(B) shall be in such form and contain such additional information as the Administrator may prescribe.

(3)(A) Subject to section 14(c), the Administrator shall certify as eligible for participation under this Act a veteran whose application is approved under this subsection and shall furnish the veteran with a certificate of that veteran's eligibility for presentation to an employer offering a program of job training under this Act. (b) Subject to section 10 and the other provisions of this Act, a veteran who has been approved for participation in a program of job training under this Act and has a current certificate of eligibility for such participation may enter a program of job training that has been approved under section 7 and that is offered to the veteran by the employer.

APPROVAL OF EMPLOYER PROGRAMS

SEC. 7. (a)(1) An employer may be paid assistance under section 8(a) on behalf of an eligible veteran employed by such employer and participating in a program of job training offered by that employer only if the program is approved under this section and in accordance with such procedures as the Administrator may by regulation prescribe.

(2) Except as provided in subsection (b), the Administrator shall approve a proposed program of job training of an employer unless the Administrator determines that the application does not contain a certification and other information meeting the requirements established under this Act or that withholding of approval is warranted under subsection (g).

(b) The Administrator may not approve a program of job training—

(1) for employment which consists of seasonal, intermittent, or temporary jobs;

(2) for employment under which commissions are the primary source of income;

(3) for employment which involves political or religious activities;

(c) An employer offering a program of job training that the employer desires to have approved for the purposes of this Act shall submit to the Administrator a written application for such approval. Such application shall be in such form as the Administrator shall prescribe.

(d) An application under subsection (c) shall include a certification by the employer of the following:

(1) That the employer is planning that, upon a veteran's completion of the program of job training, the employer will employ the veteran in a position for which the veteran has been trained and that the employer expects that such a position will be available on a stable and permanent basis to the veteran at the end of the training period.

(2) That the wages and benefits to be paid to a veteran participating in the employer's program of job training will be not less than the wages and benefits normally paid to other employees participating in a comparable program of job training.

(3) That the employment of a veteran under the program—

(A) will not result in the displacement of currently employed workers (including partial displacement such as a reduction in the hours of nonovertime work, wages, or employment benefits); and

(B) will not be in a job (i) while any other individual is on layoff from the same or any substantially equivalent job, or (ii) the opening for which was created as a result of the employer having terminated the employment of any regular employee or otherwise having reduced its work force with the intention of hiring a veteran in such job under this Act.

(4) That the employer will not employ in the program of job training a veteran who is already qualified by training and experience for the job for which training is to be provided.

(5) That the job which is the objective of the training program is one that involves significant training.

(6) That the training content of the program is adequate, in light of the nature of the occupation for which training is to be provided and of comparable training opportunities in such occupation, to accomplish the training objective certified under clause (2) of subsection (e).

(7) That each participating veteran will be employed full time in the program of job training.

(8) That the training period under the proposed program is not longer than the training periods that employers in the community customarily require new employees to complete in order to become competent in the occupation or job for which training is to be provided.

(9) That there are in the training establishment or place of employment such space, equipment, instructional material, and instructor personnel as needed to accomplish the training objective certified under clause (2) of subsection (e).

(10) That the employer will keep records adequate to show the progress made by each veteran participating in the program and otherwise to demonstrate compliance with the requirements established under this Act.

(11) That the employer will furnish each participating veteran, before the veteran's entry into training, with a copy of the employer's certification under this subsection and will obtain and retain the veteran's signed acknowledgment of having received such certification.

(12) That, as applicable, the employer will provide each participating veteran with the full opportunity to participate in a personal interview pursuant to section 14(b)(1)(A) during the veteran's normal workday.

(13) That the program meets such other criteria as the Administrator may determine are essential for the effective implementation of the program established by this Act.

(e) A certification under subsection (d) shall include—

(1) a statement indicating (A) the total number of hours of participation in the program of job training to be offered a veteran, (B) the length of the program of job training, and (C) the starting rate of wages to be paid to a participant in the program; and

(B) For the purposes of section 11, a matter required to be certified under paragraph (12) of subsection (d) shall also be so considered.

(g) In accordance with regulations which the Administrator shall prescribe, the Administrator may withhold approval of an employer's proposed program of job training pending the outcome of an investigation under section 12 and, based on the outcome of such an investigation, may disapprove such program.

(h) For the purposes of this section, approval of a program of apprenticeship or other on-job training for the purposes of section 1787 of title 38, United States Code, shall be considered to meet all requirements established under the provisions of this Act (other than subsection (b) and (d)(3)) for approval of a program of job training.

PAYMENTS TO EMPLOYERS; OVERPAYMENT

SEC. 8. (a)(1) Except as provided in paragraph (3) and subsection (b) and subject to the provisions of section 9, the Administrator shall make quarterly payments to an employer of a veteran participating in an approved program of job training under this Act. Subject to section 5(c) and paragraph (2), the amount paid to an employer on behalf of a veteran for any period of time shall be 50 percent of the product of (A) the starting hourly rate of wages paid to the veteran by the employer (without regard to overtime or premium pay), and (B) the number of hours worked by the veteran during that period.

(2) The total amount that may be paid to an employer on behalf of a veteran participating in a program of job training under this Act is \$10,000.

(3) In order to relieve financial burdens on business enterprises with relatively few numbers of employees, the Administrator may make payments under this Act on a monthly, rather than quarterly, basis to an employer with a number of employees less than a number which shall be specified in regulations which the Administrator shall prescribe for the purposes of this paragraph.

(b) Payment may not be made to an employer for a period of training under this Act on behalf of a veteran until the Administrator has received—

(1) from the veteran, a certification that the veteran was employed full time by the employer in a program of job training during such period; and

(2) from the employer, a certification—

(A) that the veteran was employed by the employer during that period and that the veteran's performance and progress during such period were satisfactory; and

(B) of the number of hours worked by the veteran during that period.

With respect to the first such certification by an employer with respect to a veteran, the certification shall indicate the date on which the employment of the veteran began and the starting hourly rate of wages paid to the veteran (without regard to overtime or premium pay).

(c)(1)(A) Whenever the Administrator finds that an overpayment under this Act has been made to an employer on behalf of a veteran as a result of a certification, or information contained in an application, submitted by an employer which was false in any material respect, the amount of such overpayment shall constitute a liability of the employer to the United States.

(B) Whenever the Administrator finds that an employer has failed in any substantial respect to comply for a period of time with a requirement established under this Act (unless the employer's failure is the result of false or incomplete information provided by the veteran), each amount paid to the employer on behalf of a veteran for that period shall be considered to be an overpayment under this Act, and the amount of such overpayment shall constitute a liability of the employer to the United States.

(2) Whenever the Administrator finds that an overpayment under this Act has been made to an employer on behalf of a veteran as a result of a certification by the veteran, or as a result of information provided to an employer or contained in an application submitted by the veteran, which was willfully or negligently false in any material respect, the amount of such overpayment shall constitute a liability of the veteran to the United States.

(3) Any overpayment referred to in paragraph (1) or (2) may be recovered in the same manner as any other debt due the United States. Any overpayment recovered shall be credited to funds available to make payments under this Act. If there are no such funds, any overpayment recovered shall be deposited into the Treasury.

(4) Any overpayment referred to in paragraph (1) or (2) may be waived, in whole or in part, in accordance with the terms and conditions set forth in section 3102 of title 38, United States Code.

ENTRY INTO PROGRAM OF JOB TRAINING

SEC. 9. Notwithstanding any other provision of this Act, the Administrator may withhold or deny approval of a veteran's entry into an approved program of job training if the Administrator determines that funds are not available to make payments under this Act on behalf of the veteran to the employer offering that program. Before the entry of a veteran into an approved program of job training of an employer for purposes of assistance under this Act, the employer shall notify the Administrator of the employer's intention to employ that veteran. The veteran may begin such program of job training with the employer two weeks after the notice is transmitted to the Administrator unless within that time the employer has received notice from the Administrator that approval of

the veteran's entry into that program of job training must be withheld or denied in accordance with this section.

PROVISION OF TRAINING THROUGH EDUCATIONAL INSTITUTIONS

SEC. 10. An employer may enter into an agreement with an educational institution that has been approved for the enrollment of veterans under chapter 34 of title 38, United States Code, in order that such institution may provide a program of job training (or a portion of such a program) under this Act. When such an agreement has been entered into, the application of the employer under section 7 shall so state and shall include a description of the training to be provided under the agreement.

DISCONTINUANCE OF APPROVAL OF PARTICIPATION IN CERTAIN
EMPLOYER PROGRAMS

SEC. 11. (a) If the Administrator finds at any time that a program of job training previously approved by the Administrator for the purposes of this Act thereafter fails to meet any of the requirements established under this Act, the Administrator may immediately disapprove further participation by veterans in that program. The Administrator shall provide to the employer concerned, and to each veteran participating in the employer's program, a statement of the reasons for, and an opportunity for a hearing with respect to, such disapproval. The employer and each such veteran shall be notified of such disapproval, the reasons for such disapproval, and the opportunity for a hearing. Notification shall be by a certified or registered letter, and a return receipt shall be secured.

(b)(1) If the Administrator determines that the rate of veterans' successful completion of an employer's programs of job training previously approved by the Administrator for the purposes of this Act is disproportionately low because of deficiencies in the quality of such programs, the Administrator shall disapprove participation in such programs on the part of veterans who had not begun such participation on the date that the employer is notified of the disapproval. In determining whether any such rate is disproportionately low because of such deficiencies, the Administrator shall take into account appropriate data, including—

(A) the quarterly data provided by the Secretary with respect to the number of veterans who receive counseling in connection with training under this Act, are referred to employers under this Act, participate in job training under this Act, complete such training or do not complete such training, and the reasons for noncompletion; and.

(B) data compiled through the particular employer's compliance surveys.

(2) With respect to a disapproval under paragraph (1), the Administrator shall provide to the employer concerned the kind of statement, opportunity for hearing, and notice described in subsection (a).

(3) A disapproval under paragraph (1) shall remain in effect until such time as the Administrator determines that adequate remedial action has been taken.

INSPECTION OF RECORDS; INVESTIGATIONS

SEC. 12. (a) The records and accounts of employers pertaining to veterans on behalf of whom assistance has been paid under this Act, as well as other records that the Administrator determines to be necessary to ascertain compliance with the requirements established under this Act, shall be available at reasonable times for examination by authorized representatives of the Federal Government.

(b) The Administrator may monitor employers and veterans participating in programs of job training under this Act to determine compliance with the requirements established under this Act.

(c) The Administrator may investigate any matter the Administrator considers necessary to determine compliance with the requirements established under this Act. The investigations authorized by this subsection may include examining records (including making certified copies of records), questioning employees, and entering into any premises or onto any site where any part of a program of job training is conducted under this Act, or where any of the records of the employer offering or providing such program are kept.

(d) The Administrator may administer functions under subsections (b) and (c) in accordance with an agreement between the Administrator and the Secretary providing for the administration of such subsections (or any portion of such subsections) by the Department of Labor. Under such an agreement, any entity of the Department of Labor specified in the agreement may administer such subsections, notwithstanding section 4(b).

COORDINATION WITH OTHER PROGRAMS

SEC. 13. (a)(1) Assistance may not be paid under this Act to an employer on behalf of a veteran for any period of time described in paragraph (2) and to such veteran under chapter 31, 32, 34, 35, or 36 of title 38, United States Code, for the same period of time.

(ii) veterans and employers are encouraged to request such services whenever appropriate.

(c) Before a veteran who voluntarily terminates from a program of job training under this Act or is involuntarily terminated from such program by the employer may be eligible to be provided with a further certificate, or renewal of certification, of eligibility for participation under this Act, such veteran must be provided by the Secretary, after consultation with the Administrator, with a case manager.

(d) Payments made under this Act pursuant to contracts entered into for the provision of job-readiness skills development and counseling services under subsection (a)(2) may only be paid out of the same account used to make payments under section 1504(a)(7) of title 38, United States Code, and the amount paid out of such account in any fiscal year for such services shall not exceed an amount equal to 5 percent of the amount obligated to carry out this Act for such fiscal year, except that for fiscal year 1988 the amount shall not exceed 5 percent of the amount available to carry out this Act on October 1, 1987.
