AN ACT To establish the Pennsylvania Avenue Development Corporation, to provide for the preparation and carrying out of a development plan for certain areas between the White House and the Capitol, to further the purposes of which the Pennsylvania Avenue National Historic Site was designated, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, **[40 U.S.C. 871 note]** That this Act may be cited as the “Pennsylvania Avenue Development Corporation Act of 1972”.

SEC. 2. [40 U.S.C. 871] The Congress finds and declares—

(a) that it is in the national interest that the area adjacent to Pennsylvania Avenue between the Capitol and the White House, most of which was designated on September 30, 1965, as a national historic site under the Historic Sites Act of August 21, 1935 (16 U.S.C. 461 et seq.), be developed, maintained, and used in a manner suitable to its ceremonial, physical, and historic relationship to the legislative and executive branches of the Federal Government and to the governmental buildings, monuments, memorials, and parks in or adjacent to the area;

(b) that the area adjacent to Pennsylvania Avenue between the Capitol and the White House, because of its blighted character, imposes severe public, economic, and social liabilities upon the District of Columbia as the seat of the government of the United States, thereby impeding its sound growth and development and constituting a serious and growing threat to the public health, safety, morals, and welfare of its inhabitants;

(c) that to insure suitable development, maintenance, and use of the area and the elimination of blight, it is essential

that there be developed and carried out as an entirety plans for this area which will specify the uses, both public and private, to which property is to be put, the programming and financing of necessary acquisitions, construction, reconstruction, and other activities;

(d) that such duties and responsibilities can best be developed and carried out by vesting the requisite powers in a Federal corporation which can take maximum advantage of the private as well as the public resources which will be necessary;

(e) that the powers conferred by this Act are for public uses and purposes for which public powers may be employed, public funds may be expended, and the power of eminent domain and the police power may be exercised, and the granting of such powers is necessary in the public interest; and

(f) that the area thus to be developed, maintained, and used in accordance with the provisions of this Act (hereinafter referred to as the development area) shall be the area bounded as follows:

Beginning at a point on the southwest corner of the intersection of Fifteenth Street and E Street Northwest;

thence proceeding easterly along the southerly side of E Street to the southwest corner of the intersection of Thirteenth Street and Pennsylvania Avenue Northwest;
