(a) IN GENERAL.—The Tariff Act of 1930 is amended by inserting after section 516A (19 U.S.C. 1516a) the following:

“SEC. 517. [19 U.S.C. 1517] PROCEDURES FOR INVESTIGATING CLAIMS OF EVASION OF ANTIDUMPING AND COUNTERVAILING DUTY ORDERS

“(a) DEFINITIONS.—In this section:

“(1) ADMINISTERING AUTHORITY.—The term ‘administering authority’ has the meaning given that term in section 771(1).

“(2) COMMISSIONER.—The term ‘Commissioner’ means the Commissioner of U.S. Customs and Border Protection.

“(3) COVERED MERCHANDISE.—The term ‘covered merchandise’ means merchandise that is subject to—

“(4) ENTER; ENTRY.—The terms ‘enter’ and ‘entry’ refer to the entry, or withdrawal from warehouse for consumption, of merchandise into the customs territory of the United States.

“(5) EVASION.—

“(A) IN GENERAL.—Except as provided in subparagraph (B), the term ‘evasion’ refers to entering covered merchandise into the customs territory of the United States by means of any document or electronically transmitted data or information, written or oral statement, or act that is material and false, or any omission that is material, and that results in any cash deposit or other security or any amount of applicable antidumping or countervailing duties being reduced or not being applied with respect to the merchandise.

“(B) EXCEPTION FOR CLERICAL ERROR.—

“(i) IN GENERAL.—Except as provided in clause (ii), the term ‘evasion’ does not include entering covered merchandise into the customs territory of the United States by means of—

“(I) a document or electronically transmitted data or information, written or oral statement, or act that is false as a result of a clerical error; or
 “(II) an omission that results from a clerical error.

“(ii) PATTERNS OF NEGLIGENT CONDUCT.—If the Commissioner determines that a person has entered covered merchandise into the customs territory of the United States by means of a clerical error referred to in subclause (I) or (II) of clause (i) and that the clerical error is part of a pattern of negligent conduct on the part of that person, the Commissioner may determine, notwithstanding clause (i), that the person has entered such covered merchandise into the customs territory of the United States through evasion.

“(iii) ELECTRONIC REPETITION OF ERRORS.—For purposes of clause (ii), the mere nonintentional repetition by an electronic system of an initial clerical error does not constitute a pattern of negligent conduct.

“(iv) RULE OF CONSTRUCTION.—A determination by the Commissioner that a person has entered covered merchandise into the customs territory of the United States by means of a clerical error referred to in subclause (I) or (II) of clause (i) rather than through evasion shall not be construed to excuse that person from the payment of any duties applicable to the merchandise.

“(6) INTERESTED PARTY.—

“(A) IN GENERAL.—The term ‘interested party’ means—

“(i) a foreign manufacturer, producer, or exporter, or the United States importer, of covered merchandise or a trade or business association a majority of the members of which are producers, exporters, or importers of such merchandise;

“(vi) if the covered merchandise is a processed agricultural product, as defined in section 771(4)(E), a coalition or trade association that is representative of either—

“(I) processors;

“(II) processors and producers; or

“(III) processors and growers.

“(B) DOMESTIC LIKE PRODUCT.—For purposes of subparagraph (A), the term ‘domestic like product’ means a product that is like, or in the absence of like, most similar in characteristics and uses with, covered merchandise.

“(b) INVESTIGATIONS.—

“(1) IN GENERAL.—Not later than 15 business days after receiving an allegation described in paragraph (2) or a referral described in paragraph (3), the Commissioner shall initiate an investigation if the Commissioner determines that the information provided in the allegation or the referral, as the case may be, reasonably suggests that covered merchandise has been entered into the customs territory of the United States through evasion.

“(2) ALLEGATION DESCRIBED.—An allegation described in this paragraph is an allegation that a person has entered covered merchandise into the customs territory of the United States through evasion that is—

“(A) filed with the Commissioner by an interested party; and

“(B) accompanied by information reasonably available to the party that filed the allegation.

“(3) REFERRAL DESCRIBED.—A referral described in this paragraph is information submitted to the Commissioner by any other Federal agency, including the Department of Commerce or the United States International Trade Commission, that reasonably suggests that a person has entered covered merchandise into the customs territory of the United States through evasion.

“(4) CONSIDERATION BY ADMINISTERING AUTHORITY.—

“(A) IN GENERAL.—If the Commissioner receives an allegation under paragraph (2) and is unable to determine whether the merchandise at issue is covered merchandise, the Commissioner shall—

“(ii) notify the party that filed the allegation, and any other interested party participating in the investigation, of the referral.

“(B) DETERMINATION; TRANSMISSION TO COMMISSIONER.—After receiving a referral under subparagraph (A)(i) with respect to merchandise, the administering authority shall determine whether the merchandise is covered merchandise and promptly transmit that determination to the Commissioner.

“(C) STAY OF DEADLINES.—The period required for any referral and determination under this paragraph shall not be counted in calculating any deadline under this section.

“(D) RULE OF CONSTRUCTION.—Nothing in this paragraph shall be construed to affect the authority of an interested party to commence an action in the United States Court of International Trade under section 516A(a)(2) with respect to a determination of the administering authority under this paragraph.

“(5) CONSOLIDATION OF ALLEGATIONS AND REFERRALS.—

“(A) IN GENERAL.—The Commissioner may consolidate multiple allegations described in paragraph (2) and referrals described in paragraph (3) into a single investigation if the Commissioner determines it is appropriate to do so.

“(B) EFFECT ON TIMING REQUIREMENTS.—If the Commissioner consolidates multiple allegations or referrals into a single investigation under subparagraph (A), the date on which the Commissioner receives the first such allegation or referral shall be used for purposes of the requirement under paragraph (1) with respect to the timing of the initiation of the investigation.

“(6) INFORMATION-SHARING TO PROTECT HEALTH AND SAFETY.—If, during the course of conducting an investigation under paragraph (1) with respect to covered merchandise, the Commissioner has reason to suspect that such covered merchandise may pose a health or safety risk to consumers, the Commissioner shall provide, as appropriate, information to the appropriate Federal agencies for purposes of mitigating the risk.

“(7) TECHNICAL ASSISTANCE AND ADVICE.—

“(A) IN GENERAL.—Upon request, the Commissioner shall provide technical assistance and advice to eligible small businesses to enable such businesses to prepare and submit allegations described in paragraph (2), except that the Commissioner may deny technical assistance if the Commissioner concludes that the allegation, if submitted, would not lead to the initiation of an investigation under this subsection or any other action to address the allegation.

“(B) ELIGIBLE SMALL BUSINESS DEFINED.—

“(i) IN GENERAL.—In this paragraph, the term ‘eligible small business’ means any business concern that the Commissioner determines, due to its small size, has neither adequate internal resources nor the financial ability to obtain qualified outside assistance in

preparing and filing allegations described in paragraph (2).

“(ii) NON-REVIEWABILITY.—The determination of the Commissioner regarding whether a business concern is an eligible small business for purposes of this paragraph is not reviewable by any other agency or by any court.

“(c) DETERMINATIONS.—

“(1) DETERMINATION OF EVASION.—

“(A) IN GENERAL.—Except as provided in subparagraph (B), not later than 300 calendar days after the date on which the Commissioner initiates an investigation under subsection (b) with respect to covered merchandise, the Commissioner shall make a determination, based on substantial evidence, with respect to whether such covered merchandise was entered into the customs territory of the United States through evasion.

“(B) ADDITIONAL TIME.—The Commissioner may extend the time to make a determination under subparagraph (A) by not more than 60 calendar days if the Commissioner determines that—

“(i) the investigation is extraordinarily complicated because of—

“(I) the number and complexity of the transactions to be investigated;

“(II) the novelty of the issues presented; or

“(III) the number of entities to be investigated; and

“(ii) additional time is necessary to make the determination under subparagraph (A).

“(A) IN GENERAL.—If the Commissioner finds that a party or person described in clause (i), (ii), or (iii) of paragraph (2)(A) has failed to cooperate by not acting to the best of the party or person’s ability to comply with a request for information, the Commissioner may, in making a determination under paragraph (1), use an inference that is adverse to the interests of that party or person in selecting from among the facts otherwise available to make the determination.

“(B) APPLICATION.—An inference described in subparagraph (A) may be used under that subparagraph with respect to a person described in clause (ii) or (iii) of paragraph (2)(A) without regard to whether another person involved in the same transaction or transactions under examination has provided the information sought by the Commissioner, such as import or export documentation.

“(C) ADVERSE INFERENCE DESCRIBED.—An adverse inference used under subparagraph (A) may include reliance on information derived from—

“(i) the allegation of evasion of the trade remedy laws, if any, submitted to U.S. Customs and Border Protection;

“(ii) a determination by the Commissioner in another investigation, proceeding, or other action regarding evasion of the unfair trade laws; or

“(iii) any other available information.

“(A) shall provide to each interested party that filed an allegation under paragraph (2) of subsection (b) that resulted in the initiation of an investigation under paragraph (1) of that subsection with respect to such covered merchandise a notification of the determination and may, in addition, include an explanation of the basis for the determination; and

“(B) may provide to importers, in such manner as the Commissioner determines appropriate, information discovered in the investigation that the Commissioner determines will help educate importers with respect to importing merchandise into the customs territory of the United States in accordance with all applicable laws and regulations.

“(d) EFFECT OF DETERMINATIONS.—

“(1) IN GENERAL.—If the Commissioner makes a determination under subsection (c) that covered merchandise was entered into the customs territory of the United States through evasion, the Commissioner shall—

“(A)(i) suspend the liquidation of unliquidated entries of such covered merchandise that are subject to the determination and that enter on or after the date of the initiation of the investigation under subsection (b) with respect to such covered merchandise and on or before the date of the determination; or

“(ii) if the Commissioner has already extended the period for liquidating such entries pursuant to subsection (e)(1), continue to extend the period for liquidating such entries;

“(C) notify the administering authority of the determination and request that the administering authority—

“(i) identify the applicable antidumping or countervailing duty assessment rates for entries described in subparagraphs (A) and (B); or

“(B) SPECIAL RULE FOR CASES IN WHICH THE PRODUCER OR EXPORTER IS UNKNOWN.—If the Commissioner and the administering authority are unable to determine the producer or exporter of the merchandise with respect to which a notification is made under paragraph (1)(C), the administering authority shall identify, as the applicable cash deposit rate or antidumping or countervailing duty assessment rate, the cash deposit or duty (as the case may be) in the highest amount applicable to any producer or exporter, including the ‘all-others’ rate of the merchandise subject to an antidumping order or countervailing duty order under section 736 or 706, respectively, or a finding issued under the Antidumping Act, 1921, or any administrative review conducted under section 751.

FLAP incentivizes the use of more than two dozen languages and has been instrumental in identifying and utilizing U.S. Customs and Border Protection officers and agents who are proficient in a foreign language.
 - (B) In 1993, Congress provided for dedicated funding for this program by stipulating that certain fees collected by U.S. Customs and Border Protection be used to fund FLAP.
 - (C) Through FLAP, foreign travelers are aided by having an officer at a port of entry who speaks their language, and U.S. Customs and Border Protection benefits by being able to focus its border security efforts in a more effective manner.
- (2) **SENSE OF CONGRESS.**—It is the sense of Congress that FLAP incentivizes U.S. Customs and Border Protection officers to attain and maintain competency in a foreign language, thereby improving the efficiency of operations for the functioning of U.S. Customs and Border Protection's security mission, making the United States a more welcoming place when foreign travelers find officers can communicate in their language, and helping to expedite traveler processing to reduce wait times.

SEC. 909. [19 U.S.C. 4452] UNITED STATES-ISRAEL TRADE AND COMMERCIAL ENHANCEMENT.

(a) **FINDINGS.**—Congress finds the following:

(1) Israel is America’s dependable, democratic ally in the Middle East—an area of paramount strategic importance to the United States.

(2) The United States-Israel Free Trade Agreement formed the modern foundation of the bilateral commercial relationship between the two countries and was the first such agreement signed by the United States with a foreign country.

(3) The United States-Israel Free Trade Agreement has been instrumental in expanding commerce and the strategic relationship between the United States and Israel.

(4) More than \$45,000,000,000 in goods and services is traded annually between the two countries, in addition to roughly \$10,000,000,000 in United States foreign direct investment in Israel.

(5) The United States continues to look for and find new opportunities to enhance cooperation with Israel, including

through the enactment of the United States-Israel Enhanced Security Cooperation Act of 2012 (Public Law 112-150; 22 U.S.C. 8601 et seq.) and the United States-Israel Strategic Partnership Act of 2014 (Public Law 113-296; 128 Stat. 4075).

(6) It has been the policy of the United States Government to combat all elements of the Arab League Boycott of Israel by—

(A) public statements of Administration officials;

(B) enactment of relevant sections of the Export Administration Act of 1979 (50 U.S.C. 4601 et seq.) (as continued in effect pursuant to the International Emergency Economic Powers Act (50 U.S.C. 1701 et seq.)), including sections to ensure foreign persons comply with applicable reporting requirements relating to the Boycott;

(C) enactment of the Tax Reform Act of 1976 (Public Law 94-455; 90 Stat. 1520) that denies certain tax benefits to entities abiding by the Boycott;

(D) ensuring through free trade agreements with Bahrain and Oman that such countries no longer participate in the Boycott; and

(E) ensuring as a condition of membership in the World Trade Organization that Saudi Arabia no longer enforces the secondary or tertiary elements of the Boycott.

(b) STATEMENTS OF POLICY.—Congress—

(1) supports the strengthening of economic cooperation between the United States and Israel and recognizes the tremendous strategic, economic, and technological value of cooperation with Israel;

(2) recognizes the benefit of cooperation with Israel to United States companies, including by improving American competitiveness in global markets;

(3) recognizes the importance of trade and commercial relations to the pursuit and sustainability of peace, and supports efforts to bring together the United States, Israel, the Palestinian territories, and others in enhanced commerce;

(4) opposes politically motivated actions that penalize or otherwise limit commercial relations specifically with Israel, such as boycotts of, divestment from, or sanctions against Israel;

(5) notes that boycotts of, divestment from, and sanctions against Israel by governments, governmental bodies, quasi-governmental bodies, international organizations, and other such entities are contrary to principle of nondiscrimination under the GATT 1994 (as defined in section 2(1)(B) of the Uruguay Round Agreements Act (19 U.S.C. 3501(1)(B)));

(6) encourages the inclusion of politically motivated actions that penalize or otherwise limit commercial relations specifically with Israel such as boycotts of, divestment from, or sanctions against Israel as a topic of discussion at the U.S.-Israel Joint Economic Development Group (JEDG) to support the strengthening of the United States-Israel commercial relationship and combat any commercial discrimination against Israel; and

(7) supports efforts to prevent investigations or prosecutions by governments or international organizations of United States persons solely on the basis of such persons doing business with Israel, with Israeli entities, or in any territory controlled by Israel.

(c) PRINCIPAL TRADE NEGOTIATING OBJECTIVES OF THE UNITED STATES.—

(1) COMMERCIAL PARTNERSHIPS.—Among the principal trade negotiating objectives of the United States for proposed trade agreements with foreign countries regarding commercial partnerships are the following:

(A) To discourage actions by potential trading partners that directly or indirectly prejudice or otherwise discourage commercial activity solely between the United States and Israel.

(C) A description of specific steps being taken by the United States to prevent investigations or prosecutions by governments or international organizations of United States persons solely on the basis of such persons doing business with Israel, with Israeli entities, or in Israeli-controlled territories.

(D) Decisions by foreign persons, including corporate entities and state-affiliated financial institutions, that limit or prohibit economic relations with Israel or persons doing business in Israel or in any territory controlled by Israel.

(e) CERTAIN FOREIGN JUDGMENTS AGAINST UNITED STATES PERSONS.—Notwithstanding any other provision of law, no domestic court shall recognize or enforce any foreign judgment entered against a United States person that conducts business operations in Israel, or any territory controlled by Israel, if the domestic court determines that the foreign judgment is based, in whole or in part, on a determination by a foreign court that the United States person's conducting business operations in Israel or any territory controlled by Israel or with Israeli entities constitutes a violation of law.

(iv) the President determines, after receiving the advice of the United States International Trade Commission in accordance with section 503(e) of the Trade Act of 1974 (19 U.S.C. 2463(e)), that the article is not import-sensitive in the context of imports from Nepal; and

(v) subject to subparagraph (C), the sum of the cost or value of the materials produced in, and the direct costs of processing operations performed in, Nepal or the customs territory of the United States is not less than 35 percent of the appraised value of the article at the time it is entered.

(B) EXCLUSIONS.—An article shall not be treated as the growth, product, or manufacture of Nepal for purposes of subparagraph (A)(i)(I) by virtue of having merely undergone—

- (i) simple combining or packaging operations; or
- (ii) mere dilution with water or mere dilution with another substance that does not materially alter the characteristics of the article.

(C) LIMITATION ON UNITED STATES COST.—For purposes of subparagraph (A)(v), the cost or value of materials produced in, and the direct costs of processing operations performed in, the customs territory of the United States and attributed to the 35-percent requirement under that subparagraph may not exceed 15 percent of the appraised value of the article at the time it is entered.

(3) VERIFICATION WITH RESPECT TO TRANSSHIPMENT FOR TEXTILE AND APPAREL ARTICLES.—

(A) IN GENERAL.—Not later than January 1, April 1, July 1, and October 1 of each calendar year, the Commissioner shall verify that textile and apparel articles imported from Nepal to which preferential treatment is extended under this section are not being unlawfully transshipped into the United States.

(B) REPORT TO PRESIDENT.—If the Commissioner determines under subparagraph (A) that textile and apparel articles imported from Nepal to which preferential treatment is extended under this section are being unlawfully transshipped into the United States, the Commissioner shall report that determination to the President.

(d) TRADE FACILITATION AND CAPACITY BUILDING.—

(1) FINDINGS.—Congress makes the following findings:

(A) As a land-locked least-developed country, Nepal has severe challenges reaching markets and developing capacity to export goods. As of 2015, exports from Nepal are approximately \$800,000,000 per year, with India the major market at \$450,000,000 annually. The United States imports about \$80,000,000 worth of goods from Nepal, or 10 percent of the total goods exported from Nepal.

(B) The World Bank has found evidence that the overall export competitiveness of Nepal has been declining since 2005. Indices compiled by the World Bank and the Organization for Economic Co-operation and Development found that export costs in Nepal are high with respect to both air cargo and container shipments relative to other low-income countries. Such indices also identify particular weaknesses in Nepal with respect to automation of customs and other trade functions, involvement of local exporters and importers in preparing regulations and trade rules, and export finance.

(C) Implementation by Nepal of the Agreement on Trade Facilitation of the World Trade Organization could directly address some of the weaknesses described in subparagraph (B).

(2) ESTABLISHMENT OF TRADE FACILITATION AND CAPACITY BUILDING PROGRAM.—Not later than 180 days after the date of the enactment of this Act, the President shall, in consultation with the Government of Nepal, establish a trade facilitation and capacity building program for Nepal—

(A) to enhance the central export promotion agency of Nepal to support successful exporters and to build awareness among potential exporters in Nepal about opportunities abroad and ways to manage trade documentation and regulations in the United States and other countries;

(B) to provide export finance training for financial institutions in Nepal and the Government of Nepal;

(C) to assist the Government of Nepal in maintaining publication on the Internet of all trade regulations, forms for exporters and importers, tax and tariff rates, and other documentation relating to exporting goods and developing

a robust public-private dialogue, through its National Trade Facilitation Committee, for Nepal to identify timelines for implementation of key reforms and solutions, as provided for under the Agreement on Trade Facilitation of the World Trade Organization; and

(D) to increase access to guides for importers and exporters, through publication of such guides on the Internet, including rules and documentation for United States tariff preference programs.

(e) REPORTING REQUIREMENT.—Not later than one year after the date of the enactment of this Act, and annually thereafter, the President shall monitor, review, and report to Congress on the implementation of this section, the compliance of Nepal with subsection (b)(1), and the trade and investment policy of the United States with respect to Nepal.

(f) TERMINATION OF PREFERENTIAL TREATMENT.—No preferential treatment extended under this section shall remain in effect after December 31, 2025.

(g) EFFECTIVE DATE.—The provisions of this section shall take effect on the date that is 30 days after the date of the enactment of this Act.

SEC. 919. SENSE OF CONGRESS ON THE NEED FOR A MISCELLANEOUS TARIFF BILL PROCESS.

(a) **FINDINGS.**—Congress makes the following findings:

(1) As of the date of the enactment of this Act, the Harmonized Tariff Schedule of the United States imposes duties on imported goods for which there is no domestic availability or insufficient domestic availability.

(2) The imposition of duties on such goods creates artificial distortions in the economy of the United States that negatively affect United States manufacturers and consumers.

(3) It would be in the interests of the United States if the Harmonized Tariff Schedule were updated regularly and predictably to eliminate such artificial distortions by suspending or reducing duties on such goods.

(4) The manufacturing competitiveness of the United States around the world would be enhanced if the Harmonized Tariff Schedule were updated regularly and predictably to suspend or reduce duties on such goods.

(b) **SENSE OF CONGRESS.**—It is the sense of Congress that, to remove the competitive disadvantage to United States manufacturers and consumers resulting from the imposition of such duties and to promote the competitiveness of United States manufacturers, the Committee on Finance of the Senate and the Committee on Ways and Means of the House of Representatives are urged to advance, as soon as possible, after consultation with the public and Members of the Senate and the House of Representatives, a regular and predictable legislative process for the temporary suspension and reduction of duties that is consistent with the rules of the Senate and the House.
