imum extent practicable, there are not significant yield calculation disparities between comparable counties in the State.

(3) if there is insufficient NASS data for a comparable contiguous county (as determined under standards of the Secretary in effect as of the date of enactment of this Act), the calculation of the county yield is determined using reliable yield data from other sources, such as Risk Management Agency data, National Agricultural Statistics Service district data, National Agricultural Statistics Service State yield data, or other data as determined by the Farm Service Agency office in the applicable State.

(2) The amount of a supplemental payment to an agricultural producer under this section may not exceed the difference between—

(A) the payment that the agricultural producer would have received without the alternate calculation method described in subsection (b); and

(B) the payment that the agricultural producer would receive using the alternate calculation method.

(d)(1) There is appropriated to the Secretary, out of funds of the Treasury not otherwise appropriated, \$5,000,000, to remain available until September 30, 2020, to carry out the pilot program described in this section.

(2) To the extent that the cost of the pilot program exceeds the amount made available, the Secretary shall reduce all payments under the pilot program on a pro rata basis.

(f) Nothing in this section affects the calculation of actual yield for purposes of county-level agriculture risk coverage payments under section 1117(b)(1) of the Agricultural Act of 2014 (7 U.S.C. 9017(b)(1)) other than payments made in accordance with the pilot program under this section.

(g) A calculation of actual yield made using the alternate calculation method described in subsection (b) shall not be used as a basis for any agriculture risk coverage payment determinations under section 1117 of the Agricultural Act of 2014 (7 U.S.C. 9017) other than for purposes of the pilot program under this section.

SEC. 210. (a) Notwithstanding any other provision of law, subject to the conditions listed under this section, for fiscal years 2019 and 2020, the Secretary of Housing and Urban Development may authorize the transfer of some or all project-based assistance, debt held or insured by the Secretary and statutorily required low-income and very low-income use restrictions if any, associated with one or more multifamily housing project or projects to another multifamily housing project or projects.

(b) PHASED TRANSFERS.—Transfers of project-based assistance under this section may be done in phases to accommodate the financing and other requirements related to rehabilitating or constructing the project or projects to which the assistance is transferred, to ensure that such project or projects meet the standards under subsection (c).

(c) The transfer authorized in subsection (a) is subject to the following conditions:

(1) NUMBER AND BEDROOM SIZE OF UNITS.—

(A) For occupied units in the transferring project: The number of low-income and very low-income units and the configuration (i.e., bedroom size) provided by the transferring project shall be no less than when transferred to the receiving project or projects and the net dollar amount of Federal assistance provided to the transferring project shall remain the same in the receiving project or projects.

(6) The Secretary determines that this transfer is in the best interest of the tenants.

(7) If either the transferring project or the receiving project or projects meets the condition specified in subsection (d)(2)(A), any lien on the receiving project resulting from additional financing obtained by the owner shall be subordinate to any FHA-insured mortgage lien transferred to, or placed on, such

project by the Secretary, except that the Secretary may waive this requirement upon determination that such a waiver is necessary to facilitate the financing of acquisition, construction, and/or rehabilitation of the receiving project or projects.

(8) If the transferring project meets the requirements of subsection (d)(2), the owner or mortgagor of the receiving project or projects shall execute and record either a continuation of the existing use agreement or a new use agreement for the project where, in either case, any use restrictions in such agreement are of no lesser duration than the existing use restrictions.

To the extent the Secretary determines, in consultation with the tenants and the local government, that such a multifamily property owned or held by the Secretary is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of (1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (“MAHRAA”) and (2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may, in consultation with the tenants of that property, contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance. The Secretary shall also take appropriate steps to ensure that project-based contracts remain in effect prior to foreclosure, subject to the exercise of contractual abatement remedies to assist relocation of tenants for imminent major threats to health and safety after written notice to and informed consent of the affected tenants and use of other available remedies, such as partial abatements or receivership. After disposition of any multifamily property described under this section, the contract and allowable rent levels on such properties shall be subject to the requirements under section 524 of MAHRAA.

any requirement or guideline relating to asset management that restricts or limits in any way the use of capital funds for central office costs pursuant to section 9(g)(1) or 9(g)(2) of the United States Housing Act of 1937 (42 U.S.C. 1437g(g)(1), (2)): *Provided*, That a public housing agency may not use capital funds authorized under section 9(d) for activities that are eligible under section 9(e) for assistance with amounts from the operating fund in excess of the amounts permitted under section 9(g)(1) or 9(g)(2).

SEC. 218. [42 U.S.C. 3545a note] The Secretary of the Department of Housing and Urban Development shall, for fiscal year 2019, notify the public through the Federal Register and other means, as determined appropriate, of the issuance of a notice of the availability of assistance or notice of funding availability (NOFA) for any program or discretionary fund administered by the Secretary that is to be competitively awarded. Notwithstanding any other provision of law, for fiscal year 2019, the Secretary may make the NOFA available only on the Internet at the appropriate Government web site or through other electronic media, as determined by the Secretary.

SEC. 219. Payment of attorney fees in program-related litigation shall be paid from the individual program office and Office of General Counsel salaries and expenses appropriations. The annual budget submission for the program offices and the Office of General Counsel shall include any such projected litigation costs for attorney fees as a separate line item request. No funds provided in this title may be used to pay any such litigation costs for attorney fees until the Department submits for review a spending plan for such costs to the House and Senate Committees on Appropriations.

SEC. 220. The Secretary is authorized to transfer up to 10 percent or \$5,000,000, whichever is less, of funds appropriated for any office under the heading “**Administrative Support Offices**” or for any account under the general heading “**Program Office Salaries and Expenses**” to any other such office or account: *Provided*, That no appropriation for any such office or account shall be increased or decreased by more than 10 percent or \$5,000,000, whichever is less, without prior written approval of the House and Senate Committees on Appropriations: *Provided further*, That the Secretary shall provide notification to such Committees three business days in advance of any such transfers under this section up to 10 percent or \$5,000,000, whichever is less.

SEC. 221. (a) Any entity receiving housing assistance payments shall maintain decent, safe, and sanitary conditions, as determined by the Secretary of Housing and Urban Development (in this section referred to as the “Secretary”), and comply with any standards under applicable State or local laws, rules, ordinances, or regulations relating to the physical condition of any property covered under a housing assistance payment contract.

(b) The Secretary shall take action under subsection (c) when a multifamily housing project with a section 8 contract or contract for similar project-based assistance—

(1) receives a Uniform Physical Condition Standards (UPCS) score of 60 or less; or

(2) fails to certify in writing to the Secretary within 3 days that all Exigent Health and Safety deficiencies identified by the inspector at the project have been corrected. Such requirements shall apply to insured and noninsured projects with assistance attached to the units under section 8 of the United States Housing Act of 1937 (42 U.S.C. 1437f), but do not apply to such units assisted under section 8(o)(13) (42 U.S.C. 1437f(o)(13)) or to public housing units assisted with capital or operating funds under section 9 of the United States Housing Act of 1937 (42 U.S.C. 1437g).

(c)(1) Within 15 days of the issuance of the REAC inspection, the Secretary must provide the owner with a Notice of Default with a specified timetable, determined by the Secretary, for correcting all deficiencies. The Secretary must also provide a copy of the Notice of Default to the tenants, the local government, any mortgagees, and any contract administrator. If the owner’s appeal results in a UPCS score of 60 or above, the Secretary may withdraw the Notice of Default.

(2) At the end of the time period for correcting all deficiencies specified in the Notice of Default, if the owner fails to fully correct such deficiencies, the Secretary may—

(A) require immediate replacement of project management with a management agent approved by the Secretary;

(C) abate the section 8 contract, including partial abatement, as determined by the Secretary, until all deficiencies have been corrected;

(D) pursue transfer of the project to an owner, approved by the Secretary under established procedures, which will be obligated to promptly make all required repairs and to accept renewal of the assistance contract as long as such renewal is offered;

(E) transfer the existing section 8 contract to another project or projects and owner or owners;

(F) pursue exclusionary sanctions, including suspensions or debarments from Federal programs;

(G) seek judicial appointment of a receiver to manage the property and cure all project deficiencies or seek a judicial

order of specific performance requiring the owner to cure all project deficiencies;

(H) work with the owner, lender, or other related party to stabilize the property in an attempt to preserve the property through compliance, transfer of ownership, or an infusion of capital provided by a third-party that requires time to effectuate; or

(I) take any other regulatory or contractual remedies available as deemed necessary and appropriate by the Secretary.

(d) The Secretary shall also take appropriate steps to ensure that project-based contracts remain in effect, subject to the exercise of contractual abatement remedies to assist relocation of tenants for major threats to health and safety after written notice to the affected tenants. To the extent the Secretary determines, in consultation with the tenants and the local government, that the property is not feasible for continued rental assistance payments under such section 8 or other programs, based on consideration of—

(1) the costs of rehabilitating and operating the property and all available Federal, State, and local resources, including rent adjustments under section 524 of the Multifamily Assisted Housing Reform and Affordability Act of 1997 (“MAHRAA”); and

(2) environmental conditions that cannot be remedied in a cost-effective fashion, the Secretary may contract for project-based rental assistance payments with an owner or owners of other existing housing properties, or provide other rental assistance.

(e) The Secretary shall report quarterly on all properties covered by this section that are assessed through the Real Estate Assessment Center and have UPCS physical inspection scores of less than 60 or have received an unsatisfactory management and occupancy review within the past 36 months. The report shall include—

(1) the enforcement actions being taken to address such conditions, including imposition of civil money penalties and termination of subsidies, and identify properties that have such conditions multiple times;

(2) actions that the Department of Housing and Urban Development is taking to protect tenants of such identified properties; and

(3) any administrative or legislative recommendations to further improve the living conditions at properties covered under a housing assistance payment contract. This report shall be due to the Senate and House Committees on Appropriations no later than 30 days after the enactment of this Act, and on the first business day of each Federal fiscal year quarter thereafter while this section remains in effect.
