I. Legislative Language

This report responds to the language set forth in Section 5113 of Title 14 U.S. Code (U.S.C.).

14 U.S.C. § 5113. Officers Not on Active Duty Promotion List

“Not later than 60 days after the date on which the President submits to Congress a budget pursuant to section 1105 of title 31, the Commandant shall submit to the Committee on Transportation and Infrastructure of the House of Representatives and the Committee on Commerce, Science, and Transportation of the Senate the number of Coast Guard officers serving at other Federal entities on a reimbursable basis, and the number of Coast Guard officers who are serving at other Federal agencies on a non-reimbursable basis, but not on the active duty promotion list.”

II. Report

Of those officers not on the Active Duty Promotion List, the Coast Guard has no officer serving at other Federal agencies on a reimbursable basis and two officers serving at other Federal agencies on a non-reimbursable basis. The sources for the data provided in this report are the Coast Guard's Personnel Allowance List and Direct Access, the authoritative source for Coast Guard personnel data.

These reimbursable billets strengthen relationships between the Coast Guard and other Federal agencies. By entering into these relationships, the parties promote an efficient and effective partnership and improve service delivery to Federal, state, and local agencies, non-governmental stakeholders, and the American public.
