### **POLICY WITH RESPECT TO THE APPLICATION OF CERTAIN PROVISIONS OF FEDERAL LAW**

SEC. 2. (a) It is the policy of the United States that guidelines and criteria established pursuant to title VI of the Civil Rights Act of 1964 and section 182 of the Elementary and Secondary Education Amendments of 1966 dealing with conditions of segregation by race, whether de jure or de facto, in the schools of the local educational agencies of any State shall be applied uniformly in all regions of the United States whatever the origin or cause of such segregation.

(b) Such uniformity refers to one policy applied uniformly to de jure segregation wherever found and such other policy as may be provided pursuant to law applied uniformly to de facto segregation wherever found.

(c) Nothing in this section shall be construed to diminish the obligation of responsible officials to enforce or comply with such guidelines and criteria in order to eliminate discrimination in federally assisted programs and activities as required by title VI of the Civil Rights Act of 1964.

(d) It is the sense of the Congress that the Department of Justice and the Department of Health, Education, and Welfare should request such additional funds as may be necessary to apply the policy set forth in this section throughout the United States.
