Dear Mr. Chairman:

I am writing to provide the National Credit Union Administration's 2024 Small Entity Compliance Guide report under Section 212(a)(6) of the Small Business Regulatory Enforcement Fairness Act of 1996 (PL 104-121) (SBREFA). The NCUA did not adopt any final regulations in 2024 that required the development of compliance guides under SBREFA.

The NCUA executes its duties as a prudential regulator, ensuring its regulations place the least amount of burden on regulated entities. The NCUA will continue to serve its mission of protecting the system of cooperative credit and its member-owners through effective chartering, supervision, regulation, and insurance.

If you have questions, please feel free to contact me at 703-215-7784 or oeacmail@ncua.gov.

Sincerely,
