families, including youth and adolescents; and

(3) collection of existing or available information to help determine vulnerable or at-risk populations or target areas; assess service needs and resources; identify gaps in services; select priorities for targeting funding and services; formulate goals and objectives; and develop opportunities for bringing about more effective and accessible services for children and families.

(e) *State agency administering the programs.* (1) The State's CFSP must identify the name of the State agency that will administer the title IV-B programs under the plan. Except as provided by statute, the same agency is required to administer or supervise the administration of all programs under titles IV-B and IV-E of the Act and the social services block grant program under title XX of the Act. (See the definition of "State agency" in 45 CFR 1355.20.)

(2) The CFSP must include a description of the organization and function of the State agency and organizational charts as appropriate. It also must identify the organizational unit(s) within the State agency responsible for the operation and administration of the CFSP, and include a description of the unit's organization and function and a copy of the organizational chart(s).

(f) *Indian Tribal organization administering the program(s).* (1) The Indian Tribe's CFSP must provide the name of the Indian Tribal organization (ITO) designated to administer funds under title IV-B, subpart 1, child welfare services and/or under subpart 2, family preservation and family support services. If the Indian Tribe receives funds under both subparts, the same agency or organization must administer both programs.

(2) The Indian Tribe's CFSP must include a description of the organization and function of the office responsible for the operation and administration of the CFSP, an organizational chart of

that office, and a description of how that office relates to Tribal and other offices operating or administering services programs within the Indian Tribe's service area (e.g., Indian Health Service.)

(g) *Vision Statement.* The CFSP must include a vision statement which articulates the grantee's philosophy in providing child and family services and developing or improving a coordinated service delivery system. The vision should reflect the service principles at section 1355.25.

(h) *Goals.* The CFSP must specify the goals, based on the vision statement, that will be accomplished during and by the end of the five-year period of the plan. The goals must be expressed in terms of improved outcomes for and the safety, permanency and well-being of children and families, and in terms of a more comprehensive, coordinated, and effective child and family service delivery system.

(i) *Objectives.* (1) The CFSP must include the realistic, specific, quantifiable and measurable objectives that will be undertaken to achieve each goal. Each objective should focus on outcomes for children, youth, and/or their families or on elements of service delivery (such as quality) that are linked to outcomes in important ways. Each objective should include both interim benchmarks and a long-term timetable, as appropriate, for achieving the objective.

(2) For States and Indian Tribes administering the title IV-B, subpart 1 program, the CFSP must include objectives to make progress in covering additional political subdivisions, reaching additional children in need of services, expanding and strengthening the range of existing services, and developing new types of services.

(j) *Measures of progress.* The CFSP must describe the methods to be used in measuring the results, accomplishments, and annual progress toward meeting the goals and objectives, especially the outcomes for children, youth, and families. Processes and procedures assuring the production of valid and reliable data and information must be specified. The data and information must be capable of determining

whether or not the interim benchmarks and multiyear timetable for accomplishing CFSP goals and objectives are being met.

(k) *Baseline information.* (1) For FY 1995, the State and the Indian Tribe must base the development of the CFSP vision, goals, objectives, and funding and service decisions on an analysis of available baseline information and any trends over time on indicators in the following areas: the well-being of children and families; the needs of children and families; the nature, scope, and adequacy of existing child and family and related social services. Additional and updated information on service needs and organizational capacities must be obtained throughout the five-year period to measure progress in accomplishing the goals and objectives cited in the CFSP. A description of how this process will continue to be carried out must be included in the CFSP, and any revisions should be provided in the Annual Progress and Services Report.

(2) The State must collect and analyze State-wide information on family preservation and family support services currently available to families and children, including the nature and scope of existing public and privately funded family support and family preservation services; the extent to which each service is available and being provided in different geographic areas and to different types of families; and important gaps in service, including mismatches between available services and family needs as identified through baseline data and the consultation process. Other services which impact on the ability to preserve and support families may be included in the assessment. The Indian Tribe must collect and analyze information on family preservation and family support services currently available within their service delivery area including the information in this paragraph as appropriate. An Indian Tribe may submit documentation prepared to satisfy the requirements of other Federal child welfare grants, or contracts (such as the section 638 reporting form), along with a descriptive addendum addressing specifically the family preservation and family support services available.

(3) The CFSP must include a summary of the information used in developing the plan; an explanation of how this information and analysis were used in developing the goals, objectives, and funding and service decisions, including decisions about geographic targeting and service mix; a description of how information will be used to measure progress over the five-year period; and how this information will be used to facilitate the coordination of services.

(1) *Consultation.* (1) The State's CFSP must describe the internal and external consultation process used to obtain broad and active involvement of major actors across the entire spectrum of the child and family service delivery system in the development of the plan. The description should explain how this process was coordinated with or was a part of other planning processes in the State; how it led or will lead to improved coordination of services.

(2) The Indian Tribe's CFSP must describe the consultation process appropriate to its needs and circumstances used to obtain the active involvement of major actors providing child and family services within the Tribe's area of jurisdiction.

(3) For States and Indian Tribes, the consultation process must involve:

(iv) Parents, including birth and adoptive parents, foster parents, families with a member with a disability,

children both in and outside the child welfare system, and consumers of services from diverse groups;

(v) For States, representatives of Indian Tribes within the State;

(vi) For States, representatives of local government (e.g., counties, cities, and other communities, neighborhoods, or areas where needs for services are great;)

(vii) Representatives of professional and advocacy organizations (including, for example foundations and national resource centers with expertise to assist States and Indian Tribes to design, expand, and improve the delivery of services); individual practitioners working with children and families; the courts; representatives or other States or Indian Tribes with experience in administering family preservation and family support services; and academicians, especially those assisting the child and family service agency with management information systems, training curricula, and evaluations;

(viii) Representatives of State and local agencies administering Federal and federally assisted programs which may include: Head Start; the local education agency (school-linked social services, adult education and literacy programs, Part H programs); developmental disabilities; nutrition services (Food Stamps, Special Supplemental Food Program for Women, Infants and Children (WIC)); Title IV-A; runaway youth, youth gang, juvenile justice programs and youth residential and training institutions; child care and development block grant (CCDBG) and respite care programs; domestic and community violence prevention and services programs; housing programs; the health agency (substance abuse, Healthy Start, maternal and child health, Early and Periodic Screening, Diagnosis, and Treatment (EPSDT), mental health, and public health nursing); law enforcement; Children's Trust Funds; Community-Based Family Resource Programs, and new Federal initiatives such as the Empowerment Zones and Enterprise Communities Program; and

(ix) Administrators, supervisors and front line workers (direct service providers) of the State child and family services agency.

(4) The CFSP must describe the ongoing consultation process that each grantee will use to ensure the continued involvement of a wide range of major actors in meeting the goals and objectives over the five-year operational period of the plan and developing the Annual Progress and Services Report.

(m) *Services coordination.* (1) States must include in the ongoing coordination process representatives of the full range of child and family services provided by the State agency as well as other service delivery systems providing social, health, education, and economic services (including mental health, substance abuse, developmental disabilities, and housing) to improve access and deliver a range of services to children and their families.

(2) The State's CFSP must describe how services under the plan will be coordinated over the five-year period with services or benefits under other Federal or federally assisted programs serving the same populations to achieve the goals and objectives in the plan. The description must include the participants in the process and examples of how the process led or will lead to additional coordination of services (e.g., integrated service models, improved accessibility, use of a consolidated application or intake form, inter-disciplinary training, coordinated case management for several programs, pooled resources through blended financing, shared information across services providers and compatible and linked automated information systems, co-location of several services or programs.)

(3) The Indian Tribe must include in the coordination process representatives of other Federal or federally assisted child and family services or related programs. The Indian Tribe's CFSP must describe how services under the plan will be coordinated over the five-year period with services or benefits under other Federal or federally assisted programs serving the same populations to achieve the goals and objectives in the plan. The descriptions must include the participants in the process and any examples of how the process led or will lead to additional coordination of services.

(n) *Services.* (1) The State's CFSP must describe the publicly funded child and family services continuum: child welfare services (including child abuse and neglect prevention, intervention, and treatment services; and foster care); family preservation services; family support services; and services to support reunification, adoption, kinship care, independent living, or other permanent living arrangements.

(2) The Indian Tribe's CFSP must describe the child welfare services (including child abuse and neglect prevention, intervention, treatment services and foster care) and/or the family support and family preservation services to be provided.

(3) For each service described, the CFSP must include the following information, or it must be listed on the CFS-101, Part II:

- (i) The population(s) to be served;
- (ii) The geographic area(s) where the services will be available;
- (iii) The estimated number of individuals and/or families to be served;
- (iv) The estimated expenditures for these services from Federal, State, local, and donated sources, including title IV-B, subparts 1 and 2, the CAPTA program referenced in paragraph (a) of this section, and the independent living program.

(o) *Family preservation and family support services and linkages to other social and health services.* (1) The State's CFSP must explain how the funds under title IV-B, subpart 2 of the Act, will be used to develop or expand family support and family preservation services; how the family support and family preservation services relate to existing family support and family preservation services; and how these family support and preservation services will be linked to other services in the child and family services continuum.

(2) The State's CFSP must explain whether and/or how funds under the CAPTA and independent living programs are coordinated with and integrated into the child and family services continuum described in the plan.

(3) The State's CFSP must describe the existing or current linkages and the coordination of services between the services in the child and family

services continuum and the services in other public services systems (e.g., health, education, housing, substance abuse, the courts), and other Federal and non-federally funded public and nonprofit private programs (e.g., Children's Trust Funds, Community-Based Family Resource Programs, private foundations.)

(p) *Services in relation to service principles.* The CFSP must describe how the child and family services to be provided are designed to assure the safety and protection of children as well as the preservation and support of families, and how they are or will be designed to be consistent with the other service principles in 45 CFR 1355.25.

(q) *Services in relation to permanency planning.* For States administering both title IV-B programs (subparts 1 and 2), the CFSP must explain how these services will help meet the permanency provisions for children and families in sections 422(b)(9) and 471 of the Act (e.g., preplacement preventive services, reunification services, independent living services.) The CFSP must describe the arrangements, jointly developed with the Indian Tribes within its borders, made for the provision of the child welfare services and protections in section 422(b)(9) to Indian children under both State and Tribal jurisdiction.

(r) *Decision-making process: selection of family support programs for funding.* The State's CFSP must include an explanation of how agencies and organizations were selected for funding to provide family support services and how these agencies and organizations meet the requirement that family support services be community-based.

(s) *Significant portion of funds used for family support and family preservation services.* With each fiscal year's budget request, each State must indicate the specific percentage of family preservation and family support funds (title IV-B, subpart 2) that the State will expend for community-based family support and for family preservation services, and the rationale for the decision. The State must have an especially strong rationale if the request for either percentage is below 25 percent. It must also include an explanation of how this distribution was reached and why it

meets the requirements that a “significant portion” of the service funds must be spent for each service. Examples of important considerations might include the nature of the planning efforts that led to the decision, the level of existing State effort in each area, and the resulting need for new or expanded services.

(t) *Staff training, technical assistance, and evaluation.* (1) The State’s CFSP must include a staff development and training plan in support of the goals and objectives in the CFSP which addresses both of the title IV-B programs covered by the plan. This training plan also must be combined with the training plan under title IV-E as required by 45 CFR 1356.60(b)(2). Training must be an on-going activity and must include content from various disciplines and knowledge bases relevant to child and family services policies, programs and practices. Training content must also support the cross-system coordination consultation basic to the development of the CFSP.

(2) The State’s CFSP must describe the technical assistance activities that will be undertaken in support of the goals and objectives in the plan.

(3) The State’s CFSP must describe any evaluation and research activities underway or planned with which the State agency is involved or participating and which are related to the goals and objectives in the plan.

(u) *Quality assurance.* The State must include in the CFSP a description of the quality assurance system it will use to regularly assess the quality of services under the CFSP and assure that there will be measures to address identified problems.

(v) *Distribution of the CFSP and the annual progress and services report.* The CFSP must include a description of how the State and the Indian Tribe will make available to interested parties the CFSP and the Annual Progress and Services Report. (See 45 CFR 1355.21(c) and 45 CFR 1357.16(d)). State agencies and Indian Tribal organizations within the State must exchange copies of

their CFSPs and their annual services reports.

(This requirement has been approved by the Office of Management and Budget under OMB Control Number 0980-0047. In accordance with the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.)

(ii) the State will be able to expend the additional funds during the period stated in paragraph (i) of this section.

(i) *Time limit on expenditures.* Funds under title IV-B, subpart 1, must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

(a) *Scope.* The requirements of this section apply to all funds allocated to States under title IV-B, subpart 2, of the Act.

(b) *Allotments.* The annual allotment to each State shall be made in accordance with section 433 of the Act.

(c) *Payments.* Payments to each State will be made in accordance with section 434 of the Act.

(d) *Matching or cost sharing.* Funds used to provide services in FY 1994 and in subsequent years will be federally reimbursed at 75 percent of allowable expenditures. Administration for Children and Families, HHS

§ 1357.40

(1) The State's contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(2) Except as provided by Federal statute, other Federal funds may not be used to meet the matching requirement.

(e) *Prohibition against purchase or construction of facilities.* Funds awarded under title IV-B may not be used for the purchase or construction of facilities.

(f) *Maintenance of effort.* States may not use the Federal funds under title IV-B, subpart 2, to supplant Federal or non-Federal funds for existing family preservation and family support services. For the purpose of implementing this requirement, "non-Federal funds" means State funds. ACF will collect information annually from each State on expenditures for family support and family preservation using the State fiscal year 1992 as the base year.

(g) *Time limits on expenditures.* Funds must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

(h) *Administrative costs.* (1) States claiming Federal financial participation for services provided in FY 1994 and subsequent years may not claim more than 10 percent of expenditures under subpart 2 for administrative costs. There is no limit on the percentage of administrative costs which may be reported as State match.

(2) For the purposes of title IV-B, subpart 2, "administrative costs" are costs of auxiliary functions as identified through as agency's accounting system which are:

(i) Allocable (in accordance with the agency's approved cost allocation plan) to the title IV-B, subpart 2 program cost centers;

(ii) necessary to sustain the direct effort involved in administering the State plan for title IV-B, subpart 2, or an activity providing service to the program; and

(iii) centralized in the grantee department or in some other agency, and may include but are not limited to the following: Procurement; payroll; personnel functions; management, maintenance and operation of space and property; data processing and com-

puter services; accounting; budgeting; auditing.

(3) Program costs are costs, other than administrative costs, incurred in connection with developing and implementing the CFSP (e.g., delivery of services, planning, consultation, coordination, training, quality assurance measures, data collection, evaluations, supervision).

[61 FR 58661, Nov. 18, 1996]

§ 1357.40 Direct payments to Indian Tribal Organizations (title IV-B, subpart 1, child welfare services).

(a) *Who may apply for direct funding?* Any Indian Tribal Organization (ITO) that meets the definitions in section 428(c) of the Act, or any consortium or other group of eligible Tribal organizations authorized by the membership of the Tribes to act for them is eligible to apply for direct funding if the ITO, consortium or group has a plan for child welfare services that is jointly developed by the ITO and the Department.

(b) *Title IV-B Child and Family Services Plan (CFSP).* (1) In order to receive funds under title IV-B, subpart 1, beginning in FY 1995, the Indian Tribe or Tribal organization must have in effect an approved five-year child and family services plan that meets the applicable requirements of § 1357.15 of this part.

(2) The Indian Tribe or Tribal organization must also comply with section 422(b)(1-8) of the Act; 45 CFR part 1355 (except that the requirements in § 1355.30 for a single Tribal agency and Governor's review of the CFSP do not apply); and other applicable requirements of §§ 1357.10 and 1357.16.

(c) *Information related to the requirements of Section 422(b)(9) of the Act.* The following information must be submitted with the assurances required to be eligible for title IV-B, subpart 1 funds:

(1) A description of the arrangements, jointly developed with the State, made for the provision of the child welfare services and protections in section 422(b)(9) to Indian children under both State and Tribal jurisdiction;

(2) A statement of the legal responsibility, if any, for children who are in foster care on the reservation and those awaiting adoption;

§ 1357.50

(3) A description of Tribal jurisdiction in civil and criminal matters, existence or nonexistence of a Tribal court and the type of court and codes, if any;

(4) An identification of the standards for foster family homes and institutional care and day care;

(5) The Indian Tribal organization's political subdivisions, if any;

(6) Whether the Tribal organization is controlled, sanctioned or chartered by the governing body of Indians to be served and if so, documentation of that fact;

(7) Any limitations on authorities granted to the Indian Tribal organizations; and

(8) The Tribal resolution(s) authorizing an application for a direct title IV-B, subpart 1 grant under this Part.

(d) *Grants: General.* (1) Grants may be made to eligible Indian Tribal organizations in a State which has a jointly developed child and family services plan approved and in effect.

(2) Federal funds made available for a direct grant to an eligible ITO shall be paid by the Department, from the title IV-B allotment for the State in which the ITO is located. Should a direct grant be approved, the Department shall promptly notify the State(s) affected.

(3) If an eligible ITO includes population from more than one State, a proportionate amount of the grant will be paid from each State's allotment.

(4) The receipt of title IV-B funds must be in addition to and not a substitute for funds otherwise previously expended by the ITO for child welfare services.

(5) The following fiscal and administrative requirements apply to Indian Tribal grants under this section:

(i) *Enforcement and termination.* In the event of an Indian Tribe's failure to comply with the terms of the grant under title IV-B, subpart 1, the provisions of 45 CFR 75.371 through 75.372 will apply.

(ii) *Matching or cost-sharing.* Federal financial participation is available only if costs are incurred in implementing sections 422, 423, and 425 of the Act in accordance with the grants administration requirements of 45 CFR part 75 with the following conditions—

45 CFR Ch. XIII (10–1–24 Edition)

(A) The ITO's contribution may be in cash, donated funds, and non-public third party in-kind contributions.

(B) The total of Federal funds used for the following purposes under title IV-B, subpart 1 may not exceed an amount equal to the FY 1979 Federal payment under title IV-B:

(1) Child day care necessary solely because of the employment, or training to prepare for employment, of a parent or other relative with whom the child involved is living, plus;

(2) Foster care maintenance payments, plus;

(3) Adoption assistance payments.

(C) Notwithstanding paragraph (d)(5)(ii)(B) of this section, Tribal expenditures required to match the title IV-B, subpart 1 allotment may include foster care maintenance expenditures in any amount.

(iii) *Prohibition against purchase or construction of facilities.* Funds awarded under title IV-B may not be used for the purchase or construction of facilities.

(iv) *Time limit on expenditures.* Funds under title IV-B, subpart 1, must be expended by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

(6) In order to determine the amount of Federal funds available for a direct grant to an eligible ITO, the Department shall first divide the State's title IV-B allotment by the number of children in the State, then multiply the resulting amount by a multiplication factor determined by the Secretary, and then multiply that amount by the number of Indian children in the ITO population. The multiplication factor will be set at a level designed to achieve the purposes of the act and revised as appropriate.

[61 FR 58661, Nov. 18, 1996, as amended at 65 FR 4093, Jan. 25, 2000; 81 FR 3023, Jan. 20, 2016]

§ 1357.50 Direct payments to Indian Tribal organizations (title IV-B, subpart 2, family preservation and support services).

(a) *Definitions.*

Alaska Native Organization means any organized group of Alaska Natives eligible to operate a Federal program under the Indian Self-Determination

Act (Pub. L. 93-638) or such group's designee as defined in section 482(i)(7)(A) of the Act.

Indian Tribe means any Tribe, band, nation, or other organized group or community of Indians that is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians; and for which a reservation (including Indian reservations, public domain Indian allotments, and former Indian reservations in Oklahoma) exists.

Tribal organization means the recognized governing body of the Indian Tribe.

(b) *Eligibility for funds: FY 1994.* (1) Section 432(b)(2) of the Act provides that the Secretary may not approve a plan of an Indian Tribe whose FY 1995 allotment under subpart 2 would be less than \$10,000. Therefore, only those Indian Tribes whose FY 1995 allotment is \$10,000 or more are eligible to receive funds beginning in FY 1994.

(2) ACF will pay any amount to which an Indian Tribe is entitled to the Tribal organization of the Indian Tribe.

(c) *Eligibility for funds: FY 1995.* In order to receive funds under title IV-B, subpart 2, in FY 1995, an Indian Tribe that is eligible for planning funds in FY 1994 must submit a Child and Family Services Plan that meets the applicable requirements in section 1357.15 of this Part.

(d) *Eligibility for funds: FY 1996 through FY 1998.* (1) ACF will make grants to additional Indian Tribes in Fys 1996 through 1998 in the event that there are increased appropriations.

(2) Allotments will be calculated in Fys 1996, 1997, and 1998 as required in section 433 of the Act. Those Indian Tribes in each year whose allotment is at least \$10,000 will be notified of their eligibility to apply.

(3) In order to receive funds, additional Indian Tribes which become eligible for grants in FY 1996, 1997, and 1998 must submit either a five year Child and Family Services Plan (CFSP) that meets the applicable requirements of 45 CFR 1357.15 or an application for planning funds by June 30 of the year in which they first become eligible for grants. Those Indian Tribes which submitted an application for planning

funds in their first year of funding must submit a five year CFSP that meets the applicable requirements of 45 CFR 1357.15 by June 30 of the second year they receive funding. For example, in order to receive funds, an Indian Tribe which becomes eligible to receive funding beginning in FY 1996 must submit either an application for planning funds or a CFSP by June 30, 1996. If the Indian Tribe submitted an application for planning funds in FY 1996, they must submit a CFSP by June 30, 1997.

(4) All Indian Tribes will be Federally reimbursed at 75 percent of allowable expenditures. Federal funds without match are available in the first year of receipt of funds for additional Indian Tribes meeting the following criteria:

(i) Submittal of an application for planning funds, and not a five year CFSP;

(ii) Receipt of an initial award in FY 1996 or 1997 or 1998; and

(iii) A proposal to spend the entire grant in the first year on planning.

(e) *Allotments.* Allotments to Indian Tribes are computed based on section 433 of the Act and are based on a ratio of the number of children in each Indian Tribe with an approved plan compared to the number of children in all Indian Tribes with approved plans, based on the most current and reliable data available.

(f) *Exemptions of requirements.* (1) ACF has exempted Indian Tribes from three statutory requirements:

(i) The limitation on administrative costs to 10 percent of total Federal and Tribal funds—Indian Tribes may use the indirect cost rate agreement in effect for the Tribe;

(ii) The requirement for maintenance of effort that funds under this program may not be used to supplant other Federal and non-Federal funds; and

(iii) The requirement that a significant portion of funds must be used for both family support and family preservation services.

(2) Specific exemptions from other statutory requirements may be requested by the Tribe in the course of its joint planning. Such a request must contain a compelling reason.

(g) *Matching requirement.* (1) Funds used to provide services in FY 1994 and in subsequent years will be federally

§ 1357.50

reimbursed at 75 percent of allowable expenditures. (This is the same Federal financial participation rate as title IV-B, subpart 1.) The Indian Tribe's match must be at least 25 percent of the total project costs or one-third of the Federal share. Federal funds, however, will not exceed the amount of the Indian Tribe's allotment.

(2) The Indian Tribe's contribution may be in cash, donated funds, and non-public third party in-kind contributions.

45 CFR Ch. XIII (10–1–24 Edition)

(3) Indian Tribes, by statute, may use the following three Federal sources of funds as matching funds: Indian Child Welfare Act funds, Indian Self-Determination and Education Assistance Act funds, and Community Development Block Grant funds.

(h) *Time limits on expenditures.* An Indian Tribe must expend all funds by September 30 of the fiscal year following the fiscal year in which the funds were awarded.

Subpart A—General Provisions

§ 1370.1 What are the purposes of the Family Violence Prevention and Services Act Programs?

This part addresses sections 301 through 313 of the Family Violence Prevention and Services Act (FVPSA), as amended, and codified at 42 U.S.C.

10401 *et seq.* FVPSA authorizes the Secretary to implement programs for the purposes of increasing public awareness about and preventing family violence, domestic violence, and dating violence; providing immediate shelter and supportive services for victims of family violence, domestic violence, and dating violence and their dependents; providing for technical assistance and training relating to family violence, domestic violence, and dating violence programs; providing for State Domestic Violence Coalitions; providing specialized services for abused parents and their children; and operating a national *domestic violence* hotline. FVPSA emphasizes both primary, and secondary, prevention of violence.

§ 1370.2 What definitions apply to these programs?

For the purposes of this part:

Dating violence means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the following factors: The length of the relationship, the type of relationship, and the frequency of interaction between the persons involved in the relationship. This part of the definition reflects the definition also found in Section 40002(a) of VAWA (as amended), 42 U.S.C. 13925(a), as required by FVPSA. Dating violence also includes but is not limited to the physical, sexual, psychological, or emotional violence within a dating relationship, including stalking. It can happen in person or electronically, and may involve financial abuse or other forms of manipulation which may occur between a current or former dating partner regardless of actual or perceived sexual orientation or gender identity.

Domestic violence means felony or misdemeanor crimes of violence committed by a current or former spouse or intimate partner of the victim, by a person with whom the victim shares a

child in common, by a person who is cohabitating with or has cohabitated with the victim as a spouse or intimate partner, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction. This definition also reflects the statutory definition of "domestic violence" found in Section 40002(a) of VAWA (as amended), 42 U.S.C. 13925(a). This definition also includes but is not limited to criminal or non-criminal acts constituting intimidation, control, coercion and coercive control, emotional and psychological abuse and behavior, expressive and psychological aggression, financial abuse, harassment, tormenting behavior, disturbing or alarming behavior, and additional acts recognized in other Federal, Tribal State, and local laws as well as acts in other Federal regulatory or sub-regulatory guidance. This definition is not intended to be interpreted more restrictively than FVPSA and VAWA but rather to be inclusive of other, more expansive definitions. The definition applies to individuals and relationships regardless of actual or perceived sexual orientation or gender identity.

Family violence means any act or threatened act of violence, including any forceful detention of an individual, that results or threatens to result in physical injury and is committed by a person against another individual, to or with whom such person is related by blood or marriage, or is or was otherwise legally related, or is or was lawfully residing.

Personally identifying information (PII) or personal information is individually identifying information for or about an individual including information likely to disclose the location of a victim of domestic violence, dating violence, sexual assault, or stalking, regardless of whether the information is encoded, encrypted, hashed, or otherwise protected, including, a first and last name; a home or other physical address; contact information (including a postal, email or Internet protocol address, or telephone or facsimile number); a so-

cial security number, driver license number, passport number, or student identification number; and any other information, including date of birth, racial or ethnic background, or religious affiliation, that would serve to identify any individual.

Primary prevention means strategies, policies, and programs to stop both first-time perpetration and first-time victimization. Primary prevention is stopping domestic and dating violence before they occur. Primary prevention includes, but is not limited to: School-based violence prevention curricula, programs aimed at mitigating the effects on children of witnessing domestic or dating violence, community campaigns designed to alter norms and values conducive to domestic or dating violence, worksite prevention programs, and training and education in parenting skills and self-esteem enhancement.

Primary-purpose domestic violence service provider, for the term only as it appears in the definition of State Domestic Violence Coalition, means an entity that operates a project of demonstrated effectiveness carried out by a nonprofit, nongovernmental, private entity, Tribe, or Tribal organization, that has as its project's primary-purpose the operation of shelters and supportive services for victims of domestic violence and their dependents; or has as its project's primary purpose counseling, advocacy, or self-help services to victims of domestic violence. Territorial Domestic Violence Coalitions may include government-operated domestic violence projects as primary-purpose domestic violence service providers for complying with the membership requirement, provided that Territorial Coalitions can document providing training, technical assistance, and capacity-building of community-based and privately operated projects to provide shelter and supportive services to victims of family, domestic, or dating violence, with the intention of recruiting such projects as members once they are sustainable as primary-purpose domestic violence service providers.

Secondary prevention is identifying risk factors or problems that may lead to future family, domestic, or dating

violence, and taking the necessary actions to eliminate the risk factors and the potential problem, and may include, but are not limited to, healing services for children and youth who have been exposed to domestic or dating violence, home visiting programs for high-risk families, and screening programs in health care settings.

Shelter means the provision of temporary refuge in conjunction with supportive services in compliance with applicable State or Tribal law or regulations governing the provision, on a regular basis, of shelter, safe homes, meals, and supportive services to victims of family violence, domestic violence, or dating violence, and their dependents. State and Tribal law governing the provision of shelter and supportive services on a regular basis is interpreted by ACF to mean, for example, the laws and regulations applicable to zoning, fire safety, and other regular safety, and operational requirements, including State, Tribal, or local regulatory standards for certifying domestic violence advocates who work in shelter. This definition also includes emergency shelter and immediate shelter, which may include housing provision, rental subsidies, temporary refuge, or lodging in properties that could be individual units for families and individuals (such as apartments) in multiple locations around a local jurisdiction, Tribe/reservation, or State; such properties are not required to be owned, operated, or leased by the program. Temporary refuge includes a residential service, including shelter and off-site services such as hotel or motel vouchers or individual dwellings, which is not transitional or permanent housing, but must also provide comprehensive supportive services. The mere act of making a referral to shelter or housing shall not itself be considered provision of shelter. Should other jurisdictional laws conflict with this definition of temporary refuge, the definition which provides more expansive housing accessibility governs.

State means each of the several States, the District of Columbia, the Commonwealth of Puerto Rico, and, except as otherwise provided in statute, Guam, American Samoa, the United States Virgin Islands, and the

Commonwealth of the Northern Mariana Islands.

State Domestic Violence Coalition means a Statewide, nongovernmental, nonprofit 501(c)(3) organization whose membership includes a majority of the primary-purpose domestic violence service providers in the State; whose board membership is representative of these primary-purpose domestic violence service providers and which may include representatives of the communities in which the services are being provided in the State; that has as its purpose to provide education, support, and technical assistance to such service providers to enable the providers to establish and maintain supportive services and to provide shelter to victims of domestic violence and their children; and that serves as an information clearinghouse, primary point of contact, and resource center on domestic violence for the State and supports the development of policies, protocols and procedures to enhance domestic violence intervention and prevention in the State/Territory.

Supportive services means services for adult and youth victims of family violence, domestic violence, or dating violence, and their dependents that are designed to meet the needs of such victims and their dependents for short-term, transitional, or long-term safety and recovery. Supportive services include, but are not limited to: Direct and/or referral-based advocacy on behalf of victims and their dependents, counseling, case management, employment services, referrals, transportation services, legal advocacy or assistance, child care services, health, behavioral health and preventive health services, culturally and linguistically appropriate services, and other services that assist victims or their dependents in recovering from the effects of the violence. To the extent not already described in this definition, supportive services also include but are not limited to other services identified in FVPSA at 42 U.S.C. 10408(b)(1)(A)–(H). Supportive services may be directly provided by grantees and/or by providing advocacy or referrals to assist victims in accessing such services.

Underserved populations means populations who face barriers in accessing

§ 1370.3

and using victim services, and includes populations underserved because of geographic location, religion, sexual orientation, gender identity, underserved racial and ethnic populations, and populations underserved because of special needs including language barriers, disabilities, immigration status, and age. Individuals with criminal histories due to victimization and individuals with substance use disorders and mental health issues are also included in this definition. The reference to racial and ethnic populations is primarily directed toward racial and ethnic minority groups (as defined in section 1707(g) of the Public Health Service Act (42 U.S.C. 300(u-6)(g)), which means American Indians (including Alaska Natives, Eskimos, and Aleuts); Asian American; Native Hawaiians and other Pacific Islanders; Blacks and Hispanics. The term “Hispanic” or “Latino” means individuals whose origin is Mexican, Puerto Rican, Cuban, Central or South American, or any other Spanish-speaking country. This underserved populations’ definition also includes other population categories determined by the Secretary or the Secretary’s designee to be underserved.

§ 1370.3 What Government-wide and HHS-wide regulations apply to these programs?

(a) A number of government-wide and HHS regulations apply or potentially apply to all grantees. These include but are not limited to:

- (1) 2 CFR part 182—Government-wide Requirements for Drug Free Workplaces;

(15) 48 CFR Chapter 1—Federal Acquisition Regulations; and

(16) 48 CFR Chapter 3—Federal Acquisition Regulations—Department of Health and Human Services.

§ 1370.4 What confidentiality requirements apply to these programs?

(a) In order to ensure the safety of adult, youth, and child victims of family violence, domestic violence, or dating violence, and their families, grantees and subgrantees under FVPSA shall protect the confidentiality and privacy of such victims and their families. Subject to paragraphs (c), (d), and (e) of this section, grantees and subgrantees shall not—

(1) Disclose any personally identifying information (as defined in § 1370.2) collected in connection with services requested (including services utilized or denied) through grantees’ and subgrantees’ programs;

(2) Reveal any personally identifying information without informed, written, reasonably time-limited consent by the person about whom information is sought, whether for this program or any other Federal, Tribal or State

grant program, including but not limited to whether to comply with Federal, Tribal, or State reporting, evaluation, or data collection requirements; or

(3) Require an adult, youth, or child victim of family violence, domestic violence, and dating violence to provide a consent to release his or her personally identifying information as a condition of eligibility for the services provided by the grantee or subgrantee.

(b) Consent shall be given by the person, except in the case of an unemancipated minor it shall be given by both the minor and the minor's parent or guardian; or in the case of an individual with a guardian it shall be given by the individual's guardian. A parent or guardian may not give consent if: he or she is the abuser or suspected abuser of the minor or individual with a guardian; or, the abuser or suspected abuser of the other parent of the minor. If a minor or a person with a legally appointed guardian is permitted by law to receive services without the parent's or guardian's consent, the minor or person with a guardian may release information without additional consent. Reasonable accommodations shall also be made for those who may be unable, due to disability or other functional limitation, to provide consent in writing.

(c) If the release of information described in paragraphs (a) and (b) of this section is compelled by statutory or court mandate:

(1) Grantees and sub-grantees shall make reasonable attempts to provide notice to victims affected by the release of the information; and

(2) Grantees and subgrantees shall take steps necessary to protect the privacy and safety of the persons affected by the release of the information.

(d) Grantees and subgrantees may share:

(1) Non-personally identifying information, in the aggregate, regarding services to their clients and demographic non-personally identifying information in order to comply with Federal, State, or Tribal reporting, evaluation, or data collection requirements;

(2) Court-generated information and law enforcement-generated information contained in secure, governmental

registries for protective order enforcement purposes; and

(3) Law enforcement- and prosecution-generated information necessary for law enforcement and prosecution purposes.

(4) Personally identifying information may be shared with a health care provider or payer, but only with the informed, written, reasonably time-limited consent of the person about whom such information is sought.

(e) Nothing in this section prohibits a grantee or subgrantee, where mandated or expressly permitted by the State or Indian Tribe, from reporting abuse and neglect, as those terms are defined by law, or from reporting imminent risk of serious bodily injury or death of the victim or another person.

(f) Nothing in this section shall be construed to supersede any provision of any Federal, State, Tribal, or local law that provides greater protection than this section for victims of family violence, domestic violence, or dating violence.

(g) The address or location of any shelter facility assisted that maintains a confidential location shall, except with written authorization of the person or persons responsible for the operation of such shelter, not be made public.

(1) Shelters which choose to remain confidential pursuant to this rule must develop and maintain systems and protocols to remain secure, which must include policies to respond to disruptive or dangerous contact from abusers, and

(2) Tribal governments, while exercising due diligence to comply with statutory provisions and this rule, may determine how best to maintain the safety and confidentiality of shelter locations.

§ 1370.5 What additional non-discrimination requirements apply to these programs?

(a) No person shall on the ground of actual or perceived sex, including gender identity, be excluded from participation in, be denied the benefits of, or be subject to discrimination under, any program or activity funded in whole or in part through FVPSA.

(1) FVPSA grantees and subgrantees must provide comparable services to

§ 1370.5

victims regardless of actual or perceived sex, including gender identity. This includes not only providing access to services for all victims, including male victims, of family, domestic, and dating violence regardless of actual or perceived sex, including gender identity, but also making sure not to limit services for victims with adolescent children (under the age of 18) on the basis of the actual or perceived sex, including gender identity, of the children. Victims and their minor children must be sheltered or housed together, regardless of actual or perceived sex, including gender identity, unless requested otherwise or unless the factors or considerations identified in §1370.5(a)(2) require an exception to this general rule.

(2) No such program or activity is required to include an individual in such program or activity without taking into consideration that individual's sex in those certain instances where sex is a bona fide occupational qualification or a programmatic factor reasonably necessary to the essential operation of that particular program or activity. If sex segregation or sex-specific programming is essential to the normal or safe operation of the program, nothing in this paragraph shall prevent any such program or activity from consideration of an individual's sex. In such circumstances, grantees and subgrantees may meet the requirements of this paragraph by providing comparable services to individuals who cannot be provided with the sex-segregated or sex-specific programming, including access to a comparable length of stay, supportive services, and transportation as needed to access services. If a grantee or subgrantee determines that sex-segregated or sex-specific programming is essential for the normal or safe operation of the program, it must support its justification with an assessment of the facts and circumstances surrounding the specific program, including an analysis of factors discussed in paragraph (a)(3) of this section, and take into account established field-based best practices and research findings, as applicable. The justification cannot rely on unsupported assumptions or overly-broad sex-based generalizations. An indi-

45 CFR Ch. XIII (10–1–24 Edition)

vidual must be treated consistent with their gender identity in accordance with this section.

(3) Factors that may be relevant to a grantee's or subgrantee's evaluation of whether sex-segregated or sex-specific programming is essential to the normal or safe operations of the program include, but are not limited, to the following: The nature of the service, the anticipated positive and negative consequences to all eligible beneficiaries of not providing the program in a sex-segregated or sex-specific manner, the literature on the efficacy of the service being sex-segregated or sex-specific, and whether similarly-situated grantees and subgrantees providing the same services have been successful in providing services effectively in a manner that is not sex-segregated or sex-specific. A grantee or subgrantee may not provide sex-segregated or sex-specific services for reasons that are trivial or based on the grantee's or subgrantee's convenience.

(4) As with all individuals served, transgender and gender nonconforming individuals must have equal access to FVPSA-funded shelter and nonresidential programs. Programmatic accessibility for transgender and gender nonconforming survivors and minor children must be afforded to meet individual needs consistent with the individual's gender identity. ACF requires that a FVPSA grantee or subgrantee that makes decisions about eligibility for or placement into single-sex emergency shelters or other facilities offer every individual an assignment consistent with their gender identity. For the purpose of assigning a service beneficiary to sex-segregated or sex-specific services, the grantee/subgrantee may ask a beneficiary which group or services the beneficiary wishes to join. The grantee/subgrantee may not, however, ask questions about the beneficiary's anatomy or medical history or make demands for identity documents or other documentation of gender. A victim's/beneficiary's or potential victim's/beneficiary's request for an alternative or additional accommodation for purposes of personal health, privacy, or safety must be given serious consideration in making the placement. For instance, if the potential

victim/beneficiary requests to be placed based on his or her sex assigned at birth, ACF requires that the provider will place the individual in accordance with that request, consistent with health, safety, and privacy concerns of the individual. ACF also requires that a provider will not make an assignment or re-assignment of the transgender or gender nonconforming individual based on complaints of another person when the sole stated basis of the complaint is a victim/client or potential victim/client's non-conformance with gender stereotypes or sex, including gender identity.

(b) An organization that participates in programs funded through the FVPFA shall not, in providing services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

(1) Dietary practices dictated by particular religious beliefs may require reasonable accommodation in cooking or feeding arrangements for particular beneficiaries as practicable. Additionally, other forms of religious practice may require reasonable accommodation including, but not limited to, shelters that have cleaning schedules may need to account for a survivor's religion which prohibits him/her from working on religious holidays.

(c) No person shall on the ground of actual or perceived sexual orientation be excluded from participation in, be denied the benefits of, or be subject to discrimination under, any program or activity funded in whole or in part through FVPFA.

(1) All programs must take into account participants' needs and be inclusive and not stigmatize participants based on actual or perceived sexual orientation.

(d) All FVPFA-funded services must be provided without requiring documentation of immigration status because HHS has determined that FVPFA-funded services do not fall within the definition of federal public benefit that would require verification of immigration status.

(e) Grantees and subgrantees should create a plan to ensure effective com-

munication and equal access, including:

(1) How to identify and communicate with individuals with Limited English Proficiency, and how to identify and properly use qualified interpretation and translation services, and taglines; and

(2) How to take appropriate steps to ensure that communications with applicants, participants, beneficiaries, members of the public, and companions with disabilities are as effective as communications with others; and furnish appropriate auxiliary aids and services where necessary to afford qualified individuals with disabilities, including applicants, participants, beneficiaries, and members of the public, an equal opportunity to participate in, and enjoy the benefits of, a service, program, or activity. Auxiliary aids and services include qualified interpreters and large print materials.

(f) Nothing in this section shall be construed to invalidate or limit the rights, remedies, procedures, or legal standards available to individuals under other applicable law.

(g) The Secretary shall enforce the provisions of paragraphs (a) and (b) of this section in accordance with section 602 of the Civil Rights Act of 1964 (42 U.S.C. 2000d-1). Section 603 of the Civil Rights Act of 1964 (42 U.S.C. 2000d-2) shall apply with respect to any action taken by the Secretary to enforce this section.

§ 1370.6 What requirements for reports and evaluations apply to these programs?

Each entity receiving a grant or contract under these programs shall submit a performance report to the Secretary at such time as required by the Secretary. Such performance report shall describe the activities that have been carried out, contain an evaluation of the effectiveness of such activities, and provide such additional information as the Secretary may require. Territorial governments which consolidate FVPFA funds with other HHS funds in a Consolidated Block Grant pursuant to 45 CFR part 97 are not required to submit annual FVPFA performance

§ 1370.10

progress reports and programmatic assurances if FVPSA funds are not designated in the consolidation application for FVPSA purposes. If a territorial government either does not consolidate FVPSA funds with other HHS funds or does consolidate but indicates that FVPSA funds will be used for FVPSA purposes, the territorial government must submit an annual FVPSA performance progress report and programmatic assurances to FYSB.

Subpart B—State and Indian Tribal Grants

§ 1370.10 What additional requirements apply to State and Indian Tribal grants?

(a) These grants assist States and Tribes to support the establishment, maintenance, and expansion of programs and projects to prevent incidents of family violence, domestic violence, and dating violence; to provide immediate shelter, supportive services, and access to community-based programs for victims of family violence, domestic violence, or dating violence, and their dependents; and to provide specialized services for children exposed to family violence, domestic violence, or dating violence, including victims who are members of underserved populations. States must consult with and provide for the participation of State Domestic Violence Coalitions and Tribal Coalitions in the planning and monitoring of the distribution and administration of subgrant programs and projects. At a minimum to further FVPSA requirements, States and State Domestic Violence Coalitions will work together to determine grant priorities based upon jointly identified needs; to identify strategies to address needs; to define mutual expectations regarding programmatic performance and monitoring; and to implement an annual collaboration plan that incorporates concrete steps for accomplishing these tasks. If States also fund State Domestic Violence Coalitions to provide training, technical assistance, or other programming, nothing in this rule is intended to conflict with State contracting requirements regarding conflicts of interest but rather that

45 CFR Ch. XIII (10–1–24 Edition)

this rule's requirements should be interpreted to complement States' contracting and procurement laws and regulations. States must involve community-based organizations that primarily serve underserved populations, including culturally- and linguistically-specific populations, to determine how such populations can assist the States in serving the unmet needs of underserved populations and culturally- and linguistically-specific populations. Tribes should be involved in these processes where appropriate, but this rule is not intended to encroach upon Tribal sovereignty. States also must consult with and provide for the participation of State Domestic Violence Coalitions and Tribal Coalitions in State planning and coordinate such planning with needs assessments to identify service gaps or problems and develop appropriate responsive plans and programs. Similar coordination and collaboration processes for Tribes and State Domestic Violence Coalitions are expected when feasible and appropriate with deference to Tribal sovereignty as previously indicated.

(b) A State application must be submitted by the Chief Executive of the State and signed by the Chief Executive Officer or the Chief Program Official designated as responsible for the administration of FVPSA. Each application must contain the following information or documentation:

(1) The name of the State agency, the name and contact information for the Chief Program Official designated as responsible for the administration of funds under FVPSA and coordination of related programs within the State, and the name and contact information for a contact person if different from the Chief Program Official;

(2) A plan describing in detail how the needs of underserved populations will be met, including:

(i) Identification of which populations in the State are underserved, a description of those that are being targeted for outreach and services, and a brief explanation of why those populations were selected to receive outreach and services, including how often the State revisits the identification and selection of the populations to be served with FVPSA funding. States

must review their State demographics and other relevant metrics at least every three years or explain why this process is unnecessary;

(ii) A description of the outreach plan, including the domestic violence training to be provided, the means for providing technical assistance and support, and the leadership role played by those representing and serving the underserved populations in question;

(iii) A description of the specific services to be provided or enhanced, such as new shelters or services, improved access to shelters or services, or new services for underserved populations; and

(iv) A description of the public information component of the State's outreach program, including the elements of the program that are used to explain domestic violence, the most effective and safe ways to seek help, and tools to identify available resources; and

(v) A description of the means by which the program will provide meaningful access for limited English proficient individuals and effective communication for individuals with disabilities.

(3) A description of the process and procedures used to involve the State Domestic Violence Coalition and Tribal Coalition where one exists, knowledgeable individuals, and interested organizations, including those serving or representing underserved populations in the State planning process;

(4) Documentation of planning, consultation with and participation of the State Domestic Violence Coalition and Tribal Coalition where one exists, in the administration and distribution of FVPSA programs, projects, and grant funds awarded to the State;

(5) A description of the procedures used to assure an equitable distribution of grants and grant funds within the State and between urban and rural areas. States may use one of the Census definitions of rural or non-metro areas or another State-determined definition. A State-determined definition must be supported by data and be available for public input prior to its adoption. The State must show that the definition selected achieves an equitable distribution of funds within the State and between urban and rural

areas. The plan should describe how funding processes and allocations will address the needs of underserved populations as defined in §1370.2, including Tribal populations, with an emphasis on funding organizations that can meet unique needs including culturally- and linguistically-specific populations. Other Federal, State, local, and private funds may be considered in determining compliance;

(6) A description of:

(i) how the State plans to use the grant funds including a State plan developed in consultation with State and Tribal Domestic Violence Coalitions and representatives of underserved populations;

(ii) the target populations;

(iii) the number of shelters and programs providing shelter to be funded;

(iv) the number of non-residential programs to be funded; the services the State will provide; and

(v) the expected results from the use of the grant funds. To fulfill these requirements, it is critically important that States work with State Domestic Violence Coalitions and Tribes to solicit their feedback on program effectiveness which may include recommendations such as establishing program standards and participating in program monitoring;

(7) An assurance that the State has a law or procedure to bar an abuser from a shared household or a household of the abused person, which may include eviction laws or procedures, where appropriate;

(8) An assurance that not less than 70 percent of the funds distributed by a State to sub-recipients shall be distributed to entities for the primary purpose of providing immediate shelter and supportive services to adult and youth victims of family violence, domestic violence, or dating violence, and their dependents, and that not less than 25 percent of the funds distributed by a State to subgrantees/recipients shall be distributed to entities for the purpose of providing supportive services and prevention services (these percentages may overlap with respect to supportive services but are not included in the 5 percent cap applicable to State administrative costs). In the distribution of funds, States will give

special emphasis to the support of community-based projects of demonstrated effectiveness that are carried out by primary-purpose domestic violence providers. No grant shall be made under this section to an entity other than a State unless the entity agrees that, with respect to the costs to be incurred by the entity in carrying out the program or project for which the grant is awarded, the entity will make available (directly or through donations from public or private entities) non-Federal contributions in an amount that is not less than \$1 for every \$5 of Federal funds provided under the grant. The non-Federal contributions required under this paragraph may be in cash or in kind;

(9) Documentation of policies, procedures and protocols that ensure individual identifiers of client records will not be used when providing statistical data on program activities and program services or in the course of grant monitoring, that the confidentiality of records pertaining to any individual provided family violence, domestic violence, or dating violence prevention or intervention services by any program or entity supported under the FVPSA will be strictly maintained, and the address or location of any shelter supported under the FVPSA will not be made public without the written authorization of the person or persons responsible for the operation of such shelter;

(10) Such additional agreements, assurances, and information, in such form, and submitted in such manner as the Funding Opportunity Announcement and related program guidance prescribe. Moreover, additional agreements, assurances, and information required by the Funding Opportunity Announcement and other program guidance will include that no requirement for participating in supportive services offered by FVPSA-funded programs may be imposed by grantees or subgrantees for the receipt of emergency shelter and receipt of all supportive services shall be voluntary. Similarly, the receipt of shelter cannot be conditioned on participation in other services, such as, but not limited to counseling, parenting classes, mental health or substance use disorders treat-

ment, pursuit of specific legal remedies, or life skill classes. Additionally, programs cannot impose conditions for admission to shelter by applying inappropriate screening mechanisms, such as criminal background checks, sobriety requirements, requirements to obtain specific legal remedies, or mental health or substance use disorder screenings. An individual's or family's stay in shelter cannot be conditioned upon accepting or participating in services. Based upon the capacity of a FVPSA-funded service provider, victims and their dependents do not need to reside in shelter to receive supportive services. Nothing in these requirements prohibits a shelter operator from adopting reasonable policies and procedures reflecting field-based best practices, to ensure that persons receiving services are not currently engaging in illegal drug use, if that drug use presents a danger to the safety of others, creates an undue hardship for the shelter operator, or causes a fundamental alteration to the operator's services. In the case of an apparent conflict with State, Federal, or Tribal laws, case-by-case determinations will be made by ACF if they are not resolved at the State or Tribal level. In general, when two or more laws apply, a grantee/subgrantee must meet the highest standard for providing programmatic accessibility to victims and their dependents. These provisions are not intended to deny a shelter the ability to manage its services and secure the safety of all shelter residents should, for example, a client become violent or abusive to other clients.

(c) An application from a Tribe or Tribal Organization must include documentation demonstrating that the governing body of the organization on whose behalf the application is submitted approves the application's submission to ACF for the current FVPSA grant period. Each application must contain the following information or documentation:

(1) Written Tribal resolutions, meeting minutes from the governing body, and/or letters from the authorizing official reflecting approval of the application's submittal, depending on what

is appropriate for the applicant's governance structure. Such documentation must reflect the applicant's authority to submit the application on behalf of members of the Tribes and administer programs and activities pursuant to FVPSA;

(2) The resolution or equivalent documentation must specify the name(s) of the Tribe(s) on whose behalf the application is submitted and the service areas for the intended grant services;

(3) Applications from consortia must provide letters of commitment, memoranda of understanding, or their equivalent identifying the primary applicant that is responsible for administering the grant, documenting commitments made by partnering eligible applicants, and describing their roles and responsibilities as partners in the consortia or collaboration;

(4) A description of the procedures designed to involve knowledgeable individuals and interested organizations in providing services under the FVPSA. For example, knowledgeable individuals and interested organizations may include Tribal officials or social services staff involved in child abuse or family violence prevention, Tribal law enforcement officials, representatives of Tribal or State Domestic Violence Coalitions, and operators of domestic violence shelters and service programs;

(5) A description of the applicant's operation of and/or capacity to carry out a family violence prevention and services program. This might be demonstrated in ways such as:

(i) The current operation of a shelter, safe house, or domestic violence prevention program;

(ii) The establishment of joint or collaborative service agreements with a local public agency or a private, non-profit agency for the operation of family violence prevention and intervention activities or services; or

(iii) The operation of social services programs as evidenced by receipt of grants or contracts awarded under Indian Child Welfare grants from the Bureau of Indian Affairs; Child Welfare Services grants under Title IV-B of the Social Security Act; or Family Preservation and Family Support grants under Title IV-B of the Social Security Act.

(6) A description of the services to be provided, how the applicant organization plans to use the grant funds to provide the direct services, to whom the services will be provided, and the expected results of the services;

(7) An assurance that the Indian Tribe has a law or procedure to bar an abuser from a shared household or a household of the abused person, which may include eviction laws or procedures, where appropriate;

(8) Documentation of the policies and procedures developed and implemented, including copies of the policies and procedures, to ensure that individual identifiers of client records will not be used when providing statistical data on program activities and program services or in the course of grant monitoring and that the confidentiality of records pertaining to any individual provided domestic violence prevention or intervention services by any FVPSA-supported program will be strictly maintained; and

(9) Such agreements, assurances, and information, in such form, and submitted in such manner as the Funding Opportunity Announcement and related program guidance prescribe.

(d) Given the unique needs of victims of trafficking, FVPSA-funded programs are strongly encouraged to safely screen for and identify victims of human trafficking who are also victims or survivors of domestic violence or dating violence and provide services that support their unique needs.

Subpart C—State Domestic Violence Coalition Grants

§ 1370.20 What additional requirements apply to State Domestic Violence Coalitions?

(a) State Domestic Violence Coalitions reflect a Federal commitment to reducing domestic violence; to urge States, localities, cities, and the private sector to improve the responses to and the prevention of domestic violence and encourage stakeholders and service providers to plan toward an integrated service delivery approach that meets the needs of all victims, including those in underserved communities; to provide for technical assistance and training relating to domestic violence

§ 1370.20

programs; and to increase public awareness about and prevention of domestic violence and increase the quality and availability of shelter and supportive services for victims of domestic violence and their dependents.

(b) To be eligible to receive a grant under this section, an organization shall be a Statewide, non-governmental, non-profit 501(c)(3) domestic violence coalition, designated as such by the Department. To obtain this designation the organization must meet the following criteria:

(1) The membership must include representatives from a majority of the primary-purpose domestic violence service providers operating within the State (a Coalition also may include representatives of Indian Tribes and Tribal organizations as defined in the Indian Self-Determination and Education Assistance Act);

(2) The Board membership of the Coalition must be representative of such programs, and may include representatives of communities in which the services are being provided in the State;

(3) Financial sustainability of State Domestic Violence Coalitions, as independent, autonomous non-profit organizations, also must be supported by their membership, including those member representatives on the Coalitions' Boards of Directors;

(4) The purpose of a State Domestic Violence Coalition is to provide education, support, and technical assistance to such service providers to enable the providers to establish and maintain shelter and supportive services for victims of domestic violence and their dependents; and to serve as an information clearinghouse, primary point of contact, and resource center on domestic violence for the State; and support the development of policies, protocols, and procedures to enhance domestic violence intervention and prevention in the State.

(c) To apply for a grant under this section, an organization shall submit an annual application that:

(1) Includes a complete description of the applicant's plan for the operation of a State Domestic Violence Coalition, including documentation that the Coalition's work will demonstrate the capacity to support state-wide efforts

45 CFR Ch. XIII (10–1–24 Edition)

to improve system responses to domestic and dating violence as outlined in (c)(1)(i) through (vii) of this section. Coalitions must also have documented experience in administering Federal grants to conduct the activities of a Coalition or a documented history of active participation in:

(i) Working with local family violence, domestic violence, and dating violence service programs and providers of direct services to encourage appropriate and comprehensive responses to family violence, domestic violence, and dating violence against adults or youth within the State involved, including providing training and technical assistance and conducting State needs assessments and participate in planning and monitoring of the distribution of subgrants within the States and in the administration of grant programs and projects;

(ii) In conducting needs assessments, Coalitions and States must work in partnership on the statutorily required FVPSA State planning process to involve representatives from underserved populations and culturally- and linguistically-specific populations to plan, assess and voice the needs of the communities they represent. Coalitions will assist States in identifying underserved populations and culturally- and linguistically- specific community based organizations in State planning and to work with States to unify planning and needs assessment efforts so that comprehensive and culturally-specific services are provided. The inclusion of the populations targeted will emphasize building the capacity of culturally- and linguistically-specific services and programs.

(iii) Working in collaboration with service providers and community-based organizations to address the needs of family violence, domestic violence, and dating violence victims, and their dependents, who are members of underserved populations and culturally- and linguistically-specific populations;

(iv) Collaborating with and providing information to entities in such fields as housing, health care, mental health, social welfare, or business to support the development and implementation

of effective policies, protocols, and programs that address the safety and support needs of adult and youth victims of family violence, domestic violence, or dating violence;

(v) Encouraging appropriate responses to cases of family violence, domestic violence, or dating violence against adults or youth, including by working with judicial and law enforcement agencies;

(vi) Working with family law judges, criminal court judges, child protective service agencies, and children's advocates to develop appropriate responses to child custody and visitation issues in cases of child exposure to family violence, domestic violence, or dating violence and in cases in which family violence is present and child abuse is present;

(vii) Providing information to the public about prevention of family violence, domestic violence, and dating violence, including information targeted to underserved populations, including limited English proficient individuals; and

(viii) Collaborating with Indian Tribes and Tribal organizations (and corresponding Native Hawaiian groups or communities) to address the needs of Indian (including Alaska Native) and Native Hawaiian victims of family violence, domestic violence, or dating violence, as applicable in the State;

(2) Contains such agreements, assurances, and information, in such form, and submitted in such manner as the Funding Opportunity Announcement and related program guidance prescribe.

(d) Nothing in this section limits the ability of a Coalition to use non-Federal or other Federal funding sources to conduct required functions, provided that if the Coalition uses funds received under section 2001(c)(1) of the Omnibus Crime Control and Safe Streets Act of 1968 to perform the functions described in FVPSA at 42 U.S.C. 10411(e) in lieu of funds provided under the FVPSA, it shall provide an annual assurance to the Secretary that it is using such funds, and that it is coordinating the activities conducted under this section with those of the State's activities under Part T of title I of the

Omnibus Crime Control and Safe Streets Act of 1968.

(e) In cases in which two or more organizations seek designation, the designation of each State's individual Coalition is within the exclusive discretion of HHS. HHS will determine which applicant best fits statutory criteria, with particular attention paid to the applicant's documented history of effective work, support of primary-purpose domestic violence service providers and programs that serve underserved populations, coordination and collaboration with the State government, and capacity to accomplish the FVPSA-mandated role of a Coalition.

(f) Regarding FVPSA funding, in cases where a Coalition financially or otherwise dissolves, is newly formed, or merges with another entity, the designation of a new Coalition is within the exclusive discretion of HHS. HHS will seek individual feedback from domestic violence service providers, community stakeholders, State leaders, and representatives of underserved populations and culturally- and linguistically-specific populations to identify an existing organization that can serve as the Coalition or to develop a new organization. The new Coalition must re-apply for designation and funding following steps determined by the Secretary. HHS will determine whether the applicant fits the statutory criteria, with particular attention paid to the applicant's documented history of effective work, support of primary-purpose domestic violence programs and programs that serve underserved populations, coordination and collaboration with the State government, and capacity to accomplish the FVPSA mandated role of a Coalition.

Subpart D—Discretionary Grants and Contracts

§ 1370.30 What National Resource Center and Training and Technical Assistance grant programs are available and what additional requirements apply?

(a) These grants are to provide resource information, training, and technical assistance to improve the capacity of individuals, organizations, governmental entities, and communities

§ 1370.30

to prevent family violence, domestic violence, and dating violence and to provide effective intervention services. They fund national, special issue, and culturally-specific resource centers addressing key areas of domestic violence intervention and prevention, and may include State resource centers to reduce disparities in domestic violence in States with high proportions of Native American (including Alaska Native or Native Hawaiian) populations and to support training and technical assistance that address emerging issues related to family violence, domestic violence, or dating violence, to entities demonstrating expertise in these areas. Grants may be made for:

(1) A National Resource Center on Domestic Violence which will conduct the following activities:

(i) offer a comprehensive array of technical assistance and training resources to Federal, State, and local governmental agencies, domestic violence service providers, community-based organizations, and other professionals and interested parties, related to domestic violence service programs and research, including programs and research related to victims and their children who are exposed to domestic violence; and

(ii) Maintain a central resource library in order to collect, prepare, analyze, and disseminate information and statistics related to the incidence and prevention of family violence and domestic violence; and the provision of shelter, supportive services, and prevention services to adult and youth victims of domestic violence (including services to prevent repeated incidents of violence).

(2) A National Indian Resource Center Addressing Domestic Violence and Safety for Indian Women which will conduct the following activities:

(i) Offer a comprehensive array of technical assistance and training resources to Indian Tribes and Tribal organizations, specifically designed to enhance the capacity of the Tribes and Tribal organizations to respond to domestic violence and increase the safety of Indian women; and

(ii) Enhance the intervention and prevention efforts of Indian Tribes and Tribal organizations to respond to do-

mestic violence and increase the safety of Indian women, and

(iii) To coordinate activities with other Federal agencies, offices, and grantees that address the needs of Indians (including Alaska Natives) and Native Hawaiians that experience domestic violence.

(3) Special issue resource centers to provide national information, training, and technical assistance to State and local domestic violence service providers. Each special issue resource center shall focus on enhancing domestic violence intervention and prevention efforts in at least one of the following areas:

(i) Response of the criminal and civil justice systems to domestic violence victims, which may include the response to the use of the self-defense plea by domestic violence victims and the issuance and use of protective orders;

(ii) Response of child protective service agencies to victims of domestic violence and their dependents and child custody issues in domestic violence cases;

(iii) Response of the interdisciplinary health care system to victims of domestic violence and access to health care resources for victims of domestic violence; and

(iv) Response of mental health systems, domestic violence service programs, and other related systems and programs to victims of domestic violence and to their children who are exposed to domestic violence.

(4) Culturally-Specific Special Issue Resource Centers enhance domestic violence intervention and prevention efforts for victims of domestic violence who are members of racial and ethnic minority groups, to enhance the cultural and linguistic relevancy of service delivery, resource utilization, policy, research, technical assistance, community education, and prevention initiatives.

(5) State resource centers to provide Statewide information, training, and technical assistance to Indian Tribes, Tribal organizations, and local domestic violence service organizations serving Native Americans (including Alaska Natives and Native Hawaiians) in a

45 CFR Ch. XIII (10–1–24 Edition)

culturally sensitive and relevant manner. These centers shall:

(i) Offer a comprehensive array of technical assistance and training resources to Indian Tribes, Tribal organizations, and providers of services to Native Americans (including Alaska Natives and Native Hawaiians) specifically designed to enhance the capacity of the Tribes, organizations, and providers to respond to domestic violence, including offering the resources in States in which the population of Indians (including Alaska Natives) or Native Hawaiians exceeds 2.5 percent of the total population of the State;

(ii) Coordinate all projects and activities with the National Indian Resource Center Addressing Domestic Violence and Safety for Indian Women, including projects and activities that involve working with State and local governments to enhance their capacity to understand the unique needs of Native Americans (including Alaska Natives and Native Hawaiians); and

(iii) Provide comprehensive community education and domestic violence prevention initiatives in a culturally sensitive and relevant manner; and

(iv) Otherwise meet certain eligibility requirements for state resource centers to reduce tribal disparities, pursuant to 42 U.S.C. 10410(c)(4).

(6) Other discretionary purposes to support training and technical assistance that address emerging issues related to family violence, domestic violence, or dating violence, to entities demonstrating related experience.

(b) To receive a grant under any part of this section, an entity shall submit an application that shall meet such eligibility standards as are prescribed in the FVPSA and contains such agreements, assurances, and information, in such form, and submitted in such manner as the Funding Opportunity Announcement and related program guidance prescribe.

§ 1370.31 What additional requirements apply to grants for specialized services for abused parents and their children?

(a) These grants serve to expand the capacity of family violence, domestic violence, and dating violence service programs and community-based pro-

grams to prevent future domestic violence by addressing, in an appropriate manner, the needs of children exposed to family violence, domestic violence, or dating violence. To be eligible an entity must be a local agency, a non-profit private organization (including faith-based and charitable organizations, community-based organizations, and voluntary associations), or a Tribal organization, with a demonstrated record of serving victims of family violence, domestic violence, or dating violence and their children.

(b) To be eligible to receive a grant under this section, an entity shall submit an application that:

(1) Includes a complete description of the applicant's plan for providing specialized services for abused parents and their children, including descriptions of:

(i) How the entity will prioritize the safety of, and confidentiality of, information about victims of family violence, victims of domestic violence, and victims of dating violence and their children, and will comply with the confidentiality requirements of FVPSA, 42 U.S.C. 10406(c)(5) and this rule at § 1370.4;

(ii) How the entity will provide developmentally appropriate and age-appropriate services, and culturally and linguistically appropriate services, to the victims and children;

(iii) How the entity will ensure that professionals working with the children receive the training and technical assistance appropriate and relevant to the unique needs of children exposed to family violence, domestic violence, or dating violence; and

(iv) How, in the case of victims who choose to or by virtue of their circumstances must remain in contact with an abusive partner/parent, the entity will: consider the victim's decision-making for keeping children safe within the continuum of domestic violence (see the definition of domestic violence in the regulatory text at § 1370.2 which describes the potential range of behaviors constituting domestic violence); not place burdens or demands on the non-abusive parent that the parent cannot comply with due to the coercive control of the offender; and take

§ 1370.32

precautions to avoid actions that discourage victims from help-seeking, such as making unnecessary referrals to child protective services when survivors go to community-based organizations for assistance in safety planning to protect children.

(2) Demonstrates that the applicant has the ability to effectively provide, or partner with an organization that provides, direct counseling, appropriate services, and advocacy on behalf of victims of family violence, domestic violence, or dating violence, and their children, including coordination with services provided by the child welfare system, schools, health care providers, home visitors, family court systems, and any other child or youth serving system;

(3) Demonstrates that the applicant can effectively provide services for non-abusing parents to support those parents' roles as caregivers and their roles in responding to the social, emotional, and developmental needs of their children; and

(4) Contains such agreements, assurances, and information, in such form, and submitted in such manner as the Funding Opportunity Announcement and related program guidance prescribe.

(c) Eligible applicants may use funds under a grant pursuant to this section:

(1) To provide early childhood development and mental health services;

(2) To coordinate activities with and provide technical assistance to community-based organizations serving victims of family violence, domestic violence, or dating violence or children exposed to family violence, domestic violence, or dating violence; and

(3) To provide additional services and referrals to services for children, including child care, transportation, educational support, respite care, supervised visitation, or other necessary services.

(d) If Congressional appropriations in any fiscal year for the entirety of programs covered in this part (exclusive of the National Domestic Violence Hotline which receives a separate appropriation) exceed \$130 million, not less than 25 percent of such excess funds shall be made available to carry out this grant program. If appropriations

45 CFR Ch. XIII (10–1–24 Edition)

reach this threshold, HHS will specify funding levels in future Funding Opportunity Announcements.

§ 1370.32 What additional requirements apply to National Domestic Violence Hotline grants?

§ 1602.1 Purpose.

This part contains the rules and procedures the Legal Services Corporation (LSC) follows in making records available to the public under the Freedom of Information Act.

§ 1602.2 Definitions.

(a) *Commercial use request* means a request from or on behalf of one who seeks information for a use or purpose that furthers the commercial, trade, or profit interests of the requester or the person on whose behalf the request is made. In determining whether a requester properly belongs in this category, LSC will look to the use to which a requester will put the documents requested. When LSC has reasonable cause to doubt the requester's stated use of the records sought, or where the use is not clear from the request itself, it will seek additional clarification before assigning the request to a category.

(b) *Confidential commercial information* means records provided to LSC by a submitter that arguably contain material exempt from release under Exemption 4 of the FOIA, 5 U.S.C. 552(b)(4).

(c) *Duplication* means the process of making a copy of a requested record pursuant to this part in a form appropriate for release in response to a FOIA request.

(d) *Educational institution* means a preschool, a public or private elementary or secondary school, an institution of undergraduate or graduate higher education, or an institution of professional or vocational education which operates a program or programs of scholarly research.

(e) *FOIA* means the Freedom of Information Act, 5 U.S.C. 552.

(f) *LSC* means the Legal Services Corporation. Unless explicitly stated otherwise, LSC includes the Office of Inspector General.

(g) *Non-commercial scientific institution* means an institution that is not operated on a commercial basis and which is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry.

(h) *Office* refers to the Office of Legal Affairs and/or the Office of Inspector General (OIG).

(i) *Person* includes an individual, partnership, corporation, association, or public or private organization other than LSC or a Federal agency.

(j) *Records* are any type of information made or received by LSC or the OIG for purposes of transacting LSC or OIG business and preserved by LSC or the OIG (either directly or maintained by a third party under contract to LSC or the OIG for records management purposes) regardless of form (e.g., paper or electronic, formal or informal, copies or original) as evidence of LSC's or OIG's organization, functions, policies, decisions, procedures, operations, or other activities of LSC or the OIG or because the record has informational value.

(k) *Representative of the news media* means any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. In this clause, the term "news" means information that is about current events or that would be of current interest to the

Legal Services Corporation

§ 1602.5

public. Examples of news media entities are television or radio stations broadcasting to the public at large and publishers of periodicals (but only if such entities qualify as disseminators of “news”) who make their products available for purchase or subscription or by free distribution to the general public. These examples are not all-inclusive. Moreover, as methods of news delivery evolve (for example, the adoption of the electronic dissemination of newspapers through telecommunications services), such alternative media shall be considered to be news media entities. A freelance journalist shall be regarded as working for a news media entity if the journalist can demonstrate a solid basis for expecting publication through that entity, whether or not the journalist is actually employed by the entity. A publication contract would present a solid basis for such an expectation. LSC may also consider the past publication record of the requester in making such a determination.

(l) *Review* means the process of examining documents located in response to a request to determine whether any portion of any such document is exempt from disclosure. It also includes processing any such documents for disclosure. Review does not include time spent resolving general legal or policy issues regarding the application of exemptions.

(m) *Rule* means the whole or a part of an LSC statement of general or particular applicability and future effect designed to implement, interpret, or prescribe law or policy or describing the organization, procedure, or practice requirements of LSC.

(n) *Search* means the process of looking for and retrieving records that are responsive to a request for records. It includes page-by-page or line-by-line identification of material within documents and also includes reasonable efforts to locate and retrieve information from records maintained in electronic form or format. Searches may be conducted manually or by automated means and will be conducted in the most efficient and least expensive manner.

(o) *Submitter* means any person or applicant for funds who provides con-

fidential commercial information to LSC.

§ 1602.3 Policy.

LSC will make records concerning its operations, activities, and business available to the public to the maximum extent reasonably possible. LSC will withhold records from the public only in accordance with the FOIA and this part. LSC will disclose records otherwise exempt from disclosure under the FOIA when LSC does not reasonably foresee that disclosure would harm an interest protected by an exemption and disclosure is not prohibited by law or protected under Exemption 3.

§ 1602.4 Records published in the Federal Register.

LSC routinely publishes in the FEDERAL REGISTER information on its basic structure and operations necessary to inform the public how to deal effectively with LSC. LSC will make reasonable efforts to currently update such information, which will include basic information on LSC’s location, functions, rules of procedure, substantive rules, statements of general policy, and information regarding how the public may obtain information, make submittals or requests, or obtain decisions.

§ 1602.5 Public reading room.

(a) LSC will maintain a public reading room at its offices at 3333 K St. NW., Washington, DC 20007. This room will be supervised and will be open to the public during LSC’s regular business hours. Procedures for use of the public reading room are described in §1602.6. LSC also maintains an electronic public reading room that may be accessed at <http://www.lsc.gov/about-lsc/foia/foia-electronic-public-reading-room>.

(b) Subject to the limitation stated in paragraph (c) of this section, LSC will make available for public inspection in its electronic public reading room the records described in 5 U.S.C. 552(a)(2).

(c) Records required by FOIA to be available in the public reading room may be exempt from mandatory disclosure pursuant to 5 U.S.C. 552(b). LSC will not make such records available in

§ 1602.6

the public reading room. LSC may edit other records maintained in the reading room by redacting details about individuals to prevent clearly unwarranted invasions of personal privacy. In such cases, LSC will attach a full explanation of the redactions to the record. LSC will indicate the extent of the redactions unless doing so would harm an interest protected by the exemption under which the redactions are made. If technically feasible, LSC will indicate the extent of the redactions at the place in the record where the redactions were made.

§ 1602.6 Procedures for use of public reading room.

(a) A person who wishes to inspect or copy records in the public reading room should arrange a time in advance, by telephone or letter request made to the Office of Legal Affairs, Legal Services Corporation, 3333 K Street NW., Washington, DC 20007 or by email to FOIA@lsc.gov.

(1) In appropriate circumstances, LSC will advise persons making telephonic requests to use the public reading room that a written request would aid in the identification and expeditious processing of the records sought.

(2) Written requests should identify the records sought in the manner provided in § 1602.8(b) and should request a specific date for inspecting the records.

(b) LSC will advise the requester as promptly as possible if, for any reason, it is not feasible to make the records sought available on the date requested.

(c) A computer terminal and printer are available upon request in the public reading room for accessing Electronic Reading Room records.

§ 1602.7 Index of records.

LSC will maintain and make available for public inspection in an electronic format a current index identifying any matter within the scope of § 1602.4 and § 1602.5(b).

§ 1602.8 Requests for records.

(a) LSC will make its records promptly available, upon request, to any person in accordance with this section, unless:

(1) the FOIA requires the records to be published in the FEDERAL REGISTER

45 CFR Ch. XVI (10–1–24 Edition)

(§ 1602.4) or to be made available in the public reading room (§ 1602.5); or

(2) LSC determines that such records should be withheld and are exempt from mandatory disclosure under the FOIA and § 1602.10.

(b)(1) *Requests for LSC records.* All requests for LSC records must be clearly marked Freedom of Information Act Request and shall be addressed to the FOIA Analyst, Office of Legal Affairs, Legal Services Corporation, 3333 K Street NW., Washington, DC 20007. Email requests shall be sent to FOIA@lsc.gov. Requests for LSC Records may also be made online using the FOIA Request Electronic Submission Form located at <http://www.lsc.gov/about-lsc/foia>.

(2) *Requests for Office of Inspector General records.* All requests for records maintained by the OIG must be clearly marked Freedom of Information Act Request and shall be addressed to the FOIA Officer, Office of Inspector General, Legal Services Corporation, 3333 K Street NW., Washington, DC 20007. Email requests shall be sent to FOIA@oig.lsc.gov.

(3) Any request not marked and addressed as specified in this section will be so marked by LSC personnel as soon as it is properly identified, and will be forwarded immediately to the appropriate Office. A request improperly addressed will be deemed to have been received as in accordance with § 1602.9 only when it has been received by the appropriate Office. Upon receipt of an improperly addressed request, the Chief FOIA Officer, Office of Inspector General Legal Counsel or their designees shall notify the requester of the date on which the time period began.

(c) A request must reasonably describe the records requested so that employees of LSC who are familiar with the subject area of the request are able, with a reasonable amount of effort, to determine which particular records are within the scope of the request. Before submitting their requests, requesters may contact LSC's or OIG's FOIA Analyst or FOIA Public Liaison to discuss the records they seek and to receive assistance in describing the records. If LSC determines

Legal Services Corporation

§ 1602.9

that a request does not reasonably describe the records sought, LSC will inform the requester what additional information is needed or why the request is otherwise insufficient. Requesters who are attempting to reformulate or modify their request may discuss their request with LSC's or OIG's FOIA Analyst or FOIA Public Liaison. If a request does not reasonably describe the records sought, LSC's response to the request may be delayed.

(d) To facilitate the location of records by LSC, a requester should try to provide the following kinds of information, if known:

(1) The specific event or action to which the record refers;

(2) The unit or program of LSC that may be responsible for or may have produced the record;

(3) The date of the record or the date or period to which it refers or relates;

(4) The type of record, such as an application, a grant, a contract, or a report;

(5) Personnel of LSC who may have prepared or have knowledge of the record;

(6) Citations to newspapers or publications which have referred to the record.

(e) Requests may specify the preferred form or format (including electronic formats) for the records sought. LSC will provide records in the form or format indicated by the requester to the extent such records are readily reproducible in the requested form or format. LSC reserves the right to limit the number of copies of any document that will be provided to any one requester or to require that special arrangements for duplication be made in the case of bound volumes or other records representing unusual problems of handling or reproduction.

(f) Requesters must provide contact information, such as their phone number, email address, and/or mailing address, to assist LSC in communicating with them and providing released records.

(g) LSC is not required to create a record or to perform research to satisfy a request.

(h) Any request for a waiver or reduction of fees should be included in the FOIA request, and any such request

should indicate the grounds for a waiver or reduction of fees, as set out in §1602.14(g).

§ 1602.9 Timing and responses to requests for records.

(a)(1) Upon receiving a request for LSC or Inspector General records under §1602.8, the Chief FOIA Officer, Office of Inspector General Legal Counsel or their designees shall make an initial determination of whether to comply with or deny such request. The Chief FOIA Officer, Office of Inspector General Legal Counsel or their designees will send the determination to the requester within 20 business days after receipt of the request and will notify the requester of their right to seek assistance from an LSC FOIA Public Liaison.

(2) The 20-day period under paragraph (a)(1) of this section shall commence on the date on which the request is first received by the appropriate Office, but in no event later than 10 working days after the request has been received by either the Office of Legal Affairs or the Office of Inspector General. The 20-day period shall not be tolled by the Office processing the request except that the processing Office may make one request to the requester for information pursuant to paragraph (b) of this section and toll the 20-day period while

(i) It is awaiting such information that it has reasonably requested from the requester under this section; or

(ii) It communicates with the requester to clarify issues regarding fee assessment.

In either case, the processing Office's receipt of the requester's response to such a request for information or clarification ends the tolling period.

(b) *Consultation.* When records originated with the Office processing the request, but contain within them information of interest to another Office or Federal agency, the Office processing the request should typically consult with that other entity prior to making a release determination.

(c) *Referral.* (1) If the processing Office determines that the other Office or Federal agency is best able to determine whether to disclose the record, the processing Office will typically refer the responsibility for responding

to the request for that record to the other Office or Federal agency. Ordinarily, the Office that originated the record is presumed to be the best Office to make the disclosure determination. However, if the Offices or Federal agency jointly agree that the processing Office is in the best position to respond regarding the record, then the record may be released by the processing Office after consultation with the other Office or Federal agency.

(2) Whenever a referral occurs, the processing Office must document the referral, maintain a copy of the record that it refers, and notify the requester of the referral, informing the requester of the name(s) of the Office or Federal agency to which the record was referred, including that Office's or Federal agency's FOIA contact information.

(d)(1) In unusual circumstances, as specified in paragraph (d)(3) of this section, LSC may extend the time limit for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which LSC expects to send its determination.

(2) LSC may also provide an opportunity to the requester to narrow the request. In addition, to aid the requester, LSC shall make available a FOIA Public Liaison, who shall assist in the resolution of any disputes between the requester and LSC, and shall notify the requester of his right to seek dispute resolution services from the U.S. National Archives and Records Administration's Office of Government Information Services.

(3) *Unusual circumstances.* As used in this part, *unusual circumstances* are limited to the following, but only to the extent reasonably necessary for the proper processing of the particular request:

(i) The need to search for and collect the requested records from establishments that are separate from the office processing the request;

(ii) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(iii) The need for consultation, which shall be conducted with all practicable

speed, with another Office, Federal agency, or organization having a substantial interest in the determination of the request.

(c)(1) When the processing Office cannot send a determination to the requester within the applicable time limit, the Chief FOIA Officer, Office of the Inspector General Legal Counsel, or their designees shall inform the requester of the reason for the delay, the date on which the processing Office expects to send its determination, and the requester's right to treat the delay as a denial and to appeal to LSC's President or Inspector General, in accordance with §1602.13, or to seek dispute resolution services from a FOIA Public Liaison or the Office of Government Information Services.

(2) If the processing Office has not sent its determination by the end of the 20-day period or the last extension thereof, the requester may deem the request denied, and exercise a right of appeal in accordance with §1602.13, or seek dispute resolution services from LSC's or OIG's FOIA Public Liaison or the National Archives and Records Administration's Office of Government Information Services. The Chief FOIA Officer, Office of Inspector General Legal Counsel, or their designees may ask the requester to forego appeal until a determination is made.

(d) After the processing Office determines that a request will be granted, LSC or the OIG will act with due diligence in providing a substantive response.

(e)(1) *Expedited treatment.* Requests and appeals will be taken out of order and given expedited treatment whenever the requester demonstrates a compelling need. A compelling need means:

(i) Circumstances in which the lack of expedited treatment could reasonably be expected to pose an imminent threat to the life or physical safety of an individual;

(ii) An urgency to inform the public about an actual or alleged LSC activity and the request is made by a person primarily engaged in disseminating information;

(iii) The loss of substantial due process rights; or

(iv) A matter of widespread and exceptional media interest raising questions about LSC's integrity which may affect public confidence in LSC.

(2) A request for expedited processing may be made at the time of the initial request for records or at any later time. For a prompt determination, a request for expedited processing must be properly addressed and marked and received by LSC pursuant to §1602.8.

(3) A requester who seeks expedited processing must submit a statement demonstrating a compelling need and explaining in detail the basis for requesting expedited processing. The requester must certify that the statement is true and correct to the best of the requester's knowledge and belief.

(4) Within 10 calendar days of receiving a request for expedited processing, the Chief FOIA Officer, Office of Inspector General Legal Counsel or their designees shall decide whether to grant the request and shall notify the requester of the decision. If a request for expedited treatment is granted, the request shall be given priority and shall be processed as soon as practicable. If a request for expedited processing is denied, the requester may appeal in writing to LSC's President or Inspector General in the format described in §1602.13(a). Any appeal of a denial for expedited treatment shall be acted on expeditiously by LSC.

§ 1602.10 Exemptions for withholding records.

(a) LSC shall—

(1) Withhold information under this section only if—

(i) LSC reasonably foresees that disclosure would harm an interest protected by an exemption described in paragraph (b); or

(ii) Disclosure is prohibited by law; and

(2)(i) Consider whether partial disclosure of information is possible whenever LSC determines that a full disclosure of a requested record is not possible; and

(ii) Take reasonable steps necessary to segregate and release nonexempt information;

(b) LSC may withhold a requested record from public disclosure only if

one or more of the following exemptions authorized by the FOIA apply:

(1)(i) Matter that is specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy; and

(ii) Is in fact properly classified pursuant to such Executive Order;

(2) Matter that is related solely to the internal personnel rules and practices of LSC;

(3) Matter that is specifically exempted from disclosure by statute (other than the exemptions under FOIA at 5 U.S.C. 552(b)), provided that such statute requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or establishes particular criteria for withholding, or refers to particular types of matters to be withheld;

(4) Trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Inter-agency or intra-agency memoranda or letters that would not be available by law to a party other than an agency in litigation with LSC, provided that the deliberative process privilege shall not apply to records created 25 years or more before the date on which the records were requested;

(6) Personnel and medical files and similar files, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) Records or information compiled for law enforcement purposes, including enforcing the Legal Services Corporation Act or any other law, but only to the extent that the production of such law enforcement records or information:

(i) Could reasonably be expected to interfere with enforcement proceedings;

(ii) Would deprive a person or a recipient of a right to a fair trial or an impartial adjudication;

(iii) Could reasonably be expected to constitute an unwarranted invasion of personal privacy;

(iv) Could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution that furnished information on a confidential basis, and in

§ 1602.11

the case of a record or information compiled by a criminal law enforcement authority in the course of a criminal investigation, information furnished by a confidential source;

(v) Would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law; or

(vi) Could reasonably be expected to endanger the life or physical safety of any individual;

(8) Matter that is contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions; or

(9) Geological and geophysical information and data, including maps, concerning wells.

(c) In the event that one or more of the exemptions in paragraph (b) of this section applies, any reasonably segregable portion of a record shall be provided to the requester after redaction of the exempt portions. The amount of information redacted and the exemption under which the redaction is being made shall be indicated on the released portion of the record, unless doing so would harm the interest protected by the exemption under which the redaction is made. If technically feasible, the amount of information redacted and the exemption under which the redaction is being made shall be indicated at the place in the record where the redaction occurs.

(d) No requester shall have a right to insist that any or all of the techniques in paragraph (c) of this section should be employed in order to satisfy a request.

(e) Records that may be exempt from disclosure pursuant to paragraph (b) of this section may be made available at the discretion of the LSC official authorized to grant or deny the request for records, after appropriate consultation as provided in §1602.11. LSC will disclose records otherwise exempt from disclosure under the FOIA when LSC does not reasonably foresee that disclosure would harm an interest protected

45 CFR Ch. XVI (10–1–24 Edition)

by an exemption and disclosure is not prohibited by law or protected under Exemption 3.

§ 1602.11 Officials authorized to grant or deny requests for records.

(a) The Chief FOIA Officer, Office of Inspector General Legal Counsel or their designees are authorized to grant or deny requests under this part. In the absence of an Office of Inspector General Legal Counsel, the Inspector General shall name a designee who will be authorized to grant or deny requests under this part and who will perform all other functions of the Office of Inspector General Legal Counsel under this part.

(b)(1) The Chief FOIA Officer or designee shall consult with the Office of Inspector General Legal Counsel or designee prior to granting or denying any request for records or portions of records which originated with the OIG, or which contain information which originated with the OIG, but which are maintained by other components of LSC.

(2) The Office of Inspector General Legal Counsel or designee shall consult with the Chief FOIA Officer or designee prior to granting or denying any request for records or portions of records which originated with any component of LSC other than the OIG, or which contain information which originated with a component of LSC other than the OIG, but which are maintained by the OIG.

§ 1602.12 Denials.

(a) A denial of a written request for a record that complies with the requirements of §1602.8 shall be in writing and shall include the following:

(1) A reference to the applicable exemption or exemptions in §1602.10(b) upon which the denial is based;

(2) An explanation of how the exemption applies to the requested records;

(3) A statement explaining why it is deemed unreasonable to provide segregable portions of the record after deleting the exempt portions;

(4) An estimate of the volume of requested matter denied unless providing such estimate would harm the interest protected by the exemption under which the denial is made;

Legal Services Corporation

§ 1602.13

(5) The name and title of the person or persons responsible for denying the request;

(6) An explanation of the right to appeal the denial and of the procedures for submitting an appeal, as described in § 1602.13, including the address of the official to whom appeals should be submitted; and

(7) An explanation of the right of the requester to seek dispute resolution services from a FOIA Public Liaison or the Office of Government Information Services.

(b) Whenever LSC makes a record available subject to the deletion of a portion of the record, such action shall be deemed a denial of a record for purposes of paragraph (a) of this section.

(c) All denials shall be treated as final opinions under § 1602.5(b).

§ 1602.13 Appeals of denials.

(a) Any person whose written request has been denied is entitled to appeal the denial within 90 days of the date of the response by writing to the President of LSC or, in the case of a denial of a request for OIG records, the Inspector General, at the mailing or email addresses given in § 1602.8(b)(1) and (2). The envelope and letter or email appeal should be clearly marked: "Freedom of Information Appeal." An appeal need not be in any particular form, but should adequately identify the denial, if possible, by describing the requested record, identifying the official who issued the denial, and providing the date on which the denial was issued.

(b) No personal appearance, oral argument, or hearing will ordinarily be permitted on appeal of a denial. Upon request and a showing of special circumstances, however, this limitation may be waived and an informal conference may be arranged with the President, Inspector General or their designees for this purpose.

(c)(1) The decision of the President or the Inspector General on an appeal shall be in writing and, in the event the denial is in whole or in part upheld, shall contain an explanation responsive to the arguments advanced by the requester, the matters described in § 1602.12(a)(1) through (4), and the provisions for judicial review of such deci-

sion under 5 U.S.C. 552(a)(4). The decision must also notify the requester of the dispute resolution services offered by the National Archives and Records Administration's Office of Government Information Systems as a non-exclusive alternative to litigation. A requester may contact the Office of Government Information Services in any of the following ways:

(i) Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road—OGIS, College Park, MD 20740.

(ii) *ogis.archives.gov*.

(iii) *Email: ogis@nara.gov*.

(iv) *Telephone: 202-741-5770*.

(v) *Facsimile: 202-741-5769*.

(vi) *Toll-free: 1-877-684-6448*.

(2) Dispute resolution through the Office of Government Information Services is a voluntary process. If LSC agrees to participate in the dispute resolution services provided by the Office of Government Information Services, it will actively engage in the process in an attempt to resolve the dispute.

(d) LSC will send its decision to the requester within 20 business days after receipt of the appeal, unless an additional period is justified due to unusual circumstances, as described in § 1602.9, in which case LSC may extend the time limit for up to 10 working days by written notice to the requester setting forth the reasons for such extension and the date on which LSC expects to send its determination. The decision of the President or the Inspector General shall constitute the final action of LSC. All such decisions shall be treated as final opinions under § 1602.5(b)(1).

(e) On an appeal, the President or designee shall consult with the OIG prior to reversing in whole or in part the denial of any request for records or portions of records which originated with the OIG, or which contain information which originated with the OIG, but which are maintained by LSC. The Inspector General or designee shall consult with the President prior to reversing in whole or in part the denial of any request for records or portions of records which originated with LSC, or which contain information which originated with LSC, but which are maintained by the OIG.

§ 1602.14

45 CFR Ch. XVI (10–1–24 Edition)

§ 1602.14 Fees.

(a) LSC will not charge fees for information routinely provided in the normal course of doing business.

(b)(1) When records are requested for commercial use, LSC shall limit fees to reasonable standard charges for document search, review, and duplication.

(2) LSC shall not assess any search fees (or if the requester is a representative of the news media, duplication fees) if LSC has failed to comply with the time limits set forth in § 1602.9 and no unusual circumstances, as defined in that section apply.

(3)(i) If LSC has determined that unusual circumstances as defined in § 1602.9 apply and LSC has provided timely written notice to the requester in accordance with § 1602.9, a failure described in paragraph (2) is excused for an additional 10 days. If LSC fails to comply with the extended time limit, LSC may not assess any search fees (or, if the requester is a representative of the news media, duplication fees) except as provided in paragraphs (a)(3)(ii)–(iii) of this section.

(ii) If LSC has determined that unusual circumstances as defined in § 1602.9 apply and more than 5,000 pages are necessary to respond to the request, LSC may charge search fees or duplication fees if LSC has provided a timely written notice to the requester in accordance with § 1602.9 and LSC has discussed with the requester via written mail, electronic mail, or telephone (or made not less than three good faith attempts to do so) how the requester could effectively limit the scope of the request in accordance with § 1602.9.

(iii) If a court has determined that exceptional circumstances exist, as defined by the FOIA, a failure to comply with the time limits shall be excused for the length of time provided by the court order.

(c) When records are sought by a representative of the news media or by an educational or non-commercial scientific institution, LSC shall limit fees to reasonable standard charges for document duplication after the first 100 pages; and

(d) For all other requests, LSC shall limit fees to reasonable standard charges for search time after the first 2

hours and duplication after the first 100 pages.

(e) The schedule of charges and fees for services regarding the production or disclosure of the Corporation's records is as follows:

(1) Manual search for and review of records will be charged as follows:

(i) *Administrative fee*: \$22.35/hour;

(ii) *Professional fee*: \$66.26/hour;

(iii) Charges for search and review time less than a full hour will be billed by quarter-hour segments;

(2) *Duplication by paper copy*: 35 cents per page;

(3) *Duplication by other methods*: actual charges as incurred;

(4) *Packing and mailing records*: no charge for regular mail;

(5) *Express mail*: actual charges as incurred.

(f) LSC may charge for time spent searching even if it does not locate any responsive records or it withholds the records located as exempt from disclosure.

(g) *Fee waivers*. A requester may seek a waiver or reduction of the fees established under paragraph (e) of this section. A fee waiver or reduction request will be granted where LSC has determined that the requester has demonstrated that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations of LSC and is not primarily in the commercial interest of the requester.

(1) In order to determine whether disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of LSC, LSC shall consider the following four factors:

(i) *The subject of the request*: Whether the subject of the requested records concerns “the operations or activities of LSC.” The subject of the requested records must concern identifiable operations or activities of LSC, with a connection that is direct and clear, not remote or attenuated.

(ii) *The informative value of the information to be disclosed*: Whether the disclosure is “likely to contribute” to an understanding of LSC operations or activities. The requested records must be

meaningfully informative about LSC operations or activities in order to be likely to contribute to an increased public understanding of those operations or activities. The disclosure of information that is already in the public domain, in either a duplicative or a substantially identical form, would not be likely to contribute to such understanding where nothing new would be added to the public's understanding.

(iii) *The contribution to an understanding of the subject by the public likely to result from disclosure:* Whether disclosure of the requested records will contribute to "public understanding." The disclosure must contribute to a reasonably broad audience of persons interested in the subject, as opposed to the personal interest of the requester. A requester's expertise in the subject area and ability and intention to effectively convey information to the public shall be considered. LSC shall presume that a representative of the news media will satisfy this consideration.

(iv) *The significance of the contribution to public understanding:* Whether the disclosure is likely to contribute "significantly" to public understanding of LSC operations or activities. The disclosure must enhance the public's understanding of the subject in question to a significant extent.

(2) In order to determine whether disclosure of the information is not primarily in the commercial interest of the requester, LSC will consider the following two factors:

(i) *The existence and magnitude of a commercial interest:* Whether the requester has a commercial interest that would be furthered by the requested disclosure. LSC shall consider any commercial interest of the requester (with reference to the definition of *commercial use* in this part) or of any person on whose behalf the requester may be acting, that would be furthered by the requested disclosure.

(ii) *The primary interest in disclosure:* Whether the magnitude of the identified commercial interest is sufficiently large, in comparison with the public interest in disclosure, that disclosure is "primarily" in the commercial interest of the requester. A fee waiver or reduction is justified where the public interest is of greater magnitude than is any

identified commercial interest in disclosure. LSC ordinarily shall presume that where a news media requester has satisfied the public interest standard, the public interest will be the interest primarily served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market government information for direct economic return shall not be presumed primarily to serve a public interest.

(3) Where LSC has determined that a fee waiver or reduction request is justified for only some of the records to be released, LSC shall grant the fee waiver or reduction for those records.

(4) Requests for fee waivers and reductions shall be made in writing and must address the factors listed in this paragraph as they apply to the request.

(h) Requesters must agree to pay all fees charged for services associated with their requests. LSC will assume that requesters agree to pay all charges for services associated with their requests up to \$25 unless otherwise indicated by the requester. For requests estimated to exceed \$25, LSC will consult with the requester prior to processing the request, and such requests will not be deemed to have been received by LSC until the requester agrees in writing to pay all fees charged for services. LSC will also make available its FOIA Public Liaison or other FOIA professional to assist any requester in reformulating a request to meet the requester's needs at a lower cost.

(i) No requester will be required to make an advance payment of any fee unless:

(1) The requester has previously failed to pay a required fee within 30 days of the date of billing, in which case an advance deposit of the full amount of the anticipated fee together with the fee then due plus interest accrued may be required (and the request will not be deemed to have been received by LSC until such payment is made); or

(2) LSC determines that an estimated fee will exceed \$250, in which case the requester shall be notified of the amount of the anticipated fee or such portion thereof as can readily be estimated. Such notification shall be transmitted as soon as possible, but in

any event within five working days of receipt by LSC, giving the best estimate then available. The notification shall offer the requester the opportunity to confer with appropriate representatives of LSC for the purpose of reformulating the request so as to meet the needs of the requester at a reduced cost. The request will not be deemed to have been received by LSC for purposes of the initial 20-day response period until the requester makes a deposit on the fee in an amount determined by LSC.

(j) Interest may be charged to those requesters who fail to pay the fees charged. Interest will be assessed on the amount billed, starting on the 31st day following the day on which the billing was sent. The rate charged will be as prescribed in 31 U.S.C. 3717.

(k) If LSC reasonably believes that a requester or group of requesters is attempting to break a request into a series of requests for the purpose of evading the assessment of fees, LSC shall aggregate such requests and charge accordingly. Likewise, LSC will aggregate multiple requests for documents received from the same requester within 45 days.

§ 1602.15 Submitter's rights process.

(a) When LSC receives a FOIA request seeking the release of confidential commercial information, LSC shall provide prompt written notice of the request to the submitter in order to afford the submitter an opportunity to object to the disclosure of the requested confidential commercial information. The notice shall reasonably describe the confidential commercial information requested, inform the submitter of the process required by paragraph (b) of this section, and provide a reasonable time period for the submitter to respond.

(b) If a submitter who has received notice of a request for the submitter's confidential commercial information wishes to object to the disclosure of the confidential commercial information, the submitter must provide LSC within the time period set forth in the notice, a detailed written statement identifying the information which it objects. The submitter must send its objections to the Office of Legal Affairs

or, if it pertains to Office of Inspector General records, to the Office of Inspector General, and must specify the grounds for withholding the information under FOIA or this part. In particular, the submitter must demonstrate why the information is commercial or financial information that is privileged or confidential. If the submitter fails to respond to the notice from LSC within the time period specified in the notice, LSC will deem the submitter to have no objection to the disclosure of the information.

(c) Upon receipt of written objection to disclosure by a submitter, LSC shall consider the submitter's objections and specific grounds for withholding in deciding whether to release the disputed information. Whenever LSC decides to disclose information over the objection of the submitter, LSC shall give the submitter written notice which shall include:

(1) A description of the information to be released and a notice that LSC intends to release the information;

(2) A statement of the reason(s) why the submitter's request for withholding is being rejected; and

(3) A specified disclosure date, which must be a reasonable time after the notice.

(d) The requirements of this section shall not apply if:

(1) LSC determines upon initial review of the requested confidential commercial information that the requested information should not be disclosed;

(2) The information has been previously published or officially made available to the public; or

(3) Disclosure of the information is required by statute (other than FOIA) or LSC's regulations.

(e) Whenever a requester files a lawsuit seeking to compel disclosure of a submitter's information, LSC shall promptly notify the submitter.

(f) Whenever LSC provides a submitter with notice and opportunity to oppose disclosure under this section, LSC shall notify the requester that the submitter's rights process under this section has been triggered. Likewise, whenever a submitter files a lawsuit seeking to prevent the disclosure of the submitter's information, LSC shall notify the requester.

SOURCE: 83 FR 17087, April 18, 2018, unless otherwise noted.

§ 1603.1 Scope, purpose, and applicability.

(a) This part sets forth rules to be followed when a litigant requests an employee of the Legal Services Corporation (LSC), including LSC's Office of the Inspector General (OIG), to provide testimony in a deposition, trial, or other similar proceeding concerning information acquired in the course of performing official duties or because of such person's official capacity with LSC. This part also sets forth procedures for the handling of subpoenas for documents and other requests for documents in the possession of LSC or the OIG, and for the processing of requests for certification of copies of documents.

(b) It is LSC's policy to provide information, data, and records to non-federal litigants to the same extent and in the same manner that they are made available to the public. When subject to the jurisdiction of a court or other tribunal presiding over litigation between non-federal parties, LSC will follow all applicable procedural and substantive rules relating to the production of information, data, and records by a non-party. The availability of LSC employees to testify in litigation not involving federal parties is governed by LSC's policy to maintain strict impar-

tiality with respect to private litigants and to minimize the disruption of official duties.

(c) This part applies to state, local, and tribal judicial, administrative, and legislative proceedings, and to federal judicial and administrative proceedings.

(d) This part does not apply to:

(1) Any civil or criminal proceedings to which LSC is a party.

(2) Congressional requests or subpoenas for testimony or documents.

(3) Consultative services and technical assistance provided by LSC in carrying out its normal program activities.

(4) Employees serving as expert witnesses in connection with professional and consultative services as approved outside activities. In cases where employees are providing such outside services, they must state for the record that the testimony represents their own views and does not necessarily represent the official position of LSC.

(5) Employees making appearances in their private capacity in legal or administrative proceedings that do not relate to LSC, such as cases arising out of traffic accidents, crimes, domestic relations, etc., and not involving professional and consultative services.

(6) Any civil or criminal proceedings in State court brought on behalf of LSC.

(7) Any criminal proceeding brought as a result of a referral for prosecution by the OIG or by any other Inspector General in connection with a case worked jointly with the OIG.

§ 1603.2 Definitions.

(a) *Certify* means to authenticate official LSC documents.

(b) *Employee* means current and former LSC employees, including temporary employees, OIG employees, and members of the Board of Directors and its Committees.

(c) *LSC* means the Legal Services Corporation. Unless explicitly stated otherwise, LSC includes the OIG.

(d) *Testify* and *testimony* include in-person, oral statements before a court, legislative or administrative body and statements made pursuant to depositions, interrogatories, declarations, affidavits, or other formal participation.

§ 1603.3

§ 1603.3 What is LSC's policy on presentation of testimony and production of documents?

In any proceedings to which this part applies, no employee may provide testimony or produce documents concerning information acquired in the course of performing official duties or because of the person's official relationship with LSC unless authorized by the General Counsel or the OIG Legal Counsel pursuant to this part based on his or her determination that compliance with the request would promote LSC's objectives.

§ 1603.4 How does a person request voluntary testimony from an employee?

(a) All requests for testimony by an employee in his or her official capacity, except employees of OIG described in paragraph (b) of this section, and not subject to the exceptions set forth in §1603.1(d) of this part must be in writing and addressed to the General Counsel.

(b) All requests for testimony by an employee of the OIG must be in writing and addressed to the OIG Legal Counsel.

(c) Requests must state the nature of the requested testimony, why the information sought is unavailable by any other means, and the reasons why the testimony would be in the interest of LSC.

§ 1603.5 How will LSC respond to a request for expert testimony from an employee?

No employee shall serve as an expert witness in any proceeding described in §1603.1(c) of this part or before a court or agency of the United States unless the General Counsel or the OIG Legal Counsel authorizes the employee's participation.

§ 1603.6 How will LSC respond to a subpoena for documents?

(a) Whenever a subpoena commanding the production of any LSC record has been served upon an employee, the employee shall refer the subpoena to the General Counsel or the OIG Legal Counsel, as appropriate. The General Counsel or the OIG Legal Counsel shall determine whether the

45 CFR Ch. XVI (10–1–24 Edition)

subpoena is legally sufficient, whether the subpoena was properly served, and whether the issuing court or other tribunal has jurisdiction over LSC. If the General Counsel or the OIG Legal Counsel determines that the subpoena satisfies all three factors, LSC shall comply with the terms of the subpoena unless LSC takes affirmative action to modify or quash the subpoena in accordance with Fed. R. Civ. P. 45 (c).

(b) If a subpoena commanding the production of any record served upon an employee is determined by the General Counsel or the OIG Legal Counsel to be legally insufficient, improperly served, or from a tribunal not having jurisdiction, LSC shall deem the subpoena a request for records under the Freedom of Information Act. LSC shall handle the subpoena pursuant to the rules governing public disclosure established in 45 CFR part 1602.

(c) If the General Counsel or the OIG Legal Counsel denies approval to comply with a subpoena for testimony or has not acted by the return date, the employee will be directed to appear at the stated time and place, unless advised by the General Counsel or the OIG Legal Counsel that responding to the subpoena would be inappropriate. The employee will be directed to produce a copy of these regulations and respectfully decline to testify or produce any documents on the basis of these regulations.

§ 1603.7 When will LSC certify the authenticity of records?

Upon request, LSC will certify the authenticity of copies of records that are to be disclosed. The requesting party will be responsible for reasonable fees for copying and certification.

§ 1603.8 Does this part give individuals any rights?

This part is intended only to provide a process for receipt and processing of private litigants' requests for LSC documents and testimony. It does not, and may not be relied upon, to create a right or benefit, substantive or procedural, enforceable at law by a party against LSC.

- 1604.3 General policy.
- 1604.4 Permissible outside practice.

§ 1604.1 Purpose.

This part is intended to provide guidance to recipients in adopting written policies relating to the outside practice of law by recipients' full-time attorneys. Under the standards set forth in this part, recipients are authorized, but not required, to permit attorneys, to the extent that such activities do not hinder fulfillment of their overriding responsibility to serve those eligible for assistance under the Act, to engage in pro bono legal assistance and comply with the reasonable demands made upon them as members of the Bar and as officers of the Court.

§ 1604.2 Definitions.

As used in this part—

(a) *Full-time attorney* means an attorney who is employed full-time by a recipient in legal assistance activities supported in major part by the Corporation, and who is authorized to practice law in the jurisdiction where assistance is provided.

(b) *Outside practice of law* means the provision of legal assistance to a client who is not receiving that legal assistance from the employer of the full-time attorney rendering assistance, but does not include court appointments except where specifically stated or the performance of duties as a Judge Advocate General Corps attorney in the United States armed forces reserves.

(c) *Court appointment* means an appointment in a criminal or civil case made by a court or administrative agency under a statute, rule or practice applied generally to attorneys practicing in the court or before the

administrative agency where the appointment is made.

§ 1604.3 General policy.

(a) A recipient shall adopt written policies governing the outside practice of law by full-time attorneys that are consistent with the LSC Act, this part and applicable rules of professional responsibility.

(b) A recipient's policies may permit the outside practice of law by full-time attorneys only to the extent allowed by the LSC Act and this part, but may impose additional restrictions as necessary to meet the recipient's responsibilities to clients.

§ 1604.4 Permissible outside practice.

A recipient's written policies may permit a full-time attorney to engage in a specific case or matter that constitutes the outside practice of law if:

(a) The director of the recipient or the director's designee determines that representation in such case or matter is consistent with the attorney's responsibilities to the recipient's clients;

(b) Except as provided in §1604.7, the attorney does not intentionally identify the case or matter with the Corporation or the recipient; and

(c) The attorney is—

(1) Newly employed and has a professional responsibility to close cases from a previous law practice, and does so on the attorney's own time as expeditiously as possible; or

(2) Acting on behalf of him or herself, a close friend, family member or another member of the recipient's staff; or

(3) Acting on behalf of a religious, community, or charitable group; or

(4) Participating in a voluntary pro bono or legal referral program affiliated with or sponsored by a bar association, other legal organization or religious, community or charitable group.

§ 1604.5 Compensation.

(a) Except as provided in paragraph (b) of this section and §1604.7(a), a recipient's written policies shall not permit a full-time attorney to receive any compensation for the outside practice of law.

§ 1604.6

(b) A recipient's written policies which permit a full-time attorney who meets the criteria set forth in §1604.4(c)(1) to engage in the outside practice of law shall permit full-time attorneys to seek and receive personal compensation for work performed pursuant to that section.

§ 1604.6 Use of recipient resources.

(a) For cases undertaken pursuant to §1604.4(c)(1), a recipient's written policies may permit a full-time attorney to use *de minimis* amounts of the recipient's resources for permissible outside practice if necessary to carry out the attorney's professional responsibilities, as long as the recipient's resources, whether funded with Corporation or private funds, are not used for any activities for which the use of such funds is prohibited.

(b) For cases undertaken pursuant to §1604.4(c)(2) through (4), a recipient's written policies may permit a full-time attorney to use limited amounts of the recipient's resources for permissible outside practice if necessary to carry out the attorney's professional responsibilities, as long as the recipient's resources, whether funded with Corporation or private funds are not used for any activities for which the use of such funds is prohibited.

§ 1604.7 Court appointments.

(a) A recipient's written policies may permit a full-time attorney to accept a court appointment if the director of the recipient or the director's designee determines that:

(1) Such an appointment is consistent with the recipient's primary responsibility to provide legal assistance to eligible clients in civil matters;

(2) The appointment is made and the attorney will receive compensation for the court appointment under the same terms and conditions as are applied generally to attorneys practicing in the court where the appointment is made; and

(3) Subject to the applicable law and rules of professional responsibility, the attorney agrees to remit to the recipient any compensation received.

(b) A recipient's written policies may permit a full-time attorney to use program resources to undertake representation

45 CFR Ch. XVI (10–1–24 Edition)

tation pursuant to a court appointment.

(c) A recipient's written policies may permit a full-time attorney to identify the recipient as his or her employer when engaged in representation pursuant to a court appointment.

(d) If, under the applicable State or local court rules or practices or rules of professional responsibility, legal services attorneys are mandated to provide pro bono legal assistance in addition to the attorneys' work on behalf of the recipient's clients, the recipient's written policies shall treat such legal assistance in the same manner as court appointments under paragraphs (a)(1), (a)(3), (b) and (c) of this section, provided that the policies may only permit mandatory pro bono activities that are not otherwise prohibited by the LSC Act, applicable appropriations laws, or LSC regulation.

§ 1606.1 Purpose.

The purpose of this rule is to:

(a) Ensure that the Corporation is able to take timely action to deal with incidents of substantial noncompliance by recipients with a provision of the LSC Act, the Corporation's appropriations act or other law applicable to LSC funds, a Corporation rule, regulation, guideline or instruction, or the terms and conditions of the recipient's grant or contract with the Corporation;

(b) Provide timely and fair due process procedures, proportional to the pro-

posed action, when the Corporation has made a preliminary decision to terminate a recipient's LSC grant or contract, to debar a recipient from receiving future LSC awards of financial assistance, or to impose a limited reduction in funding; and

(c) Ensure that scarce funds are provided to recipients who can provide the most effective and economical legal assistance to eligible clients.

(d) None of the following actions are subject to the procedures or requirements of this part:

(1) A reduction of funding required by law, including but not limited to a reduction in, or rescission of, the Corporation's appropriation that is apportioned among all recipients of the same class in proportion to their current level of funding;

(2) A reduction or deduction of LSC support for a recipient under the Corporation's fund balance regulation at 45 CFR part 1628;

(3) A recovery of disallowed costs under the Corporation's regulation on costs standards and procedures at 45 CFR part 1630;

(4) A withholding of funds pursuant to the Corporation's Private Attorney Involvement rule at 45 CFR part 1614.

§ 1606.2 Definitions.

For the purposes of this part:

Corporation, when used to refer to decisions by the Legal Services Corporation, means that those decisions are made by an individual acting with a seniority level at, or equivalent to, the level of an office director or higher.

Days shall mean the number of calendar days as determined by the rules for computing time in the Federal Rules of Civil Procedure, Rule 6, except that computation of *business days* shall exclude Saturdays, Sundays, and legal holidays (as defined in those rules).

Debarment means an action taken by the Corporation to exclude a recipient from receiving an additional award of financial assistance from the Corporation or from receiving additional LSC funds from another recipient of the Corporation pursuant to any other means, including a subgrant, sub-contract or similar agreement, for the period of time stated in the final debarment decision.

Funding term means the maximum time period for an award or awards of financial assistance under section 1006(a)(1)(A) of the LSC Act provided by the Corporation to a recipient selected pursuant to the competition requirements at 45 CFR part 1634. LSC may award grants or contracts for a period of the entire funding term or for shorter periods that may be renewed or extended up to the funding term.

Knowing and willful means that the recipient had actual knowledge that its action or lack thereof constituted a violation and despite such knowledge, undertook or failed to undertake the action, as the case may be.

Limited reduction of funding means a reduction of funding of less than five percent of a recipient's current level of financial assistance imposed by the Corporation in accordance with the procedures and requirements of this part. A limited reduction of funding will affect only the recipient's current year's funding.

LSC requirements means the same as that term is defined in 45 CFR Part 1618.

Receipt of materials shall mean that the materials were sent to the normal address for physical mail, email, or fax transmission, and there is reliable secondary confirmation of delivery. For physical delivery, confirmation may be provided through tracking information from the delivery service. For other forms of delivery, confirmation may be provided through a document such as a confirmation email or a fax sent from an authorized person at the recipient. Receipt of materials by the LSC recipient or the Corporation is sufficient for the running of applicable time periods. Proof of receipt by the Chair of the governing body is not necessary unless delivery to the recipient itself cannot be reasonably accomplished.

Recipient means the same as the term is defined in 45 CFR Part 1600.

Substantial noncompliance means either a substantial violation, as defined in this part, or a substantial failure, as indicated at § 1606.3(a) of this part.

Substantial violation means a violation that merits action under this part based on consideration of the following criteria by the Corporation:

(1) The number of restrictions or requirements violated;

(2) Whether the violation represents an instance of noncompliance with a substantive statutory or regulatory restriction or requirement, rather than an instance of noncompliance with a non-substantive technical or procedural requirement;

(3) The extent to which the violation is part of a pattern of noncompliance with LSC requirements or restrictions;

(4) The extent to which the recipient failed to take action to cure the violation when it became aware of the violation; and

(5) Whether the violation was knowing and willful.

Termination means that a recipient's level of financial assistance under its grant or contract with the Corporation will be reduced in whole or in part in the amount of five percent or greater prior to the expiration of the funding term of a recipient's current grant or contract. A partial termination will affect only the level of funding for the current grant year, unless the Corporation provides otherwise in the final decision.

Violation means a violation by the recipient of the LSC requirements.

§ 1606.3 Grounds for a termination or a limited reduction of funding.

(a) A grant or contract may be terminated in whole or in part when:

(1) There has been a substantial violation by the recipient, and the violation occurred less than 5 years prior to the date the recipient receives a preliminary determination pursuant to § 1606.6(a) of this part; or

(2) There has been a substantial failure by the recipient to provide high quality, economical, and effective legal assistance, as measured by generally accepted professional standards, the provisions of the LSC Act or LSC appropriations, or a rule, regulation, including 45 CFR 1634.9(a)(2), or guidelines or instructions issued by the Corporation.

(b) The Corporation may impose a limited reduction of funding when the Corporation determines that there has been a substantial violation by the recipient but that termination of the recipient's grant, in whole or in part, is

Legal Services Corporation

§ 1606.6

not warranted, and the violation occurred less than 5 years prior to the date the recipient receives a preliminary determination pursuant to § 1606.6(a) of this part.

(c) A determination of whether there has been a substantial violation for the purposes of this part, and the magnitude of any termination, in whole or in part, or any limited reduction in funding, shall be based on consideration of the criteria set forth in the definition of “substantial violation” in § 1606.2 of this part.

§ 1606.4 Grounds for debarment.

(a) The Corporation may debar a recipient, on a showing of good cause, from receiving an additional award of financial assistance from the Corporation.

(b) As used in paragraph (a) of this section, “good cause” means:

(1) A termination of financial assistance to the recipient pursuant to part 1640 of this chapter;

(2) A termination of financial assistance in whole of the most recent grant or contract of financial assistance;

(3) The substantial violation by the recipient of the restrictions delineated in § 1610.2(a) and (b) of this chapter, provided that the violation occurred within 5 years prior to the receipt of the debarment notice by the recipient;

(4) Knowing entry by the recipient into:

(i) Any agreement or arrangement, including, but not limited to, a subgrant, subcontract, or other similar agreement, with an entity debarred by the Corporation during the period of debarment if so precluded by the terms of the debarment; or

(ii) An agreement for professional services with an independent public accountant or other auditor debarred by the Corporation during the period of debarment if so precluded by the terms of the debarment; or

(5) The filing of a lawsuit by a recipient, provided that the lawsuit:

(i) Was filed on behalf of the recipient as plaintiff, rather than on behalf of a client of the recipient;

(ii) Named the Corporation, or any agency or employee of a Federal, State, or local government as a defendant;

(iii) Seeks judicial review of an action by the Corporation or such government agency that affects the recipient's status as a recipient of Federal funding, except for a lawsuit that seeks review of whether the Corporation or agency acted outside of its statutory authority or violated the recipient's constitutional rights; and

(iv) Was initiated after December 23, 1998.

§ 1606.5 Procedures.

(a) Before any final action is taken under this part, the recipient will be provided notice and an opportunity to be heard as set out in this part.

(b) Prior to a preliminary determination involving a limited reduction of funding, the Corporation shall designate either the President or another senior Corporation employee to conduct any final review that is requested pursuant to § 1606.10 of this part. The Corporation shall ensure that the person so designated has had no prior involvement in the proceedings under this part so as to meet the criterion set out in § 1606.10(d) of this part.

§ 1606.6 Preliminary determination and final decision.

(a) When the Corporation has made a preliminary determination of one or more of the following, the Corporation shall issue a written notice to the recipient and the Chair of the recipient's governing body: that a recipient's grant or contract should be terminated, that a limited reduction of funding shall be imposed, or that a recipient should be debarred. The notice shall:

(1) State the substantial noncompliance that constitutes the grounds for the proposed action;

(2) Identify, with reasonable specificity, any facts or documents relied upon as justification for the proposed action;

(3) Inform the recipient of the proposed amount and proposed effective date for the proposed action;

(4) Advise the recipient of its procedural rights for review of the proposed action under this part;

(5) Inform the recipient of its right to receive interim funding pursuant to § 1606.13 of this part;

§ 1606.7

45 CFR Ch. XVI (10–1–24 Edition)

(6) Specify what, if any, corrective action the recipient can take to avoid the proposed action; and

(7) Summarize prior attempts, if any, for resolution of the substantial non-compliance.

(b) If the recipient does not request review, as provided for in this part, before the relevant time limits have expired, then the Corporation may issue a final decision to the recipient. No further appeal or review will be available under this part.

§ 1606.7 Corrective action, informal conference, review of written materials, and final decision.

(a) If the Corporation proposes a corrective action in the preliminary determination pursuant to § 1606.6(a)(6) of this part, then the recipient may accept and implement the corrective action, in lieu of an informal conference or submission of written materials under this section, subject to the following requirements:

(1) Within 10 business days of receipt of the preliminary determination, the recipient may submit a draft compliance agreement to accept the terms of the proposed corrective action, which must include an implementation plan and timeline;

(2) If the Corporation approves the draft compliance agreement, including any modifications suggested by the recipient or the Corporation, then it shall be memorialized in a final compliance agreement signed by the Corporation and the recipient, which shall stay these proceedings;

(3) If the recipient completes the terms of the written compliance agreement in a time and manner that is satisfactory to the Corporation, then the Corporation shall withdraw the preliminary determination; and

(4) If the Corporation determines at any time that the recipient has not presented an acceptable draft compliance agreement, or has not fulfilled any terms of the final compliance agreement, then the Corporation shall notify the recipient in writing. Within 15 calendar days of that notice, the Corporation shall modify or affirm the preliminary determination as a draft final decision. The draft final decision shall summarize these attempts at res-

olution. The draft final decision need not engage in a detailed analysis of the failure to resolve the substantial non-compliance.

(b) A recipient may submit written materials in opposition to the preliminary determination, request an informal conference, or both, as follows:

(1) For terminations or debarments, within 30 calendar days of receipt of the preliminary determination; or

(2) For limited reductions in funding, within 10 business days of receipt of the preliminary determination.

(c) Within 5 business days of receipt of a request for a conference, the Corporation shall notify the recipient of the time and place the conference will be held. Some or all of the participants in the conference may attend via telephone, unless the recipient requests an in-person meeting between the Corporation and at least one representative of the recipient. If the recipient requests an in-person meeting, then other participants may attend via telephone. Alternative means of participation other than the telephone are permissible at the sole discretion of the Corporation.

(d) The informal conference shall be conducted by the Corporation employee who issued the preliminary determination or any other Corporation employee with a seniority level equivalent to the level of an office director or higher.

(e) At the informal conference, the Corporation and the recipient shall both have an opportunity to state their case, seek to narrow the issues, explore the possibilities of settlement or compromise including implementation of corrective actions, and submit written materials.

(f) If an informal conference is conducted or written materials are submitted in opposition to the proposed determination by the recipient, or both, the Corporation shall consider any written materials and any oral presentation or written materials submitted by the recipient at an informal conference. Based on any of these materials or the informal conference, or both, the Corporation shall modify, withdraw, or affirm the preliminary determination through a draft final decision in writing, which shall be provided

Legal Services Corporation

§ 1606.9

to the recipient within the later of 15 calendar days after the conclusion of the informal conference or after the recipient of written materials in opposition to the proposed determination (when no informal conference is requested). Except for decisions to withdraw the preliminary determination, the draft final decision shall include a summary of the issues raised in the informal conference and presented in any written materials. The draft final decision need not engage in a detailed analysis of all issues raised.

(g) If the recipient does not request further process, as provided for in this part, then, after the relevant time limits have expired, the Corporation shall notify the recipient that no further appeal or review will be available under this part and may proceed to issue the final decision.

§ 1606.8 Hearing for a termination or debarment.

(a) For terminations or debarments only, the recipient may make a written request for a hearing within the later of: 30 calendar days of its receipt of the preliminary determination, or 15 calendar days of receipt of the draft final decision issued under § 1606.7 of this part, as the case may be.

(b) Within 10 business days after receipt of a request for a hearing, the Corporation shall notify the recipient in writing of the date, time, and place of the hearing and the names of the hearing officer and of the attorney who will represent the Corporation. The time, date, and location of the hearing may be changed upon agreement of the Corporation and the recipient.

(c) A hearing officer shall be appointed by the President or designee and may be an employee of the Corporation. The hearing officer shall not have been involved in the current termination or debarment action, and the President or designee shall determine that the person is qualified to preside over the hearing as an impartial decision maker. An impartial decision maker is a person who has not formed a prejudgment on the case and does not have a pecuniary interest or personal bias in the outcome of the proceeding.

(d) The hearing shall be scheduled to commence at the earliest appropriate

date, ordinarily not later than 30 calendar days after the Corporation receives the notice required by paragraph (b) of this section.

(e) The hearing officer shall preside over and conduct a full and fair hearing, avoid delay, maintain order, and insure that a record sufficient for full disclosure of the facts and issues is maintained.

(f) The hearing shall be open to the public unless, for good cause and the interests of justice, the hearing officer determines otherwise.

(g) The Corporation and the recipient shall be entitled to be represented by counsel or by another person.

(h) At the hearing, the Corporation and the recipient each may present its case by oral or documentary evidence, conduct examination and cross-examination of witnesses, examine any documents submitted, and submit rebuttal evidence.

(i) The hearing officer shall not be bound by the technical rules of evidence and may make any procedural or evidentiary ruling that may help to insure full disclosure of the facts, to maintain order, or to avoid delay. Irrelevant, immaterial, repetitious or unduly prejudicial matter may be excluded.

(j) Official notice may be taken of published policies, rules, regulations, guidelines, and instructions of the Corporation, of any matter of which judicial notice may be taken in a Federal court, or of any other matter whose existence, authenticity, or accuracy is not open to serious question.

(k) A stenographic or electronic record shall be made in a manner determined by the hearing officer, and a copy shall be made available to the recipient at no cost.

(l) The Corporation shall have the initial burden to show grounds for a termination or debarment. The burden of persuasion shall then shift to the recipient to show by a preponderance of evidence on the record that its funds should not be terminated or that it should not be debarred.

§ 1606.9 Recommended decision for a termination or debarment.

(a) For termination or debarment hearings under § 1606.8 of this part,

§ 1606.10

within 20 calendar days after the conclusion of the hearing, the hearing officer shall issue a written recommended decision to the recipient and the Corporation, which may:

(1) Terminate financial assistance to the recipient commencing as of a specific date;

(2) Impose a limited reduction of funding commencing as of a specific date;

(3) Continue the recipient's current level of financial assistance under the grant or contract, subject to any modification or condition that may be deemed necessary on the basis of information adduced at the hearing; or

(4) Debar the recipient from receiving an additional award of financial assistance from the Corporation.

(b) The recommended decision shall contain findings of the significant and relevant facts and shall state the reasons for the decision. Findings of fact shall be based solely on the record of, and the evidence adduced at the hearing or on matters of which official notice was taken.

§ 1606.10 Final decision for a termination, debarment, or limited reduction of funding.

(a) If neither the Corporation nor the recipient requests review by the President of a draft final decision pursuant to § 1606.7 of this part or a recommended decision pursuant to § 1606.9, as provided for in this part, within 10 business days after receipt by the recipient, then the Corporation shall issue to the recipient a final decision containing either the draft final decision or the recommended decision, as the case may be. No further appeal or review will be available under this part.

(b) The recipient or the Corporation may seek review by the President of a draft final decision or a recommended decision. A request shall be made in writing within 10 business days after receipt of the draft final decision or recommended decision by the party seeking review and shall state in detail the reasons for seeking review.

(c) The President's review shall be based solely on the administrative record of the proceedings, including the appeal to the President, and any addi-

45 CFR Ch. XVI (10–1–24 Edition)

tional submissions, either oral or in writing, that the President may request. A recipient shall be given a copy of, and an opportunity to respond to, any additional submissions made to the President. All submissions and responses made to the President shall become part of the administrative record. Upon request, the Corporation shall provide a copy of the administrative record to the recipient.

(d) For an appeal of a draft final decision involving a limited reduction of funding pursuant to § 1606.7 of this part (for which there is no right to a hearing under § 1606.8 of this part) the President may not review the appeal if the President has had prior involvement in the proceedings under this part. If the President cannot review the appeal, or the President chooses not to do so, then the appeal shall be reviewed by either the individual designated to do so pursuant to § 1606.5(b) of this part, or by another senior Corporation employee designated by the President who has not had prior involvement in the proceedings under this part.

(e) As soon as practicable after receipt of the request for review of a draft final decision or a recommended decision, but not later than 30 calendar days thereafter, the President or designee shall adopt, modify, or reverse the draft final decision or the recommended decision, or direct further consideration of the matter. In the event of modification or reversal of a recommended decision pursuant to § 1606.9 of this part, this decision shall conform to the requirements of § 1606.9(b) of this part.

(f) The decision of the President or designee under this section shall become final upon receipt by the recipient.

§ 1606.11 Qualifications on hearing procedures.

(a) Except as modified by paragraph (c) of this section, the hearing rights set out in §§ 1606.6 through 1606.10 of this part shall apply to any action to debar a recipient or to terminate a recipient's funding.

(b) The Corporation may simultaneously take action to debar and terminate a recipient within the same

Legal Services Corporation

§ 1606.13

hearing procedure that is set out in §§1606.6 through 1606.10 of this part. In such a case, the same hearing officer shall oversee both the termination and debarment actions in the same hearing.

(c) If the Corporation does not simultaneously take action to debar and terminate a recipient under paragraph (b) of this section and initiates a debarment action based on a prior termination under §1606.4(b)(1) or (2), the hearing procedures set out in §1606.6 through 1606.10 of this part shall not apply. Instead:

(1) The President shall appoint a hearing officer, as described in §1606.8(c), to review the matter and make a written recommended decision on debarment.

(2) The hearing officer's recommended decision shall be based solely on the information in the administrative record of the termination proceedings providing grounds for the debarment and any additional submissions, either oral or in writing, that the hearing officer may request. The recipient shall be given a copy of and an opportunity to respond to any additional submissions made to the hearing officer. All submissions and responses made to the hearing officer shall become part of the administrative record.

(3) If neither party appeals the hearing officer's recommended decision within 10 business days of receipt of the recommended decision, the decision shall become final and the final decision shall be issued by the Corporation to the recipient within 5 business days.

(4) Either party may appeal the recommended decision to the President who shall review the matter and issue a final written decision pursuant to §1606.9(b).

(d) All final debarment decisions shall state the effective date of the debarment and the period of debarment, which shall be commensurate with the seriousness of the cause for debarment but shall not be for longer than 6 years.

(e) The Corporation may reverse a debarment decision upon request for the following reasons:

(1) Newly discovered material evidence;

(2) Reversal of the conviction or civil judgment upon which the debarment was based;

(3) Bona fide change in ownership or management of a recipient;

(4) Elimination of other causes for which the debarment was imposed; or

(5) Other reasons the Corporation deems appropriate.

§ 1606.12 Time and waiver.

(a) Except for the 6-year time limit for debarments in §1606.11(d) of this part, any period of time provided in these rules may, upon good cause shown and determined, be extended in writing:

(1) By the Corporation, unless a hearing officer has been appointed;

(2) By the hearing officer, until the recommended decision has been issued; or

(3) By the President at any time.

(b) Failure by the Corporation to meet a time requirement of this part does not preclude the Corporation from terminating a recipient's grant or contract with the Corporation or imposing a limited reduction of funding.

§ 1606.13 Interim and other funding, reprogramming, implementation.

(a) Pending the completion of termination or limited reduction of funding proceedings under this part, the Corporation shall provide the recipient with the level of financial assistance provided for under its current grant or contract for financial assistance with the Corporation.

(b) After a final decision has been made to terminate a recipient's grant or contract or to impose a limited reduction of funding, the recipient loses all rights to the terminated or reduced funds.

(c) After a final decision has been made to terminate a recipient's grant or contract, the Corporation may authorize closeout or transition funding, or both, if necessary to enable the recipient to close or transfer current matters in a manner consistent with the recipient's professional responsibilities to its present clients.

(d) The Corporation has sole discretion to determine the manner in which the final decision is implemented. The Corporation's discretion includes, but

§ 1606.14

is not limited to the decision to prorate the amount of funds reduced over the remaining disbursements in the funding term or deduct the sum in a single disbursement, or any other method the Corporation deems appropriate.

(e) Funds recovered by the Corporation pursuant to a termination or limited reduction of funding shall be re-allocated by the Corporation for basic field purposes at its sole discretion.

§ 1606.14 Recompensation.

After a final decision has been issued by the Corporation terminating financial assistance to a recipient in whole for any service area, the Corporation shall implement a new competitive bidding process for the affected service area. Until a new recipient has been awarded a grant pursuant to such process, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in the service area pursuant to § 1634.11 of this part.

§ 1607.3 Composition.

(a) A recipient shall be incorporated in a State in which it provides legal assistance and shall have a governing body which reasonably reflects the interests of the eligible clients in the area served and which consists of members, each of whom is supportive of the purposes of the Act and has an interest in, and knowledge of, the delivery of quality legal services to the poor.

(b) At least sixty percent (60%) of a governing body shall be attorney members.

(1) A majority of the members of the governing body shall be attorney members appointed by the governing body(ies) of one or more State, county or municipal bar associations, the membership of which represents a majority of attorneys practicing law in the localities in which the recipient provides legal assistance.

(i) Appointments may be made either by the bar association which represents

Legal Services Corporation

§ 1607.3, Nt.

a majority of attorneys in the recipient's service area or by bar associations which collectively represent a majority of the attorneys practicing law in the recipient's service area.

(ii) Recipients that provide legal assistance in more than one State may provide that appointments of attorney members be made by the appropriate bar association(s) in the State(s) or locality(ies) in which the recipient's principal office is located or in which the recipient provides legal assistance.

(2) Any additional attorney members may be selected by the recipient's governing body or may be appointed by other organizations designated by the recipient which have an interest in the delivery of legal services to the poor.

(3) Appointments shall be made so as to insure that the attorney members reasonably reflect the diversity of the legal community and the population of the areas served by the recipient, including race, ethnicity, gender and other similar factors.

(c) At least one-third of the members of a recipient's governing body must be eligible client members when initially appointed by the recipient. The recipient must solicit recommendations for eligible client members from a variety of appropriate groups designated by the recipient that may include, but are not limited to, client and neighborhood associations and community-based organizations that advocate for or deliver services or resources to the client community served by the recipient. Recipients should solicit recommendations from groups in a manner that reflects, to the extent possible, the variety of interests within the client community, and eligible client members should be selected so that they reasonably reflect the diversity of the eligible client population served by the recipient, including race, gender, ethnicity and other similar factors.

(d) The remaining members of a governing body may be appointed by the recipient's governing body or selected in a manner described in the recipient's bylaws or policies, and the appointment or selection shall be made so that the governing body as a whole reasonably reflects the diversity of the areas served by the recipient, including race,

ethnicity, gender and other similar factors.

(e) The nonattorney members of a governing body shall not be dominated by persons serving as the representatives of a single association, group or organization, except that eligible client members may be selected from client organizations that are composed of coalitions of numerous smaller or regionally based client groups.

(f) Members of a governing body may be selected by appointment, election, or other means consistent with this part and with the recipient's bylaws and applicable State law.

(c) Attorneys' fees received shall be recorded during the accounting period in which the money from the fee award

is actually received by the recipient and may be expended for any purpose permitted by the LSC Act, regulations, and other law applicable at the time the money is received.

Subpart A—General Provisions

§ 1610.1 Purpose.

This part is designed to implement restrictions and requirements on the use of non-LSC funds by LSC recipients and to set requirements for each LSC recipient to maintain program integrity with respect to any organization that engages in LSC-restricted activities.

§ 1610.2 Definitions.

(a) *Use of funds* means the expenditure of funds by an LSC recipient.

(1) *Authorized use of funds* means any use of funds within the purpose for which the funds were provided. The following non-exhaustive list provides examples of some of the types of purposes that a grantor, donor, or other might identify.

(i) A grant stating that the funds provided are available to support legal services for victims of domestic violence regardless of income or financial resources are authorized for those purposes;

Legal Services Corporation

§ 1610.2

funded statewide legal aid entity. The statewide legal aid entity subgrants some of those public funds to an LSC recipient to provide services in six counties. The subgranted funds remain public funds under this rule because they are derived from public funds.

(c) *Non-LSC funds* means funds derived from any source other than LSC.

(1) *Private funds* means funds that are derived from any source other than LSC or the other categories of non-LSC funds in this section. Examples of private funds are donations from individuals or grants that do not qualify as public funds or tribal funds in this section.

(d) *Restrictions* means the prohibitions or limitations on the use of LSC funds by a recipient and on the use of non-LSC funds as described in this part. LSC has four categories of restrictions: Extended, standard, limited, and other. The restrictions appear in 45 CFR parts 1600 through 1644, in the LSC Act at 42 U.S.C. 2996–2996l and in the sections of LSC's annual appropriation (Appropriations Restrictions) that incorporate the restrictions enacted in section 504 of Title V in Public Law 104–134, 122 Stat. 1321–50 (1996), as incorporated through Public Law 105–119, tit. V, §502(a)(2), 111 Stat. 2440, 2510 (1998) and subject to modifications in other statutes.

(1) *Extended restrictions* are the restrictions on:

(i) Abortion litigation (other abortion activities are subject to a standard restriction)—Section 504(a)(14) of the Appropriations Restrictions;

(ii) Aliens (representation of non-U.S. citizens)—45 CFR part 1626;

(f) *Inapplicability to part 1611—financial eligibility*. This part does not expand, limit, or otherwise apply to the financial eligibility rules of 45 CFR part 1611.

§ 1610.5 Grants, subgrants, donations, and gifts made by recipients.

(a) Subgrants in which a recipient provides LSC funds or LSC-funded resources as some or all of a subgrant to a subrecipient are governed by 45 CFR part 1627. That rule states how the restrictions apply to the subgrant and to the non-LSC funds of the subrecipient, which can vary with different types of subgrants.

(b) Donations and gifts using LSC funds are prohibited by 45 CFR part 1630.

(b) LSC does not require recipients to provide written notification for receipt of any single contribution of less than \$250.

Subpart C—Program Integrity

§ 1610.8 Program integrity of recipient.

(a) A recipient must have objective integrity and independence from any organization that engages in restricted activities. A recipient will be found to have objective integrity and independence from such an organization if:

(1) The other organization is a legally separate entity;

(2) The other organization receives no subgrant of LSC funds from the recipient, as defined in 45 CFR part 1627, and LSC funds do not subsidize restricted activities; and

(3) The recipient is physically and financially separate from the other organization. Mere bookkeeping separation of LSC funds from other funds is not sufficient. LSC will determine whether sufficient physical and financial separation exists on a case-by-case basis and will base its determination on the totality of the facts. The presence or absence of any one or more factors will not be determinative. Factors relevant to this determination shall include but will not be limited to:

(i) The existence of separate personnel;

(ii) The existence of separate accounting and timekeeping records;

(iii) The degree of separation from facilities in which restricted activities

occur, and the extent of such restricted activities; and

AUTHORITY: 42 U.S.C. 2996g(e).

SOURCE: 70 FR 45562, Aug. 8, 2005, unless otherwise noted.

§ 1611.1 Purpose.

This part sets forth requirements relating to the financial eligibility of individual applicants for legal assistance supported with LSC funds and recipients' responsibilities in making financial eligibility determinations. This part is not intended to and does not create any entitlement to service for persons deemed financially eligible. This part also seeks to ensure that financial eligibility is determined in a manner conducive to development of an effective attorney-client relationship. In addition, this part sets forth standards relating to the eligibility of groups for legal assistance supported with LSC funds. Finally, this part sets forth requirements relating to recipients' responsibilities in executing retainer agreements with clients.

§ 1611.2 Definitions.

(a) "Advice and counsel" means legal assistance that is limited to the review of information relevant to the client's legal problem(s) and counseling the client on the relevant law and/or suggested course of action. Advice and counsel does not encompass drafting of documents or making third-party contacts on behalf of the client.

(b) "Applicable rules of professional responsibility" means the rules of ethics and professional responsibility generally applicable to attorneys in the jurisdiction where the recipient provides legal services.

(c) "Applicant" means an individual who is seeking legal assistance supported with LSC funds from a recipient. The term does not include a group, corporation or association.

(d) "Assets" means cash or other resources of the applicant or members of the applicant's household that are readily convertible to cash, which are currently and actually available to the applicant.

(e) "Brief services" means legal assistance in which the recipient undertakes to provide a discrete and time-limited service to a client beyond advice and consultation, including but not limited to activities, such as the drafting of documents or making limited third party contacts on behalf of a client.

(f) "Extended service" means legal assistance characterized by the performance of multiple tasks incident to continuous representation. Examples of extended service would include representation of a client in litigation, an administrative adjudicative proceeding, alternative dispute resolution proceeding, extended negotiations with a third party, or other legal representation in which the recipient undertakes responsibility for protecting or advancing a client's interest beyond advice and counsel or brief services.

(g) "Governmental program for low income individuals or families" means any Federal, State or local program that provides benefits of any kind to persons whose eligibility is determined on the basis of financial need.

(h) "Governmental program for persons with disabilities" means any Federal, State or local program that provides benefits of any kind to persons whose eligibility is determined on the basis of mental and/or physical disability.

(i) "Income" means actual current annual total cash receipts before taxes of all persons who are resident members and contribute to the support of an applicant's household, as that term is defined by the recipient. Total cash receipts include, but are not limited to, wages and salaries before any deduction; income from self-employment after deductions for business or farm expenses; regular payments from governmental programs for low income persons or persons with disabilities; social security payments; unemployment and worker's compensation payments; strike benefits from union funds; veterans benefits; training stipends; alimony; child support payments; military family allotments; public or private employee pension benefits; regular insurance or annuity payments; income from dividends, interest, rents, royalties or from estates and trusts; and other regular or recurring sources of financial support that are currently and actually available to the applicant. § 1611.3 Financial eligibility policies.

(a) The governing body of a recipient shall adopt policies consistent with this part for determining the financial eligibility of applicants and groups. The governing body shall review its financial eligibility policies at least once every three years and make adjustments as necessary. The recipient shall implement procedures consistent with its policies.

(b) As part of its financial eligibility policies, every recipient shall specify that only individuals and groups determined to be financially eligible under the recipient's financial eligibility policies and LSC regulations may receive legal assistance supported with LSC funds.

(c)(1) As part of its financial eligibility policies, every recipient shall establish annual income ceilings for individuals and households, which may not exceed one hundred and twenty five percent (125%) of the current official Federal Poverty Guidelines amounts. The Corporation shall annually calculate 125% of the Federal Poverty Guidelines amounts and publish such calculations in the FEDERAL REGISTER as a revision to Appendix A to this part.

(2) As part of its financial eligibility policies, a recipient may adopt authorized exceptions to its annual income ceilings consistent with § 1611.5.

(d)(1) As part of its financial eligibility policies, every recipient shall establish reasonable asset ceilings for individuals and households. In establishing asset ceilings, the recipient may exclude consideration of a household's principal residence, vehicles used for transportation, assets used in producing income, and other assets which are exempt from attachment under State or Federal law.

(2) The recipient's policies may provide authority for waiver of its asset ceilings for specific applicants under unusual circumstances and when approved by the recipient's Executive Director, or his/her designee. When the

asset ceiling is waived, the recipient shall record the reasons for such waiver and shall keep such records as are necessary to inform the Corporation of the reasons for such waiver.

(e) Notwithstanding any other provision of this part, or other provision of the recipient's financial eligibility policies, every recipient shall specify as part of its financial eligibility policies that in assessing the income or assets of an applicant who is a victim of domestic violence, the recipient shall consider only the assets and income of the applicant and members of the applicant's household other than those of the alleged perpetrator of the domestic violence and shall not include any assets held by the alleged perpetrator of the domestic violence, jointly held by the applicant with the alleged perpetrator of the domestic violence, or assets jointly held by any member of the applicant's household with the alleged perpetrator of the domestic violence.

(f) As part of its financial eligibility policies, a recipient may adopt policies that permit financial eligibility to be established by reference to an applicant's receipt of benefits from a governmental program for low-income individuals or families consistent with § 1611.4(c).

(g) Before establishing its financial eligibility policies, a recipient shall consider the cost of living in the service area or locality and other relevant factors, including but not limited to:

(1) The number of clients who can be served by the resources of the recipient;

(2) The population that would be eligible at and below alternative income and asset ceilings; and

(3) The availability and cost of legal services provided by the private bar and other free or low cost legal services providers in the area.

§ 1611.4 Financial eligibility for legal assistance.

(a) A recipient may provide legal assistance supported with LSC funds only to individuals whom the recipient has determined to be financially eligible for such assistance. Nothing in this part, however, prohibits a recipient from providing legal assistance to an

§ 1611.5

individual without regard to that individual's income and assets if the legal assistance is wholly supported by funds from a source other than LSC, and is otherwise permissible under applicable law and regulation.

(b) Consistent with the recipient's financial eligibility policies and this part, the recipient may determine an applicant to be financially eligible for legal assistance if the applicant's assets do not exceed the recipient's applicable asset ceiling established pursuant to § 1611.3(d)(1), or the applicable asset ceiling has been waived pursuant to § 1611.3(d)(2), and:

(1) The applicant's income is at or below the recipient's applicable annual income ceiling; or

(2) The applicant's income exceeds the recipient's applicable annual income ceiling but one or more of the authorized exceptions to the annual income ceilings, as provided in § 1611.5, applies.

(c) Consistent with the recipient's policies, a recipient may determine an applicant to be financially eligible without making an independent determination of income or assets, if the applicant's income is derived solely from a governmental program for low-income individuals or families, provided that the recipient's governing body has determined that the income standards of the governmental program are at or below 125% of the Federal Poverty Guidelines amounts and that the governmental program has eligibility standards which include an assets test.

§ 1611.5 Authorized exceptions to the annual income ceiling.

(a) Consistent with the recipient's policies and this part, a recipient may determine an applicant whose income exceeds the recipient's applicable annual income ceiling to be financially eligible if the applicant's assets do not exceed the recipient's applicable asset ceiling established pursuant to § 1611.3(d), or the asset ceiling has been waived pursuant to § 1611.3(d)(2), and:

(1) The applicant is seeking legal assistance to maintain benefits provided by a governmental program for low income individuals or families; or

(2) The Executive Director of the recipient, or his/her designee, has deter-

mined on the basis of documentation received by the recipient, that the applicant's income is primarily committed to medical or nursing home expenses and that, excluding such portion of the applicant's income which is committed to medical or nursing home expenses, the applicant would otherwise be financially eligible for service; or

(3) The applicant's income does not exceed 200% of the applicable Federal Poverty Guidelines amount and:

(i) The applicant is seeking legal assistance to obtain governmental benefits for low income individuals and families; or

(ii) The applicant is seeking legal assistance to obtain or maintain governmental benefits for persons with disabilities; or

(4) The applicant's income does not exceed 200% of the applicable Federal Poverty Guidelines amount and the recipient has determined that the applicant should be considered financially eligible based on consideration of one or more of the following factors as applicable to the applicant or members of the applicant's household:

(i) Current income prospects, taking into account seasonal variations in income;

(ii) Unreimbursed medical expenses and medical insurance premiums;

(iii) Fixed debts and obligations;

(iv) Expenses such as dependent care, transportation, clothing and equipment expenses necessary for employment, job training, or educational activities in preparation for employment;

(v) Non-medical expenses associated with age or disability;

(vi) Current taxes; or

(vii) Other significant factors that the recipient has determined affect the applicant's ability to afford legal assistance.

(b) In the event that a recipient determines that an applicant is financially eligible pursuant to this section and is provided legal assistance, the recipient shall document the basis for the financial eligibility determination. The recipient shall keep such records as may be necessary to inform the Corporation of the specific facts and factors relied on to make such determination.

Legal Services Corporation

§ 1611.7

§ 1611.6 Representation of groups.

(a) A recipient may provide legal assistance to a group, corporation, association or other entity if it provides information showing that it lacks, and has no practical means of obtaining, funds to retain private counsel and either:

(1) The group, or for a non-membership group the organizing or operating body of the group, is primarily composed of individuals who would be financially eligible for LSC-funded legal assistance; or

(2) The group has as a principal activity the delivery of services to those persons in the community who would be financially eligible for LSC-funded legal assistance and the legal assistance sought relates to such activity.

(b)(1) In order to make a determination that a group, corporation, association or other entity is eligible for legal services as required by paragraph (a) of this section, a recipient shall consider the resources available to the group, such as the group's income and income prospects, assets and obligations and either:

(i) For a group primarily composed of individuals who would be financially eligible for LSC-funded legal assistance, whether the financial or other socioeconomic characteristics of the persons comprising the group are consistent with those of persons who are financially eligible for LSC-funded legal assistance; or

(ii) For a group having as a principal activity the delivery of services to those persons in the community who would be financially eligible for LSC-funded legal assistance, whether the financial or other socioeconomic characteristics of the persons served by the group are consistent with those of persons who are financially eligible for LSC-funded legal assistance and the assistance sought relates to such activity of the group.

(2) A recipient shall collect information that reasonably demonstrates that the group, corporation, association or other entity meets the eligibility criteria set forth herein.

(c) The eligibility requirements set forth herein apply only to legal assistance supported by funds from LSC, provided that any legal assistance pro-

vided by a recipient, regardless of the source of funds supporting the assistance, must be otherwise permissible under applicable law and regulation.

§ 1611.7 Manner of determining financial eligibility.

(a)(1) In making financial eligibility determinations regarding individual applicants, a recipient shall make reasonable inquiry regarding sources of the applicant's income, income prospects and assets. The recipient shall record income and asset information in the manner specified in this section.

(2) In making financial eligibility determinations regarding groups seeking LSC-supported legal assistance, a recipient shall follow the requirements set forth in § 1611.6(b) of this part.

(b) A recipient shall adopt simple intake forms and procedures to obtain information from applicants and groups to determine financial eligibility in a manner that promotes the development of trust between attorney and client. The forms shall be preserved by the recipient.

(c) If there is substantial reason to doubt the accuracy of the financial eligibility information provided by an applicant or group, a recipient shall make appropriate inquiry to verify the information, in a manner consistent with the attorney-client relationship.

(d) When one recipient has determined that a client is financially eligible for service in a particular case or matter, that recipient may request another recipient to extend legal assistance or undertake representation on behalf of that client in the same case or matter in reliance upon the initial financial eligibility determination. In such cases, the receiving recipient is not required to review or redetermine the client's financial eligibility unless there is a change in financial eligibility status as described in § 1611.8 or there is substantial reason to doubt the validity of the original determination, provided that the referring recipient provides and the receiving recipient retains a copy of the intake form documenting the financial eligibility of the client.

§ 1611.8

§ 1611.8 Change in financial eligibility status.

(a) If, after making a determination of financial eligibility and accepting a client for service, the recipient becomes aware that a client has become financially ineligible through a change in circumstances, a recipient shall discontinue representation supported with LSC funds if the change in circumstances is sufficient, and is likely to continue, to enable the client to afford private legal assistance, and discontinuation is not inconsistent with applicable rules of professional responsibility.

(b) If, after making a determination of financial eligibility and accepting a client for service, the recipient later determines that the client is financially ineligible on the basis of later discovered or disclosed information, a recipient shall discontinue representation supported with LSC funds if the discontinuation is not inconsistent with applicable rules of professional responsibility.

§ 1611.9 Retainer agreements.

(a) When a recipient provides extended service to a client, the recipient shall execute a written retainer agreement with the client. The retainer agreement shall be executed when representation commences or as soon thereafter as is practicable. Such retainer agreement must be in a form consistent with the applicable rules of professional responsibility and prevailing practices in the recipient's service area and shall include, at a minimum, a statement identifying the legal problem for which representation is sought, and the nature of the legal services to be provided.

(b) No written retainer agreement is required for advice and counsel or brief service provided by the recipient to the client or for legal services provided to the client by a private attorney pursuant to 45 CFR part 1614.

(c) The recipient shall maintain copies of all retainer agreements generated in accordance with this section.

SOURCE: 79 FR 61781, Oct. 15, 2014, unless otherwise noted.

§ 1614.1 Purpose.

Private attorney involvement shall be an integral part of a total local program undertaken within the estab-

lished priorities of that program, and consistent with LSC's governing statutes and regulations, in a manner that furthers the statutory requirement of providing high quality, economical, and effective client-centered legal assistance and legal information to eligible clients. This part is designed to ensure that recipients of LSC funds involve private attorneys, and encourages recipients to involve law students, law graduates, or other professionals, in the delivery of legal information and legal assistance to eligible clients.

§ 1614.2 General policy.

(a) A recipient of LSC funding shall devote an amount equal to at least twelve and one-half percent (12.5%) of the recipient's annualized Basic Field-General award to the involvement of private attorneys, law students, law graduates, or other professionals in the delivery of legal information and legal assistance to eligible clients. This requirement is hereinafter referred to as the "PAI requirement."

(b) Basic Field-Native American grants, Basic Field-Migrant grants, and non-Basic Field grants are not subject to the PAI requirement. For example, Technology Initiative Grants are not subject to the PAI requirement. However, recipients of Native American or migrant funding shall provide opportunity for involvement in the delivery of legal information and legal assistance by private attorneys, law students, law graduates, or other professionals in a manner that is generally open to broad participation in those activities undertaken with those funds, or shall demonstrate to the satisfaction of the Corporation that such involvement is not feasible.

§ 1614.3 Definitions.

(a) *Attorney* means a person who is authorized to practice law in the jurisdiction in which assistance is rendered. For purposes of this part, *attorney* does not have the meaning stated in 45 CFR 1600.1.

(b) *Incubator project* means a program that provides legal training and support, for a limited period of time, to law students, law graduates, or attorneys who are establishing, or upon graduation and bar admission intend to

§ 1614.4

establish, their own independent law practices.

(c) *Law graduate* means an individual who, within the last two years, has completed the education and/or training requirements necessary for application to the bar in any U.S. state or territory.

(d) *Law student* means an individual who is, or has been, enrolled, full-time or part-time, within the past year, and not expelled from:

(1) A law school that can provide the student with a degree that is a qualification for application to the bar in any U.S. state or territory; or

(2) An apprenticeship program that can provide the student with sufficient qualifications for application to the bar in any U.S. state or territory.

(e) *Legal assistance* means service on behalf of a client or clients that is specific to the client's or clients' unique circumstances, involves a legal analysis that is tailored to the client's or clients' factual situation, and involves applying legal judgment in interpreting the particular facts and in applying relevant law to the facts presented.

(f) *Legal information* means substantive legal information not tailored to address a person's specific problem and that does not involve applying legal judgment or recommending a specific course of action.

(g) *Other professional* means an individual, not engaged in the practice of law and not employed by the recipient, providing services in furtherance of the recipient's provision of legal information or legal assistance to eligible clients. For example, a paralegal representing a client in a Supplemental Security Income (SSI) case, an accountant providing tax advice to an eligible client, or an attorney not authorized to practice law in the jurisdiction in which the recipient is located would fit within the definition of *other professional*. An individual granted a limited license to practice law by a body authorized by court rule or state law to grant such licenses in the jurisdiction in which the recipient is located would also meet the definition of *other professional*.

(h) *PAI Clinic* means an activity under this part in which private attor-

45 CFR Ch. XVI (10–1–24 Edition)

neys, law students, law graduates, or other professionals are involved in providing legal information and/or legal assistance to the public at a specified time and location.

(i) *Private attorney* means an attorney. *Private attorney* does not include:

(1) An attorney employed half time or more per calendar year by an LSC recipient or subrecipient; or

(2) An attorney employed less than half time by an LSC recipient or subrecipient acting within the terms of his or her employment by the LSC recipient or subrecipient; or

(3) An attorney acting within the terms of his or her employment by a non-profit organization whose primary purpose is the delivery of free civil legal services to low-income individuals; or

(4) An attorney acting within the terms of his or her employment by a component of a non-profit organization, where the component's primary purpose is the delivery of free civil legal services to low-income individuals.

(j) *Screen for eligibility* means to screen individuals for eligibility using the same criteria recipients use to determine an individual's eligibility for cases accepted by the recipient and whether LSC funds or non-LSC funds can be used to provide legal assistance (e.g., income and assets, citizenship, eligible alien status, within priorities, applicability of LSC restrictions).

(k) *Subrecipient* has the meaning stated in 45 CFR 1627.2(b)(1), except that as used in this part, such term shall not include entities that meet the definition of *subrecipient* solely because they receive more than \$25,000 from an LSC recipient for services provided through a fee-for-service arrangement, such as services provided by a private law firm or attorney representing a recipient's clients on a contract or *judicare* basis.

§ 1614.4 Range of activities.

(a) *Direct delivery of legal assistance to recipient clients.* (1) Activities undertaken by the recipient to meet the requirements of this part must include the direct delivery of legal assistance to eligible clients by private attorneys through programs such as organized pro bono plans, reduced fee plans,

Legal Services Corporation

§ 1614.4

judicare panels, private attorney contracts, or those modified pro bono plans which provide for the payment of nominal fees by eligible clients and/or organized referral systems; except that payment of attorney's fees through "revolving litigation fund" systems, as described in §1614.8, shall neither be used nor funded under this part nor funded with any LSC support.

(2) In addition to the activities described in paragraph (a)(1) of this section, direct delivery of legal assistance to eligible clients may include representation by a non-attorney in an administrative tribunal that permits non-attorneys to represent individuals before the tribunal.

(3) Systems designed to provide direct legal assistance to eligible clients of the recipient by private attorneys on either a pro bono or reduced fee basis, shall include at a minimum, the following components:

(i) Intake and case acceptance procedures consistent with the recipient's established priorities in meeting the legal needs of eligible clients;

(ii) Case assignments which ensure the referral of cases according to the nature of the legal problems involved and the skills, expertise, and substantive experience of the participating attorney;

(iii) Case oversight and follow-up procedures to ensure the timely disposition of cases to achieve, if possible, the result desired by the client and the efficient and economical utilization of recipient resources; and

(iv) Access by private attorneys to LSC recipient resources that provide back-up on substantive and procedural issues of the law.

(b) *Support and other activities.* Activities undertaken by recipients to meet the requirements of this part may also include, but are not limited to:

(1) Support provided by private attorneys to the recipient or a subrecipient as part of its delivery of legal assistance or legal information to eligible clients on either a reduced fee or pro bono basis such as the provision of community legal education, training, technical assistance, research, advice and counsel; co-counseling arrangements; or the use of the private attorney's facilities, libraries, computer-as-

sisted legal research systems or other resources;

(2) Support provided by other professionals in their areas of professional expertise to the recipient as part of its delivery of legal information or legal assistance to eligible clients on either a reduced fee or pro bono basis such as the provision of intake support, research, training, technical assistance, or direct assistance to an eligible client of the recipient; and

(3) Support provided by the recipient in furtherance of activities undertaken pursuant to this section including the provision of training, technical assistance, research, advice and counsel or the use of recipient facilities, libraries, computer assisted legal research systems or other resources.

(4) Support provided to bar associations or courts establishing legal clinics. A recipient may allocate to its PAI requirement costs associated with providing a bar association or court with technical assistance in planning and establishing a legal clinic at which private attorneys will provide legal information and/or legal assistance.

(5) *PAI Clinics*—(i) *Legal information provided in PAI clinics.* A recipient may allocate to its PAI requirement costs associated with providing support to clinics, regardless of whether the clinic screens for eligibility, if the clinic provides only legal information.

(ii) *Legal assistance provided in PAI clinics.* A recipient may provide support to a PAI clinic that provides legal assistance if the PAI clinic screens for eligibility.

(A) A recipient may allocate to its PAI requirement costs associated with its support of such clinics for legal assistance provided to individuals who are eligible to receive LSC-funded legal services.

(B) Where a recipient supports a clinic that provides legal assistance to individuals who are eligible for permissible non-LSC-funded services, the recipient may not allocate to its PAI requirement costs associated with the legal assistance provided to such individuals. For example, a recipient may not allocate to its PAI requirement costs associated with legal assistance provided through a clinic to an individual who exceeds the income and

§ 1614.5

asset tests for LSC eligibility, but is otherwise eligible.

(C) For clinics providing legal information to the public and legal assistance to clients screened for eligibility, a recipient may allocate to its PAI requirement costs associated with its support of both parts of the clinic. If the clinic does not screen for eligibility, the recipient may allocate to the PAI requirement costs associated with the legal information portion of the PAI clinic, but may not allocate to the PAI requirement costs associated with the legal assistance portion of the clinic.

(D) In order to allocate to its PAI requirement costs associated with support of the legal assistance portion of a clinic, a recipient must maintain records sufficient to document that such clinic has an eligibility screening process and that each individual provided with legal assistance in the portion of the clinic supported by the recipient was properly screened for eligibility under the process.

(6) *Screening and referral systems.* (i) A recipient may participate in a referral system in which the recipient conducts intake screening and refers LSC-eligible applicants to programs that assign applicants to private attorneys on a pro bono or reduced fee basis.

(ii) In order to allocate to its PAI requirement costs associated with participating in such referral systems, a recipient must be able to report the number of eligible persons referred by the recipient to each program and the number of eligible persons who were placed with a private attorney through the program receiving the referral.

(7) *Law student activities.* A recipient may allocate to its PAI requirement costs associated with law student work supporting the recipient's provision of legal information or delivery of legal assistance to eligible clients. Compensation paid by the recipient to law students may not be allocated to the PAI requirement.

(c) *Determination of PAI activities.* The specific methods to be undertaken by a recipient to involve private attorneys, law students, law graduates, or other professionals in the provision of legal information and legal assistance to eligible clients will be determined by the

45 CFR Ch. XVI (10–1–24 Edition)

recipient's taking into account the following factors:

(1) The priorities established pursuant to part 1620 of this chapter;

(2) The effective and economic delivery of legal assistance and legal information to eligible clients;

(3) The linguistic and cultural barriers to effective advocacy;

(4) The actual or potential conflicts of interest between specific participating attorneys, law students, law graduates, or other professionals and individual eligible clients; and

(5) The substantive and practical expertise, skills, and willingness to undertake new or unique areas of the law of participating attorneys and other professionals.

(d) *Unauthorized practice of law.* This part is not intended to permit any activities that would conflict with the rules governing the unauthorized practice of law in the recipient's jurisdiction.

§ 1614.5 Compensation of recipient staff and private attorneys; blackout period.

(a) A recipient may allocate to its PAI requirement costs associated with compensation paid to its employees only for facilitating the involvement of private attorneys, law students, law graduates, or other professionals in activities under this part.

(b) A recipient may not allocate to its PAI requirement costs associated with compensation paid to a private attorney, law graduate, or other professional for services under this part for any hours an individual provides above 800 hours per calendar year.

(c) No costs may be allocated to the PAI requirement for direct payment to any individual who for any portion of the current year or the previous year was employed more than 1,000 hours per calendar year by an LSC recipient or subrecipient, except for employment as a law student; provided, however:

(1) This paragraph (c) shall not be construed to prohibit the allocation of costs to the PAI requirement for payments made to such an individual participating in a pro bono or judicare project on the same terms that are available to other attorneys;

Legal Services Corporation

§ 1614.7

(2) This paragraph (c) shall not apply to the allocation of costs to the PAI requirement for payments to attorneys who were employed for less than a year by an LSC recipient or subrecipient as part of an incubator project; and

(3) This paragraph (c) shall not be construed to restrict recipients from allocating to their PAI requirement the payment of funds as a result of work performed by an attorney or other individual who practices in the same business with such former employee.

§ 1614.6 Procedure.

(a) The recipient shall develop a plan and budget to meet the requirements of this part which shall be incorporated as a part of the refunding application or initial grant application. The budget shall be modified as necessary to fulfill this part. That plan shall take into consideration:

(1) The legal needs of eligible clients in the geographical area served by the recipient and the relative importance of those needs consistent with the priorities established pursuant to section 1007(a)(2)(C) of the Legal Services Corporation Act (42 U.S.C. 2996f(a)(2)(C)) and 45 CFR part 1620 adopted pursuant thereto;

(2) The delivery mechanisms potentially available to provide the opportunity for private attorneys, law students, law graduates, or other professionals to meet the established priority legal needs of eligible clients in an economical and effective manner; and

(3) The results of the consultation as required below.

(b) The recipient shall consult with significant segments of the client community, private attorneys, and bar associations, including minority and women's bar associations, in the recipient's service area in the development of its annual plan to provide for the involvement of private attorneys, law students, law graduates, or other professionals in the provision of legal information and legal assistance to eligible clients and shall document that each year its proposed annual plan has been presented to all local bar associations within the recipient's service area and shall summarize their response.

(c) In the case of recipients whose service areas are adjacent, coterminous, or overlapping, the recipients may enter into joint efforts to involve private attorneys, law students, law graduates, or other professionals in the delivery of legal information and legal assistance to eligible clients, subject to the prior approval of LSC. In order to be approved, the joint venture plan must meet the following conditions:

(1) The recipients involved in the joint venture must plan to expend at least twelve and one-half percent (12.5%) of the aggregate of their basic field awards on PAI. In the case of recipients with adjacent service areas, twelve and one-half percent (12.5%) of each recipient's grant shall be expended to PAI; provided, however, that such expenditure is subject to waiver under this section;

(2) Each recipient in the joint venture must be a bona fide participant in the activities undertaken by the joint venture; and

(3) The joint PAI venture must provide an opportunity for involving private attorneys, law students, law graduates, or other professionals throughout the entire joint service area(s).

§ 1614.7 Fiscal recordkeeping.

The recipient shall demonstrate compliance with this part by utilizing financial systems and procedures and maintaining supporting documentation to identify and account separately for costs related to the PAI effort. Such systems and records shall meet the requirements of the Corporation's Audit Guide for Recipients and Auditors and the Accounting Guide for LSC Recipients and shall have the following characteristics:

(a) They shall accurately identify and account for:

(1) The recipient's administrative, overhead, staff, and support costs related to PAI activities. Non-personnel costs shall be allocated on the basis of reasonable operating data. All methods of allocating common costs shall be clearly documented. If any direct or indirect time of staff attorneys or paralegals is to be allocated as a cost to PAI, such costs must be documented by time sheets accounting for the time

§ 1614.8

those employees have spent on PAI activities. The timekeeping requirement does not apply to such employees as receptionists, secretaries, intake personnel or bookkeepers; however, personnel cost allocations for non-attorney or non-paralegal staff should be based on other reasonable operating data which is clearly documented;

(2) Payments to private attorneys, law graduates, or other professionals for support or direct client services rendered. The recipient shall maintain contracts on file that set forth payment systems, hourly rates, and maximum allowable fees. Bills and/or invoices from private attorneys, law graduates, or other professionals shall be submitted before payments are made. Encumbrances shall not be included in calculating whether a recipient has met the requirement of this part;

(3) Contractual payments or subgrants to individuals or organizations that undertake administrative, support, and/or direct services to eligible clients on behalf of the recipient consistent with the provisions of this part. Contracts or subgrants concerning transfer of LSC funds for PAI activities shall require that such funds be accounted for by the recipient in accordance with LSC guidelines, including the requirements of the Audit Guide for Recipients and Auditors and the Accounting Guide for LSC Recipients and 45 CFR parts 1610, 1627 and 1630;

(4) Other such actual costs as may be incurred by the recipient in this regard.

(b) Support and expenses relating to the PAI effort must be reported separately in the recipient's year-end audit. This shall be done by establishing a separate fund or providing a separate schedule in the financial statement to account for the entire PAI allocation. Recipients are not required to establish separate bank accounts to segregate funds allocated to PAI. Auditors are required to perform sufficient audit tests to enable them to render an opinion on the recipient's compliance with the requirements of this part.

(c) Attorneys, law students, law graduates, or other professionals may be reimbursed for actual costs and expenses.

45 CFR Ch. XVI (10–1–24 Edition)

(d) Fees paid to individuals for providing services under this part may not exceed 50% of the local prevailing market rate for that type of service.

§ 1614.8 Prohibition of revolving litigation funds.

(a) A revolving litigation fund system is a system under which a recipient systematically encourages the acceptance of fee-generating cases as defined in §1609.2 of this chapter by advancing funds to private attorneys, law students, law graduates, or other professionals to enable them to pay costs, expenses, or attorneys' fees for representing clients.

(b) No funds received from the Corporation shall be used to establish or maintain revolving litigation fund systems.

(c) The prohibition in paragraph (b) of this section does not prevent recipients from reimbursing or paying private attorneys, law students, law graduates, or other professionals for costs and expenses, provided:

(1) The private attorney, law student, law graduate, or other professional is representing an eligible client in a matter in which representation of the eligible client by the recipient would be allowed under LSC's governing statutes and regulations; and

(2) The private attorney, law student, law graduate, or other professional has expended such funds in accordance with a schedule previously approved by the recipient's governing body or, prior to initiating action in the matter, has requested the recipient to advance the funds.

(d) Nothing in this section shall prevent a recipient from recovering from a private attorney, law student, law graduate, or other professional the amount advanced for any costs, expenses, or fees from an award to the attorney for representing an eligible client.

§ 1614.9 Waivers.

(a) While it is the expectation and experience of the Corporation that most basic field programs can effectively expend their PAI requirement, there are

Legal Services Corporation

§ 1614.9

some circumstances, temporary or permanent, under which the goal of economical and effective use of Corporation funds will be furthered by a partial, or in exceptional circumstances, a complete waiver of the PAI requirement.

(b) A complete waiver shall be granted by LSC when the recipient shows to the satisfaction of LSC that:

(1) Because of the unavailability of qualified private attorneys, law students, law graduates, or other professionals an attempt to carry out a PAI program would be futile; or

(2) All qualified private attorneys, law students, law graduates, or other professionals in the program's service area either refuse to participate or have conflicts generated by their practice which render their participation inappropriate.

(c) A partial waiver shall be granted by LSC when the recipient shows to the satisfaction of LSC that:

(1) The population of qualified private attorneys, law students, law graduates, or other professionals available to participate in the program is too small to use the full PAI allocation economically and effectively; or

(2) Despite the recipient's best efforts too few qualified private attorneys, law students, law graduates, or other professionals are willing to participate in the program to use the full PAI allocation economically and effectively; or

(3) Despite a recipient's best efforts—including, but not limited to, communicating its problems expending the required amount to LSC and requesting and availing itself of assistance and/or advice from LSC regarding the problem—expenditures already made during a program year are insufficient to meet the PAI requirement, and there is insufficient time to make economical and efficient expenditures during the remainder of a program year, but in this instance, unless the shortfall resulted from unforeseen and unusual circumstances, the recipient shall accompany the waiver request with a plan to avoid such a shortfall in the future; or

(4) The recipient uses a fee-for-service program whose current encumbrances and projected expenditures for the current fiscal year would meet the

requirement, but its actual current expenditures do not meet the requirement, and could not be increased to do so economically and effectively in the remainder of the program year, or could not be increased to do so in a fiscally responsible manner in view of outstanding encumbrances; or

(5) The recipient uses a fee-for-service program and its PAI expenditures in the prior year exceeded the twelve and one-half percent (12.5%) requirement but, because of variances in the timing of work performed by the private attorneys and the consequent billing for that work, its PAI expenditures for the current year fail to meet the twelve and one-half percent (12.5%) requirement; or

(6) If, in the reasonable judgment of the recipient's governing body, it would not be economical and efficient for the recipient to expend its full twelve and one-half percent (12.5%) of Corporation funds on PAI activities, provided that the recipient has handled and expects to continue to handle at least twelve and one-half percent (12.5%) of cases brought on behalf of eligible clients through its PAI program(s).

(d)(1) A waiver of special accounting and bookkeeping requirements of this part may be granted by LSC, if the recipient shows to the satisfaction of LSC that such waiver will advance the purpose of this part as expressed in §§ 1614.1 and 1614.2.

(2) As provided in 45 CFR 1627.3(e) with respect to subgrants, alternatives to Corporation audit requirements or to the accounting requirements of this Part may be approved for subgrants by LSC; such alternatives for PAI subgrants shall be approved liberally where necessary to foster increased PAI participation.

(e) Waivers of the PAI expenditure requirement may be full or partial, that is, the Corporation may waive all or some of the required expenditure for a fiscal year.

(1) Applications for waivers of any requirement under this Part may be for the current or next fiscal year. All such applications must be in writing. Applications for waivers for the current fiscal year must be received by the

§ 1614.10

Corporation during the current fiscal year.

(2) At the expiration of a waiver a recipient may seek a similar or identical waiver.

(f) All waiver requests shall be addressed to LSC. The Corporation shall make a written response to each such request postmarked not later than thirty (30) days after its receipt. If the request is denied, the Corporation will provide the recipient with an explanation and statement of the grounds for denial. If the waiver is to be denied because the information submitted is insufficient, the Corporation will inform the recipient as soon as possible, both orally and in writing, about what additional information is needed. Should the Corporation fail to so respond, the request shall be deemed to be granted.

§ 1614.10 Failure to comply.

(a)(1) If a recipient fails to comply with the expenditure required by this part *and* that recipient fails without good cause to seek a waiver during the term of the grant or contract, the Corporation shall withhold from the recipient's grant payments an amount equal to the difference between the amount expended on PAI and twelve and one-half percent (12.5%) of the recipient's basic field award.

(2) If the Corporation determines that a recipient failed without good cause to seek a waiver, the Corporation shall give the recipient written notice of that determination. The written notice shall state the determination, the amount to be withheld, and the process by which the recipient may appeal the determination.

(3) The appeal process will follow the procedures for the appeal of disallowed costs set forth at 45 CFR 1630.7(c)-(g), except that:

(i) The subject matter of the appeal shall be limited to the Corporation's determination that the recipient failed without good cause to seek a waiver; and

(ii) Withholding of funds shall be the method for the Corporation to recover the amount to be withheld.

(b) If a recipient fails with good cause to seek a waiver, or applies for but does not receive a waiver, or receives a

45 CFR Ch. XVI (10-1-24 Edition)

waiver of part of the PAI requirement and does not expend the amount required to be expended, the PAI expenditure requirement for the ensuing year shall be increased for that recipient by an amount equal to the difference between the amount actually expended and the amount required to be expended.

(c)(1) Any funds withheld by the Corporation pursuant to this section shall be made available by the Corporation for use in providing legal services through PAI programs. When such funds are available for competition, LSC shall publish notice of the requirements concerning time, format, and content of the application and the procedures for submitting an application for such funds. Disbursement of these funds for PAI activities shall be made through a competitive solicitation and awarded on the basis of efficiency, quality, creativity, and demonstrated commitment to PAI service delivery to low-income people. Competition for these funds may be held in the recipient's service area, or if the recipient from which funds are withheld is the only LSC recipient applying for the funds in the competitive solicitation, in additional service areas.

(2) Recipients shall expend funds awarded through the competitive process in paragraph (c)(1) of this section in addition to twelve and one-half percent (12.5%) of their Basic Field-General awards.

(d) The withholding of funds under this section shall not be construed as any action under 45 CFR parts 1606, 1618, 1623, or 1630.

§ 1623.1 Purpose.

The purpose of this rule is to:

(a) Ensure that the Corporation is able to take prompt action when necessary to safeguard LSC funds or to ensure the compliance of a recipient with applicable provisions of law, or a rule, regulation, guideline or instruction issued by the Corporation, or the terms and conditions of a recipient's grant or contract with the Corporation; and

(b) Provide procedures for prompt review that will ensure informed deliberation by the Corporation when it has made a proposed determination that financial assistance to a recipient should be suspended.

§ 1623.2 Definitions.

For the purposes of this part the definitions in 45 CFR part 1606 shall apply and also:

Suspension means an action taken during the term of the recipient's current year's grant or contract with the Corporation that withholds financial assistance to a recipient, in whole or in part, until the end of the suspension period pending prompt corrective action by the recipient or a decision by the Corporation to initiate termination proceedings.

§ 1623.3 Grounds for suspension.

(a) Financial assistance provided to a recipient may be suspended when the Corporation determines that there has been a substantial violation by the recipient of the LSC requirements, and the Corporation has reason to believe that prompt action is necessary to:

- (1) Safeguard LSC funds; or
- (2) Ensure immediate corrective action necessary to bring a recipient into compliance with an applicable provision of law, or a rule, regulation, guideline or instruction issued by the Corporation, or the terms and conditions of the recipient's grant or contract with the Corporation.

(b) Financial assistance provided to a recipient may also be suspended by the Corporation pursuant to a recommendation by the Office of Inspector General when the recipient has failed to have an acceptable audit in accordance with the guidance promulgated by the Corporation's Office of Inspector General.

§ 1623.4 Suspension procedures.

(a) Prior to a preliminary determination involving a suspension of funding, the Corporation shall designate either the President or another senior Corporation employee to conduct any final review that is requested pursuant to this part. The Corporation shall ensure that the person so designated has had no prior involvement in the proceedings under this part so as to meet the criterion of impartiality described in this section.

(b) When the Corporation has made a proposed determination, based on the grounds set out in § 1623.3 of this part, that financial assistance to a recipient

should be suspended, the Corporation shall serve a written proposed determination on the recipient. The proposed determination shall:

- (1) State the grounds and effective date for the proposed suspension;
- (2) Identify, with reasonable specificity, any facts or documents relied upon as justification for the suspension;
- (3) Specify what, if any, prompt corrective action the recipient can take to avoid or end the suspension;
- (4) Advise the recipient that it may request, within 5 business days of receipt of the proposed determination, an informal meeting with the Corporation at which it may attempt to show that the proposed suspension should not be imposed; and
- (5) Advise the recipient that, within 10 business days of its receipt of the proposed determination and without regard to whether it requests an informal meeting, it may submit written materials in opposition to the proposed suspension.

(c) If the recipient requests an informal meeting with the Corporation, the Corporation shall designate the time and place for the meeting. The meeting shall occur within 5 business days after the recipient's request is received.

(d) The informal meeting shall be conducted by the Corporation employee who issued the preliminary determination or any other Corporation employee with a seniority level at, or equivalent to, the level of an office director or higher.

(e) At the informal meeting, the Corporation and the recipient shall both have an opportunity to state their case, seek to narrow the issues, explore the possibilities of settlement or compromise including implementation of corrective actions, and submit written materials.

(f) The Corporation shall consider any written materials submitted by the recipient in opposition to the proposed suspension and any oral presentation or written materials submitted by the recipient at an informal meeting. If, after considering such materials, the Corporation determines that the recipient has failed to show that the suspension should not become effective, the Corporation may issue a

§ 1623.5

45 CFR Ch. XVI (10–1–24 Edition)

written final determination to suspend financial assistance to the recipient in whole or in part and under such terms and conditions the Corporation deems appropriate and necessary. The final determination shall include a summary of the issues raised in the informal conference and presented in any written materials. The final determination need not engage in a detailed analysis of all issues raised.

(g) The final determination shall be promptly transmitted to the recipient in a manner that verifies receipt of the determination by the recipient, and the suspension shall become effective when the final determination is received by the recipient or on such later date as is specified therein.

(h) If a suspension lasts for more than 30 days, then the recipient may seek review of the suspension by the President. A request may be made in writing on the thirty-first day or any day thereafter, and shall state, in detail, the reasons for seeking review.

(1) The President may not review the suspension appeal if the President has had prior involvement in the suspension proceedings. If the President cannot review, or the President chooses not to do so, then the appeal shall be reviewed by either the individual designated to do so pursuant to § 1623.4(a) of this part, or by another senior Corporation employee designated by the President who has not had prior involvement in the suspension proceedings.

(2) The President's review shall be based on the administrative record of the proceedings, including the appeal to the President, and any additional submissions, either oral or in writing that the President may request. A recipient shall be given a copy of, and an opportunity to respond to, any additional submissions made to the President. All submissions and responses made to the President shall become part of the administrative record. Upon request, the Corporation shall provide a copy of the administrative record to the recipient.

(3) The President shall affirm, modify, or terminate the suspension through a suspension appeal decision within 15 calendar days of receipt of the appeal by the Corporation, unless

the Corporation and the recipient agree to a later date.

(i) The Corporation may at any time rescind or modify the terms of the final determination to suspend and, on written notice to the recipient, may reinstate the suspension without further proceedings under this part.

(j) Except as provided in § 1623.4(k) of this part, the total time of a suspension shall not exceed 90 calendar days, unless the Corporation and the recipient agree to a continuation of the suspension without further proceedings under this part.

(k) When the suspension is based on the grounds in § 1623.3(b) of this part, a recipient's funds may be suspended until an acceptable audit is completed. No appeal to the President will be available for audit-based suspensions pursuant to § 1623.3(b).

§ 1623.5 Time extensions and waiver.

(a) Except for the time limits in § 1623.4(i) and (j), any period of time provided in this part may be extended by the Corporation for good cause. Requests for extensions of time shall be considered in light of the overall objective that the procedures prescribed by this part ordinarily shall be concluded within 30 calendar days of the service of the proposed determination.

(b) Any other provision of this part may be waived or modified by agreement of the recipient and the Corporation for good cause.

(c) Failure by the Corporation to meet a time requirement of this part shall not preclude the Corporation from suspending a recipient's grant or contract with the Corporation.

§ 1623.6 Interim funding.

(a) Pending the completion of suspension proceedings under this part, the Corporation shall provide the recipient with the level of financial assistance provided for under its current grant or contract with the Corporation.

(b) Funds withheld pursuant to a suspension shall be released to the recipient at the end of the suspension period.

§ 1624.1 Purpose.

The purpose of this part is to assist and provide guidance to legal services programs supported in whole or in part by Legal Services Corporation funds in removing any impediments that may exist to the provision of legal assistance to persons with disabilities eligible for such assistance in accordance with section 504 of the Rehabilitation Act of 1973, as amended, 29 U.S.C. 794 and with sections 1007(a)(1) and (3) of the Legal Services Corporation Act, as amended, 42 U.S.C. 2996f(a)(1) and (3), with respect to the provision of services to and employment of persons with disabilities. The requirements of this Part apply in addition to any responsibilities legal services programs may have under applicable requirements of the Americans with Disabilities Act and applicable implementing regulations of the Department of Justice and the Equal Employment Opportunity Commission.

§ 1624.2 Application.

This part applies to each legal services program receiving financial assistance from the Legal Services Corporation.

§ 1624.3 Definitions.

As used in this part, the term:

(a) *Legal services program* means any recipient, as defined by §1600.1 of this chapter, or any other public or private agency, institution, organization, or other entity, or any person to which or to whom financial assistance is extended by the Legal Services Corporation directly or through another agen-

cy, institution, organization, entity or person, including any successor, assignee, or transferee of a legal services program, but does not include the ultimate beneficiary of legal assistance;

(c)(1) *Person with a disability* means any person who:

(ii) has a record of such an impairment, or (iii) is regarded as having such an impairment;

(2) As used in paragraph (c)(1) of this section the phrase:

(i) *Physical or mental impairment* means: (A) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or (B) any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities; The phrase includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, and drug addiction and alcoholism;

§ 1624.4

45 CFR Ch. XVI (10–1–24 Edition)

substantially limits major life activities only as a result of the attitudes of others toward such impairments; or (C) has none of the impairments defined in paragraph (c)(2)(i) of this section but is treated by a legal services program as having such an impairment;

(d) *Qualified person with a disability* means:

(1) With respect to employment, a person with a disability who, with reasonable accommodation, can perform the essential functions of the job in question;

(2) with respect to other services, a person with a disability who meets the eligibility requirements for the receipt of such services from the legal services program.

(e) *Auxiliary aids and/or other assistive technologies* means any item, piece of equipment, or product system whether acquired commercially off the shelf, modified or customized, that is used to increase, maintain, or improve functional capabilities of individuals with disabilities. Auxiliary aids and/or other assistive technologies include, but are not limited to, brailled and taped material, interpreters, telecommunications equipment for the deaf, voice recognition software, computer screen magnifiers, screen reader software, wireless amplification systems, and other aids.

§ 1624.4 Discrimination prohibited.

(a) No qualified person with a disability shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination by any legal services program, directly or through any contractual or other arrangement.

(b) A legal services program may not deny a qualified person with a disability the opportunity to participate in any of its programs or activities or to receive any of its services provided at a facility on the ground that the program operates a separate or different program, activity or facility that is specifically designed to serve persons with disabilities.

(c) In determining the geographic site or location of a facility, a legal services program may not make selections that have the purpose or effect of

excluding persons with disabilities from, denying them the benefits of, or otherwise subjecting them to discrimination under any program or activity of the legal services program.

(d)(1) A legal services program that employs a total of fifteen or more persons, regardless of whether such persons are employed at one or more locations, shall provide, when necessary, appropriate auxiliary aids and/or other assistive technologies to persons with impaired sensory, manual or speaking skills, in order to afford such persons an equal opportunity to benefit from the legal services program's services. A legal services program is not required to maintain such aids at all times, provided they can be obtained on reasonable notice.

(2) The Corporation may require legal services programs with fewer than fifteen employees to provide auxiliary aids and/or other assistive technologies where the provision of such aids would not significantly impair the ability of the legal services program to provide its services.

(e) A legal services program shall take reasonable steps to ensure that communications with its applicants, employees, and beneficiaries are available to persons with impaired vision and hearing.

(f) A legal services program may not deny persons with disabilities the opportunity to participate as members of or in the meetings or activities of any planning or advisory board or process established by or conducted by the legal services program, including but not limited to meetings and activities conducted in response to the requirements of 45 CFR part 1620.

§ 1624.5 Accessibility of legal services.

(a) No qualified person with a disability shall, because a legal services program's facilities are inaccessible to or unusable by persons with disabilities, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination by any legal services program.

(b) A legal services program shall conduct its programs and activities so that, when viewed in their entirety, they are readily accessible to and usable by persons with disabilities. This

Legal Services Corporation

§ 1624.6

paragraph does not necessarily require a legal services program to make each of its existing facilities or every part of an existing facility accessible to and usable by persons with disabilities, or require a legal services program to make structural changes in existing facilities when other methods are effective in achieving compliance. In choosing among available methods for meeting the requirements of this paragraph, a legal services program shall give priority to those methods that offer legal services to persons with disabilities in the most integrated setting appropriate.

(c) A legal services program shall, to the maximum extent feasible, ensure that new facilities that it rents or purchases are accessible to persons with disabilities. Prior to entering into any lease or contract for the purchase of a building, a legal services program shall submit a statement to LSC certifying that the facilities covered by the lease or contract will be accessible to persons with disabilities, or if the facilities will not be accessible, a detailed description of the efforts the program made to obtain accessible space, the reasons why the inaccessible facility was nevertheless selected, and the specific steps that will be taken by the legal services program to ensure that its services are accessible to persons with disabilities who would otherwise use that facility. After a statement certifying facility accessibility has been submitted, additional statements need not be resubmitted with respect to the same facility, unless substantial changes have been made in the facility that affect its accessibility.

(d) A legal services program shall ensure that new facilities designed or constructed for it are readily accessible to and usable by persons with disabilities. Alterations to existing facilities shall, to the maximum extent feasible, be designed and constructed to make the altered facilities readily accessible to and usable by persons with disabilities.

§ 1624.6 Employment.

(a) No qualified person with a disability shall, on the basis of disability, be subjected to discrimination in em-

ployment by any legal services program.

(b) A legal services program shall make all decisions concerning employment under any program or activity to which this part applies in a manner that ensures that discrimination on the basis of disability does not occur, and may not limit, segregate, or classify applicants or employees in any way that adversely affects their opportunities or status because of disability.

(c) The prohibition against discrimination in employment applies to the following activities:

(1) Recruitment, advertising, and the processing of applications for employment;

(2) Hiring, upgrading, promotion, award of tenure, demotion, transfer, layoff, termination, right of return from layoff, and rehiring;

(3) Rates of pay or any other form of compensation and changes in compensation;

(4) Job assignments, job classifications, organizational structures, position descriptions, lines of progression, and seniority lists;

(5) Leaves of absence, sick leave, or any other leave;

(6) Fringe benefits available by virtue of employment, whether or not administered by the legal services program;

(7) Selection and financial support for training, including apprenticeship, professional meetings, conferences, and other related activities, and selection for leaves of absence to pursue training;

(8) Employer sponsored activities, including social or recreational programs; and

(9) Any other term, condition, or privilege of employment.

(d) A legal services program may not participate in any contractual or other relationship with persons, agencies, organizations or other entities such as, but not limited to, employment and referral agencies, labor unions, organizations providing or administering fringe benefits to employees of the legal services program, and organizations providing training and apprenticeship programs, if the practices of such person, agency, organization, or other entity have the effect of subjecting qualified

§ 1624.7

applicants or employees with disabilities to discrimination prohibited by this paragraph.

(e) A legal services program shall make reasonable accommodation to the known physical or mental limitations of an otherwise qualified applicant or employee with a disability unless the accommodation would impose an undue hardship on the operation of the program.

(1) For purposes of this paragraph (e), reasonable accommodation may include:

(i) Making facilities used by employees readily accessible to and usable by persons with disabilities; and

(ii) job restructuring, part-time or modified work schedules, acquisition or modification of equipment or devices, the provision of auxiliary aids and/or other assistive technologies, and other similar actions.

(2) In determining whether an accommodation would impose an undue hardship on the operation of a legal services program, factors to be considered include, but are not limited to, the overall size of the legal services program with respect to number of employees, number and type of facilities, and size of budget, and the nature and costs of the accommodation needed.

(3) A legal services program may not deny any employment opportunity to a qualified employee or applicant with a disability if the basis for the denial is a need to make reasonable accommodation to the physical or mental limitations of the employee or applicant.

(f) A legal services program may not use employment tests or criteria that discriminate against persons with disabilities, and shall ensure that employment tests are adapted for use by persons who have disabilities that impair sensory, manual, or speaking skills.

(g) A legal services program may not conduct a pre-employment medical examination or make a pre-employment inquiry as to whether an applicant is a person with a disability or as to the nature or severity of a disability except under the circumstances described in 45 CFR 84.14(a) through (d)(2). The Corporation shall have access to relevant information obtained in accordance with this section to permit investigations of alleged violations of this part.

45 CFR Ch. XVI (10–1–24 Edition)

(h) A legal services program shall post in prominent places in each of its offices a notice stating that the legal services program does not discriminate on the basis of disability.

(i) Any recruitment materials published or used by a legal services program shall include a statement that the legal services program does not discriminate on the basis of disability.

§ 1624.7 Enforcement.

(a) The procedures described in part 1618 of these regulations shall apply to any alleged violation of this Part by a legal services program.

(b) When LSC receives a complaint of a violation of this part, LSC policy is generally to refer such complainants promptly to the appropriate Federal, state or local agencies, although LSC retains the discretion to investigate all complaints and/or to maintain an open complaint file during the pendency of an investigation being conducted by such other Federal, state or local agency. LSC may use, at its discretion, information obtained by such other agency as may be available to LSC, including findings of such other agency of whether discrimination on the basis of disability occurred.

(1) A recipient may provide related legal assistance to an alien who is within one of the following categories:

(i) An alien who has been battered or subjected to extreme cruelty, or is a victim of sexual assault or trafficking in the United States, or qualifies for immigration relief under section 101(a)(15)(U) of the INA (8 U.S.C. 1101(a)(15)(U)); or

45 CFR Ch. XVI (10–1–24 Edition)

(b)(1) *Related legal assistance* means legal assistance directly related:

(i) To the prevention of, or obtaining relief from, the battery, cruelty, sexual assault, or trafficking;

(ii) To the prevention of, or obtaining relief from, crimes listed in section 101(a)(15)(U)(iii) of the INA (8 U.S.C. 1101(a)(15)(U)(iii)); or

(2) Such assistance includes representation in matters that will assist a person eligible for assistance under this part to escape from the abusive situation, ameliorate the current effects of the abuse, or protect against future abuse, so long as the recipient can show the necessary connection of the representation to the abuse. Such representation may include immigration law matters and domestic or poverty law matters (such as obtaining civil protective orders, divorce, paternity, child custody, child and spousal support, housing, public benefits, employment, abuse and neglect, juvenile proceedings and contempt actions).

(2) *Relationship of alien to the United States.* (i) An alien defined in §1626.2(b), (h), or (k)(1) need not be present in the United States to be eligible for assistance under this section.

(ii) An alien defined in §1626.2(j) or (k)(2) must be present in the United States to be eligible for assistance under this section.

(d) *Evidentiary support*—(1) *Intake and subsequent evaluation.* A recipient may determine that an alien is qualified for assistance under this section if there is

evidentiary support that the alien falls into any of the eligibility categories or if the recipient determines there will likely be evidentiary support after a reasonable opportunity for further investigation. If the recipient determines that an alien is eligible because there will likely be evidentiary support, the recipient must obtain evidence of support as soon as possible and may not delay in order to provide continued assistance.

(2) *Documentary evidence.* Evidentiary support may include, but is not limited to, affidavits or unsworn written statements made by the alien; written summaries of statements or interviews of the alien taken by others, including the recipient; reports and affidavits from police, judges, and other court officials, medical personnel, school officials, clergy, social workers, other social service agency personnel; orders of protection or other legal evidence of steps taken to end abuse; evidence that a person sought safe haven in a shelter or similar refuge; photographs; documents; or other evidence of a series of acts that establish a pattern of qualifying abuse.

(3) *Victims of severe forms of trafficking.* Victims of severe forms of trafficking may present any of the forms of evidence listed in paragraph (d)(2) of this section or any of the following:

(i) A certification letter issued by the Department of Health and Human Services (HHS).

(ii) Verification that the alien has been certified by calling the HHS trafficking verification line, (202) 401-5510 or (866) 401-5510.

(iii) An interim eligibility letter issued by HHS, if the alien was subjected to severe forms of trafficking while under the age of 18.

(iv) An eligibility letter issued by HHS, if the alien was subjected to severe forms of trafficking while under the age of 18.

(e) *Recordkeeping.* Recipients are not required by §1626.12 to maintain records regarding the immigration status of clients represented pursuant to this section. If a recipient relies on an immigration document for the eligibility determination, the recipient shall document that the client presented an immigration document by

making a note in the client's file stating that a staff member has seen the document, the type of document, the client's alien registration number ("A number"), the date of the document, and the date of the review, and containing the signature of the staff member that reviewed the document.

(f) *Changes in basis for eligibility.* If, during the course of representing an alien eligible pursuant to §1626.4(a)(1), a recipient determines that the alien is also eligible under §1626.4(a)(2) or §1626.5, the recipient should treat the alien as eligible under that section and may provide all the assistance available pursuant to that section.

§ 1626.5 Aliens eligible for assistance based on immigration status.

Subject to all other eligibility requirements and restrictions of the LSC Act and regulations and other applicable law, a recipient may provide legal assistance to an alien who is present in the United States and who is within one of the following categories:

(a) An alien lawfully admitted for permanent residence as an immigrant as defined by section 101(a)(20) of the INA (8 U.S.C. 1101(a)(20));

(b) An alien who is either married to a United States citizen or is a parent or an unmarried child under the age of 21 of such a citizen and who has filed an application for adjustment of status to permanent resident under the INA, and such application has not been rejected;

(c) An alien who is lawfully present in the United States pursuant to an admission under section 207 of the INA (8 U.S.C. 1157) (relating to refugee admissions) or who has been granted asylum by the Attorney General or the Secretary of DHS under section 208 of the INA (8 U.S.C. 1158);

(d) An alien who is lawfully present in the United States as a result of being granted conditional entry pursuant to section 203(a)(7) of the INA (8 U.S.C. 1153(a)(7), as in effect on March 31, 1980) before April 1, 1980, because of persecution or fear of persecution on account of race, religion, or political opinion or because of being uprooted by catastrophic natural calamity;

(e) An alien who is lawfully present in the United States as a result of the

§ 1626.6

Attorney General's withholding of deportation or exclusion under section 243(h) of the INA (8 U.S.C. 1253(h), as in effect on April 16, 1996) or withholding of removal pursuant to section 241(b)(3) of the INA (8 U.S.C. 1231(b)(3)); or

(f) An alien who meets the requirements of § 1626.10 or § 1626.11.

§ 1626.6 Verification of citizenship.

(a) A recipient shall require all applicants for legal assistance who claim to be citizens to attest in writing in a standard form provided by the Corporation that they are citizens, unless the only service provided for a citizen is brief advice and consultation by telephone, or by other non-in-person means, which does not include continuous representation.

(b) When a recipient has reason to doubt that an applicant is a citizen, the recipient shall require verification of citizenship. A recipient shall not consider factors such as a person's accent, limited English-speaking ability, appearance, race, or national origin as a reason to doubt that the person is a citizen.

(1) If verification is required, a recipient may accept originals, certified copies, or photocopies that appear to be complete, correct, and authentic of any of the following documents as evidence of citizenship:

- (i) United States passport;
- (ii) Birth certificate;
- (iii) Naturalization certificate;
- (iv) United States Citizenship Identification Card (INS Form I-197 or I-197); or

(v) Baptismal certificate showing place of birth within the United States and date of baptism within two months after birth.

(2) A recipient may also accept any other authoritative document, such as a document issued by DHS, by a court, or by another governmental agency, that provides evidence of citizenship.

(3) If a person is unable to produce any of the above documents, the person may submit a notarized statement signed by a third party, who shall not be an employee of the recipient and who can produce proof of that party's own United States citizenship, that the person seeking legal assistance is a United States citizen.

45 CFR Ch. XVI (10–1–24 Edition)

§ 1626.7 Verification of eligible alien status.

(a) An alien seeking representation shall submit appropriate documents to verify eligibility, unless the only service provided for an eligible alien is brief advice and consultation by telephone, or by other non-in-person means, which does not include continuous representation of a client.

(1) As proof of eligibility, a recipient may accept originals, certified copies, or photocopies that appear to be complete, correct, and authentic, of any documents establishing eligibility. LSC will publish a list of examples of such documents from time to time in the form of a program letter or equivalent.

(2) A recipient may also accept any other authoritative document issued by DHS, by a court, or by another governmental agency, that provides evidence of alien status.

(b) A recipient shall upon request furnish each person seeking legal assistance with a current list of documents establishing eligibility under this part as is published by LSC.

§ 1626.8 Emergencies.

In an emergency, legal services may be provided prior to compliance with §§ 1626.4, 1626.6, and 1626.7 if:

(a) An applicant cannot feasibly come to the recipient's office or otherwise transmit written documentation to the recipient before commencement of the representation required by the emergency, and the applicant provides oral information to establish eligibility which the recipient records, and the applicant submits the necessary documentation as soon as possible; or

(b) An applicant is able to come to the recipient's office but cannot produce the required documentation before commencement of the representation, and the applicant signs a statement of eligibility and submits the necessary documentation as soon as possible; and

(c) The recipient informs clients accepted under paragraph (a) or (b) of this section that only limited emergency legal assistance may be provided without satisfactory documentation and that, if the client fails to produce

Legal Services Corporation

§ 1626.12

timely and satisfactory written documentation, the recipient will be required to discontinue representation consistent with the recipient's professional responsibilities.

§ 1626.9 Change in circumstances.

If, to the knowledge of the recipient, a client who was an eligible alien becomes ineligible through a change in circumstances, continued representation is prohibited by this part and a recipient must discontinue representation consistent with applicable rules of professional responsibility.

§ 1626.10 Special eligibility questions.

(a)(1) This part is not applicable to recipients providing services in the Commonwealth of the Northern Mariana Islands, the Republic of Palau, the Federated States of Micronesia, or the Republic of the Marshall Islands.

(2) All citizens of the Republic of Palau, the Federated States of Micronesia, and the Republic of the Marshall Islands residing in the United States are eligible to receive legal assistance provided that they are otherwise eligible under the Act.

(b) All Canadian-born American Indians at least 50% Indian by blood are eligible to receive legal assistance provided they are otherwise eligible under the Act.

(c) Members of the Texas Band of Kickapoo are eligible to receive legal assistance provided they are otherwise eligible under the Act.

(d) An alien who qualified as a special agricultural worker and whose status is adjusted to that of temporary resident alien under the provisions of the Immigration Reform and Control Act ("IRCA") is considered a permanent resident alien for all purposes except immigration under the provisions of section 302 of 100 Stat. 3422, 8 U.S.C. 1160(g). Since the status of these aliens is that of permanent resident alien under section 101(a)(20) of the INA (8 U.S.C. 1101(a)(20)), these workers may be provided legal assistance. These workers are ineligible for legal assistance in order to obtain the adjustment of status of temporary resident under IRCA, but are eligible for legal assistance after the application for adjustment of status to that of temporary

resident has been filed, and the application has not been rejected.

(e) A recipient may provide legal assistance to indigent foreign nationals who seek assistance pursuant to the Hague Convention on the Civil Aspects of International Child Abduction and the Federal implementing statute, the International Child Abduction Remedies Act, 42 U.S.C. 11607(b), provided that they are otherwise financially eligible.

§ 1626.11 H-2 agricultural and forestry workers.

(a) Nonimmigrant agricultural workers admitted to, or permitted to remain in, the United States under the provisions of section 101(a)(15)(h)(ii)(a) of the INA (8 U.S.C. 1101(a)(15)(h)(ii)(a)), commonly called H-2A agricultural workers, may be provided legal assistance regarding the matters specified in paragraph (c) of this section.

(b) Nonimmigrant forestry workers admitted to, or permitted to remain in, the United States under the provisions of section 101(a)(15)(h)(ii)(b) of the INA (8 U.S.C. 1101(a)(15)(h)(ii)(b)), commonly called H-2B forestry workers, may be provided legal assistance regarding the matters specified in paragraph (c) of this section.

(c) The following matters which arise under the provisions of the worker's specific employment contract may be the subject of legal assistance by an LSC-funded program:

- (1) Wages;
- (2) Housing;
- (3) Transportation; and

(4) Other employment rights as provided in the worker's specific contract under which the nonimmigrant worker was admitted.

§ 1626.12 Recipient policies, procedures, and recordkeeping.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient's compliance with this part.

PART 1627—SUBGRANTS

Sec.

1627.3 Characteristics of subgrants.

1627.4 Requirements for all subgrants.

1627.5 Applicability of restrictions, record-keeping, and recipient priorities; private attorney involvement subgrants.

1627.6 Transfers to other recipients.

1627.7 Recipient policies, procedures and recordkeeping.

AUTHORITY: 42 U.S.C. 2996g(e).

SOURCE: 82 FR 10283, Feb. 10, 2017, unless otherwise noted.

§ 1627.1 Purpose.

The purpose of this part is to establish the requirements for subgrants of LSC funds from recipients to third parties to assist in the recipient's provision of legal assistance to eligible clients.

§ 1627.2 Definitions.

(a) *Private attorney* has the meaning given that term in 45 CFR 1614.3(i).

(b) *Procurement contract* means an agreement between a recipient and a third party under which the recipient purchases property or services that does not qualify as a subgrant as defined in paragraph (e)(1) of this section.

(c) *Property* means real estate or personal property.

(d) *Recipient* as used in this part means any recipient as defined in section 1002(6) of the Act and any grantee or contractor receiving funds from LSC under section 1006(a)(1)(B) of the Act.

(e) *Subgrant*. (1) Subgrant means an award of LSC funds or property or services purchased in whole or in part with LSC funds from a recipient to a subrecipient for the subrecipient to carry out part of the recipient's legal assistance activities. A subgrant has the characteristics set forth in § 1627.3(b).

(2) *Subgrant* includes fee-for-service arrangements, such as those provided by a private law firm or attorney representing a recipient's clients on a contract or judicare basis, only when the cost of such arrangements exceed \$60,000.

(f) *Subrecipient* means any entity receiving a subgrant. A single entity may be a subrecipient with respect to some

activities it conducts for a recipient while not being a subrecipient with respect to other activities it conducts for a recipient.

§ 1627.3 Characteristics of subgrants.

(a) In determining whether an agreement between a recipient and another entity should be considered a subgrant or a procurement contract, the substance of the relationship is more important than the form of the agreement. All of the characteristics listed in paragraph (b) of this section may not be present in all cases, and the recipient must use judgment in classifying each agreement as a subgrant or a procurement contract. The recipient must make case-by-case determinations whether each agreement that it makes with another entity constitutes a subgrant or a procurement contract.

(b) Characteristics that support the classification of the agreement as a subgrant include when the other entity:

(1) Determines who is eligible to receive legal assistance under the recipient's LSC grant;

(2) Has its performance measured in relation to whether objectives of the LSC grant were met;

(3) Has responsibility for programmatic decision-making regarding the delivery of legal assistance under the recipient's LSC grant;

(4) Is responsible for adherence to applicable LSC program requirements specified in the LSC grant award; and

(5) In accordance with its agreement, uses the LSC funds or property or services acquired in whole or in part with LSC funds, to carry out a program for a public purpose specified in LSC's governing statutes and regulations, as opposed to providing goods or services for the benefit of the recipient.

§ 1627.4 Requirements for all subgrants.

(a) *Threshold*. (1) A recipient must obtain LSC's written approval prior to making a subgrant when the cost of the subgrant is \$20,000 of LSC funds or greater.

(2) *Valuation of in-kind subgrants*. (i) If either the actual cost to the recipient of the subgranted property or service

or the fair market value of the subgranted property or service exceeds \$20,000 of LSC funds, the recipient must seek written approval from LSC prior to making a subgrant.

(ii) The valuation of the subgrant, either by fair market value or actual cost to the recipient of property or services, must be documented and to the extent feasible supported by the same methods used internally by the recipient.

(b) *Corporation approval of subgrants.* Recipients must submit all applications for subgrants exceeding the \$20,000 threshold to LSC in writing for prior written approval. LSC will publish notice of the requirements concerning the format and contents of the application annually in the FEDERAL REGISTER and on LSC's Web site.

(1) *Basic Field Grants.* (i) Recipients should submit applications for subgrants of Basic Field Grant funds along with the recipient's proposal for funding, including applications for renewal of funding.

(ii) LSC will notify a recipient of its decision to approve, disapprove, or suggest modifications to an application for subgrant approval prior to, or at the same time as LSC provides notice of its decision with respect to the applicant's proposal for Basic Field Grant funding.

(2) *Special grants.* (i) Recipients of special grants (*e.g.*, Technology Initiative Grants, Pro Bono Innovation Fund grants, emergency relief grants), should submit their subgrant applications following notification of approval of special grant funds.

(ii) A subgrant application must be submitted at least 45 days in advance of its proposed effective date. Within 45 days of the date of receipt, LSC will notify the recipient in writing of its decision to approve, disapprove, or suggest modifications to the subgrant; or, if LSC has not made a decision, the date by which LSC expects to make a decision. A subgrant that is disapproved or to which LSC has suggested modifications may be resubmitted for approval.

(3) *Mid-year subgrant requests.* A recipient may apply for prior approval of a subgrant outside of the periods prescribed in paragraphs (a)(1) and (2) of

this section as needed. LSC will follow the time periods prescribed in paragraph (a)(2)(ii) of this section to consider and notify a recipient of its decision to approve, disapprove, or suggest modifications to the subgrant.

(4) *Failure to comply.* Any subgrant not approved according to paragraphs (a)(1) through (3) of this section will be subject to disallowance and recovery of all funds expended under the subgrant.

(5) *Changes to subgrants requiring prior approval.* (i) If a recipient needs to make substantial changes to the scope or objectives, or increase or decrease the amount of funding of more than 10%, of a subgrant approved under paragraph (b) of this section, the recipient must obtain LSC's prior written approval. Minor changes in the scope or objectives or changes in support of less than 10% do not require prior approval, but the recipient must notify LSC of such changes in writing.

(ii) If a subgrant did not require prior approval, and the recipient proposes a change that will cause the total value of the subgrant to exceed the threshold for prior approval, the recipient must obtain LSC's prior written approval before making the change.

(c) *Duration of subgrant.* (1) For Basic Field grants, a subgrant may not be for a period longer than one year. All funds unexpended at the end of the subgrant period will be considered part of the recipient's available LSC funds.

(2) For special grants (*e.g.*, Pro Bono Innovation Fund grants, Technology Initiative Grants, emergency relief grants), a subgrant may not be for a period longer than the term of the grant. Absent written approval from LSC, all unexpended funds must be returned to LSC at the end of the subgrant period.

(d) *Provisions for termination and suspension of subgrants.* All subgrants must contain provisions for their orderly termination in the event that the recipient is no longer an LSC recipient, and for suspension of activities if the recipient's funding is suspended.

(e) *Recipient responsibilities.* (1) Recipients must ensure that subrecipients comply with LSC's financial and audit provisions to the extent required by this part.

(2) The recipient must ensure that the subrecipient properly spends, accounts for, and audits funds or property or services acquired in whole or in part with LSC funds received through the subgrant.

(3) The recipient must repay LSC for any disallowed expenditures by a subrecipient. Repayment is required regardless of whether the recipient is able to recover such expenditures from the subrecipient.

(f) *Accounting and auditing requirements—(1) Subgrants of funds.* (i) Any LSC funds paid by a recipient to a subrecipient through a subgrant are subject to the audit and financial requirements of the Audit Guide for Recipients and Auditors and the Accounting Guide for LSC Recipients. The relationship between the recipient and subrecipient will determine the proper method of financial reporting following generally accepted accounting principles.

(ii) Subgranted funds may be separately disclosed and accounted for, and reported upon in the audited financial statements of a recipient; or such funds may be included in a separate audit report of the subrecipient. A subgrant agreement may provide for alternative means of assuring the propriety of subrecipient expenditures, especially in instances where an organization receives a small subgrant. Any request to use an alternative means of assuring propriety of subrecipient funds must be submitted to LSC for consideration as part of the subgrant approval process. If LSC approves a request to use an alternative means, the information provided thereby shall satisfy the recipient's annual audit requirement with regard to the subgrant funds.

(2) *In-kind subgrants.* (i) The value of property or services funded in whole or in part with LSC funds provided by a recipient to a subrecipient through a subgrant is subject to the audit and financial requirements of the Audit Guide for Recipients and Auditors and the Accounting Guide for LSC Recipients. The relationship between the recipient and subrecipient will determine the proper method of financial reporting following generally accepted accounting principles.

(ii) Subgrants involving in-kind exchanges of property or services may be separately disclosed and accounted for, and reported upon in the audited financial statements of a recipient. A subgrant agreement may provide for alternative means of assuring the propriety of subrecipient expenditures and use of property or services acquired in whole or in part with LSC funds, especially in instances where an organization receives a small subgrant. Any request to use an alternative means of assuring propriety of subrecipient funds must be submitted to LSC for consideration as part of the subgrant approval process. If LSC approves a request to use an alternative means, the information provided thereby shall satisfy the recipient's annual audit requirement with regard to the subgrant funds.

(iii) If accounting for in-kind subgrants is not practicable, a recipient may convert the subgrant to a cash payment and follow the accounting procedures in paragraph (f)(1) of this section.

(iv) Subrecipients described in § 1627.5(d)(2) are not subject to the audit and financial requirements of the Audit Guide for Recipients and Auditors and the Accounting Guide for LSC Recipients. Such subrecipients must have financial management systems in place that would allow the recipient and LSC to determine that any resources the subrecipient receives or uses under the subgrant are used consistent with 45 CFR part 1610.

(g) *Oversight.* To ensure subrecipient compliance with the LSC Act, LSC's appropriations statutes, Congressional restrictions having the force of law, and LSC's regulations, guidelines, and instructions, agreements between a recipient and a subrecipient must provide the same oversight rights for LSC with respect to subgrants as apply to recipients.

§ 1627.5 Applicability of restrictions, recordkeeping, and recipient priorities; private attorney involvement subgrants.

(a) *Applicability of restrictions.* The prohibitions and requirements set forth in 45 CFR part 1610 apply both to the subgrant and to the subrecipient's non-

Legal Services Corporation

§ 1627.6

LSC funds, except as modified by paragraphs (b), (c), and (d) of this section.

(b) *Priorities.* Subrecipients must either:

(1) Use the subgrant consistent with the recipient's priorities; or

(2) Establish their own priorities for the use of the subgrant consistent with 45 CFR part 1620.

(c) *Recordkeeping.* A recipient must be able to account for how its subrecipients spend LSC funds or use property or services funded in whole or in part with LSC funds. A subrecipient must provide to the recipient records as described in paragraphs (c)(1) and (2) of this section.

(1) A subrecipient that handles matters as defined at 45 CFR 1635.2(b) must maintain adequate records to demonstrate that its attorneys and paralegals used the LSC funds or property or services funded in whole or in part with LSC funds:

(i) To carry out the activities described in the subgrant agreement; and

(ii) Consistent with the restrictions set forth at 45 CFR part 1610.

(2) A subrecipient that handles cases as defined at 45 CFR 1635.2(a):

(i) Must require its attorneys and paralegals to maintain records for each case that show the amount of time spent on the case and the activity conducted by date, and a unique client name or case number; and

(ii) Either the subrecipient or the recipient must maintain records for each case that show the problem type and the closing code for the case.

(iii) This requirement does not apply to subrecipients described in paragraph (d)(2)(ii) of this section.

(3) A subrecipient who handles both cases and matters must maintain the types of records described in paragraphs (c)(1) and (2).

(d) *Subgrants for engaging private attorneys—(1) Subgrants of funds.* The prohibitions and requirements set forth in 45 CFR part 1610 apply *only* to the subgranted funds when the subrecipient is a bar association, *pro bono* program, private attorney or law firm, or other entity that receives a subgrant for the sole purpose of funding private attorney involvement activities (PAI) pursuant to 45 CFR part 1614.

(2) *In-kind subgrants.* The prohibitions and requirements set forth in 45 CFR part 1610 apply *only* to the subgranted property or services acquired in whole or in part with LSC funds when the subrecipient is a bar association, *pro bono* program, private attorney or law firm, or other entity that receives a subgrant for the sole purpose of:

(i) Conducting private attorney involvement activities (PAI) pursuant to 45 CFR part 1614; or

(ii) Providing legal information or legal assistance on a *pro bono* or reduced fee basis to individuals who have been screened and found eligible to receive legal assistance from an LSC recipient.

(3) *Treatment of non-LSC funds.* Any funds or property or services acquired in whole or in part with LSC funds and used by a recipient as payment for a PAI subgrant are deemed LSC funds for purposes of this paragraph (d).

(4) *Recordkeeping exception.* The recordkeeping requirement in paragraph (c) of this section does not apply to private attorneys providing legal assistance on a *pro bono* or reduced fee basis.

§ 1627.6 Transfers to other recipients.

(a) The requirements of this part apply to all subgrants from one recipient to another recipient.

(b) The subrecipient must audit any funds or property or services acquired in whole or in part with LSC funds provided by the recipient under a subgrant in its annual audit and supply a copy of this audit to the recipient. The recipient must either submit the relevant part of this audit with its next annual audit or, if an audit has been recently submitted, submit it as an addendum to that recently submitted audit.

(c) In addition to the provisions of § 1627.4(c)(3), LSC may hold the recipient responsible for any disallowed expenditures of subgrant funds. Thus, LSC may recover all of the disallowed costs from either the recipient or the subrecipient or may divide the recovery between the two. LSC's total recovery may not exceed the amount of expenditures disallowed.

§ 1627.7

§ 1627.7 Recipient policies, procedures and recordkeeping.

Each recipient must adopt written policies and procedures to guide its staff in complying with this part and must maintain records sufficient to document the recipient's compliance with this part.

PART 1628—RECIPIENT FUND BALANCES

Sec.

1628.1 Purpose.

1628.2 Definitions.

1628.3 Policy.

1628.4 Procedures.

1628.5 Fund balance deficits.

AUTHORITY: 42 U.S.C. 2996g(e).

SOURCE: 65 FR 66642, Nov. 7, 2000, unless otherwise noted.

§ 1628.1 Purpose

The purpose of this part is to set out the Corporation's policies and procedures applicable to recipient fund balances. The Corporation's fund balance policies are intended to ensure the timely expenditure of LSC funds for the effective and economical provision of high quality legal assistance to eligible clients.

§ 1628.2 Definitions.

(a) *Excess fund balance* means a recipient's LSC fund balance that exceeds the amount a recipient is permitted to retain under this part.

(b) *LSC support* means the sum of:

(1) The amount of financial assistance awarded by the Corporation to the recipient for the fiscal year included in the recipient's annual audited financial statement, not including one-time and special purpose grants; and

(2) Any LSC derivative income, as defined in § 1630.2(c), earned by the recipient for the fiscal year included in the recipient's annual audited financial statement, not including derivative income from one-time and special purpose grants.

(c) The *LSC fund balance* is the excess of LSC support plus the prior year carryover amount over expenditures of LSC funds (including capital acquisitions), as each is reported in the recipient's annual financial statements.

45 CFR Ch. XVI (10–1–24 Edition)

(d) The *fund balance percentage* is the amount of the LSC fund balance expressed as a percentage of the recipient's LSC support.

(e) *Recipient*, as used in this part, means any grantee or contractor receiving financial assistance from the Corporation under section 1006(a)(1)(A) of the LSC Act.

§ 1628.3 Policy.

(a) Recipients are permitted to retain from one fiscal year to the next LSC fund balances up to 10% of their LSC support.

(b) Recipients may request a waiver to retain a fund balance up to a maximum of 25% of their LSC support for special circumstances.

(c) Recipients may request a waiver to retain a fund balance in excess of 25% of a recipient's LSC support only for extraordinary and compelling circumstances, such as when a natural disaster or other catastrophic event prevents the timely expenditure of LSC funds, or when the recipient receives an insurance reimbursement, the proceeds from the sale of real property, a payment from a lawsuit in which the recipient was a party, or a payment from an LSC-funded lawsuit, regardless of whether the recipient was a party to the lawsuit.

(d) A waiver pursuant to paragraph (b) or (c) of this section may be granted at the discretion of the Corporation pursuant to the criteria set out in § 1628.4(e).

(e) In the absence of a waiver, a fund balance in excess of 10% of LSC support shall be repaid to the Corporation. If a waiver of the 10% ceiling is granted, any fund balance in excess of the amount permitted to be retained shall be repaid to the Corporation.

(f) A recovery of an excess fund balance pursuant to this part does not constitute a termination under 45 CFR part 1606. *See* § 1606.2(c)(2)(ii).

(g) One-time and special purpose grants awarded by the Corporation are not subject to the fund balance policy set forth in this part. Revenue and expenses relating to such grants shall be reflected separately in the audit report submitted to the Corporation. This may be done by establishing a separate

Legal Services Corporation

§ 1628.5

fund or by providing a separate supplemental schedule of revenue and expenses related to such grants as a part of the audit report. No funds provided under a one-time or special purpose grant may be expended subsequent to the expiration date of the grant without the prior written approval of the Corporation. Absent approval from the Corporation, all unexpended funds under such grants shall be returned to the Corporation.

[65 FR 66642, Nov. 7, 2000, as amended at 80 FR 43968, July 24, 2015]

§ 1628.4 Procedures.

(a) A recipient may request a waiver of the 10% ceiling on LSC fund balances within 30 days after the submission to LSC of its annual audited financial statements. The request shall specify:

(1) The LSC fund balance as reported in the recipient's annual audited financial statements;

(2) The reason(s) for the excess fund balance;

(3) The recipient's plan for disposing of the excess fund balance during the current fiscal year;

(4) The amount of fund balance projected to be carried forward at the close of the recipient's current fiscal year; and

(5) The special circumstances justifying the retention of the excess fund balance up to 25%, or the extraordinary and compelling circumstances set out in §1628.3(c) justifying a fund balance in excess of 25%.

(b) Within 45 days of receipt of the recipient's waiver request submitted pursuant to paragraph (a) of this section, the Corporation shall provide a written response to the request and a written notice to the recipient of any fund balance due and payable to the Corporation as well as the method for repayment.

(c) In the event that repayment is required, the Corporation shall give written notice 30 days prior to the effective date for repayment. Repayment shall be in a lump sum or by pro rata deductions from the recipient's grant checks for a specific number of months. The Corporation shall determine which of the specified methods of repayment is reasonable and appropriate in each

case after consultation with the recipient.

(d) A recipient may submit a waiver request to retain a fund balance in excess of 25% of its LSC support prior to the submission of its audited financial statements. The Corporation may, at its discretion, provide approval in writing. The request shall specify the extraordinary and compelling circumstances justifying the fund balance in excess of 25%; the estimated fund balance that the recipient anticipates it will accrue by the time of the submission of its audited financial statements; and the recipient's plan for disposing of the excess fund balance. Upon the submission of its annual audited financial statements, the recipient must submit updated information consistent with the requirements of paragraph (a) of this section to confirm the actual fund balance to be retained.

(e) The Corporation's written approval of a request for a waiver shall require that the recipient use the funds it is permitted to retain within the time period set out in the approval and for the purposes approved by the Corporation.

(f) Excess fund balances approved by the Corporation for expenditure by a recipient shall be separately reported by natural line item in the current fiscal year's audited financial statements. This may be done by establishing a separate fund or by providing a separate supplemental schedule as part of the audit report.

(g) The recipient shall promptly inform and seek guidance from the Corporation when it determines a need for any changes to the conditions on timing or purposes set out in the Corporation's written approval of a recipient's request for a waiver.

[65 FR 66642, Nov. 7, 2000, as amended at 80 FR 43968, July 24, 2015]

§ 1628.5 Fund balance deficits.

(a) Sound financial management practices such as those set out in Chapter 3 of the Corporation's Accounting Guide for LSC Recipients should preclude deficit spending. Use of current year LSC grant funds to liquidate deficit balances in the LSC fund from a preceding period requires the prior written approval of the Corporation.

(b) Within 30 days of the submission of the recipient's annual audit, the recipient may apply to the Corporation for approval of the expenses associated with the liquidation of the deficit balance in the LSC fund.

(c) In the absence of approval by the Corporation, expenditures of current year LSC grant funds to liquidate a deficit from a prior year shall be identified as questioned costs under 45 CFR part 1630.

(d) The recipient's request must specify the same information relative to the deficit LSC fund balance as that set forth in §1628.4(a)(1) and (2). Additionally, the recipient must develop and submit a plan approved by its governing body describing the measures which will be implemented to prevent a recurrence of a deficit balance in the LSC fund. The Corporation reserves the right to require changes in the submitted plan.

(e) The decision of the Corporation regarding acceptance of these deficit-related costs shall be guided by the statutory mandate requiring the recipient to provide high quality legal services performed in an effective and economical manner. Special consideration will be given for emergencies, unusual occurrences, or other special circumstances giving rise to a deficit balance.

SOURCE: 82 FR 37180, Aug. 9, 2017, unless otherwise noted.

§ 1629.1 Purpose.

This part is intended to protect LSC funds by requiring that recipients be bonded or have similar insurance coverage to indemnify recipients against

losses resulting from fraudulent or dishonest acts committed by one or more employees, officers, directors, agents, volunteers, and third-party contractors who handle LSC funds.

§ 1629.2 Definitions.

Annualized funding level means the amount of:

(1) Basic Field Grant funds (including Agricultural Worker and Native American) and (2) Special grants of LSC funds, including Technology Initiative Grants, Pro Bono Innovation Fund grants, and emergency relief grants, awarded by LSC to the recipient for the fiscal year included in the recipient's annual audited financial statements.

§ 1629.3 Who must be bonded?

(a) A recipient must supply fidelity bond coverage for all employees, officers, directors, agents, and volunteers.

(b) If a recipient uses a third party for payroll, billing, or collection services, the recipient must either supply coverage covering the third party or ensure that the third party has a fidelity bond or similar insurance coverage.

(c) For recipients with subgrants:

(1) The recipient must extend its fidelity bond coverage to supply identical coverage to the subrecipient and the subrecipient's directors, officers, employees, agents, and volunteers to the extent required to comply with this Part; or

(2) The subrecipient must supply proof of its own fidelity bond coverage that meets the requirements of this Part for the subrecipient's directors, officers, employees, agents, and volunteers.

§ 1629.4 What forms of bonds can recipients use?

(a) A recipient may use any form of bond, such as individual, name schedule, position schedule, blanket, or any combination of such forms of bonds, as long as the type or combination of bonds secured adequately protects LSC funds.

(b) A recipient may use similar forms of insurance that essentially fulfill the same purpose as a fidelity bond.

Legal Services Corporation

§ 1630.2

§ 1629.5 What losses must the bond cover?

The bond must provide recovery for loss caused by such acts as fraud, dishonesty, larceny, theft, embezzlement, forgery, misappropriation, wrongful abstraction, wrongful conversion, willful misapplication, or any other fraudulent or dishonest act committed by an employee, officer, director, agent, or volunteer.

§ 1629.6 What is the required minimum level of coverage?

(a) A recipient must carry fidelity bond coverage or similar coverage at a minimum level of at least ten percent of its annualized funding level for the previous fiscal year.

(b) If a recipient is a new recipient, the coverage must be at a minimum level of at least ten percent of the initial grant.

(c) Notwithstanding paragraphs (a) and (b) of this section, recipients must not carry coverage under this part at a level less than \$100,000.

§ 1629.7 Can LSC funds be used to cover bonding costs?

Costs of bonding required by this part are allowable if expended consistent with 45 CFR part 1630. Costs of bonding such as rates, deductibles, single loss retention, and premiums, are allowable as an indirect cost if such bonding is in accordance with sound business practice and is reasonable.

Subpart A—General Provisions

§ 1630.1 Purpose.

This part is intended to provide uniform standards for allowability of costs and to provide a comprehensive, fair, timely, and flexible process for the resolution of questioned costs.

§ 1630.2 Definitions.

As used in this part:

(a) *Corrective action* means action taken by a recipient that:

(1) Corrects identified deficiencies;

(2) Produces recommended improvements; or

(3) Demonstrates that audit or other findings are either invalid or do not warrant recipient action.

(b) *Derivative income* means income earned by a recipient from LSC-supported activities during the term of an LSC grant or contract, and includes, but is not limited to, income from fees for services (including attorney fee awards and reimbursed costs), sales and rentals of real or personal property, and interest earned on LSC grant or contract advances.

(c) *Disallowed cost* means those charges to an LSC award that LSC determines to be unallowable, in accordance with the applicable statutes, regulations, or terms and conditions of the grant award.

§ 1630.3

(d) *Final written decision* means either:

(1) The decision issued by the Vice President for Grants Management after reviewing all information provided by a recipient in response to a notice of questioned costs; or

(2) The notice of questioned costs if a recipient does not respond to the notice within 30 days of receipt.

(e) *Membership fees or dues* means payments to an organization on behalf of a program or individual to be a member thereof, or to acquire voting or participatory rights therein. *Membership fees or dues* include, but are not limited to, fees or dues paid to a state supreme court or to a bar organization acting as an administrative arm of the court or in some other governmental capacity if such fees or dues are required for an attorney to practice law in that jurisdiction.

(f) *Questioned cost* means a cost that LSC has questioned because of an audit or other finding that:

(1) There may have been a violation of a provision of a law, regulation, contract, grant, or other agreement or document governing the use of LSC funds;

(2) The cost is not supported by adequate documentation; or

(3) The cost incurred appears unnecessary or unreasonable and does not reflect the actions a prudent person would take in the circumstances.

(g) *Real estate* means land and buildings (including capital improvements), excluding moveable personal property.

(h) *Single purchase, single lease, and single contract* mean a single order or lease of goods or a single contract for services from a single vendor.

§ 1630.3 Time.

(a) *Computation.* In computing any period of time under this part, the time period begins the day following the event and includes the last day of the period, unless the last day is a Saturday, Sunday, or legal holiday observed by the Federal government. In those cases, the time period includes the next business day. When the prescribed time period is seven days or less, intermediate Saturdays, Sundays, and legal holidays shall be excluded from the computation.

45 CFR Ch. XVI (10–1–24 Edition)

(b) *Extensions.* A recipient may, within the applicable timeframe for a particular response under this part, submit a written request for an extension of time for good cause to LSC. LSC will respond to the request for extension within seven calendar days from the date of receiving the request. LSC may grant the request for extension and shall notify the recipient of its decision in writing.

§ 1630.4 Burden of proof.

The recipient shall have the burden of proof under this part.

Subpart B—Cost Standards and Prior Approval

§ 1630.5 Standards governing allowability of costs under LSC grants or contracts.

(a) *General criteria.* Expenditures are allowable under an LSC grant or contract only if the recipient can demonstrate that the cost was:

(1) Actually incurred in the performance of the grant or contract and the recipient was liable for payment;

(2) Reasonable and necessary for the performance of the grant or contract as approved by LSC;

(3) Allocable to the grant or contract;

(4) In compliance with the Act, applicable appropriations law, LSC rules, regulations, guidelines, and instructions, the Accounting Guide for LSC Recipients, the terms and conditions of the grant or contract, and other applicable law;

(5) Consistent with accounting policies and procedures that apply uniformly to both LSC-funded and non-LSC-funded activities;

(6) Accorded consistent treatment over time;

(7) Determined in accordance with generally accepted accounting principles; and

(8) Adequately and contemporaneously documented in business records accessible during normal business hours to LSC management, the Office of Inspector General, the General Accounting Office, and independent auditors or other audit organizations authorized to conduct audits of recipients.

(b) *Reasonable costs.* A cost is reasonable if, in its nature or amount, it does not exceed that which would be incurred by a prudent person under the same or similar circumstances prevailing at the time the decision was made to incur the cost. In determining the reasonableness of a given cost, consideration shall be given to:

(1) Whether the cost is of a type generally recognized as ordinary and necessary for the operation of the recipient or the performance of the grant or contract;

(2) The restraints or requirements imposed by such factors as generally accepted sound business practices, arms-length bargaining, Federal and State laws and regulations, and the terms and conditions of the grant or contract;

(3) Whether the recipient acted with prudence under the circumstances, considering its responsibilities to its clients and employees, the public at large, the Corporation, and the Federal government; and

(4) Significant deviations from the recipient's established practices, which may unjustifiably increase the grant or contract costs.

(c) *Allocable costs.* (1) A cost is allocable to a particular cost objective, such as a grant, project, service, or other activity, in accordance with the relative benefits received. Costs may be allocated to LSC funds either as direct or indirect costs according to the provisions of this section.

(2) A cost is allocable to an LSC grant or contract if it is treated consistently with other costs incurred for the same purpose in like circumstances and if it:

(i) Is incurred specifically for the grant or contract;

(ii) Benefits both the grant or contract and other work and can be distributed in reasonable proportion to the benefits received; or

(iii) Is necessary to the recipient's overall operation, although a direct relationship to any particular cost objective cannot be shown.

(3) Recipients must maintain accounting systems sufficient to demonstrate the proper allocation of costs to each of their funding sources.

(d) *Direct costs.* Direct costs are those that can be identified specifically with a particular grant award, project, service, or other direct activity of an organization. Costs identified specifically with grant awards are direct costs of the awards and are to be assigned directly thereto. Direct costs include, but are not limited to, the salaries and wages of recipient staff who are working on cases or matters that are identified with specific grants or contracts. Salary and wages charged directly to LSC grants and contracts must be supported by personnel activity reports.

(e) *Indirect costs.* Indirect costs are those that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective. A recipient may treat any direct cost of a minor amount as an indirect cost for reasons of practicality where the accounting treatment for such cost is consistently applied to all final cost objectives. Indirect costs include, but are not limited to, the costs of operating and maintaining facilities, and the costs of general program administration, such as the salaries and wages of program staff whose time is not directly attributable to a particular grant or contract. Such staff may include, but are not limited to, executive officers and personnel, accounting, secretarial and clerical staff.

(f) *Allocation of indirect costs.* Where a recipient has only one major function, *i.e.*, the delivery of legal services to low-income clients, allocation of indirect costs may be by a simplified allocation method, whereby total allowable indirect costs (net of applicable credits) are divided by an equitable distribution base and distributed to individual grant awards accordingly. The distribution base may be total direct costs, direct salaries and wages, attorney hours, numbers of cases, numbers of employees, or another base which results in an equitable distribution of indirect costs among funding sources.

(g) *Exception for certain indirect costs.* Some funding sources may refuse to allow the allocation of certain indirect costs to an award. In such instances, a recipient may allocate a proportional share of another funding source's share

§ 1630.6

of an indirect cost to LSC funds, provided that the activity associated with the indirect cost is permissible under the LSC Act, LSC appropriations statutes, and regulations.

(h) *Applicable credits.* Applicable credits are those receipts or reductions of expenditures which operate to offset or reduce expense items that are allocable to grant awards as direct or indirect costs. Applicable credits include, but are not limited to, purchase discounts, rebates or allowances, recoveries or indemnities on losses, insurance refunds, and adjustments of overpayments or erroneous charges. To the extent that such credits relate to allowable costs, they shall be credited as a cost reduction or cash refund in the same fund to which the related costs are charged.

(i) *Fundraising.* Costs associated with fundraising for the purpose of increasing recipient funds available to carry out the purposes of the LSC grant are allowable and allocable to the LSC grant if they meet the requirements of this section.

(j) *Guidance.* The regulations of the Office of Management and Budget shall provide guidance for all allowable cost questions arising under this part when relevant policies or criteria therein are not inconsistent with the provisions of the Act, applicable appropriations law, this part, the Accounting Guide for LSC Recipients, LSC rules, regulations, guidelines, instructions, and other applicable law.

§ 1630.6 Prior approval.

(a) *Advance understandings.* Under any given grant award, the reasonableness and allocability of certain cost items may be difficult to determine. To avoid subsequent disallowance or dispute based on unreasonableness or nonallocability, a recipient may seek a written understanding from LSC in advance of incurring special or unusual costs. If a recipient elects not to seek an advance understanding from LSC, the absence of an advance understanding on any element of a cost will not affect the reasonableness or allocability of the cost.

(b) *Costs requiring prior approval.* (1) Without LSC's prior written approval, a recipient may not expend \$25,000 or

45 CFR Ch. XVI (10–1–24 Edition)

more of LSC funds on any of the following:

- (i) A single purchase or single lease of personal property;
- (ii) A single contract for services;
- (iii) A single combined purchase or lease of personal property and contract for services; and
- (iv) Capital improvements.

(2) Without LSC's prior written approval, a recipient may not expend LSC funds on a purchase of real estate.

(3) For costs apportioned between LSC funds and one or more other funding sources, this requirement applies when the cost allocable to LSC funds is \$25,000 or greater.

(4) The process and substantive requirements for requests for prior approval are in 45 CFR part 1631—Purchasing and Property Management.

(c) *Duration.* LSC's advance understanding or approval shall be valid for one year, or for a greater period of time which LSC may specify in its approval or advance understanding.

[82 FR 37337, Aug. 10, 2017; 82 FR 55053, Nov. 20, 2017]

§ 1630.7 Membership fees or dues.

(a) LSC funds may not be used to pay membership fees or dues to any private or nonprofit organization, whether on behalf of the recipient or an individual.

(b) Paragraph (a) of this section does not apply to the payment of membership fees or dues mandated by a governmental organization to engage in a profession, or to the payment of membership fees or dues from non-LSC funds.

§ 1630.8 Contributions.

Any contributions or gifts of LSC funds to another organization or to an individual are prohibited.

§ 1630.9 Tax-sheltered annuities, retirement accounts, and penalties.

No provision contained in this part shall be construed to affect any payment by a recipient on behalf of its employees for the purpose of contributing to or funding a tax-sheltered annuity, retirement account, or pension fund.

Legal Services Corporation

§ 1630.12

§ 1630.10 Recipient policies, procedures, and recordkeeping.

Each recipient must adopt written policies and procedures to guide its staff in complying with this subpart and must maintain records sufficient to document the recipient's compliance with this subpart.

Subpart C—Questioned Cost Proceedings

§ 1630.11 Review of questioned costs.

(a) LSC may identify questioned costs:

(1) When the Office of Inspector General, the General Accounting Office, or an independent auditor or other audit organization authorized to conduct an audit of a recipient has identified and referred a questioned cost to LSC;

(2) In the course of its oversight of recipients; or

(3) As a result of complaints filed with LSC.

(b) If LSC determines that there is a basis for disallowing a questioned cost, LSC must provide the recipient with written notice of its intent to disallow the cost. The notice of questioned costs must state the amount of the cost and the factual and legal basis for disallowing it.

(c) If a questioned cost is disallowed solely because it is excessive, only the amount that is larger than reasonable shall be disallowed.

(d)(1) Within 30 days of receiving the notice of questioned costs, the recipient may respond with written evidence and argument to show that the cost was allowable, or that LSC, for equitable, practical, or other reasons, should not recover all or part of the amount, or that the recovery should be made in installments.

(2) The written notice shall become LSC's final written decision unless:

(i) The recipient responds to LSC's written notice within 30 days;

(ii) The recipient requests an extension of time pursuant to § 1630.3(b) within 30 days; or

(iii) LSC grants an extension of time pursuant to § 1630.3(b) within 30 days.

(e) Within 60 days of receiving the recipient's written response to the notice of questioned costs, LSC management must issue a final written decision

stating whether the cost has been disallowed and the reasons for the decision.

(f) If LSC has determined that the questioned cost should be disallowed, the final written decision must:

(1) State that the recipient may appeal the decision as provided in § 1630.12 and describe the process for seeking an appeal;

(2) Describe how it expects the recipient to repay the cost, including the method and schedule for collection of the amount of the cost;

(3) State whether LSC is requiring the recipient to make financial adjustments or take other corrective action to prevent a recurrence of the circumstances giving rise to the disallowed cost.

§ 1630.12 Appeals to the president.

(a)(1) If the amount of a disallowed cost exceeds \$2,500, the recipient may appeal in writing to LSC's President within 30 days of receiving LSC's final written decision to disallow the cost. The recipient should state in detail the reasons why LSC should not disallow part or all of the questioned cost.

(2) If the recipient did not respond to LSC's notice of questioned costs and the notice became LSC's final written decision pursuant to § 1630.11(d)(2), the recipient may not appeal the final written decision.

(b) If the President has had prior involvement in the consideration of the disallowed cost, the President shall designate another senior LSC employee who has not had prior involvement to review the recipient's appeal. In circumstances where the President has not had prior involvement in the disallowed cost proceeding, the President has discretion to designate another senior LSC employee who also has not had prior involvement in the proceeding to review the appeal.

(c) Within 30 days of receiving the recipient's written appeal, the President or designee will adopt, modify, or reverse LSC's final written decision.

(d) The decision of the President or designee shall be final and shall be based on the written record, consisting of LSC's notice of questioned costs, the

§ 1630.13

recipient's response, LSC's final written decision, the recipient's written appeal, any additional response or analysis provided to the President or designee by LSC staff, and the relevant findings, if any, of the Office of Inspector General, General Accounting Office, or other authorized auditor or audit organization. Upon request, LSC shall provide the recipient with a copy of the written record.

§ 1630.13 Recovery of disallowed costs and other corrective action.

(a) LSC will recover any disallowed costs from the recipient within the time limits and conditions set forth in either LSC's final written decision or the President's decision on an appeal. Recovery of the disallowed costs may be in the form of a reduction in the amount of future grant checks or in the form of direct payment from you to LSC.

(b) LSC shall ensure that a recipient who has incurred a disallowed cost takes any additional necessary corrective action within the time limits and conditions set forth in LSC's final written decision or the President's decision.

§ 1630.14 Other remedies; effect on other parts.

(a) In cases of serious financial mismanagement, fraud, or defalcation of funds, LSC shall refer the matter to the Office of Inspector General and may take appropriate action pursuant to parts 1606, 1623, and 1640 of this chapter.

(b) The recovery of a disallowed cost according to the procedures of this part does not constitute a permanent reduction in a recipient's annualized funding level, nor does it constitute a limited reduction of funding or termination of financial assistance under part 1606, or a suspension of funding under part 1623 of this chapter.

§ 1630.15 Applicability to subgrants.

When disallowed costs arise from expenditures incurred under a subgrant of LSC funds, the recipient and the subrecipient will be jointly and severally responsible for the actions of the subrecipient, as provided by 45 CFR part 1627, and will be subject to all

45 CFR Ch. XVI (10–1–24 Edition)

remedies available under this part. Both the recipient and the subrecipient shall have access to the review and appeal procedures of this part.

§ 1630.16 Applicability to non-LSC funds.

(a) No cost may be charged to non-LSC funds in violation of 45 CFR 1610.3 or 1610.4.

(b) LSC may recover from a recipient's LSC funds an amount not to exceed the amount improperly charged to non-LSC funds. The review and appeal procedures of §§ 1630.11 and 1630.12 govern any decision by LSC to recover funds under this paragraph.

[85 FR 63216, Oct. 7, 2020]

§ 1630.17 Applicability to derivative income.

(a) Derivative income resulting from an activity supported in whole or in part with LSC funds shall be allocated to the fund in which the recipient's LSC grant is recorded in the same proportion that the amount of LSC funds expended bears to the total amount expended by the recipient to support the activity.

(b) Derivative income allocated to the LSC fund in accordance with paragraph (a) of this section is subject to the requirements of this part.

Subpart D—Closeout Procedures

§ 1630.18 Applicability.

This subpart applies when a recipient of LSC funds:

(a) Ceases to exist as a legal entity, including merging or consolidating functions with another LSC recipient when the other recipient becomes the LSC recipient for the service area; or

(b) Otherwise ceases to receive funds directly from LSC. This may include voluntary termination by the recipient or involuntary termination by LSC of the recipient's LSC grant, and may occur at the end of a grant term or during the grant term.

§ 1630.19 Closeout plan; timing.

(a) A recipient must provide LSC with a plan for the orderly conclusion of the recipient's role and responsibilities. LSC will maintain a list of the

Legal Services Corporation

Pt. 1631

required elements for the closeout plan on its Web site. LSC will provide recipients with a link to the list in the grant award documents.

(b)(1) A recipient must notify LSC no less than 60 days prior to any of the above events, except for an involuntary termination of its LSC grant by LSC. The recipient must submit the closeout plan described in paragraph (a) of this section at the same time.

(2) If LSC terminates a recipient's grant, the recipient must submit the closeout plan described in paragraph (a) of this section within 15 days of being notified by LSC that it is terminating the recipient's grant.

§ 1630.20 Closeout costs.

(a) The recipient must submit to LSC a detailed budget and timeline for all closeout procedures described in the closeout plan. LSC must approve the budget, either as presented or after negotiations with the recipient, before the recipient may proceed with implementing the budget, timeline, and plan.

(b) LSC will withhold funds for all closeout expenditures, including costs for the closing audit, all staff and consultant services needed to perform closeout activities, and file storage and retention.

(c) LSC will release any funding installments that the recipient has not received as of the date it notified LSC of a merger, change in status, or voluntary termination or that LSC notified the recipient of an involuntary termination of funding only upon the recipient's satisfactory completion of all closeout obligations.

§ 1630.21 Returning funds to LSC.

(a) *Excess fund balance.* If the recipient has an LSC fund balance after the termination of funding and closeout, the recipient must return the full amount of the fund balance to LSC at the time it submits the closing audit to LSC.

(b) *Derivative income.* Any attorneys' fees claimed or collected and retained by the recipient after funding ceases that result from LSC-funded work performed during the grant term are derivative income attributable to the LSC grant. Such derivative income

must be returned to LSC within 15 days of the date on which the recipient receives the income.

Subpart A—General Provisions

§ 1631.1 Purpose.

The purpose of this part is to set standards for purchasing, leasing, using, and disposing of LSC-funded personal property and real estate and using LSC funds to contract for services.

§ 1631.2 Definitions.

As used in this part:

(a) *Capital improvement* means spending more than \$25,000 of LSC funds to improve real estate through construction or the addition of fixtures that become an integral part of real estate.

(b) *LSC property interest agreement* means a formal written agreement between the recipient and LSC establishing the terms of LSC's legal interest in real estate purchased with LSC funds.

(c) *Personal property* means property other than real estate.

(d) *Purchase* means buying personal property or real estate or contracting for services with LSC funds.

(e) *Quote* means a quotation or bid from a potential source interested in selling or leasing property or providing services to a recipient.

(f) *Real estate* means land and buildings (including capital improvements), excluding moveable personal property.

(g)(1) *Services* means professional and consultant services rendered by persons who are members of a particular profession or possess a special skill and who are not officers or employees of an LSC recipient. *Services* includes, but is not limited to intangible products such as accounting, banking, cleaning, consultants, training, expert services, maintenance of equipment, and transportation.

(2) *Services* does not include:

(1) To sell or lease property to the recipient through a purchase or lease agreement; or

(2) To provide services to the recipient through a contract.

§ 1631.3 Prior approval process.

(a) LSC shall grant prior approval of a cost listed in §1630.6(b) of this chapter if the recipient has provided sufficient written information to demonstrate that the cost would be consistent with the standards and policies of this part. LSC may request additional information if necessary to make a decision on the recipient's request.

(b)(1) For purchases or leases of personal property, contracts for services, and capital improvements, LSC will make a decision to approve or deny a request for prior approval within 30 days of receiving materials LSC deems sufficient to decide. LSC will inform a recipient within 20 days of receiving the initial prior approval request whether LSC needs additional information to make a decision.

(2) For purchases of real estate, LSC will make a decision within 60 days of receiving materials LSC deems sufficient to decide. LSC will inform a recipient within 20 days of receiving the initial prior approval request whether LSC needs additional information to make a decision.

(3) If LSC cannot make a decision whether to approve the request within the allotted time, it will provide the requester with a date by which it expects to make a decision.

(c) If LSC denies a request for prior approval, LSC shall provide the recipient with a written explanation of the grounds for denying the request.

(d) *Exigent circumstances.* (1) A recipient may use more than \$25,000 of LSC funds to purchase personal property or award a contract for services without seeking LSC's prior approval if the purchase or contract is necessary;

(i) To avoid imminent harm to the recipient's personnel, physical facilities, or systems;

(ii) To remediate or mitigate damage to the recipient's personnel, physical facilities or systems;

(iii) To avoid disruption to the recipient's client-service delivery system (e.g., an event that causes a recipient's telecommunications system to cease functioning); or

(iv) To respond to a natural disaster (e.g., a flood washes out roads leading to the recipient's offices such that the recipient must contract for services that will enable it to contact its clients).

(2) The recipient must provide LSC with a description of the exigent circumstances and the information described in §1631.8(b) within 30 days after the circumstances necessitating the purchase or contract have ended.

§ 1631.4 Use of funds.

When LSC receives funds from a disposition of property under this section, LSC will use those funds to make emergency and other special grants to recipients. LSC generally will make such grants to the same service area as the returned funds originally supported.

§ 1631.5 Recipient policies, procedures, and recordkeeping.

Each recipient shall adopt written policies and procedures to guide its staff in complying with this part and shall maintain records sufficient to document the recipient's compliance with this part.

Subpart B—Procurement Policies and Procedures

§ 1631.6 Characteristics of procurements.

(a) Characteristics indicative of a procurement relationship between a recipient and another entity are when the other entity:

(1) Provides the goods and services within its normal business operations;

(2) Provides similar goods or services to many different purchasers;

(3) Normally operates in a competitive environment;

(4) Provides goods or services that are ancillary to the operation of the LSC grant; and

(5) Is not subject to LSC's compliance requirements as a result of the agreement, though similar requirements may apply for other reasons.

(b) In determining whether an agreement between a recipient and another entity constitutes a contract under this part or a subgrant under part 1627 of this chapter, the substance of the relationship is more important than the form of the agreement. All the characteristics above may not be present in all cases, and a recipient must use judgment in classifying each agreement as a subgrant or a contract.

§ 1631.7 Procurement policies and procedures.

Recipients must have written procurement policies and procedures. These policies must:

(a) Identify competition thresholds that establish the basis (for example, price, risk level, or type of purchase) for the level of competition required at each threshold (for example, certification that a purchase reflects the best value to the recipient; a price comparison for alternatives that the recipient considered; or requests for information, quotes, or proposals);

(b) Establish the grounds for non-competitive purchases;

(c) Establish the level of documentation necessary to justify procurements. The level of documentation needed may be proportional to the nature of the purchase or tied to competition thresholds;

(d) Establish internal controls that, at a minimum, provide for segregation

§ 1631.8

of duties in the procurement process, identify which employees, officers, or directors who have authority to make purchases for the recipient, and identify procedures for approving purchases;

(e) Establish procedures to ensure quality and cost control in purchasing, including procedures for selecting sources, fair and objective criteria for selecting sources; and

(f) Establish procedures for identifying and preventing conflicts of interest in the purchasing process.

§ 1631.8 Requests for prior approval.

(a) As required by 45 CFR 1630.6 and 1631.3, a recipient using more than \$25,000 of LSC funds to purchase or lease personal property or contract for services must request and receive LSC's prior approval.

(b) A request for prior approval must include:

(1) A statement of need;

(2) A copy of the recipient's procurement policy; and

(3) Documentation showing that the recipient followed its procurement policies and procedures in soliciting, reviewing, and approving the purchase, lease, or contract for services.

§ 1631.9 Applicability of part 1630 of this chapter.

All purchases and leases of personal property and contracts for services made with LSC funds must comply with the provisions of 45 CFR part 1630 (Cost Standards and Procedures).

Subpart C—Personal Property Management

§ 1631.10 Use of property in compliance with LSC's statutes and regulations.

(a) A recipient may use personal property purchased or leased, in whole or in part, with LSC funds primarily to deliver legal services to eligible clients under the requirements of the LSC Act, applicable appropriations acts, and LSC regulations.

(b) A recipient may use personal property purchased or leased, in whole or in part, with LSC funds for the performance of an LSC grant or contract for other activities, if such other ac-

45 CFR Ch. XVI (10–1–24 Edition)

tivities do not interfere with the performance of the LSC grant or contract.

(c) If a recipient uses personal property purchased or leased, in whole or in part, with LSC funds to provide services to an organization that engages in activity restricted by the LSC Act, LSC regulations, or other applicable law, the recipient must charge the organization a fee no less than that which private nonprofit organizations in the same area charge for the same services under similar conditions.

§ 1631.11 Intellectual property.

(a) A recipient owns all products, technologies, and software developed or improved using LSC funds, subject to any agreement the recipient may have with a third-party vendor. LSC retains a royalty-free, nonexclusive, and irrevocable license to use, reproduce, distribute, publish, and prepare derivative works of any LSC-funded products, technologies, and software, including making them available to other LSC grantees or the broader access to justice community and partners.

(b) A recipient must have a written contract with vendors who develop or improve LSC-funded products, technologies, and software. The contract must include a provision disclosing LSC's royalty-free, nonexclusive, and irrevocable license and prohibiting third-party vendors from denying its existence, challenging its legality, or interfering with LSC's full exercise of it.

§ 1631.12 Disposing of personal property purchased with LSC funds.

(a) *Disposal by LSC recipients.* During the term of an LSC grant or contract, a recipient may dispose of personal property purchased with LSC funds by:

(1) Trading in the personal property when it acquires replacement property;

(2) Selling or otherwise disposing of the personal property with no further obligation to LSC when the fair market value of the personal property is negligible;

(3) Where the current fair market value of the personal property is \$15,000 or less, selling the property at a reasonable negotiated price, without advertising;

Legal Services Corporation

§ 1631.14

(4) Where the current fair market value of the personal property exceeds \$15,000, advertising the property for 14 days and selling the property after receiving reasonable offers. If the recipient receives no reasonable offers after advertising the property for 14 days, it may sell the property at a reasonable negotiated price;

(5) Transferring the property to another recipient of LSC funds; or

(6) With the approval of LSC, transferring the personal property to another nonprofit organization serving the poor in the same service area.

(b) *Disposal when no longer a recipient.* When a recipient stops receiving LSC funds, it must obtain LSC's approval to dispose of personal property purchased with LSC funds in one of the following ways:

(1) Transferring the property to another recipient of LSC funds, in which case the former recipient will be entitled to compensation in the amount of the percentage of the property's current fair market value that is equal to the percentage of the property's purchase cost borne by non-LSC funds;

(2) Transferring the property to another nonprofit organization serving the poor in the same service area, in which case LSC will be entitled to compensation from the recipient for the percentage of the property's current fair market value that is equal to the percentage of the property's purchase cost borne by LSC funds;

(3) Selling the property and retaining the proceeds from the sale after compensating LSC for the percentage of the property's current fair market value that is equal to the percentage of the property's purchase cost borne by LSC funds; or

(4) Retaining the property, in which case LSC will be entitled to compensation from the recipient for the percentage of the property's current fair market value that is equal to that percentage of the property's purchase cost borne by LSC funds.

(c) *Disposal upon merger with or succession by another LSC recipient.* When a recipient stops receiving LSC funds because it merged with or is succeeded by another grantee, the recipient may transfer the property to the new recipient, if the two entities execute an LSC-

approved successor in interest agreement that requires the new recipient to use the property primarily to provide legal services to eligible clients under the requirements of the LSC Act, applicable appropriations acts, and LSC regulations.

(d) *Prohibition.* A recipient may not dispose of personal property by sale, donation, or other transfer of the property to its board members or employees.

§ 1631.13 Use of derivative income from sale of personal property purchased with LSC funds.

(a) During the term of an LSC grant or contract, a recipient may retain and use income from any sale of personal property purchased with LSC funds according to 45 CFR 1630.17 (Cost Standards and Procedures: Applicability to derivative income) and 45 CFR 1628.3 (Recipient Fund Balances: Policy).

(b) The recipient must account for income earned from the sale, rent, or lease of personal property purchased with LSC funds according to the requirements of 45 CFR 1630.17.

(a) *Pre-purchase planning requirements.* (1) Before purchasing real estate with LSC funds, a recipient must conduct an informal market survey and evaluate at least three potential equivalent properties.

(2) When a recipient evaluates potential properties, it must consider:

(i) The average annual cost of the purchase, including the costs of a down payment, interest and principal payments on a mortgage financing the purchase; closing costs; renovation costs; and the costs of utilities, maintenance, and taxes, if any;

(ii) The estimated total costs of buying and using the property throughout the mortgage term compared to the estimated total costs of leasing and using a similar property over the same period of time;

(iv) Whether the property is conducive to delivering legal services (e.g.

§ 1631.15

(3) If a recipient cannot evaluate three potential properties, it must be able to explain why such evaluation was not possible.

(b) *Prior approval.* Before a recipient may purchase real estate with LSC funds, LSC must approve the purchase as required by 45 CFR 1630.6 and 1631.3. The request for approval must be in writing and include:

(1) A statement of need, including:

(i) The information obtained and considered in paragraph (a) of this section;

(iv) Why purchasing real estate is reasonable and necessary to performing the LSC grant.

(2) A brief analysis comparing:

(i) The estimated average annual cost of the purchase including the costs of a down payment, interest and principal payments on a mortgage financing the purchase; closing costs; renovation costs; and the costs of utilities, maintenance, and taxes, if any; and

(3) Anticipated financing of the purchase, including:

(i) The estimated total acquisition costs, including capital improvements, taxes, recordation fees, maintenance costs, insurance costs, and closing costs;

(iii) The monthly amount of principal and interest payments on debt secured to finance the purchase, if any;

(4) A current, independent appraisal sufficient to secure a mortgage;

(5) A comparison of available loan terms considered by the recipient before selecting the chosen financing method;

(6) Board approval of the purchase in either a board resolution or board min-

utes, including Board approvals that are contingent on LSC's approval;

(7) Whether the property will replace or supplement existing program offices;

(8) A statement that the property

(i) Currently complies with the Americans with Disabilities Act (ADA) or applicable state law, whichever is stricter, and 45 CFR 1624.5; or

(ii) Will comply with the ADA, any applicable state law, and 45 CFR 1624.5 upon completion of any necessary capital improvements. Such improvements must be completed within 60 days of the date of purchase; and

(9) A copy of a purchase agreement, contract, or other document containing a description of the property and the terms of the purchase.

(c) *Property interest agreement.* Once LSC approves the purchase, the recipient must enter a written property interest agreement with LSC. The agreement must include:

(1) The recipient's agreement to use the property consistent with § 1631.15;

(2) The recipient's agreement to record, under appropriate state law, LSC's interest in the property;

(3) The recipient's agreement not to encumber the property without prior LSC approval; and

§ 1631.15 Capital improvements.

(a) As required by 45 CFR 1630.6 and 1631.3, a recipient must obtain LSC's prior written approval before using more than \$25,000 LSC funds to make capital improvements to real estate.

(b) The written request must include:

(1) A statement of need;

(2) A brief description of the nature of the work to be done, the name of the sources performing the work, and the total expected cost of the improvement; and

(3) Documentation showing that the recipient followed its procurement policies and procedures in competing, selecting, and awarding contracts to perform the work.

(c) A recipient must maintain supporting documentation to accurately identify and account for any use of

LSC funds to make capital improvements to real estate owned by the recipient.

Subpart E—Real Estate Management

§ 1631.16 Using real estate purchased with LSC funds.

(a) Recipients must use real estate purchased or leased in whole or in part with LSC funds to deliver legal assistance to eligible clients consistent with the requirements of the LSC Act, applicable appropriations acts, other applicable Federal law, and LSC's regulations. If a recipient does not need to use some or all such real estate to deliver legal assistance to eligible clients, it may use the space for other activities as described in paragraphs (b) and (c) of this section.

(b) A recipient may use real estate purchased or leased, in whole or part, with LSC funds for the performance of an LSC grant or contract for other activities, if they do not interfere with the performance of the LSC grant or contract.

(c) If a recipient uses real estate purchased or leased, in whole or part, with LSC funds to provide space to an organization that engages in activity restricted by the LSC Act, applicable appropriations acts, LSC regulations, or other applicable law, the recipient must charge the organization rent no less than that which private nonprofit organizations in the same area charge for the same amount of space under similar conditions.

(2) Contains an endorsement identifying LSC as a loss payee to be reimbursed if the title fails.

(3) If no endorsement naming LSC as loss payee is made, the recipient must pay LSC the title insurance proceeds it receives in the event of a failure.

The recipient must maintain this policy for the period of time that the recipient owns the real estate.

§ 1631.19 Accounting and reporting to LSC.

A recipient must maintain an accounting of the amount of LSC funds relating to the purchase or maintenance of real estate purchased with LSC funds. (b) *Disposal after a recipient no longer receives LSC funding.* When a recipient

§ 1631.21

who owns real estate purchased with LSC funds stops receiving LSC funds, it must seek LSC's prior written approval to dispose of the property in one of the following ways:

(4) When a recipient stops receiving LSC funds because it merged with or is succeeded by another recipient, it may transfer the property to the new recipient. The two entities must execute an LSC-approved successor in interest agreement that requires the transferee to use the property primarily to provide legal services to eligible clients under the requirements of the LSC Act, applicable appropriations acts, and LSC regulations.

§ 1634.1 Purpose.

(c) Encourage ongoing improvement of performance by recipients in providing high quality legal services to eligible clients;

(e) Minimize disruptions in the delivery of legal services to eligible clients within a service area during a transition to a new provider.

§ 1634.2 Definitions.

The Corporation may award more than one grant or contract to provide legal assistance to eligible clients or a subpopulation of eligible clients within a service area only when the Corporation determines that it is necessary to award more than one such grant or contract in order to ensure that all eligible clients within the service area will have access to a full range of high quality legal services in accordance with the LSC Act or other applicable law.

(e) In no event may the Corporation award a grant or contract for a term longer than five years. The amount of funding provided annually under each such grant or contract is subject to changes in congressional appropriations or restrictions on the use of those funds by the Corporation. A reduction in a recipient's annual funding required as a result of a change in the law or a reduction in funding appropriated to the Corporation shall not be considered a termination or denial of refunding under parts 1606 or 1625 of this chapter.

§ 1634.4 Announcement of competition.

(a) The Corporation shall give public notice that it intends to award a grant or contract for a service area on the basis of a competitive bidding process, shall take appropriate steps to announce the availability of such a grant or contract in the periodicals of State and local bar associations, and shall publish a notice of the Request For Proposals (RFP) in at least one daily newspaper of general circulation in the area to be served under the grant or contract. In addition, the Corporation shall notify current recipients, other bar associations, and other interested groups within the service area of the availability of the grant or contract and shall conduct such other outreach as the Corporation determines to be appropriate to ensure that interested parties are given an opportunity to participate in the competitive bidding process.

(b) The Corporation shall issue an RFP which shall include information regarding: who may apply, application procedures, the selection process, selection criteria, the service areas that will be the subject of the competitive bidding process, the amount of funding available for the service area, if known, applicable timetables and deadlines, and the LSC Act, regulations, guidelines and instructions and any other applicable federal law. The RFP may also include any other information that the Corporation determines to be appropriate.

(c) The Corporation shall make a copy of the RFP available to any person, group or entity that requests a copy in accordance with procedures established by the Corporation.

§ 1634.5 Identification of qualified applicants for grants and contracts.

(a) The following persons, groups and entities are qualified applicants who may submit a notice of intent to compete and an application to participate in the competitive bidding process:

- (1) Current recipients;

- (4) State or local governments;
- (5) Substate regional planning and coordination agencies which are composed of substate areas and whose governing boards are controlled by locally elected officials.

(b) All persons, groups and entities listed in paragraph (a) of this section must have a governing or policy body consistent with the requirements of part 1607 of this chapter or other law that sets out requirements for recipients' governing bodies, unless such governing body requirements are inconsistent with applicable law.

§ 1634.6

(c) Applications may be submitted jointly by more than one qualified applicant so long as the application delineates the respective roles and responsibilities of each qualified applicant.

§ 1634.6 Notice of intent to compete.

(a) In order to participate in the competitive bidding process, an applicant must submit a notice of intent to compete on or before the date designated by the Corporation in the RFP. The Corporation may extend the date if necessary to take account of special circumstances or to permit the Corporation to solicit additional notices of intent to compete.

(b) At the time of the filing of the notice of intent to compete, each applicant must provide the Corporation with the following information as well as any additional information that the Corporation determines is appropriate:

§ 1634.7 Application process.

The date shall afford applicants adequate opportunity, after filing the notice of intent to compete, to complete the application process. The Corporation may extend the application date if necessary to take account of special circumstances.

(b) The application shall be submitted in a form to be determined by the Corporation.

(c) A completed application shall include all of the information requested by the RFP. It may also include any additional information needed to fully address the selection criteria, and any other information requested by the Corporation. Incomplete applications will not be considered for awards by the Corporation.

45 CFR Ch. XVI (10–1–24 Edition)

(d) The Corporation shall establish a procedure to provide notification to applicants of receipt of the application.

§ 1634.8 Selection process.

(2) Request from an applicant and review any additional information that the Corporation determines is appropriate to evaluate the application fully;

(3) Conduct one or more on-site visits to an applicant if the Corporation determines that such visits are appropriate to evaluate the application fully;

(4) Summarize in writing information regarding the applicant that is not contained in the application if appropriate for the review process; and

(5) Convene a review panel unless there is only one applicant for a particular service area and the Corporation determines that use of a review panel is not appropriate. The review panel shall:

(i) Review the applications and the summaries prepared by the Corporation staff. The review panel may request other information identified by the Corporation as necessary to evaluate the applications fully; and

(ii) Make a written recommendation to the Corporation regarding the award of grants or contracts from the Corporation for a particular service area.

(6) After considering the recommendation made by the review panel, if a review panel was convened, make a staff recommendation to the President. The staff recommendation shall include the recommendation of the review panel and, if the staff recommendation differs from that of the review panel, an explanation of the basis for the difference in the recommendations.

Legal Services Corporation

§ 1634.10

(b) After reviewing the written recommendations, the President shall select the applicants to be awarded grants or contracts from the Corporation and the Corporation shall notify each applicant in writing of the President's decision regarding each applicant's application.

(c) In the event that there are no applicants for a service area or that the Corporation determines that no applicant meets the criteria and therefore determines not to award a grant or contract for a particular service area, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in that service area. The Corporation shall have discretion to determine how legal assistance is to be provided to the service area, including, but not limited to, enlarging the service area of a neighboring recipient, putting a current recipient on month-to-month funding or entering into a short term, interim grant or contract with another qualified provider for the provision of legal assistance in the service area until the completion of a competitive bidding process within a reasonable period of time.

§ 1634.9 Selection criteria.

(a) The criteria to be used to select among qualified applicants shall include the following:

(1) Whether the applicant has a full understanding of the basic legal needs of the eligible clients in the area to be served;

(2) The quality, feasibility and cost-effectiveness of the applicant's legal services delivery and delivery approach in relation to the Corporation's Performance Criteria and the American Bar Association's Standards for Providers of Civil Legal Services to the Poor, as evidenced by, among other things, the applicant's experience with the delivery of the type of legal assistance contemplated under the proposal;

(3) Whether the applicant's governing or policy body meets or will meet all applicable requirements of the LSC Act, regulations, guidelines, instructions and any other requirements of law in accordance with a time schedule set out by the Corporation;

(4) The applicant's capacity to comply with all other applicable provisions

of the LSC Act, rules, regulations, guidelines and instructions, as well as with ethical requirements and any other requirements imposed by law. Evidence of the applicant's capacity to comply with this criterion may include, among other things, the applicant's compliance experience with the Corporation or other funding sources or regulatory agencies, including but not limited to Federal or State agencies, bar associations or foundations, courts, IOLTA programs, and private foundations;

(5) The reputations of the applicant's principals and key staff;

(6) The applicant's knowledge of the various components of the legal services delivery system in the State and its willingness to coordinate with the various components as appropriate to assure the availability of a full range of legal assistance, including:

(ii) its knowledge of and willingness to cooperate with other legal services providers, community groups, public interest organizations and human services providers in the service area;

(7) The applicant's capacity to develop and increase non-Corporation resources;

(b) In selecting recipients of awards for grants or contracts under this part, the Corporation shall not grant any preference to current or previous recipients of funds from the Corporation.

§ 1634.10 Transition provisions.

(a) When the competitive bidding process results in the award of a grant or contract to an applicant, other than

§ 1634.11

the current recipient, to serve the area currently served by that recipient, the Corporation—

(1) may provide, if the law permits, continued funding to the current recipient, for a period of time and at a level to be determined by the Corporation after consultation with the recipient, to ensure the prompt and orderly completion of or withdrawal from pending cases or matters or the transfer of such cases or matters to the new recipient or to other appropriate legal service providers in a manner consistent with the rules of ethics or professional responsibility for the jurisdiction in which those services are being provided; and

(2) shall ensure, after consultation with the recipient, the appropriate disposition of real and personal property purchased by the current recipient in whole or in part with Corporation funds consistent with the Corporation's policies.

(b) Awards of grants or contracts for legal assistance to any applicant that is not a current recipient may, in the Corporation's discretion, provide for incremental increases in funding up to the annualized level of the grant or contract award in order to ensure that the applicant has the capacity to utilize Corporation funds in an effective and economical manner.

§ 1634.11 Replacement of recipient that does not complete grant term.

In the event that a recipient is unable or unwilling to continue to perform the duties required under the terms of its grant or contract, the Corporation shall take all practical steps to ensure the continued provision of legal assistance in that service area. The Corporation shall have discretion to determine how legal assistance is to be provided to the service area, including, but not limited to, enlarging the service area of a neighboring recipient, putting a current recipient on month-to-month funding or entering into a short term, interim grant or contract with another qualified provider for the provision of legal assistance in the service area until the completion of a competitive bidding process within a reasonable period of time.

PART 1635—TIMEKEEPING REQUIREMENT

Sec.

1635.1 What is the purpose of this part?

1635.2 Definitions.

1635.3 Who is covered by the timekeeping requirement?

1635.4 What are LSC's timekeeping standards?

1635.5 Who outside the recipient has access to these records?

AUTHORITY: 42 U.S.C. 2996g(e).

SOURCE: 86 FR 27041, May 19, 2021, unless otherwise noted.

§ 1635.1 What is the purpose of this part?

This part is intended to improve recipient accountability for the use of all funds by:

(a) Assuring that allocations of direct costs to a recipient's LSC grant pursuant to 45 CFR part 1630 are supported by accurate records of the cases, matters, and supporting activities for which the funds have been expended;

(b) Enhancing the recipient's ability to determine the cost of specific functions; and

(c) Increasing the information available to LSC for assuring recipient compliance with Federal law and LSC rules and regulations.

§ 1635.2 Definitions.

As used in this part—

(a) *Case* means a form of program service in which a recipient employee provides legal assistance to one or more specific clients, including but not limited to providing representation in litigation, administrative proceedings, and negotiations, and such actions as advice, providing brief services, and transactional assistance.

(b)(1) *Case oversight* means a supervisor's review of a case for regulatory compliance, consistency with Case Service Report reporting rules, and

Legal Services Corporation

§ 1635.4

quality control purposes. Case oversight activities include, but are not limited to, review of file for retainer, citizenship attestation or documentation of eligible non-citizen status, and documentation of financial eligibility determination; review of closing codes; and review of advice provided or pleadings filed.

(2) *Case oversight* activities may be counted as case activity when the supervisor conducts extended review of the substantive legal advice provided in the case. *Case oversight* activities may be reported as a supporting activity when it represents the aggregate of a supervisor's time spent doing brief review of a large number of cases.

(c) *Matter* means an action that contributes to the overall delivery of program services but does not involve direct legal advice to or legal representation of one or more specific clients. Examples of matters include both direct services, such as community education presentations, operating pro se clinics, providing information about the availability of legal assistance, and developing written materials explaining legal rights and responsibilities; and indirect services, such as training, continuing legal education, supervision of program services, preparing and disseminating desk manuals, PAI recruitment, referral, intake when no case is undertaken, and tracking substantive law developments.

(d) *Restricted activities* means those activities that recipients may not engage in pursuant to 45 CFR part 1610.

(e) *Supporting activity* means any action that is not a case or matter.

§ 1635.3 Who is covered by the timekeeping requirement?

Any attorney, paralegal, or other recipient employee who performs work that is charged to one or more awards as a direct cost (as defined in 45 CFR 1630.5(d)) must keep time according to the standards set forth in § 1635.4.

§ 1635.4 What are LSC's timekeeping standards?

(a) Recipients must base allocations of salaries and wages on records that accurately reflect the work performed. These records must:

(1) Be supported by a system of internal control which provides reasonable assurance that the charges are accurate, allowable, and properly allocated;

(2) Be incorporated into the recipient's official records by no later than the end of the employee's pay period, generally every two weeks;

(3) Reflect the total activity for which the recipient compensates the employee;

(4) Encompass within the grantee's case management system both LSC-funded and all other direct cost activities compensated by the recipient, but may include the use of subsidiary records as defined in the recipient's written policies;

(5) Comply with the recipient's established accounting policies and practices;

(6) Support the distribution of the employee's salary or wages among specific activities or cost objectives if the employee works on more than one award or an indirect cost activity and a direct cost activity;

(7) Contain

(i) For cases, a unique client name or case number, the amount of time spent on the case, a description of the activities performed, and the dates on which a recipient employee worked on the case;

(ii) For matters or supporting activities, the amount of time and type of activity on which a recipient employee spent time and sufficient information to link the activity to a specific award or indirect cost amount. For example, if a recipient employee conducts a legal information session on filing a pro se divorce petition, the employee could record "pro se divorce group information session, 1.5 hours."

(b) In accordance with Department of Labor regulations implementing the Fair Labor Standards Act (FLSA) (29 CFR part 516), charges for the salaries and wages of nonexempt employees, in addition to the supporting documentation described in this section, must also be supported by records indicating the total number of hours worked each day.

(c) Salaries and wages of employees used in meeting cost sharing or matching requirements of Federal awards must be supported in the same manner

§ 1635.5

as salaries and wages claimed for reimbursement from Federal awards.

(d) Recipients may establish the increments of time for which employees must record their activities (*e.g.*, .25 hours, one-sixth of an hour). LSC recommends that recipients require employees to record their time in increments no greater than one quarter of an hour.

(e)(1) Any recipient employee subject to this part who works part-time for the recipient and part-time for an organization that engages in restricted activities shall certify in writing that the employee has not engaged in restricted activity during any time for which the employee was compensated by the recipient or has not used recipient resources to carry out restricted activities.

(2) The certification requirement does not apply to a *de minimis* action related to a restricted activity. Actions consistent with the *de minimis* standard are those that meet all or most of the following criteria: Actions that are of little substance; require little time; are not initiated by the part-time employee; and, for the most part, are unavoidable. Employees shall make the required certification on a quarterly basis using a form determined by LSC.

§ 1635.5 Who outside the recipient has access to these records?

Recipients must make time records required by this section available for examination by auditors and representatives of LSC, and by any other person or entity statutorily entitled to access to such records. LSC shall not disclose any time record except to a Federal, State, or local law enforcement official or to an official of an appropriate bar association to enable such bar association official to investigate of an alleged violation of the rules of professional conduct.

(a) When a recipient files a complaint in a court of law or otherwise initiates or participates in litigation against a defendant, or before a recipient engages in pre-complaint settlement negotiations with a prospective defendant on behalf of a client who has authorized it to file suit in the event that the settlement negotiations are unsuccessful, it shall:

(1) Identify each plaintiff it represents by name in any complaint it files, or in a separate notice provided to the defendant against whom the complaint is filed where disclosure in the complaint would be contrary to law or court rules or practice, and identify each plaintiff it represents to prospective defendants in pre-litigation settlement negotiations, unless a court of competent jurisdiction has entered an order protecting the client from such disclosure based on a finding, after notice and an opportunity for a hearing on the matter, of probable, serious harm to the plaintiff if the disclosure is not prevented; and

(2) Prepare a dated written statement signed by each plaintiff it represents, enumerating the particular facts supporting the complaint, insofar as they are known to the plaintiff when the statement is signed.

(b) The statement of facts must be written in English and, if necessary, in a language other than English that the plaintiff understands.

(c) In the event of an emergency, where the recipient reasonably believes that delay is likely to cause harm to a significant safety, property or liberty

interest of the client, the recipient may proceed with the litigation or negotiation without a signed statement of facts, provided that the statement is prepared and signed as soon as possible thereafter.

§ 1636.3 Access to written statements.

(a) Written statements of facts prepared in accordance with this part are to be kept on file by the recipient and made available to the Corporation or to any Federal department or agency auditing or monitoring the activities of the recipient or to any auditor or monitor receiving Federal funds to audit or monitor on behalf of a Federal department or agency or on behalf of the Corporation.

(b) This part does not give any person or party other than those listed in paragraph (a) of this section any right of access to the plaintiff's written statement of facts, either in the lawsuit or through any other procedure. 1640.4 Violation of agreement.

AUTHORITY: 42 U.S.C. 2996e(g).

SOURCE: 80 FR 21656, Apr. 20, 2015, unless otherwise noted.

§ 1640.1 Purpose.

The purpose of this part is to ensure that recipients use their LSC funds in accordance with Federal law related to the proper use of Federal funds. This part also provides notice to recipients of the consequences of a violation of such Federal laws by a recipient, its employees or board members.

§ 1640.2 Applicable federal laws.

(a) LSC will maintain an exhaustive list of applicable Federal laws relating to the proper use of Federal funds on its Web site and provide recipients with a link to the list in the contractual agreement. The list may be modified with the approval of the Corporation's

§ 1640.3

Board of Directors at a public meeting. LSC will provide recipients with notice when the list is modified.

(b) For the purposes of this part and the laws referenced in paragraph (a) of this section, LSC is considered a Federal agency and a recipient's LSC funds are considered Federal funds provided by grant or contract.

§ 1640.3 Contractual agreement.

As a condition of receiving LSC funds, a recipient must enter into a written agreement with the Corporation that, with respect to its LSC funds, will subject the recipient to the applicable Federal laws relating to the proper use of Federal funds. The agreement must include a statement that all of the recipient's employees and board members have been informed of such Federal law and of the consequences of a violation of such law, both to the recipient and to themselves as individuals.

§ 1640.4 Violation of agreement.

(a) LSC will determine that a recipient has violated the agreement described in §1640.3 when the recipient has been convicted of, or judgment has been entered against the recipient for, a violation of an applicable Federal law relating to the proper use of Federal funds with respect to its LSC grant or contract, by the court having jurisdiction of the matter, and any appeals of the conviction or judgment have been exhausted or the time for appeal has expired.

(b) A violation of the agreement by a recipient based on recipient conduct will result in the Corporation terminating the recipient's LSC grant or contract without need for a termination hearing. While an appeal of a conviction or judgment is pending, the Corporation may take any necessary steps to safeguard its funds.

(c) LSC will determine that the recipient has violated the agreement described in §1640.3 when an employee or board member of the recipient has been convicted of, or judgment has been entered against the employee or board member for, a violation of an applicable Federal law relating to the proper use of Federal funds with respect to the recipient's grant or contract with LSC,

by the court having jurisdiction of the matter, and any appeals of the conviction or judgment have been exhausted or the time for appeal has expired, and the Corporation finds that the recipient has knowingly or through gross negligence allowed the employee or board member to engage in such activities.

(d) A violation of the agreement by the recipient based on employee or board member conduct will result in the Corporation terminating the recipient's LSC grant or contract. Prior to termination, the Corporation will provide notice and an opportunity to be heard for the sole purpose of determining whether the recipient knowingly or through gross negligence allowed the employee or board member to engage in the activities leading to the conviction or judgment. While an appeal of a conviction or judgment or a hearing is pending, the Corporation may take any necessary steps to safeguard its funds.

Subpart A—General

§ 1641.1 Purpose/Applicability.

In order to assist in ensuring that recipients receive acceptable audits, this part sets out the authority of the Legal Services Corporation (“LSC”) Office of Inspector General (“OIG”) to debar, suspend or remove independent public accountants (“IPAs”) from performing audit services for recipients. This rule informs IPAs of their rights to notice and an opportunity to be heard on actions involving debarment, suspension or removal, and the standards upon which such actions will be taken. This part applies to IPAs performing audit services for recipients, subrecipients or other entities which receive LSC funds and are required to have an audit performed in accordance with guidance promulgated by the OIG.

§ 1641.2 Definitions.

Adequate evidence means information sufficient to support the reasonable belief that a particular act or omission has occurred.

Audit services means the annual financial statement audit of a recipient, including an audit of the recipient’s financial statements, systems of internal control, and compliance with laws and regulations.

Contract means an agreement between a recipient and an IPA for an IPA to provide audit services to the recipient.

Conviction means a judgment or conviction of a criminal offense by any court, whether entered upon a verdict or plea, including but not limited to, pleas of *nolo contendere*.

Debarment means a decision by the debarring official to prohibit an IPA from soliciting or entering into new contracts to perform audit services for recipient(s) based upon a finding by a preponderance of the evidence that any of the causes for debarment set out in § 1641.7 exist. Debarment may cover an IPA’s contracts with all recipients or with one or more specific recipients.

Debarring official is the official responsible for debarment, suspension or removal actions under this part. The OIG legal counsel is the debarring official. In the absence of an OIG legal counsel or in the discretion of the Inspector General, the debarring official shall be the OIG staff person or other individual designated by the Inspector General.

Indictment means a charge by a grand jury that the person named therein has committed a criminal offense. An information, presentment, or other filing by competent authority charging a criminal offense shall be given the same effect as an indictment.

IPA means an independent public accountant or firm of accountants.

Knowingly means that an act was done voluntarily and intentionally and not because of mistake or accident.

Material fact means one which is necessary to determine the outcome of an issue or case and without which the case could not be supported.

Person means an individual or a firm, partnership, corporation, association, or other legal entity.

Preponderance of the evidence means proof by information that, compared with that opposing it, leads to the conclusion that the fact at issue is more probably true than not.

Removal means a decision by the debarring official to prohibit an IPA from performing audit services in subsequent years of an existing contract with one or more specific recipients based upon a finding by a preponderance of the evidence that any of the causes set out in § 1641.18 exist.

Suspension means a decision by the debarring official, in anticipation of a

§ 1641.3

debarment, to prohibit an IPA from soliciting or entering into new contracts to perform audit services for recipient(s) based upon a finding of adequate evidence that any of the causes referred to in § 1641.13 exist. Suspension may preclude an IPA from soliciting or entering into new contracts with all recipients or with one or more specific recipients.

§ 1641.3 Scope of debarment, suspension and removal.

An IPA may be debarred, suspended or removed under this part only if the IPA is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

(a) *Actions against individual IPAs.* Debarment, suspension or removal of an individual IPA, debar, suspends or removes that individual from performing audit services as an individual or as an employee, independent contractor, agent or other representative of an IPA firm.

(b) *Actions against IPA firms.* (1) Debarment, suspension or removal shall affect only those divisions or other organizational elements materially involved in the relevant engagement and as to which there is cause to debar, suspend or remove.

(2) The debarment, suspension or removal action contemplated in paragraph (b)(1) of this section may include any firm that is an affiliate, subcontractor, joint venturer, agent or representative of the IPA firm only if such firm was materially involved in the relevant engagement and is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

(3) The debarment, suspension or removal action contemplated in paragraph (b)(1) of this section may include an individual officer, director, or partner responsible for the engagement, or an individual employee, independent contractor, agent, representative or other individual associated with an IPA firm only if such individual is specifically named and given notice of the proposed action and an opportunity to respond in accordance with this part.

45 CFR Ch. XVI (10–1–24 Edition)

§ 1641.4 Duration of debarment, suspension and removal.

A debarment, suspension or removal is effective as set out in the debarring official's decision to debar, suspend or remove, issued pursuant to § 1641.22.

(a) *Debarment.* (1) Debarment generally should not exceed three years, but may be for a shorter period based on a consideration of the evidence presented by the IPA. Debarment may exceed three years in extraordinary circumstances.

(2) If a suspension precedes a debarment, the suspension period shall be considered in determining the debarment period.

(3) The debarring official may extend an existing debarment for an additional period if the debarring official determines, based on additional facts not previously in the record, that an extension is necessary to protect LSC funds. The standards and procedures in this part shall be applied in any proceeding to extend a debarment.

(b) *Suspension.* (1) The debarring official may determine that a cause for suspension exists, but that an investigation or other legal or debarment proceeding should be completed before proceeding to a debarment. Suspension shall be for a temporary period pending the completion of an investigation or other legal or debarment proceedings, including a proceeding conducted by the OIG, a law enforcement or other government agency, an investigative or audit official from another OIG, a court, or a state licensing body or other organization with authority over IPAs.

(2) If debarment proceedings are not initiated within 12 months after the date of the suspension notice, the suspension shall be terminated unless an official or organization conducting a proceeding referred to in paragraph (b)(1) of this section requests its extension in writing. In such cases, the suspension may be extended up to an additional six months. In no event may a suspension be imposed for more than 18 months, unless debarment proceedings have been initiated within that period.

(3) The OIG shall notify the appropriate official or organization conducting a proceeding referred to in paragraph (b)(1) of this section, if any,

Legal Services Corporation

of the suspension within 10 days of its implementation, and shall notify such official or organization of an impending termination of a suspension at least 30 days before the 12-month period expires to allow an opportunity to request an extension.

(4) The limit on the duration of a suspension in paragraph (b)(2) of this section may be waived by the affected IPA.

(c) *Removal.* Removal shall be effective for the years remaining on the existing contract(s) between the IPA and the recipient(s).

Subpart B—Debarment

§ 1641.5 Debarment.

(a) IPAs debarred from providing audit services for all recipients are prohibited from soliciting or entering into any new contracts for audit services with recipients for the duration of the specified period of debarment. Recipients shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Debarred IPAs also are prohibited from providing audit services to recipients as agents or representatives of other IPAs.

(b) IPAs debarred from providing audit services for one or more specific recipient(s) are prohibited from soliciting or entering into any new contracts for audit services with such recipient(s) for the duration of the period of debarment as determined pursuant to this part. The affected recipient(s) shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Debarred IPAs also are prohibited from providing audit services to the affected recipient(s) as agents or representatives of other IPAs, and are required to provide prior written notice to the debarring official before providing such services to other recipients. Debarred IPAs also must provide prior written notice of the debarment to any recipient for which the IPA provides audit services.

§ 1641.6 Procedures for debarment.

Before debarring an IPA, the OIG shall provide the IPA with a hearing in accordance with the procedures set out

in §§ 1641.7 through 1641.9. Such hearing shall be held entirely by written submissions, except:

(a) Additional proceedings shall be held under § 1641.10 if the debarring official finds there is a genuine dispute of material fact; and/or

(b) A meeting may be held under § 1641.9(c).

§ 1641.7 Causes for debarment.

The debarring official may debar an IPA from performing audit services in accordance with the procedures set forth in this part upon a finding by a preponderance of the evidence that:

(a) The IPA has failed significantly to comply with government auditing standards established by the Comptroller General of the United States, generally accepted auditing standards and/or OIG audit guidance as stated in the OIG Audit Guide for Recipients and Auditors, including the Compliance Supplement for Audits of LSC Recipients, and in OIG Audit Bulletins;

(b) The IPA is currently debarred from contracting with any Federal agency or entity receiving Federal funds, including when the IPA has stipulated to such debarment;

(c) The IPA's license to practice accounting has been revoked, terminated or suspended by a state licensing body or other organization with authority over IPAs;

(d) The IPA has been convicted of any offense indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to commit such an offense, and the conviction is final; or

(e) The IPA has been found subject to a civil judgment for any action indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to take such action, and the judgment is final.

§ 1641.8 Notice of proposed debarment.

(a) Before debarring an IPA, the OIG shall send the IPA written notice of the proposed debarment. The notice shall be sent in a manner that provides evidence of its receipt and shall:

(1) State that debarment is being considered;

(2) Identify the reasons for the proposed debarment sufficient to put the

§ 1641.9

IPA on notice of the conduct or transaction(s) upon which a debarment proceeding is based;

(3) Identify the regulatory provisions governing the debarment proceeding; and

(4) State that debarment may be for a period of up to three years or longer under extraordinary circumstances. If the OIG has determined that extraordinary circumstances warranting debarment in excess of three years may exist, the notice shall so state.

(b) A copy of the notice also shall be sent to the affected recipient(s), if any, which may comment on the proposed action in the time frame set out in § 1641.9.

§ 1641.9 Response to notice of proposed debarment.

(a) The IPA shall have 30 days from receipt of the notice within which to respond.

(b) The response shall be in writing and may include information and argument in opposition to the proposed debarment, including any additional specific information pertaining to the possible causes for debarment, and information and argument in mitigation of the proposed period of debarment.

(c) The response may request a meeting with the debarring official to permit the IPA to discuss issues of fact or law relating to the proposed debarment, or to otherwise resolve the pending matters. Any such meeting shall take the form that the debarring official deems appropriate and shall be held within 20 days of the response. If the IPA requests an in person meeting, it shall be held at LSC headquarters.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for debarment set forth in the notice and an acceptance of the period of debarment. In such circumstances, without further proceedings, the debarring official may enter a final decision stating the period of debarment.

§ 1641.10 Additional proceedings as to disputed material facts.

(a) In actions not based upon a conviction or civil judgment under § 1641.7 (d) or (e), if the debarring official finds that the IPA's submission raises a gen-

uine dispute of material fact, the IPA shall be afforded an opportunity to appear (with counsel, if desired), submit documentary evidence, present witnesses, and confront any witnesses the OIG presents. If the debarring official finds that the IPA's submission does not raise a genuine issue of material fact, additional proceedings will not be provided. In such case, the hearing shall be held entirely by written submissions, except that a meeting may be held under § 1641.9(c).

(b) If the debarring official determines additional proceedings to be warranted, OIG shall notify the IPA. Such notice shall include notice of the procedures under which such proceedings shall be conducted.

(c) A transcribed record of any additional proceedings shall be prepared and a copy shall be made available to the IPA without cost.

(d) The debarring official may refer disputed material facts to a fact finder, who need not be a member of the OIG staff, for fact finding, analysis and recommendation.

Subpart C—Suspension

§ 1641.11 Suspension.

(a) IPAs suspended from providing audit services for all recipients are prohibited from soliciting or entering into any new contracts for audit services with recipients for the duration of the suspension. Recipients shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Suspended IPAs also are prohibited from providing audit services to recipients as agents or representatives of other IPAs.

(b) IPAs suspended from providing audit services for one or more specific recipient(s) are prohibited from soliciting or entering into any new contracts for audit services with such recipient(s) for the duration of the period of suspension as determined pursuant to this part. The affected recipient(s) shall not knowingly award contracts to, extend or modify existing contracts with, or solicit proposals from, such IPAs. Suspended IPAs also are prohibited from providing audit services to the affected recipient(s) as agents or

representatives of other IPAs, and are required to provide prior written notice to the debarring official before providing such services to other recipients. Suspended IPAs also must provide prior written notice of the suspension to any recipient for which the IPA provides audit services.

§ 1641.12 Procedures for suspension.

Before suspending an IPA, the OIG shall provide the IPA with a show cause hearing in accordance with the procedures set out in §§ 1641.13 through 1641.15. Such hearing shall be held entirely by written submissions, except that a meeting may be held under § 1641.15(c).

§ 1641.13 Causes for suspension.

The debarring official may suspend an IPA in accordance with the procedures set forth in this part upon adequate evidence that:

(a) A cause for debarment under § 1641.7 may exist;

(b) The IPA has been indicted for or convicted of any offense described in § 1641.7;

(c) The IPA has been found subject to a civil judgment described in § 1641.7(e), whether the judgment is final or not.

(d) The IPA has been suspended from contracting with a Federal agency or entity receiving Federal funds including when the IPA has stipulated to the suspension.

§ 1641.14 Notice of proposed suspension.

(a) Before suspending an IPA, OIG shall send it written notice of cause to suspend. Such notice shall:

(1) Include a directive to show cause, signed by the debarring official, which shall inform the IPA that unless the IPA responds within 10 days as provided in § 1641.15, a suspension will be imposed;

(2) Identify the reasons for the proposed suspension sufficient to put the IPA on notice of the conduct or transaction(s) upon which a suspension proceeding is based;

(3) Identify the regulatory provisions governing the suspension proceeding; and

(4) State that, if imposed, the suspension shall be for a temporary period

pending the completion of an investigation or other legal or debarment proceeding.

(b) A copy of the notice also shall be sent to the affected recipient(s), if any, who may comment on the proposed action in the time frame set out in § 1641.15.

§ 1641.15 Response to notice of proposed suspension.

(a) The IPA shall have 10 days from receipt of the notice within which to respond.

(b) The response shall be in writing and may include information and argument in opposition to the proposed suspension, including any additional specific information pertaining to the possible causes for suspension, and information and argument in mitigation of the proposed period of suspension.

(c) The response may request a meeting with the OIG official identified in the notice to permit the IPA to discuss issues of fact or law relating to the proposed suspension, or to otherwise resolve the pending matters.

(1) Any such meeting shall take such form as the debarring official deems appropriate and shall be held within 10 days of the response.

(2) No meeting will be held if a law enforcement official, an investigative or audit official from another OIG, a state licensing body or other organization with authority over IPAs, or a governmental agency has advised in writing that the substantial interest of a governmental unit would be prejudiced by such a meeting and the debarring official determines that the suspension is based on the same facts as the pending legal proceedings referenced by the law enforcement official.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for suspension set forth in the notice and an acceptance of the period of suspension. In such circumstances, the OIG may proceed to a final decision without further proceedings.

Subpart D—Removal

§ 1641.16 Removal.

Removed IPAs are prohibited from performing audit services in subsequent years under an existing contract(s) with one or more specific recipients. The affected recipient(s) shall not extend existing contracts with such IPAs. Removed IPAs also are prohibited from providing audit services to the affected recipient(s) as agents or representatives of other IPAs, and are required to provide prior written notice to the debarring official before providing such services to other recipients. Removed IPAs also must provide prior written notice of the removal to any such recipient.

§ 1641.17 Procedures for removal.

(a) Before removing an IPA, the OIG shall provide the IPA with a hearing in accordance with the procedures set out in §§1641.18 through 1641.21. Such hearing shall be held entirely by written submissions, except:

(1) Additional proceedings shall be held under §1641.21 if the debarring official finds there is a genuine dispute of material fact; and/or

(2) A meeting may be held under §1641.20(c).

(b) A Notice of Proposed Removal normally will be accompanied by a Notice of Proposed Debarment, and the proceedings may be consolidated.

§ 1641.18 Causes for removal.

The debarring official may remove an IPA from performing audit services in accordance with the procedures set forth in this part upon a finding by a preponderance of the evidence that:

(a) The IPA has failed significantly to comply with government auditing standards established by the Comptroller General of the United States, generally accepted auditing standards and/or OIG audit guidance as stated in the OIG Audit Guide for Recipients and Auditors, including the Compliance Supplement for Audits of LSC Recipients, and in OIG Audit Bulletins;

(b) The IPA is currently debarred from contracting with any Federal agency or entity receiving Federal funds, including when the IPA has stipulated to such debarment;

(c) The IPA's license to practice accounting has been revoked, terminated or suspended by a state licensing body or other organization with authority over IPAs;

(d) The IPA has been convicted of any offense indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to commit such an offense, and the conviction is final; or

(e) The IPA has been found subject to a civil judgment for any action indicating a breach of trust, dishonesty or lack of integrity, or conspiracy to take such action, and the judgment is final.

§ 1641.19 Notice of proposed removal.

(a) Before removing an IPA, the OIG shall send the IPA written notice of the proposed removal. The notice shall be sent in a manner that provides evidence of its receipt and shall:

(1) State that removal is being considered;

(2) Identify the reasons for the proposed removal sufficient to put the IPA on notice of the conduct or transaction(s) upon which a removal proceeding is based;

(3) Identify the regulatory provisions governing the removal proceeding; and

(4) State that removal shall be for the years remaining on the existing contract(s) between the IPA and the recipient(s).

(b) A copy of the notice also shall be sent to the affected recipient(s), if any, which may comment on the proposed action in the time frame set out in §1641.20.

§ 1641.20 Response to notice of proposed removal.

(a) The IPA shall have 30 days from receipt of the notice within which to respond.

(b) The response shall be in writing and may include information and argument in opposition to the proposed removal, including any additional specific information pertaining to the possible causes for removal.

(c) The response may request a meeting with the debarring official to permit the IPA to discuss issues of fact or law relating to the proposed removal, or to otherwise resolve the pending matters. Any such meeting shall take the form that the debarring official

deems appropriate and shall be held within 20 days of the response. If the IPA requests an in person meeting, it shall be held at LSC headquarters.

(d) Failure to respond to the notice shall be deemed an admission of the existence of the cause(s) for removal set forth in the notice and an acceptance of the removal. In such circumstances, without further proceedings, the debarring official may enter a final decision removing the IPA.

§ 1641.21 Additional proceedings as to disputed material facts.

(a) In actions not based upon a conviction or civil judgment under § 1641.18(d) or (e), if the debarring official finds that the IPA's submission raises a genuine dispute of material fact, the IPA shall be afforded an opportunity to appear (with counsel, if desired), submit documentary evidence, present witnesses, and confront any witnesses the OIG presents. If the debarring official finds that the IPA's submission does not raise a genuine issue of material fact, additional proceedings will not be provided. In such case, the hearing shall be held entirely by written submissions, except that a meeting may be held under § 1641.20(c).

(b) If the debarring official determines additional proceedings to be warranted, OIG shall notify the IPA. Such notice shall include notice of the procedures under which such proceedings shall be conducted.

(c) A transcribed record of any additional proceedings shall be prepared and a copy shall be made available to the IPA without cost.

(d) The debarring official may refer disputed material facts to a fact finder, who need not be a member of the OIG staff, for fact finding, analysis and recommendation.

Subpart E—Decisions

§ 1641.22 Decisions of debarring official.

(a) *Standard of proof.* (1) A debarment or removal must be based on a finding that the cause or causes for debarment or removal are established by a preponderance of the evidence in the administrative record of the case.

(2) A suspension must be based on a finding that the cause or causes are established by adequate evidence in the administrative record of the case.

(b) The administrative record consists of any information, reports, documents or other evidence identified and relied upon in the Notice of Proposed Debarment, the Notice of Proposed Suspension, or the Notice of Proposed Removal, together with any relevant material contained in the IPA's response or submitted by an affected recipient. In the case of debarment or removal, when additional proceedings are necessary to determine disputed material facts, the administrative record also shall consist of any relevant material submitted or presented at such proceedings.

(c) Failure of the OIG to meet a time requirement of this part does not preclude the OIG from debarring, suspending or removing an IPA. In extraordinary circumstances, the OIG may grant an IPA an extension of the time requirements set out in this part.

(d) *Notice of decisions.* IPAs shall be given prompt notice of the debarring official's decision. A copy of the decision also will be sent to the affected recipient. If the debarring official debars, suspends or removes an IPA, the decision shall:

(1) Set forth the finding(s) upon which the decision is based;

(2) Set forth the effect of the debarment, suspension or removal action and the effective dates of the action;

(3) Refer the IPA to its procedural rights of appeal and reconsideration under § 1641.24; and

(4) Inform the IPA that a copy of the debarring official's decision will be a public document and the fact of debarment, suspension or removal will be a matter of public record.

(e) If the debarring official decides that a debarment, suspension, or removal is not warranted, the Notice may be withdrawn or the proceeding may be otherwise terminated.

(f) If the debarring official deems it appropriate, the debarring official may, at any time, settle by agreement with the IPA a debarment, suspension, or removal action. Such a negotiated settlement may include the imposition of appropriate conditions on the IPA.

§ 1641.23

§ 1641.23 Exceptions to debarment, suspension and removal.

Exceptions to the effects of debarment, suspension or removal may be available in unique circumstances, when there are compelling reasons to use a particular IPA for a specific task. Requests for such exceptions may be submitted only by the recipient requiring audit services. The Inspector General may except a contract from the effects of debarment, suspension or removal upon a written determination that a compelling reason exists for using the IPA in the particular instance.

§ 1641.24 Appeal and reconsideration of debarring official decisions.

(a) *Appeal and reconsideration generally.* A debarred, suspended or removed IPA may submit the debarring official's decision for appeal or reconsideration in accordance with this section. Within 60 days, IPAs shall be given notice of decisions on appeal and reconsideration. The relief, if any, granted upon appeal or reconsideration shall be limited to the relief stated in the decision on the appeal or reconsideration.

(b) *Appeal.* (1) A debarred, suspended or removed IPA may appeal the decision to the Inspector General, who may uphold, reverse or modify the debarring official's decision.

(2) The appeal shall be filed in writing:

(i) By a debarred or removed IPA, within 30 days of receipt of the decision;

(ii) By a suspended IPA, within 15 days of receipt of the decision.

(3) The Inspector General, at his or her discretion and after determining that a compelling reason exists, may stay the effect of the debarment, suspension or removal pending conclusion of his or her review of the matter.

(c) *Reconsideration.* (1) A debarred, suspended or removed IPA may submit a request to the debarring official to reconsider the debarment, suspension or removal decision, reduce the period of debarment or removal, or terminate the suspension.

(2) Such requests shall be in writing and supported by documentation that the requested action is justified by:

45 CFR Ch. XVI (10–1–24 Edition)

(i) In the case of suspension, reversal of the conviction or civil judgment upon which the suspension was based;

(ii) Newly discovered material evidence;

(iii) Bona fide change in ownership or management;

(iv) Elimination of other causes for which the debarment, suspension or removal was imposed; or

(v) Other reasons the debarring official deems appropriate.

(3) A request for reconsideration of a suspension which was based a conviction, civil judgment, or sanction that has been reversed may be filed at any time.

(4) Requests for reconsideration based on other grounds may only be filed during the period commencing 60 days after the debarring official's decision imposing the debarment or suspension. Only one such request may be filed in any twelve month period.

(5) The debarring official's decision on a request for reconsideration is subject to the appeal procedure set forth in paragraph (b) of this section.

§ 1701.1 Statement of policy.

The records of the National Commission on Libraries and Information Science shall be available to the fullest extent possible consistent with the terms and policies of 5 U.S.C. section 552 and on request will be promptly furnished to any member of the public.

[39 FR 39879, Nov. 4, 1974]

§ 1701.2 Disclosure of records and informational materials.

(a) With the exception of records and materials exempt from disclosure pursuant to paragraph (b) of this section, any person in accordance with the procedure provided in § 1701.3 may inspect and copy any document of the National Commission on Libraries and Information Science.

(b) The provisions of 5 U.S.C. section 552 which require that agencies make their records available for public inspection and copying do not apply to Commission records which are:

(1)(i) Specifically authorized under criteria established by an Executive Order to be kept secret in the interest of national defense or foreign policy and (ii) are in fact properly classified pursuant to such Executive Order;

(2) Related solely to the internal personnel rules and practices of the Commission;

(3) Specifically exempted from disclosure by statute;

(4) Trade secrets and information which is privileged or which relates to the business, personal or financial affairs of any person and which is furnished in confidence;

(7) Investigatory records compiled for law enforcement purposes, but only to the extent that the production of such records would: (i) Interfere with enforcement proceedings, (ii) deprive a person of a right to a fair trial or an impartial adjudication, (iii) constitute an unwarranted invasion of personal privacy, (iv) disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source, (v) disclose investigative techniques and procedures, or (vi) endanger the life or physical safety of law enforcement personnel.

However, in accordance with 5 U.S.C. 552(a)(4)(A) the Commission deems that publication of the index or supplements

[39 FR 39879, Nov. 12, 1974, as amended at 40 FR 7652, Feb. 21, 1975]

§ 1701.3 Requests.

(a) A member of the public may request records from the National Commission on Libraries and Information Science by writing to the Associate Director, National Commission on Libraries and Information Science, Suite 601, 1717 K Street, NW, Washington, DC 20036.

(b) A request for access to records should reasonably describe the records requested such that Commission personnel will be able to locate them with a reasonable amount of effort. Where possible, specific information regarding dates, titles, file designations, and other information which may help identify the records should be supplied by the requester.

(c) Records or materials will be available for inspection and copying at the offices of the Commission during the normal business hours of regular business days or they may be obtained by mail.

§ 1701.4 Fees.

(a) A fee may be charged for direct costs of document search and duplication at the rate of \$0.10 per page for copying and \$5.00 per hour for time expended in identifying and locating records.

(b) A fee may be waived in whole or in part where it is determined that it is in the public interest because furnishing the information can be considered as primarily benefiting the general public or where other circumstances indicate that a waiver is appropriate.

(c) The Commission may limit the number of copies of any document provided to any person.

[40 FR 7653, Feb. 21, 1975]

§ 1701.5 Prompt response.

(a) Within ten days (excluding Saturdays, Sundays and legal public holidays) of the receipt of a request, the Associate Director shall determine whether to comply with or deny such request and shall dispatch such determination to the requester, unless an extension is made under paragraph (c) of this section.

(b) Only the Associate Director may deny a request and is the "person responsible for the denial" within the meaning of 5 U.S.C. 552(a). When a denial is made at the behest of another agency, the person in that agency responsible for urging the denial may also be a "person responsible for the denial" if he is so advised before the Associate Director informs the requester that his request is denied.

(c) In unusual circumstances as specified in this paragraph, the Associate Director may extend the time for the initial determination of a request up to a total of ten days (excluding Saturdays, Sundays and legal public holidays). Extensions shall be made by written notice to the requester setting forth the reason for the extension and the date upon which a determination is expected to be dispatched. As used in this paragraph "unusual circumstances" means, but only to the extent necessary to the proper processing of the request—

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the Commission;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request.

(d) If no determination has been dispatched at the end of the ten-day period, or the last extension thereof, the requester may deem his request denied, and exercise a right of appeal in accordance with § 1701.7. When no determination can be dispatched within the applicable time limit, the Associate Director shall nevertheless continue to

§ 1701.6

process the request. On expiration of the time limit he shall inform the requester of the reason for the delay, of the date on which a determination may be expected to be dispatched, and of his rights to treat the delay as a denial and appeal to the Executive Director in accordance with § 1701.7. He may also ask the requester to forgo appeal until a determination is made.

[40 FR 7653, Feb. 21, 1975]

§ 1701.6 Form of denial.

A reply denying a request shall be in writing, signed by the Associate Director, and shall include: (a) A specific reference to the exemption or exemptions under the Freedom of Information Act authorizing the withholding of the record, (b) brief explanation of how the exemption(s) applies to the record(s) withheld, (c) a statement that the denial may be appealed under § 1701.7 within thirty days by writing to the Executive Director, National Commission on Libraries and Information Science, Suite 601, 1717 K Street NW., Washington, DC 20036, and (d) that judicial review will thereafter be available in the district in which the requester resides or has his principal place of business, the district in which the agency records are situated, or in the District of Columbia.

[40 FR 7653, Feb. 21, 1975]

§ 1701.7 Appeals.

(a) When the Associate Director has denied a request for records in whole or in part, the requester may, within thirty days of receipt of the letter notifying him of the denial, appeal to the Commission. Appeals to the Commission shall be in writing, addressed to the Executive Director, National Commission on Libraries and Information Science, 1717 K Street NW., Washington, DC 20036.

(b) The Commission will act upon an appeal within twenty days (excepting Saturdays, Sundays or legal public holidays) of its receipt, unless an extension is made under paragraph (c) of this section.

(c) In unusual circumstances as specified in this paragraph, the time for action on an appeal may be extended up to ten days (excluding Saturdays, Sun-

45 CFR Ch. XVII (10–1–24 Edition)

days, and legal public holidays) minus any extension granted at the initial request level pursuant to § 1701.5(c). Such extension shall be made by written notice to the requester setting forth the reason for the extension and the date on which a determination is expected to be dispatched. As used in this paragraph “unusual circumstances” means, but only to the extent necessary to the proper processing of the appeal—

(1) The need to search for and collect the requested records from field facilities or other establishments that are separate from the Commission;

(2) The need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or

(3) The need for consultation, which shall be conducted with all practicable speed, with another agency having substantial interest in the determination of the request.

(d) If no determination of the appeal has been dispatched at the end of the twenty-day period or the last extension thereof, the requester is deemed to have exhausted his administrative remedies, giving rise to a right of review in a district court of the United States as specified in 5 U.S.C. 552(a)(4). When no determination can be dispatched within the applicable time limit, the appeal will nevertheless continue to be processed. On expiration of the time limit the requester shall be informed of the reason for the delay, of the date on which a determination may be expected to be dispatched, and of his right to seek judicial review in the United States district court in the district in which he resides or has his principal place of business, the district in which the records are situated, or the District of Columbia. The requester may be asked to forgo judicial review until determination of the appeal.

(e) The Commission's determination on appeal shall be in writing. An affirmance in whole or in part of a denial on appeal shall include: (1) A reference to the specific exemption or exemptions under the Freedom of Information Act authorizing the withholding of the record,

(2) A brief explanation of how the exemption(s) applies to the record(s) withheld, and

(3) A statement that judicial review of the denial is available in the district in which the requester resides or has his principal place of business, the district in which the agency records are situated, or the District of Columbia.

Subpart A—General Provisions

§ 1703.101 Purpose.

This part sets forth the regulations under which the Commission shall engage in public decision-making processes, make public announcement of meetings at which a quorum of or all Commission members consider and determine official Commission action, and inform the public of which meetings they are entitled to observe.

§ 1703.102 Definitions.

In this part:

(a) *Meeting* means the deliberations of a majority of the Commission members who have been appointed by the President and confirmed by the Senate where such deliberations determine or result in the joint conduct of official Commission business.

(b) *Member* means one of the Commissioners of the National Commission on Libraries and Information Science (NCLIS) who is appointed to that position by the President with the advice and consent of the Senate.

§ 1703.103 Applicability and scope.

This part applies to deliberations of a majority of the Commission members who have been appointed by the President and confirmed by the Senate. Excluded from coverage of this part are deliberations of interagency committees whose composition includes Commission members and deliberations of Commission officials who are not members; individual member's consideration of official agency business circulated to the members in writing for disposition or notation; and deliberations by the agency in determining whether or not to close a portion or portions of a meeting or series of meetings as provided in § 1703.202.

§ 1703.104 Open meeting policy.

The public is entitled to the fullest practicable information regarding the decision-making processes of the Commission. Commission meetings involving deliberations which determine or result in the joint conduct or disposition of official Commission business

§ 1703.201

are presumptively open to the public. It is the intent of these regulations to open such meetings to public observation while protecting individuals' rights and the Commission's ability to carry out its responsibilities. Meetings or portions of meetings may be closed to public observation only if closure can be justified under one of the provisions set forth in § 1703.202.

Subpart B—Procedures Governing Decisions About Meetings

§ 1703.201 Decision to hold meeting.

When Commission members make a decision to hold a meeting, the proposed meeting will ordinarily be scheduled for a date no earlier than eight days after the decision to allow sufficient time to give appropriate public notice. At the time a decision is made to hold a meeting, the time, place, and subject matter of the meeting will be determined, as well as whether the meeting is to be open or closed to the public.

§ 1703.202 Provisions under which a meeting may be closed.

(a) A meeting or portion thereof may be closed to public observation, and information pertaining to such meeting may be withheld from the public, where the Commission determines that such portion or portions of its meeting or disclosure of such information is likely to:

(1) Disclose matters that are: (i) Specifically authorized under criteria established by an Executive order to be kept secret in the interests of national defense or foreign policy and

(ii) In fact properly classified pursuant to such Executive order;

(2) Relate solely to the internal personnel rules and practices of an agency;

(3) Disclose matters specifically exempted from disclosure by statute (other than section 552 of this title). Provided that such statute: (i) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or

(ii) Establishes particular criteria for withholding or refers to particular types of matters to be withheld;

45 CFR Ch. XVII (10–1–24 Edition)

(4) Disclose trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) Involve accusing any person of a crime, or formally censuring any person;

(6) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(7) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would: (i) Interfere with enforcement proceedings,

(ii) Deprive a person of a right to a fair trial or an impartial adjudication,

(iii) Constitute an unwarranted invasion of personal privacy,

(iv) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source,

(v) Disclose investigative techniques and procedures, or

(vi) Endanger the life or physical safety of law enforcement personnel;

(8) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;

(9) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action, except this subparagraph shall not apply in any instance where the agency has already disclosed to the public the content or nature of its proposed action, or where the agency is required by law to make such disclosure on its own initiative prior to taking final agency action on such proposal; or

(10) Specifically concern the agency's issuance of a subpoena, or the agency's participation in a civil action or proceeding, an action in a foreign court or

international tribunal, or an arbitration, or the initiation, conduct, or disposition by the agency of a particular case of formal agency adjudication pursuant to the procedures in section 554 of this title or otherwise involving a determination on the record after opportunity for a hearing.

(b) The Commission may exercise its authority to open to public observation a meeting which could be closed under one of the provisions of §1703.202(a), if it would be in the public interest to do so. The Commission will determine whether the discussion comes within one of the specific exemptions. If the discussion is determined to be exempt, the Commission will consider and determine whether the public interest nevertheless requires that the meeting be open.

§ 1703.203 Decision to close meeting.

(a) Commission members may decide before the meeting to close to public observation a meeting or portion or portions thereof, or to withhold information pertaining to such meeting, only if a majority of the members vote on the record to take such action. No proxy votes on this action shall be allowed. A single vote may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in such series. If a decision is made to close a portion or portions of a meeting or a series of meetings, the Commission shall prepare a full written explanation of the closure action together with a list naming all persons expected to attend the meeting and identifying their affiliation.

(b) For every meeting or portion thereof which Commission members have voted to close, the Chairman of NCLIS shall certify that, in his or her opinion, the meeting may properly be closed to the public. In addition, the Chairman shall state each relevant exemptive provision as set forth in §1703.202(a). A copy of the Chairman's certification, together with a state-

ment from the Chairman setting forth the time and place of the meeting and listing the persons present, shall be retained by the Commission.

(c) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Commission close such portion to the public for any of the reasons referred to in §1703.202 (a)(5), (6), or (7), the Commission members, upon request of any of the Commissioners, shall decide by recorded vote whether to close such portion. If a closure decision is made, the Commission shall prepare a full written explanation of the closure action together with a list naming all persons expected to attend the meeting and identifying their affiliation.

§ 1703.204 Public availability of recorded vote to close meeting.

Within one day of any vote taken on a proposal to close a meeting, the Commission shall make publicly available a record reflecting the vote of each member on the question. In addition, within one day of any vote which closes a portion or portions of a meeting to the public, the Commission shall make publicly available a full written explanation of its closure action together with a list naming all persons expected to attend and identifying their affiliation, unless such disclosure would reveal the information that the meeting itself was closed to protect.

§ 1703.205 Public announcement of meeting.

(a) Except as provided in §§1703.207 and 1703.208, the Commission shall make a public announcement at least one week before the scheduled meeting, to include the following:

(1) Time, place, and subject matter of the meeting;

(2) Whether the meeting is to be open or closed; and

(3) Name and telephone number of agency official who will respond to requests for information about the meeting.

(b) If announcement of the subject matter of a closed meeting would reveal the information that the meeting was closed to protect, the subject matter shall not be announced.

§ 1703.206

§ 1703.206 Providing information to the public.

Individuals or organizations interested in obtaining copies of information available in accordance with § 1703.204 may request same under provisions set forth in §§ 1703.402 and 1704.404. Individuals or organizations having a special interest in activities of the Commission may request the Executive Director to the Commissioners to place them on a mailing list for receipt of information available under § 1703.205. The Commission shall provide information to publications whose readers are likely to have a special interest in the work of the Commission.

§ 1703.207 Change in meeting plans after public announcement.

(a) Following public announcement of a meeting, the time or place of a meeting may be changed only if the change is announced publicly at the earliest practicable time.

§ 1703.208 Meetings for extraordinary agency business.

Where agency business so requires, Commission members may decide by majority, recorded vote to schedule a meeting for a date earlier than eight days after the decision. Such a decision would obviate the general requirement for a public announcement at least one week before the scheduled meeting. At the earliest practicable time, however, the Commission will announce publicly the time, place, and subject matter of the meeting, whether the meeting is to be open or closed, and the name and telephone number of an agency official who will respond to requests for information about the meeting.

§ 1703.209 Notice of meeting in Federal Register.

Immediately following each public announcement required by this subpart, the following information, as applicable, shall be submitted for publication in the FEDERAL REGISTER:

§ 1703.302 Role of observers.

The public may attend open meetings for the sole purpose of observation and may not record any of the discussions by means of electronic or other devices or cameras unless approved in advance by the Executive Committee of the Commission. Observers may not participate in meetings unless expressly invited or create distractions to interfere with the conduct and disposition of Commission business. Such participation or attempted participation shall be cause for removal of any person so engaged at the discretion of the presiding member of the Commission. When meetings are partially closed, observers will leave the meeting room promptly upon request so that discussion, of matters exempt under provisions of subpart B of this part, § 1703.202, may take place expeditiously.

Subpart D—Maintenance of Meeting Records

§ 1703.401 Requirements for maintaining records of closed meetings.

(a) A record of each meeting or portion thereof which is closed to the public must be made and retained for two years or for one year after the conclusion of the Commission proceeding involved in the meeting. The record of any portion of a meeting closed to the public shall be a transcript or electronic recording.

(b) When minutes are produced, such minutes shall fully and clearly describe all matters discussed, and will provide a full and accurate summary of any actions taken and the reasons expressed

therefor. The minutes must also reflect the vote of each member on any roll call vote taken during the proceedings and identify all documents produced at the meeting.

(c) The following documents produced under provisions of paragraph (b) of this section shall be retained by the agency as part of the minutes of the meeting:

(1) Certification by the Chairman that the meeting may properly be closed; and

(2) Statement from the presiding officer of the meeting setting forth the date, time and place of the meeting and listing the persons present.

§ 1703.402 Availability of records to the public.

Copies of such minutes, disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription.

(b) The nonexempt part of the minutes shall be in the official custody of the Executive Director of the Commission. Appropriate facilities will be made available to any persons who make a request to review these records.

(c) Requests for copies of nonexempt parts of minutes, shall be directed to the Executive Director of the Commission. Such requests shall identify the records being sought and include a statement that whatever costs are involved in furnishing the records will be acceptable or, alternatively, that costs will be acceptable up to a specified amount.

§ 1703.403 Requests for records under Freedom of Information and Privacy Acts.

Requests to review or obtain copies of records other than the minutes of a meeting will be processed under the Freedom of Information Act (5 U.S.C. 552) or, where applicable, the Privacy Act (5 U.S.C. 552a).

§ 1703.404 Copying and transcription charges.

(a) The Commission will charge fees for furnishing records at the rate of ten cents per page for photocopies and at the actual cost of transcription. When the anticipated charges exceed \$50, a deposit of 20 percent of the amount anticipated must be made within 30 days. Requested information will not be released until the deposit is received. Fees shall be paid by check or money order made payable to the National Commission on Libraries and Information Science.

(b) The Executive Director of the Commission has the discretion to waive charges whenever release of the copies is determined to be in the public interest.

Subpart E—Administrative Review

§ 1703.501 Administrative Review.

Any person who believes a Commission action governed by this part to be contrary to the provisions of this part may file an objection in writing with the Executive Director to the Commissioners. Responses to objections concerning matters other than closed meetings will be made within ten working days.

Subpart F—Judicial Review

§ 1703.601 Judicial review.

Any person may bring an action in a United States District Court to challenge or enforce the provisions of this part or the manner of their implementation. Such action may be brought prior to or within sixty days after the meeting in question, except that if proper public announcement of the meeting is not made, the action may be instituted at any time within sixty days after such announcement is made. An action may be brought where the Commission meeting was or is to be held or in the District of Columbia.

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

45 CFR Ch. XVII (10–1–24 Edition)

sibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

§§ 1706.131–1706.139 [Reserved]

§ 1706.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity

Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 1706.141–1706.148 [Reserved]

§ 1706.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 1706.150, no qualified handicapped person shall, because the agency's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 1706.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons; or

(2) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1706.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the bene-

fits and services of the program or activity.

(b) *Methods.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by June 6, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by April 7, 1989, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by October 7, 1986, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

§ 1706.151

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 1706.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§ 1706.152-1706.159 [Reserved]

§ 1706.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally ef-

45 CFR Ch. XVII (10-1-24 Edition)

fective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 1706.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§ 1706.161-1706.169 [Reserved]

§ 1706.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Deputy Director shall be responsible for coordinating implementation of this section. Complaints may be sent to Deputy Director, National Commission on Libraries and Information Science, Suite 3122, GSA-ROB 3, Washington, DC 20024.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(c) Newly selected Scholars are required to submit by the July 15 following their selection an annual report

§ 1801.60

updating the Foundation on their activities and accomplishments since the time they submitted their applications for the Truman Scholarship.

Subpart G—Duration of Scholarship

§ 1801.60 Renewal of scholarship.

It is the intent of the Foundation to provide scholarship awards for a period not to exceed a total of four academic years, only in accordance with the regulations established by its Board of Trustees, and subject to an annual review for compliance with the requirements of this part.

(a) The Foundation may suspend or terminate a scholarship under the following specific conditions:

(1) Unsatisfactory academic performance for two terms, failure to pursue preparation for a career in public service, or loss of interest in a career in public service;

(2) Failure to meet the criteria in § 1801.3(d), § 1801.30(a) § 1801.31(a) and (b), or § 1801.51;

(3) Failure to submit a report or request required by the Foundation or providing false, misleading, or materially incomplete information on any report, payment request or other submission to the Foundation; or

(4) Failure to begin use of the graduate portion of the scholarship within four years of the date of receipt of a baccalaureate degree unless granted an extension in writing by the Foundation.

(b) Before it terminates a scholarship, the Foundation will notify the Scholar of the proposed action and will provide an opportunity to be heard with respect to the grounds for termination.

§ 1801.62 Recovery of scholarship funds.

(a) When a Truman Scholarship is terminated for any reason, the Scholar must return to the Foundation any stipend funds which have not yet been spent or which the Scholar may recover.

(b) A Scholar who fails for any reason to complete, as a full-time student, a

45 CFR Ch. XVIII (10–1–24 Edition)

school term for which he or she has received a Foundation stipend, must return the amount of that stipend to the Foundation. The Foundation may waive this requirement upon application by the Scholar showing good cause for doing so.

§ 1801.63 Scholar Accountability.

(a) A Scholar selected after January 2005 must be employed in public service for three of the seven years following completion of his or her Foundation funded graduate education.

(b) Following completion of Foundation funded graduate education, Scholars must submit a report to the Foundation by July 15 of each year. This report will include the Scholar's current contact information as well as a brief description of his or her employment during the past twelve months. This reporting requirement ends when the Foundation determines that a Scholar has reported three years of public service employment and the Foundation notifies him or her that he or she no longer is required to submit reports. Scholars who fail for two consecutive years to submit the required report to the Foundation will be considered to have failed to complete the three year public service requirement of paragraph (a) of this section.

(c) A Scholar who fails to be employed in public service for three out of the first seven years following completion of his or her Foundation funded graduate education must repay to the Foundation an amount equal to:

(1) All of the Scholarship stipends received,

(2) Interest at the rate of 6% per annum from the date of receipt of each payment until repayment is made to the Foundation, and

(3) Reasonable collection fees.

(d)(1) The repayment obligation of paragraph (c) of this section accrues on the first July 15 on which it becomes impossible for a Scholar to fulfill the three year public service requirement of paragraph (a) of this section. For example, the repayment obligation would accrue on July 15 of the sixth year following completion of Foundation funded graduate education for a Scholar who has been employed in the public service for only one of those six years.

Harry S. Truman Scholarship Foundation

§ 1802.2

(2) The Foundation will send to the Scholar's last known address a notice that his or her repayment obligation has accrued. The failure, however, of the Foundation to send, or the Scholar to receive, such a notice does not alter or delay the Scholar's repayment obligation.

(e) The Foundation may employ whatever remedies are available to it to collect any unpaid obligation accruing under this §1801.63.

(f) Upon application by the Scholar showing good cause for doing so, the Foundation may waive or modify the repayment obligation established by paragraph (c) of this section.

(g) The Foundation will establish a process for appealing any disputes concerning the accrual of the repayment obligation imposed by paragraph (c) of this section. The Foundation will publish on its Web site <http://www.truman.gov> information about this appeals process and other information pertinent to repayment obligations accruing under this §1801.63.

Accordingly, these procedures apply to meetings of the Board of Trustees, Harry S. Truman Scholarship Founda-

tion, including committees of the Board of Trustees.

§ 1802.2 Definitions.

As used in this part:

Board or *Board of Trustees* means the collegial body that conducts the business of the Harry S. Truman Scholarship Foundation as specified in section 5(b), Pub. L. 93–642 (20 U.S.C. 2004), consisting of:

(a) Eight persons appointed by the President, by and with the advice and consent of the Senate;

§ 1802.3

of the public or staff. Conference telephone calls that involve the requisite number of members, and otherwise come within the definition, are included.

Member means a member of the Board of Trustees.

Staff includes the employees of the Harry S. Truman Scholarship Foundation, other than the members of the Board.

§ 1802.3 Open meetings.

(a) Members shall not jointly conduct or dispose of business of the Board of Trustees other than in accordance with these procedures. Every portion of every meeting of the Board of Trustees or any committees of the Board shall be open to public observation subject to the exceptions provided in § 1802.4.

(b) Open meetings will be attended by members of the Board, certain staff, and any other individual or group desiring to observe the meeting. The public will be invited to observe and listen to the meeting but not to participate. The use of cameras and disruptive recording devices will not be permitted.

§ 1802.4 Grounds on which meetings may be closed, or information may be withheld.

Except in a case where the Board or a committee finds that the public interest requires otherwise, the open meeting requirement as set forth in the second sentence of § 1802.3(a) shall not apply to any portion of a Board or committee meeting, and the informational disclosure requirements of §§ 1802.5 and 1802.6 shall not apply to any information pertaining to such meeting otherwise required by this part to be disclosed to the public, where the Board or committee, as applicable, properly determines that such portion or portions of its meetings or the disclosure of such information is likely to:

(a) Disclose matters that are: (1) Specifically authorized under criteria established by an Executive Order to be kept secret in the interests of national defense or foreign policy and (2) in fact properly classified pursuant to such Executive Order;

(b) Relate solely to the internal personnel rules and practices of the Harry S. Truman Scholarship Foundation;

45 CFR Ch. XVIII (10–1–24 Edition)

(c) Disclose matters specifically exempted from disclosure by statute (other than section 552, Title 5, United States Code), provided that such statute: (1) Requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue, or (2) establishes particular criteria for withholding or refers to particular types of matters to be withheld;

(d) Disclose trade secrets and commercial and financial information obtained from a person and privileged or confidential;

(e) Involve accusing any person of a crime or formally censuring any person;

(f) Disclose information of a personal nature where disclosure would constitute a clearly unwarranted invasion of personal privacy;

(g) Disclose investigatory records compiled for law enforcement purposes, or information which if written would be contained in such records, but only to the extent that the production of such records or information would: (1) Interfere with enforcement proceedings,

(2) Deprive a person of a right to a fair trial or an impartial adjudication,

(3) Constitute an unwarranted invasion of personal privacy,

(4) Disclose the identity of a confidential source and, in the case of a record compiled by a criminal law enforcement authority in the course of a criminal investigation, or by an agency conducting a lawful national security intelligence investigation, confidential information furnished only by the confidential source,

(5) Disclose investigative techniques and procedures, or

(6) Endanger the life or physical safety of law enforcement personnel;

(h) Disclose information contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions;

(i) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed agency action, except that this paragraph shall not apply in any instance where the agency has already disclosed to the public the

content or nature of its proposed action, or where the agency is required by law to make such disclosure on its own initiative prior to taking final agency action on such proposal; or

(j) Specifically concern the issuance of a subpoena, or Foundation participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the Foundation of a particular case of formal adjudication pursuant to the procedures in section 554 of title 5, United States Code, or otherwise involving a determination on the record after opportunity for a hearing.

§ 1802.5 Procedure for announcing meetings.

(a) Except to the extent that such information is exempt from disclosure under the provisions of §1802.4, in the case of each Board or committee meeting, the Executive Secretary, acting at the direction of the Board, shall publish in the FEDERAL REGISTER, at least seven days before the meeting, the following information:

- (1) Time of the meeting;
- (2) Place of the meeting;
- (3) Subject matter of the meeting;

(4) Whether the meeting or parts thereof are to be open or closed to the public; and

(5) The name and phone number of the person designated by the Board or committee to respond to requests for information about the meeting.

(b) The seven-day period for the public announcement required by paragraph (a) of this section may be reduced if a majority of the members of the Board or committee, as applicable, determine by a recorded vote that Board or committee business requires that such expedited meeting be called at an earlier date. The Board or committee shall make public announcement of the time, place, and subject matter of such meeting, and whether open or closed to the public, at the earliest practicable time.

(c) The time or place of a meeting may be changed following the public announcement required by paragraph (a) only if the Executive Secretary, acting at the direction of the Board, publicly announces such change at the

earliest practicable time. Such change need not be voted on by the members.

(d) The subject matter of a meeting, or the determination of the Board or committee, as applicable, to open or close a meeting, or portion of a meeting, to the public, may be changed following the public announcement required by paragraph (a) of this section only if: (1) A majority of the entire voting membership of the Board or a majority of the entire voting membership of a committee, determines by a recorded vote that Board or committee business so requires and that no earlier announcement of the change was possible, and

(2) The Board or committee publicly announces such change and the vote of each member upon such change at the earliest practicable time.

(e) The “earliest practicable time” as used in this section, means as soon as possible, which should in few, if any, instances be no later than commencement of the meeting or portion in question.

(f) Immediately following each public announcement required by this section, notice of the time, place and subject matter of a meeting, whether the meeting is open or closed, any change in one of the preceding, and the name and phone number of the person designated by the Board or committee to respond to requests for information about the meeting, shall be submitted for publication in the FEDERAL REGISTER.

§ 1802.6 Procedure for closing meetings.

(a) Action to close a meeting or a portion thereof, pursuant to the exemptions set forth in §1802.4, shall be taken only when a majority of the entire voting membership of the Board or a majority of the entire voting membership of a committee, as applicable, vote to take such action. Any such action shall include a specific finding by the Board that an open meeting is not required by the public interest.

(b) A separate vote of the Board or committee members shall be taken with respect to each Board or committee meeting, a portion or portions of which are proposed to be closed to the public pursuant to §1802.4 or with

§ 1802.7

respect to any information which is proposed to be withheld under §1802.4.

(c) A single vote of the Board or committee may be taken with respect to a series of meetings, a portion or portions of which are proposed to be closed to the public, or with respect to any information concerning such series of meetings, so long as each meeting in such series involves the same particular matters and is scheduled to be held no more than 30 days after the initial meeting in such series.

(d) The vote of each member shall be recorded, and may be by notation voting, telephone polling or similar consideration.

(e) Whenever any person whose interests may be directly affected by a portion of a meeting requests that the Board or a committee close such portion to the public under any of the exemptions relating to personal privacy, criminal accusation, or law enforcement information referred to in paragraph (e), (f), or (g) of §1802.4, the Board or committee, as applicable, upon request of any one of its members, shall vote by recorded vote whether to close such meeting. Where the Board receives such a request prior to a meeting, the Board may ascertain by notation voting, or similar consideration, the vote of each member of the Board, or committee, as applicable, as to the following:

(1) Whether the business of the Board or committee permits consideration of the request at the next meeting, and delay of the matter in issue until the meeting following, or

(2) Whether the members wish to close the meeting.

(f) Within one day of any vote taken pursuant to paragraph (a), (b), (c) or (e), of this section, the Board or committee shall make publicly available a written copy of such vote reflecting the vote of each member on the question. If a portion of a meeting is to be closed to the public, the Board or committee shall, within one day of the vote taken pursuant to paragraph (a), (b), (c), or (e) of this section, make publicly available a full written explanation of its action closing the portion together with a list of all persons expected to attend the meeting and their affiliation. The information required by this

45 CFR Ch. XVIII (10–1–24 Edition)

paragraph shall be disclosed except to the extent it is exempt from disclosure under the provisions of §1802.4.

(g) For every meeting closed pursuant to §1802.4, the General Counsel of the Harry S. Truman Scholarship Foundation shall certify before the meeting may be closed that, in his or her opinion, the meeting may be closed to the public and shall state each relevant exemptive provision. A copy of such certification, together with a statement from the presiding officer of the meeting setting forth the time and place of the meeting, and the persons present, shall be retained by the Board as part of the transcript, recording or minutes required by §1802.7.

§ 1802.7 Transcripts, recordings, minutes of meetings.

(a) The Board of Trustees shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting, or portion of a meeting, closed to the public, except that in the case of a meeting closed to the public pursuant to paragraph (j) of §1802.4, the Board shall maintain either such a transcript or recording, or a set of minutes.

(b) Where minutes are maintained they shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons for such actions, including a description of each of the views expressed on any item and the record of any roll call vote (reflecting the vote of each member on the question). All documents considered in connection with any action shall be identified in such minutes.

(c) The Board shall maintain a complete verbatim copy of the transcript, a complete copy of the minutes, or a complete electronic recording of each meeting or portion of a meeting, closed to the public, for a period of at least two years after such meeting, or until one year after the conclusion of any Board proceeding with respect to which the meeting or portion was held, whichever occurs later.

(d) Public availability of records shall be as follows:

Harry S. Truman Scholarship Foundation

§ 1803.3

(1) Within ten days of receipt of a request for information (excluding Saturdays, Sundays, and legal public holidays), the Foundation shall make available to the public, in the offices of the Harry S. Truman Scholarship Foundation, 712 Jackson Place NW., Washington, DC, the transcript, electronic recording, or minutes of the discussion of any item on the agenda, or of any item of the testimony of any witness received at the meeting except for such item or items of such discussion or testimony as the General Counsel determines to contain information which may be withheld under §1802.4.

(2) Copies of such transcript, or minutes, or a transcription of such recording disclosing the identity of each speaker, shall be available at the actual cost of duplication or transcription.

(3) The determination of the General Counsel to withhold information pursuant to paragraph (d)(1) of this section may be appealed to the Board. The appeal shall be circulated to individual Board members. The Board shall make a determination to withhold or release the requested information within twenty days from the date of receipt of a written request for review (excluding Saturdays, Sundays, and legal public holidays).

(4) A written request for review shall be deemed received by the Board when it has arrived at the offices of the Board in a form that describes in reasonable detail the material sought.

§ 1803.7

Executive Secretary finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this regulation.

§ 1803.6 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity subject to this part.

(b) The Foundation may not, either directly or through arrangements with others, on the basis of handicap—

(1) Discriminate against a qualified individual with handicaps in the award or renewal of scholarships, through selection criteria or otherwise;

(2) Deny a qualified individual with handicaps the opportunity to participate as a member of boards or panels used to screen scholarship applicants;

(3) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards; or

(4) Otherwise subject a qualified individual with handicaps to discrimination.

(c) The Foundation may not, either directly or through arrangements with others, utilize criteria or methods of administration the purpose or effect of which would—

(1) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(2) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(d) The Foundation shall administer programs and activities in the most feasibly integrated setting appropriate to the needs of qualified individuals with handicaps.

§ 1803.7 Program accessibility: Existing facilities.

(a) The Foundation shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not necessarily require the Foundation to make each of

its existing facilities accessible to and usable by individuals with handicaps, but no qualified individual with handicaps shall be denied the benefit of, be excluded from participation in, or otherwise be subjected to discrimination under any of the Foundation's programs and activities because any of the Foundation's facilities are inaccessible to or unusable by individuals with handicaps.

(b) When the Foundation uses facilities leased or otherwise provided by the General Services Administration (GSA), it shall request GSA to make any structural changes that the Foundation determines are required to provide necessary accessibility for individuals with handicaps, and shall inform that agency of any complaints regarding accessibility by individuals with handicaps.

(c) The Foundation periodically uses meeting rooms or similar facilities made available by non-federal entities. In any instances in which such temporarily used facilities are not readily accessible to qualified individuals with handicaps, the Foundation shall make alternative arrangements so that such qualified individuals with handicaps can participate fully in the Foundation's activity.

(d) This section does not require the Foundation to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Foundation personnel believe that the proposed action would fundamentally alter a program or activity or would result in undue financial and administrative burdens, the Foundation has the burden of proving that compliance with paragraph (a) of this section would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Executive Secretary after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or

§ 1803.8

such burdens, the Foundation shall take other action not resulting in such an alteration or such burdens, but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the programs or activities.

§ 1803.8 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the Foundation shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§ 1803.9 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the Foundation. The definitions, requirements and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§ 1803.10 Communications.

(a) The Foundation shall take appropriate steps to assure that interested persons, including persons with impaired vision or hearing, can effectively communicate with the Foundation and obtain information as to the existence and availability of the Foundation's programs and activities.

(1) The Foundation shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in the scholarship interview process or other programs or activities conducted by the Foundation.

(i) In determining what type of auxiliary aid is necessary, the Foundation shall give primary consideration to the requests of the individual with handicaps.

45 CFR Ch. XVIII (10-1-24 Edition)

(ii) The Foundation need not provide individually prescribed devices or other devices of a personal nature.

(2) When the Foundation communicates with applicants and beneficiaries by telephone, the Foundation shall use, for persons with impaired hearing, a telecommunication device for deaf persons or equally effective telecommunication device.

(b) The Foundation shall take appropriate steps to provide individuals with handicaps with information regarding their section 504 rights under the Foundation's programs or activities.

(c) This section does not require the Foundation to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where Foundation personnel believe that the proposed action would fundamentally alter a program or activity or would result in undue financial and administrative burdens, the Foundation has the burden of proving that compliance with paragraphs (a) and (b) of this section would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the Executive Secretary after considering all Foundation resources available for use in the funding and operation of a conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the Foundation shall take other action not resulting in such an alteration or such burdens, but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the programs or activities.

§ 1803.11 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the Foundation.

(b) The Foundation shall process complaints alleging violations of § 504

Harry S. Truman Scholarship Foundation

§ 1803.11

with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) Responsibility for implementation and operation of this section shall be vested in the Executive Secretary.

(d) The Foundation shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The Foundation may extend this time period for good cause.

(e) If the Foundation receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate government entity.

(f) The Foundation shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is used by the Foundation that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) The Foundation shall notify the complainant of the results of the investigation within 90 days of the receipt of a complete complaint over which it has

jurisdiction. Notification must be in a letter, and must include—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation discovered; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by paragraph (f) of this section. The Foundation may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the General Counsel.

(j) The Foundation shall notify the complainant of the results of the appeal within 90 days of the receipt of the request. If the Foundation determines that it needs additional information from the complainant, it shall have 90 days from the date it receives the additional information to make its determination on the appeal.

(k) The time limits cited in paragraphs (g) and (h) of this section may be extended with the permission of the Assistant Attorney General.

(l) The Foundation may delegate its authority for conducting complaint investigations to other federal agencies, but may not delegate to another agency the authority for making the final determination.

(Shipstead-Luce Act, 46 Stat. 366 as amended (40 U.S.C. 121; D.C. Code 5-410).)

¹Alteration does not include razing (*Commissioner of the District of Columbia v. Bennenson*, D.C. Court of App. 1974, 329 A.2d 437). Partial demolition, however, is viewed as an alteration (*The Committee to Preserve Rhodes Tavern and the Natl. Processional Route v. Oliver T. Carr Company, et. al.*, U.S. Court of App. for D.C. (f) *Questions of art with which the Federal government is concerned.* When required to do so by the President or by Committees of either House of Congress, the Commission advises generally on questions of art, and whenever questions of such nature are submitted to it by an officer or department of the federal government the Commission advises and comments.

(g) *Commemorative works.* The Commemorative Works Act provides standards for placement of commemorative works on certain federal lands in the District of Columbia and its environs, and for other purposes; and requires site and design approval of all commemorative works by the Commission of Fine Arts, National Capital Planning Commission, and (as appropriate) the Secretary of Interior or the Administrator of General Services. The sponsoring agencies therefore shall submit designs to the Commission for review

(c) *Projects within the jurisdiction of the District of Columbia government.* The District of Columbia seeks Commission advice on exterior alteration or new construction of public buildings or major public works within its boundaries. The District of Columbia government also shall seek Commission advice on certain private construction requiring building or demolition permits from the D.C. Permit Branch (D.C. Law 5-422). These include certain actions by the District of Columbia government pursuant to either D.C. Law 5-422 or D.C. § 2102.3

Interested persons are permitted to attend meetings of the Commission, to file statements with the Commission at or before a meeting, and to appear before the Commission when it is in meeting, provided that an appearance is germane to the functions and policies of the Commission and to the matter or issues then before the Commission, and if the presentation or argument is made in a concise manner, within reasonable time limits and avoids duplicating information or views already before the Commission. The minutes and any completed reports, studies, agenda or other documents made available to, or prepared for or by, the Commission shall be available for public inspection and, at the requesting party's expense, for copying at the offices of the Commission.

Subpart B—Procedures on Submissions of Plans or Designs

§ 2102.10 Timing, scope and content of submissions for proposed projects involving land, buildings, or other structures.

(a) A party proposing a project which is within the purview of the Commission's functions under § 2101.1 (a), (b), or (c) should make a submission when concept plans for the project are ready but before detailed plans and specifications or working drawings are prepared. In order to assure that a submission will be considered at the next scheduled meeting of the Commission, it should be delivered to the Commission's offices not later than ten (10) working days before the meeting; if it is a project subject to review first by the Georgetown Board, not later than ten (10) working days before the Georgetown Board meeting. The Commission will attempt to consider a submission which is not made in conformity with this schedule, but it reserves the right to postpone consideration until its next subsequent meeting.

(b)(1) Each submission should state or disclose:

(i) The nature, location, and justification of the project, including any relevant historical information about the building or other structure to be altered or razed;

(ii) The identity of the owner or developer (or for public buildings, the governmental unit with authority to approve or act upon the plans) and of the architect;

(iii) The functions, uses, and purpose of the project; and

(iv) Other information to the extent it is relevant, such as area studies, site plans, building and landscape schematics, renderings, models, depictions or samples of exterior materials and

Commission of Fine Arts

§ 2102.12

components, and photographs of existing conditions to be affected by the project.

(2) Alternative proposals may be included within one submission. The information submitted shall be sufficiently complete, detailed, and accurate as will enable the Commission to judge the ultimate character, siting, height, bulk, and appearance of the project, in its entirety, including the grounds within the scope of the project, its setting and environs, and its effect upon existing conditions and upon historical and prevailing architectural values. Record drawings and photographs will be submitted by the applicant for a permanent Commission record of the submission.

(c) If a project consists of a first or intermediate phase of a contemplated larger program of construction, similar information about the eventual plans should accompany the submission. Even though a submission relates only to approval for razing or removal of a building or other structure, the project will be regarded as part of phased development, and the submission is subject to such requirement.

(d) If the project involves a statue, fountain or a monument within the purview of the Commission under § 2101.1 (a)(2), partial submissions should be made as appropriate to permit the Commission to advise on each aspect of the project as prescribed by the Commemorative Works Act (Pub. L. 99-652, H.R. 4378, 40 U.S.C. 1001).

(e) The Commission staff will advise owners and architects concerning the scope and content of particular submissions. Material relevant to the functions and policies of the Commission varies greatly depending upon the nature, size, and importance of the project to be reviewed by the Commission. Also, it is the policy of the Commission not to impose unnecessary burdens or delays on persons who make submissions to the Commission. However, the Commission at any meeting may decline to reach a conclusion about a proposed project if it deems the submission materials inadequate for its purposes, or it may condition its conclusions on the submission of further information to it at a later meeting or,

in its discretion, may delegate final action to the staff.

(f) The Commission staff, members of the Georgetown Board, interested members of the public, or the submitting party may augment any submission by additional relevant information made available to the Commission before or at the meeting where the submission is considered. The staff should also make information available concerning prior considerations or conclusions of the Commission regarding the same project or earlier versions of it.

§ 2102.11 Scope and content of submissions for proposed medals, insignia, coins, seals, and the like.

Each submission of the design for a proposed item which is within the Commission's purview under § 2101.1 (d) should identify the sponsoring government unit and disclose the uses and purpose of the item, the size and forms in which it will be produced, and the materials and finishes to be used, including colors if any, along with a sketch, model, or prototype.

§ 2102.12 Responses of Commission to submissions.

(a) The Commission before disposing of any project presented to it may ask for the proposed plans or designs to be changed in certain particulars and resubmitted, or for the opportunity to review plans, designs, and specifications in certain particulars at a later stage in their development, and to see samples or mock-ups of materials or components; and when appropriate in the matter of a statue or other object of art, the Commission may ask for the opportunity to see a larger or full-scale model. All conclusions, advice, or comments of the Commission which lead to further development of plans, designs, and specifications or to actual carrying out of the project are made in contemplation that such steps will conform in all substantial respects with the plans or designs submitted to the Commission, including only such changes as the Commission may have recommended; any other changes in plans or designs require further submission to the Commission.

(b) In the case of plans submitted with a permit application subject to

§ 2102.13

the Old Georgetown Act (§ 2101.1(c)), if the Commission does not respond with a report on such plans within forty-five days after their receipt by the Commission, its approval shall be assumed and a permit may be issued by the government of the District of Columbia.

(1) In the case of a concept application submitted for a project subject to the Old Georgetown Act (§ 2101.1(c)), the Commission's approval is valid for two years. At the end of the two years, the original owner for the project may submit a new concept application requesting to extend the approval for one more year. The Commission, however, may decline to extend its approval.

(2) [Reserved]

(c) In the case of plans submitted with a permit application subject to the Shipstead-Luce Act (§ 2101.1(b)), if the Commission does not respond with a report on such plans within thirty days after their receipt by the Commission, its approval shall be assumed and a permit may be issued by the government of the District of Columbia.

(1) In the case of a concept application for a project subject to the Shipstead-Luce Act (§ 2101.1(b)), the Commission's approval is valid for two years. At the end of the two years, the original owner for the project may submit a concept application requesting to extend the approval for one more year. The Commission, however, may decline to extend its approval.

(2) [Reserved]

(d) In the event that any project or item within the Commission's purview under 2101.1 has not progressed to a substantial start of construction or production within four years following the Commission meeting date on which the final design was approved, the Commission's approval is suspended. The plans or designs previously approved or alternative plans or designs, may thereupon be resubmitted for Commission review. The Commission's subsequent approval, if granted, shall remain in effect for four years.

PART 2103—STATEMENTS OF POLICY

AUTHORITY: Pub. L. 81-808, 64 Stat. 903; 40 U.S.C. 72, 104, 106, and 121; E.O. 1259 of October 25, 1910; E.O. 1862 of November 28, 1913; E.O. 3524 of July 28, 1921.

§ 2103.1 General approaches to review of plans by the Commission.

The Commission functions relate to the appearance of proposed projects within its purview as specified herein. These functions are to serve the purpose of conserving and enhancing the visual assets which contribute significantly to the character and quality of Washington as the nation's capital and

which appropriately reflect the history and features of its development over two centuries. Where existing conditions detract from the overall appearance of official Washington or historic Georgetown—such as conditions caused by temporary, deteriorated, or abandoned buildings of little or no historical or architectural value, by interrupted developments, or by vacant lots not devoted to public use as parks or squares—the Commission will favor suitable corrections to these conditions. When changes or additions are proposed in other circumstances, the Commission may consider whether the public need or value of the project or the private interests to be served thereby justify making any change or addition, and it will consider whether the project can be accomplished in reasonable harmony with the nearby area, with a minimum loss of attractive features of the existing building or site, with due deference to the historical and architectural values affected, and without creating an anomalous disturbing element in the public view of the city.

(vi) Otherwise limit a qualified handicapped person in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified handicapped person the opportunity to participate in programs or activities that are not separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified handicapped persons to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a

program or activity with respect to handicapped persons.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude handicapped persons from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to handicapped persons.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified handicapped persons to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified handicapped persons to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified handicapped persons to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to handicapped persons or the exclusion of a specific class of handicapped persons from a program limited by Federal statute or Executive order to a different class of handicapped persons is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified handicapped persons.

§§ 2104.131-2104.139 [Reserved]

§ 2104.140 Employment.

No qualified handicapped person shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of

Commission of Fine Arts

§2104.150

1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1613, shall apply to employment in federally conducted programs or activities.

§§ 2104.141–2104.148 [Reserved]

§2104.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in §2104.150, no qualified handicapped person shall, because the agency's facilities are inaccessible to or unusable by handicapped persons, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§2104.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by handicapped persons. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by handicapped persons;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2104.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by

a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that handicapped persons receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by handicapped persons. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified handicapped persons in the most integrated setting appropriate.

(2) *Historic preservation programs.* In meeting the requirements of §2104.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to handicapped persons. In cases where a physical alteration to an historic property is not required because of §2104.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

§2104.151

(ii) Assigning persons to guide handicapped persons into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by October 21, 1986, except that where structural changes in facilities are undertaken, such changes shall be made by August 22, 1989, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by February 23, 1987 a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including handicapped persons or organizations representing handicapped persons, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to handicapped persons;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§2104.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by handicapped persons. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151-4157), as established

45 CFR Ch. XXI (10-1-24 Edition)

in 41 CFR 101-19.600 to 101-19.607, apply to buildings covered by this section.

§§2104.152-2104.159 [Reserved]

§2104.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford a handicapped person an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the handicapped person.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf person (TDD's) or equally effective telecommunication systems shall be used.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2104.160 would result in such alteration or burdens.

Commission of Fine Arts

§2104.170

The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, handicapped persons receive the benefits and services of the program or activity.

§§2104.161–2104.169 [Reserved]

§2104.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs or activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1613 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Secretary, Commission of Fine Arts, shall be responsible for coordinating implementation of this section. Complaints may be sent to Secretary, Commission of Fine Arts, 708 Jackson Place NW., Washington, DC 20006.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable ef-

forts to refer the complaint to the appropriate government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), or section 502 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 792), is not readily accessible to and usable by handicapped persons.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §2104.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

APPENDIX A TO PART 2105—FEE SCHEDULE

AUTHORITY: 5 U.S.C. 552, as amended by Public Law 110-175, 121 Stat. 2524 and Pub. L. 114-185, 130 Stat. 538.

SOURCE: 84 FR 27722, June 14, 2019, unless otherwise noted.

Subpart A—Introduction

§ 2105.1 What should you know up front?

- (a) This part contains the rules that the Agency follows in processing records under the Freedom of Information Act (FOIA), 5 U.S.C. 552.
(b) Definitions of terms used in this part are found at § 2105.67.
(c) This part should be read in conjunction with the text of the FOIA and the OMB Fee Guidelines.
(d) This part does not entitle any person to any service or to the disclosure of any record that is not required under the FOIA.
(e) You are encouraged to review the Agency's FOIA libraries before filing a FOIA request. The material you seek may be immediately available electronically at no cost.

§ 2105.2 What kinds of records are not covered by the regulations in this part?

In the event that the Agency identifies records that may be subject to exclusion from the requirements of the FOIA pursuant to 5 U.S.C. 552(c), the agency must confer with legal counsel and the Department of Justice, Office of Information Policy, to obtain approval to apply the exclusion.

Subpart B—How To Make a Request

§ 2105.3 Where should you send a FOIA request?

- (a) To make a request for Agency records, you must contact the Agency directly.
(b) Address requests to the FOIA Officer found in the Agency contacts at <https://www.cfa.gov/foia>.

§ 2105.4 How should you describe the records you seek?

- (a) You must reasonably describe the records sought. A reasonable description contains sufficient detail to enable Agency personnel familiar with the subject matter of the request to locate the records with a reasonable amount of effort.
(b) You should include as much detail as possible about the specific records or types of records that you are seeking. This will assist the Agency in identifying the requested records (for example, time frames involved or specific personnel who may have the requested records). For example, whenever possible, identify:
(1) The date, title or name, author, recipient, and subject of any particular records you seek;
(2) The office that created the records you seek;
(3) The timeframe for which you are seeking records; and
(4) Any other information that will assist the Agency in locating the records.
(c) The Agency's FOIA Officer or Public Liaison can assist you in formulating or reformulating a request in an effort to better identify the records you seek.

§2105.5

(d) If the Agency determines that your request does not reasonably describe the records sought, the Agency will inform you what additional information you need to provide in order to reasonably describe the records that you seek so the requested records can be located with a reasonable amount of effort. The Agency will also notify you that it will not be able to comply with your request unless the additional information it has requested is received from you in writing within 20 workdays after the Agency has requested it and that you may appeal its determination. If you receive this type of notification, you may wish to discuss it with the Agency's designated FOIA contact or the FOIA Public Liaison (*see* §2105.63). If the Agency does not receive your written response containing the additional information within 20 workdays after the Agency has requested it, the Agency will presume that you are no longer interested in the records and will close the file on the request.

§2105.5 How will fee information affect the processing of your request?

(a) Your request should state that you will pay all fees associated with processing the request, that you will pay fees up to a specified amount, and/or that you are seeking a fee waiver.

(b) If the Agency anticipates that the fees for processing the request will exceed the amount you have agreed to pay, or if you did not agree in writing to pay processing fees or request a fee waiver and the Agency anticipates the processing costs will exceed \$50 (*see* §2105.35(g)) or will exceed your entitlements (*see* §2105.37), the Agency will notify you:

- (1) Of the estimated processing fees;
- (2) Of its need for either an advance payment (*see* §2105.48) or your written assurance that you will pay the anticipated fees (or fees up to a specified amount); and
- (3) That it will not be able to fully comply with your request unless you provide a fee waiver request and/or the requested written assurance or advance payment.

(c) If the Agency does not receive a written response from you within 20 workdays after requesting the information in paragraph (b) of this section, it

45 CFR Ch. XXI (10–1–24 Edition)

will presume that you are no longer interested in the records and will close the file on the request.

(d) If you are seeking a fee waiver, your request must include a justification that addresses and meets the criteria in §§2105.43 and 2105.46. Failure to provide sufficient justification will result in a denial of the fee waiver request. If you are seeking a fee waiver, you may also indicate the amount you are willing to pay if the fee waiver is denied. This allows the Agency to process the request for records while it considers your fee waiver request.

(e) If you are required to pay a fee and it is later determined on appeal that you were entitled to a full or partial fee waiver, you will receive an appropriate refund.

§2105.6 What information should you include about your fee category?

(a) A request should indicate your fee category (that is, whether you are a commercial-use requester, news media, educational or noncommercial scientific institution, or other requester as described in §§2105.36 and 2105.37).

(b) If you submit a FOIA request on behalf of another person or organization (for example, if you are an attorney submitting a request on behalf of a client), the Agency will determine the fee category by considering the underlying requester's identity and intended use of the information.

(c) If your fee category is unclear, the Agency may ask you for additional information (*see* §2105.49).

§2105.7 Can you ask for records to be disclosed in a particular form or format?

(a) Generally, you may choose the form or format of disclosure for records requested. The Agency must provide the records in the requested form or format if the Agency can readily reproduce the record in that form or format.

(b) The Agency may charge you the direct costs involved in converting records to the requested format if the Agency does not normally maintain the records in that format (*see* §2105.42).

Commission of Fine Arts

§2105.12

§2105.8 What if your request seeks records about another person?

(a) When a request seeks records about another person, you may receive greater access by submitting proof that the person either:

(1) Consents to the release of the records to you (for example, a notarized authorization signed by that person); or

(2) Is deceased (for example, a copy of a death certificate or an obituary).

(b) The Agency can require you to supply additional information if necessary to verify that a particular person has consented to disclosure or is deceased.

§2105.9 May you ask for the processing of your request to be expedited?

You may ask for the processing of your request to be expedited. If you are seeking expedited processing, your request must include a justification that addresses and meets the criteria in §2105.18 and includes the certification required at §2105.18(b)(2).

§2105.10 What contact information should your request include?

A request should include your name and a way (such as a mailing or email address) for the Agency to send responsive records to you and/or to request additional information or clarification of your request. You may also wish to include a daytime telephone number (or the name and telephone number of an appropriate contact).

Subpart C—Processing Requests

§2105.11 What should you know about how the Agency processes requests?

(a) Except as described in §2105.12, the Agency is responsible for responding to the request and for making a reasonable effort to search for responsive records.

(b) In determining which records are responsive to a request, the Agency will include only records in its possession and control on the date that it begins its search.

(c) The Agency will make reasonable efforts to search for the requested records. As part of its reasonable efforts, the Agency will search paper and/

or electronic records (for example, emails), as appropriate. The Agency will not search for records in an electronic form or format if these efforts would significantly interfere with the operation of the Agency's automated information system.

(d) If the Agency receives a request for records in its possession that it did not create or that another Federal agency is substantially concerned with, it may undertake consultations and/or referrals as described in §2105.12.

§2105.12 How do consultations and referrals work?

(a) Consultations and referrals generally occur outside the Agency.

(1) Paragraphs (b) through (f) of this section address consultations and referrals that occur outside the Agency when the Agency has responsive records.

(2) Paragraph (g) of this section addresses what happens when the Agency has no responsive records but believes responsive records may be in the possession of a Federal agency outside the Agency.

(b) If, while responding to a request, the Agency locates records that originated with another Federal agency, it usually will refer the request and any responsive records to that other agency for a release determination and direct response.

(c) If the Agency refers records to another agency, it will document the referral and maintain a copy of the records that it refers and notify you of the referral in writing. When the Agency notifies you of the referral, it will tell you whether the referral was for part or all of your request and provide the name and contact information for the other agency. You may treat such a response as a denial of records and file an appeal, in accordance with the procedures in §2105.56.

(d) The standard referral procedure is not appropriate where disclosure of the identity of the Agency to which the referral would be made could harm an interest protected by an applicable exemption, such as the exemptions that protect personal privacy or national security interests. In such instances, in order to avoid harm to an interest protected by an applicable exemption, the

§2105.13

Agency that received the request will coordinate with the originating agency and seek its views on the disclosability of the record. The release determination for the record that is the subject of the coordination will then be conveyed to the requester by the Agency that originally received the request.

(e) If the Agency locates records that originated with another Federal agency while responding to a request, the Agency will make the release determination itself (after consulting with the originating agency) when:

(1) The record is of primary interest to the Agency (for example, a record may be of primary interest to the Agency if it was developed or prepared according to the Agency's regulations or directives, or in response to an Agency request);

(2) The Agency is in a better position than the originating agency to assess whether the record is exempt from disclosure;

(3) The originating agency is not subject to the FOIA; or

(4) It is more efficient or practical depending on the circumstances.

(f) On receipt of any request involving classified information, the Agency will determine whether the information is currently and properly classified in accordance with applicable classification rules. Whenever a request involves a record containing information that has been classified or may be appropriate for classification by another agency under any applicable Executive order concerning the classification of records, the receiving agency will refer the responsibility for responding to the request regarding that information to the agency that classified the information, or that should consider the information for classification. Whenever the Agency's record contains information that has been derivatively classified (for example, when it contains information classified by another agency), the Agency will refer the responsibility for responding to that portion of the request to the agency that classified the underlying information.

(g) If the Agency receives a request for records not in its possession, but that the Agency believes may be in the possession of a Federal agency outside the Agency, the Agency will return the

45 CFR Ch. XXI (10–1–24 Edition)

request to you, may advise you to submit it directly to the other agency, will notify you that the Agency cannot comply with the request, and will close the request. If you believe this response was in error, you may file an appeal in accordance with the procedures in §2105.56.

Subpart D—Timing of Responses to Requests

§2105.13 In what order are responses usually made?

The Agency ordinarily will respond to requests according to their order of receipt within their processing track.

§2105.14 What is multitrack processing and how does it affect your request?

(a) Processing tracks are used to distinguish simple requests from more complex ones on the basis of the estimated number of workdays needed to process the request.

(b) In determining the number of workdays needed to process the request, the Agency considers factors such as the number of pages involved in processing the request or the need for consultations.

(c) The basic processing tracks are designated as follows:

(1) Simple: Requests in this track will take between one to five workdays to process;

(2) Normal: Requests in this track will take between six to twenty workdays to process;

(3) Complex: Requests in this track will take between twenty-one workdays and sixty workdays to process; or

(4) Voluminous: Requests in this track involve very complex processing challenges, which may include a large number of potentially responsive records, and will take over sixty workdays to process.

(d) The Agency also has a specific processing track for requests that are granted expedited processing under the standards in §2105.18. These requests will be processed as soon as practicable.

(e) The Agency must advise you of the track into which your request falls and, when appropriate, will offer you an opportunity to narrow your request

Commission of Fine Arts

§2105.18

so that it can be placed in a different processing track. If you request placement in a particular processing track but the Agency places you in a different processing track, the Agency will provide you with an explanation of why you were not placed in the processing track you requested.

(f) The use of multitrack processing does not alter the statutory deadline for an Agency to determine whether to comply with your FOIA request (*see* §2105.15).

(g) You may inquire about the status of your request, including its estimated processing completion date, by contacting the FOIA Public Liaison, whose contact information may be found at <https://www.cfa.gov/foia>.

§2105.15 What is the basic time limit for responding to a request?

(a) Ordinarily, the Agency has 20 workdays (including the date of receipt) to determine whether to comply with a request, but unusual circumstances may allow the Agency to take longer than 20 workdays (*see* §2105.17).

(b) A consultation or referral under §2105.12 does not restart the statutory time limit for responding to a request.

§2105.16 When can the Agency suspend the basic time limit?

(a) The basic time limit in §2105.15 may be temporarily suspended for the time it takes you to respond to one written communication from the Agency reasonably asking for clarifying information.

(b) The basic time limit in §2105.15 may also repeatedly be temporarily suspended for the time it takes you to respond to written communications from the Agency that are necessary to clarify issues regarding fee assessment (*see* §2105.49).

§2105.17 When may the Agency extend the basic time limit?

(a) The Agency may extend the basic time limit, if unusual circumstances exist, by notifying you in writing of:

(1) The unusual circumstances involved; and

(2) The date by which it expects to complete processing the request.

(b) If the processing time will extend beyond a total of 30 workdays, the Agency will:

(1) Give you an opportunity to limit the scope of the request or agree to an alternative time period for processing; and

(2) Make available its FOIA Public Liaison (*see* §2105.63) to assist in resolving any disputes between you and the Agency, and notify you of your right to seek dispute resolution from the Office of Government Information Services (OGIS).

(c) If the Agency extends the time limit under this section and you do not receive a response in accordance with §2105.15(a) in that time period, you may consider the request denied and file an appeal in accordance with the procedures in §2105.56.

(d) Your refusal to reasonably modify the scope of a request or arrange an alternative time frame for processing a request after being given the opportunity to do so may be considered for litigation purposes as a factor when determining whether exceptional circumstances exist.

§2105.18 When will expedited processing be provided and how will it affect your request?

(a) The Agency will provide expedited processing upon request if you demonstrate to the satisfaction of the Agency that there is a compelling need for the records. The following circumstances demonstrate a compelling need:

(1) Where failure to expedite the request could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(2) Where there is an urgency to inform the public about an actual or alleged Federal Government activity and the request is made by a person primarily engaged in disseminating information.

(i) In most situations, a person primarily engaged in disseminating information will be a representative of the news media.

§ 2105.19

(ii) If you are not a full time member of the news media, to qualify for expedited processing here, you must establish that your main professional activity or occupation is information dissemination, although it need not be your sole occupation.

(iii) The requested information must be the type of information which has particular value that will be lost if not disseminated quickly; this ordinarily refers to a breaking news story of general public interest.

(iv) Information of historical interest only or information sought for litigation or commercial activities would not qualify, nor would a news media deadline unrelated to breaking news.

(b) If you seek expedited processing, you must submit a statement that:

(1) Explains in detail how your request meets one or both of the criteria in paragraph (a) of this section; and

(2) Certifies that your explanation is true and correct to the best of your knowledge and belief.

(c) You may ask for expedited processing of your request by writing to the appropriate FOIA contact in the Agency that maintains the records requested any time before the Agency issues its final response to your request. When making a request for expedited processing of an administrative appeal, submit the request to the appropriate deciding official for FOIA appeals.

(d) The Agency must notify you of its decision to grant or deny expedited processing within 10 calendar days of receiving an expedited processing request.

(e) If expedited processing is granted, the request will be given priority, placed in the processing track for expedited requests, and be processed as soon as practicable.

(f) If expedited processing is denied, the Agency will:

(1) Inform you of the basis for the denial, including an explanation of why the expedited processing request does not meet the Agency's expedited processing criteria under this section; and

(2) Notify you of the right to appeal the decision on expedited processing in accordance with the procedures in subpart H of this part.

45 CFR Ch. XXI (10–1–24 Edition)

(g) If you appeal the Agency's expedited processing decision, that portion of your appeal (if it is properly formatted under § 2105.56) will be processed before appeals that do not challenge expedited processing decisions.

(h) If the Agency has not responded to the request for expedited processing within 10 calendar days, you may file an appeal (for nonresponse in accordance with § 2105.54(a)(8)).

Subpart E—Responses to Requests

§ 2105.19 How will the Agency respond to requests?

(a) When the Agency informs you of its decision to comply with a request by granting, partially granting, or denying the request, it will do so in writing and in accordance with the deadlines in subpart D of this part. The Agency's written response will include a statement about the services offered by its FOIA Public Liaison. The Agency's written response will also include a statement about the services offered by the Office of Government Information Services (OGIS).

(b) If the Agency determines that your request will take longer than 10 workdays to process, the Agency immediately will send you a written acknowledgment that includes the request's individualized tracking number and processing track (*see* § 2105.14(e)). The acknowledgement may also include a brief description of the subject of your request.

§ 2105.20 How will the Agency grant requests?

(a) Once the Agency makes a determination to grant a request in full or in part, it must notify you in writing.

(b) The notification will inform you of the availability of its FOIA Public Liaison to offer assistance, and of any fees charged under subpart G of this part.

(c) The Agency will release records (or portions of records) to you promptly upon payment of any applicable fees (or before then, at its discretion).

(d) If the records (or portions of records) are not included with the Agency's notification, the Agency will advise you how, when, and where the

Commission of Fine Arts

§ 2105.24

records will be released or made available.

§ 2105.21 When will the Agency deny a request or procedural benefits?

(a) The Agency denies a request when it makes a decision that:

(1) A requested record is exempt, in full or in part;

(2) The request does not reasonably describe the records sought;

(3) A requested record does not exist, cannot be located, or is not in the Agency's possession and/or control; or

(4) A requested record is not readily reproducible in the form or format you seek.

(b) The Agency denies a procedural benefit only, and not access to the underlying records, when it makes a decision that:

(1) A fee waiver, or another fee-related issue, will not be granted; or

(2) Expedited processing will not be provided.

(c) The Agency must consult with legal counsel before it denies a fee waiver request or withholds all or part of a requested record.

§ 2105.22 How will the Agency deny requests?

(a) The Agency must notify you in writing of any denial of your request.

(b) The denial notification must include:

(1) The name and title or position of the person responsible for the denial, along with an office phone number or email address;

(2) A statement of the reasons for the denial;

(3) A reference to any FOIA exemption applied by the Agency to withhold records in full or in part, along with a statement that the Agency reasonably foresees that disclosure would harm an interest protected by the applied exemption(s) or disclosure is prohibited by law;

(4) An estimate of the volume of any records withheld in full or in part (for example, by providing the number of pages or some other reasonable form of estimation), unless including an estimate would harm an interest protected by an exemption used to withhold the records and the Agency explains this harm to you;

(5) The name and title of legal counsel consulted (if the Agency is denying a fee waiver request or withholding all or part of a requested record);

(6) Advisement of the right to seek dispute resolution services from the Agency's FOIA Public Liaison and the Office of Government Information Services (OIGS); and

(7) A statement that the denial may be appealed under subpart H of this part and a description of the procedures in subpart H of this part.

§ 2105.23 What if the requested records contain both exempt and non-exempt material?

If responsive records contain both exempt and nonexempt material, the Agency will consult with legal counsel, as discussed in § 2105.21(c). After consultation, the Agency will partially grant and partially deny the request by:

(a) Segregating and releasing the nonexempt information, unless the nonexempt material is so intertwined with the exempt material that disclosure of it would leave only meaningless words and phrases;

(b) Indicating on the released portion of the record the amount of information deleted and the FOIA exemption under which the deletion was made, unless doing so would harm an interest protected by the FOIA exemption used to withhold the information; and

(c) If technically feasible, indicating the amount of information deleted and the FOIA exemption under which the deletion was made at the place in the record where the deletion was made.

Subpart F—Handling Confidential Information

§ 2105.24 May submitters of possibly confidential information designate information as confidential when making submissions?

(a) The Agency encourages, but does not require, submitters to designate confidential information in good faith (in other words, to identify specific information as information the submitter considers protected from disclosure under Exemption 4 of the FOIA, found at 5 U.S.C. 552(b)(4)), at the time

§ 2105.25

45 CFR Ch. XXI (10–1–24 Edition)

of submission or reasonably soon thereafter.

(b) The designations discussed in paragraph (a) of this section assist the Agency in identifying what information obtained from the submitter is possibly confidential and triggers the requirement for Agency-provided notifications under § 2105.25(a)(1).

§ 2105.25 When will the Agency notify a submitter of a request for their possibly confidential information?

(a) Except as outlined in § 2105.27, an Agency must promptly notify a submitter in writing when it receives a FOIA request if:

(1) The requested information has been designated by the submitter as confidential information under § 2105.24(a); or

(2) The requested information has not been designated as confidential information by the submitter under § 2105.24(a), but the Agency identifies it as possibly confidential information.

(b) If a voluminous number of submitters are involved, the Agency may publish a notice in a manner reasonably calculated to reach the attention of the submitters (for example, in newspapers or newsletters, the Agency's website, or the FEDERAL REGISTER) instead of providing a written notice to each submitter.

§ 2105.26 What information will the Agency include when it notifies a submitter of a request for their possibly confidential information?

A notice to a submitter must include:

(a) Either a copy of the request, the exact language of the request, or (for notices published under § 2105.25(b)) a general description of the request;

(b) Either a description of the possibly confidential information located in response to the request or a copy of the responsive records, or portions of records, containing the information;

(c) A description of the procedures for objecting to the release of the possibly confidential information under §§ 2105.28 and 2105.29;

(d) A time limit for responding to the Agency—no less than 10 workdays from receipt or publication of the notice (as set forth in § 2105.25(b))—to object to the release and to explain the basis for the objection;

(e) Notice that information contained in the submitter's objections may itself be subject to disclosure under the FOIA;

(f) Notice that the Agency, not the submitter, is responsible for deciding whether the information will be released or withheld;

(g) A request for the submitter's views on whether they still consider the information to be confidential if the submitter designated the material as confidential commercial or financial information 10 or more years before the request; and

(h) Notice that failing to respond within the time frame specified under paragraph (d) of this section will create a presumption that the submitter has no objection to the disclosure of the information in question.

§ 2105.27 When will the Agency not notify a submitter of a request for their possibly confidential information?

The notice requirements of § 2105.26 will not apply if:

(a) The information has been lawfully published or officially made available to the public; or

(b) Disclosure of the information is required by a statute other than the FOIA or by a regulation (other than this part) issued in accordance with the requirements of Executive Order 12600.

§ 2105.28 How and when may a submitter object to the disclosure of confidential information?

(a) If a submitter has any objections to the disclosure of confidential information, the submitter should provide a detailed written statement to the Agency that specifies all grounds for withholding the particular information under any FOIA exemption (see § 2105.29 for further discussion of Exemption 4 objection statements).

(b) A submitter who does not respond within the time period specified under § 2105.26(d) will be considered to have no objection to disclosure of the information. Responses received by the Agency after this time period will not be considered by the Agency unless the appropriate Agency FOIA contact determines, in his or her sole discretion, that good cause exists to accept the late response.

Commission of Fine Arts

§ 2105.35

§ 2105.29 What must a submitter include in a detailed Exemption 4 objection statement?

If a submitter has any objections to disclosure, it should provide the Agency a detailed written statement that specifies all grounds for withholding the particular information under any exemption of the FOIA. In order to rely on Exemption 4 as basis for nondisclosure, the submitter must explain why the information constitutes a trade secret or commercial or financial information that is confidential.

§ 2105.30 How will the Agency consider the submitter's objections?

(a) The Agency must carefully consider a submitter's objections and specific grounds for nondisclosure in deciding whether to disclose the requested information.

(b) The Agency, not the submitter, is responsible for deciding whether the information will be released or withheld.

§ 2105.31 What if the Agency determines it will disclose information over the submitter's objections?

If the Agency decides to disclose information over the objection of a submitter, the Agency must notify the submitter by certified mail or other traceable mail, return receipt requested. The notification must be sent to the submitter's last known address and must include:

(a) The specific reasons why the Agency determined that the submitter's disclosure objections do not support withholding the information;

(b) Copies of the records or information the Agency intends to release; and

(c) Notice that the Agency intends to release the records or information no less than 10 workdays after receipt of the notice by the submitter.

§ 2105.32 Will a submitter be notified of a FOIA lawsuit?

If you file a lawsuit seeking to compel the disclosure of confidential information, the Agency must promptly notify the submitter.

§ 2105.33 Will you receive notification of activities involving the submitter?

If any of the following occur, the Agency will notify you:

(a) The Agency provides the submitter with notice and an opportunity to object to disclosure;

(b) The Agency notifies the submitter of its intent to disclose the requested information; or

(c) A submitter files a lawsuit to prevent the disclosure of the information.

§ 2105.34 Can an Agency release information protected by Exemption 4?

If an Agency determines that the requested information is protected from release by Exemption 4 of the FOIA, the Agency has no discretion to release the information. Release of information protected from release by Exemption 4 is prohibited by the Trade Secrets Act, a criminal provision found at 18 U.S.C. 1905.

Subpart G—Fees

§ 2105.35 What general principles govern fees?

(a) The Agency will charge for processing requests under the FOIA in accordance with this subpart and with the OMB Fee Guidelines.

(b) The Agency may contact you for additional information to resolve fee issues.

(c) The Agency ordinarily will collect all applicable fees before sending copies of records to you.

(d) You may usually pay fees by check, certified check, or money order made payable to the "Department of Treasury."

(e) The Agency should ensure that it conducts searches, review, and duplication in the most efficient and the least expensive manner so as to minimize costs for both you and the Agency.

(f) If the Agency does not comply with any of the FOIA's statutory time limits:

(1) Except as provided in paragraph (f)(2) of this section, the Agency cannot assess any search fees (or, if you are in the fee category of a representative of the news media or an educational and noncommercial scientific institution, duplication fees).

§ 2105.36

(2)(i) If the Agency has determined that unusual circumstances apply (as the term is defined in § 2105.67) and the Agency provided you a timely written notice to extend the basic time limit in accordance with § 2105.17, the non-compliance is excused for an additional 10 workdays.

(ii) If the Agency has determined that unusual circumstances exist and more than 5,000 pages are necessary to respond to the request, the noncompliance is excused if the Agency has provided you a timely written notice in accordance with § 2105.17 and has discussed with you via written mail, email, or telephone (or made not less than 3 good-faith attempts to do so) how you could effectively limit the scope of the request.

(iii) If a court has determined that exceptional circumstances exist (as that term is defined in § 2105.67), the noncompliance is excused for the length of time provided by the court order.

(g) If the fee for processing your request is less than \$50, you will not be charged unless multiple requests are aggregated under § 2105.52 to an amount that is \$50 or more.

(h) If you fail to pay any FOIA-related fee within 30 calendar days of the date of billing, the processing of any new or ongoing requests and/or appeals from you shall ordinarily be suspended.

(i) If you would like to reformulate your request so it will meet your needs at a lower cost, you may wish to seek

45 CFR Ch. XXI (10–1–24 Edition)

assistance from the Agency's designated FOIA contact or its FOIA Public Liaison (*see* § 2105.63).

§ 2105.36 What are the requester fee categories?

(a) There are three categories of requesters for the purposes of determining fees:

(1) Commercial-use;

(2) Educational and noncommercial scientific institutions and representatives of news media; and

(3) All others.

(b) If you do not submit sufficient information in your FOIA request for the Agency to determine your proper fee category, the Agency may ask you to provide additional information (*see* § 2105.49). If you request placement in a particular fee category but the Agency places you in a different fee category, the Agency will provide you with an explanation of why you were not placed in the fee category you requested (for example, if you were placed in the commercial use requester category rather than the category you requested, the Agency will describe how the records would further your commercial, trade, or profit interests).

(c) See § 2105.67 for the definitions of each of these fee categories.

§ 2105.37 How does your requester category affect the fees you are charged?

You will be charged as shown in the following table:

TABLE 1 TO § 2105.37

Requester category	Search fees	Review fees	Duplication fees
Commercial use requester	Yes	Yes	Yes.
Educational and noncommercial scientific institutions and representative of news media requester.	No	No	Yes (first 100 pages, or equivalent volume, free).
All other requesters	Yes (first two hours free)	No	Yes (first 100 pages, or equivalent volume, free).

§ 2105.38 How will fee amounts be determined?

(a) The Agency will charge the types of fees discussed in this subpart unless a waiver of fees is required under § 2105.37 or has been granted under § 2105.43.

(b) Because the types of fees discussed in this subpart already account for the overhead costs associated with a given fee type, the Agency should not add any additional costs to those charges.

Commission of Fine Arts

§ 2105.42

§ 2105.39 What search fees will you have to pay?

(a) The Agency will charge search fees for all requests, subject to the restrictions of §§ 2105.35(f), 2105.37, and 2105.38(a). The Agency may charge you for time spent searching even if it does not locate any responsive records or if it determines that the records are entirely exempt from disclosure.

(b) For each quarter hour spent by personnel searching for requested records, including electronic searches that do not require new programming, the fees will be the average hourly General Schedule (GS) base salary, plus the District of Columbia locality payment, plus 16 percent for benefits, of employees in the following three categories, as applicable:

(1) Clerical—Based on GS-6, Step 5, pay (all employees at GS-7 and below are classified as clerical for this purpose);

(2) Professional—Based on GS-11, Step 7, pay (all employees at GS-8 through GS-12 are classified as professional for this purpose); and

(3) Managerial—Based on GS-14, Step 2, pay (all employees at GS-13 and above are classified as managerial for this purpose).

(c) You can review the current fee schedule for the categories discussed in paragraph (b) of this section at <https://www.cfa.gov/foia>.

(d) Some requests may require retrieval of records stored at a Federal records center operated by the National Archives and Records Administration. For these requests, the Agency will charge additional costs in accordance with the Transactional Billing Rate Schedule established by the National Archives and Records Administration.

§ 2105.40 What duplication fees will you have to pay?

(a) The Agency will charge duplication fees, subject to the restrictions of §§ 2105.35(f), 2105.37, and 2105.38(a).

(b) If photocopies or scans are supplied, the Agency will provide one copy per request at the cost determined by the table in appendix A to this part.

(c) For other forms of duplication, the Agency will charge the actual costs of producing the copy, including the

time spent by personnel duplicating the requested records. For each quarter hour spent by personnel duplicating the requested records, the fees will be the same as those charged for a search under § 2105.39(b).

(d) If the Agency must scan paper records to accommodate your preference to receive records in an electronic format or print electronic records to accommodate your preference to receive records in a paper format, you will pay both the per page amount noted in appendix A to this part and the time spent by personnel scanning or printing the requested records. For each quarter hour spent by personnel scanning or printing the requested records, the fees will be the same as those charged for a search under § 2105.39(b).

§ 2105.41 What review fees will you have to pay?

(a) The Agency will charge review fees if you make a commercial-use request, subject to the restrictions of §§ 2105.35(f), 2105.37, and 2105.38(a).

(b) The Agency will assess review fees in connection with the initial review of the record (the review conducted by the Agency to determine whether an exemption applies to a particular record or portion of a record).

(c) The Agency will not charge for reviews at the administrative appeal stage of exemptions applied at the initial review stage. However, if the appellate authority determines that an exemption no longer applies, any costs associated with the Agency's re-review of the records to consider the use of other exemptions may be assessed as review fees.

(d) The Agency will charge review fees at the same rates as those charged for a search under § 2105.39(b).

(e) The Agency can charge review fees even if the record(s) reviewed ultimately is not disclosed.

§ 2105.42 What fees for other services will you have to pay?

(a) Although not required to provide special services, if the Agency chooses to do so as a matter of administrative discretion, it will charge you the direct costs of providing the service.

§ 2105.43

(b) Examples of these services include providing multiple copies of the same record, converting records that are not already maintained in a requested format to the requested format, obtaining research data under § 2105.66, sending records by means other than first class mail, and conducting a search that requires the creation of a new computer search program to locate the requested records.

(c) The Agency will notify you of these fees before they accrue and will obtain your written assurance of payment or an advance payment before proceeding (*see* §§ 2105.47 and 2105.48).

§ 2105.43 When will the Agency waive fees?

(a) The Agency will release records responsive to a request without charge (in other words, it will give you a full fee waiver) or at a reduced charge (in other words, it will give you a partial fee waiver, as discussed further in paragraph (b) of this section) if the Agency determines, based on all available information, that you have demonstrated (by addressing and meeting each of the criteria listed in § 2105.46) that disclosing the information is:

(1) In the public interest because it is likely to contribute significantly to public understanding of Government operations or activities, and

(2) Not primarily in your commercial interest.

(b) A partial fee waiver may be appropriate if some but not all of the requested records are likely to contribute significantly to public understanding of the operations and activities of the Government.

(c) When deciding whether to waive or reduce fees, the Agency will rely on the fee waiver justification submitted in your request letter. If the letter does not include sufficient justification, the Agency will deny the fee waiver request. The Agency may, at its discretion, request additional information from you (*see* § 2105.49).

(d) The burden is on you to justify entitlement to a fee waiver. Requests for fee waivers are decided on a case-by-case basis under the criteria discussed in paragraph (a) of this section and § 2105.46. If you have received a fee waiver in the past, that does not mean

45 CFR Ch. XXI (10–1–24 Edition)

you are automatically entitled to a fee waiver for every request submitted.

(e) The Agency must not make value judgments about whether the information at issue is “important” enough to be made public; it is not the Agency’s role to attempt to determine the level of public interest in requested information.

§ 2105.44 When may you ask the Agency for a fee waiver?

(a) You should request a fee waiver when your request is first submitted to the Agency (*see* § 2105.5).

(b) You may submit a fee waiver request at a later time if the Agency has not yet completed processing your request.

§ 2105.45 How will the Agency notify you if it denies your fee waiver request?

If the Agency denies your request for a fee waiver, it will notify you, in writing, of the following:

(a) The basis for the denial, including a full explanation of why the fee waiver request does not meet the Agency’s fee waiver criteria in § 2105.46;

(b) The name and title or position of each person responsible for the denial;

(c) The name and title of legal counsel consulted;

(d) Advisement of the right to seek dispute resolution services from the Agency’s FOIA Public Liaison and the Office of Government Information Services (OIGS);

(e) Your right to appeal the denial under subpart H of this part and a description of the requirements set forth therein, within 30 workdays from the date of the fee waiver denial letter; and

(f) Your anticipated fees, in accordance with § 2105.47.

§ 2105.46 How will the Agency evaluate your fee waiver request?

(a) In deciding whether your fee waiver request meets the requirements of § 2105.43(a)(1), the Agency will consider the criteria listed in paragraphs (a)(1) through (4) of this section.

(1) How the records concern the operations or activities of the Federal Government.

(2) How disclosure is likely to contribute to public understanding of

Commission of Fine Arts

§2105.47

those operations or activities, including:

(i) How the contents of the records are meaningfully informative;

(ii) The logical connection between the content of the records and the operations or activities;

(iii) How disclosure will contribute to the understanding of a reasonably broad audience of persons interested in the subject, as opposed to your individual understanding;

(iv) Your identity, vocation, qualifications, and expertise regarding the requested information and information that explains how you plan to disclose the information in a manner that will be informative to the understanding of a reasonably broad audience of persons interested in the subject, as opposed to your individual understanding; and

(v) Your ability and intent to disseminate the information to a reasonably broad audience of persons interested in the subject (for example, how and to whom do you intend to disseminate the information). If we have categorized you as a representative of the news media under §2105.36, we will presume you have this ability and intent.

(3) How disclosure is likely to significantly contribute to the understanding of a reasonably broad audience of persons interested in the subject, as opposed to your individual understanding, including:

(i) Whether the information being requested is new;

(ii) Whether the information would confirm or clarify data that has been released previously;

(iii) How disclosure will increase the level of public understanding of the operations or activities of the Agency that existed prior to disclosure; and

(iv) Whether the information is already publicly available. If the Government previously has published the information you are seeking or it is routinely available to the public in a library, reading room, through the internet, or as part of the administrative record for a particular issue, it is less likely that there will be a significant contribution from release.

(4) How the public's understanding of the subject in question will be enhanced to a significant extent by the disclosure.

(b) In deciding whether the fee waiver meets the requirements in §2105.43(a)(2), the Agency will consider any commercial interest of yours that would be furthered by the requested disclosure.

(1) You are encouraged to provide explanatory information regarding this consideration.

(2) The Agency will not find that disclosing the requested information will be primarily in your commercial interest where the public interest is greater than any identified commercial interest in disclosure.

(3) If you do have a commercial interest that would be furthered by disclosure, explain how the public interest in disclosure would be greater than any commercial interest you or your organization may have in the documents.

(i) Your identity, vocation, and intended use of the requested records are all factors to be considered in determining whether disclosure would be primarily in your commercial interest.

(ii) If you are a representative of a news media organization seeking information as part of the news gathering process, we will presume that the public interest outweighs your commercial interest.

(iii) If you represent a business/corporation/association or you are an attorney representing such an organization, we will presume that your commercial interest outweighs the public interest unless you demonstrate otherwise.

§2105.47 When will you be notified of anticipated fees?

(a) The Agency will notify you under this section unless:

(1) The anticipated fee is less than \$50 (see §2105.35(g));

(2) You have been granted a full fee waiver; or

(3) You have previously agreed to pay all the fees associated with the request.

(b) If none of the exceptions in paragraph (a) of this section apply, the Agency will:

(1) Promptly notify you of the estimated costs for search, review, and/or duplication;

(2) Ask you to provide written assurance within 20 workdays that you will

§ 2105.48

pay all fees or fees up to a designated amount;

(3) Notify you that it will not be able to comply with your FOIA request unless you provide the written assurance requested; and

(4) Give you an opportunity to reduce the fee by modifying the request.

(c) If the Agency does not receive your written response containing the additional information that resolves any fee issues, in accordance with paragraphs (b)(2) and/or (4) of this section, within 20 workdays after the Agency has requested it, the Agency will presume that you are no longer interested in the records and will close the file on the request.

(d) After the Agency begins processing a request, if it finds that the actual cost will exceed the amount you previously agreed to pay, the Agency will:

(1) Stop processing the request;

(2) Promptly notify you of the higher amount and ask you to provide written assurance of payment; and

(3) Notify you that it will not be able to fully comply with your FOIA request unless you provide the written assurance requested; and

(4) Give you an opportunity to reduce the fee by modifying the request.

(e) If you wish to modify your request in an effort to reduce fees, the Agency's FOIA Officer or Public Liaison can assist you.

§ 2105.48 When will the Agency require advance payment?

(a) The Agency may require advance payment before starting further work when it finds the estimated fee is over \$250.

(1) When the Agency determines or estimates that a total fee to be charged under this section will exceed \$250.00, it may require that you make an advance payment up to the amount of the entire anticipated fee before beginning to process the request. The Agency may elect to process the request prior to collecting fees when it receives a satisfactory assurance of full payment from a requester with a history of prompt payment.

(2) If you have previously failed to pay a properly charged FOIA fee within 30 calendar days of the billing date, the

45 CFR Ch. XXI (10–1–24 Edition)

Agency may require that you pay the full amount due, plus any applicable interest on that prior request. The Agency may require that you make an advance payment of the full amount of any anticipated fee before it begins to process a new request or continues to process a pending request or any pending appeal.

(b) If the Agency believes that you did not pay a previous FOIA fee within 30 calendar days of the date of billing, the Agency will require you to either:

(1) Demonstrate you paid prior fee within 30 calendar days of the date of billing; or

(2) Pay any unpaid amount of the previous fee, plus any applicable interest penalties (*see* § 2105.51), and pay in advance the estimated fee for the new request.

(c) When the Agency notifies you that an advance payment is due under paragraph (a) of this section, it will give you an opportunity to reduce the fee by modifying the request.

(d) Your payment of the funds you owe the Agency for work it has already completed before records are sent to you is not an advance payment under paragraph (a) of this section.

(e) If the Agency requires advance payment, it will start further work only after receiving the advance payment. It will also notify you that it will not be able to comply with your FOIA request unless you provide the advance payment. Unless you pay the advance payment within 20 workdays after the date of the Agency's fee letter, the Agency will presume that you are no longer interested and will close the file on the request.

§ 2105.49 What if the Agency needs clarification about fee issues?

If your FOIA request does not contain sufficient information for the Agency to determine your proper fee category or leaves another fee issue unclear, the Agency may ask you to provide additional clarification. If it does so, the Agency will notify you that it will not be able to comply with your FOIA request unless you provide the clarification requested.

Commission of Fine Arts

§ 2105.55

§ 2105.50 How will you be billed?

If you are required to pay a fee associated with a FOIA request, the Agency will send a bill for collection.

§ 2105.51 How will the Agency collect fees owed?

(a) The Agency may charge interest on any unpaid bill starting on the 31st day following the billing date.

(b) The Agency will assess interest charges at the rate provided in 31 U.S.C. 3717 and interest will accrue from the billing date until the Agency receives payment.

(c) The Agency will follow the provisions of the Debt Collection Act of 1982 (Pub. L. 97-365, 96 Stat. 1749), as amended, and its administrative procedures, including the use of consumer reporting agencies, collection agencies, and offset to collect overdue amounts and interest.

(d) This section does not apply if you are a state, local, or tribal government.

§ 2105.52 When will the Agency combine or aggregate requests?

(a) The Agency may aggregate requests and charge accordingly when it reasonably believes that you, or a group of requesters acting in concert with you, are attempting to avoid fees by dividing a single request into a series of requests on a single subject or related subjects.

(1) The Agency may presume that multiple requests of this type made within a 30-day period have been made to avoid fees.

(2) The Agency may aggregate requests separated by a longer period only where there is a reasonable basis for determining that aggregation is warranted in view of all the circumstances involved.

(b) The Agency will not aggregate multiple requests involving unrelated matters.

§ 2105.53 What if other statutes require the Agency to charge fees?

(a) The fee schedule in appendix A to this part does not apply to fees charged under any statute that specifically requires the Agency to set and collect fees for particular types of records.

(b) If records otherwise responsive to a request are subject to a statutorily-

based fee schedule, the Agency will inform you whom to contact to obtain the records.

Subpart H—Administrative Appeals

§ 2105.54 When may you file an appeal?

(a) You may file an appeal when:

(1) The Agency withholds records, or parts of records;

(2) The Agency informs you that your request has not adequately described the records sought;

(3) The Agency informs you that it does not possess or cannot locate responsive records and you have reason to believe this is incorrect or that the search was inadequate;

(4) The Agency did not address all aspects of the request for records;

(5) You believe there is a procedural deficiency (for example, fees are improperly calculated or you have been placed in the wrong fee category);

(6) The Agency denied your request for a fee waiver;

(7) The Agency did not make a decision within the time limits in § 2105.15 or, if applicable, § 2105.16; or

(8) The Agency denied, or was late in responding to, a request for expedited processing filed under the procedures in § 2105.18.

(b) An appeal under paragraph (a)(8) of this section relates only to the request for expedited processing and does not constitute an appeal of the underlying request for records. Special procedures apply to requests for expedited processing of an appeal (*see* § 2105.60).

(c) Before filing an appeal, you may wish to communicate with the contact person listed in the FOIA response, the Agency's FOIA Officer, and/or the FOIA Public Liaison to see if the issue can be resolved informally. However, appeals must be received by the FOIA Appeals Officer within the time limits in § 2105.55 or they will not be processed.

§ 2105.55 How long do you have to file an appeal?

(a) Appeals covered by § 2105.54(a)(1) through (5) must be received by the FOIA Appeals Officer no later than 90

§ 2105.56

days from the date of the final response.

(b) Appeals covered by § 2105.54(a)(6) must be received by the FOIA Appeals Officer no later than 90 days from the date of the letter denying the fee waiver.

(c) Appeals covered by § 2105.54(a)(7) may be filed any time after the time limit for responding to the request has passed.

(d) Appeals covered by § 2105.54(a)(8) should be filed as soon as possible.

(e) Appeals arriving or delivered after 5 p.m. Eastern Time, Monday through Friday, will be deemed received on the next workday.

§ 2105.56 How do you file an appeal?

(a) You must submit the appeal in writing by mail, fax or email to the FOIA Appeals Officer (using the address available at <https://www.cfa.gov/foia/>). Your failure to send an appeal directly to the FOIA Appeals Officer may delay processing.

(b) The appeal must include:

(1) Copies of all correspondence between you and the Agency concerning the FOIA request, including the request and the Agency's response (if there is one); and

(2) An explanation of why you believe the Agency's response was in error.

(c) The appeal should include your name, mailing address, daytime telephone number (or the name and telephone number of an appropriate contact), email address, and fax number (if available) in case the Agency needs additional information or clarification.

(d) An appeal concerning a denial of expedited processing or a fee waiver denial should also demonstrate fully how the criteria in § 2105.18 or §§ 2105.43 and 2105.46 are met.

(e) All communications concerning an appeal should be clearly marked with the words: "FREEDOM OF INFORMATION APPEAL."

(f) The Agency will reject an appeal that does not attach all correspondence required by paragraph (b)(1) of this section, unless the FOIA Appeals Officer determines, in his or her sole discretion, that good cause exists to accept the defective appeal. The time limits for responding to an appeal will not

45 CFR Ch. XXI (10–1–24 Edition)

begin to run until the correspondence is received.

§ 2105.57 Who makes decisions on appeals?

(a) The FOIA Appeals Officer is the deciding official for FOIA appeals.

(b) When necessary, the appropriate deciding official for FOIA appeals will consult other appropriate offices, including legal counsel, for denials of records and fee waivers.

(c) The deciding official for FOIA appeals normally will not make a decision on an appeal if the request becomes a matter of FOIA litigation.

§ 2105.58 How are decisions on appeals issued?

(a) A decision on an appeal must be made in writing.

(b) A decision that upholds the Agency's determination in whole or in part must contain a statement that identifies the reasons for the affirmance, including any FOIA exemptions applied. The decision must provide you with notification of the statutory right to file a lawsuit and will inform you of the dispute resolution services offered by the Office of Government Information Services (OGIS) of the National Archives and Records Administration as a non-exclusive alternative to litigation. If the Agency's decision is remanded or modified on appeal, the Agency will notify you of that determination in writing. The Agency will then further process the request in accordance with that appeal determination and will respond directly to you.

(c) Dispute resolution is a voluntary process. If the Agency agrees to participate in the dispute resolution services provided by OGIS, it will actively engage as a partner to the process in an attempt to resolve the dispute.

§ 2105.59 When can you expect a decision on your appeal?

(a) The basic time limit for responding to an appeal is 20 workdays after receipt of an appeal meeting the requirements of § 2105.56.

(b) If the Agency is unable to reach a decision on your appeal within the given time limit for response, the appropriate deciding official for FOIA appeals will notify you of your statutory

Commission of Fine Arts

§ 2105.66

right to seek review in a United States District Court.

§ 2105.60 Can you receive expedited processing of appeals?

(a) To receive expedited processing of an appeal, you must demonstrate to the Agency's satisfaction that the appeal meets one of the criteria under § 2105.18 and include a statement that the need for expedited processing is true and correct to the best of your knowledge and belief.

(b) The appropriate deciding official for FOIA appeals will advise you whether the Agency will grant expedited processing within 10 calendar days of receiving the appeal.

(c) If the appropriate deciding official for FOIA appeals decides to grant expedited processing, he or she will give the appeal priority over other pending appeals and process it as soon as practicable.

§ 2105.61 Must you submit an appeal before seeking judicial review?

Before seeking review by a court of the Agency's adverse determination, you generally must first submit a timely administrative appeal.

Subpart I—General Information

§ 2105.62 Where are records made available?

Records that are required by the FOIA to be made proactively available for public inspection and copying are accessible on the Agency's website. They may also be available at the Agency's office location.

§ 2105.63 What are public liaisons?

(a) The Agency has a FOIA Officer or Public Liaison who can assist requesters who have concerns about the service they received when seeking records or who are seeking assistance under § 2105.3 or § 2105.35(i).

(b) FOIA Public Liaisons report to the Agency's Chief FOIA Officer and you can raise concerns to them about the service you have received.

(c) FOIA Public Liaisons are responsible for assisting in reducing delays, increasing transparency and understanding of the status of requests, and assisting in resolving disputes.

(d) A list of the Agency's FOIA Public Liaisons is available at <https://www.cfa.gov/foia>.

§ 2105.64 When will the Agency make records available without a FOIA request?

(a) Each Agency must:

(1) Determine which of its records must be made publicly available under the FOIA (for example, certain frequently requested records);

(2) Identify additional records of interest to the public that are appropriate for public disclosure; and

(3) Post those records in FOIA libraries.

(b) Because of these proactive disclosures, you are encouraged to review the Agency's FOIA libraries before filing a FOIA request. The material you seek may be immediately available electronically at no cost.

§ 2105.65 How will FOIA materials be preserved?

(a) Each Agency must preserve all correspondence pertaining to the requests that it receives under subpart B of this part, as well as copies of all requested records, until disposition or destruction is authorized by the General Records Schedule 4.2 of the National Archives and Records Administration (NARA) or another NARA-approved records schedule.

(b) Materials that are identified as responsive to a FOIA request will not be disposed of or destroyed while the request or a related appeal or lawsuit is pending. This is true even if they would otherwise be authorized for disposition or destruction under the General Records Schedule 4.2 of NARA or another NARA-approved records schedule.

§ 2105.66 How will an Agency handle a request for federally-funded research data?

(a) If you request research data that were used by the Federal Government in developing certain kinds of agency actions, and the research data relate to published research findings produced under an award, in accordance with OMB Circular A-110:

§ 2105.67

45 CFR Ch. XXI (10–1–24 Edition)

(1) If the Agency was the awarding agency, it will request the research data from the recipient;

(2) The recipient must provide the research data within a reasonable time; and

(3) The Agency will review the research data to see if it can be released under the FOIA.

(b) If the Agency obtains the research data solely in response to your FOIA request, the Agency may charge you a reasonable fee equaling the full incremental cost of obtaining the research data.

(1) This fee should reflect costs incurred by the Agency, the recipient, and applicable subrecipients.

(2) This fee is in addition to any fees the Agency may assess under the FOIA.

(c) The Agency will forward a copy of the request to the recipient, who is responsible for searching for and reviewing the requested information in accordance with these FOIA regulations. The recipient will forward a copy of any responsive records that are located, along with any recommendations concerning the releasability of the data, and the total cost incurred in searching for, reviewing, and providing the data.

(d) The Agency will review and consider the recommendations of the recipient regarding the releasability of the requested research data. However, the Agency, not the recipient, is responsible for deciding whether the research data will be released or withheld.

§ 2105.67 What definitions apply to this part?

For the purposes of this part, the following definitions apply:

Agency means the Commission of Fine Arts.

Commercial interest means a commercial, trade, or profit interest as these terms are commonly understood. Your status as profitmaking or non-profitmaking is not the deciding factor in determining whether you have a commercial interest.

Commercial use means a use that furthers your commercial, trade or profit interests or that of the person on whose behalf the request is made.

Confidential information means trade secrets or commercial or financial information (that is privileged or confidential and obtained by the Agency from a person) that may be protected from disclosure under Exemption 4 of the FOIA.

Direct costs means those resources that the Agency expends in searching for and duplicating (and, in the case of commercial-use requests, reviewing) records to respond to a FOIA request. For example, direct costs include the salary of the employee performing the work (the basic rate of pay for the employee plus 16 percent of that rate to cover benefits) and the cost of operating duplicating machinery, such as photocopiers and scanners. Direct costs do not include overhead expenses such as the costs of space and of heating or lighting a facility.

Duplication means reproducing a copy of a record or of the information contained in it necessary to respond to a FOIA request. Copies can take the form of paper, audiovisual materials, or electronic records, among others.

Educational institution means any school that operates a program of scholarly research. In order to fall within this category, you must show that the request is authorized by and made under the auspices of, a qualifying institution and that the records are not sought for a commercial use, but rather are sought to further scholarly research.

Exceptional circumstances means a delay that does not result from a predictable workload of requests (unless the Agency demonstrates reasonable progress in reducing its backlog of pending requests).

Exempt means the record in question, or a portion thereof, is not subject to disclosure due to one or more of the FOIA's nine statutory exemptions, found at 5 U.S.C. 552(b)(1)–(9).

Exemption means one or more of the FOIA's nine statutory exemptions, found at 5 U.S.C. 552(b)(1)–(9).

Expedited processing means giving a FOIA request priority and processing it ahead of other requests pending in the Agency because you have shown a compelling need for the records.

Fee category means one of the three categories, discussed in §§ 2105.36 and

Commission of Fine Arts

§2105.67

2105.37, that agencies place you in for the purpose of determining whether you will be charged fees for search, review, and duplication.

FOIA means the Freedom of Information Act, 5 U.S.C. 552, as amended.

FOIA libraries means a physical or electronic compilation of records required to be made available to the public for inspection and copying under 5 U.S.C. 552(a)(2). It also includes a physical or electronic compilation of records that the Agency, at its discretion, makes available to the public for inspection and copying.

Frequently requested records means records that have been released to any person in response to a FOIA request and that have been requested, or that the Agency anticipates will be requested, at least two more times under the FOIA.

Multitrack processing means placing simple requests, requiring relatively minimal review, in one processing track and more voluminous and complex requests in one or more other tracks. Requests in each track are ordinarily processed on a first-in/first-out basis.

Noncommercial scientific institution means an institution that is not operated for commerce, trade or profit, and that is operated solely for the purpose of conducting scientific research the results of which are not intended to promote any particular product or industry. To be in this category, you must show that the request is authorized by and is made under the auspices of a qualifying institution and that the records are not sought for a commercial use but are sought to further scientific research.

OMB Fee Guidelines means the Uniform Freedom of Information Fee Schedule and Guidelines published by the Office of Management and Budget on March 27, 1987.

Published means, for the purposes of §2105.66 only, when:

(1) Research findings are published in a peer-reviewed scientific or technical journal; or

(2) A Federal agency publicly and officially cites the research findings in support of an agency action that has the force and effect of law.

Recipient means, for the purposes of §2105.66 only, an organization receiving financial assistance directly from Federal awarding agencies to carry out a project or program. The term includes public and private institutions of higher education, public and private hospitals, and other quasi-public and private non-profit organizations. The term may include commercial organizations, foreign or international organizations (such as agencies of the United Nations) which are recipients, subrecipients, or contractors or subcontractors of recipients or subrecipients at the discretion of the Federal awarding agency. The term does not include Government-owned contractor-operated facilities or research centers providing continued support for mission-oriented, large-scale programs that are Government-owned or controlled, or are designated as federally-funded research and development centers.

Record means an agency record that is either created or obtained by an agency and is under agency possession and control at the time of the FOIA request, or is maintained by an entity under Government contract for the purposes of records management.

Representative of the news media means any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. The term news as used in this definition means information that is about current events or that would be of current interest to the public. Examples of news media entities are newspapers, television, websites, or radio stations broadcasting to the public at large, and publishers of periodicals (but only if such entities qualify as disseminators of news) who make their products available for purchase by or subscription by or free distribution to the general public. These examples are not all inclusive. As methods of news delivery evolve, alternative representatives of news media may come into being. A freelance journalist will qualify as a news-media entity if he or she can demonstrate a solid basis for expecting publication through that entity,

whether or not the journalist is actually employed by that entity (for example, a publication contract would present a solid basis for such an expectation).

Research data means, for the purposes of §2105.66 only, the recorded factual material commonly accepted in the historic and/or architectural communities as necessary to validate research findings, but not any of the following: Preliminary analyses, drafts of scientific papers, plans for future research, peer reviews, or communications with colleagues. The term recorded as used in this definition excludes physical objects (*e.g.*, laboratory samples). Research data also do not include:

(1) Trade secrets, commercial information, materials necessary to be held confidential by a researcher until they are published, or similar information which is protected under law; and

(2) Personnel and medical information and similar information the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, such as information that could be used to identify a particular person in a research study.

Review means the examination of a record located in response to a request to determine whether any portion of it is exempt from disclosure. Review time includes processing any record for disclosure, such as doing all that is necessary to prepare the record for disclosure, including the process of redacting the record and marking the appropriate exemptions. Review time also includes time spent both obtaining and considering any formal objection to disclosure made by a confidential information submitter under subpart G

of this part, but it excludes time spent resolving general legal or policy issues regarding the application of FOIA exemptions.

Search means the process of looking for and retrieving records responsive to a request. Search time includes page-by-page or line-by-line identification of information within records; and the reasonable efforts expended to locate and retrieve electronic records.

Submitter means any person or entity outside the Federal Government from whom the Agency obtains confidential information, directly or indirectly. The term includes, but is not limited to individuals, corporations, and state, local, tribal, and foreign governments.

Unusual circumstances means the need to search for and collect requested records from field facilities or other establishments that are separate from the office processing the request; the need to search for, collect, and examine a voluminous amount of separate and distinct records which are demanded in a single request; or the need for consultation, which shall be conducted with all practicable speed, with another agency, or among two or more components of the Agency, having a substantial interest in the determination of the request.

Workday means a regular Federal workday. It excludes Saturdays, Sundays, or Federal legal public holidays. Items arriving or delivered after 5 p.m. Eastern Time will be deemed received on the next workday.

You means a person requesting records, or filing an appeal, under the FOIA.

- 2106.3 Access to the accounting of disclosures from records.
- 2106.4 Requests for copies of records.
- 2106.5 Requests to amend records.
- 2106.6 Request for review.
- 2106.7 Schedule of fees.

AUTHORITY: Pub. L. 93-579, 88 Stat. 1896 (5 U.S.C. 552a(f)).

SOURCE: 40 FR 52369, Nov. 10, 1975, unless otherwise noted. Redesignated and amended at 51 FR 23056, June 25, 1986.

§ 2106.1 Rules for determining if an individual is the subject of a record.

(a) Individuals desiring to know if a specific system of records maintained by the Commission of Fine Arts contains a record pertaining to them should address their inquiries to the Secretary, Commission of Fine Arts, 708 Jackson Place, NW., Washington, DC 20006. The written inquiry should contain a specific reference to the system of records maintained by CFA listed in the CFA Notices of Systems of Records or it should describe the type of record in sufficient detail to reasonably identify the system of records. Notice of CFA Systems of Records will be made in the FEDERAL REGISTER and copies of the notices will be available upon request to the Secretary when so published. A compilation of such notices will also be made and published by the Office of the Federal Register in accordance with section 5 U.S.C. 552a(f).

(b) At a minimum, the request should contain sufficient identifying information to allow CFA to determine if there is a record pertaining to the individual making the request in a particular system of records. In instances where

identification is insufficient to insure disclosure to the individual to whom the information pertains in view of the sensitivity of the information, CFA reserves the right to solicit from the requester additional identifying information.

(c) Ordinarily the requester will be informed whether the named system of records contains a record pertaining to the requester within 10 days of the receipt of such a request (excluding Saturdays, Sundays, and legal Federal holidays). Such a response will also contain or reference the procedures which must be followed by the individual making the request in order to gain access to the record.

(d) Whenever a response cannot be made within 10 days, the Secretary will inform the requester of the reasons for the delay and the date by which a response may be anticipated.

§ 2106.2 Requests for access.

(a) *Requirement for written requests.* Individuals desiring to gain access to a record pertaining to them in a system of records maintained by CFA must submit their request in writing in accordance with the procedures set forth in paragraph (b) of this section.

(b) *Procedures.* (1) Content of the request. The request for access to a record in a system of records shall be addressed to the Secretary, at the address cited above; and shall name the system of records or contain a description (as concise as possible) of such system of records. The request should state that the request is pursuant to the Privacy Act of 1974. In the absence of such a statement, if the request is for a record pertaining to the requester maintained by CFA in a system of records, the request will be presumed to be made under the Privacy Act of 1974. The requester should include any other information which may assist in the rapid identification of the record

for which access is being requested (e.g., maiden name, dates of employment, etc.).

(2) Requirements for identification will normally be limited to the presentation of any standard picture and signature or signature identification card, such as driver's license, so that a comparison of the signature and the signature on the original request may be made. The appearing individual will be read paragraph (3), subsection (i) to title 5 U.S.C. 552a which specifies the penalty for knowingly or willfully requesting or obtaining a record concerning an individual from an agency under false pretenses and asked to sign a statement attesting to the fact that he or she understands the paragraph and that he or she is, in fact, the individual who made the request (or the individual authorized to receive the disclosure by the requesting individual). This signature will be compared with the other two. If the appearing individual is other than the requesting individual, then he or she must also present a letter of introduction signed by the requesting individual so that the comparison of signature may be made.

(c) *CFA action on request.* (1) A request for access will ordinarily be answered within 10 days (excluding Saturdays, Sundays, and legal Federal holidays), except when the Secretary determines otherwise, in which case the requester will be informed of the reason for the delay and an anticipated date by which the request will be answered. When the request can be answered within 10 days, it shall include the following:

(i) A statement that there is a record as requested or a statement that there is not a record in the system of records maintained by CFA;

(ii) A statement as to whether access will be granted only by providing a copy of the record through the mail; or the address of the location and the date and time at which the record may be examined. In the event the requester is unable to meet the specified date and time, alternate arrangements may be made with the official specified in paragraph (b)(1) of this section;

(iii) A statement, when appropriate, that examination in person will be the

sole means of granting access only when the Secretary has determined that it would not unduly impede the requester's right of access;

(iv) The amount of fees charged, if any (see §§2106.4 and 2106.7); and

(v) The name, title, and telephone number of the CFR official having operational control over the record.

(A) *Access by the parent of a minor, or legal guardian.* A parent of a minor, upon presenting suitable personal identification, may access on behalf of the minor any record pertaining to the minor maintained by CFA in a system of records. A legal guardian may similarly act on behalf of an individual declared to be incompetent due to physical or mental incapacity or age by a court of competent jurisdiction, upon the presentation of documents authorizing the legal guardian to so act; and upon suitable personal identification of the guardian.

(B) *Granting access when accompanied or represented by another individual.* When an individual requesting access to his or her record in a system of records maintained by CFA wishes to be accompanied or represented by another individual during the course of the examination of the record, the individual making the request shall submit to the official having operational control of the record a signed statement authorizing that person access to the record.

(C) *Access in response to congressional inquiries.* Disclosure may be made to a congressional office from the record of an individual in response to an inquiry from the congressional office made at the request of that individual.

(vi) *Medical records.* The records in a system of records which are medical records shall be disclosed to the individual in such a manner and following such procedures as the Secretary shall direct. When CFA, in consultation with a physician, determines that the disclosure of medical information could have an adverse effect upon the individual to whom it pertains, CFA may transmit such information to a physician named by the individual.

Commission of Fine Arts

§ 2106.5

(vii) *Exceptions.* Nothing in this section shall be construed to entitle an individual the right to access to any information compiled in reasonable anticipation of a civil action or proceeding.

§ 2106.3 Access to the accounting of disclosures from records.

Rules governing the granting of access to the accounting of disclosures are the same as those for granting access to the records outlined in § 2106.2 of this part.

§ 2106.4 Requests for copies of records.

Rules governing requests for copies of records are the same as those for the granting of access to the records outlined in § 2106.2 of this part (see also § 2106.7 for rules regarding fees).

§ 2106.5 Requests to amend records.

(a) *Requirements for written requests.* Individuals desiring to amend a record that pertains to them in a system of records maintained by CFA must submit their request in writing in accordance with the procedures set forth herein unless the requirement is waived by the official having responsibility for the system of records. Records not subject to the Privacy Act of 1974 will not be amended in accordance with these provisions; however, individuals who believe that such records are inaccurate may bring this to the attention of the CFA.

(b) *Procedures.* (1)(i) The request to amend a record in a system of records shall be addressed to the Secretary. Included in the request shall be the name of the system and a brief description of the record proposed for amendment. In the event the request to amend the record is the result of the individual's having gained access to the record as set forth above, copies of previous correspondence between the requester and CFA will serve in lieu of a separate description of the record.

(ii) Individuals desiring assistance in the preparation of a request to amend a record should contact the Secretary at the address cited above.

(iii) The exact portion of the record the individual seeks to have amended

should be clearly indicated. If possible, the proposed alternative language should also be set forth, or, at a minimum, the facts which the individual believes are not accurate, relevant, timely, or complete, should be set forth with such particularity as to permit CFA not only to understand the individual's basis for the request, but also to make an appropriate amendment to the record.

(iv) The request must also set forth the reasons why the individual believes his record is not accurate, relevant, timely, or complete. In order to avoid the retention by CFA of personal information merely to permit the verification of records, the burden of persuading CFA to amend a record will be upon the individual. The individual must furnish sufficient facts to persuade the official in charge of the system of the inaccuracy, irrelevancy, timeliness, or incompleteness of the record.

(2) *CFA action on the request.* To the extent possible, a decision upon a request to amend a record will be made within 10 days (excluding Saturdays, Sundays, and legal Federal holidays). In the event that a decision cannot be made within this time frame, the individual making the request will be informed within the 10 days of the expected date for a decision. The decision upon a request for amendment will include the following:

(i) The decision of the Commission of Fine Arts whether to grant in full, or deny any part of the request to amend the record;

(ii) The reasons for the determination for any part of the request which is denied;

(iii) The name and address of the official with whom an appeal of the denial may be lodged;

(iv) The name and address of the official designated to assist, as necessary, and upon the request of, the individual making the request in preparation of the appeal;

(v) A description of the review of the appeal within CFA (see § 2106.6); and

(vi) A description of any other procedures which may be required of the individual in order to process an appeal.

§ 2106.6

45 CFR Ch. XXI (10–1–24 Edition)

§ 2106.6 Request for review.

(a) Individuals wishing to request a review of the decision by CFA with regard to an initial request to amend a record in accordance with the provisions of § 2106.5 of this part, should submit the request for review in writing and, to the extent possible, include the information specified in paragraph (a) of this section. Individuals desiring assistance in the preparation of their request for review should contact the Secretary at the address provided herein.

(b) The request for review should contain a brief description of the record involved or in lieu thereof, copies of the correspondence from CFA in which the request to amend was denied and also the reasons why the requester believes that the disputed information should be amended. The request for review should make reference to the information furnished by the individual in support of his claim and the reasons as required by § 2106.5 of this part set forth by CFA in its decision denying the amendment. Appeals filed without a complete statement by the requester setting forth the reasons for the review will, of course, be processed. However, in order to make the appellate process as meaningful as possible, the requester's disagreement should be understandably set forth. In order to avoid the unnecessary retention of personal information, CFA reserves the right to dispose of the material concerning the request to amend a record if no request for review in accordance with this section is received by CFA within 180 days of the mailing by CFA of its decision upon an initial request. A request for review received after the 180-day period may, at the discretion of the Secretary, be treated as an initial request to amend a record.

(c) The request for review should be addressed to the Secretary.

(d) Upon receipt of a request for review, the Secretary will convene a review group composed of the Secretary and the Chairman. This group will review the basis for the requested review and will develop a recommended course of action to the office's Committee on Freedom of Information and Privacy (hereinafter referred to as the Committee). If at any time additional in-

formation is required from the requestee, the Secretary is authorized to acquire it or authorize its acquisition from the requester.

(e) The Committee is composed of:

- (1) The Chairman;
- (2) The Secretary;
- (3) The Assistant Secretary;
- (4) The Administrative Assistant.

(f) The Committee will review the request for review and the recommended course of action and will recommend a decision on the request for review to the Chairman, who has the final authority regarding appeals.

(g) The Chairman will inform the requester in writing of the decision on the request for review within 30 days (excluding Saturdays, Sundays, and legal Federal holidays) from the date of receipt by CFA of the individual's request for review unless the Chairman extends the 30-day period for good cause. The extension of and the reasons therefor will be sent by CFA to the requester within the initial 30-day period. Included in the notice of a decision being reviewed, if the decision does not grant in full the request for review, will be a description of the steps the individual may take to obtain judicial review of such a decision, and a statement that the individual may file a concise statement with CFA setting forth the individual's reasons for his disagreement with the decision upon the request for review. The Secretary has the authority to determine the "conciseness" of the statement, taking into account the scope of the disagreement and the complexity of the issues. Upon the filing of a proper concise statement by the individual, any subsequent disclosure of the information in dispute will have the information in dispute clearly noted and a copy of the concise statement furnished, as well as a concise statement by CFA setting forth its reasons for not making the requested changes, if CFA chooses to file such a statement. A copy of the individual's statement, and, if it chooses, CFA's statement will be sent to any prior transferee of the disputed information who is listed on the accounting required by 5 U.S.C. 552a(c).

AUTHORITY: 29 U.S.C. 794.

SOURCE: 58 FR 57698, 57699, Oct. 26, 1993, unless otherwise noted.

§ 2301.101 Purpose.

The purpose of this part is to effectuate section 119 of the Rehabilitation, Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by Executive agencies or the United States Postal Service.

§ 2301.102 Application.

This part (§§ 2301.101–2301.170) applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with handicaps in the United States.

§ 2301.103 Definitions.

For purposes of this part, the term—

Assistant Attorney General means the Assistant Attorney General, Civil Rights Division, United States Department of Justice.

Auxiliary aids means services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, programs or activities conducted by the agency. For example, auxiliary aids useful for persons with impaired vision include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TTD's), interpreters, notetakers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant's name and address and describes the agency's alleged discriminatory action in sufficient detail to inform the agency of the nature and date of the alleged violation of section 504. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other conveyances, or other real or personal property.

Historic preservation programs means programs conducted by the agency that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or eligible for listing in the National Register of Historic Places or properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. As used in this definition, the phrase:

(1) *Physical or mental impairment* includes—

(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or

(ii) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, HIV disease (whether symptomatic or asymptomatic), and drug addiction and alcoholism.

(2) *Major life activities* include functions such as caring for one’s self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(3) *Has a record of such an impairment* means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) *Is regarded as having an impairment* means—

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by the agency as constituting such a limitation;

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Qualified individual with handicaps means—

(1) With respect to preschool, elementary, or secondary education services provided by the agency, an individual with handicaps who is a member of a class of persons otherwise entitled by statute, regulation, or agency policy to

receive education services from the agency;

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(4) *Qualified handicapped person* as that term is defined for purposes of employment in 29 CFR 1614.203(a)(6), which is made applicable to this part by § 2301.140.

Section 504 means section 504 of the Rehabilitation Act of 1973 (Pub. L. 93–112, 87 Stat. 394 (29 U.S.C. 794)), as amended. As used in this part, section 504 applies only to programs or activities conducted by Executive agencies and not to federally assisted programs.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§§ 2301.104–2301.109 [Reserved]

§ 2301.110 Self-evaluation.

(a) The agency shall, by November 28, 1994, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, for at least three years following completion of the

self-evaluation, maintain on file and make available for public inspection:

- (1) A description of areas examined and any problems identified; and
- (2) A description of any modifications made.

§ 2301.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this part.

§§ 2301.112–2301.129 [Reserved]

§ 2301.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in according equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to oth-

ers unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are no separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified

§§ 2301.131–2301.139

individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 2301.131–2301.139 [Reserved]

§ 2301.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

§§ 2301.141–2301.148 [Reserved]

§ 2301.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 2301.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 2301.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

45 CFR Ch. XXIII (10–1–24 Edition)

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 2301.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings,

shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) *Historic preservation programs.* In meeting the requirements of §2301.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of §2301.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§2301.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

§§ 2301.152–2301.159 [Reserved]

§2301.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices

§§ 2301.161–2301.169

for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with §2301.160 would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 2301.161–2301.169 [Reserved]

§ 2301.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on

45 CFR Ch. XXIII (10–1–24 Edition)

the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Executive Director shall be responsible for coordinating implementation of this section. Complaints may be sent to Executive Director, United States Arctic Research Commission, ICC Building, room 6333, 12th & Constitution Avenue, NW., Washington, DC 20423.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by §2301.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

Arctic Research Commission

§§ 2301.171–2301.999

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be

extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

Subpart A—General

§ 2400.1 Purposes.

(a) The purposes of the James Madison Memorial Fellowship Program are to:

(1) Provide incentives for master's degree level graduate study of the history, principles, and development of the United States Constitution by outstanding in-service teachers of American history, American government, social studies, and political science in grades 7–12 and by outstanding college graduates who plan to become teachers of the same subjects; and

(2) Strengthen teaching in the nation's secondary schools about the principles, framing, ratification, and subsequent history of the United States Constitution.

(b) The Foundation may from time to time operate its own programs and undertake other closely-related activities to fulfill these goals.

§ 2400.2 Annual competition.

To achieve its principal purposes, the Foundation holds an annual national competition to select teachers in grades 7–12, college seniors, and college graduates to be James Madison Fellows.

§ 2400.3 Eligibility.

Individuals eligible to apply for and hold James Madison Fellowships are United States citizens, United States nationals, or permanent residents of the Northern Mariana Islands who are:

(1) Are teaching full time during the year in which they apply for a fellowship;

(2) Are under contract, or can provide evidence of being under prospective contract, to teach full time as teachers of American history, American government, social studies, or political science in grades 7–12;

(8) Sign agreements that, after completing the education for which the fellowship is awarded, they will teach American history, American government, social studies, or political science full time in secondary schools for a period of not less than one year for each full year of study for which assistance was received, preferably in the State listed as their legal residence at the time of their fellowship award. For the purposes of this provision, a full academic year of study is considered by the Foundation to be 18 credit hours or 27 quarter hours. Fellows' teaching obligations will be figured at full academic years of study; and when Fellows have studies for partial academic years, those years will be rounded upward to the nearest one-half year to determine Fellows' total teaching obligations.

(b) Those who aspire to become full-time teachers of American history, American government, social studies, or political science in grades 7-12 who:

(1) Are matriculated college seniors pursuing their baccalaureate degrees full time and will receive those degrees no later than August 31st of the year of

(8) Sign an agreement that, after completing the education for which the fellowship is awarded, they will teach American history, American government, social studies, or political science full time in secondary schools for a period of not less than one year for each full academic year of study for which assistance was received, preferably in the State listed as their legal residence at the time of their fellowship award. Fellows' teaching obligations will be figured at full academic years of study; and when Fellows have studies for partial academic years, those years will be rounded upward to the nearest one-half year to determine Fellows' total teaching obligations.

Subpart E—Graduate Study

§ 2400.40 Institutions of graduate study.

Fellowship recipients may attend any accredited university in the United States with a master's degree program offering courses or training that emphasize the origins, principles, and development of the Constitution of the United States and its comparison with the constitutions and history of other forms of government.

§ 2400.41 Degree programs.

(a) Fellows may pursue a master's degree in history or political science (including government or politics), the degree of Master of Arts in Teaching in history or political science (including government or politics), or a related master's degree in education that permits a concentration in American history, American government, social studies, or political science. Graduate degrees under which study is excluded from fellowship support are indicated in § 2400.63.

§ 2400.42 Approval of Plan of Study.

The Foundation must approve each Fellow's Plan of Study. To be approved, the plan must:

§ 2400.44 Commencement of graduate study.

(a) Fellows may commence study under their fellowships as early as the summer following the announcement of their award. Fellows are normally expected to commence study under their fellowships in the fall term of the academic year following the date on which their award is announced. However, as indicated in § 2400.61, they may seek to postpone the commencement of fellowship study for up to one year under extenuating circumstances.

(b) In determining the two- and five-year fellowship periods of Junior and Senior Fellows respectively, the Foundation will consider the commence-

ment of the fellowship period to be the date on which each Fellow commences study under a fellowship.

[61 FR 46734, Sept. 5, 1996, as amended at 69 FR 11814, Mar. 12, 2004]

§ 2400.45 Special consideration: Junior Fellows' Plan of Study.

Applicants for Junior Fellowships who seek or hold baccalaureate degrees in education are strongly encouraged to pursue master's degrees in history or political science. Those applicants who hold undergraduate degrees in history, political science, government, or any other subjects may take some teaching methods and related courses, although the Foundation will not pay for them unless they are required for the degree for which the Fellow is matriculated. The Foundation will review each proposed Plan of Study for an appropriate balance of subject matter and other courses based on the Fellow's goals, background, and degree requirements.

§ 2400.46 Special consideration: second master's degree.

The Foundation may award Senior Fellowships to applicants who are seeking their second master's degrees providing that the applicants' first master's degree was obtained at least three years prior to the year in which the applicants would normally commence study under a fellowship. In evaluating applications from individuals intending to pursue a second master's degree, the Fellow Selection Committee will favor those applicants who are planning to become American history, American government, social studies, or political science teachers after having taught another subject and applicants whose initial master's degree was in a subject different from that sought under the second master's degree.

§ 2400.47 Summer Institute's relationship to fellowship.

Each year, the Foundation normally offers during July a four-week graduate-level Institute on the principles, framing, ratification, and implementation of the United States Constitution

at an accredited university in the Washington, DC, area. The Institute is an integral part of each fellowship.

[69 FR 11815, Mar. 12, 2004]

§ 2400.48 Fellows' participation in the Summer Institute.

Each fellow is required as part of his or her fellowship to attend the Institute (if it is offered), normally during the summer following the Fellow's commencement of graduate study under a fellowship.

[69 FR 11815, Mar. 12, 2004]

§ 2400.49 Contents of the Summer Institute.

The principal element of the Institute is a graduate history course, "Foundations of American Constitutionalism." Other components of the Institute include study visits to sites associated with the lives and careers of members of the founding generation.

§ 2400.50 Allowances and Summer Institute costs.

At the Foundation's discretion, Fellows may be paid an allowance to help offset income foregone by their required attendance. The Foundation also funds the costs of the Institute and Fellows' round-trip transportation to and from the Institute site. The costs of tuition, required fees, books, room, and board entailed by the Institute will be paid for by the Foundation directly but may be offset against fellowship award limits if the credits earned for the Institute are included within the Fellows' degree requirements.

[61 FR 46734, Sept. 5, 1996, as amended at 69 FR 11815, Mar. 12, 2004]

§ 2400.51 Summer Institute accreditation.

The Institute is accredited for six graduate semester credits by the university at which it is held. It is expected that the universities at which Fellows are pursuing their graduate study will, upon Fellows' satisfactory completion of the Institute, accept these credits or their credit-hour equivalent upon transfer from the university at which the Institute is held in fulfillment of the minimum number of

45 CFR Ch. XXIV (10–1–24 Edition)

credits required for Fellows' graduate degrees. Satisfactory completion of the Institute will fulfill 6 of the Foundation's 12 semester credits required in graduate study of the history and development of the Constitution. Fellows, with the Foundation's assistance, are strongly encouraged to make good faith efforts to have their universities incorporate the Institute into their Plan of Study and accept the 6 Institute credits toward the minimum number of credits required for their master's degrees.

Subpart F—Fellowship Stipend

§ 2400.52 Amount of stipend.

Junior and Senior Fellowships carry a stipend of up to a maximum of \$24,000 pro-rated over the period of Fellows' graduate study. In no case shall the stipend for a fellowship exceed \$12,000 per academic year. Within this limit, stipends will be pro-rated over the period of Fellows' graduate study as follows: a maximum of \$6,000 per academic semester or trimester of full-time study, and a maximum of \$4,000 per academic quarter of full-time study. Stipends for part-time study will be pro rata shares of those allowable for full-time study.

§ 2400.53 Duration of stipend.

Stipends for Junior Fellowships may be payable over a period up to 2 calendar years of full-time graduate study, and those for Senior Fellowships may be payable over a period of not more than 5 calendar years of part-time graduate study, beginning with the dates under which Fellows commence their graduate study under their fellowships. However, the duration of stipend payments will be subject to the maximum payment limits, the length of award time limits, and the completion of the minimum degree requirements, whichever occurs first. A waiver of the time limit may be given for full-time students who require more than 36 credit hours or 54 quarter hours to complete their approved degree.

James Madison Memorial Fellowship Foundation

§ 2400.58

§ 2400.54 Use of stipend.

Stipends shall be used only to pay the costs of tuition, required fees, books, room, and board associated with graduate study under a fellowship. The costs allowed for a Fellow's room and board will be the amount the Fellow's university reports to the Foundation as the cost of room and board for a graduate student if that student were to share a room at the student's university. If no shared graduate housing exists, then costs for regular shared student housing will be used. If no campus housing exists, the equivalent room and board costs at neighboring universities will be used. Stipends for room, board, and books will be prorated for Fellows enrolled in study less than full time. The Foundation will not reimburse Fellows for any portion of their master's degree study, that Fellows may have completed prior to the commencement of their fellowships. Nor will the Foundation reimburse Fellows for any credits acquired above the minimum number of credits required for the degree. If a Fellow has already taken and paid for courses that can be credited toward the Fellow's graduate degree under a fellowship, those must be credited to the degree; the remaining required courses will be paid for by the Foundation.

§ 2400.55 Certification for stipend.

In order to receive a fellowship stipend, a Fellow must submit the following nine items in writing:

- (a) An acceptance of the terms and conditions of the fellowship including a completed certificate of compliance form;
- (b) Evidence of admission to an approved graduate program;
- (c) Certified copies of undergraduate and, if any, graduate transcripts;
- (d) A certified payment request form indicating the estimated costs for tuition, required fees, books, room, and board;
- (e) a photo copy of the university's bulletin of cost information;
- (f) The amount and nature of income from any other grants or awards;
- (g) information about the Fellow's degree requirements, including the number of required credits to fulfill the degree;

(h) a statement of the university's willingness to accept the transfer of 6 credits toward the Fellow's degree requirements for the Fellow's satisfactory completion of the Summer Institute (see § 2400.51); and

(i) A full Plan of Study over the duration of the fellowship, including information on the contents of required constitutional courses. Senior Fellows must provide evidence of their continued full-time employment as teachers in grades 7–12.

[61 FR 46734, Sept. 5, 1996, as amended at 69 FR 11815, Mar. 12, 2004]

§ 2400.56 Payment of stipend.

Payment for tuition, required fees, books, room, and board subject to the limitations in §§ 2400.52 through 2400.55 and §§ 2400.59 through 2400.60 will be paid via Electronic Funds Transfer to each Fellow at the beginning of each term of enrollment and upon the Fellow's submission of a completed Payment Request Form which includes the current University bulletin of cost information.

[69 FR 11815, Mar. 12, 2004]

§ 2400.57 Termination of stipend.

(a) The Foundation may suspend or terminate the payment of a stipend if a Fellow fails to meet the criteria set forth in § 2400.40 through § 2400.44 and § 2400.60, except as provided for in § 2400.61. Before it suspends or terminates a fellowship under these circumstances, the Foundation will give notice to the Fellow, as well as the opportunity to be heard with respect to the grounds for suspension or termination.

(b) The Foundation will normally suspend the payment of a stipend if a Fellow has more than one grade of "Incomplete" in courses for which the Foundation has made payment to the Fellow.

§ 2400.58 Repayment of stipend.

(a) If a Fellow fails to secure a master's degree, fails to teach American history, American government, social studies, or political science on a full-time basis in a secondary school for at least one school year for each academic year for which assistance was provided

§ 2400.59

under a fellowship, fails to secure at least 12 semester hours or their credit hour equivalent for study of the Constitution as indicated in § 2400.43(b), or fails to attend the Foundation's Summer Institute on the Constitution, the Fellow must repay all of the fellowship costs received plus interest at the rate of 6% per annum or as otherwise authorized and, if applicable, reasonable collection fees, as prescribed in Section 807 of the Act (20 U.S.C. 4506(b)).

(b) If a Fellow withdraws from the fellowship or has a fellowship terminated by the Foundation, the Fellow must repay all fellowship funds which have been remitted to the Fellow or on his or her behalf under a fellowship.

§ 2400.59 Other awards.

Fellows may accept grants from other foundations, institutions, corporations, or government agencies to support their graduate study or to replace any income foregone for study. However, the stipend paid by the Foundation for allowable costs indicated in § 2400.52 will be reduced to the extent these costs are paid from other sources, and in no case will fellowship funds be paid to Fellows to provide support in excess of their actual total costs of tuition, required fees, books, room, and board. The Foundation may also reduce a Fellow's stipend if the Fellow is remunerated for the costs of tuition under a research or teaching assistantship or a work-study program. In such a case, the Foundation will require information from a Fellow's university about the intended use of assistantship or work-study support before remitting fellowship payments.

§ 2400.60 Renewal of award.

(a) Provided that Fellows have submitted all required documentation and are making satisfactory academic progress, it is the intent of the Foundation to renew Junior Fellowship awards annually for a period not to exceed two calendar years or the completion of their graduate degrees, whichever comes first, and Senior Fellow-

45 CFR Ch. XXIV (10–1–24 Edition)

ships for a period not to exceed 5 calendar years (except when those periods have been altered because of changes in Fellows' Plan of Study as provided for in § 2400.64), or until a Fellow has completed all requirements for a master's degree, whichever comes first. In no case, however, will the Foundation continue payments under a fellowship to a Fellow who has reached the maximum payments under a fellowship as indicated in § 2400.52, or completed the minimum number of credits required for the degree. Although Fellows are not discouraged in taking courses in addition to those required for the degree or required to maintain full-time status, the Foundation will not in such cases pay for those additional courses.

(b) Fellowship renewal will be subject to an annual review by the Foundation and certification by an authorized official of the university at which a Fellow is registered that the Fellow is making satisfactory progress toward the degree and is in good academic standing according to the standards of each university.

(c) As a condition of renewal of awards, each Fellow must submit an annual activity report to the Foundation by July 15th. That report must indicate, through submission of a copy of the Fellow's most recent transcript, courses taken and grades achieved; courses planned for the coming year; changes in academic or professional plans or situations; any awards, recognitions, or special achievements in the Fellow's academic study or school employment; and such other information as may relate to the fellowship and its holder.

[61 FR 46734, Sept. 5, 1996, as amended at 69 FR 11815, Mar. 12, 2004]

§ 2400.61 Postponement of award.

Upon application to the Foundation, a Fellow may seek postponement of his or her fellowship because of ill health or other mitigating circumstances, such as military duty, temporary disability, necessary care of an immediate family member, or unemployment as a teacher. Substantiation of the reasons for the requested postponement of study will be required. All postponements are given at the Foundation's

discretion and will normally not extend for more than one year.

[61 FR 46734, Sept. 5, 1996, as amended at 69 FR 11815, Mar. 12, 2004]

§ 2400.62 Evidence of master's degree.

At the conclusion of graduate studies, each Fellow must provide a certified transcript which indicates that he or she has secured an approved master's degree as set forth in the Fellow's original Plan of Study or approved modifications thereto.

§ 2400.63 Excluded graduate study.

James Madison Fellowships do not provide support for study toward doctoral degrees, for the degree of master of arts in public affairs or public administration. The Foundation may at its discretion, upon request of the Fellow, provide tuition only assistance toward teacher certification.

[69 FR 11815, Mar. 12, 2004]

§ 2400.64 Alterations to Plan of Study.

Although Junior Fellows are expected to pursue full-time study and Senior Fellows to pursue part-time study, the Foundation may permit Junior Fellows with an established need (such as the need to accept a teaching position) to study part time and Senior Fellows with established need (such as great distance between the Fellow's residence and the nearest university, thus necessitating a full-time leave of absence from employment in order to study) to study full time.

§ 2400.65 Teaching obligation.

Upon receiving a Master's degree, each Fellow must teach American history, American government, social studies, or political science on a full-time basis to students in secondary school for a period of not less than one year for each academic year for which financial assistance was received. Each Fellow will be required to provide the Foundation with an annual certification from an official of the secondary school where the Fellow is employed indicating the teaching activities of the Fellow during the past year. This same certification will be required each year until the Fellow's teaching

obligation is completed. Any teaching done by the Fellow prior to or during graduate studies does not count towards meeting this teaching obligation.

§ 2400.66 Completion of fellowship.

A Fellow will be deemed to have satisfied all terms of a fellowship and all obligations under it when the Fellow has completed no fewer than 12 graduate semester hours or the equivalent of study of the Constitution, formally secured the masters degree, attended the Foundation's Summer Institute on the Constitution, completed teaching for the number of years and fractions thereof required as a condition of accepting Foundation support for study, and submitted all required reports.

§ 2490.101 Purpose.

The purpose of this part is to effectuate section 119 of the Rehabilitation,

§ 2490.102

Comprehensive Services, and Developmental Disabilities Amendments of 1978, which amended section 504 of the Rehabilitation Act of 1973 to prohibit discrimination on the basis of handicap in programs or activities conducted by Executive agencies or the United States Postal Service.

§ 2490.102 Application.

This part (§§ 2490.101–2490.170) applies to all programs or activities conducted by the agency, except for programs or activities conducted outside the United States that do not involve individuals with handicaps in the United States.

§ 2490.103 Definitions.

For purposes of this part, the term—

For example, auxiliary aids useful for persons with impaired vision include readers, Brailled materials, audio recordings, and other similar services and devices. Auxiliary aids useful for persons with impaired hearing include telephone handset amplifiers, telephones compatible with hearing aids, telecommunication devices for deaf persons (TTD's), interpreters, notetakers, written materials, and other similar services and devices.

Complete complaint means a written statement that contains the complainant's name and address and describes the agency's alleged discriminatory action in sufficient detail to inform the agency of the nature and date of the alleged violation of section 504. It shall be signed by the complainant or by someone authorized to do so on his or her behalf. Complaints filed on behalf of classes or third parties shall describe or identify (by name, if possible) the alleged victims of discrimination.

Facility means all or any portion of buildings, structures, equipment, roads, walks, parking lots, rolling stock or other conveyances, or other real or personal property.

45 CFR Ch. XXIV (10–1–24 Edition)

Historic preservation programs means programs conducted by the agency that have preservation of historic properties as a primary purpose.

Historic properties means those properties that are listed or eligible for listing in the National Register of Historic Places or properties designated as historic under a statute of the appropriate State or local government body.

Individual with handicaps means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment. As used in this definition, the phrase:

(1) *Physical or mental impairment* includes—

(i) Any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genitourinary; hemic and lymphatic; skin; and endocrine; or

(ii) Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term “physical or mental impairment” includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, HIV disease (whether symptomatic or asymptomatic), and drug addiction and alcoholism.

(2) *Major life activities* include functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

(3) *Has a record of such an impairment* means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

(4) *Is regarded as having an impairment* means—

(i) Has a physical or mental impairment that does not substantially limit major life activities but is treated by

the agency as constituting such a limitation;

(ii) Has a physical or mental impairment that substantially limits major life activities only as a result of the attitudes of others toward such impairment; or

(iii) Has none of the impairments defined in paragraph (1) of this definition but is treated by the agency as having such an impairment.

Qualified individual with handicaps means—

(1) With respect to preschool, elementary, or secondary education services provided by the agency, an individual with handicaps who is a member of a class of persons otherwise entitled by statute, regulation, or agency policy to receive education services from the agency;

(2) With respect to any other agency program or activity under which a person is required to perform services or to achieve a level of accomplishment, an individual with handicaps who meets the essential eligibility requirements and who can achieve the purpose of the program or activity without modifications in the program or activity that the agency can demonstrate would result in a fundamental alteration in its nature;

(3) With respect to any other program or activity, an individual with handicaps who meets the essential eligibility requirements for participation in, or receipt of benefits from, that program or activity; and

(4) *Qualified handicapped person* as that term is defined for purposes of employment in 29 CFR 1614.203(a)(6), which is made applicable to this part by § 2490.140.

Section 504 means section 504 of the Rehabilitation Act of 1973 (Pub. L. 93-112, 87 Stat. 394 (29 U.S.C. 794)), as amended. As used in this part, section 504 applies only to programs or activities conducted by Executive agencies and not to federally assisted programs.

Substantial impairment means a significant loss of the integrity of finished materials, design quality, or special character resulting from a permanent alteration.

§§ 2490.104–2490.109 [Reserved]

§ 2490.110 Self-evaluation.

(a) The agency shall, by November 28, 1994, evaluate its current policies and practices, and the effects thereof, that do not or may not meet the requirements of this part and, to the extent modification of any such policies and practices is required, the agency shall proceed to make the necessary modifications.

(b) The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the self-evaluation process by submitting comments (both oral and written).

(c) The agency shall, for at least three years following completion of the self-evaluation, maintain on file and make available for public inspection:

(1) A description of areas examined and any problems identified; and

(2) A description of any modifications made.

§ 2490.111 Notice.

The agency shall make available to employees, applicants, participants, beneficiaries, and other interested persons such information regarding the provisions of this part and its applicability to the programs or activities conducted by the agency, and make such information available to them in such manner as the head of the agency finds necessary to apprise such persons of the protections against discrimination assured them by section 504 and this part.

§§ 2490.112–2490.129 [Reserved]

§ 2490.130 General prohibitions against discrimination.

(a) No qualified individual with handicaps shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

(b)(1) The agency, in providing any aid, benefit, or service, may not, directly or through contractual, licensing, or other arrangements, on the basis of handicap—

§§ 2490.131–2490.139

(i) Deny a qualified individual with handicaps the opportunity to participate in or benefit from the aid, benefit, or service;

(ii) Afford a qualified individual with handicaps an opportunity to participate in or benefit from the aid, benefit, or service that is not equal to that afforded others;

(iii) Provide a qualified individual with handicaps with an aid, benefit, or service that is not as effective in according equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement as that provided to others;

(iv) Provide different or separate aid, benefits, or services to individuals with handicaps or to any class of individuals with handicaps than is provided to others unless such action is necessary to provide qualified individuals with handicaps with aid, benefits, or services that are as effective as those provided to others;

(v) Deny a qualified individual with handicaps the opportunity to participate as a member of planning or advisory boards;

(vi) Otherwise limit a qualified individual with handicaps in the enjoyment of any right, privilege, advantage, or opportunity enjoyed by others receiving the aid, benefit, or service.

(2) The agency may not deny a qualified individual with handicaps the opportunity to participate in programs or activities that are no separate or different, despite the existence of permissibly separate or different programs or activities.

(3) The agency may not, directly or through contractual or other arrangements, utilize criteria or methods of administration the purpose or effect of which would—

(i) Subject qualified individuals with handicaps to discrimination on the basis of handicap; or

(ii) Defeat or substantially impair accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(4) The agency may not, in determining the site or location of a facility, make selections the purpose or effect of which would—

45 CFR Ch. XXIV (10–1–24 Edition)

(i) Exclude individuals with handicaps from, deny them the benefits of, or otherwise subject them to discrimination under any program or activity conducted by the agency; or

(ii) Defeat or substantially impair the accomplishment of the objectives of a program or activity with respect to individuals with handicaps.

(5) The agency, in the selection of procurement contractors, may not use criteria that subject qualified individuals with handicaps to discrimination on the basis of handicap.

(6) The agency may not administer a licensing or certification program in a manner that subjects qualified individuals with handicaps to discrimination on the basis of handicap, nor may the agency establish requirements for the programs or activities of licensees or certified entities that subject qualified individuals with handicaps to discrimination on the basis of handicap. However, the programs or activities of entities that are licensed or certified by the agency are not, themselves, covered by this part.

(c) The exclusion of nonhandicapped persons from the benefits of a program limited by Federal statute or Executive order to individuals with handicaps or the exclusion of a specific class of individuals with handicaps from a program limited by Federal statute or Executive order to a different class of individuals with handicaps is not prohibited by this part.

(d) The agency shall administer programs and activities in the most integrated setting appropriate to the needs of qualified individuals with handicaps.

§§ 2490.131–2490.139 [Reserved]

§ 2490.140 Employment.

No qualified individual with handicaps shall, on the basis of handicap, be subjected to discrimination in employment under any program or activity conducted by the agency. The definitions, requirements, and procedures of section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791), as established by the Equal Employment Opportunity Commission in 29 CFR part 1614, shall apply to employment in federally conducted programs or activities.

§§ 2490.141–2490.148 [Reserved]

§ 2490.149 Program accessibility: Discrimination prohibited.

Except as otherwise provided in § 2490.150, no qualified individual with handicaps shall, because the agency's facilities are inaccessible to or unusable by individuals with handicaps, be denied the benefits of, be excluded from participation in, or otherwise be subjected to discrimination under any program or activity conducted by the agency.

§ 2490.150 Program accessibility: Existing facilities.

(a) *General.* The agency shall operate each program or activity so that the program or activity, when viewed in its entirety, is readily accessible to and usable by individuals with handicaps. This paragraph does not—

(1) Necessarily require the agency to make each of its existing facilities accessible to and usable by individuals with handicaps;

(2) In the case of historic preservation programs, require the agency to take any action that would result in a substantial impairment of significant historic features of an historic property; or

(3) Require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 2490.150(a) would result in such alteration or burdens. The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity, and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action would result in such an alteration or such burdens, the agency shall take any other action that result in such an

alteration or such burdens but would nevertheless ensure that individuals with handicaps receive the benefits and services of the program or activity.

(b) *Methods*—(1) *General.* The agency may comply with the requirements of this section through such means as redesign of equipment, reassignment of services to accessible buildings, assignment of aides to beneficiaries, home visits, delivery of services at alternate accessible sites, alteration of existing facilities and construction of new facilities, use of accessible rolling stock, or any other methods that result in making its programs or activities readily accessible to and usable by individuals with handicaps. The agency is not required to make structural changes in existing facilities where other methods are effective in achieving compliance with this section. The agency, in making alterations to existing buildings, shall meet accessibility requirements to the extent compelled by the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), and any regulations implementing it. In choosing among available methods for meeting the requirements of this section, the agency shall give priority to those methods that offer programs and activities to qualified individuals with handicaps in the most integrated setting appropriate.

(2) *Historic preservation programs.* In meeting the requirements of § 2490.150(a) in historic preservation programs, the agency shall give priority to methods that provide physical access to individuals with handicaps. In cases where a physical alteration to an historic property is not required because of § 2490.150(a)(2) or (a)(3), alternative methods of achieving program accessibility include—

(i) Using audio-visual materials and devices to depict those portions of an historic property that cannot otherwise be made accessible;

(ii) Assigning persons to guide individuals with handicaps into or through portions of historic properties that cannot otherwise be made accessible; or

(iii) Adopting other innovative methods.

§ 2490.151

(c) *Time period for compliance.* The agency shall comply with the obligations established under this section by January 24, 1994, except that where structural changes in facilities are undertaken, such changes shall be made by November 26, 1996, but in any event as expeditiously as possible.

(d) *Transition plan.* In the event that structural changes to facilities will be undertaken to achieve program accessibility, the agency shall develop, by May 26, 1994, a transition plan setting forth the steps necessary to complete such changes. The agency shall provide an opportunity to interested persons, including individuals with handicaps or organizations representing individuals with handicaps, to participate in the development of the transition plan by submitting comments (both oral and written). A copy of the transition plan shall be made available for public inspection. The plan shall, at a minimum—

(1) Identify physical obstacles in the agency's facilities that limit the accessibility of its programs or activities to individuals with handicaps;

(2) Describe in detail the methods that will be used to make the facilities accessible;

(3) Specify the schedule for taking the steps necessary to achieve compliance with this section and, if the time period of the transition plan is longer than one year, identify steps that will be taken during each year of the transition period; and

(4) Indicate the official responsible for implementation of the plan.

§ 2490.151 Program accessibility: New construction and alterations.

Each building or part of a building that is constructed or altered by, on behalf of, or for the use of the agency shall be designed, constructed, or altered so as to be readily accessible to and usable by individuals with handicaps. The definitions, requirements, and standards of the Architectural Barriers Act (42 U.S.C. 4151–4157), as established in 41 CFR 101–19.600 to 101–19.607, apply to buildings covered by this section.

45 CFR Ch. XXIV (10–1–24 Edition)

§§ 2490.152–2490.159 [Reserved]

§ 2490.160 Communications.

(a) The agency shall take appropriate steps to ensure effective communication with applicants, participants, personnel of other Federal entities, and members of the public.

(1) The agency shall furnish appropriate auxiliary aids where necessary to afford an individual with handicaps an equal opportunity to participate in, and enjoy the benefits of, a program or activity conducted by the agency.

(i) In determining what type of auxiliary aid is necessary, the agency shall give primary consideration to the requests of the individual with handicaps.

(ii) The agency need not provide individually prescribed devices, readers for personal use or study, or other devices of a personal nature.

(2) Where the agency communicates with applicants and beneficiaries by telephone, telecommunication devices for deaf persons (TDD's) or equally effective telecommunication systems shall be used to communicate with persons with impaired hearing.

(b) The agency shall ensure that interested persons, including persons with impaired vision or hearing, can obtain information as to the existence and location of accessible services, activities, and facilities.

(c) The agency shall provide signage at a primary entrance to each of its inaccessible facilities, directing users to a location at which they can obtain information about accessible facilities. The international symbol for accessibility shall be used at each primary entrance of an accessible facility.

(d) This section does not require the agency to take any action that it can demonstrate would result in a fundamental alteration in the nature of a program or activity or in undue financial and administrative burdens. In those circumstances where agency personnel believe that the proposed action would fundamentally alter the program or activity or would result in undue financial and administrative burdens, the agency has the burden of proving that compliance with § 2490.160 would result in such alteration or burdens.

The decision that compliance would result in such alteration or burdens must be made by the agency head or his or her designee after considering all agency resources available for use in the funding and operation of the conducted program or activity and must be accompanied by a written statement of the reasons for reaching that conclusion. If an action required to comply with this section would result in such an alteration or such burdens, the agency shall take any other action that would not result in such an alteration or such burdens but would nevertheless ensure that, to the maximum extent possible, individuals with handicaps receive the benefits and services of the program or activity.

§§ 2490.161–2490.169 [Reserved]

§ 2490.170 Compliance procedures.

(a) Except as provided in paragraph (b) of this section, this section applies to all allegations of discrimination on the basis of handicap in programs and activities conducted by the agency.

(b) The agency shall process complaints alleging violations of section 504 with respect to employment according to the procedures established by the Equal Employment Opportunity Commission in 29 CFR part 1614 pursuant to section 501 of the Rehabilitation Act of 1973 (29 U.S.C. 791).

(c) The Director of Administration and Finance shall be responsible for coordinating implementation of this section. Complaints may be sent to James Madison Memorial Fellowship Foundation, 2000 K Street, NW., suite 303, Washington, DC 20006.

(d) The agency shall accept and investigate all complete complaints for which it has jurisdiction. All complete complaints must be filed within 180 days of the alleged act of discrimination. The agency may extend this time period for good cause.

(e) If the agency receives a complaint over which it does not have jurisdiction, it shall promptly notify the complainant and shall make reasonable efforts to refer the complaint to the appropriate Government entity.

(f) The agency shall notify the Architectural and Transportation Barriers Compliance Board upon receipt of any complaint alleging that a building or facility that is subject to the Architectural Barriers Act of 1968, as amended (42 U.S.C. 4151–4157), is not readily accessible to and usable by individuals with handicaps.

(g) Within 180 days of the receipt of a complete complaint for which it has jurisdiction, the agency shall notify the complainant of the results of the investigation in a letter containing—

(1) Findings of fact and conclusions of law;

(2) A description of a remedy for each violation found; and

(3) A notice of the right to appeal.

(h) Appeals of the findings of fact and conclusions of law or remedies must be filed by the complainant within 90 days of receipt from the agency of the letter required by § 2490.170(g). The agency may extend this time for good cause.

(i) Timely appeals shall be accepted and processed by the head of the agency.

(j) The head of the agency shall notify the complainant of the results of the appeal within 60 days of the receipt of the request. If the head of the agency determines that additional information is needed from the complainant, he or she shall have 60 days from the date of receipt of the additional information to make his or her determination on the appeal.

(k) The time limits cited in paragraphs (g) and (j) of this section may be extended with the permission of the Assistant Attorney General.

(l) The agency may delegate its authority for conducting complaint investigations to other Federal agencies, except that the authority for making the final determination may not be delegated to another agency.

Subpart C—Programs

§ 2500.20 Program descriptions.

(a) AmeriCorps operates four main national service programs: AmeriCorps NCCC, AmeriCorps Seniors, AmeriCorps State and National, and AmeriCorps VISTA. Additional information on each of these programs and additional AmeriCorps programs is available at www.americorps.gov.

(1) AmeriCorps NCCC is a full-time residential service program for individuals aged 18 to 24 (unless otherwise authorized), as defined by statute. Individuals serving in the NCCC program complete team-based service projects that respond to priority national and community needs. AmeriCorps NCCC program staff recruit, train, and manage volunteers (called "members") and partner with organizations that serve as project sponsors. FEMA Corps is a sub-program that AmeriCorps NCCC manages in partnership with the Federal Emergency Management Agency. It places members in service positions to perform disaster public assistance, planning, preparedness, and recovery activities. The NCCC Forest Corps is a sub-program that AmeriCorps NCCC manages in partnership with the U.S. Forest Service. It places members in service positions to perform wildfire mitigation, reforestation, and climate resiliency activities. Finally, NCCC houses the agency's Disaster Services

45 CFR Ch. XXV (10–1–24 Edition)

Unit (DSU), the entity which coordinates with FEMA to secure funding to mobilize AmeriCorps NCCC and AmeriCorps State and National members under a federally declared disaster.

(2) AmeriCorps Seniors focuses on providing service opportunities for individuals aged 55 years or older. It operates four national service programs: the Foster Grandparent Program, Senior Companion Program, RSVP, and the Senior Demonstration Program. Under each of these programs, AmeriCorps Seniors provides grants to sponsoring organizations to meet priority national and community needs. The sponsoring organizations then recruit and enlist local volunteers, and address performance measures as required by grant terms and conditions.

(3) AmeriCorps State and National provides grants to States, Territories, Indian Tribes, public and private non-profit organizations, local governments, and institutions of higher education to carry out national service programs, offering a wide range of service opportunities. In addition to grant funds to support direct programming, AmeriCorps State and National also provides general operating funding for State service commissions.

(4) AmeriCorps VISTA is a program for individuals aged 18 and older to participate in full-time service to strengthen and supplement efforts to eliminate and alleviate poverty and poverty-related problems in the United States. AmeriCorps VISTA partners with local organizations to recruit, select, train, and assign volunteers ("members") to work on projects at a sponsoring organization or one of its project sites.

(b) In addition to its four main national service programs, AmeriCorps also operates several additional programs and activities. These include the Martin Luther King, Jr., Day of Service; the September 11th Day of Service and Remembrance; the Volunteer Generation Fund; and other national service programs that AmeriCorps establishes through agreements with other Federal agencies.

Subpart D—Logos

§ 2500.30 Description of logos.

(a) The AmeriCorps logo (Logo) is the key element in agency identification.

(a) This part is applicable to all former and current AmeriCorps employees, including special Government employees.

(b) This part does not apply to volunteers, service members, contractors, or any other individuals who may be affiliated with AmeriCorps, but not employed by the agency.

§ 2502.40 Under what circumstances may AmeriCorps indemnify employees?

§ 2502.60 What types of legal proceedings may an AmeriCorps employee seek indemnification or settlement for?

An AmeriCorps employee may seek indemnification or settlement in any civil action or proceeding brought, in any court, for a covered claim.

Former employees must directly notify the Office of General Counsel.

Where appropriate, the General Counsel may request that the Department of Justice provide legal representation for the AmeriCorps employee.

The written request must include appropriate documentation, including copies of the verdict, judgment, award, or settlement proposal.

§ 2502.100 How will AmeriCorps handle the request for indemnification?

(i) Disclose information the premature disclosure of which would be likely to significantly frustrate implementation of a proposed action of the Corporation, except that this provision shall not apply in any instance where the Corporation has already disclosed to the public the content or nature of its proposed action, or where the Corporation is required by law to make such disclosure on its own initiative prior to taking final action; or

(j) Specifically concerning the Corporation's issuance of a subpoena or the Corporation's participation in a civil action or proceeding, an action in a foreign court or international tribunal, or an arbitration, or the initiation, conduct, or disposition by the Corporation of a particular case of formal adjudication pursuant to the procedures in 5 U.S.C. 554 or otherwise involving a determination on the record after opportunity for a hearing.

§ 2505.5 What are the procedures for closing a meeting, withholding information, and responding to requests by affected persons to close a meeting?

The Board may act by taking a single vote with respect to a series of meetings which are proposed to be closed to the public, or with respect to any information concerning a series of meetings, so long as each meeting in the series involves the same particular matters and is scheduled to be held no more than thirty days after the initial meeting in the series. Each Member's vote under this paragraph shall be recorded and no proxies shall be allowed.

(b) If your interests may be directly affected if a meeting is open you may

request that the Board close the meeting on one of the grounds referred to in § 2505.4(e), (f), or (g). You should submit your request to the Corporation for National and Community Service, Office of the General Counsel, 250 E Street SW., Washington, DC 20525. The Board shall, upon the request of any one of its members, determine by recorded vote whether to grant your request.

(e) For each closed meeting, the Board shall issue a statement setting forth the time, place, and persons present. A copy of such statement shall be available for public inspection.

(f)(1) For each closed meeting, with the exception of a meeting closed pursuant to § 2505.4(h) or (j), the Board shall maintain a complete transcript or electronic recording adequate to record fully the proceedings of each meeting.

(2) For meetings that are closed pursuant to § 2505.4(h) or (j), the Board may maintain a set of minutes in lieu of a transcript or recording. Such minutes shall fully and clearly describe all matters discussed and shall provide a full and accurate summary of any actions taken, and the reasons therefor, including a description of each of the views expressed on any item and the record of any vote. All documents considered in connection with any action shall be identified in such minutes.

(3) The Corporation shall make promptly available to the public, in a place easily accessible to the public, the transcript, electronic recording, or minutes of the discussion of any item on the agenda, or of any item of the

testimony of any witness received at the meeting, except for such item or items of such discussion or testimony as the Corporation determines to contain information which may be properly withheld. Copies of such transcript, or minutes, or a transcription of such recording disclosing the identity of each speaker, shall be furnished to any person at the actual cost of duplication or transcription. The Corporation shall maintain the transcript, recording, or minutes for each closed meeting for at least two years or at least one year after the conclusion of any Corporation business acted upon at the meeting, whichever occurs later.

- (2) The public announcement required by paragraph (a) of this section is made at the earliest practicable time and posted on the Corporation's home page.

§ 2505.7 What are the procedures for changing the time or place of a meeting following the public announcement?

(a) After there has been a public announcement of a meeting, the time or place of the meeting may be changed only if the Board publicly announces the change at the earliest practicable time. Such a change need not be determined by recorded vote.

(b) After there has been a public announcement of a meeting, the subject-matter of the meeting, or the determination of the Board to open or to close a meeting may be changed only when—

(a) The Corporation is issuing the regulations in this part under the authority of 31 U.S.C. chapter 37, 3701–3720A and 3720D. These sections implement the requirements of the Federal Claims Collection Act of 1966, as amended by the Debt Collection Act of 1982 and the Debt Collection Improvement Act of 1996.

(b) The Corporation is also issuing the regulations in this part to conform to the Federal Claims Collection Standards (FCCS), which prescribe standards for handling the Federal Government's claims for money or property. The FCCS are issued by the Department of Justice (DOJ) and the Treasury at 31 CFR chapter IX, parts 900-904. The Corporation adopts those standards without change. The regulations in this part supplement the FCCS by prescribing procedures necessary and appropriate for the Corporation's operations.

(c) The Corporation is also issuing the regulations in this part to conform to the standards for handling Administrative Wage Garnishment processing by the Federal Government. The standards are issued by the Treasury at 31 CFR 285.11. The Corporation adopts those standards without change. The regulations in this part supplement the standards by prescribing procedures necessary and appropriate for the Corporation's operations.

The following types of debts are excluded:

(a) Debts or claims arising under the Internal Revenue Code (26 U.S.C. 1 *et seq.*) or the tariff laws of the United States, or the Social Security Act (42 U.S.C. 301 *et seq.*); except as provided under sections 204(f) and 1631 (42 U.S.C. 404(f) and 1383(b)(4)(A)).

(b) Any case to which the Contract Disputes Act (41 U.S.C. 601 *et seq.*) applies;

(c) Any case where collection of a debt is explicitly provided for or provided by another statute, *e.g.*, travel advances under 5 U.S.C. 5705 and employee training expenses under 5 U.S.C. 4108, or, as provided for by title 11 of the United States Code, when the claims involve bankruptcy;

(d) Any debt based in whole or in part on conduct in violation of the antitrust laws or involving fraud, the presentation of a false claim, or misrepresentation on the part of the debtor or any party having an interest in the claim, as described in the FCCS, unless DOJ authorizes the Corporation to handle the collection;

(e) Claims between Federal agencies;

(f) Unless otherwise provided by law, administrative offset of payments under the authority of 31 U.S.C. 3716 to collect a debt may not be initiated more than 10 years after the Government’s right to collect the debt first accrued. (Exception: The 10-year limit does not apply if facts material to the Federal Government’s right to collect the debt were not known and could not reasonably have been known by the official or officials of the Government

who were charged with the responsibility to discover and collect such debts.) The 10-year limitation also does not apply to debts reduced to a judgment; and

(g) Unless otherwise stated, debts which have been transferred to the Treasury or referred to the DOJ will be collected in accordance with the procedures of those agencies.

§ 2506.5 If a debt is not excluded from these regulations, may it be compromised, suspended, terminated, or waived?

Nothing in this part precludes:

(a) The compromise, suspension, or termination of collection actions, where appropriate under the FCCS, or the use of alternative dispute resolution methods if they are consistent with applicable law and regulations.

(b) An employee from requesting waiver of an erroneous payment under 5 U.S.C. 5584, 10 U.S.C. 2774, or 32 U.S.C. 716; or any debtor from questioning the amount or validity of a debt, in the manner set forth in this part.

§ 2506.6 What is a claim or debt?

A claim or debt is an amount of money, funds, or property that has been determined by an agency official to be due the United States from any person, organization, or entity except another Federal agency (see § 2506.3).

§ 2506.7 Why does the Corporation have to collect debts?

Federal agencies are required to try to collect claims or debts of the Federal Government for money, funds, or property arising out of the agency's activities.

§ 2506.8 What action might the Corporation take to collect debts?

(a) There are a number of actions that the Corporation is permitted to take when attempting to collect debts. These actions include:

(1) Salary, tax refund or administrative offset, or administrative wage garnishment (see subparts C, D, E, and F of this part respectively); or

(2) Using the services of private collection contractors.

(b) In certain instances, usually after collection efforts have proven unsuccessful,

the Corporation transfers debts to the Treasury for collection or refers them to the DOJ for litigation (see §§ 2506.10 and 2506.11).

§ 2506.9 What rights do I have as a debtor?

As a debtor you have several basic rights. You have a right to:

(a) Notice as set forth in these regulations (see § 2506.14);

(b) Inspect the records that the Corporation has used to determine that you owe a debt (see § 2506.14);

(c) Request review of the debt and possible payment options (see § 2506.17);

(d) Propose a voluntary repayment agreement (see § 2506.19); and/or

(e) Question if the debt is excluded from these regulations (see § 2506.5(b)).

Subpart B—General Provisions

§ 2506.10 Will the Corporation use its cross-servicing agreement with Treasury to collect its debts?

(a) The Corporation entered into a cross-servicing agreement on March 26, 1999, with Treasury Financial Management Services (FMS) that authorizes the Treasury to take the collection actions described in this part on behalf of the Corporation (see § 2506.3). The Corporation will refer debts or groups of debts to FMS for collection action. The debt collection procedures that the Treasury FMS uses are based on 31 U.S.C. chapter 37 and this part.

(b) The Corporation must transfer to the Treasury any debt that has been delinquent for a period of 180 days or more, so that the Secretary of the Treasury may take appropriate action to collect the debt or terminate collection action. This is pursuant to § 901.3 of the FCCS.

(c) Paragraph (b) of this section will not apply to any debt or claim that:

(1) Is in litigation or foreclosure;

(2) Will be disposed of under an approved asset sales program;

(3) Has been referred to a private collection contractor for collection for a period of time acceptable to the Secretary of the Treasury;

(4) Is at a debt collection center for a period of time acceptable to the Secretary of the Treasury;

§ 2506.11

(5) Will be collected under internal offset procedures within 3 years after the date the debt or claim is first delinquent; or

(6) Is exempt from this requirement based on a determination by the Secretary of the Treasury.

§ 2506.11 Will the Corporation refer debts to the Department of Justice?

The Corporation will refer to DOJ for litigation debts on which aggressive collection actions have been taken, but which could not be collected, compromised, suspended, or terminated. Referrals will be made as early as possible, consistent with aggressive Corporation collection action, and within the period for bringing a timely suit against the debtor.

§ 2506.12 Will the Corporation provide information to credit reporting agencies?

(a) The Corporation will report certain delinquent debts to appropriate consumer credit reporting agencies by providing the following information:

(1) A statement that the debt is valid and overdue;

(2) The name, address, taxpayer identification number, and any other information necessary to establish the identity of the debtor;

(3) The amount, status, and history of the debt; and

(4) The program or pertinent activity under which the debt arose.

(b) Before disclosing debt information to a credit reporting agency, the Corporation:

(1) Takes reasonable action to locate the debtor if a current address is not available;

(2) Provides the notice required under § 2506.14(a) if a current address is available; and

(3) Obtains satisfactory assurances from the credit reporting agency that it complies with the Fair Credit Reporting Act (15 U.S.C. 1681 *et seq.*) and other Federal laws governing the provision of credit information.

(c) At the time debt information is submitted to a credit reporting agency, the Corporation provides a written statement to the reporting agency that all required actions have been taken. In addition, the Corporation thereafter

45 CFR Ch. XXV (10–1–24 Edition)

ensures that the credit reporting agency is promptly informed of any substantive change in the conditions or amount of the debt, and promptly verifies or corrects information relevant to the debt.

(d) If a debtor disputes the validity of the debt, the credit reporting agency refers the matter to the appropriate Corporation official. The credit reporting agency excludes the debt from its reports until the Corporation certifies in writing that the debt is valid.

(e) The Corporation may disclose to a commercial credit bureau information concerning a commercial debt, including the following:

(1) Information necessary to establish the name, address, and employer identification number of the commercial debtor;

(2) The amount, status, and history of the debt; and

(3) The program or pertinent activity under which the debt arose.

§ 2506.13 How will the Corporation contract for private collection services?

The Corporation uses the services of a private collection contractor when it determines that such use is in the Corporation's best interest. When the Corporation determines that there is a need to contract for private collection services, the Corporation:

(a) Retains sole authority to:

(1) Resolve any dispute with the debtor regarding the validity of the debt;

(2) Compromise the debt;

(3) Suspend or terminate collection action;

(4) Refer the debt to the DOJ for litigation; and

(5) Take any other action under this part;

(b) Requires the contractor to comply with the:

(1) Privacy Act of 1974, as amended, to the extent specified in 5 U.S.C. 552a(m);

(2) Fair Debt Collection Practices Act (15 U.S.C. 1692–1692o); and

(3) Other applicable Federal and State laws pertaining to debt collection practices and applicable regulations of the Corporation in this part;

Corporation for National and Community Service

§ 2506.15

(c) Requires the contractor to account accurately and fully for all amounts collected; and

(d) Requires the contractor to provide to the Corporation, upon request, all data and reports contained in its files related to its collection actions on a debt.

§ 2506.14 What should I expect to receive from the Corporation if I owe a debt to the Corporation?

(a) The Corporation will send you a written notice when we determine that you owe a debt to the Corporation. The notice will be hand-delivered or sent to you at the most current address known to the Corporation. The notice will inform you of the following:

(1) The amount, nature, and basis of the debt;

(2) That a designated Corporation official has reviewed the debt and determined that it is valid;

(3) That payment of the debt is due as of the date of the notice, and that the debt will be considered delinquent if you do not pay it within 30 days of the date of the notice;

(4) The Corporation's policy concerning interest, penalty charges, and administrative costs (see § 2506.18), including a statement that such assessments must be made against you unless excused in accordance with the FCCS and this part;

(5) That you have the right to inspect and copy disclosable Corporation records pertaining to your debt, or to receive copies of those records if personal inspection is impractical;

(6) That you have the opportunity to enter into an agreement, in writing and signed by both you and the designated Corporation official, for voluntary repayment of the debt (see § 2506.19);

(7) The address, telephone number, and name of the Corporation official available to discuss the debt;

(8) Possible collection actions that might be taken if the debt is not paid within 60 days of the notice, or arrangements to pay the debt are not made within 60 days of the notice (see § 2506.15 for a fuller description of possible actions);

(9) That the Corporation may suspend or revoke any licenses, permits,

or other privileges for failure to pay a debt; and

(10) Information on your opportunity to obtain a review concerning the existence or amount of the debt, or the proposed schedule for offset of Federal employee salary payments (see § 2506.16).

(b) The Corporation will respond promptly to communications from you.

(c) Exception to entitlement to notice, hearing, written responses, and final decisions. With respect to the regulations covering internal salary offset collections (see § 2506.32), the Corporation excepts from the provisions of paragraph (a) of this section—

(1) Any adjustment to pay arising out of an employee's election of coverage or a change in coverage under a Federal benefits program requiring periodic deductions from pay, if the amount to be recovered was accumulated over 4 pay periods or less;

(2) A routine intra-agency adjustment of pay that is made to correct an overpayment of pay attributable to clerical or administrative errors or delays in processing pay documents, if the overpayment occurred within the 4 pay periods preceding the adjustment and, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and point of contact for contesting such adjustment; or

(3) Any adjustment to collect a debt amounting to \$50 or less, if, at the time of such adjustment, or as soon thereafter as practical, the individual is provided written notice of the nature and the amount of the adjustment and a point of contact for contesting such adjustment.

§ 2506.15 What will the notice tell me regarding collection actions that might be taken if the debt is not paid within 60 days of the notice, or arrangements to pay the debt are not made within 60 days of the notice?

The notice provided under § 2506.14 will advise you that, within 60 days of the date of the notice, your debt (including any interest, penalty charges, and administrative costs) must be paid or you must enter into a voluntary repayment agreement. If you do not pay

§ 2506.16

the debt or enter into the agreement within that deadline, the Corporation may enforce collection of the debt by any or all of the following methods:

(a) By transferring the debt to the Treasury for collection, including under a cross-servicing agreement with the Treasury (*see* § 2506.10);

(b) By referral to a credit reporting agency (*see* § 2506.12), private collection contractor (*see* § 2506.13), or the DOJ (*see* § 2506.11);

(c) If you are a Corporation employee, by deducting money from your disposable pay account until the debt (and all accumulated interest, penalty charges, and administrative costs) is paid in full (*see* subpart C of this part). The Corporation will specify the amount, frequency, approximate beginning date, and duration of the deduction. 5 U.S.C. 5514 and 31 U.S.C. 3716 govern such proceedings;

(d) If you are an employee of a Federal agency other than the Corporation, by initiating certification procedures to implement a salary offset by that Federal agency (*see* subpart C of this part). 5 U.S.C. 5514 governs such proceedings;

(e) By referring the debt to the Treasury for offset against any refund of overpayment of tax (*see* subpart D of this part);

(f) By administrative offset (*see* subpart E of this part);

(g) By administrative wage garnishment (*see* subpart F of this part); or

(h) By liquidation of security or collateral. The Corporation has the right to hold security or collateral, liquidate it, and apply the proceeds to your debt through the exercise of a power of sale in the security instrument or a foreclosure. The Corporation will not follow the procedures in this paragraph (h) if the cost of disposing of the collateral will be disproportionate to its value.

§ 2506.16 What will the notice tell me about my opportunity for review of my debt?

The notice provided by the Corporation under §§ 2506.14 and 2506.15 will also advise you of the opportunity to obtain a review within the Corporation concerning the existence or amount of the debt or the proposed schedule for offset

45 CFR Ch. XXV (10–1–24 Edition)

of Federal employee salary payments. The notice will also advise you of the following:

(a) The name, address, and telephone number of a Corporation official whom you may contact concerning procedures for requesting a review;

(b) The method and time period for requesting a review;

(c) That the filing of a request for a review on or before the 60th day following the date of the notice will stay the commencement of collection proceedings;

(d) The name and address of the Corporation official to whom you should send the request for a review;

(e) That a final decision on the review (if one is requested) will be issued in writing at the earliest practical date, but not later than 60 days after the receipt of the request for a review, unless you request, and the review official grants, a delay in the proceedings;

(f) That any knowingly false or frivolous statements, representations, or evidence may subject you to:

(1) Disciplinary procedures appropriate under 5 U.S.C. chapter 75, 5 CFR part 752, or any other applicable statute or regulations;

(2) Penalties under the False Claims Act (31 U.S.C. 3729–3733) or any other applicable statutory authority; and

(3) Criminal penalties under 18 U.S.C. 286, 287, 1001, and 1002, or any other applicable statutory authority;

(g) Any other rights available to you to dispute the validity of the debt or to have recovery of the debt waived, or remedies available to you under statutes or regulations governing the program for which the collection is being made; and

(h) That unless there are applicable contractual or statutory provisions to the contrary, amounts paid on or deducted for the debt that are later waived or found not owed will be promptly refunded to you.

§ 2506.17 What must I do to obtain a review of my debt, and how will the review process work?

(a) *Request for review.* (1) You have the right to request a review by the Corporation of the existence or the amount of your debt, the proposed schedule for offset of Federal employee

salary payments, or whether the debt is past due or legally enforceable. If you want a review, you must send a written request to the Corporation official designated in the notice (*see* § 2506.16(d)).

(2) You must sign your request for review and fully identify and explain with reasonable specificity all the facts, evidence, and witnesses that support your position. Your request for review should be accompanied by available evidence to support your contentions.

(3) Your request for review must be received by the designated officer or employee of the Corporation on or before the 60th calendar day following the date of the notice. Timely filing will stay the commencement of collection procedures. The Corporation may consider requests filed after the 60-day period provided for in this section if you:

(i) Can show that the delay was the result of circumstances beyond your control; or

(ii) Did not receive notice of the filing deadline (unless you had actual notice of the filing deadline).

(b) *Inspection of the Corporation records related to the debt.* (1) If you want to inspect or copy the Corporation records related to the debt (*see* § 2506.14(a)(5)), you must send a letter to the Corporation official designated in the notice. Your letter must be received within 30 days of the date of the notice.

(2) In response to the timely request described in paragraph (b)(1) of this section, the designated Corporation official will notify you of the location and time when you may inspect and copy records related to the debt.

(3) If personal inspection of the Corporation records related to the debt is impractical, reasonable arrangements will be made to send you copies of those records.

(c) *Review official.* (1) When required by Federal law or regulation, such as in a salary offset situation, the Corporation will request an administrative law judge, or hearing official from another agency who is not under the supervision or control of the Chief Executive Officer, to conduct the review. In these cases, the hearing official will,

following the review, submit the review decision to the Chief Executive Officer for the issuance of the Corporation's final decision (*see* paragraph (f) of this section for content of the review decision).

(2) When Federal law or regulation does not require the Corporation to have the review conducted by an administrative law judge, or by a hearing official from another agency who is not under the supervision or control of the Chief Executive Officer, the Corporation has the right to appoint a hearing official to conduct the review. In these cases, the hearing official will, following the review, submit the review decision to the Chief Executive Officer for the issuance of the Corporation's final decision (*see* paragraph (f) of this section for the content of the review decision).

(d) *Review procedure.* If you request a review, the review official will notify you of the form of the review to be provided. The review official will determine whether an oral hearing is required, or if a review of the written record is sufficient, in accordance with the FCCS. Although you may request an oral hearing, such a hearing is required only when a review of the documentary evidence cannot determine the question of indebtedness, such as when the validity of the debt turns on an issue of credibility or truthfulness. In either case, the review official will conduct the review in accordance with the FCCS. If the review will include an oral hearing, the notice sent to you by the review official will set forth the date, time, and location of the hearing.

(e) *Date of decision.* (1) The review official will issue a written decision, based upon either the written record or documentary evidence and information developed at an oral hearing. This decision will be issued as soon as practical, but not later than 60 days after the date on which the Corporation received your request for a review, unless you request, and the review official grants, a delay in the proceedings.

(2) If the Corporation is unable to issue a decision within 60 days after the receipt of the request for a hearing:

(i) The Corporation may not issue a withholding order or take other action

§ 2506.18

until the review (in whatever form) is held and a decision is rendered; and

(ii) If the Corporation previously issued a withholding order to the debtor's employer, the Corporation must suspend the withholding order beginning on the 61st day after the receipt of the review request and continuing until a review (in whatever form) is held and a decision is rendered.

(f) *Content of review decision.* The review official will prepare a written decision that includes:

(1) A statement of the facts presented to support the origin, nature, and amount of the debt;

(2) The review official's findings, analysis, and conclusions; and

(3) The terms of any repayment schedule, if applicable.

(g) *Interest, penalty charge, and administrative cost accrual during review period.* Interest, penalty charges, and administrative costs authorized by law will continue to accrue during the review period.

§ 2506.18 What interest, penalty charges, and administrative costs will I have to pay on a debt owed to the Corporation?

(a) *Interest.* (1) The Corporation will assess interest on all delinquent debts unless prohibited by statute, regulation, or contract.

(2) Interest begins to accrue on all debts from the date that the debt becomes delinquent. The Corporation will not recover interest if you pay the debt within 30 days of the date on which interest begins to accrue. The Corporation will assess interest at the rate established annually by the Secretary of the Treasury under 31 U.S.C. 3717, unless a different rate is either necessary to protect the interests of the Corporation or established by a contract, repayment agreement, or statute. The Corporation will notify you of the basis for its finding when a different rate is necessary to protect the interests of the Corporation.

(3) The Chief Executive Officer may extend the 30-day period for payment without interest when he or she determines that such action is in the best interest of the Corporation. A decision to extend or not to extend the payment

45 CFR Ch. XXV (10–1–24 Edition)

period is final and is not subject to further review.

(b) *Penalty.* The Corporation will assess a penalty charge of 6 percent a year on any portion of a debt that is delinquent for more than 90 days.

(c) *Administrative costs.* The Corporation will assess charges to cover administrative costs incurred as a result of your failure to pay a debt before it becomes delinquent. Administrative costs include the additional costs incurred in processing and handling the debt because it became delinquent, such as costs incurred in obtaining a credit report or in using a private collection contractor, or service fees charged by a Federal agency for collection activities undertaken on behalf of the Corporation.

(d) *Allocation of payments.* A partial or installment payment by a debtor will be applied first to outstanding penalty assessments, second to administrative costs, third to accrued interest, and fourth to the outstanding debt principal.

(e) *Additional authority.* The Corporation may assess interest, penalty charges, and administrative costs on debts that are not subject to 31 U.S.C. 3717 to the extent authorized under common law or other applicable statutory authority.

(f) *Waiver.* (1) The Chief Executive Officer may (without regard to the amount of the debt) waive collection of all or part of accrued interest, penalty charges, or administrative costs, if he or she determines that collection of these charges would be against equity and good conscience or not in the best interest of the Corporation.

(2) A decision to waive interest, penalty charges, or administrative costs may be made at any time before a debt is paid. However, and unless otherwise stated in these regulations, where these charges have been collected before the waiver decision, they will not be refunded. The Chief Executive Officer's decision to waive or not waive collection of these charges is final and is not subject to further review.

§ 2506.19 How can I resolve my debt through voluntary repayment?

(a) In response to a notice of debt, you may propose to the Corporation

that you be allowed to repay the debt through a voluntary repayment agreement in lieu of the Corporation taking other collection actions under this part.

(b) Your request to enter into a voluntary repayment agreement must:

- (1) Be in writing;
- (2) Admit the existence of the debt; and
- (3) Either propose payment of the debt (together with interest, penalty charges, and administrative costs) in a lump sum, or set forth a proposed repayment schedule.

(c) The Corporation will collect debts in one lump sum whenever feasible. However, if you are unable to pay your debt in one lump sum, the Corporation may accept payment in regular installments that bear a reasonable relationship to the size of the debt and your ability to pay. If possible, the installment payments should be sufficient in size and frequency to liquidate the debt in three years or less.

(d) The Corporation will consider a request to enter into a voluntary repayment agreement in accordance with the FCCS. The Chief Executive Officer may request additional information from you, including financial statements if you request to make payments in installments, in order to determine whether to accept a voluntary repayment agreement. It is within the Chief Executive Officer's discretion to accept a repayment agreement instead of proceeding with other collection actions under this part, and to set the necessary terms of any voluntary repayment agreement. No repayment agreement will be binding on the Corporation unless it is in writing and signed by both you and the Chief Executive Officer. At the Corporation's option, you may be required to provide security as part of the agreement to make payments in installments. Notwithstanding the provisions of this section, 31 U.S.C. 3711 will govern any reduction or compromise of a debt.

§ 2506.20 What is the extent of the Chief Executive Officer's authority to compromise debts owed to the Corporation, or to suspend or terminate collection action on such debts?

(a) The Chief Executive Officer may compromise, suspend, or terminate collection action on those debts owed to the Corporation that do not exceed \$100,000 excluding interest, in conformity with the Federal Claims Collection Act of 1966, as amended. The Corporation will follow the policies in § 902.2 of the FCCS.

(b) The uncollected portion of a debt owed to the Corporation that is not recovered as the result of a compromise will be reported to the Internal Revenue Service (IRS) as income to the debtor in accordance with IRS procedures if this uncollected amount is at least \$600.00.

§ 2506.21 May the Corporation's failure to comply with these regulations be used as a defense to a debt?

No, the failure of the Corporation to comply with any standard in the FCCS or these regulations will not be available to any debtor as a defense.

Subpart C—Salary Offset

§ 2506.30 What debts are included or excluded from coverage of these regulations on salary offset?

(a) The regulations in this subpart provide the Corporation procedures for the collection by salary offset of a Federal employee's pay to satisfy certain debts owed to the Corporation or to other Federal agencies.

(b) The regulations in this subpart do not apply to any case where collection of a debt by salary offset is explicitly provided for or prohibited by another statute.

(c) Nothing in the regulations in this subpart precludes the compromise, suspension, or termination of collection actions under the Federal Claims Collection Act of 1966, as amended, or the FCCS.

(d) A levy imposed under the Internal Revenue Code takes precedence over a salary offset under this subpart, as provided in 5 U.S.C. 5514(d).

§ 2506.31

§ 2506.31 May I ask the Corporation to waive an overpayment that otherwise would be collected by offsetting my salary as a Federal employee?

Yes, the regulations in this subpart do not preclude you from requesting waiver of an overpayment under 5 U.S.C. 5584 or 8346(b), 10 U.S.C. 2774, 32 U.S.C. 716, or other statutory provisions pertaining to the particular debts being collected.

§ 2506.32 What are the Corporation's procedures for salary offset?

(a) The Corporation will coordinate salary deductions under this subpart as appropriate.

(b) If you are a Corporation employee who owes a debt to the Corporation, the Corporation's payroll office in Human Resources will determine the amount of your disposable pay and will implement the salary offset.

(c) Deductions will begin within three official pay periods following receipt by the Corporation's payroll office of certification of debt from the creditor agency.

(d) The Notice provisions of these regulations do not apply to certain debts arising under this section (see § 2506.14(c)).

(e) Types of collection. (1) *Lump-sum offset.* If the amount of the debt is equal to or less than 15 percent of disposable pay, the debt generally will be collected through one lump-sum offset.

(2) *Installment deductions.* Installment deductions will be made over a period not greater than the anticipated period of employment. The size and frequency of installment deductions will bear a reasonable relation to the size of the debt and your ability to pay. However, the amount deducted from any period will not exceed 15 percent of the disposable pay from which the deduction is made unless you have agreed in writing to the deduction of a greater amount. If possible, installment payments will be sufficient in size and frequency to liquidate the debt in three years or less.

(3) *Deductions from final check.* A deduction exceeding the 15 percent of disposable pay limitation may be made from any final salary payment under 31 U.S.C. 3716 and the FCCS in order to

45 CFR Ch. XXV (10–1–24 Edition)

liquidate the debt, whether the employee is being separated voluntarily or involuntarily.

(4) *Deductions from other sources.* If an employee subject to salary offset is separated from the Corporation and the balance of the debt cannot be liquidated by offset of the final salary check, the Corporation may offset later payments of any kind against the balance of the debt, as allowed by 31 U.S.C. 3716 and the FCCS.

(f) *Multiple debts.* In instances where two or more creditor agencies are seeking salary offsets, or where two or more debts are owed to a single creditor agency, the Corporation's payroll office may, at its discretion, determine whether one or more debts should be offset simultaneously within the 15 percent limitation.

§ 2506.33 How will the Corporation coordinate salary offsets with other agencies?

(a) *Responsibilities of the Corporation as the creditor agency (i.e. when the debtor owes a debt to the Corporation and is an employee of another agency).* Upon completion of the procedures established in this subpart and pursuant to 5 U.S.C. 5514 and 31 U.S.C. 3716, the Corporation must submit a claim to a paying agency or disbursing official.

(1) In its claim, the Corporation must certify, in writing, the following:

(i) That the employee owes the debt;

(ii) The amount and basis of the debt;

(iii) The date the Corporation's right to collect the debt first accrued;

(iv) That the Corporation's regulations in this subpart have been approved by OPM under 5 CFR part 550, subpart K; and

(v) That the Corporation has met the certification requirements of the paying agency.

(2) If the collection must be made in installments, the Corporation's claim will also advise the paying agency of the amount or percentage of disposable pay to be collected in each installment. The Corporation may also advise the paying agency of the number of installments to be collected and the date of the first installment, if that date is other than the next officially established pay period.

(3) The Corporation will also include in its claim:

(i) The employee's written consent to the salary offset;

(ii) The employee's signed statement acknowledging receipt of the procedures required by 5 U.S.C. 5514; or

(iii) Information regarding the completion of procedures required by 5 U.S.C. 5514, including the actions taken and the dates of those actions.

(4) If the employee is in the process of separating and has not received a final salary check or other final payment(s) from the paying agency, the Corporation must submit its claim to the paying agency or disbursing official for collection under 31 U.S.C. 3716. The paying agency will (under its regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), certify the total amount of its collection on the debt and notify the employee and the Corporation. If the paying agency's collection does not fully satisfy the debt, and the paying agency is aware that the debtor is entitled to payments from the Civil Service Retirement and Disability Fund or other similar payments that may be due the debtor employee from other Federal government sources, then (under its regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), the paying agency will provide written notice of the outstanding debt to the agency responsible for making the other payments to the debtor employee. The written notice will state that the employee owes a debt, the amount of the debt, and that the provisions of this section have been fully complied with. However, the Corporation must submit a properly certified claim under this paragraph (a)(4) to the agency responsible for making the other payments before the collection can be made.

(5) If the employee is already separated and all payments due from his or her former paying agency have been paid, the Corporation may request, unless otherwise prohibited, that money due and payable to the employee from the Civil Service Retirement and Disability Fund or other similar funds be administratively offset to collect the debt.

(6) *Employee transfer.* When an employee transfers from one paying agen-

cy to another paying agency, the Corporation will not repeat the due process procedures described in 5 U.S.C. 5514 and this subpart to resume the collection. The Corporation will submit a properly certified claim to the new paying agency and will subsequently review the debt to ensure that the collection is resumed by the new paying agency.

(b) *Responsibilities of the Corporation as the paying agency (i.e., when the debtor owes a debt to another agency and is an employee of the Corporation).* (1) Complete claim. When the Corporation receives a certified claim from a creditor agency (under the creditor agency's regulations adopted under 5 U.S.C. 5514 and 5 CFR part 550, subpart K), deductions should be scheduled to begin within three officially established pay intervals. Before deductions can begin, the Corporation sends the employee a written notice containing:

(i) A statement that the Corporation has received a certified claim from the creditor agency;

(ii) The amount of the debt;

(iii) The date salary offset deductions will begin; and

(iv) The amount of such deductions.

(2) Incomplete claim. When the Corporation receives an incomplete certification of debt from a creditor agency, the Corporation will return the claim with a notice that the creditor agency must:

(i) Comply with the procedures required under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, and

(ii) Properly certify a claim to the Corporation before the Corporation will take action to collect from the employee's current pay account.

(3) The Corporation is not authorized to review the merits of the creditor agency's determination with respect to the amount or validity of the debt certified by the creditor agency.

(4) Employees who transfer from the Corporation to another paying agency. If, after the creditor agency has submitted the claim to the Corporation, the employee transfers from the Corporation to a different paying agency before the debt is collected in full, the Corporation will certify the total amount collected on the debt and notify the employee and the creditor

§ 2506.34

agency in writing. The notification to the creditor agency will include information on the employee's transfer.

§ 2506.34 Under what conditions will the Corporation make a refund of amounts collected by salary offset?

(a) If the Corporation is the creditor agency, it will promptly refund any amount deducted under the authority of 5 U.S.C. 5514, when:

(1) The debt is waived or all or part of the funds deducted are otherwise found not to be owed (unless expressly prohibited by statute or regulation); or

(2) An administrative or judicial order directs the Corporation to make a refund.

(b) Unless required or permitted by law or contract, refunds under this section will not bear interest.

§ 2506.35 Will the collection of a debt by salary offset act as a waiver of my rights to dispute the claimed debt?

No, your involuntary payment of all or any portion of a debt under this subpart will not be construed as a waiver of any rights that you may have under 5 U.S.C. 5514 or other provisions of a law or written contract, unless there are statutory or contractual provisions to the contrary.

Subpart D—Tax Refund Offset

§ 2506.40 Which debts can the Corporation refer to Treasury for collection by offsetting tax refunds?

(a) The regulations in this subpart implement 31 U.S.C. 3720A, which authorizes the Treasury to reduce a tax refund by the amount of a past-due, legally enforceable debt owed to a Federal agency.

(b) For purposes of this section, a past-due, legally enforceable debt referable to the Treasury for tax refund offset is a debt that is owed to the Corporation and:

(1) Is at least \$25.00;

(2) Except in the case of a judgment debt, has been delinquent for at least three months and will not have been delinquent more than 10 years at the time the offset is made;

(3) With respect to which the Corporation has:

45 CFR Ch. XXV (10–1–24 Edition)

(i) Given the debtor at least 60 days to present evidence that all or part of the debt is not past due or legally enforceable;

(ii) Considered evidence presented by the debtor; and

(iii) Determined that an amount of the debt is past due and legally enforceable;

(4) With respect to which the Corporation has notified or has made a reasonable attempt to notify the debtor that:

(i) The debt is past due, and

(ii) Unless repaid within 60 days of the date of the notice, the debt may be referred to the Treasury for offset against any refund of overpayment of tax; and

(5) All other requirements of 31 U.S.C. 3720A and the Treasury regulations relating to the eligibility of a debt for tax return offset (31 CFR 285.2) have been satisfied.

§ 2506.41 What are the Corporation's procedures for collecting debts by tax refund offset?

(a) The Corporation's Accounting and Financial Management Services Division will be the point of contact with the Treasury for administrative matters regarding the offset program.

(b) The Corporation will ensure that the procedures prescribed by the Treasury are followed in developing information about past-due debts and submitting the debts to the Treasury.

(c) The Corporation will submit to the Treasury a notification of a taxpayer's liability for past-due legally enforceable debt. This notification will contain the following:

(1) The name and taxpayer identification number of the debtor;

(2) The amount of the past-due and legally enforceable debt;

(3) The date on which the original debt became past due;

(4) A statement certifying that, with respect to each debt reported, all of the requirements of § 2506.40(b) have been satisfied; and

(5) Any other information as prescribed by Treasury.

(d) For purposes of this section, notice that collection of the debt is

stayed by a bankruptcy proceeding involving the debtor will bar referral of the debt to the Treasury.

(e) The Corporation will promptly notify the Treasury to correct data when the Corporation:

(1) Determines that an error has been made with respect to a debt that has been referred;

(2) Receives or credits a payment on the debt; or

(3) Receives notice that the person owing the debt has filed for bankruptcy under title 11 of the United States Code and the automatic stay is in effect or has been adjudicated bankrupt and the debt has been discharged.

(f) When advising debtors of the Corporation's intent to refer a debt to the Treasury for offset, the Corporation will also advise debtors of remedial actions (*see* §§ 2506.9 and 2506.14 through 2506.16 of this part) available to defer the offset or prevent it from taking place.

Subpart E—Administrative Offset

§ 2506.50 Under what circumstances will the Corporation collect amounts that I owe to the Corporation (or some other Federal agency) by offsetting the debt against payments that the Corporation (or some other Federal agency) owes me?

(a) The regulations in this subpart apply to the collection of any debts you owe to the Corporation, or to any request from another Federal agency that the Corporation collect a debt you owe by offsetting your debt against a payment the Corporation owes you. Administrative offset is authorized under section 5 of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3716). The Corporation will carry out administrative offset in accordance with the provisions of the Federal Claims Collection Standards. The regulations in this subpart are intended only to supplement the provisions of the FCCS.

(b) The Chief Executive Officer, after attempting to collect a debt you owe to the Corporation under section 3(a) of the Federal Claims Collection Act of 1966, as amended (31 U.S.C. 3711(a)), may collect the debt by administrative offset only after giving you:

(1) Written notice of the type and amount of the debt, the intention of the Chief Executive Officer to collect the debt by administrative offset, and an explanation of the rights of the debtor;

(2) An opportunity to inspect and copy the records of the Corporation related to the debt;

(3) An opportunity for a review within the Corporation of the decision of the Corporation related to the debt; and

(4) An opportunity to make a written agreement with the Chief Executive Officer to repay the amount of the debt.

(c) No collection by administrative offset will be made on any debt that has been outstanding for more than 10 years, unless facts material to the Corporation's or the requesting Federal agency's right to collect the debt were not known, and reasonably could not have been known, by the official or officials responsible for discovering and collecting the debt.

(d) The regulations in this subpart do not apply to:

(1) A case in which administrative offset of the type of debt involved is explicitly prohibited by statute; or

(2) Debts owed to the Corporation by Federal agencies.

§ 2506.51 How will the Corporation request that my debt to the Corporation be collected by offset against some payment that another Federal agency owes me?

The Chief Executive Officer may request that funds due and payable to you by another Federal agency instead be paid to the Corporation to satisfy a debt you owe to the Corporation. The Corporation will refer debts to the Treasury for centralized administrative offset in accordance with the FCCS and the procedures established by the Treasury. Where centralized offset is not available or appropriate, the Corporation may request offset directly from the Federal agency that is holding funds for you. In requesting administrative offset, the Corporation will certify in writing to the Federal agency that is holding funds for you:

(a) That you owe the debt;

(b) The amount and basis of the debt; and

§ 2506.52

(c) That the Corporation has complied with the requirements of 31 U.S.C. 3716, its own administrative offset regulations in this subpart, the applicable administrative offset regulations of the agency holding the funds, and the applicable provisions of the FCCS with respect to providing you with due process.

§ 2506.52 What procedures will the Corporation use to collect amounts I owe to a Federal agency by offsetting a payment that the Corporation would otherwise make to me?

(a) Any Federal agency may request that the Corporation administratively offset funds due and payable to you in order to collect a debt you owe to that agency. The Corporation will initiate the requested offset only upon:

(1) Receipt of written certification from the creditor agency stating:

- (i) That you owe the debt;
- (ii) The amount and basis of the debt;
- (iii) That the agency has prescribed regulations for the exercise of administrative offset; and

(iv) That the agency has complied with its own administrative offset regulations and with the applicable provisions of the FCCS, including providing you with any required hearing or review; and

(2) A determination by the Chief Executive Officer that offsetting funds payable to you by the Corporation in order to collect a debt owed by you would be in the best interest of the United States as determined by the facts and circumstances of the particular case, and that such an offset would not otherwise be contrary to law.

(b) *Multiple debts.* In instances where two or more creditor agencies are seeking administrative offsets, or where two or more debts are owed to a single creditor agency, the Corporation may, in its discretion, allocate the amount it owes to you to the creditor agencies in accordance with the best interest of the United States as determined by the facts and circumstances of the particular case, paying special attention to applicable statutes of limitations.

45 CFR Ch. XXV (10–1–24 Edition)

§ 2506.53 When may the Corporation make an offset in an expedited manner?

The Corporation may effect an administrative offset against a payment to be made to you before completion of the procedures required by §§ 2506.51 and 2506.52 if failure to take the offset would substantially jeopardize the Corporation's ability to collect the debt and the time before the payment is to be made does not reasonably permit the completion of those procedures. An expedited offset will be followed promptly by the completion of those procedures. Amounts recovered by offset, but later found not to be owed to the United States, will be promptly refunded.

§ 2506.54 Can a judgment I have obtained against the United States be used to satisfy a debt that I owe to the Corporation?

Yes. Collection by offset against a judgment obtained by a debtor against the United States will be accomplished in accordance with 31 U.S.C. 3728 and 31 U.S.C. 3716.

Subpart F—Administrative Wage Garnishment

§ 2506.55 How will the Corporation collect debts through Administrative Wage Garnishment?

The Corporation will collect debts through Administrative Wage Garnishment in accordance with the Administrative Wage Garnishment regulations issued by the Treasury. The Corporation adopts, for purposes of this subpart, the Treasury's Administrative Wage Garnishment regulations in 31 CFR 285.11. This procedure allows the Corporation to garnish the disposable pay of a debtor without first obtaining a court order.

Subpart A—General Provisions

§ 2507.1 Scope.

This part contains the rules that the Corporation for National and Community Service, operating as AmeriCorps (“the Agency” or “AmeriCorps”), follows in processing requests for records under the Freedom of Information Act (“FOIA”), 5 U.S.C. 552. These rules should be read in conjunction with the text of the FOIA and the Uniform Freedom of Information Fee Schedule and Guidelines published by the Office of Management and Budget (“OMB Guidelines”). Requests made by individuals for records about themselves under the Privacy Act of 1974, 5 U.S.C. 552a, are processed in accordance with AmeriCorps’ Privacy Act regulations, 45 CFR part 2508, as well as under this part.

§ 2507.2 Policy.

(a) AmeriCorps follows a balanced approach in administering the FOIA. The Agency recognizes the right of the public to seek access to information in its possession. It also recognizes the legitimate interests of organizations or persons who have submitted records to AmeriCorps or who would otherwise be affected by release of records. AmeriCorps has no discretion to release certain records, such as trade secrets and confidential commercial information, prohibited from release by law. The Agency provides the fullest responsible disclosure that is consistent with the requirements of the FOIA.

(b) When a FOIA exemption gives Federal agencies the discretion to either withhold or release records, AmeriCorps releases the records or information unless it reasonably foresees that disclosure would harm an interest that the exemption protects.

§ 2507.3 Definitions.

As used in this part:

Agency is any executive agency, military agency, government corporation, government-controlled corporation, or other establishment in the Executive Branch of the Federal Government, or any independent regulatory agency. AmeriCorps is an agency.

AmeriCorps or the Agency means the Corporation for National and Community Service, which operates as AmeriCorps.

Complex request is a request that typically seeks a high volume of material or requires additional steps to process, such as the need to search for records in multiple locations.

Consultation is when AmeriCorps locates a record that contains information of interest to another agency, and, before any final determination is made, AmeriCorps asks that other agency for its views on whether or not the records can be released to the requester.

Exemptions are the nine categories of information that are not required to be released in response to a FOIA request because release would be harmful to a government or private interest. These categories are called “exemptions” from disclosure.

Expedited processing is the FOIA response track granted in certain limited situations to process FOIA requests ahead of other pending requests.

FOIA request is a written request for Agency records, made by any person, including a member of the public (U.S. or foreign citizen), an organization, or a business—but not including a Federal agency, an agent of a foreign government, an order from a court, or a fugitive from the law—that either explicitly or implicitly involves the FOIA, or this part.

Freedom of Information Act (FOIA) is a United States Federal law at 5 U.S.C. 552 that grants the public access to records possessed by government agencies. Upon written request, U.S. Government agencies are required to release reasonably described records, except to the extent the records fall under an exclusion or one of the nine exemptions listed in the Act.

Frequently requested records are records that have been released either in full or with the same information withheld and either:

- (1) Have been requested from AmeriCorps three or more times; or
- (2) Because of their subject matter, AmeriCorps determines have become or are likely to become the subject of subsequent requests for the same records.

Multitrack processing is a system that divides incoming FOIA requests into

processing tracks according to their complexity.

Office of Government Information Services (OGIS) is an office within the National Archives and Records Administration that offers mediation services to resolve disputes between FOIA requesters and agencies, as a non-exclusive alternative to litigation. OGIS also reviews agency FOIA compliance, policies, and procedures and makes recommendations for improvement.

Proactive disclosures are records that agencies make publicly available on their website without waiting for a specific FOIA request.

Record means information, regardless of the form in which it is stored or its characteristics, which is created or obtained by an agency and is under the control of the agency at the time of the request. It includes information maintained for the agency by an entity under government contract for records management purposes. It does not include records that do not already exist and that would have to be created specifically to respond to a request.

Referral occurs when an agency locates a record that originated with, or is of otherwise primary interest to, another agency. The receiving agency will forward that record to the other agency to process the record and to provide the final determination directly to the requester.

Search is the process of looking for and retrieving records or information responsive to a request.

Simple request is a FOIA request that an agency anticipates will involve a small volume of material or which the agency will be able to process relatively quickly.

Tolling means temporarily stopping the running of a time limit.

§ 2507.4 Agency FOIA officials.

The following are AmeriCorps’ authorized FOIA officials, each of whom will be identified on *americorps.gov*, and their roles.

(a) The *Chief FOIA Officer*:

- (1) Has overall responsibility for AmeriCorps’ compliance with the FOIA;
- (2) Provides high-level oversight and support to AmeriCorps’ FOIA program;

(3) Recommends adjustments to AmeriCorps' practices, personnel, and funding, as needed, to improve FOIA administration, including through Chief FOIA Officer Reports submitted to the U.S. Department of Justice;

(4) Tells the Agency's FOIA Officers of all significant developments with respect to the FOIA;

(5) Is responsible for offering training to agency staff regarding their FOIA responsibilities;

(6) Serves as the primary liaison with the Office of Government Information Services and the U.S. Department of Justice's Office of Information Policy; and

(7) Reviews, at least annually, all aspects of AmeriCorps' administration of the FOIA to ensure compliance with the FOIA's requirements.

(b) The *FOIA Officer* receives, tracks, and processes the Agency's FOIA requests, including making final release determinations. The FOIA Officer is responsible for program direction, original denials, and policy decisions required for effective implementation of the Agency's FOIA program.

(c) The *FOIA Appeals Officer* receives and act upon appeals from requesters whose initial requests for the Agency's records have been denied, in whole or in part.

(d) The *FOIA Public Liaison* serves as the official to whom a FOIA requester can raise concerns about the services received, following an initial response from the FOIA Officer. In addition, the FOIA Public Liaison assists, as appropriate, in reducing delays, increasing transparency, answering requesters' questions about the status of their requests, and resolving disputes.

Subpart B—Proactive Disclosures of Agency Records

§ 2507.5 Records available on agency website.

(a) AmeriCorps regularly updates and posts the following on its public website, *americorps.gov*:

(1) Information that is required to be published in the FEDERAL REGISTER under 5 U.S.C. 552(a)(1) and:

(2) Administrative staff manuals and instructions to staff that affect any member of the public.

(3) Statements of policy and interpretation adopted by AmeriCorps and not published in the FEDERAL REGISTER.

(4) Final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of administrative cases.

(5) Records that AmeriCorps determines are or will be the subject of widespread media, historical, or academic interest and that may properly be publicly posted.

(b) On the FOIA page of its public website, *americorps.gov*, the Agency posts records that are required by the FOIA to be made available for public inspection and copying under 5 U.S.C. 552(a)(2), including, but not limited to, frequently requested records.

(c) For help from the FOIA Officer or the FOIA Public Liaison in finding proactively disclosed records, members of the public may contact AmeriCorps at *foia@cns.gov* or at: AmeriCorps, Office of the General Counsel, 250 E Street SW, Washington, DC 20525.

Subpart C—Filing a FOIA Request

§ 2507.6 Requirements for FOIA requests.

(a) *General information.* AmeriCorps has a centralized system for responding to FOIA requests. AmeriCorps headquarters is the central processing point for all requests for Agency records, regardless of where they are stored. State service commissions are not part of AmeriCorps and are not Federal agencies, and thus are not subject to the FOIA.

(b) *Directions for making requests.* All FOIA requests must be submitted in writing to the FOIA Officer at AmeriCorps headquarters in one of the following ways:

(1) *By email:* *foia@cns.gov*. Including a phone number with a request will help with processing.

(2) *By online submission:* via the National FOIA Portal at *www.FOIA.gov*.

(3) *By mail:* AmeriCorps, Attn.: FOIA Officer, Office of General Counsel, 250 E Street SW, Washington, DC 20525.

(4) *By fax:* (202) 606-3467.

(c) *Description of records sought.* Requesters must provide enough detail about the Agency's records they seek

§ 2507.7

that AmeriCorps personnel can find responsive records, if they exist, with a reasonable amount of effort. To the extent possible, requesters should include information that helps identify the records, such as dates, titles or names, authors, recipients, subject matter of the records, or assigned reference numbers. Requesters may adjust their request or ask for advice on writing a request by sending a note to foia@cns.gov.

(1) If a request does not reasonably describe the records sought, AmeriCorps' response to the request may be delayed or denied.

(2) When AmeriCorps determines that a request does not sufficiently describe the records sought, it will ask the requester for further information. If the requester does not respond to a request for additional information within thirty (30) working days, the request may be administratively closed at AmeriCorps' discretion. A requester may, after administrative closure of a request, submit a new request with additional information for further consideration.

(d) *Third-party requests.* When a request for records pertains to a third party (that is, a person other than the requester), the requester may receive greater access by submitting a notarized authorization signed by the third party or a declaration, made in compliance with the requirements set forth in the FOIA, that the third party authorizes disclosure of the records to the requester, or proof that the third party is deceased (for example, a copy of a death certificate or a published obituary). If necessary, AmeriCorps may require additional information from a requester to verify that the third party consents to disclosure. Alternatively, requesters may demonstrate an overriding public interest in the disclosure of information pertaining to a third party (for example, by producing evidence that alleged Government impropriety occurred, necessitating a disclosure of information related to official misconduct).

(e) *Date range for requested records.* Requesters may ask for a specific date range for a search, but requests may not ask for records that are anticipated for the future, but do not yet exist. As it determines which records are respon-

45 CFR Ch. XXV (10–1–24 Edition)

sive to a request, AmeriCorps ordinarily will include only records in its possession as of the date it begins its search, if a date range is not specified.

(f) *Contact information.* Requesters must provide a telephone number or email address in their request so that AmeriCorps can contact them for clarification, if necessary, or help them narrow down a request that would otherwise be unduly burdensome.

§ 2507.7 Requests for archived records.

In accordance with agency records schedules and General Records Schedules, AmeriCorps transfers permanent records to the National Archives and Records Administration ("National Archives"). Once these records are transferred, they are in the physical and legal custody of the National Archives. Accordingly, requests for retired AmeriCorps records should be submitted to the National Archives by mail addressed to: Special Access and FOIA Staff (NWCTF), 8601 Adelphi Road, Room 5500, College Park, MD 20740; by fax to (301) 837-1864; or by email to specialaccess_foia@nara.gov.

Subpart D—Agency Processing and Response to FOIA Requests

§ 2507.8 Processing of requests.

(a) *Authority to grant or deny requests.* The FOIA Officer is authorized to grant or deny any requests for records maintained by AmeriCorps. If the request is for records under the control and jurisdiction of the Office of the Inspector General, the FOIA Officer will forward the request to that office's FOIA officer for the initial determination and the reply to the requester.

(b) *Providing records.* AmeriCorps will provide copies only of records it has in its possession. AmeriCorps is not compelled to create new records to respond to a FOIA request, answer questions posed as FOIA requests, perform research for a requester, compile lists of selected items from its files, or provide a requester with statistical or other data, unless such data has been compiled previously and is available in the form of a record.

(1) AmeriCorps is required to provide only one copy of a record.

(2) AmeriCorps will ordinarily provide the record in electronic form. Requesters may specify the preferred form or format for the records they seek, and AmeriCorps will provide releasable records in that form or format if they are readily reproducible in that way and the format allows for any necessary redactions.

(3) If AmeriCorps cannot make a legible copy of a record to be released, it is not required to reconstruct the record. Instead, AmeriCorps will furnish the best copy possible and note the record's poor quality in its reply.

(c) *Records previously released.* If AmeriCorps has released a record, or a part of a record, to a requester in the past, it will ordinarily release it to a new requester. However, this principle does not apply if the previous release was unauthorized or if an exemption applies that did not apply earlier. If an exemption is the reason for denial, AmeriCorps will specify the exemption under which information is withheld.

(d) *Consultation and referral.* When AmeriCorps reviews records in response to a request and determines that another agency of the Federal Government holds an interest in the record, AmeriCorps will proceed in one of the following ways:

(1) *Consultation.* When responsive records have originated with AmeriCorps but contain within them information of interest to another agency, or other Federal Government office, AmeriCorps consults with that other agency before making a release determination.

(2) *Referral.* (i) When a responsive record has originated with a different agency or other Federal Government office that is subject to the FOIA, AmeriCorps refers the responsibility for responding to the request regarding that record, on the presumption that the agency that originated a record will be best able to make the disclosure determination. However, if AmeriCorps and the originating agency jointly agree that AmeriCorps is in the best position to respond regarding the record, then the record may be handled as a consultation.

(ii) Whenever AmeriCorps refers any part of the responsibility for responding to a request to another agency, it

will document the referral, maintain a copy of the record that it refers, notify the requester of the referral, and tell the requester the name(s) of the agency to which the record was referred and that agency's FOIA contact information.

§ 2507.9 Reasons for withholding some records.

(a) AmeriCorps records will be made available to the public unless it determines that such records should be withheld from disclosure under subsection 552(b) of the Act and/or in accordance with this part. Section 552(b) of the FOIA contains nine exemptions to the mandatory disclosure of records.

(b) AmeriCorps will:

(1) Withhold information under the FOIA only if disclosure is prohibited by law or it reasonably foresees that disclosure would harm an interest protected by an exemption.

(2) Consider whether partial disclosure of information is possible whenever it determines that a full disclosure of a requested record is not possible.

(3) Take reasonable steps necessary to segregate and release nonexempt information.

(4) Note in the record and response letter the basis for a redaction when it withholds information in a record, or an entire record.

(c) To the extent it properly can under an exemption, AmeriCorps will withhold information it obtains from any submitter that gave it to the agency in reliance on a statutory or regulatory provision for confidentiality. This section does not authorize the giving of any pledge of confidentiality by any officer or employee of AmeriCorps.

(d) The deliberative process privilege of Exemption 5 of the FOIA will not apply to records created 25 years or more before the date when the records were requested.

§ 2507.10 Timing of responses to requests.

(a) *In General.* AmeriCorps ordinarily will respond to requests according to their order of receipt.

(b) *Multitrack processing.* AmeriCorps processes requests in a multitrack system based on the date of receipt, the

§ 2507.10

amount of work and time involved in processing the request, and whether the request qualifies for expedited processing. This multitrack processing system does not lessen the Agency's responsibility to process requests as quickly as possible.

(1) AmeriCorps uses three tracks:

(i) A track for simple requests that can be processed in 20 working days;

(ii) A track for complex requests that require more than 20 working days; and

(iii) A track for expedited processing.

(2) Within each track, processing will ordinarily proceed on a "first-in, first-out" basis, and rank-ordered by the date of receipt of the request, unless there are unusual circumstances as set forth in paragraph (c) of this section, or the requester is entitled to expedited processing as set forth in paragraph (e) of this section.

(3) If a request does not qualify as simple, AmeriCorps may give the requester an opportunity to limit the scope of the request in order to qualify for faster processing.

(c) *Unusual circumstances.* Whenever the statutory time limit for processing a request cannot be met because of "unusual circumstances," as defined in the FOIA, and AmeriCorps extends the time limit on that basis, AmeriCorps will:

(1) Before expiration of the 20-day period to respond, notify the requester in writing of the unusual circumstances and when AmeriCorps expects to complete processing the request; and

(2) When the extension exceeds 10 working days, AmeriCorps will:

(i) Notify the requester in writing of the right to seek dispute resolution services from the Office of Government Information Services (OGIS);

(ii) Give the requester an opportunity to modify the request or arrange an alternative time period for processing; and

(iii) Provide contact information for the FOIA Public Liaison.

(d) *Aggregating Requests to Satisfy Unusual Circumstances.* For the purposes of satisfying unusual circumstances under the FOIA, AmeriCorps may aggregate requests in cases where it reasonably appears that multiple requests, submitted either by a requester or by a group of requesters acting in concert,

45 CFR Ch. XXV (10–1–24 Edition)

constitute a single request that would otherwise involve unusual circumstances. AmeriCorps will not aggregate multiple requests that involve unrelated matters.

(e) *Expedited processing.* (1) Requests and appeals will be processed on an expedited basis whenever it is determined that they involve:

(i) Circumstances in which the lack of expedited processing could reasonably be expected to pose an imminent threat to the life or physical safety of a person;

(ii) An urgency to inform the public about an actual or alleged Federal Government activity, if the request is made by a person who is primarily engaged in disseminating information;

(iii) The loss of substantial due process rights; or

(iv) A matter of widespread and exceptional media interest in which there exist possible questions about the Government's integrity that affect public confidence.

(2) A requester who seeks expedited processing must submit a statement, certified to be true and correct, that explains in detail the basis for requesting expedited processing.

(i) For example, under paragraphs (e)(1)(ii) and (iv) of this section, a requester who is not a full-time member of the news media must establish that their primary professional activity or occupation is information dissemination, though it need not be their sole occupation. They must also clearly describe why there is a particular urgency to inform the public about the government activity or questions about integrity involved in the request—one that extends beyond the public's right to know about government activity generally.

(ii) As a matter of administrative discretion, AmeriCorps may waive the formal certification requirement.

(3) Within 10 calendar days of receiving a request for expedited processing, AmeriCorps will notify the requester of its decision whether to grant or deny the request. If AmeriCorps grants expedited processing, the request will be placed in the expedited processing track and be processed as soon as practicable. If AmeriCorps denies a request

for expedited processing, it will act expeditiously on any appeal of that decision.

(f) *Tolling.* The 20-day period under paragraph (b)(1) of this section commences on the date that the request is first received by the FOIA Officer. The 20-day period will not be tolled by AmeriCorps except under the following circumstances:

(1) The FOIA Officer may make one request to the requester for information and will toll the 20-day period while waiting for the information. The time from this request to the FOIA Officer's receipt of a response that addresses the questions will be tolled.

(2) If the requester has indicated that they are willing to pay fees up to a certain amount, but the estimated fee exceeds that amount, the FOIA Officer will notify them of the higher estimated fees and ask if they wish to revise the amount of fees they are willing to pay or modify the request. The time from this request to the FOIA Officer's receipt of a response that addresses the questions will be tolled.

§ 2507.11 Responses to requests.

(a) *In general.* To the extent practicable, AmeriCorps will communicate with requesters using electronic means, such as email. Upon request, AmeriCorps will provide an estimated date by which it expects to provide a response to the requester. If a request involves a voluminous amount of material, or searches in multiple locations, the agency may provide interim responses, releasing records on a rolling basis.

(b) *Acknowledgment of requests.* AmeriCorps will acknowledge the request and inform the requester of the tracking number assigned to the request.

(c) *Determinations on requests.* In all determinations on requests, AmeriCorps will notify the requester in writing of the right to seek assistance from AmeriCorps' FOIA Public Liaison.

(1) *Grants of requests for records.* When AmeriCorps grants a request in for records in full, it will notify the requester in writing and provide the records. If fees apply, AmeriCorps will inform the requester of those fees and send them the requested records

promptly upon their payment of those fees.

(2) *Grants for other matters.* When AmeriCorps grants a request for a fee waiver, modification of a request, or expedited processing, it will notify the requester promptly, in writing.

(3) *Adverse determinations on requests.* If AmeriCorps denies a request in any respect, it will notify the requester in writing of the determination and their right to seek dispute resolution services from AmeriCorps' FOIA Public Liaison or the Office of Government Information Services.

(i) Adverse determinations, or denials of requests for records, include decisions that a record, or portion of it, is exempt; that the request does not reasonably describe the records sought; that the record is not subject to the FOIA, is not an agency record, does not exist, cannot be located, or has been destroyed; or that the record is not readily reproducible in the format sought by the requester.

(ii) Adverse determinations also include denials involving fees or fee waiver matters or denials of requests for expedited proceeding.

(4) *Information provided in the case of a denial.* Response letters that deny all or part of a request will be signed by the person making the decision and will provide:

(i) In the case of records withheld in whole or in part, a general description of what has been withheld and, where not evident, an estimate of the volume of material withheld, unless providing the description or estimate would harm an interest protected by an exemption;

(ii) The reasons for the denial, including, as applicable, a reference to the specific FOIA exemption that authorizes the withholding;

(iii) An explanation of the requester's appeal rights as described in Subpart F and the name and contact information of the Agency's FOIA Appeals Officer.

Subpart E—Confidential Commercial Information

§ 2507.12 Definitions for this subpart.

In addition to the definitions in § 2507.3, the following definitions apply to this subpart:

§ 2507.13

Submitter means any person or entity, including a corporation, State, or foreign government, but not including another Federal Government entity, that provides information, either directly or indirectly, to the Federal Government.

Confidential commercial information means commercial or financial information obtained by an agency from a submitter that may be protected from disclosure under Exemption 4 of the FOIA, 5 U.S.C. 552(b)(4).

§ 2507.13 Procedures for release of commercial information.

(a) *Notification to submitters of confidential commercial or financial information.* When AmeriCorps possesses confidential commercial or financial information, and receives a request for the records, the Agency will, before release of any information:

(1) Notify the submitter about the request and provide copies of the requested records;

(2) Tell the submitter what information it proposes to disclose and withhold in accordance with Exemption (b)(4) of the Act; and

(3) Require the submitter to inform the agency in writing, within 10 business days from the date the notice is sent, if they object to any proposed disclosure of commercial or financial information in the records.

(b) *When notice to submitter is not required.* AmeriCorps will not give notice to a submitter of confidential commercial or financial information if:

(1) The Agency determines that the information shall not be disclosed;

(2) The information has previously been published or otherwise lawfully been made available to the public; or

(3) Disclosure of the information is required by law (other than 5 U.S.C. 552).

(c) *Analysis of objection.* AmeriCorps will consider a submitter's timely objections and specific grounds for non-disclosure in deciding whether to disclose the requested information. AmeriCorps will not consider any information not timely submitted. A submitter who fails to make a timely objection will be considered to have no objection to disclosure, unless the submitter requests an extension of time to

45 CFR Ch. XXV (10–1–24 Edition)

reply and is granted that extension or a lesser one.

(d) *Disclosure over the objection of a submitter.* Whenever AmeriCorps determines to disclose information over the objection of a submitter of commercial or financial information, it will send the submitter written notice that includes:

(1) A description of the commercial or financial information to be released to the requester;

(2) The reasons why the submitter's objection to release was not sustained;

(3) The date when the records will be disclosed, which shall be not less than 5 business days after the notice is sent.

(e) *Notice of suit for release.* Whenever a requester brings suit to compel the disclosure of a submitter's commercial or financial information, AmeriCorps will promptly notify the submitter.

(f) *Notification to requestor.* AmeriCorps will notify the requester whenever:

(1) AmeriCorps provides the submitter with notice and the opportunity to object to disclosure;

(2) AmeriCorps notifies the submitter of its intent to disclose requested information; and

(3) The submitter files a lawsuit to prevent disclosure of the information.

Subpart F—Appeals and Alternative Dispute Resolution

§ 2507.14 Administrative appeals.

Whenever AmeriCorps denies a FOIA request, it will inform the requester of the reasons for the denial and of the requester's right to appeal the denial to the FOIA Appeals Officer.

(a) *What a requester may appeal.* A requester may appeal:

(1) The withholding of a document or part of a document;

(2) Denial of a fee waiver request;

(3) The type or amount of fees they were charged;

(4) Any other type of adverse determination under the FOIA; or

(5) A failure by AmeriCorps to conduct an adequate search for the requested records.

(b) *What a requester may not appeal.* A requester may not appeal the lack of a timely response.

Corporation for National and Community Service

§ 2507.16

(c) *When appeal is required.* A requester must generally submit a timely administrative appeal before they seek court review of the Agency's adverse determination.

(d) *Requirements for making an appeal.* A requester must:

- (1) Make the appeal in writing;
- (2) Transmit or postmark the appeal within 90 calendar days after the date of adverse determination;
- (3) Clearly identify the assigned request number and the Agency determination they are appealing;
- (4) Mark the subject line of the appeal email, or letter and envelope, with "FOIA Appeal."

(e) *Where to file an appeal.* A requester may file an appeal by sending an email to foia@cns.gov to the attention of the FOIA Appeals Officer, or a letter to: FOIA Appeals Officer, AmeriCorps, 250 E Street SW, Washington, DC 20525. There is no charge for filing an administrative appeal.

(f) *Adjudication of appeals.* (1) The FOIA Appeals Officer will conduct *de novo* review and make the final determination on appeals.

(2) An appeal ordinarily will not be adjudicated if the request becomes a matter of FOIA litigation.

(g) *Decisions on appeals.* The FOIA Appeals Officer will provide the decision on any appeal in writing within 20 days (excepting Saturdays, Sundays, and legal public holidays) from the date the FOIA Appeals Officer received the appeal. The FOIA Appeals Officer's determination of an appeal constitutes the Agency's final action.

(1) If the FOIA Appeals Officer's decision upholds the Agency's determination, the decision will:

- (i) State the reasons for the affirmation, including any FOIA exemptions applied;
- (ii) Notify the requester of their statutory right to file a lawsuit; and
- (iii) Inform the requester of the mediation services offered by OGIS as a non-exclusive alternative to litigation.

(2) If the FOIA Appeals Officer's decision remands or modifies the Agency determination, either in whole or in part, they will notify the requester of that determination in writing. Thereafter, AmeriCorps will re-process the FOIA request in accordance with that

determination and, if applicable, promptly send the releasable records to the requester, unless a reasonable delay is justified.

[87 FR 55309, Sept. 9, 2022; 87 FR 57643, Sept. 21, 2022]

§ 2507.15 Mediation and dispute resolution services.

If a requester receives an adverse determination on a FOIA request, they have the right to seek dispute resolution services from the FOIA Public Liaison or mediation services from OGIS. Congress has charged OGIS with resolving FOIA disputes between Federal agencies and requesters. OGIS's mediation services are an alternative to litigation, but do not preclude it.

Subpart G—Fees

§ 2507.16 Definitions for this subpart.

In addition to the definitions in § 2507.3, the following definitions apply to this subpart:

Commercial use request is a FOIA request for a purpose that furthers a commercial, trade, or profit interest, which can include furthering those interests through litigation. The Agency's decision to place a requester in the commercial use category will be made on a case-by-case basis, in consideration of the requester's intended use of the information.

Direct costs are the expenses AmeriCorps incurs in searching for and duplicating (and, in the case of commercial use requests, reviewing) records in order to respond to a FOIA request. Direct costs do not include overhead expenses such as the costs of space, or of heating or lighting a facility.

Duplication fees are the reasonable direct costs of making copies of records to respond to a FOIA request, including the cost of materials to produce paper copies and materials plus operator time to produce tapes, disks, or other media.

Educational institution is any school that operates a program of scholarly research. To qualify for this fee category, a requester must show that the request is authorized by, and made under the auspices of, an educational institution and that the records are not

§ 2507.17

sought for a commercial use, but rather are sought to further scholarly research. The request must serve the scholarly research goals of the institution rather than an individual research goal.

Fee waiver is a waiver or reduction of processing fees if a requester can demonstrate that certain statutory standards are satisfied, including that the information is in the public interest and is not requested for a commercial interest.

Noncommercial scientific institution is an institution that is not operated on a “commercial” basis and that is operated solely for the purpose of conducting scientific research, the results of which are not intended to promote any particular product or industry. A requester in this category must show that the request is authorized by, and made under the auspices of, a qualifying institution and that the records are sought to further scientific research and are not for a commercial use.

Representative of the news media is any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. In this clause, the term “news” means information that is about current events or that would be of current interest to the public. A freelance journalist will be regarded as a representative of the news media if they demonstrate a solid basis for expecting publication through a news media entity.

Review fees are the direct costs incurred during the initial examination of a document to determine if it must be disclosed under the FOIA. This includes doing all that is necessary to prepare a record for disclosure, such as redacting the record and marking the appropriate exemptions. Review time also includes time spent obtaining and considering any formal objection to disclosure made by a confidential commercial information submitter. It does not include time spent resolving general legal or policy issues regarding the application of exemptions. Review fees are properly charged even if a record ultimately is not disclosed.

45 CFR Ch. XXV (10–1–24 Edition)

Search fees are costs of all time spent looking for responsive material, including, if necessary, page-by-page or line-by-line identification of information within records.

§ 2507.17 Fees overview.

(a) AmeriCorps will charge fees for processing FOIA requests in accordance with the provisions of this subpart and with the OMB Guidelines, unless a waiver or reduction of fees has been granted under § 2507.24.

(b) AmeriCorps will search for, review, and duplicate records in the most efficient and the least expensive manner.

(c) AmeriCorps may properly charge for time spent searching even if it does not locate any responsive records or if it determines that the records are entirely exempt from disclosure.

(d) When a request is made for commercial purposes, review fees will be assessed for the Agency’s time spent on its initial analysis to determine whether an exemption applies to a record or portion of a record.

(e) No charge will be made at the administrative review stage for review of exemptions that were applied at the initial review stage. However, if one or more exemptions are deemed to no longer apply, the costs associated with the Agency’s re-review of the records to consider the use of other exemptions may be assessed as review fees.

(f) Requesters may seek a fee waiver. AmeriCorps will consider requests for a fee waiver in accordance with the requirements in § 2507.24.

(g) To resolve any fee issues that arise under this section, AmeriCorps may contact a requester for additional information.

§ 2507.18 Requester categories and fees charged.

(a) The FOIA establishes the following categories of requesters and, depending on the category, these types of fees to be paid:

(1) Commercial use requesters: these pay search, review, and duplication fees.

(2) Non-commercial scientific institutions, educational institutions whose

Corporation for National and Community Service

§ 2507.20

purpose is scholarly or scientific research, or news media requesters: these pay only duplication fees.

(3) All other requesters: these pay search and duplication fees.

(b) The fee schedule for search, review, and duplication is as follows:

TABLE 1 TO PARAGRAPH (b)

Requester	Search fee	Review fee	Duplication fee
Commercial use requester	\$70.00 per hour	\$70.00 per hour	For photocopies, 20¢ per page.
Educational & Non-Commercial Scientific institutions.	No fee	No fee	For photocopies, the first 100 pages are free; after that, 20¢ per page.
Representatives of the news media.	No fee	No fee	For photocopies, the first 100 pages are free; after that, 20¢ per page.
All others	The first two hours are free; after that, \$70.00 per hour.	No fee	For photocopies, the first 100 pages are free; after that, 20¢ per page.

§ 2507.19 Circumstances in which fees may not be charged.

(a) If AmeriCorps fails to comply with the time limits for responding to a request, and if no unusual or exceptional circumstances, as defined by the FOIA, apply to processing the request, it may not charge search fees (or, for requesters with preferred fee status, may not charge duplication fees).

(b) If AmeriCorps fails to comply with the extended time limit for unusual circumstances under § 2705.10(c), it may not charge search fees (or, for requesters with preferred fee status, may not charge duplication fees), except as follows:

(1) If unusual circumstances apply and more than 5,000 pages are necessary to respond to the request, AmeriCorps may charge search fees (or, for requesters with preferred fee status, may charge duplication fees), so long as AmeriCorps has given the requester timely written notice and has discussed with the requester via email, telephone, or paper mail (or made at least three good-faith attempts to do so) how the requester could limit the scope of the request.

(2) If a court determines that exceptional circumstances exist, AmeriCorps' failure to comply with a time limit will be excused for the length of time provided by the court order.

(c) AmeriCorps will charge search or review fees for a quarter-hour period only when more than half of that period is required for search or review.

(d) AmeriCorps will not charge any fee if the total fee calculated according to § 2507.18 is \$25.00 or less for any request.

§ 2507.20 Notice of anticipated fees in excess of \$25.00.

(a) When AmeriCorps estimates that fees will exceed \$25.00 and the requester has not stated in writing their willingness to pay fees as high as anticipated, it will inform the requester of the estimated fees, including a breakdown for search, review, or duplication.

(1) AmeriCorps will inform the requester if only a portion of the fee can be readily estimated.

(2) For non-commercial-use requesters subject to search fees, the notice will tell them that they are entitled to two hours of search time at no charge. For all requesters who ask for non-electronic copies of the records, AmeriCorps will inform them that they are entitled to 100 pages of duplication at no charge. In both cases, AmeriCorps will tell the requester whether those entitlements are included in the estimate.

(b) When AmeriCorps notifies a requester that the actual or estimated total fee exceeds \$25.00, it will stop work on the request and the processing time will be tolled until the requester, in writing:

(1) Commits to paying the actual or estimated total fee; or

(2) Designates a specific dollar amount of fees they are willing to pay; or

§ 2507.21

(3) Tells AmeriCorps that they seek only that which can be provided with two free hours of search time and 100 free pages of duplication, in the case that they are eligible for these entitlements.

(c) If the requester has specified a fee amount they are willing to pay, but AmeriCorps estimates that the total fee will be greater than that:

(1) It will notify the requester of the estimated excess and ask if they wish to either revise the amount of fees they are willing to pay or modify the request, and

(2) The Agency will stop work on the request and toll the processing time according to § 2507.10(f).

(d) The FOIA Officer or FOIA Public Liaison will be available to help any requester reformulate a request to meet the requester's needs at a lower cost.

§ 2507.21 Other charges.

(a) *Charges for other services.* Although it is not required to provide special services, if AmeriCorps chooses as a matter of administrative discretion to do so, it will charge the direct costs of providing those services. Examples of such services include certifying that records are true copies, providing multiple copies of the same document, or sending records by means other than first class mail.

(b) *Charging interest.* AmeriCorps may charge interest on any unpaid bill starting on the 31st day following the billing date. Interest charges will be assessed at the rate provided in 31 U.S.C. 3717 and will accrue from the billing date until payment is received by the agency. AmeriCorps will follow the provisions of the Debt Collection Act of 1982 (Pub. L. 97-365, 96 Stat. 1749), as amended, and its administrative procedures, including the use of consumer reporting agencies, collection agencies, and offset.

§ 2507.22 Aggregating requests to ensure payment of fees.

(a) When AmeriCorps reasonably believes that a requester or a group of requesters acting together is attempting to divide a single request into multiple smaller requests so as to avoid fees,

45 CFR Ch. XXV (10–1–24 Edition)

AmeriCorps may aggregate those requests and charge accordingly.

(1) AmeriCorps may presume that multiple requests of this type made within a 30-day period have been made in order to avoid fees.

(2) For requests separated by more than 30 days, AmeriCorps will aggregate them only where there is a reasonable basis for determining that aggregation is justified in view of all the circumstances involved.

(b) Multiple requests involving unrelated matters will not be aggregated.

§ 2507.23 Collection and payment of fees.

(a) AmeriCorps must ordinarily receive all applicable fees before it sends copies of records to a requester. This is payment for work already completed, not an advance payment.

(b) AmeriCorps may require an advance payment before work begins or is continued on a request when one of the following two circumstances exists. In these cases, AmeriCorps will not consider the FOIA request to have been received and will not conduct further work on the request until it receives the required payment. If the requester does not pay the advance payment within 30 calendar days after the date of AmeriCorps' fee determination, the request will be closed.

(1) If AmeriCorps determines or estimates that a total fee will be greater than \$250.00, it may require that the requester pay in advance, up to the amount of the entire anticipated fee, before starting to process the request. AmeriCorps may choose to process the request before it collects fees if it receives a satisfactory assurance of full payment from a requester with a history of prompt payment.

(2) When a requester has previously failed to pay a properly charged FOIA fee to the Agency within 30 calendar days of the billing date, AmeriCorps may require the requester to pay the full amount past due, plus any applicable interest on that prior request, and may also require the requester to pay in advance the full amount of any anticipated fee before it begins to process a new request or continues to process a pending request or any pending appeal. If AmeriCorps has a reasonable basis to

believe that a requester has misrepresented their identity in order to avoid paying outstanding fees, it may require the requester to provide proof of identity.

(c) Requesters must pay fees by check or money order made payable to the Treasury of the United States.

(d) AmeriCorps is not required to accept payments in installments.

§ 2507.24 Fee waivers or fee reductions.

(a) Requests for a waiver or reduction of fees should be made when the FOIA request is first submitted to AmeriCorps and should address in specific detail the factors below. However, a requester may ask for a fee waiver at a later time, if their FOIA request is still pending or is on administrative appeal.

(b) AmeriCorps will grant a waiver of fees, or a one-time reduction of the rate established under § 2507.18, when it determines that the requester has demonstrated that disclosure of the requested information is in the public interest and is not primarily in the commercial interest of the requester.

(1) To determine whether disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government, AmeriCorps will consider the following factors:

(i) The subject of the request must concern identifiable operations or activities of the Federal Government, with a connection that is direct and clear, not remote or attenuated.

(ii) Disclosure of the requested records must be meaningfully informative about Federal Government operations or activities in order to be “likely to contribute” to an increased public understanding of those operations or activities. Disclosure of information that is already in the public domain, in either the same or a substantially identical form, would not contribute to such understanding.

(iii) Disclosure must contribute to the understanding of a reasonably broad audience of persons interested in the subject, as opposed to the individual understanding of the requester. A requester’s expertise in the subject

area, as well as their ability and intention to effectively convey information to the public, will be considered. A representative of the news media making the request for professional purposes satisfies this consideration.

(iv) The public’s understanding of the subject in question must be enhanced by the disclosure to a significant extent. However, AmeriCorps will not make value judgments about whether the information at issue is “important” enough to be made public.

(2) To determine whether disclosure of the requested information is primarily in the commercial interest of the requester, AmeriCorps will give requesters an opportunity to explain the purpose of the request. The Agency will consider the following factors:

(i) If there is an identified commercial interest, AmeriCorps will determine whether that is the primary interest furthered by the request.

(ii) The identified commercial interest is not the primary interest furthered by the request (such that a waiver or reduction of fees is justified) where the public interest in disclosure is greater than the identified commercial interest in disclosure. AmeriCorps ordinarily will presume that when a news media requester has satisfied the public interest standard, it is a public interest that is primarily served by disclosure to that requester. Disclosure to data brokers or others who merely compile and market government information for direct economic return will not be presumed to primarily serve the public interest.

(c) Where only some of the records to be released satisfy the requirements for a waiver of fees, a waiver will be granted for those records only.

(d) A requester may appeal the denial of a fee waiver.

Subpart H—Miscellaneous

§ 2507.25 Preservation of records.

AmeriCorps will preserve all correspondence relating to FOIA requests it receives, and all records processed for those requests, until the destruction of the correspondence and records is authorized by Title 44 of the United States Code and the records disposition authority granted by NARA. The

§ 2507.26

records will not be sent to a Federal Records Center, transferred to the permanent custody of NARA, or destroyed while they are the subject of a pending request, appeal, or civil action under the FOIA.

§ 2507.26 Reporting requirements.

(a) AmeriCorps will submit to the Attorney General a statistical report on FOIA requests, processing, disposition, and appeals.

(b) As required, the Chief FOIA Officer will submit to the Attorney General a Chief FOIA Officer Report containing a narrative description of the steps taken by the agency to support and improve FOIA compliance and transparency.

§ 2507.27 Rights and services qualified by the FOIA statute.

Nothing in this part may be construed to entitle any person, as a right, to any service or to the disclosure of any record to which such person is not entitled under the FOIA.

(a)(1) The Corporation will not disclose any record that is contained in its system of records by any means of communication to any person, or to another agency, except pursuant to a written request by, or with the prior written consent of the individual to whom the record pertains, unless disclosure of the record would be:

This report will be submitted in accordance with guidelines provided by the Office of Management and Budget.

§ 2508.8 Who is responsible for establishing the Corporation's rules of conduct for Privacy Act compliance?

(a) The Chief Executive Officer shall ensure that all persons involved in the

design, development, operation or maintenance of any system of records as defined herein are informed of all requirements necessary to protect the privacy of individuals who are the subject of such records. All employees shall be informed of all implications of the Act in this area including the civil remedies provided under 5 U.S.C. 552a(g)(1) and the fact that the Corporation may be subject to civil remedies for failure to comply with the provisions of the Privacy Act and this regulation.

(b) The Chief Executive Officer shall also ensure that all personnel having access to records receive adequate training in the protection of the security of personal records, and that adequate and proper storage is provided for all such records with sufficient security to assure the privacy of such records.

§ 2508.9 What officials are responsible for the security, management and control of Corporation record keeping systems?

The Chief Executive Officer has the responsibility of maintaining adequate technical, physical, and security safeguards to prevent unauthorized disclosure or destruction of manual and automatic record systems. These security safeguards shall apply to all sys-

tems in which identifiable personal data are processed or maintained, including all reports and outputs from such systems that contain identifiable personal information. Such safeguards must be sufficient to prevent negligent, accidental, or unintentional disclosure, modification or destruction of any personal records or data, and must furthermore minimize, to the extent practicable, the risk that skilled technicians or knowledgeable persons could improperly obtain access to modify or destroy such records or data and shall further insure against such casual entry by unskilled persons without official reasons for access to such records or data.

(a) *Manual systems.* (1) Records contained in a system of records as defined herein may be used, held or stored only where facilities are adequate to prevent unauthorized access by persons within or outside the Corporation.

(2) All records, when not under the personal control of the employees authorized to use the records, must be stored in a locked metal filing cabinet. Some systems of records are not of such confidential nature that their disclosure would constitute a harm to an individual who is the subject of such record. However, records in this category shall also be maintained in locked metal filing cabinets or maintained in a secured room with a locking door.

(3) Access to and use of a system of records shall be permitted only to persons whose duties require such access within the Corporation, for routine uses as defined in § 2508.4 as to any given system, or for such other uses as may be provided herein.

(4) Other than for access within the Corporation to persons needing such records in the performance of their official duties or routine uses as defined in § 2508.4, or such other uses as provided herein, access to records within a system of records shall be permitted only to the individual to whom the record pertains or upon his or her written request to the Director, Administration and Management Services.

(5) Access to areas where a system of records is stored will be limited to those persons whose duties require work in such areas. There shall be an

accounting of the removal of any records from such storage areas utilizing a written log, as directed by the Director, Administration and Management Services. The written log shall be maintained at all times.

(6) The Corporation shall ensure that all persons whose duties require access to and use of records contained in a system of records are adequately trained to protect the security and privacy of such records.

(7) The disposal and destruction of records within a system of records shall be in accordance with rules promulgated by the General Services Administration.

(b) *Automated systems.* (1) Identifiable personal information may be processed, stored or maintained by automated data systems only where facilities or conditions are adequate to prevent unauthorized access to such systems in any form. Whenever such data, whether contained in punch cards, magnetic tapes or discs, are not under the personal control of an authorized person, such information must be stored in a locked or secured room, or in such other facility having greater safeguards than those provided for herein.

(2) Access to and use of identifiable personal data associated with automated data systems shall be limited to those persons whose duties require such access. Proper control of personal data in any form associated with automated data systems shall be maintained at all times, including maintenance of accountability records showing disposition of input and output documents.

(3) All persons whose duties require access to processing and maintenance of identifiable personal data and automated systems shall be adequately trained in the security and privacy of personal data.

(4) The disposal and disposition of identifiable personal data and automated systems shall be done by shredding, burning or in the case of tapes or discs, degaussing, in accordance with any regulations now or hereafter proposed by the General Services Administration or other appropriate authority.

45 CFR Ch. XXV (10–1–24 Edition)

§ 2508.11 How shall offices maintaining a system of records be accountable for those records to prevent unauthorized disclosure of information?

(a) Each office maintaining a system of records shall account for all records within such system by maintaining a written log in the form prescribed by the Director, Administration and Management Services, containing the following information:

(1) The date, nature, and purpose of each disclosure of a record to any person or to another agency. Disclosures made to employees of the Corporation in the normal course of their duties, or pursuant to the provisions of the Freedom of Information Act, need not be accounted for.

(2) Such accounting shall contain the name and address of the person or agency to whom the disclosure was made.

(3) The accounting shall be maintained in accordance with a system of records approved by the Director, Administration and Management Services, as sufficient for the purpose but in any event sufficient to permit the construction of a listing of all disclosures at appropriate periodic intervals.

(4) The accounting shall reference any justification or basis upon which any release was made including any written documentation required when records are released for statistical or law enforcement purposes under the provisions of subsection (b) of the Privacy Act of 1974 (5 U.S.C. 552a).

(5) For the purpose of this part, the system of accounting for disclosures is not a system of records under the definitions hereof, and need not be maintained within a system of records.

(6) Any subject individual may request access to an accounting of disclosures of a record. The subject individual shall make a request for access to an accounting in accordance with § 2508.13. An individual will be granted access to an accounting of the disclosures of a record in accordance with the procedures of this subpart which govern access to the related record. Access to an accounting of a disclosure of a record made under § 2508.13 may be

granted at the discretion of the Director, Administration and Management Services.

§ 2508.12 What are the contents of the systems of record that are to be maintained by the Corporation?

(a) The Corporation shall maintain all records that are used in making determinations about any individual with such accuracy, relevance, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the determination;

(b) In situations in which the information may result in adverse determinations about such individual's rights, benefits and privileges under any Federal program, all information placed in a system of records shall, to the greatest extent practicable, be collected from the individual to whom the record pertains.

(c) Each form or other document that an individual is expected to complete in order to provide information for any system of records shall have appended thereto, or in the body of the document:

(1) An indication of the authority authorizing the solicitation of the information and whether the provision of the information is mandatory or voluntary.

(2) The purpose or purposes for which the information is intended to be used.

(3) Routine uses which may be made of the information and published pursuant to § 2508.6.

(4) The effect on the individual, if any, of not providing all or part of the required or requested information.

(d) Records maintained in any system of records used by the Corporation to make any determination about any individual shall be maintained with such accuracy, relevancy, timeliness, and completeness as is reasonably necessary to assure fairness to the individual in the making of any determination about such individual, provided, however, that the Corporation shall not be required to update or keep current retired records.

(e) Before disseminating any record about any individual to any person other than an employee in the Corporation, unless the dissemination is made pursuant to the provisions of the Free-

dom of Information Act (5 U.S.C. 552), the Corporation shall make reasonable efforts to ensure that such records are, or were at the time they were collected, accurate, complete, timely and relevant for Corporation purposes.

(f) Under no circumstances shall the Corporation maintain any record about any individual with respect to or describing how such individual exercises rights guaranteed by the First Amendment of the Constitution of the United States, unless expressly authorized by statute or by the individual about whom the record is maintained, or unless pertinent to and within the scope of an authorized law enforcement activity.

(g) In the event any record is disclosed as a result of the order of a court of appropriate jurisdiction, the Corporation shall make reasonable efforts to notify the individual whose record was so disclosed after the process becomes a matter of public record.

§ 2508.13 What are the procedures for acquiring access to Corporation records by an individual about whom a record is maintained?

(a) Any request for access to records from any individual about whom a record is maintained will be addressed to the Corporation for National and Community Service, Office of the General Counsel, Attn: Privacy Act Officer, 250 E Street SW., Washington, DC 20525, or delivered in person during regular business hours, whereupon access to his or her record, or to any information contained therein, if determined to be releasable, shall be provided.

(b) If the request is made in person, such individual may, upon his or her request, be accompanied by a person of his or her choosing to review the record and shall be provided an opportunity to have a copy made of any record about such individual.

(c) A record may be disclosed to a representative chosen by the individual as to whom a record is maintained upon the proper written consent of such individual.

(d) A request made in person will be promptly complied with if the records sought are in the immediate custody of the Corporation. Mailed requests or personal requests for documents in

§ 2508.14

storage or otherwise not immediately available, will be acknowledged within 10 working days, and the information requested will be promptly provided thereafter.

(e) With regard to any request for disclosure of a record, the following procedures shall apply:

(1) Medical or psychological records shall be disclosed to an individual unless, in the judgment of the Corporation, access to such records might have an adverse effect upon such individual. When such determination has been made, the Corporation may require that the information be disclosed only to a physician chosen by the requesting individual. Such physician shall have full authority to disclose all or any portion of such record to the requesting individual in the exercise of his or her professional judgment.

(2) Test material and copies of certificates or other lists of eligibles or any other listing, the disclosure of which would violate the privacy of any other individual, or be otherwise exempted by the provisions of the Privacy Act, shall be removed from the record before disclosure to any individual to whom the record pertains.

[64 FR 19294, Apr. 20, 1999, as amended at 81 FR 12600, Mar. 10, 2016]

§ 2508.14 What are the identification requirements for individuals who request access to records?

The Corporation shall require reasonable identification of all individuals who request access to records to ensure that records are disclosed to the proper person.

(a) In the event an individual requests disclosure in person, such individual shall be required to show an identification card such as a drivers license, etc., containing a photo and a sample signature of such individual. Such individual may also be required to sign a statement under oath as to his or her identity, acknowledging that he or she is aware of the penalties for improper disclosure under the provisions of the Privacy Act.

(b) In the event that disclosure is requested by mail, the Corporation may request such information as may be necessary to reasonably ensure that the individual making such request is

45 CFR Ch. XXV (10–1–24 Edition)

properly identified. In certain cases, the Corporation may require that a mail request be notarized with an indication that the notary received an acknowledgment of identity from the individual making such request.

(c) In the event an individual is unable to provide suitable documentation or identification, the Corporation may require a signed notarized statement asserting the identity of the individual and stipulating that the individual understands that knowingly or willfully seeking or obtaining access to records about another person under false pretenses is punishable by a fine of up to \$5,000.

(d) In the event a requestor wishes to be accompanied by another person while reviewing his or her records, the Corporation may require a written statement authorizing discussion of his or her records in the presence of the accompanying representative or other persons.

§ 2508.15 What are the procedures for requesting inspection of, amendment or correction to, or appeal of an individual's records maintained by the Corporation other than that individual's official personnel file?

(a) A request for inspection of any record shall be made to the Director, Administration and Management Services. Such request may be made by mail or in person provided, however, that requests made in person may be required to be made upon a form provided by the Director of Administration and Management Services who shall keep a current list of all systems of records maintained by the Corporation and published in accordance with the provisions of this regulation. However, the request need not be in writing if the individual makes his or her request in person. The requesting individual may request that the Corporation compile all records pertaining to such individual at any named Service Center/State Office, AmeriCorps*NCCC Campus, or at Corporation Headquarters in Washington, DC, for the individual's inspection and/or copying. In the event an individual makes such request for a compilation of all records pertaining to him or her in various locations, appropriate time for such compilation shall be provided as may be

necessary to promptly comply with such requests.

(b) Any such requests should contain, at a minimum, identifying information needed to locate any given record and a brief description of the item or items of information required in the event the individual wishes to see less than all records maintained about him or her.

(1) In the event an individual, after examination of his or her record, desires to request an amendment or correction of such records, the request must be submitted in writing and addressed to the Corporation for National and Community Service, Office of the General Counsel, Attn: Privacy Act Officer, 250 E Street SW., Washington, DC 20525. In his or her written request, the individual shall specify:

- (i) The system of records from which the record is retrieved;
- (ii) The particular record that he or she is seeking to amend or correct;
- (iii) Whether he or she is seeking an addition to or a deletion or substitution of the record; and,
- (iv) His or her reasons for requesting amendment or correction of the record.

(2) A request for amendment or correction of a record will be acknowledged within 10 working days of its receipt unless the request can be processed and the individual informed of the Privacy Act Officer's decision on the request within that 10 day period.

(3) If the Privacy Act Officer agrees that the record is not accurate, timely, or complete, based on a preponderance of the evidence, the record will be corrected or amended. The record will be deleted without regard to its accuracy, if the record is not relevant or necessary to accomplish the Corporation's function for which the record was provided or is maintained. In either case, the individual will be informed in writing of the amendment, correction, or deletion and, if accounting was made of prior disclosures of the record, all previous recipients of the record will be informed of the corrective action taken.

(4) If the Privacy Act Officer does not agree that the record should be amended or corrected, the individual will be informed in writing of the refusal to amend or correct the record. He or she

will also be informed that he or she may appeal the refusal to amend or correct his or her record in accordance with § 2508.17.

(5) Requests to amend or correct a record governed by the regulation of another government agency will be forwarded to such government agency for processing and the individual will be informed in writing of the referral.

(c) In the event an individual disagrees with the Privacy Act Officer's initial determination, he or she may appeal such determination to the Appeal Officer in accordance with § 2508.17. Such request for review must be made within 30 days after receipt by the requestor of the initial refusal to amend.

[64 FR 19294, Apr. 20, 1999, as amended at 81 FR 12601, Mar. 10, 2016]

§ 2508.16 What are the procedures for filing an appeal for refusal to amend or correct records?

(a) In the event an individual desires to appeal any refusal to correct or amend records, he or she may do so by addressing, in writing, such appeal to the Corporation for National and Community Service, Office of the Chief Operating Officer, Attn: Appeal Officer, 250 E Street SW., Washington, DC 20525. Although there is no time limit for such appeals, the Corporation shall be under no obligation to maintain copies of original requests or responses thereto beyond 180 days from the date of the original request.

(b) An appeal will be completed within 30 working days from its receipt by the Appeal Officer; except that, the appeal authority may, for good cause, extend this period for an additional 30 days. Should the appeal period be extended, the individual appealing the original refusal will be informed in writing of the extension and the circumstances of the delay. The individual's request for access to or to amend or correct the record, the Privacy Act Officer's refusal to amend or correct the record, and any other pertinent material relating to the appeal will be reviewed. No hearing will be held.

(c) If the Appeal Officer determines that the record that is the subject of the appeal should be amended or corrected, the record will be amended or

§ 2508.17

corrected and the individual will be informed in writing of the amendment or correction. Where an accounting was made of prior disclosures of the record, all previous recipients of the record will be informed of the corrective action taken.

(d) If the appeal is denied, the subject individual will be informed in writing:

(1) Of the denial and reasons for the denial;

(2) That he or she has a right to seek judicial review of the denial; and

(3) That he or she may submit to the Appeal Officer a concise statement of disagreement to be associated with the disputed record and disclosed whenever the record is disclosed.

(e) Whenever an individual submits a statement of disagreement to the Appeal Officer in accordance with paragraph (d)(3) of this section, the record will be annotated to indicate that it is disputed. In any subsequent disclosure, a copy of the subject individual's statement of disagreement will be disclosed with the record. If the appeal authority deems it appropriate, a concise statement of the Appeal Officer's reasons for denying the individual's appeal may also be disclosed with the record. While the individual will have access to this statement of reasons, such statement will not be subject to correction or amendment. Where an accounting was made of prior disclosures of the record, all previous recipients of the record will be provided a copy of the individual's statement of disagreement, as well as the statement, if any, of the Appeal Officer's reasons for denying the individual's appeal.

[64 FR 19294, Apr. 20, 1999, as amended at 81 FR 12601, Mar. 10, 2016]

§ 2508.17 When shall fees be charged and at what rate?

(a) No fees shall be charged for search time or for any other time expended by the Corporation to review or produce a record except where an individual requests that a copy be made of the record to which he or she is granted access. Where a copy of the record must be made in order to provide access to the record (e.g., computer printout where no screen reading is available), the copy will be made available to the individual without cost.

45 CFR Ch. XXV (10–1–24 Edition)

(b) The applicable fee schedule is as follows:

(1) Each copy of each page, up to 8½" × 14", made by photocopy or similar process is \$0.10 per page.

(2) Each copy of each microform frame printed on paper is \$0.25.

(3) Each aperture card is \$0.25.

(9) Contract solicitations and awards; or

45 CFR Ch. XXV (10–1–24 Edition)

§ 2509.12 What should I do if a guidance document is covered by this subpart?

(a) All CNCS guidance documents require review and clearance in accordance with this subpart.

(b) Guidance proposed by CNCS must be reviewed by the Office of General Counsel (OGC) and cleared by the General Counsel or his/her designee.

(c) Additional reviews by other CNCS officials are also conducted as described in CNCS Policy 100—Preparing Policies and Procedures and Policy 103—Clearing Controlled Correspondence and Other Documents with the Board, Chief Executive Officer, and Chief of Staff, or subsequent updates or revisions to those policies.

§ 2509.14 What is the purpose of the review and clearance procedure?

CNCS’s guidance issuance process shall ensure that each proposed guidance document satisfies the following requirements:

(a) The guidance document complies with all relevant statutes and regulations (including any statutory deadlines for Agency action);

(b) The guidance document identifies or includes:

(1) The term “guidance” or its functional equivalent;

(2) The issuing CNCS responsible office name;

(3) A unique identifier, including, at a minimum, the date of issuance and title of the document and its regulatory identification number (RIN), if applicable;

(4) The activity or entities to which the guidance applies;

(c) The guidance document avoids using mandatory language, such as “shall,” “must,” “required,” or “requirement,” unless the language is describing an established statutory or

regulatory requirement or is addressed to CNCS employees and will not foreclose CNCS's consideration of positions advanced by affected private parties;

(d) The guidance document is written in plain and understandable English; and

(e) All guidance documents should include the following disclaimer prominently in each guidance document: "The contents of this document do not have the force and effect of law and are not meant to bind the public in any way. This document is intended only to provide clarity to the public regarding existing requirements under the law or agency policies." When CNCS's guidance document is binding because binding guidance is authorized by law or because the guidance is incorporated into a contract, CNCS will modify the disclaimer above to reflect either of those facts.

§ 2509.16 How will CNCS make guidance documents available to the public?

CNCS shall:

(a) Ensure all effective guidance documents, identified by a unique identifier which includes, at a minimum, the document's title and date of issuance or revision and its RIN, if applicable, are on its website in a single, searchable, indexed database, and available to the public in accordance with § 2905.16;

(b) Note on its website that guidance documents lack the force and effect of law, except as authorized by law or as incorporated into a contract; and

(c) Publish on its website where the public can comment electronically on any guidance documents that are subject to the notice-and-comment procedures described in § 2509.22 and to submit requests electronically for issuance, reconsideration, modification, or rescission of guidance documents.

(d) Guidance documents that do not appear on the Agency's single, searchable, indexed database are rescinded.

§ 2509.18 What procedures apply to guidance documents identified as "significant"?

(a) OGC review of proposed guidance documents will include a preliminary

determination as to whether the proposed guidance document is significant within the meaning of § 2509.20. Unless exempt, each proposed guidance document determined to be significant must be approved by the Chief Executive Officer before issuance. In such instances, CNCS will:

(1) Obtain a RIN to report what CNCS is planning to issue;

(2) Coordinate the guidance document with the Office of Management and Budget's (OMB's) Office of Information and Regulatory Affairs (OIRA) for the interagency review, final significance determination, and clearance; and

(3) Coordinate internal review and clearance of the guidance document before submitting it to the Chief Executive Officer for approval, consistent with CNCS Policy 103.

(b) If the guidance document is determined to be significant under § 2509.20, CNCS may proceed with publication in the FEDERAL REGISTER. For each significant guidance document, the originating CNCS office should include a statement in the clearance memorandum indicating that the guidance document has been reviewed and cleared in accordance with this section.

§ 2509.20 What is a "significant" guidance document?

(a) The term "significant guidance document" means a guidance document that will be disseminated to regulated entities or the general public and that may reasonably be anticipated:

§ 2509.22

(b) The term "significant guidance document" does not include the categories of documents excluded by § 2509.12 or any other category of guidance documents exempted in writing by CNCS in consultation with OIRA.

(c) Significant and economically significant guidance documents must be reviewed by OIRA under E.O. 12866 before issuance and must demonstrate compliance with the applicable requirements for regulations or rules, including significant regulatory actions, set forth in E.O. 12866, E.O. 13563, E.O. 13609, E.O. 13771, and E.O. 13777.

§ 2509.22 When will guidance be published for public notice-and-comment?

(a) Except as provided in paragraph (b) of this section, all proposed CNCS guidance documents determined to be significant within the meaning of § 2509.20 are subject to public notice-and-comment. CNCS shall publish notification in the FEDERAL REGISTER of the proposed significant guidance document and invite public comments for a minimum of 30 days, then publish a response to major concerns raised in the comments when the final guidance document is published.

(b) The requirements of paragraph (a) of this section will not apply to any significant guidance document for which CNCS finds, in consultation with OIRA, good cause that notice-and-comment procedures are impracticable, unnecessary, or contrary to the public interest (and incorporates the finding of good cause and a brief statement of reasons in the guidance issued).

(c) CNCS and OIRA may establish an agreement on presumptively exempted categories of guidance; such documents will be presumptively exempt from the requirements of paragraph (a) of this section.

§ 2509.24 How may the public submit a petition to CNCS for the withdrawal or modification of a guidance document?

(a) Interested parties may submit petitions to CNCS requesting withdrawal or modification of any effective guidance document by sending an email to

45 CFR Ch. XXV (10–1–24 Edition)

Guidance@cns.gov or by sending the request to Corporation for National and Community Service ATT: Associate Director of Policy, 250 E Street SW, Washington, DC 20525.

(b) Interested parties should include the guidance document's title and a summary justification describing why the document should be withdrawn, how it should be modified, or the nature of the concern with the guidance.

(c) The responsible CNCS department, in consultation with OGC, will review the petition, determine if withdrawal or modification is necessary or the best way to resolve the concern, and respond to the petitioner no later than 90 days after receipt of the request.

§ 2509.26 What is the effect of rescinded guidance documents?

CNCS may not cite, use, or rely on rescinded guidance documents, except to establish historical facts.

§ 2509.28 How will significant guidance be issued when there are exigent circumstances?

Under exigent circumstances, such as safety, health, or when statutory deadlines or court order or other compelling cause require CNCS to act more quickly than normal review procedures allow, CNCS will notify OIRA as soon as possible and, to the extent practicable, comply with the requirements of this subpart at the earliest opportunity.

§ 2509.30 No judicial review or enforceable rights.

This subpart is intended to improve the internal management of CNCS. As such, it is for the use of CNCS employees only and is not intended to, and does not create any right or benefit, substantive or procedural, enforceable by law or in equity by any party against the United States, its agencies or other entities, its officers or employees, or any other person.

(iii) Use such other method that the Corporation determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

(b) Funds made available under this part may not be used to pay any stipend, allowance, or other financial support to any participant in a service-learning program under this part except reimbursement for transportation, meals, and other reasonable out-of-pocket expenses directly related to participation in a program assisted under this part.

[59 FR 13794, Mar. 23, 1994, as amended at 67 FR 45360, July 9, 2002]

§ 2521.20 What types of AmeriCorps subtitle C program grants are available for award?

AmeriCorps may make the following types of grants to eligible applicants. The requirements of this section will also apply to any State or other applicant receiving assistance under this part that proposes to conduct a grant program using the assistance to support other national or community service programs.

(a) *Planning grants*—(1) *Purpose*. The purpose of a planning grant is to assist an applicant in completing the planning necessary to implement a sound concept that has already been developed.

(2) *Eligibility*. (i) States may apply directly to AmeriCorps for planning grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to AmeriCorps for planning grants.

(3) *Duration*. A planning grant will be negotiated for a term not to exceed one year.

(b) *Operational grants*—(1) *Purpose*. The purpose of an operational grant is to fund an organization that is ready to establish, operate, or expand an AmeriCorps program. An operational grant may include AmeriCorps educational awards. An operational grant may also include a short planning period of up to six months, if necessary, to implement a program.

(2) *Eligibility*. (i) States may apply directly to AmeriCorps for operational grants.

(ii) Subdivisions of States, Indian Tribes, public or private nonprofit organizations (including religious organizations and labor organizations), and institutions of higher education may apply either to a State or directly to AmeriCorps for operational grants. (d) *Training, technical assistance and other special grants—(1) Purpose.* The purpose of these grants is to ensure broad access to AmeriCorps programs for all Americans, including those with disabilities; support disaster relief efforts; assist efforts to secure private support for programs through challenge grants; and ensure program quality by supporting technical assistance and training programs.

[59 FR 13794, Mar. 23, 1994, as amended at 67 FR 45360, July 9, 2002]

§ 2521.30 How will AmeriCorps subtitle C program grants be awarded?

In any fiscal year, AmeriCorps will award AmeriCorps subtitle C program grants as follows:

(a) *Grants to State Applicants.* (1) For the purposes of this section, the term “State” means the fifty States, Puerto Rico, and the District of Columbia.

(2) One-third of the funds available under this part and a corresponding allotment of AmeriCorps educational awards, as specified by AmeriCorps, will be distributed according to a population-based formula to the 50 States, Puerto Rico and the District of Columbia if they have applications approved by AmeriCorps.

(3) At least one-third of funds available under this part and an appropriate number of AmeriCorps awards, as determined by AmeriCorps, will be awarded to States on a competitive basis. In order to receive these funds, a State must receive funds under paragraphs (a)(2) or (b)(1) of this section in the same fiscal year.

(4) In making subgrants with funds awarded by formula or competition

45 CFR Ch. XXV (10–1–24 Edition)

under paragraphs (a)(2) or (3) of this section, a State must ensure that a minimum of 50 percent of funds going to States will be used for programs that operate in the areas of need or on Federal or other public lands, and that place a priority on recruiting participants who are residents in high need areas, or on Federal or other public lands. AmeriCorps may waive this requirement for an individual State if at least 50 percent of the total amount of assistance to all States will be used for such programs.

(b) *Grants to Applicants other than States.* (1) One percent of available funds will be distributed to the U.S. Territories¹ that have applications approved by AmeriCorps according to a population-based formula.²

(2) One percent of available funds will be reserved for distribution to Indian tribes on a competitive basis.

(3) AmeriCorps will use any funds available under this part remaining after the award of the grants described in paragraphs (a) and (b)(1) and (2) of this section to make direct competitive grants to subdivisions of States, Indian tribes, public or private nonprofit organizations (including religious organizations and labor organizations), institutions of higher education, and Federal agencies. No more than one-third of the these remaining funds may be awarded to Federal agencies.

(c) *Allocation of AmeriCorps educational awards only.* AmeriCorps will determine on an annual basis the appropriate number of educational awards to make available for eligible applicants who have not applied for program assistance.

(d) *Effect of States’ or Territories’ failure to apply.* If a State or U.S. Territory does not apply for or fails to give adequate notice of its intent to apply for a formula-based grant as announced

¹The United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

²The amount allotted as a grant to each such territory or possession is equal to the ratio of each such Territory’s population to the population of all such territories multiplied by the amount of the one percent set-aside.

by AmeriCorps and published in applications and the Notice of Funds Availability, AmeriCorps will use the amount of that State's allotment to make grants to eligible entities to carry out AmeriCorps programs in that State or Territory. Any funds remaining from that State's allotment after making such grants will be reallocated to the States, Territories, and Indian tribes with approved AmeriCorps applications at AmeriCorps' discretion.

(e) *Effect of rejection of State application.* If a State's application for a formula-based grant is ultimately rejected by AmeriCorps pursuant to § 2522.320 of this chapter, the State's allotment will be available for redistribution by AmeriCorps to the States, Territories, and Indian Tribes with approved AmeriCorps applications as AmeriCorps deems appropriate.

(f) AmeriCorps will make grants for training, technical assistance and other special programs described in part 2524 of this chapter at AmeriCorps' discretion.

[59 FR 13794, Mar. 23, 1994, as amended at 63 FR 18138, Apr. 14, 1998; 67 FR 45360, July 9, 2002; 70 FR 39598, July 8, 2005; 73 FR 53759, Sept. 17, 2008]

PROGRAM MATCHING REQUIREMENTS

§ 2521.35 Who must comply with matching requirements?

(a) The matching requirements described in §§ 2521.40 through 2521.95 apply to you if you are a subgrantee of a State commission or a direct program grantee of AmeriCorps. These requirements do not apply to Education Award Programs.

(b) If you are a State commission, you must ensure that your grantees meet the match requirements established in this part, and you are also responsible for meeting an aggregate overall match based on your grantees' individual match requirements.

[70 FR 39598, July 8, 2005; 70 FR 48882, Aug. 22, 2005]

§ 2521.40 What are the matching requirements?

If you are subject to matching requirements under § 2521.35, you must adhere to the following:

(a) *Basic match:* At a minimum, you must meet the basic match requirements as articulated in § 2521.45.

(b) *Regulatory match:* In addition to the basic requirements under paragraph (a) of this section, you must provide an overall level of matching funds according to the schedule in § 2521.60(a), or § 2521.60(b) if applicable.

(c) *Budgeted match:* To the extent that the match in your approved budget exceeds your required match levels under paragraph (a) or (b) of this section, any failure to provide the amount above your regulatory match but below your budgeted match will be considered as a measure of past performance in subsequent grant competitions.

[70 FR 39598, July 8, 2005]

§ 2521.45 What are the limitations on the Federal Government's share of program costs?

The limitations on the Federal Government's share are different—in type and amount—for member support costs and program operating costs.

(a) *Member support:* The Federal share, including AmeriCorps and other Federal funds, of member support costs, which include the living allowance required under § 2522.240(b)(1) of this chapter, FICA, unemployment insurance (if required under State law), and worker's compensation (if required under State law), is limited as follows:

(1) If you are a professional corps described in § 2522.240(b)(2)(i) of this chapter, you may not use AmeriCorps funds for the living allowance.

(2) Your share of member support costs must be non-Federal cash.

(3) AmeriCorps's share of health care costs may not exceed 85 percent.

(b) *Program operating costs.* The AmeriCorps share of program operating costs may not exceed 67 percent. These costs include expenditures (other than member support costs described in paragraph (a) of this section) such as staff, operating expenses, internal evaluation, and administration costs.

(1) You may provide your share of program operating costs with cash, including other Federal funds (as long as the other Federal agency permits its funds to be used as match), or third-party in-kind contributions.

§ 2521.50

(2) Contributions, including third party in-kind must:

- (i) Be verifiable from your records;
- (ii) Not be included as contributions for any other Federally assisted program;
- (iii) Be necessary and reasonable for the proper and efficient accomplishment of your program's objectives; and
- (iv) Be allowable under applicable Office of Management and Budget (OMB) cost principles.

(3) You may not include the value of direct community service performed by volunteers, but you may include the value of services contributed by volunteers to your organizations for organizational functions such as accounting, audit, and training of staff and AmeriCorps programs.”

[70 FR 39598, July 8, 2005, as amended at 89 FR 46033, May 28, 2024; 89 FR 66615, Aug. 16, 2024]

§ 2521.50 If I am an Indian Tribe, to what extent may I use tribal funds towards my share of costs?

If you are an Indian Tribe that receives tribal funds through Public Law 93-638 (the Indian Self-Determination and Education Assistance Act), those funds are considered non-Federal and

45 CFR Ch. XXV (10-1-24 Edition)

you may use them towards your share of costs, including member support costs.

[70 FR 39598, July 8, 2005]

§ 2521.60 To what extent must my share of program costs increase over time?

Except as provided in paragraph (b) of this section, if your program continues to receive funding after an initial three-year grant period, you must continue to meet the minimum requirements in § 2521.45 of this part. In addition, your required share of program costs, including member support and operating costs, will incrementally increase each grant period to a 30 percent overall share by the fourth grant period and beyond (tenth year and any year thereafter that you receive a grant), without a break in funding of five years or more.

(a) *Minimum Organization Share:* (1) Subject to the requirements of § 2521.45 of this part, and except as provided in paragraph (b) of this section, your overall share of program costs will increase as of the fourth consecutive year that you receive a grant, according to the following timetable:

TABLE 1 TO PARAGRAPH (a)—TIMETABLE FOR MINIMUM ORGANIZATION SHARE

Grant period	Match percent by grant period and years			
	First	Second	Third	Fourth
Grant years	1-3	4-6	7-9	10 and beyond.
Minimum operating costs percentage	33	33	33	33.
Minimum overall share percentage	24	26	28	30.

(2) A State commission may meet its match based on the aggregate of its grantees' individual match requirements.

(b) *Alternative match requirements:* If your program is unable to meet the match requirements set forth in paragraph (a) of this section and it is located in a rural or severely economically distressed community, you may apply to AmeriCorps for a waiver that would decrease the level of your required match.

(c) *Determining Program Location.* (1) AmeriCorps will determine whether your program is located in a rural

county by considering the U.S. Department of Agriculture's Beale Codes.

(2) AmeriCorps will determine whether your program is located in a severely economically distressed county by considering unemployment rates, per capita income, and poverty rates.

(3) Unless AmeriCorps approves otherwise, as provided in paragraph (c)(4) of this section, AmeriCorps will determine the location of your program based on the legal applicant's address.

(4) If you believe that the legal applicant's address is not the appropriate way to consider the location of your program, you may request the waiver

described in paragraph (b) of this section and provide the relevant facts about your program location to support your request.

(d) *Schedule for current program grants:* If you have completed at least one three-year grant cycle on the date this regulation takes effect, you will be required to provide your share of costs beginning at the year three level, according to the table in paragraph (a) of this section, in the first program year in your grant following the regulation's effective date, and increasing each year thereafter as reflected in the table.

(e) *Flexibility in how you provide your share:* As long as you meet the basic match requirements in § 2521.45, you may use cash or in-kind contributions to reach the overall share level. For example, if your organization finds it easier to raise member support match, you may choose to meet the required overall match by raising only more member support match, and leave operational match at the basic level, as long as you provide the required overall match.

(f) *Reporting excess resources.* (1) AmeriCorps encourages you to obtain support over-and-above the matching fund requirements. Reporting these resources may make your application more likely to be selected for funding, based on the selection criteria in §§ 2522.430 and 2522.435 of these regulations.

(2) You must comply with § 2543.23 of this title and applicable OMB circulars in documenting cash and in-kind contributions and excess resources.

[70 FR 39598, July 8, 2005, as amended at 89 FR 46033, May 28, 2024]

§ 2521.70 To what extent may AmeriCorps waive the matching requirements in §§ 2521.45 and 2521.60 of this part?

(a) AmeriCorps may waive, in whole or in part, the requirements of §§ 2521.45 and 2521.60 if AmeriCorps determines that a waiver would be equitable because of a lack of available financial resources at the local level.

(b) If you are requesting a waiver, you must demonstrate:

(1) Initial difficulties in the development of local funding sources during the first three years of operations; or

(2) An economic downturn, the occurrence of a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or

(3) The unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years; or

(4) Organizational revenue of less than \$500,000.

(c) You must provide with your waiver request:

(1) A description of the efforts you have made to raise matching resources; and

(2) A request for the specific amount of match you are asking AmeriCorps to waive; and

(3) A budget and budget narrative that reflect the requested level in matching resources.

[70 FR 39598, July 8, 2005, as amended at 89 FR 46033, May 28, 2024]

§ 2521.80 What matching level applies if my program was funded in the past but has not recently received an AmeriCorps grant?

(b) If you have not been a direct recipient of an AmeriCorps operational grant from AmeriCorps or a State commission for fewer than five years, you must begin matching at the same level you were matching at the end of your most recent grant period.

(3) Utilize such other method that AmeriCorps determines in writing is consistent with OMB guidance and other applicable requirements, helps minimize the burden on grantees or subgrantees, and is beneficial to grantees or subgrantees and the Federal Government.

Subpart A—Minimum Requirements and Program Types

§ 2522.10 What definitions apply to this part?

AmeriCorps means the Corporation for National and Community Service, established pursuant to section 191 of the National and Community Service Act of 1990, as amended, 42 U.S.C. 12651, which operates as AmeriCorps.

You. For this part, *you* refers to the grantee, unless otherwise noted.

[70 FR 39600, July 8, 2005, as amended at 89 FR 46034, May 28, 2024]

§ 2522.100 What are the minimum requirements that every AmeriCorps program, regardless of type, must meet?

Although a wide range of programs may be eligible to apply for and receive support from AmeriCorps, all AmeriCorps subtitle C programs must meet certain minimum program requirements. These requirements apply regardless of whether a program is supported directly by AmeriCorps or through a subgrant. All AmeriCorps programs must:

(a) Address educational, public safety, human, or environmental needs, and provide a direct and demonstrable benefit that is valued by the community in which the service is performed;

(b) Perform projects that are designed, implemented, and evaluated with extensive and broad-based local input, including consultation with representatives from the community served, participants (or potential participants) in the program, community-based agencies with a demonstrated record of experience in providing services, and local labor organizations representing employees of project sponsors (if such entities exist in the area to be served by the program);

(c) Obtain, in the case of a program that also proposes to serve as the project sponsor, the written concurrence of any local labor organization representing employees of the project sponsor who are engaged in the same or substantially similar work as that proposed to be carried out by the AmeriCorps participant;

(d) Establish and provide outcome objectives, including a strategy for

achieving these objectives, upon which self-assessment and AmeriCorps-assessment of progress can rest. Such assessment will be used to help determine the extent to which the program has had a positive impact: (1) On communities and persons served by the projects performed by the program;

(2) On participants who take part in the projects; and

(3) In such other areas as the program or AmeriCorps may specify;

(e) Strengthen communities and encourage mutual respect and cooperation among citizens of different races, ethnicities, socioeconomic backgrounds, educational levels, both men and women and individuals with disabilities;

(f) Agree to seek actively to include participants and staff from the communities in which projects are conducted, and agree to seek program staff and participants of different races and ethnicities, socioeconomic backgrounds, educational levels, and genders as well as individuals with disabilities unless a program design requires emphasizing the recruitment of staff and participants who share a specific characteristic or background. In no case may a program violate the non-discrimination, nonduplication and nondisplacement rules governing participant selection described in part 2540 of this chapter. In addition, programs are encouraged to establish, if consistent with the purposes of the program, an intergenerational component that combines students, out-of-school youths, and older adults as participants;

(g)(1) Determine the projects in which participants will serve and establish minimum qualifications that individuals must meet to be eligible to participate in the program; these qualifications may vary based on the specific tasks to be performed by participants. Regardless of the educational level or background of participants sought, programs are encouraged to select individuals who possess leadership potential and a commitment to the goals of the AmeriCorps program. In any case, programs must select participants in a non-partisan, non-political, non-discriminatory manner, ensuring

fair access to participation. In addition, programs are required to ensure that they do not displace any existing paid employees as provided in part 2540 of this chapter;

(2) In addition, all programs are required to comply with any pre-service orientation or training period requirements established by AmeriCorps to assist in the selection of motivated participants. Finally, all programs must agree to select a percentage (to be determined by AmeriCorps) of the participants for the program from among prospective participants recruited by AmeriCorps or State Commissions under part 2533 of this chapter. AmeriCorps may also specify a minimum percentage of participants to be selected from the national leadership pool established under § 2522.210(c). AmeriCorps may vary either percentage for different types of AmeriCorps programs;

(h) Provide reasonable accommodation, including auxiliary aids and services (as defined in section 3(1) of the Americans with Disabilities Act of 1990 (42 U.S.C. 12102(1)) based on the individualized need of a participant who is a qualified individual with a disability (as defined in section 101(8) of such Act (42 U.S.C. 12111(8))). For the purpose of complying with this provision, AmeriCorps programs may apply for additional financial assistance from AmeriCorps pursuant to § 2524.40 of this chapter;

(i) Use service experiences to help participants achieve the skills and education needed for productive, active citizenship, including the provision, if appropriate, of structured opportunities for participants to reflect on their service experiences. In addition, all programs must encourage every participant who is eligible to vote to register prior to completing a term of service;

(j) Provide participants in the program with the training, skills, and knowledge necessary to perform the tasks required in their respective projects, including, if appropriate, specific training in a particular field and background information on the community, including why the service projects are needed;

(k) Provide support services—

(1) To participants who are completing a term of service and making the transition to other educational and career opportunities; and

(2) To those participants who are school dropouts in order to assist them in earning the equivalent of a high school diploma;

(l) Ensure that participants serving in approved AmeriCorps positions receive the living allowance and other benefits described in §§ 2522.240 through 2522.250 of this chapter;

(m) Describe the manner in which the AmeriCorps educational awards will be apportioned among individuals serving in the program. If a program proposes to provide such benefits to less than 100 percent of the participants in the program, the program must provide a compelling rationale for determining which participants will receive the benefits and which participants will not. AmeriCorps programs are strongly encouraged to offer alternative post-service benefits to participants who will not receive AmeriCorps educational awards, however AmeriCorps grant funds may not be used to provide such benefits;

(n) Agree to identify the program, through the use of logos, common application materials, and other means (to be specified by the AmeriCorps), as part of a larger national effort and to participate in other activities such as common opening ceremonies (including the administration of a national oath or affirmation), service days, and conferences designed to promote a national identity for all AmeriCorps programs and participants, including those participants not receiving AmeriCorps educational awards. This provision does not preclude an AmeriCorps program from continuing to use its own name as the primary identification, or from using its name, logo, or other identifying materials on uniforms or other items;

(o) Agree to begin terms of service at such times as AmeriCorps may reasonably require and to comply with any restrictions AmeriCorps may establish as to when the program may take to fill an approved AmeriCorps position left vacant due to attrition;

§ 2522.110

(p) Comply with all evaluation procedures specified by AmeriCorps, as explained in §§ 2522.500 through 2522.560;

(q) In the case of a program receiving funding directly from AmeriCorps, meet and consult with the State Commission for the State in which the program operates, if possible, and submit a copy of the program application to the State Commission; and

(r) Address any other requirements as specified by AmeriCorps.

[59 FR 13796, Mar. 23, 1994, as amended at 67 FR 45360, July 9, 2002; 75 FR 51410, Aug. 20, 2010]

§ 2522.207 **How do I determine an individual's eligibility to serve in a covered position?**

[77 FR 60932, Oct. 5, 2012]

§ 2522.210 **How are AmeriCorps participants recruited and selected?**

(a) *Local recruitment and selection.* In general, AmeriCorps participants will be selected locally by an approved AmeriCorps program, and the selection criteria will vary widely among the different programs. Nevertheless, AmeriCorps programs must select their participants in a fair and non-discriminatory manner which complies with part 2540 of this chapter. In selecting participants, programs must also comply with the recruitment and selection requirements specified in this section.

(b)(1) *National and State recruitment and selection.* AmeriCorps and each State Commission will establish a system to recruit individuals who desire to perform national service and to assist the placement of these individuals in approved AmeriCorps positions, which may include positions available under titles I and II of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 *et seq.*). The national and state recruitment and placement system will be designed and operated according to AmeriCorps guidelines.

(2) *Dissemination of information.* AmeriCorps and State Commissions will disseminate information regarding available approved AmeriCorps positions through cooperation with secondary schools, institutions of higher education, employment service offices, community-based organizations, State vocational rehabilitation agencies within the meaning of the Rehabilitation Act of 1973 (29 U.S.C. 701 *et seq.*) and other State agencies that primarily serve qualified individuals with disabilities, and other appropriate entities, particularly those organizations that provide outreach to disadvantaged youths and youths who are qualified individuals with disabilities.

(c) *National leadership pool*—(1) *Selection and training.* From among individuals recruited under paragraph (b) of this section or nominated by service programs, AmeriCorps may select individuals with significant leadership potential, as determined by AmeriCorps, to receive special training to enhance their leadership ability. The leadership training will be provided by AmeriCorps directly or through a grant, contract, or cooperative agreement as AmeriCorps determines.

(v) As members of the Armed Forces of the United States and who were honorably discharged from such service.

(3) *Assignment.* At the request of a program that receives assistance, AmeriCorps may assign an individual who receives leadership training under paragraph (c)(1) of this section to work with the program in a leadership position and carry out assignments not otherwise performed by regular participants. (2) *Part-time service.* 900 hours of service during a period of not more than two years.

(3) *Reduced part-time term of service.* AmeriCorps may reduce the number of hours required to be served in order to receive an educational award for certain part-time participants serving in

approved AmeriCorps positions. In such cases, the educational award will be reduced in direct proportion to the reduction in required hours of service. These reductions may be made for summer programs, for categories of participants in certain approved AmeriCorps programs and on a case-by-case, individual basis as determined by AmeriCorps.

(4) *Summer programs.* A summer program, in which less than 1700 hours of service are performed, are part-time programs.

(b) *Eligibility for subsequent term.* A participant will only be eligible to serve a subsequent term of service if that individual has received a satisfactory performance review for any previous term of service in an approved AmeriCorps position, in accordance with the requirements of paragraph (d) of this section and § 2525.15. Mere eligibility for a second or further term of service in no way guarantees a participant selection or placement.

(c) *Participant evaluation.* For the purposes of determining a participant's eligibility for an educational award as described in § 2522.240(a) and eligibility to serve a second or additional term of service as described in paragraph (c) of this section, each AmeriCorps grantee is responsible for conducting a mid-term and end-of-term evaluation. A mid-term evaluation is not required for a participant who is released early from a term of service or in other circumstances as approved by AmeriCorps. The end-of-term evaluation should consist of:

(1) A determination of whether the participant:

(i) Successfully completed the required term of service described in paragraph (a) of this section, making the participant eligible for an educational award as described in § 2522.240(a);

(ii) Was released from service for compelling personal circumstances, making the participant eligible for a pro-rated educational award as described in § 2522.230(a)(2); or

(iii) Was released from service for cause, making the participant ineligible to receive an educational award for that term of service as described in § 2522.230(b)(3); and

(2) A participant performance and conduct review to determine whether the participant's service was satisfactory, which will assess whether the participant:

(i) Has satisfactorily completed assignments, tasks, or projects, or, for those participants released from service early, whether the participant made a satisfactory effort to complete those assignments, tasks, or projects that the participant could reasonably have addressed in the time the participant served; and

(ii) Has met any other criteria which had been clearly communicated both orally and in writing at the beginning of the term of service.

(d) *Limitation.* AmeriCorps may set a minimum or maximum percentage of hours of a full-time, part-time, or reduced term of service described in paragraphs (a)(1), (a)(2), and (a)(3) of this section that a participant may engage in training, education, or other similar approved activities

(e) *Grievance procedure.* Any AmeriCorps participant wishing to contest a program's ruling of unsatisfactory performance may file a grievance according to the procedures set forth in part 2540 of this chapter. If that grievance procedure or subsequent binding arbitration procedure finds that the participant did in fact satisfactorily complete a term of service, then that individual will be eligible to receive an educational award and/or be eligible to serve a second term of service.

(f) *Extension of term for disaster purposes.* If approved by AmeriCorps, a program may permit an AmeriCorps participant performing service directly related to disaster relief efforts to continue in a term of service for a period of up to 90 days beyond the period otherwise specified. A period of service performed by an AmeriCorps participant in an originally agreed-upon term of service and service performed under this paragraph shall constitute a single term of service for the purposes of § 2525.50(a) of this chapter.

§ 2522.230 Under what circumstances may an AmeriCorps participant be released from completing a term of service, and what are the consequences?

An AmeriCorps program may release a participant from completing a term of service for compelling personal circumstances, as determined by the program, or for cause.

(a) *Release for compelling personal circumstances.*

(1) An AmeriCorps program may release a participant upon a determination by the program, consistent with the criteria listed in paragraphs (a)(6) and (a)(7) of this section, that the participant is unable to complete the term of service because of compelling personal circumstances, if the participant has otherwise performed satisfactorily and has completed at least fifteen percent of the agreed term of service.

(2) A participant who is released for compelling personal circumstances and who completes at least 15 percent of the required term of service is eligible for a pro-rated education award.

(3) The program must document the basis for any determination that compelling personal circumstances prevent a participant from completing a term of service.

(4) Compelling personal circumstances include:

(i) Those that are beyond the participant's control, such as, but not limited to:

(A) A participant's disability or serious illness;

(B) Disability, serious illness, or death of a participant's family member if this makes completing a term unreasonably difficult or impossible; or

(C) Conditions attributable to the program or otherwise unforeseeable and beyond the participant's control, such as a natural disaster, a strike, relocation of a spouse, or the nonrenewal or premature closing of a project or program, that make completing a term unreasonably difficult or impossible;

(ii) Those that AmeriCorps, has for public policy reasons, determined as such, including:

(A) Military service obligations;

(B) Acceptance by a participant of an opportunity to make the transition from welfare to work; or

(C) Acceptance of an employment opportunity by a participant serving in a program that includes in its approved objectives the promotion of employment among its participants.

(5) Compelling personal circumstances do not include leaving a program:

(i) To enroll in school;

(ii) To obtain employment, other than in moving from welfare to work or in leaving a program that includes in its approved objectives the promotion of employment among its participants; or

(iii) Because of dissatisfaction with the program.

(6) As an alternative to releasing a participant, an AmeriCorps*State/National program may, after determining that compelling personal circumstances exist, suspend the participant's term of service for up to two years (or longer if approved by AmeriCorps based on extenuating circumstances) to allow the participant to complete service with the same or similar AmeriCorps program at a later time.

(b) *Release for cause.* (1) A release for cause encompasses any circumstances other than compelling personal circumstances that warrant an individual's release from completing a term of service.

(2) AmeriCorps programs must release for cause any participant who is convicted of a felony or the sale or distribution of a controlled substance during a term of service.

(3) A participant who is released for cause may not receive any portion of the AmeriCorps education award or any other payment from the National Service Trust.

(4) An individual who is released for cause must disclose that fact in any subsequent applications to participate in an AmeriCorps program. Failure to do so disqualifies the individual for an education award, regardless of whether the individual completes a term of service.

(5) An AmeriCorps*State/National participant released for cause may contest the program's decision by filing a grievance. Pending the resolution of a grievance procedure filed by an individual to contest a determination by a

§ 2522.235

program to release the individual for cause, the individual's service is considered to be suspended. For this type of grievance, a program may not—while the grievance is pending or as part of its resolution—provide a participant with federally-funded benefits (including payments from the National Service Trust) beyond those attributable to service actually performed, without the program receiving written approval from AmeriCorps.

(6) An individual's eligibility for a subsequent term of service in AmeriCorps will not be affected by release for cause from a prior term of service so long as the individual received a satisfactory end-of-term performance review as described in § 2522.220(c)(2) for the period served in the prior term.

(7) Except as provided in paragraph (e) of this section, a term of service from which an individual is released for cause counts as one of the terms of service described in § 2522.235 for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

(c) *Suspended service.* (1) A program must suspend the service of an individual who faces an official charge of a violent felony (e.g., rape, homicide) or sale or distribution of a controlled substance.

(2) A program must suspend the service of an individual who is convicted of possession of a controlled substance.

(3) An individual may not receive a living allowance or other benefits, and may not accrue service hours, during a period of suspension under this provision.

(d) *Reinstatement.* (1) A program may reinstate an individual whose service was suspended under paragraph (c)(1) of this section if the individual is found not guilty or if the charge is dismissed.

(2) A program may reinstate an individual whose service was suspended under paragraph (c)(2) of this section only if the individual demonstrates the following:

(i) For an individual who has been convicted of a first offense of the possession of a controlled substance, the individual must have enrolled in a drug rehabilitation program;

(ii) For an individual who has been convicted for more than one offense of

45 CFR Ch. XXV (10–1–24 Edition)

the possession of a controlled substance, the individual must have successfully completed a drug rehabilitation program.

(e) *Release prior to serving 15 percent of a term of service.* If a participant is released for reasons other than misconduct prior to completing 15 percent of a term of service, the term will not be considered one of the terms of service described in § 2522.220(b) for which an individual may receive the benefits described in §§ 2522.240 through 2522.250.

[64 FR 37413, July 12, 1999, as amended at 73 FR 53759, Sept. 17, 2008; 74 FR 46506, Sept. 10, 2009; 75 FR 51410, Aug. 20, 2010]

§ 2522.235 Is there a limit on the number of terms an individual may serve in an AmeriCorps State and National program?

The number of terms an individual may serve in an AmeriCorps State and National program are not limited, but an individual may attain only the aggregate value of two full-time education awards and AmeriCorps will fund the benefits described in §§ 2522.240 through 2522.250 only for the number of terms needed to attain the aggregate value of two full-time education awards. Grantees may choose to fund benefits for any additional terms.

[89 FR 46034, May 28, 2024]

§ 2522.240 What financial benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) *AmeriCorps education awards.* An individual serving in an approved AmeriCorps State and National position may receive an education award from the National Service Trust upon successful completion of their terms of service as defined in § 2522.220, consistent with the limitations in § 2526.50.

(b) *Living allowances—(1) Amount.* Subject to the provisions of this part, any individual who participates on a full-time basis in an AmeriCorps program carried out using assistance provided pursuant to § 2521.30 of this chapter, including an AmeriCorps program that receives educational awards only pursuant to § 2521.30(c) of this chapter, will receive a living allowance in an amount equal to or greater than the average annual subsistence allowance

provided to VISTA volunteers under § 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). This requirement will not apply to any program that was in existence prior to September 21, 1993 (the date of the enactment of the National and Community Service Trust Act of 1993).

(2) *Maximum living allowance.* With the exception of a professional corps described in § 2522.110(a)(3), the AmeriCorps living allowances may not exceed 200 percent of the average annual subsistence allowance provided to VISTA volunteers under section 105 of the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4955). A professional corps AmeriCorps program may provide a stipend in excess of the maximum, subject to the following conditions:

(i) AmeriCorps assistance may not be used to pay for any portion of the allowance; and

(ii) The program must be operated directly by the applicant, selected on a competitive basis by submitting an application to AmeriCorps, and may not be included in a State's application for AmeriCorps program funds distributed by formula under § 2521.30(a)(2) of this chapter.

(3) *Living allowances for part-time participants.* Programs may, but are not required to, provide living allowances to individuals participating on a part-time basis (or a reduced term of part-time service authorized under § 2522.220(a)(3)). Such living allowances should be prorated to the living allowance authorized in paragraph (b)(1) of this section and will comply with such restrictions therein.

(4) *Waiver or reduction of living allowance for programs.* AmeriCorps may, at its discretion, waive or reduce the living allowance requirements if a program can demonstrate to the satisfaction of AmeriCorps that such requirements are inconsistent with the objectives of the program, and that participants will be able to meet the necessary and reasonable costs of living (including food, housing, and transportation) in the area in which the program is located.

(5) *Waiver or reduction of living allowance by participants.* A participant may waive all or part of the receipt of a liv-

ing allowance. The participant may revoke this waiver at any time during the participant's term of service. If the participant revokes the living allowance waiver, the participant may begin receiving his or her living allowance prospective from the date of the revocation; a participant may not receive any portion of the living allowance that may have accrued during the waiver period.

(6) *Limitation on Federal share.* No AmeriCorps or other Federal funds may be used to pay for a portion of the living allowance for professional corps described in paragraph (b)(2)(i) of this section.

(c) *Financial benefits for participants during an extended term of service for disaster purposes.* An AmeriCorps participant performing extended service under § 2522.220(f) may continue to receive a living allowance under paragraph (b) and other benefits under § 2522.250, but may not receive an additional AmeriCorps educational award under paragraph (a).

[59 FR 13796, Mar. 23, 1994, as amended at 71 FR 10611, Mar. 2, 2006; 73 FR 53760, Sept. 17, 2008; 74 FR 46506, Sept. 10, 2009; 75 FR 51410, Aug. 20, 2010; 89 FR 46034, May 28, 2024]

§ 2522.245 How are living allowances disbursed?

A living allowance is not a wage and programs may not pay living allowances on an hourly basis. Programs must distribute the living allowance at regular intervals and in regular increments, and may increase living allowance payments only on the basis of increased living expenses such as food, housing, or transportation. Living allowance payments may only be made to a participant during the participant's term of service and must cease when the participant concludes the term of service. Programs may not provide a lump sum payment to a participant who completes the originally agreed-upon term of service in a shorter period of time.

[73 FR 53760, Sept. 17, 2008]

§ 2522.250

§ 2522.250 What other benefits do AmeriCorps participants serving in approved AmeriCorps positions receive?

(a) *Child Care.* Grantees must provide child care through an eligible provider or a child care allowance in an amount determined by AmeriCorps to those full-time participants who need child care in order to participate.

(1) *Need.* A participant is considered to need child care in order to participate in the program if he or she:

(i) Is the parent or legal guardian of, or is acting in loco parentis for, a child under 13 who resides with the participant;

(ii) Has a family income that does not exceed 75 percent of the State's median income for a family of the same size;

(iii) At the time of acceptance into the program, is not currently receiving child care assistance from another source, including a parent or guardian, which would continue to be provided while the participant serves in the program; and

(iv) Certifies that he or she needs child care in order to participate in the program.

(2) *Provider eligibility.* Eligible child care providers are those who are eligible child care providers as defined in the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858n(5)).

(3) *Child care allowance.* The amount of the child-care allowance may not exceed the applicable payment rate to an eligible provider established by the State for child care funded under the Child Care and Development Block Grant Act of 1990 (42 U.S.C. 9858c(4)(A)).

(4) *AmeriCorps share.* AmeriCorps will pay 100 percent of the child care allowance, or, if the program provides child care through an eligible provider, the actual cost of the care or the amount of the allowance, whichever is less.

(b) *Health care.* (1) Grantees must provide to all eligible participants who meet the requirements of paragraph (b)(2) of this section health care coverage that—

(i) Provides the minimum benefits determined by AmeriCorps;

(ii) Provides the alternative minimum benefits determined by AmeriCorps; or

(iii) Does not provide all of either the minimum or the alternative minimum benefits but that has a fair market value equal to or greater than the fair market value of a policy that provides the minimum benefits.

(2) *Participant eligibility.* A full-time participant is eligible for health care benefits if he or she is not otherwise covered by a health benefits package providing minimum benefits established by AmeriCorps at the time he or she is accepted into a program. If, as a result of participation, or if, during the term of service, a participant demonstrates loss of coverage through no deliberate act of his or her own, such as parental or spousal job loss or disqualification from Medicaid, the participant will be eligible for health care benefits.

(3) *AmeriCorps share.* (i) Except as provided in paragraph (b)(3)(ii) of this section, AmeriCorps' share of the cost of health coverage may not exceed 85 percent.

(ii) AmeriCorps will pay no share of the cost of a policy that does not provide the minimum or alternative minimum benefits described in paragraphs (b)(1)(i) and (b)(1)(ii) of this section.

(a) *Program models:* (1) Programs operated by community organizations, including faith-based organizations, or programs that support the efforts of community organizations, including faith-based organizations, to solve local problems;

§ 2522.455 How do I find out about additional priorities governing the selection process?

(a) AmeriCorps may give special consideration to a national service program submitted by a State commission that does not meet one of AmeriCorps' priorities if the State commission adequately explains why the State is not able to carry out a program that meets one of AmeriCorps' priorities, and why the program meets one of the State's priorities.

(b) A State may apply priorities different than those of AmeriCorps in selecting its formula programs.

[70 FR 39600, July 8, 2005]

§ 2522.465 What information must a State commission submit on the relative strengths of applicants for State competitive funding?

(a) If you are a State commission applying for State competitive funding, you must prioritize the proposals you submit in rank order based on their relative quality and according to the following table:

1 to 12	At least top 5.
13 to 24	At least top 10.
25 or more	At least top 15.

(b) While the rankings you provide will not be determinative in the grant selection process, and AmeriCorps will

not be bound by them, we will consider them in our selection process.

[70 FR 39600, July 8, 2005]

§ 2522.470 What other factors or information may AmeriCorps consider in making final funding decisions?

(a) AmeriCorps will seek to ensure that our portfolio of AmeriCorps programs is programmatically, demographically, and geographically diverse and includes innovative programs, and projects in rural, high poverty, and economically distressed areas.

(b) In applying the selection criteria under §§ 2522.420 through 2522.435, AmeriCorps may, with respect to a particular proposal, also consider one or more of the following for purposes of clarifying or verifying information in a proposal, including conducting due diligence to ensure an applicant's ability to manage Federal funds:

(1) For an applicant that has previously received an AmeriCorps grant, any information or records the applicant submitted to AmeriCorps, or that AmeriCorps has in its system of records, in connection with its previous grant (*e.g.* progress reports, site visit reports, financial status reports, audits, HHS Account Payment Data Reports, Federal Cash Transaction Reports, timeliness of past reporting, etc.);

[70 FR 39600, July 8, 2005]

§ 2522.475 To what extent must I use AmeriCorps' selection criteria and priorities when selecting formula programs or operating sites?

You must ensure that the selection criteria you use include the following criteria:

(a) The quality of the national service program proposed to be carried out directly by the applicant or supported by a grant from the applicant.

(b) The innovative aspects of the national service program, and the feasibility of replicating the program.

(c) The sustainability of the national service program.

45 CFR Ch. XXV (10–1–24 Edition)

plication of the State in which the projects would be conducted.

(h) Such other criteria as AmeriCorps considers to be appropriate, following appropriate notice.

[70 FR 39600, July 8, 2005]

§ 2522.480 Can a State's application for formula funds be rejected?

Yes. Formula funds are not an entitlement.

(b) *Revision.* AmeriCorps will provide a State Commission notified under paragraph (a) of this section with a reasonable opportunity to revise and resubmit the application. At the request of the State Commission, AmeriCorps will provide technical assistance to the State Commission as part of the resubmission process. AmeriCorps will promptly reconsider an application resubmitted under this paragraph.

(c) *Redistribution.* The amount of any State's allotment under § 2521.30(a) of this chapter for a fiscal year that AmeriCorps determines will not be provided for that fiscal year will be available for redistribution by AmeriCorps to the States, Territories and Indian Tribes with approved AmeriCorps applications as AmeriCorps deems appropriate.

§ 2522.485 How do I calculate my program's budgeted AmeriCorps cost per member service year (MSY)?

If you are an AmeriCorps national and community service program, you calculate your AmeriCorps cost per MSY by dividing AmeriCorps' share of budgeted grant costs by the number of member service years you are awarded in your grant. You do not include child-care or the cost of the education award a member may earn through serving with your program.

Subpart E—Evaluation Requirements

§ 2522.500 What is the purpose of this subpart?

(a) This subpart sets forth the minimum performance measures and evaluation requirements that you as an AmeriCorps applicant or grantee must follow.

(b) The performance measures that you, as an applicant, propose when you apply will be considered in the review process and may affect whether AmeriCorps selects you to receive a grant. Your performance related to your approved measures will influence whether you continue to receive funding.

(c) Performance measures and evaluations are designed to strengthen your AmeriCorps program and foster continuous improvement, and help identify best practices and models that merit replication, as well as programmatic weaknesses that need attention.

[70 FR 39603, July 8, 2005]

§ 2522.510 To whom does this subpart apply?

This subpart applies to you if you are an AmeriCorps grantee administering an AmeriCorps grant, including an Education Award Program grant, or if you are applying to receive AmeriCorps funding from AmeriCorps.

[70 FR 39603, July 8, 2005]

§ 2522.520 What special terms are used in this subpart?

The following definitions apply to terms used in this subpart of the regulations:

(a) *Approved application* means the application approved by AmeriCorps or, for formula programs, by a State commission.

(b) *Community beneficiaries* refers to persons who receive services or benefits from a program, but not to AmeriCorps members or to staff of the organization operating the program.

(c) *Outputs* are the amount or units of service that members or volunteers have completed, or the number of community beneficiaries the program has served. Outputs do not provide infor-

mation on benefits or other changes in communities or in the lives of members or community beneficiaries. Examples of outputs could include the number of people a program tutors, counsels, houses, or feeds.

(d) *Intermediate-outcomes* specify a change that has occurred in communities or in the lives of community beneficiaries or members, but is not necessarily a lasting benefit for them. They are observable and measurable indications of whether or not a program is making progress and are logically connected to end outcomes. An example would be the number and percentage of students who report reading more books as a result of their participation in a tutoring program.

(e) *Internal evaluation* means an evaluation that a grantee performs in-house without the use of an independent external evaluator.

(f) *End-outcomes* specify a change that has occurred in communities or in the lives of community beneficiaries or members that is significant and lasting. These are actual benefits or changes for participants during or after a program. For example, in a tutoring program, the end outcome could be the percent and number of students who have improved their reading scores to grade-level, or other specific measures of academic achievement.

(g) *Grantee* includes subgrantees, programs, and projects.

(h) *National performance measures* are performance measures that AmeriCorps develops.

(i) *You* refers to a grantee or applicant organization.

[70 FR 39603, July 8, 2005; 70 FR 48882, Aug. 22, 2005]

§ 2522.530 May I use AmeriCorps' program grant funds for performance measurement and evaluation?

If performance measurement and evaluation costs were approved as part of your grant, you may use your program grant funds to support them, consistent with the level of approved costs for such activities in your grant award.

[70 FR 39603, July 8, 2005]

§ 2522.540

§ 2522.540 Do the costs of performance measurement or evaluation count towards the statutory cap on administrative costs?

No, the costs of performance measurement and evaluation do not count towards the statutory five percent cap on administrative costs in the grant, as provided in § 2540.110 of this chapter.

[70 FR 39603, July 8, 2005]

PERFORMANCE MEASURES: REQUIREMENTS AND PROCEDURES

§ 2522.550 What basic requirements must I follow in measuring performance under my grant?

All grantees must establish, track, and assess performance measures for their programs. As a grantee, you must ensure that any program under your oversight fulfills performance measure and evaluation requirements. In addition, you must:

- (a) Establish ambitious performance measures in consultation with AmeriCorps, or the State commission, as appropriate, following §§ 2422.560 through 2422.660 of this subpart;
- (b) Ensure that any program under your oversight collects and organizes performance data on an ongoing basis, at least annually;
- (c) Ensure that any program under your oversight tracks progress toward meeting your performance measures;
- (d) Ensure that any program under your oversight corrects performance deficiencies promptly; and
- (e) Accurately and fairly present the results in reports to AmeriCorps.

[70 FR 39603, July 8, 2005]

§ 2522.560 What are performance measures and performance measurement?

(a) Performance measures are measurable indicators of a program's performance as it relates to member service activities.

(b) Performance measurement is the process of regularly measuring the services provided by your program and the effect your program has in communities or in the lives of members or community beneficiaries.

(c) The main purpose of performance measurement is to strengthen your AmeriCorps program and foster contin-

45 CFR Ch. XXV (10–1–24 Edition)

uous improvement and to identify best practices and models that merit replication. Performance measurement will also help identify programmatic weaknesses that need attention.

[70 FR 39603, July 8, 2005]

§ 2522.570 What information on performance measures must my grant application include?

You must submit all of the following as part of your application for each program:

- (a) Proposed performance measures, as described in § 2522.580 and § 2522.590 of this part.
- (b) Estimated performance data for the program years for which you submit your application; and
- (c) Actual performance data, where available, as follows:
 - (i) For continuation programs, performance data over the course of the grant to date; and
 - (ii) For recompetiting programs, performance data for the preceding three-year grant cycle.

[70 FR 39603, July 8, 2005]

§ 2522.580 What performance measures am I required to submit to AmeriCorps?

(a) When applying for funds, you must submit, at a minimum, the following performance measures:

(1) One set of aligned performance measures (one output, one intermediate-outcome, and one end-outcome) that capture the results of your program's primary activity, or area of significant activity for programs whose design precludes identifying a primary activity; and

(2) Any national performance measures AmeriCorps may require, as specified in paragraph (b) of § 2522.590.

(b) For example, a tutoring program might use the following aligned performance measures:

- (1) Output: Number of students that participated in a tutoring program;
- (2) Intermediate-Outcome: Percent of students reading more books; and
- (3) End-Outcome: Number and percent of students who have improved their reading score to grade level.

(c) AmeriCorps encourages you to exceed the minimum requirements expressed in this section and expects, in

second and subsequent grant cycles, that you will more fully develop your performance measures, including establishing multiple performance indicators, and improving and refining those you used in the past. Any performance measures you submit beyond what is required in paragraph (a)(1) of this section may or may not be aligned sets of measures.

[70 FR 39603, July 8, 2005]

§ 2522.590 Who develops my performance measures?

(a) You are responsible for developing your program-specific performance measures through your own internal process.

(b) In addition, AmeriCorps may, in consultation with grantees, establish performance measures that will apply to all AmeriCorps-sponsored programs, which you will be responsible for collecting and meeting.

[70 FR 39603, July 8, 2005]

§ 2522.600 Who approves my performance measures?

(a) AmeriCorps will review and approve performance measures, as part of the grant application review process, for all non-formula programs. If AmeriCorps selects your application for funding, AmeriCorps will approve your performance measures as part of your grant award.

(b) If you are a program submitting an application under the State formula category, the applicable State commission is responsible for reviewing and approving your performance measures. AmeriCorps will not separately approve these measures.

[70 FR 39603, July 8, 2005]

§ 2522.610 What is the difference in performance measurements requirements for competitive and formula programs?

(a) Except as provided in paragraph (b) of this section, State commissions are responsible for making the final determination of performance measures for State formula programs, while AmeriCorps makes the final determination for all other programs.

(b) AmeriCorps may, through the State commission, require that for-

mula programs meet certain national performance measures above and beyond what the State commission has individually negotiated with its formula grantees.

(c) While State commissions must hold their sub-grantees responsible for their performance measures, a State commission, as a grantee, is responsible to AmeriCorps for its formula programs' performance measures.

[70 FR 39603, July 8, 2005]

§ 2522.620 How do I report my performance measures to AmeriCorps?

AmeriCorps sets specific reporting requirements, including frequency and deadlines, for performance measures in the grant award.

(a) In general, you are required to report on the actual results that occurred when implementing the grant and to regularly measure your program's performance.

(b) Your report must include the results on the performance measures approved as part of your grant award.

(c) At a minimum you are required to report on outputs at the end of year one and outputs and intermediate outcomes at the end of years two and three. We encourage you to exceed these minimum requirements.

[70 FR 39603, July 8, 2005, as amended at 73 FR 53760, Sept. 17, 2008]

§ 2522.630 What must I do if I am not able to meet my performance measures?

If you are not on track to meet your performance measures, you must develop and submit to AmeriCorps, or the State commission for formula programs, a corrective action plan, consistent with paragraph (a) of this section, or submit a request to AmeriCorps, or the State commission for formula programs, consistent with paragraph (b) of this section, to amend your requirements under the circumstances described in § 2522.640 of this subpart.

(a) Your corrective action plan must be in writing and include all of the following:

(1) The factors impacting your performance goals;

(2) The strategy you are using and corrective action you are taking to get

§ 2522.640

back on track toward your established performance measures; and

(3) The timeframe in which you plan to achieve getting back on track with your performance measures.

(b) A request to amend your performance measures must include all of the following:

(1) Why you are not on track to meet your performance requirements;

(2) How you have been tracking performance measures;

(3) Evidence of the corrective action you have taken;

(4) Any new proposed performance measures or targets; and

(5) Your plan to ensure that you meet any new measures.

(c) You must submit your plan under paragraph (a) of this section, or your request under paragraph (b) of this section, within 30 days of determining that you are not on track to meeting your performance measures.

(d) If you are a formula program, the State commission that approves the plan under paragraph (a) of this section or the request to amend your performance measures under paragraph (b) of this section, must forward an information copy to AmeriCorps' program office within 15 days of approving the plan or the request.

[70 FR 39603, July 8, 2005]

§ 2522.640 Under what circumstances may I change my performance measures?

(a) You may change your performance measures only if AmeriCorps or, for formula programs, the State commission, approves your request to do so based on your need to:

(1) Adjust your performance measure or target based on experience so that your program's goals are more realistic and manageable;

(2) Replace a measure related to one issue area with one related to a different issue area that is more aligned with your program service activity. For example, you may need to replace an objective related to health with one related to the environment;

(3) Redefine the service that individuals perform under the grant. For example, you may need to define your service as tutoring adults in English,

45 CFR Ch. XXV (10–1–24 Edition)

as opposed to operating an after-school program for third-graders;

(4) Eliminate an activity because you have been unable to secure necessary matching funding; or

(5) Replace one measure with another. For example, you may decide that you want to replace one measure of literacy tutoring (increased attendance at school) with another (percentage of students who are promoted to the next grade level).

(b) [Reserved]

[70 FR 39603, July 8, 2005]

§ 2522.650 What happens if I fail to meet the performance measures included in my grant?

(a) If you are significantly under-performing based on the performance measures approved in your grant, or fail to collect appropriate data to allow performance measurement, AmeriCorps, or the State commission for formula grantees, may specify a period of correction, after consulting with you. As a grantee, you must report results at the end of the period of correction. At that point, if you continue to under-perform, or fail to collect appropriate data to allow performance measurement, AmeriCorps may take one or more of the following actions:

(1) Reduce the amount of your grant;

(2) Suspend or terminate your grant;

(3) Use this information to assess any application from your organization for a new AmeriCorps grant or a new grant under another program administered by AmeriCorps;

(4) Amend the terms of any AmeriCorps grants to your organization; or

(5) Take other actions that AmeriCorps deems appropriate.

(b) If you are a State commission whose formula program(s) is significantly under-performing or failing to collect appropriate data to allow performance measurement, we encourage you to take action as delineated in paragraph (a) of this section.

[70 FR 39603, July 8, 2005]

EVALUATING PROGRAMS: REQUIREMENTS
AND PROCEDURES**§ 2522.700 How does evaluation differ from performance measurement?**

(a) Evaluation is a more in-depth, rigorous effort to measure the impact of programs. While performance measurement and evaluation both include systematic data collection and measurement of progress, evaluation uses scientifically-based research methods to assess the effectiveness of programs by comparing the observed program outcomes with what would have happened in the absence of the program. Unlike performance measures, evaluations estimate the impacts of programs by comparing the outcomes for individuals receiving a service or participating in a program to the outcomes for similar individuals not receiving a service or not participating in a program. For example, an evaluation of a literacy program may compare the reading ability of students in a program over time to a similar group of students not participating in a program.

(b) Performance measurement is the process of systematically and regularly collecting and monitoring data related to the direction of observed changes in communities, participants (members), or end beneficiaries receiving your program's services. It is intended to provide an indication of your program's operations and performance. In contrast to evaluation, it is not intended to establish a causal relationship between your program and a desired (or undesired) program outcome. For example, a performance measure for a literacy program may include the percentage of students receiving services from your program who increase their reading ability from "below grade level" to "at or above grade level". This measure indicates something good is happening to your program's service beneficiaries, but it does not indicate that the change can be wholly attributed to your program's services.

[70 FR 39603, July 8, 2005]

§ 2522.710 What are my evaluation requirements?

(a) If you are a State commission, you must establish and enforce evalua-

tion requirements for your State formula subgrantees, as you deem appropriate.

(b) If you are a State competitive or direct AmeriCorps grantee (other than an Education Award Program grantee), and your average annual AmeriCorps program grant is \$500,000 or more, you must arrange for an independent evaluation of your program, and you must submit the evaluation with any application to AmeriCorps for competitive funds as required in § 2522.730 of this subpart.

(c) If you are a State competitive or direct AmeriCorps grantee whose average annual AmeriCorps program grant is less than \$500,000, or an Education Award Program grantee, you must conduct an internal evaluation of your program, and you must submit the evaluation with any application to AmeriCorps for competitive funds as required in § 2522.730 of this subpart.

(d) AmeriCorps may, in its discretion, supersede these requirements with an alternative evaluation approach, including one conducted by the AmeriCorps at the national level.

(e) Grantees must cooperate fully with all AmeriCorps evaluation activities.

[70 FR 39603, July 8, 2005]

§ 2522.720 How many years must my evaluation cover?

(a) If you are a State formula grantee, you must conduct an evaluation, as your State commission requires.

(b) If you are a State competitive or direct AmeriCorps grantee, your evaluation must cover a minimum of one year but may cover longer periods.

[70 FR 39603, July 8, 2005]

§ 2522.730 How and when do I submit my evaluation to the AmeriCorps?

(a) If you are an existing grantee re-competing for AmeriCorps funds for the first time, you must submit a summary of your evaluation efforts or plan to date, and a copy of any evaluation that has been completed, as part of your application for funding.

(b) If you again compete for AmeriCorps funding after a second

§ 2522.740

three-year grant cycle, you must submit the completed evaluation with your application for funding.

[70 FR 39603, July 8, 2005]

§ 2522.740 How will the AmeriCorps use my evaluation?

AmeriCorps will consider the evaluation you submit with your application as follows:

(a) If you do not include with your application for AmeriCorps funding a summary of the evaluation, or the evaluation itself, as applicable, under § 2522.730, AmeriCorps reserves the right to not consider your application.

(b) If you do submit an evaluation with your application, AmeriCorps will consider the results of your evaluation in assessing the quality and outcomes of your program.

[70 FR 39603, July 8, 2005]

§ 2522.800 How will AmeriCorps evaluate individual AmeriCorps programs?

AmeriCorps will evaluate programs based on the following: (a) The extent to which the program meets the objectives established and agreed to by the grantee and AmeriCorps before the grant award;

(b) The extent to which the program is cost-effective; and

(c) The effectiveness of the program in meeting the following legislative objectives: (1) Providing direct and demonstrable services and projects that benefit the community by addressing educational, public safety, human, or environmental needs;

(2) Recruiting and enrolling diverse participants consistent with the requirements of part 2540 of this chapter, based on economic background, race, ethnicity, age, gender, marital status, education levels, and disability;

(3) Promoting the educational achievement of each participant based on earning a high school diploma or its equivalent and future enrollment in and completion of increasingly higher levels of education;

(4) Encouraging each participant to engage in public and community service after completion of the program based on career choices and participation in other service programs;

45 CFR Ch. XXV (10–1–24 Edition)

(5) Promoting an ethic of active and productive citizenship among participants;

(6) Supplying additional volunteer assistance to community agencies without providing more volunteers than can be effectively utilized;

(7) Providing services and activities that could not otherwise be performed by employed workers and that will not supplant the hiring of, or result in the displacement of, employed workers; and

(8) Other criteria determined and published by AmeriCorps.

[59 FR 13796, Mar. 23, 1994. Redesignated at 70 FR 39603, July 8, 2005]

§ 2522.810 What will AmeriCorps do to evaluate the overall success of the AmeriCorps programs?

(a) AmeriCorps will conduct independent evaluations of programs, including in-depth studies of selected programs. These evaluations will consider the opinions of participants and members of the community where services are delivered. Where appropriate these studies will compare participants with individuals who have not participated in service programs. These evaluations will: (1) Study the extent to which the national service impacts involved communities;

(2) Study the extent to which national service increases positive attitudes among participants regarding the responsibilities of citizens and their role in solving community problems;

(3) Study the extent to which national service enables participants to afford post-secondary education with fewer student loans;

(4) Determine the costs and effectiveness of different program models in meeting program objectives including full- and part-time programs, programs involving different types of national service, programs using different recruitment methods, programs offering alternative non-federally funded vouchers or post-service benefits, and programs utilizing individual placements and teams;

(5) Determine the impact of programs in each State on the ability of VISTA and National Senior Volunteer Corps, each regular and reserve component of the Armed Forces, and the Peace Corps

Corporation for National and Community Service

§ 2522.900

to recruit individuals residing in that State; and

(6) Determine the levels of living allowances paid in all AmeriCorps programs and American Conservation and Youth Corps, individually, by State, and by region and determine the effects that such living allowances have had on the ability of individuals to participate in such programs.

(b) AmeriCorps will also determine by June 30, 1995: (1) Whether the State and national priorities designed to meet educational, public safety, human, or environmental needs are being addressed;

(2) Whether the outcomes of both stipended and nonstipended service programs are defined and measured appropriately;

(3) Whether stipended service programs, and service programs providing educational benefits in return for service, should focus on economically disadvantaged individuals or at risk youth, or whether such programs should include a mix of individuals, including individuals from middle and upper income families;

(4) The role and importance of stipends and educational benefits in achieving desired outcomes in the service programs;

(5) The income distribution of AmeriCorps participants, to determine the level of participation of economically disadvantaged individuals. The total income of participants will be determined as of the date the participant was first selected to participate in a program and will include family total income unless the evaluating entity determines that the participant was independent at the time of selection. Definitions for “independent” and “total income” are those used in section 480(a) of the Higher Education Act of 1965;

(6) The amount of assistance provided under the AmeriCorps programs that has been expended for projects conducted in areas classified as empowerment zones (or redevelopment areas), in areas that are targeted for special economic incentives or are otherwise identifiable as having high concentrations of low-income people, in areas that are environmentally distressed or adversely affected by Federal actions

related to the management of Federal lands, in areas that are adversely affected by reductions in defense spending, or in areas that have an unemployment rate greater than the national average unemployment rate for the most recent 12 months for which satisfactory data are available; and

(7) The implications of the results of these studies as appropriate for authorized funding levels.

[59 FR 13796, Mar. 23, 1994. Redesignated at 70 FR 39603, July 8, 2005]

§ 2522.820 Will information on individual participants be kept confidential?

(a) Yes. AmeriCorps will maintain the confidentiality of information regarding individual participants that is acquired for the purpose of the evaluations described in § 2522.540. AmeriCorps will disclose individual participant information only with the prior written consent of the participant. However, AmeriCorps may disclose aggregate participant information.

(b) Grantees and subgrantees that receive assistance under this chapter must comply with the provisions of paragraph (a) of this section.

Subpart F—Program Management Requirements for Grantees

SOURCE: 70 FR 39606, July 8, 2005, unless otherwise noted.

§ 2522.900 What definitions apply to this subpart?

Tutor is defined as someone whose primary goal is to increase academic achievement in reading or other core subjects through planned, consistent, one-to-one or small-group sessions and activities that build on the academic strengths of students in kindergarten through 12th grade, and target their academic needs. A tutor does not include someone engaged in other academic support activities, such as mentoring and after-school program support, whose primary goal is something other than increasing academic achievement. For example, providing a

§ 2522.910

45 CFR Ch. XXV (10–1–24 Edition)

safe place for children is not tutoring, even if some of the program activities focus on homework help.

§ 2522.910 What basic qualifications must an AmeriCorps member have to serve as a tutor?

If the tutor is:	Then the tutor must meet the following qualifications:
(a) Is considered to be an employee of the Local Education Agency or school, as determined by State law.	Paraprofessional qualifications under No Child Left Behind Act, as required in 34 CFR 200.58
(b) Is not considered to be an employee of the Local Education Agency or school, as determined by State law.	(1) High School diploma or its equivalent, or a higher degree; and (2) Successful completion of pre- and in-service specialized training, as required in § 2522.940 of this subpart.

[59 FR 13796, Mar. 23, 1994, as amended at 74 FR 46506, Sept. 10, 2009]

§ 2522.920 Are there any exceptions to the qualifications requirements?

The qualifications requirements in § 2522.910 of this subpart do not apply to a member who is a K–12 student tutoring younger children in the school or after school as part of a structured, school-managed cross-grade tutoring program.

§ 2522.930 [Reserved]

§ 2522.940 What are the requirements for a program in which AmeriCorps members serve as tutors?

A program in which members engage in tutoring for children must:

(a) Articulate appropriate criteria for selecting and qualifying tutors, including the requirements in § 2522.910 of this subpart, and certify that selected tutors meet the requirements in § 2522.910.

(b) Identify the strategies or tools it will use to assess student progress and measure student outcomes;

(c) Certify that the tutoring curriculum and pre-service and in-service training content are high-quality and research-based, consistent with the instructional program of the local educational agency and with State academic content standards.

(d) Include appropriate member supervision by individuals with expertise in tutoring; and

(e) Provide specialized high-quality and research-based, member pre-service and in-service training consistent

with the activities the member will perform.

[70 FR 39606, July 8, 2005, as amended at 74 FR 46506, Sept. 10, 2009]

§ 2522.950 What requirements and qualifications apply if my program focuses on supplemental academic support activities other than tutoring?

(a) If your program does not involve tutoring as defined in § 2522.900 of this subpart, AmeriCorps will not impose the requirements in § 2522.910 through § 2522.940 of this subpart on your program.

(b) At a minimum, you must articulate in your application how you will recruit, train, and supervise members to ensure that they have the qualifications and skills necessary to provide the service activities in which they will be engaged.

AUTHORITY: 42 U.S.C. 12571–12595.

SOURCE: 59 FR 13804, Mar. 23, 1994, unless otherwise noted.

§ 2523.10 Are Federal agencies eligible to apply for AmeriCorps program funds?

Yes. Federal agencies may apply for and receive AmeriCorps funds under parts 2521 and 2522 of this chapter, and they are eligible to receive up to one-third of the funds available for competitive distribution under § 2521.30(b)(3) of this chapter. The Corporation may enter into a grant, contract or cooperative agreement with another Federal agency to support an AmeriCorps program carried out by the agency. The Corporation may transfer funds available to it to other Federal agencies.

§ 2523.20 Which Federal agencies may apply for such funds?

The Corporation will consider applications only from Executive Branch agencies or departments. Bureaus, divisions, and local and regional offices of such departments and agencies can only apply through the central department or agency; however, it is possible for the department or agency to submit an application proposing more than one program.

§ 2523.30 Must Federal agencies meet the requirements imposed on grantees under parts 2521 and 2522 of this chapter?

Yes, except as provided in § 2523.90. Federal agency programs must meet the same requirements and serve the same purposes as all other applicants seeking support under part 2522 of this chapter.

§ 2523.40 For what purposes should Federal agencies use AmeriCorps program funds?

AmeriCorps funds should enable Federal agencies to establish programs that leverage agencies' existing resources and grant-making powers toward the goal of integrating service more fully into agencies' programs and activities. Agencies should plan to ultimately support new service initiatives out of their own budgets and appropriations.

§ 2523.50 What types of funds are Federal agencies eligible to receive?

Federal agencies may apply for planning and operating funds subject to the terms established by the Corporation in § 2521.20 of this chapter, except that operating grants will be awarded with the expectation that the Federal agencies will support the proposed programs from their own budgets once the Corporation grant(s) expire.

§ 2523.60 May Federal agencies enter into partnerships or participate in consortia?

Yes. Such partnerships or consortia may consist of other Federal agencies, Indian Tribes, subdivisions of States, community based organizations, institutions of higher education, or other non-profit organizations. Partnerships and consortia must be approved by the Corporation.

§ 2523.70 Will the Corporation give special consideration to Federal agency applications that address certain needs?

Yes. The Corporation will give special consideration to those applications that address the national priorities established by the Corporation. The Corporation may also give special consideration to those applications that demonstrate the agency's intent to leverage its own funds through a Corporation-approved partnership or consortium, by raising other funds from Federal or non-Federal sources, by giving grantees incentives to build service opportunities into their programs, by committing appropriate in-kind resources, or by other means.

§ 2523.80

§ 2523.80 Are there restrictions on the use of Corporation funds?

Yes. The supplantation and non-displacement provisions specified in part 2540 of this chapter apply to the Federal AmeriCorps programs supported with such assistance.

§ 2523.90 Is there a matching requirement for Federal agencies?

No. A Federal agency is not required to match funds in programs that receive support under this chapter. However, Federal agency subgrantees are required to match funds in accordance with the requirements of § 2521.30(g) and § 2522.240(b)(6) of this chapter.

[59 FR 13804, Mar. 23, 1994, as amended at 73 FR 53760, Sept. 17, 2008]

§ 2523.100 Are participants in programs operated by Federal agencies Federal employees?

No. Participants in these programs have the same employee status as participants in other approved AmeriCorps programs, and are not considered Federal employees, except for the purposes of the Family and Medical Leave Act as specified in § 2540.220(b) of this chapter.

§ 2523.110 Can Federal agencies submit multiple applications?

No. The Corporation will only consider one application from a Federal agency for each AmeriCorps competition. The application may propose more than one program, however, and the Corporation may choose to fund any or all of those programs.

§ 2523.120 Must Federal agencies consult with State Commissions?

Yes. Federal agencies must provide a description of the manner in which the proposed AmeriCorps program(s) is coordinated with the application of the State in which the projects will be conducted. Agencies must also describe proposed efforts to coordinate AmeriCorps activities with State Commissions and other funded AmeriCorps programs within the State in order to build upon existing programs and not duplicate efforts.

§ 2524.30 What are the guidelines for challenge grants?

(a) *Purpose.* The purpose of these grants is to challenge high quality AmeriCorps programs to diversify their funding base by matching private dollars they have raised with Corporation support. The Corporation will provide not more than \$1 for each \$1 raised in cash by the program from private sources in excess of amounts otherwise required to be provided by the program to satisfy the matching funds requirements specified under § 2521.30(g) of this chapter.

(b) *Eligibility.* Only Corporation grantees that meet all of the following eligibility criteria may apply for challenge grants: (1) They are funded under parts 2520 through 2523 of this chapter.

[59 FR 13805, Mar. 23, 1994, as amended at 73 FR 53760, Sept. 17, 2008]

§ 2524.40 What are the guidelines for grants to involve persons with disabilities?

(a) *Purpose.* There are two general purposes for these grants: (1) To assist AmeriCorps grantees in placing applicants who require reasonable accommodation (as defined in section 101(9) of the Americans With Disabilities Act of 1990, 42 U.S.C. 12111(9)) or auxiliary aids and services (as defined in section 3(1) of such Act, 42 U.S.C. 12102(1)) in an AmeriCorps program; and

(2) To conduct outreach activities to individuals with disabilities to recruit them for participation in AmeriCorps programs.

(b) *Eligibility—(1) Placement, accommodation, and auxiliary services.* Eligibility for assistance under this part is limited to AmeriCorps programs that: (i) Receive competitive funding from the Corporation under § 2521.30(a)(3) or 2521.30(b)(3) of this chapter; and

(ii) Demonstrate that the program has received a substantial number of applications for placement from persons who are individuals with a disability and who require a reasonable accommodation (as defined in section 101(9) of the Americans with Disabilities Act of 1990), or auxiliary aids and services (as defined in section 3(1) of such Act) in order to perform national service; and

(iii) Demonstrate that additional funding would assist the program in placing a substantial number of such individuals with a disability as participants in projects carried out through the program.

(2) *Outreach.* Corporation grantees and any public or private nonprofit organization may apply for funds to conduct outreach to individuals with disabilities to recruit them for participation in AmeriCorps programs. Outreach funds can also be used by any organization to assist AmeriCorps programs in adapting their programs to encourage greater participation by individuals with disabilities.

(c) *Application procedures.* Eligible applicants must comply with the requirements specified in the Corporation's application materials.

§ 2524.50 What are the guidelines for assistance with disaster relief?

(a) *Purpose.* Disaster relief funds are intended to provide emergency assistance not otherwise available to enable national and community service programs to respond quickly and effectively to a Presidentially-declared disaster.

(b) *Eligibility.* Any AmeriCorps program (including youth corps, the National Civilian Community Corps, VISTA, and other programs authorized under the Domestic Volunteer Services Act) or grant making entity (such as a State or Federal agency) that is supported by the Corporation may apply for disaster relief grants.

(c) *Application process.* Eligible applicants must comply with the requirements specified in the Corporation's application materials.

(d) *Waivers.* In appropriate cases, due to the limited nature of disaster activities, the Corporation may waive specific program requirements such as

matching requirements and the provision of AmeriCorps educational awards for participants supported with disaster relief funds.

(2) Met the applicable eligibility requirements for the approved national service program as appropriate; and,

(3) Either:

(i) Is certified by their supervising entity to have successfully completed a term of service—whether a full-time 1,700-hour term corresponding to a full education award or a less than full-time term of service with a corresponding partial award amount described in § 2525.100(b)—as certified under § 2525.15; or

(ii) For a pro-rated education award amount described in § 2525.100(c), is certified by their supervising entity to have completed at least 15 percent of the originally-approved term of service and performed satisfactorily prior to being granted a release for compelling personal circumstances, consistent with § 2522.230(a) of this chapter.

(b) *Prohibition on duplicate benefits.* An Eligible Individual who receives a post-service benefit in lieu of an education award may not receive an education award for the same term of service.

(c) *Penalties for false information.* Any individual who makes a materially false statement or representation in connection with the approval or disbursement of an education award or

other payment from the National Service Trust may be liable for the recovery of funds and subject to civil and criminal sanctions.

§ 2525.15 Upon what basis may an entity responsible for the supervision of an Eligible Individual certify that the Eligible Individual successfully completed a term of service?

(a) An Eligible Individual's supervising entity must certify that the individual has successfully completed a term of service. The individual successfully completed a term of service if the individual has:

(1) Completed the number of service hours required;

(2) Satisfactorily performed on assignments, tasks, or projects;

(3) Met any performance criteria as determined by the program and communicated to the member; and

(4) Fulfilled any other enrollment and program requirements to earn an education award.

(b) A certification by the supervising entity that an individual did or did not successfully complete a term of service will be deemed to incorporate an end-of-term evaluation.

§ 2525.20 Under what circumstances is an Eligible Individual who does not complete an approved term of service eligible to receive a pro-rated education award?

(a) *Release for compelling personal circumstances.* An Eligible Individual who is released before they complete an approved term of service is eligible for a pro-rated education award if their supervising entity:

(ii) Completed at least 15 percent of the originally approved term of service.

(b) *Release for cause.* An individual who is released for cause before they

§ 2525.25

completed an originally approved term of service is not eligible for any portion of an education award.

§ 2525.25 If a participant in an approved Summer of Service or Silver Scholar position does not complete their term of service, are they eligible to receive a pro-rated education award?

No. An individual released for any reason before they complete an approved term of service in a Silver Scholar or Summer of Service position is not eligible to receive a pro-rated award.

§ 2525.30 How do convictions for the possession or sale of controlled substances affect an Eligible Individual's ability to use their award?

(a) Except as provided in paragraph (b) of this section, an Eligible Individual who is convicted under Federal or State law of the possession or sale of a controlled substance is not eligible to use his or her education award from the date of the conviction until the end of a specified time period, which is determined based on the type of conviction as follows:

(1) For conviction of the possession of a controlled substance, the individual is ineligible from the date of conviction for—

- (i) One year for a first conviction;
- (ii) Two years for a second conviction; and
- (iii) For a third or subsequent conviction, indefinitely, as determined by AmeriCorps according to the following factors:

(A) Type and amount of controlled substance;

(B) Whether firearms or other dangerous weapons were involved in the offense;

(C) Employment history;

(D) Service to the community;

(E) Recommendations from community members and local officials, including experts in substance abuse and treatment; and

(F) Any other relevant aggravating or ameliorating circumstances.

(2) For conviction of the sale of a controlled substance, the individual is ineligible from the date of conviction for—

45 CFR Ch. XXV (10–1–24 Edition)

(i) Two years for a first conviction; and

(ii) Two years plus any additional time AmeriCorps determines is appropriate for second and subsequent convictions, based on the factors set forth in paragraphs (a)(1)(iii)(A) through (F) of this section.

(b) AmeriCorps will restore the Eligible Individual's access to use the education award if AmeriCorps determines that the individual has successfully completed a legitimate drug rehabilitation program, or in the case of a first conviction that the individual has enrolled in a legitimate drug rehabilitation program and:

(1) The drug rehabilitation program is recognized as legitimate by appropriate Federal, State, or local authorities; and

(2) The Eligible Individual's enrollment in or successful completion of the legitimate drug rehabilitation program has been certified by an appropriate official of that program.

§ 2525.40 How long is an education award available for use?

Unless AmeriCorps approves an extension under § 2525.42, the use period for an education award is as follows:

(a) An education award is available for an Eligible Individual to use until seven years from the date when they successfully completed the term of service for which the award was earned;

(b) An education award that is transferred to a Designated Recipient under subpart F of this part may be used until 10 years from the date when the Eligible Individual who transferred the award successfully completed their term of national service.

§ 2525.41 When must an application for an extension be submitted?

An application for an extension must be submitted to AmeriCorps before the award use period ends, or the individual must have been unavoidably prevented from timely submitting the extension application.

§ 2525.42 Under what circumstances will AmeriCorps grant an extension?

(a) AmeriCorps will automatically grant an extension to the use period of an education award if the individual served and successfully completed a term of service in an approved national service position that fell within the use period for that education award and applies for an extension under § 2525.41.

(1) The use period will be extended by the length of the individual's additional approved and completed term of service at the time of the extension application.

(2) For purposes of this extension, AmeriCorps will treat all service in AmeriCorps and the Peace Corps as service in another AmeriCorps-approved national service position.

(3) If the additional of service is in the Peace Corps, the individual requesting an extension will need to provide a Description of Service, signed by the country's director or designee for the Peace Corps service.

(b) If AmeriCorps determines that an Eligible Individual or Designated Recipient was unavoidably prevented from using the education award during the original use period, AmeriCorps may grant an extension for a period of time that AmeriCorps deems appropriate, but generally not for more than one year from the end of the original use period. Also, AmeriCorps will grant only one extension of the use period except in very limited circumstances, such as, for example, when the event preventing the member from timely using their education award is likely to exist for more than 12 months, such as active military duty.

(1) Examples of situations that may warrant an extension if they hinder use of an education award may include, but are not limited to:

- (i) The Eligible Individual's serious illness, injury, or disability;
- (ii) The death, serious illness, injury, or disability of someone in the Eligible Individual's immediate family that occurs close to the end of the use period;
- (iii) The destruction or inaccessibility of important service records maintained by the program;
- (iv) Natural disasters;

(v) Military service that prevents the use of an education award, such as active duty overseas (but a person in the reserves or National Guard who has not been called up on active duty, or who is enlisted in the military, is not necessarily unavoidably prevented from timely using their education award because of their military service).

(2) When considering whether to grant an extension, AmeriCorps also will consider whether:

(i) The extension is a result of the individual's choices or actions or factors beyond the individual's control;

(ii) The need for the extension is in any part attributable to AmeriCorps' or an AmeriCorps-funded entity's actions;

(iii) The lending institution or institution entitled to the payment failed to take an action, or took an action, that resulted in the individual needing/wanting the extension.

(c) Examples of circumstances that do not meet the criteria for granting an extension may include but are not limited to:

(1) Employment or unemployment, even in a position with a non-profit organization involved in community service.

(2) Forgetting to use the education award, being unaware of the use-period restrictions, or not receiving his or her education award expiration notice.

(3) Being too young to use a transferred education award.

§ 2525.43 What if the request for an extension is missing information or documentation?

If the extension application lacks necessary information or documentation, AmeriCorps may request additional documentation. If the requested additional documentation is not provided to AmeriCorps within 30 days, AmeriCorps may close the request for an extension.

§ 2525.44 How will AmeriCorps notify the Eligible Individual or Designated Recipient of its decision on the extension request?

AmeriCorps will notify the Eligible Individual or Designated Recipient in writing if the request for an extension has been granted or denied. The notification will advise the requester of the

§ 2525.45

process for appealing the denial if the requester has a good-faith basis to believe their request was erroneously denied.

§ 2525.45 Can an Eligible Individual or Designated Recipient appeal a denied request for an extension?

(a) If an Eligible Individual or Designated Recipient submits a timely application for an extension and the application is denied, the individual may file an appeal. The appeal must:

(1) Be received within 30 days of the denial determination;

(2) Be made in writing—either online through the *My AmeriCorps* portal if the education award has not expired—or through a submission to the National Service Hotline at 1-800-942-2677;

(3) Explain why the initial determination was erroneous/should be reviewed; and,

(4) Include supporting documentation, if applicable.

(b) AmeriCorps may grant an appeal when, after review of all the information provided originally and on appeal, it appears that the extension should have been granted. AmeriCorps may ask for additional documentation to inform the appeal determination.

(c) Individuals who submit appeals will be notified in writing of the final determination.

§ 2525.50 Is there a limit on the total amount of education awards an individual may receive?

(a) *General limitation.* While there is no limit on the specific dollar amount, no individual may receive more than the amount equal to the aggregate value of two full-time education awards.

(b) *Calculation of aggregate value of awards received.* The aggregate value of education awards received is the sum of:

(1) The value of each education award received for successful completion of an approved national service position;

(2) The value of each partial education award received upon release from an approved national service position for compelling personal circumstances; and

(3) The value of any amount received from a transferred education award, except as provided in § 2525.460.

45 CFR Ch. XXV (10–1–24 Edition)

(c) *Determination of receipt of award.* For purposes of determining the aggregate value of education awards, an award is considered to be received at the time it becomes available for use.

§ 2525.55 What is the impact of the aggregate value of education awards received on an individual's ability to serve in additional terms of service?

The aggregate value of education awards received does not limit an individual's ability to serve in additional terms of service, but does impact the amount of the education award the individual may receive pursuant to § 2525.100(d) upon successful completion of any additional term of service.

§ 2525.60 May an individual receive an education award and related interest benefits from the National Service Trust as well as other loan cancellation benefits for the same term of service?

An individual may not receive an education award and related interest benefits from the National Service Trust for a term of service and have that same service credited toward repayment, discharge, or cancellation of other student loans, except an individual may credit the service toward the Public Service Loan Forgiveness Program, as provided under 34 CFR 685.219.

§ 2525.70 What are the effects of an erroneous certification of successful completion of a term of service?

(a) If AmeriCorps determines that the certification made by a national service program under § 2525.10(a)(2) is erroneous, AmeriCorps shall assess against the national service program a charge for the amount of any associated payment or potential payment from the National Service Trust, taking into consideration the full facts and circumstances that led to the erroneous or incorrect certification.

(b) If AmeriCorps determines that the certification made is knowingly false or inaccurate, AmeriCorps will disallow the education award and/or initiate a debt collection process for any education award funds disbursed.

(c) Nothing in this section prohibits AmeriCorps from taking any action authorized by law based upon any certification that is knowingly made in a false, materially misleading, or fraudulent manner.

Subpart C—Determining the Amount of an Education Award

§ 2525.100 What is the amount of an education award?

(a) *Full-time term of service.* Except as provided in paragraph (d) of this section, the education award for a full-time term of service in an approved na-

tional service position of at least 1,700 hours will be equal to the maximum amount of a Federal Pell Grant under section 401 of the Higher Education Act of 1965 (20 U.S.C. 1070a) that a student eligible for that grant may receive in the aggregate for the award year in which the term of service is approved by AmeriCorps.

(b) *Less than full-time term of service.* Except as provided in paragraph (d) of this section, the amount of an education award for an approved national service position for less than full-time term of service (*i.e.*, partial award) is determined in accordance with the following table:

TABLE 1 TO PARAGRAPH (b)

For:	In an approved position of at least: (hours)	Is equal to the following percentage of the amount of an education award for a full-time term of service described in paragraph (a) of this section:

(2) The amount of the education award for the approved term of service.

(d) *Calculating a discounted education award amount.* To ensure that an Eligible Individual receives no more than the aggregate value of two awards, pursuant to § 2525.50, if the sum of the education award value offered for a term of service and the aggregate value of previously-received education awards exceeds the value of two awards, then the individual may receive only a portion of that offered education award, such that the aggregate value of the education awards is not greater than the value of two awards.

(iv) Individuals using education awards to pay for current educational expenses at that institution do not comprise more than 15 percent of the institution's total student population;

(v) The requested amount will be used to pay all or part of the Eligible Individual's educational expenses attributable to a course offered by the institution;

45 CFR Ch. XXV (10–1–24 Edition)

(B) The Eligible Individual's estimated student financial assistance for that period under Part A of Title IV of the Higher Education Act (20 U.S.C. 1070 *et seq.*).

(b) *Payment.* When AmeriCorps receives the information required under paragraph (a) of this section, it will pay the institution and notify the Eligible Individual of the payment.

(c) *Installment payments.* AmeriCorps will disburse the education award payment to the institution in at least two separate installments, none of which exceeds 50 percent of the total amount. The interval between installments may not be less than one-half of the period of enrollment, except as necessary to permit the second installment to be paid at the beginning of the second semester, quarter, or other division of a period of enrollment.

§ 2525.240 Is there a limit on the amount of an Eligible Individual's education award that AmeriCorps will disburse to an institution for a given period of enrollment?

(ii) The course(s) or program(s) for which the individual is requesting to use the education award has been and is currently approved by the State approving agency for the State where the

institution or establishment is located, or by the Secretary of Veterans Affairs; and

(iii) If an individual who has used an education award withdraws or otherwise fails to complete the period of enrollment for which the education award was provided, the institution or establishment will ensure a pro-rata refund to AmeriCorps of the unused portion of the education award.

(b) *Payment.* When AmeriCorps receives the information required under paragraph (a) of this section, it will pay the institution or establishment and notify the individual of the payment.

§ 2525.280 What happens if an individual for whom AmeriCorps has disbursed education award funds withdraws or fails to complete the period of enrollment in a G.I. Bill approved program?

§ 2525.290 What happens to an education award upon divorce or death?

(a) *Prohibition on treatment of an education award as marital property.* An education award may not be treated as marital property, or the asset of a marital estate, subject to division in a divorce or other civil proceeding.

§ 2525.310

disbursement prior to death that the National Service Trust had not yet either received or acted upon as of the date of death.

Subpart E—Payment of Accrued Interest

§ 2525.310 Under what circumstances will AmeriCorps pay interest that accrues on qualified student loans during an individual's term of service in an approved position?

(a) *Eligibility.* AmeriCorps will pay interest that accrues on an Eligible Individual's qualified student loan, subject to the limitation on amount in paragraph (b) of this section, if:

(1) The Eligible Individual successfully completes a term of national service in an approved position; and

(2) The loan holder approves the Eligible Individual's request for forbearance for a time period specified by the loan holder during the term of service.

(b) *Amount.* The portion of accrued interest that AmeriCorps will pay is determined by the length of service. The percentage of accrued interest that AmeriCorps will pay is the lesser of—

§ 2525.330 What steps are necessary for AmeriCorps to pay interest that has accrued on a qualified student loan in forbearance?

(a) If an Eligible Individual has obtained forbearance on a qualified student loan, AmeriCorps will make payments from the National Service Trust for interest that has accrued on that student loan during the individual's term of service, after:

(1) The program verifies that the Eligible Individual has successfully completed the term of service and the dates when the term of service began and ended;

(2) The holder of the loan verifies the amount of interest that has accrued during the term of service.

(b) When AmeriCorps receives all necessary information from the program and the loan holder, it will pay the loan holder and notify the individual of the payment.

Subpart F—Transfer of Education Awards

§ 2525.410 Under what circumstances may an Eligible Individual transfer an education award?

An Eligible Individual may transfer an education award if—

(a) The Eligible Individual was 55 or older on the day they began the term of service in an approved national service position;

(b) The Eligible Individual successfully completed a term of service in an approved national service position;

(c) The education award the Eligible Individual is requesting to transfer has not expired, consistent with the period of availability set forth in § 2525.40(a);

(d) The individual designated to receive the transferred education award (the Designated Recipient) is:

(1) The Eligible Individual's child, grandchild, stepchild, step-grandchild, or foster child; and

(2) A citizen, national, or lawful permanent resident of the United States.

(e) The Designated Recipient is not entitled to the education award until their citizenship status has been verified. Once citizenship is confirmed, the Designated Recipient has all the benefits of an Eligible Individual.

§ 2525.420 For what purposes may a transferred award be used?

A transferred award may be used by the Designated Recipient to repay qualified student loans or to pay current educational expenses at an institution of higher education, as described in § 2525.210.

§ 2525.430 What steps are necessary to transfer an education award?

(a) *Request for transfer.* Before transferring an education award to a Designated Recipient, AmeriCorps must receive a request from the transferring Eligible Individual, including:

(1) The Eligible Individual's written authorization to transfer the education award, the year in which the education award was earned, and the specific amount of the education award to be transferred;

(2) Identifying information for the Designated Recipient who is to receive the transferred education award;

(3) A certification that the transferring Eligible Individual and the Designated Recipient have completed or satisfy the requirements of § 2525.410.

(b) *Notification to Designated Recipient.* Upon receipt of a request, including all required information listed in paragraph (a) of this section, AmeriCorps will contact the Designated Recipient to:

(1) Notify the Designated Recipient, or their legal guardian, of the proposed transfer;

(2) Confirm the Designated Recipient's identity;

(3) Confirm that the Designated Recipient is a citizen, national, or lawful permanent resident of the United States; and

(4) Give the Designated Recipient the opportunity to accept or reject the proposed transferred education award.

(c) *Acceptance by Designated Recipient.* To accept an education award, a Designated Recipient, or their legal guardian, must certify that the Designated Recipient is eligible under § 2525.410. Upon receipt of the Designated Recipient's acceptance and verification of the Designated Recipient's eligibility, AmeriCorps will create an account in the National Service Trust for the Designated Recipient, if an account does not already exist, and the accepted amount will be deducted from the transferring Eligible Individual's account and credited to the Designated Recipient's account.

(d) *Timing of transfer.* AmeriCorps must receive the request from the transferring Eligible Individual before the date the education award expires.

(e) *Refusal.* The Designated Recipient can refuse to accept the transferred education award under § 2525.470.

(f) *Revocation.* The Eligible Individual can revoke part or all of the remaining balance of the transfer that has not yet been requested for use under §§ 2525.480 and 2525.485.

§ 2525.440 Is there a limit on the number of recipients an individual may designate to receive a transferred award?

(a) An Eligible Individual may transfer all or part of a non-expired education award to no more than two recipients.

(b) If a Designated Recipient rejects, in whole or in part, a transferred education award, or a transfer was revoked in accordance with § 2525.480, the education award can be transferred to another Designated Recipient, so long as the education award has not yet expired.

§ 2525.450 Is there a limit on the amount of transferred education awards a Designated Recipient may receive?

(a) If the sum of the value of the requested transfer plus the aggregate value of education awards a Designated

§ 2525.460

Recipient has previously earned or received, through the Designated Recipient's own service term or having previously been transferred an education award, would exceed the aggregate value of two full-time education awards, as determined pursuant to § 2525.50(b), the Designated Recipient will be deemed to have rejected that portion of the education award that would result in the excess.

(b) If a Designated Recipient has already received the aggregate value of two full-time education awards, they may not receive a transferred education award, and the Designated Recipient will be deemed to have rejected the education award in full.

§ 2525.460 What is the impact of transferring or receiving a transferred education award on an Eligible Individual's eligibility to receive additional education awards?

(a) *Impact on transferring individual.* Pursuant to § 2525.50, an education award is considered to be received at the time it becomes available for a Designated Recipient's use. Transferring all or part of an award does not reduce the aggregate value of education awards the transferring individual is considered to have received.

(b) *Impact on Designated Recipient.* For the purposes of determining the value of the transferred education award under § 2525.50, a Designated Recipient will be considered to have received a value equal to the amount received divided by the amount of a full-time education award in the year the transferring Eligible Individual's position for that education award was approved.

(c) *Result of revocation on education award value.* If the Eligible Individual revokes the transferred education award, in whole or in part, the value of the education award considered to have been received by the Designated Recipient for purposes of § 2525.50 will be reduced accordingly.

§ 2525.470 Is a Designated Recipient required to accept a transferred education award?

(a) *General rule.* No. A Designated Recipient is not required to accept a transferred education award and may

45 CFR Ch. XXV (10–1–24 Edition)

reject an education award in whole or in part.

(b) *Result of rejection in full.* If the Designated Recipient rejects a transferred education award in whole, the amount is credited back to the transferring Eligible Individual's account in the National Service Trust, and may be transferred to another individual, or may be used by the transferring Eligible Individual, consistent with the original period of availability set forth in § 2525.40(a).

(c) *Result of rejection in part.* If the Designated Recipient rejects a transferred education award in part, the rejected portion is credited to the transferring Eligible Individual's account in the National Service Trust for their use, including re-transfer of the education award, consistent with the original period of availability set forth in § 2525.40(a).

(d) *Rescission.* A Designated Recipient who originally accepted a transferred education award may rescind their acceptance of any unused portion of the award at any time before the education award expires, and for any reason.

§ 2525.480 Under what circumstances is a transfer revocable?

(a) *Revocation.* An Eligible Individual who transferred an award may revoke the transfer at any time and for any reason before the education award's expiration and use by the Designated Recipient.

(b) *Use of award.* Upon revocation, the revoked amount will be deducted from the Designated Recipient's account and credited to the transferring Eligible Individual's account. The transferring Eligible Individual may use the revoked transferred education award for any of the purposes described in § 2525.210, consistent with the original time period of availability set forth in § 2525.40(a).

(c) *Re-transfer.* An Eligible Individual may re-transfer an education award to another qualifying individual after revoking the education award.

§ 2525.485 What steps are necessary to revoke a transfer?

(a) *Request for revocation.* Before revoking a transfer, the transferring Eligible Individual must submit a request to AmeriCorps that includes:

(1) The Eligible Individual's written authorization to revoke the education award;

(2) The year in which the education award was earned;

(3) The specific amount to be revoked; and

(4) The identity of the Designated Recipient.

(b) *Used education awards.* A revocation may only apply to the portion of the transferred education award that has not been used by the Designated Recipient. If the Designated Recipient has used the entire transferred amount before AmeriCorps receives the revocation request, no amount will be returned to the transferring Eligible Individual. An amount is considered to be used when it is disbursed from the National Service Trust, not when a request is received for its use.

(c) *Notification to Designated Recipient.* AmeriCorps will notify the Designated Recipient of the amount being revoked as of the date of its receipt of the revocation request.

(d) *Timing of revocation.* AmeriCorps must receive the request to revoke the transfer from the transferring Eligible Individual before the education award's expiration as calculated pursuant to § 2525.40(a)(2), from the date the education award was originally earned.

§ 2525.487 What happens to a transferred education award upon divorce or death?

(a) *Prohibition on treatment of a transferred education award as marital property.* An education award transferred under this subsection may not be treated as marital property, or the asset of a marital estate, subject to division in a divorce or other civil proceeding.

(b) *Death of transferor.* The death of an Eligible Individual who has transferred, or initiated the transfer of, an education award under this subsection does not affect the use of the education award by the Designated Recipient.

§ 2525.490 Is a recipient of a transferred education award eligible for the payment of accrued interest for their own student loans?

No. The transfer of an education award does not convey eligibility for payment of accrued interest under subpart E of this part.

If the matter is resolved, and a written agreement is reached, the party will agree to forego filing a grievance in the matter under consideration.

(2) If mediation, facilitation, or other dispute resolution processes are selected, the process must be aided by a neutral party who, with respect to an issue in controversy, functions specifically to aid the parties in resolving the matter through a mutually achieved and acceptable written agreement. The neutral party may not compel a resolution. Proceedings before the neutral party must be informal, and the rules of evidence will not apply. With the exception of a written and agreed upon dispute resolution agreement, the proceeding must be confidential.

(b) *Grievance procedure for unresolved complaints.* If the matter is not resolved within 30 calendar days from the date the informal dispute resolution process began, the neutral party must again inform the aggrieving party of his or her right to file a formal grievance. In the event an aggrieving party files a grievance, the neutral may not participate in the formal complaint process. In addition, no communication or proceedings of the informal dispute resolution process may be referred to or introduced into evidence at the grievance and arbitration hearing. Any decision by the neutral party is advisory and is not binding unless both parties agree.

(c) *Time limitations.* Except for a grievance that alleges fraud or criminal activity, a grievance must be made no later than one year after the date of the alleged occurrence. If a hearing is held on a grievance, it must be conducted no later than 30 calendar days after the filing of such grievance. A decision on any such grievance must be made no later than 60 calendar days after the filing of the grievance.

(d) *Arbitration*—(1) *Arbitrator*—(i) *Joint selection by parties.* If there is an adverse decision against the party who filed the grievance, or 60 calendar days after the filing of a grievance no decision has been reached, the filing party may submit the grievance to binding arbitration before a qualified arbitrator who is jointly selected and independent of the interested parties.

(ii) *Appointment by Corporation.* If the parties cannot agree on an arbitrator within 15 calendar days after receiving a request from one of the grievance parties, the Corporations Chief Executive Officer will appoint an arbitrator from a list of qualified arbitrators.

(2) *Time Limits*—(i) *Proceedings.* An arbitration proceeding must be held no later than 45 calendar days after the request for arbitration, or, if the arbitrator is appointed by the Chief Executive Officer, the proceeding must occur no later than 30 calendar days after the arbitrator's appointment.

(ii) *Decision.* A decision must be made by the arbitrator no later than 30 calendar days after the date the arbitration proceeding begins.

(3) *The cost.* The cost of the arbitration proceeding must be divided evenly between the parties to the arbitration. If, however, a participant, labor organization, or other interested individual prevails under a binding arbitration proceeding, the State or local applicant that is a party to the grievance must pay the total cost of the proceeding and the attorney's fees of the prevailing party.

(e) *Suspension of placement.* If a grievance is filed regarding a proposed placement of a participant in a program that receives assistance under this chapter, such placement must not be made unless the placement is consistent with the resolution of the grievance.

(f) *Remedies.* Remedies for a grievance filed under a procedure established by a recipient of Corporation assistance may include—

(1) Prohibition of a placement of a participant; and

(2) In grievance cases where there is a violation of nonduplication or nondisplacement requirements and the employer of the displaced employee is the recipient of Corporation assistance—

(i) Reinstatement of the employee to the position he or she held prior to the displacement;

(ii) Payment of lost wages and benefits;

(iii) Re-establishment of other relevant terms, conditions and privileges of employment; and

(iv) Any other equitable relief that is necessary to correct any violation of the nonduplication or nondisplacement requirements or to make the displaced employee whole.

(g) *Suspension or termination of assistance.* The Corporation may suspend or terminate payments for assistance under this chapter.

(h) *Effect of noncompliance with arbitration.* A suit to enforce arbitration awards may be brought in any Federal district court having jurisdiction over the parties without regard to the amount in controversy or the parties' citizenship.

§ 2540.310

information to the State as is necessary to enable the State to complete the report required under paragraph (a) of this section, including a comparison of actual accomplishments with the goals established for the program, the number of participants in the program, the number of service hours generated, and the existence of any problems, delays or adverse conditions that have affected or will affect the attainment of program goals.

(c) *Availability of report.* Reports submitted under paragraph (a) of this section must be made available to the public on request.

§ 2540.310 Must programs that receive Corporation assistance establish standards of conduct?

§ 2540.330 Parental involvement required

(a) *Consultation Requirement.* Programs that receive assistance under the national service laws shall consult with the parents or legal guardians of children in developing and operating programs that include and serve children.

(b) *Parental Permission.* Programs that receive assistance under the national service laws must, before transporting minor children, provide the children's parents or legal guardians with the reason for the transportation and obtain the parent's or legal guardian's permission for such transportation, consistent with State law.

Subpart D—Suspension and Termination of Corporation Assistance

§ 2540.400 Under what circumstances will the Corporation suspend or terminate a grant or contract?

(a) *Suspension of a grant or contract.* In emergency situations, the Corporation may suspend a grant or contract for not more than calendar 30 days. Examples of such situations may include, but are not limited to: (1) Serious risk to persons or property;

(2) Violations of Federal, State or local criminal statutes; and

(3) Material violation(s) of the grant or contract that are sufficiently serious that they outweigh the general policy in favor of advance notice and opportunity to show cause.

(b) *Termination of a grant or contract.* The Corporation may terminate or revoke assistance for failure to comply with applicable terms and conditions of this chapter. However, the Corporation must provide the recipient reasonable notice and opportunity for a full and fair hearing, subject to the following conditions: (1) The Corporation will notify a recipient of assistance by letter or telegram that the Corporation intends to terminate or revoke assistance, either in whole or in part, unless the recipient shows good cause why such assistance should not be terminated or revoked. In this communication, the grounds and the effective date for the proposed termination or revocation will be described. The recipient will be given at least 7 calendar days to submit written material in opposition to the proposed action.

(2) The recipient may request a hearing on a proposed termination or revocation. Providing five days notice to the recipient, the Corporation may authorize the conduct of a hearing or other meetings at a location convenient to the recipient to consider the proposed suspension or termination. A transcript or recording must be made of a hearing conducted under this section and be available for inspection by any individual.

Subpart E—Restrictions on Use of National Service Insignia

SOURCE: 73 FR 53761, Sept. 17, 2008, unless otherwise noted.

§2540.500 What definition applies to this subpart?

National Service Insignia. For this subpart, *national service insignia* means the former and current seal, logos, names, or symbols of the Corporation's programs, products, or services, including those for AmeriCorps, VISTA, Learn and Serve America, Senior Corps, Foster Grandparents, the Senior Companion Program, the Retired and Senior Volunteer Program, the National Civilian Community Corps, and any other program or project that the Corporation administers.

§2540.510 What are the restrictions on using national service insignia?

The national service insignia are owned by the Corporation and only may be used as authorized. The national service insignia may not be used by non-federal entities for fundraising purposes or in a manner that suggests Corporation endorsement.

§2540.520 What are the consequences for unauthorized use of the Corporation's national service insignia?

Any person who uses the national service insignia without authorization may be subject to legal action for trademark infringement, enjoined from continued use, and, for certain types of unauthorized uses, other civil or criminal penalties may apply.

§2540.530 Are there instances where an insignia may be used without getting the approval of the Corporation?

All uses of the national service insignia require the written approval of the Corporation.

§2540.540 Who has authority to approve use of national service insignia?

Approval for limited uses may be provided through the terms of a written grant or other agreement. All other uses must be approved in writing by the director of the Corporation's Office

of Public Affairs, or his or her designee.

§2540.550 Is there an expiration date on approvals for use of national service insignia?

The approval to use a national service insignia will expire as determined in writing by the director of the Office of Public Affairs, or his or her designee. However, the authority to use an insignia may be revoked at any time if the Corporation determines that the use involved is injurious to the image of the Corporation or if there is a failure to comply with the terms and conditions of the authorization.

§2540.560 How do I renew authority to use a national service insignia?

Requests for renewed authority to use an insignia must follow the procedures for initial approval as set out in §2540.540.

Subpart F—False or Misleading Statements

SOURCE: 73 FR 53761, Sept. 17, 2008, unless otherwise noted.

§2540.600 What definitions apply to this subpart?

You. For this subpart, *you* refers to a participant in a national service program.

§2540.610 What are the consequences of making a false or misleading statement?

If it is determined that you made a false or misleading statement in connection with your eligibility for a benefit from, or qualification to participate in, a Corporation-funded program, it may result in the revocation of the qualification or forfeiture of the benefit. Revocation and forfeiture under this part are in addition to any other remedy available to the Federal Government under the law against persons who make false or misleading statements in connection with a Federally-funded program.

§ 2540.620

§ 2540.620 What are my rights if the Corporation determines that I have made a false or misleading statement?

If the Corporation determines that you have made a false or misleading statement in connection with your eligibility for a benefit from, or qualification to participate in, a Corporation-funded program, you will be hand delivered a written notice, or sent a written notice to your last known street address or e-mail address or that of your identified counsel at least 15 days before any proposed action is taken. The notice will include the facts surrounding the determination and the action the Corporation proposes to take. The notice will also identify the reviewing official in your case and provide other pertinent information. You will be allowed to show good cause as to why forfeiture, revocation, the denial of a benefit, or other action should not be implemented. You will be given 10 calendar days to submit written materials in opposition to the proposed action.

§ 2540.630 What information must I provide to contest a proposed action?

Your written response must include specific facts that contradict the statements made in the notice of proposed action. A general statement of denial is insufficient to raise a dispute over the facts material to the proposed action. Your response should also include copies of any documents that support your argument.

§ 2540.640 When will the reviewing official make a decision on the proposed action?

The reviewing official will issue a decision within 45 days of receipt of your response.

§ 2540.650 How may I contest a reviewing official's decision to uphold the proposed action?

If the Corporation's reviewing official concludes that the proposed action, in full or in part, should still be implemented, you will have an opportunity to request an additional proceeding. A Corporation program director or designee will conduct a review of

45 CFR Ch. XXV (10–1–24 Edition)

the complete record, including such additional relevant documents you submit. If deemed appropriate, such as where there are material facts in genuine dispute, the program director or designee may conduct a telephonic or in person meeting. If a meeting is conducted, it will be recorded and you will be provided a copy of the recording. The program director or designee will issue a decision within 30 days of the conclusion of the review of the record or meeting. The decision of the program director or designee is final and cannot be appealed further within the agency.

§ 2540.660 If the final decision determines that I received a financial benefit improperly, will I be required to repay that benefit?

If it is determined that you received a financial benefit improperly, you may be required to reimburse the program for that benefit.

§ 2540.670 Will my qualification to participate or eligibility for benefits be suspended during the review process?

If the reviewing official determines that, based on the information available, there is a reasonable likelihood that you will be determined disqualified or ineligible, your qualification or eligibility may be suspended, pending issuance of a final decision, to protect the public interest.

(b) Will not compromise the integrity of the Corporation's programs or its officers and employees involved in such programs.

§ 2544.105 What is the legal authority for soliciting and accepting donations to the Corporation?

(1) Volunteers will be considered Federal employees for the purpose of the

tort claims provisions of 28 U.S.C. chapter 171;

§ 2544.125 Who has the authority to solicit and accept or reject a donation?

The Chief Executive Officer (CEO) of the Corporation has the authority to solicit, accept, or reject a donation offered to the Corporation and to make the determinations described in § 2544.130 (c) and (d). The CEO may delegate this authority in writing to other officials of the Corporation.

(b) In order to be accepted, the donation must be economically advantageous to the Corporation, considering foreseeable expenditures for matters such as storage, transportation, maintenance, and distribution.

(c) An official or employee of the Corporation will not solicit or accept a donation if the solicitation or acceptance would present a real or apparent conflict of interest. An apparent conflict of interest is presented if the solicitation or acceptance would raise a question in the mind of a reasonable person, with knowledge of the relevant facts, about the integrity of the Corporation's programs or operations.

(d) The Corporation will determine whether a conflict of interest exists by considering any business relationship, financial interest, litigation, or other factors that may indicate such a conflict. Donations of property or voluntary services may not be solicited or accepted from a source which:

(1) Is a party to a grant or contract with the Corporation or is seeking to do business with the Corporation;

(2) Has pecuniary interests that may be substantially affected by performance or nonperformance of the Corporation; or

(b) If a purpose or condition for the use of the donation specified by the offeror can not be accommodated, the Corporation may request the offeror to modify the terms of the donation.

§ 2544.145 What will be done with property that is not accepted?

The proceeds of the sale will be used for an authorized purpose described in § 2544.125.

AUTHORITY: 42 U.S.C. 12638.

SOURCE: 58 FR 60981, Nov. 18, 1993, unless otherwise noted.

§ 2550.10 What is the purpose of this part?

(a) The Corporation for National and Community Service (the Corporation) seeks to meet the Nation's pressing human, educational, environmental and public safety needs through service and to reinvigorate the ethic of civic responsibility across the Nation. If the Corporation is to meet these goals, it is critical for each of the States to be actively involved.

(b) To be eligible to apply for program funding, or approved national service positions, each State must establish a State commission on national and community service to administer the State program grant making process and to develop a State plan. The Corporation may, in some instances, approve an alternative administrative entity (AAE).

(c) The Corporation will distribute grants of between \$125,000 and \$750,000 to States to cover the Federal share of operating the State commissions or AAEs.

(d) The purpose of this part is to provide States with the basic information essential to participate in the subtitle C programs. Of equal importance, this part gives an explanation of the preliminary steps States must take in order to receive money from the Corporation. This part also offers guidance on which of the two State entities States should seek to establish, and it explains the composition requirements, duties, responsibilities, restrictions, and other relevant information for State commissions and AAEs.

[58 FR 60981, Nov. 18, 1993, as amended at 67 FR 45362, July 9, 2002; 70 FR 39607, July 8, 2005]

§ 2550.20 Definitions.

(a) *AAE*. Alternative Administrative Entity.

(b) *Administrative costs*. As used in this part, those costs incurred by a State in the establishing and operating a State entity; the specific administrative costs for which a Corporation administrative grant may be used as defined in the Uniform Administrative Requirements for Grants and Agreements to State and Local Governments.

(c) *Alternative Administrative Entity (AAE)*. A State entity approved by the Corporation to perform the duties of a State Commission, including developing a three-year comprehensive national service plan, preparing applications to the Corporation for funding and approved national service positions, and administering service program grants; in general, an AAE must meet the same composition and other requirements as a State Commission, but may receive waivers from the Corporation to accommodate State laws that prohibit inquiring as to the political affiliation of members, to have more than 25 voting members (the maximum for a State Commission), and/or to select members in a manner other than selection by the chief executive officer of the State.

(d) *Approved National Service Position*. A national service program position for which the Corporation has approved the provision of a national service educational award as one of the benefits to be provided for successful completion of a term of service.

(e) *Corporation*. As used in this part, the Corporation for National and Community Service established pursuant to the National and Community Service Trust Act of 1993 (42 U.S.C. 12651).

(f) *Corporation representative*. Each of the individuals employed by the Corporation for National and Community Service to assist the States in carrying out national and community service activities; the Corporation representative must be included as a member of the State Commission or AAE.

(g) *Indian tribe*. (1) An Indian tribe, band, nation, or other organized group or community, including—

(i) Any Native village, as defined in section 3(c) of the Alaska Native Claims Settlement Act (43 U.S.C. 1602(c)), whether organized traditionally or pursuant to the Act of June 18, 1934 (commonly known as the “Indian Reorganization Act”; 48 Stat. 984, chapter 576; 25 U.S.C. 461 *et seq.*); and

(ii) Any Regional Corporation or Village Corporation as defined in the Alaska Native Claims Settlement Act (43 U.S.C. 1602 (g) or (j)), that is recognized as eligible for the special programs and services provided by the United States

under Federal law to Indians because of their status as Indians; and

(2) Any tribal organization controlled, sanctioned, or chartered by an entity described in paragraph (g)(1) of this section.

(h) *Older adult*. An individual 55 years of age or older.

(i) *Service-learning*. A method under which students or participants learn and develop through active participation in thoughtfully organized service that is conducted in and meets the needs of a community and that is coordinated with an elementary school, secondary school, institution of higher education, or community service program, and with the community; service-learning is integrated into and enhances the academic curriculum of the students, or the educational components of the community service program in which the participants are enrolled, and it provides time for the students or participants to reflect on the service experience.

(j) *Service learning programs*. The totality of the service learning programs receiving assistance from the Corporation under subtitle B of the Act, either directly or through a grant-making entity; this includes school-based, community-based, and higher education-based service-learning programs.

(k) *State*. As used in this part, the term State refers to each of the 50 States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands.

(l) *State Commission*. A bipartisan or nonpartisan State entity, approved by the Corporation, consisting of 15–25 members (appointed by the chief executive officer of the State), that is responsible for developing a comprehensive national service plan, assembling applications for funding and approved national service positions, and administering national and community service programs in the State.

(m) *State Educational Agency*. The same meaning given to such term in section 1471(23) of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 2891(23)).

(n) *State entity.* A State Commission, AAE, or Transitional Entity that has been authorized by the Corporation to perform the duties of a State Commission.

[58 FR 60981, Nov. 18, 1993, as amended at 67 FR 45362, July 9, 2002; 70 FR 39607, July 8, 2005]

§ 2550.30 How does a State decide whether to establish a State commission or an alternative administrative entity?

(a) Although each State's chief executive officer has the authority to select an administrative option, the Corporation strongly encourages States to establish State Commissions which meet the requirements in this part as quickly as possible. The requirements for State Commissions were established to try to create informed and effective entities.

(b) The Corporation recognizes that some States, for legal or other legitimate reasons, may not be able to meet all of the requirements of the State Commissions. The AAE is essentially the same as a State Commission; however, it may be exempt from some of the State Commission requirements. A State that cannot meet one of the waivable requirements of the State Commission (as explained in § 2550.60), and which can demonstrate this to the Corporation, should seek to establish an AAE.

(c) Regardless of which entity a State employs, each State is required to solicit broad-based, local input in an open, inclusive, non-political planning process.

[58 FR 60981, Nov. 18, 1993, as amended at 70 FR 39607, July 8, 2005]

§ 2550.40 How does a State obtain Corporation authorization and approval for the entity it has chosen?

(a) To receive approval of a State Commission or AAE, a State must formally establish an entity that meets the corresponding composition, membership, authority, and duty requirements of this part. (For the AAE, a State must demonstrate why it is impossible or unreasonable to establish a State Commission; an approved AAE, however, has the same rights and responsibilities as a State Commission.)

Once the entity is established, the State must provide written notice—in a format to be prescribed by the Corporation—to the chief executive officer of the Corporation of the composition, membership, and authorities of the State Commission or AAE and explain how the entity will perform its duties and functions. Further, the State must agree to, first, request approval from the Corporation for any subsequent changes in the composition or duties of a State Commission or AAE the State may wish to make, and, second, to comply with any future changes in Corporation requirements with regard to the composition or duties of a State Commission or AAE. If a State meets the applicable requirements, the Corporation will approve the State Commission or AAE.

(b) If the Corporation rejects a State application for approval of a State Commission or AAE because that application does not meet one or more of the requirements of §§ 2250.50 or 2550.60, it will notify the State of the reasons for rejection and offer assistance to make any necessary changes. The Corporation will reconsider revised applications within 14 working days of resubmission.

[58 FR 60981, Nov. 18, 1993, as amended at 70 FR 39607, July 8, 2005]

§ 2550.50 What are the composition requirements and other requirements, restrictions or guidelines for State Commissions?

The following provisions apply to both State Commissions and AAEs, except that AAEs may obtain waivers from certain provisions as explained in § 2550.60.

(a) *Size of the State Commission and terms of State Commission members.* The chief executive officer of a State must appoint 15–25 voting members to the State Commission (in addition to any non-voting members he or she may appoint). Voting members of a State Commission must be appointed to renewable three-year terms, except that initially a chief executive officer must appoint a third of the members to one-year terms and another third of the members to two-year terms.

(b) *Required voting members on a State Commission.* A member may represent

§ 2550.50

none, one, or more than one category, but each of the following categories must be represented:

(1) A representative of a community-based agency or organization in the State;

(2) The head of the State education agency or his or her designee;

(3) A representative of local government in the State;

(4) A representative of local labor organizations in the State;

(5) A representative of business;

(6) An individual between the ages of 16 and 25, inclusive, who is a participant or supervisor of a service program for school-age youth, or of a campus-based or national service program;

(7) A representative of a national service program;

(8) An individual with expertise in the educational, training, and development needs of youth, particularly disadvantaged youth;

(9) An individual with experience in promoting the involvement of older adults (age 55 and older) in service and volunteerism; and

(10) A representative of the volunteer sector.

(c) *Appointment of other voting members of a State Commission.* Any remaining voting members of a State Commission are appointed at the discretion of the chief executive officer of the State; however, although this list should not be construed as exhaustive, the Corporation suggests the following types of individuals:

(1) Educators, including representatives from institutions of higher education and local education agencies;

(2) Experts in the delivery of human, educational, environmental, or public safety services to communities and persons;

(3) Representatives of Indian tribes;

(4) Out-of-school or at-risk youth; and

(5) Representatives of programs that are administered or receive assistance under the Domestic Volunteer Service Act of 1973, as amended (DVSA) (42 U.S.C. 4950 *et seq.*).

(d) *Appointment of ex officio, non-voting members of a State Commission.* The chief executive officer of a State may appoint as ex officio, non-voting members of the State Commission officers

45 CFR Ch. XXV (10–1–24 Edition)

or employees of State agencies operating community service, youth service, education, social service, senior service, or job training programs.

(e) *Other composition requirements.* To the extent practicable, the chief executive officer of a State shall ensure that the membership for the State commission is diverse with respect to race, ethnicity, age, gender, and disability characteristics. Not more than 50 percent plus one of the voting members of a State commission may be from the same political party. In addition, the number of voting members of a State commission who are officers or employees of the State may not exceed 25% of the total membership of that State commission.

(f) *Selection of Chairperson.* The chairperson is elected by the voting members of a State Commission. To be eligible to serve as chairperson, an individual must be an appointed, voting member of a State Commission.

(g) *Vacancies.* If a vacancy occurs on a State Commission, a new member must be appointed by the chief executive officer of the State to serve for the remainder of the term for which the predecessor of such member was appointed. The vacancy will not affect the power of the remaining members to execute the duties of the Commission.

(h) *Compensation of State Commission members.* A member of a State Commission may not receive compensation for his or her services, but may be reimbursed (at the discretion of the State) for travel and daily expenses in the same manner as employees intermittently serving the State.

(i) *The role of the Corporation representative.* The Corporation will designate one of its employees to serve as a representative to each State or group of States. This individual must be included as an ex officio non-voting member on the State Commission. In general, the Corporation representative will be responsible for assisting States in carrying out national service activities.

§ 2550.60 From which of the State Commission requirements is an Alternative Administrative Entity exempt?

(a) An AAE is not automatically exempt from any of the requirements that govern State Commissions. However, there are three specific State Commission requirements which the Corporation may waive if a State can demonstrate that one or more of them is impossible or unreasonable to meet. If the Corporation waives a State Commission requirement for a State entity, that State entity is, de facto, an AAE. The three criteria which may be waived for an AAE are as follows:

(1) *The requirement that a State's chief executive officer appoint the members of a State Commission.* If a State can offer a compelling reason why some or all of the State Commission members should be appointed by the State legislature or by some other appropriate means, the Corporation may grant a waiver.

(2) *The requirement that a State Commission have 15–25 members.* If a State compellingly demonstrates why its commission should have a larger number of members, the Corporation may grant a waiver.

(3) *The requirement that not more than 50% plus one of the State Commission's voting members be from the same political party.* This requirement was established to prevent State Commissions from being politically motivated or controlled; however, in some States it is illegal to require prospective members to provide information about political party affiliation. For this or another compelling reason, the Corporation may grant a waiver.

(b) Again, any time the Corporation grants one or more of these waivers for a State entity, that entity becomes an AAE; in all other respects an AAE is the same as a State Commission, having the same requirements, rights, duties and responsibilities.

§ 2550.70 [Reserved]

§ 2550.80 What are the duties of the State entities?

Both State commissions and AAEs have the same duties. This section lists the duties that apply to both State commissions and AAEs—collectively

referred to as State entities. Functions described in paragraphs (e) through (j) of this section are non-policy-making and may be delegated to another State agency or nonprofit organization. The duties are as follows:

(a) *Development of a three-year, comprehensive national and community service plan and establishment of State priorities.* The State entity must develop and annually update a Statewide plan for national service covering a three-year period, the beginning of which may be set by the State, that is consistent with the Corporation's broad goals of meeting human, educational, environmental, and public safety needs and meets the following minimum requirements:

(1) The plan must be developed through an open and public process (such as through regional forums or hearings) that provides for the maximum participation and input from a broad cross-section of individuals and organizations, including national service programs within the State, community-based agencies, organizations with a demonstrated record of providing educational, public safety, human, or environmental services, residents of the State, including youth and other prospective participants, State Educational Agencies, traditional service organizations, labor unions, and other interested members of the public.

(2) The plan must ensure outreach to diverse, broad-based community organizations that serve underrepresented populations by creating State networks and registries or by utilizing existing ones.

(3) The plan must set forth the State's goals, priorities, and strategies for promoting national and community service and strengthening its service infrastructure, including how Corporation-funded programs fit into the plan.

(4) The plan may contain such other information as the State commission considers appropriate and must contain such other information as the Corporation may require.

(5) The plan must ensure outreach to, and coordination with, municipalities and county governments regarding the national service laws.

(6) The plan must provide for effective coordination of funding applications submitted by the State and other organizations within the State under the national service laws.

(7) The plan must include measurable goals and outcomes for national service programs funded through the State consistent with the performance levels for national service programs.

(8) The plan is subject to approval by the chief executive officer of the State.

(9) The plan must be submitted, in its entirety, in summary, or in part, to the Corporation upon request.

(b) *Selection of subtitle C programs and preparation of application to the Corporation.* Each State must:

(1) Prepare an application to the Corporation to receive funding or education awards for national service programs operating in and selected by the State.

(2) Administer a competitive process to select national service programs for funding. The State is not required to select programs for funding prior to submission of the application described in paragraph (b)(1) of this section.

(c) *Preparation of Service Learning applications.* (1) The State entity is required to assist the State education agency in preparing the application for subtitle B school-based service learning programs.

(2) The State entity may apply to the Corporation to receive funding for community-based subtitle programs after coordination with the State Educational Agency.

(d) *Administration of the grants program.* After subtitle C and community-based subtitle B funds are awarded, States entities will be responsible for administering the grants and overseeing and monitoring the performance and progress of funded programs.

(e) *Evaluation and monitoring.* State entities, in concert with the Corporation, shall be responsible for implementing comprehensive, non-duplicative evaluation and monitoring systems.

(f) *Technical assistance.* The State entity will be responsible for providing technical assistance to local nonprofit organizations and other entities in planning programs, applying for funds, and in implementing and operating

high quality programs. States should encourage proposals from underserved communities.

(g) *Program development assistance and training.* The State entity must assist in the development of subtitle C programs; such development might include staff training, curriculum materials, and other relevant materials and activities. A description of such proposed assistance must be included in the State comprehensive plan referred to in paragraph (a) of this section. A State may apply for additional subtitle C programs training and technical assistance funds to perform these functions. The Corporation will issue notices of availability of funds with respect to training and technical assistance.

(h) *Recruitment and placement.* The State entity, as well as the Corporation, will develop mechanisms for recruitment and placement of people interested in participating in national service programs.

(i) *Benefits.* The State entity shall assist in the provision of health and child care benefits to subtitle C program participants, as will be specified in the regulations implementing the subtitle C programs.

(j) *Activity ineligible for assistance.* A State commission or AAE may not directly carry out any national service program that receives financial assistance under section 121 of the NCSA or title II of the DVSA.

(k) *Make recommendations to the Corporation* with respect to priorities within the State for programs receiving assistance under DVSA.

(1) *Coordination—(1) Coordination with other State agencies.* A State entity must coordinate its activities with the activities of other State agencies that administer Federal financial assistance programs under the Community Services Block Grant Act (42 U.S.C. 9901 *et seq.*) or other appropriate Federal financial assistance programs.

(2) *Coordination with volunteer service programs.* In general, the State entity shall coordinate its functions (including recruitment, public awareness, and training activities) with such functions of any division of ACTION, or the Corporation, that carries out volunteer

service programs in the State. Specifically, the State entity may enter into an agreement with a division of ACTION or the Corporation to carry out its functions jointly, to perform its functions itself, or to assign responsibility for its functions to ACTION or the Corporation.

(3) In carrying out the activities under paragraphs (1)(1) and (2) of this section, the parties involved must exchange information about the programs carried out in the State by the State entity, a division of ACTION or the Corporation, as well as information about opportunities to coordinate activities.

(m) *Supplemental State Service Plan for Adults Age 55 or Older.* To be eligible to receive a grant or allotment under subtitles B or C of title I of the National and Community Service Act (42 U.S.C. 12501 *et seq.*), or to receive a distribution of approved national service positions under subtitle C of title I of that Act, a State must work with appropriate State agencies and private entities to develop a comprehensive State service plan for service by adults age 55 or older. This plan must:

(1) Include the following elements:

(i) Recommendations for policies to increase service for adults age 55 or older, including how to best use such adults as sources of social capital, and how to utilize their skills and experience to address community needs;

(ii) Recommendations to the State agency on aging (as defined in section 102 of the Older Americans Act of 1965, 42 U.S.C. 3002) on a marketing outreach plan to businesses and outreach to non-profit organizations, the State educational agency, institutions of higher education, and other State agencies;

(iii) Recommendations for civic engagement and multigenerational activities, including early childhood education and care, family literacy, and other after school programs, respite services for adults age 55 or older and caregivers, and transitions for older adults age 55 or older to purposeful work in their post-career lives;

(2) Incorporate the current knowledge base regarding—

(i) The economic impact of the roles of workers age 55 or older in the economy;

(ii) The social impact of the roles of such workers in the community;

(iii) The health and social benefits of active engagement for adults age 55 or older; and

(3) Be made available to the public and transmitted to the Corporation.

[58 FR 60981, Nov. 18, 1993, as amended at 70 FR 39607, July 8, 2005; 73 FR 53762, Sept. 17, 2008; 74 FR 46507, Sept. 10, 2009; 74 FR 48866, Sept. 25, 2009; 75 FR 51415, Aug. 20, 2010]

§ 2550.85 How will the State Plan be assessed?

The Corporation will assess the quality of your State Plan as evidenced by:

(a) The development and quality of realistic goals and objectives for moving service ahead in the State;

(b) The extent to which proposed strategies can reasonably be expected to accomplish stated goals; and

(c) The extent of input in the development of the State plan from a broad cross-section of individuals and organizations as required by § 2550.80(a)(1).

[73 FR 53762, Sept. 17, 2008]

§ 2550.90 Are there any restrictions on the activities of the members of State Commissions or Alternative Administrative Entities?

To avoid a conflict of interest (or the appearance of a conflict of interest) regarding the provision of assistance or approved national service positions, members of a State Commission or AAE must adhere to the following provisions:

(a) *General restriction.* Members of State Commissions and AAEs are restricted in several ways from the grant approval and administration process for any grant application submitted by an organization for which they are currently, or were within one year of the submission of the application, officers, directors, trustees, full-time volunteers or employees. The restrictions for such individuals are as follows:

(1) They cannot assist the applying organization in preparing the grant application;

(2) They must recuse themselves from the discussions or decisions regarding the grant application and any other grant applications submitted to the Commission or AAE under the

§ 2550.100

same program (e.g., subtitle B programs or subtitle C programs); and

(3) They cannot participate in the oversight, evaluation, continuation, suspension or termination of the grant award.

(b) *Exception to achieve a quorum.* If this general restriction creates a situation in which a Commission or AAE does not have enough eligible voting members to achieve a quorum, the Commission or AAE may involve some normally-excluded members subject to the following conditions:

(1) A Commission or AAE may randomly and in a non-discretionary manner select the number of refused members necessary to achieve a quorum;

(2) Notwithstanding paragraph (b)(1) of this section, no Commission or AAE member may, under any circumstances, participate in any discussions or decisions regarding a grant application submitted by an organization with which he or she is or was affiliated according to the definitions in paragraph (a) of this section; and

(3) If recused members are included so as to achieve quorum, the State Commission or AAE must document the event and report to the Corporation within 30 days of the vote.

(c) *Rule of construction.* Paragraph (a) of this section shall not be construed to limit the authority of any voting member of the State Commission or AAE to participate in—

(1) Discussion of, and hearings and forums on, the general duties, policies and operations of the Commission or AAE, or general program administration; or

(2) Similar general matters relating to the Commission or AAE.

§ 2550.100 Do State entities or their members incur any risk of liability?

(a) *State liability.* Except as provided in paragraph (b) of this section, a State must agree to assume liability with respect to any claim arising out of or resulting from any act or omission by a member of the State Commission or AAE, within the scope of the service of that member.

(b) *Individual liability.* A member of the State Commission or AAE shall have no personal liability with respect

45 CFR Ch. XXV (10–1–24 Edition)

to any claim arising out of or resulting from any act or omission by that member, within the scope of the service of that member. This does not, however, limit personal liability for criminal acts or omissions, willful or malicious misconduct, acts or omissions for private gain, or any other act or omission outside the scope of the service of that member. Similarly, this part does not limit or alter in any way any other immunities that are available under applicable law for State officials and employees not described in this section; nor does this part affect any other right or remedy against the State or any person other than a member of a State Commission or AAE.

§ 2550.110 What grants will be available from the Corporation to assist in establishing and operating a State Commission, Alternative Administrative Entity, or Transitional Entity?

(a) *Administrative Grants.* The Corporation may make administrative grants to States in an amount no less than \$250,000 and up to \$1 million for the purpose of establishing or operating a State Commission or AAE; these grants will be available to States which have Corporation-approved Transitional Entities only if those States commit to establishing a Corporation-approved State Commission or AAE prior to the expiration of the transitional period.

(b) *Limitation on Federal share.* Except as provided in paragraph (c) of this section, the amount of a grant that may be provided to a State under this subsection, together with other Federal funds available to establish or operate the State Commission or AAE, may not exceed 50 percent of the total cost to establish or operate the State Commission or AAE.

(c) *Alternative Match Schedule.* The Corporation may permit a State that demonstrates hardship or a new State Commission to meet alternative matching requirements for such a grant as follows:

Corporation for National and Community Service

Pt. 2551

Grant amount	Match requirement
(1) First \$100,000	No match requirement.
(2) Amounts above \$100,000 but less than \$250,000	\$1 of non-Federal funds for every \$2 provided by the Corporation in excess of \$100,000.
(3) Amounts greater than \$250,000	\$1 of non-Federal funds for every \$1 provided by the Corporation in excess of \$250,000.

(4) If a volunteer station agrees to provide funds to support additional Senior Companions or pay for other Senior Companion support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station's inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project's financial capabilities to fulfill its obligations.

If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part.

(h) *Nepotism*. Persons selected for project staff positions shall not be related by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concurrence from the Advisory Council or community group established by the sponsor under subpart B of this part, and with notification to AmeriCorps.

(b) *Under what circumstances does AmeriCorps allow less than the 10 percent non-AmeriCorps support?* AmeriCorps may allow exceptions to the 10 percent local support requirement in cases of demonstrated need such as:

(1) Initial difficulties in the development of local funding sources during the first three years of operations; or

(2) An economic downturn, the occurrence of a natural disaster, or similar events in the service area that severely restrict or reduce sources of local funding support; or

(3) The unexpected discontinuation of local support from one or more sources that a project has relied on for a period of years.

(c) *May AmeriCorps restrict how a sponsor uses locally generated contributions in excess of the 10 percent non-AmeriCorps support required?* Whenever locally generated contributions to Foster Grandparent projects are in excess of the minimum 10 percent non-AmeriCorps support required, AmeriCorps may not restrict the manner in which such contributions are expended provided such expenditures are consistent with the provisions of the Act.

of Federal and non-Federal funds, including expenditures from excess locally generated contributions in support of the grant are subject to audit by AmeriCorps, its Inspector General, or their authorized agents.

expenditure of grant funds?**

(a) *Political activities.* (1) No part of any grant shall be used to finance, directly or indirectly, any activity to influence the outcome of any election to public office, or any voter registration activity.

(2) No project shall be conducted in a manner involving the use of funds, the provision of services, or the employment or assignment of personnel in a matter supporting or resulting in the identification of such project with:

(i) Any partisan or nonpartisan political activity associated with a candidate, or contending faction or group, in an election; or

(ii) Any activity to provide voters or prospective voters with transportation to the polls or similar assistance in connection with any such election; or

(3) The sponsor shall not use grant funds in any activity for the purpose of influencing the passage or defeat of legislation or proposals by initiative petition, except:

(4) If a volunteer station agrees to provide funds to support additional Foster Grandparents or pay for other Foster Grandparent support costs, the agreement shall be stated in a written Memorandum of Understanding. The sponsor shall withdraw services if the station's inability to provide monetary or in-kind support to the project under the Memorandum of Understanding diminishes or jeopardizes the project's financial capabilities to fulfill its obligations.

If an organization conducts such activities, the activities must be offered separately, in time or location, from the programs or services funded under this part.

(h) *Nepotism.* Persons selected for project staff positions shall not be related by blood or marriage to other project staff, sponsor staff or officers, or members of the sponsor Board of Directors, unless there is written concurrence from the Advisory Council or community group established by the sponsor under subpart B of this part, and with notification to AmeriCorps.

§ 2554.1

OVERVIEW AND DEFINITIONS

§ 2554.1 Overview of regulations.

(a) *Statutory basis.* This part implements the Program Fraud Civil Remedies Act of 1986, 31 U.S.C. 3801-3812 (“the Act”). The Act provides the Corporation and other federal agencies with an administrative remedy to impose civil penalties and assessments against persons making false claims and statements. The Act also provides due process protections to all persons who are subject to administrative proceedings under this part.

(b) *Possible remedies for program fraud.* In addition to any other penalties that may be prescribed by law, a person who submits, or causes to be submitted, a false claim or a false statement to the Corporation is subject to a civil penalty of not more than \$13,946 for each statement or claim, regardless of whether property, services, or money is actually delivered or paid by the Corporation. If the Corporation has made any payment, transferred property, or provided services in reliance on a false claim, the person submitting it also is subject to an assessment of not more than twice the amount of the false claim. This assessment is in lieu of damages sustained by the Corporation because of the false claim.

§ 2554.2 What kind of conduct will result in program fraud enforcement?

(a) Any person who makes, or causes to be made, a false, fictitious, or fraudulent claim or written statement to the Corporation is subject to program fraud enforcement. A “person” means any individual, partnership, corporation, association, or other legal entity.

(b) If more than one person makes a false claim or statement, each person is liable for a civil penalty. If more than one person makes a false claim which has induced the Corporation to make payment, an assessment is imposed against each person. The liability of each such person to pay the as-

essment is joint and several, that is, each is responsible for the entire amount.

(c) No proof of specific intent to defraud is required to establish liability under this part.

§ 2554.3 What is a claim?

(a) Claim means any request, demand, or submission:

(1) Made to the Corporation for property, services, or money;

(2) Made to a recipient of property, services, or money from the Corporation or to a party to a contract with the Corporation for property or services, or for the payment of money. This provision applies only when the claim is related to property, services or money from the Corporation or to a contract with the Corporation; or

(3) Made to the Corporation which decreases an obligation to pay or account for property, services, or money.

(b) A claim can relate to grants, loans, insurance, or other benefits, and includes the Corporation guaranteed loans made by participating lenders. A claim is made when it is received by the Corporation, an agent, fiscal intermediary, or other entity acting for the Corporation, or when it is received by the recipient of property, services, or money, or the party to a contract.

(c) Each voucher, invoice, claim form, or individual request or demand for property, services, or money constitutes a separate claim.

§ 2554.4 What is a statement?

A “statement” means any written representation, certification, affirmation, document, record, or accounting or bookkeeping entry made with respect to a claim or with respect to a contract, bid or proposal for a contract, grant, loan or other benefit from the Corporation. “From the Corporation” means that the Corporation provides some portion of the money or property in connection with the contract, bid, grant, loan, or benefit, or is potentially liable to another party for some portion of the money or property under such contract, bid, grant, loan, or benefit. A statement is made, presented, or submitted to the Corporation when it is received by the Corporation or an agent, fiscal intermediary,

or other entity acting for the Corporation.

PROCEDURES LEADING TO ISSUANCE OF A COMPLAINT

§ 2554.5 What is a false claim or statement?

(a) A claim submitted to the Corporation is a “false” claim if the person making the claim, or causing the claim to be made, knows or has reason to know that the claim:

- (1) Is false, fictitious or fraudulent;
- (2) Includes or is supported by a written statement which asserts or contains a material fact which is false, fictitious, or fraudulent;
- (3) Includes or is supported by a written statement which is false, fictitious or fraudulent because it omits a material fact that the person making the statement has a duty to include in the statement; or
- (4) Is for payment for the provision of property or services which the person has not provided as claimed.

(b) A statement submitted to the Corporation is a false statement if the person making the statement, or causing the statement to be made, knows or has reason to know that the statement:

- (1) Asserts a material fact which is false, fictitious, or fraudulent; or
- (2) Is false, fictitious, or fraudulent because it omits a material fact that the person making the statement has a duty to include in the statement. In addition, the statement must contain or be accompanied by an express certification or affirmation of the truthfulness and accuracy of the contents of the statement.

§ 2554.6 What does the phrase “know or have reason to know” mean?

A person knows or has reason to know (that a claim or statement is false) if the person:

- (a) Has actual knowledge that the claim or statement is false, fictitious, or fraudulent; or
- (b) Acts in deliberate ignorance of the truth or falsity of the claim or statement; or
- (c) Acts in reckless disregard of the truth or falsity of the claim or statement.

§ 2554.7 Who investigates program fraud?

The Inspector General, or his designee, is the investigating official responsible for investigating allegations that a false claim or statement has been made. In this regard, the Inspector General has authority under the Program Fraud Civil Remedies Act and the Inspector General Act of 1978 (5 U.S.C. App. 3), as amended, to issue administrative subpoenas for the production of records and documents.

§ 2554.8 What happens if program fraud is suspected?

(a) If the investigating official concludes that an action under this Part is warranted, the investigating official submits a report containing the findings and conclusions of the investigation to a reviewing official. The reviewing official is the General Counsel or his or her designee. If the reviewing official determines that the report provides adequate evidence that a person submitted a false claim or statement, the reviewing official transmits to the Attorney General written notice of an intention to refer the matter for adjudication, with a request for approval of such referral. This notice will include the reviewing official’s statements concerning:

- (1) The reasons for the referral;
- (2) The claims or statements upon which liability would be based;
- (3) The evidence that supports liability;
- (4) An estimate of the amount of money or the value of property, services, or other benefits requested or demanded in the false claim or statement;
- (5) Any exculpatory or mitigating circumstances that may relate to the claims or statements known by the reviewing official or the investigating official; and
- (6) A statement that there is a reasonable prospect of collecting an appropriate amount of penalties and assessments.

(b) If at any time, the Attorney General or his or her designee requests in

§ 2554.9

writing that this administrative process be stayed, the authority head, as identified in § 2554.9 of this Part, must stay the process immediately. The authority head may order the process resumed only upon receipt of the written authorization of the Attorney General.

§ 2554.9 Who is the Corporation's authority head?

The Corporation's "authority head" is the Chief Executive Officer or his or her designee. For purposes of this Part, the Corporation's Chief Financial Officer is designated to act on behalf of the Chief Executive Officer.

§ 2554.10 When will the Corporation issue a complaint?

The Corporation will issue a complaint:

(a) If the Attorney General (or designee) approves the referral of the allegations for adjudication; and

(b) In a case of submission of false claims, if the amount of money or the value of property or services demanded or requested in a false claim, or a group of related claims submitted at the same time, does not exceed \$150,000. "A group of related claims submitted at the same time" includes only those claims arising from the same transaction (such as a grant, loan, application, or contract) which are submitted together as part of a single request, demand, or submission.

§ 2554.11 What is contained in a complaint?

(a) A complaint is a written statement giving notice to the person alleged to be liable under 31 U.S.C. 3802 of the specific allegations being referred for adjudication and of the person's right to request a hearing with respect to those allegations. The person alleged to have made false statements or to have submitted false claims to the Corporation is referred to as the "defendant."

(b) The reviewing official may join in a single complaint, false claims or statements that are unrelated, or that were not submitted simultaneously, regardless of the amount of money or the value of property or services demanded or requested.

45 CFR Ch. XXV (10-1-24 Edition)

(c) The complaint will state that the Corporation seeks to impose civil penalties, assessments, or both, against each defendant and will include:

(1) The allegations of liability against each defendant, including the statutory basis for liability, identification of the claims or statements involved, and the reasons liability allegedly arises from such claims or statements;

(2) The maximum amount of penalties and assessments for which each defendant may be held liable;

(3) A statement that each defendant may request a hearing by filing an answer and may be represented by a representative;

(4) Instructions for filing such an answer;

(5) A warning that failure to file an answer within 30 days of service of the complaint will result in imposition of the maximum amount of penalties and assessments.

(d) The reviewing official must serve any complaint on the defendant and, if a hearing is requested by the defendant, provide a copy to the Administrative Law Judge (ALJ) assigned to the case.

§ 2554.12 How will the complaint be served?

(a) The complaint must be served on individual defendants directly, a partnership through a general partner, and on corporations or on unincorporated associations through an executive officer or a director, except that service also may be made on any person authorized by appointment or by law to receive process for the defendant.

(b) The complaint may be served either by:

(1) Registered or certified mail (return receipt requested) addressed to the defendant at his or her residence, usual dwelling place, principal office or place of business; or by

(2) Personal delivery by anyone 18 years of age or older.

(c) The date of service is the date of personal delivery or, in the case of service by registered or certified mail, the date of postmark.

(d) Proof of service—

(1) When service is made by registered or certified mail, the return

postal receipt will serve as proof of service.

(2) When service is made by personal delivery, an affidavit of the individual serving the complaint, or written acknowledgment of receipt by the defendant or a representative, will serve as proof of service.

(e) When served with the complaint, the defendant also should be served with a copy of this Part 2554 and 31 U.S.C. 3801-3812.

PROCEDURES FOLLOWING SERVICE OF A COMPLAINT

§ 2554.13 How does a defendant respond to the complaint?

(a) A defendant may file an answer with the reviewing official within 30 days of service of the complaint. An answer will be considered a request for an oral hearing.

(b) In the answer, a defendant—

(1) Must admit or deny each of the allegations of liability contained in the complaint (a failure to deny an allegation is considered an admission);

(2) Must state any defense on which the defendant intends to rely;

(3) May state any reasons why he or she believes the penalties, assessments, or both should be less than the statutory maximum; and

(4) Must state the name, address, and telephone number of the person authorized by the defendant to act as defendant's representative, if any.

(c) If the defendant is unable to file an answer which meets the requirements set forth in paragraph (b) of this section, the defendant may file with the reviewing official a general answer denying liability, requesting a hearing, and requesting an extension of time in which to file a complete answer. A general answer must be filed within 30 days of service of the complaint.

(d) If the defendant initially files a general answer requesting an extension of time, the reviewing official must promptly file with the ALJ the complaint, the general answer, and the request for an extension of time.

(e) For good cause shown, the ALJ may grant the defendant up to 30 additional days within which to file an answer meeting the requirements of paragraph (b) of this section. Such answer must be filed with the ALJ and a copy

must be served on the reviewing official.

§ 2554.14 What happens if a defendant fails to file an answer?

(a) If a defendant does not file any answer within 30 days after service of the complaint, the reviewing official will refer the complaint to the ALJ.

(b) Once the complaint is referred, the ALJ will promptly serve on the defendant a notice that an initial decision will be issued.

(c) The ALJ will assume the facts alleged in the complaint to be true and, if such facts establish liability under the statute, the ALJ will issue an initial decision imposing the maximum amount of penalties and assessments allowed under the statute.

(d) Except as otherwise provided in this section, when a defendant fails to file a timely answer, the defendant waives any right to further review of the penalties and assessments imposed in the initial decision.

(e) The initial decision becomes final 30 days after it is issued.

(f) If, at any time before an initial decision becomes final, a defendant files a motion with the ALJ asking that the case be reopened and describing the extraordinary circumstances that prevented the defendant from filing an answer, the initial decision will be stayed until the ALJ makes a decision on the motion. The reviewing official may respond to the motion.

(g) If, in his motion to reopen, a defendant demonstrates extraordinary circumstances excusing his failure to file a timely answer, the ALJ will withdraw the initial decision, and grant the defendant an opportunity to answer the complaint.

(h) A decision by the ALJ to deny a defendant's motion to reopen a case is not subject to review or reconsideration.

(i) The defendant may appeal to the authority head the decision denying a motion to reopen by filing a notice of appeal with the authority head within 15 days after the ALJ denies the motion. The timely filing of a notice of appeal shall stay the initial decision until the authority head decides the issue.

§ 2554.15

(j) If the defendant files a timely notice of appeal with the authority head, the ALJ shall forward the record of the proceeding to the authority head.

(k) The authority head shall decide expeditiously whether extraordinary circumstances excuse the defendant's failure to file a timely answer based solely on the record before the ALJ.

(l) If the authority head decides that extraordinary circumstances excused the defendant's failure to file a timely answer, the authority head shall remand the case to the ALJ with instructions to grant the defendant an opportunity to answer.

(m) If the authority head decides that the defendant's failure to file a timely answer is not excused, the authority head shall reinstate the initial decision of the ALJ, which shall become final and binding upon the parties 30 days after the authority head issues such decision.

§ 2554.15 What happens once an answer is filed?

(a) When the reviewing official receives an answer, he must file concurrently, the complaint and the answer with the ALJ, along with a designation of a Corporation representative.

(b) When the ALJ receives the complaint and the answer, the ALJ will promptly serve a notice of oral hearing upon the defendant and the representative for the Corporation, in the same manner as the complaint, service of which is described in § 2554.12. The notice of oral hearing must be served within six years of the date on which the claim or statement is made.

(c) The notice must include:

(1) The tentative time, place and nature of the hearing;

(2) The legal authority and jurisdiction under which the hearing is to be held;

(3) The matters of fact and law to be asserted;

(4) A description of the procedures for the conduct of the hearing;

(5) The name, address, and telephone number of the defendant's representative and the representative for the Corporation; and

(6) Such other matters as the ALJ deems appropriate.

45 CFR Ch. XXV (10–1–24 Edition)

(d) The six-year statute of limitation may be extended by agreement of the parties.

HEARING PROVISIONS

§ 2554.16 What kind of hearing is contemplated?

The hearing is a formal proceeding conducted by the ALJ during which a defendant will have the opportunity to cross-examine witnesses, present testimony, and dispute liability.

§ 2554.17 At the hearing, what rights do the parties have?

(a) The parties to the hearing shall be the defendant and the Corporation. Pursuant to 31 U.S.C. 3730(c)(5), a private plaintiff in an action under the False Claims Act may participate in the hearing to the extent authorized by the provisions of that Act.

(5) Issue subpoenas requiring the attendance of witnesses and the production of documents at depositions or at hearings;

(6) Rule on motions and other procedural matters;

(7) Regulate the scope and timing of discovery;

(8) Regulate the course of the hearing and the conduct of representatives and parties;

(14) Exercise such other authority as is necessary to carry out the responsibilities of the ALJ under this part.

(c) The ALJ does not have the authority to find Federal statutes or regulations invalid.

§ 2554.19 Can the reviewing official or ALJ be disqualified?

(a) A reviewing official or an ALJ may disqualify himself or herself at any time.

(b) Upon motion of any party, the reviewing official or ALJ may be disqualified as follows:

(1) The motion must be supported by an affidavit containing specific facts establishing that personal bias or other reason for disqualification exists, including the time and circumstances of the discovery of such facts;

(2) The motion must be filed promptly after discovery of the grounds for disqualification, or the objection will be deemed waived; and

(3) The party, or representative of record, must certify in writing that the motion is made in good faith.

(c) Once a motion has been filed to disqualify the reviewing official, the

ALJ will halt the proceedings until resolving the matter of disqualification. If the ALJ determines that the reviewing official is disqualified, the ALJ will dismiss the complaint without prejudice. If the ALJ disqualifies himself or herself, the case will be promptly reassigned to another ALJ.

§ 2554.20 How are issues brought to the attention of the ALJ?

(a) All applications to the ALJ for an order or ruling shall be by motion. Motions shall state the relief sought, the authority relied upon, and the facts alleged, and shall be filed with the ALJ and served on all other parties.

(b) Except for motions made during a prehearing conference or at the hearing, all motions shall be in writing. The ALJ may require that oral motions be reduced to writing.

(c) Within 15 days after a written motion is served, or such other time as may be fixed by the ALJ, any party may file a response to such motion.

(d) The ALJ may not grant a written motion before the time for filing responses thereto has expired, except upon consent of the parties or following a hearing on the motion, but may overrule or deny such motion without awaiting a response.

(e) The ALJ shall make a reasonable effort to dispose of all outstanding motions prior to the beginning of the hearing.

§ 2554.21 How are papers served?

(a) *Form.* (1) Documents filed with the ALJ shall include an original and two copies.

(2) Every pleading and paper filed in the proceeding shall contain a caption setting forth the title of the action, the case number assigned by the ALJ, and a designation of the paper (e.g., motion to quash subpoena).

(3) Every pleading and paper shall be signed by, and shall contain the address and telephone number of the party or the person on whose behalf the paper was filed, or his or her representative.

(4) Papers are considered filed when they are mailed. Date of mailing may be established by a certificate from the party or its representative or by proof

§ 2554.22

that the document was sent by certified or registered mail.

(b) *Service.* A party filing a document with the ALJ shall at the time of filing, serve a copy of such document on every other party. Service upon any party of any document other than those required to be served as prescribed in §2554.12 shall be made by delivering a copy or by placing a copy of the document in the United States mail, postage prepaid and addressed, to the party's last known address. When a party is represented by a representative, service shall be made upon such representative in lieu of the actual party.

(c) *Proof of service.* A certificate of the individual serving the document by personal delivery or by mail, setting forth the manner of service, shall be proof of service.

§ 2554.22 How is time computed?

(a) In computing any period of time under this part or in an order issued thereunder, the time begins with the day following the act, event, or default, and includes the last day of the period, unless it is a Saturday, Sunday, or legal holiday observed by the Federal government, in which event it includes the next business day.

(b) When the period of time allowed is less than seven days, intermediate Saturdays, Sundays, and legal holidays observed by the Federal government shall be excluded from the computation.

45 CFR Ch. XXV (10–1–24 Edition)

(3) Stipulations and admissions of fact or as to the contents and authenticity of documents;

(6) Limitation of the number of witnesses;

(7) Scheduling dates for the exchange of witness lists and of proposed exhibits;

(8) Discovery;

(9) The time and place for the hearing; and

§ 2554.24 What rights are there to review documents?

(a) Upon written request to the reviewing official, the defendant may review any relevant and material documents, transcripts, records, and other materials that relate to the allegations set out in the complaint and upon which the findings and conclusions of the investigating official under §2554.8 are based, unless such documents are subject to a privilege under Federal law. Upon payment of fees for duplication, the defendant may obtain copies of such documents.

(b) Upon written request to the reviewing official, the defendant also may obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint, even if it is contained in a document that would otherwise be privileged. If the document would otherwise be privileged, only that portion containing exculpatory information must be disclosed.

(c) The notice sent to the Attorney General from the reviewing official as described in §2554.8 is not discoverable under any circumstances.

(d) The defendant may file a motion to compel disclosure of the documents subject to the provisions of this section. Such a motion may only be filed with the ALJ following the filing of an answer pursuant to § 2554.13.

- (3) Written interrogatories; and
- (4) Depositions.

(b) For the purpose of this section and §§ 2554.27 and 2554.28, the term “documents” includes information, documents, reports, answers, records, accounts, papers, and other data and documentary evidence. Nothing contained herein shall be interpreted to require the creation of a document.

(c) Unless mutually agreed to by the parties, discovery is available only as ordered by the ALJ. The ALJ shall regulate the timing of discovery.

(d) *Motions for discovery.* (1) A party seeking discovery may file a motion with the ALJ. Such a motion shall be accompanied by a copy of the requested discovery, or in the case of depositions, a summary of the scope of the proposed deposition.

(2) Within ten days of service, a party may file an opposition to the motion and/or a motion for protective order as provided in § 2554.30.

(3) The ALJ may grant a motion for discovery only if he or she finds that the discovery sought—

- (i) Is necessary for the expeditious, fair, and reasonable consideration of the issues;
- (ii) Is not unduly costly or burdensome;
- (iii) Will not unduly delay the proceeding; and
- (iv) Does not seek privileged information.

(4) The burden of showing that discovery should be allowed is on the party seeking discovery.

(5) The ALJ may grant discovery subject to a protective order under § 2554.30.

(e) *Depositions.* (1) If a motion for deposition is granted, the ALJ shall issue a subpoena for the deponent, which may require the deponent to produce documents. The subpoena shall specify the time and place at which the deposition will be held.

(2) The party seeking to depose shall serve the subpoena in the manner prescribed in § 2554.12.

(3) The deponent may file with the ALJ a motion to quash the subpoena or a motion for a protective order within ten days of service.

(4) The party seeking to depose shall provide for the taking of a verbatim transcript of the deposition, which it shall make available to all other parties for inspection and copying.

(f) Each party shall bear its own costs of discovery.

§ 2554.26 Are there limits on disclosure of documents or discovery?

(a) Upon written request to the reviewing official, the defendant may review all non-privileged, relevant and material documents, records and other material related to the allegations contained in the complaint. After paying the Corporation a reasonable fee for duplication, the defendant may obtain a copy of the records described.

(b) Upon written request to the reviewing official, the defendant may obtain a copy of all exculpatory information in the possession of the reviewing official or investigating official relating to the allegations in the complaint. If the document would otherwise be privileged, only the portion of the document containing exculpatory information must be disclosed. As used in this section, the term “information” does not include legal materials such as statutes or case law obtained through legal research.

(c) The notice sent to the Attorney General from the reviewing official is not discoverable under any circumstances.

(d) Other discovery is available only as ordered by the ALJ and includes only those methods of discovery allowed by § 2554.25.

§ 2554.27

§ 2554.27 Are witness lists exchanged before the hearing?

(a) At least 15 days before the hearing or at such other time as ordered by the ALJ, the parties must exchange witness lists and copies of proposed hearing exhibits, including copies of any written statements or transcripts of deposition testimony that the party intends to offer in lieu of live testimony.

(b) If a party objects, the ALJ will not admit into evidence the testimony of any witness whose name does not appear on the witness list or any exhibit not provided to an opposing party unless the ALJ finds good cause for the omission or concludes that there is no prejudice to the objecting party.

(c) Unless a party objects within the time set by the ALJ, documents exchanged in accordance with this section are deemed to be authentic for the purpose of admissibility at the hearing.

§ 2554.28 Can witnesses be subpoenaed?

(a) A party wishing to procure the appearance and testimony of any individual at the hearing may request that the ALJ issue a subpoena.

(b) A subpoena requiring the attendance and testimony of an individual may also require the individual to produce documents at the hearing.

(c) A party seeking a subpoena shall file a written request therefore not less than 15 days before the date fixed for the hearing unless otherwise allowed by the ALJ for good cause shown. Such request shall specify any documents to be produced and shall designate the witnesses and describe the address and location thereof with sufficient particularity to permit such witnesses to be found.

(d) The subpoena shall specify the time and place at which the witness is to appear and any documents the witness is to produce.

(e) The party seeking the subpoena shall serve it in the manner prescribed in § 2554.12. A subpoena on a party or upon an individual under the control of a party may be served by first class mail.

(f) A party or the individual to whom the subpoena is directed may file with the ALJ a motion to quash the sub-

45 CFR Ch. XXV (10–1–24 Edition)

poena within ten days after service or on or before the time specified in the subpoena for compliance if it is less than ten days after service.

§ 2554.29 Who pays the costs for a subpoena?

The party requesting a subpoena shall pay the cost of the fees and mileage of any witness subpoenaed in the amounts that would be payable to a witness in a proceeding in United States District Court. A check for witness fees and mileage shall accompany the subpoena when served, except that when a subpoena is issued on behalf of the authority, a check for witness fees and mileage need not accompany the subpoena.

§ 2554.30 Are protective orders available?

(a) A party or a prospective witness or deponent may file a motion for a protective order with respect to discovery sought by an opposing party or with respect to the hearing, seeking to limit the availability or disclosure of evidence.

(b) In issuing a protective order, the ALJ may make any order which justice requires to protect a party or person from annoyance, embarrassment, oppression, or undue burden or expense, including one or more of the following:

(1) That the discovery not be had;

(2) That the discovery may be had only on specified terms and conditions, including a designation of the time or place;

(3) That the discovery may be had only through a method of discovery other than that requested;

(4) That certain matters not be inquired into, or that the scope of discovery be limited to certain matters;

(5) That discovery be conducted with no one present except persons designated by the ALJ;

(6) That the contents of discovery or evidence be sealed;

(7) That a deposition after being sealed be opened only by order of the ALJ;

(8) That a trade secret or other confidential research, development, commercial information, or facts pertaining to any criminal investigation,

proceeding, or other administrative investigation not be disclosed or be disclosed only in a designated way; or

(9) That the parties simultaneously file specified documents or information enclosed in sealed envelopes to be opened as directed by the ALJ.

§ 2554.31 Where is the hearing held?

The ALJ will hold the hearing in any judicial district of the United States:

(a) In which the defendant resides or transacts business; or

(b) In which the claim or statement on which liability is based was made, presented or submitted to the Corporation; or

(c) As agreed upon by the defendant and the ALJ.

§ 2554.32 How will the hearing be conducted and who has the burden of proof?

(a) The ALJ conducts a hearing in order to determine whether a defendant is liable for a civil penalty, assessment, or both and, if so, the appropriate amount of the civil penalty and/or assessment. The hearing will be recorded and transcribed, and the transcript of testimony, exhibits admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for a decision by the ALJ.

(b) The Corporation must prove a defendant's liability and any aggravating factors by a preponderance of the evidence.

(c) A defendant must prove any affirmative defenses and any mitigating factors by a preponderance of the evidence.

(d) The hearing will be open to the public unless otherwise ordered by the ALJ for good cause shown.

§ 2554.33 How is evidence presented at the hearing?

(a) The ALJ shall determine the admissibility of evidence.

(b) Except as provided in this part, the ALJ shall not be bound by the Federal Rules of Evidence. However, the ALJ may apply the Federal Rules of Evidence where appropriate, e.g., to exclude unreliable evidence.

(c) The ALJ shall exclude irrelevant and immaterial evidence.

(d) Although relevant, evidence may be excluded if its probative value is substantially outweighed by the danger of unfair prejudice, confusion of the issues, or by considerations of undue delay or needless presentation of cumulative evidence.

(e) Although relevant, evidence may be excluded if it is privileged under Federal law.

(f) Evidence concerning offers of compromise or settlement shall be inadmissible to the extent provided in Rule 408 of the Federal Rules of Evidence.

(g) The ALJ shall permit the parties to introduce rebuttal witnesses and evidence.

§ 2554.34 How is witness testimony presented?

(a) Except as provided in paragraph (b) of this section, testimony at the hearing shall be given orally by witnesses under oath or affirmation.

(b) At the discretion of the ALJ, testimony may be admitted in the form of a written statement or deposition. Any such written statement must be provided to all other parties along with the last known address of such witness, in a manner which allows sufficient time for other parties to subpoena such witness for cross-examination at the hearing. Prior written statements of witnesses proposed to testify at the hearing and deposition transcripts shall be exchanged as provided in § 2554.27(a).

(c) The ALJ shall exercise reasonable control over the mode and order of interrogating witnesses and presenting evidence so as to:

(1) Make the interrogation and presentation effective for the ascertainment of the truth;

(2) Avoid needless consumption of time; and

(3) Protect witnesses from harassment or undue embarrassment.

(d) The ALJ shall permit the parties to conduct such cross-examination as may be required for a full and true disclosure of the facts.

(e) At the discretion of the ALJ, a witness may be cross-examined on matters relevant to the proceeding without regard to the scope of his or her direct examination. To the extent permitted

§ 2554.35

by the ALJ, cross-examination on matters outside the scope of direct examination shall be conducted in the manner of direct examination and may proceed by leading questions only if the witness is a hostile witness, an adverse party, or a witness identified with an adverse party.

(f) Upon motion of any party, the ALJ shall order witnesses excluded so that they cannot hear the testimony of other witnesses. This rule does not authorize exclusion of—

(1) A party who is an individual;

(2) In the case of a party that is not an individual, an officer or employee of the party appearing for the entity pro se or designated by the party's representative; or

(3) An individual whose presence is shown by a party to be essential to the presentation of its case, including an individual employed by the Government engaged in assisting the representative for the Government.

§ 2554.35 Will the hearing proceedings be recorded?

The hearing will be recorded and transcribed. Transcripts may be obtained following the hearing from the ALJ at a cost not to exceed the actual cost of duplication. The transcript of testimony, exhibits and other evidence admitted at the hearing, and all papers and requests filed in the proceeding constitute the record for the decision by the ALJ and the authority head. The record may be inspected and copied (upon payment of a reasonable fee) by anyone, unless otherwise ordered by the ALJ pursuant to § 2554.30.

§ 2554.36 Can a party informally discuss the case with the ALJ?

No. Such discussions are forbidden as “ex parte communications” with the ALJ. No party or person (except employees of the ALJ's office) shall communicate in any way with the ALJ on any matter at issue in a case, unless on notice and opportunity for all parties to participate.

This does not prohibit a person or party from inquiring about the status of a case or asking routine questions concerning administrative functions or procedures.

45 CFR Ch. XXV (10–1–24 Edition)

§ 2554.37 Are there sanctions for misconduct?

(a) The ALJ may sanction a person, including any party or representative for—

(1) Failing to comply with an order, rule, or procedure governing the proceeding;

(2) Failing to prosecute or defend an action; or

(3) Engaging in other misconduct that interferes with the speedy, orderly, or fair conduct of the hearing.

(b) Any such sanction, including but not limited to those listed in paragraphs (c), (d), and (e) of this section, shall reasonably relate to the severity and nature of the failure or misconduct.

(c) When a party fails to comply with an order, including an order for taking a deposition, the production of evidence within the party's control, or a request for admission, the ALJ may—

(1) Draw an inference in favor of the requesting party with regard to the information sought;

(2) In the case of requests for admission, deem each matter of which an admission is requested to be admitted;

(3) Prohibit the party failing to comply with such order from introducing evidence concerning, or otherwise relying upon testimony relating to the information sought; and

(4) Strike any part of the pleadings or other submissions of the party failing to comply with such request.

(d) If a party fails to prosecute or defend an action under this part commenced by service of a notice of hearing, the ALJ may dismiss the action or may issue an initial decision imposing penalties and assessments.

(e) The ALJ may refuse to consider any motion, request, response, brief or other document which is not filed in a timely fashion.

§ 2554.38 Are post-hearing briefs required?

The ALJ may require the parties to file post-hearing briefs. In any event, any party may file a post-hearing brief. The ALJ shall fix the time for filing such briefs, not to exceed 60 days from the date the parties receive the transcript of the hearing or, if applicable, the stipulated record. Such briefs may

be accompanied by proposed findings of fact and conclusions of law. The ALJ may permit the parties to file reply briefs.

DECISIONS AND APPEALS

§ 2554.39 How is the case decided?

(a) The ALJ will issue an initial decision based only on the record. It will contain findings of fact, conclusions of law, and the amount of any penalties and assessments imposed.

(b) The ALJ will serve the initial decision on all parties within 90 days after close of the hearing or expiration of any allowed time for submission of post-hearing briefs. If the ALJ fails to meet this deadline, he or she shall promptly notify the parties of the reason for the delay and set a new deadline.

(c) The findings of fact must include a finding on each of the following issues:

(1) Whether any one or more of the claims or statements identified in the complaint violate this part; and

(2) If the defendant is liable for penalties or assessments, the appropriate amount of any such penalties or assessments, considering any mitigating or aggravating factors.

(d) The initial decision will include a description of the right of a defendant found liable for a civil penalty or assessment to file a motion for reconsideration with the ALJ or a notice of appeal with the authority head.

§ 2554.40 How are penalty and assessment amounts determined?

(a) In determining an appropriate amount of civil penalties and assessments, the ALJ and the authority head, upon appeal, should evaluate any circumstances that mitigate or aggravate the violation and should articulate in their opinions the reasons that support the penalties and assessments they impose. Because of the intangible costs of fraud, the expense of investigating such conduct, and the need to deter others who might be similarly tempted, ordinarily double damages and a significant civil penalty should be imposed.

(b) Although not exhaustive, the following factors are among those that

may influence that ALJ and the authority head in determining the amount of penalties and assessments to impose with respect to the misconduct (i.e., the false, fictitious, or fraudulent claims or statements) charged in the complaint:

(1) The number of false, fictitious, or fraudulent claims or statements;

(2) The time period over which such claims or statements were made;

(3) The degree of the defendant's culpability with respect to the misconduct;

(4) The amount of money or the value of the property, services, or benefit falsely claimed;

(5) The value of the Government's actual loss as a result of the misconduct, including foreseeable consequential damages and the costs of investigation;

(6) The relationship of the amount imposed as civil penalties to the amount of the Government's loss;

(7) The potential or actual impact of the misconduct upon national defense, public health or safety, or public confidence in the management of Government programs and operations, including particularly the impact on the intended beneficiaries of such programs;

(8) Whether the defendant has engaged in a pattern of the same or similar misconduct;

(9) Whether the defendant attempted to conceal the misconduct;

(10) The degree to which the defendant has involved others in the misconduct or in concealing it;

(11) Where the misconduct of employees or agents is imputed to the defendant, the extent to which the defendant's practices fostered or attempted to preclude such misconduct;

(12) Whether the defendant cooperated in or obstructed an investigation of the misconduct;

(13) Whether the defendant assisted in identifying and prosecuting other wrongdoers;

(14) The complexity of the program or transaction, and the degree of the defendant's sophistication with respect to it, including the extent of the defendant's prior participation in the program or in similar transactions;

(15) Whether the defendant has been found, in any criminal, civil, or administrative proceeding to have engaged in

§ 2554.41

similar misconduct or to have dealt dishonestly with the Government of the United States or of a State, directly or indirectly; and

(16) The need to deter the defendant and others from engaging in the same or similar misconduct.

(c) Nothing in this section shall be construed to limit the ALJ or the authority head from considering any other factors that in any given case may mitigate or aggravate the offense for which penalties and assessments are imposed.

§ 2554.41 Can a party request reconsideration of the initial decision?

(a) Any party may file a motion for reconsideration of the initial decision with the ALJ within 20 days of receipt of the initial decision. If the initial decision was served by mail, there is a rebuttable presumption that the initial decision was received by the party 5 days from the date of mailing.

(b) A motion for reconsideration must be accompanied by a supporting brief and must describe specifically each allegedly erroneous decision.

(c) Any response to a motion for reconsideration will only be allowed if it is requested by the ALJ.

(d) The ALJ will dispose of a motion for reconsideration by denying it or by issuing a revised initial decision.

(e) If the ALJ issues a revised initial decision upon motion of a party, that party may not file another motion for reconsideration.

§ 2554.42 When does the initial decision of the ALJ become final?

(a) The initial decision of the ALJ becomes the final decision of the Corporation, and shall be binding on all parties 30 days after it is issued, unless any party timely files a motion for reconsideration or any defendant adjudged to have submitted a false claim or statement timely appeals to the Corporation's authority head, as set forth in § 2554.43.

(b) If the ALJ disposes of a motion for reconsideration by denying it or by issuing a revised initial decision, the ALJ's order on the motion for reconsideration becomes the final decision of the Corporation 30 days after the order is issued, unless a defendant adjudged

45 CFR Ch. XXV (10–1–24 Edition)

to have submitted a false claim or statement timely appeals to the authority head, within 30 days of the ALJ's order, as set forth in § 2554.43.

§ 2554.43 What are the procedures for appealing the ALJ decision?

(a) Any defendant who submits a timely answer and is found liable for a civil penalty or assessment in an initial decision may appeal the decision.

(b) The defendant may file a notice of appeal with the authority head within 30 days following issuance of the initial decision, serving a copy of the notice of appeal on all parties and the ALJ. The authority head may extend this deadline for up to an additional 30 days if an extension request is filed within the initial 30-day period and shows good cause.

(c) The defendant's appeal will not be considered until all timely motions for reconsideration have been resolved.

(d) If a timely motion for reconsideration is denied, a notice of appeal may be filed within 30 days following such denial or issuance of a revised initial decision, whichever applies.

(e) A notice of appeal must be supported by a written brief specifying why the initial decision should be reversed or modified.

(f) The Corporation's representative may file a brief in opposition to the notice of appeal within 30 days of receiving the defendant's notice of appeal and supporting brief.

(g) If a defendant timely files a notice of appeal, and the time for filing motions for reconsideration has expired, the ALJ will forward the record of the proceeding to the authority head.

§ 2554.44 What happens if an initial decision is appealed?

(a) An initial decision is stayed automatically pending disposition of a motion for reconsideration or of an appeal to the authority head.

(b) No administrative stay is available following a final decision of the authority head.

§ 2554.45 Are there any limitations on the right to appeal to the authority head?

(a) A defendant has no right to appear personally, or through a representative, before the authority head.

(b) There is no right to appeal any interlocutory ruling.

(c) The authority head will not consider any objection or evidence that was not raised before the ALJ unless the defendant demonstrates that the failure to object was caused by extraordinary circumstances. If the appealing defendant demonstrates to the satisfaction of the authority head that extraordinary circumstances prevented the presentation of evidence at the hearing, and that the additional evidence is material, the authority head may remand the matter to the ALJ for consideration of the additional evidence.

§ 2554.46 How does the authority head dispose of an appeal?

(a) The authority head may affirm, reduce, reverse, compromise, remand, or settle any penalty or assessment imposed by the ALJ in the initial decision or reconsideration decision.

(b) The authority head will promptly serve each party to the appeal and the ALJ with a copy of his or her decision. This decision must contain a statement describing the right of any person, against whom a penalty or assessment has been made, to seek judicial review.

§ 2554.47 What judicial review is available?

31 U.S.C. 3805 authorizes judicial review by the appropriate United States District Court of any final Corporation decision imposing penalties or assessments, and specifies the procedures for such review. To obtain judicial review, a defendant must file a petition with the appropriate court in a timely manner.

§ 2554.48 Can the administrative complaint be settled voluntarily?

(a) Parties may make offers of compromise or settlement at any time. Any compromise or settlement must be in writing.

(b) The reviewing official has the exclusive authority to compromise or settle the case from the date on which the reviewing official is permitted to issue a complaint until the ALJ issues an initial decision.

(c) The authority head has exclusive authority to compromise or settle the case from the date of the ALJ's initial decision until initiation of any judicial review or any action to collect the penalties and assessments.

(d) The Attorney General has exclusive authority to compromise or settle the case while any judicial review or any action to recover penalties and assessments is pending.

(e) The investigating official may recommend settlement terms to the reviewing official, the authority head, or the Attorney General, as appropriate. The reviewing official may recommend settlement terms to the authority head or the Attorney General, as appropriate.

§ 2554.49 How are civil penalties and assessments collected?

Section 3806 and 3808(b) of title 31, United States Code, authorize actions for collection of civil penalties and assessments imposed under this Part and specify the procedures for such actions.

§ 2554.50 What happens to collections?

All amounts collected pursuant to this part shall be deposited as miscellaneous receipts in the Treasury of the United States, except as provided in 31 U.S.C. 3806(g).

§ 2554.51 What if the investigation indicates criminal misconduct?

(a) Any investigating official may:

(1) Refer allegations of criminal misconduct directly to the Department of Justice for prosecution or for suit under the False Claims Act or other civil proceeding;

(2) Defer or postpone a report or referral to the reviewing official to avoid interference with a criminal investigation or prosecution; or

(3) Issue subpoenas under other statutory authority.

(b) Nothing in this part limits the requirement that the Corporation employees report suspected violations of

§ 2554.52

criminal law to the Corporation's Office of Inspector General or to the Attorney General.

§ 2554.52 How does the Corporation protect the rights of defendants?

These procedures separate the functions of the investigating official, reviewing official, and the ALJ, each of whom report to a separate organizational authority in accordance with 31 U.S.C. 3801. Except for purposes of settlement, or as a witness or a representative in public proceedings, no investigating official, reviewing official, or Corporation employee or agent who helps investigate, prepare, or present a case may (in such case, or a factually related case) participate in the initial decision or the review of the initial decision by the authority head. This separation of functions and organization is designed to assure the independence and impartiality of each government official during every stage of the proceeding. The representative for the Corporation may be employed in the offices of either the investigating official or the reviewing official.

Subpart A—Introduction**§ 2555.100 Purpose and effective date.**

The purpose of these Title IX regulations is to effectuate Title IX of the Education Amendments of 1972, as amended (except sections 904 and 906 of those Amendments) (20 U.S.C. 1681, 1682, 1683, 1685, 1686, 1687, 1688), which is designed to eliminate (with certain exceptions) discrimination on the basis of sex in any education program or activity receiving Federal financial assistance, whether or not such program or activity is offered or sponsored by an educational institution as defined in these Title IX regulations. The effective date of these Title IX regulations shall be September 29, 2000.

§ 2555.105 Definitions.

As used in these Title IX regulations, the term:

Administratively separate unit means a school, department, or college of an educational institution (other than a local educational agency) admission to which is independent of admission to any other component of such institution.

Admission means selection for part-time, full-time, special, associate, transfer, exchange, or any other enrollment, membership, or matriculation in or at an education program or activity operated by a recipient.

Applicant means one who submits an application, request, or plan required to be approved by an official of the Federal agency that awards Federal financial assistance, or by a recipient, as a condition to becoming a recipient.

Designated agency official means “Director, Equal Opportunity”.

Educational institution means a local educational agency (LEA) as defined by 20 U.S.C. 8801(18), a preschool, a private elementary or secondary school, or an applicant or recipient that is an institution of graduate higher education, an institution of undergraduate higher education, an institution of professional education, or an institution of vocational education, as defined in this section.

Federal financial assistance means any of the following, when authorized or extended under a law administered by

the Federal agency that awards such assistance:

(1) A grant or loan of Federal financial assistance, including funds made available for:

(i) The acquisition, construction, renovation, restoration, or repair of a building or facility or any portion thereof; and

(ii) Scholarships, loans, grants, wages, or other funds extended to any entity for payment to or on behalf of students admitted to that entity, or extended directly to such students for payment to that entity.

(2) A grant of Federal real or personal property or any interest therein, including surplus property, and the proceeds of the sale or transfer of such property, if the Federal share of the fair market value of the property is not, upon such sale or transfer, properly accounted for to the Federal Government.

(3) Provision of the services of Federal personnel.

(4) Sale or lease of Federal property or any interest therein at nominal consideration, or at consideration reduced for the purpose of assisting the recipient or in recognition of public interest to be served thereby, or permission to use Federal property or any interest therein without consideration.

(5) Any other contract, agreement, or arrangement that has as one of its purposes the provision of assistance to any education program or activity, except a contract of insurance or guaranty.

Institution of graduate higher education means an institution that:

(1) Offers academic study beyond the bachelor of arts or bachelor of science degree, whether or not leading to a certificate of any higher degree in the liberal arts and sciences;

(2) Awards any degree in a professional field beyond the first professional degree (regardless of whether the first professional degree in such field is awarded by an institution of undergraduate higher education or professional education); or

(3) Awards no degree and offers no further academic study, but operates ordinarily for the purpose of facilitating research by persons who have received the highest graduate degree in any field of study.

§ 2555.110

Institution of professional education means an institution (except any institution of undergraduate higher education) that offers a program of academic study that leads to a first professional degree in a field for which there is a national specialized accrediting agency recognized by the Secretary of Education.

Institution of undergraduate higher education means:

(1) An institution offering at least two but less than four years of college-level study beyond the high school level, leading to a diploma or an associate degree, or wholly or principally creditable toward a baccalaureate degree; or

(2) An institution offering academic study leading to a baccalaureate degree; or

[65 FR 52865, 52893, Aug. 30, 2000, as amended at 65 FR 52894, Aug. 30, 2000]

§ 2555.110 Remedial and affirmative action and self-evaluation.

(a) *Remedial action.* If the designated agency official finds that a recipient has discriminated against persons on the basis of sex in an education program or activity, such recipient shall take such remedial action as the designated agency official deems necessary to overcome the effects of such discrimination.

(b) *Affirmative action.* In the absence of a finding of discrimination on the basis of sex in an education program or activity, a recipient may take affirmative action consistent with law to overcome the effects of conditions that resulted in limited participation therein by persons of a particular sex. Nothing in these Title IX regulations shall be interpreted to alter any affirmative action obligations that a recipient may have under Executive Order 11246, 3 CFR, 1964-1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966-1970 Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12086, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264.

(c) *Self-evaluation.* Each recipient education institution shall, within one year of September 29, 2000:

(1) Evaluate, in terms of the requirements of these Title IX regulations, its current policies and practices and the effects thereof concerning admission of students, treatment of students, and

employment of both academic and non-academic personnel working in connection with the recipient's education program or activity;

(2) Modify any of these policies and practices that do not or may not meet the requirements of these Title IX regulations; and

(3) Take appropriate remedial steps to eliminate the effects of any discrimination that resulted or may have resulted from adherence to these policies and practices.

(d) *Availability of self-evaluation and related materials.* Recipients shall maintain on file for at least three years following completion of the evaluation required under paragraph (c) of this section, and shall provide to the designated agency official upon request, a description of any modifications made pursuant to paragraph (c)(2) of this section and of any remedial steps taken pursuant to paragraph (c)(3) of this section.

§ 2555.115 Assurance required.

(a) *General.* Either at the application stage or the award stage, Federal agencies must ensure that applications for Federal financial assistance or awards of Federal financial assistance contain, be accompanied by, or be covered by a specifically identified assurance from the applicant or recipient, satisfactory to the designated agency official, that each education program or activity operated by the applicant or recipient and to which these Title IX regulations apply will be operated in compliance with these Title IX regulations. An assurance of compliance with these Title IX regulations shall not be satisfactory to the designated agency official if the applicant or recipient to whom such assurance applies fails to commit itself to take whatever remedial action is necessary in accordance with § 2555.110(a) to eliminate existing discrimination on the basis of sex or to eliminate the effects of past discrimination whether occurring prior to or subsequent to the submission to the designated agency official of such assurance.

(b) *Duration of obligation.* (1) In the case of Federal financial assistance extended to provide real property or structures thereon, such assurance

shall obligate the recipient or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used to provide an education program or activity.

(2) In the case of Federal financial assistance extended to provide personal property, such assurance shall obligate the recipient for the period during which it retains ownership or possession of the property.

(3) In all other cases such assurance shall obligate the recipient for the period during which Federal financial assistance is extended.

(c) *Form.* (1) The assurances required by paragraph (a) of this section, which may be included as part of a document that addresses other assurances or obligations, shall include that the applicant or recipient will comply with all applicable Federal statutes relating to nondiscrimination. These include but are not limited to: Title IX of the Education Amendments of 1972, as amended (20 U.S.C. 1681–1683, 1685–1688).

(2) The designated agency official will specify the extent to which such assurances will be required of the applicant's or recipient's subgrantees, contractors, subcontractors, transferees, or successors in interest.

§ 2555.120 Transfers of property.

If a recipient sells or otherwise transfers property financed in whole or in part with Federal financial assistance to a transferee that operates any education program or activity, and the Federal share of the fair market value of the property is not upon such sale or transfer properly accounted for to the Federal Government, both the transferor and the transferee shall be deemed to be recipients, subject to the provisions of §§ 2555.205 through 2555.235(a).

§ 2555.125 Effect of other requirements.

(a) *Effect of other Federal provisions.* The obligations imposed by these Title IX regulations are independent of, and do not alter, obligations not to discriminate on the basis of sex imposed by Executive Order 11246, 3 CFR, 1964–1965 Comp., p. 339; as amended by Executive Order 11375, 3 CFR, 1966–1970

§ 2555.130

Comp., p. 684; as amended by Executive Order 11478, 3 CFR, 1966-1970 Comp., p. 803; as amended by Executive Order 12087, 3 CFR, 1978 Comp., p. 230; as amended by Executive Order 12107, 3 CFR, 1978 Comp., p. 264; sections 704 and 855 of the Public Health Service Act (42 U.S.C. 295m, 298b-2); Title VII of the Civil Rights Act of 1964 (42 U.S.C. 2000e *et seq.*); the Equal Pay Act of 1963 (29 U.S.C. 206); and any other Act of Congress or Federal regulation.

(b) *Effect of State or local law or other requirements.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any State or local law or other requirement that would render any applicant or student ineligible, or limit the eligibility of any applicant or student, on the basis of sex, to practice any occupation or profession.

(c) *Effect of rules or regulations of private organizations.* The obligation to comply with these Title IX regulations is not obviated or alleviated by any rule or regulation of any organization, club, athletic or other league, or association that would render any applicant or student ineligible to participate or limit the eligibility or participation of any applicant or student, on the basis of sex, in any education program or activity operated by a recipient and that receives Federal financial assistance.

§ 2555.130 Effect of employment opportunities.

The obligation to comply with these Title IX regulations is not obviated or alleviated because employment opportunities in any occupation or profession are or may be more limited for members of one sex than for members of the other sex.

§ 2555.135 Designation of responsible employee and adoption of grievance procedures.

(a) *Designation of responsible employee.* Each recipient shall designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under these Title IX regulations, including any investigation of any complaint communicated to such recipient alleging its noncompliance with these Title IX regulations or al-

45 CFR Ch. XXV (10-1-24 Edition)

leging any actions that would be prohibited by these Title IX regulations. The recipient shall notify all its students and employees of the name, office address, and telephone number of the employee or employees appointed pursuant to this paragraph.

(b) *Complaint procedure of recipient.* A recipient shall adopt and publish grievance procedures providing for prompt and equitable resolution of student and employee complaints alleging any action that would be prohibited by these Title IX regulations.

§ 2555.140 Dissemination of policy.

(a) *Notification of policy.* (1) Each recipient shall implement specific and continuing steps to notify applicants for admission and employment, students and parents of elementary and secondary school students, employees, sources of referral of applicants for admission and employment, and all unions or professional organizations holding collective bargaining or professional agreements with the recipient, that it does not discriminate on the basis of sex in the educational programs or activities that it operates, and that it is required by Title IX and these Title IX regulations not to discriminate in such a manner. Such notification shall contain such information, and be made in such manner, as the designated agency official finds necessary to apprise such persons of the protections against discrimination assured them by Title IX and these Title IX regulations, but shall state at least that the requirement not to discriminate in education programs or activities extends to employment therein, and to admission thereto unless §§ 2555.300 through 2555.310 do not apply to the recipient, and that inquiries concerning the application of Title IX and these Title IX regulations to such recipient may be referred to the employee designated pursuant to § 2555.135, or to the designated agency official.

(2) Each recipient shall make the initial notification required by paragraph (a)(1) of this section within 90 days of September 29, 2000 or of the date these Title IX regulations first apply to such recipient, whichever comes later,

which notification shall include publication in:

(i) Newspapers and magazines operated by such recipient or by student, alumnae, or alumni groups for or in connection with such recipient; and

(ii) Memoranda or other written communications distributed to every student and employee of such recipient.

(b) *Publications.* (1) Each recipient shall prominently include a statement of the policy described in paragraph (a) of this section in each announcement, bulletin, catalog, or application form that it makes available to any person of a type, described in paragraph (a) of this section, or which is otherwise used in connection with the recruitment of students or employees.

(2) A recipient shall not use or distribute a publication of the type described in paragraph (b)(1) of this section that suggests, by text or illustration, that such recipient treats applicants, students, or employees differently on the basis of sex except as such treatment is permitted by these Title IX regulations.

(c) *Distribution.* Each recipient shall distribute without discrimination on the basis of sex each publication described in paragraph (b)(1) of this section, and shall apprise each of its admission and employment recruitment representatives of the policy of non-discrimination described in paragraph (a) of this section, and shall require such representatives to adhere to such policy.

would not be consistent with the religious tenets of such organization.

(b) *Exemption claims.* An educational institution or other entity that wishes to claim the exemption set forth in paragraph (a) of this section shall do so by submitting in writing to the designated agency official a statement by the highest-ranking official of the institution, identifying the provisions of these Title IX regulations that conflict with a specific tenet of the religious organization.

(b) *Administratively separate units.* For the purposes only of this section, §§ 2555.225 and 2555.230, and §§ 2555.300 through 2555.310, each administratively separate unit shall be deemed to be an educational institution.

(c) *Application of §§ 2555.300 through 2555.310.* Except as provided in paragraphs (d) and (e) of this section, §§ 2555.300 through 2555.310 apply to each recipient. A recipient to which §§ 2555.300 through 2555.310 apply shall not discriminate on the basis of sex in admission or recruitment in violation of §§ 2555.300 through 2555.310.

§ 2555.225 Educational institutions eligible to submit transition plans.

(a) *Application.* This section applies to each educational institution to which §§ 2555.300 through 2555.310 apply that:

(1) Admitted students of only one sex as regular students as of June 23, 1972; or

(2) Admitted students of only one sex as regular students as of June 23, 1965, but thereafter admitted, as regular students, students of the sex not admitted prior to June 23, 1965.

(b) *Content of plans.* In order to be approved by the Secretary of Education, a transition plan shall:

(1) State the name, address, and Federal Interagency Committee on Education Code of the educational institution submitting such plan, the administratively separate units to which the plan is applicable, and the name, address, and telephone number of the person to whom questions concerning the plan may be addressed. The person who submits the plan shall be the chief administrator or president of the institution, or another individual legally authorized to bind the institution to all actions set forth in the plan.

(5) Include estimates of the number of students, by sex, expected to apply for, be admitted to, and enter each class during the period covered by the plan.

(c) *Nondiscrimination.* No policy or practice of a recipient to which § 2555.225 applies shall result in treatment of applicants to or students of such recipient in violation of §§ 2555.300 through 2555.310 unless such treatment is necessitated by an obstacle identified in paragraph (b)(3) of this section and a schedule for eliminating that obstacle has been provided as required by paragraph (b)(4) of this section.

(d) *Effects of past exclusion.* To overcome the effects of past exclusion of students on the basis of sex, each educational institution to which § 2555.225 applies shall include in its transition plan, and shall implement, specific steps designed to encourage individuals

of the previously excluded sex to apply for admission to such institution. Such steps shall include instituting recruitment programs that emphasize the institution's commitment to enrolling students of the sex previously excluded.

§ 2555.235 Statutory amendments.

(a) This section, which applies to all provisions of these Title IX regulations, addresses statutory amendments to Title IX.

(b) These Title IX regulations shall not apply to or preclude:

(2) Any program or activity of a secondary school or educational institution specifically for:

(i) The promotion of any Boys State conference, Boys Nation conference, Girls State conference, or Girls Nation conference; or

(ii) The selection of students to attend any such conference;

(3) Father-son or mother-daughter activities at an educational institution or in an education program or activity, but if such activities are provided for students of one sex, opportunities for reasonably comparable activities shall be provided to students of the other sex;

(4) Any scholarship or other financial assistance awarded by an institution of higher education to an individual because such individual has received such award in a single-sex pageant based upon a combination of factors related to the individual's personal appearance, poise, and talent. The pageant, however, must comply with other non-discrimination provisions of Federal law.

(c) *Program or activity* or *program* means:

(1) All of the operations of any entity described in paragraphs (c)(1)(i) through (iv) of this section, any part of which is extended Federal financial assistance:

(i)(A) A department, agency, special purpose district, or other instrumen-

tal entity of a State or of a local government; or

(iv) Any other entity that is established by two or more of the entities described in paragraphs (c)(1)(i), (ii), or (iii) of this section.

(2)(i) *Program or activity* does not include any operation of an entity that is controlled by a religious organization if the application of 20 U.S.C. 1681 to such operation would not be consistent with the religious tenets of such organization.

(ii) For example, all of the operations of a college, university, or other postsecondary institution, including but not limited to traditional educational operations, faculty and student housing, campus shuttle bus service, campus restaurants, the bookstore, and other commercial activities are part of a "program or activity" subject to these Title IX regulations if the college, university, or other institution receives Federal financial assistance.

(d)(1) Nothing in these Title IX regulations shall be construed to require or

§ 2555.300

prohibit any person, or public or private entity, to provide or pay for any benefit or service, including the use of facilities, related to an abortion. Medical procedures, benefits, services, and the use of facilities, necessary to save the life of a pregnant woman or to address complications related to an abortion are not subject to this section.

(2) Nothing in this section shall be construed to permit a penalty to be imposed on any person or individual because such person or individual is seeking or has received any benefit or service related to a legal abortion. Accordingly, subject to paragraph (d)(1) of this section, no person shall be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, employment, or other educational program or activity operated by a recipient that receives Federal financial assistance because such individual has sought or received, or is seeking, a legal abortion, or any benefit or service related to a legal abortion.

Subpart C—Discrimination on the Basis of Sex in Admission and Recruitment Prohibited

§ 2555.300 Admission.

(a) *General.* No person shall, on the basis of sex, be denied admission, or be subjected to discrimination in admission, by any recipient to which §§ 2555.300 through 2555.310 apply, except as provided in §§ 2555.225 and 2555.230.

(b) *Specific prohibitions.* (1) In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 2555.300 through 2555.310 apply shall not:

(i) Give preference to one person over another on the basis of sex, by ranking applicants separately on such basis, or otherwise;

(ii) Apply numerical limitations upon the number or proportion of persons of either sex who may be admitted; or

(iii) Otherwise treat one individual differently from another on the basis of sex.

(2) A recipient shall not administer or operate any test or other criterion

45 CFR Ch. XXV (10–1–24 Edition)

for admission that has a disproportionately adverse effect on persons on the basis of sex unless the use of such test or criterion is shown to predict validly success in the education program or activity in question and alternative tests or criteria that do not have such a disproportionately adverse effect are shown to be unavailable.

(c) *Prohibitions relating to marital or parental status.* In determining whether a person satisfies any policy or criterion for admission, or in making any offer of admission, a recipient to which §§ 2555.300 through 2555.310 apply:

(1) Shall not apply any rule concerning the actual or potential parental, family, or marital status of a student or applicant that treats persons differently on the basis of sex;

(2) Shall not discriminate against or exclude any person on the basis of pregnancy, childbirth, termination of pregnancy, or recovery therefrom, or establish or follow any rule or practice that so discriminates or excludes;

(3) Subject to § 2555.235(d), shall treat disabilities related to pregnancy, childbirth, termination of pregnancy, or recovery therefrom in the same manner and under the same policies as any other temporary disability or physical condition; and

(4) Shall not make pre-admission inquiry as to the marital status of an applicant for admission, including whether such applicant is “Miss” or “Mrs.” A recipient may make pre-admission inquiry as to the sex of an applicant for admission, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 2555.305 Preference in admission.

A recipient to which §§ 2555.300 through 2555.310 apply shall not give preference to applicants for admission, on the basis of attendance at any educational institution or other school or entity that admits as students only or predominantly members of one sex, if the giving of such preference has the effect of discriminating on the basis of sex in violation of §§ 2555.300 through 2555.310.

§ 2555.310 Recruitment.

(a) *Nondiscriminatory recruitment.* A recipient to which §§ 2555.300 through 2555.310 apply shall not discriminate on the basis of sex in the recruitment and admission of students. A recipient may be required to undertake additional recruitment efforts for one sex as remedial action pursuant to § 2555.110(a), and may choose to undertake such efforts as affirmative action pursuant to § 2555.110(b).

(b) *Recruitment at certain institutions.* A recipient to which §§ 2555.300 through 2555.310 apply shall not recruit primarily or exclusively at educational institutions, schools, or entities that admit as students only or predominantly members of one sex, if such actions have the effect of discriminating on the basis of sex in violation of §§ 2555.300 through 2555.310.

Subpart D—Discrimination on the Basis of Sex in Education Programs or Activities Prohibited

§ 2555.400 Education programs or activities.

(a) *General.* Except as provided elsewhere in these Title IX regulations, no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any academic, extracurricular, research, occupational training, or other education program or activity operated by a recipient that receives Federal financial assistance. Sections 2555.400 through 2555.455 do not apply to actions of a recipient in connection with admission of its students to an education program or activity of a recipient to which §§ 2555.300 through 2555.310 do not apply, or an entity, not a recipient, to which §§ 2555.300 through 2555.310 would not apply if the entity were a recipient.

(b) *Specific prohibitions.* Except as provided in §§ 2555.400 through 2555.455, in providing any aid, benefit, or service to a student, a recipient shall not, on the basis of sex:

(1) Treat one person differently from another in determining whether such person satisfies any requirement or condition for the provision of such aid, benefit, or service;

(2) Provide different aid, benefits, or services or provide aid, benefits, or services in a different manner;

(3) Deny any person any such aid, benefit, or service;

(4) Subject any person to separate or different rules of behavior, sanctions, or other treatment;

(5) Apply any rule concerning the domicile or residence of a student or applicant, including eligibility for in-state fees and tuition;

(6) Aid or perpetuate discrimination against any person by providing significant assistance to any agency, organization, or person that discriminates on the basis of sex in providing any aid, benefit, or service to students or employees;

(7) Otherwise limit any person in the enjoyment of any right, privilege, advantage, or opportunity.

(c) *Assistance administered by a recipient educational institution to study at a foreign institution.* A recipient educational institution may administer or assist in the administration of scholarships, fellowships, or other awards established by foreign or domestic wills, trusts, or similar legal instruments, or by acts of foreign governments and restricted to members of one sex, that are designed to provide opportunities to study abroad, and that are awarded to students who are already matriculating at or who are graduates of the recipient institution; *Provided*, that a recipient educational institution that administers or assists in the administration of such scholarships, fellowships, or other awards that are restricted to members of one sex provides, or otherwise makes available, reasonable opportunities for similar studies for members of the other sex. Such opportunities may be derived from either domestic or foreign sources.

(d) *Aids, benefits or services not provided by recipient.* (1) This paragraph (d) applies to any recipient that requires participation by any applicant, student, or employee in any education program or activity not operated wholly by such recipient, or that facilitates, permits, or considers such participation as part of or equivalent to an education program or activity operated by such recipient, including participation

§ 2555.405

in educational consortia and cooperative employment and student-teaching assignments.

(2) Such recipient:

(i) Shall develop and implement a procedure designed to assure itself that the operator or sponsor of such other education program or activity takes no action affecting any applicant, student, or employee of such recipient that these Title IX regulations would prohibit such recipient from taking; and

(ii) Shall not facilitate, require, permit, or consider such participation if such action occurs.

§ 2555.405 Housing.

(a) *Generally.* A recipient shall not, on the basis of sex, apply different rules or regulations, impose different fees or requirements, or offer different services or benefits related to housing, except as provided in this section (including housing provided only to married students).

(b) *Housing provided by recipient.* (1) A recipient may provide separate housing on the basis of sex.

(2) Housing provided by a recipient to students of one sex, when compared to that provided to students of the other sex, shall be as a whole:

(i) Proportionate in quantity to the number of students of that sex applying for such housing; and

(ii) Comparable in quality and cost to the student.

(c) *Other housing.* (1) A recipient shall not, on the basis of sex, administer different policies or practices concerning occupancy by its students of housing other than that provided by such recipient.

(2)(i) A recipient which, through solicitation, listing, approval of housing, or otherwise, assists any agency, organization, or person in making housing available to any of its students, shall take such reasonable action as may be necessary to assure itself that such housing as is provided to students of one sex, when compared to that provided to students of the other sex, is as a whole:

(A) Proportionate in quantity; and

(B) Comparable in quality and cost to the student.

(ii) A recipient may render such assistance to any agency, organization,

45 CFR Ch. XXV (10–1–24 Edition)

or person that provides all or part of such housing to students of only one sex.

§ 2555.410 Comparable facilities.

A recipient may provide separate toilet, locker room, and shower facilities on the basis of sex, but such facilities provided for students of one sex shall be comparable to such facilities provided for students of the other sex.

§ 2555.415 Access to course offerings.

(a) A recipient shall not provide any course or otherwise carry out any of its education program or activity separately on the basis of sex, or require or refuse participation therein by any of its students on such basis, including health, physical education, industrial, business, vocational, technical, home economics, music, and adult education courses.

(b)(1) With respect to classes and activities in physical education at the elementary school level, the recipient shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. With respect to physical education classes and activities at the secondary and post-secondary levels, the recipient shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

(2) This section does not prohibit grouping of students in physical education classes and activities by ability as assessed by objective standards of individual performance developed and applied without regard to sex.

(3) This section does not prohibit separation of students by sex within physical education classes or activities during participation in wrestling, boxing, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(4) Where use of a single standard of measuring skill or progress in a physical education class has an adverse effect on members of one sex, the recipient shall use appropriate standards that do not have such effect.

(5) Portions of classes in elementary and secondary schools, or portions of education programs or activities, that

deal exclusively with human sexuality may be conducted in separate sessions for boys and girls.

(6) Recipients may make requirements based on vocal range or quality that may result in a chorus or choruses of one or predominantly one sex.

§ 2555.420 Access to schools operated by LEAs.

A recipient that is a local educational agency shall not, on the basis of sex, exclude any person from admission to:

(a) Any institution of vocational education operated by such recipient; or

(b) Any other school or educational unit operated by such recipient, unless such recipient otherwise makes available to such person, pursuant to the same policies and criteria of admission, courses, services, and facilities comparable to each course, service, and facility offered in or through such schools.

§ 2555.425 Counseling and use of appraisal and counseling materials.

(a) *Counseling.* A recipient shall not discriminate against any person on the basis of sex in the counseling or guidance of students or applicants for admission.

(b) *Use of appraisal and counseling materials.* A recipient that uses testing or other materials for appraising or counseling students shall not use different materials for students on the basis of their sex or use materials that permit or require different treatment of students on such basis unless such different materials cover the same occupations and interest areas and the use of such different materials is shown to be essential to eliminate sex bias. Recipients shall develop and use internal procedures for ensuring that such materials do not discriminate on the basis of sex. Where the use of a counseling test or other instrument results in a substantially disproportionate number of members of one sex in any particular course of study or classification, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination in the instrument or its application.

(c) *Disproportion in classes.* Where a recipient finds that a particular class contains a substantially disproportionate number of individuals of one sex, the recipient shall take such action as is necessary to assure itself that such disproportion is not the result of discrimination on the basis of sex in counseling or appraisal materials or by counselors.

§ 2555.430 Financial assistance.

(a) *General.* Except as provided in paragraphs (b) and (c) of this section, in providing financial assistance to any of its students, a recipient shall not:

(1) On the basis of sex, provide different amounts or types of such assistance, limit eligibility for such assistance that is of any particular type or source, apply different criteria, or otherwise discriminate;

(2) Through solicitation, listing, approval, provision of facilities, or other services, assist any foundation, trust, agency, organization, or person that provides assistance to any of such recipient's students in a manner that discriminates on the basis of sex; or

(3) Apply any rule or assist in application of any rule concerning eligibility for such assistance that treats persons of one sex differently from persons of the other sex with regard to marital or parental status.

(b) *Financial aid established by certain legal instruments.* (1) A recipient may administer or assist in the administration of scholarships, fellowships, or other forms of financial assistance established pursuant to domestic or foreign wills, trusts, bequests, or similar legal instruments or by acts of a foreign government that require that awards be made to members of a particular sex specified therein; *Provided*, that the overall effect of the award of such sex-restricted scholarships, fellowships, and other forms of financial assistance does not discriminate on the basis of sex.

(2) To ensure nondiscriminatory awards of assistance as required in paragraph (b)(1) of this section, recipients shall develop and use procedures under which:

(i) Students are selected for award of financial assistance on the basis of nondiscriminatory criteria and not on

§ 2555.435

the basis of availability of funds restricted to members of a particular sex;

(ii) An appropriate sex-restricted scholarship, fellowship, or other form of financial assistance is allocated to each student selected under paragraph (b)(2)(i) of this section; and

(iii) No student is denied the award for which he or she was selected under paragraph (b)(2)(i) of this section because of the absence of a scholarship, fellowship, or other form of financial assistance designated for a member of that student's sex.

(c) *Athletic scholarships.* (1) To the extent that a recipient awards athletic scholarships or grants-in-aid, it must provide reasonable opportunities for such awards for members of each sex in proportion to the number of students of each sex participating in inter-scholastic or intercollegiate athletics.

(2) A recipient may provide separate athletic scholarships or grants-in-aid for members of each sex as part of separate athletic teams for members of each sex to the extent consistent with this paragraph (c) and § 2555.450.

§ 2555.435 Employment assistance to students.

(a) *Assistance by recipient in making available outside employment.* A recipient that assists any agency, organization, or person in making employment available to any of its students:

(1) Shall assure itself that such employment is made available without discrimination on the basis of sex; and

(2) Shall not render such services to any agency, organization, or person that discriminates on the basis of sex in its employment practices.

(b) *Employment of students by recipients.* A recipient that employs any of its students shall not do so in a manner that violates §§ 2555.500 through 2555.550.

§ 2555.440 Health and insurance benefits and services.

Subject to § 2555.235(d), in providing a medical, hospital, accident, or life insurance benefit, service, policy, or plan to any of its students, a recipient shall not discriminate on the basis of sex, or provide such benefit, service, policy, or plan in a manner that would violate §§ 2555.500 through 2555.550 if it were

45 CFR Ch. XXV (10–1–24 Edition)

provided to employees of the recipient. This section shall not prohibit a recipient from providing any benefit or service that may be used by a different proportion of students of one sex than of the other, including family planning services. However, any recipient that provides full coverage health service shall provide gynecological care.

§ 2555.445 Marital or parental status.

(a) *Status generally.* A recipient shall not apply any rule concerning a student's actual or potential parental, family, or marital status that treats students differently on the basis of sex.

(b) *Pregnancy and related conditions.* (1) A recipient shall not discriminate against any student, or exclude any student from its education program or activity, including any class or extra-curricular activity, on the basis of such student's pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom, unless the student requests voluntarily to participate in a separate portion of the program or activity of the recipient.

(2) A recipient may require such a student to obtain the certification of a physician that the student is physically and emotionally able to continue participation as long as such a certification is required of all students for other physical or emotional conditions requiring the attention of a physician.

(3) A recipient that operates a portion of its education program or activity separately for pregnant students, admittance to which is completely voluntary on the part of the student as provided in paragraph (b)(1) of this section, shall ensure that the separate portion is comparable to that offered to non-pregnant students.

(4) Subject to § 2555.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy and recovery therefrom in the same manner and under the same policies as any other temporary disability with respect to any medical or hospital benefit, service, plan, or policy that such recipient administers, operates, offers, or participates in with respect to students admitted to the recipient's educational program or activity.

(5) In the case of a recipient that does not maintain a leave policy for its students, or in the case of a student who does not otherwise qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a justification for a leave of absence for as long a period of time as is deemed medically necessary by the student's physician, at the conclusion of which the student shall be reinstated to the status that she held when the leave began.

§ 2555.450 Athletics.

(a) *General.* No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, be treated differently from another person, or otherwise be discriminated against in any interscholastic, intercollegiate, club, or intramural athletics offered by a recipient, and no recipient shall provide any such athletics separately on such basis.

(b) *Separate teams.* Notwithstanding the requirements of paragraph (a) of this section, a recipient may operate or sponsor separate teams for members of each sex where selection for such teams is based upon competitive skill or the activity involved is a contact sport. However, where a recipient operates or sponsors a team in a particular sport for members of one sex but operates or sponsors no such team for members of the other sex, and athletic opportunities for members of that sex have previously been limited, members of the excluded sex must be allowed to try out for the team offered unless the sport involved is a contact sport. For the purposes of these Title IX regulations, contact sports include boxing, wrestling, rugby, ice hockey, football, basketball, and other sports the purpose or major activity of which involves bodily contact.

(c) *Equal opportunity.* (1) A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics shall provide equal athletic opportunity for members of both sexes. In determining whether equal opportunities are available, the designated agency official will consider, among other factors:

(i) Whether the selection of sports and levels of competition effectively accommodate the interests and abilities of members of both sexes;

(ii) The provision of equipment and supplies;

(iii) Scheduling of games and practice time;

(iv) Travel and per diem allowance;

(v) Opportunity to receive coaching and academic tutoring;

(vi) Assignment and compensation of coaches and tutors;

(vii) Provision of locker rooms, practice, and competitive facilities;

(viii) Provision of medical and training facilities and services;

(ix) Provision of housing and dining facilities and services;

(x) Publicity.

(2) For purposes of paragraph (c)(1) of this section, unequal aggregate expenditures for members of each sex or unequal expenditures for male and female teams if a recipient operates or sponsors separate teams will not constitute noncompliance with this section, but the designated agency official may consider the failure to provide necessary funds for teams for one sex in assessing equality of opportunity for members of each sex.

(d) *Adjustment period.* A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the elementary school level shall comply fully with this section as expeditiously as possible but in no event later than one year from September 29, 2000. A recipient that operates or sponsors interscholastic, intercollegiate, club, or intramural athletics at the secondary or postsecondary school level shall comply fully with this section as expeditiously as possible but in no event later than three years from September 29, 2000.

§ 2555.455 Textbooks and curricular material.

Nothing in these Title IX regulations shall be interpreted as requiring or prohibiting or abridging in any way the use of particular textbooks or curricular materials.

(a) *General.* (1) No person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in employment, or recruitment, consideration, or selection therefor, whether full-time or part-time, under any education program or activity operated by a recipient that receives Federal financial assistance.

(2) A recipient shall make all employment decisions in any education program or activity operated by such recipient in a nondiscriminatory manner and shall not limit, segregate, or classify applicants or employees in any way that could adversely affect any applicant's or employee's employment opportunities or status because of sex.

(3) A recipient shall not enter into any contractual or other relationship which directly or indirectly has the effect of subjecting employees or students to discrimination prohibited by §§ 2555.500 through 2555.550, including relationships with employment and referral agencies, with labor unions, and with organizations providing or administering fringe benefits to employees of the recipient.

(4) A recipient shall not grant preferences to applicants for employment on the basis of attendance at any educational institution or entity that admits as students only or predominantly members of one sex, if the giving of such preferences has the effect of discriminating on the basis of sex in violation of these Title IX regulations.

(b) *Application.* The provisions of §§ 2555.500 through 2555.550 apply to:

(1) Recruitment, advertising, and the process of application for employment;

§ 2555.505 Employment criteria.

(a) Use of such test or other criterion is shown to predict validly successful performance in the position in question; and

(b) Alternative tests or criteria for such purpose, which do not have such disproportionately adverse effect, are shown to be unavailable.

§ 2555.510 Recruitment.

(a) *Nondiscriminatory recruitment and hiring.* A recipient shall not discriminate on the basis of sex in the recruitment and hiring of employees. Where a recipient has been found to be presently discriminating on the basis of sex in the recruitment or hiring of employees, or has been found to have so discriminated in the past, the recipient shall recruit members of the sex so discriminated against so as to overcome the effects of such past or present discrimination.

(b) *Recruitment patterns.* A recipient shall not recruit primarily or exclusively at entities that furnish as applicants only or predominantly members of one sex if such actions have the effect of discriminating on the basis of sex in violation of §§ 2555.500 through 2555.550.

§ 2555.515 Compensation.

A recipient shall not make or enforce any policy or practice that, on the basis of sex:

(a) Makes distinctions in rates of pay or other compensation;

(b) Results in the payment of wages to employees of one sex at a rate less than that paid to employees of the opposite sex for equal work on jobs the performance of which requires equal skill, effort, and responsibility, and that are performed under similar working conditions.

§ 2555.520 Job classification and structure.

A recipient shall not:

(a) Classify a job as being for males or for females;

(b) Maintain or establish separate lines of progression, seniority lists, career ladders, or tenure systems based on sex; or

(c) Maintain or establish separate lines of progression, seniority systems, career ladders, or tenure systems for similar jobs, position descriptions, or job requirements that classify persons on the basis of sex, unless sex is a bona fide occupational qualification for the positions in question as set forth in § 2555.550.

§ 2555.525 Fringe benefits.

(a) *“Fringe benefits” defined.* For purposes of these Title IX regulations, *fringe benefits* means: Any medical, hospital, accident, life insurance, or retirement benefit, service, policy or plan, any profit-sharing or bonus plan, leave, and any other benefit or service of employment not subject to the provision of § 2555.515.

(b) *Prohibitions.* A recipient shall not:

(1) Discriminate on the basis of sex with regard to making fringe benefits available to employees or make fringe benefits available to spouses, families,

or dependents of employees differently upon the basis of the employee's sex;

(2) Administer, operate, offer, or participate in a fringe benefit plan that does not provide for equal periodic benefits for members of each sex and for equal contributions to the plan by such recipient for members of each sex; or

(3) Administer, operate, offer, or participate in a pension or retirement plan that establishes different optional or compulsory retirement ages based on sex or that otherwise discriminates in benefits on the basis of sex.

§ 2555.530 Marital or parental status.

(a) *General.* A recipient shall not apply any policy or take any employment action:

(1) Concerning the potential marital, parental, or family status of an employee or applicant for employment that treats persons differently on the basis of sex; or

(2) Which is based upon whether an employee or applicant for employment is the head of household or principal wage earner in such employee's or applicant's family unit.

(b) *Pregnancy.* A recipient shall not discriminate against or exclude from employment any employee or applicant for employment on the basis of pregnancy, childbirth, false pregnancy, termination of pregnancy, or recovery therefrom.

(c) *Pregnancy as a temporary disability.* Subject to § 2555.235(d), a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, recovery therefrom, and any temporary disability resulting therefrom as any other temporary disability for all job-related purposes, including commencement, duration, and extensions of leave, payment of disability income, accrual of seniority and any other benefit or service, and reinstatement, and under any fringe benefit offered to employees by virtue of employment.

(d) *Pregnancy leave.* In the case of a recipient that does not maintain a leave policy for its employees, or in the case of an employee with insufficient leave or accrued employment time to qualify for leave under such a policy, a recipient shall treat pregnancy, childbirth, false pregnancy, termination of pregnancy, and recovery therefrom as a

§ 2555.535

justification for a leave of absence without pay for a reasonable period of time, at the conclusion of which the employee shall be reinstated to the status that she held when the leave began or to a comparable position, without decrease in rate of compensation or loss of promotional opportunities, or any other right or privilege of employment.

§ 2555.535 Effect of state or local law or other requirements.

(a) *Prohibitory requirements.* The obligation to comply with §§ 2555.500 through 2555.550 is not obviated or alleviated by the existence of any State or local law or other requirement that imposes prohibitions or limits upon employment of members of one sex that are not imposed upon members of the other sex.

(b) *Sex.* A recipient may make pre-employment inquiry as to the sex of an applicant for employment, but only if such inquiry is made equally of such applicants of both sexes and if the results of such inquiry are not used in connection with discrimination prohibited by these Title IX regulations.

§ 2555.550 Sex as a bona fide occupational qualification.

A recipient may take action otherwise prohibited by §§ 2555.500 through 2555.550 provided it is shown that sex is a bona fide occupational qualification

45 CFR Ch. XXV (10–1–24 Edition)

for that action, such that consideration of sex with regard to such action is essential to successful operation of the employment function concerned. A recipient shall not take action pursuant to this section that is based upon alleged comparative employment characteristics or stereotyped characterizations of one or the other sex, or upon preference based on sex of the recipient, employees, students, or other persons, but nothing contained in this section shall prevent a recipient from considering an employee's sex in relation to employment in a locker room or toilet facility used only by members of one sex.

A VISTA who elects an education award may, upon successful completion of service, be eligible to receive up to 100 percent of the interest accrued on a qualified student loan, consistent with the applicable provisions of 45 CFR part 2529.

(3) A VISTA is not eligible to receive more than an amount equal to the aggregate value of two full-time education awards in their lifetime.

(4) Other than for a summer associate, the amount of an education award for the successful completion of a VISTA term of service is equal to the maximum amount of a Federal Pell Grant under Section 401 of the Higher Education Act of 1965 (20 U.S.C. 1070a) that a student eligible for such grant may receive in the aggregate for the fiscal year in which the VISTA has enrolled in the VISTA program.

(h) A VISTA who does not elect to receive a Segal AmeriCorps Education Award upon successful completion of service receives an end-of-service stipend in an amount prescribed by AmeriCorps.

(i) In the event that a VISTA does not successfully complete a full term of service, they may not receive a pro-rated Segal AmeriCorps Education Award or a pro-rated end-of-service stipend, except in cases where the appropriate VISTA Case Manager determines the VISTA did not successfully com-

plete a full term of service because of a compelling personal circumstance. Examples of a compelling personal circumstance are: Serious medical condition or disability of a VISTA during VISTA service; critical illness or disability of a VISTA's immediate family member (spouse, domestic partner, parent, sibling, child, or guardian) if this event makes completing a term of service unreasonably difficult; or unusual conditions not attributable to the VISTA, such as natural disaster, strike, or premature closing of a project, that make completing a term of service unreasonably difficult or infeasible.

(j) In the event of a VISTA's death during service, their family or others that they named as beneficiary in accordance with section 5582 of title 5, United States Code will be paid a pro-rated end-of-service stipend for the period during which the VISTA served. If the VISTA had elected to receive the Segal AmeriCorps Education Award for successful completion of a full term of VISTA service, AmeriCorps will, prior to payment to the named beneficiary, convert that election to an end-of-service stipend and pay the VISTA's family, or others that they named as beneficiary, a pro-rated end-of-service stipend accordingly.

§ 2556.325 May a VISTA be provided coverage for legal defense expenses related to VISTA service?

Under certain circumstances, as set forth in §§ 2556.330 through 2556.335, AmeriCorps may pay reasonable legal defense expenses incurred in judicial or administrative proceedings for the defense of a VISTA serving in the VISTA program. Such covered legal expenses consist of counsel fees, court costs, bail, and other expenses incidental to a VISTA's legal defense.

§ 2556.330 When may a VISTA be provided coverage for legal defense expenses related to criminal proceedings?

(a) For the legal defense of a VISTA member who is charged with a criminal offense related to the VISTA member's service, up to and including arraignment in Federal, State, and local criminal proceedings, AmeriCorps may

pay actual and reasonable legal expenses. AmeriCorps is not required to pay any expenses for the legal defense of a VISTA member where they are charged with a criminal offense arising from alleged activity or action that is unrelated to that VISTA's service.

(b) A VISTA member's service is clearly unrelated to a charged offense when:

(1) The activity or action is alleged to have occurred prior to the VISTA member's VISTA service.

(2) The VISTA member is not at their assigned project location, such as during periods of approved leave, medical leave, emergency leave, or in administrative hold status in the VISTA program.

(3) The activity or action is alleged to have occurred at or near their assigned project, but is clearly not part of, or required by, the VISTA member's service assignment.

(c) For the legal defense, beyond arraignment in Federal, State, and local criminal proceedings, of a VISTA member who is charged with a criminal offense, AmeriCorps may also pay actual and reasonable legal expenses when:

(1) The charged offense against the VISTA member relates exclusively to their VISTA assignment or status as a VISTA member;

(2) The charged offense against the VISTA member arises from an alleged activity or action that is a part of, or required by, the VISTA member's VISTA assignment;

(3) The VISTA member has not admitted a willful or knowing violation of law; or

(4) The charged offense against the VISTA member is not a minor offense or misdemeanor, such as a minor vehicle violation.

(d) Notwithstanding paragraphs (a) through (c) of this section, there may be situations in which the criminal proceedings at issue arise from a matter that also gives rise to a civil claim under the Federal Tort Claims Act. In such a situation, the U.S. Department of Justice may, on behalf of the United States, agree to defend the VISTA. If the U.S. Department of Justice agrees to defend the VISTA member, unless there is a conflict between the VISTA member's interest and that of the

United States, AmeriCorps will not pay for expenses associated with any additional legal representation (such as counsel fees for private counsel) for the VISTA member.

§ 2556.335 When may a VISTA be provided coverage for legal defense expenses related to civil or administrative proceedings?

For the legal defense in Federal, State, and local civil judicial and administrative proceedings of a VISTA member, AmeriCorps may also pay actual and reasonable legal expenses when:

(a) The complaint or charge is against the VISTA, and is directly related to their VISTA service and not to their personal activities or obligations;

(b) The VISTA has not admitted to willfully or knowingly pursuing a course of conduct that would result in the plaintiff or complainant initiating such a proceeding; and

(c) The judgment sought involves a monetary award that exceeds \$1,000.

§ 2556.340 What is non-competitive eligibility and who is eligible for it?

(a) Non-competitive eligibility is a status that means a person is eligible for appointment, by a Federal agency in the Executive branch, into a civil service position in the Federal competitive service, in accordance with 5 CFR 315.605.

(b) An individual who successfully completes at least a year-long term of service as a VISTA, and who has not been terminated for cause from the VISTA program at any time, has non-competitive eligibility status for one year following the end of the term of service as a VISTA.

(c) In addition to the year of non-competitive eligibility status as provided in paragraph (b) of this section, an individual's non-competitive eligibility status may extend for two more years, to a total of three years, if the individual is:

(1) In the military service;

(2) Studying at a recognized institution of higher learning; or

(3) In another activity which, in the view of the Federal agency referenced in paragraph (a) of this section, warrants extension.

§ 2556.345

§ 2556.345 Who may present a grievance?

(a) Under the VISTA program grievance procedure, a grievance may be presented by any individual who is currently enrolled in the VISTA program or who was enrolled in the VISTA program within the past 30 calendar days.

(b) A VISTA's grievance may not be construed as reflecting on the VISTA's standing, performance, or desirability as a VISTA.

(c) A VISTA who presents a grievance may not be subjected to restraint, interference, coercion, discrimination, or reprisal because of presentation of views.

§ 2556.350 What matters are considered grievances?

(a) Under the VISTA program grievance procedure, grievances are matters of concern, brought by a VISTA, that arise out of, and directly affect, the VISTA's service situation or that arise out of a violation of a policy, practice, or regulation governing the terms or conditions of the VISTA's service, that result in the denial or infringement of a right or benefit to the VISTA member.

(b) Matters not within the definition of a grievance as defined in paragraph (a) of this section are not grievable, and therefore, are excluded from the VISTA program grievance procedure. Though not exhaustive, examples of matters excluded from the VISTA program grievance procedure are:

(1) Matters related to a sponsor's or project's continuance or discontinuance; the number of VISTAs assigned to a VISTA project; the increases or decreases in the level of support provided to a VISTA project; the suspension or termination of a VISTA project; or the selection or retention of VISTA project staff;

(2) Matters for which a separate administrative procedure or complaint process is provided, such as early termination for cause, claims of discrimination during service, and Federal worker's compensation claims filed for illness or injury sustained in the course of carrying out VISTA activities;

45 CFR Ch. XXV (10–1–24 Edition)

(3) Matters related to the content of any law, published rule, regulation, policy, or procedure;

(4) Matters related to housing during a VISTA member's service;

(5) Matters which are, by law, subject to final administrative review outside AmeriCorps;

(6) Matters related to actions taken, or not taken, by a VISTA sponsor or subrecipient, or AmeriCorps, in compliance with or in order to fulfill the terms of a contract, grant, or other agreement related to the VISTA program; or

(7) Matters related to the internal management of AmeriCorps, unless such matters are shown to specifically and directly affect the VISTA's service situation or terms or conditions of their VISTA service.

§ 2556.355 May a VISTA have access to records as part of the VISTA grievance procedure?

(a) A VISTA is entitled to review any material in their official VISTA file and any relevant AmeriCorps records to the extent permitted by the Freedom of Information Act and the Privacy Act, 5 U.S.C. 552, 552a. Examples of materials that may be withheld include references obtained under pledge of confidentiality, official VISTA files of other VISTAs, and privileged intra-agency documents.

(b) A VISTA may review relevant materials in the possession of a sponsor to the extent such materials are disclosable by the sponsor under applicable Freedom of Information Act and privacy laws.

§ 2556.360 How may a VISTA bring a grievance?

(a) *Bringing a grievance—Step 1.* (1) If a VISTA is currently enrolled in the VISTA program or was enrolled in the VISTA program within the past 30 calendar days, they may, within 15 calendar days of an event giving rise to a grievance or within 15 calendar days after becoming aware of such an event, bring a grievance to the sponsor or subrecipient where they are assigned to serve. If the grievance arises out of a continuing condition or practice that individually affects a VISTA, the VISTA may bring it at any time during

their enrollment that they are affected by the continuing condition or practice.

(2) A VISTA brings a grievance by presenting it in writing to the executive director, or comparable individual, of the sponsoring organization where the VISTA is assigned or to the sponsor's representative who is designated to receive grievances from a VISTA.

(3) The sponsor must review and respond in writing to the VISTA's grievance within 10 calendar days of receipt of the written grievance. The sponsor may not fail to respond to a complaint raised by a VISTA on the basis that it is not an actual grievance, or that it is excluded from coverage as a grievance, but may, in the written response, dismiss the complaint and refuse on either of those grounds to grant the requested relief.

(4) If the grievance brought by a VISTA involves a matter over which the sponsor has no substantial control or if the sponsor's representative is the supervisor of the VISTA, the VISTA may pass over the procedure set forth in paragraphs (a)(1) through (3) of this section and present the grievance in writing directly to the Deputy Regional Administrator, as described in paragraph (b) of this section.

(b) *Bringing a grievance—Step 2.* (1) If, after a VISTA brings a grievance as set forth in paragraphs (a)(1) and (2) of this section, the matter is not resolved, they may submit the grievance in writing to the appropriate Deputy Regional Administrator. The VISTA must submit the grievance to the Deputy Regional Administrator either:

(i) Within seven calendar days of receipt of the sponsor's response; or,

(ii) In the event the sponsor does not issue a response to the VISTA within 10 calendar days of its receipt of the written grievance, within 17 calendar days of the sponsor's receipt of the written grievance.

(2) If the grievance involves a matter over which either the sponsor or sub-recipient has no substantial control, or if the sponsor's representative is the supervisor of the VISTA, as described in paragraph (a)(4) of this section, the VISTA may pass over the procedure set forth in paragraphs (a)(1) through (3) of this section, and submit the grievance

in writing directly to the Deputy Regional Administrator. In such a case, the VISTA must submit the grievance to the Deputy Regional Administrator within 15 calendar days of the event giving rise to the grievance occurs, or within 15 calendar days after becoming aware of the event.

(3) Within ten working days of receipt of the grievance, the Deputy Regional Administrator will respond in writing, regardless of whether or not the matter constitutes a grievance as defined under this grievance procedure and/or is timely submitted. In the response, the Deputy Regional Administrator may determine that the matter submitted as a grievance is not grievable, is not considered a grievance, or fails to meet the time limit for response. If the Deputy Regional Administrator makes any such determination, they may dismiss the complaint, setting forth the reason(s) for the dismissal. In such a case, the Deputy Regional Administrator need not address the complaint on the merits, nor make a determination of the complaint on the merits.

§2556.365 May a VISTA appeal a grievance?

(a) A VISTA may appeal the Deputy Regional Administrator's response to the grievance under §2556.360(b)(3) by submitting a written appeal to the appropriate Regional Administrator. To be eligible to appeal a grievance response to the Regional Administrator, the VISTA must first have exhausted all appropriate actions as set forth in §2556.360.

(b) A VISTA's grievance appeal must be in writing, contain sufficient detail to identify the subject matter of the grievance, specify the relief requested, and be signed by the VISTA.

(c) A VISTA must submit a grievance appeal to the appropriate Regional Administrator no later than 10 calendar days after the Deputy Regional Administrator issues their response to the grievance.

(d) Certain matters contained in a grievance appeal may be rejected, rather than denied on the merits, by the Regional Administrator. A grievance appeal may be rejected, in whole or in part, for any of the following reasons:

§ 2556.400

(1) The grievance appeal was not submitted to the appropriate Regional Administrator within the time limit specified in paragraph (c) of this section;

(2) The grievance appeal consists of matters not contained within the definition of a grievance, as specified in section § 2556.350(a);

(3) The grievance appeal consists of matters excluded from the VISTA program grievance procedure, as specified in § 2556.350(b); or

(4) The grievance appeal contains matters that are moot, or for which relief has otherwise been granted.

(e) Within 14 calendar days of receipt of the grievance, the appropriate Regional Administrator will decide the grievance appeal on the merits, or reject the grievance appeal in whole or in part, or both, as appropriate. The Regional Administrator shall notify the VISTA in writing of the decision and specify the grounds for the appeal decision. The appeal decision will include a statement of the basis for the decision and is a final decision of AmeriCorps.

Subpart E—Termination for Cause Procedures

§ 2556.400 What is termination for cause and what are the criteria for termination for cause?

(a) Termination for cause is discharge of a VISTA from the VISTA program due to a deficiency, or deficiencies, in conduct or performance.

(b) AmeriCorps may terminate a VISTA for cause for any of the following reasons:

(6) Any conduct on the part of the VISTA which substantially diminishes their effectiveness as a VISTA; or

(7) Unsatisfactory performance of an assignment.

§ 2556.405 Who has sole authority to remove a VISTA from a VISTA project and who has sole authority to terminate a VISTA from a VISTA project or the VISTA program?

(a) AmeriCorps has the sole authority to remove a VISTA from a project where they have been assigned.

(b) AmeriCorps has the sole authority to terminate for cause or otherwise terminate a VISTA from the VISTA program.

(c) Neither the sponsoring organization nor any of its subrecipients has the authority to remove a VISTA from a project or to terminate a VISTA for cause, or for any other basis, from the VISTA program.

§ 2556.410 May a sponsor request that a VISTA be removed from its project?

(a) The head of a sponsoring organization, or their designee, may request that AmeriCorps remove a VISTA assigned to its project. Any such request must be submitted in writing to the appropriate Portfolio Manager and should state the reasons for the request.

(b) The Portfolio Manager may, at their discretion, attempt to resolve the situation with the sponsor so that a solution other than removal of the VISTA from the project assignment is reached.

(c) When an alternative solution, as referenced in paragraph (b) of this section, is not sought, or is not reached within a reasonable time period, the VISTA Case Manager will remove the VISTA from the project.

§ 2556.415 May AmeriCorps remove a VISTA from a project without the sponsor's request for removal?

Of its own accord, AmeriCorps may remove a VISTA from a project assignment without the sponsor's request for removal.

§ 2556.420 What are termination for cause proceedings?

(c) The VISTA Case Manager will notify the VISTA in writing of AmeriCorps' proposal to terminate for cause. The written proposal to terminate the VISTA for cause must give them the reason(s) for the proposed termination, and notify them that they have 10 calendar days within which to submit a written answer to the proposal to terminate them cause and to furnish any accompanying statements or written material. The VISTA must submit their answer to the VISTA Case Manager by the deadline identified in the written proposal to terminate for cause.

(d) Within 10 calendar days of the expiration of the VISTA's deadline to answer the proposal to terminate for cause, AmeriCorps will issue a written decision regarding the proposal to terminate for cause.

(1) If AmeriCorps decides to terminate the VISTA for cause, its written decision will set forth the reasons for the determination and the effective date of termination (which may be on or after the date of the decision).

(2) If AmeriCorps decides not to terminate the VISTA for cause, the written decision will indicate that the proposal to terminate for cause is rescinded.

(e) A VISTA who does not submit a timely answer to the appropriate VISTA Case Manager, as set forth in paragraph (c) of this section, is not entitled to appeal the decision regarding the proposal to terminate for cause. In such cases, AmeriCorps may terminate the VISTA for cause, on the date identified in the decision, and the termination action is final.

§ 2556.425 May a VISTA appeal their termination for cause?

(a) Within 10 calendar days of AmeriCorps' issuance of the decision to terminate the VISTA for cause, as set forth in § 2556.420(d), the VISTA may appeal the decision to the VMSU Director. The appeal must be in writing and specify the reasons for the VISTA's disagreement with the decision.

(b) AmeriCorps will not incur any expenses or travel allowances for the VISTA in connection with the preparation or presentation of the appeal.

(c) The VISTA may have access to records as follows:

(d) Within 14 calendar days of receipt of any appeal by the VISTA, the VMSU Director or equivalent AmeriCorps official will issue a written appeal determination indicating the reasons for the appeal determination. The appeal determination will be final.

§ 2556.430 Is a VISTA who is terminated early from the VISTA program for other than cause entitled to appeal under these procedures?

(a) Only a VISTA whose early termination from the VISTA program is for cause, and who has answered the proposal to terminate them for cause in a timely manner, as set forth in § 2556.420(c), is entitled to appeal the early termination action, as referenced in § 2556.425. A termination for cause is based on a deficiency, or deficiencies, in the performance or conduct of a VISTA.

(b) The following types of early terminations from the VISTA program are not terminations for cause, and are

§ 2556.500

not entitled to appeal under the early termination appeal procedure set forth in §§ 2556.420 and 2556.425:
