(E) The Secretary of the Navy and the Secretary of the Air Force shall, in consultation with the Secretary of the Interior, appoint an individual to serve as coordinator of the intergovernmental executive committee. The duties of the coordinator shall be included in the memorandum of understanding under subparagraph (A). The coordinator shall not be a member of the committee.

(7) TRANSFER OF MANAGEMENT RESPONSIBILITY.—(A)(i) If the Secretary of the Interior determines that the Secretary of the Navy or the Secretary of the Air Force has failed to manage lands withdrawn and reserved by this section for military purposes in accordance with the integrated natural resource management plan for such lands under paragraph (3), and that failure to do so is resulting in significant and verifiable degradation of the natural or cultural resources of such lands, the Secretary of the Interior shall give the Secretary of the Navy or the Secretary of the Air Force, as the case may be, written notice of such determination, a description of the deficiencies in management practices by the Secretary of the Navy or the Secretary of the Air Force, as the case may be, and an explanation of the methodology employed in reaching the determination.

and for preventing further significant degradation of the natural or cultural resources of the lands concerned.

(iii) If, not earlier than three months after the date a notification under clause (i) is received, the Secretary of the Interior determines that deficiencies identified in the notice are not being corrected, and that significant and verifiable degradation of the natural or cultural resources of the lands concerned is continuing, the Secretary of the Interior may, not earlier than 90 days after the date on which the Secretary of the Interior submits to the committees referred to in section 3032(d)(3) notice and a report on the determination, transfer management responsibility for the natural and cultural resources of such lands from the Secretary of the Navy or the Secretary of the Air Force, as the case may be, to the Secretary of the Interior in accordance with a schedule for such transfer established by the Secretary of the Interior.

(B) After a transfer of management responsibility pursuant to subparagraph (A), the Secretary of the Interior may transfer management responsibility back to the Secretary of the Navy or the Secretary of the Air Force if the Secretary of the Interior determines that adequate procedures and plans have been established to ensure that the lands concerned will be adequately managed by the Secretary of the Navy or the Secretary of the Air Force, as the case may be, in accordance with the integrated natural resources management plan for such lands under paragraph (3).

(C) For any period during which the Secretary of the Interior has management responsibility under this paragraph for lands withdrawn and reserved by this section, the integrated natural resources management plan for such lands under paragraph (3), including any amendments to the plan, shall remain in effect, pending the development of a management plan prepared pursuant to the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1701 et seq.), in cooperation with the Secretary of the Navy or the Secretary of the Air Force.

(D) Assumption by the Secretary of the Interior pursuant to this paragraph of management responsibility for the natural and cultural resources of lands shall not affect the use of such lands for military purposes, and the Secretary of the Navy or the Secretary of the Air Force, as the case may be, shall continue to direct military activities on such lands.

(8) PAYMENT FOR SERVICES.—The Secretary of the Navy and the Secretary of the Air Force shall assume all costs for implementation of an integrated natural resources management plan under paragraph (3), including payment to the Secretary of the Interior under section 1535 of title 31, United States Code, for any costs the Secretary of the Interior incurs in providing goods or services to assist the Secretary of the Navy or the Secretary of the Air Force, as the case may be, in the implementation of the integrated natural resources management plan.

(B) The term “sacred site” means any specific, discrete, narrowly delineated location on Federal land that is identified by an Indian tribe, or its designee, as sacred by virtue of its established religious significance to, or ceremonial use by, an Indian religion, but only to the extent that the tribe or its designee, has informed the Secretary of the Navy or the Secretary of the Air Force of the existence of such site. Neither the Secretary of the Department of Defense, the Secretary of the Navy, the Secretary of the Air Force, nor the Secretary of the Interior shall be required under section 552 of title 5, United States Code, to make available to the public any information concerning the location, character, or use of any traditional Indian religious or sacred site located on lands withdrawn and reserved by this subsection.

(c) ENVIRONMENTAL REQUIREMENTS.—

(1) DURING WITHDRAWAL AND RESERVATION.—Throughout the duration of the withdrawal and reservation of lands by this section, including the duration of any renewal or extension, and with respect both to the activities undertaken by the Secretary of the Navy and the Secretary of the Air Force on such lands and to all activities occurring on such lands during such times as the Secretary of the Navy and the Secretary of the Air Force may exercise management jurisdiction over such lands, the Secretary of the Navy and the Secretary of the Air Force shall—

(i) any release or substantial threat of release attributable to military munitions (including unexploded ordnance) and other constituents; and

(ii) any release or substantial threat of release, regardless of its source, occurring on or emanating from such lands during the period of withdrawal and reservation; and

(C) provide to the Secretary of the Interior a copy of any report prepared by the Secretary of the Navy or the Secretary of the Air Force, as the case may be, pursuant to any Federal, State, or local environmental law, regulation, rule, or standard.

(2) BEFORE RELINQUISHMENT OR TERMINATION.—

(A) ENVIRONMENTAL REVIEW.—(i) Upon notifying the Secretary of the Interior that the Secretary of the Navy or the Secretary of the Air Force intends, pursuant to subsection (f), to relinquish jurisdiction over lands withdrawn and reserved by this section, the Secretary of the Navy or the Secretary of the Air Force shall provide to the Secretary of the Interior an environmental baseline survey, military range assessment, or other environmental review characterizing the environmental condition of the land, air, and water resources affected by the activities undertaken by the Secretary of the Navy or the Secretary of the Air Force, as the case may be, on and over such lands.

(ii) If hazardous substances were stored for one year or more, known to have been released or disposed of, or if a substantial threat of release exists, on lands referred to in clause (i), any environmental review under that clause shall include notice of the type and quantity of such hazardous substances and notice of the time during which such storage, release, substantial threat of release, or disposal took place.

(B) MEMORANDUM OF UNDERSTANDING.—(i) In addition to any other requirements under this section, the Secretary of the Navy, the Secretary of the Air Force, and the Secretary of the Interior may enter into a memorandum of understanding to implement the environmental remediation requirements of this section.

(ii) The memorandum of understanding under clause (i) may include appropriate, technically feasible, and mutually acceptable cleanup standards that the concerned Secretaries believe environmental remediation activities shall achieve and a schedule for completing cleanup activities to meet such standards.

(iii) Cleanup standards under clause (ii) shall be consistent with any legally applicable or relevant and appropriate standard, requirement, criteria, or limitation otherwise required by law.

(C) ENVIRONMENTAL REMEDIATION.—With respect to lands to be relinquished pursuant to subsection (f), the Secretary of the Navy or the Secretary of the Air Force shall take all actions necessary to address any release or substantial threat of release, regardless of its source, occurring on or emanating from such lands during the period of withdrawal and reservation under this section. To the extent practicable, all such response actions shall be taken before the termination of the withdrawal and reservation of such lands under this section.

(D) CONSULTATION.—If the Secretary of the Interior accepts the relinquishment of jurisdiction over any lands withdrawn and reserved by this section before all necessary response actions under this section have been completed, the Secretary of the Interior shall consult with the Secretary of the Navy or the Secretary of the Air Force, as the case may be, before undertaking or authorizing any activities on such lands that may affect existing releases,

interfere with the installation, maintenance, or operation of any response action, or expose any person to a safety or health risk associated with either the releases or the response action being undertaken.

(3) RESPONSIBILITY AND LIABILITY.—(A) The Secretary of the Navy and the Secretary of the Air Force, and not the Secretary of the Interior, shall be responsible for and conduct the necessary remediation of all releases or substantial threats of release, whether located on or emanating from lands withdrawn and reserved by this section, and whether known at the time of relinquishment or termination or subsequently discovered, attributable to management of the lands withdrawn and reserved by this section by the Secretary of the Navy or the Secretary of the Air Force, as the case may be, or the use, management, storage, release, treatment, or disposal of hazardous materials, hazardous substances, hazardous wastes, pollutants, contaminants, petroleum products and their derivatives, military munitions, or other constituents on such lands by the Secretary of the Navy or the Secretary of the Air Force, as the case may be.

(B) Responsibility under subparagraph (A) shall include liability for any costs or claims asserted against the United States for activities referred to in that subparagraph.

(C) Nothing in this paragraph is intended to prevent the United States from bringing a cost recovery, contribution, or other action against third persons or parties the Secretary of the Navy or the Secretary of the Air Force reasonably believes may have contributed to a release or substantial threat of release.

(4) OTHER FEDERAL AGENCIES.—If the Secretary of the Navy or the Secretary of the Air Force delegates responsibility or jurisdiction to another Federal agency over, or permits another Federal agency to operate on, lands withdrawn and reserved by this section, the agency shall assume all responsibility and liability described in paragraph (3) for their activities with respect to such lands.

(5) DEFINITIONS.—In this subsection:

(2) OPENING.—On the date of the termination of the withdrawal and reservation of lands by this section, such lands shall not be open to any form of appropriation under the general land laws, including the mining laws and the mineral leasing and geothermal leasing laws, until the Secretary of the Interior publishes in the Federal Register an appropriate order stating the date upon which such lands shall be restored to the public domain and opened.

(e) EXTENSION OF WITHDRAWAL AND RESERVATION.—

(1) IN GENERAL.—Not later than three years before the termination date of the withdrawal and reservation of lands by this section, the Secretary of the Navy and the Secretary of the Air Force shall notify Congress and the Secretary of the Interior concerning whether the Navy or Air Force, as the case may be, will have a continuing military need, after such termination date, for all or any portion of such lands.

(2) DUTIES REGARDING CONTINUING MILITARY NEED.—(A) If the Secretary of the Navy or the Secretary of the Air Force determines that there will be a continuing military need for any lands withdrawn by this section, the Secretary of the Navy or the Secretary of the Air Force, as the case may be, shall—

(i) consult with the Secretary of the Interior concerning any adjustments to be made to the extent of, or to the allocation of management responsibility for, such lands; and

(ii) file with the Secretary of the Interior, not later than one year after the notice required by paragraph (1),

an application for extension of the withdrawal and reservation of such lands.

(B) The general procedures of the Department of the Interior for processing Federal Land withdrawals notwithstanding, any application for extension under this paragraph shall be considered complete if it includes the following:

(i) The information required by section 3 of the Engle Act (43 U.S.C. 157), except that no information shall be required concerning the use or development of mineral, timber, or grazing resources unless, and to the extent, the Secretary of the Navy or the Secretary of the Air Force proposes to use or develop such resources during the period of extension.

(ii) A copy of the most recent public report prepared in accordance with subsection (b)(5).

(3) LEGISLATIVE PROPOSALS.—The Secretary of the Interior, the Secretary of the Navy, and the Secretary of the Air Force shall ensure that any legislative proposal for the extension of the withdrawal and reservation of lands under this section is submitted to Congress not later than May 1 of the year preceding the year in which the existing withdrawal and reservation would otherwise terminate under this section.

(f) TERMINATION AND RELINQUISHMENT.—

(1) NOTICE OF INTENT TO RELINQUISH.—At any time during the withdrawal and reservation of lands under this section, but not later than three years before the termination of the withdrawal and reservation, if the Secretary of the Navy or the Secretary of the Air Force determines that there is no continuing military need for lands withdrawn and reserved by this section, or any portion of such lands, the Secretary of the Navy or the Secretary of the Air Force, as the case may be, shall notify the Secretary of the Interior of an intent to relinquish jurisdiction over such lands, which notice shall specify the proposed date of relinquishment.

(2) AUTHORITY TO ACCEPT RELINQUISHMENT.—The Secretary of the Interior may accept jurisdiction over any lands covered by a notice of intent to relinquish jurisdiction under this subsection if the Secretary of the Interior determines that the Secretary of the Navy or the Secretary of the Air Force has taken the environmental response actions required under this section.

(3) ORDER.—If the Secretary of the Interior accepts jurisdiction over lands covered by a notice of intent to relinquish jurisdiction under this subsection before the termination date of the withdrawal and reservation of such lands under this section, the Secretary of the Interior shall publish in the Federal Register an appropriate order that shall—

(A) terminate the withdrawal and reservation of such lands under this section;

(B) constitute official acceptance of administrative jurisdiction over such lands by the Secretary of the Interior; and

(C) state the date upon which such lands shall be opened to the operation of the general land laws, including

the mining laws and the mineral leasing and geothermal leasing laws, if appropriate.

(4) JURISDICTION PENDING RELINQUISHMENT.—(A) Notwithstanding the termination date, unless and until the Secretary of the Interior accepts jurisdiction of land proposed for relinquishment under this subsection, or until the Administrator of General Services accepts jurisdiction of such lands under the Federal Property and Administrative Services Act of 1949 (40 U.S.C. 251 et seq.), such lands shall remain under the jurisdiction of the Secretary of the Navy or the Secretary of the Air Force, as the case may be, for the limited purposes of—

- (i) environmental response actions under this section; and
- (ii) continued land management responsibilities pursuant to the integrated natural resources management plan for such lands under subsection (b)(3).

(B) For any land that the Secretary of the Interior determines to be suitable for return to the public domain, but does not agree with the Secretary of the Navy or the Secretary of the Air Force that all necessary environmental response actions under this section have been taken, the Secretary of the Navy or the Secretary of the Air Force, as the case may be, and the Secretary of the Interior shall resolve the dispute in accordance with any applicable dispute resolution process.

(C) For any land that the Secretary of the Interior determines to be unsuitable for return to the public domain, the Secretary of the Interior shall immediately notify the Administrator of General Services.

SEC. 3032. MILITARY USE OF CABEZA PRIETA NATIONAL WILDLIFE REFUGE AND CABEZA PRIETA WILDERNESS.

(a) FINDINGS.—Congress makes the following findings:

(1) The historic use of the areas designated as the Cabeza Prieta National Wildlife Refuge and the Cabeza Prieta Wilderness by the Marine Corps and the Air Force has been integral to the effective operation of the Barry M. Goldwater Air Force Range.

(2) Continued use of the Cabeza Prieta National Wildlife Refuge and Cabeza Prieta Wilderness by the Marine Corps and

the Air Force to support military aviation training will remain necessary to ensure the readiness of the Armed Forces.

(3) The historic use of the Cabeza Prieta National Wildlife Refuge and Cabeza Prieta Wilderness by the Marine Corps and the Air Force has coexisted for many years with the wildlife conservation and wilderness purposes for which the refuge and wilderness were established.

(4) The designation of the Cabeza Prieta National Wildlife Refuge and the Cabeza Prieta Wilderness recognizes the area as one of our nation's most ecologically and culturally valuable areas.

(b) MANAGEMENT AND USE OF REFUGE AND WILDERNESS.—

(1) IN GENERAL.—The Secretary of the Interior, in coordination with the Secretary of the Navy and the Secretary of the Air Force, shall manage the Cabeza Prieta National Wildlife Refuge and Cabeza Prieta Wilderness—

(A) for the purposes for which the refuge and wilderness were established; and

(B) to support current and future military aviation training needs consistent with the November 21, 1994, memorandum of understanding among the Department of the Interior, the Department of the Navy, and the Department of the Air Force, including any extension or other amendment of such memorandum of understanding under this section.

(2) CONSTRUCTION.—Except as otherwise provided in this section, nothing in this subtitle shall be construed to effect the following:

(A) The National Wildlife Refuge System Administration Act of 1966 (16 U.S.C. 668dd et seq.) or any other law related to management of the National Wildlife Refuge System.

(B) Any Executive order or public land order in effect on the date of the enactment of this Act with respect to the Cabeza Prieta National Wildlife Refuge.

(c) EXTENSION OF MEMORANDUM OF UNDERSTANDING.—The Secretary of the Interior, the Secretary of the Navy, and the Secretary of the Air Force shall extend the memorandum of understanding referred to in subsection (b)(1)(B). The memorandum of understanding shall be extended for a period that coincides with the duration of the withdrawal and reservation of the Barry M. Goldwater Air Force Range made by section 3031.

(d) OTHER AMENDMENTS OF MEMORANDUM OF UNDERSTANDING.—

(1) AMENDMENTS TO MEET MILITARY AVIATION TRAINING NEEDS.—(A) When determined by the Secretary of the Navy or the Secretary of the Air Force to be essential to support military aviation training, the Secretary of the Navy, the Secretary of the Air Force, and the Secretary of the Interior shall negotiate amendments to the memorandum of understanding referred to in subsection (b)(1)(B) in order—

(i) to revise existing or establish new low-level training routes or to otherwise accommodate low-level overflight;

(ii) to establish new or enlarged areas closed to public use as surface safety zones; or

(iii) to accommodate the maintenance, upgrade, replacement, or installation of existing or new associated ground instrumentation.

(B) Any amendment of the memorandum of understanding shall be consistent with the responsibilities under law of the Secretary of the Navy, the Secretary of the Air Force, and the Secretary of the Interior, respectively.

(C) As provided by the existing provisions of the National Wildlife Refuge System Improvement Act of 1997 (Public Law 105-57) and the Arizona Desert Wilderness Act of 1990 (Public Law 101-628), amendments to the memorandum of understanding to revise existing or establish new low-level training routes or to otherwise accommodate low-level overflight are not subject to compatibility determinations nor precluded by the designation of lands within the Cabeza Prieta National Wildlife Refuge as wilderness.

(D) Amendments to the memorandum of understanding with respect to the upgrade or replacement of existing associated ground instrumentation or the installation of new associated ground instrumentation shall not be precluded by the existing designation of lands within the Cabeza Prieta National Wildlife Refuge as wilderness to the extent that the Secretary of the Interior, after consultation with the Secretary of the Navy and the Secretary of the Air Force, determines that such actions, considered both individually and cumulatively, create similar or less impact than the existing ground instrumentation permitted by the Arizona Desert Wilderness Act of 1990.

(2) OTHER AMENDMENTS.—The Secretary of the Interior, the Secretary of the Navy, or the Secretary of the Air Force may initiate renegotiation of the memorandum of understanding at any time to address other needed changes, and the memorandum of understanding may be amended to accommodate such changes by the mutual consent of the parties consistent with their respective responsibilities under law.

(3) EFFECTIVE DATE OF AMENDMENTS.—Amendments to the memorandum of understanding shall take effect 90 days after the date on which the Secretary of the Interior submits notice of such amendments to the Committees on Environment and Public Works, Energy and Natural Resources, and Armed Services of the Senate and the Committees on Resources and Armed Services of the House of Representatives.

(e) ACCESS RESTRICTIONS.—If the Secretary of the Navy or the Secretary of the Air Force determines that military operations, public safety, or national security require the closure to the public of any road, trail, or other portion of the Cabeza Prieta National Wildlife Refuge or the Cabeza Prieta Wilderness, the Secretary of the Interior shall take such action as is determined necessary or desirable to effect and maintain such closure, including agreeing to amend the memorandum of understanding to establish new or enhanced surface safety zones.

(f) STATUS OF CONTAMINATED LANDS.—

(1) DECONTAMINATION.—Throughout the duration of the withdrawal of the Barry M.
