§ 401.2 Concept of the plan.

(a) The Comprehensive Plan shall be adopted, revised and modified as provided in Sections 3.2 and 13.1 of the Compact. It is the Commission's responsibility to adopt the Comprehensive Plan, after consultation with water users and interested public bodies, for the immediate and long-range development and uses of the water resources of the Basin. The Plan shall include the public and private projects and facilities which the Commission determines are required for the optimum planning, development, conservation, utilization, management and control of the water resources of the Basin to meet present and future needs. In addition to the included projects and facilities, the Comprehensive Plan consists of the statements of policies, and programs that the Commission determines are necessary to govern the proper development and use of the River Basin. The documents within the Comprehensive Plan expressing the Commission's policies and programs for the future, including the means for carrying them out, may be set forth through narrative text, maps, charts, schedules, budgets and other appropriate means.

(b) Specific projects and facilities and statements of policy and programs may be incorporated, deleted or modified from time to time to reflect changing conditions, research results and new technology. The degree of detail described in particular projects may vary depending upon the status of their development.

§ 401.3 Other agencies.

Projects of the federal agencies affecting the water resources of the Basin, subject to the limitations in Section 1.4 of the Compact, shall be governed by Section 11.1 of the Compact. Projects of the signatory states, their political subdivisions and public corporations affecting the water resources of the Basin, shall be governed by the provisions of Section 11.2 of the Compact.

§ 401.4 Project applications and proposed revisions and changes.

(a) Applications for inclusion of new public projects and the deletion or alteration of previously included public projects may be submitted by signatory parties and agencies or political subdivisions thereof. Owners or sponsors of privately owned projects may submit applications for the inclusion of new private projects and the deletion or alteration of previously included private projects in which the applicant has an interest. The Commission may also receive and consider proposals for changes and additions to the Comprehensive Plan which may be submitted by any agency of the signatory parties, or any interested person, organization, or group. Any application or proposal shall be submitted in such form as may be required by the Executive Director to facilitate consideration by the Commission.

(b) Applications for projects shall include at least the following information:

(1) Purpose or purposes, including quantitative measures of physical benefit anticipated from the proposal;

(2) The location, physical features and total area required.

(3) Forecast of the cost or effect on the utilization of water resources;

(4) Relation to other parts of the existing Comprehensive Plan;

(5) A discussion of conformance with Commission policies included in the Comprehensive Plan; and

(6) A discussion of the alternatives considered.

§ 401.5 Review of applications.

Following staff study, examination, and review of each project application, the Commission shall hold a public hearing upon notice thereon as provided in paragraph 14.4(b) of the Compact and may take such action on a project application as it finds to be appropriate.

§ 401.6 Proposed revisions and changes.

Proposals for changes and additions to the Comprehensive Plan submitted by any agency of the signatory parties or any interested person, organization or group shall identify the specific revision or change recommended. In order to permit adequate Commission
