AN ACT To define bank holding companies, control their future expansion, and require divestment of their nonbanking interests.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the “Bank Holding Company Act of 1956”.

DEFINITIONS

SEC. 2. 【12 U.S.C. 1841】 (a)(1) Except as provided in paragraph (5) of this subsection, “bank holding company” means any company which has control over any bank or over any company that is or becomes a bank holding company by virtue of this Act.

(2) Any company has control over a bank or over any company if—

(A) the company directly or indirectly or acting through one or more other persons owns, controls, or has power to vote 25 per centum or more of any class of voting securities of the bank or company;

(B) the company controls in any manner the election of a majority of the directors or trustees of the bank or company; or

(C) the Board determines, after notice and opportunity for hearing, that the company directly or indirectly exercises a controlling influence over the management or policies of the bank or company.

(3) For the purposes of any proceeding under paragraph (2)(C) of this subsection, there is a presumption that any company which directly or indirectly owns, controls, or has power to vote less than 5 per centum of any class of voting securities of a given bank or company does not have control over that bank or company.

(4) In any administrative or judicial proceeding under this Act, other than a proceeding under paragraph (2)(C) of this subsection, a company may not be held to have had control over any given bank or company at any given time unless that company, at the time in question, directly or indirectly owned, controlled, or had power to vote 5 per centum or more of any class of voting securities of the bank or company, or had already been found to have control in a proceeding under paragraph (2)(C).

(5) Notwithstanding any other provision of this subsection—

(A) No bank and no company owning or controlling voting shares of a bank is a bank holding company by virtue of its ownership or control of shares in a fiduciary capacity, except as provided in paragraphs (2) and (3) of subsection (g) of this section. For the purpose of the preceding sentence, bank shares shall not be deemed to have been acquired in a fiduciary capacity if the acquiring bank or company has sole discretionary authority to exercise voting rights with respect thereto; except that this limitation is applicable in the case of a bank or company acquiring such shares prior to the date of enactment of the Bank Holding Company Act Amendments of 1970 only if the bank or company has the right consistent with its obligations under the instrument, agreement, or other arrangement establishing the fiduciary relationship to divest itself of such voting rights and fails to exercise that right to divest within a reasonable period not to exceed one year after the date of enactment of the Bank Holding Company Act Amendments of 1970.

(B) No company is a bank holding company by virtue of its ownership or control of shares acquired by it in connection with its underwriting of securities if such shares are held only for such period of time as will permit the sale thereof on a reasonable basis.

(C) No company formed for the sole purpose of participating in a proxy solicitation is a bank holding company by virtue of its control of voting rights of shares acquired in the course of such solicitation.

(D) No company is a bank holding company by virtue of its ownership or control of shares acquired in securing or collecting a debt previously contracted in good faith, until two years after the date of acquisition. The Board is authorized upon application by a company to extend, from time to time for not more than one year at a time, the two-year period referred to herein for disposing of any shares acquired by a company in the regular course of securing or collecting a debt previously contracted in good faith, if, in the Board's judgment, such an extension would not be detrimental to the public interest, but no such extension shall in the aggregate exceed three years.

(E) No company is a bank holding company by virtue of its ownership or control of any State-chartered bank or trust company which—

(i) is wholly owned by 1 or more thrift institutions or savings banks; and

(ii) is restricted to accepting—

(I) deposits from thrift institutions or savings banks;

(II) deposits arising out of the corporate business of the thrift institutions or savings banks that own the bank or trust company; or

(III) deposits of public moneys.

(F) No trust company or mutual savings bank which is an insured bank under the Federal Deposit Insurance Act is a bank holding company by virtue of its direct or indirect ownership or control of one bank located in the same State, if (i) such ownership or control existed on the date of enactment of the Bank Holding Company Act Amendments of 1970 and is specifically authorized by applicable State law, and (ii) the trust company or mutual savings bank does not after that date acquire an interest in any company that, together with any other interest it holds in that company, will exceed 5 per centum of any class of the voting shares of that company, except that this limitation shall not be applicable to investments of the trust company or mutual savings bank, direct and indirect, which are otherwise in accordance with the limitations applicable to national banks under section 5136 of the Revised Statutes. (12 U.S.C. 24)

(6) For the purposes of this Act, any successor to a bank holding company shall be deemed to be a bank holding company from the date on which the predecessor company became a bank holding company.

(b) "Company" means any corporation, partnership, business trust, association, or similar organization, or any other trust unless by its terms it must terminate within twenty-five years or not later than twenty-one years and ten months after the death of individuals living on the effective date of the trust, but shall not include any corporation the majority of the shares of which are owned by the United States or by any State, and shall not include a qualified family partnership. "Company covered in 1970" means a company which becomes a bank holding company as a result of the enactment of the Bank Holding Company Act Amendments of 1970 and which would have been a bank holding company on June 30, 1968, if those amendments had been enacted on that date.

(H) An industrial loan company, industrial bank, or other similar institution which is—

(i) an institution organized under the laws of a State which, on March 5, 1987, had in effect or had under consideration in such State's legislature a statute which required or would require such institution to obtain insurance under the Federal Deposit Insurance Act—

(I) which does not accept demand deposits that the depositor may withdraw by check or similar means for payment to third parties;

(II) which has total assets of less than \$100,000,000; or

(III) the control of which is not acquired by any company after the date of the enactment of the Competitive Equality Amendments of 1987; or

(ii) an institution which does not, directly, indirectly, or through an affiliate, engage in any activity in which it was not lawfully engaged as of March 5, 1987,

except that this subparagraph shall cease to apply to any institution which permits any overdraft (including any intraday overdraft), or which incurs any such overdraft in such institution's account at a Federal Reserve bank, on behalf of an affiliate if such overdraft is not the result of an inadvertent computer or accounting error that is beyond the control of both the institution and the affiliate, or that is otherwise permissible for a bank controlled by a company described in section 4(f)(1).

(d) "Subsidiary", with respect to a specified bank holding company, means (1) any company 25 per centum or more of whose voting shares (excluding shares owned by the United States or by any company wholly owned by the United States) is directly or indirectly owned or controlled by such bank holding company, or is held by it with power to vote; (2) any company the election of a majority of whose directors is controlled in any manner by such bank holding company; or (3) any company with respect to the management or policies of which such bank holding company has the power, directly or indirectly, to exercise a controlling influence, as determined by the Board, after notice and opportunity for hearing.

(e) The term "successor" shall include any company which acquires directly or indirectly from a bank holding company shares of any bank, when and if the relationship between such company and the bank holding company is such that the transaction effects no substantial change in the control of the bank or beneficial ownership of such shares of such bank. The Board may, by regulation, further define the term "successor" to the extent necessary to prevent evasion of the purposes of this Act.

(f) "Board" means the Board of Governors of the Federal Reserve System.

(g) For the purposes of this Act—

(1) shares owned or controlled by any subsidiary of a bank holding company shall be deemed to be indirectly owned or controlled by such bank holding company; and

(2) shares held or controlled directly or indirectly by trustees for the benefit of (A) a company, (B) the shareholders or members of a company, or (C) the employees (whether exclusively or not) of a company, shall be deemed to be controlled by such company, unless the Board determines that such treatment is not appropriate in light of the facts and circumstances of the case and the purposes of this Act.

(h)(1) Except as provided by paragraph (2), the application of this Act and of section 23A of the Federal Reserve Act (12 U.S.C. 371), as amended, shall not be affected by the fact that a transaction takes place wholly or partly outside the United States or that a company is organized or operates outside the United States.

(2) Except as provided in paragraph (3), the prohibitions of section 4 of this Act shall not apply to shares of any company organized under the laws of a foreign country (or to shares held by such company in any company engaged in the same general line of business as the investor company or in a business related to the business of the investor company) that is principally engaged in business outside the United States if such shares are held or acquired by a bank holding company organized under the laws of a foreign country that is principally engaged in the banking business outside the United States. For the purpose of this subsection, the term “section 2(h)(2) company” means any company whose shares are held pursuant to this paragraph.

(3) Nothing in paragraph (2) authorizes a section 2(h)(2) company to engage in (or acquire or hold more than 5 percent of the outstanding shares of any class of voting securities of a company engaged in) any banking, securities, insurance, or other financial activities, as defined by the Board, in the United States. This paragraph does not prohibit a section 2(h)(2) company from holding shares that were lawfully acquired before the date of enactment of the Competitive Equality Banking Act of 1987.

(4) No domestic office or subsidiary of a bank holding company or subsidiary thereof holding shares of a section 2(h)(2) company may extend credit to a domestic office or subsidiary of such section 2(h)(2) company on terms more favorable than those afforded similar borrowers in the United States.

(5) No domestic banking office or bank subsidiary of a bank holding company that controls a section 2(h)(2) company may offer or market products or services of such section 2(h)(2) company, or permit its products or services to be offered or marketed by or through such section 2(h)(2) company, unless such products or services were being so offered or marketed as of March 5, 1987, and then only in the same manner in which they were being offered or marketed as of that date.

ACQUISITION OF BANK SHARES OR ASSETS

SEC. 3. [12 U.S.C. 1842] (a) It shall be unlawful, except with the prior approval of the Board, (1) for any action to be taken that causes any company to become a bank holding company; (2) for any action to be taken that causes a bank to become a subsidiary of a bank holding company; (3) for any bank holding company to acquire direct or indirect ownership or control of any voting shares of any bank if, after such acquisition, such company will directly or indirectly own or control more than 5 per centum of the voting shares of such bank; (4) for any bank holding company or subsidiary thereof, other than a bank, to acquire all or substantially all of the assets of a bank; or (5) for any bank holding company to merge or consolidate with any other bank holding company. Notwithstanding the foregoing this prohibition shall not apply to (A) shares acquired by a bank, (i) in good faith in a fiduciary capacity, except where such shares are held under a trust that constitutes a company as defined in section 2(b) and except as provided in paragraphs (2) and (3) of section 2(g), or (ii) in the regular course of securing or collecting a debt previously contracted in good faith, but any shares acquired after the date of enactment of this Act in securing or collecting any such previously contracted debt shall be disposed of within a period of two years from the date on which they were acquired; (B) additional shares acquired by a bank holding company in a bank in which such bank holding company owned or controlled a majority of the voting shares prior to such acquisition; or (C) the acquisition, by a company, of control of a bank in a reorganization in which a person or group of persons exchanges their shares of the bank for shares of a newly formed bank holding company and receives after the reorganization substantially the same proportional share interest in the holding company as they held in the bank except for changes in shareholders’ interests resulting from the exercise of dissenting shareholders’ rights under State or Federal law if—

(i) immediately following the acquisition—

(I) the bank holding company meets the capital and other financial standards prescribed by the Board by regulation for such a bank holding company; and

(II) the bank is adequately capitalized (as defined in section 38 of the Federal Deposit Insurance Act);

(ii) the holding company does not engage in any activities other than those of managing and controlling banks as a result of the reorganization;

(iii) the company provides 30 days prior notice to the Board and the Board does not object to such transaction during such 30-day period; and

(iv) the holding company will not acquire control of any additional bank as a result of the reorganization..³

The Board is authorized upon application by a bank to extend, from time to time for not more than one year at a time, the two-year period referred to above for disposing of any shares acquired by a bank in the regular course of securing or collecting a debt previously contracted in good faith, if, in the Board's judgment, such an extension would not be detrimental to the public interest, but no such extension shall in the aggregate exceed three years. For the purpose of the preceding sentence, bank shares acquired after the date of enactment of the Bank Holding Company Act Amendments of 1970 shall not be deemed to have been acquired in good faith in a fiduciary capacity if the acquiring bank or company has sole discretionary authority to exercise voting rights with respect thereto, but in such instances acquisitions may be made without prior approval of the Board if the Board, upon application filed within ninety days after the shares are acquired, approves retention or, if retention is disapproved, the acquiring bank disposes of the shares or its sole discretionary voting rights within two years after issuance of the order of disapproval.

(b)(1) NOTICE AND HEARING REQUIREMENTS.—Upon receiving from a company any application for approval under this section, the Board shall give notice to the Comptroller of the Currency, if the applicant company or any bank the voting shares or assets of which are sought to be required⁴ is a national banking association, or to the appropriate supervisory authority of the interested State, if the applicant company or any bank the voting shares or assets of which are sought to be acquired is a State bank, in order to provide for the submission of the views and recommendations of the Comptroller of the Currency or the State supervisory authority, as the case may be. The views and recommendations shall be submitted within thirty calendar days of the date on which notice is given, or within ten calendar days of such date if the Board advises the Comptroller of the Currency or the State supervisory authority that an emergency exists requiring expeditious action. If the thirty-day notice period applies and if the Comptroller of the Currency or the State supervisory authority so notified by the Board disapproves the application in writing within this period, the Board shall forthwith give written notice of that fact to the applicant. Within three days after giving such notice to the applicant, the Board shall notify in writing the applicant and the disapproving authority of the date for commencement of a hearing by it on such application. Any such hearing shall be commenced not less than ten nor more than thirty days after the Board has given written notice to the applicant of the action of the disapproving authority. The length of any such hearing shall be determined by the Board, but it shall afford all interested parties a reasonable opportunity to testify at such hearing. At the conclusion thereof, the Board shall, by order, grant or deny the application on the basis of the record made at such hearing. In the event of the failure of the

Board to act on any application for approval under this section within the ninety-one-day period which begins on the date of submission to the Board of the complete record on that application, the application shall be deemed to have been granted. Notwithstanding any other provision of this subsection, if the Board finds that it must act immediately on any application for approval under this section in order to prevent the probable failure of a bank or bank holding company involved in a proposed acquisition, merger, or consolidation transaction, the Board may dispense with the notice requirements of this subsection, and if notice is given, the Board may request that the views and recommendations of the Comptroller of the Currency or the State supervisory authority, as the case may be, be submitted immediately in any form or by any means acceptable to the Board. If the Board has found pursuant to this subsection either that an emergency exists requiring expeditious action or that it must act immediately to prevent probable failure, the Board may grant or deny any such application without a hearing not withstanding any recommended disapproval by the appropriate supervisory authority.

(2) **WAIVER IN CASE OF BANK IN DANGER OF CLOSING.**—If the Board receives a certification described in section 13(f)(8)(D)⁵ of the Federal Deposit Insurance Act from the appropriate Federal or State chartering authority that a bank is in danger of closing, the Board may dispense with the notice and hearing requirements of paragraph (1) with respect to any application received by the Board relating to the acquisition of such bank, the bank holding company which controls such bank, or any other affiliated bank.

(c) **FACTORS FOR CONSIDERATION BY BOARD.**—

(1) **COMPETITIVE FACTORS.**—The Board shall not approve—

(A)⁶ any acquisition or merger or consolidation under this section which would result in a monopoly, or which would be in furtherance of any combination or conspiracy to monopolize or to attempt to monopolize the business of banking in any part of the United States, or

(B)⁶ any other proposed acquisition or merger or consolidation under this section whose effect in any section of the country may be substantially to lessen competition, or to tend to create a monopoly, or which in any other manner would be in restraint or⁷ trade, unless it finds that the anticompetitive effects of the proposed transaction are clearly outweighed in the public interest by the probable effect of the transaction in meeting the convenience and needs of the community to be served.

(2) **BANKING AND COMMUNITY FACTORS.**—In every case, the Board shall take into consideration the financial and managerial resources and future prospects of the company or companies and the banks concerned, and the convenience and needs of the community to be served.

(3) **SUPERVISORY FACTORS.**—The Board shall disapprove any application under this section by any company if—

⁵Section 13(f)(8)(D) of the Federal Deposit Insurance Act was repealed by Public Law 101-73, title II, section 217(5)(H), August 9, 1989, 103 Stat. 257.

⁶Indentation so in law.

⁷So in law. Probably should be “of”.

(A) the company fails to provide the Board with adequate assurances that the company will make available to the Board such information on the operations or activities of the company, and any affiliate of the company, as the Board determines to be appropriate to determine and enforce compliance with this Act; or

(B) in the case of an application involving a foreign bank, the foreign bank is not subject to comprehensive supervision or regulation on a consolidated basis by the appropriate authorities in the bank's home country.

(4) TREATMENT OF CERTAIN BANK STOCK LOANS.—Notwithstanding any other provision of law, the Board shall not follow any practice or policy in the consideration of any application for the formation of a one-bank holding company if following such practice or policy would result in the rejection of such application solely because the transaction to form such one-bank holding company involves a bank stock loan which is for a period of not more than twenty-five years. The previous sentence shall not be construed to prohibit the Board from rejecting any application solely because the other financial arrangements are considered unsatisfactory. The Board shall consider transactions involving bank stock loans for the formation of a one-bank holding company having a maturity of twelve years or more on a case by case basis and no such transaction shall be approved if the Board believes the safety or soundness of the bank may be jeopardized.

(5) MANAGERIAL RESOURCES.—Consideration of the managerial resources of a company or bank under paragraph (2) shall include consideration of the competence, experience, and integrity of the officers, directors, and principal shareholders of the company or bank.

(6) MONEY LAUNDERING.—In every case, the Board shall take into consideration the effectiveness of the company or companies in combatting money laundering activities, including in overseas branches.

(7) FINANCIAL STABILITY.—In every case, the Board shall take into consideration the extent to which a proposed acquisition, merger, or consolidation would result in greater or more concentrated risks to the stability of the United States banking or financial system.

(d) INTERSTATE BANKING.—

(1) APPROVALS AUTHORIZED.—

(A) ACQUISITION OF BANKS.—The Board may approve an application under this section by a bank holding company that is well capitalized and well managed to acquire control of, or acquire all or substantially all of the assets of, a bank located in a State other than the home State of such bank holding company, without regard to whether such transaction is prohibited under the law of any State.

(B) PRESERVATION OF STATE AGE LAWS.—

(i) IN GENERAL.—Notwithstanding subparagraph

(A), the Board may not approve an application pursuant to such subparagraph that would have the effect of permitting an out-of-State bank holding company to

acquire a bank in a host State that has not been in existence for the minimum period of time, if any, specified in the statutory law of the host State.

(ii) SPECIAL RULE FOR STATE AGE LAWS SPECIFYING A PERIOD OF MORE THAN 5 YEARS.—Notwithstanding clause (i), the Board may approve, pursuant to subparagraph (A), the acquisition of a bank that has been in existence for at least 5 years without regard to any longer minimum period of time specified in a statutory law of the host State.

(C) SHELL BANKS.—For purposes of this subsection, a bank that has been chartered solely for the purpose of, and does not open for business prior to, acquiring control of, or acquiring all or substantially all of the assets of, an existing bank shall be deemed to have been in existence for the same period of time as the bank to be acquired.

(D) EFFECT ON STATE CONTINGENCY LAWS.—No provision of this subsection shall be construed as affecting the applicability of a State law that makes an acquisition of a bank contingent upon a requirement to hold a portion of such bank's assets available for call by a State-sponsored housing entity established pursuant to State law, if—

(i) the State law does not have the effect of discriminating against out-of-State banks, out-of-State bank holding companies, or subsidiaries of such banks or bank holding companies;

(ii) that State law was in effect as of the date of enactment of the Riegle-Neal Interstate Banking and Branching Efficiency Act of 1994;

(iii) the Federal Deposit Insurance Corporation has not determined that compliance with such State law would result in an unacceptable risk to the Deposit Insurance Fund; and

(iv) the appropriate Federal banking agency for such bank has not found that compliance with such State law would place the bank in an unsafe or unsound condition.

(2) CONCENTRATION LIMITS.—

(A) NATIONWIDE CONCENTRATION LIMITS.—The Board may not approve an application pursuant to paragraph (1)(A) if the applicant (including all insured depository institutions which are affiliates of the applicant) controls, or upon consummation of the acquisition for which such application is filed would control, more than 10 percent of the total amount of deposits of insured depository institutions in the United States.

(B) STATEWIDE CONCENTRATION LIMITS OTHER THAN WITH RESPECT TO INITIAL ENTRIES.—The Board may not approve an application pursuant to paragraph (1)(A) if—

(i) immediately before the consummation of the acquisition for which such application is filed, the applicant (including any insured depository institution affiliate of the applicant) controls any insured depository institution or any branch of an insured depository

institution in the home State of any bank to be acquired or in any host State in which any such bank maintains a branch; and

(ii) the applicant (including all insured depository institutions which are affiliates of the applicant), upon consummation of the acquisition, would control 30 percent or more of the total amount of deposits of insured depository institutions in any such State.

(C) EFFECTIVENESS OF STATE DEPOSIT CAPS.—No provision of this subsection shall be construed as affecting the authority of any State to limit, by statute, regulation, or order, the percentage of the total amount of deposits of insured depository institutions in the State which may be held or controlled by any bank or bank holding company (including all insured depository institutions which are affiliates of the bank or bank holding company) to the extent the application of such limitation does not discriminate against out-of-State banks, out-of-State bank holding companies, or subsidiaries of such banks or holding companies.

(D) EXCEPTIONS TO SUBPARAGRAPH (B).—The Board may approve an application pursuant to paragraph (1)(A) without regard to the applicability of subparagraph (B) with respect to any State if—

(i) there is a limitation described in subparagraph (C) in a State statute, regulation, or order which has the effect of permitting a bank or bank holding company (including all insured depository institutions which are affiliates of the bank or bank holding company) to control a greater percentage of total deposits of all insured depository institutions in the State than the percentage permitted under subparagraph (B); or

(ii) the acquisition is approved by the appropriate State bank supervisor of such State and the standard on which such approval is based does not have the effect of discriminating against out-of-State banks, out-of-State bank holding companies, or subsidiaries of such banks or holding companies.

(E) DEPOSIT DEFINED.—For purposes of this paragraph, the term “deposit” has the same meaning as in section 3(1) of the Federal Deposit Insurance Act.

(3) COMMUNITY REINVESTMENT COMPLIANCE.—In determining whether to approve an application under paragraph (1)(A), the Board shall—

(A) comply with the responsibilities of the Board regarding such application under section 804 of the Community Reinvestment Act of 1977; and

(B) take into account the applicant’s record of compliance with applicable State community reinvestment laws.

(4) APPLICABILITY OF ANTITRUST LAWS.—No provision of this subsection shall be construed as affecting—

(A) the applicability of the antitrust laws; or

(B) the applicability, if any, of any State law which is similar to the antitrust laws.

(5) EXCEPTION FOR BANKS IN DEFAULT OR IN DANGER OF DEFAULT.—The Board may approve an application pursuant to paragraph (1)(A) which involves—

(A) an acquisition of 1 or more banks in default or in danger of default; or

(B) an acquisition with respect to which assistance is provided under section 13(c) of the Federal Deposit Insurance Act;

without regard to subparagraph (B) or (D) of paragraph (1) or paragraph (2) or (3).

(e) Every bank that is a holding company and every bank that is a subsidiary of such a company shall become and remain an insured depository institution as such term is defined in section 3⁸ of the Federal Deposit Insurance Act.

(f) ~~Repealed.~~

(g) MUTUAL BANK HOLDING COMPANY.—

(1) ESTABLISHMENT.—Notwithstanding any provision of Federal law other than this Act, a savings bank or cooperative bank operating in mutual form may reorganize so as to form a holding company.

(2) REGULATIONS.—A bank holding company organized as a mutual holding company shall be regulated on terms, and shall be subject to limitations, comparable to those applicable to any other bank holding company.

INTERESTS IN NONBANKING ORGANIZATIONS

SEC. 4. ~~12 U.S.C. 1843~~ (a) Except as otherwise provided in this Act, no bank holding company shall—

(1) after the date of enactment of this Act acquire direct or indirect ownership or control of any voting shares of any company which is not a bank, or

(2) after two years from the date as of which it becomes a bank holding company, or in the case of a company which has been continuously affiliated since May 15, 1955, with a company which was registered under the Investment Company Act of 1940, prior to May 15, 1955, in such a manner as to constitute an affiliated company within the meaning of that Act, after December 31, 1978, or, in the case of any company which becomes, as a result of the enactment of the Bank Holding Company Act Amendments of 1970, a bank holding company on the date of such enactment, after December 31, 1980, retain direct or indirect ownership or control of any voting shares of any company which is not a bank or bank holding company or engage in any activities other than (A) those of banking or of managing or controlling banks and other subsidiaries authorized under this Act or of furnishing services to or performing services for its subsidiaries, and (B) those permitted under paragraph (8) of subsection (c) of this section subject to all the conditions specified in such paragraph or in any order or regu-

⁸Section 602(b) of P.L. 101-73, 103 Stat. 409, amended section 3(e) by striking “an insured bank as defined in section 3(h)” and inserting “an insured depository institution as defined in section 3”. The amendment probably should have stricken “an insured bank as such term is defined in section 3(h)”.

lation issued by the Board under such paragraph: *Provided*, That a company covered in 1970 may also engage in those activities in which directly or through a subsidiary (i) it was lawfully engaged on June 30, 1968 (or on a date subsequent to June 30, 1968 in the case of activities carried on as the result of the acquisition by such company or subsidiary, pursuant to a binding written contract entered into on or before June 30, 1968, of another company engaged in such activities at the time of the acquisition), and (ii) it has been continuously engaged since June 30, 1968 (or such subsequent date). The Board by order, after opportunity for hearing, may terminate the authority conferred by the preceding proviso on any company to engage directly or through a subsidiary in any activity otherwise permitted by that proviso if it determines, having due regard to the purposes of this Act, that such action is necessary to prevent undue concentration of resources, decreased or unfair competition, conflicts of interest, or unsound banking practices; and in the case of any such company controlling a bank having bank assets in excess of \$60,000,000 on or after the date of enactment of the Bank Holding Company Act Amendments of 1970 the Board shall determine, within two years after such date (or, if later, within two years after the date on which the bank assets first exceed \$60,000,000), whether the authority conferred by the preceding proviso with respect to such company should be terminated as provided in this sentence. Nothing in this paragraph shall be construed to authorize any bank holding company referred to in the preceding proviso, or any subsidiary thereof, to engage in activities authorized by that proviso through the acquisition, pursuant to a contract entered into after June 30, 1968, of any interest in or the assets of a going concern engaged in such activities. Any company which is authorized to engage in any activity pursuant to the preceding proviso or subsection (d) of this section but, as a result of action of the Board, is required to terminate such activity may (notwithstanding any otherwise applicable time limit prescribed in this paragraph) retain the ownership or control of shares in any company carrying on such activity for a period of ten years from the date on which its authority was so terminated by the Board. Notwithstanding any other provision of this paragraph, if any company that became a bank holding company as a result of the enactment of the Competitive Equality Amendments of 1987 acquired, between March 5, 1987, and the date of the enactment of such Amendments, an institution that became a bank as a result of the enactment of such Amendments, that company shall, upon the enactment of such Amendments, immediately come into compliance with the requirements of this Act.

The Board is authorized, upon application by a bank holding company, to extend the two-year period referred to in paragraph (2) above from time to time as to such bank holding company for not more than one year at a time, if, in its judgment, such an extension would not be detrimental to the public interest, but no such extensions shall in the aggregate exceed three years. Notwithstanding any other provision of this Act, the period ending December 31,

1980, referred to in paragraph (2) above, may be extended by the Board of Governors to December 31, 1984, but only for the divestiture by a bank holding company of real estate or interests in real estate lawfully acquired for investment or development. In making its decision whether to grant such extension, the Board shall consider whether the company has made a good faith effort to divest such interests and whether such extension is necessary to avert substantial loss to the company.

(b) After two years from the date of enactment of this Act, no certificate evidencing shares of any bank holding company shall bear any statement purporting to represent shares of any other company except a bank or a bank holding company, nor shall the ownership, sale, or transfer of shares of any bank holding company be conditioned in any manner whatsoever upon the ownership, sale, or transfer of shares of any other company except a bank or a bank holding company.

(c) The prohibitions in this section shall not apply to (i) any company that was on January 4, 1977, both a bank holding company and a labor, agricultural, or horticultural organization exempt from taxation under section 501 of the Internal Revenue Code of 1954, or to any labor, agricultural, or horticultural organization to which all or substantially all of the assets of such company are hereafter transferred, or (ii) a company covered in 1970 more than 85 per centum of the voting stock of which was collectively owned on June 30, 1968, and continuously thereafter, directly or indirectly, by or for members of the same family, or their spouses, who are lineal descendants of common ancestors; and such prohibitions shall not, with respect to any other bank holding company, apply to—

(1) shares of any company engaged or to be engaged solely in one or more of the following activities: (A) holding or operating properties used wholly or substantially by any banking subsidiary of such bank holding company in the operations of such banking subsidiary or acquired for such future use; or (B) conducting a safe deposit business; or (C) furnishing services to or performing services for such bank holding company or its banking subsidiaries; or (D) liquidating assets acquired from such bank holding company or its banking subsidiaries or acquired from any other source prior to May 9, 1956, or the date on which such company became a bank holding company, whichever is later;

(2) shares acquired by a bank holding company or any of its subsidiaries in satisfaction of a debt previously contracted in good faith, but such shares shall be disposed of within a period of two years from the date on which they were acquired, except that the Board is authorized upon application by such bank holding company to extend such period of two years from time to time as to such holding company if, in its judgment, such an extension would not be detrimental to the public interest, and, in the case of a bank holding company which has not disposed of such shares within 5 years after the date on which such shares were acquired, the Board may, upon the application of such company, grant additional exemptions if, in the judgment of the Board, such extension would not be detri-

mental to the public interest and, either the bank holding company has made a good faith attempt to dispose of such shares during such 5-year period, or the disposal of such shares during such 5-year period would have been detrimental to the company, except that the aggregate duration of such extensions shall not extend beyond 10 years after the date on which such shares were acquired;

(3) shares acquired by such bank holding company from any of its subsidiaries which subsidiary has been requested to dispose of such shares by any Federal or State authority having statutory power to examine such subsidiary, but such bank holding company shall dispose of such shares within a period of two years from the date on which they were acquired;

(4) shares held or acquired by a bank in good faith in a fiduciary capacity, except where such shares are held under a trust that constitutes a company as defined in section 2(b) and except as provided in paragraphs (2) and (3) of section 2(g);

(5) shares which are of the kinds and amounts eligible for investment by national banking associations under the provisions of section 5136 of the Revised Statutes;

(6) shares of any company which do not include more than 5 per centum of the outstanding voting shares of such company;

(7) shares of an investment company which is not a bank holding company and which is not engaged in any business other than investing in securities, which securities do not include more than 5 per centum of the outstanding voting shares of any company;

(8) shares of any company the activities of which had been determined by the Board by regulation or order under this paragraph as of the day before the date of the enactment of the Gramm-Leach-Bliley Act, to be so closely related to banking as to be a proper incident thereto (subject to such terms and conditions contained in such regulation or order, unless modified by the Board);

(9) shares held or activities conducted by any company organized under the laws of a foreign country the greater part of whose business is conducted outside the United States, if the Board by regulation or order determines that, under the circumstances and subject to the conditions set forth in the regulation or order, the exemption would not be substantially at variance with the purposes of this Act and would be in the public interest;

(10) shares lawfully acquired and owned prior to May 9, 1956, by a bank which is a bank holding company, or by any of its wholly owned subsidiaries;

(11) shares owned directly or indirectly by a company covered in 1970 in a company which does not engage in any activities other than those in which the bank holding company, or its subsidiaries, may engage by virtue of this section, but nothing in this paragraph authorizes any bank holding company, or subsidiary thereof, to acquire any interest in or the assets of any going concern (except pursuant to a binding written contract entered into before June 30, 1968, or pursuant to another

provision of this Act) other than one which was a subsidiary on June 30, 1968;

(12) shares retained or acquired, or activities engaged in, by any company which becomes, as a result of the enactment of the Bank Holding Company Act Amendments of 1970, a bank holding company on the date of such enactment, or by any subsidiary thereof, if such company—

(A) within the applicable time limits prescribed in subsection (a)(2) of this section (i) ceases to be a bank holding company, or (ii) ceases to retain direct or indirect ownership or control of those shares and to engage in those activities not authorized under this section; and

(B) complies with such other conditions as the Board may by regulation or order prescribe;

(13) shares of, or activities conducted by, any company which does no business in the United States except as an incident to its international or foreign business, if the Board by regulation or order determines that, under the circumstances and subject to the conditions set forth in the regulation or order, the exemption would not be substantially at variance with the purposes of this Act and would be in the public interest; or

(14) shares of any company which is an export trading company whose acquisition (including each acquisition of shares) or formation by a bank holding company has not been disapproved by the Board pursuant to this paragraph, except that such investments, whether direct or indirect, in such shares shall not exceed 5 per centum of the bank holding company's consolidated capital and surplus.

(A)(i) No bank holding company shall invest in an export trading company under this paragraph unless the Board has been given sixty days' prior written notice of such proposed investment and within such period has not issued a notice disapproving the proposed investment or extending for up to another thirty days the period during which such disapproval may be issued.

(ii) The period for disapproval may be extended for such additional thirty-day period only if the Board determines that a bank holding company proposing to invest in an export trading company has not furnished all the information required to be submitted or that in the Board's judgment any material information submitted is substantially inaccurate.

(iii) The notice required to be filed by a bank holding company shall contain such relevant information as the Board shall require by regulation or by specific request in connection with any particular notice.

(iv) The Board may disapprove any proposed investment only if—

(I) such disapproval is necessary to prevent unsafe or unsound banking practices, undue concentration of resources, decreased or unfair competition, or conflicts of interest;

(II) the Board finds that such investment would affect the financial or managerial resources of a bank holding company to an extent which is likely to have a materially adverse effect on the safety and soundness of any subsidiary bank of such bank holding company, or

(III) the bank holding company fails to furnish the information required under clause (iii).

(v) LEVERAGE.—The Board may not disapprove any proposed investment solely on the basis of the anticipated or proposed asset-to-equity ratio of the export trading company with respect to which such investment is proposed, unless the anticipated or proposed annual average asset-to-equity ratio is greater than 20-to-1.

(vi) Within three days after a decision to disapprove an investment, the Board shall notify the bank holding company in writing of the disapproval and shall provide a written statement of the basis for the disapproval.

(vii) A proposed investment may be made prior to the expiration of the disapproval period if the Board issues written notice of its intent not to disapprove the investment.

(B)(i) The total amount of extensions of credit by a bank holding company which invests in an export trading company, when combined with all such extensions of credit by all the subsidiaries of such bank holding company, to an export trading company shall not exceed at any one time 10 per centum of the bank holding company's consolidated capital and surplus. For purposes of the preceding sentence, an extension of credit shall not be deemed to include any amount invested by a bank holding company in the shares of an export trading company.

(ii) No provision of any other Federal law in effect on October 1, 1982, relating specifically to collateral requirements shall apply with respect to any such extension of credit.

(iii) No bank holding company or subsidiary of such company which invests in an export trading company may extend credit to such export trading company or to customers of such export trading company on terms more favorable than those afforded similar borrowers in similar circumstances, and such extension of credit shall not involve more than the normal risk of repayment or present other unfavorable features.

(C) For purposes of this paragraph, an export trading company—

(i) may engage in or hold shares of a company engaged in the business of underwriting, selling, or distributing securities in the United States only to the extent that any bank holding company which invests in such export trading company may do so under applicable Federal and State banking laws and regulations; and

(ii) may not engage in agricultural production activities or in manufacturing, except for such incidental product modification including repackaging, reassembling or extracting byproducts, as is necessary to enable United States goods or services to conform with requirements of a foreign country and to facilitate their sale in foreign countries.

(D) A bank holding company which invests in an export trading company may be required, by the Board, to terminate its investment or may be made subject to such limitations or conditions as may be imposed by the Board, if the Board determines that the export trading company has taken positions in commodities or commodity contracts, in securities, or in foreign exchange, other than as may be necessary in the course of the export trading company's business operations.

(E) Notwithstanding any other provision of law, an Edge Act corporation, organized under section 25(a)⁹ of the Federal Reserve Act (12 U.S.C. 611–631), which is a subsidiary of a bank holding company, or an agreement corporation, operating subject to section 25 of the Federal Reserve Act (12 U.S.C. 601–604(a)), which is a subsidiary of a bank holding company, may invest directly and indirectly in the aggregate up to 5 per centum of its consolidated capital and surplus (25 per centum in the case of a corporation not engaged in banking) in the voting stock of¹⁰ other evidences of ownership in one or more export trading companies.

(F) For purposes of this paragraph—

(i) the term “export trading company” means a company which does business under the laws of the United States or any State, which is exclusively engaged in activities related to international trade, and which is organized and operated principally for purposes of exporting goods or services produced in the United States or for purposes of facilitating the exportation of goods or services produced in the United States by unaffiliated persons by providing one or more export trade services.¹¹

(ii) the term “export trade services” includes, but is not limited to, consulting, international market research, advertising, marketing, insurance (other than acting as principal, agent or broker in the sale of insurance on risks resident or located, or activities performed, in the United States, except for insurance covering the transportation of cargo from any point of origin in the United States to a point of final destination outside the United States), product research and design, legal assistance, transportation, including trade documentation and freight forwarding, communication

⁹Section 25(a) of the Federal Reserve Act was renumbered section 25A by Public Law 102–242, title I, section 142(e)(2), December 19, 1991, 105 Stat. 2281.

and processing of foreign orders to and for exporters and foreign purchasers, warehousing, foreign exchange, financing, and taking title to goods, when provided in order to facilitate the export of goods or services produced in the United States;

(iii) the term “bank holding company” shall include a bank which (I) is organized solely to do business with other banks and their officers, directors, or employees; (II) is owned primarily by the banks with which it does business; and (III) does not do business with the general public. No such other bank, owning stock in a bank described in this clause that invests in an export trading company, shall extend credit to an export trading company in an amount exceeding at any one time 10 per centum of such other bank’s capital and surplus; and

(iv) the term “extension of credit” shall have the same meaning given such term in the fourth paragraph of section 23A¹² of the Federal Reserve Act.

(G) DETERMINATION OF STATUS AS EXPORT TRADING COMPANY.—

(i) TIME PERIOD REQUIREMENTS.—For purposes of determining whether an export trading company is operated principally for the purposes described in subparagraph (F)(i)—

(I) the operations of such company during the 2-year period beginning on the date such company commences operations shall not be taken into account in making any such determination; and

(II) not less than 4 consecutive years of operations of such company (not including any portion of the period referred to in subclause (I)) shall be taken into account in making any such determination.

(ii) EXPORT REVENUE REQUIREMENTS.—A company shall not be treated as operated principally for the purposes described in subparagraph (F)(i) unless—

(I) the revenues of such company from the export, or facilitating the export, of goods or services produced in the United States exceed the revenues of such company from the import, or facilitating the import, into the United States of goods or services produced outside the United States; and

(II) at least $\frac{1}{3}$ of such company’s total revenues are revenues from the export, or facilitating the export, of goods or services produced in the United States by persons not affiliated with such company.

(H) INVENTORY.—

¹²Section 23A of the Federal Reserve Act was amended generally by Public Law 97-320, title IV, section 410(b), October 15, 1982, 96 Stat. 1515, and, as so amended, no longer contains undesignated paragraphs and no longer defines “extension of credit”.

(i) NO GENERAL LIMITATION.—The Board may not prescribe by regulation any maximum dollar amount limitation on the value of goods which an export trading company may maintain in inventory at any time.

(ii) SPECIFIC LIMITATION BY ORDER.—Notwithstanding clause (i), the Board may issue an order establishing a maximum dollar amount limitation on the value of goods which a particular export trading company may maintain in inventory at any time (after such company has been operating for a reasonable period of time) if the Board finds that, under the facts and circumstances, such limitation is necessary to prevent risks that would affect the financial or managerial resources of an investor bank holding company to an extent which would be likely to have a materially adverse effect on the safety and soundness of any subsidiary bank of such bank holding company.

The Board shall include in its annual report to the Congress a description and a statement of the reasons for approval of each activity approved by it by order or regulation under such paragraph during the period covered by the report.

(d) To the extent that such action would not be substantially at variance with the purposes of this Act and subject to such conditions as it considers necessary to protect the public interest, the Board by order, after opportunity for hearing, may grant exemptions from the provisions of this section to any bank holding company which controlled one bank prior to July 1, 1968, and has not thereafter acquired the control of any other bank in order (1) to avoid disrupting business relationships that have existed over a long period of years without adversely affecting the banks or communities involved, or (2) to avoid forced sales of small locally owned banks to purchasers not similarly representative of community interests, or (3) to allow retention of banks that are so small in relation to the holding company's total interests and so small in relation to the banking market to be served as to minimize the likelihood that the bank's powers to grant or deny credit may be influenced by a desire to further the holding company's other interests.

(e) With respect to shares which were not subject to the prohibitions of this section as originally enacted by reason of any exemption with respect thereto but which were made subject to such prohibitions by the subsequent repeal of such exemption, no bank holding company shall retain direct or indirect ownership or control of such shares after five years from the date of the repeal of such exemption, except as provided in paragraph (2) of subsection (a). Any bank holding company subject to such five-year limitation on the retention of nonbanking assets shall endeavor to divest itself of such shares promptly and such bank holding company shall report its progress in such divestiture to the Board two years after repeal of the exemption applicable to it and annually thereafter.

(f) CERTAIN COMPANIES NOT TREATED AS BANK HOLDING COMPANIES.—

(1) IN GENERAL.—Except as provided in paragraph (9), any company which—

(A) on March 5, 1987, controlled an institution which became a bank as a result of the enactment of the Competitive Equality Amendments of 1987; and
(B) was not a bank holding company on the day before the date of the enactment of the Competitive Equality Amendments of 1987,
shall not be treated as a bank holding company for purposes of this Act solely by virtue of such company's control of such institution.

(2) LOSS OF EXEMPTION.—Subject to paragraph (3), a company described in paragraph (1) shall no longer qualify for the exemption provided under that paragraph if—

(A) such company directly or indirectly—

(i) acquires control of an additional bank or an insured institution (other than an insured institution described in paragraph (10) or (12) of this subsection) after March 5, 1987; or

(ii) acquires control of more than 5 percent of the shares or assets of an additional bank or a savings association other than—

(I) shares held as a bona fide fiduciary (whether with or without the sole discretion to vote such shares);

(II) shares held by any person as a bona fide fiduciary solely for the benefit of employees of either the company described in paragraph (1) or any subsidiary of that company and the beneficiaries of those employees;

(III) shares held temporarily pursuant to an underwriting commitment in the normal course of an underwriting business;

(IV) shares held in an account solely for trading purposes;

(V) shares over which no control is held other than control of voting rights acquired in the normal course of a proxy solicitation;

(VI) loans or other accounts receivable acquired in the normal course of business;

(VII) shares or assets acquired in securing or collecting a debt previously contracted in good faith, during the 2-year period beginning on the date of such acquisition or for such additional time (not exceeding 3 years) as the Board may permit if the Board determines that such an extension will not be detrimental to the public interest;

(VIII) shares or assets of a savings association described in paragraph (10) or (12) of this subsection;

(IX) shares of a savings association held by any insurance company, as defined in section 2(a)(17) of the Investment Company Act of 1940, except as provided in paragraph (11);

(X) shares issued in a qualified stock issuance under section 10(q) of the Home Owners' Loan Act; and

(XI) assets that are derived from, or incidental to, activities in which institutions described in subparagraph (F) or (H) of section 2(c)(2) are permitted to engage;

except that the aggregate amount of shares held under this clause (other than under subclauses (I), (II), (III), (IV), (V), and (VIII)) may not exceed 15 percent of all outstanding shares or of the voting power of a savings association;

(B) any bank subsidiary of such company—

(i) accepts demand deposits or deposits that the depositor may withdraw by check or similar means for payment to third parties; and

(ii) engages in the business of making commercial loans (except that, for purposes of this clause, loans made in the ordinary course of a credit card operation shall not be treated as commercial loans); or

(C) after the date of the enactment of the Competitive Equality Amendments of 1987, any bank subsidiary of such company permits any overdraft (including any intraday overdraft), or incurs any such overdraft in the account of the bank at a Federal reserve bank, on behalf of an affiliate, other than an overdraft described in paragraph (3).

(3) PERMISSIBLE OVERDRAFTS DESCRIBED.—For purposes of paragraph (2)(C), an overdraft is described in this paragraph if—

(A) such overdraft results from an inadvertent computer or accounting error that is beyond the control of both the bank and the affiliate;

(B) such overdraft—

(i) is permitted or incurred on behalf of an affiliate that is monitored by, reports to, and is recognized as a primary dealer by the Federal Reserve Bank of New York; and

(ii) is fully secured, as required by the Board, by bonds, notes, or other obligations that are direct obligations of the United States or on which the principal and interest are fully guaranteed by the United States or by securities and obligations eligible for settlement on the Federal Reserve book entry system; or

(C) such overdraft—

(i) is permitted or incurred by, or on behalf of, an affiliate in connection with an activity that is financial in nature or incidental to a financial activity; and

(ii) does not cause the bank to violate any provision of section 23A or 23B of the Federal Reserve Act, either directly, in the case of a bank that is a member of the Federal Reserve System, or by virtue of section 18(j) of the Federal Deposit Insurance Act, in the case

of a bank that is not a member of the Federal Reserve System.

(4) DIVESTITURE IN CASE OF LOSS OF EXEMPTION.—If any company described in paragraph (1) fails to qualify for the exemption provided under paragraph (1) by operation of paragraph (2), such exemption shall cease to apply to such company and such company shall divest control of each bank it controls before the end of the 180-day period beginning on the date on which the company receives notice from the Board that the company has failed to continue to qualify for such exemption, unless, before the end of such 180-day period, the company has—

(A) either—

(i) corrected the condition or ceased the activity that caused the company to fail to continue to qualify for the exemption; or

(ii) submitted a plan to the Board for approval to cease the activity or correct the condition in a timely manner (which shall not exceed 1 year); and

(B) implemented procedures that are reasonably adapted to avoid the reoccurrence of such condition or activity.

(5) SUBSECTION CEASES TO APPLY UNDER CERTAIN CIRCUMSTANCES.—This subsection shall cease to apply to any company described in paragraph (1) if such company—

(A) registers as a bank holding company under section 5(a) of this Act;

(B) immediately upon such registration, complies with all of the requirements of this Act, and regulations prescribed by the Board pursuant to this Act, including the nonbanking restrictions of this section; and

The Board may further extend the period with the agreement of the bank holding company submitting the notice pursuant to this subsection.

(2) GENERAL STANDARDS FOR REVIEW.—

(A) CRITERIA.—In connection with a notice under this subsection, the Board shall consider whether performance of the activity by a bank holding company or a subsidiary of such company can reasonably be expected to produce benefits to the public, such as greater convenience, increased competition, or gains in efficiency, that outweigh possible adverse effects, such as undue concentration of resources, decreased or unfair competition, conflicts of interests, unsound banking practices, or risk to the stability of the United States banking or financial system.

(B) GROUNDS FOR DISAPPROVAL.—The Board may deny any proposed transaction or activity for which notice has been submitted pursuant to this subsection if the bank holding company submitting such notice neglects, fails, or refuses to furnish the Board all the information required by the Board.

(m) PROVISIONS APPLICABLE TO FINANCIAL HOLDING COMPANIES THAT FAIL TO MEET CERTAIN REQUIREMENTS.—

(1) IN GENERAL.—If the Board finds that—

(A) a financial holding company is engaged, directly or indirectly, in any activity under subsection (k), (n), or (o), other than activities that are permissible for a bank holding company under subsection (c)(8); and

(B) such financial holding company is not in compliance with the requirements of subsection (l)(1);

the Board shall give notice to the financial holding company to that effect, describing the conditions giving rise to the notice.

(2) AGREEMENT TO CORRECT CONDITIONS REQUIRED.—Not later than 45 days after the date of receipt by a financial holding company of a notice given under paragraph (1) (or such additional period as the Board may permit), the financial holding company shall execute an agreement with the Board to comply with the requirements applicable to a financial holding company under subsection (l)(1).

(3) BOARD MAY IMPOSE LIMITATIONS.—Until the conditions described in a notice to a financial holding company under paragraph (1) are corrected, the Board may impose such limitations on the conduct or activities of that financial holding company or any affiliate of that company as the Board determines to be appropriate under the circumstances and consistent with the purposes of this Act.

(4) FAILURE TO CORRECT.—If the conditions described in a notice to a financial holding company under paragraph (1) are not corrected within 180 days after the date of receipt by the financial holding company of a notice under paragraph (1), the Board may require such financial holding company, under such terms and conditions as may be imposed by the Board and subject to such extension of time as may be granted in the discretion of the Board, either—

(A) to divest control of any subsidiary depository institution; or

(B) at the election of the financial holding company instead to cease to engage in any activity conducted by such financial holding company or its subsidiaries (other than a depository institution or a subsidiary of a depository institution) that is not an activity that is permissible for a bank holding company under subsection (c)(8).

(5) CONSULTATION.—In taking any action under this subsection, the Board shall consult with all relevant Federal and State regulatory agencies and authorities.

(n) AUTHORITY TO RETAIN LIMITED NONFINANCIAL ACTIVITIES AND AFFILIATIONS.—

(1) IN GENERAL.—Notwithstanding subsection (a), a company that is not a bank holding company or a foreign bank (as defined in section 1(b)(7) of the International Banking Act of 1978) and becomes a financial holding company after the date of the enactment of the Gramm-Leach-Bliley Act may continue to engage in any activity and retain direct or indirect ownership or control of shares of a company engaged in any activity if—

(A) the holding company lawfully was engaged in the activity or held the shares of such company on September 30, 1999;

(B) the holding company is predominantly engaged in financial activities as defined in paragraph (2); and

(C) the company engaged in such activity continues to engage only in the same activities that such company conducted on September 30, 1999, and other activities permissible under this Act.

(2) PREDOMINANTLY FINANCIAL.—For purposes of this subsection, a company is predominantly engaged in financial activities if the annual gross revenues derived by the holding company and all subsidiaries of the holding company (excluding revenues derived from subsidiary depository institutions), on a consolidated basis, from engaging in activities that are financial in nature or are incidental to a financial activity under subsection (k) represent at least 85 percent of the consolidated annual gross revenues of the company.

(3) NO EXPANSION OF GRANDFATHERED COMMERCIAL ACTIVITIES THROUGH MERGER OR CONSOLIDATION.—A financial holding company that engages in activities or holds shares pursuant to this subsection, or a subsidiary of such financial holding company, may not acquire, in any merger, consolidation, or other type of business combination, assets of any other company that is engaged in any activity that the Board has not determined to be financial in nature or incidental to a financial activity under subsection (k), except this paragraph shall not apply with respect to a company that owns a broadcasting station licensed under title III of the Communications Act of 1934 and the shares of which are under common control with an insurance company since January 1, 1998, unless such company is acquired by, or otherwise becomes an affiliate of, a bank holding company that, at the time such acquisition or affiliation is consummated, is 1 of the 5 largest domestic bank holding companies (as determined on the basis of the consolidated total assets of such companies).

(4) CONTINUING REVENUE LIMITATION ON GRANDFATHERED COMMERCIAL ACTIVITIES.—Notwithstanding any other provision of this subsection, a financial holding company may continue to engage in activities or hold shares in companies pursuant to this subsection only to the extent that the aggregate annual gross revenues derived from all such activities and all such companies does not exceed 15 percent of the consolidated annual gross revenues of the financial holding company (excluding revenues derived from subsidiary depository institutions).

(5) CROSS MARKETING RESTRICTIONS APPLICABLE TO COMMERCIAL ACTIVITIES.—

(A) IN GENERAL.—A depository institution controlled by a financial holding company shall not—

(i) offer or market, directly or through any arrangement, any product or service of a company whose activities are conducted or whose shares are owned or controlled by the financial holding company pursuant to this subsection or subparagraph (H) or (I) of subsection (k)(4); or

(ii) permit any of its products or services to be offered or marketed, directly or through any arrangement, by or through any company described in clause (i).

(B) RULE OF CONSTRUCTION.—Subparagraph (A) shall not be construed as prohibiting an arrangement between a depository institution and a company owned or controlled pursuant to subparagraph (H) or (I) of subsection (k)(4) for the marketing of products or services through statement inserts or Internet websites if—

(i) such arrangement does not violate section 106 of the Bank Holding Company Act Amendments of 1970; and

(ii) the Board determines that the arrangement is in the public interest, does not undermine the separation of banking and commerce, and is consistent with the safety and soundness of depository institutions.

(6) TRANSACTIONS WITH NONFINANCIAL AFFILIATES.—A depository institution controlled by a financial holding company may not engage in a covered transaction (as defined in section 23A(b)(7) of the Federal Reserve Act) with any affiliate controlled by the company pursuant to this subsection.

(7) SUNSET OF GRANDFATHER.—A financial holding company engaged in any activity, or retaining direct or indirect ownership or control of shares of a company, pursuant to this subsection, shall terminate such activity and divest ownership or control of the shares of such company before the end of the 10-year period beginning on the date of the enactment of the Gramm-Leach-Bliley Act. The Board may, upon application by a financial holding company, extend such 10-year period by a period not to exceed an additional 5 years if such extension would not be detrimental to the public interest.

(o) REGULATION OF CERTAIN FINANCIAL HOLDING COMPANIES.—Notwithstanding subsection (a), a company that is not a bank holding company or a foreign bank (as defined in section 1(b)(7) of the International Banking Act of 1978) and becomes a financial holding company after the date of enactment of the Gramm-Leach-Bliley Act, may continue to engage in, or directly or indirectly own or control shares of a company engaged in, activities related to the trading, sale, or investment in commodities and underlying physical properties that were not permissible for bank holding companies to conduct in the United States as of September 30, 1997, if—

(1) the holding company, or any subsidiary of the holding company, lawfully was engaged, directly or indirectly, in any of such activities as of September 30, 1997, in the United States;

(2) the attributed aggregate consolidated assets of the company held by the holding company pursuant to this subsection, and not otherwise permitted to be held by a financial holding company, are equal to not more than 5 percent of the total consolidated assets of the bank holding company, except that the Board may increase that percentage by such amounts and under such circumstances as the Board considers appropriate, consistent with the purposes of this Act; and

(3) the holding company does not permit—

(A) any company, the shares of which it owns or controls pursuant to this subsection, to offer or market any product or service of an affiliated depository institution; or

(B) any affiliated depository institution to offer or market any product or service of any company, the shares of which are owned or controlled by such holding company pursuant to this subsection.

ADMINISTRATION

SEC. 5. [12 U.S.C. 1844] (a) Within one hundred and eighty days after the date of enactment of this Act, or within one hundred and eighty days after becoming a bank holding company, whichever is later, each bank holding company shall register with the Board on forms prescribed by the Board, which shall include such information with respect to the financial condition and operations, man-

agement, and intercompany relationships of the bank holding company and its subsidiaries, and related matters, as the Board may deem necessary or appropriate to carry about the purposes of this Act. The Board may, in its discretion, extend the time within which a bank holding company shall register and file the requisite information. A declaration filed in accordance with section 4(1)(1)(C) shall satisfy the requirements of this subsection with regard to the registration of a bank holding company but not any requirement to file an application to acquire a bank pursuant to section 3.

(b) The Board is authorized to issue such regulations and orders, including regulations and orders relating to the capital requirements for bank holding companies, as may be necessary to enable it to administer and carry out the purposes of this Act and prevent evasions thereof. In establishing capital regulations pursuant to this subsection, the Board shall seek to make such requirements countercyclical, so that the amount of capital required to be maintained by a company increases in times of economic expansion and decreases in times of economic contraction, consistent with the safety and soundness of the company.

(c) REPORTS AND EXAMINATIONS.—

(1) REPORTS.—

(A) IN GENERAL.—The Board, from time to time, may require a bank holding company and any subsidiary of such company to submit reports under oath to keep the Board informed as to—

(i) its financial condition, systems for monitoring and controlling financial and operating risks, and transactions with depository institution subsidiaries of the bank holding company; and

(ii) compliance by the bank holding company or subsidiary with—

(I) this Act;

(II) Federal laws that the Board has specific jurisdiction to enforce against the company or subsidiary; and

(III) other than in the case of an insured depository institution or functionally regulated subsidiary, any other applicable provision of Federal law.

(B) USE OF EXISTING REPORTS AND OTHER SUPERVISORY INFORMATION.—The Board shall, to the fullest extent possible, use—

(i) reports and other supervisory information that the bank holding company or any subsidiary thereof has been required to provide to other Federal or State regulatory agencies;

(ii) externally audited financial statements of the bank holding company or subsidiary;

(iii) information otherwise available from Federal or State regulatory agencies; and

(iv) information that is otherwise required to be reported publicly.

(C) AVAILABILITY.—Upon the request of the Board, the bank holding company or a subsidiary of the bank holding

company shall promptly provide to the Board any information described in clauses (i) through (iii) of subparagraph (B).

(2) EXAMINATIONS.—

(A) IN GENERAL.—Subject to subtitle B of the Consumer Financial Protection Act of 2010, the Board may make examinations of a bank holding company and each subsidiary of a bank holding company in order to—

(i) inform the Board of—

(I) the nature of the operations and financial condition of the bank holding company and the subsidiary;

(II) the financial, operational, and other risks within the bank holding company system that may pose a threat to—

(aa) the safety and soundness of the bank holding company or of any depository institution subsidiary of the bank holding company; or

(bb) the stability of the financial system of the United States; and

(III) the systems of the bank holding company for monitoring and controlling the risks described in subclause (II); and

(ii) monitor the compliance of the bank holding company and the subsidiary with—

(I) this Act;

(II) Federal laws that the Board has specific jurisdiction to enforce against the company or subsidiary; and

(III) other than in the case of an insured depository institution or functionally regulated subsidiary, any other applicable provisions of Federal law.

(B) USE OF REPORTS TO REDUCE EXAMINATIONS.—For purposes of this paragraph, the Board shall, to the fullest extent possible, rely on—

(i) examination reports made by other Federal or State regulatory agencies relating to a bank holding company and any subsidiary of a bank holding company; and

(ii) the reports and other information required under paragraph (1).

(C) COORDINATION WITH OTHER REGULATORS.—The Board shall—

(i) provide reasonable notice to, and consult with, the appropriate Federal banking agency, the Securities and Exchange Commission, the Commodity Futures Trading Commission, or State regulatory agency, as appropriate, for a subsidiary that is a depository institution or a functionally regulated subsidiary of a bank holding company before commencing an examination of the subsidiary under this section; and

(ii) to the fullest extent possible, avoid duplication of examination activities, reporting requirements, and requests for information.

(3) CAPITAL.—

(A) IN GENERAL.—The Board may not, by regulation, guideline, order, or otherwise, prescribe or impose any capital or capital adequacy rules, guidelines, standards, or requirements on any functionally regulated subsidiary of a bank holding company that—

(i) is not a depository institution; and

(ii) is—

(I) in compliance with the applicable capital requirements of its Federal regulatory authority (including the Securities and Exchange Commission) or State insurance authority;

(II) properly registered as an investment adviser under the Investment Advisers Act of 1940, or with any State; or

(III) is licensed as an insurance agent with the appropriate State insurance authority.

(B) RULE OF CONSTRUCTION.—Subparagraph (A) shall not be construed as preventing the Board from imposing capital or capital adequacy rules, guidelines, standards, or requirements with respect to—

(i) activities of a registered investment adviser other than with respect to investment advisory activities or activities incidental to investment advisory activities; or

(ii) activities of a licensed insurance agent other than insurance agency activities or activities incidental to insurance agency activities.

(C) LIMITATIONS ON INDIRECT ACTION.—In developing, establishing, or assessing bank holding company capital or capital adequacy rules, guidelines, standards, or requirements for purposes of this paragraph, the Board may not take into account the activities, operations, or investments of an affiliated investment company registered under the Investment Company Act of 1940, unless the investment company is—

(i) a bank holding company; or

(ii) controlled by a bank holding company by reason of ownership by the bank holding company (including through all of its affiliates) of 25 percent or more of the shares of the investment company, and the shares owned by the bank holding company have a market value equal to more than \$1,000,000.

(4) FUNCTIONAL REGULATION OF SECURITIES AND INSURANCE ACTIVITIES.—

(A) SECURITIES ACTIVITIES.—Securities activities conducted in a functionally regulated subsidiary of a depository institution shall be subject to regulation by the Securities and Exchange Commission, and by relevant State securities authorities, as appropriate, subject to section 104 of the Gramm-Leach-Bliley Act, to the same extent as if

they were conducted in a nondepository institution subsidiary of a bank holding company.

(B) INSURANCE ACTIVITIES.—Subject to section 104 of the Gramm-Leach-Bliley Act, insurance agency and brokerage activities and activities as principal conducted in a functionally regulated subsidiary of a depository institution shall be subject to regulation by a State insurance authority to the same extent as if they were conducted in a nondepository institution subsidiary of a bank holding company.

(5) DEFINITION.—For purposes of this subsection, the term “functionally regulated subsidiary” means any company—

(A) that is not a bank holding company or a depository institution; and

(B) that is—

(i) a broker or dealer that is registered under the Securities Exchange Act of 1934;

(ii) a registered investment adviser, properly registered by or on behalf of either the Securities and Exchange Commission or any State, with respect to the investment advisory activities of such investment adviser and activities incidental to such investment advisory activities;

(iii) an investment company that is registered under the Investment Company Act of 1940;

(iv) an insurance company, with respect to insurance activities of the insurance company and activities incidental to such insurance activities, that is subject to supervision by a State insurance regulator; or

(v) an entity that is subject to regulation by, or registration with, the Commodity Futures Trading Commission, with respect to activities conducted as a futures commission merchant, commodity trading adviser, commodity pool, commodity pool operator, swap execution facility, swap data repository, swap dealer, major swap participant, and activities that are incidental to such commodities and swaps activities.

(d) Before the expiration of two years following the date of enactment of this Act, and each year thereafter in the Board’s annual report to the Congress, the Board shall report to the Congress the results of the administration of this Act, stating what, if any, substantial difficulties have been encountered in carrying out the purposes of this Act, and any recommendations as to changes in the law which in the opinion of the Board would be desirable.

(e)(1) Notwithstanding any other provision of this Act, the Board may, whenever it has reasonable cause to believe that the continuation by a bank holding company of any activity or of ownership or control of any of its nonbank subsidiaries, other than a nonbank subsidiary of a bank, constitutes a serious risk to the financial safety, soundness, or stability of a bank holding company subsidiary bank and is inconsistent with sound banking principles or with the purposes of this Act or with the Financial Institutions Supervisory Act of 1966, at the election of the bank holding company—

(A) order the bank holding company or any such nonbank subsidiaries, after due notice and opportunity for hearing, and after considering the views of the bank's primary supervisor, which shall be the Comptroller of the Currency in the case of a national bank or the Federal Deposit Insurance Corporation and the appropriate State supervisory authority in the case of an insured nonmember bank, to terminate such activities or to terminate (within one hundred and twenty days or such longer period as the Board may direct in unusual circumstances) its ownership or control of any such subsidiary either by sale or by distribution of the shares of the subsidiary to the shareholders of the bank holding company; or

(B) order the bank holding company, after due notice and opportunity for hearing, and after consultation with the primary supervisor for the bank, which shall be the Comptroller of the Currency in the case of a national bank, and the Federal Deposit Insurance Corporation and the appropriate State supervisor in the case of an insured nonmember bank, to terminate (within 120 days or such longer period as the Board may direct) the ownership or control of any such bank by such company.

The distribution referred to in subparagraph (A) shall be pro rata with respect to all of the shareholders of the distributing bank holding company, and the holding company shall not make any charge to its shareholders arising out of such a distribution.

(2) The Board may in its discretion apply to the United States district court within the jurisdiction of which the principal office of the holding company is located, for the enforcement of any effective and outstanding order issued under this section, and such court shall have jurisdiction and power to order and require compliance therewith, but except as provided in section 9 of this Act, no court shall have jurisdiction to affect by injunction or otherwise the issuance or enforcement of any notice or order under this section, or to review, modify, suspend, terminate, or set aside any such notice or order.

(f) In the course of or in connection with an application, examination, investigation or other proceeding under this Act, the Board, or any member or designated representative thereof, including any person designated to conduct any hearing under this Act, shall have the power to administer oaths and affirmations, to take or cause to be taken depositions, and to issue, revoke, quash, or modify subpoenas and subpoenas duces tecum; and the Board is empowered to make rules and regulations to effectuate the purposes of this subsection. The attendance of witnesses and the production of documents provided for in this subsection may be required from any place in any State or in any territory or other place subject to the jurisdiction of the United States at any designated place where such proceeding is being conducted. Any party to proceedings under this Act may apply to the United States District Court for the District of Columbia, or the United States district court for the judicial district or the United States court in any territory in which such proceeding is being conducted or where the witness resides or carries on business, for the enforcement of any subpoena or subpoena duces tecum issued pursuant to this sub-

section, and such courts shall have jurisdiction and power to order and require compliance therewith. Witnesses subpoenaed under this subsection shall be paid the same fees and mileage that are paid witnesses in the district courts of the United States. Any service required under this subsection may be made by registered mail, or in such other manner reasonably calculated to give actual notice as the Board may by regulation or otherwise provide. Any court having jurisdiction of any proceeding instituted under this subsection may allow to any such party such reasonable expenses and attorneys' fees as it deems just and proper. Any person who willfully shall fail or refuse to attend and testify or to answer any lawful inquiry or to produce books, papers, correspondence, memoranda, contracts, agreements, or other records, if in such person's power so to do, in obedience to the subpoena of the Board, shall be guilty of a misdemeanor and, upon conviction, shall be subject to a fine of not more than \$1,000 or to imprisonment for a term of not more than one year or both.

(g) AUTHORITY OF STATE INSURANCE REGULATOR AND THE SECURITIES AND EXCHANGE COMMISSION.—

(1) IN GENERAL.—Notwithstanding any other provision of law, any regulation, order, or other action of the Board that requires a bank holding company to provide funds or other assets to a subsidiary depository institution shall not be effective nor enforceable with respect to an entity described in subparagraph (A) if—

(A) such funds or assets are to be provided by—

(i) a bank holding company that is an insurance company, a broker or dealer registered under the Securities Exchange Act of 1934, an investment company registered under the Investment Company Act of 1940, or an investment adviser registered by or on behalf of either the Securities and Exchange Commission or any State; or

(ii) an affiliate of the depository institution that is an insurance company or a broker or dealer registered under the Securities Exchange Act of 1934, an investment company registered under the Investment Company Act of 1940, or an investment adviser registered by or on behalf of either the Securities and Exchange Commission or any State; and

(B) the State insurance authority for the insurance company or the Securities and Exchange Commission for the registered broker, dealer, investment adviser (solely with respect to investment advisory activities or activities incidental thereto), or investment company, as the case may be, determines in writing sent to the holding company and the Board that the holding company shall not provide such funds or assets because such action would have a material adverse effect on the financial condition of the insurance company or the broker, dealer, investment company, or investment adviser, as the case may be.

(2) NOTICE TO STATE INSURANCE AUTHORITY OR SEC REQUIRED.—If the Board requires a bank holding company, or an affiliate of a bank holding company, that is an insurance com-

pany or a broker, dealer, investment company, or investment adviser described in paragraph (1)(A) to provide funds or assets to a depository institution subsidiary of the holding company pursuant to any regulation, order, or other action of the Board referred to in paragraph (1), the Board shall promptly notify the State insurance authority for the insurance company, the Securities and Exchange Commission, or State securities regulator, as the case may be, of such requirement.

(3) **DIVESTITURE IN LIEU OF OTHER ACTION.**—If the Board receives a notice described in paragraph (1)(B) from a State insurance authority or the Securities and Exchange Commission with regard to a bank holding company or affiliate referred to in that paragraph, the Board may order the bank holding company to divest the depository institution not later than 180 days after receiving the notice, or such longer period as the Board determines consistent with the safe and sound operation of the depository institution.

(4) **CONDITIONS BEFORE DIVESTITURE.**—During the period beginning on the date an order to divest is issued by the Board under paragraph (3) to a bank holding company and ending on the date the divestiture is completed, the Board may impose any conditions or restrictions on the holding company's ownership or operation of the depository institution, including restricting or prohibiting transactions between the depository institution and any affiliate of the institution, as are appropriate under the circumstances.

(5) **RULE OF CONSTRUCTION.**—No provision of this subsection may be construed as limiting or otherwise affecting, except to the extent specifically provided in this subsection, the regulatory authority, including the scope of the authority, of any Federal agency or department with regard to any entity that is within the jurisdiction of such agency or department.

(h) **DATA STANDARDS.**—

(1) **REQUIREMENT.**—The Board shall adopt data standards for all information that, through a collection of information, is regularly filed with or submitted to the Board by any bank holding company in a report under subsection (c).

(2) **CONSISTENCY.**—The data standards required under paragraph (1) shall incorporate, and ensure compatibility with (to the extent feasible), all applicable data standards established in the rules promulgated under section 124 of the Financial Stability Act of 2010, including, to the extent practicable, by having the characteristics described in clauses (i) through (vi) of subsection (c)(1)(B) of such section 124.

(b) STATE TAXATION AUTHORITY NOT AFFECTED.—No provision of this Act shall be construed as affecting the authority of any State or political subdivision of any State to adopt, apply, or administer any tax or method of taxation to any bank, bank holding company, or foreign bank, or any affiliate of any bank, bank holding company, or foreign bank, to the extent that such tax or tax method is otherwise permissible by or under the Constitution of the United States or other Federal law.

A copy of such petition shall be forthwith transmitted to the Board by the clerk of the court, and thereupon the Board shall file in the court the record made before the Board, as provided in section 2112 of title 28, United States Code. AMENDMENTS TO INTERNAL REVENUE CODE OF 1954

SEC. 10. [Section 10 contains an amendment to the Internal Revenue Code of 1954 regarding distributions pursuant to the Bank Holding Company Act of 1956. Refer to subchapter O of chapter 1 of such Code for such amendment.]

SAVING PROVISION

SEC. 11. [12 U.S.C. 1849] (a) Nothing herein contained shall be interpreted or construed as approving any act, action, or conduct which is or has been or may be in violation of existing law, nor shall anything herein contained constitute a defense to any action, suit, or proceeding pending or hereafter instituted on account of any prohibited antitrust or monopolistic act, action, or conduct, except as specifically provided in this section.

(b) ANTITRUST REVIEW.—

(1) IN GENERAL.—The Board shall immediately notify the Attorney General of any approval by it pursuant to section 3 of a proposed acquisition, merger, or consolidation transaction and, if the transaction also involves an acquisition under section 4, the Board shall also notify the Federal Trade Commission of such approval. If the Board has found that it must act immediately in order to prevent the probable failure of a bank

or bank holding company involved in any such transaction, the transaction may be consummated immediately upon approval by the Board. If the Board has advised the Comptroller of the Currency or the State supervisory authority, as the case may be, of the existence of an emergency requiring expeditious action and has required the submission of views and recommendations within ten days, the transaction may not be consummated before the fifth calendar day after the date of approval by the Board. In all other cases, the transaction may not be consummated before the thirtieth calendar day after the date of approval by the Board or, if the Board has not received any adverse comment from the Attorney General of the United States relating to competitive factors, such shorter period of time as may be prescribed by the Board with the concurrence of the Attorney General, but in no event less than 15 calendar days after the date of approval. Any action brought under the antitrust laws arising out of an acquisition, merger, or consolidation transaction approved under section 3 shall be commenced prior to the earliest time under this subsection at which the transaction approval under section 3 might be consummated. The commencement of such an action shall stay the effectiveness of the Board's approval unless the court shall otherwise specifically order. In any such action, the court shall review de novo the issues presented. In any judicial proceeding attacking any acquisition, merger, or consolidation transaction approved pursuant to section 3 on the ground that such transaction alone and of itself constituted a violation of any antitrust laws other than section 2 of the Act of July 2, 1890 (section 2 of the Sherman Antitrust Act, 15 U.S.C. 2), the standards applied by the court shall be identical with those that the Board is directed to apply under section 3 of this Act. Upon the consummation of an acquisition, merger, or consolidation transaction approved under section 3 in compliance with this Act and after the termination of any antitrust litigation commenced within the period prescribed in this section, or upon the termination of such period if no such litigation is commenced therein, the transaction may not thereafter be attacked in any judicial proceeding on the ground that it alone and of itself constituted a violation of any antitrust laws other than section 2 of the Act of July 2, 1890 (section 2 of the Sherman Antitrust Act, 15 U.S.C. 2), but nothing in this Act shall exempt any bank holding company involved in such a transaction from complying with the antitrust laws after the consummation of such transaction.

(2) SECTION 13(f) CASES.—(A) If—

(i) the Federal Deposit Insurance Corporation learns that a bank insured by such Corporation is in danger of closing; and

(ii) the Corporation is considering assisting the acquisition of such bank and its affiliated banks by another bank or holding company under section 13(f) of the Federal Deposit Insurance Act and such acquisition is subject to the approval of the Board under section 3 of this Act,

the Corporation shall immediately notify the Board of such facts.

(B) Upon receipt of notice from the Federal Deposit Insurance Corporation under subparagraph (A) or at such earlier time as deemed appropriate by the Board, the Board shall immediately notify the Attorney General of the United States of the facts concerning the possible acquisition.

(C) Within 5 days of receiving notice under subparagraph (B), the Attorney General shall notify the Board in writing of the Attorney General's preliminary finding as to the consistency of the possible acquisition with the antitrust laws.

(D) The Board may reduce or eliminate the post-approval waiting period established under paragraph (1) for an acquisition to which this paragraph applies, except that such period may not be eliminated or reduced to less than 5 days without the concurrence of the Attorney General.

(c) In any action brought under the antitrust laws arising out of any acquisition, merger, or consolidation transaction approved by the Board under section 3 of this Act, the Board and any State banking supervisory agency having jurisdiction within the State involved, may appear as a party of its own motion and as of right, and be represented by its counsel.

(d) Any acquisition, merger, or consolidation of the kind described in section 3(a) of this Act which was consummated at any time prior or subsequent to May 9, 1956, and as to which no litigation was initiated by the Attorney General prior to the date of enactment of this amendment,¹⁵ shall be conclusively presumed not to have been in violation of any antitrust laws other than section 2 of the Act of July 2, 1890 (section 2 of the Sherman Antitrust Act, 15 U.S.C. 2).

(e) Any court having pending before it on or after the date of enactment of this amendment¹⁵ any litigation initiated under the antitrust laws by the Attorney General with respect to any acquisition, merger, or consolidation of the kind described in section 3(a) of this Act shall apply the substantive rule of law set forth in section 3 of this Act.

(f) For the purposes of this section, the term "antitrust laws" means the Act of July 2, 1890 (the Sherman Antitrust Act, 15 U.S.C. 1-7), the Act of October 15, 1914 (the Clayton Act, 15 U.S.C. 12-27), and any other Acts in pari materia.

(b) STUDY AND RULEMAKING.—

(1) STUDY.—Not later than 6 months after the date of enactment of this section, the Financial Stability Oversight Council shall study and make recommendations on implementing the provisions of this section so as to—

(A) promote and enhance the safety and soundness of banking entities;

(B) protect taxpayers and consumers and enhance financial stability by minimizing the risk that insured depository institutions and the affiliates of insured depository institutions will engage in unsafe and unsound activities;

(C) limit the inappropriate transfer of Federal subsidies from institutions that benefit from deposit insurance and liquidity facilities of the Federal Government to unregulated entities;

(D) reduce conflicts of interest between the self-interest of banking entities and nonbank financial companies supervised by the Board, and the interests of the customers of such entities and companies;

(ii) COORDINATION, CONSISTENCY, AND COMPARABILITY.—In developing and issuing regulations pursuant to this section, the appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission shall consult and coordinate with each other, as appropriate, for the purposes of assuring, to the extent possible, that such regulations are comparable and provide for consistent application and implementation of the applicable provisions of this section to avoid providing advantages or imposing disadvantages to the companies affected by this subsection and to protect the safety and soundness of banking entities and nonbank financial companies supervised by the Board.

(2) CONFORMANCE PERIOD FOR DIVESTITURE.—A banking entity or nonbank financial company supervised by the Board shall bring its activities and investments into compliance with the requirements of this section not later than 2 years after the date on which the requirements become effective pursuant to this section or 2 years after the date on which the entity or company becomes a nonbank financial company supervised by the Board. The Board may, by rule or order, extend this two-year period for not more than one year at a time, if, in the judgment of the Board, such an extension is consistent with the purposes of this section and would not be detrimental to the public interest. The extensions made by the Board under the preceding sentence may not exceed an aggregate of 3 years.

(3) EXTENDED TRANSITION FOR ILLIQUID FUNDS.—

(A) APPLICATION.—The Board may, upon the application of a banking entity, extend the period during which the banking entity, to the extent necessary to fulfill a contractual obligation that was in effect on May 1, 2010, may take or retain its equity, partnership, or other ownership interest in, or otherwise provide additional capital to, an illiquid fund.

(5) ADDITIONAL CAPITAL DURING TRANSITION PERIOD.—Notwithstanding paragraph (2), on the date on which the rules are issued under subsection (b)(2), the appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission shall issue rules, as provided in subsection (b)(2), to impose additional capital requirements, and any other restrictions, as appropriate, on any equity, partnership, or ownership interest in or sponsorship of a hedge fund or private equity fund by a banking entity.

(6) SPECIAL RULEMAKING.—Not later than 6 months after the date of enactment of this section, the Board shall issue rules to implement paragraphs (2) and (3).

(B) The purchase, sale, acquisition, or disposition of securities and other instruments described in subsection (h)(4) in connection with underwriting or market-making-related activities, to the extent that any such activities permitted by this subparagraph are designed not to exceed the reasonably expected near term demands of clients, customers, or counterparties.

(C) Risk-mitigating hedging activities in connection with and related to individual or aggregated positions, contracts, or other holdings of a banking entity that are designed to reduce the specific risks to the banking entity in connection with and related to such positions, contracts, or other holdings.

(E) Investments in one or more small business investment companies, as defined in section 102 of the Small Business Investment Act of 1958 (15 U.S.C. 662), investments designed primarily to promote the public welfare, of the type permitted under paragraph (11) of section 5136 of the Revised Statutes of the United States (12 U.S.C. 24), or investments that are qualified rehabilitation expenditures with respect to a qualified rehabilitated building or certified historic structure, as such terms are defined in section 47 of the Internal Revenue Code of 1986 or a similar State historic tax credit program.

(F) The purchase, sale, acquisition, or disposition of securities and other instruments described in subsection (h)(4) by a regulated insurance company directly engaged in the business of insurance for the general account of the company and by any affiliate of such regulated insurance company, provided that such activities by any affiliate are solely for the general account of the regulated insurance company, if—

(i) the purchase, sale, acquisition, or disposition is conducted in compliance with, and subject to, the insurance company investment laws, regulations, and written guidance of the State or jurisdiction in which each such insurance company is domiciled; and

(ii) the appropriate Federal banking agencies, after consultation with the Financial Stability Oversight Council and the relevant insurance commissioners of the States and territories of the United States, have not jointly determined, after notice and comment, that a particular law, regulation, or written guidance described in clause (i) is insufficient to protect the safety and soundness of the banking entity, or of the financial stability of the United States.

(G) Organizing and offering a private equity or hedge fund, including serving as a general partner, managing member, or trustee of the fund and in any manner selecting or controlling (or having employees, officers, directors, or agents who constitute) a majority of the directors, trustees, or management of the fund, including any necessary expenses for the foregoing, only if—

(iv) the banking entity complies with the restrictions under paragraphs (1) and (2) of subparagraph (f);

(v) the banking entity does not, directly or indirectly, guarantee, assume, or otherwise insure the obligations or performance of the hedge fund or private equity fund or of any hedge fund or private equity fund in which such hedge fund or private equity fund invests;

(vi) the banking entity does not share with the hedge fund or private equity fund, for corporate, marketing, promotional, or other purposes, the same name or a variation of the same name, except that the hedge fund or private equity fund may share the same name or a variation of the same name as a banking entity that is an investment adviser to the hedge fund or private equity fund, if—

(I) such investment adviser is not an insured depository institution, a company that controls an insured depository institution, or a company that is treated as a bank holding company for purposes

of section 8 of the International Banking Act of 1978 (12 U.S.C. 3106);

(II) such investment adviser does not share the same name or a variation of the same name as an insured depository institution, any company that controls an insured depository institution, or any company that is treated as a bank holding company for purposes of section 8 of the International Banking Act of 1978 (12 U.S.C. 3106); and

(III) such name does not contain the word “bank”;

(viii) the banking entity discloses to prospective and actual investors in the fund, in writing, that any losses in such hedge fund or private equity fund are borne solely by investors in the fund and not by the banking entity, and otherwise complies with any additional rules of the appropriate Federal banking agencies, the Securities and Exchange Commission, or the Commodity Futures Trading Commission, as provided in subsection (b)(2), designed to ensure that losses in such hedge fund or private equity fund are borne solely by investors in the fund and not by the banking entity.

(H) Proprietary trading conducted by a banking entity pursuant to paragraph (9) or (13) of section 4(c), provided that the trading occurs solely outside of the United States and that the banking entity is not directly or indirectly controlled by a banking entity that is organized under the laws of the United States or of one or more States.

(I) The acquisition or retention of any equity, partnership, or other ownership interest in, or the sponsorship of, a hedge fund or a private equity fund by a banking entity pursuant to paragraph (9) or (13) of section 4(c) solely outside of the United States, provided that no ownership interest in such hedge fund or private equity fund is offered for sale or sold to a resident of the United States and that the banking entity is not directly or indirectly controlled by a banking entity that is organized under the laws of the United States or of one or more States.

(J) Such other activity as the appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission determine, by rule, as provided in subsection (b)(2), would promote and protect the safety and soundness of the banking entity and the financial stability of the United States.

(2) LIMITATION ON PERMITTED ACTIVITIES.—

(A) IN GENERAL.—No transaction, class of transactions, or activity may be deemed a permitted activity under paragraph (1) if the transaction, class of transactions, or activity—

(i) would involve or result in a material conflict of interest (as such term shall be defined by rule as provided in subsection (b)(2)) between the banking entity and its clients, customers, or counterparties;

(ii) would result, directly or indirectly, in a material exposure by the banking entity to high-risk assets or high-risk trading strategies (as such terms shall be defined by rule as provided in subsection (b)(2));

(iii) would pose a threat to the safety and soundness of such banking entity; or

(iv) would pose a threat to the financial stability of the United States.

(B) RULEMAKING.—The appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission shall issue regulations to implement subparagraph (A), as part of the regulations issued under subsection (b)(2).

(3) CAPITAL AND QUANTITATIVE LIMITATIONS.—The appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission shall, as provided in subsection (b)(2), adopt rules imposing additional capital requirements and quantitative limitations, including diversification requirements, regarding the activities permitted under this section if the appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission determine that additional capital and quantitative limitations are appropriate to protect the safety and soundness of banking entities engaged in such activities.

(4) DE MINIMIS INVESTMENT.—

(A) IN GENERAL.—A banking entity may make and retain an investment in a hedge fund or private equity fund that the banking entity organizes and offers, subject to the limitations and restrictions in subparagraph (B) for the purposes of—

(i) establishing the fund and providing the fund with sufficient initial equity for investment to permit the fund to attract unaffiliated investors; or

(ii) making a de minimis investment.

(B) LIMITATIONS AND RESTRICTIONS ON INVESTMENTS.—

(i) REQUIREMENT TO SEEK OTHER INVESTORS.—A banking entity shall actively seek unaffiliated investors to reduce or dilute the investment of the banking entity to the amount permitted under clause (ii).

demption, sale, or dilution to an amount that is not more than 3 percent of the total ownership interests of the fund;

(II) be immaterial to the banking entity, as defined, by rule, pursuant to subsection (b)(2), but in no case may the aggregate of all of the interests of the banking entity in all such funds exceed 3 percent of the Tier 1 capital of the banking entity.

(iii) CAPITAL.—For purposes of determining compliance with applicable capital standards under paragraph (3), the aggregate amount of the outstanding investments by a banking entity under this paragraph, including retained earnings, shall be deducted from the assets and tangible equity of the banking entity, and the amount of the deduction shall increase commensurate with the leverage of the hedge fund or private equity fund.

(C) EXTENSION.—Upon an application by a banking entity, the Board may extend the period of time to meet the requirements under subparagraph (B)(ii)(I) for 2 additional years, if the Board finds that an extension would be consistent with safety and soundness and in the public interest.

(e) ANTI-EVASION.—

(1) RULEMAKING.—The appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission shall issue regulations, as part of the rulemaking provided for in subsection (b)(2), regarding internal controls and recordkeeping, in order to insure compliance with this section.

(2) TERMINATION OF ACTIVITIES OR INVESTMENT.—Notwithstanding any other provision of law, whenever an appropriate Federal banking agency, the Securities and Exchange Commission, or the Commodity Futures Trading Commission, as appropriate, has reasonable cause to believe that a banking entity or nonbank financial company supervised by the Board under the respective agency's jurisdiction has made an investment or engaged in an activity in a manner that functions as an evasion of the requirements of this section (including through an abuse of any permitted activity) or otherwise violates the restrictions under this section, the appropriate Federal banking agency, the Securities and Exchange Commission, or the Commodity Futures Trading Commission, as appropriate, shall order, after due notice and opportunity for hearing, the banking entity or nonbank financial company supervised by the Board to terminate the activity and, as relevant, dispose of the investment. Nothing in this paragraph shall be construed to limit the inherent authority of any Federal agency or State regulatory authority to further restrict any investments or activities under otherwise applicable provisions of law.

(f) LIMITATIONS ON RELATIONSHIPS WITH HEDGE FUNDS AND PRIVATE EQUITY FUNDS.—

(1) IN GENERAL.—No banking entity that serves, directly or indirectly, as the investment manager, investment adviser, or sponsor to a hedge fund or private equity fund, or that organizes and offers a hedge fund or private equity fund pursuant to paragraph (d)(1)(G), and no affiliate of such entity, may enter into a transaction with the fund, or with any other hedge fund or private equity fund that is controlled by such fund, that would be a covered transaction, as defined in section 23A of the Federal Reserve Act (12 U.S.C. 371c), with the hedge fund or private equity fund, as if such banking entity and the affiliate thereof were a member bank and the hedge fund or private equity fund were an affiliate thereof.

(2) TREATMENT AS MEMBER BANK.—A banking entity that serves, directly or indirectly, as the investment manager, investment adviser, or sponsor to a hedge fund or private equity fund, or that organizes and offers a hedge fund or private equity fund pursuant to paragraph (d)(1)(G), shall be subject to section 23B of the Federal Reserve Act (12 U.S.C. 371c–1), as if such banking entity were a member bank and such hedge fund or private equity fund were an affiliate thereof.

(ii) the chief executive officer (or equivalent officer) of the banking entity certifies in writing annually (with a duty to update the certification if the information in the certification materially changes) that the conditions specified in subsection (d)(1)(g)(v) are satisfied; and

(iii) the Board has determined that such transaction is consistent with the safe and sound operation and condition of the banking entity.

(B) TREATMENT OF PRIME BROKERAGE TRANSACTIONS.—

For purposes of subparagraph (A), a prime brokerage transaction described in subparagraph (A) shall be subject to section 23B of the Federal Reserve Act (12 U.S.C. 371c–1) as if the counterparty were an affiliate of the banking entity.

(4) APPLICATION TO NONBANK FINANCIAL COMPANIES SUPERVISED BY THE BOARD.—The appropriate Federal banking agencies, the Securities and Exchange Commission, and the Commodity Futures Trading Commission shall adopt rules, as provided in subsection (b)(2), imposing additional capital charges or other restrictions for nonbank financial companies supervised by the Board to address the risks to and conflicts of in-

terest of banking entities described in paragraphs (1), (2), and (3) of this subsection.

(g) RULES OF CONSTRUCTION.—

(1) LIMITATION ON CONTRARY AUTHORITY.—Except as provided in this section, notwithstanding any other provision of law, the prohibitions and restrictions under this section shall apply to activities of a banking entity or nonbank financial company supervised by the Board, even if such activities are authorized for a banking entity or nonbank financial company supervised by the Board.
