§ 1000.120 May a recipient use Indian preference or tribal preference in selecting families for housing assistance?

Yes. The IHP may set out a preference for the provision of housing assistance to Indian families who are members of the Indian tribe or to other Indian families if the recipient has adopted the preference in its admissions policy. The recipient shall ensure that housing activities funded under NAHASDA are subject to the preference.

§ 1000.122 May NAHASDA grant funds be used as matching funds to obtain and leverage funding, including any Federal or state program and still be considered an affordable housing activity?

There is no prohibition in NAHASDA against using grant funds as matching funds.

§ 1000.124 What maximum and minimum rent or homebuyer payment can a recipient charge a low-income rental tenant or homebuyer residing in housing units assisted with NAHASDA grant amounts?

A recipient can charge a low-income rental tenant or homebuyer rent or homebuyer payments not to exceed 30 percent of the adjusted income of the family. The recipient may also decide to compute its rental and homebuyer payments on any lesser percentage of adjusted income of the family. This requirement applies only to units assisted with NAHASDA grant amounts. NAHASDA does not set minimum rents or homebuyer payments; however, a recipient may do so.

§ 1000.126 May a recipient charge flat or income-adjusted rents?

Yes, providing the rental or homebuyer payment of the low-income family does not exceed 30 percent of the family's adjusted income.

§ 1000.128 Is income verification required for assistance under NAHASDA?

(a) Yes, the recipient must verify that the family is income eligible based on anticipated annual income. The family is required to provide documentation to verify this determination. The recipient is required to maintain the documentation on which the determination of eligibility is based.

(b) The recipient may require a family to periodically verify its income in order to determine housing payments or continued occupancy consistent with locally adopted policies. When income verification is required, the family must provide documentation which verifies its income, and this documentation must be retained by the recipient.
