

§ 890.1205

5 CFR Ch. I (1–1–24 Edition)

§ 890.1205 Change in type of enrollment.

(a) Individuals covered under this subpart or eligible survivors enrolled under this subpart may increase enrollment type if they acquire an eligible family member. The change may be made at the written request of the enrollee at any time after the family member is acquired. An increase in enrollment type under this paragraph (a) becomes effective on the 1st day of the pay period after the pay period during which the request is received by the U.S. Department of State, except that a change based on the birth or addition of a child as a new family member is effective on the 1st day of the pay period during which the child is born or otherwise becomes a new family member.

(b) Individuals covered under this subpart or eligible survivors enrolled under this subpart may decrease enrollment type from a self and family enrollment when the last eligible family member (other than the enrollee) ceases to be a family member or only one family member remains; and may decrease enrollment type from a self plus one enrollment when no family member remains. The change may be made at the written request of the enrollee at any time after the last family member is lost and it becomes effective on the 1st day of the pay period after the pay period during which the request is received by the U.S. Department of State.

(c) A family member may file a request to change the type of enrollment on behalf of a hostage during the period of hostage status or on behalf of an eligible former hostage who cannot file the election on his or her own behalf because of a mental or physical disability.

§ 890.1206 Cancellation of coverage.

(a) An individual who is covered under § 890.1203(b) may cancel his or her enrollment at any time by written request. The cancellation is effective on the 1st day of the pay period after the pay period in which it is received by the U.S. Department of State.

(b) An individual who cancels his or her coverage under this section cannot reacquire coverage unless the U.S. Department of State determines that it would be against equity and good conscience not to allow the individual to be enrolled.

(c) A cancellation of coverage must be made by the enrolled individual and cannot be made by a representative acting on the individual's behalf.

§ 890.1207 Termination of coverage.

(a) Coverage of an individual under § 890.1203(b) terminates 60 months or 12 months after hostage status ended unless the individual cancels the coverage earlier.

(b) Enrollees and family members are eligible for temporary extension of coverage for conversion as set forth in subpart D of this part unless the covering enrollment is terminated by cancellation.

§ 890.1208 Premiums.

(a) Government and employee contributions (premiums) required under §§ 890.501 and 890.502 of this part are paid from the appropriation provided under section 599C(e) of Public Law 101–513.

(b) If the individual is not covered under this subpart for the full pay period, premiums are paid only for the days he or she is actually covered. The daily premium rate is an amount equal to the monthly premium rate multiplied by 12 and divided by 365.

(c) The payments required by this section may be accepted by OPM from the State Department appropriation in advance if necessary to fund the 12-month period of coverage beginning on the earlier of:

(1) The day after sanctions or hostilities end; or

(2) The day after the individual's period of hostage status ends.

(d) OPM will place any funds received under paragraph (c) of this section in an account established for this purpose. OPM will make the disbursements specified under 48 CFR subpart

§ 890.1209 Responsibilities of the U.S. Department of State.

(a) The U.S. Department of State functions as the “employing office” for individuals covered under this subpart.

(b) The U.S. Department of State must determine the eligibility of individuals who qualify under Public Law 101-513 for coverage under this part. This determination includes the determination as to whether the individual is barred from coverage under chapter 89 of title 5 U.S. Code by reason of other health insurance coverage as provided in section 599C of Public Law 101-513.

(c) The U.S. Department of State must determine the number of eligible family members, if any, for the purpose of coverage under a self only, self plus one, or self and family enrollment as set forth in § 890.1203(b). If the number of eligible family members of the individual cannot be determined, the U.S. Department of State must enroll the individual for self and family coverage.

(b) Neither the initial decision nor the reconsideration decision of the U.S. Department of State is subject to reconsideration by OPM.

Subpart M—Department of Defense Federal Employees Health Benefits Program Demonstration Project

SOURCE: 65 FR 35260, June 2, 2000, unless otherwise noted.

§ 890.1301 Purpose.

The purpose of this subpart is to implement section 721 of the National Defense Authorization Act for 1999, Public Law 105-261. This section amended chapter 55 of title 10, United States Code, and chapter 89 of title 5, United States Code, to establish a demonstration project under which certain Medicare and other eligible Department of Defense (DoD) beneficiaries can enroll in health benefit plans offered under the Federal Employees Health Benefits (FEHB) Program in certain geographic areas. The legislation was signed into law on October 17, 1998. The demonstration project will run for a period of three years. The legislation requires the Office of Personnel Management (OPM) and DoD to jointly produce and submit two reports to Congress designed to assess the viability of expanding access to the FEHB Program to certain Medicare and other eligible DoD beneficiaries permanently. OPM is authorizing certain differences from regular FEHB Program practices in order to ensure the successful implementation of the demonstration project. This regulation authorizes those differences.

§ 890.1302 Duration.

The demonstration project will run from January 1, 2000, through December 31, 2002.

§ 890.1303 Eligibility.

(a) To enroll in the demonstration project, an individual must live within one of the demonstration areas and meet the definition of an eligible beneficiary in 10 U.S.C. 1108(b). An eligible beneficiary under this subpart is—

(1) A member or former member of the uniformed services described in section 1074(b) of title 10, United States Code, who is entitled to hospital insurance benefits under part A of title XVIII of the Social Security Act (42 U.S.C. 1395c *et seq.*);

(2) An individual who is an unremarried former spouse of a member or former member described in section 1072(2)(F) or section 1072(2)(G) of title 10, United States Code;

(3) An individual who is—

(i) A dependent of a deceased member or former member described in section
