

## Veterinary Medicine Mobility Act of 2014

[Public Law 113–143]

[This law has not been amended]

【Currency: This publication is a compilation of the text of Public Law 113-143. It was last amended by the public law listed in the As Amended Through note above and below at the bottom of each page of the pdf version and reflects current law through the date of the enactment of the public law listed at <https://www.govinfo.gov/app/collection/comps/>】

【Note: While this publication does not represent an official version of any Federal statute, substantial efforts have been made to ensure the accuracy of its contents. The official version of Federal law is found in the United States Statutes at Large and in the United States Code. The legal effect to be given to the Statutes at Large and the United States Code is established by statute (1 U.S.C. 112, 204).】

AN ACT To amend the Controlled Substances Act to allow a veterinarian to transport and dispense controlled substances in the usual course of veterinary practice outside of the registered location.

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

### **SECTION 1. [21 U.S.C. 801 note] SHORT TITLE.**

This Act may be cited as the “Veterinary Medicine Mobility Act of 2014”.

### **SEC. 2. TRANSPORT AND DISPENSING OF CONTROLLED SUBSTANCES IN THE USUAL COURSE OF VETERINARY PRACTICE.**

Section 302(e) of the Controlled Substances Act (21 U.S.C. 822(e)) is amended—

(1) by striking “(e)” and inserting “(e)(1)”; and

(2) by adding at the end the following:

“(2) Notwithstanding paragraph (1), a registrant who is a veterinarian shall not be required to have a separate registration in order to transport and dispense controlled substances in the usual course of veterinary practice at a site other than the registrant’s registered principal place of business or professional practice, so long as the site of transporting and dispensing is located in a State where the veterinarian is licensed to practice veterinary medicine and is not a principal place of business or professional practice.”.
